# Peanuts-Popcorn - Bubble Gun and Hot Dogs

Does that sound like baseball? We might not have the peanuts, but we do have the popcorn! The Fund Raising drive this year for the Clarendon Baseball program will be POPCORN. It is called "Flavor Rite Popcorn." It is a gourmet popcorn specially selected for flavor and pop. The specially prepared oil for

the corn is made from peanut oil and will not burn so that the highest temperature for popping corn can be achieved. Also, a special popcorn salt is also available which is absorbed by the popcorn so that you get fine salt flavor without the granular taste. Our all out Fund Drive to sell the popcorn will begin

April 24th at 9:30 a.m. at the Little League field and will come to a close on May 4th. Special awards will be given for most sells, etc. This will all be explained to everyone on April 24, Saturday at 9:30 a.m. Prizes the kids can win will be as follows: Electric YO-YO, AM pocket radio, Electric calculator, Pocket

camera, AM/FM headphone Snooze Bear, TV Game, AM/FM cassette player, etc. All baseball and softball players and coaches be at the Little League Park Saturday,

April 24th at 9:30 a.m. dressed in your baseball outfit with gloves in hand. This will be the kick off for the program. Remember that it comes to a close on May 4th. Can't P 3

If a red check appears by your name your paper has expired. Subscription rates for Donley County \$9.00 outside of County \$12.00. Mail Box 1110, Clarendon, Texas 79226.

## Cancer Proclamation

"Whereas, cancer is the second leading cause of death and this year there will be about 835,000 new cases among the men, women and children of all ages in Texas and

"Whereas, The American Cancer Society provides invaluable aid in rehabilitation services to the cancer patient, improving the quality of survival, and

"Whereas, Many forms of cancer are curable if detected early and treated promptly, and

"Whereas, The American Cancer Society will, during the month of April bring local citizens important information about cancer which could save or prolong their lives, and

"Whereas The Donley Division of the American Cancer Society provides support for important medical research in order to finally eliminate the suffering and death from cancer

"Now, Therefore, I Shirley Clifford, Mayor of Clarendon do hereby proclaim the period of April 1 to 30, inclusive, 1982 as Cancer Control Month in Clarendon

and in doing so urge every citizen to support the American Cancer Society's annual Cancer Crusade."

The mayor cited the women and men who served as Girl Scout volunteer leaders as positive role models who "encourage girls to develop a growing confidence that enables them to meet today's challenges and to become tomorrow's competent, self-assured women."

## Girl Scout Proclamation

The Honorable Shirley Clifford has proclaimed April 22, 1982, as Girl Scout Leader's Day throughout Clarendon.

In her proclamation, the mayor cited the women and men who served as Girl Scout volunteer leaders as positive role models who "encourage girls to develop a growing confidence that enables them to meet today's challenges and to become tomorrow's competent, self-assured women."

The mayor urged that on

Girl Scout Leader's Day, girls, their families, and their communities join the nationwide effort to recognize and honor Girl Scout leaders for their important work.

This is the first nationwide salute to Girl Scout leaders during National Volunteers Week. A flag honoring the superb service of the nation's 300,000 Girl Scout Leaders will be flown over the Capitol building on April 22.

The Girl Scout Leader's Day proclamation was signed by Mayor Shirley Clifford.

## C C Ex-students to have reunion

George M. McClesky, a member of the 1932 High School graduating class, and now a well-known lawyer in Lubbock is scheduled to speak at the banquet Saturday night.

The schedule for the reunion begins Saturday, April 24 at 9 with registration in the college cafeteria. From 3-4:30 p.m. will be a Tea and Visitation time

at Mrs. Bromley's. That evening, the banquet, featuring McClesky, begins at 7 p.m. in the college cafeteria. Sunday, April 25, a special Ex-student Methodist Church service will be conducted. At noon Sunday, a luncheon will conclude the reunion in the college cafeteria.

Classes honored this year are the 1932 and 1957 classes.

## College Choir concert April 26th

On Monday, April 26, at 7:30 p.m., the Clarendon College Choir will present its final concert under the direction of Jennifer B. Scoggin.

The choir will sing "Jump Shout Boogie," "Right Back Where We Started From," "Lady," "You Decorated My Life," and selections from "Fame."

Many solos will be presented. These include "For Your Eyes Only," "My Guy," "Why Do Fools Fall in Love," "Just Once", and

"I'll Never Love This Way Again". Soloists performing who are not members of the choir are Clarendon residents Julia Cole and Cara Cornell.

Choir members are Janet Brunson, Las Cruces, N.M., Cassandra Crumpton, Orville, Ala., Chris Cummings, Clarendon, Lisa Freeman, Austin, Linda Jackson, Plainview, Cedrac Johnson, Houston, Kim Kelly, Clarendon P2

Don't Miss the 7th and 8th grade play

## A Pop-Rock Musical

A Pop-Rock, musical play you'll not want to miss.

Have you ever tried to imagine yourself looking through a one-way mirror and watching your son or daughter as they go through a week-end in their lives? I've heard that every parent would like to do this. And now, you can!

Just come to the Harned Sisters College Auditorium Friday night, April 23rd at

7:30 p.m. and witness the 7th and 8th grades music classes perform in a musical play called "Teen" directed by Thelma Shields.

There will also be a special group to perform between acts, that did the "Groovy Chicken" in the Tumbleweed Talent Show, plus another number they have worked up. Admission is free and the public is invited.

## Three go to state UIL

Clarendon will be well represented in Austin by three of its finest UIL students who will attend the State-wide UIL events in May to earn the coveted State trophy.

Brad Thompson captured first place in Informative speaking and Kelli Hardin took third place in the same event. Both of these students have a difficult task. They draw a topic minutes prior to their assigned speaking time and have a limited amount of time to look up resources to support their topic. They may have to inform the judges on anything ranging from atomic energy to zebra reproduction. They may not take a side or form an opinion on the topic, but must inform only, presenting both sides of the issue. This is a timed event requiring a clear mind, careful analysis of a topic and a firm commitment to in-

forming only.

Scott Newland captured fantasy, irrelevant data Journalism event entails a great deal of thinking. The news writer is given a sheet of facts, quotes and data on a set topic and is given 45 minutes to write a straight factual story without featuring or editorializing. Newland had to discern between fantasy, irrelevant data and pertinent information, write a news story in 250-350 words only and he had to write it better than any of the other participants.

Kay Hayes and Jean Stavengren are might proud of their quality students who will go on to Austin, and of their valiant students who made it as far as Regional! Clarendon can boast of three State UIL participants in 1982...perhaps three State Winners in 1982! Go For It!

## GTE rates challenged

In testimony filed this week with the State Public Utility Commission, Texas Municipal League rate experts challenged the request of General Telephone Co. of the Southwest for a \$110 million rate hike.

The League's testimony was filed in advance of utility commission hearings, that began April 15, on GTE's application for rate increases that would raise the monthly charges for some customers by as much as 71%.

The Municipal League's analysis concluded that GTE's request for \$110 million was far in excess of the amount justified to keep the company financially sound. The cities' study of the company's books indicated that GTE was legitimately entitled to a rate hike of just \$23.3 million-about 21% of the amount asked.

The increase recommended by TML would give GTE a rate of return of about 16%, compared to the 18% that the full amount requested by the company would provide. TML also was critical of the company's proposal to

charge far higher rates to some of its customers than those in neighboring exchanges. Under the company's plan, a given telephone customer could be charged nearly double what his neighbor pays, simply because of a slight difference in location.

GTE's recent rate increase request, which was filed January 29, is its third in three years. In 1980, the company asked for a \$58 million increase and received \$31 million. In 1981, the company asked for a \$45.3 million, but the utility commission approved just \$2 million.

The Texas Municipal League is representing 90 cities that are intervenors in the GTE rate case now before the state utility commission. Utility experts hired by the TML cities have scrutinized GTE's books to determine the proper balance between the company's justifiable revenue needs versus the needs of telephone customers for quality service at equitable rates.

## Girls track team will challenge Hamlin

The Clarendon girls track team will attempt to challenge defending champion Hamlin for the 1982 Region I-AA championship this coming Friday and Saturday in Odessa. The Bronchettes have just completed five meets undefeated and a regional qualifiers meet in which there were 38 teams entered and competed extremely well against all classifications which included schools from Abilene, Midland, Odessa, Fort Stockton, Sweetwater and Plainview.

The girls won the 400 meter relay in 49.52 (49.0 in prelims) and were 3rd in the 800 m. relay in 1:45.9. In the individual events Angie Gardner was 5th in both the shot put 36'2" and the discus 108'6". Vanessa Calloway was 2nd in the triple jump with 36'3 3/4" and 3rd in the 100 m. dash at 12.39 in addition to running the anchor leg on both relays. She was voted the outstanding girl in the meet. Susan Thompson was 6th in the triple jump at 35'0" and ran on both relays. Linda Weathererton was 2nd in the 200 m. dash in 26.14 sec. and ran on the two relays.

In addition to these girls, others that will be competing in the Regional meet are Kelli Hardin, who also was qualifying in the Literary meet to go to Austin for the State Championship. Paula Noble in the Shot Put, Dyanne Johnston in the 1600 m. run. Connie Garmen and Patrice Shields in the 1600 m. relay.

A break down on the events that our girls are entered and the best efforts of these events.

**400 M RELAY**  
Angie Gardner, Kelli Hardin, Susan Thompson and Vanessa Calloway. Best time 49.0 sec., Top Regional 49.0 sec.

**100 M DASH**  
Vanessa Calloway, Best time 12.18 sec.; Angie Gardner Best time 12.37 sec.; Top Regional 12.18 sec.

**100 M HURDLES**  
Susan Thompson Best time 15.27 sec., Top Regional 15.37 sec.

**800 M RELAY**  
Angie Gardner, Kelli Hardin, Linda Weathererton, Vanessa Calloway best time 1:45.91; Top Regional 1:44.7 Hamlin

**200 M DASH**  
Linda Weathererton Best time 25.73, top regional 24.12 Bolden, Hamlin

**1600 M RELAY**

**Lelia Lake meeting**

Lelia Lake Community Center will meet Saturday, April 24 at 7 p.m. There will be an election for the Board of Directors.

**Calendar**

Mon., April 26, 7:30 p.m. Harned Sisters Auditorium Clarendon College Choir Concert.

Mon., April 26, 7:00 p.m. 1981-82 Colts All-Sports Banquet in school cafeteria.

Patrice Shields, Connie Garmen, Kelli Hardin and Linda Weathererton Best time 4:16.0 Top Regional 4:05.4 White Deer

**1600 M RUN**  
Dyanne Johnston best time 6:01.2, Top regional 5:46.9

**TRIPLE JUMP**  
Vanessa Calloway, best jump 36'6", Susan Thompson, best jump 35'9", top regional 37'3" Bolden, Hamlin

**HIGH JUMP**  
Kelli Hardin, best jump 5'2", top regional 5'3"

**LONG JUMP**  
Vanessa Calloway best jump 17'8", Linda Weathererton

best jump 16'11", top regional 18'2 1/4" Bolden Hamlin

**SHOT PUT**  
Angie Gardner best throw 36'8", Paula Noble best throw 32'9 1/4", top regional 39'9 1/4" Wiley, Ralls

**DISCUS**  
Angie Gardner Best throw 110'8 1/4", top regional 130'8" Boling Albany

These young ladies have had an excellent season and are looking for 2 more team victories - Regional and State, with a little luck and a great deal of effort they will reach their team goal.

## Precinct conventions

A Democratic Precinct Convention will be held at 7:15 Saturday, May 1, 1982 after the election. Precinct 1 convention will be in the old college building at the High School. Precinct 2 site is in the court house. Precinct 3 will be held in the Lion's Den in Hedley and

Precinct 4 Convention will be held at the First Bank and Trust.

Those voting in the Democratic Primaries are cordially invited to these Conventions. You must attend the Convention in the area you have voted.

## Voting places for primary elections

Voting places for the upcoming Primary elections for county and state officials Saturday, May 1, 1982 are: Box 1, Howardwick Community Center (Lions Hall); Box 2, Courthouse; Box 3, Lelia Lake Community Center; Box 4 at the

old college building at the Clarendon High School; Box 5 at the Hedley Lions Hall; Box 6, Ashtola Martin Community Center; Box 7 at the First Bank and Trust; Box 8 Jericho at Santley Lamb's home; Box 9 in Skillet at McClellands home.

## Final scholarship deadline

Junior and Senior class high school students who are interested in applying for \$1,000 college scholarships should request applications by May 7, 1982 from the Educational Communications Scholarship Foundation, 3105 MacArthur Blvd., Northbrook, Ill 60062. To receive an application, students should send a self-

addressed, stamped envelope with a note stating their name, address, city, state, zip code and approximate grade point average. Fifty award winners will be

selected on the basis of academic performance, involvement in extracurricular activities and the need for financial aid.

## Farmers to have important meeting Thursday

Farmers interested in making a profit out of farming and businessmen interested in seeing farmers able to make a profit need to attend this very important meeting Thursday, April 22 at 8 p.m. in the Clarendon High School cafeteria.

Mr. James Long, president of the Texas Agriculture Movement will speak on

organizing a Political Action Committee (PAC) for farmers. This step follows the informative meeting held with Meek and Hightower in Amarillo last week.

Everyone directly or indirectly involved with farming is invited to attend and help determine the future of farmers in Donley County.

## Don't forget time change

Don't forget to spring forward Sunday, and set your clock one hour earlier Saturday at midnight. You can go to bed one hour earlier and

plan on getting up one hour earlier. Day light savings time is once again upon us so that we may enjoy more daylight and save energy.

Firemen fighting garage blaze. (Photo by Ron Smith)

### Two homes saved in quick action

Clarendon's Volunteer Fire Department has done it again. Through fast action, the department responded in record time to a fire in a garage at about 208 S. McClelland on Monday at 11:06 a.m. Two trucks re-

sponded to "the hottest little fire I've ever been to," said Bob Kidd, officer in charge of the fire. "The garage was full of old carpet, mattresses, furniture, highly combustible materials that really set up a hot blazing fire."

The wind was blowing very hard and sent sparks flying to a small home next to the garage scorching the window frames. A small trailer house parked four feet from the rear of the garage suffered smoke damage and some of the interior work melted in the fierce heat generated by the fire.

A near tragedy was averted when the woman who reported the fire was also able to unlock the trailer house and safely and timely remove the small child who was asleep inside. If the fire

department had been later or if the woman did not have access to the trailer, the child could easily have suffered from smoke inhalation or burns as a result. Small children left unattended in locked quarters are always endangered from just such a calamity.

The cause of the fire has been determined as accidental as a result of small children, too young to be in school but old enough to handle matches. Children need to be counseled concerning matches, fires, and the dangers of both. No child should ever be allowed to handle matches to cook, to play, or to "just have". This is a very stern example of what happens when children are allowed this freedom.

Thanks to the 20 firemen who responded to the fire and quickly extinguished the blaze, saving two homes and to the woman whose quick thinking possibly saved the life of a small child. The garage was considered a total loss.

### Traffic accident claims 3 year old

On April 16, a vehicle driven by Martha Bailey of Amarillo was east bound on highway 287 about 3.2 miles West of Clarendon, was involved in a one car accident that resulted in the death of a three year old boy.

Mrs. Bailey was distracted by the two boys in the back seat of the car. She looked off for a minute and when she looked back at the road, she was on the median. She over-compensated, lost control and the car rolled over 3 1/2 times, coming to rest on its top. Mrs. Bailey's son, Jacinto Blanco Jr. was thrown from the vehicle and was killed.

Mrs. Bailey and her son Robert Bailey III suffered minor injuries. "If they had had their seat belts buckled," said a spokesman for the DPS "none of them would have been injured and certainly would not have been thrown from the ve-

hicle." This is the first fatality in Donley County as a result of a highway accident since January, 1982. Of the 4,000 accidents reported this year, only 17 have had their seat belts on.

### Senior Citizens Calendar of Events

Something new and different at the Senior Citizens Center will happen Friday night. Enchiladas, tortilla chips, salsa dip, burritos, peppers, and for desert, apple burritos will be served from 5:30 p.m. April 23. The cost to Senior Citizens (60 or over) will be \$2, for all of the rest of us, it will be a mere \$3 a plate!

Dance practice every Monday from 7 until 9 p.m. Exercise every Mon.-Wed. starting at 2 p.m. Crafts every Friday around 1 p.m. and don't forget lunch Sunday through Friday.

Mexican Dinner at Sr Cit Friday, April 23, the Senior Citizens Center will host a delicious Mexican Dinner for Both Sr. Citizens and guests. There will be enchiladas, tortilla chips, burritos, salsa sauce and cheese. For desert, there will be apple burritos.

### Tables for community center

The Young Homemakers Extension Club donated six tables to the Community Center. A total of 20 were needed. Mr. and Mrs. James Owens donated one cart. We do thank the following people for contributing for the remaining 14 tables:

Young Homemakers Club- Mr. and Mrs. James Owens, Mr. and Mrs. T.W. McAnear Mr. and Mrs. Johnny Bill Hermesmeier, Mr. and Mrs. Phillip Hermesmeier, Mr. and Mrs. Jack Eads, Mr. and Mrs. Larry Summers, Scott Murray; Mr. and Mrs. Ike O'Neal and Mr. and Mrs. John Grady, Kidd Texaco, Knorpp Insurance Agency, Inc., Mike's, Gibbons Pharmacy, Mr. Bill Todd and Tillie Anglin, Texas Saddlery Mr. E.W. Kent, Mr. John Knorpp, Mr. John Sarich, Mr. and Mrs. W.W. Goodman, Donley County Bank, Lowe and Courtney, Mike Sanders, Charles SoRelle, David Owens, Mrs. Frank Hermesmeier and Mrs. Stella Ruyle, Mr. and Mrs. Jerry Gage.

The public is invited to come out and enjoy the facilities.

Quitters are Gaining  
Some 54 million Americans continue to smoke more than 630 billion cigarettes each year, but the American Cancer Society reports that there are now 33.3 million ex-smokers, up from 31.5 million 3 years ago.

### CC Choir Concert Fm PI

don, Carol Lester, Mobeetie, Mary McNary, Turkey, George Milhouse, Selma Ala., Stacy Mooring, Clarendon, Della Riggins, Plainview, John Riggins, Plainview, Cynthia Salinas, Lockney, and Grey Smith, Selma, Ala.

The concert will be in the Harned Sisters Auditorium and admission is free. The public is cordially invited to attend.

Myth: Food stamp recipients eat like kings. Fact: The average monthly food stamp allotment is \$135 per household. That's \$34 a week to help feed three people.

Myth: Texans tax themselves heavily to pay for food stamps. Fact: State taxes don't pay for food stamps. Food stamps are paid for with federal money. State taxes are used to share administrative costs 50-50 with Washington.

Myth: poor people have huge families because welfare rewards them for having babies. fact: On the average, AFDC families have 2.2 children.

Sylvia S. Bremer

### At General Telephone... We're Not Simply Talking About Service Improvements We're Making Them In Clarendon

At General Telephone, better service isn't just a goal. It's a solid commitment. General Telephone spent over 354 million dollars in 1981 on capital expenditure projects (i.e. new electronic switches, expanded cable projects and modernization), and GTE will spend over 410 million dollars in 1982 to provide you the best telecommunications available.

For you, as a valued customer, this investment in service improvement is working as shown below. General Telephone is working hard to continually provide you with the best of service.

The Texas Public Utility Commission (PUC) has established certain standards in public hearings, and our service results are listed against those standards

	Texas PUC Standards	Most Current Figure
% customer calls answered promptly business office/repair service	90	99.6
% service order commitments met as promised	90	100
* % local calls completed on 1st try	98	99.5
* % direct dialed long distance calls completed on 1st try	95	100
% out-of-service trouble cleared within 8 working hours	90	98.7

\* these results based on electronic testing

# Jonna Naylor Woman of the Year

Twenty outstanding young ladies selected by campus organizations were honored at a banquet April 16 by the AWS in the East Dining hall at WTSU. Jonna Naylor, daughter of Mr. and Mrs. Duane Naylor of Crowell and granddaughter of Mr. and Mrs. Royce Hall of Clarendon won the silver tray and was named Woman of the Year.

Jonna Naylor

Jonna's parents, her aunt and uncle, Mr. and Mrs. Horace Green of Clarendon, her cousin, Mrs. Ellen Patterson of Dumas and several friends were guests for the occasion.

Jonna's activities on campus leading to the nomination included: Freshman Senator, Best Senator her Sophomore year, as Jr. VP of Student Government, President of Student Senate, numerous committees.

Jonna has been a member of WTSU Leadership Board-3 years, President & VP of AWS. She is currently Secretary of Political Science Club, was a delegate to the Democratic State Convention 1980.

Jonna was a DJ for campus radio station KWTS one year newscaster and reporter one year, DJ of the Week, News Reporter of the Week, Recipient of Distinguished Student Service Student Service Award, 1981, WTSU delegate to SCONA, student conference on National Affairs. In addition RA and Asst. Dir. of Brown Hall, active in Intramurals and Programming Activities. Jonna is a junior and her major is Public Administration.

## Baseball Fun P1

Those included in the Clarendon Baseball Program are: Pee Wee's (ages 7-9 years), Little League (ages 10-12), Senior League (ages 13-15 years), and Girl's Softball (ages 8-15 years). All of these boys and girls and coaches and parents must be at the Baseball Field this Saturday at 9:30 a.m. All of the kids, Pee Wee's through Girl's Softball must be in full uniform, this is for two reasons. 1-team pictures will be taken by The Clarendon Press staff. The pictures will be in color so that copies can be purchased from The Clarendon Press, Clarendon should be extremely proud of our local newspaper.

The second reason we want all of our baseball and softball kids in full uniform is because of our fund drive.

The fund drive will continue through to May 4th. On Saturday, May 1st, we will have a GARAGE SALE for the Clarendon Baseball Program. This will take place within the 10 Day Fund Drive. On that Saturday, May 1st, the Garage Sale will be held on Bylow's Parking Lot across from the Post Office. We will be selling some old baseball equipment from our store-room, such as old bats, baseballs, shirts, caps, catchers equipment, etc. NOW, in addition to that, we are asking that everyone willing donate garage sale items to Little League to be sold for profit for our Baseball program. Items such as old furniture, toys, tools, clothes, anything you would donate that could be sold for the program. A big drawing card for this special garage sale will be a Used Car donated to the program by "Top of Texas New and Used Cars of Pampa-owners of the car dealership are Doil and Von Nita Douthit. This car will be auctioned to the highest bidder by Steve Smith, Vice President of the League. Also an Oil Painting by James Ivy Edwards will be auctioned to the highest bidder.

We have set as a goal for the fund drive to raise \$4,000. With the help of our kids selling popcorn, our garage sale and special donations, we will go beyond that amount. If you wish to donate items to the garage sale, bring these to Tom Harguess' home, corner of 4th and Goodnight or call Tom at 874-2495 by Friday evening May 1st by 8 a.m. Watch The Clarendon Press next week for more information on the garage sale.

The Popcorn Sales begin this Saturday, April 24th at the Baseball Field at 9:30 a.m. All Pee Wee's, Little Leagues, Senior Leagues and Softball Girls be in full uniform at the Field ready for team pictures, plus popcorn sales.

**Little League Teams**

## Baseball field dresses up

Have you been by the Baseball Fields lately to see all the work that has been done and is being done? Our lights are up and working, thanks to Greenbelt Electric for the poles and placing the poles. Also thanks to Bobby Hoggard, West Texas Utilities and Terry Ashcraft, Greenbelt Electric for hooking up the lights. They Now Work on Both Fields.

Have you seen the new dugouts? The concrete was donated by Morrow's Red-Mix of Clarendon. The labor on the concrete was donated by Ronnie Baker and Ronnie Deen. The steel and labor on the dugouts was donated by Barry and Becky Phillips of Phillip's Gin Service and Metal Buildings. In addition to all this Barry has done additional work on our storage building securing it to the concrete slab and putting up steel shelves on the inside of the building. Plus Ronnie Baker did a lot of much needed dirt work with his "Bob-cat" --all donated.

Next on our list are the following items to be done. Some will be donated, some will cost us the actual cost of materials. On the Little League Field, we have removed the old announcers stand and concession stand. We are going back in with a metal building-brand new--on a concrete slab. This work will be done by Barry Phillips and Ronnie Baker at cost. This will be a building we can all be proud of. It will be fully completed in about a week. Plus on the Senior League Field we will concrete the dugouts and do special work on the dugouts such as some steel posts and sheet metal roofs over them.

Junior Putman is doing our special plumbing at cost. Shield's Fertilizer of Lelia Lake is furnishing fertilizer for the infields on both Senior and Little League fields. Special thanks to Arthur Shields.

Our signs around the little league field are being fixed up. Some will be repainted, some just touched up. The busted up signs will be replaced with new materials. Don Stone is painting those signs for about a quarter less the normal cost of a 4 x 8 sign to help the program. Thanks to Don for your love for Clarendon and our kids.

Also special thanks to Knorpp Insurance for a special donation involving the putting up lights on our fields.

Henson's donated about 30 gallons and about 30 quarts of good paint to be used in fixing up the place. Thanks to Henson's, J & W Lumber is donating some and giving at cost the other lumber related materials. Thanks Peanuts!

Many of our local business people besides buying signs are helping with the SCAVENGER CARDS for the Popcorn Sales. I will mention all of these in next week's paper.

From the bottom of my heart--thanks to everyone--kids, coaches, parents, business people and

# Wedding bells for Moore-Hill

Mr. and Mrs. F. J. Moore of Hedley proudly announce the engagement and approaching marriage of their daughter Tina Marie Moore to Robert Bryan Hill.

The parents of the prospective groom are Mr. and Mrs. Ross Hill of

Clarendon. The marriage will take place June 12, 1982 in the First Baptist Church of Hedley.

Friends and family are cordially invited to attend the ceremonies.

## Middlebrook fm P1

highly speculative businesses have. Middlebrook says that the PAC proposed by the AAM is "the best way at the Federal level to get legislation done."

Middlebrook takes a firm stand on soil and water conservation. "One way to help soil and water conservation is crop rotation. We should never cease to come up with a water conservation plan for the whole state," he said.

Big cities like Houston don't think there is a water problem," Middlebrook added.

Middlebrook is concerned with what happens in the rural school systems. "I sometimes wonder how we can keep small schools

functioning on the existing funds available. I am for less government and more local in-put in government in most areas except schools. Some things need to be done at the state level to equalize the school systems and to regulate the quality of teachers," he added that "we need incentives for people to become teachers and for good teachers to remain teachers."

"We need to equalize our tuition for state universities so that kids can make their choice based on the school rather on whatever they can afford it or not," he said concerning State funded Universities.

"I do want the Republicans in Clarendon to vote for me, to."

## Xi Lambda Xi met

April 12, the Xi Lambda Xi Chapter of Beta Sigma Phi met in the home of President Genella Eads. Pledge Dona Goss was duley made a full member into the Xi Lambda Xi chapter of Beta Sigma Phi with the special ritual. As usual with Dona, things just seemed to "fall" in place around her. We hope her joining us will not continue to be a cascade of tottering events, stumbling along with the rest of the unsteady members.

The minutes were started when Secretary Veach said "Ogsthath" or some such secretary talk. President Eads also seemed to have just washed her tongue and couldn't do anything with it, but in spite of all of these difficulties, the meeting progressed and progressed and progressed.

Tickets have been purchased for Peggy Anderson and a guest to attend the Distinguished Womens banquet at WTSU.

The charity ball was discussed as Frankie Henson presented some of the suggestions from City Council. The date has been set as May 15. Tickets will be \$15 a couple. The Nichole Band will play and there will be set-ups supplied. The raffle will be four dinners at Mrs. Bomleys at \$1 a ticket. There will be a new finish on the concrete floor—so formal gowns will not be damaged. Our sorority chapter will decorate the tables. Katie Dvorak was named decoration chairman. She decided that butcher paper would do fine, but Susan Henson suggested a nice covering, colored streamers to coordinate with the May Day theme and a bucket of ice with a large bottle of cola and maybe some small candles on each of the 20 tables. Susan was very persuasive and has been asked to help with the decorations.

A July 4th float will be a joint effort with the other sorority chapters. We will all "push" the Saints Roost Queens this year and make a float for them.

The next meeting, April 26, will begin at 7 p.m. at Pat McCombs home. Then the club will adjourn to the Patching Memorial Club House to attend the 1926 Book Club program and fund raiser in honor of Virgie Johnson.

May 10 will be the installation of officers. We will also wear the "new" clothing we acquired at this meeting to that occasion.

The slate of officers was presented. President for 1982-83 will be Pat McCombs. Vice President will be Gloria Gage. Betty Veach has had the secretary's book permanently welded to her hand, so she has accepted another term as our secretary. Corresponding

secretary, Charlene Mays, and college professor Dona Goss counted on her fingers long enough to become our treasurer. It was decided that Historian was such an awesome job that we should have Co-Historians, so Maurine Butts and Pat Archuleta will be Historians, a chapter first. Beth Walker was nominated from the floor, literally, to be Parlimentarian, but she hesitated on a point of indecision. However, she was duley elected and given no quarter. The Extension Officer will be novice Katie Dvorak. City Council representatives are Pat McCombs, Frankie Henson and Alternate Genella Eads.

Everyone had brought paper bags containing various and asundry articles to be worn at the May 10 meeting. These were raffled off by our quiet and retiring Maurine Butts for \$1 maximum. It will be a treat to see what each of us will have to wear to the "solemn" officer installation meeting. We dress for the occasions.

Charlene Mays presented a delightful program, with the help of all of us, from Dale Evans Rogers' book, "Woman".

Donna Edwards co-hosted with Genella. A sour cream and onion dip, a cream cheese and pineapple dip and crackers were served to the sugar-free ladies and strawberry square things were served to those who would eat them. Genella made an interesting three layered punch that must have been good. The eating continued for some time.

## Early Birds Met

Early in the morning, several "birds" waited outside of the courthouse, jammed into Maxine Hardin's huge stationwagon. After several false starts, a few unexpected stops, the Early-bird Homemakers finally arrived at Anita Moorings lovely home overlooking Greenbelt Lake, for their regular monthly meeting.

County Agent Cherrie Brown presented a humorous program on diets, fad-diets and the need to diet. She handed out some informative papers explaining the pros and cons of some popular fad diet plans such as the currently popular Cambridge Diet. We discovered that, as Cherrie put it, "If it sounds too good to be true—it is!"

Anita Mooring waited anxiously for this discourse on over-eating to conclude so she could serve us her bountiously laden table. Several of us sat with the saliva filling our mouths as we smelled the wonderful aroma waft-

ing to us from her kitchen. At last, clutching our diet programs in one hand, we filed eagerly into the dining area to eat a few "snacks". We will begin our diets next Monday.

Anita served cleverly decorated Easter cupcakes, nuts, a fruit punch, celery and carrot sticks and cheese dip, a yellow and scrumptious pound cake, sausage and cheese balls and a big bowl of fruit salad.

Mary Jane Smith brought her two daughters, Shelia Wade of Lelia Lake and Marilee Seth from high in the Arizona mountains in a small village called Kearney. Other members in attendance were: Pat McCombs, Dona Goss, Maxine Hardin, Clara Hodges, Melba Risley, Ruth Mondrofsky, Dikki Howell, and Katie Dvorak. Thanks to Anita for the wonderful treats and thanks to Cherrie for her en"lightening" program.

## 1926 Book Club

The 1926 Book Club will present Dessa Day giving a book review on "Thorpe", April 26, Monday evening at 7:30 p.m.

The 1926 Book Club would like to cordially invite the public to attend to have an enjoyable evening. Refreshments will be served.

As for admission, a donation will be asked and this will be used as a memorial to honor our member, Virgie Johnson.

Your support will be greatly appreciated.

# The Hamburgers Texans told us they wanted!

## Introducing Dairy Queen's all-new quarter-pound Hungr-buster® & half-pound Beltbuster®

At Dairy Queen we're out to treat you like a Texan. With the bigger, better hamburgers Texans told us they wanted.

Our all-new Hungr-buster and Beltbuster start with a full quarter-pound or half-pound of 100% pure, lean beef. Then we top them with plenty of your freshest favorites. Like crisp lettuce, red, ripe tomato, juicy pickles, onions, mustard or mayonnaise, all on a toasted bun. And, of course, your hamburger is made to your order — hot, fresh and just the way you like it.

Come taste our all-new Hungr-buster and Beltbuster at any of more than 750 Dairy Queen locations all across Texas. They're the hamburgers Texans told us they wanted.

And that's why they're the best.

**We treat you like a Texan.**

## Shriners Project going well

A.R. Henson has reported that the ticket sales for the Case Knife collection, valued at \$350, is going along just terrific. "Thanks to the generous support of the citizens of the Clarendon area," Henson said.

The knives are on display at the First Bank and Trust. You may purchase a ticket there, they will certainly be happy to accommodate you. "We sure do want to thank the First Bank and Trust for letting us display our knives there. Many folks go in and out of the bank and so everyone should have a chance to see this beautiful collection," Henson said. "Of Course," he added, "you may also see a set of the knives at Hensons."

The purchase of one ticket is only \$1. If you purchase an entire book, 12 tickets in the set, you only pay \$10, a real bargain considering that the total price is all tax deductible to begin with, and the money goes toward such a worthy cause.

ALL of the proceeds goes to the Shriners Crippled Children and Burns hosp-

## Machine embroidery classes

Interested in learning how to make appliques or monograms with your sewing machine?

There will be a Machine Embroidery Class conducted by Judy Morrison of Quitaque on Monday nights, (June 7, 14 and 21) from 4-8 p.m. The cost for attending the class is \$30.00.

You don't have to have a fancy sewing machine to do the work -- just a zigzag stitch.

For further details, contact the Extension office at 874-2141. The class will be limited to 12 people.

itals. This is not a fund raising project for the Al Morrah Shrine Club, it is to raise money for the benefit of the children of these hospitals. Any money you give toward the knife collection is a great tax deduction, is a charitable contribution and will go to help relieve some child of pain, trauma, and a deformity that could change their entire life.

Give the gift of happiness to a small child tormented by a horrible, deforming burn or the agony of a twisted limb and purchase a ticket from any Shriner, from the First Bank and Trust or from Hensons.

## Vaccinate for Brucellosis

Commissioners of the Texas Animal Health Commission are launching a statewide program aimed at encouraging livestock producers to vaccinate their animals for brucellosis control.

"Vaccination is a key element of the Texas brucellosis control program. We can build up immunity in the Texas cattle population by vaccination of all eligible heifers," John Armstrong, chairman of the Texas Animal Health commission said.

Other advantages are that the cattle can be moved in accordance with brucellosis regulations, they have more value and, of course, will be healthier.

Vaccination ages for heifers as official vaccinates are 4 to 12 months of age. A one-time vaccination is normally sufficient for the life of the animal. Bulls are not vaccinated.

## Phi Beta

## Lambda

## Conference

The Phi Beta Lambda Club of Clarendon College attended the State Leadership Conference in Marshall, April 1, 2 and 3.

The group loaded up and left Clarendon at 7:30 Thursday morning. We arrived at Marshall around 5:30 that afternoon.

The first general session began at 7 pm on the campus of East Texas Baptist College. A slide presentation of America was shown, the officers were introduced, and the candidates running for office gave their campaign speeches. We attended a mixer after the session.

The next morning everyone was up early to get ready to take tests in various business subjects and compete with other schools.

Our afternoon was free, so some of us went shopping and to drive around Marshall. Our group attended a play called "Fantasticks", that night at the campus. After that we went to the show.

Saturday morning was another general session. Don Webb and Dick Bode represented our club as voting delegates at the session. At noon was the Awards Luncheon to end this year's conference. Our club brought home a 1st place and three 3rd places. Our chapter placed 1st in the community service project which was the Tumbleweed Talent Show. It will be sent to Nationals at Indianapolis, Indiana in July. Debbie Hamilton placed 3rd in Ms. Future Business Executive, LaRae Sims plac-

ed 3rd in Office Procedures, and Dick Bode placed 3rd in Mr. Future Business Manager.

Our group had a good time and those attending were Debbie Proffitt, Debbie Hamilton, Roberta Maddox, LaRae Sims, Don Webb, Dick Bode, David Smith, John Kilgore, Wade Johnson and our sponsors Mrs. Trivitt and Mrs. Denney.

## Mormon church at 5 million members in

## 60 countries

Since 1980, when Joseph Smith was called by God to restore the Church of Jesus Christ, it has grown to be one of the largest and fastest-growing churches in the world, doubling its membership in the last 15 years alone. And as far as we know, it is also the only major Church in the world that has 12 apostles, just as when Christ was on the earth.

## On the water

WITH TOM MASTERS

## A New Marine Power System

Until about a year ago there were only three ways you could power a boat, not counting rowing, paddling, and sailing.

1) You could have an inboard motor. That's an automobile-type motor with a drive shaft that extends through the hull into the water.

2) You could have an outboard motor, a lightweight two-cycle marvel that is bolted or clamped onto a cut-down transom. Or,

3) You could have a marriage of the inboard and the outboard—a stern drive. That's a four-cycle motor that sends its power through the transom to an outboard-style lower unit.

It's obvious entirely new kinds of power units don't appear on the market every year. So, it's significant that a fourth marine propulsion system has now been introduced. This one is called the OMC Sea Drive™ power system, and if boating's prognosticators are right, this invention by Outboard Marine Corporation will be one of the most significant developments in powerboating in many years.

The OMC Sea Drive has a two-cycle powerhead, like the outboard motor. And it is expected to deliver the same kind of performance and fuel economy that boats get from the powerful, modern outboards.

But the OMC Sea Drive, unlike the outboard, will not require a tilting well. That's because it is attached to a special bracket that is mounted to the transom of an inboard-type boat. This creates more room in the boat, and the high transom provides more stern security in big seas than the cut-out outboard transom.

OMC Drive Systems, part of the OMC family, already has been selling a V-6, 2.6-litre version of the new power system, and will soon have a 2.5-litre model as well. These V-6 models are appropriate for boats from approximately 22 to 33 feet or so.

Controls and electrical connections are through a flexible, watertight conduit which also carries air to the engine from intakes on the gunwales. The powerhead is enclosed to protect the engine for continuous opera-

tion in following seas and when backing down on a fish.

Performance figures for the OMC Sea Drive are impressive.

A 28-foot Bertram sport fisherman with two prototype 2.6-liter units went 47 miles per hour. That was 12 miles an hour faster than an identical boat with twin 5-liter inboards. At cruising speed, about 32 mph, it had 34 percent more range than the five-liter inboards.

At last count more than 30 boat manufacturers had placed orders for this fourth power system.

Avid boating people will be watching to see if the OMC Sea Drive lives up to expectations. If it even comes close, it will be a winner.

## Patient Outreach

The 1981 more than 400,000 cancer patients were helped by various American Cancer Society service and rehabilitation programs.

## Local

Beatrice and James Burleson and their two sons went with Nola Barker to visit Mr. and Mrs. (Roberta) Reeves and their daughter Katy in Quanah Sunday.

## LOCAL

## DANGER

Danger Signals of Pinched Nerves:

1. Headaches, Dizziness
2. Neck Pain, Tight Muscles, Spasms
3. Shoulder Pain, Pain Down Arms, Numbness in Hands
4. Pain Between Shoulders, Difficult Breathing, Abdominal Pains.
5. Lower Back Pain, Hip Pain, Pain Down Legs.

These signals indicate that your body is being robbed of normal nerve function. Until this function is restored, you will, in some degree, be incapacitated. The longer you wait to seek help, the worse the condition will become. Don't Wait. Should you experience any of these danger signals Call for an in depth consultation in layman's terms.

Most health insurance policies cover Chiropractic care.

## Governor's task force

Governor Bill Clements announced March 31, the appointment of 34 members to the Governor's Task Force on Agricultural Development for two-year terms and at the pleasure of the Governor.

The Governor created the task force last December and charged it to examine in detail the status of Texas' agricultural production and agribusiness; to examine methods by which productivity of Texas' agricultural production and agribusiness can be improved and strengthened, and develop recommendations for legislation to address the needs of Texas' agricultural industry.

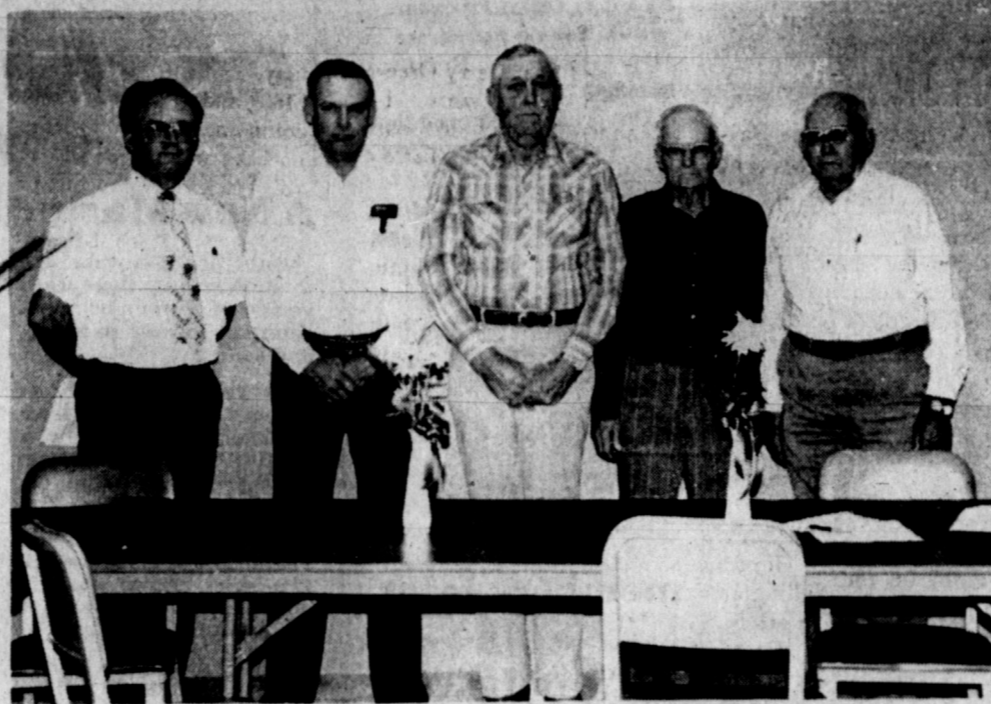

Governor Clements designated Robert L. Parker of Paris, TX, to be Chairman of the task force. Parker operates a feed mill and is President of the Paris Milling Company. Charles Ball of Amarillo, Executive Director of Texas Cattlemen's Association, will serve as Vice Chairman.

Among the 34 members is Dr. Charles Deyhle, a veterinarian from Clarendon. He is a member of the Feedlot Committee of the Texas Veterinary Medical Association and a member of the Board of Directors of the Clarendon Chamber of Commerce.

The Governor's Task Force on Agricultural Development held its first meeting on April 13. The meeting was in room 104 of the State Bar Building in Austin.

**Myth:** Lazy, able-bodied men get food stamps. **Fact:** Roughly four of every five Texas food stamp recipients are children or elderly citizens.

**Myth:** Texas is supporting huge families with food stamps. **Fact:** The typical food stamp household in Texas has three people.

HOSPITAL Board members sworn in by [l to r] Billy Ray Johnston, administrator, new elected board member Harold White, re-elected members Ron Castner, Quinn Aten and C. C. Ayers.

### What Others Say About State Representative FOSTER WHALEY Democrat

THE WELLINGTON (Texas) LEADER  
Thursday, April 1, 1982

Foster Whaley State Representative Foster Whaley deserves re-election to another term. Whaley has served four years in the legislature and now has appointments on the important appropriations committee and is vice chairman of the constitutional amendments committee. He's also one of only a handful of representatives that finances his campaign without donations from special interest groups outside his home district.

And Whaley and his wife both work full time at the job. (We're getting a bargain for our money.)

But perhaps Whaley has served his constituents best in helping them with day-to-day problems involving state government. An example: A couple of years ago four Wellington women, whose ages were 72 to 85, had been denied eligibility for continued nursing assistance. They were about to be forced to leave the nursing home because they could not make payments. The nursing home contacted Whaley and he drove to Wellington and interviewed the four women. Then he got on the phone and talked to Jack Blanton, executive director of the Texas Department of Human Resources. Whaley explained the situation and the ruling was reversed. That kind of interest in matters small and large makes Whaley a good representative for our district.

Henry Wells  
Editor-THE WELLINGTON LEADER

### The Lions Tale

GENE ALDERSON  
The Clarendon Lions Club held its regular meeting at noon on Tuesday at the Lions Hall. There were 27 members, Lion Sweetheart Jessie Adams and 4 guests present. Wes Henson of Henson's was the guest of Lion Redell Henson. J.L. Phillips, a local plumber, was the guest of Lion Lovelady.

Following the regular opening ceremony, Boss Lion McCombs presented the club with a request for three pairs of eye glasses for needy school children. The club voted to provide them. The boss lion then introduced Doyce Middlebrook and his wife Paula.

Doyce is a candidate for State Representative. He spoke briefly on his experience in visiting the towns around the district during the campaign.

### Adobe Walls Camporee

Adobe Walls 1982 Camporee will commemorate the year of the "Footsteps of the Founders". The Camporee will begin April 23-25 at Camp M.K. Brown. The Camporee Director will be the Council Director of Camping, John Anders. Registration will begin at 6 pm and continue to 8 pm Friday. The opening campfire will be at 8:30. Every Scout is encouraged to wear his uniform the entire time. Patrols will have opportunities during the day to do a good turn which will result in extra points. The top troop of the Camporee will be awarded the trophy for Best Troop of 1982.

The 1982 National Council meeting of the Boy Scouts of America will be held in Atlanta, Georgia, May 20-22 this year.

Council Explorer Olympics will be held at WTSU campus April 23-24. You must be registered no later than April 21 to participate in this event.

This is a busy time for scouts, so keep track of the time and participate in all of these events. Clarendon's Scouts are among our finest young citizens.

### PUBLIC NOTICE

Pursuant to TEX. REV. CIV. STAT. ANN. art. 1446c (43)(1975), Lone Star Gas Company hereby gives NOTICE of the Company's intent to implement a new schedule of rates effective on the latter of April 30, 1982 or such other date as new rates become effective in the City of Hedley to be charged for natural gas service to residential and commercial customers in the environs areas (outside incorporated limits of Hedley, Texas).

The rate schedule is expected to furnish a 5.92% increase in the Company's gross revenues in the environs of Hedley, Texas.

A Statement of Intent has been filed with the Railroad Commission of Texas and is available for inspection at the Company's business office located at 315-A S. Kearney, Clarendon, Texas.

Any affected person desiring to contest such changes in rates can file a complaint with the Director of the Gas Utilities Division, Railroad Commission of Texas, P. O. Drawer 12967, Capitol Station, Austin, Texas, 78711.

### Ashtola-Martin news

BY NAOMI GREEN

Mr. and Mrs. Burl Hollar, Mindy and Monte went to Paducah to attend the Horse and Colt Show Saturday. While there, they visited Burl's mother, Mrs. Annie Sue Hollar, Albert and Janice Hollar and several other relatives.

Mr. and Mrs. Doss Finley were in Claude Sunday

afternoon to visit with her niece, Mr. and Mrs. Ray Dawkins.

Mr. and Mrs. Bob Lester and family from Phoenix, Arizona are guests with the Larry Watson family. Bob's grandmother Mrs. Inez Lester from Memphis was buried last week.

Mr. and Mrs. Claude Spivey were in Ralls last

Saturday night to visit Kay and Johnny and to see Johnny participate in a womanless wedding.

Mr. and Mrs. Duane Naylor of Crowell visited his aunt Miss Ava Naylor in St. Anthony's hospital Wednesday also with their daughter Jonna at WTSU campus. They were guests in the Horace Green home Thursday night and visited Duane's parents and the Royce Halls in Clarendon Friday.

Mrs. Eileen Brown went to Amarillo Thursday and visited Loren and Ruth Rhoades. Mr. and Mrs. Horace Green were in Wellington Thursday morning to attend a Greenbelt Electric Board meeting. They went on to Hollis, OK that afternoon to attend the Harmon county Electric Co-op Annual meeting.

Gary and Marcia Davis from Stratford came Friday to spend the weekend with Mr. and Mrs. Skeet Brown Hubert Rhoades, Fred, Lenora, April Fink and Eddie

Fink from Groom joined them for a visit Sunday.

Mr. and Mrs. Jerry Green and children were in Memphis Sunday to visit with the Haskell Talley family.

Mr. and Mrs. J.R. Graham and sons went to Mora, NM with Donna and Bill Sarpalus from Hereford. They reported fishing and mountain viewing.

Jason Green spent the weekend with his mother, Rhonda and sister Lori in Amarillo.

Maxine Orcitt of Amarillo was a weekend visitor with her sister, Stella Jewett. Robert and Mildred Jewett from Estilene visited with the family Sunday afternoon.

Mary Green was in Amarillo Friday for Christals medical check-up. They got a good report.

Mr. and Mrs. Benny Clay have just returned from a fishing trip to Breckenridge where they also visited Tom and Mary Hickman. They had fair luck although the big fish didn't come in.

Mrs. Ella Beth Dunn from Pampa visited Naomi Green Friday.

Mr. and Mrs. J. D. Wooten and Bud Butler from Lelia Lake and Mr. and Mrs. Carol Wooten from Bloomfield, NM visited with Mr. and Mrs. Bill Bennett Sunday evening.

Diane Havens and Pat Richie took their "college Day" Friday and toured Clarendon College and Southwestern University in Oklahoma.

Ashtola "Country Girls" Volley ball team will travel to Silverton Tuesday for a tournament. If they win they will be playing again Saturday night.

The Gray children were home for a working vacation this weekend. Jeannine and Buddy Tittle and children of Amarillo, Jerry and Cam of Amarillo, Mr. and Mrs. Gary Brown and children of Floydada along with Bud Brown of Groom and Mr. and Mrs. Bill Lee of Ralls worked Gary's cattle at Goodnight Saturday morning and Vance's cattle that afternoon. Lunch was served in the Gray home at Ashtola.

Mr. and Mrs. O.D. Hearne from Brownfield spent the weekend with Mr. and Mrs. Charlie Hearne.

Mr. and Mrs. Steve Renolds were in Amarillo Saturday for business and visited with Cindy, Greg and Jason Bunyon.

Mr. and Mrs. Danny Holland were in Amarillo for

business Saturday.

Mr. and Mrs. L. Watson attended the funeral service for Ines Lester at Memphis last week.

Mr. and Mrs. Pete Land and Mr. and Mrs. Dale McGaugh were in Ft. Worth over the weekend.

Friday night Jim, Linda and Amy Risley from Denver City came to spend the weekend with his parents the Lloyd Risleys. Lloyd Virgil, Marie, Miles and Tessa from Amarillo came and joined the family for supper Saturday evening.

Martin Quilting met with Marie McCracken last week. Melba Risley among others from the community attended.

Dane's sister Jerry Keller from Leveland spent the weekend with Mr. and Mrs. Dane Purdue and family.

Linda, Amy and Melba Risley visited the Richard Thornberry family at Memphis Saturday afternoon.

Mr. and Mrs. D.A. Watson of Groom were guests in the L.A. Watson home Sunday.

Monte McAnear visited with Jim Risley Sunday afternoon.

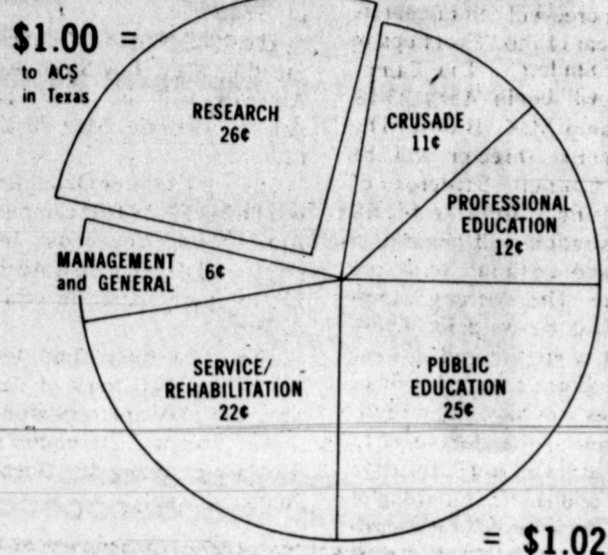

Grace Hester, Veda Mahaffey's mother will be buried Monday. Services are at Hereford in the morning with internment at White Deer that afternoon.

Willi Paulsen of Stribbel, Germany, near the North Sea, was traveling from NY

to CA and chose the Green farm to investigate farming in Texas. His father farms wheat and raises beef cattle in Germany. When he is not working at the local bank, Paulsen helps at the farm. Presently he is touring America waiting for October session of school to begin when he will study Economics. He was interested in farming in this area and the National economic plight of Agriculture in America

Pictures of his home showed barns for animals and machinery. He compared the climate of his home to that of New York State. When asked for information for local paper, he was interested in obtaining a copy. This reporter forwarded Paulsen that it was "chit-chat" of local visitations. He says that is done also where he comes from in Germany!

**Spring turkey hunt strutting past**

Some of the more alert folks in town may have realized that the spring turkey gobble hunt has started already. It began April 17 and will continue until May 2. There is one gobble only per hunter for this spring season. Make certain that you tag your gobble on the foot or leg with the "spring season only" tag. There are three turkey tags on your hunting license, one says "spring season only" and the other two are for the fall hunt. If you tag with a fall tag, it will be an illegally tagged turkey, so be careful.

Biologist Dave Dvorak says that you may hunt with "bow and arrow, a spear, a wire snare, a .22, a shot gun, a rifle of any caliber, as long as it is a legal weapon, you can hunt turkeys with it." Make certain, however, that you have land-owner permission to be on the property to hunt this gobble-only season.

Many turkey hunters are finding out that using a call to trick a spring turkey gobble is not nearly as difficult as much of the traditional woods lore would suggest.

For beginners, a simple, inexpensive slate call might be more effective with a little practice. There are a variety of hand-held and mouth-operated calls that are all equally effective. A simple hen cluck or yelp is all that should be needed. Hit three to four yelps, allow two to three minutes between series of yelps and watch out for turkeys!  
The hunter should remain motionless while calling and utilize blinds and/or camouflaged clothing whenever possible, including covering of the hands and face. Don't smoke while hunting since that could expose your position by the movement and sight of smoke. Turkeys can see color and are ever alert to movement that doesn't belong.

"Above all else," suggests Game Warden Gary Hunt, "use hunter safety while crossing fences and doing any hunting. Observe the game laws and trespassing laws." Hunt continued, "You cannot shoot a turkey out of their roost. The time is thirty minutes before sunrise until 30 minutes after sunset."

**Brown proposes farmers programs**

**COLLEGE STATION** — Agriculture Commissioner Reagan V. Brown outlined four short-term solutions to reverse the downward trend of agriculture profits in an address to the Texas Farm and Ranch Credit Conference held recently at Texas A&M University.

"In the drive to eliminate large Federal budgets and accompanying deficits, this nation must realize that we cannot destroy American agriculture in the process. There is something wrong with our priorities if we allow this to happen," he said.  
The four solutions proposed by Brown are all

## Top farm leaders to support Brown

**AUSTIN**—Texas farmers, ranchers and agricultural leaders are working to keep Agriculture Commissioner Reagan V. Brown on the job. Here's a sample of what a few of them are saying about Commissioner Brown:  
"Reagan Brown has been on the job for Texas agriculture for 32 years as county extension agent, community builder and Texas Commissioner of Agriculture," said Carl King, Dimmitt corn grower and president of the Texas Corn Growers Association. "He is one of the finest spokesmen for agriculture in the nation, and has constantly worked to develop new markets for Texas farm and ranch

national or international in nature.  
"First, the Federal government must act now, this month, to make changes and stimulate participation in the acreage reduction program. We must have increases in the set-aside acreage provisions

to levels that will effectively cut back production this year," Brown said.

The second proposal concerned ways to increase foreign sales: "Export programs in the farm bill should be funded adequately to initiate purchases of U. S. grain and cotton." The CCC export credit program, the export credit revolving fund, and the food aid program can make the difference in tons of grain sitting in warehouses across the nation and ships moving that grain to make way for this year's crop.

Stepping up negotiations with the European Economic Community and Japan to reduce subsidized trade barriers was the third proposal.  
The fourth proposal was maintaining a highly flexible program in handling loans from the Farmers Home Administration.

products.  
"Today's economy demands an agriculture commissioner who spends our tax dollars wisely, and who gets the job done right," according to Lamar Golding, publisher of the Texas Farm and Ranch Journal. "Reagan Brown has cut excess spending, increased services, beat the Medfly, and even managed to return \$1,400,000 in tax money to the state Treasury. He has built the finest Department of Agriculture

in the nation."  
Ray Nolen, executive director of the Texas Grain and Feed Association, said, "Commissioner Reagan V. Brown has gained the support of some of the most respected agricultural and business groups in the state. Commissioner Brown stands for free enterprise and good government, and I commend him for his work for the farmers and ranchers of Texas."

Commissioner Reagan V. Brown has received virtual across-the-board support from knowledgeable farm and ranch leaders throughout the state, including those in the wheat, cotton, livestock, grain sorghum, soybean, corn, citrus, vegetable, and

poultry industries.  
Brown's reelection campaign has been endorsed by Rep. E. "Kika" de la Garza, chairman of the House Committee on Agriculture, who said, "Reagan Brown is one of the most effective spokes-

men for agriculture in the nation." Former Cong. Bob Poage, who chaired the House Ag Committee longer than any other person, also endorses Brown, as do Rep. Leroy Weiting and Sen. Bill Sarpalis.

### Harness Spring

wind for electricity

There are an increasing number of small wind-turbine generators installed by private individuals and hooked up in parallel to utility or Co-op electricity in many areas.

On May 8 in Ft. Smith, Arkansas, Oklahoma State University will offer a one-day workshop on small wind electric systems. Persons interested in the possibility of installing a wind-turbine generator at their home will find this workshop very beneficial in answering such questions, as how to select a machine, evaluation costs, benefits, how to anticipate and avert potential problems among other points of interest.

The content of this workshop is a condensation of Peter M. Moretti, PhD, P.E., professor of mechanical and aerospace engineering at OSU's experience as a program manager in the US Dept of Energy, as a consultant to the Solar Energy Research Institute and to Rockwell International and as a researcher in alternative energy economics work.

Mail a request for registration to: Engineering Extension 512 Engineering North OKU, Stillwater, OK 74078. Registration fee is \$60 and will include handouts, but not motel accommodations.

All aspects of cost, location feasibility, performance, benefits, incentives, and problems will be covered.

Dr. Moretti says, however, that wind-generators won't make you energy independent because wind is intermittent, but it is more practical to use the energy to provide an increase to power, as a back-up and to provide some of your needs.

It would save on utility bills, but the initial cost to set up the apparatus may out-way the savings unless you can afford it. The government will help defray some of the expenses. Details can be obtained from the Energy Information Center of the Texas Dept. of Energy.

Federal law rules that you may hook-up with the utility company or rural electric.

If you are interested in harnessing the wind to supplement your energy income to reduce your utility bill out-go, you may want to get hold of one of the following books on the subject: "Power From the Wind", P.C. Putnam, Van Nostrand Reinhold, NY 1948; "Wind Machines", F.R. Eldridge, 2nd edition, Van Nostrand Reinhold, NY 1980; "Wind Power Book", J. Park, Ches-hire Books, Palo Alto, 1981.

An extensive bibliography, "Energy From the Wind", by B.L. Burk and RN Meroney from the Engineering Sciences Library at Colorado State University, Ft. Collins CO 80523 may be ordered to give you more places to study this "old idea that has again found its time".

## WHAT TO DO IF YOUR LIGHTS GO OUT

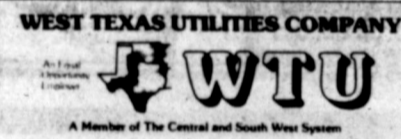

We'll do our best to keep it from happening, but let's face it. Even with the miracles of modern technology, it sometimes occurs in the best of systems.

So, if your power goes off, we hope you'll help us get it back on as quickly as possible.

### HERE'S WHAT YOU SHOULD DO:

1. Check your neighbors. Call them or go outside and see how widespread the outage is.
2. If your house is the only one affected, check your breaker box.
3. If the trouble is not on your side of the meter, call us - your local WTU office - and give us the following information:
  - Your name and address
  - Time of the outage
  - The area affected (as many addresses as possible)

We'll take it from there. Please don't prolong the call with questions that can't be answered. We'll be getting many other calls, depending on how widespread the outage is. And, if you're answered by a recorded message, it means that the dispatcher already has been swamped with calls and that we're working on the problem.

Remember, our goal, as always, is to provide reliable electric service at the lowest practical cost. And if an outage does occur, we aim to restore service without delay. We appreciate your help.

# THIS AMAZING INVENTION CAN ACTUALLY SAVE YOU GAS.

Make a tank of gas last longer by using your phone instead of your car. And save money as well as gas by direct dialing all of your long-distance calls.

BETTER WAYS

Almost everyone is searching for better ways to accomplish the tasks they must perform. The pharmaceutical industry is no exception. Drug manufacturers are constantly testing new medicines to determine their potential value in treatment of disease. They are also spending time and dollars researching better ways to deliver the medicines that we already have.

\***TRANSDERMAL PATCHES** are similar to small bandages containing medicine and an adhesive that keeps the patch on the skin. The medicine is absorbed through the skin at a steady and predictable rate.

\***IMPANTS** contain a large quantity of medicine and are placed inside the body. Medicine is then slowly released over a long period of time. **Insulin, male hormones, female hormones and cancer chemotherapeutic agents** have been delivered via implants.

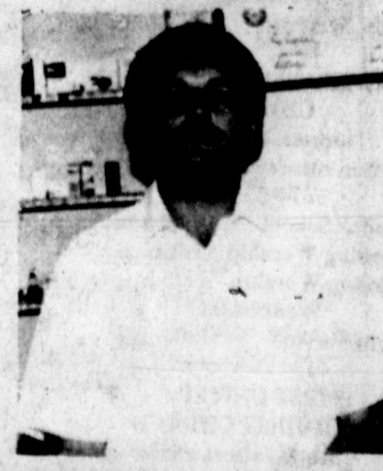

\***MICROCAPSULES** are part of a highly investigational drug delivery system that places the medicine in close contact with diseased tissues or organs. Healthy body parts receive less contact with the medicine and, hence, there are fewer potential side effects.

As the year 2000 approaches, the capsules and tablets with which we are now familiar may be replaced by sophisticated and more reliable dosage forms.

# Chamberlain News

By MRS. HAWLEY HARRISON

There was a nice crowd at Chamberlain Community Friday night and officers for the year were elected. Lacy Noble was elected president.

Clarence Ayres secretary and Ola Williams reporter. Bud and Carmen Wright visited Bob and Ola Williams Saturday night.

Mr. and Mrs. Dean Chaney of Amarillo spent Saturday night and Sunday with Mr. and Mrs. W.R. Chaney. Wayne Lowe of Amarillo spent Friday and Saturday nights with his mother Mrs. Genoah Lowe. Ewayne and Janice Barbee, Beth and Tommv had

dinner with Ernest and Roxie Barbee Sunday. Those enjoying Sunday dinner with Billie and Olaf Hicks were: Jerry and Mary John Hicks and Larry Hicks, Paula, David and Misty all of Amarillo, and Dennis and Loretta Harrison and Anna. Mrs. Minnie Cannon attended a piano recital for Charla Leeper at the First Christian Church.

Marie and Lloyd Risley and children spent Saturday with Charles and Gladys Blackburn.

Bradis Ballew visited Mr. and Mrs. Henry Mann Sunday afternoon.

Bradis Ballew and Clara Mae Carter visited Ruth and Nell Corbin Sunday afternoon.

Dennis and Loretta Harrison visited Johnny and Joy Naylor Sunday afternoon.

Mrs. Clyde Davidson visited Mrs. Olaf Hicks Monday.

Mrs. Vivian Allen visited Mrs. Ethel Dingler Monday morning.

Vada Morrison took Nell Corbin to Amarillo to her eye doctor Tuesday.

Mr. and Mrs. Charlie Hearn and Flossie Reynolds and Otis Kooztz visited Mr. and Mrs. D.R. Kooztz Sunday afternoon.

blood pressing with too much force against the artery walls. He said if left untreated, high blood pressure increases the risk of heart attack, stroke, or kidney failure. High blood pressure cannot be cured, but it can be controlled by a treatment regimen prescribed by a physician.

"Doctors may tell patients to cut down on the use of salt, to stop smoking, to exercise more, or to lose weight," he said. "If your doctor prescribes medication, take it as directed, not just when you remember to or feel like it. If there are uncomfortable side effects, notify your doctor, and in most cases these side effects can be eliminated."

Dr. Price said that unlike many other health problems, high blood pressure often doesn't cause symptoms. Because patients feel good, they frequently stop taking their medicine or fail to follow their doctor's instructions.

High blood pressure is usually detected in a physician's office. For those persons using public health clinics, blood pressure measurements are provided by nurses. In 1981, 110,000 people were screened by TDH nurses for hypertension.

When it has been determined that a person has an elevated blood pressure, a referral is made to a local physician so that a diagnosis and proper treatment can be begun.

Upon the recommendations of the private physician, a public health nurse follows up on the patient to see if he or she is following the doctor's prescribed treatment.

## Agricultural facts

The average U.S. farmworker supplies 78 people, 52 here and 26 abroad. That's 3 times as many as in 1960 when the average farmworker (farmers plus family and hired workers) produced enough for only 26 people. Productivity is the difference.

In 1920, it took 10% of the population to feed the nation. Today, less than 2% of the population produces enough to feed the nation plus millions around the world.

Yet food is still a bargain by most standards. The typical U.S. wage earner worked twice as long for the same basket of foods 50 years ago. Today, Americans spend only about 16% of disposable income for food, beverages, and tobacco compared with 20%-30% and up in most other developed countries.

Agriculture generates 20% of our gross national product. More than \$100 billion worth of farm commodities were marketed in 1980. Marketing services added \$180 billion to this total. Exports generated \$41.3 billion after processing.

One of every five U.S. jobs is tied to agriculture. Altogether, 24 million Americans are employed to produce, process, transport, and market farm products and farm production inputs. In essence, for every farmer and farmworker, five to six additional jobs are created in the nonfarm sector.

Farm exports turn 1 barrel of oil into 10. It took about 103 million barrels of oil to produce and ship our farm exports in 1980. But export earnings were enough to pay for 986 million barrels, more than half of our oil imports. (FARMLINE, March 1982)

## What Others Say About State Representative FOSTER WHALEY

Democrat

Rep. FOSTER WHALEY

"I think of Foster Whaley as the best freshman of the House and a prize member of the Agricultural Committee. For the good of Texas, stay in there." May, 1979  
Forrest Green, Former State Representative and Chairman of Agriculture Committee, 1979

"While serving with Foster on the Appropriations Committee, I came to appreciate what a hard worker he was. His honesty, sincerity and diligence in representing not only the people of his district but the people of Texas as a whole has been exemplary."  
Representative Don Rains, Vice Chairman of Texas House Appropriations Committee

## Obituaries

Thomas Ardell Joiner

Funeral services for Thomas Ardell Joiner, age 58, a resident of Borger for the past 25 years were held at 2:00 p.m. on Wednesday, April 14, 1982, at Graveside in the Silverton Cemetery at Silverton with Rev. Roy Sullivan, pastor of the Calvary Baptist Church, officiating. Interment was in the Silverton Cemetery with the arrangements under the direction of Robertson Funeral Directors.

Mr. Joiner was killed Monday afternoon, April 12, 1982, near Dalhart, when he lost control of the pickup he was driving, and overturned. He was born on April 4, 1924 at Silverton and married Susie Shizuko in October 1955 in Japan. He worked as a Chemist for Phillips Petroleum Company in Borger. He was a Veteran and a member of the United Methodist Church in Silverton.

Survivors include his wife, Mrs. Susie Joiner of the home; a son, Michael Thomas Joiner of Clarendon; his parents, Mr. and Mrs. B.B. Joiner of Clarendon; two sisters Mrs. Bill Bralley of Amarillo, and Mrs. Joe Molycaux of Columbia, South Carolina.

## Accent On Health

Texas Department of Health  
Robert Bernstein, M.D., Commissioner

Seeing that high blood pressure patients follow their doctor's instructions will be the number one priority of future Texas Department of Health (TDH) hypertension programs.

That's the opinion of Dr. Cliff Price, TDH Associate Commissioner for Personal Health Services.

"We estimate two and one quarter million Texans have elevated blood pressure," Dr. Price said. "For every new case we find through our programs, we find nine known hypertensives who are not complying with their treatment."

Dr. Price explained that high blood pressure is the

## Mooring-Branigan Greek Saga

Hotel where the Branigan's and the Mooring stayed in New dugout at the base ball

we met the desk clerk everyone calls "Nighttime Johnny". We bought several more souvenirs from him which should fill our bill. I asked if he was swamped with various people asking him to receive the blood samples at the air terminal to take to the doctor. He said to call him when to expect the sample to be here--the flight number and for a slight remuneration, he would see it is done. The time he misses sleeping and the cab fare is but a small price to pay for such an important favor. We are to get his telephone number tomorrow. Neva Denny from Lubbock asked to borrow the heating pad again and for the life of us, we can't find it nor the copy of the claim we filed for our missing baggage--Murphy's Law still has us in it's grip, but good!!

Tena brought back the hot plate so I can have coffee in the morning. We have had a good time sharing. Jan. 30, 1982--Saturday

At 7 o'clock, four of us, Mildred Quinn, Millicent Heath and her mom, Bessie Robbins and I left the hotel for the Hilton Hotel by taxi to meet with the rest of the tour group. Johnny Kalfer told the taxi driver where to take us, at least that was what we felt he was telling him that we were to go to the Hilton, (it was all "greek" to us). We had been riding for some time and Bessie said, "We've gone past the Hilton". We tried to explain to the driver and thought he understood--he made a few turns and the streets got narrower and narrower. Finally he turned to a street which was pretty dark as it was early in the morning and cloudy--the buildings tall and daylight was short--he stopped the taxi. Then he motioned us to get out and we were no where near a hotel. I ran to the rear of the cab and took his tag number while Mildred paid the fare to here. Then we noticed a shop open across the street--I ran over and asked the man inside if he spoke English--he did, so I told him what had happened and where we needed to go. He said were a mile from the Hilton and to take a cab which would be 50 drachmas each. Fortunately there was a cab just down on the corner and we were running late. The new driver spoke English also, and after our tale of "woe" he was kind enough to hurry--we just caught the tour bus at the hotel. Each of us were glad we were all together. Any one of us would have been scared stiff had this happened to just one woman by herself. There is safety in numbers, no matter where you are.

The driver of the Key Tour Bus was Demetrius and the Tour Guide was a beautiful young lady named Caralee. Corinth was 80 kilometers, an hour and 20 minutes from Athens. We took a toll road, Highway #2. We passed Daphni where there is a monastery built during the 11th century A.D., during the Byzantine Era. It is dedicated to the Virgin Mary and is one of the most well preserved buildings from that era. We then passed along the seacoast of the Gulf of the Aegean Sea. There are chemical, steel, cement plants and paper mills, quite an industrial area. Many

freighters were anchored in the harbor.

Then we began to see olive trees--the longest living tree in Greece, most over a century old. Next, we passed by some ruins of a temple to the Goddess of Nature--built during the 5th century B.C. There isn't much information concerning this temple as the rites are secretive--similar to those of the Free Mason organization. There are still celebrations every three years.

About 45 minutes out of Athens, we passed oil refineries and the ship yards. The mountains we came toward surround the city of Salamis. We did not go there, but Caralee told us that in 50 B.C. there was a war between the Greeks and Persians in this area which lasted several years.

The olive tree is the National Tree of Greece. Harvest begins in November and sometimes lasts until February, depending on the location and the soil. The trunks are large around at the bottom and many have been twisted by the winds, however, the limbs have the look of younger trees, sort of a mixture of the new and the old. They must prune them rather well each year. The leaves are silvery like some of the trees in the states, small leaves. The oldest olive tree is dated to about 50 B.C. and grows in Athens.

In August, they harvest pistachio's which are smaller trees. At 9 a.m. we arrived at the village called Megara which was built in 7 B.C. This is an agricultural village with many gardens and orchards. It was built as part of the Byzantine Era and flourished until 4 A.D. During this time, it was a city much larger than now. The highway goes along the sea coast and has rocky sides--very much on the incline--a mountain pass. It began to sprinkle and got colder as we went higher. There were Sycamore trees at this elevation. On the sides of the mountains there were limestone quarries, one of the exports of Greece.

Along the way we saw little shrines--Caralee explained these were built by families in honor of the Virgin Mary as a tribute--the family had some one to have had an accident but were not killed--in appreciation for the lives that were spared. There were many of these shrines and no two alike. This portion of the highway is rather hazardous and it is easy to see how someone could have an accident if they are speeding or not watching where they are driving.

At 9:20, we passed by more oil refineries--none very large--and passed over the Corinth Canal. This canal connects the Aegean and Ionian Seas. It was built during the 18th century A.D.--6.5 kilometers long--24 meters wide and the walls at this point are 80 meters high. The water is but 40-50 meters deep--not deep enough for tankers. (All this information would be worth more if I knew a little about the metric system.)

There was a coffee break at a restaurant and gift shop where I bought some slides. It was a good time to let us stretch a little.

By 10 a.m., we could see the Ionian Sea ahead, then we came to Modern Corinth at the base of a rocky hill. It

is one of the most prosperous cities and had a commanding position of two great seas--two commercial harbors. Corinth controls the Canal and has good relations with all countries. Exports are fruit, ceramics (of very good quality), porcelain and high quality perfumes.

During the 7th century B.C., Syracuse was founded. It was destroyed during the 2nd century by the Romans, who rebuilt it as Corinth. A castle was built on a rocky hill called the Acrocorinth--highest place around. Caralee explained the meaning of the term as Acro meanings highest spot and Corinth meaning the name of the city. The ruins of the market place called the Agora, has been excavated and archeologists are still digging from this lower level upwards toward the Acrocorinth, the castle ruins. An estimated 500,000 people lived in Ancient Corinth--almost all the city was built by the Romans. The land around is very fertile--olives, lemons, oranges, vineyards are plentiful. The raisins are very good quality, (the best in the world) and are grown for export.

Almost all the foundations in Ancient Corinth are still in original condition. One was the platform used for political speeches right toward the center of the Agora. The shops were built on the four sides leaving a large open area in the center. One shop has been reconstructed to show how they were built, narrow and not too deep with roofs like an arch over each building reflecting Roman Architecture. From the platform mentioned above, the Apostle Paul addressed the Corinthians. According to history, they were quite wicked people. There is a museum housing some artifacts from this area, however, most of the statuary are reproductions of that period. Outside the museum are several pedestal type architectures of the various periods which are original--depicting the Doric Era (plain in design), the Ionic Era (somewhat more ornate) and the Corinthian Era (very ornate with leaves and flowers).

Opposite the political platform, on a higher level, are pillars left from the Temple of Apollos. Some foundations and stones have Roman writings commemorating Caesar. Far up on the hill is the Acrocorinth but we could not go there as they have fenced the area and are still working.

As we left Corinth, we passed by a mountain, which is to the right of us, upon which a temple and other buildings had been built in ages past. The Temple to the Goddess of Love, Venus. As I said, this was a wicked type people and the town was full of prostitutes. The main reason for this being Corinth and this town was very close to the seas and many sailors spent a great deal of time there.

The next stop was at Mycenaea which was completely different. It is a Greek pre-historic Acropolis of the 11th century, built before the Acropolis in Athens. Mycenaea was the center of many tragedies.

It was discovered during the last century by Heinrich Schliemann, a German Archeologist, and all the treasurers are in the museum of Mycenaea.

Just before we reached Mycenaea, we stopped at a roadside souvenir shop where they had all kinds of potteries and ceramics--some were copies of the museum pieces--blue Greek porcelain--marble from the island of Poros, which is famous and the best quality is the white marble. Blouses were \$14.00, dresses and shirts were \$18.00, caftans were \$18.00-\$20.00--all very pretty work on the bodices. Daddy would have been proud as I didn't buy one single thing.

As we began our trip again, Caralee told us the legend, "According to Homer" of Helen of Troy and of the war that lasted more than 10 years. The Greeks defeated Troy. I was unable to get all the legend down in my notes.

To Be Con't

# IN AND AROUND HEDLEY

## Hedley News

By LOIS LAIR

It's good to hear that Mrs. Cherry is still improving even though she has not started her therapy treatments. She should start treatments next week.

Ava Naylor came home from the St. Anthony's hospital and is improving now. She will have a lady to stay with her.

There have been good attendance at the Baptist

Revival meetings this week. Everyone is enjoying the Zebbie Land family singing also Johnny Hoggetts preaching. They treated the young people to a hamburger cook-out on Wednesday night.

We are sorry to hear of the death of Inez Lester. she lived in Hedley when her children were in school.

Irene Mann and Callie Rilev of Clarendon visited

with Clara Baggett and Opal Mann on Sunday afternoon. Eddie Clubb and Kimberly Woodard were married in Eddie's sisters home in Lelia Lake on Sunday afternoon. We congratulate the couple. They will make their home in Hedley.

Mildred Clendenn visited her sister in Gladwater and brought her mother Essie Crawford back home with her. Nettie Alexander went with her and visited with her sister in Gilmore.

Tommy Wayne Clendenn and Tony visited with

their parents, the Tom Clendenns on Saturday afternoon.

Cassie Owens visited in Amarillo early last week with her children while her daughter, Lola Faye Naylor attended a workshop on the home interior products.

Donny Howell and his mother Nona Howell of Amarillo visited with Louise Long Sunday afternoon. Nancy Manny and family of Lubbock visited with her parents, Mr. and Mrs. Hunsucker over the weekend.

Mildred Clendenn visited in Pampa on Wednesday with her son and family, the Doyle Clendenns.

The next blood pressure check day will be on May 13, from 2-4 p.m.

TimberLee Potts and Lois Lair visited in Amarillo on Monday with Betty Dwight and Kirk and Danny.

Gail Johnson came home from the hospital last Tuesday. She is feeling much better now.

Mr. and Mrs. Gardenhire, Gladys Howell, Mr. and Mrs. Siim Hunsucker attended the funeral services for Inez Lester in Memphis. They also visited at the rest home.

Lora Gilbreth is back in the Hall County hospital. Hope she feels better soon.

Also, Nell Gamble was taken back to the hospital.

## Sarpalius to speak at Hedley FFA banquet

The Hedley FFA Parent and Member banquet is scheduled for May 3 at 8 pm in the Hedley Lions Den. Special Guest Speaker for the occasion will be Senator Bill Sarpalius.

Sarpalius is serving as the State Senator from the 31st District which covers the top 26 counties of the Texas Panhandle. He serves on the Senate committees on Economic Development,

Human Resources, and Natural Resources. He is the Chairman of the Subcommittee on Agriculture being the only freshman member of the 67th Legislature to be chosen as Chairman of a committee. In his first legislative session, Bill had one of the most impressive records for a Freshman member. He introduced 30 bills and 21 of them were passed into law, many being major pieces of legis-

lation including: raising the legal drinking age in Texas, increasing penalties for criminal trespass, and licensing grain samplers. During the special session his popular gasohol bill, which creates a new market for agriculture products and is estimated to generate over a billion dollars worth of income to the State of Texas was passed into law. Bill is a member of the Hereford Lions Club.

Bill Sarpalius

## Felan-Jaramillo plan June wedding

Mr. and Mrs. Oscar Felan of Hedley announce the engagement of their daughter Rosemary to Raymond Jaramillo, son of Mrs. Gloria Jaramillo of Lelia Lake.

The wedding is planned for June 12, 1982; in St. Mary's Catholic Church in Clarendon.

Rosemary Jaramillo

## Thank You

I would like to take this opportunity to express my gratitude to all the people of Hedley, for your prayers, willingness to help and offerings that made our revival efforts so successful at the

First Baptist Church, to our Lords honor and glory. It surley has been a week of love and renewal that I shall remember.

W. Bryan Knowles, Pastor. 16-1tc

## Hedley Gas rates go UP

Hedley residents can look forward to new gas rates for customers of Lone Star Gas Co. With the changes, an average monthly residential bill for seven thousand cubic feet of gas will increase by \$2.03 for the 20 customers.

The new rates will go in effect April 30. The Railroad Commission has the authority to approve rates for gas service in unincorporated areas of Texas. proposed gas rates for those areas are examined in light of the company's operating efficiency and the rates that have been approved by the nearby city government.

## FISH TALES

By KATE DVORAK  
Many of you have had some fellow in a boat stop you and ask to see your catch. He was a member of the Texas Parks and Wildlife Dept. of Inland Fisheries or a local Game Warden. There is a reason for the apparent "snooping".  
Joe Kraai, Inland Fisheries project leader, has released the statistics taken from April through October, 1981 on Greenbelt Lake. It will be interesting to notice that Greenbelt has far more white bass than any other species of fish.  
The total number of fishermen interviewed during this time was 24,386. That's a lot of men out in boats! The total man-hours of fishing done by these fishermen was 116,142.40. That is 5.06 average hours fished per fisherman and .39 fish caught an hour by that "average" fisherman, and

.32 pounds of fish caught per hour. Flip breedlove must have averaged half of those hours of fishing time and twice as many pounds per hour alone!

Terry Harris of Amarillo caught a 10 pound on the nose black bass, a lake record as far as records for rod and reel show for Greenbelt. Congratulations to Terry Harris!

The Inland fisheries fellow will be stocking 200,000 small mouth bass into the lake later this month. They have already put 200,000 into the lake last week.

Walleye have been caught lately, Harper Muse caught five of them Saturday trolling. Last weekend Buz Bostich of Amarillo caught an 8.13 oz. black bass, a real keeper! Jeff Scifers also of Amarillo caught a nice 6.8 oz. black bass. The fish are biting!

Species:	Est # caught	Est lbs
Northern pike	116	1,045.28
Carp	813	3,368.13
Black bullhead	2,206	813.
channel catfish	5,226	3,832.70
white bass	21,719	12,775.66
sunfish	3,020	509.85
largemouth bass	7,665	10,568.96
white crappie	2,323	1,393.71
walleye	1,394	1,858.28
total	44,482	36,165.57

Fish that will be available are catfish, bass, bluegill and fathead minnows.  
This is a new program sponsored by the District. They have made arrangements, if they can get together an order of 5000 fish, for the fish to be delivered to Clarendon. A tentative delivery date has been set for the middle of May. Get your order in as soon as possible.

Your local SCS personnel can provide proper counseling and advise on stocking your ponds. come by your local SCS office located at 416 S. Kearney in Clarendon or call 874-2339.

"To plow is to pray - to plant is to prophesy."  
Robert G. Ingersoll

Fish to stock ponds available

The Donley County Soil and Water Conservation District is now taking applications for fish from landowners and operators wanting to stock their farm ponds. The District has found a source and contacted them about fingerling fish at a very reasonable rate. The fish will be a good quality and if properly managed, will supply some good fishing.

### MANAGER WANTED:

Peanuts Restaurant needs responsible Manager willing to work 40-48 hours a week. Must be willing to assume full time cooking duties and able to work weekends. Apply in person only. Good salary.

Waitress also needed

Sunday 9-7

Monday - Sat. 8-7
