Superintendent Vaughan Announces School Faculty For Coming Year

Kenneth D. Vaughan, Superintendent of Schools and President of Clarendon Junior College, has announced the school faculty and assignments for the coming school year.

Weldon E. Day, who has been with the Junior College, first as head of the Math Department and who was Dean of the College last year, will again be the Dean of the College. Mrs. Connie Clifford will head the Home-making Department, a recently created course of study. Other college instructors will include W. L. Ellerbrook, Chemistry-Physics; Mrs. Joan Hamilton, English; Mrs. Lucille Naylor, History-Government; Daniel L. Nutter, Librarian; Delbert W. Reed, Agriculture-Biology; James H. Tucker, Mathematics; Mrs. Velma R. Weaver, Music-Art; Billy R. White, Coach-P.E.; and Doyle G. Williams, Commercial. Mrs. Jean Moore will be Student Personnel Officer.

Morris Ledger, High School Principal, will have the following teachers working with him: Phil H. Anthony, Band and Choral; Mrs. Velma Bourland, Homemaking; C. R. Brown, Social Studies; Mrs. Helen Estlack, Spanish-English; Mrs. Ethelyn Grady, Speech-English; Jerry Hawkins, Vocational Agriculture; H. C. Hill, Chemistry-Math; Mrs. Dema Justice, Librarian; Roy H. Lewis, Commercial; Clyde Noonkester, Assistant Coach-Biology; Art E. Sommerfeld, Vocational Agriculture; Charlie Sullivan, BB Coach-Mathematics; Mrs. Claudine Todd, English; and Jeff L. Walker, Coach-Social Studies.

Stina Cain will be beginning his tenth year here as elementary and junior high principal. Teaching in this division will be: First Grade—Mrs. Hazel C. Brandon, Mrs. Velma Brown, and Mrs. Nova Mears; Second Grade—Mrs. Mildred Hendrix and Mrs. Virgie Johnson; Third Grade—Mrs. Wilma Batson, and Mrs. Helen Land; Fourth Grade—Miss Edgar Mae Mongole and Mrs. Sarah Shaller; Fifth Grade—Mrs. Rachael Butler, Mrs. Glenda Hawkins, and Mrs. Zola Donald; Sixth Grade—Mrs. Floy G. Barrow and Mrs. Ann Kennedy; Seventh Grade—Mrs. Naomi Gilbreth; Eighth Grade—Miss Inez Blankenship; B. M. (Pete) Bromley, Social Studies-P. E.; David Jack Hall, Science-P. E.; Johnny E. Leathers, Science; Samuel Lowry, Mathematics; Mrs. Elizabeth Nutter, Music.

In the business office Mrs. Naomi Phelan will continue as Tax Collector; Mrs. Nell Cornell and Darlene Shields, secretar-

ies. Millard Windom will be Maintenance Superintendent and Eddie Floyd, Bus Superintendent. The Cafeteria will again be under the supervision of Mrs. F. A. Floyd.

Telephone numbers for the school system will be: Administration Building and Tax Office, 874-3551; Clarendon Junior College, 874-3552; Clarendon High School, 874-3553; Junior High School, 874-3855; and the Bus Barn, 874-2076.

Jaycees To Serve Hospitality To Labor Day Travelers

The Clarendon Jaycees will join with other Jaycees across the Nation in serving free Hospitality to Labor Day Travelers, who will be traveling through Clarendon on Highway 287 or 70. The local club will set their Rest Stop up at the top of the hill, in front of the roadside park, west of town. Walt Knorpp, chairman of the project explains that the idea of getting people to stop and have a cup of coffee or soft drink, has helped Texas and many other states reduce the death rate on the highways during critical holiday traffic periods. The Jaycees also will be setting up a mock wreck scene to remind the motorist that cautious driving can prevent traffic accidents. Walt and his committee are at present securing all the necessary items needed to set up a rest stop of the caliber that Clarendon can be proud of. The rest stop will be set up, starting at 6:00 p.m. on Friday and run continuously until 12 midnight Monday, Labor Day. Last year the local club served over 2,500 people and this year many more are expected. People from every part of the United States were among those making a stop. The Jaycees extend an invitation to anyone locally that would like to come out and brouse around and visit with the many travelers who will be stopping in the interest of Highway Safety.

DONLEY YOUNG FARMERS TO HOLD BAR-B-Q

The Donley County Young Farmers will have their chicken Bar-B-Q Saturday afternoon, August 22 at Lane's Lake. Members and guests are reminded of the date that they may be present.

Use Leader Classifieds for Quick Results.

Hedley Residents To Vote On School Bond Issue Saturday

Residents of the Hedley Independent School District will go to the polls Saturday to vote on the School Bond Issue slated at that time. The \$275,000 Bond issue is for the construction of a new school building.

All qualified voters of the district are urged to vote regardless of your stand on the issue. The voting place will be the City Hall in Hedley.

MCCULLY NAMED CHIEF COORDINATOR CIVIL DEFENSE

Mike M. McCully was appointed last week by Mayor C. J. Lohoefer as Chief Coordinator of Civil Defense for Clarendon and Richard Tunnell was named assistant coordinator.

Mr. McCully reported that a charter to be affiliated with the Texas Civil Defense had been applied for and that plans were being drawn up at the present time for the entire outlay covering this area. Announcement in this regard will probably be forthcoming within the next two or three weeks, he added.

FORMER RESIDENT DIES AT TRINIDAD, TEXAS

Funeral services for William E. Green, age 55, son of Mr. and Mrs. George L. Green of this City, were held at the First Methodist Church in Trinidad, Texas Tuesday.

Mr. Green died suddenly at his home in Trinidad Monday morning. He was reared in Clarendon and after moving away was an employee of Lone Star Gas Co. for over 28 years. He was a member of the Methodist Church and Masonic Lodge.

He is survived by his wife Mexine Green of Trinidad; one son, William Mack Green of Garland; one daughter, Carolyn Green of the home, his parents, Mr. and Mrs. Geo. L. Green of Clarendon; one brother, Robert Green of Temple; two sisters, Mrs. F. N. Bentley of Amarillo and Miss Helen Green of Dallas.

WEEK END RAINS DENT DROUTH

Rains which fell over the week end improved the crop and range land outlook considerably in the local area but more is needed to bring everything up to par. From Lelia Lake westward the average amount received was between three-quarters and an inch while the Hedley area received over two inches. Here in town, a total of .79 inch was recorded from the 15th thru the 18th. One of the greatest benefits of the moisture was that it covered such a broad area and helped pull the mercury back down under the century mark. The high recorded Tuesday was 93 degrees and 63 was the low Tuesday night. More moisture is forecast for Thursday and Friday.

MOTHER OF LOCAL RESIDENT DIES IN AMARILLO

Funeral services for Mrs. Pearl Clemens, 83, of Amarillo, mother of Mrs. G. A. Lamberth of Clarendon, were held at the Schooler-Gordon Colonial Chapel in Amarillo Thursday morning. Dale Pearson, pastor of the North Seminole Church of Christ assisted by Harold Knight, assistant pastor of the church, officiated. Burial was in Memorial Park Cemetery.

Mrs. Clemens had lived in Amarillo for the past 30 years having moved there from Wheeler. She was a member of the Church of Christ.

Survivors include 6 daughters, a son, 2 sisters, 20 grandchildren, and 20 great grandchildren.

Leader Out-of-County Rate — \$4.50 a Yr.

Large Crowd Attends Annual Beef Cattle Association Barbecue

Four hundred and sixty-five attended the Rolling Plains Registered Beef Cattle Association's annual barbecue at the Country Club on Tuesday night the 18th of August. Flip Breedlove, secretary and county agent said that this was the largest picnic ever held by the organization.

The Farmers State Bank was host for the barbecue. Those assisting Breedlove with the barbecue were Pete Land, Hubert Rhoades, Bill Mooring, Lee Shaller and youth who helped were Will Lowe, Charlie Deyhle, Jim Moore, and Jim Simmons.

Bill Bradley, president of the organization opened the meeting with a few words of welcome to all the registered breeders, commercial breeders and others present for the occasion. Mr. Bradley also introduced Mr. and Mrs. Jim Swift, president of the bank and gave them a round of applause for being such wonderful hosts to the organization. Mr. E. O. Simmons gave the response to the welcome for the Farmers State Bank and stated the bank was glad to have a part in the organization. Mr. and Mrs. Van Kennedy, vice-president, Mr. Joe Lovell and all directors of the Farmers State Bank were introduced.

Mr. Bill Heatly, our representative in the state legislature was the speaker in the absence of congressman Walter Rogers. Mr. Heatly read a telegram from Mr. Rogers, who expressed his regrets at not being able to attend because of pressing business in Washington. The big issue was the voting on the beef import bill which was voted on Tuesday and passed. Mr. Heatly gave an informative talk on happenings in the state capitol and legislation that would be coming up that would affect the people of the state.

Mr. Bradley gave a report of the election of directors for 1964-65. Elected were: Tommie Poits of Memphis, Texas; J. D. Swift, Clarendon; W. H. Cooke III, Quail; Bill G. Thornberry, Clarendon; Spencer Sitter, McLean; Wade Watson, Claude; Bill Cushing, Clarendon; Bill Bradley, Memphis; Geo. Saunders, McLean; T. W. McAnear, H. A. Green and Richard Finch all of Clarendon.

Mr. Bradley stated that the newly elected directors would meet in the next few weeks and elect their officers for the coming year. Officers are elected from duly elected directors. Three commercial breeders will be elected also as advisers to the board. Flip Breedlove gave the last report, stating that the bull sale this year would be held on the second of December at the Fair Barns in Clarendon. Entries for the Bull sale will be started the last of September. Mr. Bradley adjourned the meeting at nine P.M.

MARTIN COMMUNITY BAR-B-Q SCHEDULED

The annual barbecue at the Martin Community will be held Friday evening, August 21st. Bring a half chicken for each member of your family and have it at the center by 1 p.m. that day. The community will furnish the trimmings. Come and enjoy the fellowship with this community. Serving time will be 7:30 p.m. at the community building, August 21st.

LOCAL RESIDENT TO GRADUATE AT WEST TEXAS

Sarah Ann Antrobis is among the 320 candidates for degrees at West Texas University at convocation ceremonies to be held August 20 at the Physical Education building on the campus. She is to receive her Bachelor of Arts degree having majored in speech therapy. Sarah is the daughter of B. C. Antrobis and the late Mrs. Antrobis.

Forty-Five Boys Report For Football Practice Monday

Head Coach Jeff Walker reported yesterday that forty-five prospects reported for training Monday morning and will be vieing for top spots on the Broncho squad this fall. Two work-out sessions are being held each day, morning and evening in case anyone would like to go up and look the squad over.

Coach Walker said his team would be lacking in weight but prospects were good for a faster, more aggressive squad. In practice sessions so far, team spirit has been good and the boys attitude is above average. Walker has eleven returning lettermen around which to build his team. They are: Doug Bradshaw, Gene Brannum, Richard Bell, Bobby Cain, John Grady, Mike Horton, Freddie McAnear, David Mooring, Kenneth Price, Jack Robinson and Richard Thornberry.

Others reporting for the squad are: Robert Bell, Pete Campbell, David Easterling, Bernie Green, Larry Green, Wes Henson, Henry Hermesmyer, Monte Land, Ronnie Longan, Mac McClellan, Irvin Mears, Bill Monk, Billy Neal, Pat Perkins, two Jimmy Rileys, Charlie Smith, John Sommers, Mike Spier, Barry Tyler, Gerald Welch, Tommy Waldrop, Gale Gray, Archie Smith, B. W. Smith, Larnce Gardner, Spooky Fieald, J. L. Louis, Odell Louis, Zane Williams, Ellis Williams, Raymond Hicks, and James Reece.

LINDA HARDIN BELL GRADUATES FROM SCHOOL OF NURSING

Mrs. Linda Hardin Bell was among the graduates of the second largest class ever to be graduated from Methodist Hospital School of Nursing, Dallas. The commencement exercises were held Saturday evening at the First Methodist Church there.

A number of entertainments honored the graduates among them a reception and a banquet at which time awards were made. Mrs. Bell is the daughter of Mr. and Mrs. Hall Hardin of Clarendon.

HOSPITAL NOTES

Patients as of Wednesday, August 19—Mrs. T. T. Allred, Geo. Thompson, Wayne McElroy, Melinda More and Saile Varble.

Dismissals—Ricky Benton, Mrs. Margaret Dishman, R. O. Thomas, Ella Evans, Emily Hill, G. D. Hillis, Genoa Lowe, Mrs. Walter Reece and Keith Reece.

Board Agrees To Loan Money For Greenbelt Pipeline

Historical Marker To Be Placed In City

The Texas State Historical Survey Committee has announced that two historical markers will soon be erected in Clarendon. Clarendon is one of 125 Texas cities which have been designated to display these markers. The marker, designed to inform tourists of historical sites, will be placed on the city limit signposts on U. S. 287 east and U. S. 287 west by the Texas Highway Department.

Markers will measure 24 by 24 inches and are made of steel using a black background and white reflective lettering. Town selection was determined by previously erected markers.

The erection of state markers is a part of a five year plan to record, appreciate, mark, preserve, and survey Texas history and is to be sponsored through joint efforts of the state, counties, local groups and individuals. Mr. Will Chamberlain is chairman of the local Historical Survey Committee.

FARM BUREAU ANNUAL CHICKEN BARBECUE FRIDAY NIGHT

The annual chicken barbecue of the Donley County Farm Bureau will be held at the Lelia Lake Community Center, Friday night of this week. Serving will start at 6:30 p.m.

Those planning to attend are requested to leave one-half chicken per person either at Moreman's Locker in Hedley or at the Clarendon Meat Co. in Clarendon by 9:30 a.m. Friday morning, August 21st. The Donley County Farm Bureau will furnish the trimmings. Everyone is invited.

NOTICE TO ALL NORTH WARD STUDENTS

Supt. K. D. Vaughan has announced that an orientation session would be held in the school cafeteria August 26th at 2:30 p.m. for all students who have been attending North Ward School and who will be attending the public schools this year up on the hill for the first time.

The purpose of the meeting is to acquaint these students with the teachers, buildings and school policies as everything will be new to these students and we want to give them all needed information possible to make the change over easier and better in every respect. Mr. Vaughan stated.

The Texas Water Development Board will advance \$4,100,000 to the Greenbelt Municipal and Industrial Water Authority for the building of a pipeline from Lelia Lake Creek to Childress and Quanah when needed, it was announced yesterday by Dr. S. H. Townsend, Authority president.

Townsend, Senator Andy Rogers and Bill Lowe attended a meeting of the Water Development Board in Austin Monday.

The Board had agreed tentatively to advance the money when needed and Monday's action made the tentative agreement permanent.

Bids to build the pipeline will be received at a meeting at 10 a.m. the morning of September 3. The meeting will be held in the District Courtroom at the courthouse in Childress.

Pumps in Lelia Lake Creek are expected to produce approximately four and a half million gallons of water a day which should be enough for Childress and Quanah until the entire project is completed which will cost nearly \$11,000,000.

Before the entire project can be completed it will be necessary for the Authority to secure permits to dam up the Salt Fork of Red River near State Highway 70 and Lelia Creek. Hearing for the permits has been set for September 28 in Austin.

No hearing permit is necessary for the pumping of water from Lelia Lake Creek. That was granted when a permit to build a dam lower down on the Salt Fork of Red River was granted several months ago.

Martin Baptist Church To Hold Revival

The public is extended a cordial invitation to attend any or all of the Revival services which are to be held at the Martin Baptist Church beginning August 23 and continuing through August 30. Services will be held at 10 a.m. each morning and 7 p.m. each evening. Bro. Robert Griffin of Lakeview will be the evangelist. He will be assisted by Roy Bob Floyd, assistant pastor.

VACATION AT WORLD'S FAIR

Mr. and Mrs. Redell Henson and family returned home Thursday night after attending the World's Fair. The return trip included a visit to Washington D. C. The Hensons also visited two of Redell's army friends whom he had not seen in twenty years, one living in Long Island and the other in Philadelphia.

VIETNAMESE RANGERS move down a road into the jungle as an Artillery forward observer pauses to check coordinates. The soldier in the foreground carries a sausage-shaped bag of rice. American military advisors frequently accompany such units.

GUERRILLAS BEWARE—Vietnamese troops ride through a rice paddy on top of a U.S. Army M-113 Armored Personnel Carrier during operations in Long An Province, Vietnam. In this operation, only 37 miles from Saigon, government forces destroyed camouflaged sampans, and captured caches of arms and rice. The M-113 is manufactured by FMC Corporation. ANP

Mr. and Mrs. Tom Barbee of Quitaque returned their grandson, Ewayne, home and spent the day with their son, Mr. and Mrs. E. W. Barbee and family.

SIX RURAL ACCIDENTS IN DONLEY COUNTY DURING JULY

The Highway Patrol investigated six rural traffic accidents in Donley County during the month of July, according to Sergeant J. W. Wilson, Patrol Supervisor in this area.

These wrecks accounted for one person injured, and an estimated property damage of \$2,750.00.

The rural traffic accident summary for Donley County from January through July shows a total of 20 crashes resulting in

three persons killed, 14 persons injured, and an estimated property damage of \$22,689.00

Yes, it is hard to believe here in the middle of August that school days are almost here again. Do not be surprised if in a few days when you round that curve or top that rise of meeting a big yellow school bus. The Sergeant reminds all motorists of the state law regulating traffic in regard to school buses. "The driver of a vehicle upon a highway outside the limits of any incorporated city or town upon meeting or overtaking from either direction any school bus which is stopped on the highway for the purpose of receiving or discharging any school children shall stop the vehicle immediately before passing the school

bus at a speed which is prudent, not exceeding 10 miles per hour, with due caution for the safety of such children."

Commenting on the upcoming Labor Day week-end facing Texas motorists, the veteran patrol supervisor said, "Many Texas families will be taking advantage of this last long summer week-end to take trips prior to the opening of school. Many of these families will be trying to cover too many miles. As a result, the possibilities of traffic crashes will be increased."

Because this holiday is mostly a family affair, more persons will be occupying cars. Thus, any traffic accident might result in several casualties. This has been evidenced several times on Texas Highways in recent weeks. During the 72 hour Labor Day week-end last year, 31 crashes claimed the lives of 44 persons.

Everybody benefits

when Rural Electrics help open the window on the world

Because we live with history as it happens, we are better able to meet its challenges when they face us.

And, thanks to our consumer-owned rural electric systems, all Americans... not just those in or near the big cities... can sit in on the great events of our times. They can watch the drama of a national convention as it moves to nominate a candidate. They see and hear the world's statesmen as they debate an issue in the United Nations.

Rural electrics provide the power for radios and television sets across the countryside. They provide the energy that rolls the presses of many a small newspaper.

Built with the help of Rural Electrification Administration loans, rural electric systems also furnish the power for lonely radar stations that scan the skies and flash news to our defense centers. Ranger towers that guard our state and national forests... telephone relay stations that help speed messages across the country... missile sites and vital defense installations in remote areas... depend on rural electrics for power. The rural electrics meet these and other responsibilities with the continuing help of REA loans.

The result is a nation whose citizens sit secure and informed before a window on the world... ready to speak and act with a united voice. And everybody benefits.

A Wise Investment

One woman takes her extra time And knits it into lace. Another takes her extra time Embroideries to trace. The lace may wear a year or two, Perhaps go out of style. The colors of embroideries fade In just a little while. But she who twines her extra time

In lives of lad and lass, Produces that which shall endure When time and tide shall pass... Author Unknown

The above poem reminds us again of the rewarding satisfaction that comes from having a part in the lives of our young. These may be our own children, our grandchildren, or those of our neighbor. The nearer to our heart the greater our responsibility to cast the right influence

into their pattern of life. One great danger in our day is that we leave the care of our young to the forces about us, and fail to accept our own responsibility. We leave to much for the schools to accomplish. We bundle them to Sunday School with the satisfaction that in this short hour their spiritual needs will be met. We allow them to go on some camping trip with a fine group when it would be a lot better if we could go with them on such occasions.

Another danger lies in our trying to shield them from hard work and to keep them from doing without the things they want. We stress the importance of play and recreation over and above that of earning money during their summer idle months from school. We expect our young to grow up prepared for the battles of life without first having been trained for combat. This just can't happen.

The best way to have a happy marriage is to overlook more than we oversee.

Some folks are afraid to hide their light under a bushel for fear it would set it on fire.

Most share the wealth plans wind up with everyone sharing the poverty.

The nickel ain't what it used to be. We have never grown up to the point that we ceased to love Cracker Jack. When we see them on the counter it is hard to say no. Even though like the nickel cigar the price is now a dime we still love the treat.

If you can remember when someone was appearing in a union suit they were ready for bed and not in court then you are too old for the draft.

It gets harder and harder to keep cool, especially when you go to pay your bill for air conditioning.

"LET'S GO!" ... to scenic Arkansas in General Telephone Country

OKLAHOMA ARKANSAS TEXAS LOUISIANA

★ **PRESCOTT** Vacation Headquarters for Southwest Arkansas

Prescott-Vacation Headquarters

Situated in Southwest Arkansas, the bustling city of Prescott is the center of many scenic attractions. Eight miles away is ARKLA VILLAGE, an authentic re-creation of a typical frontier town of the mid-1880's, where there's fun for all the family. In another direction you take a ride on the Possum Trot Line of the READER RAILROAD driven by an old-fashioned steam engine. Go another way to a real DIAMOND MINE where, for a small fee, you can dig for your own diamonds (one woman found a \$15,000 stone). Then there's OLD WASHINGTON, a famous roadside inn, which around 1830 was the last outpost before reaching the wilderness of the West. To these attractions add NARROWS and WHITE OAK lakes, and you have a wonderful vacation spot — another of the many places to go and things to see in General Telephone Country.

GENERAL TELEPHONE OF THE SOUTHWEST

TO THE PEOPLE OF THE 18th DISTRICT

By Congressman Walter Rogers

A NEW HOSPITAL FOR AMARILLO AIR FORCE BASE

Amarillo Residents, civilian and military, are cheering news that a new hospital for Amarillo Air Force Base is among ten projects approved in the Military Construction Appropriations Bill. The bill includes a total of \$7,927,000 for work at AAFB in the fiscal year which began July 1, and the hospital — to cost an estimated \$3.7 million — is the largest single item in the bill.

The need for new, permanent medical facilities at the base was well recognized and supported by civilians in the City of Amarillo as well as by the Air Force authorities at the base. The new 110-bed hospital will fit well with medical center development plans in Amarillo and will replace the outmoded, inadequate,

wooden hospital built at AAFB in 1943 as a wartime expedient.

The new hospital will mean not only that AAFB personnel and their dependents will receive quality medical care in an up-to-date, properly equipped hospital it is further evidence that the permanency of Amarillo Air Force Base is more than a paper designation. The Defense Department, the Air Force, the Bureau of the Budget, the House and Senate armed service and appropriations committee, and the House and Senate themselves all had to agree on the need for the new hospital before its approval could be obtained.

Among other construction projects approved for Amarillo Air Force Base in the Military Construction Appropriations Bill were these: Alteration of 36 airman dormitories to modernize facilities and appearance; upgrading three buildings for dining hall facilities serving 3,750 airman; a 300-seat base chapel and annex for base religious services.

Excellent community relations which exist between military

personnel at the base and civilians in Amarillo could well serve as a model for other communities in the United States. The base is a thriving community all in itself; military and civilian personnel in all categories total approximately 16,000. Approximately 16,000 dependents of base personnel live in the Amarillo area.

Graduates of schools in the Technical Training Center at the base are serving their country all over the world. We all know of the vital role played by the Strategic Air Command, of which the 4128th Strategic Wing at Amarillo Air Force Base is an important component. All of the Panhandle can be proud of Amarillo Air Force Base and of the men and units assigned there.

When the end of a Congress nears, it is impossible to predict from one hour to the next what new development will occur affecting vital legislation. It is therefore extremely difficult to be certain of being able to meet long-standing commitments out of Washington. It was with regret that I and my two col-

leagues on the House Committee on Interior and Insular Affairs, Congressman Tom Morris of Tucumcari, N. M. and Congressman J. Edgar Chenoweth of Trinidad, Colo., were forced to postpone our inspection trip to the site of the proposed "Alibates Flint Quarries and Texas Panhandle Pueblo Culture National Monument" in northeastern Potter County. Congressman Morris and Chenoweth and I have long urged the enactment of legislation to correct problems forced on American cattle industry by a continuing, excessively high level of beef and meat imports. With the prospect that corrective legislation could be brought before the House, we dared not leave the Capitol. The inspection will be rescheduled at an early date. While I may not be able to attend, I would urge all Panhandle-area residents interested in legislative re-apportionment problems to attend a meeting sponsored by the Texas Legislative Council at 9 a.m. August 20 in the 99th District Court at Lubbock. This is the fifth of a series of hearings being held by the Legislative Council in Texas cities.

Recent Visitors: Bill Nelson of Amarillo, with Mr. and Mrs. Earl Harp of Abernathy; Mr. and Mrs. Earl Herring, their children Ralph, Joyce, and Stanley, and his mother, Mrs. W. Herring; Mr. and Mrs. B. S. Vandell of Amarillo, with children Kerry and Craig.

PUBLIC NOTICE

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 3, 1964.

SENATE JOINT RESOLUTION NO. 10 proposing an Amendment to Section 51a of Article III of the Constitution of the State of Texas by adding a new Subsection to be known as 51a-2; giving the Legislature the power to provide, under such limitations and restrictions as may be deemed by the Legislature expedient, for direct or vendor payments for medical care on behalf of individuals sixty-five (65) years of age or over who are not recipients of Old Age Assistance and who are unable to pay for needed medical services; providing for the acceptance of financial aid from the Government of the United States for such medical payments; providing that the amounts paid out of state funds shall never exceed the amount that is matchable out of Federal funds for such purposes; providing that certain means relating to the correction or remedying of abnormalities of vision shall be included within such medical care service or assistance; providing for the necessary election, form of ballot, proclamation, and publication.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 51a of Article III of the Constitution of the State of Texas be amended by adding thereto a new Subsection to be known as Subsection 51a-2, which shall read as follows:

"Subsection 51a-2. The Legislature shall have the power to provide by General Laws and to make payment for same, under such limitations and restrictions as may be deemed by the Legislature expedient, for direct or vendor payments for medical care on behalf of needy individuals sixty-five (65) years of age or over who are not recipients of Old Age Assistance, and who are unable to pay for

needed medical services. The payments for such medical assistance on behalf of such needy individuals shall be in such amounts as provided by the Legislature; provided, however, that the amounts paid out of state funds for such purposes shall never exceed the amount that is matchable out of Federal funds for such purposes; provided further, however, that such medical care, services or assistance shall also include the employment of objective or subjective means, without the use of drugs, for the purpose of ascertaining and measuring the powers of vision of the human eye, and fitting lenses or prisms to correct or remedy any defect or abnormal condition of vision."

"The Legislature shall have the authority to accept from the Government of the United States, such financial aid in the form of medical assistance on behalf of the needy individuals sixty-five (65) years of age or over who are not recipients of Old Age Assistance, and who are unable to pay for needed medical services, as such Government may offer not inconsistent with restrictions herein set forth."

Section 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this state at the General Election to be held on the first Tuesday after the first Monday in November, 1964, at which election all ballots shall have printed thereon the following:

"FOR the Amendment to the Constitution giving the Legislature the power to authorize vendor payments for medical care on behalf of needy individuals sixty-five (65) years of age or over who are not recipients of Old Age Assistance, and who are unable to pay for needed medical services; providing for the acceptance of funds from the Federal Government for the purpose of paying such medical assistance; and providing that the amounts paid out of state funds for such purposes shall never exceed the amount that is matchable out of Federal funds; provided further, however, that such medical care, services or assistance shall also include the employment of objective or subjective means, without the use of drugs, for the purpose of ascertaining and measuring the powers of vision of the human eye, and fitting lenses or prisms to correct or remedy any defect or abnormal condition of vision."

Section 3. The Governor of the State of Texas is hereby directed to issue the necessary proclamation for said election and have the same published and held as required by the Constitution and the laws of the State of Texas.

Section 4. The Governor of the State of Texas is hereby directed to issue the necessary proclamation for said election and have the same published and held as required by the Constitution and the laws of the State of Texas.

Section 5. The principal of all bonds and other funds, and the principal arising from the sale of the lands hereinbefore set apart to said school fund, shall be the permanent school fund, and all the interest derivable therefrom and the taxes herein authorized and levied shall be the available school fund. The available school fund shall be applied annually to the support of the public free schools. And no law shall ever be enacted appropriating any part of the permanent or available school fund to any other purpose whatsoever; nor shall the same, or any part thereof, ever be

applied to any other purpose whatsoever; nor shall the same, or any part thereof, ever be

applied to any other purpose whatsoever; nor shall the same, or any part thereof, ever be

applied to any other purpose whatsoever; nor shall the same, or any part thereof, ever be

DENTON FAMILY RE-UNION HELD SUNDAY

The S. C. Denton family met Sunday, August 16, for a family reunion at the Lelia Lake Community Center. Mr. and Mrs. Denton and sixty-one other relatives and friends met for a delicious basket lunch followed by games and fellowship.

The following six sons and their families were present: Mr. and Mrs. Loran Denton and son of Turkey; Mr. and Mrs. Forrest Denton and daughter of Pampa; Rev. J. C. Denton and children of Wichita Falls; Mr. and Mrs. Clarence Denton and sons, Mr. and Mrs. Charles Denton and family, Mr. and Mrs. Dale Denton and son, all of Amarillo; the following three daughters and families: Mrs. Byron Todd, Honolulu, Hawaii; Mr. and Mrs. C. H. Williams and children of Pampa, and Mr. and Mrs. W. H. Kleinpeter of Amarillo.

Other grandchildren and families present were: Mr. and Mrs. Don Todd and daughter of Fresno, Calif.; Mrs. Ted Graham and children of Frankel City; Mrs. Bob Gillespie and daughter of Midland; Mr. and Mrs. Forrest Denton, Jr. and two daughters, Mr. and Mrs. Bill McAffrey and children, all of Amarillo; Rev. and Mrs. Royce Denton and children of Estelline; Mr. and Mrs. Dwain Walker and children of Happy. The following friends attended: Miss Wanda Cooke of Pampa; Mr. and Mrs. Bill Orcutt of Estelline; and Mr. and Mrs. D. Taylor of Happy. -Rep.

LUMPKINS ENTERTAIN EMPLOYEES WITH BAR-B-Q

Jim Lumpkins and Mrs. F. H. Lumpkins entertained employees, and their families, of Lumpkins Drive-In in Clarendon and their Drive-In at McLean with a barbeque at the Cicero Turpen home in Spade Flat Wednesday evening.

About forty were present and were served barbeque and all of the trimmings. Youngsters enjoyed games and other entertainment. All reported a most enjoyable time.

CHAMBERLAIN COMMUNITY CENTER NEWS

The Chamberlain Community Center will have a meeting Friday night, August 21. Everyone is invited to come and play "42". Bring a freezer of ice cream or cake. The hostesses will be Ruby Blackman and Roxie Barbee. -Rep.

YOUNG HOMEMAKERS EXECUTIVE MEETING HELD

Young Homemakers held an executive meeting Thursday afternoon in the home of Peggy Maxcey. Our exhibit in the County Fair was discussed. The Fine Arts department of the fair is under the sponsorship of the Young Homemakers this year.

Attending were Peggy Maxcey Eulonda Jones, Velma Bourland, Wilma Lindley, Jo Schollenbarger, Gay Cole, Barbara Orsak, and Pat Reed.

Our next regularly scheduled meeting will be September 8 at 4 p.m. in the home of Peggy Maxcey. Members please bring your stamps for this month's project. All interested homemakers are *****

Mrs. Bromley's

invited to attend this meeting. The topic will be "Snack Ideas with Nutritional Value." Rep.

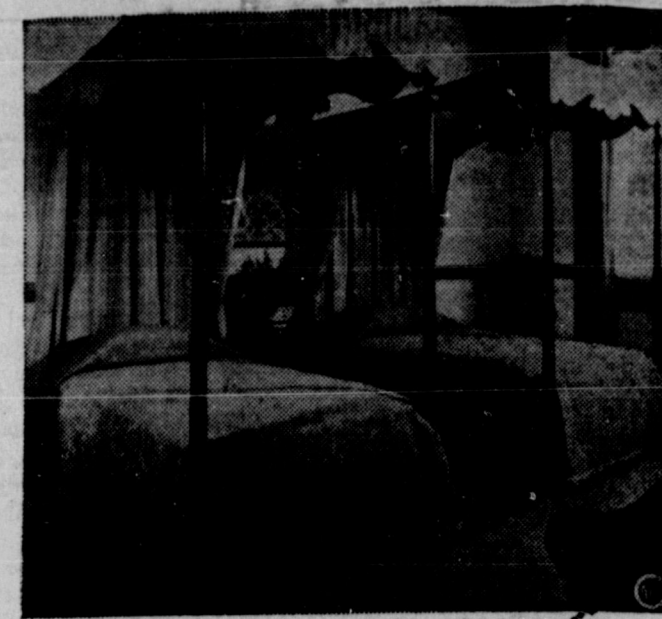

Miss Charlotte Garrett, a petite brunette beauty from Breckenridge, is the new Miss Rural Electrification of Texas. She will represent the rural electric cooperatives of Texas in a national contest at Miami Beach, Florida, in January. Miss Garrett, representing 10 West Texas rural electric, was state-wide association of the rural electric, in Austin Thursday night, August 13. Nearly 1,000 persons from all parts of Texas attended the meeting.

SCOUT TROOP 33

August 12th Troop 33 went as a group to the Sandell Drive-In Theatre and on August 14 members of the troop had a dance in the Canteen. The dance was from 7:30 p.m. to 10:30 p.m. About 20 were there. Refreshments and decorations were planned and prepared by the boys.

Mrs. Jack Semrad Sampsell and daughter, Lee Ann, of National City, California visited the Robert Semrads of Haltipan, Vera Cruz, Mexico and the John and James Semrads of Clarendon. The Sampsells and Mr. and Mrs. John Semrad also visited relatives in Oklahoma, Missouri, and Kansas.

Louis Martin, Rich and Claude of Matador, and Duke Siddle of Wichita Falls visited last week in the home of Mrs. Mary Siddle and her sister, Mrs. S. J. Bardock. Their niece and son of Estelline were also visitors.

CANOPIED BEDS—Antique experts might be hard pressed to find the "something new" in these canopied beds from Williamsburg, Va. Now are the cotton bedspreads, faithfully reproduced by Morgan-Jones.

STATE CAPITAL
Highlights
AND Sidelights
by Vern Sanford
 TEXAS PRESS ASSOCIATION

AUSTIN, TEXAS—Texas' progress in the field of race relations was commended by visiting federal officials here to discuss aspects of the new Civil Rights Law.

Gov. John Connally met briefly with Secretary of Commerce Luther Hodges; former Florida Gov. LeRoy Collins, director of the new Community Relations Service; and former Gov. Buford Ellington of Tennessee.

Session was one of a series to be conducted with governors in all states at the request of President Johnson to discuss the Community Relations Service operation. Agency will provide conciliation service at the state and local level to resolve discrimination disputes.

Governor Connally predicted Texas will continue to move forward without outside help.

Meanwhile, Texas School Boards Association warned that action on the part of segregated schools between now and Labor Day may determine their continued eligibility for federal funds.

According to Department of Health, Education and Welfare officials on the Civil Rights Law, all the answers won't be known until new regulations are drawn late this month.

But the law has been interpreted

as banning federal aid to segregated facilities.

Texas schools now get about \$30,000,000 a year in federal money for such programs as the national defense education act, vocational education, school lunch and milk program and aid to districts where federal installations bring in a large number of pupils.

HEW personnel indicate "tentative procedures for enforcement of Title VI (of the Civil Rights Law) will require assurance from local school boards of compliance or intention to comply before federal funds will be awarded."

APPOINTMENTS ANNOUNCED—Governor Connally selected Pat Taggart of Waco, president of Newspaper, Inc., as a member of Texas State Historical Survey Committee to succeed Sam Privitt of Childress for an unexpired term extending until January 1.

New members of the State Board of Vocational Nurse Examiners are Miss Hedwig Pustejovsky of Houston, Mrs. Jimmie L. Morrison of Hico and Mrs. Naomi Younger of Levelland. Their terms extend until September 7, 1969.

Dr. J. A. Barrington of Wichita Falls and Dr. Claude Willey of El Paso were named to six-year

terms on the State Board of Veterinary Medical Examiners. They succeed Dr. John McCoy of Paris and Dr. Edward Dwelle of Alice.

Kerby Hillin of Dallas and Virgil A. Walston of Houston succeeded W. J. Burkhart of Dallas and Kenneth Nelson of Diboll to six-year terms on the State Board of Registration for Public Surveyors.

Allen Searight, community coordinator for Texas Industrial Commission, has accepted a job as executive director of Texas Historical Foundation. Larry Milner, San Angelo, will take over Searight's duties with the Industrial Commission on August 15.

LOBBYISTS—Texas legislative leader, who have been the target of many lobbyists, have turned lobbyists themselves.

Lt. Gov. Preston Smith, Speaker Byron Tunnell and Sen. George Moffett, chairman of the Legislative Council's redistricting committee, have been lobbying in Washington for passage of federal laws to clarify the congressional and legislative redistricting situation.

Moffett wants Congress to say that a state may have as much as 15 per cent variation from the average population in its Congressional districts. He and Smith also spoke in favor of the proposed amendment to the U. S. Constitution which would allow the states to set up one house of their Legislatures on a basis other than population.

ATTORNEY GENERAL OPINIONS—Atty. Gen. Waggoner Carr has ruled that:

A county commissioners court may decide whether or not it shall appoint county hospital managers with overlapping terms;

A county attorney has the duty of filing suits for foreclosure of the State's lien for delinquent inheritance taxes;

District courts in that county have jurisdiction of these suits even in those instances in which property formerly belonging to a decedent is not within the county, so long as it is within the jurisdiction of this state.

PANHANDLE SALT WATER HEARING CONTINUED—Oil industry representatives urged the Texas Water Pollution Control Board not to outlaw the use of open, unlined earthen pits for the disposal of oil field salt water in Dallam, Lipscomb, Hemphill, Potter and Oldham counties.

Board held the third in a series of hearings to explore the problem in a 48-county area which overlies the Ogallala water formation.

Oil engineers testified disposal of oil field brine into unlined pits in the five Panhandle counties named is "very minor." By January 1, testified one, 87 per cent if the salts will be injected underground, with only 257 barrels a day going into unlined surface pits.

HUNTING - FISHING LICENSES GOING OUT—New hunting and fishing license are scheduled to be sent to some 2,800 dealers by August 14, State Parks and Wildlife Commission announces.

Old licenses expire on August 31. More than 2,300,000 are expected to be paid during the coming year—at the rate of \$2.15 for fishing license and \$3.15 for a hunting license.

SHORT SNORTS—Texas Highway Commission authorized urban transportation studies to determine future highway needs of Abilene, Midland, Odessa and Texarkana.

Cigarette taxes continue to increase — to \$8,400,000 in June, a jump of \$317,942 over the previous month — according to State Comptroller's office.

Thirteen citizen's task forces met here to work on various aspects of a Texas plan for community health programs.

Land Commissioner Jerry Sadler refused to consider the sale of 10 tracts of school land in Bandera County, explaining that he thought his own staff had set

values too low. Treasurer Jesse James reported an increase of \$459,999 in tax revenues for stamps on ale, liquor and wine from July, 1963, to July, 1964, for a total of \$10,000,000 last month.

Attorney General Carr announced the recovery of \$52,425 against two defendants charged with operating slanted oil wells, making a total of \$800,270 in judgements which have been returned against slant-hole drillers and operators.

Texas Education Agency has formally requested of federal authorities the establishment of a multi-million-dollar residential vocational educational school at Old Gary Army Airfield, San Marcos.

Governor Connally will tour four northern Mexico states bordering Texas on August 15-18.

University of Texas' Bureau of Business Research reveals that its seasonally-adjusted index of business activity in Texas for June hopped 16 per cent above the June, 1963, level, marking the 41st month in an upward swing that rivals the 45-month expansion record set between October, 1949, and July, 1953.

Tourist attendance of 16 key Texas attractions have served 10,100,000 this year, up 15 per cent over the first six months of 1963, and will get better during the second half of the year, Texas Tourist Development Agency predicts.

Mr. and Mrs. Bob Spencer announce the arrival of Robert Lloyd III Monday in the Groom Memorial hospital. He weighed 7 pounds and 8 ounces. The proud grandparents are Mrs. Dollie Bain of Clarendon and Mr. and Mrs. Hanev of Ohio. Great grandparents are Mrs. C. N. Brewer of Clarendon and Mrs. Maude Spencer of Dumas.

Mr. and Mrs. Bob Holland and children of Dalhart and Mrs. Jack Miller of Amarillo visited a short time Monday night at the home of Mr. and Mrs. C. W. Martin. The ladies' brother, Barry Gabbert, was seriously injured in a car wreck near Decatur and they were enroute to be with him. The children remained with Mrs. Martin.

Mr. and Mrs. Homer Smith of Ft. Worth visited his sister and family, Mr. and Mrs. V. L. Adams and sons in Amarillo and another sister and family, Mr. and Mrs. J. O. Watts and children.

Mr. and Mrs. Jim Traylor and children of Paris, Ark. returned home Sunday after spending the past week visiting the lady's parents, Mr. and Mrs. A. M. Moss and other relatives.

Mrs. Della Smith had as her guest for the week end her son and wife, Mr. and Mrs. Homer Smith and Edwin Lee of Ft. Worth.

A 5,000-year-old hearse in a tomb excavated in Mesopotamia is the earliest actual wheeled vehicle known.

Primitive Filipinos lit fires by striking sparks from a hard bamboo cane with a fragment of porcelain.

The South American "kissing bug" can tolerate radiation powerful enough to kill a man.

TEXTURED KNIT—Designer Stephanie Korot chooses richly textured double knit cotton for comfortable tapered slacks and V-neck pullover. From her latest collection of all-season double knits, the outfit is hand washable, will not wrinkle or lose shape.

SOIL CONSERVATION DISTRICT NEWS

Midland Bermudagrass is fast becoming a fad in our country. Here's hoping it doesn't turn out like some of its predecessors, Sorghum alnum and weeping lovegrass. From some of the success stories elsewhere which reflect merits beyond compare, we may have an adapted profitable grass which will solve our one and only problem-cotton.

Setting aside sarcasm, this grass does look good for our country. Under proper management this grass will put out plenty of forage. The following reflect some of the better management practices of this grass:

1. Seedbed Preparation — It is very important to have a clean seedbed and to keep it as clean as possible until the grass has had a chance to cover the ground.
2. Care of sprigs — Keep the sprigs moist and out of the sun's exposure. Results of an experiment from George McBee, Pasture Specialist, Extension Service reflect the following:
No Exposure . . . 0.0% reduction in germination
2 hrs. 9 AM-11 AM . . . 6.0%
4 hrs. 9 AM-1 PM . . . 28.0%
2 hrs. 12 noon-2 PM . . . 70.0%
4 hrs. 12 noon-4 PM . . . 97.0%
8 hrs. 9 AM-5 PM Shade & Moist 0.0%

The above data would indicate that we should avoid harvesting and sprigging during the hot part of the day.

3. Fertilization — Many observations this year have shown farmers following sprigging with 70-100 pounds of a fertilizer mixture mainly of nitrogen and phosphorus. This is actually doing the grass some harm due to annual weed competition. Actually the weeds get most of the fertilizer plus offering much competition to the bermudagrass.

A better means of fertilizer application would begin with 25-30 pounds per acre of nitrogen alone to give quick, growth but not offer the weeds so much nutrition. After the grass covers, then apply a heavier application of fertilizer and reap the profits of fertilized grass.

4. Grazing Management — Start grazing the grass at an 8 inch height and never graze below 4 inches. The best grazing, both from a cattle and grass stand point, will be between the 4-8 inch height.

Grazing should be rotated every 12-14 days depending on the watering frequency. This should involve 3-4 plots which will be fertilized and irrigated behind each grazing.

5. Grazing should be controlled so that a height of about 4-5 inches will remain at the first frost. Also, a key point to consider is having plenty of ground moisture through the winter to prevent winter-killing.

For further information concerning bermudagrass, contact your local Soil Conservation Service Office. A key to a sound range management plan includes a close analysis of the resources available and in turn the wise management of the resources. With out such an analysis, a rancher may overestimate his grass and have to feed much more supplement feed than would be necessary otherwise.

In carrying out conservation practices, a rancher must closely analyze the following:

1. Will the return prove greater than the cost?
2. Will the benefit be greater than the initial returns?
3. Is the equipment available to carry out the practice?
4. Will the rancher maintain such practice long enough to give it a chance to work?

Proper range management entails such things as salting, cross-fencing, brush control, farm ponds, windmills, and range seeding. Salting, placement of water supplies, and cross-fencing have shown to contribute more to proper distribution of grazing than any of the other practices. Salt should not be located at watering facilities unless the pastures are small enough that the cattle are grazing the entire area fairly evenly. In small pastures or in pastures

with proper distribution of water supplies, the salt can be placed near water supplies and still get the proper grazing on the grass. Proper range use involves properly grazing the grass to obtain the maximum forage without hating the plant. A rule of thumb is to graze no more than approximately 50% of the current years growth by weight of the key plant.

In summary, analyze the availability and use of your forage and carry out those practices which will benefit you most. For further information concerning proper range management, contact your local Soil Conservation Service Office.

SOUND PRODUCTION SLATED FOR PALO DURO THEATER

The Canyons in the bluff behind the amphitheater in the Palo Duro Canyon State Park will ring with new sound during a stereophonic sound show, "Echoes in the Canyon" which will be presented in the theater on Friday, August 21st at 7:30 p.m. Using three large speakers, and changing their positions, it will be possible to show what can be done with sound in this location.

This demonstration is produced through the generosity of Larry Durbin, Audio Communications Division of West Texas Electronics and Bill Rhew of the Bill Rhew Pictures and Recording.

STEAKS

I am serving individual Steaks, cooked to order and as good as any found anywhere . . . along with all the other buffet food you want to eat at my regular dinner price of **Only \$1.50** Plus tax

Mrs. Bromley's

Service of Amarillo who arranged for the equipment and prepared for the evening. Using recordings of choirs, orchestras, special instruments and speaking voices, Mr. Rhew will lead the audience into an exploration of the echoes and sound effects which the Canyon makes. In preparing these tapes, Mr. Rhew is drawing upon the experience he has had in making the beautiful documentary films which have grown out of the trips abroad taken by groups of Panhandle residents under the direction of Cotton John Smith.

Some lighting effects will accompany the sound. These are being arranged by Joe Batson of Channel 10 and Erin Wertenberger, technical director of the Branding Iron Theater at West Texas State University in Canyon.

All members of the Texas Panhandle Heritage Foundation are being sent special invitations to this demonstration, since the theater was built through their efforts. For the general public, there will be no admission to the theater. The only charge will be the \$1.00 per car admission at the gate to the park.

To reach the theater at 7:30, plan to be at the park gate at 7:00.

FUTURE MARKET IS NEW IDEA IN CATTLE SELLING

COLLEGE STATION — A cattle futures market. Ridiculous, you say? Maybe not, according to Ed Uvacek, Extension livestock marketing specialist at Texas A&M University.

The Chicago Mercantile Exchange has hired a private consulting firm to study the possibility of such a market. Although most segments of the livestock industry feel there is a need for a futures market on livestock, they do not fully understand how it can best be used, says Uvacek. There are many problems in establishing a livestock futures market because of the nature of the product. In live cattle trading, there is difficulty in establishing specifications, carcass beef contracting isn't very appealing to either producers or buyers and boneless beef normally doesn't have the price variation needed for attractive speculation.

Early investigations show that live cattle contracts, combining carcass specifications might be the best solution.

Another problem with establishing a futures market is the large amount of educational work that must be done to insure a full understanding of the program by cattlemen.

However, eventually the difficulties will be worked out and the thing that couldn't work, a futures trading market on live cattle and beef, will be a reality, says Uvacek.

Black widow spider venom is 15 times as toxic as rattlesnake venom.

Check List For Clarendon Junior College

The Registrar's office of Clarendon Junior College has issued a check-list of last-minute things to do and dates to remember that will be of special interest to all freshmen students planning to attend CJC this fall.

1. A copy of the student's transcript must be forwarded to the registrar's office before registration.
2. A copy of the student's ACT score (or its equivalent) must also be on file in the registrar's office. Those students who have not yet taken the ACT test may do so on October 3 at Clarendon Junior College.
3. Dormitory reservations should be made within the next few days if the student wishes to live in the dorm.
4. Those students who wish to commute should inquire about the possibility of car contracts, which will greatly minimize the cost of traveling to school.
5. The student who wishes to work part-time should make inquiries as to the jobs that are available and leave on file information concerning his capabilities, interests, and experience.
6. Pre-registration for eligible freshmen (those who have filed letters-of-intent) will

STEAKS

Plus tax
Mrs. Bromley's

continue August 17-26.

7. Freshman orientation will be held on September 4, from 9:00 to 4:00 P.M. All freshmen who have never been in college before are required to be present.

8. Regular registration will be held on September 8, with classes beginning on September 9.

The current college catalogue as well as a copy of the fall schedule of classes may be secured by calling, writing, or coming by the Registrar's office at Clarendon Junior College.

LIONS CLUB NEWS

Members of the Clarendon Lions Club met in regular session Tuesday noon with three guests present; they were Jack Cage of Amarillo, guest of Van Kennedy, Jim McKee of Dallas, guest of G. W. Estlack and Tommie Saye, guest of the club.

Joe Small and Emmett Johnson of Amarillo presented the program which was on the general plans and outlay of the High Plains Area Foundation and the proposed High Plains Baptist Hospital. The Foundation is proposing a 350 acre medical center to be located west of the Veteran Hospital at Amarillo.

Boss Lion L. L. Wallace reminded all members of the Ladies Night meeting of club next Tuesday at 8 o'clock at which time Mr. Wallace will make a report on the trip to Lions International and show film of the trip.

AMERICAN LEGION TO SPONSOR DANCE

The American Legion is sponsoring a dance at the Legion Hall Saturday night, August 22, from 9 p.m. to 1 a.m. A string band from Amarillo will provide the music. The public is invited. Admission will be as usual.

JUNIOR HEREFORD BREEDERS FIELD DAY BIG SUCCESS

The Junior Hereford Breeders field day held Saturday was a big success says County Agent, Flip Breedlove. There were 555 4-H and FFA members from all over the Panhandle of Texas in attendance at the Doctor Hereford, owned by Jake Hess of McLean, Texas. Flip Breedlove and Pete Land barbecued for the occasion and 700 pounds of prime beef were eaten up by the youngsters.

In the judging of bulls, heifers, cows, calves, and quarter horses, David Mooring, Donley County 4-H club member took third high in the entire judging contest. Practically all present took part in the contest. David won a pair of western boots for his high honor. Last year David was high man on the Donley County 4-H judging team that won second at the field day. This year the 4-H team was not in the first six placing teams. The team was composed of David Mooring, Richard Thornberry, and Henry Hermesteyer. Fifteen 4-H club members and their dads from Donley County attended.

DR. PEPPER BOTTLING CO. RANKED FIRST IN STATE

The Dr. Pepper Bottling Company of Childress owned by Mrs. W. H. Shirley placed first in Texas Bottling per capita for the months of April, May, and June and second in the nation. John McCauley is the local distributor for Dr. Pepper.

Mr. and Mrs. E. H. Estlack of Austin and Mr. and Mrs. Joe Estlack and boys of San Antonio visited Saturday night in the home of Mr. and Mrs. Homer Estlack. They were enroute to a family reunion of the Smith family to be held at Springfield, Colo.

FARM NEWS

from County ASCS Committee

Domestic Cotton Allotment Program

Payments under the 1964 domestic cotton allotment program will soon be made in Donley County.

The final date for you to comply with the domestic allotment and be eligible for this payment is September 1, 1964. If you plan to get within the domestic allotment, you must notify this office prior to September 1 so that adjustment may be made.

You must not exceed your feed grain base if you comply with the domestic allotment.

1965 Wheat Program Announced
Details of the 1965 Voluntary Wheat Program were announced by the USDA. Operation of the program in general will be about the same as that for the 1964 crop year.

The principal changes, compared with the 1964 program are:
A. Domestic certificates will be worth 75 cents per bushel (were 70c) and export certificates 30c per bushel (were 25c).

B. Price support national average loan rate will be \$1.25 per bushel (was \$1.30).

C. Program participants can qualify for domestic certificates on 45% and export certificates on 35% per cent of the normal production from their allotment (were 45% each).

D. Wheat and feed grain acreage substitution will be possible. (none in '64).

E. If diversion in addition to the required minimum is at least 10 percent of the farm's 1965 allotment, payment on such additional diversion will be made on 50% of the farm's normal production

times the county loan rate on all of such added acres diverted to conserving use. No payment will be made for applying conserving use to the minimum qualifying acreage equal to 11.11 percent of the 1965 allotment. (Payment in 1964 was at 20 percent for all acres diverted to conserving use.)

F. A producer can get program loan and certificate allocation benefits if he exceeds his acreage allotment by not more than 50% on any farm in which he has an interest and stores under bond the wheat from the excess acreage, meanwhile carrying out conserving use requirements of the program.

Sign up for the 1965 wheat program is entirely voluntary and as in 1964, there will be no marketing quotas or marketing quota penalties for the 1965 crop. Further, those overplanting their acreage allotment in 1965 will not lose wheat acreage history for future years.

A THOUGHT:
Cold cash! So called because we can't keep it long enough to warm it up.

Mr. and Mrs. Larry Hicks announce the arrival of Sherry Gail, August 10, at Groom Memorial Hospital. She weighed 7 lbs 4 oz and is the granddaughter of Mr. and Mrs. B. F. DeBord of Ashtola and Mr. and Mrs. Orlace Hicks of Clarendon. Great grandparents are Mr. and Mrs. W. H. DeBord of Clarendon Mrs. O. W. Lilly of Twin Falls, Idaho, and Mr. and Mrs. R. M. Fedric of Clarendon.

Mr. and Mrs. C. R. Cross have returned from Anaheim, Calif. where they visited their son, C. R. Cross, Jr. and family. While there they made a trip to San Francisco and through some of the redwood county.

FORMER RESIDENT BURIED HERE SATUDAY

Graveside services for Oscar Stanford, age 77, were held on Saturday, August 15th, at 2:00 p.m. in Citizens Cemetery here with Rev. W. R. Lawrence, pastor of the First Baptist Church, officiating.

Mr. Stanford resided in and around Clarendon for 40 years, before making his home in Los Angeles, California, where he has resided the past 15 years. He died at 6:10 p.m. Tuesday, August 11th at Los Angeles. He was born August 25, 1886 at Crew, Alabama. He worked at farming most of his life.

Survivors include his wife, Georgiana Stanford of Los Angeles; one sister, Mrs. Annie Mae Weeks of Beverton, Alabama, three brothers, Joe, Bud and Murry all of Beverton, Alabama, and two grandchildren. Services were under the direction of the Murphy Funeral Home of Clarendon.

BAPTIST WORKERS CONFERENCE MEETS HERE

The monthly Workers Conference of Panhandle Baptist Association met with the First Baptist Church of Clarendon Tuesday, Aug. 18th. This group is composed of eleven Baptist churches of this area.

The three out of town speakers were Dr. Robert G. Collier, dean of Wayland Baptist College of Plainview; Dr. Ernest Duncan, pastor of Fairview Baptist Church of Grand Prairie; and Dr. Edward Clark from the Baptist Headquarters in Dallas. Dr. Collier spoke on Christian Education; Dr. Duncan spoke on the Baptist benevolent work in Texas and Dr. Clark on missions in general.

The evening meal was served by the local Baptist Church.

Leader local rate \$3.50

Boys Ranch Labor Day Rodeo September 6-7

The 325 boys at Cal Farley's Boys Ranch began practice this week for the biggest Labor Day event of the Texas Panhandle—the annual Boys Ranch Rodeo that will be held Sunday, September 6th, and Monday, September 7th, at 2:30 in the afternoons.

This will be the 20th year for the famed rodeo that began in 1944 with only 65 boys who were being cared for at that time. More than 7000 people are expected to be at the Ranch this year to watch a record number of contestants, and if they wish, enjoy a bar-be-que lunch before the performances.

Indications are the 1964 rodeo will be the most competitive, fastest, and thrilling the boys have ever put on. Almost 100 boys will be riding Brahma bulls, bucking broncs, and other professional rodeo animals under R.S.A. rules. The two performances do not permit all of the boys to ride who would like to, but everyone, including the Ranch's adult staff, will participate.

Boys who do not ride the bucking stock will appear in special feature acts, work the chutes, operate concessions, usher, and work at the many activities necessary for a successful rodeo production.

An added feature of the rodeo will be the sale of king-size bar-be-que sandwiches with the trimmings that will be sold by the boys. The Ranch picnic area will provide a good lunch site for those wishing to enjoy a picnic near the rodeo arena.

Proceeds from the rodeo will be used for the expansion of the Ranch.

Dogs are believed to have been domesticated about 6,000 years ago.
