SWEET N' SOUR By A. Dill

It's that time again - school tion has hardly been in progress 24 hours and already the patter of little feet, or the scuff of the little sneakers, as the case may be, is overwhelming. Anxious parents are casting about for an answer to the age-old "What's we do now routine?" old "What's we do now routine?" Theres a limit to how long you can keep one in water (they shrivel) and or a baseball field (they poop) so maybe the an-swer is in the scientific approach after all -- tranquilizer pills, or (in extreme cases) sedatives, to be taken as needed -- by the parents. Seriously, vacation time with the young 'uns underfoot and the household sort of on comber or gypsy time with

comber or gypsy time with no counter to gypsy time with no counter to follow, no schedule to keep, is just about the nicest time of all.

High School graduation tonight marks the official closing of the spring semester, and al-though its marked with all the light-hearted hope of spring, its show the public how touched with sadness too. It is always with reluctance that a school says it's farwells to sen-lor students and with mixed emotions we watch the nestlings try their wings.

And very anxious to take that flight in the wild blue is Kitsy Ross - that energetic sweet girl graduate, is checking into ACC for the summer semester which begins in June. With any luck at all she may be able to squeeze in one week of vacationing.

Surely one of the loveliest sights in town (and one of the most unsual for this part of the world) is the absolutely gorgeous magnolia tree in the Casto Peek yard. Now in bloom, with waxen white blossoms that rival anything you've seen in the eastern part of our state, it is heavy with buds that give promise of even more beauty.

And hasn't this been a spring for roses? This is amazing after the late freeze damage most of roses at the "Mitch" Mitchell home are particularly pretty.

right now too.

The C. H. Lunsford home is most attractive this spring and the yard has never been prettier.

Our very best wishes and an extra special get will quick card to Girlie Hill -- that dear one has been hospitalized with re-occurence of that vicious flu virus.

Vacation time will be especially welcomed by the Blan Odom family because it means that son Mike, freshman in Roswell, New Mexico College, will be at home. This year's rodeo parade, by the way, was the first one in the show's fifteen year his-to that young Odom hasn't h in, and that was a lonely ort of milestone for his family - but come June and Mike will be back on his home range, and rejoicing.

Mother's Day was a red letter day for Mrs. Edmund Webb -twenty members of her family, children and grandchildren were here for the celebration at

eaux, who will celebrate on the 28th. The month was certainly a merry one, birthdays-wise, for the William Cummings family -Bill had his day the 17th, Ricky, the one and only grandson, had birthday on the 19th (one whole year old) and on the 22nd Sandy Cummings celebrated Mrs. Hub Warren had her spe-cial day on the 24th and come May 27th, Jack Sims will have his turn. Steve Stanley cele-brates May 28th, and on the 30th, Mrs. Arthur Burleson has a birthday, Mrs. W. A. Fetterly is honoree on the 31st of May. May 31st is also the special day for Mrs. John Schaffrina, and Jud Gilliland builds a bonfire with 17 candles on a cake May 31st -- have we overlooked or looked over any of you bloomin' May flowers? Why don't you tell us about is? Don't forget us on the fune ones conting up soon -will you remember?

#### GREETINGS:

It has been rumored that MRS. BEATRICE DEAL, who is in the RUN-OFF for COUNTY and DISTRICT CLERK for CALLAHAN COUNTY, is FINANCIALLY INDEPENDENT, ... and that she received a LARGE SETTLEMENT on the death of her husband, and that she is now receiving a large pension -- WE ARE TELLING YOU that the RUMOR above mentioned is NOT THE TRUTH!

MRS. BEATRICE DEAL and her eleven year old daughter NANCY, live with Mrs. Beatrice Deal's mother, MRS. STELLA GREEN SMITH of Baird - MRS. STELLA GREEN SMITH being unable to do any kind of work, except light housework.

All THREE of the above people draw only slightly over \$100.00 per month as PENSIONS and SOCIAL SECURITY, and the PENSION CHECKS to MRS. BEATRICE DEAL and her daughter NANCY will cease when NANCY reaches 18 years of age.

WE, as FRIENDS of MRS. BEATRICE DEAL, desire that YOU, the PEOPLE, have the correct record, as above stated; and further we want you to know that we are for MRS. BEATRICE DEAL for County and District Clerk for Callahan County. BECAUSE we KNOW that she is WELL QUALIFIED to hold said office; for she has had several years experience in the County Tax Assessor-Collector's Office: also as DEPUTY DISTRICT CLERK and has been OFFICE DEPUTY for the Sheriffs' Office for a number of YEARS.

KNOWING FULL WELL MRS. BEATRICE DEAL'S qualifications and character, we consider her WORTHY OF YOUR SUPPORT, and for such support we give you our word of sincere THANKS and APPRECIATION.
