Leader Sub Rate Increase Set For Aug. 1

Due to a slump in advertising lineage and the high cost of production along with the higher postal rates, an increase in the yearly subscription price of the Leader will go into effect Thursday August 1st.

The new rate will be \$3.50 per year for residents inside Donley County and \$4.50 a year for subscriptions beyond Donley County. We have been absorbing the postal increase along with other costs for several months but are unable to continue to do so.

We will still take new and renewal subscriptions at the old rate until August 1st. If your subscription to the Leader expires any time between now and January 1, 1964, you can renew now at the old rate if you like. It is our intention to show everyone the same courtesy. You can check your expiration date by the figures to the right of your name stamped on your paper or wrapper.

Second Summer Term At CJC Began Monday

One of the most successful summer sessions that has been staffed at Clarendon Junior College, during the past several years has come to a close and the second session of the summer term began Monday of this week.

Courses being offered in the summer school are English 123, Government 223 and Chemistry 124. Classes in the courses will meet twice a week from 7 to 10 p.m. and students interested may contact the college office any night this week and still enroll for the second session.

Classes during the first semester have been filled with students from eight or more nearby towns and communities as well as the local area.

LEADER CLASSIFIEDS GET RESULTS

LANGUAGE STUDENTS at the Defense Language Institute, West Coast Branch, are introduced to graphic symbols and written characters as new speech habits are formed. Learning Far East languages, where the writing system is extremely complicated, requires transcription in the early stages of study. Classes averaging eight students afford the individual ample time to work with his instructor to develop speaking and writing ability. Students attend classes six hours a day, five days a week and, in addition, spend approximately three hours a night on homework.

County Agent Warns Farmers To Watch For Cotton Insects

This is the time of year when we start looking for insects on cotton says County Agent Flip Breedlove. Some farmers in certain areas of the county have already begun to spray for garden web worms and fall army worms in cotton. Some of the older cotton has already seen the appearance of boll worm, but only a very few cases in Donley County. Some boll weevil have been found in cotton fields in the eastern part of the county and if the build up continues, the spray program will have to go into effect in the very near future.

Breedlove says that the best insurance against cotton insects is to visit the field every two days and go to all parts of the field looking for all types of insects. It is hard to tell just how much insect population to expect in the cotton crop. This will depend on the weather and the good feeder insects that appear in the crop. The thing to remember is to be on the alert at all times and never let the cotton insects get a head start before you start your spray program.

Cotton insect control guides for spraying are available at the county agent's office and if you need help on an insect population call by Breedlove's office and he will give you assistance by going over your cotton patch if necessary. Remember that the best insect control program is one that starts early if the insects are present.

R. A. Underwood Is Fiscal Agent For Greenbelt

The R. A. Underwood Company of Dallas was hired as the fiscal agent for the Greenbelt Municipal and Industrial Water Authority by directors voting in a special meeting at Childress Friday night.

Three firms bid on the project, according to Dr. S. H. Townsend, president.

"The Underwood firm not only gave us the best bid but promised much quicker action," Dr. Townsend said.

Lawyers for the project are now drawing up the contracts for the vote of the cities.

Danger In Viewing Coming Eclipse!

On April 8, 1959, 170 Australians, principally school children, suffered permanent retinal damage and partial loss of central vision in watching an eclipse of the sun. In Utah in 1960, 21 cases of complete blindness were reported.

Similar eye damage may be anticipated over most of North America on July 20, 1963, the date of our next solar eclipse. In our area, only a partial eclipse will be visible.

There is real risk of eye damage in viewing an eclipse according to Dr. Joe Goldston, Clarendon optometrist. Make-shift methods include dark photograph negatives, glass that has been smoked over a candle, or a card with a pinhole opening, are not completely safe.

Looking directly into the sun, even for a few seconds, involves the possibility of permanent retinal damage, he said. However, a piece of photo film overexposed on its entire surface and developed, provides adequate protection.

If you want to view the eclipse, Dr. Goldston suggests the use of a pinhole device which avoids the harmful infrared rays. It can be made by punching a clean hole with a pin through a piece of cardboard. "The viewer should turn his back to the sun, hold the punched cardboard over on shoulder and let the sun's rays come through the hole onto another piece of white cardboard. The sun's image is thus reflected on the white cardboard with no damage to the viewer's eyes," he explained.

Residents in this area should warn their children of the harmful effects of watching the next solar eclipse. It is a beautiful sight to behold, but not at the expense of losing one's eyesight.

BEARD TRANSFERRED TO GALVESTON

R. E. "Bob" Beard, former resident and native of Clarendon, has been transferred from Chicago to Galveston as assistant to the Freight Traffic Manager. Bob has been associated with the Santa Fe Railway system for a number of years. His wife is the former Juanita Carpenter. They report they are quite happy to be transferred back to Texas even though they are nearly as far away from home as at Chicago.

Local Banks Show Over 7 1/2 Million On Deposit

According to statements at the close of business June 29th of the two local banks appearing in the Leader this week, the two institutions show a total of \$7,385,534.79 in deposits and with the bank at Hedley added in, the county total amounts to \$8,730,890.79. Loans for all three county banks total \$5,165,406.08.

These figures show a total increase in deposits for the two local banks over a year ago at \$574,061.32. At the same time, the loan figure has grown also with a total of \$4,536,007.08 for the local banks. This is an increase of \$805,722.00 over the figure released a year ago.

LOCALS ATTEND AREA CONVENTION

Chauncey Hommel, Delbert Robertson and Roland Hill and their wives attended the Area I Convention of Texas Jaycees last Saturday and Sunday in Pampa. Over 200 delegates attended the convention which featured Larry Tate, the President of the Texas Jaycees, as guest speaker.

At the noon luncheon Sunday Larry Tate presented Delbert Robertson, past president of the local club, the 3rd place plaque the local club won on their scrapbooks at the National Convention. There were only 36 awards given on scrapbooks in the United States and for the Clarendon Jaycees to receive one of these awards is an accomplishment to be indeed proud.

INCREASE IN EARNINGS SHOULD BE REPORTED

Social security beneficiaries who are still working should report any increase in their earnings that would change their estimated incomes for 1963, cautioned Hal Geldon, District Manager, Amarillo Social Security Office. Beneficiaries who work and earn over \$1200 a year make an annual report of their estimated earnings for the coming year, Geldon explained. The amount of benefits withheld by the Social Security Administration is based on this estimate.

To avoid overpayment in social security benefits, any increase in earnings above the estimate should be reported to social security promptly. If a beneficiary receives more in benefits than he should have, his checks may be suspended to make up for the overpayment, Geldon pointed out.

Revisions in the estimates may be made on post card forms furnished beneficiaries or at any social security office. To delay may cause hardship later, Geldon warned.

SQUARE DANCE TO BE HELD AT LIONS HALL

Square dancers, both the Twirlettes and Y-Knot Twirlers, will dance Friday night at Lions Club Hall. Twirlettes will meet at 7 p.m. followed by the Y-Knot Twirlers. Dusty Randall of Amarillo will do the calling.

A good attendance was reported at the dance held at the tennis courts Friday night of last week. Jon Jones of Arlington, Texas, did the calling and everyone enjoyed having him here. Square dancers were present from Plainview, Canyon, Amarillo, Panhandle, Claude, Wellington, and Silvertown with a total of 10 squares dancing at one period during the evening.

Barcus Antrobus, who has been ill several weeks, is reported improving satisfactorily.

103 Degrees Recorded Here Tuesday

Those who like and enjoy HOT weather have had their desires fulfilled since the first of the month as the mercury has been 95 degrees or higher every day since July 1st and the hottest day of the year so far was 103 degrees Tuesday of this week.

The month of July started out with an even 100 on July 1st and the mercury has climbed above the century mark 9 of the past 16 days. The minimum temperature has been ranging between 61 and 67 degrees.

While the temperature department has had good business, the moisture department has certainly been slighted. Only .05 inch of moisture has been recorded here in town the past week. Other parts of the county have received beneficial showers up to three inch downpours, but these have been of the section line variety. A good, soaking general rain is badly needed at present, especially for dry land crops and range land. Those who have irrigation wells, have been running their pumps around the clock to help alleviate the problem.

Services Held Sunday For L. L. Wood

Funeral services were held Sunday afternoon at the First Baptist Church for Lonnie Lee Wood with Rev. Robert E. Jenkins, pastor of the Temple Baptist Church, Amarillo, and Rev. W. R. Lawrence officiating. Mr. Wood, 72, died Friday at Amarillo where he had lived the past several months. He had been a resident of Donley County since 1910 and was a retired stock farmer and cattle buyer.

He was born May 30, 1891, in Limestone County and was married to Miss Myrtle Lee Hughes at Brice, Texas, in 1912.

Survivors include his wife; three sons, J. T. Wood of Raton, N.M., A. L. Wood of Austin, Colo., and L. L., Jr., of Amarillo; 11 grandchildren; eight great-grandchildren; and a brother, P. O. Wood of Riverside, Calif.

Pallbearers were O. T. Hill, Dennis Lindley, Coley Huffman, L. A. Watson, J. T. Clayton and W. Carroll Knorrp.

Burial was in Citizens Cemetery with arrangements under the direction of Murphy Funeral Home.

TWO ACCEPTED AT THEOLOGICAL SEMINARY

FORT WORTH, Tex. — David G. Goad of Plainview, Tex., whose hometown is Clarendon, and Judson R. Williams, Box 773, Clarendon have been approved for admission to Southwestern Baptist Theological Seminary, according to Felix Gresham, director of admissions. The fall semester begins Sept. 5 with orientation and testing for new students. Classes begin Sept. 9.

President Robert E. Naylor will deliver the opening chapel message Sept. 10. The formal opening address will be given by Joe Davis Heacock, dean, School of Religious Education, on Sept. 11.

Southwestern Seminary, one of six seminaries owned and controlled by the Southern Baptist Convention, was chartered March 14, 1908. It is now the largest evangelical seminary in the world. Its students numbered 2,056 last year from 40 states and 17 foreign countries. They were graduates of 231 colleges and universities.

Mrs. J. C. Parker and Sandra, Mrs. Charlene Beckendroff, and Mrs. Phyllis Hudson of Beaumont visited a few days last week with Mrs. H. E. Parker.

Please let us have your renewal promptly and especially before August 1 when the new subscription rate goes into effect. The subscription rate now is \$3 for those in Donley County and \$3.50 a year for those receiving the Leader beyond Donley County. The state tax was taken off July 1st, so do not include the added 6 or 7 cents.

We would like to remind all subscribers who have moved or plan to change their mailing address to please notify us in advance or as soon as possible as when the paper is returned to us with the change of address by the Post Office Department, it costs us 10 cents each and you miss your Leader.

BINGHAM TO LEAVE FOR AFRICA AUGUST 1

R. W. Bingham, former Clarendon resident and son of Mrs. R. C. Bingham, will leave August 1st for Africa under the U.S. Aid for International Development program and will be a chief advisor to the Sudanese Government.

Bingham has been serving the past two years as a dean at Oregon Technical Institute. He and his wife have been visiting his mother and sister, Mrs. Troy Guy, the past week and are now visiting her relatives at Temple.

HOSPITAL NOTES

Patients as of Wed., July 17: Rebecca Hannah, T. H. Penn, Mrs. W. C. Jones, Mrs. W. L. Jordan, J. L. Christopher, Mrs. George Thompson, Mrs. Eddie Jeffers, May Bennett, and Aurora Martinez and baby girl.

Dismissals: Mrs. Tom Crabtree, Mrs. May Kennedy, Jane Lewis, Mrs. Pearl Masten, Mrs. D. C. Williams, Martha Jo Schollenbarger and baby boy.

According to City Water Superintendent Orville Housden, water consumption in Clarendon has been nearing the one and one-half million mark each day which is a record for recent years. He reported that over a million gallons had been consumed every day since the first of July.

Mayor C. J. Lohoefer stated that the water tank at the depot has been a life-saver and that water would have possibly been rationed if it had not been for this additional storage. We had planned to start moving operations on this storage tank to help alleviate the water pressure problem, but if we disconnected this tank right now it would definitely mean rationing of water. We will hold off until the situation is improved, he concluded.

Housden stated that at times throughout the day and night that all seven city wells were in operation. We have at least four wells going all the time to supplement the water storage which is built up in the tanks during the night hours, he added.

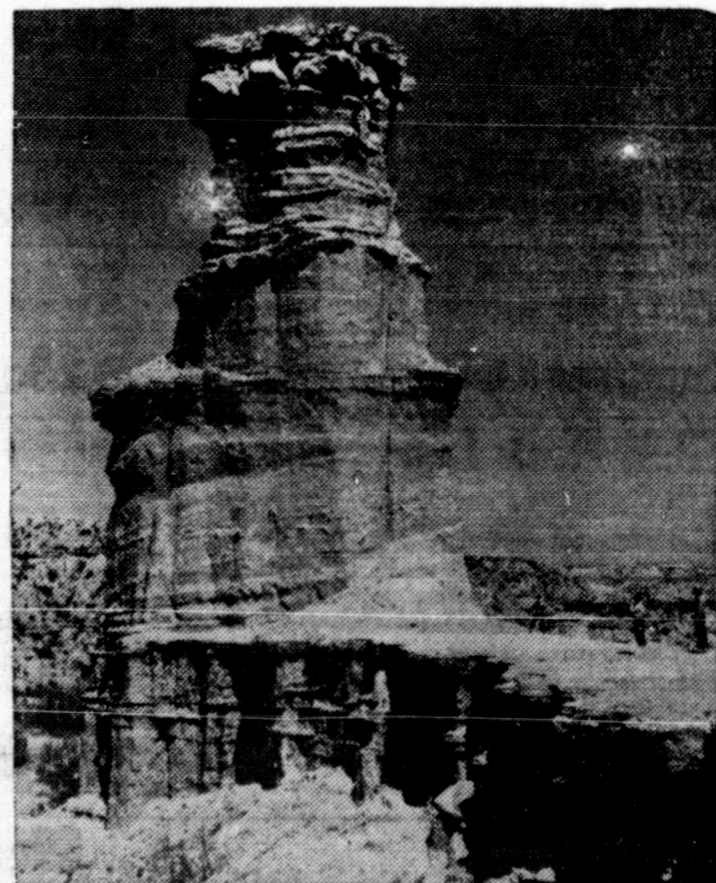

Texas Jaycee President Visits Local Club

Larry Tate, the President of the Texas Jaycees, visited with Jaycees of Clarendon last Friday morning in the Dixie Cafe. Mr. Tate was greeted by a large group of Jaycees as well as Mayor Lohoefer.

Chauncey Hommel, president of the local club, states it is quite an honor to receive a visit from the Texas President for it is almost impossible for him to visit every club in this vast state of ours in his one year term of office. Although his schedule only allowed him to stay for 30 minutes the locals report a very enjoyable visit with the President.

Visiting with the President was A. J. Carubbi, Jr., State Director from Pampa, and Pete Wright, State Vice President from Dimmitt.

Mr. and Mrs. Durwood Skelton of Dallas visited last week with his parents, Mr. and Mrs. L. H. Skelton.

LIGHTHOUSE ROCK — Sculptured by wind and water, this natural stone tower keeps its vigil near Palo Duro Canyon State Park, 35 miles southeast of Amarillo. Palo Duro Canyon cuts a spectacular 120-mile gash through the Texas Panhandle. Six miles wide and more than 700 feet deep, the canyon is considered one of the truly geological wonders of the State.

**20 MULE TEAM  
BINDWEED KILLERS**

**NEW LIQUID TRITAC-D®**

Is your lowest cost weed killer for noxious perennial weeds such as: field bindweed, Canada thistle, leafy spurge, bur ragweed, Russian knapweed, etc. Why? Because only 4 to 8 gallons will effectively treat an entire acre of non-cropped land. TRITAC-D contains the added weed killing ingredient 2, 4-D, thus offering you triple killing action: 1. effective deep-root destruction, 2. quick foliage top kill; 3. prevents seeds from developing. TRITAC-D is nonselective, yet safe to handle for easy spray application. Available in 1, 5 and 30 gallon containers.

**DRY GRANULAR BENZABOR®**

Is the most effective, nonselective weed killer to use where spray equipment or water are not available. Or where accuracy of rate of application is essential on small scattered patches of these same noxious weeds. Reason: You apply BENZABOR in its dry granular form—straight from sack to soil. The handy PCB Spreader lets you treat up to 1/4 of an acre of non-cropped land in 10 minutes. It also controls a wide range of woody vines and shrubs. And it is non-poisonous, noncorrosive and nonflammable when used as directed.

The American Petroleum Institute maintains: "Since oil and gas are irreplaceable by man's effort and, since they are not limitless, continuing emphasis on conservation efforts is highly desirable to make these valuable assets available to present and future generations at reasonable price levels. This does not mean that oil and gas should be hoarded but should be used for the greatest good and in free competition with other energy sources."

## Weatherly-Noble Nuptials Solemnized

Nuptial vows were repeated recently by Janiece Weatherly, daughter of Mr. and Mrs. Bill Weatherly, and Lucy Lee Noble, son of Mr. and Mrs. Lucy Noble of Lelia Lake. The ceremony was held July 9 at 7:30 p.m. in the home of Mrs. Homer Parsons, aunt of the bride. The Rev. J. V. Patterson, minister of the First Methodist Church of Clarendon officiated.

The bride, given in marriage by her father, wore a beige dress fashioned with a scoop neckline edged with cut lace, brief sleeves and a full skirt. She wore white accessories and carried a corsage of white french carnations atop a white lace-covered Bible, borrowed from her sister.

Mrs. Parsons and Carl W. Bennett were the only attendants.

Immediately following the ceremony a reception was held in the home. The refreshment table was covered with a plain linen cloth and centered with an arrangement of white and yellow gladioli. The three tiered wedding cake repeated the yellow and white color scheme and was served by Janie Sue Noble, sister of the groom. Ann Weatherly, sister of the bride, presided at the punch bowl. Silver and crystal appointments completed the table setting.

Only the immediate members of the couple's families attended.

Mrs. E. J. Evans of Los Angeles, Calif., Mrs. A. J. Fowler and Mrs. Maggie Holcom of Memphis, and Mrs. Lena Smith of Lelia Lake visited Saturday with Mrs. J. D. Jones.

## MISS SHIRLEY MANN HONORED WITH SHOWER

A bridal shower honoring Miss Shirley Mann, bride-elect of Emmett Bobbitt, was given in the home of Mrs. H. A. Cross Saturday afternoon, July 13. Receiving hours were from 3:00 p.m. to 5:00 p.m.

A yellow and white decor was used. The refreshment table was covered with yellow linen topped with a lace cloth and centered with an arrangement of yellow daisies and white carnations. Appointments were crystal.

Presiding alternately at the table were Misses Nona Beck, Carol Spencer, Jeannie Gibbs, and Mrs. Alfred McNabb. Mrs. L. M. Putman, Jr., registered the guests. Miss Annette Cross assisted with the gifts.

About 50 guests called and a number sent gifts. Among the out-of-town guests attending were Miss Clydia Jenkins of Dallas, Mrs. John Knierim of Claude, Mrs. W. F. Willis and daughters of Pampa, Mrs. Earnest Beck and Sue of McLean, Mrs. Robert C. Jones of Amarillo, Miss Ivy Dea Hinkle of Dumas, and Mrs. E. F. Lemons of Memphis.

Hostesses for the courtesy were Mesdames T. T. Alfred, Roy Crutchfield, Charlie Morgan, Johnnie Johnson, Frank Thomas, Coleman Shields, Mark Allen, Bright Newhouse, Earl Shields, Lee Leek, Clyde Gilbreth, Herman Cross, and Misses Marjorie Harlan and Ruth Richerson.

Mrs. O. C. Watson, Jr., and her daughter, Mrs. Mike Galbraith and Cindy of Colorado Springs, Colo., visited Monday with Mr. and Mrs. O. C. Watson.

## YOUNG HOMEMAKERS MEET AT HIGH SCHOOL

The Clarendon Young Homemakers met in the high school homemaking department at 8:00 p.m. July 9. Mrs. Elmo Fortenberry presided over the business meeting. Mrs. John Bob Butler was chosen to run for area vice-president. Voting delegates for the area meeting were also chosen. They are Mrs. Wayne Baker and Mrs. Billy Jones.

After the adjournment of the business meeting, we all participated in a cake decoration workshop. Mrs. Bud Hermesmeier and Mrs. Fred Bourland instructed the cake decorating. Those present at this meeting were Mesdames Elmo Fortenberry, Ernest Barbee, Bright Newhouse, Jerry Shields, Eddie Orsak, Jerry Hawkins, Jack Owens, Jack Hall, Wayne Baker, Harold Lindly, Billy Jones, Garry Maxcey, Wayne Chenault, Ollie Thompson, Tom Montgomery, Carl Pritchard, Tommy Hollis, James Carroll, Jimmy McAnear, Bud Hermesmeier, and Fred Bourland.

## CONNIE JEAN WELCH IS BRIDE-ELECT

Mr. and Mrs. Gene Welch, Naylor Rt., Clarendon, Texas, announce the engagement and approaching marriage of their daughter, Connie Jean, to Jimmy Doyle Formway, the son of Mr. and Mrs. A. L. Formway of Clarendon. Both Jim and Jeanie are graduates of Clarendon Schools. The wedding is to be August 17th at 7:30 p.m. in the First Baptist Church.

## GADGET SHOWER HONORS MRS. McNABB

A gadget shower honoring Mrs. Alfred McNabb was given recently in the home of Shirley Mann. Using the bride's chosen colors, pink and white, cake and punch were served to the guests.

Those who attended were the honoree, Lana Baker, Becky Spivey, Connie Williams, Carol Spencer, Sharon Williams, Mollie Floyd, Judy Pittman, Marie Blackburn, Sharron Henson, and the hostesses for the occasion, Jeannie Gibbs, Deanna McAnear, and Shirley Mann.

Many useful gadgets were brought.

Mr. and Mrs. Gale Ledbetter and Gary of Amarillo visited the week end with her parents, Mr. and Mrs. O. C. Watson.

## FAMILY REUNION

Mr. and Mrs. D. R. Phillips and family attended a family reunion at Ellwood Park in Amarillo Sunday. They report that there was lots of good food and a lot of visiting. Relatives came from San Antonio, Plainview, Dimmitt, Hereford, Amarillo, Claude, Dalhart, and Stinnett.

Part of the afternoon was spent singing gospel songs. String music was provided by the Mayfield brothers. Visitors were Jerry Bones, Jim Oles of Claude, Mrs. Tommy Edwards, T. L. and Riley Allen of Amarillo and others. All are looking forward to another reunion next year and a larger crowd.

Ed Antrobus of El Paso is visiting Mr. and Mrs. O. C. Watson and the Barcus Antrobus family.

## CHAMBERLAIN TO HAVE BOX SUPPER

The Chamberlain Community will meet Friday night, July 19, for their regular meeting. There will be a box supper with the proceeds going to the Fire Department to help pay for the new fire truck bought for the use of the farmers and ranchers in Donley County.

Mr. Dingle wants to thank everyone who helped with the float for the parade and also all who helped in the serving booth for the Fourth of July.

Everyone is invited and urged to attend this meeting and take part in this party by bringing boxes and help us make this project a successful one. Members of the Community will be hostesses to the party.

Remember Friday night, July 19, at the Chamberlain Community Center at 7:30 p.m. —Rep.

## SR. H.D. CLUB TO MEET FRIDAY

Members of the Senior Home Demonstration Club will meet Friday, July 19, in the home of Mrs. J. H. Helton. Meeting time will be 9 a.m. and all members are urged to be present.

## CHEERLEADERS EXPRESS THANKS

The cheerleaders and drill team would like to thank everyone for making our refreshment stands a success. We would like to express our thanks and appreciation to Junior Spier and Jim Lumpkin for letting us have our refreshment stands at their place of business.

All girls having pens, cookbooks, money, or material sheets must turn them in to Darlene Shields by July 25th.

## SUMMERTIME FAVORITES ON PLENTIFULS FOODS LIST

COLLEGE STATION — Foods just right for serving during hot weather will be in plentiful supply during July, reports the Texas Agricultural Extension Service.

What is more refreshing than iced watermelon, fresh peaches or cold turkey?

These summertime favorites for beating the heat and keeping your energy high are on the U.S. Department of Agriculture's July plentiful foods list for this area.

In addition, the full bounty of summer's abundance of fresh vegetables — tomatoes, corn, beans, beets and lettuce just to name a few of the most plentiful — will overflow your market.

Ice cream, cottage cheese, milk and other dairy foods continue plentiful as milk production continues near the spring peak.

Peanut butter and vegetable

fats and oils also are plentiful this July, says the Agricultural Marketing Service — the USDA agency which checks local, regional and national food stocks before compiling the list.

Homemakers can save on their summer grocery bills by taking advantage of seasonally plentiful foods. Generally, such foods offer a better bargain, for prices are lower and supplies are large enough to allow you to select the quality you want.

BEVERLY, MASS., TIMES: "As an American citizen you may not own a foot of your native soil, but three acres of crop land and seven acres of grazing are required to keep you supplied with food. It is this fact which is causing government and other agriculture experts — despite current crop surpluses — to view with concern the deterioration of the nation's crop and grass lands through erosion, over-cropping and other causes."

AUSTIN — County tax assessors-collectors are meeting here to try to untangle the poll tax puzzle.

date when people begin paying poll taxes and getting exemption certificates

In a special election on November 9, voters will decide whether or not they want to repeal the poll tax as a prerequisite to voting.

If they repeal it, a new law will go into effect, setting up a 25c registration fee.

To make matters more complicated, the November 9 vote really would not repeal the poll tax. In theory, it still would be due and payable. But not many are expected to pay the tax if the voting privilege is removed from it.

If the tax assessor-collectors solve their problem this fall, by waiting until after November 9 to fill out and mail poll tax receipts, they may face another crisis in the spring. This because 36 states already have passed a proposed amendment to the U.S. Constitution outlawing the poll tax as a requirement for voting for president, vice president, U.S. senators and congressmen.

In January, Arizona and South Dakota legislatures will meet and if they pass the amendment, it could be carried to law. In that event, a provision by the Texas Legislature would set up a system by which voters would apply to their harrassed county tax assessor-collectors for special registration certificates — at no charge — to vote on races involving only federal offices.

**POOL HALLS GET NEW STATUS** — Townspeople who have had trouble in the past trying to set curfews on pool halls,

because the pool parlors were illegal, can look to one bright side of a law that will become effective on August 23.

City governments then will be able to set curfews because on that date the pool halls will become legal operations in Texas.

**CITIZENS COMMITTEES COME TO END** — A legislative "rider" in the 1964-65 state budget bill prohibits payment of travel expenses to members of the citizens' advisory committee which meets with the State Board of Education.

This has caused the board to bid goodbye to the system which Herbert O. Willborn of Amarillo calls "one of the strengths of this administration."

Rider approved expenses of advisory committees on textbooks and teacher examiners, but cut out all others.

Commissioner of Education J. W. Edgar remarked that the practice of using "grassroots" committees of citizens interested in education "has been the lifeblood of this agency." But he discouraged suggestions that volunteer help be used if committees were willing to pay their own travel expenses. He said such a practice would go against the Legislature's intent and cause committees to be dominated by special-interest groups.

Riders on appropriations bills are written at the bottom of budgets for individual state agencies. It is not unusual for such riders to go unnoticed, by the lawmakers, especially when voting on bulky budget bills.

ANOTHER JUNIOR COL-

LEGE? — Board of Education has authorized a Travis County junior college election.

But it turned down an application for a Scurry-Fisher County junior college. Turndown came after a committee said the oil-rich area could afford a college, but could not dig up enough students to meet state board requirements.

In its refusal report the committee, headed by former State Senator Penrose Metcalfe of San Angelo, implied that the board may change its criteria for establishing junior colleges after the Governor's Committee on Education Beyond the High School makes its recommendations in August of 1964.

Currently, the board requires proof that taxpayers in the district can support a public junior college. But it also requires a minimum of 500 students.

**REDISTRICTING SUIT SET** — Talk of a special legislative session perked up as a federal court in Harris County set a September 23 hearing of a Republican-sponsored congressional redistricting lawsuit.

Texas' 58th Legislature tried to set a formula for congressional redistricting. But a token bill died in the final minutes of the session. Some who opposed it said they would rather let the federal courts settle the matter. Others said they would rather meet in a special session than leave it to federal judges.

State Democratic Chairman Eugene Locke of Austin has asked the court to dismiss the G.O.P. suit.

**TIGHT LITTLE ISLAND** — State Highway Department has discovered an island of Mexico in the heart of El Paso.

Highway department claims that there is a quarter-mile section on U.S. Highway 80 in El Paso where you can drive through Texas and see Old Mexico with one eye and New Mexico with the other eye.

Department says Cordova Island became a Mexican oasis in the Texas city of El Paso under the Guadalupe Hidalgo Treaty of 1848. Treaty provided that artificial changes in the Rio Grande's course would not affect Cordova Island's boundary.

Red River, New Mexico

For many years now by hook or crook we have found a time during the hot summer months to spend a few days in our favorite nook up in Red River, New Mexico. This year we almost missed but did wind up with three days to spare, and those proved very wonderful. I don't think we ever met as many new people and such interesting folks many of them turned out to be...

By a turn in the hand of fate we were guests this year at Riverside Lodge. All that was available to us was a room inside the lodge itself. In the past we had always stayed in cabins. Perhaps this caused us to meet many extra people.

A real treat of the stay came through the friendliness and sparkling personality of Terry and Letha Allen, husband and wife combination who along with Letha's younger sister, Clarise, operate this rather large business. There is a real true to life success story. Just over three years ago they came to Red River on their honeymoon. Riverside was closed for the winter so they stayed across the street at E. Western. Riverside Lodge was for sale at that time. Terry and Letha returned to San Marcust, Texas, where his father

Always our highlight of the trip is the Sunday Services at the Community House. This year a layman brought the message. He was Mr. Robert Ashworth, Supt. of Schools for Amarillo, Texas. operates an automobile business. The young couple wanted to give it a whirl. Taking over at the beginning of the 1961 summer season the young couple had just passed their 21st birthday. This is the third season for the new owners and the place runs with the efficiency that would equal any veteran operator.

Terry laughingly says: "There's nothing to it. We don't run the place, it runs us." Even though they are on the run a lot of the time, the true secret to their successful operation lies in the warm and friendly personality of this lovely young couple. Busy as three bees they still find time to visit with the guests and make them feel at home. There is truly a real American success story....

Again this year we were in Red River at the same time that Coach Rusty Russell and his wife were there. It is always a thrill to hear him relate many of his experiences. The days at SMU as coach and especially the many experiences with the Masonic Home team that skyrocketed to the top under Rusty's coaching even though most every boy on the team had to play the whole game. Most of the time there were few extra boys. Rusty loves a good fight, and he doesn't mind getting into it with a short stick. He is now with Howard Payne Baptist College.

Always our highlight of the trip is the Sunday Services at the Community House. This year a layman brought the message. He was Mr. Robert Ashworth, Supt. of Schools for Amarillo, Texas. We always like to remember just a few high points from every talk rather than trying to keep it all. From his message on Citizenship to God and Man we quote: "There is no such thing as

public character. There is only individual character multiplied many times." "We can lick the problems of this day with the 4 B's; Bible, brains, backbone and ballots." This splendid talk by this good Christian school leader made one want to return home determined to be a better citizen....

We couldn't possibly mention all the interesting folks we met, but not the least of them were Mr. and Mrs. S. H. Clements of Los Angeles, Cal. In spite of the fact that someone had snatched his purse containing not only money but about a dozen credit

cards including telephone and airline in the busy part of Dallas, they had fallen madly in love with Texas and plan to transfer his enormous insurance brokerage operation to this state in the near future... They were simply dumbfounded by the friendliness of Texas people... No telling what would have happened if they had stopped over on the plains....

The Nome, Alaska, Nugget writes that it was Will Rogers who observed, "I don't make jokes — I just watch the government and report the facts."

## FARM NEWS

from County ASCS Committee

### 1963 Loan Rate

For Grain Sorghum

The county loan rate for 1963 crop grain sorghum is \$1.69 per hundredweight for Grade No. 2 or better, less storage. An additional price support payment of 20 cents per hundred will be made by the ASCS Office on the planted acres of feed grain, times the farm's normal yield. Only those farmers who are participating in the 1963 Feed Grain Program are eligible for price support.

### ACP News

Applications for payment are being prepared for transmittal at this time. All ACP work that has been completed should be reported promptly in order to insure more efficient processing.

To date there have been 298 farms requesting ACP assistance and the budget has a balance of approximately \$12,000 for the third quarter. This is a good time of the year to consider tank construction to bring about better grazing distribution and therefore conserve the grasslands. Cost-share assistance for constructing or enlarging stockwater tanks is 10c per cubic yard of earth moved.

Come by and talk conservation with us — that is our business.

### A Thought

"Success is that old ABC — ability, breaks and courage."

Mr. and Mrs. Dennis Bradshaw are the proud parents of a boy, born Wednesday, July 10, at Stewart Clinic. He weighed 8 pounds and was named Mickey Lynn. The grandparents are Mr. and Mrs. W. W. Pinkerton and Mr. and Mrs. G. W. Bradshaw.

## Five Rural Traffic Accidents Investigated By Highway Patrol

The Highway Patrol investigated five rural traffic accidents in Donley County during the month of June according to Sergeant J. W. Wilson, Patrol Supervisor of this area.

These wrecks accounted for one death, five persons injured and an estimated property damage in the amount of \$4,700.00.

The Sergeant stated that this brings the total for the year thus far in Donley County to 15 accidents that claimed one life, injured nine people and caused property damage of \$11,688.00.

For a comparison, the Patrol Supervisor pointed to accidents in this County for the first six months of 1962 that accounted for two deaths, 17 injuries, and property damage of \$16,560.00.

"Prior to July 1, there had been a total of 941 fatal accidents in Texas," Sergeant Wilson said, "That took the lives of 1136 persons."

"As the year is over half gone, there are definite indications that traffic deaths will hit an all-time high in 1963. Motorcycles at this time are over 100 more than at the same time last year," the Sergeant said. "If we continue to take lives at the present rate, 1963 will become the most deadly year in Texas history for traffic fatalities. Considering the trend of increased accidents and casualties, we have every reason to expect that traffic deaths will exceed the previous all-time high in Texas of 2611 in 1956."

"Only 191 more deaths in 1963 than in 1962 will make a total of 2612 deaths, an all-time high and an increase for the year of eight percent over 1962. Deaths this year have consistently been

in excess of eight percent over 1962.

The Patrol Sergeant stated, "This is not just a probability, it is fairly certain to become a reality unless the motoring public becomes more thoughtful in regard to complying with all traffic laws which would break the trend."

Mr. and Mrs. F. N. Bentley of Amarillo and Mrs. Lannie Golladay and son, Mike, of Seattle, Washington, had Sunday dinner with Mrs. Bentley's father and mother, Mr. and Mrs. Geo. L. Green. Mrs. Golladay and son, Mike, are in the process of moving from Seattle, Washington, to New Orleans, Louisiana, where Mrs. Golladay's husband is with the Boeing Aircraft Corp. He is connected with the purchasing department of the corporation.

Recent visitors in the home of Mr. and Mrs. Loyd Carmichael and Eddie were Lloyd's mother, Mrs. Lucy Carmichael, Clifton, Colo.; Mr. and Mrs. Clarence Caswell, Barbara and Jerry, Baytown, Texas; Mr. and Mrs. Fred Mouser, Mr. and Mrs. Wayman Staus and Dorothy, Pampa; Mr. and Mrs. Jack Trout and children and Mrs. Billy Lane, Borger; Rev. and Mrs. Roy Eason, Bethel and Deloris, Mr. and Mrs. Gene Swearingen, Dewanda, Ricky and Sharon, Clarendon.

Chris R. is the baby boy born to Mr. and Mrs. Keith Schollenbarger of Guymon, Okla. He weighed 9 lbs., 4 1/2 oz., and arrived July 12, 1963, at Adair Hospital here. The proud grandparents are Mr. and Mrs. George Schollenbarger and Mr. and Mrs. Lloyd Risley, all of Clarendon.

Cheryl and JaNae Wood of Gainesville are visiting their grandmother, Mrs. G. W. Wood, and other relatives.

## TO THE PEOPLE OF THE 18th DISTRICT

By Congressman Walter Rogers

### I Say Yes! To America

Can you say YES! to America? Do you have faith in your country's future? Do you believe that the courage of our people and the strength of our institutions will carry our Nation to new glories? Is your personal conviction strong enough to withstand the assaults of those who would tell you that our Nation's most glorious days are gone, that we are surely destined for a secondary role in world affairs? Do you believe in the United States of America, past, present, and future?

Are Americans capable of patriotic expression, of putting into words the convictions they hold for their country and its future? I'm convinced our people, young and old, can say what they feel in their hearts about America. I believe that Americans, in full awareness of the deep problems facing us at home and abroad in this summer of 1963, can say YES! to America.

I like to see patriotism expressed. Now that it's summer, with youngsters home from school, I'd like to hear from Panhandle folks — young and old — on this topic:

### I Say Yes! To America

I'd like to see expressions of faith in America and its destiny from children and their parents — letters, not formal essays, stating their continuing faith in their country.

I'm opening a kind of contest — one in which everyone wins. First of all, those who write letters on the topic "I Say YES! To America" will have benefited by giving deep reflection to

their feelings about their country and putting their feelings in words. Second, those of us who read the letters — and I'll publish the most inspirational statements as part of a future newsletter — will benefit by seeing the convictions expressed by fellow citizens.

In a more material way, everyone who sends a letter on the topic will win. To each letter writer I will send copies of two booklets — "How Our Laws Are Made," a most interesting and accurate explanation of the Federal legislative process, and "Our American Government, What is it? How Does it Function?"

In addition, I will send other worthwhile books to the writers of the five letters adjudged to be most expressive in each of four age categories. These books are "Inaugural Addresses of Presidents of the United States" and the two-volume, authoritative study prepared by the House Committee on Un-American Activities, "Facts on Communism."

The letters will be judged in these age categories:

1. Grade School (grades one through six).
2. Junior High School (grades seven through nine).
3. Senior High School (grades 10 through 12).
4. Adult.

To the writers of the best letters in each category, I'll send an American flag — a flag that has flown over the Capitol of the United States — as well as the books and booklets. One of my most distinguished colleagues in the House of Representatives will be given the five letters I've picked as best in each category. He in turn will pick the flag winners.

I hope the letters flood into the office. Be sure and give me your name and address and the

category in which your letter should be placed. All letters postmarked by midnight Sunday, August 25th, will be considered in the competition. I'll announce the winners in a newsletter early in September.

Send your letters to me: Congressman Walter Rogers, New House Office Building, Washington 25, D.C.

Short or long, handwritten or typewritten, on expensive bond or lined notebook paper. It matters not how you write — but write! The thing I'd like to see is the expression of your faith in America, your sincere statement on the topic "I Say YES! To America."

Mr. and Mrs. Larry Hopkins announce the arrival of a daughter, Melanie Shawn, born Friday, July 5. The little miss weighed 6 lbs., 10 oz., and is the granddaughter of Mrs. H. E. Parker and Mr. and Mrs. M. E. Hopkins.

I wish to thank the doctors, nurses and my many friends for the help, cards, letters and other kindnesses extended to me during my stay in the hospital. May God bless each of you.

Mrs. Tom Crabtree

This little note is to express our sincere thanks and appreciation for all your prayers, sympathizing words and the wonderful food that was brought in to lighten our burden during our bereavement of our beloved husband and father.

God Bless All of You.  
Mrs. L. L. Wood and Sons
