FIX UP AND PAINT UP FOR LITTLE LEAGUE

## Youth Baseball fund drive Garage Sale Saturday, April 30

This Saturday, April 30th, is the last day for the Clarendon Youth Baseball Fund Drive. Kids from seven years old thru 15 years old have been out actively selling items to raise much needed money for our youth's Baseball program.

This year we have four minor league boys teams, two little league boys teams and one senior league boys team. These young men are selling cheese and summer sausage. We also have three minor league girls softball teams, and one senior league girls softball team. These young ladies are selling spices, dip mixes, and salad dressing mixes. Please help our youth!

Also this SATURDAY, is our yearly CITY WIDE GARAGE SALE for our Clarendon youth Baseball and Softball program. PLEASE DONATE all sellable items, such as clothing, furniture, cars, sporting goods, toys, garden equip-

ment, etc. The Garage Sale will begin at 8 a.m. sharp this Saturday on BYLOW GROCERY STORE PARKING LOT. If you have items you wish to donate for sale at this Garage Sale, please

contact Barry Phillips, phone 2236, or Tom Harguess, phone 2495. These items will

be picked up, or else you can deliver them to the Bylow Parking lot on Saturday morning.

THERE will ALSO be a SPECIAL donation box

available at the Garage Sale for anyone wishing to just make a donation.

The youth and parents

working with the program have set for a goal to raise \$5,000. Any item you donate to be sold will be given a value, then you will be issued a receipt for your tax purposes. Also, any item you buy at the Garage Sale will be a donation to Clarendon Little League.

SO GIVE... AND BUY!!

## Work still to be done

A Big THANK YOU to all who helped this past Saturday with the work on our Baseball and Softball Fields for our Clarendon youth. Trash was picked up, grass mowed, fence was taken

down, new fence was started.

We STILL need a solid day of HARD work on our fields by you willing parents and other adults and youth.

We STILL have work to do

on the fences, both on the Little League field, and the new Girls Softball Field.

Please be at the field this Saturday, April 30th at 9 a.m. We must get all this work done before our first game.

## Miss North Texas National

## Teenager pageant May 5-7

Clarendon will once again host the annual Miss North Texas National Teen-Ager Pageant at the Clarendon Junior College. This year, forty contestants will compete for the title, ranging in age from thirteen to eighteen. Special guests will be the 1982 Miss Texas, and the 1982 winner of last year's pageant.

Judges for the pageant will include Haydon Battles from Oklahoma; Jim Archer, superintendent of schools at Vici, IK; Debra Pendleton from Dalhart; Leslie Schnauer from Clarendon College and Vic Cuyler the Admis-

sions Officer and Councilor at Frank Phillips College. Judges of the talent portion of the pageant will be Clarendon's Nancy Selvidge and Ann Harper.

On Friday at 7 p.m., the girls will perform their talents free of charge for the first leg of their competition. On Saturday, the girls will be given a tea, they will rest and then that evening at 7 p.m. will begin the pageant which will give one of them the crown as Miss North Texas National Teen-Ager to represent this part of the state in the Miss Texas Pageant.

## Cherub & Youth choirs to hold program

On Sunday, the first of May at 5 p.m., the Cherub and Youth Choirs of the First United Methodist Church will perform the musical production "Kids Praise" about a song book called "Salty", played by Dr. Dan Bentley. There will be solos sung by the children and youth and the combined

choirs will delight us with songs. Debbie Roberts is directing both the youth and childrens choir in this delightful musical production. Bring a covered dish and attend the potluck dinner afterwards to share your favorite recipe, visit with friends and congratulate the youth and children on their performances.

## Missionaries to India to visit and share

On May 15-18 Southern Baptist missionaries Dwight and Emma Baker will stop in

Clarendon while on their short three-month furlough. The Bakers plan to share in a four-day mission emphasis at the First Baptist Church, where their son, Steve Baker is Minister of Youth.

Before going to India in 1976, Dwight and Emma served for 26 years as missionaries to Israel. (One of the evening services will be devoted to a presentation on Israel). Some of their activities in India include teaching, evangelism, meeting physical needs, church and home ministry and preaching. They will share out of their hearts about their life and work, and are especially interested in helping Americans be more

BILL GREENE AND EDDIE FULPS

## Greens Dry Goods oldest store in USA to give S & H stamps

If Bill Greene wants to know what time it is in Pagopago, all he has to do is look at his new clock presented him by Eddie Fulps with the S & H Green

Stamps company. The clock was presented to Greene in recognition of the Greene Dry Goods Store having given S & H Green Stamps continuously longer than any

other store in the entire United States of America.

Greene's Dry Goods Store opened in 1924 and has given service to its customers 'lo these 59 years. They have given S & H Green Stamps from the first day until now.

You can get a cheerful greeting and a passle of stamps both at the same store where you can get all of your dry goods needs met.

Go ask Bill what time it is in your favorite foreign port.

## 4-H Horse project

The 4-H Horse Project will be taking their unit to the Turkey Parade Saturday, April 30th. All members must be at the rodeo grounds by 7:30 p.m. If anyone does not have a way to transport their horse, call Bill or Genline Porter at 874-3314 and they will make arrangements.

runners-up

As always when a team is competing against top notch competition, the efforts and results are very impressive. The spirit of competition was very strong and all results were very close. There were many surprises and many disappointments. The first two places in each event were very excited and at the same time six other finalists were very disappointed. The first two placed qualified to go to Austin for the State Meet on May 6-7, while the others go home to put up their track equipment.

Those that qualified realized the results of hard work, self-discipline to perfect the technique in their event and the willingness to listen to a coach trying in some way to help that athlete. No one realized the tremendous satisfaction of that work except that athlete herself. Finishing second in an event only means there are two more weeks of preparation in an attempt to try again to win the gold medal. All of the athletes that com-

peted hard, the chance and the success or failure that happened was on their shoulders in their lane of the race or the runway to the pit or the ring in which they threw--no one else. This is the great importance of track the feeling of facing the truth and handling the fact that an individual must handle the situation on their shoulders. They cannot go to their parents or someone else for help. It is in their hands. Clarendon girls were the

defending Regional Champions, it was obvious they were going to be a contender for repeating, with ten individual events and two relays qualifying to the meet. But, with only three members returning from the team that had even competed in the Regional Meet last year, Linda Weatheron, Susan Thompson and Paula Noble. It was going to be hard to win it again, especially since Hamlin had a team centered around one very outstanding girl.

The competition was great in the preliminaries and Friday's field events. Paula was in the shot and did not make the finals. Linda and Susan were in the triple jump. Both made the finals and scored points. Linda qualified for the State Meet by placing 2nd with a jump of 35'9". Susan was sixth

with a jump of 34'8".

In the 100 meter hurdles, Muzzy had the best qualifying time of 14.9 in winning her heat. Susan had a 16.1 while qualifying for the finals with the seventh best time.

In the 800 meter relay, Susan, Janet, Muzzy and Linda ran a 1:47.4 to qualify 5th into the finals.

In the 200 meter dash, Linda won her heat in 25.1 seconds for the second best qualifying time. In the 1600 meter relay, Susan, Connie, Muzzy and Linda won their heat in 4:12.5 for the second best time. It was a good day of qualifying and left a feeling of better things to come.

Saturday morning, Paula and Terri wanted to start us off on a good day by scoring in the discus. We knew it would be hard but they gave a good effort even though

they did not make the finals. Linda was entered in the long jump and had a good effort at 17'7" for fourth place behind the winning jump of 17'10".

The running finals began with the 3200 meter run as Annette was wanting to add to our points, it was a very good group of runners as she failed to place with a time of 14:28.4.

We were very excited about the hurdles as Susan and Muzzy were keyed up to go to Austin. Both got very good starts and were still in the race until the fifth hurdle as Muzzy pulled away and won in an outstanding time of 14.7 seconds. Susan lost her balance and never got back in the race as she finished 7th with a 15.83.

In the top race of the day, the 800 meter relay, our girls felt they were in contention but there was too much speed and we were simply out ran for a trip to Austin with out time of 1:46.0 for fifth place.

Linda was now ready for Hamlin's Mary Bolden, the three time state champion in the 200 meter dash. Both girls were out of the blocks even and Bolden pulled away during the last 75 yards to win 24.1 to 24.7, the closest that Linda has been to her.

With Linda and Muzzy already qualified to the State Meet, the 1600 meter relay wanted to go. With the second best time in the prelim, they were set to take on all comers. Susan led us off with a 65.01 second leg and then to Connie who ran the best she has ever ran 61.82 but we were still in third by about 35 yards, take over Linda, she held her place and began to make up ground until she was about ten yards behind Seagraves in second place as Linda came out of the curve on to the straightaway to the finish line. She reached deeper into her muscles and blew by the Seagraves girl and after the Panhandle anchor, but to late. Panhandle won by 2 yards and Linda had gotten the relay to Austin by running a 57.7 second leg on the mile relay to give as an overall time of 4:06.4.

English literature course at CJC

Clarendon College will be offering a special section of World Literature, English 263, beginning Monday, May 9. The class will meet Monday through Saturday from 8:00 to 12:00 noon for two weeks and will be completed Friday, May 20.

This survey course is a study of the masterpieces of literature of the western world, from the drama of the ancient Greeks through the poetry of the English Romantics. Since the course is on the sophomore level, two semesters of freshman English are the prerequisites. Registration will begin immediately. Because of the special nature of the course, no late registration will be permitted. Interested students should contact the Office of the Registrar or Terry Scoggin, Language Division Chairman.

Free vaccine May 12

Immunization Clinics offering vaccines that give protection against several childhood diseases are scheduled for May. Protection is against Polio, Diphtheria, Lock Jaw (Tetanus), Whooping Cough (Pertussis), Measles, Rubella, and Mumps.

There will be no charge. In Clarendon, the clinic will be held at the Community Action Office in the Old Court House, May 23 from 10 until 2.

### DEALING WITH DANDRUEF

Dandruff...a dry, scaly, condition of the scalp...affects everyone. Some individuals have more of the flaky stuff than do others. There is **no cure** for dandruff. The condition can usually be controlled, even with severe scaling. Many experts recommend one or more of the following:

\* Apply a medicated preparation to the scalp that dissolves skin flakes. Most of these contain salicylic acid and some contain sulfur.

\* Clean the hair and scalp often using simple, nonmedicated shampoo. Daily shampooing will control many cases of dandruff.

\* Use a medicated shampoo that reduces the rate at which new scalp cells are being formed. Medicated shampoos of this type usually contain selenium sulfide or zinc pyrithione

\* Break the scales into smaller particles that are less visible. Special detergents and coal tar are in some products for this purpose.

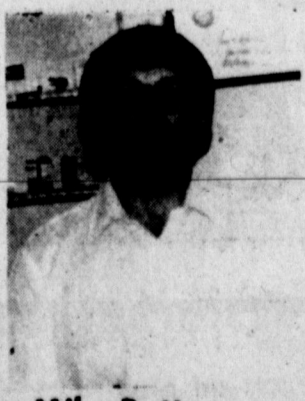

Most dandruff treatment products are available without prescription. As one deals with dandruff, it is frequently observed that some products are better than others.

## Helm's Welding & Machine shop

Larry Helms is now owner and operator of the welding and machine shop in Lelia Lake. The business was started by E.W. Chenault some 58 years ago. The site of the old building was formerly a lumber company owned by Gallbraith and Foxworth. E.W.'s son, Ellis "Slim" Chenault continued the business after his father. Larry remembers watching Slim use the old forge which is still there.

hours. He looks forward to serving the communities in this area and to their support.

When Slim retired he sold the business to Cecil McAfee. While Cecil was there he built the new shop building and added more equipment. Cecil now teaches his trade in Amarillo schools.

Larry and his wife Lura were raised in Donley County. They have two children, Karen age 14 and Christie age 9. Larry is a member of the Hedley Lions Club and is a school board member. Larry and his family are members of the Church of Christ in Hedley. Lura is employed as manager of the Donley County Abstract Co.

Larry has a well equipped machine shop and can handle a wide range of jobs. The shop is open Monday through Friday from 8:00 a.m. until 6:00 p.m. and Saturday 8:00 a.m. until noon. Larry is also available for jobs needing to done after

## Tri-District 4-H Range contest

The Tri-District 4-H range evaluation and grass identification contests will be held at Clarendon, Thursday, April 28, according to County Extension Agent Ronald Gooch. Donley County 4-H will enter a junior grass identification

team composed of Juston Ham, Shane Hall, Nugget Bland, and Chris O'Neal. The contest will be held at Clarendon College starting at 9:30 a.m. The awards will be given in the auditorium at 2:00 p.m.

We started with a warm up exercise outdoors since the weather was nice, then we came inside to finish our exercise. While Vera Lee worked with two students at a time on major problems on the mats, Bob was teaching us recall, finish, recall on the move, and down. Bob reminded us that a dog learns by repetition and association. The reward for the dog for a job well done is always praise.

Our final exam and graduation will be in three weeks. Everyone work hard and PRACTICE, PRACTICE, PRACTICE!

Our next class meeting will be Wednesday, April 27, from 6-7 p.m. in the community center. We welcome visitors.

## Whaley on new budget

State Rep. Foster Whaley, D-Pampa has been appointed as Chairman for Budget and Oversight of the House Committee on County Affairs.

Rep. Whaley, who is serving his third term in the House, was also named Lewis as a member of the House committee on Appropriations for the current session.

Chairmen for Budget and Oversight automatically become members of the House Appropriations Committee as a result of new rules adopted at the opening of this session.

"This session of the Legislature it was decided to expand the membership of the Appropriations Committee to include the Chairmen for Budget and Oversight from each of the 27 House committee dealing directly with appropriate matters for specific state agencies and commissions," Lewis said in announcing Rep. Whaley's appointment.

"I have every confidence in the fine work he will do, not only as a Chairman for Budget and Oversight but also, as a member of the Appropriations Committee," Lewis concluded.

## White signs Wildlife Act

Gov. Mark White signed into law the Texas Wildlife Conservation Act of 1983 this month which will enhance the stability of the state's wildlife populations and expand outdoor opportunities for sportsmen and outdoor enthusiasts.

The act gives the Texas Parks and Wildlife Department statewide authority for wildlife management and eliminates locally specialized wildlife laws previously in effect in 116 counties Texas counties. The bill was sponsored by Rep. Fred Agnich, R-Dallas, and Sen. Ted Lyon, D-Rockwall.

Ed Cox, Vice Chairman of the TP&W Commission expressed the appreciation of the tens of thousands of sportsmen and conservationists who supported the efforts of Texans for Wildlife Conservation. The group, whose members include the more than 800 sportsmen's clubs in Texas, was formed to promote passage of the Wildlife Conservation Act.

"The Texas Wildlife Conservation Act will at last enable the Parks and Wildlife Conservation Act will at

"The Texas Wildlife Conservation Act will at last enable the Parks and Wildlife Department to manage our wildlife resources on a scientific basis statewide," Cox said.

"It is the most far reaching wildlife conservation legislation ever passed in the state," he added.

Cox explained that prior to enactment of the new law, locally specialized law was in effect in 13 counties. Some of these laws were first passed in 1925 and were not responsive to today's wildlife management needs. In 30 other counties, commissioners courts had authority to veto wildlife regulations developed by the Texas Parks and Wildlife Department. In 73 other counties, Cox said, the Parks and Wildlife Department had only partial authority to manage wildlife.

"The Wildlife Conservation Act puts wildlife management in the hands of professionals and eliminates the outdated laws that regulated wildlife in large parts of our state," Cox said. "The act will extend to every county the extraordinary success record of the Parks and Wildlife Department."

This measure will now ensure that the best needs of the wildlife will be met rather than the political desires in an area. Wildlife can now be safely regulated and controlled according to the guidelines established from research and field study conducted by biologists in the TPWD.

The sport of skating is at least 1,000 years old.

## 1926 Book Club met

On April 19, 1983, the 1926 Book Club convened at 4:00 p.m. in the Patching Clubhouse. Hostesses for the occasion were Oressa Delaney and Dorothy White. Mrs. White was unable to attend and Hazel Brandon, Jessie Adams, and Betty Veach assisted with the serving of frosted cakes and finger foods.

Betty Veach, president, welcomed two guests, Margaret Smith and Glenda Hawkins, and announced the yearbook pages were near completion.

Hazel Brandon reported that citizenship pins had been ordered and that Pauline Heath was convelescing at home. Brandon then

Mr. and Mrs. J.D. Wooten went to Amarillo Saturday to be with their neice while her husband had surgery.

Last Tuesday, Mr. and Mrs. J.D. Wooten, Mr. and Mrs. Bill Bennett, Fred Butler, and Bud Butler attended their aunt's funeral in Abilene.

Mr. and Mrs. Earl Shields and Derek spent the weekend in Seagraves visiting their daughter Rosilyn, Daylon, and Kensey Sellers. While there, they helped Kensey celebrate her birth day.

Andrew and Avos Henderson spent an enjoyable weekend. Their daughter-in-law, Sharon and grandson, Andy and Clay from San Antonio spent the weekend with them.

introduced the guest speaker for the afternoon, Margaret Smith.

Mrs. Smith is a well known area artist. She has been painting since 1964. She says that an artist must put something of himself in a painting. She conducted a clever contest in which she showed paintings by several artists and asked questions about the artists' backgrounds. This information was to come from viewing the picture. Out of a possible 28 points, Mary Hazel VanZandt scored 20. Her reward was a lovely painting of blue quail done by Mrs. Smith.

Those privileged to hear this excellent program were Jesse Adams, Hazel Brandon Rachael Butler, Dessa Day, Oressa Delaney, Carolyn Hamilton, Mary Beth Nelson Helen Phelps, Lockie Pitts, Mary Thornberry, Frieda Tucker, Mary Hazel VanZandt, Betty Veach, Viola Bones, and Glenda Hawkins.

The final meeting of the year will be the President's Dinner to be held at the Clubhouse the evening of May 3. Bring a covered dish and come help make this a festive affair.

## Buckle up today

Seat belt use encouraged.. what are the chances that you will be involved in an auto accident this year? One in a hundred? One in fifty? Both answers are too optimistic. Statistics show that one of every five American drivers is involved in an automobile accident each year. It's the day to day driving that increased the risk. Three out of every four automobile accidents that result in death occur within 25 miles of home.

## Lake Meredith Aquatic & Wildlife Museum worth a trip

Dioramas are three dimensional scenes with either a replica of an animal or artifact or the animal mount in the realistic scene. The Lake Meredith Aquatic and Wildlife Museum boasts six large realistic dioramas, each depicting animals in their natural habitat. There are wild turkey, eagle, antelope, bobcat, coyote and raccoon mounts in the dioramas.

Featured in the giant aquariums are native fish of Lake Meredith. The catfish diorama is so realistic you look for air bubbles. The attractive aquariums contain a total of 11,000 gallons of water. Fish are obtained through the courtesy of the Texas Parks and Wildlife Department.

Original art by prominent Panhandle artists are featured monthly at the museum.

Guided tours of the muse-

um are offered for groups, schools, church or other organizations. To assure a good guided tour and special handling, call 857-2458 for a wonderful experience.

In addition to the great museum and aquarium, Alibates Flint Quarries National Monument is just a few miles away. This area can be seen only by guided tours. They are free and conducted daily from Memorial Day through Labor Day. Tours can be arranged upon request, however, by writing Lake Meredith Recreation Area, POB 1438, Fritch 79036 at least five days in advance.

The most fascinating part of the tour is to watch the guide create an arrow point or spear point out of the flint using rawhide or another piece of flint, just as the Indians once fashioned their tools and weapons.

We welcome you all to attend.

# JESUS CHRIST SUPERSTAR

"Jesus Christ Superstar" is a modern opera which gives an account of God's son coming to earth to bring salvation to man. In this theatrical masterpiece, significant events of the last week of Christ's life are told in the musical style of our times. The same human frailties that existed 2000 years ago are still with us, and the message of God's love is as real today as it was in Biblical times.

The music from SUPERSTAR was first recorded in 1970 and it was an immediate hit. It sold over 30,000 copies by December 1971. While some churches found the style and method of presentation shocking, many enthusiastically endorsed it. Though some objected to using the designation of SUPERSTAR

to identify Christ, Billy Graham said that "Jesus Christ really was a Super Star."

The musical brought the idea of Christ to young people who otherwise might never have stopped to think about Him. The deep South has accepted SUPERSTAR more than any other area because the Bible has a strong influence in the life style of Southerners.

In SUPERSTAR, each figure has his say. The production depicts Christ's celestial radiance, Judas' torment, Magdelene's selflessness, the Apostle's timidity and frailties, the High Priests' jealousy and lust for power, Pilate's confusion, Herod's gluttony, Simon's superficiality, and most terrifying of all, it brings out the hypocrisy of the masses.

The Lone Star Ballet will present SUPERSTAR as the final offering of its 1982-83 Season of Dance. Performances will take place Friday April 29 at 8 pm, Saturday, April 30 at 8 pm and Sunday, May 1 at 8 pm in the Amarillo Civic Center. Tickets are \$12, \$8 and \$6 with a \$1 discount for children under 12 and senior citizens over 65.

## Newhouse life member in Texas Leaders Round Table

Bright Newhouse has qualified as a Life Member in the Texas Leaders Round Table, an elite organization composed of the life insurance industry's most successful underwriters in Texas, reached a total of 738 for the year 1983. This total reflects more than a 10% increase over last year, and is the highest membership since 1979.

Thomas E. Nevotti, CLU, of Houston, President of TLRT, revealed the membership list this year includes 122 new members, 16 new 20-year members, 248 renewal members, and 368 life members. Agents listed represent 94 life insurance companies.

More than half the membership, 391, achieved the coveted Lone Star Leader designation. To receive this honor, a member must have produced \$35,000.00 in first year business, almost double the requirement for general membership.

KIMBERLY WHITE

TLRT is an honor organization affiliated with the Texas Association of Life Underwriters, and its members represent the top 10 percent of Texas' successful life insurance producers. Men and women who qualify have supported the highest ethical standards of character and performance in the life insurance profession.

Membership in TLRT is a coveted career milestone for life insurance underwriters who maintain impressive production records and provide important financial services to families and businesses, as well as outstanding contributions to their community.

## Hedley News

The American Agriculture program started in Hedley turned out to be a big success. This was the second that cheese and butter had been handed out. We were able to reach more needy people this last time. Many thanks go to Bruno Schwertner and Mr. and Mrs. V.T. McPherson for their time and hard work to go get it. Mr. Schwertner goes to Lubbock to pick up the cheese and butter and Mr. and Mrs. V.T. McPherson go to Sunray. We would like to see this program to continue and many thanks for the donation and the volunteers that helped with unloading, handing out and taking names were Mrs. Dottie Bogue, Mrs. Nora Hopper and Mrs. Darlene Ball. The distribution point was the Country Store.

There are many ways in which to use cheese, like in a good dip, using Picante sauce, Pimientos, milk and cheese. A good casserole using

Nachips, chili and cheese and served with a sharp salad is mighty tasty.

A surprise birthday party will be given in honor of Eva Hansard by her children. All of her friends are welcome on the 5-7-83 at the Hedley Lions Club Hall, 6:00 p.m.-8:00 p.m. Everyone is welcome. Ya'll come.

Othel Bolin's daughter is Jenny Bible, is in the hospital in Albuquerque, N.M.

Myrtle Reeves has been in the hospital and is now home recovering.

Mr. L.D. Ball is in the Veterans Hospital in Amarillo.

The Ross Springer family wants to thank everyone for being so thoughtful during Ross's recovery and sending cards, call and the good food.

# April 15th?

## Let's clear the confusion about IRA's.

April 15th was not the absolute deadline for making an individual retirement account act as a 1982 tax shelter. For those who have extensions on filing income tax returns, an IRA opened at any time during the extended period can act as a 1982 tax shelter. Again, the facts are simple. Wage earners may put up to 2,000.00 a year into an IRA. Those with a non-working spouse may put as much as 2,250.00 a year into it. And if both husband and wife are employed, they may put up to 4,000.00 a year into an IRA.

So if you have an extension you can still make an IRA work for 1982.

## J-V Track at District meet

The Clarendon Broncho J.V. Boys track team traveled to Panhandle on Tuesday April 19th to compete in the District 2-AA Meet. The Bronchos did very well by finishing third in the meet with 79 points. This was a very good effort for the seven young men who comprised the J.V. team. The young men have worked diligently throughout the season and have shown much improvement. They will continue with this fine attitude in years to come and will be an asset to future Varsity Broncho Track teams.

Results, times and distances of the District Meet are as follows:

**SHOT PUT**-Donald Brogdon, 35'1/4", 3rd place; Dan Nichols, 33'8", 4th place

**DISCUS**-Dan Nichols, 99'3/4", 2nd place; Donald Brogdon, 88'6/8", 3rd place

## CJC ex-students reunion success

Clarendon College Ex-Students, and particularly the Board of Directors of the Association, are grateful to all the people who worked so hard to make so successful the 45th annual reunion held April 23 and 24. To name a few, the College Administrative Staff for their help and guidance, the ladies in the cafeteria who prepared and served two scrumptious meals, Mrs. Bromley for the lovely tea, the Art Department for the exhibit of paintings and pottery, Mrs. Beryl Clinton for the dinner music,

and Mr. and Mrs. John Sarich for the beautiful red tulips for the table decorations. And special thanks to ex-student, Dr. H.D. Yarbrough, President of Amarillo College for filling in on a short notice as a most enjoyable speaker.

It was determined that those who traveled the furthest were Fannie McGowan, a Daughtery from Cula Vista, California, and Ross and Edna Mae LaFon Beville from Bethesda, Maryland.

Four members of the 1923 class registered, Dr. P.W. Walker, R.E. Drennan, McHenry Lane and "Rusty" Clark. Marjorie Harlan Boston and Lucille Andis Kuhn represented the 1933 class.

## Pathfinder Club

The Pathfinder Club members and their guests met at the lovely home of Mrs. Bascom Timmons on Friday, April 22, 1983, at three in the afternoon for the club's annual Anniversary Tea. This special occasion is held to mark the club's organization in 1911.

Those attending were greeted at the door by Mrs. Timmons. They registered at a table decorated with an arrangement of spring flowers. Lovely baskets and bowls of flowers were throughout the rooms.

Everyone enjoyed seeing the many interesting and lovely articles collected by Ella Gene in her travels around the world. Her collection of spoons drew special attention and admiration.

Guests were served in the dining room. The table centerpiece was a large arrangement of gold and bronze caryanths and brass candlesticks with matching candles. Mrs. Horace Green, Pathfinder Club President, served coffee and tea from an unusual and fascinating brass and copper service. Mrs. Goodwin Bray served squares of delicious dessert call "The Cherry Thing". The Social Committee hosted the afternoon tea. Members of the

committee are Mrs. Bray, Mrs. C.J. Van Zandt, Mrs. Timmons, and Mrs. Clarence Hamilton.

Members and guests attending were: Miss Mabel Mongole, Miss Helen Green, Mrs. Fred Carter, Mrs. W.J. Thornberry, Mrs. Raleigh Adams, Mrs. Earl Alderson, Mrs. Royce Williams, Mrs. Heckle Stark, Mrs. Joe Robinson, Mrs. Luther Butler, Mrs. Joe Wells, Mrs. L.N. Cox, of Hereford, Mrs. Dorothy Hall, Mrs. Rolle Brunley, Mrs. Tommie Saye Mrs. Horace Green, and Mrs. Charlie Bairfield.

America's newspapers were winners when it came to advertising last year. Newspaper advertising revenues led all major media, and totaled more than those of television and radio combined.

## Bronco's place 2nd in District

The Clarendon Broncho Varsity Boys Track Team traveled to Panhandle on Tuesday April 19th to compete in the District 2-AA Track Meet. The Bronchos placed second in the meet to Panhandle by scoring 115 points. Although the Bronchos failed to repeat as district champions they proved why they are champions in the heart of their coaches and fans by competing to the maximum of their abilities. In many ways this year's team is superior to the teams of the past two seasons which both won district championships. Times and distances which on a normal year would have produced first place points this year produced lower finishes because of the overall strength of the district competition. The entire team is to be commended for an outstanding season as each and every member of the team has spent countless hours of hard work so that they could represent our school and community in the best way that they knew. The total effort of all of the team was again important as the Bronchos outscored Quanah by 3 points to finish second in the meet. The Bronchos had to finish ahead of Quanah in the final even of the day, the 1600 meter relay, to secure second place. In finishing second in the event to Quanah's 3rd, the Broncho relay team ran an outstanding time of 3:29.68, almost six full seconds better than their seasonal best. This was only one of many outstanding performances during the day by the maroon and white tracksters. This meet was a fine culmination of a fine regular track season for the Bronchos. However the season continued for the seven young men who finished either first or second in

their events as these young men qualified for the regional meet to be held in Lubbock on may 6th and 7th. The Broncho coaches wish to say thank you to these fine young men for their character, work attitude, and competitive spirit. You are a tribute to your schools, community and families and you will always be remembered as champions by us.

Results of the District Meet are as follows:

**SHOT PUT**-52'4/4", 2nd place (Reg. qual.)

**DISCUS**-Brad McGuire, 151'4/4", 1st place (Reg qual); Arlis Thomas, 137'6/8", 4th place

**HIGH JUMP**-Brett Harbert, 5'4", 4th place

**LONG JUMP**-Rodney Smith, 18'8/4", 6th place

**3200 METER RUN**-Bryan Smith, 11:32.39, 2nd place (Reg qual); Stan Garland, 12:12.43, 3rd place; Brett Harbert, 12:23.39, 4th place

**800 METER DASH**-Dyron Howell, 2:09.8, 4th place

**110 METER HURDLES**-Dean Cearley, 15.77, 2nd place (Reg qual); Robert Youngblood, 16.66, 5th place

**400 METER DASH**-David Weather-ton, 49.72, 1st place (reg qual); Glenn Weather-ton, 51.69, 3rd place

**300 METER INT HURDLES**-Robert Youngblood, 42.88, 4th place; Dean Cearley, 45.60, 5th place

**200 METER DASH**-Rodney Smith, 23.01, 3rd place

**1600 METER RUN**-Bryan Smith, 5:15.04, 3rd place

**1600 METER RELAY**-Rodney Smith, Glenn Weather-ton, Dyron Howell, David Weather-ton, 3:29.68, 2nd place (Reg qual)

Others who participated but did not place were Stanley Gardner, Rod Keown, Brett White, Russell Alexander, Mark Luttrell, Joey Stefanatos, and Doug Walker.

## Alcohol related deaths 55%

Department of Transportation officials in Washington announced that alcohol is a factor in 55 percent of all highway accident fatalities, based upon the one-year period covered by a recent study.

Of the total alcohol-related highway deaths, 60 percent died driving or riding in cars, light trucks or vans. Motorcycle fatalities accounted for another 10 percent. The analysis further showed that 60 percent of those killed while riding a motorcycle had been drinking.

Alcohol was involved in up to 25 percent of all injury-producing accidents and in

eight percent of all property-damage-only accidents. The National Highway Traffic Safety Administration report also indicates that 40 percent of the adult pedestrians fatally injured were legally intoxicated.

The Safety Administration concluded that:

--Between 24,000 and 27,500 persons killed each year in auto accidents had consumed alcohol.

--An additional 700,000 persons injured each year in auto accidents had consumed alcohol.

--Alcohol is involved in more than 2 million motor vehicle accidents each year.

## VA checks

Persons who receive monthly benefits checks from the Veterans Administration may take advantage of a simple procedure at the Waco VA Regional Office to change their addresses.

Use the telephone, advises the director.

Veterans benefits counselors will take action immediately to change beneficiary addresses -- if the person to whom the check is payable makes the call and has his or

her VA claim number, Social Security number or other identification available. Further, the counselor may ask other questions to verify the caller's identity before making the address change.

To make changes of address, telephone the Waco VA Regional Office toll-free number listed in your local telephone directory under "Veterans Administration" or U.S. Government". A VA counselor will respond.

## May High Blood Pressure awareness month

Rita Anderson, RN and public health nurse from Memphis will be in Clarendon May 5th from 10 a.m. until 2 p.m. taking blood pressure on ANYONE and EVERYONE free of charge at the First Bank and Trust to help kick off the High Blood Pressure Awareness Month. Anderson checks the blood pressure at the Senior Citizens Center on a regular basis, but it is a good idea to check everyone's blood pressure. The blood pressure check at the Senior Citizen is for everyone, but folks assume it is just for senior citizens. Now, May 5 you can get a free blood pressure check at the bank. Everyone has blood pressure. It is the force of the blood against the walls of the

arteries. This force is generated by the heart as it pumps blood to all parts of the body. In some people, blood pressure is nearly always higher than it should be because their arteries clamp down or shut off making it harder for the blood to pass through. This makes their blood pressure rise. High blood pressure adds to the workload of the heart and arteries. The heart must pump with more force and the arteries must carry blood that is moving under greater pressure. If high blood pressure continues for a long time, the heart and the arteries may not function as well as they should and other body organs may also be affected. There is increased

risk of stroke, heart failure, kidney failure and heart attack. Most people with high blood pressure have NO SYMPTOMS AT ALL! There are no specific warnings. Although persistent headaches, dizziness, fatigue, tension and shortness of breath sometimes with high blood pressure, they are also common in many people and result from a variety of causes. The only way to find out whether you have high blood pressure is to have your blood pressure checked. You must go to your doctor or the nearest health center or the Senior Citizens Center on the Mondays they offer free checks, to have your blood pressure checked. If a person has high blood pressure, he can be helped if

he has his blood pressure checked periodically and stays under medical treatment. There are many medications which can be used to reduce and control blood pressure, and a medical program can be found that is suited to individual needs. In addition, low-fat and low-salt diets are often prescribed. And changes in living habits, including a rest and recreation, are sometimes recommended, depending upon the person's condition. The treatment plan is easier to follow than most people think. By following instructions, the patient has hope. He knows he is doing something to prolong his life and to reduce the risk of stroke, heart attack, kidney failure and heart failure. Don't forget Thursday, May 5 from 10 until 2 to get your free blood pressure check.

In medium mixing bowl, combine chicken, celery, nuts, onion, salt, tarragon, orange juice and mayonnaise mix well. Cover and refrigerate 1 hour. Stir in orange sections, spoon mix into 2 small casseroles. Sprinkle with bread crumbs and cheese. Bake in 350 oven for 20-25 minutes or until mix is hot through and cheese slightly browned.

## The Lions Tale

By GENE ALDERSON

The Clarendon Lions Club held its regular meeting at noon on Tuesday at the Lions Hall. There were 25 members, Lion Sweetheart Jessie Adams, and 1 guest present. Following the regular opening ceremony, Boss Lion Bivens announced that the club had applied for a bingo license. Our first bingo night is tentatively set for May 21st, if our license is received by then. The Boss Lion then read a proposed list of officers and director for the 83-84 year. Voting on this list will take place next week. Our program was introduced by Lion Chambliss. It was brought by Karen Burgess who is the Home Economist for West Texas Utilities Co. It consisted of a slide presentation entitled "Where does your energy go?" It was very informative. Meeting adjourned.

### Stamp collecting fun

"Get Carried Away with Philately" is the theme of a new United States Postal Service Spring Promotion, to run from April 18 through May 14, 1983. Postmaster Bob McCombs, of Clarendon said today. "The Spring Promotion will feature a much wider range of 'packaged' philatelic products." Postmaster McCombs continued, "including ten new, inexpensive collecting kits at \$2.00 to \$3.00 each, three products for more advanced beginning collectors, and several new mint sets. Two additional products as of April 1 are the 1983 U.S. Collecting Kit and

the 1982 Definitive Mint Set. All make ideal starter kits for new collectors. "The Spring Promotion will also include unusual post office lobby displays especially designed to attract newcomers to the hobby of stamp collecting," said Postmaster McCombs. "There are currently 22 million Americans involved in stamp collecting--it's a hobby that usually begins in childhood and continues its fascination throughout a person's lifetime. It encompasses every sphere of geography, biography, history and science. No wonder people 'Get Carried Away with Philately' so easily, and obtain such lifelong satisfaction from the hobby."

## Shrine Club sponsors blood drive

Clarendon's Al Morrah Shrine Club will sponsor a special blood drive Thursday May 5 from 2 p.m. until 6 p.m. at the Masonic Lodge. The blood is to be collected for the Coffee Memorial Blood Center in Amarillo. When the nurses from the center collect your pint, you will receive much more than you give. For example, there will be either coke or orange juice on hand to help build you back up after the removal of your blood. Then, you will be given a free ticket for the three-wheeler given away during the July celebrations AND Bascom Timmons will donate one full hour of pool playing to each blood donor at his Family Recreation Center. Don't be shy, come on down. If you have ever had hepatitis, you will not be eligible to donate blood.

### My Get Up - Has Went Dedicated to I.G.

How Do I know that my youth is all spent?  
Well, my get up and go has got up and went.  
But in spite of it all, I'm able to grin  
When I think of the places my get up has been.

Old age is golden, so I've heard it said,  
But sometimes I wonder as I hop into bed  
With my ears in a drawer, my teeth in a cup,  
And my eyes on a table till I wake up.

Ere sleep dims my eyes I say to myself,  
"Is there anything else I can lay on the shelf?"  
And I'm happy to say as I close the door,  
My friends are the same, perhaps even more.

When I was a young thing, my slippers were red,  
I could kick up my heels as high as my head,  
And when I was older my slippers were blue,  
But I could still dance the whole night through.  
Now I'm still older my slippers are black,  
I walk to the store and puff my way back.

The reason I know my youth is all spent;  
My get up and go has got up and went,  
But really I don't mind when I think with a grin,  
Of all the grand places my get up has been.  
Since I have retired from lites competition  
I busy myself with complete repetition,  
I get up each morning and dust off my wits,  
Pick up the paper and read the "obits".  
If my name is still missing I know I'm not dead,  
So I eat a good breakfast and go back to bed.

## Fish Tales

By KATIE DVORAK

The nursery pond has had new inhabitants lately. The Texas Parks & Wildlife Inland Fisheries Dept. stocked the nursery pond with yellow perch 6 weeks ago. The fish have spawned now and the eggs should be hatching out in ten days. The Fisheries biologists will trap and move the adult perch into the lake to protect the "nests" and little perch from their parents. "We have to keep the ducks off, too," Mooring lamented, "They sure like to eat those eggs and the eggs are just on top of those cat tail leaves on top of the water." What is needed to have a trophy fish? Several factors affect size, including age of fish, breeding genetics, and food available to largemouth bass. The concept of "put the small ones back" and they grow up to big ones does not always work. Neither does throwing the big ones back. The answer

seems to be somewhere in the middle of a group of fish 12-18 inches, protected to grow. This allows these fish to grow older and large in size, while at the same time taking part of the quota from the smaller than 12" fish. This provides more food for the potential fish in the group as well. Food is critical if a bass is to grow. Age alone will not make him a trophy. Forage must be present in sufficient numbers and the right sizes to make the bass grow. The third factor is breeding. Bass grow 8-10 lbs when they are old enough and have thright food. If bigger bass are desired, the answer is probably the Northern Florida cross "super bass" such as we have stocked in our Greenbelt Lake and that do so well in warmer waters. Genetics can produce bigger fish, but food and age remain important factors.

Beef lovers on a diet do not have to give up their favorite food to lose those extra pounds. Leaner cuts of beef have the same amount of nutrients and proteins without the high calories. **FIESTA STEAK**  
1 beef round steak 1/2" thick  
3 TBS flour  
1 1/2 tsp salt  
1/8 tsp pepper  
3 TBS lard or drippings  
2 beef bouillon cubes  
1/2 C hot water  
3 med. onions, quartered  
1 lg green bell pepper cut in 1" squares  
3 med tomatoes, cut in 1" wedges  
Cut round steak into 6 servings. Combine flour, salt and pepper. Dredge meat in seasoned flour, pound to 1/4" thick, brown dripping. Pour off fat. Dissolve bouillon in hot water.

## Help a Shriner help a child

For their July 4th fund raising project the Al Morrah Shrine Club will be taking donations on a 3-wheel motor bike. It is a Kawasaki KLT 200 electric start with a retail value of \$1895.00. Your donation of \$1.00 per ticket or a book of 12 for \$10.00 can be purchased from any Al Morrah Shrine Club member. This is a fund raising project for the Crippled Children and Burns Institute Hospitals maintained by the Shrine Clubs. The only expense taken out of the money raised this year will be the cost of the motor bike as the tickets were donated again this year. None of the money raised will stay with the local club, 100% above the cost of the bike will go to the hospitals to help eliminate the suffering and pain of burned or crippled children.

**It's TEXAS Forever**

Texas Parks and Wildlife officials remind drama enthusiasts that now is the time to make plans for attending outstanding outdoor productions in two state parks this spring and summer.

The late Paul Green created "The Lone Star" which is featured beginning May 27 at the Mary Moody Northern Amphitheater at Galveston Island State Park and "Texas" which debuts on June 15 at Palo Duro Canyon State Park.

"The Lone Star" is a historical tale of the early days of Texas on Galveston Island, and this will be the sixth year for the popular musical. The play will alternate nights with Irving Berlin's "Annie Get Your Gun." The resident company of 80 actors, singers and dancers is chosen from about 1,200 who audition each year.

For reservations and other information, contact the "Lone Star", POB 5253, Galveston, TX 77551 or call (409) 737-3442.

"Texas", an official play of the State of Texas, is produced by the Texas Panhandle Heritage Society in cooperation with West Texas State University at a spectacular canyon amphitheater in Palo Duro Canyon State Park near Canyon. Beginning it's 18th season, "Texas" brings the state's Panhandle region's frontier days history to life in a stirring musical extravaganza nightly Monday through Saturday at 8:00 p.m. through August 20.

The cast of over 80 singers dancers and actors is drawn from local talent. Many earn college credits from WTSU for their participation. There are many who work in the parking lot, ticket, reservation areas or in hospitality. This is a great opportunity for a summer of fun, education, and dance.

For reservations and other information, write the "Texas" POB 268 Canyon, 79015 or call (806) 655-2181 before 6 pm or 488-2220 after 6 p.m.

The world's largest gem is in the American Museum of Natural History in New York City. The gem is a topaz of 1.38 million carats.

Sciences Student Council, recognized students who have distinguished themselves and the university during the past year.

Lindley has been president of the campus entomology club and has served as an Agri-Recruiter. He is also a member of Alpha Zeta, an agricultural honorary.

Approximately 180 persons attended the Ag Honors Banquet April 8.
