Number 12

40°

To: Citizens of Clarendon From: Mayor David Davidson

Dear Citizens of Clarendon:

When I was elected, I felt that the people of Clarendon whom I represented wanted to improve our city. As mayor, taxpayer, and user of city service I am not in favor of any unnecessary tax increases or city services fees. I think that in the past our city aldermen have done a good job of avoiding such expenditures. Yet, the result has been that little has been done to improve our city streets, water and sewer systems, and equipment.

My job as mayor is to represent the people of Clarendon. One man, however, cannot take care of all the city business on a part-time basis. Such a task is more than a full-time job. People have complained to me about our streets, backed-up sewers, and the water pressure in certain areas. Additionally, many are not satisfied with the service provided by BFI, our contracted garbage pick-up service.

The most recent water increase of 40¢/1000 gallons generated funds that are set aside for city equipment and improvements. They are not to be spent for anything else. The other increases I supported in October have allowed us to pay-off previous debts and add to areas in the budget that have previously been deficient. Based on our current budget I anticipate that of the \$17,000 surplus, we should have \$6,000 left as of September 30, the end of our financial year. By modifying our 1989 budget, I see no reason why we could not save \$20,000 toward a city manager's salary.

In reviewing the Texas City Manager Directory put out by Texas Cities Managers Association, a directory of city managers, and looking at each individual's educational background and work experience, I found that a well-qualified individual for city manager would make between \$22,000-\$26,000 per year. The additional costs of social security, workman's compensation, and health insurance should keep the total expense at still less than \$30,000. Any vehicle and office expense should be able to be covered by our existing budget, as we have adequate office space and existing vehicles available. Any travel and meeting expenditures would be optional. Travel may eventually become an internal part of the city manager's job, but at the present he would have plenty to do within our town.

In the unlikely event that no money can be saved through budget realignment the above mentioned costs of a city manager could be covered by increases of one dollar per month each for water, sewer and garbage services instead of any tax increases.

Surely this is a small price to pay for the future of Clarendon. Furthermore, the leadership of a city manager would generate savings to our city for many years to come.

Our city in its current condition leaves room for tremendous improvement. I travel to cities across the panhandle and find none in a comparable condition. I cannot be satisfied with this. If you share this same discontentment I ask you to consider this alternative to find a solution. I encourage you to search out the facts. Ask questions of me, any of the aldermen, and the candidates seeking alderman positions until you are satisfied as to what is best for the city of Clarendon. This is your opportunity to actively improve our city.

I am committed to being a good steward of what you have entrusted me. If I did not feel so strongly about the need for a change I would not have investigated the city manager alternative so thoroughly. I ask each of you to give this alternative a chance to see what fruit we may bear as a city.

Because of recent questions being posed and because of direct requests I would very much like to have a town-hall meeting to accommodate your concerns. Hopefully this can be arranged.

Clarendon take Pride

We the people of Clarendon have a lot to be thankful for and a lot to be proud of. I don't know of another small town the size of Clarendon that has a championship 18-hole golf course, a beautiful lake, a junior college, a major U.S. highway running through the middle of town, and a rich historical heritage.

Clarendon is one of the few towns in the State operating in the black, something to be really proud of...or is it? Let's take a closer look at Clarendon.

We will always have a pothole problem until we as citizens get involved and hit the problem at its source. The base material of the streets needs to be reformed or reshaped and then topped so that the water or moisture will run off the streets.

The city is currently being billed from Greenbelt Water Authority for between 10½ and 12½ million gallons of water each month. The city then bills its customers or consumers for the water they use which totals 9½ to 10½ million gallons of water. The fire department, city park and the little league fields are not billed for their consumption which total

500,000 to 650,000 gallons of water. The city loses 2 to 2½ million gallons of water each month. The sad part of this is that no one is trying to find the problem.

The Aldermen spend between 6 and 10 hours a month on city business. Any businessman will tell you a successful company, business, or town needs more time devoted to it than the 6 to 10 hours a month presently being devoted. With a city manager, Clarendon could solve some of its problems.

I am definitely NOT for raising taxes for any reason unless it is to improve Clarendon... something that has not been done since I can remember. Improvement doesn't come by itself. We need to plan for improvement.

As citizens, talk about this -- pro or con -- to your neighbors, friends, aldermen, and Mayor. After all we are trying to help each other make Clarendon a better place to live.

Sincerely,
Bubba Newhouse
Alderman

Citizens for a city manager to meet

All concerned citizens that wish to see Clarendon change to a city council/city manager form of government will want to attend an upcoming organizational meeting. The meeting will be held Monday, March 28-7:00 at the Golden Acorn.

This is not a debate, there will be no discussion of the pro's and con's of the issue at this meeting. This will be an organizational meeting.

All concerned Clarendon citizens that would like to see our town benefit and improve by changing to a city manager form of government are encouraged to attend this meeting

WES HATLEY
Hatley makes TABC all-region team

The Texas Association of Basketball Coaches has selected Wes Hatley, a senior at Clarendon High School, for honors on the All-Region Team. Fifteen athletes were chosen as the finest basketball players in Region 1 by a special selection committee of TABC. Region 1 includes most of the area in the Panhandle and West Texas. Only one other District 2-2A athlete (Chad Robbins, Canadian) was chosen for this award.

Coach Loveless, who made the nomination, stated that to his knowledge, Wes Hatley is the first Clarendon athlete to receive this prestigious award. Hatley's contributions to the Bronco Basketball Team were impressive, scoring over 15 points per game, averaging more than 5 rebounds and 4 assists per game, and shooting over 72% of his free throws and 43% from the floor consistently over the past two years. Hatley is to be congratulated for his efforts and accomplishments which earned this award.

King's Kids and youth choirs to present program on March 27th

The King's Kids and Youth Choirs of the First United Methodist Church will present a program "Jesus: From Hosannas to Heaven". This is an Easter story and it will be held on Palm Sunday, March 27 at the First United Methodist Church.

Members of the King's Kids are: Scott Bivens, Missie Butts, Jon Davidson, Blake Deyhle, Leia Kate Deyhle, Louis Ellerbrook, Lowell Ellerbrook, Lindsay Green, Debi Hall, B.J. Hamilton, Audra Kirkland, Madison McNabb, Margaret McNabb, Bradley Stewart, Amy Thornberry, Carey Thornberry and Lisa Tull.

Youth Choir members are: Julie Altman, Kimberly Altman, Sheri Hall, Haley Hamilton, Charlie Smith and Kimberly Stavenhagen.

The starring role will be played by

Trey Tull and accompaniment will be by Gayla Davidson, narration by Jay Gage and directed by Jamie Deyhle.

Everyone is invited to share in this loving story.

Loveless - Coach of the Year

Steven Loveless, Clarendon High School Varsity Basketball Coach, has been selected as the District 2-2A Coach of the Year. He was selected for this honor by a vote of all the district coaches immediately after the basketball season. He has coached basketball for 10 years, spending 5 years at Clarendon High. This award marked the second time in five years as the Clarendon Varsity Coach that Loveless has been singled out for coaching excellence. In 1985 he was selected as the Outstanding Boys Coach of the Year by the Amarillo Officials Association. Chosen above nominations from all over the Panhandle, Loveless was recognized for his coaching abilities and for encouraging in his team character and a sense of respect towards the game of basketball. As a youth, Steven Loveless played on the 1973 Mary Carroll High School (Corpus Christi) team, which represented Region 4 in the Texas State Basketball Tournament in Austin, Texas.

STEVEN LOVELESS
Correction on voting boxes in run-off election

There is a correction on voting boxes for the Democratic run-off election April 12th. Instead of having only one box in Clarendon there now will be one in each of the precincts. Precinct 1 will have a voting box at the Patching Club House, Precinct 2 will be in the Old Courthouse, Precinct 3 will have a voting box in Lelia Lake and one in Hedley and Precinct 4 will be in the First Bank and Trust, according to Jean Taylor Democratic Chairman.

Breakins

On March 6 three Donley County businesses were broken into and another one had an attempted break-in.

In Hedley, Hills Petroleum and Evans Fertilizer was broken into. Money was taken from Hills and a telephone recorder from Evans. Paymaster Gin office, Lelia Lake was broken into and money was taken. An attempt to enter Shields Circle S Service Station was made. All of the buildings sustained damage.

Due to the efforts of the Donley County Sheriff's office and Hedley Constable Blackie Johnson, two transits have confessed to the burglaries. Ken Jones and Charles Parker were apprehended by Oldham County Sheriff's office in Vega, and through investigations local authorities were led to suspect they also might be involved in Donley County burglaries.

Donley County has filed a hold on the two suspects and when they are released by Oldham officials they will be returned to Donley County.

Little League news

There will be a clean up day on Saturday, April 9 starting at 9:00 a.m. at the ball park.

If your children do not have an application made up they can come to the ball field and get some help for the personnel that will be on hand.

There will be a Umpire school on March 25, 26 and 27. The applications for Umpire school need to be turned in so they can get the team ready.

On March 27 boys and girls are needed to play ball in the ball field.

Lelia Lake

Community Center

The Lelia Lake Community Center will have their covered dish supper Saturday, March 26 starting at 7:00 p.m.

A BFI TRUCK dumped its load of trash Wednesday about 12:30 after it was discovered the trash inside the truck was on fire. It took only minutes for the Volunteer Firemen to extinguish the fire.

Christian church offers ...Enjoy it--money back guarantee

The Christian church is offering a money-back guarantee. Anyone who attends any of the events of March 27th, 28th, and 29th (at 7:30 p.m.), and who can honestly say that they did not enjoy the evening, will be given twice the cost of admission. Of course, there will be no admission charge. But, in fact, the time spent will be more enjoyable than many evenings which cost many dollars.

Two incompatible heresies dwell in most of our minds. One falsehood says that worship is a duty. And everybody knows that things done out of duty are dreary and miserable. The other falsehood says that every time we worship, it should be a delirious, ecstatic time; a real "mountain top experience". Yet we know by clear memory that such is usually not the case. Perhaps in our more rational moments, we can see the foolishness of both concepts. But somehow, most people seem to lose sight of the fact that the best reason to worship God is that it is enjoyable. Should that surprise us? That is what we were created to do.

When believers assemble, worship should be as natural as laughter at a family reunion. We share a sense of our failures, so that we might be free to go forward and grow and develop towards our potential. No gift could be greater; nothing more precious could be shared. No wonder that the poet, reflecting on God's grace,

wrote "solid joys and lasting pleasures, none but Zion's children know!"

When we lose our sense of joy, it is not the Gospel that has failed. It is not our Lord who has failed. Joy vanishes when we become preoccupied with trivial matters and forget who is important. Enjoyment ceases when we try to rely on our own wisdom or willpower alone, forgetting "our ever present help." Perfection is not a prerequisite for participation in the assembly; rather the assembly is a refuge for tired and wounded sinners who have not won every encounter in the struggle toward sainthood. Worship is a time for healing, for renewed determination--and, yes, for celebrating victories won. Could anything give greater pleasure?

Skeptical? Forgive us for not having shown a better example. But please take a chance on the "money back guarantee" described above.

Each session will begin at 7:30 p.m. Terry Bernabe will be the speaker. Music by special guests as follows: Sunday night--The Trinity River Boys from Amarillo, Texas; Monday night--Jerry and Dana Chambless; Tuesday night--Ann Harper.

The people at the Christian church are trying to be simply disciples of Jesus, nothing more and nothing less: Christians with no adjectives

and no modifiers. We abhor the divisions that plague followers of Jesus, and pray with our Lord that his people might be one (John 17:20-21), that He alone might be Lord and the Word might be the only creed, rule or authority. To Him alone be the glory.

PTA Reminder

Remember "The Great Barrier Reef" film at the Discovery Center on Saturday March 26th for all children of PTA members. We will leave the school parking lot at 8:30 p.m. We will see you there.

Friends of the Library to meet

The Friends of the Library will meet on Thursday, March 24 at noon in the City Library for a lunch meeting. All members and interested patrons are encouraged to attend. We will be discussing priorities for the next year and considering projects to help improve our library. Please feel free to bring a lunch and join us.

DONLEY COUNTY SENIOR CITIZENS
Caring People...A Lamp to the Community

Thanks to D.W. Swain, Lucille Smith, Thelma Behrens and anyone else that helped for taking care of things while I was out of town. Thanks to Starlene and Rose for doing the laundry for the past two weeks - you people will never know what this means to our Center.

Our crowds are growing at Monday Night Practices. Come on out and get a couple of hours of exercise to music and enjoy the fellowship with us each Monday from 7-9 p.m.

Carmen had a super Blood Pressure Clinic on Tuesday, March 15th. She checked forty-eight. Next Blood Pressure clinic will be Tuesday, April 5, 1988.

We enjoyed people from all over the Panhandle area at our 3rd Tuesday Dance on March 15th at the Community Building. Melvin Strygley and the Offbeats made real good music for a good crowd. Thanks to all our local folks for the nice refreshments and help in serving.

Lucille told me they had two tables of Bridge on Thursday, arch 17th. From what I hear the weather was a bit nasty that night.

Fridays Musical Jam Session had about twenty out to hear music by Lucille Smith, Dick Stephens, Dee Williams, Weldon Petty and Jack Davidson.

The Senior Citizens are planning an appreciation dinner for the Clarendon and Howardwick Volunteer Firemen and their wife or a friend. Also all the Donley County Peace Officers and their wife or a friend - this includes the State DPS and Game Wardens. If you would like to help with this event please contact Jean Baten at the Senior Citizens Center. The event will be on Saturday, April 9, 1988 from 5-8 p.m. at the Senior Citizens Center.

Next Tuesday, March 29th is Birthday/Anniversary Salad Supper. This is our fun time each month - so bring a salad or what-ever and come and enjoy the evening. We will have a program from the American Cancer Society. They will show a film entitled "Wellness is Ageless".

EMS news

The regular meeting of the Clarendon EMS Association was held on March 21st and called to order by President Jim Sharrar.

Minutes of the previous meeting were read by Sec./Treas. Connie McAnear. They were approved as read.

Connie then gave the treasurer's report which was approved.

Reporter Tammy Taylor presented the format for the press release on each member of the association. The format was approved and she was instructed to make copies and have the members complete them.

There will be a Verbal Judo Seminar in Amarillo on April 16th from 9:00 til 1:00. The fee is \$10.00. Any interested member should contact Becky Lane for details.

The association had received information regarding malpractice insurance for individual members. Becky also has this information if anyone is interested in purchasing the insurance.

The Panhandle Emergency Medical Services System (PEMSS) sent a survey to be filled out on number of personnel and types of equipment. The survey was given to Delbert Robertson for him to complete and return.

Nina Riddlespurger reported on her attendance at the PEMSS symposium held in Amarillo last weekend.

Becky Lane presented each of us with a copy of a bill on a fictional patient so we would be more aware of the charges.

Delbert reminded us to make arrangements for someone to cover for us when we are on call and to notify the sheriff's office of the change.

JoDee Mincey reported that the inventory sheets were almost ready for the ambulances.

Jim Sharrar presented his part of the program on "roles and responsibilities" which primarily dealt with legal duties.

Becky presented the paramedic portion of the program in the form of a test. The test was for fun and determined whether we governed by the left or right side of our brain.

Meeting was adjourned. The next meeting will be pril 18th.

Members present were Jim Sharrar, Connie McAnear, Becky Lane, Benny Osburn, Larry Taylor, Cathy McAnear, Gerald Lane, Bryan Leeper, James Thomas, JoDee Mincey, Donnie Garman, Phil Vargas, Nina Riddlespurger, Pat Robertson, Delbert Robertson, and Tammy Taylor.

Howardwick Friendship Club

The Howardwick Friendship Club met March 18th, 1988 at City Hall for their regular monthly meeting, with 47 in attendance. The tables were decorated with the St. Patrick theme. All enjoyed a delicious pot luck meal. Afterwards, with Nancy McClintock at the piano and with Mr. Mills and Rose Mary Winters leading the singing all sang Irish songs. Then B.F. Crossland displayed his beautiful collection of his wood carvings. He explained how he did the carving and the tools he used and the different kinds of woods he used. Some pieces of his carvings took several hours to make. B.F. is to be commended, for having such a wonderful talent. Watch paper for next months meeting.

Hedley Lion's Club

The Hedley Lions Club held its regular monthly meeting on March 17. Ten members were present. Murrell Whitaker prepared a barbecue beef and bean supper.

Paul Ferguson read the minutes and gave the treasurer's report. The trap shoot brought in nearly six hundred dollars. The broom sale

netted over two hundred dollars. (Our best in several years) Many thanks to all Lions and others who helped in these projects.

The Club agreed to help sponsor Tiffany Wilkinson in the Pre-Teen Miss America Pageant. A fifty dollar donation was given toward sponsorship.

The Pancake supper is set for Friday, March 25, to begin at 5:00 p.m. It will be held in the Lion's Den. We need your help, if possible, on that day. Proceeds will go to the Hedley Fire Dept.

Buford Holland agreed to pull a

float in the Bob Wills Day parade in Turkey on April 30. Our Queen, Derenda Haire, and our Future Queen Nicole Johnson, will ride the floats.

Plans for this year's Cotton Festival was discussed.

The next regular meeting is set for Thursday, April 14. Bill Carson will be responsible for the meal.

The meeting adjourned.

Hedley track meet results

The Junior High girls traveled to Groom March the 11th to not only battle other teams but also the 15 degree weather and 55 mile per hour winds. In this track meet Shanna McCrary placed 2nd in the discus throwing, 68 feet and 4 inches. Amanda Ward placed 6th in the discus throwing 62 feet 2 inches. By 1:30 with the wind chill factor going to nearly 0 the Junior Lady Owls came on home. Those who would

have been competing were Tanya Holland, Jennifer Hill, Sonia Ford, Tracie Shields, Shanna and Shawna McCrary, Amanda Ward, Angie Longan, and Tiffany Wilkinson. The relay team got a chance to run and after running a 1 minute 4 second race against the strong cold head wind did not place. Nice try, Girls!

The Junior High Girls traveled to the Quanah track meet on Saturday, March 19th and made a good showing. Several people competed among the Junior Lady Owls. Among them were Tanya Holland in the triple jump, who moved 25 feet 2 inches for 6th place. Amanda Ward threw the discus 70 feet 6 1/2 inches for first place and the shot put 24 feet 4 inches for 3rd place. Shanna McCrary also threw the discus 63 feet 4 inches for 4th place. Our 400 meter relay team placed 4th with a swift time of 58.7 seconds. As a team these girls held 3rd in the seventh grade division after completion of the field events. All points were not yet tallied at departure. These results will be passed on to you next week. All in all everyone including coach Springer came home tired and sunburned but happy.

Aspirin and Arthritis

Since aspirin is available without a prescription and is taken so frequently, people may have difficulty believing that aspirin is the "best" arthritis medicine for the majority of adults. Here are three reasons why this is true:

1. Aspirin reduces the joint inflammation and swelling associated with osteoarthritis and rheumatoid arthritis. It is considered to be as effective as the newer prescription arthritis medicines in many individuals.
2. Aspirin is relatively safe. The upset stomach that occasionally occurs with large doses may be minimized by taking the medicine with food or immediately after meals.
3. Aspirin is one of our most readily available and least costly medicines.

Use the "smell" test to check aspirin before it is used. If the opened bottle has a vinegar-like smell, this is an indication that some or most of the product has decomposed. Use aspirin that does not have this odor. Also, do not use aspirin tablets that have crumbled or undergone obvious changes.

Albums And Tapes Will Be For Sale

The Trinity River Boys have been serving the Lord for over 7 years. Performing contemporary music from the likes of The Gaithers, Imperials, Statler Brothers and Larry Bryant. Singing the sounds of today, yet still holding to the songs of years past. Their appeal is to young and old alike with their humor in song, but still conveying the urgency to accept Jesus Christ. Entertaining, yet sincere about the joy and happiness that comes from living the Christian life, the sole purpose of the group is to share the Good News through song. Hopefully winning souls for Christ or bringing a deeper commitment to those already within the Body of Christ. The Trinity River Boys are willing to sing at any appropriate function where the word of God can be proclaimed. Revivals, youth rallies, Sunday morning or evening concerts, meetings, parties... anywhere that the glory of God can be brought forth in song. For bookings contact: The Trinity River Boys P.O. Don't forget the Elementary and Jr. High Literary will be held Thursday March 24th. School will be dismissed at 1:30 p.m. on March 24th.

Spring break will be March 28th thru April 1st for the Hedley Schools. All the kids are looking forward to this.

Doyle and Evelyn Messer have been enjoying a visit from their 3 grandchildren. They are Ashton, Aaron and Meagan Hines from Amarillo. They came on Thursday and Doyle and Evelyn took them home Sunday afternoon. Angella flew to Austin to help Mike look for a house. The Hines family will be moving to Austin from Amarillo when school is out.

The 4th Annual Tri-State Trauma Symposium was held Friday, March 18th and Saturday, March 19th at the Hilton Inn in Amarillo. I was able to

attend this symposium and it was great. They really had some very good speakers.

Some of the areas that were covered were Legal Issues Affecting Emergency Care, Occupational Prevention and Protection from Infectious Diseases, Brain Resuscitation, Pre-Hospital Trauma Care: Where do we stand, Management of Violent and Abusive Clients, Special Problems in Airway Management, Trauma Assessment Plus lots more. On Saturday there was a mock trial. Two lawyers, Darnon Morrison and Carol Shanaberger who are also Paramedics set this up and really did a great job. This was the most interesting two days I have spent in a long time.

Winners in the Men's teams were: Consolation-IGA Unknown's; 3rd place-Good Guys Wear Black sponsor-Knorpp Insurance; 2nd place-Floyds Automotive; 1st place-Free Agents-from Amarillo.

Winners in the Women's teams were: Consolation-Rainbow's-Wellington; 3rd place-T's Tigers; 2nd place-The Nook; 1st place-Conklin-sponsor-Harold White.

Other teams who played were: Men's teams: Memphis State Bank, Hollands Heros, Whites Feed and Seed, Fletchers, The Farm Boys, and the Firemen. Women's Teams: Heart to Heart, Toni Helton, Firebells, Bumpkin Chicks, Caliope, The Place-Memphis, Texas.

The Young Homemakers would like to thank everyone who helped in this. Thanks to all the teams and to each one who came out to watch. We had a real good turn out and everyone had a great time.

Thanks again for everyone's support.

One-act play competition

The High School one-act play went to competition at Paducah on March 18th. Schools competing were Guthrie, Motley County, Paducah, Patton Springs, Silverton, and Hedley. This years play was "Goodbye to the Clown" by Ernest Kinoy produced by the Samuel French Company. "The kids gave a wonderful performance. There wasn't a dry eye in the house. I'd like to thank everyone who went to Paducah to support us and to those who lent us props, made gravey or costumes. I'd like to extend a special thank you to the parents of my actors and actresses who worked just as hard as we did at times. To my performers who spent hours getting ready for contest, I do appreciate you." quoted LaMoss -Springer, Director.

Those receiving awards at contest were Steve Mullins-Honorable Mention, Anthony Carson-All-Star Cast, and Carol Glover-All-Star Cast. Other cast members were Karen Crump, Jeff Wilkinson, and Scheli Holland. "All my kids did a super job. They are very easy to work with and take direction very well. I'd like to extend a special recognition this year to a young lady who was overlooked during the award ceremony for her fine performance. Every year I have a performer who gives above and beyond what is expected of her or him. It takes a lot of guts to get up on that stage with all of those people staring at you land even more to do your job once you are there. This year this young lady gave such a touching performance that it left a tear in everyone's eye and a huge lump in one's throat. Special recognition for this year's Most Improved Actress goes to Scheli Holland. We do appreciate all of your hard work and talent."

Others going on cast and crew were Cheryl Glover-back stage manager and as our stage lighting control technicians were Dan Mullins and Shawn Bright. Again, thanks to everyone and NICE JOB, KIDS!

JOY SECHRIST granddaughter of Nellie and Tony Bramblett, Blue Ribbons and Best of Class ribbons on Jelly. Grandchampion and Blue ribbon on Handcraft sewing, cheer-leading outfit for her doll.

Joy Sechrist wins Blue Ribbon

Nellie and Tony Bramblett are bragging on their granddaughter Joy Sechrist of Mineral Wells. Joy made jelly from grandma's recipe, which she entered in her county's fair where she took a Blue ribbon and a Best of Class ribbon. The bragging really starts since instead of winning in the junior class, she won in the adult class. This was Joy's first attempt at jelly making and she's only eleven! So to celebrate her victory, Joy and her mother Liz are visited them this last week in Hedley.

"HELL" - Who will go there?

In my last article, I discussed the reason I believe in Hell... because the Bible plainly teaches that there is such a place and to refuse to believe it is to deny the authority of God's Word!!!
But what does the Bible say in regard to those who will go there? We read in REVELATION 21:8, "But for the cowardly and unbelieving and abominable and murderers and immoral persons and idolaters and all liars, their part will be in the lake that burns with fire and brimstone, which is the second death!" Here we have a list of all kinds of people who will go to hell! We can understand, looking at this list; why these kinds of people would not be permitted to enjoy eternal life with God in glory, but rather would have to face eternal punishment. But this list does not end there!
We read in 2 THESSALONIANS 1:7-9 "When the Lord Jesus shall be revealed from heaven with His mighty angels in flaming fire, He will be dealing out retribution upon those who do not know God and to those who do not obey the gospel of our Lord Jesus. And these will pay the penalty of eternal destruction away from the presence of the Lord and from the glory of His power!" From this we learn that we don't have to be in that terrible list of sinners in order to stand condemned before God. All we have to do is "not know God" or "not obey the gospel"... Yes, doing nothing about your salvation will assure you a place among the wicked and condemn you to eternal torment in "hell"!!!!

Letter to the Editor

Dear Editor:

Re: The Aldermen/Mayor form of government verses the City Council/Manager form of government
 As concerned citizens of Clarendon we have many questions regarding the Aldermen/Mayor form of government verses the City Council/Manager form of government. We believe a town meeting would be the most open, honest and effective way for the question of this issue to be addressed and the facts presented.

"Now you can pay the same amount every month of the year for your electric bill!"

It's easy with WTU's Equal Payment Plan.

Electric bills peak in the Summer and Winter when demand is up and are lower in the Spring and Fall. With the **Equal Payment Plan**, you can level out your electric bill because the monthly payments are averaged and adjusted over a year.

Any WTU residential customer or church with approved credit and a monthly bill of \$15.00 or more can qualify.

"Level out your electric bills with the Equal Payment Plan."

For more information on the Equal Payment Plan, contact your local WTU office.

raising our family in Clarendon, we feel it is our **RESPONSIBILITY** to learn the facts, in order to make intelligent - educated decisions about issues that will effect our community for a long time. We feel a town meeting with factual information from advocates of both forms of government being presented would accomplish this best.
 Lynn and Terry Floyd

Dear Editor:

Spring is the time to start "sprucing up". Some businesses on the East side of town have improved looks by cleaning up and repainting. For a community to attract industry, tourists, etc., the appearance of the community must be neat, attractive and reflect pride.
 Possibly a coalition of the City Council, the Chamber of Commerce and the Clarendon Press could develop and promote a **Clean-Up Paint-up, Fix-up-Beautifully Clarendon** program that could enhance the appearance of our town. With maximum participation in such a program Clarendon could be a **BIG** winner and involve a lot of people. With only minimum participation, it would be a winner to some degree. It could be a worthwhile project with minimum

Firebelles

A called meeting of the Clarendon Firebelles was held on March 7th in lieu of the regular meeting which would have been held on March 8th. Meeting was called to order by President Wanda Smith.

Chaplain Connie Pitts read "It's Always April in my Heart", a poem by Carise Williams, as an opening inspirational. Minutes of the February 9th and February 17th meetings were read and approved.

Treasurer Nancy Watson gave the treasurer's report which was approved.

VP Annette Osburn presented JoDee Mincey with a silver fire hat charm for her service as president in 1985.

Secretary Tammy Taylor reminded everyone of the state convention dates. The members agreed to support her to run for state office again this year.

Discussion was had regarding holding a dance with the proceeds going towards rural fire fighting equipment. It was decided that liability for accidents due to alcohol consumption was too great and that we had collected well on the volleyball tournament so that it was in our best interest not to hold the dance. Motion carried.

Kathy Benavidez suggested hold-

ing a raffle for a grocery run. After discussion, it was decided to keep the idea in mind for the future but not to hold the raffle at this time.

Nancy Watson suggested that we order fire hats to pass out during fire prevention week. She is to get more information.

It was decided that we would order balloons for the July 4th parade.

The secretary was directed to write thank you notes to the area businesses and individuals who had donated products or services during the tournament.

Valorie Ashcraft and Kathy Benavidez are to bring refreshments to the next meeting.

Meeting was adjourned after closing prayer.

Members present were Annette Osburn, Connie McAnear, Rene Stroud, Nancy Watson, Robin Doolcey, Kathy Benavidez, Wanda Smith, Connie Pitts, JoDee Mincey, Valorie Ashcraft, Becky Lane, Dianne Bentley and Linda Lindley.

Tennis team

The Clarendon Tennis Team participated in the Canyon Tennis Tournament last weekend. There were about fifteen area teams playing. Todd Phillips advanced into the second round where he was defeated by the number one player from Friona. Michelle Chambliss defeated a player from Tulia 8-2 in the first round and lost to a Miami player in the second round. Jenifer Davis lost in the first round action. In the boys JV Division, Che Shadle was defeated 8-5 by a Miami player, Jason Sharrar and Jeff Hewett lost to the Hart doubles team 8-0 and Michael Adams won two matches over Canadian 8-1 and O'Donnell 8-3 before losing a quarter final match 6-8 to a Nazareth player. This week the Broncos play in the Plainview Tournament.

Friendship Quilting Club

The Friendship Quilting Club met in the home of Edna Dishman Tuesday afternoon March 8th. A business meeting was held by the President, Edna Dishman. Roll was called and minutes read and a financial report was given by secretary/Treasurer Thelma Rudder. The highlight of the afternoon was visiting and cutting out pieces for a Lone Star quilt.

Delicious refreshments of cheese roll, party crackers, Lazy Daisy Cake, coffee, spiced tea and nuts were served from a table laid with a beautiful gold linen cloth edged with wide lace which was a gift from her daughter, Ann Reed of Salt Lake City, Utah. The pretty coffee and tea service was a gift from her daughter, Joe Adams of Jararta, Indonesia which was brought to her on one of her return visits to the States. The centerpiece was a lovely arrangement of spring flowers. Club members present were: Louise Aten, Meril Butts, Irene Jones, Lucille Luttrell, Y'vonne Bell McDaniel, Oddie Moss, Mary Lee Noble, Annie Thomason, Thelma Rudder, Wonda Wilson, Bradis Bal-ew, one visitor-Willie Rudder and the hostess, Edna Dishman.

The next meeting will be with Mary Hudgins of Lakeview, Tuesday April 12th in an all day meeting with a covered dish luncheon and we will be quilting. We are looking forward to seeing the antiques that Mary and David have collected for several years.

Naomi Phelan to lead American Cancer Society in Donley County

Naomi Phelan from Donley County American Cancer Society Unit has been appointed Residential Chairperson to lead the American Cancer Society's educational and fund-raising Cancer Crusade in Donley County. The announcement was made by Genevieve Caldwell, President of the Donley County Unit.

Mrs. Phelan has long been a civic leader in Clarendon with particular interest in Clarendon College and the Methodist Church.

Mrs. Phelan said, "The money raised will be used to support programs in the entire county that will prevent, detect, and treat cancer and offer assistance to cancer patients. In addition to raising funds, the Crusade helps the Society save lives through education." As part of the April Crusade volunteers will be knocking on their neighbor's doors offering information on how they can protect themselves and their families against cancer. It is important to

alert the public to visit their doctors for regular physical checkups and to teach them to recognize the seven basic warning signals of cancer. The more people know about cancer, the better their chances are of reducing their risk of getting it.

Martin Quilting Club

The Martin Quilting Club met in the home of Hazel Edens March 17th. A delicious meal was enjoyed by all. One quilt was finished. Members: Verdine Tipton, Mary Lee Noble, Frankie McAnear, Eunice Leeper, Hostess-Hazel Edens. Visitor-Oneta Sanders.

Major crimes show moderate increase

The overall number of major crimes showed a moderate increase in Texas last year, according to the Texas Department of Public Safety.

"The total of major index crimes in 1987 was up to 1,296,829 compared to 1,235,834 in 1986," according to DPS Director Col. Leo Gossett. "However, this rise of 4.9 percent was only a third of the percentage crime increase which occurred in 1986."

All four violent crime categories went down, with murder decreasing by 13.1 percent and rapes declining by 6.3 percent. Robbery cases fell by 4.9 percent and aggravated assault was down by 1.9 percent.

"The three property crime categories rose, but the percentage increases did not reach the level they did in 1986," Col. Gossett said.

Thefts were up by 7 percent, burglaries by 4.1 percent and motor vehicle thefts by 3.6 percent.

The crime rate, computed by population, increased to 7,724.3 crimes per 100,000 persons in 1987. The rate was 7,408.2 in 1986. The Census Bureau's Texas population estimate rose by 107,000 to 16,789,000.

The overall clearance percentage of major crimes in Texas last year was 20 percent, the same as noted in 1986.

Reported arsons were down 5.1 percent in 1987, with 8,513 cases reported compared to 8,974 the previous year.

"There were 61,850 drug arrests in Texas last year, amounting to a 6.2 percent increase," Gossett pointed out. "Texas law enforcement agencies continue to battle the illegal narcotics problem, which in many cases is directly or indirectly related to the commission of other crimes."

The total number of arrests in the state decreased by four percent last year with 873,554 reported compared to 909,805 in 1986. DWI arrests in Texas added up to 114,245, a six percent decrease.

The value of property stolen during the commission of index crimes was estimated at over \$1.467 billion, with the value of property recovered by Texas police officers last year estimated at \$605 million.

Seven law enforcement officers were killed by criminal action during the course of duty in the state last year, while duty-related accidents caused four deaths. The number of assaults on Texas officers increased by three percent in 1987 to 4,515.

The crime statistics were compiled based on reports provided by 805 law enforcement agencies in Texas which together represent 99.9 percent of the state's population.

Mauro proclaims March 21 - April 1 Texas Veterans Awareness Weeks

Texas land Commissioner Garry Mauro proclaimed March 21-April 1 as "Texas Veterans Awareness Weeks" in Texas and announced that the popular Veterans Home Improvement Program has increased its maximum loan amount to \$17,500.

"There are nearly two million Veterans in Texas and we owe it to them to get the word out about the tremendous state benefits available to them," said Mauro, who serves as Chairman of the Texas Veterans Land Board.

Eligible Texas Veterans can now obtain up to \$17,500 at 10.5 percent interest for 15 years to make improvements to their homes. Minimum loan amount is \$4,000. If the loan amount is less than \$7,500, the maximum term is 10 years. Texas Veterans will have up to 15 years to pay off loans between \$7,500 and the maximum amount of \$17,500. Previously, home improvement loans were limited to \$15,000.

No down payment is required and all loans are FHA insured. A small charge is added to each loan to cover FHA insurance.

During Veterans Awareness Weeks, the Texas Veterans Land Board staff will be meeting with local officials in 46 cities located in 36 Texas counties to recognize them for their help in promoting the Texas Veterans programs and to encourage even broader participation by local governments.

"Too often Texas Veterans are only recognized around Veterans Day and Memorial Day," Mauro said. "We want to recognize Texas Veterans today and throughout the year by making them long-term, low-interest loans for land, housing and home improvements."

"We have the best Veterans programs in the U.S.A. right here in Texas. But not enough Veterans know about them," Mauro said. "Not only do these programs help Texas Veterans, but they stimulate the economy as well."

Mauro said the Texas Veterans programs create jobs in the private sector by increasing the availability of affordable capital to consumers. The programs use local lenders, builders, and contractors and they generate economic activity in the areas they serve.

A study by Drs. Bernard Weinstein and Harold Gross at the Edwin L. Cox School of Business at Southern Methodist University found the Texas Veterans programs created 21,000 jobs across the state between 1984 and June, 1986.

Mauro stressed that the Texas

Veterans Land Board programs are not associated with federal VA operations.

"There some Veterans that don't realize that we offer state benefits that have nothing to do with federal Veterans Administration," Mauro said. "You can combine our VHAP loan with a VA or conventional loan, but you don't have to."

Texas Veterans are now eligible for up to \$57,500 in loan benefits through the State of Texas. Texas Veterans can obtain a \$20,000 loan to buy land and a \$20,000 loan to use toward the purchase of a house and a \$17,500 loan for home improvements. Veterans can use all three programs once.

The Texas Veterans Land Program lends eligible Texas Veterans up to \$20,000 at 8.75 percent interest for the purchase of five or more acres of land.

The Texas Veterans Housing Assistance Program offers eligible Texas Veterans up to \$20,000 at 9 percent interest to use toward the purchase of a new or existing home. In most cases a Texas Veteran can buy a home with no down payment by combining a federal VA loan with a Texas VHAP loan.

THREE FOR LIFE

There are three important tests recommended by the American Cancer Society to help detect cancer of the colon and rectum at an early, highly curable stage: the stool blood test, the digital rectal exam and proctosigmoidoscopy. Ask your physician about all three simple, lifesaving procedures.

Clarendon School Board meeting

The Clarendon ISD Board met Monday, March 21 in a called meeting. Present were all members of the school board, they are: Todd Knorpp, Fred Clifford, Ted Shaller, Johnny Floyd, Ronald Gooch, Venita Sharrar and Susie Shields. Also present were Supt. Jeff Walker, High School Principal Bob Howell, Elementary Principal Buddy Quinn and guests Helen Land, Freddie Moreman, Weldon Sears, Stanley Altman, Steve Loveless, Jeanette Loveless, Gayla Davidson, Melissa Hatley and Helen Woody.

Two issues were on the agenda:

*Steve Loveless asked to address the Board to find out the reason he had been rehired for the 88-89 school year as a teacher only and not as teacher/coach. President of the Board Todd Knorpp asked Mr. Loveless if he would like for the Board to go into an executive session, which was his right or he could address the Board with the guests present. Mr. Loveless chose to let the guests stay. Mr. Loveless asked the Board to please give him a reason for their decision not to rehire him as boys head basketball coach.

President Knorpp told him that the Board had voted to change the total program in both the boys and girls basketball programs, that the basketball program was not going in the direction the school was needing. The Board commended Loveless on his character and his ability as a teacher, and stated they were happy to have him as a teacher, that their decision was based simply on the Board felt that the athletic programs needed new directions.

Mr. Loveless stated that when he was hired five years ago, he was told that the win/loss factor was not a consideration to the coaching job, and that no one, the athletic director, administration staff nor the Board had ever told him differently, that if they had expectations of him, he was not made aware of them.

President Knorpp apologized, and stated that the Board may have been remiss in not stating exactly what they expected, and their reason for their decision was they felt the basketball programs and other athletic programs needed new directions.

*The other issue addressed by the Board was either building a new building for new classrooms needed and a multi-purpose room or to refurbish the old high school building. This is something that the Board has been addressing for the past year. Their recommendation was to refurbish the old high school building but to get more details and ask for recommendations from the two school principals on how best their needs could be met and a meeting will be held on April 5th.

MAMMOGRAPHY SAVES WOMEN'S LIVES

Mammography, a low dose x-ray exam, can detect cancers too tiny to be felt by the most experienced physician. The American Cancer Society

recommends that women over 35 begin a schedule of mammography. Call the ACS office nearest you for more details.
