## American Cancer Society Annual Meeting Held September 20

American Cancer Society volunteers from twenty-five counties, including Donley County, attended the 1986 District 15 Annual Meeting of the American Cancer Society (ACS) in Amarillo on September 20.

Genevieve Caldwell of Clarendon represented the Donley Unit of the ACS. The annual meeting serves as a kick-off for ACS volunteers preparing to inform their local communities of ACS programs and services.

Speakers at the meeting included Myron Dees Ph.D. of West Texas State University. Dr. Dees, a volunteer from Canyon and Chairman of the Board of the Texas Division, reported on the goals of the ACS for the present and future.

Brian Pruitt M.D., Oncologist and Assistant Professor from Texas Tech

School of Medicine/Amarillo discussed the medical advances in cancer research and how the ACS is providing grants to support the ongoing research programs in Texas.

Mr. Russell Autry, volunteer Vice-President for the West Texas area, discussed the upcoming tenth anniversary of the Great American Smokeout and the development of a special project called the Texas Breast Screening Program.

"District 15 raised over \$210,000 by Panhandle volunteers which include volunteers from Donley Unit," stated Mrs. Caldwell, President. "The money will be used to support the American Cancer Society's three-fold attack on cancer through research, education, and patient services," added Mrs. Caldwell.

The American Cancer Society is second only to the federal government's National Cancer Institute as a source of cancer research funds. In Texas alone, more than \$6 million is currently invested by the ACS in major hospitals and research institutions throughout the state.

## Bucks Nip Broncos 7-6

The Clarendon Broncos lost a heartbreaking Homecoming game to White Deer 7 to 6 Friday night. The game saw a much improving Bronco team completely dominate in all phases of the game except the all important score board. The Broncos even scored more times than did the bucks, but a 75 yard run by Marcus Smith was called back due to a penalty. This score would have given the Broncos a 12-0 lead and the way they were playing defense would have almost meant sure victory.

The Broncos lead in first downs 13 to 6 and total yardage 202 to 133. The Bucks received the opening kick off and made one first down and then the Broncos got a break and cash in on it. Jack LaGrone intercepted a pass that gave the Broncos the ball at the Bucks 35 yd line. James Ariola was stopped for no gain and Brad Shadle made 7 yds in two tries. On fourth down, Wes Hatley made 5 yds on the option to move the ball to the White Deer 22 yd line. Hatley, who continues to show great improvement as quarterback, hit LaGrone for a 7 yd gain. Ariola made 4 yds and Daniel Ford made 1 and

Marcus Smith made 5. On fourth down, Ariola switched to Q.B. and Hatley to tailback and Ariola pitched the ball to Hatley and Hatley faked a sweep and threw back to Ariola for the T.D. the all important extra point was missed. The rest of the quarter was a defensive battle and ended with the Broncos lead 6-0.

The second quarter saw only the Broncos moving the ball. With five minutes remaining in the half Smith ran up the middle cut to his right and raced 75 yds for a T.D. But it was called back due to a holding penalty. On the next play, the Broncos fumbled and the Bucks recovered on the Bronco 15 yd line. The Bucks scored in six plays and kicked the point after to make the score 7 to 6.

The third and fourth quarters were a defensive battle with only the Broncos moving the ball. The Bucks had only two first downs the last half.

Ariola was the offensive player of the game. He gained 75 yds on 15 carries. Hatley hit on 6 of 12 passes for 61 yards. Steven Phillips and Marcus Smith were the defensive players of the week as Phillips had 10 solo tackles and helped on 6 others.

He also got one fumble. Smith had 5 solo and helped on 6 others. He got one fumble and caught the ball carrier three times behind the line.

The Broncos continue their non conference games at Claude Friday night at 8:00 p.m.

## Wellington defeats J.V. 12-0

The Clarendon Junior Varsity football team was defeated by Wellington 12-0 in their first game of the 1986 season. The Broncos' defense contained the Skyrockets well throughout the game but several big gainers by Wellington enabled them to set up their touchdowns. The hard hitting Bronco defense was led by Danny Gaines, Chad Hommel and Nugget Bland. The Clarendon offense was sluggish throughout the opening game, but in the first half a long Bronco drive was stopped inside the Skyrockets 15 yard line by an interception. The offense was led by Danny McCampbell and Danny Gaines. The Bronco punt return team did an outstanding job on returns, one was stopped by the last Wellington defender at midfield. Nugget Bland and Kory Pounds recovered a fumble to stop two Skyrocket drives.

The Canadian Wildcats dominated the Broncos 38-0 in the second game of the season. In the first half the Broncos were cold by Canadian who led 32-0 at intermission. In the second half the Clarendon defense played outstanding as they kept the Wildcats offense senseless. The defense was held to less than fifty total yards. Jeff King did an outstanding job returning several kick-offs.

The remainder of the 1986 Bronco team consists of Chris Ward, Jeff Mills, Glen Wright, Kory Pounds, Wayne Mays, Chandler Nixon, Clay Dunham, Che Shadle and Paul Winters.

This Thursday the Broncos play a good Childress team in Bronco stadium at 7:30. Come out and support our team.

## Susan Fox teaches Theories of Personality at Clarendon College

Clarendon college is offering a special class taught by Susan Fox, who earned her MS in Educational Psychology-Counseling and Human Services from Texas A&M University and is presently director of Clarendon, Wellington, and Memphis Human Services.

This course is being offered for persons interested in understanding individual differences in personality. Theories of Personality development and differences in behavior will be discussed. A basic issue throughout

the course will be nature vs. nurture: Does one inherit personality traits or are they learned through interaction with one's environment?

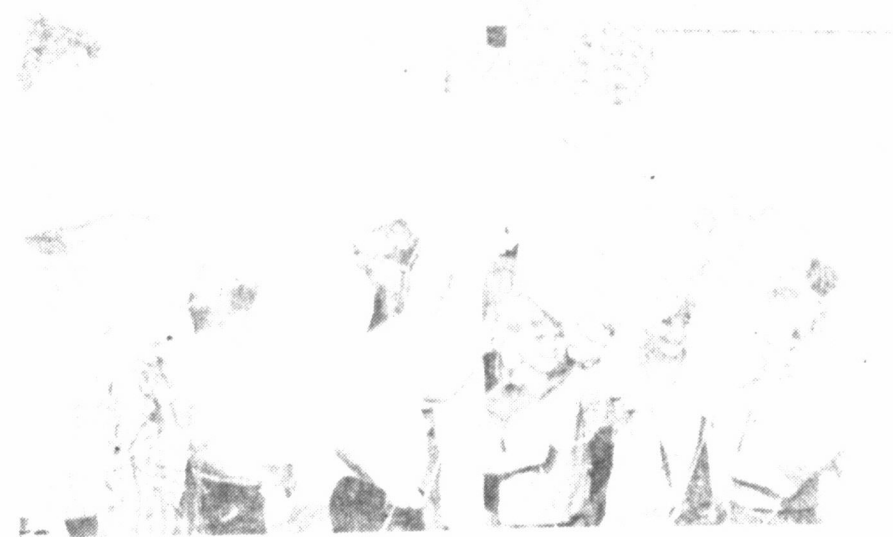

The class is an accredited three hour course and will begin September 23 and continue through December 16. Meeting time will be every Tuesday from 6:30 - 9:30 p.m. Registration for the course begins September 22 in the College Business Office. For further information contact the Registrar at 874-3571.

## Kindergarten Classes Participate in Heart Treasure Chest

Governor Mark White recently designated September 23, 1986 as Heart Treasure Chest day in Texas. To celebrate this event, the Pre-Kindergarten and Kindergarten classes at Clarendon Elementary School released helium filled balloons.

Mrs. Simmons and Mrs. Duncan provided balloons, Mrs. Katherine Green provided the helium, and the

children provided the man power.

Released at 10:00 a.m. Tuesday morning, the event was set to coincide with events taking place all across the state of Texas, including a like event on the grounds of the state capitol. The Deputy Commissioner of the Texas Education Agency was present at the Capitol and assisted in releasing the balloons there.

## Museum Work Day

The Saints' Roost, Museum is planning a work day Saturday, Sept. 27. Workers of all kinds are needed. Last spring there was a good turn out of workers to help clean the grounds. But since repair work has started on the roof and inside, only a couple or three workers have shown up to help.

James Owens and Wes Henson have worked all summer on the roof, trying to get the leaks patched. If you can spare some time to help, it would be greatly appreciated. Help from all the Donley County Citizens will be needed to make the museum a reality.

## Plans set for 4-H Horse Project

The Donley County 4-H Horse Project had our first meeting of the new year on Sept. 9, 1986. Members present were Lisa Burch, Minde Hollar, Shauna Lauderdale, Shane and Tim Hall, Johnny Mangum, Justin and Jason Ham. Parents present were Charlene Hollar, Cleta Hall, John and Wilma Mangum, Phil Lauderdale, and Loretta Crump.

We discussed our plans for the coming year and have a full year of learning and doing ahead of us. We have out of town trips planned,

along with some cookouts, trailrides, and playdays. We will be learning to braid and working on some new drills for the drill team.

Do you like horses, even though you don't have one yet? You don't have to have a horse to belong to the 4-H Horse Club, just a willingness to learn about them. Wouldn't you like to join us for the new year? We would love to have you.

Our next meeting will be on October 13 in Room 101 at Clarendon College. COME JOIN US.

## Donley County Farmers Register in Soil Bank

Ninety Donley County farmers registered 14,944.2 acres in the soil bank. In the March 3-14 sign up 41 farmers applied to put 5543.3 acres in the soil bank. Only 9 farmers were approved for 937.5 acres. The bids ranged from \$26.50 to \$125. the government accepted a \$35.00 per acre bid.

In the second sign up, which was from May 5 thru the 16, 43 farmers applied to put in 7867.6 acres. The bids were from \$30.00 per acre to \$87.00 per acre. Twenty-two farms were accepted and 3633.4 acres were approved. The bid accepted per acre by the government was \$40.

The third sign up, which was August 4-15 there were 87 farmers, with 14,801 acres. Fifty-nine farms were accepted with 10,337.5 approv-

ed. The bid on the third sign up was from \$27 to \$69.95 per acre. The accepted bid was \$40.

The state bids on 827,991 acres of land in Texas were accepted by the Agricultural Stabilization and Conservation Service in the U.S. Department of Agriculture's latest conservation reserve program sign up for 1987. Bids were accepted from 2,953 farmers.

The state was divided into seven bidding pools. The highest bids accepted from pools 1 and 2 was \$40 per acre on 769,656 acres. These two pools made up the western one-third of the state. Bids of up to \$35.00 per acre were accepted from pool 3 on 5,019 acres. This area includes Central Texas west of the Texas

Blacklands. Bids of up to \$40 per acre

were accepted on 33,025 acres in pools 4,5 and 6. This area includes the Texas Blacklands, East Texas and part of Southwest Texas. Bids up to \$55 per acre were accepted from pool 7 on 20,923 acres; this pool covers the Coastal Prairie and the Lower Rio Grande Valley.

Bids have now been accepted on a total of 4,086 farms totaling 1,137,454 acres.

Cropland that is in Land Capability Class VI, VII, and VIII or land that appeared to be eroding at greater than 3.5 times the tolerance level at sign-up time is automatically accepted. Land that appeared to be eroding between 2.5 and 3.5 times the tolerance level was declared questionable; Soil Conservation Service personnel will determine final estimated erosion rates on a field by field visit to this land.

## Sales Tax

## Checks Sent

State Comptroller Bob Bullock Wednesday sent checks totaling \$54.8 million in local sales tax to 1,022 cities that levy the one-percent city tax.

Bullock said the 1986 payments to date were down .5 percent as compared to the payments to date in September of 1985. The decrease in August and September check amounts reflects a downturn in the Texas economy, he said.

September checks represent taxes collected on sales made in July and reported to the Comptroller's Office by August 20.

Donley County cities of Clarendon, Hedley and Howardwick received a

total of \$5,480.23. Clarendon received \$4,681.81 which was down 2.63 percent from the same period last year. Hedley was down 15.17 percent and Howardwick was down 19.15 percent.

The cities received \$72,535.22 in 1985 in comparable to \$68,980.17 so far in 1986. This is a 4.90 percent decrease for the year.

Remember when you shop at home, part of your city sales tax is returned to the cities, which helps keep taxes down.

## Social Security Schedule

This is a schedule that the Social Security representative will be in Clarendon for October, November, and December. If you think you might need to visit with her, you should clip this out and keep it handy. The representative will be in the Courthouse 9:15 - 12 noon on Thursday, October 9 and 23, Thursday November 13, and Thursday, December 11. This individual will be glad to assist you in filing an

application for social security retirement survivors, disability, medicare, or supplemental security income

If you are unable to visit personally, you may call 376-2241 to conduct any social security business. The office is open every weekday, Monday thru Friday, except national holidays, between the hours of 9 a.m. and 4:45

MRS. JAMES EDGAR COALE

## Sewell-Coale exchange vows

In a picturesque setting of white blossoms, candlelight and organ music, the marriage of Miss Amy Denise Sewell and James Edgar Coale was impressively solemnized Saturday, September the twentieth at Saint Joseph Catholic Church in Richardson, Texas, with the Reverend Patrick Lynch celebrating the Nuptial Mass. Allen Moody of Rock-springs, Texas, presented the scripture readings.

The bride is the daughter of Doctor and Mrs. Richard Hubert Sewell of Wylie, Texas. Mr. Coale is the son of Mr. and Mrs. Gerald Albert Coale of Lancaster, Texas, former residents of Midland, Texas.

Prior to the ceremony a program of nuptial music was presented. Vocal selections of "Ave Maria" by Doctor Ted Dawson Rimbale, Wylie, Texas and "The Lord's Prayer" by Miss Sheryl Andress, Dallas, Texas, were included in the program. Mrs. Giles Whitehurst Willis, III, sister of the groom, wrote "A Cord of Three Strands" and sang to the guitar accompaniment of Parker Sewell, brother of the bride. The traditional processional and recessional marches were played.

A distinctive emerald green and white theme was carried out in the decoration of the altar and sanctuary. Massive urns on columns holding arrangements of fresh white flowers graces either side of the altar. Used in tier design were numerous fifteen-branched white wrought iron candelabra garlanded with smilax and holding flame tipped white cathedral candles. Individual pews were marked with arrangements of fresh flowers, greenery and satin ribbons.

Guests were seated by ushers Byron Newby, Lubbock, Texas, Hi Newby, Jr., Arlington, Texas, both cousins of the bride, Monty Del-luomo, Oklahoma City, Oklahoma, and Mrs. Terry Jones, Round Rock, Texas. Candlelighters were Jeff Grinstead and Tim Rinstead, Casper, Wyoming, cousins of the bride. The

alterboy was Victor Collins, Bay City, Texas, cousin of the groom.

The bridal attendants were lovely in their tea length gowns of any moire' taffeta. The scooped front neckline extended backward into a deep V, accentuated with a large bow. The circular skirt and puffed sleeves completed the graceful design and was complemented by arm bouquets of white anthuriums with freesia. The bride was attended by Mrs. Giles Whitehurst Willis, III, College Station, Texas, matron of honor and sister of the groom. Bridesmaids were Misses Beth Filgo, Dallas, Texas; Katie Rudder, Lubbock; Lee Ann Andrus, Dallas, Texas; Elizabeth Kidd, Austin, Texas; and Jan Hill, Lubbock, Texas. Miss Laura Grinstead, Casper, Wyoming, cousin of the bride, served as flower girl and was identically dressed as the honor attendants.

The bridegroom was attended by Matthew Coale, Dallas, Texas, best man and brother of the groom. Groomsman were Parker Sewell, Lubbock, Texas, brother of the bride; Giles Whitehurst Willis, III, College Station, Texas; Mark Dann, Dallas, Texas; David Eve, Tulsa, Oklahoma; and Mike Hamric, San Diego, Calif. The groom and attendants were attired in distinctive charcoal grey cut away tuxedos.

The bride, given in marriage by her father, Doctor Sewell, was radiant in her custom designed wedding gown by Demetrios of Iliassa. The shimmering white bridal satin was enhanced by a bodice of French alencon lace, heavily re-embroidered with tiny seed pearls. The Queen Anne neckline complemented the basque waist and long fitted sleeves. The full skirt was appliqued at the hemline with alencon lace and draped gracefully to slipper length, flowing into a chapel length train. The bridal veil of delicate Belgium lace had been especially selected and imported for Miss Sewell. A satin cap studded with tiny pearls allowed the veil to extend freely to chapel length.

The elegant bridal bouquet was a cascade of white freesia, roses and greenery. Enhancing the beauty of the arrangement were two white linen handkerchiefs. These had belonged to the brides paternal great grandmother and maternal great, great grandmother. A single strand of pearls, borrowed from her mother, completed the bridal ensemble. Mrs. Sewell, mother of the bride, was attired in an original design by Pierre LaBiche of Paris. The plum fortuny pleated matinee dress featured a straight bodice accentuated with leaf design, assymmetrically descending to the hipline. A three strand pearl necklace emphasized the jewel neckline and cascading sleeves. A corsage of white roses and matching accessories completed the ensemble.

Mrs. Coale, mother of the groom, designed and made her dress of periwinkle blue silk. The bodice featured shoulder pleats and full dolman sleeves. The skirt was softly draped from a bow at the hipline. A cymbidium orchid hairpiece and matching accessories completed her attire.

Immediately following the ceremony, a reception was held at the Mansion of South Fork Ranch, Parker, Texas. The brides table was graced with an elegant tiered cheese cake decorated with fresh flowers and a custom made top tier closely resembling the bride and groom. The grooms cake, a confection of chocolate amaretto, was adorned with golden horseshoes. A flowing champagne fountain completed the elegance of the reception, attended by five hundred guests. The brides book was attended by Miss Glyn Richards of Wylie, Texas. Members of the houseparty included Misses Jana Boardman, Martha Cobb, Margaret Flood, and Whitney Parris, all of Lubbock, Texas. Rice-pot pourri bags were distributed to the guests by Misses Nancy Owens and Casey Owens, Lewisville, Texas, and Miss Wendy Clay, Amarillo, Texas, all cousins of the bride.

Among the numerous out of town guests present were Mrs. Tula O. Northcutt, Clarendon, Grandmother of the bride; Thomas D. Northcutt, Las Vegas, Nevada, grandfather of the bride; Mrs. Edgar L. Coale, Sr. and Mrs. Andrew J. LeRibeus, Sr., both of Angleton, Texas, and grandmothers of the groom.

The bride was graduated from Wylie High School and Texas Tech University in Lubbock, Texas, with a

Bachelor of Science degree in Nursing. She is a member of the School of Nursing Honor Society, Delta Delta Delta social sorority, and Kappa Alpha Daughters of Lee.

The groom graduated from the University of Oklahoma. He is a member of Lambda Chi Alpha social fraternity. Mr. Coale is employed with Prudential Insurance Company of North America in Fort Worth, Texas.

The couple departed South Fork Ranch in a horse drawn carriage amidst showers of rice and pot pourri. They will honeymoon at St. Thomas in the Virgin Islands. Upon their return home, they will reside in Fort Worth, Texas. For her wedding trip, the bride selected an ensemble of fushia suede. The two piece dress featured a yoke detailed skirt with overblouse and a bronze belt, forming a peplum effect. Matching accessories completed her attire.

## New Agri-Consulting firm in operation

Government farm programs, tight cost-price squeezes in crop and livestock production and the need for prudent farm and ranch management are some reasons why more and

more farm and ranch families are turning to outside consultants for advice.

Snead Agri-Consultants of Dalhart, Texas, is a new company designed specifically to answer those calls for assistance. Owned and operated by Ray A. Snead Jr. and his sons, Ray A. "Bud" Snead III and William W. "Will" Snead, the new consulting firm is geared to assist in all farm and ranch management activities.

"There are many producers who have know-how, but simply don't have the time needed to set up a detailed management program, and then implement it to the fullest extent," said Bud Snead, whose family has been involved in crop and livestock production more than 30 years.

"There are also absentee owners who need assistance in getting their farm or ranch into shape for either leasing or selling it to another party. This could be due to a death in the family or other circumstances which might warrant the selling of a farm or ranch operation."

Snead Agri-Consultants has the expertise to handle these and other

management problems, he said.

Snead Agri-Consultants can analyze equipment and machinery, crop or livestock production methods and all other aspects of a farm or ranch operation. They can then work with the owner and/or operator to develop and implement a plan which provides for the most cost-efficient operation possible.

Snead said the company can also assist in financial and tax management, estate planning, liquidation or other management needs. For more information on Snead Agri-Consultants, contact the company at P. O. Box 150, Dalhart, Texas 79022.

**WATT'S HAPPENING IN HEDLEY**

BY Peggy Watt

Helen Soloman of Fritch, Inez Sams of Panhandle, Joy Stone, Cindy Henderson and Kerri, Suzy Mills and Jordan of Childress visited Flossie Wood and Jane last week. They picked and shelled peas for their freezers.

Jim and Sharon Boliver and Angie visited with his mother, Mrs. Joyce Boliver during the week. Jim led the singing at the Baptist Church during their revival.

Aubrey and Francis Cherry of El Paso and their son, Ricky and Andrea Cherry of Clarendon visited Mrs. Etta Mae Cherry during the weekend. They were joined by Francis' uncle and aunt, Ray and Audrea Stewart of Clarendon.

Leon and Linda went to Anson during the weekend. They will be moving there soon and went house hunting. They also went to show Langly off to some of Linda's relatives who didn't get to meet him before.

Dean Hill accompanied Nina Jo Floyd to Amarillo last week to see the doctor. They lunched with Nina Jo's daughter, Carol Glover while they were there.

Arthell and Velva Gibson and Derek Dagner, Randy and Dee Dee Pryor and Kara of Pampa visited with Velva's dad, Walter Johnson and Sis and Marty Martin Sunday.

Clyde and Mildred Hoggard attended the McQueen reunion in Memphis Saturday and Sunday. They were joined by their children, Jim and Cecilia Lemons of Brice and grandchildren, Allen and Melissa Beasley, Benjamin and Alice.

Ed and Ruby Lovelady of Concho, Arizona are visiting her parents, Mr. and Mrs. Elmo Kennedy. Ruby is helping tend to her mother who is recuperating from recent surgery.

Fred and I went to the fair Thursday with Guy and Robert Gilbert. We saw several Hedley people there. The first person we saw

as we entered the cattle barn was Richard Stotts. He had his Angus show cattle there. I didn't hear him say how they placed in the show.

We also saw Don Reeves. I think he was playing hooky from a meeting he was really there for.

I visited with LaWanda Kilgore. She was in the same class as I was at H.H.S. She told me she had a Grandchild nine years old. Fred and I started being grandparents later than most of our friends.

We also visited with Buddy Winn and his family.

The town people who were there that we saw included Fay Patton and Vernon, Mark and Tammy Brinson and Lindsey, Ricky and Connie Sue Brinson, Jeff and Chris, Keith Brinson and Steve Mullins, Blackie and Shirley Johnson and Walter Johnson were there with Matt and Kendra Martin. Matt told me he rode a million rides.

I've decided I'm getting old. The fair isn't near the fun it used to be. We enjoyed the hypnotist and the carnival barkers. You could tell the regular carnival people from the local people who were helping out. I don't think I'd like to run away and join the carnival. I'm tempted to run away sometimes, but not to join the carnival.

Ruby McKee celebrated her birthday last week. She had all her children and part of her grandchildren with her to help with the celebration. Those enjoying the celebration were Leroy McKee of Seattle, Washington, Dean and Betty Hedgcock of Morse, Texas, Bill McKee of Houston, O'Dell and Lou Nivens and Brandi of Quinlin, J.C. and Helen Upton and Casey of Amarillo, M.O. and Sue Weatherly of Hedley, Mike and Debbie Pace, Stephanie and Julia and Neil and Tonya DeBord and Leslie and Tammy of Amarillo. They enjoyed lunch in the home of M.O. and Sue Weatherly Saturday.

Doyle and Evelyn Messer were in Amarillo on business last week. They also visited with their children, Mike and Angela Hines, Ashton, Aaron and Meagan. I think the visit with the children was the most important business for Doyle. He told me he sure enjoyed spoiling his little grand

daughter.

Mrs. Lillie Messer celebrated her birthday last week. Her grandson, Max Hudson of Amarillo treated her with a bouquet of birthday balloons and she enjoyed dinner with Doyle and Evelyn.

Faye Naylor went to Amarillo Tuesday and brought Linda Frye and Blake home with her to recuperate from a 'bug'. She returned them home Thursday and stayed with them until Sunday morning. Geneva McAfee of Canyon visited with them Saturday. She is getting along fine after breaking her right arm recently. I can imagine how unhandy it is trying to make and decorate cakes with a broken arm.

T.E. Naylor and Tex Naylor attended memorial services for Dean Simon in Amarillo Friday.

Mrs. Monte Holt of Plainview is visiting her sister-in-law, Mrs. Cassie Owens. Merle Owens of Harrah, Oklahoma, Jim and Berte Owens of Amarillo visited their mother during the week.

James and Nonie Hartwell of Amarillo visited his mother Mrs. Nora Hartwell recently. Kathy Riekin visited with Mrs. Hartwell Sunday.

Laqueta Cox, Sondra Layton, and Mrs. Nellie Martin of Childress attended the fair Tuesday. They lunched with Joe and Lucy Poole and Carl Cox. Becky Burnett joined them. They attended the Conway Twitty Show that evening. Joe Gordon of Crowell spent last week with Pick Cox in Stinnett. He went home Saturday. Pick and Laqueta, Mrs. Amelia Holly and Donra Layton visited Pick's father, Frank Cox in Paducah Sunday. They also visited with the family of Mrs. JoVeta Austin while they were there. Memorial services were held for Mrs. Austin Monday in Paducah.

Bill and Dorothy Martin of Amarillo and their son, David Teteame Saturday and helped Tode and Mattie Laura Hill repair their front porch. David returned home Saturday, but Bill and Dorothy spent the night and returned home Sunday.

Bill and Verlin McCracken of Amarillo visited her brother, Virgil and Opal McPherson last week. Mrs. Opal Blackwell were with them.

Alfred and Eloise Spalding and Jack and Jackie Strafford went to Amarillo to visit with the Spalding's daughter, Gary and Sarah Carter of Clayton, New Mexico, last week.

Eloise took Alfred back to Amarillo to see his doctor Monday. Our kid Keith and Will Funderberg attended the fair in Amarillo Friday.

Earl and Sharon Wheatly attended a meeting of the Panhandle Livestock Association in Amarillo last week. We missed her at church, but Margaret Wells came from the church at Clarendon to play the organ for us. Their son, Andy enjoyed a birthday Sunday.

There's a lot of people who have birthdays in September. Tode Hill and Dean Hill both celebrated on the 22nd. Kay Talley will have one either on the 27th or 28th. I will be having one on the 26th, and I saw a great big sign in Flossie Wood's front yard Saturday which read, "Guess Who's 31 TODAY?" Since Flossie's oldest child is almost my age, I know it wasn't meant for her, so Happy birthday Jane?

David and Wanda Wilson of Leila Lake visited his nephew, James and Edith White Sunday.

Nookie Wiggins attended a TelCot meeting in Quanah last week to learn about the computer they'll be using at the gin this year. I'll not repeat when Nookie had to say about it.

James Reid and Nila Hunnicutt visited their mother, Mrs. Jack Reid last week.

Clara Holland was in Memphis to see the doctor twice last week.

There are four girls funning for Hedley Cotton Festival Queen. They are Karen Crump, Cheryl Glover, Susan Phelps, and Jessica Sims.

Karen is the daughter of Helen Crump and the granddaughter of Roy and Juanita Brown. She is a Junior at Hedley School.

Cheryl is the daughter of Ron and JoAnn Glover and is a junior at Hedley school.

Jessica is the daughter of Bobby and Shelly Sims. She is a freshman at Hedley school.

There are several little girls running for Future Queen.

**4-H Nutrition Program Outlined**

Selecting the right foods for proper nutrition is the basis of the 4-H Food and Nutrition program.

This 4-H program is one that can benefit boys and girls ages 9-19, and can help them enjoy healthier lives. Learning activities will reflect work done in three of the six areas of the food and nutrition project. These areas include: Nutrition, Food Buying, Meal Planning, Food Preparation, Food Safety, and Social and Cultural Roles.

Objectives of the program are: Learn the importance of including foods from each of the basic food groups in the daily diet; Understand the principles of nutrition as they relate to health, physical fitness and appearance; Learn about the wide variety of foods which may be included in the diet; Understand the scientific principles of nutrition; and Acquire and demonstrate skills in planning, purchasing, preparing and serving tasty, attractive and nutritious meals and snacks.

If you are 9 years old or in the third grade, you are old enough to participate. Our projects are in need of older 4-H'ers, especially 14-19 year olds.

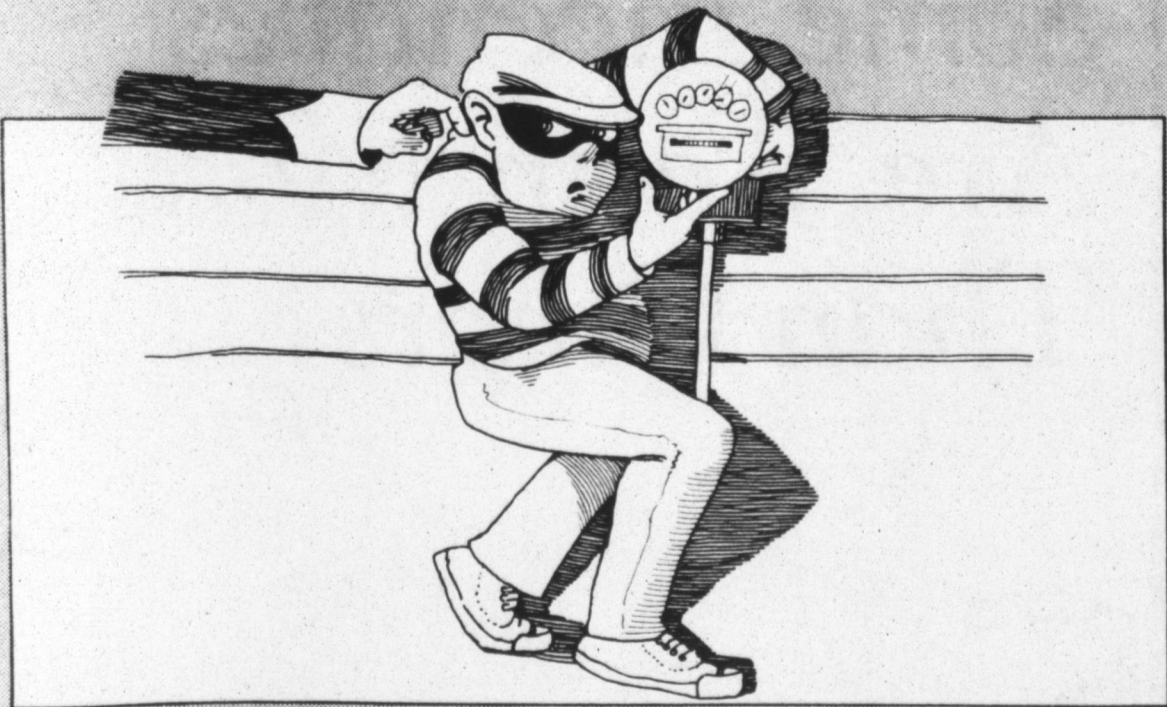

The Donley County Food and Nutrition Project sign-up day will be Thursday, September 25, 1986, at 4 p.m., in the County Extension Office in the old courthouse. This will be a 7 week project with project groups meeting once a week.

The Donley County 4-H Food Show will be Saturday, November 15, 1986, at the Clarendon School Cafeteria. The District I Food Show will be December 6, 1986, at Dumas High School.

Recognition will be given to the county with the largest percent increase in the foods and nutrition projects.

For more information, call Terry Floyd at 874-2141.

**STEALING ELECTRICITY IS AGAINST THE LAW**

**Stealing Energy is a Felony**

Some people tamper with their electric meters to avoid paying for the energy they use. Stealing electricity is a felony offense in the state of Texas and violators will be prosecuted. West Texas Utilities' Current Diversion Department is working hard to help combat the growing problem of energy theft.

**Energy Theft is Dangerous**

Not only is service theft a crime, but it is also very dangerous. Serious injuries can result from meter tampering.

**A Crime Against You**

When someone steals electricity, they are not only stealing from WTU — they are also stealing from you, as a rate-payer. Just as shoplifting increases the cost of items you buy in the store, power theft increases the cost of your electric service.

**WTU Will Prosecute**

Because we are concerned about the dangers and costs resulting from meter tampering, West Texas Utilities will prosecute energy thieves.

**DOROTHY ANNE BAGWELL**

Funeral services for Mrs. Dorothy Anne Bagwell, age 60, were held at 2:00 p.m. on Sunday, September 21, 1986 in the First Baptist Church in Claude with Rev. Jimmie Brown, Pastor and Rev. Kenneth Cargle of Canyon, officiating. Interment was in Claude Cemetery with arrangements under the direction of Robertson Funeral Directors.

Mrs. Bagwell died at 10:00 p.m. on Thursday, September 18, 1986 in Northwest Texas Hospital in Amarillo. She was born July 16, 1926 in Clarendon and was married to Elmer T. "Pat" Bagwell on February 9, 1946 at Clarendon. She had been a resident of Claude since 1946 and had taught school for the past 22 years in the Groom and Claude school systems. She was a member of the Order of the Eastern Star, the

Texas State Teachers Association, Delta Kappa Gamma, and the First Baptist Church.

Survivors include her husband, Elmer T. "Pat" Bagwell of Claude; one daughter Susan Bagwell of Los Angeles, California; one son, Larry Bagwell of Boulder, Colorado; and one brother, Dick Kennedy of Houston.

Casket bearers were Redell Henson, Bronnie McNabb, Harry Bartlett, Floyd Massie, Ivan Chauveaux, and Wilber Cobb.

**ORA LOU HARRED**

Funeral services for Mrs. Ora Lou Harred, age 68, were held at 2:00 p.m. on Thursday, September 18, 1986 in the First United Methodist Church in Claude with Rev. Jimmie Brown, Pastor of the First Baptist Church in Claude and Rev. Don Travis, Pastor, officiating. Interment was in Claude Cemetery with arrangements under the direction of Robertson Funeral Directors.

Mrs. Harred died at 1:00 a.m. on Tuesday, September 16, at St. Anthony's Hospital in Amarillo fol-

lowing a lengthy illness. She was born February 20, 1918 at Sulphur Bluff, Hopkins, County, Texas and was married to James Harmon Harred on December 8, 1936 at Sulphur Springs. They moved from Sulphur Springs to Claude in 1936 and had been residents there since that time. She was a homemaker and a member of the First United Methodist Church in Claude.

Survivors include her husband, James H. Harred of Claude; two daughters Virginia Phillips of Walsh, Colorado, Mary Frances Watson of Claude; one son, Bobby Lee Harred of Claude; one sister, Marie Bartley of Claude; two brothers, Joe Francis Wilson of Poyfork Texas Ernest E. Wilson of St. Francesville, Louisiana; and five grandchildren.

Casket bearers were Dale Stapp, Gary Robison, Lynn Robison, Richard Wilson, Jerry Don Bartley, and Eddie Gene Bartley.

Nephews of Mrs. Harred served as honorary bearers.

**MRS. JEWEL KERBOW GRADY**

Funeral services for Mrs. Jewel Kerbow Grady, age 88, were held at

4:00 p.m. on Wednesday, September 24, 1986 in Robertson Chapel of Memories with Rev. James Carter, Pastor of the First United Methodist Church, officiating. Interment was in Citizens Cemetery with arrangements under the direction of Robertson Funeral Directors.

Mrs. Grady died at 1:50 p.m. on Monday, September 22, 1986 in Medical Center Nursing Home in Clarendon following a lengthy illness. She was born March 28, 1898 in Unita, Delta County, Texas and moved with her parents to Donley County in 1905. She married Don Nelson Grady on August 14, 1919 in Clarendon and they moved to Briscoe County that same year. Mr. Grady died in 1975. She was a 1916 graduate of St. Mary's Academy in Amarillo and was a member of the First United Methodist Church in Clarendon.

Survivors include one daughter, Mrs. Patricia Thornberry of Clarendon; two grandchildren, Richard and William Don Thornberry; and four great grandchildren.

Casket bearers were Ralph Grady Jr., Phillip B. Gentry Jr., Paul Kerbow, Mike Smith, Bill Craft and

Carroll Knorpp.

The family requests that memorials be to a favorite charity.

**Bronco Update**

By TRISHA CLIFFORD

Anyone not at Bronco Stadium last Friday night really missed an excellent game. Any true Bronco fan will realize that even though the scoreboard showed that the White Deer Bucks came out on top, 7-6, in reality, the mighty Broncos were the victors.

The Homecoming Dance was a success. Thank you to the cheerleaders for making the decorations and to the students who helped put them up and clean up the next morning.

Shanna Cole was crowned Homecoming Queen in the Pep Rally Friday. Her attendants are Brigett Spier and Kristin Couch. Congratulations girls-you deserved it. Best Poster and Spirit Stick went to the

Juniors.

Last Thursday was Jean Stavenhagen, the school librarian's, birthday. All of the students and teachers gave her a hard time about turning "the big 50", but it was only because we love and appreciate her so much.

FTA met Monday night at 6:30. Spanish Club elected officers last week. President is Clay (Guillermo) Sharp, Vice President is Cindy (Graciela) Blanton, Secretary/Treasurer is Trisha (Blanca) Clifford, and Reporter is Sheri (Emilia) Chamberlain.

Junior class magazine sales started on Tuesday. Anyone interested in renewing or purchasing a subscription needs to see any junior.

Seniors had class pictures made on Wednesday, also Annual Staff met after school.

The JV play Childress here at 7:30 on Thursday night. The varsity Broncos travel to Claude Friday to play the Mustangs at 8:00. Good luck guys!

# Senior Citizen News

Good things are still happening at the Center - Thanks to J. C. and Helen Woody for a very nice TV and thanks to Rick Rattan for the cable installation. Thanks to Clovis McCary and Homer Bones for the tasty cantaloupes. We really appreciate the love shown to our senior people for this community.

The dance group enjoyed another good crowd at Monday Night Dance Practice. Then everyone really enjoyed a super crowd, good music by Meivin Srygley and the Offbeats and a lot of goodies to eat at the 3rd Tuesday night dance at the Community Building on September 16th.

I spent all day Wednesday at the Area Agency on Aging Advisory Council in Amarillo where we presented our application for a greatly reduced grant. Our application was recommended by the Council and will now go to the Board of Directors

of the Panhandle Regional Planning Commission for approval. Our new year starts October 1, 1986, at that time we will need to recommend a \$2.00 donation for meals.

Thursday's Game night had three busy tables with some folks just sitting around and visiting. For those that don't care to play games and want to get out of the house, come down and watch TV while the others are playing.

Eighteen enjoyed Friday's Musical Jam session. Those making the music were Hugh Neuhaus, Jack Davidson, Cecil and Alyce Munden, Fred Fortenberry and Bailey Estes. My feet was hurting so I stayed home.

Don't forget - next Tuesday, September 30th is Birthday/Anniversary Salad Supper - everybody come and enjoy the evening and a lot of good eating.

## Great Happenings at Triple C Center

Monday night September 8th a Community Gospel Concert was held at the Triple C.

Those participating were Sharon Morrow and the Garrison's, the Grishums, Ann Harper, Gary English, Rosetta Lockeby. The night was finished with a beautiful song from Sharon Morrow. There were also songs in which the audience participated.

The building was packed out for this first endeavor and we are looking forward to more of these Gospel Concerts. We have some great local talent!

Our Kid's Klub (kids from 6-12) is growing. Also, we are receiving some great blessings from our Adult Bible Study every Thursday morning at 10 a.m., and our Prayer Meeting every Wednesday morning at 9 a.m.

Alene Bazley will give her testimony at the Center, Thursday, September 25 at 7 p.m. and again Friday at 9 a.m. The amazing story of how God set her free from alcohol, and how she recovered from a car accident that left her completely paralyzed and in a coma for weeks. Hear of her amazing experiences

while in this coma, and how God brought her back from the brink of death.

A tentative date of October 6, Monday night is set for a concert featuring "The Visions" from San Jacinto Baptist Church in Amarillo.

## Bones Reunion

The four remaining children of the nine born to the late Mr. and Mrs. J. F. Bones held a reunion in Clarendon recently.

The brothers and sisters attending were Mrs. Blanche Gray, 92, Homer Bones, 82, Leigh Bones 90, and Mrs. Edith Higginbotham, 86.

On Wednesday, September 10, Isla Smith, a cousin of Moree Bones, hosted a dinner for the family. Thursday night Barbecue was served at Kathleen and Dock Yankee's home. Lunch Friday was in the home of Homer and Viola Bones and dinner that night was hosted by Leigh and Moree Bones at Mary's Country Kitchen.

Before returning to their respective homes, relatives enjoying the reunion were Homer and Viola Bones, Mrs. Blanche Gray, Dock and Kathleen Yankee of Clarendon; Leigh and Moree Bones, Arlo Bones-Portland, Oregon; Edith Higginbotham-Maybank, Texas; Jackie Downing, Quimlan, Texas; Myrlene Cunningham, Kaufman, Texas; Imogene Baker, Grand Prairie, Texas; Margaret and Earl Van Gilder, Muskegon, Wisconsin (the daughter of the late Bill and Delphia Wood); Doris Atchison, Belen, New Mexico; Vivian Dowlin, San Antonio, Texas; (daughters of the late Lucian and Inez Bones).

## National 4-H Week Set for October 5-13

No one can question the fact that young people are the future of America, and the 4-H program is continuing to play a vital role in preparing youth for the future by providing training in leadership, citizenship and coping skills.

Thus the theme of the upcoming National 4-H Week, October 5-13, "4-H for Youth for America," points to this country's richest resource, its young people, says H. T. "TOM" Davison, state 4-H leader with the Texas Agricultural Extension Service, The Texas A & M University System. The Extension Service is the parent organization of the 4-H program, an informal, out-of-school

educational program for youth between the ages of 9 and 19 that is based around local clubs.

"Through 4-H we try to provide youth with opportunities to learn and experience what life has to offer, Davison points out. "We also lay the groundwork to help 4-H members explore opportunities for personal growth and to gain skills that will be useful later in life."

Texas boasts 203,585 4-H members. Nationwide, 4-H is more than 4.3 million members strong. Looking at the Texas 4-H enrollment, there are 105,541 girls and 98,044 boys. Some 37,000 members live on farms, with almost 100,000 residing in

suburbs and cities with a population of more than 50,000.

Adult volunteer leaders are the backbone of the 4-H program as they provide the organizational leadership for local 4-H clubs as well as training and resources in a host of subject-matter areas. Some 600,000 volunteer leaders support the 4-H program nationwide, with more than 16,000 of those in Texas. Davison estimates that the time, travel and support contributed by these volunteer leaders across the U.S. is valued at more than \$1 billion a year.

Looking at the 4-H program in Texas, Davison notes that the most popular project area is foods and nutrition, which boasts 43,700 members. Other popular project areas include energy, 30,500 members; embryology, 20,300 members; Health (eye care), 16,700 members; and safety, 15,300 members.

The number of 4-H clubs and special interest groups in the state total 3,335.

## County Minutes

Donley County Commissioners Court met, Sept. 8 at 9 a.m. in the courthouse annex.

Present were: W. R. Christal, County Judge; Steve Reynolds, Commissioner Precinct 1; C. W. Cornell, Commissioner Precinct 2; Buford Holland, Commissioner Precinct 3, William Chamberlain, Commissioner Precinct 4; Freida Gray, County Treasurer and P. C. Messer, County Clerk and ex-Officio Clerk.

The following business was transacted:

\*Approved 1986 budget and transferred funds.

\*Amended an order made in the regular session of the July 1986 minutes regarding the purchase of a typewriter for the Tax Collectors office. The July order specifies one new Silver Reed typewriter at a sale price of \$675.00, less a \$150 trade-in. The order is hereby corrected to be a new IBM Wheel Writer 3, at a purchase price of \$536.00.

\*Paid bills as reflected by the claims docket and approved by the

court.

\*Accepted the resignation presented by Sandra Eads, the local Tax Assessor-Collector, effective Oct. 15, 1986.

\*Authorized the County Judge to advertise for applications for replacement for the office of Tax Assessor-Collector and set Sept. 23, 1986 last day for applications.

\*Requested JEM Simmons, local insurance agency, to forward insurance policy to Broadus Spivey an attorney, in order to obtain an opinion from the attorney regarding said policy.

Approved the August 1986 reports presented by county judge, county treasurer, county clerk, sheriff, tax assessor-collector, justice of the peace, precinct 2 and 3.

\*Accepted the contract presented by the Amarillo College to provide DWI education program in the Clarendon College.

\*Leased with maintenance, to bring a teletype system up to date with system No. 8015-8A1.

\*Advised for motor grader, precinct 3, specifications on file at county clerks office.

\*That the county will decline to fund the request for the juvenile funds at the present time and to stand pat on their decision.

\*Commissioners reports are public records and may be seen on request at the county clerks office.

The commissions court met again on Sept. 11, with all commissioners in attendance.

The purpose of the meeting was to discuss the request for a salary increase for the juvenile probation office made by the district judge.

Also attending this meeting were Zook Thomas, Collingsworth County judge, and two Collingsworth County Commissioners, John T. Forbis, District Judge, County Attorney Pat Slavin, W. R. Christal, Donley County Judge and P. C. Messer, County Clerk.

In discussing the salary increase made by Judge Forbis, the Commissioners' Court had a number of questions to ask of the Judge. The Judge advised that he would not accept any questions only in writing, and he would answer in writing. After a lengthy discussion the meet-

ing moved into the conference room in the courthouse annex. The Donley County Court and the Collingsworth County representatives, also the Donley County Attorney was present in the portion of the meeting. A number of questions was given to be presented to Judge Forbis regarding the salary increase for the Juvenile Probation officer. The questions are as follows, to-wit: September 11, 1986 The Honorable District Judge Forbis 100th Judicial District Courthouse Box 7 Childress, Texas 79201

Dear Judge Forbis:

As you requested in Commissioners Court joint session with Donley County, Collingsworth County, and Hall County, being duly posted for September 11, 1986 at 9 a.m., that any Commissioners Court send questions, in writing, concerning the problem of juvenile probation funding or other questions of concern and you would answer same in writing. In our meeting the Donley County Court had several questions for answer and are enclosing as follows:

1. Why was the judges of the 100th district not consulted before employing the probation officer, since each county judge in the district is a number of the Juvenile Board?

2. Why was this increase for the juvenile office not prorated out among the counties of the district?

3. How come the state to delete from this program \$1,100.00, and you are asking for \$18,000.00 and in your request, the figures do not add up?

4. Why do you think the district personnel should have an increase when the county personnel can not have an increase because of the financial situation?

5. Why in a letter dated August 25, 1986 did you state that Donley County was the only county that was not pleased with the increase suggestion?

6. Why was the Commissioners Court of Donley County not consulted regarding its financial status?

7. Why can't the juvenile officer live within the District, and what are his qualifications?

8. We would like to have the budget of the probation officer indicating what the money is to be spent for and also a copy of the audit showing what the money was spent for?

9. We would like to know how much salary the area Court Reporter gets, also fringe benefits and we would like also to know who pays the

salaries and other expenses including insurance?

10. What is the salary of the district attorney's secretary?

We certainly appreciated your meeting with us and hope this does not create any problem or rift between any individual or Court, I think it is important that the courts be further enlightened as to the juvenile needs and their part in funding.

Again thanking you very much for your participation in such an important problem in the district.

Yours truly,  
W. R. Christal  
Donley County Judge

## Farm Bureau urged on Tax Jo Reform

The Texas Farm Bureau has urged members of the Texas Congressional delegation to vote "no" on the Tax Reform act of 1986.

The Board of Directors for the state's largest general farm organization contacted Texas Congressmen this week asking them to vote "no" on the final conference report, which is expected to come to a floor vote soon.

"It is our best judgment that the tax reform bill, in its present form, is not in the best interests of Texas agriculture," TFB President S. M. True wrote in his telegram to the Congressmen.

"Elimination of capital gains and income averaging and the reduction in investment tax credit carry-forwards offset any gains that would accrue to farmers and ranchers by lower tax rates," True said.

According to Vernie Glasson, TFB public affairs director, tax reform could turn out to be a trap in the long run. "The idea of the tax reform proposal was to cut the rates and make up for the lost revenue by eliminating many of the deductions.

"But in the future, when additional revenue is sought, all Congress will have to do is increase the 15 and 28 percent tax rates." TX, 79226.

### Farm Bureau Convention set for October 4

The Donley County Farm Bureau annual county convention will be Saturday, October 4, beginning with a chili supper at 7:00 p.m. at the Letia Lake Community Center. The supper will be furnished by the Donley County Farm Bureau. Immediately following the meal will be the annual meeting.

The main purpose of this annual meeting is to adopt policies for the coming year. Also, new officers and directors will be elected at this time as will voting delegates to represent our county at the state convention to be held November 30 - December 3 in McAllen.

All Farm Bureau members are invited to attend this meeting, but only agricultural producers may vote or be elected to an office, according to our county by-laws.

Major issues expected to be considered include farm programs, taxation, labor, government regulations, transportation and education. Adopted resolutions concerning local matters will become county policies. Other accepted proposals will advance to the state convention as recommendations for policies on the state and national levels.

The policy development committee is currently accepting suggestions for resolutions. Producer-members are encouraged to contribute their thoughts to the committee at this time. All recommendations received by this committee will be considered in drafting tentative resolutions to be voted on at the annual meeting. The committee will also receive recommendations made by the county commodity divisions.

During the meeting, President Don Springer will give his annual report. Also, the Secretary-Treasurer Dan Hall will give the organization's

financial report and Agency Manager Kelly Beckworth of Memphis will report on the insurance services.

### Dental Care for Expectant Mothers

By J. F. HOWELL, D.D.S.

About half of the expectant mothers a dentist sees has some form of pregnancy gingivitis (gum inflammation). Hormonal changes plus bacterial plaque are the culprits. Usually recovery is spontaneous after the baby is born. To avoid these problems of bleeding and swollen gums, meticulous oral hygiene is necessary. Every expectant mother should follow a program of home dental care given her by her dentist.

Regular dental care should be continued during pregnancy. Dental treatment can be rendered without danger to mother or child. Of course, the dentist is always glad to consult with her physician, if there is a problem.

There are a couple of old wives' tales that people quote. One is "the baby took all the calcium from my teeth" and the other is "lose a tooth for every baby." Neither is true.

1. The developing baby may borrow calcium from the mother's bones but never from the teeth.

2. If a tooth is lost, it is probably because the mother neglects her teeth in the busy months before and after delivery.

The best thing an expectant mother can do for her teeth and the unborn baby's teeth is to:

1. Eat a well balanced diet as recommended by her physician.

2. Avoid sugar and foods that contain large amounts of sugar.

3. Follow a meticulous home dental care program as recommended by her dentist.

### 4. Get regular dental care.

The unborn baby has teeth. The primary teeth begin to form about six weeks after conception. By the time the baby is born, all the twenty primary teeth are formed under the gums.

### Texas Cash Flow

#### Problems

State Comptroller Bob Bullock Tuesday said he's preparing to take steps to keep the state's doors open if the Legislature fails to solve Texas' cash flow problems.

"I'm gearing up some bookkeeping maneuvers to get around the cash shortage this December. I'm not talking about 'no pay', but I am talking about 'slow pay' to make sure the state has enough money to pay its bills," Bullock said.

He said a key element could include extensive use or borrowing the state's special funds which frequently earn from fees and taxes literally millions more than is needed to pay appropriations and expenses approved by the Legislature.

Bullock said such a slow pay policy might delay city and MTA tax rebates, payments to the retirement funds and local school districts.

Bullock said the extraordinary bookkeeping measures would only put off the inevitable for a month or two at most by buying a little time to let tax collections catch up with expenses. It will give us a little breathing room until January.

The timing of General Revenue Fund money to the state's highway fund is another issue that is being studied.

"I haven't ruled out any option, but I'm going to see that the state meets its payroll and pays its bills—a bit late, perhaps—despite the cash flow problems we expect."

## Our Sunday School Contest is Judd family reunion

John, Willene, Snooks and Jewell Judd hosted the gathering of 12 living Judd brothers and sisters and their families Saturday and Sunday September 5 and 7 for their annual family reunion.

Members began to arrive Friday evening in motor homes and stayed through Sunday.

Paul Fister of Austin conducted a short Bible class for those present Sunday morning, and others attended the Clarendon Church of Christ.

On Friday evening, those that had arrived were gathered at their youngest sister's home at Greenbelt lake, Dewey and Betty Linley.

Visiting taking pictures and showing family motion pictures provided entertainment.

The latest pictures were made of the wedding of Alan and Renee Reske in July. She is the daughter of J.R. and Janell Standifer of Yukon Okla.

An event of great interest came when Buck and Maudene Judd showed the marriage license of their great grandparents. James Holson and Laura Christi Judd dated February 13, 1863 in Kentucky. It was two full pages, and the bridegroom had to post \$100.00 marriage bond at the time.

The Judd family moved to the Needwood Community, 10 miles east of Lutie, from Carson Co. in 1924. Then into Wellington in 1940. Mrs. Judd died in 1949 and Mr. Judd died

in 1960. Two sons have died, Thurston of Portland, Oregon, December 15, 1950 and Denny of Wellington, August 19, 1985.

The family draws names for handmade gifts each year.

Those families attending were Birdie (Judd) Francis with Tom and Debbie Bowerman and Bill of Amarillo, Dick and Laverne Judd of Wellington, Dan and Ruth (Judd) Culp of Amarillo with Barbara Brown and Julia and Josh, Buck and Maudine Judd of Amarillo, Jiggs Judd of Azle, Ennett and Helen (Judd) Wisdom of Amarillo with Deanna Griffin and Leesi and Christi, Paul and Juanita (Judd) Fister of Austin, J.R. and Janell (Judd) Standifer of Yukon, Okla., Imogene (Judd) Johnson of Amarillo with Kelly,

Chris and Dena King, Jennifer and Amber, Dewey and Betty (Judd) Linley of Greenbelt lake with Jeff and Tammy and Kelly and baby girl, Mike and Kim Vest with Denise and Danile, Greg and Vicki Linley of Amarillo.

Cousins attending were John and Reba Dellis and Audi Sanders of Amarillo, Tannie Wilson of Clarendon.

Friends visiting were Toots and Emma Lee Herring of Panhandle, Jake and Lara Mae Moffitt and Everett and Tillie Anglin of Clarendon, Ronald and Cleta Jacobs and Waylon Reid of Amarillo.

The hosts John and Willene Judd with Eddy and Linda, Trina, Shane and Kyle of Clarendon, and Snooks and Jewell Judd of Clarendon.

## AL-ANON IS IT FOR YOU?

Millions of people are affected by the excessive drinking of someone close. The following twenty-questions are designed to help you decide whether or not you need Al-Anon:

1. Do you worry about how much someone else drinks?
2. Do you have money problems because of someone else's drinking?
3. Do you tell lies to cover up for someone else's drinking?
4. Do you feel that drinking is more important to your loved one than you are?
5. Do you think that the drinker's behavior is caused by his or her companions?
6. Are meal times frequently delayed because of the drinker?
7. Do you make threats, such as, "If you don't stop drinking, I'll leave you"?
8. When you kiss the drinker hello, do you secretly try to smell his or her breath?
9. Are you afraid to upset someone for fear it will set off a drinking bout?
10. Have you been hurt or embarrassed by a drinker's behavior?
11. Does it seem as if every holiday is spoiled because of drinking?
12. Have you considered calling the police because of drinking behavior?
13. Do you find yourself searching for hidden liquor?
14. Do you feel that if the drinker loved you, he or she would stop drinking to please you?
15. Have you refused social invitations out of fear or anxiety?
16. Do you sometimes feel guilty when you think of the lengths you have gone to control the drinker?
17. Do you think that if the drinker stopped drinking, your other problems would be solved?
18. Do you ever threaten to hurt yourself to scare the drinker into saying "I'm sorry," or "I love you"?
19. Do you ever treat people (children, employees, parents, co-workers, etc.) unjustly because you are angry at someone else for drinking too much?
20. Do you feel there is no one who understands your problems?

## Cotton program primary objectives

The farm law's new cotton program is accomplishing its primary objectives and has dramatically re-established U.S. cotton as a price-competitive industry at home and overseas, National Cotton Council economist Dean Ethridge told that organization's board of directors here today.

Ethridge said projected U.S. cotton exports for 1986/87 are 6.5 million bales or nearly triple the amount for last year. Projected offtake is 13.3 million bales -- up 59 percent from last season and 21 percent above the average of the past five years. He said prospects for a larger offtake conceivable could result in ending stocks of around 6 million bales as compared with 9.4 million bales last year.

The Council economist said the cotton program has succeeded on three fronts: (1) it has moved cotton out of the government loan and into the market, (2) it has accelerated foreign production adjustments to lower world carryover stocks, and (3)

it has helped maintain farm income.

Council President Lloyd Cline called the cotton program which emerged from the 1985 farm law "the right move at an extremely critical time."

"It's working just as our industry designed it to work," said the Lamesa, Tex., grower. "It's helping our farmers maintain income while making our cotton price-competitive at home and abroad."

The Council president, however, warned that if the program is to maintain its momentum it must be allowed to continue in its current form. Cline said the battle to retain the farm program without further changes could be as difficult as the one fought to achieve the original bill.

In another report, H. L. Hodges, Greenwood, Miss., president of Cotton Council International, told the board that the Council overseas' arm will expand trade servicing activities next year aimed at promoting U.S. cotton's competitiveness and maintaining or increasing its market share. The CCI president said three new activities -- U. S. cotton seminars in key foreign markets, special market review trips, and the addition of foreign market consultants -- will be undertaken in

1986/87.

Plans were also announced for a National Cotton Textile Conference in Myrtle Beach, S.C. The meeting, sponsored by the National Cotton Council and The Cotton Foundation in cooperation with USDA, Cotton Incorporated, and ATMI, will present the latest research findings on processing to the Textile industry, according to Dr. Andrew Jordan, the Council's director of technical services.

Jordan also said the boll weevil eradication effort in the Southeast and Far West continues to be an economic and technical success. He said every dollar invested in the program by a typical Carolina grower has returned nearly \$2.50. He further noted that only 35 weevils were caught in the eradicated South Carolina zone, while none was found in North Carolina. Jordan said eradication efforts started in the southern desert valley of California, Arizona, and Mexico in 1985 already have reduced weevil populations on the U.S. side by 98 percent from pre-program levels.

An update on agency regulatory efforts in cotton dust standards for oil mills, formaldehyde regulation in textile mills, and textile/apparel flammability was outlined to the board by Dr. Phil Wakelyn, Council manager of environmental/safety technology.

The Council's affect growers in

Mississippi and Texas were explained by John Maguire, the Council's Washington operations director. He also reported on the current state of agricultural credit legislation.

Dr. Arlie Bowling, executive director of The Cotton Foundation, reported that corporate funding of the Foundation's 23 special projects now totals \$1 million. The research and educational projects are funded by cotton supplier firms in addition to their Foundation membership contributions.

Preliminary reports also were given to the board on the new five-month pilot cotton information network, which began Sept. 1. Joe Wyrick, Council manager of information systems, said 150 cotton industry members are currently participating in the program. He said participants will have access to an electronic mail exchange, information retrieval function, and telecommunication link with USDA. The project is aided by a \$53,000 grant to The Foundation from American Cyanamid Company.

## National School Bus Safety Week

Like the swallows to Capistrano every March, flocks of yellow school buses returned to Texas roads this

month. Their drivers work to safely transport students to neighborhood schools here and throughout the nation.

As Texas observes National School Bus Safety Week September 21-27, Texas Safety Association suggests that parents review bus rules with their children. The association also reminds drivers of the need for extra care and awareness.

"National Safety Council statistics reflected 45 students deaths in school bus accidents nationwide in 1984, but only 10 of the children who died that year were killed while on a bus. accident victims, injuries and fatalities, are struck while boarding or leaving the bus," noted Edward M. Stratton, TSA Chairman of the Board.

"We ask that parents teach their children to safely walk to designated bus stops and follow accepted school bus rules. We are want our children to arrive safely at school to enjoy their educations," he added.

Children should:  
... Line up away from the road when the bus approaches, waiting until its doors open before stepping off the sidewalk.

... Move directly to a seat on the bus.

... Stay in their seats and avoid yelling or screaming. For the maximum of safety, bus drivers need the fewest distractions possible.

... When leaving the bus, walk

about 12 feet in front of it so the driver can see them, and wait for a signal from the driver before they proceed to the middle of the road.

Another suggestion is aimed at drivers of other vehicles on Texas roadways during the school season. Texas law requires that drivers stop their vehicles when they overtake a school bus that is stopped to board or discharge school children. This law covers vehicles approaching from either direction on the same roadway as the school bus. Drivers may not proceed until the bus starts or the bus driver signals for other drivers to continue.

In addition, a law passed in 1985 requires that school bus drivers activate all flashing warning lights or other warning devices when stopped to take on or let off passengers. This helps to alert other drivers that they, too, must stop.

"We believe that the lives and safekeeping of our children are too important and worth much more than the few moments of delay involved in following the required precautions," Stratton emphasized.

## Frozen Dinners: Look For Nutrition As Well As Convenience

Here are some factors to consider when you use frozen dinners:

- Check the fat content of the dinner. One with fewer than 10 grams of fat will almost always ensure that fewer than 30 percent of the calories come from fat.
- Frozen entrees should not be considered full meals. While they are typically high in protein (and often fat), they frequently supply only 10 to 15 percent of the recommended daily allowance (RDA) for many essential nutrients. Supplement a frozen entree with a vegetable or salad.
- If you eat frozen dinners frequently, be sure to eat fresh salad greens or fresh fruit with your meals whenever possible.
- Look for the sodium content of frozen dinners, particularly if you are on a sodium-restricted diet. Most are seasoned with 1,000 milligrams (mg) or more of sodium and some are as high as 2,000 mg. The National Academy of Sciences recommends that the daily intake of sodium be held in the 1,000 to 3,300 mg range.
