DOROTHY BRADDOCK, gold medal winner.

Clarendon has State Champ!

Dorothy Braddock, Sr. student at Clarendon High School and 18 year old daughter of Mr. and Mrs. Wesley Braddock is the 1983 State Champion in Editorial Writing for Class 2AA in the state of Texas.

Winning this makes Dorothy eligible to receive several scholarships and her editorial will be published and sent to every high school in the state of Texas. Dorothy is the first student from C.H.S. to receive the coveted gold medal in a state literary event. Dorothy should be commended for this top honor and praised for the hard work she put forth all year in this journalism event.

Dorothy is coached by Kay Hayes. Other students from Clarendon High School who competed in the State Literary Meet in Austin this past weekend were Krystal Hayworth who competed in the Journalism event Feature Writing, Dalyn Croslin who competed in the Journalism event Headline Writing and Dyron Howell who competed in the Speech event Persuasive Speaking. Dalyn placed 5th in the state in Headline Writing while Dyron was one of the six finalists in Persuasive Speaking.

The journalism students are coached by Kay Hayes and speech students by Mrs. Fuzz Mooring. These two C.H.S. faculty members were also sponsors on the trip to Austin. These Clarendon students should be a source of pride to Clarendon because they represented our town admirably.

When one considers the size of the state of Texas and Texas' reputation nationwide for its literary academics one can realize that just getting to the state competition is a great achievement, much less placing in the top six and a real outstanding achievement is to be state champion. We are all very proud of these fine students and know that they have gained so much from attending this state meet and it has been a learning experience for all involved. Just some memories for those who made the trip:

Who is K.H. certainly not Kay Hayes: maybe Kay "Hitler"?

30 mph, on the freeway in Austin during rush hour just won't get it.

Dyron "Stargazer" Howell just where is the Sledgefalls Motel and what strange animal lives in a blue Toyota with a steel camper? Could it be the Tasmanian Devil?

Dalyn Croslin, do you always have such strange bed company?

Doug Walker, who was in room 368? Oh, and by the way, how is Bill?

Krystal Hayworth, do you remember, "California Berkeley", will you ever forget?

Dorothy Braddock, I am so glad you got the chance to carry in the speech files. Without that opportunity where would all those brains that you used to win editorials, still be stored?

Fuzz Mooring, She won't forget "Cal Berkeley" either, or the Tasmanian Devil or Vampira or 5:00 p.m. traffic on the Austin Expressway; ever...

We all will never forget... What was the license plate number?

Attention Master Masons

Master Masons are reminded of the Area Conference in Amarillo at the Khiva Temple, Sat., May 7th at 11:30 a.m.

The Grand Master of Texas Masons will attend the meeting and distribute the Grand Master's coins for 1983.

All Lodge Officers are urged to attend this meeting so that the Lodge can qualify for the award. This will be an educational experience as well.

County Finances Discussed

An April 27, 1983, the County Judge, W.R. Christal called the Commissioners J.R. Graham, Pect. 1, C.W. Cornell, Pect. 2, Buford Holland, Pect. 3 and William Chamberlain, Pect. 4 also Mrs. Wanda Smith, Tax Assessor-Collector, Mrs. Freida Gray, county Treasurer, and P.C. Messer, County Clerk, together in a called session of Commissioners Court to discuss the financial condition of Donley county, and as in most agricultural, ranching and non-industrial counties, the results were not very pleasant.

It appears from the income of the County and the expenses, thus far, the County will be out of funds about June or July. The county fiscal year ends September 30, 1983. The Court suggested the use of all revenue sharing funds in the amount of approximately \$54,000 which will operate the County about one month with the fees of office that are received. If this money is used here, it will delay work on the courthouse.

With the revised property tax code the county has lost tax on cattle and farm machinery as well as some other areas in an amount of approximately \$20,647,932 which produces about \$47,850.31 taxes for operating purposes. Due to the raise in utilities, telephone

and repairs our present budget will not suffice.

The County has for the last several years operated in a most economical manner with no excessive expenditures, of which we are very grateful and we are proud of each employee and the job they are doing.

Donley County tax rate is 23.18 cents on the \$100.00 valuation and it appears a tax raise would be more feasible than a cut in services. This tax rate is one of the lowest in the State for an agricultural, ranching and County without industry, or oil and gas production. Therefore the question to the taxpayers whether to cut County services or to raise taxes. Let's get behind the County and keep it in the black.

Extrication School

Clarendon Volunteer Firemen and Emergency Medical Service personnel are reminded that the extrication school will begin on Thursday, May 5.

It will run from 6 to 10 p.m. on May 5, May 10, May 12, and May 17 at the Clarendon Fire Station. Instructing the class will be Deputy Chief Joe Rice of the Canyon Fire Dept. who is also a Paramedic. He is well known as one of the foremost experts on rescue in this area and had trained most of the rescue squads in the Panhandle.

Firemen will receive credit toward their state volunteer firefighters certification. Additionally, all Paramedics, EMTs, and ECAs on the fire department and EMS will receive continuing education hours for attending this class. Everyone should make every possible effort to attend this course. It will be offered free to firemen and EMS personnel. Due to the complexity of this class, it probably will not be offered again here in Clarendon for some time so everyone is encouraged to attend.

Private Applicators Metting

A private applicators certification meeting will be held at 9:00 a.m. on Thursday, May 5, 1983, in the Ranch Operations classroom located in Vaughn Hall at Clarendon College according to County Extension Agent Ronald Gooch. The producers attending will have an opportunity to complete a request for Private Applicators Certification which will be forwarded to the Texas Department of Agriculture for issuance of certification.

A private applicator can use or supervise the use of any pesticide that is classified for restricted use for producing any agricultural commodity or property owned or rented by him or his employer.

For more information, contact County Agent Ronald Gooch at 874-2141.

Educational programs conducted by the Texas Agricultural Extension Service serve people of all ages regardless of socio-economic level, race, color, sex, religion or national origin.

Shrine Club blood drive

Clarendon's Al Morrah Shrine Club will sponsor a special blood drive Thursday May 5 from 2 p.m. until 6 p.m. at the Masonic Lodge. The blood is to be collected for the Coffee Memorial Blood Center in Amarillo.

KEN DORRIS receives Clyde Wilson Award from Ted Allen and Mrs. Faust.

All Sports Banquet

Tuesday, April 26, the Annual All Sports Banquet was held in the cafeteria presented by the Broncho Mothers to honor Clarendon High School athletes, cheerleaders, and managers.

An interesting program was presented and a meal enjoyed by a full house and the entire staff of coaches and their team members.

The highlight of the evening went to Ken Dorris who received the Clyde Wilson Award. Dorris was named to

the All District team. David Weatherton was named to the All District team.

Ray Crump presented the

Basketball King and Queen. Kelly Hill and Kim Uptergrove. Kim Wilson was presented as the Football Queen.

KRISTEN WALKER, Dondra Holland Goul sisters, lovely to behold.

Broncs Compete at Regional Meet

The regional qualifiers from the Clarendon Broncho Varsity Boys Track Team traveled to Panhandle on April 30th to compete in a qualifiers meet. Regional qualifiers from Class A to Class 4A schools were present & the competition level was very high. The Bronchos performed very well at the meet and used it as a final tuneup for the upcoming Regional Meet to be held in Lubbock at the Texas Tech track on May 6th and 7th. No team point totals were kept in the meet but Broncho efforts were as follows:

SHOT PUT Arlis Thomas, 51'2 1/4", 6th; Brad McGuire, 51'1 3/4"

DISCUS Brad McGuire, 152'6 1/2", 4th; Arlis Thomas, 133'10"

3200 METER RUN Bryan Smith, 11:19.58

Saturday Display

Emergency Medical Services personnel and Fire Department personnel will be on hand at various times at local grocery and convenience stores on Saturday, May 7 beginning at 10:00 a.m. until approximately 6:00 p.m. to display equipment which has been purchased during the fund drive for the Jaws of Life and emergency medical equipment. This is their way of showing citizens of Donley County what they have provided to be used in this area. The complete Jaws of Life has been received as well as the new cardiac monitor and some other medical equipment.

Tentative plans are for personnel to spend approximately one hour at each place. They will be at Bylow, Charlie's Grocery, Walmart, Allsup's, and Gibsons. If you don't find them at one place, check the others. Also, personnel will have on hand the painting which is now on display at the Donley County Bank as well as tickets on this painting. It will be given away late that afternoon. Tickets are \$1.00 each and you need not be present to win. All money raised will go to provide equipment for the local ambulances to get them classified as Mobile Intensive Care Units. Response to

Typing Course at CJC

Clarendon College will be offering a Beginning Typing Course during the first 6 weeks summer session this summer. The course is primarily for those who have never had a typing course before and would like to learn to type. It would also be a good course for someone who has not typed in a long time and would like to brush up on the basic skills. To enroll in the course for college credit, a person must be between his Junior and Senior years in high school or older. The course can also be audited for no college credit by anyone who would like to take it. Optional computer applications will be available for those who would like additional practice. The class will be held on Tuesday and Thursday evenings from 6-10 p.m. May 31 through July 7.

Be sure to register in the Clarendon College Administration Building any time between now and May 30 if you wish to enroll in the course.

FTA'er of Month

WENDY MCCOMBS, a sophomore at CHS was selected F.T.A. er for April. She is very active in F.T.A., she is the Historian this year. Wendy also participates in band this year.

The top two finishers in each event at regional qualify for the State Meet in Austin on May 12th and 13th. The Bronchos are anxiously awaiting their trip to Lubbock and certainly have visions of Memorial Stadium in Austin tucked in the backs of their minds. Come to Lubbock this Friday and Saturday and urge these fine young men on to Austin with your support.

ticket sales has been good so far but Saturday will be your last chance to purchase a

ticket. Come by and see the equipment you have donated and ask questions. The

people of Donley County have donated all of this and it belongs to you. You should be very proud of it.

The Lions Tale

By GENE ALDERSON

The Clarendon Lions Club held its regular meeting at noon on Tuesday at the Lions Hall. There were 24 members, 1 new member and 4 guests present.

Following the opening ceremony, Liontamer Messer introduced the following guests: Pat Allen, a secretary from Clarendon was the guest of Donald Smith; Jim Plain of Amarillo, Assistant Director Region 16 Education Service Center and Don Peary of Canyon, Data Processing Director Region 16 Educational Service Center were the guests of Charles SoRelle. We were happy to welcome David Davidson, a past president of our club, back into the club on a transfer from Ennis, Texas. Boss Lion Bivens then called for the election of officers and directors for the club for the 1983-1984 year. The slate of Lions which were presented last week was elected unanimously.

Our program this week was brought by Gary Hunt, local game warden. It consisted of an interesting program on wild turkeys.

WEST TEXAS GAS INC.
 874-2155 Clarendon, Tx.

Ashtola Martin

by NAOMI GREEN
Clifford and Stella Jewett have a new grandson born at High Plains Hospital weighing 8 lbs and 14 oz. Bobby and Cathy have named the young man Christopher Ray. Johnny, Kay, and Claudette Marie came from Ralls for a visit with the Claude Speveys Saturday. They had to wait for grandmother's arrival as Edith attended the Bob Wills celebration and watched David and Oleta Lane ride floats. She reported a large crowd and a nice day for a good parade. Mr. C.I. Casteel had surgery Tuesday morning in Amarillo and is slowly improving. Mrs. L.A. Watson has been back and forth several times the past week to see about her father.

Jodie and Laern Casteel and Dorothy Kirkland from Sherman along with Hiley Boyd from Shallowater had the evening meal Monday with the L.A. Watsons. Mr. and Mrs. Warren Hardin attended the funeral services for Bill Grimland in Amarillo Saturday.

Frances Geopford of Amarillo is spending some time with her mother Evelyn Tolbert. Geneva and Burl Johnston visited with the James Tolberts and their guest Sunday.

Janet Watson came down with the chicken pox Wednesday afternoon. She stayed with grandmother Roslie while Teresa and Regina and Renne attended Troop 29 slumber party at the home of Adenia Mills.

Bill Hearne of Houston was here for the funeral of L.O. Dennie at Memphis and found his father Charlie ill. He took him to Memphis to the hospital where he spend several days. Charlie is home now and feeling some better.

Mrs. Chester Geogry of Borger spend several days with the Charlie Hearnes last week.

Dorothy Kirkland spend Monday night with Bill and Florine Bennett.

Mr. Wes Kelley had a stroke in Clarendon the first of the week and was taken to High Plains Hospital. A report from family in Amarillo Sunday evening was that he was not doing very well.

The Burl Hollar family went with the 4-H group to ride in the Bob Wills Day Parade.

Shirley Thomas of Laredo, TX came to spend a few days with her parents the Charlie Hearnes. Duane Hearn of Brownfield came up Saturday to see about his dad.

Vastel Bennet of Wash-

burn and his grandson Greg Bennett of Plainview were guests Friday in the home of the Bill Bennetts. Vastel is recuperating from surgery so it is great to have him out and about again.

Kay and Harold Green of Stinnett came Friday to the Skeet Browns. They all went to Groom to the home there where Hubert Rhoades joined them for a visit Saturday.

La Rue Pitman was down from Amrillo and took her parents, the Tom Shadles down to Memphis last Sunday to visit Mrs. L.O. Dennis and family. Mr. and Mrs. Tom Shadle went back for the funeral Monday afternoon at the Baptist Church.

Mr. and Mrs. Lloyd Risley went to their supper club at the Lacy Nobles home Saturday night. The Don Mather-sons from Claude also attended.

Burl and Montie Hollar made a business trip to Paducah Sunday and saw Burl's mother Mrs. Annie Sue Hollar.

Paul Hermesmeier of Stevenville, Henry Hermesmeier of Clovis, and Mary Jo Hermesmeier of WTSU were all home for the weekend with their parents the Bud Hermesmeyers. Mary and Donald Harlan from Tulia and Frank Derrick had lunch with the family Sunday.

Seth Thornberry of Memphis came Wednesday to help his grandmother Melba Risley plant the garden.

Mrs. Ruby Jewel Hardin was a guest of Paul Garvin's at the L.O.A. dinner and doll show honoring their mothers Monday night.

Mr. and Mrs. Fred Butler of Clarendon visited with her sister Lorine Bennett and her husband Bill Saturday.

Justin and Jacklin Griffin spent some time with Rosalie Watson Friday. Justin has chicken pox.

Mr. and Mrs. L.A. Watson attended revival services at the Baptist Church at Hedley Friday night.

Dog obedience class

By Dawn May

The Donley County 4-H and Adult Dog Obedience met last Wednesday evening from 6-7 in the Community Center. Those students and their dogs attending were: Gene Devors-Bandi, Roy Devors-Tip, Mike Moore-Beans, Justin Ham-Missy, John McVicker-Bear, Katrina Leathers-Zippy and Taylor-Ann Harbert with Tipper.

We began with a warm up exercise. Then Bob worked the class on stand for examination, down, recall and helped us on problems we were having. One of our students, Mike Moore, is so excited about this project that he attended the Regional Dog Show in Lubbock recently to observe just how one really works. There were 1418 dogs participating!

Our final class and graduation will be Wednesday, May 11, at the Community Center. After graduation, there will be refreshments. We would like to invite the parents to attend with their child.

Our 7th class meeting will be Wednesday, May 4, from 6-7 at the Community Center. Everyone be there and let's work really hard so we will be ready for graduation! We welcome anyone who would like to come and observe.

Hall Places in Las Vegas

Five times proved to be the charm for the Texas Tech Horse Judging Team.

Their April win at the Southwest Regional Intercollegiate Horse Judging Contest marked the fifth consecutive year Texas Tech students have taken the high team trophy.

Two Texas teams participated in the event, held in Las Cruces, NM. Team A captured high team overall, high team in reasons, high team in halter and fourth in performance.

Among members of Team A was Buddy Hall, an animal science Junior and son of Mr. and Mrs. Don Hall of Brice Route, Clarendon, was third high individual overall. He was also high individual in reasons, second in performance and eighth in halter.

FHA meeting

Clarendon FHA Chapter met for their regular monthly meeting in the homemaking room Monday evening April 18, 1983. The purpose of the meeting was to elect officers for 1983-84 year. Those elected to serve were: President-Dalyn Croslin, Secretary and Treasurer-Judy Hightower, Programs and Projects-Annette Watson, Historian and Publicity-Amy Ruth Hancock and Debra Blaggs. Encounters-Terri Leffew. Those elected to serve on the Encounter Board were Dalyn Croslin, Annette Watson, Terri Leffew, and Amy Ruth Hancock. Patrice Shields and Debra Blaggs were selected to represent the Clarendon Chapter at the State FHA meeting. Their being no further business the meeting was adjourned.

Other items we can supply: large channel cat (up to 5 pounds), shiner minnows, all sunfishes, shad, crappie, and most any other species that can be successfully stocked in a pond or lake.

Last chance to order Fish

This is your last chance to order fish. The Donley County Soil and Water Conservation Service is ordering fish again this year. The fish available and prices are listed below.

3-5" Channel cat	.30 each
6-8" channel cat	.55 each
2-4" Florida black bass	.60 ea
2-4" native black bass	.60 ea
2-4" bluegill	.30 ea
2-4" hybrid sunfish	.30 ea
Fathead Minnows	6.50 lb
Plastic bags	.25 ea

The beautiful warm days of summer send Texans looking for places to go fishing. Why not your own farm pond? Stock your pond now! The District has found a source where good quality fingerling fish are available.

Order now. Come by the Soil Conservation Service at 416 S. Kearney or call 874-2339.

A young hawk is called an eyas.

Cubs in Contest

The Cub Scout Troop 437 participated in the Pushmobile Derby Saturday, April 23 at Pampa, Texas. The Pushmobile was part of the Scout ORama.

We had pushing from our troop Lee Gage, Lincoln Stewart, Shane Ashcraft, Stephen Rivers, Nathan

Lowrie, two young men from Memphis and one young man from Booker to make an eight boy team. They each received a second place ribbon in their heat. Each one received a badge for selling tickets and one for participating in the Derby.

THE SWITCH

An estimated 400,000 drug products are now available without prescription...in other words, are OTC [over-the-counter]. Even more astonishing, this figure is expected to increase by 80% in the next 5 years. The dramatic increase is due to a recent move to switch as many drugs as possible from prescription to nonprescription [OTC] status. This campaign was begun by the OTC drug industry and has been aided by consumer's growing concern over health-care costs and an increased knowledge about medications.

Contrary to popular belief, the decision as to whether a drug will be placed on prescription or OTC status is not based on the strength or potency of the drug. The critical factor in this decision is whether or not instructions for the safe use of the product can be understood without a physician's help. The drug label provided by the manufacturer is essential to this understanding.

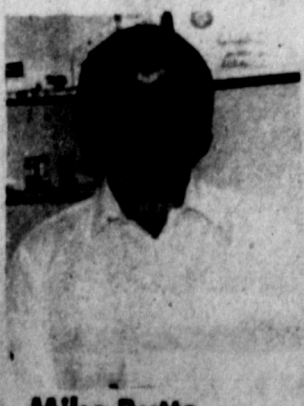

In recent months many products have been switched to OTC status. Examples include antifungal products, fluoride mouthrinses, skin preparations containing hydrocortisone and many very effective cold and allergy products.

CLARENDON HIGH SCHOOL BAND.

Band Meeting

Our final meeting of the year will be held May 9, at 7:30 pm in the Band Hall. We would like to see a good turn out for this meeting.

We will be taking care of business for the closing of this year. (The door prize last month was won by Leroy Leathers)...We would also like to discuss a trip for the band to go roller skating or possibly bowling at this time.

We would like to take this opportunity to say thank you to our band and the Band Officers: President Doug Walker, Secretary/treasurer Shalane Chamberlain. They have done a great job. D. Graham & N. Watson.

BAND THANK YOU

From the Clarendon High School Band, we would like to say "Thank you" to all of the businesses in Clarendon who have taken out an advertisement on the Community Birthday Calendar. This will be our 9th Annual issue and without the wonderful people here in our community, this would not be possible.

To show a small token of our appreciation we will again be giving each business who advertised a free calendar.

OPAL MESSER Woman of the Year.

Opal Messer Poem

O-is for the overtime you put in with my kids.
 P-is for the pains you've stopped and the tears you've wiped from lids.
 A-is for all the little things you so often say and do.
 L-is for the love that we all feel for you.
 M-is for the meals you've fixed that keep our kids healthy and strong.
 E-is for the energy you have while teaching right from wrong.
 S-is for the sweetness you see in every child.
 S-this "S" is for the sternness you have, that is also very mild.
 E-is for the empty spot you've filled in my child's heart.
 R-is for the retirement, we hope you never have cuz NANO and my kid are a pair I cannot part.

by
Fuzz Mooring

Alpha Upsilon Epsilon News

The first monthly meeting of May was called to order by President Pat White on May 2, 1983 in the home of Leslie Schnauffer. Members had a special ritual in which six young ladies became Legacy Members in Beta Sigma Phi. These young ladies enrolled as future members of Beta

Sigma Phi and each received a gold rosebud necklace bearing the Greek letters of Beta Sigma Phi. Legacy members are Stephanie Floyd, Jania Mondragon, Lindsey Eads, Jessica Rogers, Tracy McKinney and Mandy White. Mandy Floyd and Bridgett Bland who were made Legacy members last year were also present for the ritual.

The chapter also initiated its new officers with the Officers Ritual. New Officers for '83-'84 are President-

Denise Grady, Vice President-Leslie Schnauffer, Extension officer-Connie McKinney, Recording Sec.-Patsy Leffew, Corresponding Sec.-Fuzz Mooring, and Treasurer-Terri Floyd. Appointed officer are Terry Floyd, Historian, Kitty Proctor-Parliamentarian. City Council members are Denis Grady, Pat White, Judy Bland and alt. Holly Gerner. New member advisors are Maurine Butts and Dona Goss. Business items discussed were Ways and Means projects which are

selling chances on a 48 ft Coleman Cooler, Oscar Six Packer, and Water Bucket. These chances can be purchased for \$1.00 from any AUE member. Drawing will be May 21. Also AUE is planning a Saturday, May 21st, Sock Hop Dance at the Community Center. Everyone is invited to dress up in a 50's costume and come on out for a night of nostalgia and dancing. Donley County graduating Seniors will be given a special rate at the door as a graduation gift from AUE. Members of

AUE are also taking appointments from families interested in getting a beautiful 8" X 10", framed, color family photograph for only \$7.50. Any AUE member should be contacted if you are interested. The Service Committee discussed further plans for our Mothers Day Social in which all members mothers will be treated to a brunch on May 14, in the Patching Memorial Club House. The Social Committee further discussed the '50's Progression Dinner Rush Party for May 21st.

Also members were reminded to provide refreshments to the tea on Saturday for the Miss Texas National Teenage Pageant. Hostess, Leslie Schnauffer, served wonderful cool cream pies and punch. The "Sunshine Gift" was won by Kitty Proctor. Members present were Pat White, Denise Grady, Leslie Schnauffer, Connie McKinney, Terry Floyd, Jeanne Mondragon, Fuzz Mooring, Judy Bland, Terri Floyd, Kitty Proctor, Wanda Hill and Patsy Leffew. Next meeting will be

Help a Shriner help a child

For their July 4th fund raising project the Al Morrah Shrine Club will be taking donations on a 3-wheel motor bike. It is a Kawasaki KLT 200 electric start with a retail value of \$1895.00.

Your donation of \$1.00 per ticket or a book of 12 for \$10.00 can be purchased from any Al Morrah Shrine Club member. This is a fund raising project for the Crippled Children and Burns Institute Hospitals maintained by the Shrine Clubs.

The only expense taken out of the money raised this year will be the cost of the motor bike as the tickets were donated again this year. None of the money raised will stay with the local club, 100% above the cost of the bike will go to the hospitals to help eliminate the suffering and pain of burned or crippled children.

Neighbor Saves Life

People tend to ignore others, particularly when they don't know the other individual well. We shelter ourselves inside our private

world and don't "bother" with those outside of our circle. Yet several residents of Clarendon downtown Tuesday, April 26 did not

ignore someone in need.

Wesley R. Kelly, 79 of Claude had a history of heart trouble. He was in Clarendon on business and had entered his pickup parked in front of Morris Bookkeeping when Donnie Harris, an em-

ployee at the Clarendon Hatchery, noticed Kelly seemed to have difficulty getting into the truck and had hunched over the steering wheel. He reported this unusual occurrence to Lynn White and David Lowrey. The three went across the street and discovered Kelly was in serious need of help. He had suffered a stroke.

Donnie hollared across the street to Helen Woody to call the ambulance and within 40 seconds, Phillip Vargas was on the scene. He came racing on foot from further downtown where he had been on business when Pat Robertson's beeper notified him of the problem.

The paramedics put Kelly in the ambulance, took home to Dr. Gilkey and while there, Kelley began to suffer cardiac arrhythmias. The paramedics administered IV and took him to Amarillo.

The quick action on the part of Donnie Harris who noticed and DID SOMETHING may very likely have saved Wesley R. Kelly from death on the streets of Clarendon.

This sort of quick action and clear thinking that is needed in these times. All of the people in town should notice and not be afraid to offer assistance when anything seems unusual.

It would be a good plan to begin a Good Neighbor policy in Clarendon to prevent such life-threatening situations that result in death because of NEGLECT or INACTION. Consider Mrs. Gattis, Mrs. Stewart, Mr. Bromley and others who have died in their homes and time could have saved their lives if someone had noticed their situation and been unafraid to offer assistance.

Jim Formway has a Good Neighbor Plan. Mrs. Minnie Cannon that lives behind him raises her curtain each

morning and lowers it each evening so that he knows she is up and around and well. One morning the shades weren't raised and at once Jim went to check on her. She was ill but otherwise safe.

Such plans in your immediate neighborhood could not only save a life, but could help protect your property against theft and vandalism.

Don't be afraid to offer help. Don't be afraid to know your neighbors and their habits. When a light stays on in a house all night you might consider that the person has injured himself and is lying on the floor in need of help. Or they forgot to turn out the light. Get on the ball and make a contact! Save a life! Take action like Donnie Harris.

Be a Good Neighbor. If you know of anyone who has done something to prevent serious consequences, to save a life, to rescue someone or to simply offer comfort when least expected, contact Pat Robertson, Katie Dvorak Helen Woody and let us know so that we can let others know about GOOD NEIGHBORS in your community.

Fun after 50

to Meet

Clarendon's swinging Fun After 50 group will meet this coming Saturday, May 7th in the Lions Club Hall beginning at 10:30 a.m. There will be a covered dish luncheon so be sure to come prepared to sample some of the best cuisine in the world.

The first electric shavers were ready for sale in 1931.

NEED SOME HELP

to prepare your favorite dessert? From cookies to a variety of cakes and pies. Do you miss that good ole homemade bread? Let me help! Call Nancy Newhouse, 874-2118.

Medical Spotlight

by KATIE DVORAK

Richard L. Gilkey received his MD degree from the University of Kansas in 1955. Since that time, he has received his license to specialize in Family Practice. "They used to call it General Practitioner", Gilkey said, "and now it's Family Practice." That was one of the hardest tests I've had to take." He smiled ruefully and added "After all, I'd been out of school some 25 years."

The second hardest test was his qualifying license in air transport rating. He is now qualified to carry passengers in his little plane. "I love to fly," he admits. "And it's the best way to get around to meetings and things." His love of flying came from his experience as a pilot before he was called by Uncle Sam to serve in the US Navy. He was a flight surgeon for four years then he returned here to Clarendon.

"I lived here ten years, served four in the Navy, and then have been here another ten years," Dr. Gilkey said. In that twenty years in Clarendon, he has had his location moved only three times. The first time he held court in the old Adair Hospital, then relocated in the Donley County Medical Center and recently moved to his present location on the Brice Highway.

The beautiful office spaces are elegant, airy, filled with comfortable furniture and plants, but most importantly, the office contains first rate equipment and well-trained staff personnel.

Onita Thomas has been with Dr. Gilkey for many years and serves as his RN and right hand nurse. In the Gilkey Clinic laboratory technician is Betty Bell, a medical technician who works with the modern laboratory equipment in the back. Recently, Terry Floyd has joined the staff as receptionist.

In the lab, the newest piece of equipment is a Seralyzer. It has been on the market for only ten months and Dr. Gilkey has had his for eight months. It can take blood samples and run up to seven tests on it within fifteen to twenty minutes. "These tests used to require up to 10 days and we had to send some of them out," Dr. Gilkey remarked, "Now we can better help our patients."

In addition to this marvelous machine which can have additional modules added to perform even greater numbers of tests, there is an EKG, and the largest X-ray machine between Childress and Amarillo. While not a complete lab, it will readily produce the tests and procedures for normal work-ups.

"My philosophy of medicine would be that I try to make correct diagnosis and I try to prevent illness, suffering and disability," Gilkey remarked. "I also believe that drug abuse is more than abuse of marijuana, alcohol and illegal drugs," he continued, "People abuse drugs at home. Over the counter types of drugs are abused and prescriptions are abused. The important thing to do is to educate the people and make them aware of what is the correct way to take medicines."

Dr. Gilkey has written for THE CLARENDON PRESS and believes that his efforts really help inform people. He has given us helpful information on such important current issues such as the recent hepatitis "scare".

"The key to being a good doctor," Gilkey said, "is to be willing to be available to give of your time to your patients and your practice." When he was associated with the hospitals in town, he gave freely of his time and was frequently called upon to attend to emergencies. Now, however, he doesn't have that late at night call to

Dr. Richard L. Gilkey

concern him. "I have a good working relationship with the ambulance service," he added, "They will bring the folks here if there is some question of whether or not they have broken bone or hip and that might save them a trip into Amarillo."

"The greatest advancement in medicine," Dr. Gilkey mused, "since I've left school is in the technological advances in cardiology and ophthalmology." He feels that medicine has taken a marked swing toward prevention rather than simply cure.

Another trend is an auxiliary fields of medicine such as physicians assistants. "I think a physician assistant would work out quite well in a town the size of Clarendon," he admitted that many well trained nurses often perform the same type of duties, but that a PA has specialized training to qualify them for diagnosis, treatment and examination.

In 1963, Richard Gilkey married Jane Moore. Jane had four children 5, 7, 9, and 11. "So in just a few years I had four teenagers," Dr. Gilkey said with his slow grin and he looked at their photographs on the wall, "And now I have a whole passel of grandkids."

The Gilkey Clinic is open Monday through Friday from 9 to 5. Call 874-3531.

The term *pehcoe*, in reference to tea, refers only to the size of tea leaf—not to a variety or type.

Xi Lambda Xi

Xi Lambda Xi of Beta Sigma Phi met in the home of Beth Walker on March 14, 1983 with Pat Archuletta as co-hostess.

Sandra Mooring introduced the program entitled "Practical Arts". She introduced Henrietta Richardson who in turn demonstrated some of her crafts. She works with the company "Creative Circle" and she showed such crafts as stitch-n-sew, crewel, needlepoint, "waste canvas", and counter cross stitch. She gave some helpful hints when doing such crafts. The program was very informative and she showed some beautiful crafts that had been done.

Pat McCombs introduced a visitor, Roxanne Strickland, who is eligible to be advanced to this chapter.

The treasurer, Dona Goss gave a brief report.

Concerning the Scholarship Tea for the Senior girls, Maurine suggested that the event be held on April 12th at the Homemaking building at 4:00 p.m. Betty Veach will type up the applications and the invitations to the Senior girls.

Sandra Mooring nominated Beth Walker for the WTSU Distinguished Women Award. The luncheon will be April 16th.

Pat Archuletta made a motion to have the Founder's Day program at the Methodist Church and have Katherine Green cater the affair and have our husbands attend April 26 on Tuesday at 7:00 p.m.

Maurine Butts expressed a wish that each of us would be concerned enough to write to our congressman concerning the subject of Planned Parenthood—preventative education in our schools. We need to educate students about this subject since at this very time, there are several girls in our high school who are pregnant and that carries a great responsibility.

On Pat Archuletta was conferred the exemplar degree.

Refreshments were pizza squares, dump cake, tea and nuts.

The Executive officers met briefly to select a slate of officers for next year. This will be presented as a suggestion for the next meeting.

Attending were: Pat McCombs, Gloria Gage, Betty Veach, Dona Goss, Charlene Mays, Maurine Butts, Pat Archuletta, Beth Walker, Katie Dvorak, Frankie Henson, Peggy Anderson, Susan Henson, Becky Hill and Sandra Mooring.

Beta Sigma Phi Chapter of Xi Lambda Xi met in the home of Frankie Henson with Dona Goss as co-hostess on March 28, 1983.

International explained the new computer programs that will be available for next year. These are programs that have already been worked up and each member could have their own program for next year.

Progress was reported on

the upcoming Coke Party at CHS.

The date for Founder's Day has to be changed from April 26 to April 25 (Monday). It was also discussed to change our regular meeting for that week to Thursday, April 28.

After nominations and voting, the following officers will represent Xi Lambda Xi for 1983-1984: President-Pat Archuletta; Vice President-Peggy Anderson; Recording Secretary-Betty Veach; Financial Secretary-Susan Henson; Corresponding Secretary-Maurine Butts; Historian-Becky Hill; Parliamentarian-Beth Walker; Extension Officers-Beth Johnston.

The "Girl of the Year" was voted on by all sisters present. This is a young lady who exemplifies Beta Sigma Phi and has done the most for our sorority this year.

The program was presented by Katie Dvorak concerning the "Lively Arts: The Fabulous Flicks and Theater". She donned her working clothes when she was associated with the Branding Iron Theatre in Canyon. Katie is a major in the Theatre. She discussed the different aspects of the theatre—sets, props, make-up, sounds, lighting, etc. She gave an interesting history of the live theatre. She showed slides from the Houston Ballet Company production "Cinderella" which will be presented in Amarillo on April 6th. There was a group discussion about the effect of live plays, movies, and television on the audiences.

Pat Archuletta asked the Founder's Day program Committee to meet after the meeting to do some planning; the committee consisted of Pat Archuletta, Chairman, Katie Dvorak, Maurine Butts, Roxanne Strickland, Susan Henson, Pat McCombs, and Betty Veach.

The Founder's Day committee met in the home of Pat McCombs at 4:00 p.m. March 30, 1983 to do some planning for Founder's Day. In attendance were Pat Archuletta, Pat McCombs, Susan Henson, and Betty Veach.

Attending were: Pat McCombs, Gloria Gage, Betty Veach, Dona Goss, Maurine Butts, Pat Archuletta, Beth Walker, Katie Dvorak, Peggy Anderson, and Becky Hill.

Xi Lambda Xi of Beta Sigma Phi met in the home of Becky Hill on April 11th, 1983 in Hedley at 7:30 p.m. with Beth Walker as co-hostess.

Maurine Butts of the Social Committee reported that the Senior Girl Coke Party had been planned on Tuesday, April 12, 1983 at the Homemaking building. Pat McCombs and Pat Archuletta are bringing chips and dips, with Betty and Gloria helping.

Frankie Henson was elected to represent our chapter-city council.

Katie Dvorak brought up

the fact that since the observance of Mother's Day is one of our traditions, what could we do to honor our MOTHERS. After discussion, Maurine Butts made a motion that Mother's Day be observed by our sorority on May 9, 1983 at our regular meeting, you invite your Mother or a guest as a proxy Mother.

President Pat McCombs reminded the sisters to not forget your secret sister.

President Pat McCombs asked the sisters to vote on which program they considered to be the best program for the year. All the programs were discussed and then they voted on one.

Peggy Anderson was in charge of the program for tonight. The program was entitled "The Modern World—Trends and Movements: Government and Social Movements," from the Booklet THE MODERN WORLD. Peggy introduced her guest for the program, Ruth Hancock who presented slides on her trip to the Holy Land. It was a slide presentation with a cassette talking along with it. It was very interesting and informative concerning the places and sites around Jerusalem.

Becky and Beth served delicious refreshments, very yummy!

Attending were: Pat McCombs, Gloria Gage, Dona Goss, Betty Veach, Maurine Butts, Pat Archuletta, Beth Walker, Katie Dvorak, Peggy Anderson, and Becky Hill.

Xi Lambda Xi of Beta Sigma Phi met in the home of Dona Goss with Janie Finch as co-hostess on April 28, 1983 at 7:30 p.m.

The program was turned over to Ruth Hancock who brought the second half of her program, slides of the Holy Land trip. The slide presentation concerned Jerusalem, Jericho, the cradle of Human Civilization, a trip down the River Jordan and the Dead Sea, the Sea of Galilee, where Jesus grew up and started his ministry and many, many other places and sites. It was an inspirational trip, the scenes were very beautiful.

Following the program, refreshments were served by our gracious hostesses: something new and delicious—cheese fudge, solo cookies, fruit-filled dough and cake.

The Area Meeting will be held on October 22-23, 1983 in Vernon, Texas. The theme will be the Roaring Twenties. Our State Beta Sigma Phi Convention will be in Austin on June 10-12, 1983.

Pat Archuletta stated that her brother was an employee for the La Quinta Hotels and could possibly get rates for half price if we were interested.

Dona Goss reported our bills and disbursements.

Beth Walker reported that she and her daughter, Sheryl, attended the luncheon for the Distinguished Women's Award on the W.T.S.U. campus.

Frankie Henson reported on the City Council meeting.

It was suggested at the meeting that three members from each chapter be on the council. When the council was originally set up for the three chapters, the president advisor, and treasurer from each chapter was to be the city council.

Beth Walker suggested that each chapter be able to vote on the girl who receives the Beta Sigma Phi Scholarship, but city council have final decision on the vote. Vote by secret ballot.

The Social Committee was to be commended for their work on the Founder's Day decoration and program. Everything turned out so lovely and did an excellent job.

Pat McCombs thanked the sorority for selecting her "Girl of the Year" for 1983 and she was very appreciative of the honor. Betty Veach sent a thank-you note to the sorority thanking all the sisters for bestowing honors on her also for the Best Program Award.

It was suggested to move Mother's Day observance to May 23 our Salad Supper meeting and make it a little special for our Mothers. The mothers will be invited to this meeting.

Pat McCombs thanked Frankie Henson and Beth Walker for their part on the Founder's Day program.

The next city council meeting will be May 12, 1983.

President Pat said she had received some order blanks for cookbooks of some back issues and if anyone is interested in ordering these cookbooks, they could take the order blanks.

President Pat McCombs had received a note from Beth Johnston and Barbara Morrow asking the sorority to make sandwiches and cookies for the tea that will be held for the girls and their parents concerning the North Texas Teenager Pageant. The tea will be May 7, 1983 and they would like our assistance in furnishing refreshments.

Pat McCombs gave assignments for the Order of the Rose Ritual to be held May 9, 1983, to be held at Sandra Mooring's.

Attending were: Pat McCombs, Betty Veach, Dona Goss, Maurine Butts, Pat Archuletta, Beth Walker, Frankie Henson, Susan Henson, Peggy Anderson, Janie Finch.

Clarendon Artist Club will meet May 9

The Clarendon Artist Club will have a meeting Monday May 9th, 7:00 p.m. at Donley County Day Care Center, 819 Gorst. We would like to invite everyone to come that might be interested in joining. We always meet the second Monday of every month at 7:00 p.m. at the Donley County Day Care Center.

Every month we have some kind of art demonstration. In the past we have learned from James Ivey Edwards doing demonstrations in pottery, watercolor

Xi Lambda Xi Founders Day

Xi Lambda Xi of Beta Sigma Phi held their Founder's Day program, April 25, 1983 at the Methodist Church Fellowship Hall at 7:00 p.m.

The tables were decorated with yellow silk roses (made by the decorating committee which consists of Pat Archuletta, Pat McCombs, Susan Henson, Roxanne Strickland and Betty Veach) and ivy greenery. The centerpiece at the head table carried out the theme with a golden key and yellow roses—"The Golden Key of Friendship". The other 2 centerpieces were 5-tier candleabras decorated with yellow silk roses and greenery. The tables were lovely as well as the sisters and their husbands that surrounded them.

Genella Eads led the Opening Ritual which all sisters repeated in unison. Our guest, Jack Moreman, led in the invocation and "Beta Sigma Phi Grace, repeated by all sisters.

The dinner was catered by Katherine Green with the aid of Dondra Holland and Murial Green. The meal was delicious. It consisted of chicken delight with broccoli covered with sauce, brown rice, fresh strawberries and pineapple, chocolate mousse coffee and tea.

President Pat McCombs introduced and welcomed our guests, Mr. and Mrs. Jack Moreman and Mr. and Mrs. Wayne Strickland. Beth Walker gave a very clever reading of the history of our past year in Beta Sigma Phi, the Xi Lambda Xi Chapter on the 52nd Anniversary of our founding. The 52nd Founder's Day pledged was led by Betty Veach with all sisters repeating it with her. Pat Archuletta brought our message from International Headquarters. Pat Archuletta sang accappella the songs "Fill My Cup, Lord" and "How Great Thou Art". She did a lovely job.

President Pat McCombs presented the awards. Perfect Attendance for 4 years was presented to Betty Veach by Pat McCombs and in turn Betty Veach presented Pat McCombs for perfect attendance for 3 years. The award for "Best

Program" of the year was presented to Betty Veach. Frankie Henson presented the "Girl of the Year" award to Pat McCombs.

There was a special presentation honoring 2 special ladies; they have been active members of Beta Sigma Phi for more than 25 years. They are Frankie Henson and Sandra Mooring. Genella Eads assisted by Pat McCombs and Pat Archuletta conferred the "Silver Circle of Friendship Ritual upon these lovely ladies.

Our closing ritual was led by Susan Henson with all sisters repeating it with her.

In attendance for the delicious meal and lovely surroundings were: Peggy Anderson, Betty Veach, Pat and Archie Archuletta, Carol Bryant, Maurine and Mike Butts, Katie and Dave Dvorak, Genella and Jack Eads, Gloria and Jerry Gage, Dona and Cliff Goss, Frankie and Radell Henson, Susan and Wes Henson, Becky and Bill Hill, Frances and Owen Johnson, Pat and Bob McCombs, Sandra and Arlis Mooring, Beth and Jeff Walker, Roxanne and Wayne Strickland.

We would like to wish Happy Anniversaries to Mr. and Mrs. Jeff Walker on April 25.

HEAT'S ON

Plan an Italian feast for this week. Include fresh fruits, cheese, wines, bread sticks, lots of vegetables and plenty of nappkins.

INSALATA DI FUNGHI CRUDI

- [Raw Mushroom Salad]
1 1/2 lb fresh mushrooms, thinly sliced
2 tsp lemon juice
1/4 C thinly sliced scallions
3 TBS olive oil (Must be olive oil since this lends the unique and distinct flavor of Italy)
1/2 tsp salt
Toss mushrooms with lemon juice then toss with remaining ingredients. Chill.

VEAL PARMIGIANA

- 4 veal cutlets pounded
1/2 C fine bread crumbs
1/2 C grated Parmesan cheese
1/4 tsp salt
1 egg
1 TBS water
Combine crumbs and cheese and salt, beat egg with water and dip cutlets in egg, then in crumb mix. Heat 6 TBS olive oil and saute cutlets until golden. Combine the following and pour over cutlets:
1 can tomato sauce
1/2 tsp dried oregano, crushed
1/2 tsp sugar
1/8 tsp onion salt
Top with 8 oz Mozzarella cheese. Bake in 325 oven until cheese is melted and lightly browned.

PEPPERS AND POTATOES

- 1 lb sweet peppers cut in lengthwise
1/4 C olive oil
1 clove garlic, minced
1 onion minced
5 potatoes, peeled and sliced or cubed
1 C tomato juice
Saute peppers, garlic and onion in olive oil. Add other ingredients and cook over low flame 30 minutes until potatoes are tender. Add more juice if needed.

CENCI (Sweet Knots)

- 2 C sifted flour
1 1/2 tsp baking powder
3 eggs
2 TBS sugar
1 TBS water
1/2 tsp Vanilla salt
2 TBS butter
Sift flour and baking powder. Combine all but butter and beat until frothy. Mix flour with beat mix slowly then add butter.

Dough will be soft. Knead until smooth on lightly floured board, adding more flour if needed. Cover and let rest 1 hour. Divide dough in half. Roll each half into thin rectangle. Cut into 1 X 5 strips. Knot strips and let stand 10 minutes. Fry in deep hot oil, a few at a time until golden brown. Sprinkle with powdered sugar and serve with whipped cream.

25 YEARS IN BETA SIGMA PHI. Arlis and Sandra Mooring, Frankie and A.R. Henson.

Alpha Upsilon Epsilon Celebrates Founders Day

The International Sorority of Beta Sigma-Phi was founded on April 30, 1931 by Walter D. Ross. Each year, on or around April 30, the many chapters world-wide celebrate the anniversary of

the founding of this women's organization whose motto is "Life, Learning and Friendship."

Clarendon's Beta Sigma Phi Chapter, Alpha Upsilon Epsilon, had their anniversary celebration on Saturday, April 23, in the Harned Sisters Fine Arts Center.

Members of the chapter celebrated this 52nd anniversary with an evening of royalty presentations, music and dining by candlelight.

Special guests for the evening were Mr. and Mrs. P.C. Messer, Mr. and Mrs. David Owens, Mr. and Mrs. Wes Henson and husbands of the chapter members.

The Founders Day Celebration is the time for chapters to announce some very special honors. This year AUE chose Opal Messer as their "Woman of the Year". This is an award given to a non-sorority woman in our community who donates so much of her time and energy to helping others in the community. Mrs. Messer was presented a beautiful silver serving bowl engraved with "1983 Woman of the Year" and a poem written by sorority member Fuzz Mooring.

Other honors bestowed were "Girl of the Year" and "Pledge of the Year". The first was given to the individual in the chapter who members felt worked the hardest on projects, devoted the most time, kept harmony within the chapter and in general, just couldn't be done without, went to Tonya Owens. The award was presented by Pat White with pin and charm for being voted this honor.

Pledge of the Year honors the new member who has contributed the most to the chapter. This year it went to Patsy Leflew. She was given a pin and charm by Judy Bland.

Advisor Susan Henson presented a pin and charm for all of her help as member advisor.

Incoming President Denise Grady read the Message from International which urged members to set goals and dreams to be achieved in 1984.

Outgoing Historian, Sandra Eads, dedicated and presented the 1982-83 scrapbook to Pat White and shared a few memories from the past year.

Several members were presented perfect attendance awards. Dennis Knowles entertained with two beautiful songs.

Karen Alderson helped with the entertainment.

All members stood and repeated the closing ritual and then enjoyed a delicious meal prepared by sorority members.

Beauty that lasts!

Home Canning Safety Changes

To prevent food borne illness and the loss of valuable home canned foods, specialists with the Texas Agricultural Extension Service are urging home canners to follow the new USDA guidelines.

The USDA now recommends the following:

*The one-step, cold pack method for canning tomatoes should no longer be used.

*The hot pack processing time for canning tomatoes should be increased to 35 minutes for pint jars and #2 cans, and to 45 minutes for quart jars and #2½ cans.

*The hot-pack processing time for canning tomato juice should be increased to 35 minutes for pint and quart jars.

*Strained (pureed) pumpkin and winter squash should not be canned at home. Instead, cubed pumpkin and squash may be canned using a processing time of 55 minutes for pint jars and 90 minutes for quart jars.

*The processing time for applesauce and fruit puree should be increased to 20 minutes for pints and quarts.

According to Marilyn Haggard, a foods and nutri-

tion specialist with the Extension Service, the changes in canning recommendations are based on research conducted at land-grant universities and the Eastern Regional Research Center of the USDA.

"The recommendation to more than triple hot-pack processing times for tomatoes was based on research which indicated that shorter times could be insufficient under certain conditions," says Haggard. Insufficient processing could allow botulism organisms to survive the heat treatment, grow and produce harmful toxins.

"We consider this especially important since tomatoes are the most popular type of produce for home canning grown by Texas gardeners," she said.

Poor heat penetration through dense foods and the high heat resistance of a particular mold led the USDA to recommend increased processing times for applesauce and fruit purees. They also recommend that strained pumpkin and winter squash no longer be canned at home for the same reason.

GAYLA CLIFFORD, Muzzy Hayes, Connie Garmen, Susan Thompson and Linda Weather-ton

Clarendon girls go to State

With the excitement of regional meet still in the air, five Clarendon High School girls are preparing to make the trip to Austin for the State Track Meet this Friday and Saturday. They have qualified in three individual events—Linda Weather-ton in the triple jump and 200 meter dash; Muzzy Hayes in

the 100 meter hurdles. These two girls are true contenders for a state champion in their events. Although the defending champion in each event is returning, these two girls have established themselves as contenders. The 1600 Meter Relay is composed of Linda, Muzzy along with Connie

Garmen and Susan Thompson. They have the second best time in qualifying which also gives Clarendon a shot at the State Championship.

These girls have a great opportunity for giving Clarendon High School some state wide recognition and having an excellent chance for the future as Susan Thompson is the only senior of the group.

Your Health

Facts From Health Care Financing Administration Department of Health and Human Services

Surgery: Think About Getting A Second Opinion

When a doctor advises you to have non-emergency surgery, you should know as much as possible about the pros and cons of the procedure before making a decision.

"One of the best ways to reach that decision is to seek the advice of another qualified doctor. That's called "getting a second opinion."

When seeking that second opinion, it's important to ask the right questions. (You should ask them of the first doctor, too.) These are some of the points you should know:

- What is the specific problem?
- What is the operation planned?

- What are the likely benefits of the surgery?

- What are the risks of the surgery and how likely are they to occur?

- How long is the recovery period?

- What are the costs of the surgery? Will your insurance cover those costs?

- What will happen if you don't have the operation? Are there alternative treatments?

The more you know, the better prepared you'll be to make a decision about that surgery. Today, costs of second opinions are covered by many private health insurance programs. Medicare pays for them at the same rate as other services.

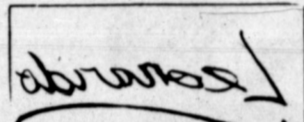

Getting a second opinion about non-emergency surgery may help you make a wise decision and cut unnecessary medical expenses.

and most state Medicaid programs pay for second opinions.

Recent studies indicate that seeking second opinions could significantly reduce unnecessary surgical procedures and cut the nation's medical costs.

The Health Care Financing Administration offers a free brochure entitled "Thinking of Having Surgery?" To obtain a copy, write to Surgery, Department HHS, Washington, D.C.

Leonardo Da Vinci was left-handed and he often wrote backwards. To read some of his notes you need a mirror.

LAWN LORE

Crabgrass Control

Crabgrass. Who needs it? Not you.

Control this weedy grass now—before it controls your lawn. Crabgrass seeds have been dormant over the winter—just waiting to "pop" when temperatures climb to the 80's. Apply a crabgrass preventer in early spring—before weed seeds germinate—and crabgrass won't stand a chance, say the lawn experts at O.M. Scott & Sons.

Scotts offers two tips to insure excellent results when using a crabgrass preventer. First, use an accurate drop-type spreader and be sure to overlap wheel tracks slightly to avoid streaks of crabgrass in missed areas. Second, once the product is applied, do not rake the treated area. Disturbing the herbicide "barrier" will give crabgrass the break it needs to grow.

When used on an established lawn, crabgrass preventer will do no harm to the existing grass. If you are planting a new lawn or re-seeding a thin lawn,

Scotts suggests using a product specially designed for recently seeded areas.

Whether the lawn you are treating is old or new, be sure to make the most of your time and money by choosing a crabgrass preventer that also gives the grass a complete fertilization. Your lawn will notice—and so will the neighbors.

If you have a question about your lawn, you can talk with an expert at Scotts simply by dialing their toll-free number: (800) 543-TURF. In Ohio, the number is (800) 762-4010. There is no charge or obligation for this service.

THEN-NOW!

The wonderful world of postage stamps has a fascinating history.

THEN: The first postage stamp and hobbyist appeared in 1840. On May 6th the United Kingdom and Ireland issued the world's first postage stamps, "Penny Black" and the "Two Penny Blue," depicting the young Queen Victoria.

NOW: Today there are well over 350,000 different stamp issues in Scott's world stamp catalogs. Aside from expediting our mail, collecting postage stamps is the world's most fascinating hobby. Want to know more about stamp collecting? Send \$1.25 and receive a stamp starter kit from the American Stamp Dealers' Association, Five Dakota Drive, Lake Success, NY 11042.

SOCIAL SECURITY Your Social Security

Prepared by the American Academy of Actuaries, a non-profit professional association.

Q. I've heard that Social Security may be facing a deficit of \$150 to \$200

billion over the next seven years. Is this true, and how was such a figure arrived at?

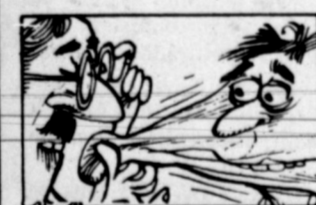

A. What you heard is

true. The National Commission on Social Security Reform, a blue ribbon presidential panel studying Social Security's financing difficulties, agreed that the system is facing such a deficit. The Commission's short-term forecasts were based on pessimistic assumptions of how the economy will perform in the coming years.

Actuaries played a key role in making these forecasts. Some of the figures they looked at in determining the \$150-\$200 billion shortfall were: 1) future increases in wages and prices, 2) unemployment rates, 3) life expectancy, and 4) retirement age.

Sometimes called "social mathematicians," actuaries are professionals trained in the science of mathematical probabilities and finance. They project the financial effects that uncertain future events—birth, marriage, sickness, accident, fire, liability, retirement, and death—have on insurance and benefit plans. Using mathematical skills, actuaries design financially sound insurance and benefit programs.

Skin is the body's largest organ, weighing an average of five-and-one-half pounds.

4-H Range and Grass Teams Named

Teams from Deaf Smith, Fisher, Floyd, Hemphill, Kent, Roberts and Swisher counties took top honors during the 4-H Tri-District range evaluation and range and pasture grass identification contests at Clarendon College April 28.

The teams vied for honors for the individual Panhandle, South Plains and Rolling Plains districts and for overall honors in the tri-district competition.

Hall, Nuggett Bland and Justan Ham. They placed 3rd in the junior grass identification contest for the Panhandle District.

Representing Donley County, and their awards were: Chris O'Neal, Shane

In the overall competition for senior range evaluation teams, Roberts County was first.

HEDLEY SCHOOLS SUPER CHEFS: Margaret Phelps and Mary Felan.

75 Year Old Catholic Church History

St. Francis Church and Parish hall will be the location for the 75th Diamond Jubilee celebration to be held Saturday, May 28. Registration and the open house will begin at 1:30 p.m. for all to view the facilities and to enjoy the early days exhibit. A concelebrated mass

Francis community historical marker will follow the mass.

A barbeque dinner will be served at 5 pm and a family dance will begin at 8 pm with music furnished by Jay Burke and company. A donation of \$7 for adults, \$2.50 for children age 6-12 (children under 6 are free) will be asked for the dinner and dance.

Treasured Memories; St. Francis Story, is a true

treasure book compiled by Margaret Bertrand and the St. Francis historical committee. This book covers a 75 year history of the trials and changes of the little prairie church at St. Francis, complete with photos of the four church structures and of the priests who have served St. Francis.

One section of the book entitled "Treasured Memories" contains approximately 75 family histories with wedding and family pictures beginning with the very first families to arrive at St. Francis in 1908.

The "Looking Back" section is filled with photos of the past and present parishioners, events, early farming equipment and techniques and military pictures of those young men who served in the Armed Forces.

This book is printed on excellent quality paper, hand bound with gold stamped hard back cover, having about 300 pages. In addition to the above mentioned sections, the book is filled with pictures, maps, old documents and deeds pertaining to the 75 year history.

Margaret Bertrand is the mother of Roy Bertrand of Clarendon and she lives in the St. Francis community.

Green Thumbers

Former Congressman Wilbur Mills, Doc Severinson of the "Tonight Show", and Ralph Waite of "The Waltons" all have at least two things in common: they used to suffer from alcoholism, and they now have much better lives after coming to grips with the disease.

A horse focuses its eye by changing the angle of its head, not by changing the shape of the lens of the eye, as humans do.

Just keeps on getting better.

This Monday May 9 thru Sunday May 15
Only at participating stores.

Dairy Queen

4-H WINNERS: l to r Chris O'Neal, Shane Hall, Nuggett Bland and Justan Ham.

The stories of these prominent people were part of the information provided to more than 40 Green Thumb workers attending a special alcoholism training session at the Community Center in Quitaque April 19. Green Thumb employees about 1,000 persons aged 55 and over in community service projects across the state.

In a film entitled "They Do Recover", Waite, Mills, and Severinson discussed the development of their alcohol problems and the paths they followed to find relief.

"The fact that these well-known people are alcoholics helps to show the disease and alcoholism is a disease--can strike anyone, rich or poor, lonely or in the spotlight," says Green Thumb district director Susan Armstrong who conducted the training.

"Mills and Severinson suffered from severe black-outs, and Mills was afraid he had a brain tumor until examinations revealed his problem was alcoholism," she said.

"Waite says he often felt 'dead and alone,'" Armstrong said, "even though he was a national celebrity. Many of our workers--especially widows and widowers--know the feeling. We want to demonstrate that alcohol will only make any existing problems worse."

Some of Green Thumb's enrollees have lost their jobs because of drinking and for these people the future is dim.

Green Thumbers from Donley county attending the session were Inez Skinner, Kate Jones, Eva Hansard, Molly Dickson and Opal Clendennan and Billy Ray Johnston, a Green Thumb sponsor.

At this meeting, Kate Jones received an honorary certificate as a person over 80 years of age being on the program.

TREASURED TREAT FOR CHOCOLATE LOVERS

Chocolate lovers will readily agree that the cacao bean is precious enough to be used as currency. And, in fact, it was so used in Mexico before Columbus visited the New World. A rabbit could be purchased for ten beans, a pumpkin for four.

What a high price this delicious Hot Fudge Sundae Shortcake would have brought! It's not merely chocolate, but a double chocolate treat.

First, cocoa and chopped nuts are stirred into shortcake dough made with Bisquick baking mix. The dough is then topped with a sprinkling of brown sugar and cocoa. Hot water is poured on top, and as it bakes, a fudge sauce forms and sinks to the bottom of the pan.

Served warm and topped with ice cream, it's a dessert so delicious everyone will want more. But don't worry. This shortcake bakes in a 13x9-inch pan, so there is enough for seconds.

HOT FUDGE SUNDAE SHORTCAKE

- | | |
|---|------------------------------|
| 2 1/3 cups Bisquick baking mix | 1 cup chopped nuts |
| 3 tablespoons granulated sugar | 1 cup packed brown sugar |
| 2 tablespoons cocoa | 1/4 cup cocoa |
| 3 tablespoons margarine or butter, melted | 1 3/4 cups hottest tap water |
| 1/2 cup milk | Ice cream |
- Heat oven to 350°. Mix baking mix, granulated sugar, cocoa, margarine, milk and nuts until soft dough forms. Spread in ungreased rectangular pan, 13x9x2 inches. Sprinkle with brown sugar and cocoa. Pour hot water over dough. Bake until shortcake begins to pull away from sides of pan and fudge mixture begins to bubble, 30 to 35 minutes. While warm, spoon into dessert dishes and top with ice cream. Spoon sauce from pan onto each serving. 12 servings.

High Altitude Directions (3500 to 6500 feet): Heat oven to 375°.

Flat Rate Structure May Help

U.S. Rep. Kent Hance, D-Texas, a member of the tax-writing Ways and Means Committee, introduced a bill calling for a study of a simple, flat-rate tax structure for both individuals and businesses.

"The time has come to replace the 2,062-page maze of exemptions, credits, and complications known as the IRS Tax Code with a system based on fairness and simplicity," said the Texas Democrat.

"Our current system is burdensome, confusing, and often unfair," added Hance. "Tax reform is an issue whose time has come on both Main Street, USA and on Capitol Hill."

Hance's bill also calls on the Treasury Dept. to consider the impact of reducing the number of deductions currently offered to businesses and individuals; to consider the level of income that should be exempt from a flat-rate tax to protect the economically disadvantaged; to consider the impact of reduced paperwork and auditing requirements; and to consider the impact of exempting certain types of income, such as veteran's benefits and basic Social Security benefits, from tax considerations.

Alderman Minutes

The Board of Aldermen of the City of Clarendon met in regular session on April 19, 1983, in the Board Room City Hall at 7:00 p.m.

Members present were Mayor James Kuhn, Aldermen Richard Bell, J.G. McAnear, Lloyd McCord, James Sharrar, and Gene White.

Others present were City Secretary Donna Edwards, Jim Roberts, Steve Woodall, West Texas Equipment Company, Amarillo, and Jim Bennett and Jim Wolfcale, GTE, Memphis.

Minutes of the April 12, 1983, meeting were read and approved.

Purchased a tractor from the low bidder, West Texas Equipment Company for \$101,184.00 less trade in of \$36,184.00 for a total of \$65,000.00 FOB Clarendon.

Mr. Jim Bennett, Division Manager of GTE in Memphis answered some questions the Board had concerning the GTE proposed franchise agreement. After his explanation, motion was made by Alderman Richard Bell, seconded by Alderman Gene White to accept the GTE franchise agreement with one change. The period of the agreement will be for five (5) years instead of 25 years and will be renegotiated after the five year period. Motion carried.

Mayor Kuhn brought to the attention of the Board the fact that the Extended Health Care office in Clarendon may be moved to another location, possibly Claude or Pampa. As Clarendon is a centrally located area for this office, and inasmuch as the office space is provided rent free and the office would employ three people, it is felt that this office should remain in Clarendon. Therefore, motion was made by Alderman J.G. McAnear, seconded by Alderman Richard Bell, to pass the following resolution.

RESOLUTION

The Texas Department of Health for the State of Texas, having their main office in Austin, Texas, has established main offices in these regions for long term patient care. These regional offices have been subdivided into satellite offices and single offices and.

WHEREAS: There was one such office established from the Canyon office under the supervision of Dr. Henry

C. Moritz, Jr., in Clarendon of Donley County; and

WHEREAS: This office has functioned for the past several years with good success; and

WHEREAS: Upon retirement of the person operating the office, this office has been threatened to be removed; and

WHEREAS: It is not the desire of the Board of Aldermen of the City of Clarendon that the office be removed as the office is more centrally located in Clarendon, and is rent free, and is most easily accessible to the public as well as the region; and

NOW THEREFORE: Be it resolved by the Board of Aldermen of the City of Clarendon, that the office be retained and remain at its present location in Donley County.

BE IT FURTHER RESOLVED: A copy be filed in the minutes of the April 19, 1983, meeting, and a copy be sent to the Texas Department of Health, Senator Bill Sarplius and Representative Foster Whaley.

SIGNED AND APPROVED THIS 19TH DAY OF APRIL, 1983.

The motion carried with five (5) Ayes and no Noes.

Mayor Kuhn discussed with the Board the Memphis Detox Center which would serve five counties. It was decided that this Center would be valuable to the area and the Board would certainly be in favor of its operation.

City Secretary Donna Edwards advised the Board that Annis Stavenhagen, City Librarian, has requested Work Study help for the summer months. This would be 30 hours per week at \$3.35 per hour. Clarendon College would pay 70% of this for the months of May and June with the City and County paying the remaining 30%. The City and County would pay the full amount for July and August as Work Study funds would not be available for those months. Motion was made by Alderman Gene White, seconded by Alderman Lloyd McCord, to employ two Work Study students for the months of May and June, and one Work Study student for the months of July and August providing the County is in agreement. Motion carried.

It was brought before the attention of the Board that the Fire Department wished to use the upstairs rooms over City Hall. They desire to put a doorway between the Fire Station and the stairs to the upper floor, and to install metal over the upstairs windows to help keep out the cold and dirt. The Board had no objection to these requests.

Two Graduate From Okla

Southwestern Oklahoma State University in Weatherford, Oklahoma, has announced its spring graduates. Convocation exercises for the seniors will be Friday, May 13, at 8 pm in Milam Stadium. The speaker for the occasion will be Dr. James D. Sill, Professor Emeritus from Southwestern.

Graduating from Clarendon are: Stanley Britten, B.S. pharmacy; Bill Cornell, B.S. accounting.

HINTS FOR HOMEOWNERS

It's Outdoors Time!

The season is finally here for outdoor activities... while some may be "chores," most are pure recreation, and the wise planner will get the work out of the way for play.

For example, sharpen those garden and lawn care tools...hoe, edger, trowel and mower to make the work go easier. All you'll need is a Nicholson Home & Garden File. Make sure your pruners are sharp, too.

Now you can think camping, hunting and fishing! Your sporting goods dealer has many new products to make camping and related activities the best ever. Like space-age lightweight portable stoves, camp axes and a great combination hammer/pick by Plumb, a compact folding saw from Nicholson, and a new Boker camper's knife with rosewood handle.

Fishermen will welcome small stainless steel bladed Wiss scissors for intricate fly-tying, and their fillet knives complete with leather sheath.

Spring has at last sprung—enjoy it to the fullest with the right equipment!

Land Bank Rate Reduced

Interest rates on Land Bank variable rate loans will be reduced to 11.00 percent on farm loans and to 11.50 percent on rural residence and farm-related business loans effective May 1, said Talmadge Porter, president of the Federal Land Bank Association of Childress.

In addition, the Land Bank has reduced its Bank closed loan fees to 1 percent on farm loans and to 2 percent on rural residence and farm-related business loans, according to Thomas H. Benson, president of the Federal Land Bank of Texas. These reduced fees are effective April 25, 1983.

"The adjustments follow reductions made earlier this year," Benson said. On January 1, 1983, the Bank's interest rate on farm loans was lowered to 11.25 percent. The interest rate for rural residence and farm-related business loans was lowered to 11.75 percent. Bank closed loan fees subsequently were reduced in February from 4 to 2 percent on farm loans and from 7 to 4 percent on rural residence and farm-related business loans. The fee reduction was made possible, Benson said, by the decrease in the Bank's cost of funds.

The Federal Land Bank Association of Childress makes long-term real estate loans in the counties of Hall, Cottle, King, Wheeler, Donley, Collingsworth and Childress.

Veterans News

According to Jack A. Moreman, Service Officer for Donley County, one group of wartime veterans no longer have to pay monthly premiums for their Government life insurance.

The Veterans Administration recently announced that veterans who are still carrying their policies of United

States Government Life Insurance, most of which were issued between 1919 and 1940, will no longer be required to pay the monthly premiums. All USGLI policies are now being considered as being paid-up and future premiums are abolished. At the present time, there are some 80,000 World War I veterans who still have their USGLI insurance in force nationwide, for a total value of \$320 million, or an average of about \$4,000 per

policy. In reality, these veterans have long been overcharged on their monthly premiums for USGLI. This was our government's first venture into the life insurance program for military personnel and veterans, and premiums were based on a mortality table published in 1868. Over the past years, it has been easier and cheaper to continue the same premium rates and return a portion of the money each year in the

form of dividends. When the USGLI fund was established many years ago, it was estimated that the deposits would earn interest of approximately 3 1/2% annually, far less than what was actually earned. The USGLI fund therefore continued to grow even though annual dividends were apaid on each active policy. Last year, the VA collected \$4 million in premiums on these policies, but in turn sent \$24 million back in dividends. The fund now has more than enough to pay off all claims that will occur from deaths of the World War I policyholders, thus the VA has determined that this group of older veterans will no longer be required to pay any monthly premiums.

4-H HORSE PROJECT WIN
Bob Wills parade trophy,
Karen Hill, Brandie Stroup,
Chris O'Neal and Lisa Burch.

Mixed Drink Tax

State Comptroller Bob Bullock Tuesday said collection of the state's 10% mixed drink tax during the first quarter of 1983 was up 2.7% over the same period last year.

Bullock said the state received \$36.1 million in taxes on the sale of mixed drinks during the first three months of 1983.

Texas cities and counties each receive a 15% rebate of the tax collected on mixed drinks sold within their boundaries under the law that legalized the sale of mixed drink in the state. Howardwick has received \$442.38 and the County received \$66.36.

City to Enforce Leash Law

The City of Clarendon and the Sheriff's Office have had numerous complaints on dogs running loose in the city of Clarendon. Clarendon has a leash law and all dogs found running loose on the streets of Clarendon will be picked up and held for three days in the city pound and on the fourth day, they will be destroyed.

The city has hired a dog catcher to pick up all loose dogs. If you have a complaint on loose dogs, contact the Sheriff's Office and the dog catcher will answer the call.

"SOUP AT TIFFANY'S" IS SERVED
IN A U.S. SKATING TEAM MUG

Fifteen-year-old Tiffany Chin, the youngest member of the U.S. World Figure Skating Team, earned her spot on the Team with a dazzling performance at the U.S. National Championships in Pittsburgh, Pennsylvania. A member of the San Diego Figure Skating Club, Tiffany joins several U.S. Skating Team veterans—including 1982 World Champions Scott Hamilton and Elaine Zayak and U.S. Ladies' Champion Rosalynn Summers—on the Team, as well as some newcomers like "souper" national sponsor, Campbell Soup Company. At a recent Campbell-sponsored breakfast honoring the new U.S. World Team, National Championship competitors and their parents and coaches, Tiffany sipped hot, nutritious Campbell's Cream of Chicken Soup from a very special mug and got to know her new teammates. One of Campbell's first activities as national sponsor of the U.S. Figure Skating Team was the development of a new Team logo. And now, the logo has become an integral part of

Campbell's promotional fund-raising efforts in support of figure skating. A "magic" mug features the Team logo on one side and the "magical" Campbell Kid Skaters on the other. What makes the mug magic? When hot soup is poured into it, the Campbell Kids appear, ready to skate into everyone's heart. When the soup disappears, so do the Kids. Another reason the mug is magic is that Campbell's Soups will donate \$1.00 to the U.S. Figure Skating Team for every one of the colorful, ceramic mugs sold. The money will be used by the United States Figure Skating Association to help skaters like Tiffany Chin prepare for international competition. The mugs are part of a special Campbell's Chicken Soup promotion. If you would like to purchase a "magic mug" and help the U.S. Figure Skating Team at the same time, send three labels from any of Campbell's Condensed Chicken Soups and \$3.95 to: Skating Team Mug, P.O. Box 2986, Reidsville, North Carolina 27322.

Admiral announces Refrigerators A La Mode.

World's first refrigerators that make ice cream. And more!

What a scoop! Here's everything you ever wanted in a refrigerator, and then some. A fingerprint-free surface of textured steel, ice cubes and fresh cold water through the door automatically, a built-in wine cellar... and it makes ice cream! And sherbet... milk shakes... frozen drinks... even chilled soups and all sorts of other wonderful gourmet creations. (Hundreds of ideas are contained in our full color, fifty-page recipe book, "Culininary Art," included with your purchase.)

Technology you can taste. Shown above is the canister used with our exclusive "StirFreezing" process (patent pending). Just pour in the ingredients... pure, fresh and natural. It works automatically, right in the freezer. Milk shakes in minutes... ice cream in just over an hour, just the time it takes to work up a real taste for something uniquely delicious, home made, and very special. For more information call 1-800-447-8371. (Illinois, 1-800-322-6302.)

Success In Business

When Workers Help Make Decisions-Productivity Rises

A study released by the New York Stock Exchange indicates that worker participation in the decisions of a company stimulates employee productivity and morale.

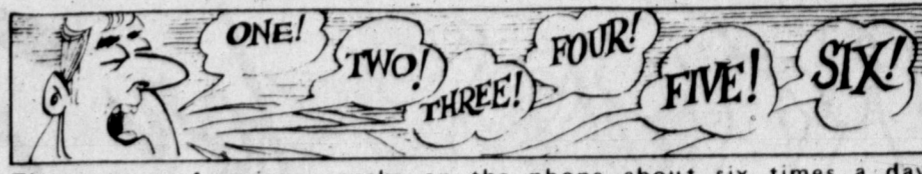

Highlights of that report include:

• "Gain sharing" can also stimulate productivity. Worker attitudes can change dramatically when workers are offered a piece of the action.

William M. Batten, chairman of the New York Stock Exchange, said: "Productivity isn't everything, it's the only thing. The simple fact is that without a rise in output per worker-hour, there can be no sustained growth in income per person."

• Intensive on-the-job training and intern programs contribute to a better understanding among managers of how to work effectively within the organization.

• Approximately 15 percent of all U.S. companies with more than 500 employees have some kind of gain-sharing program in place.

The average American speaks on the phone about six times a day.

PREMIUMS, PRIZES PROMOTE PRODUCTS Nostalgia is many things - memories of scrapbooks, photographs, letters, even toys and games found in packaged goods. How many of you remember pleading with your mother to buy boxes of Wheaties cereal and Cracker Jack candied popcorn, just to get the enticing prizes offered on the packages? Or anticipating that special order arriving in the mail? In-package premiums and mail-in offers have had magical appeal since the early part of this century. During the 1930s a surge of premium offers touched off unprecedented consumer response. Ovaltine cocoa mix and Wheaties cereal are nostalgic favorites in the colorful history of package premiums. In 1931, the cocoa mix maker presented the first of 131 Little Orphan Annie and Captain Midnight premiums offered on radio or TV over the years. One very successful offer made by the cereal maker was miniature license plates. Orders for fifty million sets were filled. Cracker Jack candied popcorn-another old-time favorite-offered package prizes in the 1950s. Tin tops, whistles, lead soldiers and a variety of plastic toys were anxiously retrieved from candied popcorn packages. Premiums have been a means of tying consumers to products. They not only provide incentive for buying a product for the first time, but they also encourage continued purchase of the product. Flour makers offer baking dishes, cereal packages promote bowls and soft drink manufacturers offer glasses and mugs. In 1939 Jack Armstrong "torpedo flashlights" were an extremely successful premium item. Package premiums also enhance a consumer's interaction with a product. This generates goodwill toward the product and its makers. Wheaties, "The Breakfast of Champions," encouraged involvement during the 1930s when it sponsored the "Jack Armstrong, All-American Boy" radio show. Jack, a famous fictitious adventurer, encouraged millions of young listeners to send for toy planes, telescopes and "hike-o-meters." Jack Armstrong premiums were so successful that in 1939 over six million "torpedo flashlights" were distributed in less than two weeks. Another successful premium was the Shirley Temple series of pitchers and bowls, of which millions were distributed to eager youngsters nationwide. Shirley herself was involved with Wheaties cereal pre-

Water is the only substance on earth that is naturally present in three different forms - as a liquid, a solid (ice) and a gas (water vapor).
