City receives complaints about dogs and cats

The City of Clarendon has received numerous complaints about dogs and cats that are running at large. As the City of Clarendon has a leash law in effect, it is the City's intention to take measures to correct this problem. Please take note that it is a violation of City ordinance to allow a dog or cat to run loose within the City limits. To permit a dog's barking such as to disturb the community is declared a nuisance. To fail to have vaccination and license tags attached to a collar is a violation. The City is empowered to authorize a designated dog catcher, County Sheriff's Deputy, etc., to enter upon any unfenced lot, tract, or parcel of land, for the purpose of chasing and impounding any dog or cat running at large thereon. A licensed dog or cat that is picked up will be held for a period of five (5) days. If the animal is not redeemed by the owner, it may be sold or destroyed. A non-licensed dog or cat shall be kept for a period of three (3) days, and if the animal is not redeemed, it shall be destroyed or sold as provided by ordinance. Any person who shall interfere with or attempt to prevent the City's designated dog catcher from catching or impounding any dog or cat running at large, whether on public or private property, shall be guilty of a misdemeanor. Any person who shall refuse to deliver any unlicensed or unvaccinated dog or cat to the dog catcher, or any of his deputies upon demand for impounding, shall be guilty of a misdemeanor. Impounded dogs or cats may be redeemed with in the stated time period for a fee of \$15.00 impounding fee and \$8.00 per day board fee.

Violation of City ordinance concerning the running at large of dogs or cats is punishable by a fine not to exceed \$200.00 with each day's violation of ordinance constituting a separate offense.

Saints Roost Museum showing progress

If you haven't seen the Saints Roost Museum since the storm windows were installed on the front, you need to drive by and take a look. It is really looking good! Thanks to some willing volunteers and many hours of patching, cleaning, painting, repairing, and replacing, the old hospital is beginning to take shape as a museum. It's exciting to watch the changes taking place and to know that you contributed some of your time and energy to save a historical building.

The opening date is planned for sometime this summer, but there are still many jobs to be tackled. The most pressing task now is getting the roof repaired. A community workday is planned for all day Saturday, March 21. The museum needs you and all community clubs and organizations to unite and work on this project now.

The museum will be a lasting memorial to the individuals and events that made this part of the country a place we are all proud of. Come to the old Adair Hospital on Saturday and prove that Donley County is still home to hard-working, caring people like the pioneers who built this land. See you March 21.

Cultural Arts Exhibit cancelled

The Extension Cultural Arts exhibit has been cancelled. The exhibit was set for March 31 at the First Bank & Trust. We cancelled due to no one entering their crafts. We hope this will be not inconvenient to any club member.

Donley County family History Book

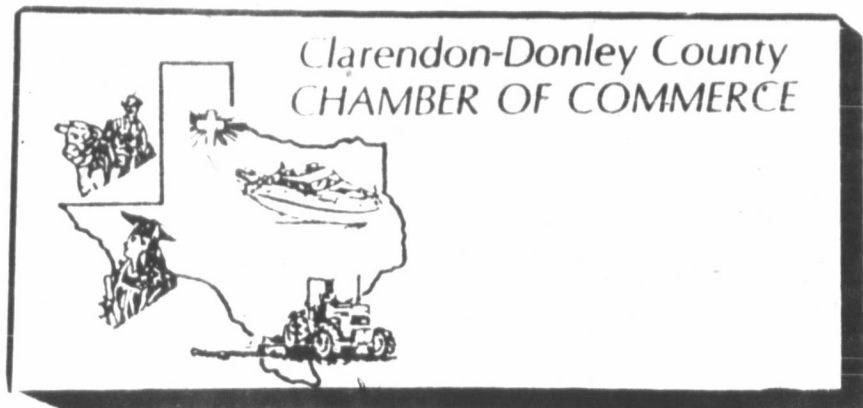

There seems to be some misunderstanding about the Donley County Family History book now being worked on.

This book is not only for pioneer families, but for anyone who has lived in Donley County, regardless of how long or short as the case may be. You can be a newly married couple, one just moved to the county or pioneer family, this book is to be a record for future generations who may be looking for family members fifty years from now.

Your family may be a large one, which would take many pages to fill. What you need to do so there will be no cost to you is do your story by families...starting with the first generation to arrive in Donley County, you can have two type written double space, with one picture free. Any more pages or pictures will be charged for...In order to eliminate any cost to you, write the first generation, two pages, one picture, then a separate story for each family member. They can have two pages, one picture, free. This way a family might have a dozen pages with six pictures free...

Do not write grandma and grandpa, father and mother, children, grandchildren and so on together... Do a separate story on each.

Patsy Leffew, Chamber Manager, attended a work shop in Littlefield this past week. The workshop was entitled "Planning Economic Development for Rural and Small Cities-A Workshop for Business and Economic Leader", and sponsored jointly by the West Texas Chamber of Commerce and the Texas Agricultural Extension Service, Texas A&M System. Topics and programs presented were:

- *Strategies for Economic Growth
- *Agriculture-Its Impact on Area Economics
- *Retail Trade/Main Street
- *Tourism
- *Getting your community fired up
- *Retention of existing business
- *Community Industrial Development Team
- *Transportation-An Integral Part of the Whole
- *Rural Health Care-What it means

to Economic Development
 *Where to find Industry
 *Leadership to make it all work
 *Now what? What happens when we get home.
 There must be a cooperative effort throughout the community for successful economic development.
 A community with unlimited financial support cannot succeed unless there are concerned and determined leaders nor can leaders succeed without financial support and resources.

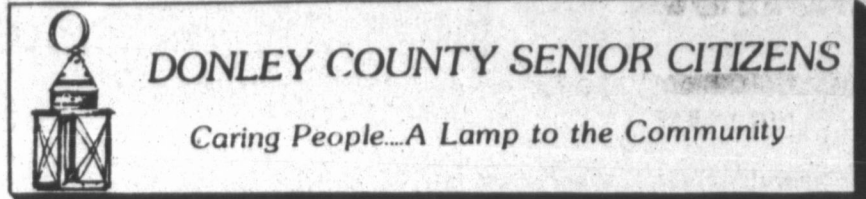

We should all ask ourselves - "Why do I live in Donley County?" and focus on why we don't just pick up and leave. We must develop a sense of pride in our county, our community and ourselves.
 The Chamber has sponsored several workshops locally and will continue with the hope that more citizens and merchants will attend.

Would-be bankers are multiplying like rabbits.

Everybody is hopping to include the word "bank" in their names, but that doesn't mean that they're actually bankers.

"Savings banks," "thrift banks," stockbroker "bank" accounts, and credit unions, etc. all try to pose as real bankers. But they don't always offer you the experience or, in some

cases, the security of bankers. In fact, the only place you'll find a banker is The Bank, where your deposits are Federally insured up to \$100,000.

Now, that's the best financial security there is! And a Full Service Bank offers the newest ideas to help your money reproduce.

FORGIVENESS BOUGHT

Soon it will be Easter and again we come face to face with Jesus as he was being tried and condemned of things he did not do. But we read Jesus says, "For this cause came I unto the world". Do you know what he was talking about? You can find the answer in John 3:16. He took the sins of the world on himself, died and rose again so that you and I would have a way clearly marked by his blood to the forgiving presence of God for our sins. He hung on the cross between Heaven and earth and cried unto a loving God for forgiveness for your sins. For he said they don't know what they do. Maybe you will say, I didn't drive the nails in his hands or his feet. Think again. If you have not given your life to him in forgiveness and claimed him as the Saviour of your life, then you have a hand in the driving of the nails. If you once accepted him as your Saviour and then went back into the world, you are driving those nails again. Once you are saved and continue in his service and love, you are still under the saving Blood of Christ. Some may disagree with me on some of these words, but I ask you to read closely what the Bible has to say about a person who turns away. Read Hebrew 6:6.

If there is a God, and if He is a loving & just God, then why does He let terrible things happen in this world? Why famine? Why sickness, disease & illness? Why accident, harm & injury? Why heartache & death? But many forget that when God created the world, He created it perfect, without all these sorrows! But God warned man that if he rebelled against Him, the consequences would be "death". And yet, fully aware of what God said, man deliberately disobeyed Him! We have suffered the consequences ever since. So why blame God? Even today, people perish with famine while government warehouses stand filled with food... man is the culprit, not God! It is man who chooses suffering and death for himself and others, not God! We also tend to forget that there are other forces at work in the world besides God. The Bible says there are "spiritual forces of darkness" in the world who are always out to disrupt and destroy. I believe the enemy is pleased when God gets blamed for the evil they do, and people's faith is shaken. But we need to remember God's promise... "All things work together for good for those who love God and are called according to His purpose!" - Romans 8:28 Note - This verse does not say all things are good, but it does assure us that God will work all things out for good (no matter how bad they may seem) for those who love Him and have responded to the gospel call! What about you, friend? Would you trust God and respond to His call today?

Beth Walker presented the program on "Leadership" qualities. Her program was very interesting and informative. She gave an excellent presentation.

President Susan Henson brought the meeting to order. The Opening Ritual was repeated by unison by all present.

The Recording Secretary, Betty Veach, read the minutes of the previous meeting and they were approved as read. Roll was called.

Treasurer, Fay Vargas, reported All sorority sisters reported that they really did put in a lot of hard work on the Twirling Contest, Feb. 21st, but it was worth it. A note was received from one of the contestants, Haley Hamilton, thanking sorority for having the twirling contest. Hopefully this event will become an annual activity for Xi Lambda Xi. The proceeds from the twirling contest was discussed, but no definite decision was made. \$200 will be going into the scholarship fund.

A brief discussion was held on the scholarship. How much was given to the girls (\$200 from Xi Lambda Xi and \$200 from Alpha Upsilon Epsilon), how much each semester, etc. It was suggested that a scholarship committee be set up to follow up on the recipient, to see if she is keeping her grade point average, enrolled in so many courses, etc. This subject needs to be brought up at City Council.

Each sister was reminded about dues or debts owed to the club. Please pay as soon as possible.

International news: Information received on the State Convention at Lubbock--deadline for entering is May 19, 1987. Everyone is encouraged to attend if she possibly can.

President Susan Henson presented some state projects to be voted on. There was some question about a state project which could not be a state project and the chapters had to vote on another state project. After reading off several projects, Patsy Leffew made a motion that our club vote for "Keith Henson" motion was seconded by Judy Anderson, motion passed. Beth Walker moved that we send \$10 to this state project, seconded by Frankie Henson, motion passed.

Mardi Gras: Kathy Hommel was asked to report on her findings about a trip to Fifth Season Inn in Amarillo, to be given away as a door prize.

The following sisters volunteered to help: Kathy Hommel, Judy Anderson, Betty Veach, Frankie Henson, and any others could help if they wanted to. Girl Scouts - 75 years of tradition with a future

1987 will mark the 75th anniversary of Girl Scouting, an anniversary of significance and importance for all Girl Scouts. And it's bound to be a year of nostalgia and pride for everyone, everywhere who has been a Girl Scout.

In the course of 75 years, Girl Scouts of the U.S.A., the largest organization for girls in the world, has influenced the lives of 52,000,000 girls and adults. The goal of develop-

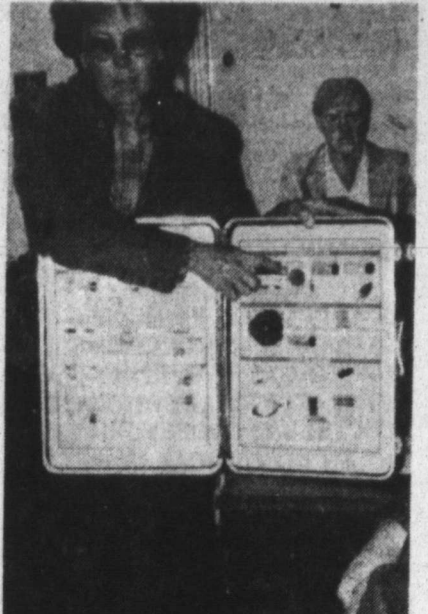

ing in girls a strong sense of values, commitment to others, and service to the community has always been and will continue to be an integral part of Girl Scouting. Efforts by religious and educational groups to strengthen values building and service to others have always been reinforced by Girl Scout program which has something very important to offer today's girls.

This anniversary year can serve as a reminder to renew our commitment

to Girl Scouting and to encourage every member to spread the Girl Scout message by work and example to girls everywhere. The rich tradition of Girl Scouting provides the foundation upon which this effort can be built. And Girl Scout Sabbath and Girl Scout Sunday provide a special opportunity to reflect on this tradition while exploring ways of carrying the Girl Scout message into the future.

MR. AND MRS. BOB JONES- Mrs. Jones Laker's Homemakers Woman of the Year

Laker Homemakers

The Laker's Homemakers Club met March 9, 1987 at 1:30 p.m. in Howard City Hall. President, Lela Whitehead called the meeting to order and welcomed our guest, Linda Timmons. After our opening prayer nine members answered roll call by revealing their worst problem in the area of clutter control.

Minutes of the previous meeting were read by secretary, Madelyn Jones, and approved as read. The financial report was read and approved.

Polly Sarich gave the report of the March 2nd Council meeting, including information about the Cultural Arts Exhibit to be held March 31st at the First Bank & Trust Building of Clarendon. All members were encouraged to participate.

The next training session to be presented by Terry Ashcraft will be

March 19th at 4 p.m. It will be entitled: "The Cutting Edge", a program on knives.

Our program in April for the Laker's Homemakers will be given by Terry also on "The Aging Process".

Today's program was given by Margaret Pettit, a most interesting program on "Clutter Control" in our homes. It contained many helpful hints for this area of homemaking.

Delicious refreshments were served by hostesses Nell Derr and Lola Bartel.

Lakers Woman of the Year banquet

Friday the 13th was a LUCKY DAY for Madelyn Jones of Howard City because it was the day she was honored as WOMAN OF THE YEAR by the Laker's Homemakers Club. Twenty-five members and guests attended the delicious banquet and a good time was had by all.

A St. Patrick's Day theme was used including Shamrocks and Elves and of course, a bit o' the Green.

The delicious covered dish meal centered around a 'melt in your mouth' brisket and mashed potatoes and gravy.

After the meal Polly Sarich gave a lovely poetic history of Madelyn's life and Madelyn was presented with a gift from the Laker's in appreciation for her loyal service, by Lela Whitehead, club president.

Madelyn was born in Ft. Worth, she is married to Bob Jones and they have two children. She was raised in Amarillo, attended Amarillo College, worked for Polk Street Methodist Church and worked for Southwest Public Service in Plainview. She retired in 1979 and moved to Howard City in 1983. She has served the Laker's Homemakers as council delegate for a year, secretary and treasurer for two years. She won first prize in the Amarillo Art Show and was winner of the Donley County Sesquicentennial quilt block.

In attendance were Madelyn Jones and her husband, Bob; Mr. and Mrs. Lawrence Whitehead, Mr. and Mrs. C.I. Pettit, Mr. and Mrs. Alan Bartel, Mr. and Mrs. John Sarich, the Butch Derrs, the Cecil Matthews, the W.E. Combs, the Charles Borens, the Huell Bingham, the J.C. Woodys, the Jim McClintock, and Mrs. Bea Rodgers.

Lion's Tail

The Clarendon Lions Club held its regular meeting at noon on Tuesday, March 10th at the Lions Hall. Lion Sweetheart Jessie and 26 members and guests were present.

Following the regular opening ceremony Boss Lion Simmons announced some plans to repair the floor in the kitchen and the club voted to do it. Lion Shelton gave a report on bingo. Meeting adjourned.

Our regular meeting was not held on Tuesday, March 17th due to repairs being done on the kitchen.

Brownie Troop 111

Brownie Troop 111 is comprised of 17 second grade girls. They are led by Anna Beth McNabb and Maurine Butts. The girls have been involved in Calendar and Cookie Sales this year. They have earned several Try-Its and Fun Patches. The troop attended the Harrington String Quartet Tuesday evening. In April, the troop will be visiting Lowe House for a High Victorian Tea. Approximately 10 girls attended Brownie Day Camp at Camp Cibola last August.

Troop 180

Spent most of spring planning Junior Jump-In, Junior Girl Scouts learn the use of primitive camping techniques by participating in four skills contests including knots, knife, and ax, fire-building and lashing. Third Grade Brownie Girl Scouts will bridge up to Junior Girl Scouts at this event.

At the G.S. Banquet the girls will receive the following badges: Energy Awareness, Fashion, Fitness, and Makeup, Emergency Preparedness. Toni Brietling, Lydia Black, Andrea Edwards, Shannon Myers, Megan Williams, and Kelly Edwards.

Shannon Myers will also receive her Travel and Camping badge. She also completed her Red Cross Canoeing Course with other girls in the council.

Shannon attended the state-wide 75th Celebration held by the Lone Star Council in Austin March 13-15. She attended a fashion show, a report to the Legislature and meeting with the Governor, Anniversary Parade, campfire and vespers.

Jerry Chambliss, manager of West Texas Utilities worked with girls in completing their Energy Awareness badge.

Megan Williams has begun working on her God and Country Award at the First Christian Church.

Leader is Carolyn Myers; Asst. Leader is Joy Martin; Cadettes: Toni Brietling, Megan Williams, Lydia Black and Kelly Edwards; and Seniors: Shannon Myers and Andrea Edwards.

Junior Troop 203

We have been working on a badge which is named "On My Way". We also have been making Mardi Gras masks for the Borger Quivira Council Event March 14th. Girls are preparing for Junior-Jump the first of May--they will have a contest on outdoor skills such as knots, lashing, fire-building, and knife/ax safety and use. We will camp for a weekend and our troop is in charge of the Scout's Own that Sunday morning. We will help the Brownies bridge on Saturday evening of the campout.

Leader Mary Green, and two members, Christel Green and Cara Breitling, attended Outdoor Training for the Junior-Jump at Camp Mel Davis on Feb. 6th, and 7th. Fifteen girls and two adults from Memphis, Canadian, Pampa, White Deer, and Clarendon. Borger also held a similar training the weekend before--both training included 3rd through 5th grade Girl Scouts.

Brownie Troop 217

Leaders are Valorie Ashcraft and Brenda McConnell. Members are Aaron Ashcraft, Lana Moffett, Jennifer Hatley, Delinah McConnell, Mandy McAnear, Freedom Garrison, April Hommel and Somer Harper.

Winter and Spring are very busy for these Girl Scouts who will soon make the transition from Brownie to

Junior Scouts. The girls worked many meetings on their very colorful and very imaginative Mardi Gras masks, the leaders not only needed patience but a lot of energy to keep up and clean up with the girls on this project. Cookie sales take many hours of work, mental (bookkeeping, training, etc.) PLUS physical (foot-work, loading of boxes, unloading of boxes, etc.)--you will never see any more tired, smiling and relieved Scouts of all ages than right after the cookie sale is complete! "Learning to say no to drugs" is another project these girls have been working on lately--THANKS go to Aleta Thompson for her resource presentation she gave at the Sheriff's office on hazardous drugs. More Thanks go to Christel Green of Troop 203--Christel talked to the girls about their new Junior Troop membership. The Spring Quivira Council Event was attended by most of the girls in this troop and both leaders. Borger--March 14--"Happy 75th Anniversary to the Girl Scouts"--the girls helped celebrate with a giant cake and many games, they all wore new blue t-shirts in honor of this anniversary. Many of the girls participated in the Clarendon Friendship Circle that took place Thursday afternoon, March 12, on the courthouse lawn--all over the nation such circles were taking place simultaneously to bind the Girl Scouts closer as "The Future Is Us!"

Elephants spend up to eighteen hours a day feeding, during which they may consume up to 100 pounds of hay.

OTC Sales To Increase

A recent research report in the FDA Consumer indicates that sales of over-the-counter drug products and vitamin/mineral supplements are predicted to increase as the cost of professional medical care also increases. According to this report, consumers are turning with increasing frequency to nonprescription products as one form of self-care for common health problems.

The report, prepared by the market research firm Frost and Sullivan, indicates that more money will be spent for pain relievers than for any other OTC product category. It is predicted that Americans will spend about 2.5 billion dollars for pain relievers in the year 1990. Products in the cough, cold, allergy, and sinus category will produce an anticipated 2.2 billion dollars in sales. According to Frost and Sullivan, vitamin/mineral supplements represent

the fastest growing product category studied. Sales will almost double from 1982 to almost 2.2 billion dollars in 1990.

Each year more and better medicines are made available without prescription. Ask us for information regarding selection of effective products for your health problems. The least costly or most costly product does not always provide the best overall value.

Nor shall any right or remedy of any character be lost, impaired, or affected by this ordinance.

SECTION 15: VALIDITY. The invalidity of any section or provision of this ordinance or of the code hereby adopted shall not invalidate other sections or provisions thereof.
