Number 34

Lane and Mincey accepted for paramedic training

Clarendon EMS is extremely pleased to announce that two of its EMTs have been accepted in an upcoming paramedic class. Jo Dee Mincey and Becky Lane were two of 24 students selected out of a field of over 45 applicants. They will begin their studies on September 3, 1986 and are scheduled to complete their training near the end of May 1987.

They will be attending classes from 6 to 10 p.m. on Monday and Wednesday nights as well as doing their clinical training on another day of the week. The class, offered by Amarillo College, will be taught by Neil Coker, paramedic instructor at AC. The breakdown of the training is 200 hours of classroom/didactic, 100 hours on an Advanced Life Support/Mobile Intensive Care ambulance, and 138 hours of in hospital clinical training at Northwest Texas Hospital in Amarillo in surgery, communications center, emergency receiving center, intensive care unit, cardiac care unit, labor and delivery, respiratory therapy, radiology/diagnostic imaging/CAT scan, pediatrics, orthopedics, pathology, and several other departments.

At the conclusion of the class, they will be required to take the Texas Department of Health Paramedic credentialing exam which includes both written and skills testing. They will be certified for a 4 year period during which they will be required to accumulate 120 hours of continuing education credits as well as have a successful IV, airway intubation, and cardiac treatment of a patient at least once each quarter of each year. At the end of every four year period, they will be required to retest on written and skills in order to keep their paramedic certification.

Becky Lane has been an EMT since 1980. She received her EMT training in Quitaque while she lived in Turkey. She moved from Turkey to Clarendon in November 1985 and has been a major asset to Clarendon EMS since that time. She normally fronts as a member of the first team during the day and as a backup on nights and weekends as well as a member of the critical care team most of the time. Becky is a Donley County native and attended Clarendon schools. She is the daughter of Mr. and Mrs. Claude Spivey. Her husband, Gerald, is the manager of the Spivey Ranch. They have been married 15 years and have two children, Oleta, who is an 8th grader and David, who is a 6th grader in the Clarendon schools. Becky is 41 years old and is a member of several local civic organizations. She is certified in crash extrication. She was among the first group of approximately 30 applicants for the paramedic class. She had the highest score of any applicant on the interview and did extremely well on the written and skills testing. Twenty-two of the first group were all that were accepted. Besides the time that she devotes to EMS and other organizations, Becky enjoys embroidery as a hobby.

A native of Lubbock, Jo Dee Mincey has been an EMT since 1982. She received her EMT training in Clarendon. She moved to Clarendon in 1981 when she married Jim Mincey. He is employed in line construction for General Telephone Company. Jim was already an EMT when he and Jo Dee married, and she became interested in EMS because of Jim's interest and enthusiasm. She is 38 years old and employed by the Donley County Farm Bureau. She was among the second group of 14 applicants for the Paramedic class and out performed

all of them to be one of only two of the group accepted. She did extremely well on every phase of the written, skills, and interview segments. Her children are Jo Ann Klattenhoff, a sophomore at Clarendon College, Dewey Mincey, also a sophomore at CC, Georgi Klattenhoff, a sophomore at Clarendon High School, and Johnny Klattenhoff, a senior in the Lubbock schools. Her hobbies include soccer and tile painting as well as being involved in a number of civic organizations. She normally fronts on the first team on nights and weekends, runs backup on days, and is a member of the critical care team most of the time. She is certified in crash extrication and has proven to be a great asset to Clarendon EMS.

Both Jo Dee and Becky have handled almost every type of major and minor medical and trauma patient. Both are qualified emergency drivers and are extensively experienced in the field. After completing paramedic training they will, in addition to the skills they have already been trained in, be extensively trained to start IVs, administer medications, intubate an airway, defibrillate, interpret EKGs and treat cardiac arrhythmias, and several other advanced procedures. Because the Clarendon ambulances are as well or better equipped than any other ambulance in the state with advanced life support equipment, these students will be able to gain much of their training and experience with hands on at the local level while being assisted by the two local paramedics already active here.

These two ladies are qualified, dedicated, concerned, caring volunteer members of the Clarendon EMS team and Donley County is fortunate to have them here. Although the majority of their expenses are being aid by the local EMS board, they are donating their time and providing some of the funding to attend this class in order to further their capabilities to save the lives of their neighbors in the community. The next time you see one of them let them know how much you appreciate their devotion to the community. After all, how many people do you know who would be willing to drive to Amarillo 3 days a week for 9 months, devote their time, some expenses, and take time away from their homes and families just so they could volunteer their time and talents without pay to help someone else?

Firebelles host swim party

On August 2, 1986, the Clarendon Firebelles held their annual swim party and cookout for their families and the firemen. The event was held at the Jim Sharrar residence. Swimming began at 2 p.m., and Jim Sharrar and Steve Smith cooked hamburgers on the grill at 7 p.m.

Attending the party were Benny and Annette Osburn, Pat and Edie Robertson, Steve and Wanda Smith, Debbie Hollan, Connie McAnear, Jim and JoDee Mincey, Delbert Robertson, Jim and Venita Sharrar, Mike and Neva Spier, Faylon and Nancy Watson, Gerald and Becky Lane, Carol D'Lynn Thompson, Sue Rattan, and Bobby Hoggard.

Calvary Baptist Academy award night

Sunday, August 24th, at 7:00 p.m. the Calvary Baptist Academy will be having their annual awards presentation. There will also be a slide presentation of "Christian Education" shown. Anyone interested in Christian education is invited to be present.

For further information stop by the school office or call 3156.

BECKY LANE and JO DEE MINCEY

Hedley Schools begin Sept. 1

Hedley CISD teachers and aides begin inservice training on Monday, August 25. The whole week will be utilized for varied inservice and work day activities.

Students will begin on Monday, September 1. There will be a general

meeting in the gymnasium at 8:15 a.m. Buses will run in both the morning and afternoon. Persons who are new to the district and who qualify as eligible bus riders should notify school officials.

School will begin at 8:15 and a.m. and will dismiss at 3:40 p.m.

August 30 will be Owls class reunion

The Hedley Owls will be having a class reunion August 30 from 2 p.m. until 6 p.m.

The dinner will be prepared by Mrs. Birkey at 6:30 at the Hedley High School cafeteria. If you would like to attend and you have not

received an invitation, please contact Murdice Hill or LaVonia Skidmore. You may reach them by calling 806-856-2041 or 669-7314 in afternoon or evenings. You should respond by August 26 if you plan to attend.

Clarendon ISD pre-enrolls

All new students in grades K-8 will pre-enroll at the Junior High Office on the 29th of August between 9:00 a.m.-12:00 a.m. Students who attended grades K-7 will report to school at 8:00 a.m. All new students need birth certificate, immunization records and grade cards from their previous school. Students must be accompanied by a parent or guardian.

Grades 9-12 will also pre-register

the 29th of August. The following schedule will be used: 9:00 a.m. - Seniors; 10:00 a.m. - Juniors; 11:00 a.m. - Sophomores; 1:00 p.m. - Freshmen.

All new students must be accompanied by a parent or guardian. All students who cannot register in scheduled time will register at 2:00 p.m. Registration will be in the cafeteria.

Dairy Queen to have Grand Opening August 28

Thursday, August 28 will be the grand opening of the new Dairy Queen in Clarendon.

Gene Bland of the Abilene Dairy Queen home office has announced that all proceeds on the August 28 opening day will be donated to the Clarendon Saints' Roost Museum. The Dairy Queen will be open from 6 a.m. until 11 p.m.

Patty Craft, Saints Roost Museum president stated, "the museum appreciates this opportunity that the Dairy Queen has given the Donley County citizens so they may help build the Saints' Roost Museum while enjoying the delicious food from Dairy Queen. I hope that everyone will help us make Dairy Queen grand opening a big success."

TANE representative to speak at Calvary Baptist Church

Philip Kapper, Texas Alcohol Narcotics Education representative, will speak at the Calvary Baptist Church Sunday, August 24th at 10:00 a.m. to all teenagers, and 11:00 a.m.

Philip Kapper, better known as Bobby Brooke to many Texas Panhandlers, was born in Long Beach, California and graduated from Garden Grove High School there.

Philip joined the U.S. Air Force and was stationed in Main, Texas, and Tripoli, Libya. While in the service he was involved with the Armed Forces Radio and TV service. Over some eight years he was a rock and roll disc jockey at eight stations in Texas, Kansas, Florida, and Alabama. He was sportscaster at KVIL-TV (ABC) and KFDA-TV (CBS)

for two years at each station. He was also sales manager for KIXZ owned by Mel Tillis.

While in service Philip took course at Rutgers University and the University of Maryland. These years belong to the "old" Philip!

In 1979, through a sequence of critical events, Philip heard the gospel from a colleague and immediately received Christ. This marks the beginning of the "new" Philip!

He has since been an outspoken witness for Christ on his job, to youth groups, and in churches. He has taught a Bible class and been Sunday school director.

In December 1983, Philip had the privilege of a live interview on the CBN-700 Club.

Funeral services held August 15 for Addierene Mahaffey

Funeral services for Mrs. Addierene Matilda Mahaffey, age 87, were held at 11:00 a.m. on Friday, August 15, 1986 in the First Baptist Church in Clarendon with Rev. Paul Heil, former Pastor from Amarillo, officiating. Interment was in Citizens Cemetery with arrangements under the direction of Robertson Funeral Directors.

Mrs. Mahaffey died at 6:45 a.m. on Wednesday, August 13, 1986 at her residence in Clarendon following a lengthy illness. She was born January 5, 1899 in Duke, Oklahoma and had been a resident of Donley County most of her life. She had worked as a telephone operator for Bell Telephone Company for over 25 years before retiring 20 years ago. She was married to Hugh Slaton

Mahaffey on October 26, 1963 in Clarendon. Mr. Mahaffey died in 1978. She was a member of the First Baptist Church in Clarendon.

Survivors include three step daughters, Edna Perdue of Clarendon, Arlene Hatton of El Paso, Dorothy Sanders of El Paso; one step son, Frank Mahaffey of Ashtola; two sisters, Emma Shannon of Clarendon, Jones of Clarendon; eight step-grandchildren; seven step great grandchildren; and several nieces.

Casket bearers were Irvan Thomas, Claude Thomas, James Thomas, Gary Thomas, Arlis Thomas, and Larry White.

The family requests that memorials be to cancer research or to a favorite charity.

Services held August 18 for Mrs. Beulah Gertrude Rich

Funeral services for Mrs. Beulah Gertrude Rich, age 87, were held at 2:00 p.m. on Monday, August 18, 1986 in the First Baptist Church with Rev. Bill Hodges, Pastor of the Clarendon Church of the Nazarene, officiating. Interment was in Citizens Cemetery with arrangements under the direction of Robertson Funeral Directors.

Mrs. Rich died at 4:00 a.m. on Friday, August 15, 1986 in Palo Duro Convalescent Center in Claude following a lengthy illness. She was born January 6, 1899 in Emhouse, Navarro County, Texas and was married to C.C. Rich on December 28, 1917 at Navarro County. She had been a resident of Clarendon since 1949 moving here from Hall County where she had lived for 29 years. She was a member of the First Baptist Church in Clarendon.

Survivors include her husband, C.C. Rich of Clarendon; six daughters, Gladys Tice of Panhandle, Jane Barker of Clarendon, Mina Ivey of Clarendon, Mary Denton of Amarillo, Edith Hinkle of Tahoka, Esta Mae Harp of Fort Worth; two sons, Darr Rich of Clarendon, Cecil Rich of Canyon; 38 grandchildren; 77 great grandchildren; and eight great great grandchildren.

Grandsons of Mrs. Rich served as casket bearers.

Honorary bearers were Don Robinson, Frank Derrick, James McAnear, T.W. McAnear, Junior Putman, and Don Altman.

The family requests that memorials be to the Hall County Hospital Chapel Fund or to the Clarendon Emergency Medical Services Equipment Fund.

CHS VARSITY CHEERLEADERS - Christi Knorpp, Buffie Hancock, Stephanie Graham, Lisa Blanton, Kristin Couch, Brigett Spier (head), Kami May, and Shanna Cole.

Cheerleaders attend camp

The CHS varsity cheerleaders went to SMU cheerleading camp in Dallas, Texas July 21 thru the 25th. Donna Knorpp went as their sponsor.

They learned many things, such as cheers, chants, routines, and more. It was a great experience for all of them. Not only did they bring back the things they learned at camp but also some ribbons to show their hard work. They brought back three excellent ribbons, two superior rib-

bons and one super star squad ribbon. Also they brought back a spirit stick, which shows their great spirit. They are all really excited about this year and hope that everyone will stand behind them and support the Broncos.

Bake sale scheduled

The Firebelles will have a bake sale Saturday, August 23, at Gibson's from 10:00 a.m. until 2:00 p.m. Members are to bring one cake or two pies to Gibson's at 9:30.

Cheese to be distributed

The Donley County Community Action will be distributing cheese at their office in the courthouse Thursday, August 21, between the hours of 2 p.m. and 6 p.m. and on Friday between 9 a.m. and 12 noon. They will be in Hedley Friday between 2 p.m. and 5 p.m.

Those receiving commodities must bring proof of eligibility.

Donations to Medical Center

Whirlpool Fund

Mr. and Mrs. Billy Powell; Mr. W.B. Bray and Mrs. Frances Stevens in honor of Mrs. Bonnie Bray; Lee Caskey in honor of father, Mr. Jess Wood; Rowena Faust in memory of Lucil Ray; Opal James, Lessie Salmon. Mrs. O.F. Pfeiffer in memory of Addierene Mahaffey.

MRS. MARK JACK

Flea market planned for McLean

Artisans and craftsmen are invited to display their wares at the monthly City of McLean Flea Market - Arts and Craft Sale, scheduled for August 16 for 9 a.m. to 6 p.m. and August 17 from 1 p.m. to 6 p.m. Exhibitors may choose to set up their displays for both days or either day of the flea market, according to manager Sam Green.

"The booths will be located in the factory building in McLean," Mrs. Green said. "That will provide ample room for the displays."

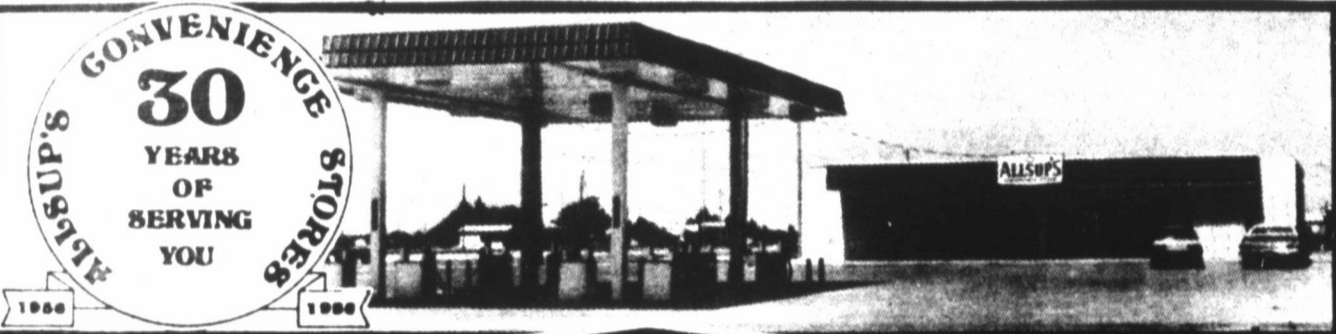

Each 12' by 12' display area will rent for \$25 for the weekend or \$20 for Saturday only and \$10 for Sunday

only. Exhibitors will supply their own display tables and chairs.

Lelia Lake Community Center Lelia Lake Community Center will have a covered dish supper Saturday, August 23, at 7 p.m.

Who's New

Trevor Joe Guy

Welcome to this world Trevor Joe Guy born to Ricky Joe and Belinda Guy August 13, at 4:49 a.m., weighing 7 pounds 13 ounces, 20 1/2 inches long.

Proud grandparents are Carol Hinton of Clarendon, Bo Bryant of Amarillo. Troy and Addie Guy of Memphis. Great grandparents are Mr. and Mrs. C.L. Hamilton and Mr. and Mrs. Troy Joe Guy of Clarendon and Bessie Wells of Amarillo. Great great grandmother is Mrs. H.C. Whitworth of Athens, Georgia and many relatives also welcome his birth.

Good

Samaritans at

Triple C

Community Center

A broken down bus, a bunch of hungry, tired kids stranded in our small community - this is the scene. Ann Harper beheld Friday night August 15th around 8 p.m. Without hesitation she began to load them into her car and take them to the Triple C. Forty some odd kids and 4 weary counselors from San Jacinto Baptist Church packed into the Triple C Center where it was cool and they could rest.

The group had been to Iowa Park for a week of church camp and were on their way home to Amarillo when their bus stalled close to Allsup's.

Someone took one of the counselors after food at the Dairy Queen while Ann Harper entertained the kids with live music. They listened to Mike Warnke on tape, each one called home to report the delay. They were rested, fed, and sent on their way after a bus from Amarillo was sent after them.

One of the sponsors remarked on departure, "Thank the Lord this place was here."

Senior Citizens News

Had a good group at dance practice last Monday night. Those attending the 2nd Tuesday dance on August 12th enjoyed some really good homemade ice cream and cake. Thanks to Eda Wallin and Thelma Behrens for this nice treat.

Only had three game tables busy on Thursday, August 14th. I sort of feel like the heavy rain we had that afternoon kept some of the folks home.

Thirty-two enjoyed Friday's musical jam session on August 15th. Musicians were Hugh Neuhaus, Jerry Chambliss, Lucille Smith, Jack Davidson, Forrest Denton, Bailey Estes, Fred Fortenberry and me.

CALENDAR OF EVENTS August 21-27

Thursday-Exercise 11 a.m., game night 6 p.m.
Friday-Exercise 11 a.m., musical jam 7 p.m.
Monday-Exercise 11 a.m., dance practice 7-9 p.m.
Tuesday-Exercise 11 a.m., birthday/anniversary salad supper 6 p.m.
Wednesday-Exercise 11 a.m.

SENIOR CITIZENS MENU August 21-27

Thursday-Breaded fish, cream corn, English peas, cabbage and apple salad, cake, bread, milk, tea, coffee.
Friday-Roast beef, mashed potatoes, green beans, cucumber salad, apricot cobbler, hot rolls, milk, tea, coffee.
Monday-Salisbury steak, whole kernal corn, steamed cabbage, waldorf salad, peach cobbler, hot rolls, milk, tea, coffee.
Tuesday-Baked ham with raisin sauce, buttered carrots, sweet peas, sliced cantaloupe, pear halves, dinner rolls, milk, tea, coffee.
Wednesday-Swiss steak, spinach, cauliflower, tossed salad, apple cobbler, dinner rolls, milk, tyea, coffee.

Some eleven years ago on April 1, 1975, the doors of the Donley County Senior Citizens Center were opened. Ruth and Melville Mills worked diligently with Homer and Athlyn Estlack from the Clarendon Housing Authority to have the building for the center donated.

The first month there were forty charter members, and they brought all the food for their lunch on Monday, Wednesday and Friday. After the first month, the center was able to donate money to buy the meat course and the members furnished the side dishes and desserts. The noon meal became a daily event. Ruth Mills helped to acquire the first grant from the Title 3C Program of Older Americans Act. This grant addressed the nutritional programs to be enlarged by improving the meals served at the center, and home deliveries were started.

The Donley County Senior Citizens Building is a center of bustling

activity, as anyone who has been there at lunch will tell you. When the center was first organized, arts, crafts and quilting were offered. Today the center offers many other types of fun activities such as music, dancing, dominoes, health services, exercise and lots of visiting.

The center is open to the community, and every senior citizen is welcome as well as younger folks, too. There is no membership fee, but the center does accept donations. Like all non-profit organizations, the center has received a 28 percent budget cut of state and federal funds for the fiscal year of 1987.

Jean Baten, Director, and the board members of the senior citizens group are presently trying to start an endowment program to help relieve the budget cuts. The board wants to be sure the senior citizens center will continue to serve Donley County for years to come.

The Lion's Tale

By GENE ALDERSON

The Clarendon Lions Club held its regular meeting at noon on Tuesday at the Lions Hall. Thirty-five members and guests were present. Following the regular opening ceremony Liontamer Messer introduced Katrina Hutson of Vanderbilt who was the guest of her father Lion Messer, Chet Calcote, Insurance and Financial Services Representative from Amarillo, guest of Lion Knorpp, Steve Pardy, Chevrolet District Manager from Amarillo, who was the guest of Lion Alderson, Terry Bernabe of B&B Automotive who was the guest of Lion Wilbert Bernabe and several other guests. Today marked the last visit of Lynn Alderson and Kyle Allen before they return to college which means the club's grocery bill will be going down. Lion Shelton presided today and made several announcements. Meeting adjourned.

Q - Does a widow whose VA benefits were restored after termination of a remarriage regain her veterans preference for civil service?

A - No. Civil service preference is not restored after the remarriage is terminated. Questions about this may be addressed to the Office of Personnel Management which is responsible for preference certifications.

In ancient Greece the laurel tree was considered sacred to the god Apollo, patron of poets. Hence poets who won distinction were crowned with a wreath of laurels.

WILLARD AND PEGGY HUDSON, Lee Caskey and Jesse Wood, Ruby Lowery and Ruth Dotson.

Medical Center birthday party

Residents of Medical Center Nursing Home enjoyed a monthly birthday party this past week. This was for all the residents who had a birthday in the month of August.

Those residents receiving cakes were Eva Phelps, 93; Jesse Wood, 83; Ruth Dotson, 85; Peggy Hudson, 68; and Helen Moore, 78.

Thirteen visitors and 24 residents enjoyed the birthday cake and watermelon. Everyone sang Happy Birthday to the birthday people. Among the guests were Wayland and Dean Angel, Canyon; Clyde and Jessie Cruse, Claude; Ray and Ruby

Lowery, Wills Point; and Johnny and Melba Leathers.

BERNICE MOORE AND WANDA YOREE

GRAND OPENING DAIRY QUEEN
Thursday August 28
All proceeds will be donated to the Saints' Roost Museum
6 a.m. - 11 p.m.

IT'S JUST LIKE A DIAMOND.

You know it's an imitation. But what about the many people today who have decided they are just like a banker? From stockbrokers to retailers, from credit unions to insurance men, to savings and loans, they all seem to be saying, "You don't need a banker, we'll do just as well." Oh, no they won't. Because no one else has the banker's hundreds of years of banking experience behind them. Nor do they enjoy the kind of trust that bankers do from the majority of Americans.

So why settle for an imitation when you can have a real banker at our Full Service Bank.

THE ONLY PLACE YOU'LL FIND A BANKER IS THE BANK.

NOBODY SAID IT WOULD BE EASY

Our national attitude today points toward the easy. We swaddle our babies in disposable diapers, we drink sugar-free soda pop from throw away cans, we insist upon a painless dentist, we eat precooked foods, we purchase all kinds of unnecessary and unneeded things on easy payment terms. Too often we have lived by the erroneous formula of "easy does it" when in reality "easy" cannot do it. Our desire of ease has become so much a part of the American way we even resort to instant religion, thanks to the electronic church (?) and Dial-A-Prayer. An effortless religion is a worthless religion.

As you attempt to reconcile the "ease syndrome" with Biblical terminology, you will find little conformity. Jesus talked about bearing a cross, Paul talked about a thorn, Peter talked about the cares of life and James talked about divers temptations or testings.

- Nobody said it would be easy to

reproduce the Christ-life. The scriptural admonition is "Yet if any man suffer as a Christian...let him glorify God on this behalf" (1 Peter 4:16).

- Nobody said it would be easy to win souls, to build churches, and to evangelize the nations.

- Nobody said it would be easy to recruit students, to maintain a college and to train servants of Christ.

- Nobody said it would be easy to think right, do right, speak right, act right and live right.

Are you looking for the easy way out? Then don't look to the Bible, for it promises a cross, but not without a crown; it promises pain, but not without pleasure; it promises burdens, but not without blessings. God does not guarantee "easy going" for His children. The Christ-life is no "easy as pie" achievement. Someone said: "It is easier to go down a hill than up, but the view is best from the top." Nobody said it would be easy.

And remember, easy looks for a short-cut to success. Easy settles for something less than the best. Easy is soft on priorities. Easy has little conviction. Easy cannot endure hardship. Easy requires no sacrifice. Easy stops short of the goal. Easy has no premanence. Easy has few rewards. Easy will not get the job done.

Watch what you do... This could be you!!!

MR. AND MRS. MCKINLEY LOUIS

McKinley's celebrate 40th anniversary

Mr. and Mrs. McKinley Louis celebrated their 40th wedding anniversary August 17, 1986. They were united in marriage on August 17, 1946 in Gilmer, Texas. She was the former Bobbie Ruth Duncan.

They have made their home in Clarendon, their entire married life. McKinley is employed at Chamberlain Motor Co. Bobbie is a Licensed Vocational Nurse. They are the parents of 4 sons, one deceased son, a daughter and 9 grandchildren.

"Small Town" fights for way of life

The people of Clarendon are facing yet another important battle in an ongoing fight for our treasured "small town" way of life. This is a fight which may not be apparent to many citizens.

The economic difficulties which the local business community has suffered in recent months are symptomatic of this fight for survival. However, residents have the opportunity to do something to help their community. "Shopping at home" may never be more important than it is this year.

Texas has suffered statewide: business is down, unemployment is up. Most rural areas and small towns, like Clarendon, have been hard hit and are fighting for survival.

We can no longer be complacent. Clarendon is also fighting for survival, but Clarendon can survive and more, succeed, but it is going to take the concern and effort of all its citizens.

Everyone should do as much of their shopping as possible at home this year for several reasons.

1. Local sales keep those dollars at home where they turn over and over again, providing jobs and income for many persons. Those who complain about the town needing more jobs and better pay, and who then shop out of town, are only contributing to the very problem they're complaining about!

2. The local sales tax comes back into the city budget to help it provide and maintain essential services. Shopping out of town decreases the amount received by the city for use on those essential services.

3. A steady volume of local sales helps to assure that the local merchants will stay in business and be able to offer a greater and better selection of merchandise. Shopping away from home only means they can offer less and less, or perhaps, close altogether.

4. Local prices are generally competitive with those elsewhere, and usually beat others when you consider the cost of gasoline and service out of town.

5. Clarendon is a fine community to live and raise a family in. One reason is a good school system. A system supported by tax dollars from a local tax base. If local businesses close and property values decrease that tax base will be eroded and the

schools will have to suffer or taxes will have to increase.

6. Lost jobs, sales tax, and tax base can only mean that the quality of life in Clarendon will decline and our young people will be forced to go elsewhere as they seek careers and livings. Studies have shown that 75 to 80 percent of new jobs come from expansion of existing businesses. Building up our local businesses by patronization should be a number one priority.

Clarendon businesses are making a real effort to attract and deserve local resident's patronage. Seasonal sales, promotions of various kinds, in-store sales and numerous other events are evidence of their willingness to compete.

Clarendon merchants are trying to do their part in the community's continuing fight for survival, trying to be competitive, trying to be generous, and trying to be of service. They have long ago realized the importance of the local economy to the quality of life and have invested heavily in it, in some cases everything they have.

Clarendon residents should recognize that commitment to the fight, and do their part to help the town succeed by shopping at home.

Wellington

Rodeo

August 22 and 23 will be the Annual Wellington Rodeo, sponsored by the Wellington Rodeo Association. Stock contractor will be Fred Cordell with C&C Rodeo Co. of Childress. Performances begin at 8:00 p.m. nightly followed by large dances each night. Friday nights dance will feature CHAPS from Western Oklahoma. Prices for this dance are \$6.00 single and \$10.00 a couple. Saturday nights dance we will host Pake McEntire, Reba McEntire's big brother. Advance tickets will be sold at \$8.00 a person. These tickets can be purchased from any Rodeo Association member. If you would like tickets, please contact Tina Cobb, dance chairman, 806-447-5510, or Mary Blacksher, secretary, 806-447-2803, after 5:00 p.m. The advance tickets will only be sold until August 20th.

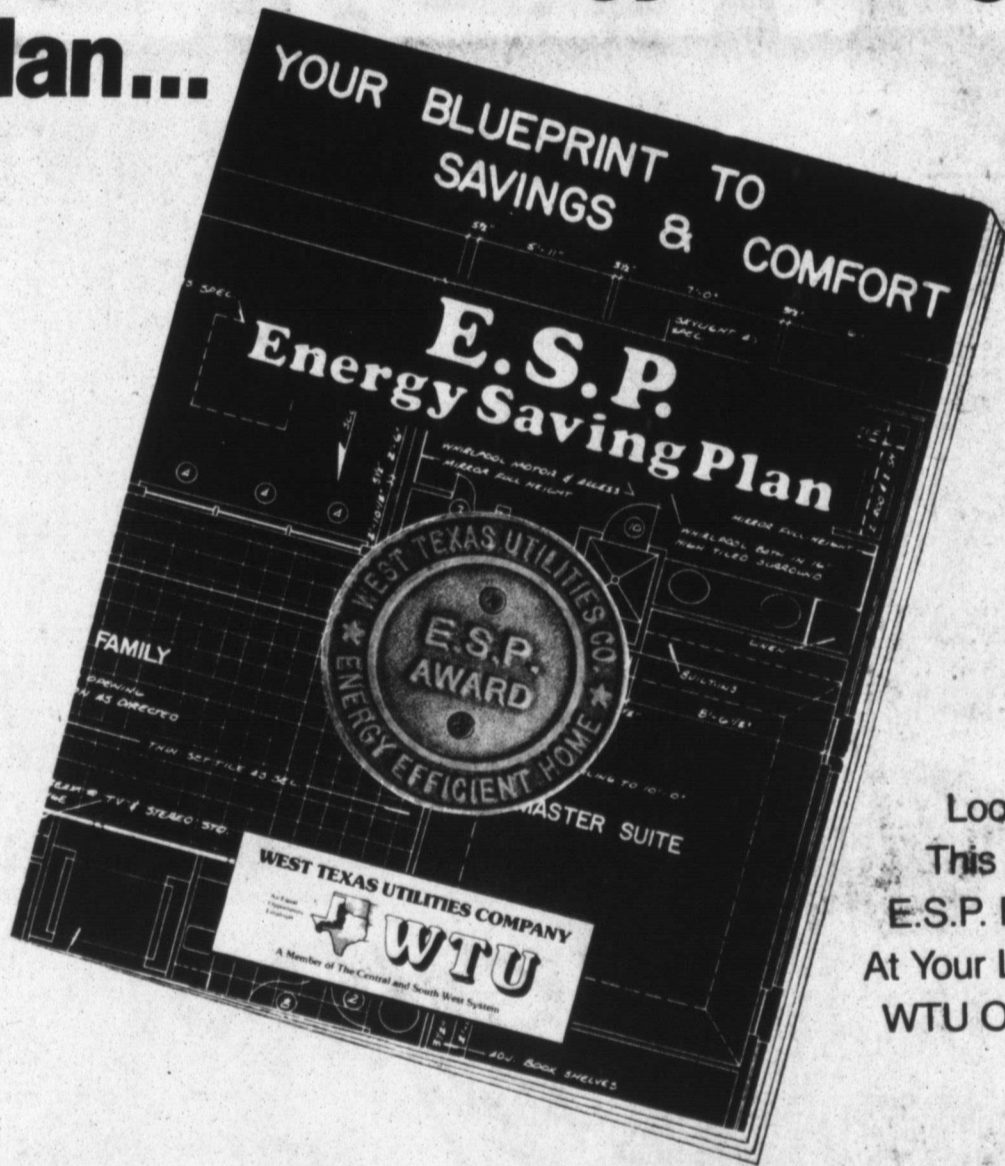

The first gold rush in the United States was touched off not in California but in Georgia, where prospectors discovered gold deposits in 1828.

"A JOLLY IDEA...A TERRIBLE GAME"

How fitting. In the fourth quarter of one of the most boring football games imaginable, one guy made this great run in the open field. Wearing a Cowboy Uniform? Not this day. The black and orange of the Bears? Nope.

No uniform. No number. Not even cleats. Not even a jockstrap. The man was nude -- wearing nothing but a smile.

"I looked around to make sure it wasn't one of our guys," Bears coach Mike Ditka joked afterward.

"Shoot," quarterback Jim McMahon said. "I'm not sure anyone's got that kind of nerve."

Obviously somebody's got that kind of nerve. A bare buttocks on my television screen was living proof. As McMahon himself might say, "What a way to wake people up!"

And Lord knows they needed waking. In fact, as the game dragged on, I'm willing to bet the only conscious consumers of that Cowboys-Bears game at London's Wembley Stadium were the 40,000 suckers who bought tickets to stand the entire game. That's right; they stood...like Aggies...through the entire game. They didn't, however, kiss after every touchdown. That sort of behaviour is reserved for Sarah Ferguson.

Anyway, the game was a yawner. The crowd was tranquil, the Cowboy offense was comatose. Six points they rang up against that Bear defense -- the streaker was only two field goals short of six points by himself.

"I thought we'd do more on

offense," Cowboys coach Tom Landry declared afterward. Now that's profound. With that sort of foresight, our friend the nudist might have thought to wear a fig leaf.

What a worthless idea it was to play this game. Pre-season football is low caliber to begin with. Pre-season football after a week's worth of sightseeing and fooling around a foreign country is even worse. No one concentrated, and obviously no

one cared. Jet lag was a problem the entire week, believe it or not, and it might not wear completely off for several weeks. Now that's the way to get ready for a season...fight jet lag for two weeks.

Worst of all the best run of the day wasn't by Tony Dorsett or Walter Payton, or even Rafael Septian. It was by a naked lunatic, motivated by whatever perverse (or perhaps financial?) cause.

And that, friends, says it all.

FFA News

When you recognize the qualities it requires to be a leader and the desire to succeed in the eyes of a young person wearing a blue and gold jacket, don't be surprised what you have seen is typical.

A prime example was the turnout of 164 Future Farmers at the Area I Leadership Conference, hosted recently by Clarendon College. The conference is held annually for the purpose of developing competent and aggressive leadership in yo-ag students. To do this, a series of group sessions were held designed to strengthen the confidence of agricultural students in themselves and their work.

Attending from Clarendon were Linda Hill, Renee Campbell, April McCary, Joseph Jaramillo, Derek Howard, Todd McAnear, and Richard Graham.

During the three day conference, many friends were made and many lessons learned. With this show of

brotherhood and cooperation, one can be sure of the success to come in the future of agriculture.

The 58th annual Texas FFA Convention was held in Amarillo, Texas July 15-18 and Clarendon FFA members attending were Derek Howard, Linda Hill, Joseph Jaramillo, Todd McAnear, Renee Campbell and April McCary.

Once again Area I proved its reputation for producing leaders, as Bruce Cobb, representative for Area I, was elected Texas FFA president. Outgoing president, Aaron Alexander, Boys Ranch, was also from Area I.

The convention was successful, bringing over 5,000 members and guests to Amarillo, many for the first time.

Attending the State Convention was the highlight of the year, and we offer a special thanks to Mr. Edwards and Mr. Adams for all their help and we're looking forward to all of tomorrow - in the FFA.

SCS News

Grasses can help protect your erosion-prone fields. Green up your farmland through the Conservation Reserve! Visit your local office, U.S. Department of Agriculture.

America has less than half as many wetlands as when our nation was first settled. If your farm has some wetland, a new farm law asks you not to drain or fill it. If you do convert it for crops, you could lose farm support benefits. Check with your local office, U.S. Department of Agriculture.

Farmers, you have thought about the Conservation Reserve? You'll have guaranteed income for 10 years of the land you enroll. You'll help stop erosion.

And you'll start a new permanent crop of grasses. You can also lease the land for hunting. Check with your local office of the U.S. Department of Agriculture.

Are some of your cropland fields highly erodible? If you keep on cropping these erodible acres, you could lose a number of farm program benefits.

One answer: Plan and apply a soil and water conservation system. Another answer: Convert erodible fields to soil-saving grasses through the long-term Conservation Reserve. You can even sell hunting rights on the land.

There are new options in today's farming. If you have land that erodes too easily, conservation systems could be expensive. To protect the land and stay eligible for farm support programs, join the Conservation Reserve!

If you take that land out of cropping, you'll get financial aid to establish grass, as well as annual rental payments for 10 years. So visit your local office of the U.S. Department of Agriculture today. Ask about the Conservation Reserve.

Farmers, if you have some wet soils that support mainly water-loving plants, don't fill them in to grow crops. You and the community would miss out on many wetland benefits, such as flood prevention and wildlife habitat.

You might also miss out on farm assistance program. The 1985 farm bill makes farmers who convert wetlands to produce

crops ineligible for certain program benefits. For more information, visit your local office, U.S. Department of Agriculture.

Want to have more farm income and be a conversationalist? Join the Conservation Reserve! You'll get an annual rental payment...and cost-sharing for grass. Later on, you may have income from tree harvesting or hunting leases. It's a good alternative.

If you continued to farm those highly erodible fields, you would need an approved conservation system...or lose several farm program benefits.

Less than half of the wetlands that were here when America was first settled still exist today. These areas vary in size and appearance. They may be covered with standing water...or they may be saturated during only part of the year. They support mainly water-loving plants. They also support many kinds of wildlife.

Some wetlands even reduce flooding on other land. Wetlands play many important roles. So important that a new farm law asks farmers not to drain or fill them to produce crops.

If you do convert them to cropland, you could lose several farm program benefits. Wetlands are very productive. And very valuable for all of us. If your farm has wetland, be proud of it—and keep it for its many values.

For more information contact your local office of the U.S. Department of Agriculture, extension service, or conservation district.

At times, a Social Security representative will contact a person by phone. This may be to get information, such as Social Security

number, to facilitate the processing of a claim. And, occasionally, a Social Security representative may make a home visit. If a Social Security representative does visit your home, he or she will furnish proper identification; anyone claiming to be a Social Security representative who does not have proper identification should not be permitted to enter your home.

Moreover, if you have any question about the identity of the person claiming to be a Social Security representative, or if you would simply want to verify that the person is who he or she claims to be, phone the Social Security office. A bona fide Social Security representative will not mind these precautions. Also remember that no Social

Security representative will ever ask for money in return for a service. If someone claiming to be a Social Security representative does request payment, this, too should be reported to the Social Security office.

From time to time, it becomes necessary for Social Security to contact a person getting benefits or an applicant. Such contacts may be made by mail, by phone, or in person. People who have been on the Social Security rolls for a while have become accustomed to receiving mail with the return address of their

to request information, or for some similar purpose. Applicants for benefits, of course, receive notices through the mail of the allowance of denial of their claim.

Congressman Beau Boulter Reports from Washington

PROMISE VERSUS PERFORMANCE

I doubt that there will ever be a shortage of promises in Washington. It's more than safe that there is an ample supply. But as far as the difficult situation facing the domestic oil and gas industry, what is needed now is not more promises, what is needed is action and leadership. These two commodities, leadership and action, are in short supply, unfortunately. As far as the dismal oil and gas economy is concerned, the current administration seems content to skim off the over-supply of promises, rather than take the lead and initiate action.

A case in point is the President's remarks in Dallas on July 23rd. While he said he was "wholeheartedly committed" to a strong domestic energy industry, he did not elaborate on any plan to achieve this goal, except to say that he will push for the decontrol of natural gas. Decontrol is indeed a laudable aim, but with the rig count at its lowest since these records began being kept, and unemployment surpassing 13% in some areas of the 13th Congressional District, action and leadership are needed, not more promises and goals.

In a meeting I had as Chairman of the House Republican Oil and Gas Task Force with Secretary of Energy Herrington and Secretary of Interior Hodel on July 23rd, the subject of substituting some action

and leadership for the promises we have been receiving so far was discussed at length. In this meeting, and in a follow-up letter to Secretary Herrington, I hammered home my point that the Secretary must begin to take the lead and become an advocate for the energy industry. He must finally come forward and advance a coherent energy policy for this nation.

Many of the actions needed to help our flagging domestic oil and gas economy require legislative changes. Currently, only those Congressmen who represent oil and gas districts stand up for this vital segment of our national economy. We are outnumbered, however, by Congressmen who care more about low gas prices than high unemployment. We need the White House in our corner, and if the current Secretary of Energy can't provide the leadership necessary for the job, then we better get somebody who can.

Production credit for stripper wells, exploration credits, a higher percentage depletion allowance, an expansion of the definition of intangible drilling costs, and repeal of the transfer rule are the kinds of incentives that the oil and gas industry must have to remain viable in the future. Making the incentives law will require action and leadership, not more promises.

SCS Field Day and Tour

A field day and tour will be held at the USDA Soil Conservation Service Plant Materials Center near Knox City on September 10, 1986.

During the noon lunch, a formal program will be held. Manley Wilder, SCS assistance Chief, Washington, D.C., and Wajdo Smith, President of the Association of Texas Soil and Water Conservation Districts, Brenham, will be on the program.

Jim Donaho, SCS District Conservationist at Clarendon said guided tours are planned through the center starting at 8:30 a.m. Tours will run continually until lunch, then again until about 3:00 p.m.

Several selections of plants are being grown at the center that were not being evaluated during the last field day in 1982.

To get to the center, go north of Knox City on State Highway 6 about 2 miles, then turn left at FM 1292 for 2 1/4 miles. There are signs at both the turn-off and the center, he said.

Donaho said Knox City has a 3,200-foot all weather runway near the center for those wanting to fly to the field day in private or chartered planes. Transportation from the airport to the center will be furnished by the Knox City Chamber of Commerce.

Grass seed dealers, seed growers, conservation district directors, research workers, wildlife enthusiasts, producers, and others interested in the search for better plants are invited to attend. The center serves both Texas and Oklahoma.

Lunch will be served by the Knox City Chamber of Commerce on a prepaid basis at \$5.00 per plate. Payment must be sent to Doris Crowover, Chamber of Commerce, P.O. Box 91, Knox City, Texas 79529. The deadline for making

lunch reservations is September 2, 1986. Tickets will be held at the registration desk, and no refunds will be made.

Sales on savings bonds up

Sales of Series EE Savings Bonds in Texas during the month of May 1986 were \$45,825,627, up 51.7 percent over May 1985, T.J. Morrow, District Director for U.S. Savings Bonds Division, announced today. This amount brings the total sales in Texas since January 1986 to \$174,413,964, an increase of \$34,170,063 over the same period in 1985, for 47.4 percent of the state's assigned dollar goal of \$370 million.

Sales of Series EE Bonds amounted to \$6,282 during May 1986 in Donley County, Texas, Volunteer Chairman, announced. Total sales in the county during the period January-May 1986 were \$6,604, which represents 71.9 percent of the county's 1986 assigned dollar goal.

Nationally, May 1986 sales continued an upward trend, with sales of \$849 million, a 79 percent increase over May 1985. Total sales for 1986 were also the highest for any month since December 1985 and the highest May since 1945. Savings Bonds held by the American public reached \$83.06 billion, an all-time record.

Current issues of Series EE Bonds held at least five years earn the average of semiannual market-based rates in effect while they are held, or the current minimum guaranteed rate of 7.5 percent, if the average falls below the mark. Semiannual market-based rates change each May 1 and November 1. The rate for May 1 through October 31, 1986 is 7.02 percent, bringing the average rate for the 8 periods since the market-based variable rate program started in November 1, 1982, to 9.36 percent. Bonds held less than five years earn interest on a fixed, graduated scale.

Information on rates, including the new semiannual rates when they are announced, can be obtained by calling toll-free 1-800-US BONDS.

BELLADONNA MEDICINES

Atropine is one example of the belladonna alkaloids - a group of naturally occurring medicines obtained from plants. Belladonna alkaloids cause a partial or complete reversal of the effects of the chemical acetylcholine that is normally produced by the body. It is acetylcholine that causes the pupils to constrict, the gastrointestinal tract to propel food, the mouth to produce saliva, and hundreds of other regulatory effects.

Belladonna counters these effects and causes the pupils to dilate, the gastrointestinal tract to slow down, and saliva production to decrease. At one time in history, women placed belladonna in their eyes to enlarge pupil size and, by their way of thinking, enhance beauty. Mascara and eye shadow serve much the same purpose today and draw attention to "larger" eyes.

One of the chief uses for belladonna today is in treatment of gastrointestinal problems such as ulcers and irritable bowel syndrome. Because belladonna helps relieve spasms of the stomach and intestines, its alkaloids are classified as "antispasmodic" agents. The chief benefit of belladonna use in stomach and bowel disorders may be pain relief through elimination of cramping.

Watt's Happening in Hedley

by Peggy Watt

Our daughter, Su-San, daughter-in-law Linda, grandson Langly, and nephew Bill Mullins escaped serious injury last week when they were involved in an automobile accident. Suzy suffered a whiplash and brain concussion. Linda had bruises and bumps. Langly had bruises and scratches, and Bill was uninjured. Both Su-San's car and Bill's pickup were totaled. Fred and I have decided there are millions of cars and pickups in the world, but they are the only girls and grandkid we have, and they are irreplaceable. We're thankful they weren't hurt.

Joy Stone of Childress visited her mother, Mrs. Flossie Wood and Jane during the weekend. Danny Bernardine visited during the afternoon Sunday.

Kay Miller and Sidney Ketchum, John and Sarah Chitwood, Jennifer and Heather of Amarillo visited with their parents, Roy and Juanita Brown last week. Roy Jr. and Sue Brown and their children visited during that time.

Joyce Boliver has returned from a trip to Trenton, New Jersey and other places along the eastern sea-

board. She went with her children, Jim and Sharon Boliver and Angie of Amarillo to visit her other son, David and Alene Boliver who live in Trenton. While they were there they visited New York City and rode the Staten Island ferry and saw the statue of Liberty. They also visited Philadelphia and saw Independence Hall and the Liberty Bell.

Mrs. Nellie Martin of Childress visited with her children Marty and Sis Martin, Kendra and Matt and her sister, Laqueta Cox last week. Laqueta and Mrs. Amelia Holly took her home Friday and visited with Laqueta's mother Mrs. Edna Rucker.

John and Debbie Flanary of San Antonio, Connie Lee Wilson, Brad and Cory, Mrs. Allie Barrington, and Susan Wood, Matthew and Alinda of Amarillo joined Slaty and Peggy Deborn for a family reunion with Connie and Mahdeene Deborn last week. This week Mahdeene will spend in Amarillo with her mother, Mrs. Allie Barrington.

Woodrow and Ora Pearl Farris visited his sister, Nella Gamble in the nursing home in Memphis Saturday. Nell hasn't been feeling very well.

Homer and Murdce Hill accompanied their children, Chuck and Wanda Hill on a trip to Tennessee recently. They went so Homer could attend the reunion of his army group, the 455th Artillery (tank company). They visited several wineries in Arkansas, and Fort Smith, the battle ground at Shiloh, the Hermitage, which was the home of President Andrew Jackson and Gettysburg, which was the home of Elvis Presley in Memphis, Tennessee. Probably Gettysburg is better known than the Hermitage. They also visited Opryland in Nashville, Tennessee.

Clyde and Mildred Hoggard attended the Floyd-Foster reunion in Childress last week. Approximately 100 people were there. Mildred's brother, J.T. Floyd of Dallas returned home with Clyde and Mildred for a longer visit. Bobby Hoggard, Audra and Candi of Clarendon visited Sunday.

Ed and Ruby Lovelady of Honcho, Arizona stopped by Hedley and visited her parents, Mr. and Mrs. Elmo Kennedy and sister, Bud and Betty Hoggard last week. They were taking their grandsons, David and

Thomas Powell home to Fort Worth.

Mark and Tammy Brinson and Keith Brinson and Buford and Jerry Holland were among those who attended the Ranch Roundup in Wichita Falls during the weekend. Buford and Jerry's son-in-law, Johnny Hill of Clarendon participated in the rodeo. I understand he won a bit of money and a pair of spurs. Congratulations.

Mrs. Maude Thomason of Marysville, California has been visiting Walter Johnson for the past few days. They were schoolmates when they were children. (If anyone can imagine Walter being a child.)

Sis Martin, Matt and Kendra were in Childress Saturday and visited Sis' grandmother, Mrs. Vivian Jones and the kids grandmother, Mrs. Nellie Martin. Mary tended to some business in Amarillo.

TimberLee Potts and James Lee were home for the wedding of Nadine Rice last week. She left James Edward and my kid, Keith in Corpus Christi stripping cotton. I threatened to go back with her and bring Keith home but didn't. I'm ready for him to come home. I might never let him leave home again. I had forgotten how lonesome it gets when he's gone. Even with Guy and Fred here, his space is empty. I can't stand to think about how it will be in four more years when both Keith and Guy are gone from home. Fred and I may keep them home.

Blackie and Shirley Johnson enjoyed a second honeymoon during the weekend I understand. My source of information told me they honeymooned at Quartz Mountain Resort at Altus, Oklahoma. Tige and Jonnie Hill babysat with J.R. I think I must have missed something. As far as I know, Blackie and Shirley only had two children, Tom and Sis. Where in the world did they get J.R.?

Terry and JoAnn Bailey and Chris spent a few cool days in Ruidosa, New Mexico last week. Todd remained home to manage the store.

John and Eddie Fisher have returned home from an extended trip to the Pacific Northwest and Alaska. They visited in California, Oregon, Washington, Vancouver, Canada, and Alaska. They also visited the fair in Victoria, British Columbia, Canada and fished in Alaska. They canned their catch so they could enjoy the fruits of their labor when they came home.

Virgil McPherson took his wife, Opal, to Amarillo to dine a few days ago. How nice for Opal.

Flora Sanders, James and Oretha Potts, Helen Lindsey, Linda Naylor and Jared, TimberLee Potts and James Lee, Randy and Debbie Woodard, and Eric and Twannah Hall all attended the wedding of Flora's granddaughter, Nadine Rice in Quitaque Saturday.

Doris Reikin is home Northwest Texas Hospital where she had surgery last week. She should have had the report from the biopsy Tuesday. Hopefully she

will soon be well.

Bill Wiggins of Wheeler spent Saturday night with his parents, Nookie and Geraldine Wiggins. His wife, Tobitha attended her niece's wedding in Quitaque. He claimed work prevented him from going.

Luanne Maybery of Bushland and Bud Drum visited us Saturday. She was visiting her parents, Louis and Ruth Drum. She was always one of our favorite people, and she hasn't changed since she was a little girl.

The Hedley CISD Board of Trustees held a budget hearing for adoption of the 1986-87 budget. The board adopted a budget of \$534,201. This figure is up by about \$20,000 over last year's budget. The board also held a regular meeting. The following business was conducted.

Simmons Insurance Agency was chosen as the carrier of school property and auto insurance for the school year.

Borden's received the bid for milk for the school year.

Hill Petroleum was awarded the bid for gasoline for 1986-87.

Lunch prices were set at the same amount as 1985-86 prices.

An academic attendance awards policy was adopted.

The annual evaluation was approved.

The 1985-86 amended budget was approved.

Delinquent tax schedules were reviewed.

The 1986-87 tax rate was set at \$7.0219/\$100.00 evaluation. This figure is three percent above the effective tax rate and slightly lower than the 1985-86 rate of \$7.08/\$100.00 evaluation.

Jessie Alston was hired as an assistant cook and bus driver.

Kay Talley was hired as a teachers aide.

The petty cash report was reviewed.

Mr. Holland gave the superintendent's report.

Current bills were paid.

Mother had a nice long chatty letter from my brother William and Marge Mullins. They recently moved from Amarillo to St. Petersburg, Florida. She has been worrying about them and now that she's heard, maybe she will feel better.

J.C. Woody and Henry Ford of Clarendon came Monday to see about getting Guy to break and train some horses for Henry. He has been working with some of J.C.'s horses all summer. I think he has about finished with the last one. I personally wouldn't get in the lot with some of those horses. They are wild mustangs from Arizona and have never seen more than six humans before.

Walker Reunion

The descendants of Thomas Joshua Walker and Mary Elizabeth Benham Walker gathered at the Clarendon Community building Sunday, August 17, 1986 for their annual reunion. Everyone enjoyed visiting and watching a video tape that had past reunions and events over the past 32 years which had pictures of Mary E. Walker and some of her children included before she died in 1955.

All of their family was represented in some way. Of their nine children only four are surviving: Mrs. Anna Porter, Lovington, New Mexico; Mrs. Mary Turner, Spur, Texas; Mrs. Helen Smith, Electrica; Mrs. Jewel Morrow, Clarendon, who were all in attendance. Also attending was their son-in-law L.B. (Kenneth) Morrow, Sr. Other descendants in attendance were Ernest and Tinnie Ola Tapp, Willow, Oklahoma; Helen Louise Walker Barclay, Bill Barclay, Donald Stone, Amarillo; Mr. and Mrs. Theola Walker and children; Hereford; Johnny Marshel Hobgood and son Lyn Hobgood, Borger; Grady Porter, Bartlesville, Oklahoma; Bernice and Bertha Porter, James and Kelly, Bobby Jack and Curriane Paeter of Borger; Benny and Ruth Clay, Ashtola; Geary and LaRue James, Altus, OK; Mary Carmen Collins, Glee and

Friday-Tamales pie, spinach, pickled beets, corn muffin, oleo, apple pie, milk, tea, coffee.

Free and Reduced price meals

Hedley CISD today announced its policy for free and reduced price meals for children unable to pay the full price of meals served under the National School Lunch and Breakfast Program. Hedley CISD has a copy of the policy, which may be reviewed by any interested party.

Application forms are being sent to all homes with a letter to parents or guardians. To apply for free or reduced meals, households should fill out the application and return it to the school. Additional copies are available at the school. The information provided on the application will be used for the purpose of determining eligibility and may be verified at any time during the school year by school or other program officials.

eligibility, the household must provide the following information listed on the application: Names of all household members; social security numbers of all adult household members or a statement that the household member does not possess one; total household income or the household's food stamp case number if they currently receive food stamps; and the signature of an adult household member certifying that the information is correct.

Applications may be submitted any time during the year.

The following household size and income criteria will be used for determining eligibility: Children from households whose income is at or below the levels shown are eligible for free or reduced price meals.

ANNOUNCING

Enrollments Are Now Being Accepted For 1986-87 School Term at

THE CALVARY BAPTIST ACADEMY

Clarendon, Texas 874-3156

Kindergarten and Grades 1-12

- ★ Strong Phonics Program
- ★ Teach Reading in Kindergarten
- ★ High Academic Standards
- ★ Excellent Facilities
- ★ Low Tuition
- ★ Patriotic Emphasis

- ★ Concerned Dedicated Teachers
- ★ Character Training
- ★ Strong Emphasis on the Basic Fundamentals of Education
- ★ High Teacher-Pupil Ratio

ESSENTIALS FOR AN EFFECTIVE SCHOOL

According to the U.S. National Institute of Education, there are five critical characteristics that distinguish a good school from a second-rate school. Students learn best and achieve more, the Institute reports, when the school has--

1. HIGH EXPECTATIONS - students must be challenged and encouraged; teachers must set high standards of achievement and behavior.
2. STRONG LEADERSHIP - the principal and/or administrator must be men of vision who are capable of conceiving and implementing improvements in curriculum, methods, and facilities.
3. EMPHASIS ON INSTRUCTION - basic skills must be stressed and frills eliminated; learning

tasks must require student effort and involve a substantial part of each day; homework must be a regular requirement.

4. FIRM DISCIPLINE - the climate must enhance learning, not disrupt or distract it; there must be safety and freedom from violence and vandalism; disruptive behavior must not be tolerated.
5. TESTING - student performance and achievement must be continually and consistently evaluated.

These five essentials are heavily stressed in Christian Education. Christian education is dedicated to the return of such basics to education. In addition, Christian schools add a sixth essential; the moral and spiritual development of the student.

Ashtola - Martin News
by Naomi Green

Villa Graham had visitors this week, Mr. and Mrs. Robert Graham of Plainview and Jimmy Goodman of Springfield, Mississippi.

Jerry Gray of Canyon came Sunday without the family to visit with the Vance Grays. Ismanell told me where all the family was but I lost track of the details.

Clara Finley called early Monday morning to tell us that Doss had been hospitalized with another stroke. He is in St. Mary's Hospital, room 265 at Roswell, New Mexico.

Adderine Mahaffey, a former Ashtola resident, was buried Friday morning. Our sympathy is extended to all of the family. We are all going to miss her good humor and her prayers for all of us. She was a wonderful positive thinker who gave all of us support and confidence in our own abilities to meet life as she had with strength and fortitude.

Laura Tucker and Naomi Green were in Amarillo Thursday afternoon for a medical appointment for Laura. She got a good report.

Wednesday evening Mr. and Mrs. J.T. Clayton of Memphis and their daughter Diane Conaster of Hedley visited with the Dane Perdue family.

Jason Green was with the group of archery advocates who attended an archery contest in Amarillo Sunday.

Dana Perdue and Karen Alexander of Elkhart, Kansas were here visiting the Perdues and to attend the Mahaffey funeral.

Terry and Rita Hawkins, Brandy and Josh were among other JA Ranch participants in the Texas Ranch Roundup at Wichita Falls. Rita won first place in vegetable cooking with her recipe for dutch canning medley. Brandy and Josh helped other JA children come in third in the singing contest. Joan Slyron, representing JA Ranch out of Colorado, won second in crafts with a wood shirt and blazer.

Jiggs and Evelyn Mann were in Wichita Falls for the weekend to attend the Texas Ranch Roundup.

Kay and Harold Green of Stinnett were guests Sunday of Skeet and Eileen Brown.

Mary, Christel and Jerry Green and Tiffany Patterson attended day camp at Camp Cibola last week. Naomi Green and Stephanie were guests for the closing picnic and awards ceremony. Mary can be

quoted as saying that "there was excellent response of workers, the weather cooperated and the girls gained skill and enjoyment."

The Burl Hollar family was in Wichita Falls for the Texas Ranch Roundup representing the Lewis Ranch. Their group came in 6th overall with Johnny Hill and Jackie Longan winning team roping.

Charlie and Velma Hearn were in Spokane, Washington for a week to visit with the Claude Hearn family.

Thursday Becky Lane and Eadith Spivey and Oleta and David Lane went to Ralls for the parade and Ralls day celebration. They left Oleta, Johnny and Claudette brought her home Sunday. Claudette is looking forward to a new brother or sister some time next month.

David and Della Spivey of Grand Prairie came for the weekend to visit the Claude Spiveys and Della Allen.

Sunday afternoon Charlie and Velma Hearn went with Frances and Lloyd McCord to Childress to visit with the Lloyd McCord Jr. family.

Ira and Tommy Spivey of Amarillo were guests Sunday in the Claude Spivey home.

Last Saturday Becky Lane and Eadith Spivey were in Pampa to visit Mary Stafford who was in the hospital.

The Rebekah Lodge is looking forward to the annual visit of the president of the Texas Assembly Thursday night at 6 p.m.

Saturday the Bob Havens family went to Quail to attend the Langley family reunion. This was Bob's mother's family. There were 153 in attendance.

Connie Havens is the proud great aunt of twins born at Kiowa, Kansas to Leta and Mark Phillips, son of the late Clifton and Harlene Phillips. Samantha Jo, six pounds and eight ounces, was born two minutes before Matthew Mark, six pounds. In addition to the local proud great aunt, the children have a two year old brother in October Clay and a local great grandmother Tennie Smith.

Clint Green celebrated his 8th birthday with a party in Amarillo at the water slide. Nine little boys enjoyed the occasion, and I can't catch Katherine and Clint long enough to get their names. I know that Steve Haire and Adam came Pampa, Trent Mooring from Panhandle, Little Jerry Green of Ashtola.

Carl Evans of Fruitdale stopped by one day last week and missed us but went over to Ismanell Gray's to catch up on all the local news. He left his

mother Florence of Arlington down at Memphis visiting relatives. He comes to Amarillo about once a month. I would have loaded him down with tomatoes if I could have caught him. He is tomato growing king of his area so the likelihood of pawing any off on him was scant.

Larry Gray of Earth came to Clarendon for a few days. He and Gayle (Buster) worked on Vance's fences.

Charles and Nita Wood of Lubbock and Jiggs and Evelyn Mann attended the Martin Reunion locally and then went on to the two day Bain reunion at Dumas Sunday. They said there were approximately ninety Bains Saturday and too many to count Sunday.

Mae and Duane Naylor of Thalia came and got Thelma Hall and attended the Bain reunion at Dumas along with Richard and Vici and Erin Naylor of Amarillo. They visited the H.A. Greens enroute homeward.

A week ago Tom and Louise Shadle, the Joe Neal Shadle family and the Jim Shadle family along with LaRue Pittman and Lucille Koeninger of Amarillo were in Plainview at the agriculture building for the Koeninger family reunion held annually the first Sunday in August. They had about fifty-two in attendance.

LaRue Pittman brought Alice Pittman from the Bivens Home to Clarendon for the Martin reunion. Billy Mack Pittman and his family took Alice back to Amarillo and LaRue spent the night with her parents, the Tom Shadles.

Frankie and Billy Jack Green had business in Donley County and visited with Horace and Naomi and Jerry Green Friday.

The children, grandchildren and great-grandchildren of Richard Dingler met at the Clarendon Community Center on Saturday and Sunday for a family reunion. Attending from Amarillo were Frances and Gene Grimlan, Donna and Mike Chappell with little Amy, Cary Sue and Terry Stout with children, Shawn, Terria and Tammy, and Tom Young with Joman and sister and Connie, Rusty Hooper with Corley Ray. From Topeka, Kansas came Glenna, Robert and Gina Cash and Tommy and Harry Lewis. Joyce and Bobby Watkins and little Will Schienkel came from Odessa, Shirley, Bruce Lindsey and Jenny Stewart came from Midland. Larry Dingler was there from Abilene. Jo Ellen and Billy Cowan came from Tulia. Sherri and Wayne McElroy and sons Nicholes and Michael came

from Perryton. Janet Langston came with Amanda and Jason from Brownwood. Fred and Lucille Johnston of Wagner, Oklahoma and Joan and Wendell Eanes from Tulsa, Oklahoma and Amos and Lorane Yates with Donna and John Yates and their boys were in attendance from Red Oak. Jack and Romma Yates came from Lubbock. Paula and Lane Garvin with Brooke and Kurby came from Silverton along with Ruby Jewel and Warren of Clarendon. Richard and Ethel Dingler were unable to go to the community center for the occasion but were visited in their home by each family.

Hill Reunion

Ten of the thirteen living children of the late J.F. and Eva Jane Hill gathered for the thirty-eighth consecutive year on August 10th for lots of good food, good laughs, and great times.

The brothers and sisters present were Bertha Hill Russell, Sunet, Texas; Thelma Hill Mahler, Cyril, Oklahoma; Opal Hill Rich, Riverside, California; Inez Hill Sams, Panhandle; T.L. (Hoot) Hill, Amarillo; and W.E. (Tode) Hill, F.L. (Tige) Hill, Homer Hill, Flossie Hill Wood, and J.F. Hill, Jr., all of Hedley. The in-laws, grandchildren, great-grandchildren, and great-great-grandchildren included Danny, Kevin, and Bryan Russell of Sunset; A.L. and Clinton Mahler, Cyril, OK; Lois, Bryan, and Karen Murray of Apache, Oklahoma; Mattie Laura Hill, Hedley; Don and Jane Ruth Owens, Karen Rogers and Erin of Amarillo; Larry Owens, Laura and Donnie, Kemp, Texas; Jonnie Hill, Murt Hill, Jane Wood, Martha Hill, Bill and Becky Hill, Matt and Karli Jo, Ronnie and Janie Hill, Jana and Jennifer; Chuck and Wanda Hill, Bryan and Debbie Hill, Ashley and Lauree, all of Hedley; Tommy and Terri Hill and Lance of El Paso; Joe and Mackie Wood, Wesley, Brandon, and Meridith of Panhandle; George and Joy Stone, Susie Mills and Jordan, and Keith and Cindy Henderson and Kerri all of Childress; Kenneth and Helen Solomon, Robin and Kenny of Fritch; Jean Stafford and Robert of Carlsbad, New Mexico; Homer Jean, Johnna,

Jeana, and John Weatherbee of Lubbock, Jerry Weatherbee, Terry and Patsy Weatherbee, Graham, Texas; John and Judy Neeley of Dallas; Junior, Christy, Aaron, and Allison Sams, Panhandle; Loretta Crump, Jason and Justin, Johnny and Gail Hill, Lisa and Karen all of Clarendon; Leon and Carole Ward, Amanda and David, Hedley; Jeff and Lori Hill of Ralls, Texas; Tracy Hill and Christen of Amarillo; Lewis and Eva Lou Kuykendall of Antelope, Texas; LaBeth, Julie, and Traci Brigdens of Wichita Falls, and Harva

Kuykendall of Fort Worth. Visitors during the day included Ruth Rogers of Amarillo, Randy McPherson of Borger, Dorsie of Panhandle and Todd of Clarendon.

Everyone left full of good food and laughs looking forward to as good a time next year as was had by all this year.

LOCAL
Bill and Boots Watson of Littlefield visited Bill and Nova Mooring Thursday and Friday.

Vocational nurses graduate from Clarendon College

The Harned Sisters Fine Arts Auditorium Friday evening August 15 was the site of commencement exercises for the 1986 Vocational Nursing graduates of Clarendon College. Tammy Taylor and Kathy Gillcrest provided the music for the occasion. Dr. Phil Shirley served as Master of Ceremonies. Dr. Michael Strickland, MD of Lubbock was the guest speaker. LVN pins were presented by the college nursing instructor, June Davis of Clarendon and Virginia Ferrell of Childress.

The graduates have received their hospital experience at one of the following hospitals: Family Hospital Center, Amarillo; Hall County Hospital, Memphis; Childress General Hospital, or Collingsworth General Hospital in Wellington. The reception following the graduation ceremony was hosted by Area Licensed Vocational Nurses and the Medical Center Nursing Home.

Graduates of Clarendon College's 1986 Licensed Vocational Nursing Boulter discusses gas and oil crisis with Reagan

Congressman Beau Boulter (R-13) met with President Reagan, the Vice President and three key members of his administration in what is likely to be the last opportunity for representatives of the independent, domestic oil and gas industry to voice their concerns before the conclusion of the House/Senate Tax Reform Conference.

The meeting, which lasted for 25 minutes, gave Boulter and two representatives of the independent oil and gas industry a chance to make their case for the domestic energy industry, including the vital service related industry. Specifically, the Congressman and industry spokesmen urged the President to support retention of current tax law for the oil and gas industry, to take a fresh look at various proposals to stabilize prices and to develop, in consultation with the industry, a national energy policy which will make the United States energy-secure.

In addition to the President, Vice President George Bush, Treasury Secretary James Baker, Energy Secretary John Herrington, and National Security Advisor John Pointdexter also attended the meeting. Accompanying Boulter were two representatives of the independent oil and gas industry: Ray Hefner, Chairman of the Board of the Independent Petroleum Association of America; and Bob Gunn, past President of the American Association of Petroleum Geologists. Mr. Gunn is a resident of Wichita Falls.

"The fact that we had this meeting is proof enough of the President's commitment to the domestic petroleum industry," Boulter said. "He is fully aware of the importance of the industry to our economic and military security. Both in the context of tax reform and in terms of developing a national energy policy, the President is deeply committed to the goal of an energy-secure America through a healthy and vibrant domestic petroleum industry."

INVITATION FOR BIDS

The City of Hedley, Texas will receive Bids for water system improvements until 2:00 p.m. [Daylight Savings Time] on the 22nd day of August, 1986, at City Hall, Hedley, Texas 79237 at which time and place all bids will be publicly opened and read aloud.

Bids are invited upon the several items and quantities of work as follows: Item 1. 580 linear feet of 6-inch PVC pipe; Item 2. 4,690 linear feet of 4-inch PVC pipe; Item 3. 6,650 linear feet of 2-inch PVC pipe; Item 4. 19 fire hydrants; Item 5. service connections; Item 6. all associated appurtenances.

Contract Documents, including Drawings and Technical Specification, are on file at the office of Ober J Engineering at 912 West Avenue, Wellington, Texas 79095.

Copies of the Contract Documents may be obtained by depositing \$25 with Ober J Engineering for each set of documents so obtained. Each such deposit will be refunded if the Drawings and Contract Documents are returned in good condition within 10 days after Bid opening.

A certified check or bank draft, payable to the order of the City of Hedley, Texas, negotiable U.S. Government bonds (at par value) or a satisfactory Bid Bond executed by the Bidder and an acceptable surety in an amount equal to five percent [5%] of the total Bid shall be submitted with each Bid.

Attention is called to the fact that

not less than the federally determined prevailing wage rate, as issued by the Texas Department of Community Affairs as set forth in the Contract Documents, must be paid on this project, and that the Contractor must ensure that employees and applicants for employment are not discriminated against because of their race, color, religion, sex, or national origin.

In addition, if the prime contractor is not a minority-owned business, the prime contractor shall ensure that at least 0 percent [%] of the funds subcontracted under this contract are awarded to minority businesses. In the event that the prime contractor does not subcontract any portion of the construction work funded under this contract, the prime contractor shall ensure that at least 7 percent [%] of the work force employed by such prime contractor is composed of minority group members.

For the purpose of definition, the following words and terms shall have the following meanings:

1. "Minority Business" means a corporation, partnership, sole proprietorship, or other legal entity formed for the purpose of making a profit, if at least 50 percent of the business is owned by minority group members or, in the case of a corporation, at least 51% of its shares are owned by minority group members.

2. "Minority Group Members" are Black Americans, Mexican Americans, and other Americans of Hispanic origin, Asian Americans, American Indians, Pacific Islanders, and Alaskan Natives.

The City of Hedley reserves the right to reject any or all Bids or to waive any informalities in the bidding.

Bids may be held by the City of Hedley, Texas for a period not to exceed thirty [30] days from the date of the opening for Bids for the purpose of reviewing the Bids and investigating the qualifications of

Bidders, prior to awarding of the Contract.

Date: August 7, 1986 By: Jon Leggett Mayor 32-2tc
