'MAROON MAGIC'

Clarendon battles Panhandle to a tie

Well, it was everything it was supposed to be and even more. The two top-ranked teams - Panhandle No. 1 and Clarendon No. 9 thrilled the overflow crowd with incredible play after incredible play. The game had been billed as a "classic duel." To the fans who filled the stands, lined the sidelines and enzones, it was everything they had anticipated. It took every tick on the clock to determine the final score, Clarendon 20, Panhandle 20. The tie left both teams with 6-0-1 records, 1-0-1 in District 2-AA. Wellington, 2-0, is the only other unbeaten team in the district.

The Bronchos played with all the heart of the "Maroon Magic" tradition. The Bronchos stung by the Panthers 49-7 last year played with all the effort and determination it could find. On Panhandle's first offensive possession, the Bronco defense held and forced a Panther punt. The Bronco offense took over at their own 33 yd. line. It took the Bronchos only four plays to score the first TD. Glenn Weatherston picked up 50 yards on the third play from scrimmage to the Panhandle 8 yd. line where he was finally brought down by Stacy Rusk. With a first and goal from the Panthers 8, Rodney Smith took

the pitch from Dvorn Howell and raced untouched into the endzone. Artis Thomas added the extra point to put the Bronchos in front 7-0.

The Panthers tied the score in the second quarter on a 29 yd. run by Panther back Stacy Rusk. Wes Wood added the PAT to put the Panthers back even.

The Bronchos, however, showing that explosive offense again struck one more before the Panther fans could settle back in their seats. The Bronchos took the ensuing kickoff and

Indians are coming to Clarendon

After a very intense mental and physical game with Panhandle, the Bronchos are going to tangle with the Quannah Indians this Friday in Bronco Stadium. The mighty Bronchos are still excited over the 20-20 classic battle with the Panthers. It was a game of games played between two evenly matched teams.

The Indians are not of the same dimension as the Panthers but they do so many things so well that the

Bronchos must play another enthusiastic game with Panhandle. The team needs to have the crowd support as was shown against Panhandle. It was of great value to the team as it gave them added incentive.

The Indians are 5-2-0 on the year and 1-1 in district play, losing only to Childress (28-14) and Wellington (15-7). They are a very explosive team capable of scoring from anywhere on the field, at anytime with an all-district

quarterback Kobby Harris and an excellent set of receivers, to go along with one of the best backs in the district - Stanley Payne, a junior, who has rushed for 917 yards and 12 touchdowns thru seven games.

The offense is a multiple spread from a shotgun spread to tight I "knock'em back" offense. The defense is a very aggressive tight group having give up only one touchdown in five of their seven games this year

and it is a very minimum mistake oriented team with very few fumbles and interceptions.

The Bronchos are going to be a little flat after such an emotional game with Panhandle similar to the game with Shamrock after playing Childress.

Quannah is led by an all district quarterback, Robby Harris a junior that has throw for nearly 520 yds and Stanley Payne a cat quick, stop on

Are you interested in a Ladies Auxiliary?

Those interested in becoming Honorary Members of the Ladies Auxiliary of Clarendon come by the Fire Station for the second meeting, October 20, 1983 at 7:30 p.m.

The Auxiliary had their first meeting Monday, October 3, 1983. The group present elected officers for the coming year and discussed the different committees needed.

Also discussed and most

important were ways for us to help our firemen in whatever we can. They have done more than an outstanding job and we want to do what we can to help.

At the present time, the Auxiliary does not have a name so we have decided to hold a contest. If anyone out there has a "Name that fits", they can call Jo Dee Mincey, after 5 p.m. at 874-3864.

Guinn named director of Spelling Bee

The director for Donley County's 1984 National Spelling Bee program has been named by the regional sponsors, the Amarillo Globe-News and West Texas State University.

Directing the county program will be Floyd Guinn, principal of Clarendon Junior High. He has served as director since 1977. The director will select a place for the contest and name of pronouncer.

Gene Parker, director of placement, WTSU, and bee coordinator for the Amarillo newspaper, has announced the continuation of the educational program for students in the public and parochial schools in the 46-county area which covers four states.

"For a number of years the university in Canyon has stongly supported and believed in this educational program and we take a great deal of pride in helping to recognize the academic accomplishments of the young people who come to us in April as county winners," Parker said.

"We are delighted to work with all of the school officials in this area who share with us a desire to teach the best understanding of English - not just a memorizing of spelling, but a knowledge of the structure of words and what they mean," he said.

In order to participate in the Bee students must not

have passed beyond the eighth grade at the time of their school finals and must not reach their 16th birthday on or before May 27, 1984 (date of the national finals).

The 36th Regional Bee will be held on April 28 in the Mary Moody Northern Hall on the WTSU campus in Canyon. Previously the event was held in Amarillo.

All county directors are to report the names of their champions to the Amarillo Globe-News by April 7. The 1984 district winner will go to Washington, D.C. in late May for the 57th national competition. In 1983 there were 137 finalists from across the country and already the national sponsors, the Scripps-Howard Newspapers, are predicting about 150 area contenders.

Most schools in the program use the booklet, "Words of the Champions", and copies are available from the Amarillo Globe-News for 40-cents each. Address your order to Spelling Bee Editor, Amarillo Globe-News, Box 2091, Amarillo, Texas 79116. The 1984 booklet contains more than 500 word changes.

A Junior Bee for the younger students, grade six and under, will also be conducted in each county. The county junior champs will be special guests of the sponsors in April.

Jeanne Bartlett is spelling bee editor for the Amarillo Globe-News.

Chris Matthews and Shirley Clifford are co-chairmen of the newly organized Friends of the Library which met Tuesday, October 11, at the library. Helen Green will serve as secretary. Treasurer will be Pat Thornberry.

Annis Stavenhagen, librarian, welcomed those present and then Dianne Chamberlain explained the purpose of the Friends of the Library. In short, it is a support group for the librarian and the library and its activities.

After the chairmen were elected, Mrs. Matthews conducted the meeting and the election of the other officers. A membership drive for this fall and plans for a community-wide book sale were formulated for late next spring. Many more details will be announced, but for right now please save all of your paperback and regular books for us. By donating books and then pooling them for one gigantic book sale, we hope to raise money for the library.

Books may be taken to the library during regular hours. The Book Collection Committee is Jondell Moffett and Glenda Hawkins. If you are unable to take the books yourself, call one of these Friends and they will see that the books are taken.

Committee members for the book sale are: Nancy Shelton, Jean Stavenhagen, Dianne Chamberlain, Betty Palmer and Kay Hayes.

Telephone committee members are Mable Mongole and Bette Williams.

HOOD'S TEXAS BRIGADE by Col. Harold B. Simpson, available at our library, is a genealogist's or Civil War buff's treasure trove of names, dates, service records, photographs and personal accounts of the men who fought in the Confederate Army. This brigade was comprised of the finest military units in the Confederate Army: the 1st, 4th and 5th Texas Infantry Regiments, the 3rd Arkansas and 18th Georgia Infantry Regiments and eight infantry companies of Hampton's South Carolina Legion. Hood's Texas Brigade is the first brigade in Lee's army to be fully recorded in one volume and to be statistically analyzed.

Knowing that family ancestors came from South Carolina, Texas, Arkansas and perhaps, Georgia, these names were eagerly sought by me. The first one found read: 1st Lt. Org. 2nd Lt. of Co., Prom. 1 Lt. Sept. 19, 1863; AWOL, Winter 1864-65; Paroled, Montgomery, Ala., June, 1865. Well! This one was certainly not an ancestor of mine. Another branch of the family tree read: Enl. Mar. 14, 1862, paroled Appo. Apr. 12, 1865. Thank goodness, this was an in-law name. Then, gradually, as the lists were gone over, the realization came that those with paroled after their names were paroled by the Union Army after Appomattox.

Many will be fascinated by this book. It is a reference book so allow yourself some time and have a pen and paper. Chances are you may find a lost ancestor, if he fought for the South and was from one of the states listed. If you want to lose an ancestor, just turn the page and don't tell anyone.

Governor White endorses Fitness Program

Governor Mark White met with members of the Texas USDA's Food and Agriculture Council to endorse their newly initiated year-long Food and Fitness Campaign.

In line with the National program, all State USDA agencies will support the informational and physical fitness programs being developed by the Texas Agricultural Extension Service that will be made available to the general public in all communities.

The goals of this long-range cooperative venture are to emphasize the critical relationship between diet and regular exercise in maintaining total good health and physical fitness; to stress the importance of good nutrition throughout life; to promote the best use of natural, economic and human resources to assure continuance of the American food system and the furtherance of good health practices; and to demonstrate the vitality of the American agriculture system as evidenced in its ability to provide the world's most varied, abundant and nutritious food supply.

Working with the private sector that is involved with community activities for all age groups: schools, youth groups, parks and recreation, PTA, and senior citizens, the Extension Service promotion will involve individual and family fitness; fitness in the workplace, health fairs that feature home economics programming in the areas of foods, nutrition and health, and sports activities.

Governor White's official recognition of the program urges all citizens to join in establishing within their daily lives a responsible and proper program of nutrition and exercise, and to increase their awareness of the importance of good food and fitness.

The local ASCS office is well as all other local USDA agencies will support the plans and programs developed in the community by the Extension Service County Agent and local groups who volunteer to participate in the food and fitness programs.

office at Donley County Courthouse in Clarendon.

Burnett said the community action agency has been designated by the Panhandle Job Training Partnership to provide JTPA services for eligible persons who reside in all the 25 county area except Amarillo. "Persons residing in Amarillo are to be served by the Texas Employment Commission" he said.

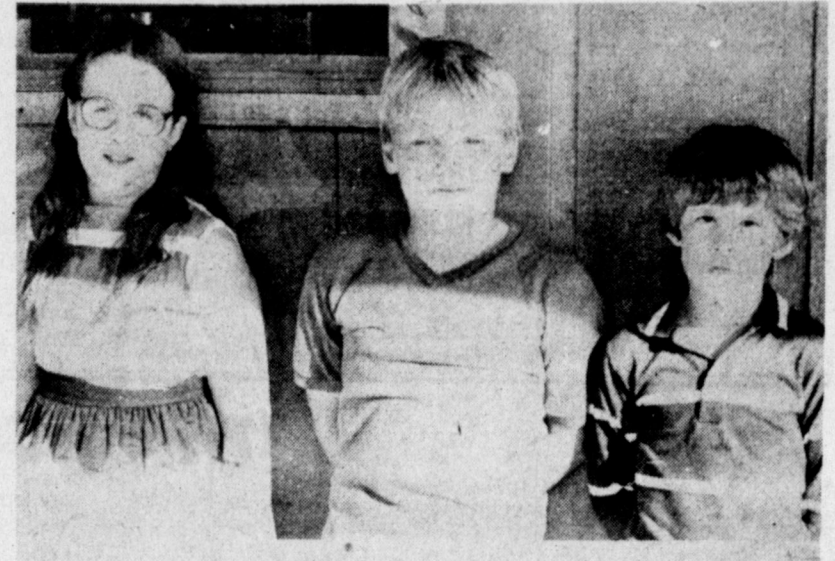

A 30 member Private Industry Council joined with 25 county judges and two mayors to form the Panhandle Job Training Partnership which as set local program and training guidelines. Members of the PIC are representatives of private businesses, economic development agencies, educational institutions, labor organizations, rehabilitation agencies, community-based organizations and the public employment service from throughout the Texas Panhandle. Local area member of the Partnership is Donley County Judge W.R. Christal.

The Job Training Partnership Act replaced the Comprehensive Employment and Training Act (CETA), effective October 1. Programs under JTPA are to prepare youth and unskilled adults for entry into the labor force and to provide job training to economically disadvantaged persons who are facing serious barriers to employment and need the training to obtain jobs. In enacting this legislation, the Congress stated that it

"recognizes that job training is an investment in human capital...the basic return on the investment is to be measured by the increased employment and earnings of the participants and reduction in welfare dependency."

The Act provided for a private-public partnership with strong emphasis on the involvement of the private business sector in local policy making, program design and program oversight. Local job training activities are being developed to prepare participants to enter jobs as productive employees of businesses and other employers of the 25 county area.

Texas Panhandle Community Action Corporation has provided job training and employment in the Texas Panhandle since 1967.

Panhandle from pg 1

GLENN WEATHERTON - The 5-8, 158-pound senior halfback rushed for 164 yards on 15 carries in Clarendon's classic District 2-2 battle with Panhandle Friday night which ended in a 20-20 tie. The elusive Weatherton, who gained all of his yards in the first half, scored on a run of 75 yards in the second quarter and also had runs of 46 and 34 yards. Panhandle's 5-3 defense had allowed an average of just 99 total yards a game going into the contest. On defense, Weatherton had eight solo and three assisted tackles as a cornerback.

began their offensive possession at their own 25 yd line. On the first play Glenn Weatherton took the handoff from Dyrton and behind the offensive blocking of Lynn Alderson, Rod Keown, Tim Cole and Dean Cearly scampered 75 yards through the middle of the Panhandle defense to give the Bronchos a 14-7 lead in the second quarter. Arlis added his second extra point.

Clarendon would strike one more time before the half to thrill the home fans with yet another exciting run. With only second left on the clock, the Bronchos were to score one more time. With the ball on the Panther 32 yd line, Rodney Smith took the pitch from Dyrton again and scooted 32 yds. to the end zone. The PAT failed and the Bronchos went to the dressing room with a hard-fought 20-7 halftime lead.

The second half belonged to Panhandle as they would score two TD's in the fourth quarter to tie the game. The Panther's scored early in the 4th quarter on a 4 yd run by Wes Wood, but the PAT failed to leave the score 20-13. The Broncho offense could not manage a first down and had to give the ball back to the Panthers with 6:19 to play. The Panthers took 5:57 and 19 plays to cover the final 67 yards. Todd Lamberson, the Panhandle quarterback, scored on a sneak from 1 yd out with 25 seconds to go in the game. (The Bronchos stopped two Panther attempts to score inside the 4 yd line.) On the PAT try, kicker Wood pretended to change shoes while the ball was being snapped to holder Lamberson. Wood then ran into the end zone all alone and Lamberson passed him the ball for what appeared to be the winning points. But Coach Allen had called for a timeout moments before the ball was snapped, to nullify the play. Wood kicked the PAT and the game was tied... almost unbelievable to the estimated 2,000 fans. It was a game that would be talked about as one of the most "remembered classics" by football fans.

For the record, Panhandle had four penetrations inside the Broncho 20 yd. line, while Clarendon had three penetrations. If the district should end in a tie with Panhandle and Clarendon, they would be declared co-champions. Panhandle would go into the play-off as the No. 1 seed while Clarendon would be the No. 2 seed by virtue of the 4-3 penetration difference.

Outstanding Broncho Performances

- Glenn Weatherton** - 15 carries for 164 yds., 1 TD (75 yds) 8 tackles, 3 assist.
- Rodney Smith** - 13 carries for 61 yards, 2 TD's (8 and 32 yds.), 14 tackles, 8 assist, caused 2 fumbles, 1 broken up pass.
- Richard Gaines** - 7 tackles, 2 assist, 2 broken up passes.
- Booney Gardner** - 7 tackles, 4 assist.
- Creed Wright** - 10 tackles, 5 assist, 1 broken-up pass.

- Jimmy Phillips** - 1 recovered fumble.
- Lynn Alderson** - 3 tackles.

THE PLAY OFF

Many of the Broncho fans were expecting to see a sudden death play off Friday night as the football teams was tied by Panhandle 20-20. Many are expecting to play Panhandle again to break the tie.

These are misconceptions as the high school level in Texas does not allow to play to break a tie. The tie is settled by the number of times a team penetrates the opposing 20 yard line and if that is even then it is settled by first downs, and then lastly by the total number of yards gained.

The new play off system does allow for a type of tie-breaker. If the two teams involved continue to win and advance into the play offs (the number one seed team and runnerup advance to the play off) They could meet again in the quarter finals.

Indian con't from pg 1

a dime, durable running back. John Holocker a 6'2" 206 r. tackle that goes both ways and is truly the leader of the attack along with Charles Woods, a 6'2" 175 lb sr. center and nose guard that draws double teams and still he will be in on a tackle or made the passer hurry the ball. Doyle Pace, 6'0" 183 lb. quart tackle that is probably the most physical player that our team has faced to date. He is a very mean football player. The linebackers are two of the quickest, similar to those from Childress, Kevon

Kleibrink 6'0" 144 junior and Dallas Prescott 5'10" 165 Sr. They tackle very good and are quick.

The game will be an even fought battle and the difference will be in the intensity of the winner. Due to the fact that the Bronchos are coming off a big game with the Indians whipping Memphis 30-6 very easily, the Bronchos might be at a disadvantage.

There are very few line-up changes for the Bronchos as they are as near to being at the top speed as they have been all season.

City Minutes

The Board of Aldermen of the City of Clarendon met in regular session on September 27, 1983, in the Board Room, City Hall at 7:30 p.m. Members present were Mayor James Kuhn, Aldermen J.G. McAnear, Lloyd McCord, James Sharrar and Richard Bell.

Member absent was Alderman Gene White.

Senior Citizens

Cherri Brown, Home Extension Agent for Donley County has presented several wonderful programs for the Donley County Senior Citizens Center. Thursday, October 13, she presented an informative program on Low Sodium diets to seven ladies. We had sodium-free refreshments and discussed the problems of reducing the salt intake in our daily diets.

Cherri is available to present program to any group wishing one on nutrition, fashion, crafts, home management or any related area. We are delighted that she spends so much time preparing programs for our group.

Cherri also brought four 4-H'ers to the Donley County Senior Citizens Center Tuesday to learn how to bake cookies. Unfortunately, Jean Baten and Katie Dvorak were the only ones available to help them learn. The girls would love to have more help learning to bake a bundt cake next Tuesday.

Letter to the Editor

Dear Mr. and Mrs. Woody
Having lived in Clarendon for over two years - and quite happily - we are now concerned with the situation there! None of our letters are being answered, almost as if there is no out-going mail. Of course, that cannot be the situation.

Please print this in the sincere hope one person will read it and feel the urge to write two very homesick residents.

Sincerely,

FANCY THAT!

The world's longest heat wave—160 days with temperatures topping 100°F.—was recorded at Marble Bar, West Australia, during 1923-24.

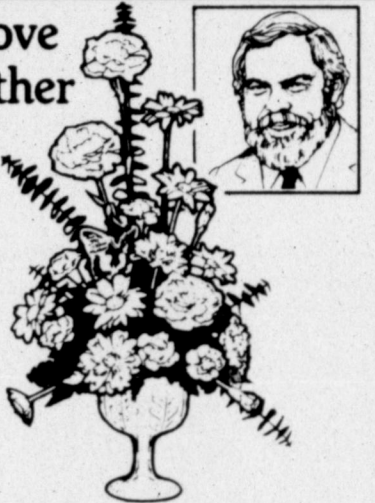

People enjoying meals at fast food restaurants across the country are reporting a new phenomenon. Their cold drinks are staying colder...longer. The reason, according to the Society of the Plastics Industry, is the foam cup. Because it insulates better, it prevents ice from melting sooner, too.

SAFETY ON THE JOB

SAFE LIFTING

A Bureau of Labor Statistics survey showed that in 1980 more than one million workers suffered back injuries. Three out of four of these injuries occurred while the employee was lifting something.

Maintaining a straight back and bent knees when lifting will help prevent back injuries.

Currently, the Occupational Safety and Health Administration is studying various aspects and approaches to the problem to develop an effective program to prevent back injuries. Lifting injuries can be forestalled by carefully selecting and/or training workers so they can safely perform lifting tasks. Pre-employment physical exams often can identify those predisposed to back injury.

Another approach is redesigning a job so lifting becomes less hazardous. For example, perhaps the size or weight of the object to be lifted can be reduced.

For free information about safe lifting in the workplace, send a self-addressed envelope to: OSHA, Safe Lifting, Washington, D.C. 20210.

Allsup's Marathon held in Clovis

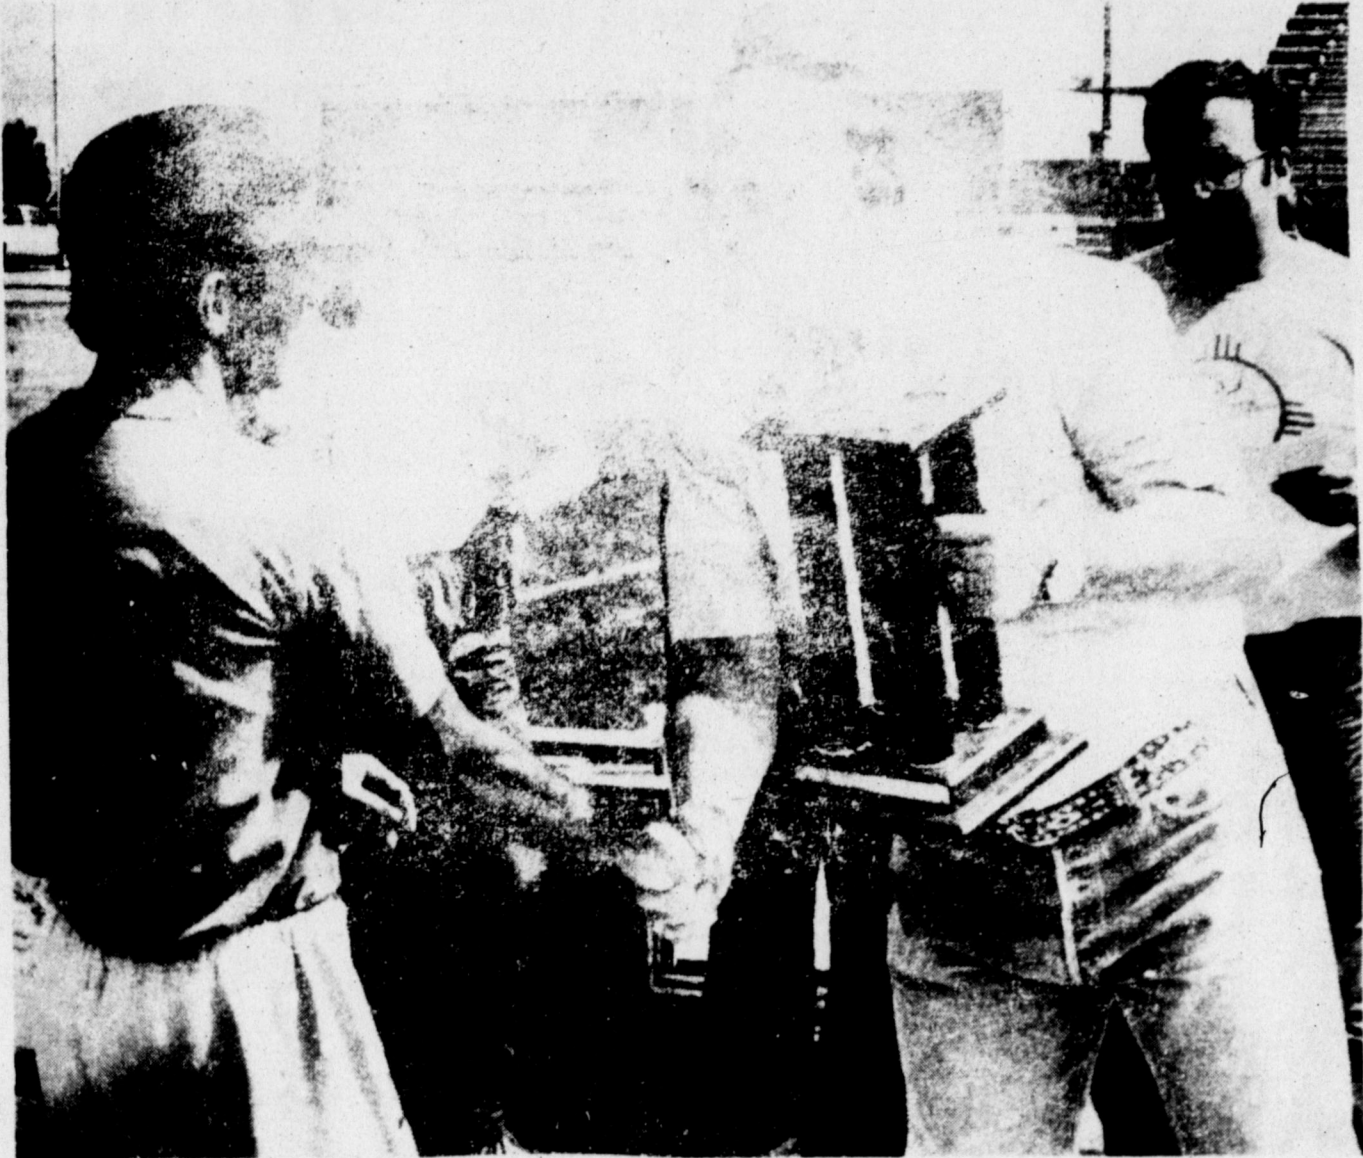

The 9th Annual Allsup's Marathon was held in Clovis, NM over the weekend and attracted approximately 300 runners from across the Southwest and from as far away as Arkansas.

The race was highlighted by the setting of several new course records in both men and women's age groups in all three events: full marathon, half marathon and 10 K. Gerry Garcia, 33, from El Rito, NM bested the old record of 2:33.16 with a winning time of 2:30.56 in the mens full marathon. Kathy Martinez, 26, from Santa Fe, NM won the womens full marathon with her time of 3:19.01.

The half marathon held a new womens course record for 26 year old Margret Stuber of Wichita Falls, TX. Her winning time was 1:29.45 - the old mark was 1:33.39. The mens half marathon was won by Dennis Grunstad, 24 of Lubbock, TX with a time of 1:14.36.

George Chavez, age 29, of Tucumcari, NM won the mens 10 K event with a time of 31.33, just eight seconds off the course record of 31.25. The womens 10 K event was won by Michelle Montoya, 16, of Tucumcari, NM with her time of 40.32, only seven seconds off the course record of 40.25.

The 9th Annual Roadraces are sponsored by Allsup's Convenience Stores, Inc. and is certified by the Amateur Athletic Union (AAU).

Lonnie D. Allsup, President of Allsup's Convenience Stores, Inc., congratulates a first place winner during the Allsup's Marathon awards ceremony Saturday, Oct. 1st following the finish of the race. "We're proud to sponsor this annual event here in Clovis, where all the participants can come, run and have a good time with us", says Mr. Allsup. This year's race drew approximately 300 runners from all over the Southwest and from as far away as Arkansas.

FOR MOBILE HOMES and Energy Efficient Residential

- OUTSIDE COMBUSTION AIR!
- Close Wall Clearances
- Thermostatic and Open Fireplace
- G.A.L. tested and ICBO listed
- Meets Federal Standards

- The Earth Stove burns 1/3 the fuel of many stoves because pre-heating draft manifold promotes efficient and complete combustion like solid fuel power plants. Super-heated air prevents "cooling" of fire unlike manual "hole" drafts do. Even large chunks burn slowly and completely—eliminates frequent ash removal.
 - Even temperatures thermostatic draft automatically maintains temperature you select. Levels out uneven cycle of wood combustion (Manual drafts cannot do this). Home temperatures more even than furnace heat.
 - Burns 14 hours on one wood load
 - Converts to open fire instantly
 - Cook top Just set thermostat to cooking heat desired - ideal for "Crock-Pot" style cookery
 - Wood gases not wasted Secondary drafts introduce oxygen above primary fire zone to burn volatile gases such as methanol, pyrolygneous acid, etc.
 - Air tight Prevents heat loss up chimney.
- The Earth Stove makes use of modern technology to improve the great institution of Wood Heat!

Alpha Upsilon Epsilon

The 65th meeting of Alpha Upsilon Epsilon Chapter of Beta Sigma Phi was called to order at the Patching Memorial Clubhouse by President Denise Grady, on September 27, 1983. All members stood and repeated the Opening Ritual led by Kitty Proctor. The roll was called and then Denise welcomed seven rushees to our Model Meeting. Vice President Leslie Schnauffer then asked our rushees to introduce themselves and tell about their families, careers, etc. The rushees present were Zetta Austin, Kayla Cates, Debbie Hamilton, Debbie Johnson, Jeanette Lovelless, Betty McAnear and Melody Price. Each member then introduced herself.

The only business discussed was the Hedley Cotton Festival Parade, the Hal-

loween Carnival and the meeting night. It was voted that we would have our Little Miss and Master Donley County and Miss Saints Roost Queen ride in the parade. We were informed by Carnival Booth Chairman, Kitty Proctor that we had 9 booths rented for the Carnival on October 29, 1983. It was also voted that our meeting night would be changed to the second and fourth Monday nights of each month. Also discussed was the upcoming Area Convention in Vernon, Texas on October 22 and 23 that seven Alpha Upsilon Epsilon members will attend. The majority of this Model Meeting was spent explaining to our rushees the chapter's activities, socials, committees, etc. An excellent cultural program on kitchen design was presented by Terry Floyd. Hostesses were Kitty Proctor and Patsy Leffew. All members and guests stood and repeated the Closing Ritual led by Fuzz Moor-

The first annual monthly meeting for the Alpha Upsilon Epsilon Chapter of Beta Sigma Phi was called to order on October 10, 1983 at the Patching Clubhouse. All members stood and repeated the Opening Ritual.

Vice President, Leslie Schnauffer, conducted the meeting as President, Denise Grady, was absent. Four guests were present. They were Betty McAnear, Kayla Cates, Melody Price and Jeanette Lovelless. Business reported on was as follows: Terri Floyd reported that she had conformed reservations for seven members to attend the North Texas Area Convention, October 22 and 23 in Vernon, Texas. Members that will be attending this Beta Sigma Phi Roaring Twenties Convention are Sandra Eads, Terry Floyd, Judy Bland, Terri Floyd, Fuzz Mooring, Patsy Leffew and Kitty Proctor. It was also discussed that our regular monthly meetings would continue to be on Monday nights at 7:30 and members voted in accord with this discussion. The Halloween Carnival was discussed and chairman, Kitty Proctor, explained that we have 10 booths rented and the carnival is really shaping up and looking like a lot of great fun. Booth spaces will be available until October 23, 1983. Fuzz Mooring reported on the Hedley Parade

in which Alpha Upsilon Epsilon sorority was represented by Miss Saints Roost, Annette Watson, and Little Miss Donley County, Tracy McKinney who rode on a car from Chamberlain Motor Company in the parade. It was voted that Alpha Upsilon Epsilon Chapter would sponsor Annette Watson in a Teenage Pageant in Borger, Texas if she so desired. The Social Committee reported that they had met and made plans for a November Mexican Fiesta Social and plans for attendance to the Dinner Theatre with husbands was discussed for our Christmas Party. Also discussed by the Social Committee was the Ornament Exchange Christmas Party we will give this year with Xi Lambda Xi members invited. November 12 will be the Mexican Fiesta; December 10, the Dinner Theatre and December 12 and 13 were set as tentative dates for the Ornament Exchange Party upon consent with Xi Lambda Xi. The Scrapbook Committee reported that they had the scrapbook ready for the convention competition except for putting it in the cover. We can't wait to see it!

Denise Grady, to see if she had delivered her baby yet, but left the meeting without news. However, Denise did deliver a baby boy that night. Congrats Denise, Mickey, Jeremy and Kyle!! Members stood and repeated the Closing Ritual and the meeting was adjourned. The next meeting will be October 24, 1983 at 7:30 p.m. The hostesses will be Terri Floyd and Fuzz Mooring. Wanda Hill will present the program. Kitty Proctor won the Sunshine Gift, a beautiful crystal decanter, and will bring the gift for the next meeting.

Xi Lambda Xi

Xi Lambda Xi of Beta Sigma Phi met on September 26, 1983 in the home of Sandra Mooring for a salad supper. Janie Finch served as co-hostess. Each sister brought a salad. The meal was buffet style.

The Opening Ritual was led by Maurine Butts. President Pat Archuleta presided over the meeting.

The minutes of the previous meeting were read by Recording Secretary, Betty Veach. They were amended and approved.

Susan Henson, treasurer, gave the treasurer's report and all outstanding bills were presented. Our treasurer reported that our scholarship fund had been brought up to date.

Beth Walker, parliamentarian, read from the Beta Sigma Phi book - in the constitution - concerning the object of our organization. Beth also handed out programs to be given. Beth also handed out an evaluation sheet - each of our programs is to be evaluated and sent to International.

Peggy Anderson, vice president, in charge of the membership committee talked about the rushee prospects. There was some discussion on this matter and prospective rushees will be

invited to a model meeting on October 10th.

Charlene Mays, chairman of social committee, reported on the social held September 17th. There were all kinds of contests to participate in. Everyone was a winner. The next social will be October 15.

Our Ways and Means Chairman, Susan Henson, introduced money-making projects. The new Beta Sigma Phi Casserole Cookbooks was passed around. Two dozen will be ordered for members. The pecan sale was discussed - will call and make tentative order for 20 cases. Pat Archuleta introduced a project, a Stanley party to be given by a member of the community. We decided to have party, date and time will be announced later.

It was discussed that a penalty of 25 cents be put on sisters if she is not wearing her badge. Also the door prize will go up to 25 cents instead of 10 cents. All agreed.

The business meeting was adjourned.

Beth Walker presented the program, entitled "Career and Life Planning - Managing Time and Energy Wisely." The presentation was very good. She talked about planning self-discipline and setting goals. Many of us do not use time effectively. She gave us many pointers to use. It was a very good program.

The Closing Ritual and Mizpah was led by Genella Eads. Dona Goss won the raffle.

Those attending were: Pat Archuleta, Peggy Anderson, Betty Veach, Susan Henson, Maurine Butts, Becky Hill, Beth Walker, Genella Eads, Janie Finch, Dona Goss, Charlene Mays, Sandra Mooring.

Members of Xi Lambda Xi of Beta Sigma Phi met in the home of Genella Eads Monday, October 10 for their regular meeting. One guest, Dee Cox, was present. We are so happy to welcome Dee

into our chapter. She comes to us from another chapter.

We discussed exciting things concerning the forthcoming "Best Little Chicken House in Texas" party scheduled for October 15 at Peggy Anderson's barn.

Area Conference will be in Vernon, October 22-23 and will have a Roaring '20's theme. It should be great fun for those who can attend. We certainly encourage participation in the Christmas in October Festival here on October 22, however.

Genella gave an interesting program on marriage. She read some clever facts about marriage fantasies and fallacies and then probed into the reasons for a successful marriage. Part of her program came from a book entitled "Staying Together" by Miller, Wachman, Nunnally and Saline.

The public is invited to attend a Stanley Party given by Cecilia Lemons at the hospitality room in the First Bank & Trust building Nov. 5 at 2:30-4 p.m.

Attending for the delicious refreshments and informative program were: Betty Veach, Pat McCombs, Pat Archuleta, Beth Walker, Peggy Anderson, Francis Johnston (glad to see you, Francis) Susan and Frankie Henson, Becky Hill, Maurine Butts, Roxanne Strickland, Dee Cox, and Katie Dvorak.

Delta Kappa Gamma

Gamma Kappa Chapter of Delta Kappa Gamma Society met October 8, 1983 in the Heritage Room of the Wellington State Bank.

The meeting was called to order by vice-president, Jane Sheer. Helen Madden gave the invocation.

After a brief business meeting, Jane Sheer as program leader gave results of a survey on effects of nutrition upon learning. A general

discussion followed by members concerning the subject of nutrition and learning.

The meeting adjourned with the singing of the Delta Kappa Gamma song lead by Juanita White.

Wellington members as hostesses served delicious refreshments of cake, cookies, dips, coffee or punch.

Donley County members attending were Hazel Brandon, Mabel Mongole and Edgar Mae Mongole.

Rebekah Lodge

The officer and members of Clarendon Rebekah Lodge #149 take this means of expressing their sincere thanks to each and everyone who helped make our bake sale and rummage sale a success. We thank you so much for the cash donations, and to those who gave items to be sold. And a BIG BIG thank you goes to those who bought from us.

You might like to know that our "Fund Drive" money is spent locally. Our Lodge Dues and fees are used in conjunction with the Oddfellows to support a home for orphans and needy children at Corsicana, Texas and a home for the aged at Ennis, Texas. The home at Corsicana has children ages infant, through high school.

The home for the aged also has a convalescent wing. Several months ago this fraternity completed a high rise apartment complex at Dallas for retired persons of modest income. It is already filled and has a long waiting list. Anyone who might be interested is welcome to visit there.

This fraternity also gives to the Kidney Foundation, Hear and Cancer Research. They have given some of the medical equipment to our Texas Hospital research centers.

QUICK QUIZ Are you a fountain of knowledge about water? Taking this little true-false test can help you tell.

1. Water is the least expensive commodity. True False?
2. Water is free. True False?
3. Most water systems plan on large rate increases in the near future. True False?

ANSWERS: 1. True. Safe, clean drinking water costs an average of \$1.03 per thousand gallons in the U.S., about ten gallons for a penny. 2. True, strictly speaking. The American Water Works Association points out that water itself is free. What you get billed for is the cost of gathering, treating, storing and distributing it. 3. False. While prices must rise, most leading water system executives surveyed said they could make do with five to 20 percent rate hikes to maintain service over the next ten years.

Clarendon Fire Department Open House

The Clarendon Fire department Open House was a big success and the Firemen would like to thank everyone who helped make it so. It was held at the Fire Station on Saturday, October 15 from 10 until 3 and although

attendance seemed to be down some from years past, a very good crowd was on hand to view the Fire Prevention Posters, the Fire and EMS equipment, and just to visit. The Firemen were overwhelmed this year with posters for the contest, the number of which far exceeded previous years. Judges for the contest were Dolores Crump and Bunny Owens who spent a great deal of time and did a very good job of judging the posters. There were so many good ones that they had a very difficult time deciding on the winners. Those who did not pick up their posters on Saturday are reminded that they will be in the Jr. High Principal's office for several days for those who wish to get them back.

There were several people who contributed to the success of the open house. A few of those who deserve special recognition are Dolores Crump, Bunny Owens, Floyd Guinn and the Clarendon School District, Helen Woody and the Clarendon Press, Clarendon Fire Department Ladies Auxiliary, EMS personnel and Clarendon College EMS class, First Bank & Trust,

Donley County State Bank, the parents, students who entered posters, Clarendon School District Teachers, Howardwick Fire Department and many others too numerous to mention. If anyone was left out, it was not intentional but so many worked so hard and contributed so much, it was difficult to keep track of everyone who helped.

Winners of the poster contest were as follows: Division I (Preschool) 1st-Destinay Bond, 2nd-Josh Shields, 3rd-Ginger Burns, 4th-Jason Lee; Division II (Grades 1 & 2) 1st-Jeremy Grady, 2nd-Susie Williams, 3rd-Dorinda Plummer, 4th-Amanda Ward; Division III (Grades 3 & 4) 1st-Laura McAnear, 2nd-Scott Myers, 3rd-Nathan Lowrie, 4th-Brad Allen; Division IV (Grades 5 & 6) 1st-Kasey Allen, 2nd-Bob Mabry, 3rd-Michelle Chambliss, 4th-Doug Shelly; Division V (Grades 7 & 8) 1st-Tonya Bell, 2nd-Rodora Gray, 3rd-Christi Knorpp, 4th-Jason Klinnert; Chief's Award (Best overall entry) Rogina Gray. Each first place winner received a trophy and a t-shirt with ribbons going to Second, Third, and Fourth. The overall winner received a trophy, t-shirt, and a \$50 saving bond from each local bank.

Remember, now that Fire Prevention Week is over, don't let Fire Prevention habits be over too. Learn not to burn all through the year.

Lions Tale

By GENE ALDERSON

The Clarendon Lions Club held its regular meeting at noon on Tuesday at the Lions Hall. Twenty-two members were present along with one guest. David Smith who was the guest of his father, Don Smith. Boss Lion Henson called the meeting to order and led the Pledge of Allegiance. Lion Bivens led the prayer.

Following some announcements by Boss Lion, a Lions Information Talk was given by Lion Alderson. Our annual Ladies' Night Banquet will be next Tuesday night, October 25th. We will not have a noon meeting that day.

Windy Valley Reunion

Eight-eight former residents of Windy Valley community attended the third annual reunion Sunday, October 9, 1983 in the Community Building in Clarendon. Registration and visitation started about 9:30 A.M. and continued throughout the day. A delicious potluck lunch was served at noon followed by a business meeting. Present officers, Lacy Noble, President, A.J. Garland, Vice-President and Jimmie L. Cole Matheson, Secretary-Treasurer, were elected to continue in office another year.

Clarence Ayers gave an interesting history of Windy Valley School beginning with first sale of the land in 1887 until it was dismantled and the materials used to build several homes in Clarendon in the '40's. The land was bought in 1903 by Phil Jackson and in 1905 he donated a parcel for educational purposes. The first school, a one-room wooden structure was built and classes were first held in 1907. A larger brick building was built in 1914 and added to in 1923 to accommodate the 110 students enrolled at that time. The first school bus was purchased in 1936 and in 1939 the school was consolidated with Leña Lake. The cornerstone from the 1914 building was on display.

Two former teachers were present: Wilma King Batson from Denton and J. Loyd Rice from Mineral Wells. The beginning class of 1917 had most members present: Gladys Noble Seago, Winnie Ayers Wester, Clara Mann Baggett and Raymond Sue. Doris Giles Crittenden, Edmonds, Washington traveled greatest distance and J.R. Brandon, with L. Loyd Rice a close contender, was oldest person in attendance. The Skinner family had best participation with 20 members present, including youngest in attendance, Joe and Jason, twin 18 month old sons of James and Marie.

Attending from Clarendon were: Clarence and Grace Ayers, J.R. and Hazel Cole Brandon, Athalee Dodson, A.J. and Ara Paulk Garland, Gordon and Irene Mann, Henry and Eunice Bayne Mann, Mamie Bowling Mills, Lacy and Mary Lee Buchanan Noble, Callie Mann Riley, Othell Simmons, Inez Skinner, Jane Hudson Stevens and Veta Morgan Tims.

Waldon and Aileen Moore have just returned from a twenty day tour of the New England states and Canada. They report the autumn foliage is just beautiful and in all its splendor through Maine, Vermont and New Hampshire. Some of the tour included Niagara Falls, Montreal and Quebec in Canada as well as Boston, Mass., New York City and Washington, D.C. They stated that the Natural Bridge in Virginia was a sight to behold. It is one of the seven wonders of the world. They were a little under the weather when they returned home. Wish you both a speedy recovery from your colds!

The O.A. Sturdevants have been on a six week

vacation tour. They spent a week at Lake Texoma and then to Dallas to visit their daughter, Linda McCreary, to Grapevine to visit their son, Jim. They visited in Durant, OK and had a great time in the Kiamichi Mountains in Arkansas. Then they returned to Dallas and watched the Dallas Cowboys play. They went sailing on Lake Dallas and on to Anna, Texas to a goat barbecue and a camp out with their son-in-law's family get-together. They report a wonderful time!

Ruth Chaney had her mother, Mrs. George Killian and sister, Edith Bird visiting. Mrs. Killian celebrated her 88th birthday on the 6th of October. They had lunch at the Senior Citizens in Clarendon. They went to Hedley to the Cotton Festival Friday and Saturday.

Paul and Helen Cook had visitors last weekend from Apleton, Iowa, Bert and Lola Vander Naalt. Also the Cook's son, Steve, is visiting from Dallas.

Dewey and Betty Rinley of Amarillo have been down working on their new house. They had their 3 month old grandbaby "helping" this
