

DWI from pg 1
 equipment to preserve for trial how the defendant looked and behaved shortly after arrest. The tape will allow jurors to see for themselves how the defendant looked and acted that night. Upon conviction a first offender could lose his license for 90 days to a year. A repeat offender could lose his license for 180 days to 2 years. Stiffer fines will also be imposed. The driver can expect to pay from \$100 to \$2,000, depending on how many times he has been convicted of D.W.I.

Jail time has also been increased. Again, depending on the number of times he has been convicted, a driver could expect to spend from 3 days to 5 years in jail. If the driver has seriously injured another person as a result of his drunk driving, his punishment will be even greater. An additional \$500 fine and an additional 60 days in jail could be tacked on to the fines and sentences already mentioned.

The use of deferred adjudication has been eliminated. Under this method of handling cases, the individual pleads guilty before a judge. The judge delays entering judgement pending a period of probation. If the person completes his probation, the offense is removed from his record. This process will no longer be open to D.W.I.

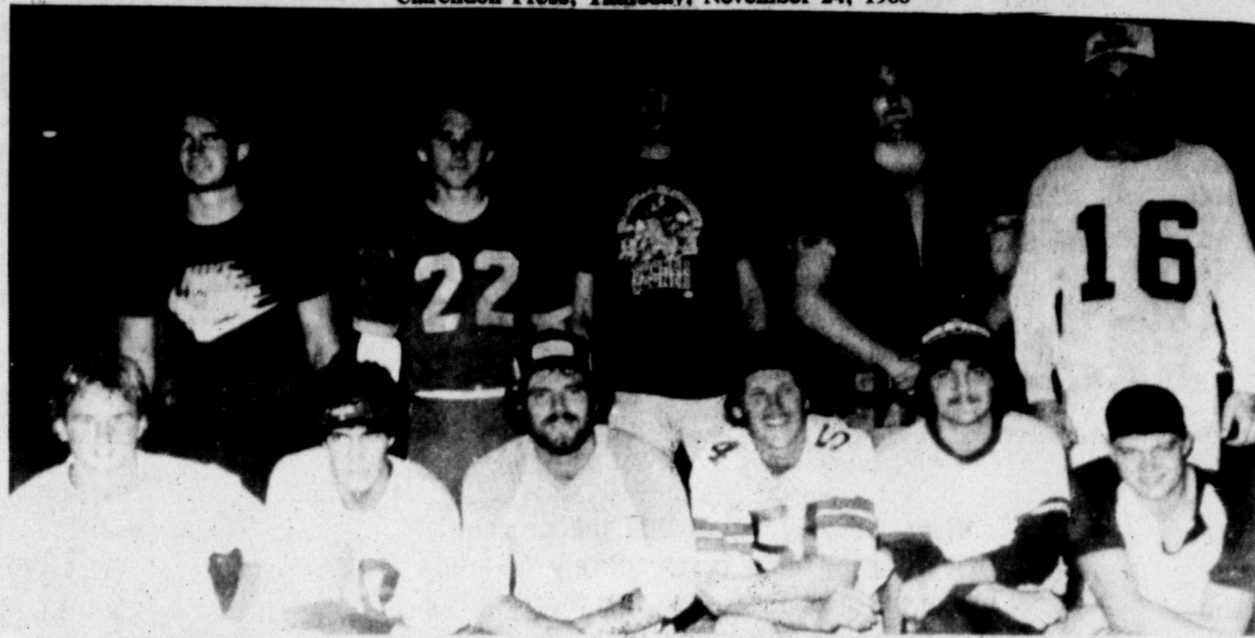

Probation will also be affected. In the future, if the convicted driver receives probation, he must be evaluated to see if he needs alcohol or drug rehabilitation. Furthermore, a probation sentence will count as a final conviction. If the same driver is convicted again, it will be his second conviction for purposes of figuring his punishment.

Other changes in the law help keep the offender off the streets. Under certain circumstances, a repeat offender will be forced to forfeit his automobile to the state. Some drivers may find themselves unable to afford automobile coverage; insurance companies will be allowed to place a surcharge for up to three years on rates to a D.W.I. offender.

These changes highlight efforts by Texas lawmakers to address the problem of D.W.I. Now the responsibility lies with you the citizens. As jurors you have the final responsibility in determining how the crime of D.W.I. is viewed in your community and how it is enforced. If you have any questions, please feel free to call the County Attorney's office 874-3888.

A tea plant must reach the age of five years before it is ready to be plucked.

Donley County pledged \$6,000 to Don & Sybil Harrington Cancer Center

Dr. Don D. Curtis, president of the Board of Directors, The Don and Sybil Harrington Cancer Center announced today that \$6,000 has been pledged by The First Bank & Trust in Clarendon to the Endowment Fund for the Center. Funds contributed to the Endowment Fund, remain in the bank; only the interest earned is forwarded to the Cancer

Center. More than 60 financial institutions in a five-state area participate in the Endowment Fund program. Any Panhandle citizen who wishes to help fight cancer by contributing to the Center may donate to the Endowment Fund through his or her own bank. "We are so grateful to the people of Clarendon for their past support," said Marilyn Van Petten, director of development at the Center. "In this Panhandle neighborhood, they stand as friends to the Center and the patients we serve."

Many donations are made in memory of friends and family, Ms. Van Petten said. "When the bank notifies us of a memorial gift, we send a letter to the family of the individual the donation will honor, and of course, send an acknowledgement to the donor."

More than 2,000 patients have received treatment at the outpatient treatment facility since it opened. Before that, cancer patients often traveled to Houston, Dallas

or Oklahoma City for treatment. Often this meant a drastic change in their lifestyles, Ms. Van Petten said. "Besides the medical and psychological trauma, they experienced additional economic burdens as well. Many had to sell their homes or businesses."

"Citizens of this area have spent millions of dollars traveling elsewhere receive treatment, and the emotional cost of this kind of disruption to patients and families is impossible to calculate," she said.

The \$10 million facility, located in the Medical Center complex in West Amarillo, was built entirely from private donations. No money was borrowed and no government funds were used.

"Now that the doors are open, we need continued financial support to pay for expanded patient care, research, and educational programs," Ms. Van Petten said.

In addition to basic treatment, the Center provides a wide variety of supportive care, including the services of social workers, pastoral counselors, pharmacists, and nutritionists.

The Center is dedicated to the concept that the whole person must be treated, and that includes emotional, spiritual and financial needs as well as physical," Ms. Van Petten stressed.

"We do not deny services to anyone," she added. "And it should be noted that the destitute are not the only ones who are unable to afford medical bills for cancer treatments."

"When you consider that one chemotherapy treatment may cost several hundred dollars, cancer treatment is priced out of reach for many people. It's not unusual for cancer therapy to cost about \$20,000."

"There are several reasons why the Endowment Fund is beneficial to both the community and the Cancer Center," Ms. Van Petten explained. "The money contributed to endowment stays in the community to provide fund for local loans, and individuals have the convenience of making a contribution to a worthwhile regional

institution organization simply by going to their local bank," SHE SAID.

"Also, many people would rather do business at home with their own banker," she said, "and the Endowment Fund reminds people that the Harrington Cancer Center is daily serving the needs of their friends and neighbors."

Individuals or companies wishing to contribute to the Endowment Fund should contact The First Bank & Trust in Clarendon.

The Clarendon Press, is published every Thursday, at 106 S. Kearney and entered as Second Class Mail at the post office at Clarendon, Texas.

City Sales Tax checks sent early

State Comptroller Bob Bullock Wednesday, Nov. 9, sent city sales tax rebate checks a full week early because many taxpayers paid by the 20th of last month—as all taxpayers will be required to do this month.

"We're sending these checks early because 134,000 Texas taxpayers paid before the deadline," Bullock said. "This kind of cooperation among taxpayers is helping us avoid new and higher taxes. It's obvious this change will help local governments put these tax revenues to work faster in their cities."

Starting in November, all taxpayers will be required to file by the 20th of the month instead of by the last day of the month.

The earlier deadline set by the Legislature will bring in \$500 million more for the current state budget without a tax increase.

Bullock said this month's early payments "show that

Texas merchants have accepted this change in the same spirit it was suggested—to save us from a tax increase." Bullock's office has been working with trade and professional organizations to inform taxpayers of the change.

Donley County as a whole had a 0.90% increase from the same period last year, this small increase was caused from a 16.30% reduction in sales from Howardwick. Their 1983 payment to date was \$6,558.01 while 1982 payment was \$7,835.51.

Clarendon 1983 payment to date is \$80,481.26 while 1982 payment was only \$78,688.48. This period sales were \$11,964.50 while 1982 same period sales was \$13,092.78, resulting in a 2.28% increase.

Hedley's 1983 payment to date \$5,243.92, 1982 same period was only \$4,933.14 with a 6.30% increase.

179 enjoyed turkey dinner at Senior Citizens

Thursday, November 17, 179 people from the area came to the Donley County Senior Citizens center located down the street from the Post Office to enjoy a traditional Thanksgiving dinner.

We took this time to honor some of our volunteers with a certificate of appreciation and a little "I Love to Share" buttons. Those who received certificates have worked eight hours or more in the past few months: Thelma Hall for donating a painting; Thelma Behrens for donating the lovely afghan and other hours of work; Fred Carter and Frank White for their contributions for us all; Odie Moss, Verdine Tipton, Verdine Herrington, Sharon and Oscar Thomas for all of their hard work; Della Allen and

Fred Russell and Jean Baten are the super workers of all; Billie Taylor our hard working driver; Carmen Wright, Mable Elmore and our cooks, Norma Corgill, Amy Lawson, and Elsie Ogren as well as Alma Bingham. Thank you one and all for those extra hours volunteered.

We certainly want to thank our volunteers who work any time they can. The time they give is most welcomed and needed.

We had a drawing for the afghan created by Thelma Behrens as well. Jean Baten announced the drawing. Pat McCombs drew a name and Jean read off the name: "Pat McCombs" and some souls hollared "Rigged!" but Pat had bought ten tickets and is the luckiest soul I know! Congratulations to Pat and thanks to all who helped us earn \$156.00 for our crafts account.

All in all, we sure had a good dinner. Those that didn't make it, please come in December!

Senior Citizens menu

Nov. 25 Beef patty in mushroom and green peppers, mashed potatoes, carrot/raisin salad, green limas, applesauce cake and

rolls.

Nov. 27 Oysters/oven fried chicken, fried okra/hush-puppies, turnip greens, sunset salad, Black Forest cake and rolls.

Nov. 28 Chicken strips, broccoli sauce, corn and carrots in butter, crabapples on lettuce, peanut butter cake and rolls.

Nov. 29 Veal w/cheese and tom on top, rice au gratin, cabbage w/hot vinegar, carrots, fruit in whipped jello and rolls.

No. 30 Turkey quicke, squash casserole, green beans, tossed salad/ranch dressing, blueberry cake.

Birthday supper will be Nov. 29, the LAST Tuesday in the month. We will have an auction for a beautiful picture done by Verdine Tipton.

The Center will be closed Thanksgiving day but be open Friday, Nov. 25 and the usual Sunday. Don't forget to see the items to make bids on Monday, Nov. 28.

The word "laser" is really an acronym. Its letters stand for: Light Amplification by Stimulated Emission of Radiation.

THELMA BEHRENS, creator of afghan and Pat McCombs, now owner.

SOME WHO enjoyed Senior Citizens Center Thanksgiving dinner at Thursday.

School Menu

Nov. 28-Dec. 2
Monday Baked fish w/cat-sup, cole slaw, cornbread, tator round, chocolate pudding, and milk.

Tuesday Steak fingers, mashed potatoes, green beans, hot rolls, applesauce and milk.

Wednesday Turkey teterzine, English peas, carrot stick, jello and milk.

Thursday Beef stew w/vegetables, cole slaw, cornbread, chocolate cake and milk.

Friday Char burger on bun, tator round, sliced onion, cheese and pickles, plume cobbler and milk.

Maj. Paul

decorated with

Army Achievement

Medal

Maj Charlotte P. Paul, daughter of Sibly R. Jones of Clarendon has been decorated with the Army Achievement Medal at William Beaumont Army Medical Center, El Paso, Texas.

The medal is awarded to soldiers for achievement, meritorious service or acts of courage.

Paul is a quality assurance nurse.

She received a doctorate in 1979 from Syracuse University, N.Y.

Operation Game Thief calls, rewards rise

Cash rewards of up to \$300 were authorized by the Operation Game Thief Committee Monday (Oct. 31) to 14 persons whose tips led to convictions of game and fish law violators during the past six months.

The committee granted a total of \$2,600 for the six month period, marking completion of the growing programs second year of operation.

The reward program is funded entirely from donations by individuals and organizations concerned about the poaching problem in Texas. During its first two years the program has paid \$14,625 in rewards to 85 callers whose information led to 633 convictions and more than \$78,000 in fines.

The past six months saw several of the anonymous calls result in arrests for flagrant offenses. One tip led to the arrest of two fishermen illegally netting redfish and trout. Game wardens confiscated several thousand feet of gill nets, and the poachers were assessed \$600 in fines. The caller received \$300 for his tip. Another \$300 reward was granted a caller whose information helped catch a group of antelope poachers in West Texas.

The Texas Legislature in its last session removed the \$200 upper limit on rewards, leaving the amount of rewards to the discretion of the committee. The six-member Game Thief Committee, which serves without pay, meets each six months to review cases and disburse rewards.

Stanley Brooks, OGT coordinator for the Texas Parks and Wildlife Department, said calls into the toll-free number, 1-800-792-GAME, increased 153 percent during the second year of the program over the first year.

Brooks also noted the calls have improved in quality as well as quantity, with the percentage of convictions per calls received increasing from 7.8 percent the first year to 12.4 percent this year.

Operation Game Thief is patterned after the highly successful "Crimestoppers" programs initiated by many cities across the nation. It also utilized ideas from the New Mexico OGT program which was started several years before the Texas committee was formed.

Whats Cookin'

Pineapple Cookies for the Diabetic

1 cup flour
1 cup oatmeal
1/4 tsp soda and 1/4 tsp salt
1 tsp baking powder
1/2 cup shortening
1 tsp vanilla
1 egg
1/2 cup drained unsweetened fruit cocktail
1 TBS sweetener
1/2 cup drained pineapple, crushed, unsweetened
1/2 cup nuts
1/2 cup dates
1/2 cup raisins

Sift dry ingredients cut in

shortening. Mix well-beaten egg, fruit and flavoring and sweetners. Mix thoroughly. add nuts, raisins and dates. Bake at 375° for 15 min. NOTES: dough will be a gummy texture. Cut dates and raisines in small pieces as they help sweeten. These cookies will mold if left in cookie jar. Refrigerate.

The amount of dates, nuts and raisins can be varied as calories allow.

Raisins are rich in iron. Dates are rich in potassium. Cookie has been made using no sweetner at all—just dates and raisins cut very small.

The Heat Pump
the most efficient system for heating and cooling.

A heat pump can actually produce more than 2 units of heat for every unit of electricity used, in a properly insulated home.

Unlike a conventional furnace, the heat pump doesn't make heat. It transfers or "pumps" heat. Even on cold days, there is some warmth in the air. The heat pump transfers this heat into your home to warm you and your family.

THE ELECTRIC HEAT PUMP WILL SAVE YOU MONEY! If you have plans to buy, build or remodel, or need a new heating and cooling system for your home, call a local factory trained HEAT PUMP DEALER or talk with WTU. We will arrange for a WTU heating and cooling specialist to contact you.

WEST TEXAS UTILITIES COMPANY

Howardwick News

By ALICE HOOD

Lena and Ralph Singleterry went to Odessa Wednesday to visit their son, Dwayne and his wife Paula. They caught a plane flight to Baytown to visit granddaughter and family, Debbie and David Nelson and their 3 sons. They had a Thanksgiving dinner with Lena's sister, Geraldine Frank in Hereford Sunday. Then spent Sunday night in Plainview with her sister Lela and Clea Meharg. Then to Slaton Monday morning to visit Ralph's sister Stella Shelton and took her out for lunch. Howardwick had a black-out for a short time Tuesday about 7 p.m. A plane was spotted going toward the south-southeast weaving and sputtering as though it was having some kind of trouble but no reports of it hitting power lines in our area. When a plane crashed at or near Childress a short time later there was still no reports of whether it had hit power lines in Howardwick. Margaret Pettit was admitted to High Plains Baptist

Hospital, Thursday for some tests. She may be home Saturday. Ralph and Lena Singleterry's children will be home for Thanksgiving day. They are: their son, Eddie and Paula and son Matt from Guymon, OK; Judy and Jim Spiker, Rick and Ron of Amarillo. The Howardwick Friendship Club had their regular meeting and supper Friday, November 18th at 7 p.m. Stony, Liz and Bobby Craft left the 18th on a deer hunting trip. Mrs. Tipton is in Florida visiting her son. The Floyd Hoods will spend Thanksgiving day with children in Amarillo. Everyone drive safely and have a nice Thanksgiving! Ray and Aundra Green will leave Wednesday for Kansas where they will spend Thanksgiving and will move their daughter and grandbaby back here. Their daughter, Kathy Hatch, will be going to school here in Clarendon.

Xi Lambda Xi met

What a night! Dee's check from the 10th to Susan via Genella arrived in Genella's pocket at Beth's back to Dee for Susan who wasn't there. The check will bounce around like this until either Dee and Susan or Genella and the check all meet together. Becky Hill came last week with refreshments but no one was at the meeting so she took her refreshments home and that's where they stayed THIS week while Becky came to the meeting. Thanks to Hill Gourmet Delivery, however, we did have wonderful refreshments before the night was over. Business was conducted aptly by Pat Archuleta. We received two requests for leave of absence. Then Pat A. requested a transfer of membership to Borger where she and Archie will move. Pat teaches at the beauty school there and hopes to continue with Beta Sigma Phi in Borger. We will sorely

miss her and hope for the best in both her business career and Beta Sigma Phi. We appreciated her efforts for our behalf and regretfully accepted her request. There was another who announced she would be leaving. We will really miss all of these lovely people! The Stanley Party was almost a great success in spite of the poor turnout. We only need \$40 more dollars to get a 25% break. We feel we can get that. The pecans should be here, according to the "feeling" Susan has, this coming week. We hope so! City Council was reported on by Pat A. who turned it over to Pat McCombs who turned it over to Betty Veach who has a few notes and Maurine mouth asked some questions about dirty floors, formal and charity balls and FHA nights. The formal charity ball will be Feb. 11 at the Community Center.

The Christmas ornament exchange will be Sunday, Dec. 11 in the afternoon. The regular meeting and Secret Sister gift exchange will be Dec. 12. There will be a progressive dinner (silly name for a dinner in two places) Dec. 3 starting at Jona Goss' then on to Maurine's. Katie will change with Pat A. who had the program next meeting and Dee Cox will give Pat A.'s program on Katie's April'slot, unless Dee also moves but Beth has given us all the ultimatum that NONE will be allowed to move or change names or anything because she will NOT change the schedule again. We were amazed to learn about Carol Bryant and hope she is healthier in time for her upcoming event. There were many who expressed regret that she would schedule her event on sorority night, but it was suggested that the couple be the program for that night and we could all come out ahead. Dee wanted to be reinstated into Beta Sigma Phi but has to wait for a charity drive to raise money to pay

her back fees. It is important that she does get reinstated because she is needed for programs, hostess, co-hostess, house, party, etc.... At last, we concluded the business part and went on to Genella's program on "Family-Rewards Harvested from Family Life". She pointed out that we have 2 families: one we are born into and one we create. We had great fun comparing family structures of other cultures as we understood them. Some of us shared (and shared and shared) memories of childhood and how these things helped create us. Some memories explained a lot about the way certain people are today. We concluded that kids need discipline and more family control. We see the world and interpret the world through family eyes and therefore need to develop good family ties. Everyone wanted a copy of the final poem Genella read and I can't remember the name of it. We all stood around and cried during the closing ritual and then ate and really

admired the refreshments. Those attending were: Beth Walker (hostess), Becky Hill (co-hostess), Sandra Mooring, Betty Veach, Pat Archuleta, Pat McCombs, Katie Dvorak, Genella Eads, Dee Cox, Maurine Butts, Dona Goss, Frankie Henson, Gloria Gage and Charlene Mays. Clarendon Chamber of Commerce Chamber of Commerce members have elected four new members to serve as Directors for the next three years. They are: Bronnie McNabb, Owen Johnson, Johnny Gerner and Darrell Leffew. They join Paul Bivens, Jerry Chambliss, Walt Knorpp, Charles E. Deyhle, Jr., Cohn Brister, Cliff Goss, Larry Mabry, Betty Muse and Troy Skinner. The outgoing directors are Mike Butts, Jerry Courtney, Jimmy Kuhn and Randy Looney who have served a term of three years on the Board.

Veteran population dropping
The total veteran population is expected to fall from the current 28.3 million to about 27.1 million by 1990-- and to about 24.3 million by the turn of the century-- according to the latest data just released by the Veterans Administration. VA's Office of Reports and statistics has compiled a new forecast of the number of veterans in civilian life covering the period from 1980 through 2030. Among its major findings are:
*About one of every five males under 45 is a veteran. This proportion will drop for the next 15 years, then remain steady at about eight percent.
*The group of veterans at least 65 years of age, presently numbering about four million, will increase to nearly nine million by 1999. This group currently accounts for 14 percent of the total veteran population and will rise steadily over the next three decades before peaking at 45 percent by the year 2015.

FTA holds meetings

November 1 at 6:00 p.m. Tuesday, the Clarendon Chapter of FTA met in room 104. Annette Watson, president, presiding.
 The Roll called and minutes of last meeting were read by Kim Formway, Rec.

Sec. The meeting was devoted to working on campaign skits for Annette Watson, Tim Cole, Lynn Alderson and Kim Formway for district offices at the District Convention on November 8 at Canyon.
 FTA'ers turned in money for candy sales. Membership cards were passed out. Point sheets were filled out.
 Attending were: D'lynn Rattan, Dyron Howell, Arlis Thomas, Shaun Heil, Annette Watson, Tish Robinson, Kim Formway, Wayne Chambliss, Gayla Clifford, Tim Cole, Lynn Alderson, Mitch Johnson, Pam Harguess, Renee Kuhn, and Miss Betty Veach, Advisor.
 On November 15, President Annette Watson called the meeting to order. Kim Formway read the minutes and they were approved.
 Miss Veach gave a brief report on the District Convention attended last week Nov. 8 at Canyon. Very proud of everyone who participated. Now everyone will

start working on Annette Watson's campaign for state office since she has been endorsed by District, XVI.
 A few FTA'ers were urged to get candy money turned in.
 Annual pictures of FTA will be taken Friday morning, Nov. 18 at 8:00. Everyone urged to attend.
 The meeting time was changed to accommodate some conflicts of FTA'ers. The meetings were changed to every other Monday at 6:00 p.m. starting November 28.
 The FTA'er for November was selected-Kim Formway and the FTA teacher for November was selected-Mrs. Carrie Howell.
 The Scrapbook Committee consisting of Wayne Chambliss, Chapter Historian and Tish Robinson met with Miss Betty Veach after the meeting to discuss getting scrapbook ready for state.
 Point sheets were filled out and pictures of FTA officers were taken for annual. Meeting adjourned.
 Attending were: D'lynn

Rattan, Dyron Howell, Bryan Smith, Arlis Thomas, Shaun Heil, Annette Watson, Tish Robinson, Kim Formway, Wayne Chambliss, Gayla Clifford, Tim Cole, Mary Hayes, Lynn Alderson, Mitch Johnson, Tammi Deen, Janet Risley, Pam Harguess, Renee Kuhn and Miss Betty Veach, Advisor.

Band Boosters meeting

The Band Boosters held their regular meeting November 7th at 7:30 in the band hall with good attendance of parents present.
 Mr. Meyers has been able to get 4 trombones, 3 clarinets, 2 cornets and 3 flutes for the band. The instruments were purchased from individuals and May and Duncan Music Co.
 We are very proud of the Broncho Band and Twirlers for the hard work they put forth to perform in contest at Borger. The students and Mr. Meyers gave much time and effort and we commend them on a job that was well done.

Band students will be going door to door for the next few days selling acrylic ornaments and jewelry boxes that will make a perfect gift for any occasion. While taking orders for those items, they will have candy bars with them to sell for \$1.00 per bar. Please support the band during this sale.
 The attendance banner was won by the Broncho Band again this month. Parents, come and help your child's class win the banner next month.
 The door prize for the month was won by Diane Wiggs. The next Band Boosters meeting will be held on December 5, at 7:30 in the band hall.

Jaws of Life Donations
 From Mr. and Mrs. T.M. Shadle in memory of Othel Elliott.
 From Mrs. Kate Beverly in memory of Mrs. Walter Warner.

Clean up your garden

A thorough cleaning of your garden this time of year can give you a head start for next spring.
 A fall clean-up attacks many of the insect and disease problems that could cause you grief next year, says Ronald Gooch, Donley County Extension Agent.
 A good sanitation program includes pulling up all spent

annual bedding plants, cutting off the tops of perennials raking the ground to collect surface debris, and removing these materials from the garden. Also, plants that are now being dug and divided should be carefully cleaned and all injured, diseased or dead leaves and stems removed.
 Removing this plant

material will eliminate many insects and disease organisms that otherwise would overwinter on the fallen debris and be waiting to attack plants when new growth appears in the spring says Gooch.
 These clean-up practices, coupled with the use of resistant plant varieties, will eliminate the need for many of the chemical spray applications usually necessary to maintain healthy garden plants, notes Gooch.
