First Baptist Church to hold revival 12-14

On behalf of The First Baptist Church of Clarendon, Rev. Heil extends to the community an invitation to their revival services of Nov. 12-13 and 14th. You will want to be in your services Sunday, but they would appreciate it if you could meet with them on Friday and Saturday evenings.

There are so many "good" ministers, evangelists and teachers in all denominations, that it is difficult to say "this is the best", said Rev. Heil but in the Southern Baptist Convention, Dr. Joel Gregory is one of the best. You will hear some of the best preaching and teaching of God's Word during these three brief days "that is a bold statement, but that is my honest opinion of this man."

Dr. Gregory has served the following churches: Egeheld Baptist Church of Waco; Acton Baptist Church of Granbury, Texas; Emmanuel Baptist Church of Waco and Gambell Street Baptist Church of Ft. Worth. He is now Associate Professor of Preaching at Southwestern Baptist Theological Seminary in Ft. Worth.

He was the Bible Teacher at Glorieta Baptist

Make EMS equipment donation

With delivery of the new ambulance recently, the Associated Ambulance Authority Board of Directors decided to take the necessary steps to bring both local ambulances up to new licensing standards soon to be adopted by the Texas Department of Health. The board opted for equipping one ambulance as a Mobile Intensive Care Unit and the other as an Advanced Life Support Unit or perhaps as a MICU provided a cardiac monitor/defibrillator can be acquired.

It should be noted that both ambulances are presently among the best equipped and staffed in this area and are licensed by the State Health Dept., meeting not only the requirements for licensing but also the suggested equipment to be certified by the State Registry of EMS vehicles. The present licensing standards are many years old and do need improvement. The new requirements should be instituted within the very near future and the Authority is attempting to meet these improved standards now, before they become mandatory.

The community has always been very supportive of EMS locally and this has kept it going strong. In a commun-

ity with a hospital, a good EMS system is very important, being the only link to 24 hour emergency medical care for its citizens, many times making the difference between life and death for the patient who is ill or injured. The excellent reputation of our local EMS is known area wide. By having only one full time employee and the use of volunteers who do as many things as they possibly can, costs are kept as low as possible for the provision of EMS and as much equipment as is financially feasible is purchased.

However, emergency medical equipment is very expensive and one of the best solutions to the problem of securing necessary lifesaving equipment is small communities such as ours is through donations. The local EMS is badly in need of some non-budgeted items to meet the new equipment requirements and to continue to have a top notch system. Since the appearance of an article two weeks ago in the Press, several contributions have already been received. Donations are tax deductible and may be in the form of cash donations of any amount to be used collectively as needed or for purchase of

a specific piece of equipment. A list of donors will be published as specified by the donor and a more permanent record will be made also. All donations will be acknowledged as the donor specifies.

Donations may be in memory of a friend or relative, in honor of someone special on a birthday, anniversary, etc, or for no special reason. Donations might be the result of individual contribution, civic group, school group, church group, fraternal organization, as a collective effort of employees and owners of a business, or many other ways. What better way is there to do something for the community than to provide, or help to provide a piece of equipment to save a life?

A list of needed equipment for both local ambulances follows, along with the approximate cost. For more information or to pledge your gift or donation, contact any Associated Ambulance Authority Board Member, EMS crew member, or call the Donley County Medical Center at 874-2622, Monday-Friday, 9 a.m. to 5 p.m. and talk to any member of the office staff. All donations will be used exclusively to purchase equipment and not for operating or any other general expenditure.

DR. JOEL GREGORY

Encampment in June of 1982 and then returned in July of that year as the Preacher for the Bible Preaching Week. He has been the Bible Teacher for the Panhandle Pastor's and Laymen's Conference, 1978, 1979, 1980, 1981 and 1982.

Dr. Gregory is a graduate of Baylor University and has his Bachelor of Arts degree and Ph. D. degree from that University. He is a graduate of Southwestern Seminary and is presently completing his Ph. D. degree in Greek through this seminary.

These are a few of his accomplishment, but his greatest accomplishment is his dedication of God's Word through teaching and preaching. "If you fail to hear Dr. Gregory, you will miss a definite blessing. Plan to be with us during these three brief days as we hear and study God's Word together" stated Rev. Heil.

This poor soul seemed lost last Saturday at the Lella Lake Halloween party.

Bronchos to end season

The playoff spots are decided and the remainder of the teams are playing for fun, pride and to be a winner. At least, the Bronchos are looking to this game with this outlook.

The Bronchos are staying home for the first time in three seasons, but it will be a character builder game with the Memphis Cyclones.

With the loss to Wellington, the playoff were finished so the only goal left will be the traditional game with arch rival Memphis. This is a totally different part of the season. The season records of the two teams can be thrown out and you can expect a game of tradition that will bring the pitch of excitement very high.

Memphis is 7-2 with losses to Panhandle (15-7) and Wellington (27-17). So the Bronchos will be as bound and determined as ever to get after the Cyclones. They have an extremely fine football team. The talent is as fine as any they will have faced during the year.

The backfield is very talented and the line is the part that makes them go. With the Kenny Jones (6'4" 195), Paul Richardson (6'1" 200), and Clarence Sims (5'8" 165) in that backfield

lining up behind Dan Pemej (6'0" 185) and Matt Howard (6'0" 188) at tackles, Danny Wolfcale (6'0" 175) and Teny Fields (6'1" 215) are the guards. In addition, the receivers Jimmy Richardson (6' 160) and Joe Hernandez (5'10" 150) can catch the ball very well.

The defense is as disciplined in the techniques as any one we have faced all year. The linebackers (Richardson and Penney) read very well. The line Chris Allard (6'0" 185) Kyle McQueen (6'190), Wolfcale, Danny Caniada (6'2" 198) and Jones are very capable of pressuring an offense. The secondary will be a fine test for the Bronchos in the passing game.

Overall, the team will be after a win and we will be looking for a fine battle with the Cyclones. It is a season finale and the team has played as well as they are totally capable of doing. It will be a great help to see a large number of fans at the pep rally Friday at 2:40 p.m. in addition to a big crowd at the game. Be there and support the Bronchos all the way through the game and out to the school song.

Xi Lambda Xi pecans delayed

Xi Lambda Xi members of Beta Sigma Phi sorority have annually sold delicious pecans to residents of the county. The shipment has been delayed this year past its normal time. The boxes of pecan pieces will be

available soon. The best place to pick them up would be at Henson's, but you may purchase them from any of the following members: Peggy Anderson, Carol Bryant, Janie Finch, Gloria Gage, Susan and Frankie

Henson, Genella Eads, Pat McCombs, Betty Veach, Charlene Mays, Frances Johnson, Beth Johnston, Maureen Butts, Beth Walker, Becky Hill, Sandra Mooring, Pat Archuleta, and Barbara Morrow.

Plan now for Shoppers late night

Clarendon's annual Late Night Shopping Christmas Community Party is just around the corner. With Christmas supplies already lining the shelves, it isn't too early to be considering what you would like to do that evening. The date hasn't been definitely set yet, but it will be one evening in the second week of December.

Get your club or organization together. Have a table selling goodies, set up a gift

wrapping stand, sell hot chocolate, make up tickets for drawings, get going NOW to make this a very special year.

The economy isn't at it's best, so something home-made for Christmas might be the answer. If you knit, crochet, bake or have any craft skills, collect some samples and peddle them on that Late Night Shopping Party.

Stores will open to help those of us who work have an

opportunity to visit our local stores for their quality products for those special gifts. Everyone will be in town.

shopkeepers will be eager to visit with all of their old friends and there will be music, choirs, square dancing, bands and lots of friends visiting...just like in the good ole days!

Make your plans today and don't put it off. November goes by much too quickly.

Rockets end playoff hopes for Bronchos

Last Friday night the Wellington Skyrockets, 6-1-1 on the season and undefeated in district play, invaded Broncho Stadium to meet the Clarendon Bronchos, 5-3 for the season and 1-2 in district. At stake was a playoff berth for the winner.

The game was one of the best of the season, as far as good hitting, execution, enthusiasm, and effort are concerned. An Amarillo sports-writer, who has seen numerous contests this season at all levels, said it was the best game he had witnessed all year.

Both teams played extremely well. When the dust cleared, however, it was Wellington that won the playoff entry and the game. The 21-17 score indicated how closely the teams were matched.

After stopping the Skyrockets on their possession and forcing them to punt, the Bronchos took the ball at their own 40 yard line and drove into scoring position. The first two plays from scrimmage earned no yardage for the maroon offense, but on third down junior Quarterback Dyron Howell hit senior Strong End Kelly Hill on a short pass for a ten yard gain and a first down. Hill made a spectacular one-handed grab on the play.

Then on another third-and-long situation, senior Fullback David Weatherton broke up the middle on a trap play for 20 yards. A quick pitch to Weatherton soon produced another big gainer, as the Broncho speedster blazed 35 yards to the Wellington 5 yard line, where he was forced out of bounds.

The Bronchos were poised to score first, but "Lady Luck" smiled upon the Skyrockets again, as she has done often this season. The Bronchos jumped offside on first-and-goal, and then a dive play earned no gain. On the third play the home team fumbled a pitch and ended up back at the 20 yard line, where they tried a field goal. It was partially blocked, as the visitors survived the first threat and kept the game scoreless.

The maroon defense continued to control the explosive Wellington offense on the next series. Senior Linebacker John Smith stunted on first down and chased down a Skyrocket back fro behind on a sweep play. Then senior End Todd Muse made a solo tackle on another sweep play. A third down pass completion gained only 5 yards for Wellington when junior Cornerback Bryan Smith, substituting for injured starter Curly Weatherton, made a good hit on the receiver to prevent a first down. Wellington was forced to punt.

Clarendon took the ball on their own 20 and immediately resumed their offensive success. Weatherton gained another 13 yards on a trap play and then Howell gained 22 more on a keeper as the quarter ended. A sweep with Weatherton carrying produced 8 more yards, but a pass incompleton and a dive for no gain forced the Bronchos to punt. Junior Arlis Thomas put the ball in the "coffin corner" where sophomore "gunner" Rodney

Smith downed it at the Wellington 6 yard line.

Then the Broncho defense again handled the rival offense. On a familiar sweep play, the defensive pursuit forced the speedy Rocket ailback to reverse the field, and End Rodney Smith was waiting to make the tackle. Similar efforts forced the visitors to punt for the third straight time. This time the punt was blocked into and out of the end zone by Bryan Smith, giving the home team a 2-0 lead on the safety.

Eventually the determined Wellington offense began to produce, however. In the second quarter, running backs Culpepper and Curry began to hurt the Broncho defense as the Skyrockets put on a sustained drive of about 60 yards that produced the game's first touchdown when heralded Rocket quarterback Wade Williams hit his split end over the middle for a 15 yard TD pass. The visitors tried for 2 points on the conversion, but Cornerback David Weatherton broke up another Williams pass attempt to leave the score 6-2 at halftime.

Clarendon received the second half kickoff and Boonie Gardner made a fine return to the Broncho 33. Howell then hit Kelly Hill on a sprint out pass that moved the ball to midfield. Howell then kept the ball on an option play and ran for 16 more yards, but he was shaken up on the play. Junior Doug Walker came in to replace Howell, and on his first play in the game called an audible and hit Hill on a 30-yard touchdown pass. Not bad for one (and his only) play. Arlis Thomas kicked the conversion to put the Bronchos ahead 9-6.

Wellington came roaring back, though. Culpepper returned the Broncho kickoff back all the way to the Clarendon 30 yard line. Only Rodney Smith prevented him from scoring. But Rocket quarterback Wade Williams hit a receiver over the middle for a 15 yard gain, and a few running plays moved the ball to the Broncho 5. From there Culpepper took a pitch and raced into the end zone. The kick was good and Wellington was up again, 13-9.

Then Clarendon took the ball and seemed destined to drive for the go-ahead score. But Howell was hit on a bootleg pass attempt and Wellington recovered the fumble. He was hit while throwing the ball, which should have been called a dead ball, but it wasn't and the Rockets got the break.

The maroon defense held this time and forced Wellington to punt from midfield. The kick went to the Broncho 12, but Rodney Smith made a good return to the 30. But the Clarendon offense stalled there and Thomas had to punt from his own 20. He got off a big one that sailed all the way to the opposite end of the field, rolling dead at the 18. Officially it was a 62 yard punt, but the ball traveled close to 80 yards.

Wellington was then forced to punt again and Boonie Gardner made a 15 yard return to midfield as the fourth quarter began. But the Broncho offense

The Lions Tale

BY GENE ALDERSON

The Clarendon Lions Club held its regular meeting at noon on Tuesday at the Lions Hall with 27 members, Lion Sweetheart Jessie Adams, and 5 guests present. Johnny Gerner, an insurance agent from Clarendon was the guest of Homer Estlack. Visiting from the Pampa evening Lions Club were George R. Bagley, L.B. Penick, B.M. Browning, and John Locke. Following the regular opening ceremony, Lion Brister reported that 57 people were checked at the glaucoma screening at the Senior Citizens Center last Saturday which was sponsored by our club.

For our program, Lion Locke spoke to us on the Lions Crippled Children Camp at Kerrville. In addition to the sessions for crippled children, the camp also has a session for diabetic children and offers training for the blind.

A HAPPY THANKSGIVING TO ALL!

Lelia Lake News

By JEANIE LAUDERDALE

From what I hear everyone had a wonderful time at the Halloween party Saturday night. There were about 150 people present. As you know it is for Lelia Lake people and their families, so those of you that couldn't come this year plan on being there next year. If you have any suggestions, let us know. That's what we want. Thanks go to the following people who did the planning, cleaning, and decorating: Bruce and Roxanne Shields, Donald and Debbie Shields, Gary and Renee Shields, Gary and Laura Harbert, Ronnie and Wanda Deen, Jerry and Janan Knootz, Roy Lee and Barbara Helms, and Phil and Jeanie Lauderdale. The party would not have been the success it was without community participation. Everyone helped by bringing refreshments and cakes, even if they couldn't be there. We also want to thank those that helped with the games and worked in the kitchen. A special thanks goes to the Community Center board for the funds, Earl Shields and Paymaster Gin for helping with the punch and necessary paper products. Now I just want to crow a little bit and tell you how proud I am to be part of a community that can work and have such a good time together.

We want to wish "Happy Birthday" to Jerry Asher-October 19th and to Barbara Helms-October 26th.

Avos Henderson flew to San Antonio Wednesday to visit their daughter-in-law and grandsons, Sharon, Andy and Clay Henderson. Thursday afternoon she attended Andy's team football game, which they won. Saturday afternoon she attended Clay's team soccer game, but I'm sorry to say, they lost. Friday night they attended a stage play of "Hello Dolly" starring Carol Channing. Aunt Avos loved it. She flew back home Sunday.

Shauna Lauderdale finally had her tonsils removed Wednesday. She's doing fine, if we can just keep her down. Phil, Shauna and I want to thank everyone for the visits, cards, flowers, stuffed animals, and books. She almost had Christmas in October.

I'm sorry to report that Fred and Jenny Ponder have moved to Canyon.

Ronald and Mary Castner's daughter, Carolyn Courtney from Slaton, spent the weekend with them. We all had a good visit.

Mr. and Mrs. Bob Keown visited with Mr. and Mrs. Henry Hasty Wednesday night.

Sunday a week ago, Mr. and Mrs. Jerome Bowling went to Canadian and spent the day with their son, Mr. and Mrs. Greg Bowling and family.

Danny Holland had Sunday dinner with his parents, Mr. and Mrs. Ray Holland and family.

Ronald Castner attended the cattle auction at Hollis, Okla. Saturday.

Mr. and Mrs. Harold Browning hosted a cook out at their creek Monday night for Church of Christ members and guests. There were about 70 present.

Visiting Henry and Nadine Hasty Saturday were Gerald and Helen Hasty and their grandchildren from Plainview, and Barry Hasty and his fiance' Rhonda Massingill from Clarendon.

Mr. and Mrs. David Wilson attended the cattle auction in Hollis Saturday.

Jerry Land spent the weekend in Amarillo visiting friends.

Barbara Helms and Mrs. Deb Knootz shopped in Pampa Thursday.

Mr. and Mrs. George Boyles of Amarillo and Mr. and Mrs. Forrest Bennett of Ashtola had dinner and played cards with Mr. and Mrs. J.D. Wooten Friday night.

Keenan Shields spent the weekend with his parents, Mr. and Mrs. Earl Shields and family.

Mr. and Mrs. Lacy Noble went to Amarillo Friday to be with Mary Noble while her husband-Lacy's brother-Sug Noble, had surgery at High

Plains Baptist Hospital. Sug is doing fine.

Mr. and Mrs. David Shields and family spent the weekend with his parents, Mr. and Mrs. Herbert Shields.

Mr. Richard Lewis came home Saturday. He'd been gone for three weeks visiting his daughter. Mr. and Mrs. Alvis Woolam and family, in Lampasas, Texas.

Sadie Shields and Joann Shields attended a bridal shower for Sadie's daughter, Lisa Knighton, in Amarillo Saturday.

Mike McCully had a pleasant surprise Sunday. Mike's cousin, Jeff Townsend from Lake Charles, La., stopped to visit. They hadn't seen each other for 44 years.

Mr. and Mrs. Hester Shields daughter, Mr. and Mrs. Jerry Lemons visited this Monday.

Alene Leathers and Barbara Helms attended the Baptist Womens World Day of Prayer program at McLean this Monday morning.

Mr. and Mrs. Jerry Knootz and family visited her parents, Mr. and Mrs. Cliff Jones, in McLean Sunday.

Now everybody pay attention to this. We will have Community Center this Saturday night, November 6th. The time is also changed. We will eat at 7:00 p.m.

A Moment for Meditation

By INEZ G. LAWRENCE
"Go ye into all the world and preach the gospel." Mk. 16:15

We have not been into ALL the world, but we have just returned from half way across the world. It was to preach the gospel too, and to share with the Brazilian people of Recife our faith. It seemed to be an impossible task for the one hundred and thirty-eight Texans from the Amarillo and Lubbock areas. For Recife has more than two million people. However, these Brazilians are very open to a personal commitment of their faith. Practical and personal christianity is very attractive to them.

We were welcomed by the Baptist leaders of Pernambuco state. Brazil has twenty-two states. Also the pastors and people of the thirty-two churches where we would work received us warmly. Some of the congregations are very small and extremely poor. Our assignment this year was in one of the smallest and poorest congregations. We were to visit as many homes as possible during the day in personal evangelism. My husband spoke nightly in the tiny church. The people came in large numbers. Many of them had to stand outside the packed building and listen to the loud speaker which was broadcasting the service to the whole neighborhood. The loud speaker would have been illegal in our country, but not in Brazil.

The whole country is struggling with inflation, but the poor are hardest hit of course. The American dollar was very strong and the people were eager to exchange their cruzeiras for American dollars. Fortunately for all the people there is an abundance of fruits and vegetables available. Recife is near enough to the Equator that most plants and trees grow luxuriantly. Every fruit imaginable and some we had never seen were in the

open street markets, but the pineapples and coconuts were the finest I have ever seen.

Drinking milk from the green coconuts refreshes one more Coca Cola does in the oppressive heat. The most famous soft drink of Brazil, though, is the guarana. Everybody drinks it. The guarana fruit grows along the Amazon river to the north and is sent all over Brazil. It is bottled and tops Coca Cola in sales which is second in the country.

The time was short and the work most tiring. The days too, seemed longer there as the sun rises at 5:30 in the morning. However from sunrise on, we followed the clock and were lucky to get to bed by midnight each day. Nobody sleeps much in Recife if you are on a mission trip. But the people repaid us for our fatigue and lack of sleep. They responded in great numbers to our message and we formed deep friendships with them. Our concern now goes beyond their spiritual needs to their social and economic needs. There is a national election coming up in November which will affect millions of lives. The Baptists are celebrating their centennial year in Brazil, also in October. The poor are everywhere and the cities are crowded. Their schools run three shifts daily to accommodate the exploding population. There are slums which make our city slums in America almost look good. But there is wealth and big business also. The percentage is much smaller, however. It is a land of contrasts and Recife seems to mirror the entire country. Ninety-five percent of the population is centered in ten cities near the coastline of the country.

We left a part of ourselves there away across the world, and while we have not gone personally into all the world yet, we are grateful to have gone into part of the world as the Bible commands.

had doctors appointments in Amarillo Saturday and managed a visit with her parents, the Carl Taylors.

Cathy Holland took Kala to Memphis for her medical check-up Tuesday.

Duane Hearne of Brownfield spent the weekend with his parents, the Charlie Hearnes.

Lloyd, Jessica, Stacy, Heather and Amy McCord of Childress visited the Burl Hollar family Saturday afternoon.

Marie Risley and Tresa of Amarillo visited with Melba Risley Friday afternoon.

Congratulations to Clifford and Stella Jewett for their 32nd Anniversary on Nov. 2nd.

Ruby Jewel Hardin did a demonstration on the use of sewing machine attachments and machine embroidery for the Young Homemaking Club at the home of Pat Ratten. She was guest of Cathy Holland.

Mr. and Mrs. Bill Bennett, Mr. and Mrs. Bud Butler and Mr. and Mrs. J.D. Wooten went to Graham to visit Mr. and Mrs. Bill Butler last Tuesday. Steve and Sharon Moore, Leah and Janna joined the family at their parents home for visiting.

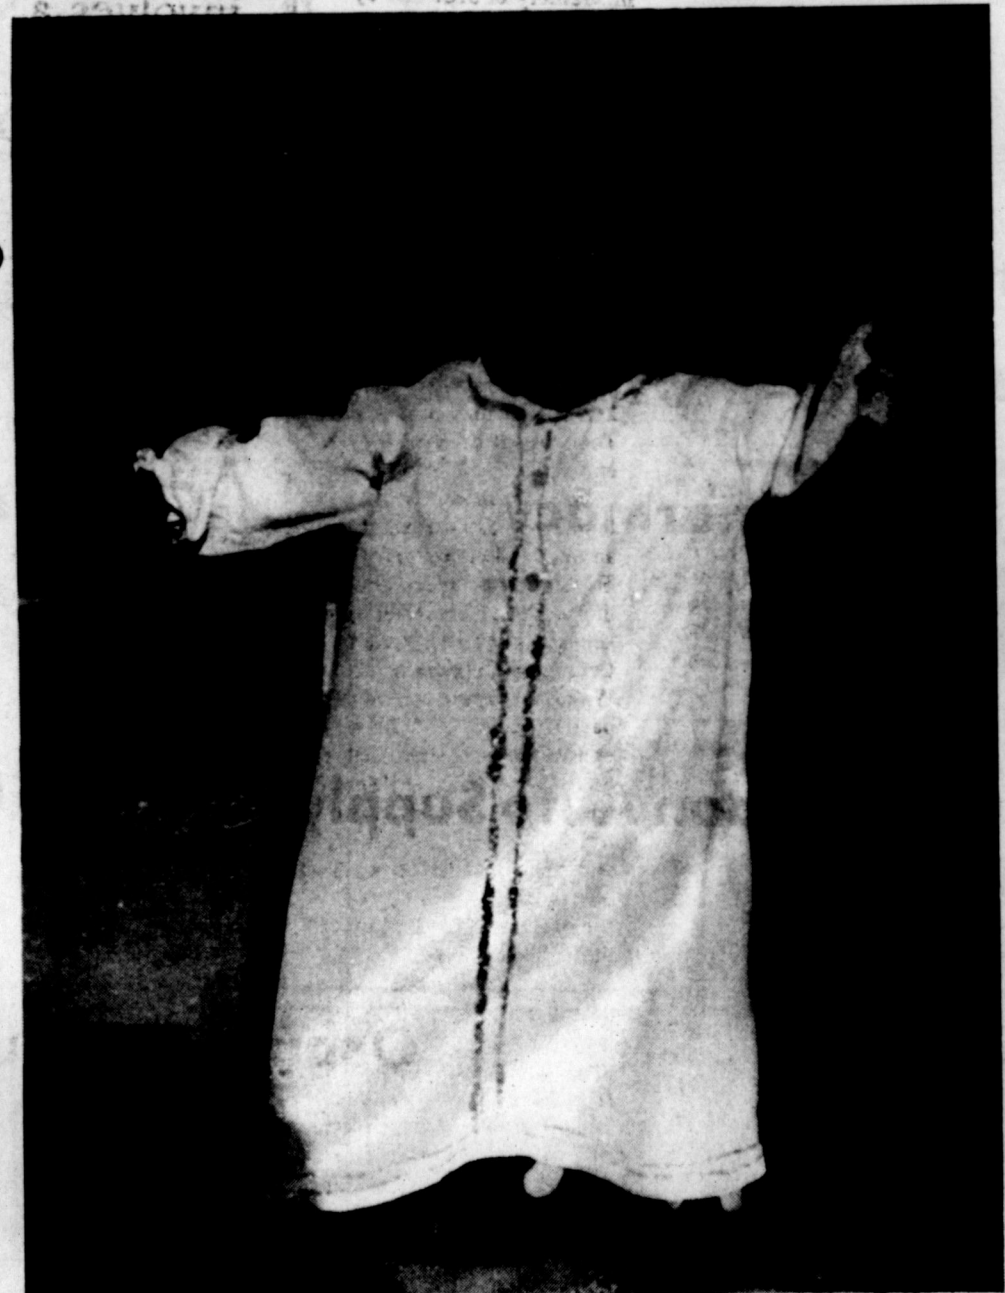

Joe Neal Shadle's grandparents from Buffalo, Texas Ardis and Dick Valence and a friend Ray came up for the weekend. Mr. and Mrs. Van Howard of Memphis, Tom and Louise Shadle and Sherl Hand, Caressa and Jeremy of Canyon were also guests of the Joe Neal Shadle family.

Naomi Green was in Amarillo Thursday with Beth Payne who had some dental surgery. Beth and Lori Green came home with Naomi Friday and she returned them to Amarillo Sunday with Jason Green as a companion.

The Bill Bennetts had supper with the Danny Holland family Saturday night and they all took Brock for his trick or treat outing.

Evelyn Tolbert went to the doctor at Memphis this week but reports much improved. Visitors in the James Tolbert home during the weekend were: Susie Kidd, Geneva Johnson, Ellen Collie and Mrs. Robert Murphy of Amarillo, Ray David and Christy Byrd.

Martha Jo Schollenbarger of Palisades came Friday to the Lloyd Risley home. Saturday they went to Memphis to help Seth Thornberry celebrate his birthday.

TFTA News

BY JANET RISLEY
The Clarendon T.F.T.A. Chapter met Thursday Oct. 21, and Thursday Oct. 28. We discussed our plans for the district convention. Annette Watson will be running again for district president and we are planning a skit on

behalf of her re-election. Mrs. Fuzz Mooring was elected as FTA teacher of the month and Dyanne Johnston is FTA'er of the month of October. Congratulations to both of them. Also congratulations to the Sophomore class and the Freshman

class. The Sophomores won 1st place in the spirit chain contest and the Freshman class won 2nd place. Both of these classes received plaques at the pep rally. We raised nearly \$140 from this activity.
We also discussed having a booth at the Halloween carnival but we decided against it.
We are still selling choco-

late candy bars. Be supportive and buy from any FTA'er. We also need the money turned in as soon as possible.
Our next meeting will be Thursday November 4, at 4:00 p.m. Everyone in F.T.A. needs to be there.

Dyanne Johnston was selected F.T.A. 'er of the month for October. Dyanne is a senior involved very actively in F.T.A.-she is Chapter President and Dist. XVI Corresponding Secretary; she is president of Maranatha; photographer and co-editor for the 1983 Broncho Annual; Dyanne is a very capable leader.

Mrs. Darlene Mooring was selected F.T.A. Teacher of the Month for October. This is her first year to teach at C.H.S. She teaches Speech I & II, and English II, C.H.S.'s Drama coach.

DEBBIE BURTON
Debbie Burton
4-H Gold Star Winner

At the Hanstford County 4-H Achievement Banquet held earlier this fall, Debbie Burton, daughter of Mr. and Mrs. Oran Burton of Gruver, was named 4-H Gold Star winner for 1982.

Debbie is a sophomore student in Gruver High School and a fifth year member of 4-H in Hanstford County.

Projects which Debbie has had include, steers, swine, lambs and poultry.

An Awards Banquet is being planned for 4-H youths of the area, and will be held in Amarillo later this month.

Miss Burton is the granddaughter of Mr. and Mrs. Bill Weatherly of Clarendon.

FOOTBALL Con't Em P 1 again ran into very stiff resistance from the 'Rockets and had to punt also. Thomas put the ball into the end zone.

Wellington then started on their own 20 and ground ut an impressive 80 yard drive. The Bronchos never gave up the big play, but Wellington kept getting first downs from Curry and Culpepper. Then Williams threw a scoring pass from the 15 to his tight end in the end zone, making the score 19-9. Wellington tried a 2-point conversion, but Curry fumbled into the end zone and the Bronchos recovered. For some reason the play was called good and the scoreboard read 21-9.

The situation looked desperate for Clarendon, but the players were not about to give up. Instead they came right back to score in a flash. That flash was Boonie Gardner, who caught the Wellington kickoff at his own 18 and followed some excellent blocking through and around the 'Rockets for a stunning 82-yard touchdown run.

Howell then threw a pass to junior Richard Gaines in the end zone for the 2-point conversion to make the score 21-17. Suddenly it was anybody's ballgame again.

Hoping for another great play, the Bronchos tried an inside kick, but Wellington recovered the ball. Then Curry ground out a few more first downs and in the process used up precious time. The final three minutes following Gardner's touchdown went by very quickly for the home team and fans, and the Bronchos never got the ball again.

When it was over, everyone involved realized that a great game had been played by both teams. Though a few points shy on the scoreboard, the Bronchos lost nothing in terms of pride, effort, and attitude.

Brownies make a profit

Profit report. Troops 29, 120, and the 1st grade Brownies made a total of \$109.95 as Halloween Carnival profit--this means each troop made \$36.65. All the girls and the leaders, Teresa Watson, Adenia Mills, Pat McAnear, Bette McAnear, Carolyn Altman, Mary Green, Renee Shields, and Jondel Meffett with to thank the community for coming out and helping us make the money. We also thank the Alpha Upsilon Epsilon sorority for making the Carnival a big success. There were several young people helping with our booths--they blew up balloons, they spooked the Spook House, they all worked very hard and we hope they had fun, too--we thank them very much for their time and effort. Many of our parents put out special work, too, we had DELICIOUS pizza, as many of you know, but there were parents spending their money at our booths and that is appreciated too. We hope everyone had a safe and happy Halloween and we hope the Girl Scouts made some of it possible.

Thank you, Clarendon business people, Alsups, Bivens, Charlies, Gibsons, and Osburn Furniture, for making our Halloween Carnival booths successful! Your support is greatly appreciated.

Sincerely,
Brownie Troop 29

EAR INFECTIONS MEDICINES

One of the most painful conditions experienced by small children is infection of the middle ear...otitis media. Some children seem to be afflicted with many infections... even with repeated treatment. About half of all children will experience at least one middle ear infection by age one. Nine out of ten children will have a middle ear infection by age six!

The treatment of ear infection typically involves a variety of medicines. Antibiotics are given to destroy infection-producing bacteria. Decongestants help open the small passages that lead from the middle ear to the throat. These passages (Eustachian tubes) help relieve pressure within the ear...their closure is believed by many clinicians to be a prime cause of ear infection. And allergy is thought to be a common cause of closure of these tiny passages.

Pain relievers such as aspirin or acetaminophen are of value when taken by mouth. The use of ear drops containing local anesthetics may temporarily relieve pain but will not aid in removal of the infection.

INSURANCE

"Getting the right amount of coverage"

"So our home was a little underinsured. We'll adjust."

What about you? If your home burned down today, would your insurance cover the cost of replacing it? Have your home inspected and your insurance updated annually. Take it from an independent agent: It's easier to adjust your insurance now than it is to adjust your lifestyle later.

IN AND AROUND HEDLEY

Hedley Basketball Report

The Hedley 1982-83 Jr. High basketball teams are small but productive. Although they're small the boys and girls are expecting a descent year. The boys will be hurt in losing Shawn Long an 8th grader. He was a good offensive and defensive player. They're still in good shape with two good players, Keith Watt and Calvin Holland. The girls have gained a player, Mary Ann Quijada, who will become productive and be an important part of the team. The 8th grade boys are Keith Watt and Calvin Holland. The 8th grade girls are Amy Shields, Deedra Word, and Mary Ann Quijada.

The 7th graders have to produce. They're very strong but small. These girls are very fast. The boys are small but will be a very important part of the team. The 7th grade boys are John Shields, Shawn Bright, Steve

Mullins, and Kevin Branum. The girls are Scheli Holland, Carol Glover, Cheryl Glover, Susan Phelps, April McCary, and the three new girls are Carmen Quijada, Sherrie Rogers, and Cindy Kirkpatric.

Jane Long returned Sat. from a 10 day bus tour with a primitive Baptist Church group. They visited the oldest Baptist Churches in the U.S.A. These churches were in Penn. Del. Virginia and Tenn. They also attended a church meeting in Ohio and Ark. It was a very enjoyable trip.

Mrs. Louise Stewart is

some exceptional people. Two of them are Chad Wiggins and Chris Ward. The sixth grade boys are Billy Clubb, Michael Head, Chris Ward and Chad Wiggins the 5th grade boys are Keith Brinson, Anthony Carson, Randy Kirkpatric and Guy Watt.

The 6th grade girls are Norma Andaverdi, Mindy Baker, Dana Guthrie, and Derenda Haire. The 5th graders are Jessica Sims and Larissa Floyd.

The teams play all 8th grade teams.

home from the hospital.

We would like to welcome to Donley Co. Mr. and Mrs. Hampton. The Hamptons have built a new home at Greenbelt. They are friends to Mrs. Darlene Ball. Mrs. Hampton is in Real Estate and Mr. Hampton is retired from the service.

V.T. McPherson brought in the first bale of cotton.

Anthony Knowles had a fire and all his hay, a lot of big bales were burned.

Pathfinder Guest Day

The Pathfinder Club held its guest day program on Oct. 22, 1982 at the Patching Club House.

Members and guests gathered in the meeting rooms that were decorated with pumpkins and branches of pyracantha berries. The candleabra on the piano held seven orange candles that glowed brightly.

Those attending registered at a table centered with a basket of dried fall flowers.

The Pathfinder Club president, Naomi Green, welcomed those present and introduced the speaker for the afternoon, Cheri Brown, the Donley County Extension Agent. Her topic was "Cooking for Company".

She also gave many ideas for nutritional snacks for the family. She gave each one present a booklet and a pamphlet of recipes for appealing and tasty party dishes and snacks.

She displayed a ring of fresh vegetables on toothpicks that made an attractive centerpiece as well as snack food. She also had a whole pumpkin baked with a filling of meat and vegetables; a casserole-type meal that even the bowl was edible! These dishes were sampled by the crowd.

Cheri also gave hints for successful entertaining; send invitations by mail, put a small menu card by each plate, have candles on the table, and fill the house with good aromas such as apples and cinnamon. For nutritious snacks she suggested popcorn, now vegetables, and toasted cereal mixtures.

The serving table in the dining room was covered with a burnt orange cloth and had a centerpiece pyracantha

berries and bright fall marigolds.

Naomi Green served tea and coffee from lovely copper pots belonging to Gene Marlon. A layered dessert square was served from a large copper tray.

The members of the social committee of the club were hostesses for the afternoon. They are Ella Gene Morton, Mary Hazel Van Zandt, Mary Gray and Carolyn Hamilton. Those present were: Gladys Sawyer, Anton Riggs, Margaret Wells, Ruth Robinson, Mary Thornberry, Naomi Green, Betty Williams, Edyth Corten, Marce Bell, Margoritte Alderson, Rachel Butler, Imogene Brunley, Lucy Saye, Clara Finley, Dunelle Clark, Dorothy White, Jessie Adams, and her mother.

Navy Sabbath

Your participation in the Navy Sabbath in coordination

with the Armed Forces Sabbath is requested Sunday, November 7. The Naval Reserve Association sponsors Navy Sabbath on the weekend preceding Veteran's Day (November 11) in cooperation with the recommendation of The Conference of Ecclesiastical Endorsing Agents of Chaplains and the Armed Forces Chaplains Board.

Thomas Paine gave us a guide still relevant: "Those who expect to reap the blessings of freedom must undergo the fatigues of supporting it." The men and women of our Armed Forces daily undergo this fatigue to some degree. Many, for long periods, are assigned to lonely outposts or deployed at sea. Their families back home equally share anxious days of crisis and loneliness. Those with prior Navy or those in the Naval Reserve are encouraged to participate as well.

"Not by bread alone" do we live. Navy Sabbath seeks to bring spiritual food to our Armed Forces family from the prayers and recognition of the community, prayers to overcome their inner fatigue

and recognitions that comes with the realization that their sacrifices are appreciated.

Clergy and congregations are asked to make November 7 a period of prayers of thanksgiving for past service and intercession for present and future needs of our Armed Forces family. Some mention in a sermon, use of the Navy Hymn (Eternal Father, Strong to Save) or Navy Sabbath prayers during the divine services will show our support for their sacrifices. Clergy might invite veterans in uniform to assist in the liturgy or to be a color guard with flag ceremony and the Pledge of Allegiance by the congregation. Especially do we want to remember those killed and missing in action.

Some hymns that might bring our minds towards our Armed Forces family, might include "O Mighty God, When I Behold the Wonder", "Holy, Holy, Holy! Lord God Almighty!", "Praise to the Lord, the Almighty", "Now Thank We All Our God", "Lead Kindly Light", "My Country, 'Tis of Thee", "God of Our Fathers, Whose Almighty Hand", "O

Beautiful for Spacious Skies", "Faith of Our Fathers! Living Still", "Mine Eyes Have Seen the Glory", or the Navy Hymn, "Eternal Father, Strong to Save".

All of those who have served, those who are serving and those yet inspired to serve would benefit from the faith and appreciation such participation would show.

West Texas Ginned bale of Cotton

Hedley West Texas Ginn reported to have ginned a bale of cotton Tuesday, October 26 for V.P. McPherson. It weighed 480 pounds, with 2200 pounds of seed. Cotton and lint was 480 with the seed of 1000 pounds.

THIS BEAUTIFUL pulpit and flower stands were made and donated to the Veterans Hospital in Amarillo by Cleo Russell.

Lone Star Specialist Pete Evans uses two balloons to explain an important home-heating message. The message is that a new high-efficiency* gas furnace can help you stretch your energy dollars.

A high-efficiency gas furnace makes a difference you can see.

The larger balloon could hold 104,000 cubic feet of natural gas; enough to heat an average home for more than a year.

The smaller balloon can also hold enough natural gas to heat the same home for the same amount of time.

Why the difference in size?

The larger balloon represents the gas capacity you'd need to operate a gas furnace built 10 or more years ago.

The smaller balloon represents the gas capacity you'd need with a new high-efficiency gas furnace.

Yes, it's quite a difference. Especially when you add up annual savings over the lifetime of the new furnace.

Gas has always been your most efficient fuel. A high-efficiency furnace makes gas go even further.

Call your local dealer. Tell him you'd like to stretch your energy dollars with a high-efficiency gas furnace.
