LOCAL GAS COMPANY REFUSES TO CARRY OUT COURT AGREEMENT

The agreed judgment in the Travis county district court relative to the local gas situation appears to have gone awry when time came for the gas company to proceed with plans of adjudication.

Below is given a portion of a personal letter to the editor of the Leader in which Attorney General Gerald C. Mann explains the status of the case.

"The appeal from the order of the Railroad Commission instituted by the City Gas Company was dismissed on February 10th. This dismissal leaves the Commission order effective. The Commission order provides for a reduction to a flat rate of 51c for the first 30,000 cubic feet as

The case was called Wednesday in the Travis county district court, according to a telephone conversation Mayor Tom Connally had with the Attorney General's department this morning. The gas company attorneys are asking for an injunction to prevent receivership, as intimated in Mr. Mann's letter to the editor of the Leader, and printed in connection with this article.

The case was in process when court closed yesterday. Today is a holiday and the case will not be resumed until tomorrow.

against the previous rate of 70c less 10% for prompt payments. The company now claims that the agreement to dismiss the appeal from the Commission order was not authorized or in the alternative the agreement was not properly understood. Obviously, these are inconsistent positions.

This Department will oppose the granting of any motion for the reinstatement of appeal, and a hearing on our petition for receivership has been set for March 1st. Our petition for receivership calls for the appointment of a receiver because (it is alleged) the company violated the statutes of this State relating to the keeping of records and the maintenance of an office in Texas. If the order of the Railroad Commission is enforced, it may be necessary for us to file suit to enforce it, which we shall certainly do; and if our suit for enforcement is successful, this will result in the refund of several dollars per meter to the gas consumers of Clarendon, and, of course the lowering of the rate in accordance with the order.

If the company decides to abide by the order voluntarily, the refunds will be forthcoming immediately; on the other hand, if we have to file suit to enforce the order it will probably be a matter of months before the refund can be made."

DAIRY JUDGERS TAKE AREA CUP

LOCAL F. F. A. BOYS ARE WINNERS FOR SECOND YEAR

For the second consecutive year, Clarendon F.F.A. dairy project judges Saturday won the Area I contest in Lubbock.

Over sixty schools participated in the meet. Maschil Cole was high point individual scorer for the entire contest. He was presented a gold medal for high point man in butter judging and a ribbon for fourth place in milk judging.

Johnny Leathers won a bronze medal for third place in judging cream and was sixth in the contest. Joe Williams received a silver medal for second in milk judging and a ribbon for tying for fourth in butter judging. The dairy cattle team placed sixth in the entire contest. They were second in judging holsteins.

PRESIDENT MILLER PICKS C OF C COMMITTEES

They are J. T. Patman, Ralph Andis, Homer Mulkey. Membership: Ralph Andis, A. J. Bryan, George Norwood, civic development and trade expansion; R. E. Drennan, H. T. Burton and J. R. Porter, educational; Sam Braswell, J. T. Patman, G. J. Douglas, A. L. Chase and Odor Caraway, Highway; Sam Braswell, J. R. Gillham, publicity; Homer Mulkey, Ray Robbins, George Norwood, Fourth-of-July.

PREACHER LIKES LOCATION AT PONCA CITY

A cheerful message from H. V. Crumley, former pastor of the Church of Christ here, and who took the same work at Ponca City recently, indicates that he is well pleased with his work there. He said he missed his friends in Clarendon, also the sultry climate we have. He spoke of zero weather there Monday of last week.

LIONS TO ENTERTAIN CLUB AND 4-H BOYS

Approximately forty youths of this section are expected to be guests of the Lions club March 21st in observance of F.F.A. and 4-H Club Day. A special program will be arranged for the event.

HEDLEY GETS REA CONTRACT LET

WELLINGTON, March 1.—Richard Mullinix Construction company of Oklahoma City has been awarded the contract to build the lines of the Greenbelt rural electrification project in Collingsworth and adjoining counties, Orval Couch, project superintendent, announced following the opening of the bids here Saturday, Feb. 18th.

The contract included approximately 40 miles in Donley County from the Collingsworth County line to the Hedley city limits.

The bid was for \$79,465.18, and was one of seven submitted. The work order on the project is expected immediately following the staking of lines by Carl C. Cox, project engineer. One hundred and twenty days will be allowed for completion of the lines following the receipt of the order.

In addition to this, work is now under way on a second rural lighting project, and Couch has indicated that the applications will be sent off within the next few weeks.

PIE SUPPER ANNOUNCED AT GOODNIGHT SCHOOL

Superintendent T. E. Holcomb of the Goodnight school announces a pie supper to be held Friday night, March 3rd. A one-act play and other amusement will make the evening very enjoyable. The proceeds acquired from an admission price of ten cents, will be used to purchase basketball awards. The High School Auditorium will be required to accommodate the big crowd that is expected. Girls with pies and boys with money is needed most, Mr. Holcomb states.

FRANK STOCKING IS LAW GRADUATE

CLARENDON NATIVE FORMER COLLEGE INSTRUCTOR HERE FOR YEARS

WASHINGTON, D. C.—Frank A. Stocking of Clarendon, a son of Mrs. J. D. Stocking, was graduated from the George Washington University with the degree of Bachelor of Laws at the Winter Convocation on February 22nd. Traditionally held on George Washington's birthday, the Convocation took place at eight o'clock in the evening in Constitution Hall. Some 370 graduates received degrees and certificates.

A distinguished audience, including members of the diplomatic corps and high government officials attended the Convocation, which was marked by the conferring of an honorary degree upon Oswaldo Aranha, Foreign Minister of Brazil, who is on an official mission to the United States to foster better cultural and economic relations between the United States and Brazil.

The University recognized on this occasion the part that music plays in the national life, presenting a singer rather than the customary Convocation speaker to convey its Convocation message. Miss Gladys Swarthout, young American mezzo-soprano of concert and opera fame, gave a program of songs.

Dr. Cloyd H. Marvin, President of the University, delivered the charge to the Graduates, awarded the degrees and certificates and presented each graduate with his diploma.

CLARENDON NEED NOT FEAR FLOOD THIS SPRING

Clarendon businessmen and land residents need have no special fear of flood-waters this spring, City Commissioner W. B. Halle said after the city council inspected dams in the flood control system last week-end.

Halle said all nine of the dams were in good condition including the Oster dam which last year washed out.

An example of the fine calves that will be exhibited here Friday and Saturday in the fourth annual Donley County Fat Stock show. The picture is of the fine Hereford entrant of Johnny Leathers of Lelia Lake and is expected to place high in the judging Saturday afternoon.

REA MOVEMENT GAINS MOMENTUM AS COUNTY-WIDE MEETINGS HELD

DONLEY TO ENTER 100 CHICKENS IN FT. WORTH SHOW

Donley County F.F.A. members and 4-H Club boys will enter 100 prize chickens in the Southwestern Exposition and Fat Stock Show in Fort Worth next month. Adviser J. R. Gillham announced this morning.

Entrants will be made in the club and open divisions of the show. Carl Morris, Russell Morris, Pete Morrow, Rex Shannon, Gene Putman, Junior Spier, Maschil Cole, Bill Alexander, Wilson Rector, and Harice Green will enter fowls.

Columbian Wyandottes, light brown Leghorns, Buff Minorcas, Speckled Sussex, Rhode Island whites, white Orpingtons, Black Langshans, Rhode Island Reds, lamons, black Leghorns, white giants, light and dark barred rocks are the varieties entered.

ATTEND FAMILY REUNION IN McLEAN SUNDAY

Mr. and Mrs. Chas. M. Lowry and children, Sarah Beth and Sam attended the family reunion at the home of Mrs. Lowry's mother, Mrs. J. W. Storey. The occasion was made all the more enjoyable because all of Mrs. Storey's children and grandchildren were present.

Other of her children present were Misses Nona and Jewell of McLean; Mrs. Ernest Beck and family; Chas. Cousins and wife; S. A. Cousins and wife.

Brothers of Mrs. Storey present were S. E. Major of Vernon, J. A. Major of Stamford, and J. E. Major of Albuquerque.

LIONS CLUB TO GIVE PLAY HERE MARCH 14th

For the benefit of their crippled and blind children's fund, the Clarendon Lions Club will present a comedy play "Rehearsal" Tuesday night, March 14, at the College Auditorium.

Mrs. Elizabeth Merchant and Mrs. John Knorpp will direct the show. The cast for the play has not been completed but will be selected from six men who will portray young girls rehearsing a play.

TWO HURT IN CAR ACCIDENT MONDAY

Mr. and Mrs. W. C. Bridges of Hedley were painfully injured Monday morning about 8:30 when the car in which they were riding overturned 3 miles west of Hedley on Highway Five.

Bridges, a Donley county farm committeeman and driver of the auto, said he left the pavement in order to avoid a collision with a school bus. The bus, he said, was traveling east.

Mrs. Bridges was confined to her bed Monday because of injuries, Bridges said. The driver of the bus could not be reached for a statement.

FOURTH ANNUAL CLUB BOY SHOW TO TOP ALL FORMER LIVESTOCK EXHIBITS

F. F. A. AND 4-H Members to Vie For \$200 In Cash Prizes; Judging And Parade To Be Held Saturday

Sleek top-grade calves, fat purebred pigs and high-blooded woolly lambs will be kings and queens this week-end when Donley county 4-H and F. F. A. members exhibit their prize animals Friday and Saturday in the greatest Fat Stock show ever held here.

Almost 250 highly groomed animals will be exhibited and will compete for \$200 in cash prizes.

Also on exhibition will be registered Hereford bulls and heifers from the E. B. Myer's stock farm near Ashtola and Clyde Gilbert's Willow Springs ranch south of Claude.

Calves will be shown in the Fink building on main street with the pigs and sheep penned on the vacant lot north of the West Texas Utilities office.

Judging Saturday Judging will open Saturday morning at 9 o'clock with E. M. Regenbrecht, extension service swine specialist of College Station, judging the swine.

K. J. Edwards, district agent of the extension service and noted cattle and sheep expert, will place the lambs at 11 o'clock. The calf judging is scheduled for 1:30 Saturday afternoon on the vacant lot south of the Clarendon Hotel, with Edwards also placing the calves.

Led by the Clarendon High School band, the show animals will be paraded down main street immediately following the calf judging and the presentation of awards.

Stock to Amarillo All calves and pigs placing high in the local show will be trucked, after the parade, for Amarillo where they will participate in the Fat Stock show, March 6, 7 and 8th.

Dopy, a dwarf Hereford, scarcely over two-feet high and weighing only 275 pounds, will be in the vanguard of the parade. The calf is the mascot of the 4-H Club and will have his private stall in the show building. He was born June 1 and is owned by the Lewis boys of Lelia Lake.

Pigs Lead Entries To top the entrance list, one hundred and seventy pigs have officially been registered. Thirty-three calves will be judged with 40 sheep completing the exhibit.

Ten dollars will go to the grand champion pig with either an additional five dollars or a registered pig. Bert Mayfield, local Duroc breeder and Elba Ballew, Hampshire raiser will give a pig if either a Duroc or Hampshire wins. Should another breed place first, Mayfield and Ballew will donate \$250 each.

The grand champion calf will receive \$25 in cash with the top sheep receiving \$8. Reserve champions in all divisions will receive subscriptions to The Donley County Leader. One dollar will also be awarded in all departments for the animals shown the best during judging. The showmanship awards are given by the American Legion.

Donley county business men, sectional feed supply houses and gins have subscribed \$250 for premium and expense money. The Clarendon Lions club has donated \$18 for grand champion awards.

Show Calf Owners Boys exhibiting calves in the show are Burl Logan, Harley Logan, Billie Peggram, Leland, Floyd and Jack Lewis, Johnny Leathers, Darrell Bailey, Edwin Floyd, Doyle Martin, Cleo Russell, Allen Hardin, Claude McGowan, Bobby Word, Her-

were affixed to the petition. Proponents of the plan say that only one and one-half to one and three-quarters of a mill will be needed to operate the band. Members of the city commission, however, see a possibility of the measure raising the city tax rate from \$1.20 to as high as \$1.50 on a hundred dollar valuation.

Under the law of Texas, as high as three mills per one dollar valuation may be voted, which is equal to 30 cents the hundred dollar valuation. With the present tax rate \$1.20 per hundred, three additional mills would boost the tax to \$1.50.

FATHER OF FORMER LOCAL BUSINESSMEN SUCCEUMBS

QUANAH, Feb. 26.—Bishop Pope, 74, pioneer stockman and rancher of Hardeman county died here early Sunday following an illness of several weeks. Funeral services will be held Monday at 3 p. m. from the home of a daughter, Mrs. R. E. Sullivan. Rev. C. Frank York of the First Methodist church will conduct the services.

Immediate relatives are the sons, Lee Pope of Quanah and Ernest and D. N. Pope Jr. of Lubbock; and three daughters, Mrs. Sullivan, Mrs. W. M. Bumpass of Quanah and Mrs. Kenon Hillyer of Houston.

E. T. Lee and D. B. Pope were formerly connected in Clarendon with the Hanna Pope & Co. dry goods store.

VISITING IN DEL RIO

Mr. and Mrs. Geo. H. McCleskey left here Saturday on a trip to the border. They stopped in Lubbock for a short visit, then on to Del Rio. An interesting experience included a visit from Eagle Pass into Mexico Sunday. They expect to be home the last of the week.

CLARENDON WOMAN NAMED ON 7th DISTRICT BOARD

CANYON, March 1.—Mrs. J. M. Rutherford, president of the Seventh District, Texas Federation of Women's Clubs, has announced names of women who will serve as board members during her administration. Included in the departments is Mrs. M. R. Allensworth, Clarendon, family finance.

STOCK SHOW IS BETTER.

The stock show here next Friday and Saturday will be much better than ever before. There will be more sheep, more of those fancy ham productions of several breeds that may be rolled up into sausage. Then there will be much more of the calves to look at this time. It is a great event for the folks to see what the youth of Donley is accomplishing.

Back east they brand beef produced in this section as "Banquet Beef." Well, it is that and then better. Beef stock that is bred and fed to produce prime beef, plus climate and water and all that old Donley has to make the best piece of steak in the world, is bound to go over big back east.

A fellow told me recently that such steaks served in Pittsburg cost them sixty-four cents a pound at the market place. We think thirty five cents is high here now for the best beef on the Globe. I doubt it.

GROWING FOR TEN YEARS.

With this issue, the Leader enters upon its eleventh year. It seems like a long time ago back there on March 12, 1929 when the first issue came from the press. The Leader started because 756 paid subscriptions before an issue was printed. Then at the close of the Frank Kane contest, in June of 1930, there was around 2,800 on the list. From that day to this, the Leader has enjoyed the confidence of the public, has grown and spent a lot of money on equipment. At the same time, no paper can

get anywhere without good will. Through the kindly cooperation of the people of this trade territory, you have made a first-class weekly that has served you fairly and honestly without prejudice or bias. We have done our best to present the facts to the public and let the reader decide the matter personally. There has been a lot of bad years with a few good ones. Our policy is to give you a paper worth the price of a \$1.50. We can't afford to carry any dead-heads on the list. Overhead expenses and the cost of news

print paper is too high for that. During the bad years we had "Egg Days," and then "Canned Goods Days," and various other methods by which our friends kept even with the board.

Looking back over the last ten years, it has been a happy occasion. There has been far, far more joys than sorrow. The future looks better than it has for nine years. I really think that, folks. We have all pulled together pretty well. When the best people on earth do that, we are bound to win. Thank you a lot and come in to see us just any old time. Saturday is and always has been our regular visitor's day. We have plenty of time and no matter who you are, or where you live, you will have a real warm welcome at the Leader office. If we can do you a favor in any way, it will be a pleasant task performed to the very best of our ability. We ain't smart, and know it, but we can appreciate friends and neighbors as much as any one in the world.

MARTIN
Mrs. J. H. Helton

Owing to the cold weather and the sore arms from the Small Pox vaccination, our Sunday school fell to 56. We are hoping we will have a pretty Sunday next Sunday and a larger crowd.

Mr. and Mrs. Luther Hall and baby spent last Saturday night with Mr. and Mrs. C. F. Brown of Goldston.

Mr. and Mrs. Will Jordan and children, Mr. and Mrs. C. F. Brown of Goldston, Fern Helton and Billie Ray Marshall spent Sunday in the Nealey Veasey home.

Mrs. Sam Rundell gave a stork shower last Wednesday honoring Mrs. Lowell Primrose. There were 29 guests present. She received many lovely presents. We also organized a Garden club to meet every two weeks. Next meeting will be at Mrs. Vergil Jordons the 10th of March. Refreshments of coffee and cake were served. The afternoon was enjoyed by everyone.

Mr. and Mrs. G. W. Kavanaugh took Sunday dinner in the Richard Cannon home.

Mr. Frank Cannon spent Sunday with Clyde and Carrol Peabody.

Mr. and Mrs. Rufus Pool and their daughter spent the week end in Paducah visiting Mrs. Pool's sister.

Mr. and Mrs. Fred Helton, Mr. and

Mrs. H. B. Hartzog spent a while Sunday evening in the J. H. Helton home.

Forrest Helton spent Sunday afternoon at Lelia Lake.

Mr. J. M. Acord has purchased a new catapillar tractor the past week.

Mr. and Mrs. J. H. Helton and Francis June took dinner with Mr. and Mrs. Fred Helton at Ashtola Tuesday.

PREMIER SHOWING OF NEW FRIGIDAIRE THE 13th.

Women no longer need to cover cooked foods placed in the refrigerator, according to Chas. Lowry, local manager of the West Texas Utilities Company, who said an outstanding scientific and engineering improvement had been added to the 1939 Frigidaire which will be introduced to the public here at a "premier showing" scheduled on March 13-14th.

The new 1939 "Cold-Wall" model Frigidaire represents a unique application of a scientific principle, provides uniform low temperatures, very high humidity, and eliminates moisture-robbing air circulation.

"These three important factors have been added without adding a single moving part to the mechanism," Lowry said. "Foods are kept naturally moist and vitally fresh longer than ever before, and without a cover of any kind, because these factors are utilized in combination."

Mrs. Bob Younger and children of Amarillo spent the week end here in the home of her mother, Mrs. W. H. Martin.

Donley County Leader, \$1.50 a year

Mr. and Mrs. Pruett of Shamrock visited her mother, Mrs. W. D. Martin in the first of the week.

TEMPLE OF TRUTH

By the Apostle

WHAT! NO SANITARY ENGINEER?

All the professions are apparently overcrowded. The lawyers had all kinds of requirements included in a law a few years ago to keep any law student from passing the bar examination. Now the beauty parlor folks are alarmed over the alleged overcrowded condition of their profession. They have asked the legislature to pass a law requiring nine months of training, a teacher for every 20 pupils, two years of high school and a doctor to give lectures.

JERRY MANN'S JOB

Last summer old Donley county rolled up an overwhelming vote for Jerry Mann in his race for the office of attorney general. The Leader is proud of the fact that it had a hand in his election, too. If you think General Jerry isn't on the job, just read his letter to the writer in this issue. Jerry wants to see justice done to all parties, but he wants something done. He's 'agin' things hanging fire while the people pay a penalty through that neglect.

GOOD OLD DAYS

The old fence-burning law passed in 1858 still is a law in Texas. It pro-

vides a penalty from two to five years in the pen or a fine not to exceed \$2,000. The penalty is little less severe than that applied to one who carries wire pliers while on horseback. Burning and cutting fences must have been quite a habit in the 'good old days' pretty much as speeding is today.

SPEAKING OF LAWYERS

For years and years any one could come to America. There was no restriction against anything or anybody. We finally got to the point that the foreign element referred to our nation as the melting pot. Now they want to come over and make a garbage can of it.

SECTIONAL AILMENTS

In England when times are hard, the folks move to the country. But in America, it is just the opposite. Look at the millions who have left the country to seek places in towns and cities. In America, heart trouble and nervous diseases are taking a big toll. Statistics show it to be more prevalent among those who have lived in the congested centers only a few years, or months. There is nothing like God's great out-of-doors.

FOR LADIES ONLY

You ladies who heard me rave over the tomato soup cake donated by Mrs. Neil Clark of Amarillo, should get the recipe out of this issue of the Leader and put it in your scrap book. The cake is great, no mistake about that, and it keeps for a long time. If the Apostle had to depend upon donations from one or two counties, he would starve to death. His "chuck line" covers the Panhandle like a sandstorm, and that's pretty thoroughly covered if you ask a resident out here.

VITAMIN K, MAYBE

The smartest people in the world live up in the Spearman country where the wind blows a hurricane speed 365 days in the year with the nights thrown in for full measure. When the wind gets above 60 miles

an hour, they shut off the winchargers and connect a wire fence with the batteries storing up great gobs of juice. A man loaded his electric washing machine into a truck to take it to town. He attached a belt from his washer to the flywheel of the pickup. A barb wire dragging along behind gathered the electricity for the washer, which turned the wheel that drove the belt that drove the pickup. Honest Bill Miller, candidate for congress, (wherever needed) is the master mind of all inventive progress in that section.

QUOTE AND UNQUOTE

A reporter rushed into the boss's office. He wanted a raise. He told the boss his wife was ill, his family on the point of starvation, his kids running the streets with no shoes on their feet. "What a story!" says the boss, "give me about three columns—with pictures."

LET'S HAVE IT

No joking. What became of the Federated Club bill to push billboards back from the highways. Hundreds of good women of this state spend time and money beautifying the highways and entrances to their respective towns. Much of this beauty is lost through unsightly billboards, boards that picture characters that are disgrace as well as a menace. Why not have a billboard law, club women of Texas?

Quote: "A son was born to Barney Konaster Monday.—Abilene Sentinel.

Unquote: We sincerely hope that Barney is coming along okey-dokey.

HOLLYWOOD'S NEW DEAL

About the time most of us got to thinking that the Hollywood bunch did nothing except swap wives, we find out they have been smuggling jewelry to get the deal over. Two 'trades' in one profession as it were.

PUBLISHER'S PESTS

It seems to be the Icky, Icky little words that float out on the ether at night that is bothering the eastern publishers most.

Now that you have read down to this point in the "journey of mis-

ery," turn to the article headed "On the Barrel Head," and digest that. Help others to help your interests. Write Rep. Gene Worley and Senator Clint Small what you think about these pending bills. Address each of them at Capitol Station, Austin, Texas. Thank you.

TOMATO SOUP CAKE

1/4 cup butter, 1 cup sugar, 2 eggs, 1 can condensed Tomato Soup (Campbell's is best), 1 tsp. soda, 1 tsp. Baking powder, 2 cups flour, 1 tsp. cinnamon, 1 tsp. nutmeg, 1 tsp. cloves, 1/2 cup raisins, 1/2 cup chopped dates, 1/2 cup nuts, chopped.

Cream butter and sugar well. Add eggs and beat well. Have dry ingredients, sifted together three times, ready to add alternately with tomato soup. Mix well. Add raisins, dates and nuts and mix well. Turn into well greased and floured baking pan and bake for one hour, (very slow oven).

This cake keeps moist for weeks. A cream cheese frosting may be used if desired.—Mrs. Neil Clark, 1537 Lipscomb, Amarillo.

1938 LAMB CROP BREAKS RECORD

AUSTIN, Feb. 23.—The largest lamb crop on record was produced in Texas during 1938, surpassing record-breaking production of the previous year, an Austin bureau of the United States Department of Agriculture reports.

The expansion in sheep numbers continued into the farming areas and the Western cattlereconomy despite heavy marketing, the bureau said.

"The number of sheep and lambs on farms, ranches and feed lots was estimated at 9,856,000 head on Jan. 1, as compared with 9,320,000 a year earlier," the bureau reported. "The number of stock sheep was estimated at 9,646,000, compared with 9,100,000."

with Mr. and Mrs. William Meador and children.

Mr. and Mrs. Ed Talley and children visited Sunday with Huston Mc Donald and family.

Mr. Lacy Noble, Alton Jacobs and Marshal Harp visited John Perdue Saturday night until bedtime and played dominoes.

Everyone remember to come to Sunday school and singing this next Sunday morning and night.

PNEUMONIA TREATMENTS NOW VERY MUCH MORE EFFECTIVE

But Coughs From Colds Break Down Resistance

The scientists and doctors of the world have made great strides in the diagnosis and treatment of the dreaded pneumonia. They have learned the various types and almost every city has hospital facilities that are fast reducing the death rate.

Most doctors agree that when a person's resistance is low he is much more susceptible, and that

coughs following a cold certainly break down your resistance.

At the least suspicion of pneumonia, call your doctor at once, and at the first sign of a cough due to a cold start taking Mentho-Mulsion immediately.

Mentho-Mulsion is that time-tested cough remedy, made from ingredients used by many doctors for years. Now fortified with both Vitamins "A" and "D," Mentho-Mulsion, at only 75c, is recommended, sold and guaranteed by good druggists everywhere.—adv.

SCHOOL CENSUS WILL BE TAKEN IN MARCH

Clarendon school children must be enumerated this month in order for the local institutions to receive the \$22, per capita state aid.

Superintendent H. T. Burton, in charge of the census, asks that all parents cooperate with the enumerators in seeing that all children who will be six years old before Sep. 1, 1939 or will not be 18 years old before that time, are indexed.

Taking the census here will be H. T. Burton, R. E. Drennan, McHenry Lane and Miss Lottie Britan (colored).

WELL, WELL, TRAIN RUNS OUT OF FUEL, HITCHHIKES ON DOWN THE ROAD

When motorists run out of gasoline its vexing, though not news, but when a passenger train is delayed an hour and one-half because of exhausted fuel, its something else.

Travelers at the Fort Worth and Denver depot here Friday afternoon were surprised when the 12:18 passenger train slid slowly down the west hill and came to a lazy halt some two train-lengths from the depot. They were more surprised, however, when the train showed no inclination of starting again, resting listlessly on the main line.

Railroad officials announced the train was dry of fuel oil and there were no engines or fuel oil at the small station, much time was lost until the train was hitchhiked on down the road by a passing freight engine.

THORNBERRY HOME NEARING COMPLETION

Workmen are gradually nearing the completion stage of the beautiful rural home of Mr. and Mrs. W. C. "Bill" Thornberry southwest of town. The new home is being constructed on a natural elevation overlooking the scenic canyon, and is about three quarters of a mile southwest of the old home place.

The structure is thirty-three by forty-six feet with a basement eighteen by twenty-two feet. The home will have five large rooms, bathroom and a roomy sleeping porch. The frame stucco plan is being followed with built-in features of the most modern type. Extra precautions have and are being taken to make this home as near dust proof as it is possible to make it. When completed, this home and its surroundings will be one of the loveliest places in this section of the Panhandle.

Mesdames Ed Dishman, Cap Morris, J. L. McMurtry, Louie Thompson and Elba Ballew were in Memphis Tuesday and heard the book review "All This and Heaven Too," by Mrs. Bob Holland at the home of Mrs. J. H. Morris.

Mr. and Mrs. Verna Lusk and son Bobby and her aunt, Mrs. F. M. Barton visited Mrs. Barton's brother and family, Mr. and Mrs. B. M. Wood at Pampa Sunday.

LELIA LAKE CHURCH ISSUE INCREASES ATTENDANCE

The Rev. V. W. Allen, Lelia Lake Baptist pastor, announced this week that with the publication of the church bulletin, church interest has grown rapidly.

The bulletin is published monthly and gives exclusive church news. Rev. Allen also said the mid-weekly prayer meetings were gaining in attendance. About 45 persons are present each Wednesday night.

ATTORNEY GENERAL SAYS ALL MUST OBEY LAW

Expressing a deep sympathy for the citrus fruit producers and shippers in the Rio Grande Valley, the Attorney General said the 7,000 truck limit was a law and that the law should be obeyed until changed by the Legislature. The fact that it might lose him political prestige was called to Mr. Mann's attention, but he continued to tell the public that the office of the attorney general was not a political office, but one of service to the people of Texas. Many compliments have been paid the At-

torney General here over his stand for law and order despite the actions of two district judges down state.

LOCAL V. A. LIVESTOCK TEAM TO ENTER AMARILLO JUDGING CONTEST

Members of the local F.F.A. livestock judging team are training this week for the annual livestock judging contest held each year at the Amarillo Fat Stock Show.

Six classes of livestock, two each of beef cattle, hogs and sheep will be judged.

Pete Morrow, Russell Morris, Homer Hardin, Frank Cannon, Ray Robertson, Lee Christie, Clyde Peabody, George Reeves, and Bailey Estes are working out for the team.

Mrs. Drew of Seymour is visiting her daughter, Mrs. Lalar Bell Wilkerson.

LOCAL MEN ENTERED IN WORLD'S LONGEST HORSE RACE CONTEST

Here Friday making final arrangements for the race were Allen Clifton of McLean and his nephew, Jack Clifton. They had two seasoned cowponies in a large truck to carry feed, chock and bedding in addition to two horses.

The men were on their way to Nocona where the race started Wednesday, March 1st. This race may be the last pony express run, say San Francisco world's fair officials, who are sponsoring it.

Each entry, allowed two horses, will ride one 25 miles and change the horse not being ridden will be carried to the next stop in a truck.

Clifton's 19-year-old son, Jack will ride two of Clifton's horses. Marvin Mathis, now of Logan, N. M., and once a foreman for O. V. Beck of Nocona on his Hartley county ranch west of Dalhart, will ride one of Clifton's horses, and one belonging to "Chunky" Bowling, rancher of Nara Visa and Dalhart.

Mathis estimated the race can be completed in about 14 days. First prize is \$750, besides the pony express receipts and chance for public appearances, Mathis said.

Jack Clifton, aged 19, and who will do the riding, is a son of A. C. Clifton, foreman of the Taylor ranch 20 miles northwest of Dalhart. His uncle will manage the campaign over the trying highway of 1,758 miles. Both men are confident of winning the grand prize of \$750, for they mentioned that fact with emphasis here Friday morning.

Mrs. M. C. Reid returned home Sunday after a visit with her daughter Joy Fierce at Borger.

Mrs. Halbert Grady and son Bill of Thalia, Texas are visiting her parents Mr. and Mrs. David Johnson.

550,000 ACRES IN PANHANDLE TO BE RESTORED

A total of 550,000 acres has been set as the Texas land restoration goal, Charles L. Thomas of Pampa, member of the Texas Agricultural Conservation Committee, said today, in connection with the announcement that farmers of 12 Panhandle counties retired more than 130,000 sub-marginal acres from cultivation in 1938.

Soil on the land retired was returned to the protection of permanent vegetative cover, in the AAA's land restoration program. Farmers participating in the program will receive 50 cents an acre, or a total of \$65,000 from the federal government. The 50-cent payment per acre is an annual reward for a period not to exceed three years, Mr. Thomas explained.

Gray county was not included in the following list as there were no acres restored to cultivation in this county last year, under the program.

Land restored in 1938, by counties: Dallam, 58,166; Deaf Smith, 20,436; Hartley, 15,436; Moore, 15,211; Sherman, 8,826; Hansford, 5,253; Ochiltree, 2,872; Oldham, 1,561; Lipscomb, 1,169; Randall, 702; Roberts, 368; and Carson, and amount undetermined at present.

Mrs. Andrew Jay was an Amarillo visitor Monday.

Mrs. Rosalyn T. Smiser and mother, Mrs. Tigert of Vaneta, Okla. were in Clarendon Wednesday. Mrs. Smiser is District supervisor of W. P. A. Library work.

TALLEST MAN ON RECORD REACHES 21 YEARS OF AGE

ALTON, Ill., Feb. 28.—Robert Wadlow, tallest man on record in medical history, today drew himself up to his full height of eight feet eight and one-half inches and said: "Today I am a man!"

And, by the way of celebrating his 21st birthday, Robert announced that, although he is the biggest man that ever lived, he is still growing, still putting on weight, is still healthy and aims to stay that way.

Inch and Half Taller.

His statistics chart reads thus: Height—One and one-half inches above last year's measurement; weight (before eating)—491 pounds; shoes—size 37; hat—size eight and seven-eighths; collar—size 19, with specially tailored shirt. The bed he sleeps in is nine feet six inches long.

Robert said the only normal sized piece of haberdashery or clothing he uses is a handkerchief. His appetite, he said, remains the same—good. He explained, however, that he eats but little more than the average person and is not on any special diet.

Physicians who examined the "Alton Giant" at Barnes Hospital in St. Louis said he may possibly reach the height of nine feet. They refused to predict when he would stop growing.

Shoe Business Good.

Robert's condition is caused by hypertrophy of the pituitary glands, and endocrine body which controls growth and is situated under the brain physicians said.

Robert said he has given up the idea of some day becoming a lawyer and would like to go into the retail shoe business. For the past year he has been traveling for the Peters Shoe Company of St. Louis.

The young giant said he has never received any suitable offers from Hollywood, and wouldn't accept them if he did. He declared that he "hated the show business, anyhow."

Robert explained that he went to Hollywood last summer and was entertained by the studios. Although he was given free access to the studios, he said he wasn't impressed.

Parents Normal.

"I just couldn't see myself as a supercolossal matinee idol, or a super-gigantic Robert Taylor," he said. "Anyway, those movie stars earn every cent they're paid. I think it's a pretty tiresome life."

Robert's parents are normal in

BREEDLOVE GIVES REMEDY FOR KEEPING SMUT FROM SORGHUMS AND GRAIN

Farmers who have been greatly bothered with smut in sweet sorghums and grains may bring the nuisance under control with very little expense, County Agent H. M. Breedlove advised today.

Breedlove said a good remedy is to treat the seed with copper carbonate at the rate of about three ounces to the bushel. By dusting the size and have four other normal children. His father, H. F. Wadlow, a former mechanical engineer, now travels with his giant son.

mixture over the seed and then straining, smut is absolutely kept from appearing on the seed.

Copper carbonate can be obtained from any local drug store, Breedlove concluded.

AT SISTER'S BEDSIDE

J. R. Gillham, manager of the local Chamber of Commerce and instructor in the Clarendon High School Vocational Agriculture department, was in Tulsa last week at the bedside of his sister who was critically ill.

Gillham returned to Clarendon this week after his sister's improvement.

DEPARTMENT OF EDUCATION LASHED BY INVESTIGATING COMMITTEE FOR 'POLICY OF WASTE AND EXTRAVAGANCE'

AUSTIN—A legislative committee report yesterday hauled the state department of education over the coals, charging it with a "general policy of waste and extravagance."
 Signed by four members of the house of representatives who had been ordered to investigate the department, the report charged salaries were increased beyond limits set by the legislature, employees had paid while off duty, traveling expenses were excessive, rural aid had been improperly administered, too many free text books had been purchased and vocational rehabilitation mishandled.

The signers were Representative Bowen Bond of Fairfield, Alfred Petch of Fredericksburg, Marvin F. London of Montague and Virgil A. Fielden of Mount Pleasant.

Saying there had been "an utter disregard in many instances of salaries set by the legislature," the report cited instances of porters who allegedly had been paid \$960 a year where salaries had been limited to \$660.

Miss Edgar Ellen Wilson, second assistant superintendent, who was acquitted on charges of misapplying funds in a district court last year, was named in the report as having been "paid a salary while not performing any service for the state." The report asserted Miss Wilson attended school out of the state but remained on the payroll.

"Numerous instances were found where two or more employees made trips from the same point on the same dates to the same destination but each apparently used his car as each charged for mileage," the report said. It added there were occasions where traveling expenses for one individual totaled \$2,000 a year. State Superintendent of Education L. A. Woods was not available for comment.

ACREAGE ALLOTMENT BRINGS THIRTY MILLIONS TO TEXAS FARMERS

COLLEGE STATION, Feb. 28.—Price adjustment, or "parity" payment rates, announced recently by the AAA, make it possible for Texas cotton, wheat and rice producers who stay within their 1939 acreage allotments to get more than \$30,000,000.

The rates are: Cotton, 1.6 cents a pound; wheat, 11 cents a bushel; and rice, 12 cents a hundredweight, or 19 cents a barrel. Price adjustment payments, which

are in addition to "conservation" payments at rates previously announced, are made on the 1939 normal yield of each producer's acreage allotment, for cotton, wheat or rice.

A producer forfeits his right to such a payment if he produces on any fraction of an acre more than his acreage allotment, George Slaughter, chairman of the Texas Agricultural Conservation Committee, cautioned.

Counting both price adjustment and conservation payments, the total payments to be made to cotton, wheat and rice producing participants in the 1939 program are: Cotton, 3.6 cents a pound; wheat 28 cents a bushel; and rice, 22 cents a hundredweight, or 35 cents a barrel.

"With prospects of large world production in each of the three crops, and an uncertain market for 1939 in every case, it is reasonable to suppose that most Texas farmers will take advantage of these guaranteed income supplements by producing within acreage allotments this year," Slaughter surmised. "The payments will enable many farmers to abandon the one-crop system and get on a more secure, diversified basis, using acreage diverted from cash crops to grow soil-conserving crops and feed and vegetables to supply domestic needs."

Ed Dishman had business in Plainview Monday.

DRAMATIC SCHOOL IS HIT PICTURE AT PASTIME THEATRE

Serving as an inspiration to all young people fired with ambitions to become great actors and actresses, "Dramatic School" opens Wednesday at the Pastime Theatre.

With an impressive cast headed by Luise Rainer and Paulette Goddard, "Dramatic School" takes the world into the little known classrooms of a typical dramatic school in Paris where the daily life and struggles of two score dramatic students are revealed for the first time.

Adapted from a popular European play, the story is woven around Louise Mauban, a poor factory worker, and her determination to become a great actress. She labors in the factory at night to pay her day-time class dues, meanwhile living in an imaginary world to conceal her poverty.

Romance enters the story when she is suddenly thrust face to face with the sweetheart of her dreams, a handsome and wealthy Marquis portrayed by Alan Marshal.

Included in the important supporting cast are Gale Sondergaard, Henry Stephenson, Melville Cooper, Erik Rhodes, Virginia Grey, Lana Turner, Anthony Allan and a class of thirty-six young actors and actresses, many of whom have never before appeared in pictures and whom Mervyn LeRoy, the producer, and Director Robert Sinclair selected as among the most promising young film talent in Hollywood.

COUNTY FIRMS DONATE TO FOURTH FAT STOCK SHOW

Realizing the importance of the cattle, hog and sheep industry in Donley County, Clarendon business firms, banks, gins, feed supply houses and individuals, contributed liberally last week to the premium list of the fourth annual Donley County Fat Stock Show which will be held here Friday and Saturday.

In subscribing the money, these men not only showed their desire to further the industries here, they also wished to show their appreciation to the sponsors and the boys themselves for this worthwhile enterprise which is an outstanding asset to Donley County and this section.

Following is a list of subscribers: Donley County State Bank, Farmers State Bank, First National Bank, Homer Mulkey, West Texas Utilities, C. D. Shamburger Lumber Co., Wm. Cameron Lumber Co., Bryan Clothing Co., Piggly Wiggly, Forest Taylor, Clarendon Furniture Store, Greene Dry Goods Co.

TRENCH SILAGE FOR 90 HEAD OF STOCK SUCCESSFUL

By H. M. Breedlove
Forest Sawyer who lives two miles north of Clarendon, has 90 head of calves and cows on feed in his feed lots at the present time. Mr. Sawyer filled two big trench silos last fall and is feeding his cattle silage, ground bundles and ground maize heads and cotton seed meal.

I would like very much for anyone interested in trench silos to stop by the Sawyer home and see cattle that are being fed silage and also to see a trench silo actually in use.

A demonstration will be held in the near future on the Sawyer farm to show the value of silage as a good cheap feed. Mr. Sawyer states that he thinks a trench silo is a good practical way of storing feed and that he intends to dig his silos deeper and store away more feed next year.

LOCAL F. F. A. MEMBERS TO TRY FOR STATE BAND

Several local F.F.A. members will try-out for the state F.F.A. band in Amarillo, Monday March 6th.

The try-outs will be held in connection with the Amarillo Fat Stock show.

Joe Williams, Ray Bulls, Johnny Leathers, Carl Morris and possibly a number of other Clarendon High School band members will make the trial.

TERRACING GROWS POPULAR HERE AS PRODUCERS GAIN

Approximately 50 per cent of Donley County's tillable land will have terrace or contour lines run by planting time next spring, county agent H. M. Breedlove said today.

Local producers witnessing the results of the soil and water conservation measure which have boosted yields at least 33 per cent, have formed a long waiting list by their demand for lines.

Already 12,900 acres of farm land have been surveyed this year and the agent estimates at least 8,000 additional acres will be covered during the season.

Breedlove said out of the 154,000 acres of tillable land in the county, 75,000 of them have contour and terrace lines.

Terracing has also prompted strip cropping and farmers report that the combination has proven a great value. Blowing has been largely reduced on the strip crop and terraced acres, they say.

NORWOOD PHARMACY TAKES ON A CHANGE

For some months Geo. E. Norwood, owner of the pharmacy bearing his name, has been planning certain changes to improve the appearance and service of his modern drug store next door to the post office.

At this time, Homer Taylor, assisted by John Henry Crawford, Carl Tyree, and Odos Martin are making a number of changes. The ceiling has been painted a light color giving better lighting appearances. Cases and counters are being made to conform to modern methods of merchandising. The prescription department is being changed up with a complete new set of fixtures, likewise made to measure to fit the space. The job will not be complete for several days, and will be an innovation in store fixtures when done, the workmen state.

NEW PARTY ICE CREAMS TO BE FEATURED HERE

Installation of a new 90 gallon an hour Master Ice Cream freezer was completed this week and Lee's Cafe is prepared to serve the public novelty or plain ice creams, malts or sherbets.

The cafe, while gladly serving home use, will specialize in party motifs, preparing the dish in shapes and colors desired.

FOUR-COUNTY BANKERS TO MEET THURSDAY

The Four-County Bankers Association composed of bankers and bank employees of Donley, Hall, Collingsworth and Childress counties will hold their spring meeting in Memphis next Thursday.

Aside from discussing banking problems, the banquet at Memphis hotel that night will give at least one an opportunity to display his oratory as toastmaster. The ladies will be guests of the Country Club in a bridge party following the banquet.

J. W. Noel of the Security State Bank of Hedley is president of the Association and L. H. Rigby of Childress is secretary.

Mrs. Sella Gentry, Mrs. Geo. Ryan and daughter Berkeley and Mrs. Cal Merchant left for Dallas Wednesday.

FARMERS EXCHANGE EXPANDS REQUIRING MORE ROOM

Manager Howard Stewart has had a partition removed and other changes made in the Farmers Exchange the past week. "Our business has increased to the point that we just have to have more room," Mr. Stewart stated Wednesday. More stock will be added to fill up the extra space to meet the demands of the constantly increasing volume of business.

PARSONS GROCERY STAGES ANNIVERSARY SALE

One year ago this week, M. S. Parsons established his grocery business on what he termed "The Bowery" where he had for years conducted a produce business. The building was nicely worked over to a very presentable appearance and a complete grocery stock took up all the convenient space. He continued his produce business and with his expansion, says he has enjoyed a nice business. Read his advertisement in this issue of the Leader wherein he quotes his "anniversary prices."
