A City Meeting

A city wide meeting will be held Tuesday, September 27 at 7:30 p.m. in the Lions Den in Clarendon for a Task Force of Memphis residents to inform Donley County residents on the needs of Hall County Hospital.

Jay Campbell and Ossie Oslin will answer any questions about Hall County Hospital, and why it has become necessary to raise funds to keep the hospital open.

Jay Campbell informed The Clarendon Press Tuesday morning, that some \$131,000 of the \$500,000 needed has been raised so far. This money needs to be raised by October 12, because if the money cannot be raised, Hall County Hospi-

tal will be closed November 1.

Hall County Hospital opened its doors February 10, 1964 and since that date some 33,997 persons have been treated at the hospital. Several Donley County citizens now work at the hospital, and besides providing a much needed medical facility for Donley County, it also helps our economy.

Geneva Mays, Supervisor of Home Health, and former employee of Hall County Hospital stated, "The 30 minutes from Clarendon to Memphis, and the hour or so it takes to get a patient to Amarillo may be yours or one of your family. I have four sisters, and we were all born and raised in Donley County, between us five girls, we have fifteen children, 9 of which were born in Hall County Hospital. I think the Hospital is an important facility which we can't afford to lose."

Auction for SAVE THE HOSPITAL

There will be an auction Saturday, October 8 at the Old Golden Spread Irrigation Building in Memphis. All the proceeds from this auction will go toward SAVE THE HOSPITAL Fund. Everyone in Hall and Donley counties are asked to contribute to and attend this auction.

You may call James Chappel at 259-2511, E. B. Snyder at 259-2414 or Buddy Bobbitt at 259-2225 in Memphis for any information or to have them pick up your donation. In Clarendon you may contact Eldon Thomas at 874-3814.

The hail started falling about 4:00 p.m. Thursday, September 15, and continued for about 30 minutes before any rain fell. As the hail approached from the Southwest, it roared in a loud, eerie way.

Ernest Lamberson reported hailstones as large as baseballs, some of which froze together. He said that the hail killed quail and rabbits, and covered the ground with a solid layer of ice, piling up in corners.

After the rain started, the runoff from the fields carried a floating cover of green bolls. Lamberson reported that Earl Shields fields were also badly hit.

About the only good thing about the storm was that the damage was limited to a relatively small area.

Pep Rally

The High School Pep Rally will be at 9:15 a.m. Friday, September 23, for the Gruver-Clarendon football game. Everyone is invited to attend. Get the Spirit!

Foster Homes Needed

There are no foster homes in Clarendon. According to Texas Department of Human Services records there have been no licensed foster homes in Clarendon, or the Donley County area, in the last two years. Almost every town in the Panhandle has at least one foster home, most have several. For some reason there are none in Clarendon.

Clarendon only needs two or three foster homes. Fostering is not for everyone. There is a limited need for foster homes in Clarendon. The need could be met with two dependable foster families. Clarendon should be a good community for foster homes. Children and families are important.

Foster home requirements are simple. The foster home can be in town or in the country. The home must be safe and have room for a child to grow. The family must be healthy and financially stable. The state and county pay for the child's medical needs. The county helps with the child's clothing needs. The state pays reimbursement to help foster parents meet the physical needs of children.

Children need foster homes when they are abused, neglected, or abandoned. Foster homes provide temporary home life for children with problems until they can safely go home or until an adoptive home can be found.

The Texas Department of Human Services is trying to find people to be foster parents in Clarendon. If you are interested in learning more about foster care, please call 874-3595 in Clarendon, or 358-6211 in Amarillo.

Bucks down Broncos

By Richard Grisham

A good crowd was on hand Friday night at CHS Broncos Homecoming game as White Deer beat Clarendon 49-7. The game was hard hitting all the way through with honorable mention for defensive play going to Jonathan Stewart, Robbie Bullock and Mike Moore. On offensive a tip of the hat to Randy Allen on a good punt return and leading rusher Brook Grisham who scored CHS only touchdown. This week starts a three game road stand as the Broncos travel to no-man's land to take on Gruver Friday

Sheriff Thompson said that Clarendon young people should be careful. "A silly prank or stupid stunt could cost a kid thousands of dollars--and perhaps ruin a big portion of his life."

Youths who steal traffic signs, for example, could face charges of negligent homicide, if a traffic death results from the missing sign. Even without an accident, theft or vandalism of a sign could result in a \$5,000 fine and 2-to-10 years in prison.

Sheriff Thompson stressed that "we will prosecute such offenses." Such misbehavior endangers life and cost local citizens money. And when they hear the doors of a cell slam behind them, the culprits may have problems remembering how funny their actions seemed at the time.

Please Observe Deadlines

The Clarendon Press is asking the community of Clarendon to remember the newspaper's deadlines. We have always tried to get any article or ad into the current issue, regardless of how late it arrived. This has meant tearing up a couple of pages each week to make room for something that someone simply forgot to get in on time. And it has caused our employees to be late getting home--sometimes very late.

As of October 1, 1988, The Clarendon Press will strictly observe the deadline policy. Only obituaries will be exempt. Stories and ads must be in the newspaper office by 5:00 p.m. each Monday evening. In rare instances other material may be accepted, but only

SEPTEMBER 22 1988

May-Coulter exchange vows

Wedding vows were exchanged by Kathi Dawn May and Destry Dee Coulter in a candle-lit, double-ring ceremony at the First Baptist Church, Clarendon, Tx on July 23, 1988, at 3:00 p.m. The Reverend Truman Ledbetter officiated. The bride is the daughter of Mr. and Mrs. Jerry May of Clarendon. Parents of the groom are Mr. and Mrs. O.D. Coulter of Allison, Tx. The wedding music was presented by Dan Hall who sang "My Only Love" accompanied by Valoric Ashcraft, who also played the wedding march. He also sang "The Wedding Song" and was joined by Andrea Hall on "Household of Faith" at the lighting of the unity candle.

The church was decorated with two brass fan candelabras flanked by two spiral candelabras each accented with greenery and large peach satin bows. The railings at the altar and the baptistry were laid with greenery and white daisies accented by hurricane candles lit just before the ceremony began. Also, brass plant stands containing greenery with peach silk flowers and satin bows flanked the altar. At the front of the altar, two pedestal tables were laid with greenery and large hurricane candles. A brass unity candle stood in the center. The center pews in the church were marked by brass aisle candelabras and large satin

bows alternating with peach and blue to compliment the bride's colors.

The bride was given in marriage by her father. Her formal gown of candlelight crystalline organza was floor length with a form fitted bodice and waistline. The waist was accented by a large box bow at the back. The softly gathered skirt flowed into a chapel length train and was sprinkled with chantilly lace appliques which joined a wide ruffle at the bottom of the skirt. The short puffed sleeves of crystalline organza were accented by chantilly lace and bands of satin ribbon. The off the shoulder neckline, waistline and sleeves were trimmed with bridal pearls and crystalline rosettes. Her headpiece was a forehead band of pearl sprays and crystal loops. It had a filament edge pouff and double layer veil. She carried a cascade bouquet of peach, lace and matching ribbons.

The bride carried out the tradition of something old, pearls belonging to her paternal grandmother; something new, her wedding gown; something borrowed, a bracelet belonging to her cousin; and something blue, her garter.

Kandy Floyd of Dumas was maid of honor. The attendants were Kami May of Clarendon, sister of the bride; Michelle Coulter of Amarillo, sister of the groom; Melissa Nichols of Pampa, cousin of the bride; and Tammie Johnston of Clarendon.

The attendants wore tea length dresses of apricot satin with a square neckline and scooped back. The dresses had a natural waistline with off the shoulder sleeves accented by satin bows. They carried bouquets of greenery accented with apricot and blue silk flowers and

MRS. DESTRY DEE COULTER nee Kathi Dawn May

baby's breath with a bow cascading from the back.

Lindsey Green of Clarendon served as flower girl. Her tea length dress of apricot satin had a rounded neckline, natural waistline accented with a satin bow at the side and puffed lace trimmed sleeves. She also wore matching ballerina slippers. She carried a lace basket of silk petals and wore

a halo of apricot and blue flowers with a cascading bow at the back. She wore a wrist corsage of the bride's chosen colors.

Levi Swafford of Ponder, Texas, cousin of the groom, served as ring bearer. He wore a tuxedo of black trousers, ivory jacket and shirt with apricot cummerbund and tie. He carried a heart-shaped, satin pillow

and wore an apricot rose boutonniere.

The candles were lit by Tessa and Philip Whitley of Amarillo, cousins of the bride. Tessa's apricot satin dress was of the same design as the bridesmaids but floor length. She wore a halo of apricot and blue flowers and a cascading bow at the back. She also wore a wrist corsage carrying out the bride's colors. Philip wore a tuxedo of the same design as the ring bearer with apricot cummerbund and tie accented with a silk apricot rose boutonniere.

The groom wore a black tuxedo with a jacket length coat and tails, black tie and cummerbund. His boutonniere was an apricot silk rose accented with baby's breath.

Best man was Warren Metzger of Estancia, New Mexico. Other groomsmen were Terry Baggett and Jim Oles of Claude and Mark Elmore and Richie Kiker of Allison, Texas. They wore tuxedos of black trousers, ivory jackets and shirts with apricot ties and cummerbunds. The boutonnieres were apricot silk roses.

The ushers were Jason May of Clarendon, brother of the bride, Randy Hall of Allison and Jodie Pitcock of Canadian. They wore black tuxedos with apricot ties and cummerbunds and apricot rose boutonnieres.

Janet Risley of Clarendon registered the guests. The registry table was covered with a finger-pleated white taffeta cloth edged with white tiger lilies, the bride's book and plumed pen and a hurricane candle.

After the ceremony, a reception was held in the fellowship hall of the church. The table was covered with a white finger-pleated taffeta cloth edged with lily of the valley. The three-tiered wedding cake of ivory was decorated with tiny blue flowers and ivory roses. The cake was topped with an arrangement of silk flowers and ribbon of the bride's chosen colors and featured a lighted fountain at the base surrounded by a ring of silk flowers. A silver punch bowl, silver candelabras with apricot tapered candles and a bouquet of apricot, peach and blue flowers as a center piece completed the table setting. Along with the wedding cake, white sherbet mints, mixed nuts and apricot slush punch were served. Serving at the reception were Shan-

na Cole and Stephanie Phillips, both of Clarendon, Nikki Duncan of Panhandle and Amie Green of Pampa.

Also, a fresh fruit cascade was served. The table was covered with a white finger-pleated taffeta cloth edged with silk grape leave ivy. Along with the fruit was a wheel of cheese and assorted party breads and crackers.

After a wedding trip to Branson, Missouri, the couple will make their home in Stephenville, Texas, where they will attend Tarleton State University.

PUBLIC NOTICE
BRIEF EXPLANATORY STATEMENTS OF PROPOSED CONSTITUTIONAL AMENDMENTS
GENERAL ELECTION
NOVEMBER 8, 1988

PROPOSITION NO. 1 ON THE BALLOT

Senate Joint Resolution 8 proposes a constitutional amendment providing that when the federal government reimburses the state for expenditures of state funds dedicated to acquiring rights-of-way and for constructing, maintaining, and policing public roadways, such federal funds must also be used for those purposes.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment and/or clarification providing that federal reimbursement of state highway dedicated funds are themselves dedicated for the purpose of acquiring rights-of-way and constructing, maintaining, and policing public roadways."

PROPOSITION NO. 2 ON THE BALLOT

House Joint Resolution 2 proposes a constitutional amendment to establish an economic stabilization fund in the state treasury. The fund would consist of one half of the unencumbered balance of general revenues at the end of a biennium and three fourths of the difference between the net oil and gas production taxes received in a fiscal year and the net oil and gas production taxes received in the 1987 fiscal year. During any fiscal biennium, the amount in the economic stabilization fund could not exceed 10% of the total deposited in general revenue in the preceding biennium.

The state comptroller and the state treasurer could decide to trans-

fer monies from the fund into the general revenue fund to alleviate a temporary cash shortage in general revenue. The legislature could make appropriations from the fund on approval by a three fifths vote of each house to make up the difference between anticipated general revenue and appropriations. On approval of two thirds of the members of each house of the legislature, the legislature could appropriate monies from the fund for any purpose.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment establishing an economic stabilization fund in the state treasury to be used to offset unforeseen shortfalls in revenue."

PROPOSITION NO. 3 ON THE BALLOT

House Joint Resolution 5 proposes a constitutional amendment that establishes the Texas growth fund. All investments of the Texas growth fund must be directly related to furthering economic growth and employment opportunities in Texas. At least 50 percent of the fund must be invested in equity and/or debt security for the initial construction, expansion, or modernization of business or industrial facilities in Texas. Not more than ten percent of the fund may be invested in venture capital investments. Of the funds available for venture capital investments, not more than 25 percent may be invested unilaterally, and the remaining investments must be matched at least equally by funds from other sources. Boston Campaigning for Bivins

Bob Boston, a Clarendon rancher, has been named Donley County Chairman for the Bivins for Senate campaign. Boston joins a network of people across the Panhandle and South Plains who are working to elect Teel Bivins as the State Senator from the 31st district. Boston, 40, is a graduate of the New Mexico Military Institute, and has been very involved with community activities. He is a board member of the Donley County Soil Conservation Service, and is a past President of the Clarendon Outdoor Entertainment Association. Boston is married and has two children. Bivins said he was pleased that Boston has joined the "Bivins for Senate" team.

Bob is a family man, a community leader and will be quite an asset for

our campaign," Bivins said. Donley County is just one of 29 counties which makes up the 31st senatorial district. Bivins has traveled to each of the counties several times, visiting with citizens, and listening to their concerns.

Would-be bankers are multiplying like rabbits.

Everybody is hopping to include the word "bank" in their names, but that doesn't mean that they're actually bankers.

"Savings banks," "thrift banks," stockbroker "bank" accounts, and credit unions, etc. all try to pose as real bankers. But they don't always offer you the experience or, in some

cases, the security of bankers.

In fact, the only place you'll find a banker is The Bank, where your deposits are Federally insured up to \$100,000.

Now, that's the best financial security there is! And a Full Service Bank offers the newest ideas to help your money reproduce.

Health Care Issues

By LARRY WHITE
Administrator Medical Center
Nursing Home

One of the areas where long term care has progressed the most is in regard to social services. In today's nursing homes the facility must identify the social and emotional needs of each resident and provide services to meet those needs. The facility may provide services directly or may arrange for those services to be provided through outside resources. One of the areas of greatest importance is to provide interaction and socialization for the residents. This is accomplished by activities, programs, and special events, as well as participation from volun-

teers, staff, families, church groups, and other interested persons in the community. I only wish we had more participation from community volunteers because their willingness to share their time is an extremely important part of the resident's life. We are required to develop long-term goals and short-term objectives for each resident in an effort to meet their social needs, but sometimes that can become a game of "paper compliance". What really matters is seeing people become more involved in the lives of other people. The residents of Clarendon can be greatly used in this regard. If you would be interested in becoming a volunteer, please contact us at the Medical Center. We will always be able to find a place for you to help. Next week, we'll look at "Fire and Emergency Procedures" in the nursing home.

Ashtola Martin news

Paul Hermesmeyer of Leveland was one of the Eagle Scout guest speakers at the Scout Banquet Saturday night at the Com-

munity Center honoring several boys who were awarded the Eagle Scout degree. He visited his parents the Bud Hermesmeyers while here.

Mary Jo, Bryan and Colby Huseman of Idalou were guests in the Bud Hermesmeyer home over the weekend.

Mr. and Mrs. Bill Bennett went to Olton Friday to the funeral of a cousin Bill Smith.

J. R. and Hazel Brandon went to a Top of Texas Trailer Rally at Lake Meredith over the weekend. Trailers were parked at the home of Richard and Mamie Salmon. There were 13 trailer couples and 3 visitors present. J. R. and Hazel returned by way of Claude and had supper with Jimmy Lee and Don Matherson.

Edgar Mac and Mable Mongole of Canyon stopped by to visit with Naomi Green last week. They brought word that a friend and former Clarendon Homemaking teacher, Maurice Berry of Colorado Springs had passed away last summer.

Cary Sue and Kriss Ann Davis of Groom spent Saturday night with Skeet and Eillen Brown. The Browns took them home Sunday and had lunch with Marica and Gary Davis.

Jeanine Tittle of Canyon came by early Monday and had coffee and visited with Ismanell and Vance Gray.

Dusty Tittle the Gray's grandson is playing football for West Texas University. He is a sophomore and did not play his freshman year so was somewhat suprised to find himself on the first team. "College football is serious business" he says. Flying to and from the games is a new experience for the young man.

Mary, Christel and Little Jerry Green were among others to attend the awards Scout banquet at the Community Center Saturday night.

Mary Green was in Pampa Sunday afternoon for a Quivara Girl Scout Board meeting.

Horace and Naomi Green left Friday evening to go to UMBERGER where they got with Frankie and Billy Jack Green to go to Eagle Nest for trout fishing. Amateur fisher person Naomi landed the first four fish brought into the boat and climaxed the experience by bringing in a fighting salmon.

While I was cleaning the weeds out of the turnip patch and pitching them over to the bucket calf I mistakenly got a few too many turnip greens. When I went down to feed the calf grain and milk pellets he was bloated, panting and trying to give up the ghost - when I rushed back to the house and interrupted H.A.'s Monday night football he was a real gentleman about it. Nothing was said about my brain power and he tail twisted while I led until the calf laid down again on us. H.A. took a long necked soda bottle and poured a pint of mineral oil down and we were up and walking again. Naomi finished with more heaves than the calf and learned a good lesson.

My latest experience has been in brick laying and pouring concrete. We have had tree roots growing into the root cellar making passage way for water to follow. I got such a good hole dug out getting roots out that it looked like a truck load of cement was going to be needed. Since I couldn't get any sand hauled in and had to use redimix I built a brick wall and plan to stucco it with wire on the outside to meet the foundation. Sure is hard on the hands.

Rose Lee Watson's father, C.

I. Casteel had surgery recently and Rose Lee has been up and down the road along with the rest of the family looking in on him.

The Spivey boys got together for a dove hunt and family dove eaters to gather were: David and Della Spivey from Grand Prairie; Brodus, Ruth Ann and Johnny Spivey from Austin; Johnny Spivey and Claudette and Micheal Edward Spivey from Rolls; Becky, Gerald, Oleta; and David Lane of Clarendon; and the hosts Claude and Eadith Spivey. Jimmy Garland was also a guest.

Bob, Connie, Crystal and Bobby Havens went with Diane, Lloyd and Steven Bentley to the Tri State Fair in Amarillo Monday. They were supposed to meet the Jimmy Phillips family, Connie's brother but he got a rain and needed to sow wheat.

A. D. (Buddy) Yates of Las Vegas, Nevada visited with his niece, Ruby Jewel Hardin, enroute home from his brothers, Jack Yates funeral at Lubbock last week.

Ruby Jewel Hardin was one of the judges at the Armstrong County Fair in Claude last Friday. She enjoyed both the quantity and quality of handcraft and food. Congratulations to Armstrong County participants.

Laura Tucker is breaking up her housekeeping, selling her home and moving to Englewood, Colo. to be with her son Javan Irvin.

Feld Ballet to Perform in Amarillo

Mix the bravura of classical ballet with the brawn of athletes and you get the Feld Ballet, stopping in Amarillo on Tuesday, October 4, 1988 for an 8:00 p.m. performance at the Amarillo Civic Center Auditorium. Based in New York City, this light-

footed, high-flying company will be performing here as part of a Mid-America Arts Alliance tour. The Feld Ballet performance is being presented by the Lone Star Ballet. Headed by Brooklyn-born choreographer Eliot Feld, the 23-member troupe is known for its physical daring on stage, as well as for dancing that is tender, playful and full of magic. Feld has created more than 50 ballets, seen by audiences throughout the world. His company was the official U.S. Bicentennial representative for a nine-week tour of Mexico and Central and South

America. Well-versed in the world of entertainment, Feld performed in the Broadway and movie versions of "West Side Story" before joining American Ballet Theatre. His first ballet, "Harbinger," triggered rave reviews when making its debut with that company in 1967. The Feld Ballet is one of several hundred performing arts events touring the region this year through Mid-America Arts Alliance, a private, non-profit regional arts organization comprised of the state arts agencies of Arkansas, Kansas, Missouri, Nebraska, Oklahoma and Texas, the National Endowment for the Arts, and private sector contributors.

For tickets and information stop by the Lone Star Ballet office in the Chamber of Commerce Building, 1000 South Polk Street, or call 806/372-2463, Monday through Friday from 9:00 a.m. to 5:00 p.m. and on performance evenings until 8:00 p.m. Special discounts are available for groups of 20 or more. Visa and MasterCard welcomed. Lone Star Ballet wants to recognize and extend their deep appreciation to their sponsors for the Feld Ballet. Along with Mid-America Arts Alliance (M-AAA), Mr. and Mrs. T.M. Caldwell of Clarendon, Texas have graciously consented to assume full sponsorship. The Caldwells are strong supporters of all the arts. Mrs. Caldwell has generously given of her time and expertise to a number of boards including the Symphony Guild, Lone Star Ballet Guild, Art Center, Texas Arts Alliance, Panhandle Plains Historical Society, Circle of Friends, Methodist Mission Home in San Antonio, Southwestern University Board of Trustees, and Administrative Board of Methodist Church in Clarendon. In recognition of her deep love and commitment to the arts, Mrs. Caldwell has been honored with Amarillo's highest award in the arts, The Golden Nail Award. In addition, her outstanding accomplishments have been recognized by the Texas Panhandle Distinguished Service Award, Beta Sigma Phi "Woman of the Year" Award, and the Southwestern University Distinguished Alumna Award.

The Caldwells are parents of Dr. Turner Caldwell of Amarillo and Mary Louise Caldwell of New York City. A special pleasure in their life are Genny and Maggie Caldwell their granddaughters. Our participation in a M-AAA sponsored tour is a plus for the Lone Star Ballet. The services and programs offered by the alliance provide valuable assistance and virtually insure a successful concert. Merci bien M-AAA and the Caldwells, the dance lovers of the Panhandle are grateful.

Letter to the Editor

Dear Editor, I hope that everyone realizes that there is a very real crisis in the rural health care industry. That crisis is presently being illustrated to us as we look at the Hall County Hospital in Memphis. They are struggling for their very survival as a health care provider in this area. But the thought that comes to my mind is, "Is the struggle to survive the responsibility of Memphis alone?" I don't think so. That hospital has played an important part in the lives of many people from Donley County. This includes everything from the birth of children to caring for people who have had serious injuries and surgeries. This area of the Panhandle must fight if we are going to retain the health care services we now have. Shouldn't Clarendon be concerned about the future of Hall County Hospital? Are we willing to help them out financially in their fund raising drive? The support and hard work I have seen in the people of Hall County is to be admired. I only hope that their hard work and dedication is infectious. Respectfully submitted Larry White

Senior Citizens still busy

The Donley County Senior Citizens are getting all excited about an auction to be held at the Civic Center in Amarillo on November 11, 12, and 13, 1988. They will be collecting items till October 15, 1988. They need large and

small items - such as furniture of all kinds, stoves, music instruments if it is old, a fine art or a rare collectible they need it. Remember all the money that is collected from items donated to the Donley County Senior Citizens comes back to Clarendon and will benefit their Endowment Fund. Would you citizens, businesses, clubs and organizations please check your attics, basements barns, storage houses and anyplace you may have something of value. Your help will be greatly appreciated.

Maintenance of ACR/CU Land

Producers need to keep in mind the maintenance of their ACR and CU acres. Control of weeds and erosion is a requirement of participating in the program. Besides causing hard feelings between neighbors, loss of program benefits can occur if good management measures are not carried out.

• CRP MAINTENANCE
I want to remind everyone who is participating in the CRP program that grazing is not permitted by your neighbor's livestock. Violations will result in loss of program benefits.

FAILED ACRES
Be sure that before you destroy any evidence of a failed crop that you file a disaster application. Destruction prior to a field inspection will make you ineligible for any possible disaster payments.

1989 WHEAT PROGRAM PROVISIONS
Some of the 1989 provisions for participating in the wheat program are as follows:

1. 10 percent required acreage reduction.
2. No paid land diversion.
3. Price support loan rate of \$2.06 per bu.
4. Target price of \$4.10 per bu.
5. Producers will be required to maintain in Acreage Conservation Reserve (ACR) an area equal to 11.11 percent of their planted acres.

AGRICULTURE FOREIGN INVESTMENT ACT

Foreign persons who acquire or transfer any interests, other than a security interests, in U. S. agricultural land must report within 90 days of such transactions to the Agricultural Stabilization and Conservation Service. Foreign persons are required to keep direct and indirect ownership current, report to USDA. If they cease to be a foreign person, and if the land ceases to be agricultural. Severe penalties may be assessed for failure to report timely.

WOOL/MOHAIR/UNSHORN
unshorn lambs sold. The wool or mohair must be reported for the calendar year in which it is sold. The owner of the sheep or goats is the person that should be filing. If ownership is questioned, it is the

producer's responsibility to prove the ownership before payment is issued. The deadline date to file 1988 sales receipts on time is January 31, 1989. Producers need to be aware that it is your responsibility to report any transportation charges at the time receipts are submitted.

COUNTY COMMITTEE ELECTION
1988 Election Calendar:
October 6.... Public notice of elections, community boundaries and right to nominate by petition.
October 31.... Final date for receiving nominating petitions.
November 25... Public notice of and final date for mailing ballots to voters.

December 5.... Final date for return of voted ballots.
OWNER AND OPERATOR CHANGES
sign-up for 1989 program is not that far away. It is important for us to know as-soon-as possible if there is a change in the owner, operator, or address. Please inform this office of these changes so we can keep our records up to date.

HOLIDAY
This office will be closed October 10th for Columbus Day.

If your life is affected by agriculture, you need Teel Bivins in the Texas Senate.

If elected, Teel Bivins would be the only State Senator who makes his living in production agriculture. That's right. The only Senator.

Teel has been a producer for 14 years. So, if your life is touched in any way by agriculture, it's important you're represented in the Texas Senate by Teel Bivins.

Elect Teel Bivins to the Texas Senate. Let's make sure we have a voice for agriculture in Austin.

Hedley News

Opal Heath Murray attended the Heath reunion at Brownwood the 9th of September through the 12th. Everyone who attended met at the Flagship Motel at Lake Brownwood and made that their headquarters. They all had a great time fishing, water skiing, and boating. They spent one day at Brownwood Park. They spent a lot of time showing pictures and reminiscing and of course eating lots of good food. Those attending were Mrs. Pauline Heath from Clarendon; Kent and Ranea Heath of Amarillo; Mike, Judy and Mikea Heath, and Cindy and Chase Sides all of Brownwood; Tim Heath of Irving; Nita Heath Tyler and Frank Tyler, Linn and Vickie, Ashley, Amber, Amanda, Mark and Andrew Tyler, Ken and Sandie Tyler all from Garland; and Opal Murry from Hedley. Everyone left for home taking pictures and reporting a wonderful time. While there they also celebrated 3 birthdays. They were Tim Heath, Mark Tyler and Andrew Tyler. After Opal returned home, she had a visit from her uncle, J. P. Heath for a couple of days. Opal really enjoyed this visit. On Saturday, September 17th Dean Hill and Lillie Messer both celebrated birthdays. Hope they both had a Happy Birthday. Also having birthdays this week were Annie Mae Sims on September 18th, Janie Hill on September 19th, Jane Woods on September 20th, Bill Hill on September 21st, Pauline Cross, Della Linville, Ruby McKee, L. The Hedley Lioness Club won 2nd place in the Parade in Memphis on Saturday. The Lions Club won 3rd place with their float.

The hail on Thursday did lots of damage around Hedley. Lots of crops were destroyed and some people had roof and vehicle damage. This was a strange storm as the sun was shining all the time and roar of the storm lasted around 20 minutes. Then the rains began. There were reports of from 3 to 5 inches in the Hedley area. Saturday and Sunday's rain also added to this amount.

If anyone borrowed the card table at the Methodist Church in Hedley, they would appreciate it if you would return it to the church as they need it.

The Hedley School has two new teachers this year. They are Linda Naylor and Andrea King.

Linda Naylor is teaching Language Arts in grades 3 thru 6. She attended Clarendon Jr. College and graduated from West Texas State University with a Bachelor of Science Degree. She holds a Texas Teachers Certificate and has had 6 years of teaching experience. Mrs. Naylor grew up in the communities of Quail and Hedley. She is the daughter of Mr. and Mrs. Frank Lindsey. Linda is married to Tex Naylor and they are both graduates of Hedley High School. Linda, Tex and their young son Jared reside in Clarendon. Mrs. Naylor is looking forward to a very productive year.

Andrea King was born and raised in Shamrock, where she graduated from Southwestern Oklahoma State University with a Bachelor of Arts Degree in 1987. Andrea will be teaching English and Spanish in grades seven through twelve. She currently lives in Hedley and looks forward to a great year.

We had a good musical on Monday night. There were 26 who attended. Those who provided our music were Weldon Petty, Forrest Denton, Dick Stephens, Jake Smith and Creed Smith. There were 10 who played 84 on Tuesday night. We had 7 who went on our grocery shopping trip on Wednesday. If you want to go on these trips call Jean at the Center.

Deuteronomy 6:7-9

NOT FOR SALE BY JON LEGGITT

"Everything has its price," we hear repeatedly. And we often are inclined to agree with this cynical view of life as we are barraged by

reports of greed and corruption in business, politics, and almost every other aspect of our society.

I suppose we shouldn't be surprised. After all, people have been treading like swine on precious pearls (Matthew 7:6) almost from the beginning. Early in the pages of God's Word (Genesis 25:29-34), we find Esau selling his birthright, which was evidently a rather considerable combination of monetary benefits and position among his people, for almost nothing. The Bible speaks of those "... whose god is their belly..." (Philippians 3:19). Esau is representative of that type, those whose life is governed by momentary whim, appetite, or emotion. God help us to be better!

1 Kings 21 records the story of a man who was better. Naboth refused to sell his vineyard in Jezreel to King Ahab, saying in verse 3, "... The Lord forbid it me, that I should give the inheritance of my fathers unto thee." This decision cost Naboth his life; he was murdered by the henchmen of Ahab's horrible wife, Jezebel. Nonetheless, he made the right decision. Some things simply have no price tag on them.

Some things in our own lives should not be for sale. Four things come to mind quickly. No doubt there are others. First, our faith in the blood of Jesus Christ as the one and only remedy for our sin must not be compromised. Satan's merchants lay every imaginable temptation before us, trying to rob us of our "inheritance incorruptible and undefiled" (1 Peter 1:4). Not the least of those temptations is the modern hearsay which usually sounds something like "if you think positively, anything can happen." Thinking positively sounds sweet, and is, indeed, desirable, but an old hymn says it well:

"My hope is built on nothing less than Jesus' blood and righteousness; I dare not trust the sweetest frame, But wholly lean on Jesus' name."

A second hymn comes to mind, & suggests a second thing that should never be for sale, and that is my commitment to Christ.

"I have decided to follow Jesus. . . Though none go with me I still will follow. . . No turning back, no turning back."

I would hate to think that a man would have to follow Jesus all alone, but the Lord's presence would make even so difficult a journey worthwhile. Paul felt all alone on at least one occasion, but would not swerve from his dedication to the Lord. In II Timothy 4:16-17 he says, "... All men forsook me. Notwithstanding the Lord stood with me, and strengthened me. . . I was delivered. . ."

A third thing which must not be for sale is a man's integrity. In our materialistic society, we hear the most underhanded dealings dismissed with the excuse, "That's just business." But we need to hear the writer of Proverbs as he says in

chapter 22, verse 1, "A good name is to be chosen rather than riches, and loving favour rather than silver and gold."

Finally, one thing that is not for sale is our Christian heritage. Thank God for all those unsung heroes of the faith who labored quietly for years on end to preserve the message of the Gospel, to preserve the just-mentioned integrity of their lives, to preserve the sweet fellowship of Christ's church, and who handed these precious treasures down to us for our enjoyment. Shall we do any less for those who follow us? "The Lord forbid it me, that I should give the inheritance of my fathers unto thee," Naboth said, speaking to a greedy, selfish, thoroughly evil man. Shall we, like Esau, fritter away such a heritage for a bowl of soup, for a moment of pleasure? My Christian heritage is not for sale. "Now it is required that those who have been given a trust must prove faithful" (I Corinthians 4:2, NIV). God help us to pass our Christian heritage intact to the next generation.

Laxatives and the Elderly

Many elderly persons misuse laxative products by taking them every day for extended periods of time. This "laxative habit" may have started as a result of recent or long standing constipation problems. It may have begun, however, with the false notion, promoted in the early 1900s, that the absence of a daily bowel movement enhances the absorption of toxins into the body. For whatever reason, a large percentage of the \$250 million spent on laxatives in the United States each year is spent by the elderly.

Constipation prevention includes obtaining daily exercise, drinking several glasses of water, and consuming an adequate intake of vegetable, grain, and fruit fiber.

Stimulant-type laxatives such as castor oil, senna and cascara may be "too harsh" for routine use. Saline laxatives (magnesium sulfate) should not be used by elderly persons having kidney problems. Lubricant laxatives (mineral oil) may interfere with the absorption of needed fat-soluble vitamins. The safest laxatives for the elderly appear to be the bulk-forming types (psyllium) and the stool softeners (docusate). Discuss laxative use with your physician and your pharmacist.

From the Desk of Pastor Colburn

Ask yourself these questions to discover how spiritually mature you are:

1. Am I becoming more and more patient in the testings of life?
 2. Do I play with temptation or resist it from the start?
 3. Do I find joy in obeying the Word of God, or do I merely study it and learn it?
 4. Are there any prejudices that shackle me?
 5. Am I able to control my tongue?
 6. Am I a peacemaker rather than a troublemaker? Do people come to me for spiritual wisdom?
 7. Am I a friend of God or a friend of the world?
 8. Do I make plans without considering the will of God?
 9. Am I selfish when it comes to money? Am I unfaithful in the paying of my bills?
 10. Do I naturally depend on prayer when I find myself in some kind of trouble?
 11. Am I the kind of person others seek for prayer support?
 12. What is my attitude toward the wandering brother? Do I criticize and gossip, or do I seek to restore him in love?
- Don't just grow old-grow up!

Jehovah's Witnesses Circuit Assembly, September 24, at Amarillo Civic Center

Jehovah's Witnesses will open a two day Circuit Assembly Saturday, September 24, at the Amarillo Civic Center Auditorium. The program will be centered around the theme "Rendering Sacred Service With Godly Fear". Gary Thompson, District Overseer, has been assigned by the Watchtower Bible and Tract Society to oversee the Assembly. Thompson has been a full time minister of Jehovah's Witnesses for over 26 years. He has served for 17 years as a traveling overseer in 13 States.

David McClain, local minister of Jehovah's Witnesses said "Thompson will be the feature speaker at the Assembly Sunday, at 2 p.m. speaking on the subject, "Why Fear the True God!". He said "This event will attract over 1900 delegates from 20 congregations in parts of Texas, New Mexico and Oklahoma." Pat Shropshire, Circuit Overseer for this area will be assisting Thompson and both ministers arrived in Amarillo this week to finalize the arrangements. Thompson said "the situation in the world emphasizes the need for fear of God." He said "the Assembly will highlight benefits from having fear of Jehovah God and how God's commandments involve morality, neutrality, child training, living peaceful lives and preaching the Good News about God's Kingdom."

Saturday's program begins at 9:55 a.m. and closes at 4:15 p.m. Sunday's schedule lasts from 9:55 a.m. to closing at 4 p.m. All sessions are open to the public.

American Cancer Society

The Donley County Unit of The American Cancer Society met this week. Regular business was conducted by President Genevieve Caldwell. Special guest, Melissa Null of Amarillo, representative from the American Cancer Society to the eastern half of the panhandle was introduced and welcomed.

Dr. Richard L. Gilkey presented a most informative program giving statistics of cancer victims within Donley County over the past year. He report clearly revealed that lung cancer was the number one cause of death from cancer in Donley County last year. Also, young women proved to be the heaviest smokers, according to Dr. Gilkey "Don't start smoking or stop smoking if you already are smoking is the best guard against having lung cancer." Dr. Gilkey urged having regular physical examinations and education of the public concerning causes of cancer. Also, Dr. Gilkey pointed out passive smoking is dangerous to anyone's health.

The meeting closed with President Caldwell reporting a new mamogram machine is now available for use in routine screening at the Harrington Cancer Center in Amarillo.

All board members present were invited to attend the annual meeting of the American Cancer Society in Amarillo at the Sheraton Inn, September 24th.

Present at the meeting were: Naomi Phelan, Mary Hazel Van Zandt, Onita Thomas, Darlene Spier, Kay Hayes, Mary Ruth White, Winona Hennigh, Barbara Cospier, R. L. Gilkey, Paul Bivens, Eona Henson Musgrove, Jeff Walker, Ruth Hancock, Melissa Null, Genevieve Caldwell and Helen Estlack.

Can We Afford To Lose Hall County Hospital?

Letter To Editor

This area is now faced with a serious problem with health care. The Hall County Hospital in Memphis will close Nov. 1, unless we can overcome a financial crisis. In order for the hospital to continue operating we must raise approximately \$500,000. The funds will be used to replace old equipment, provide funds to attempt to secure two new doctors, upgrade nursing care and provide some operating reserves.

It is now time for the citizens in this area Clarendon, Hedley and Memphis to rally around and assume their share of the responsibility of helping to provide medical care. We can do this if we work together and everyone contribute to the best of their ability.

For over 20 years Hall Hospital operated without cost to the taxpayers of this area other than the

original building cost. No one ever takes this into consideration when discussing the hospital crisis.

Many things have changed during this period of time and now all rural and urban hospitals are in trouble. Our local situation can be pinpointed in the change in medicare payments, the breakdown of our medical staff when Dr. Stevenson had to retire and then Dr. Clark had his medical problems. Many individuals cannot carry hospitalization insurance because of increased premiums. It is estimated that 40 million people in the United States fall into this category.

If the Hall County Hospital closes the nearest medical facility for Clarendon residents would be Pampa and that is 48 miles. This time element could be the difference between life and death.

As an example of what could happen, the day that the Bastrop Hospital closed there was an accidental shooting. The patient was given first aid on the parking lot of the hospital but the ambulance was in service. They placed the patient in a car and rushed him to Austin over 30 miles away and fortunately the young man's life was saved. This can and will probably happen in Clarendon or Memphis.

A concerned group of citizens in Memphis have been working day and night trying to come up with ideas to save the local Memphis Hospital. We, the citizens of this area, must help ourselves before we can obtain any outside help.

Actually there is no reason why we cannot raise the required funds as ample funds are on deposit in the local banks and savings and loans. It is just a decision that all in the area must make if they want adequate health care.

We have a drive on to solicit funds as donations in our "Save The Hospital Fund" any pledge or donation will be acknowledged and everything will go into this fund without any kind of promotional or other expense.

We must do this immediately and we are planning a big victory celebration on the final wind-up on October 12th. Send any contribution or donation to the following address: SAVE THE HOSPITAL FUND 113 South 6th St. Memphis, Texas 79245

Thanks

33,977 persons treated at Hall County Hospital
