It Seems Like Only Yesterday

My how times flies! It seems like yesterday (1970) when Bill Sarpalus (Congressman) and Mary Hughes (Martin) were Mr. and Miss Clarendon College; today, they are proud alumni with college-age offspring. Michael and Mary Martin's daughter, Jessica, attends Clarendon College, and Bill's son may attend CC next year. We found this picture in copies of the Bulldog Banner, a paper produced on campus in the 70's, and we thought that it would be interesting to look back 20 years. Locating this picture was precipitated by a Clarendon College Ex-Student Association meeting on February 12 to plan homecoming activities. Joann Grady, Naomi Spann, Ruby Dell Estlack, Lucy Saye, Tommy Saye, Jack Moreman, Thelma Shields, Susie Shields and guest, Jerry Stockton, met to plan the homecoming event. They decided to have the program on the weekend which will include the intramural Rodeo (April 21st).

The Ex-Students Association wants to include in its celebration all alumni and friends interested in Clarendon College. It was evident during the meeting with Clarendon exes that they are enthusiastic and loyal. We hope to develop that support from all our alumni over their lifetime to help with the continued growth and improvement of Clarendon College. Under present state and local funding guidelines, no college or university can continue to operate effectively without monetary support from its alumni. We hope to develop the support network to include any interested person.

We are planning to build an Activity Center on the Clarendon Campus which will serve campus and community needs. Student, faculty and community committees are meeting to determine how the building should be arranged and what it should include. The building will be utilized for Ranch and Feedlot Operation's classrooms, meeting rooms, a storm shelter, a lounge area, a snack bar, offices, game rooms, and possibly a library. We hope to attract matching funds from foundations and individuals to attach an activity arena to be used for all kinds of events. New programs such as a canine program and a horse program are being considered to utilize the facility. Obviously, a facility such as this would give us a building to be used for all alumni activities.

The Ex-Students Association members are dedicated to a homecoming activity which should be a lot of fun for everyone. The exes invite all alumni and friends to come and participate. Later articles will give additional information as we near the homecoming date. Come join us at Clarendon College. You'll be glad that you did. We will have a good time together.

Award Presented

Aaron Kidd has completed the first part of the God and Life series. He will receive the God and Me award on Sunday, Feb. 25, 1990. Aaron is the 7 year old son of Doug and Nancy Kidd. Grandson of Bob and Joan Kidd and Billie Johnson. Great Grandson of Terra Putman. The award will be presented at the Nazarene Church during the 11:00 a.m. worship service. All scouts and leaders are welcome to attend this special recognition.

Clarendon's Economy Growing

According to the State Comptroller's latest figures, Clarendon is still growing. In January, sales tax receipts climbed to \$20,155.33, up 4.41% from 1989. While the town's growth rate has been slow, it has been pleasantly stable.

In contrast, area towns had their ups and downs. Armstrong County (Claude) was down 6.78% over the previous year. Briscoe gained 1.6%. Carson County (Groom, Panhandle, Skellytown and White Deer) fell by 5.31%. Childress climbed 5.22%. Wellington—which has been suffering for several years—gained 17.65% over the previous, depressed year, a welcome improvement. Lefors, McLean and Pampa (Gray County) were off an average of 4.12%, but Lefors itself was off 42.41%.

Hall County offered really mixed signals. Overall, the county was off by 3.49%. Estelline was down 32.92% and Memphis off 2.14%. But Lakeview was up 60.56% and Turkey up .54%. Hutchinson county was up 10.66%. Motley was up 9.28%, primarily because of the revival of Roaring Springs, up a whopping 51.32%. Matador was down 12.14%.

More urban areas of the Panhandle did not fare as well. Potter county was up only 1.83% while Randall managed an increase of 3.31%.

All of the figures above are nominal dollars. The are not adjusted for inflation. Real retail growth is obviously less than the raw figures indicate. However, at a time when many area towns have lost sales revenue, Clarendon has done well to hold its own.

The above figures are not definitive, nor do retail sales tell the whole story of an area's economy. Yet the figures offer hope that the area's recession is waning and better times are at hand.

Business people in that area generally seem to be upbeat—more optimistic than earlier. Clarendon and neighboring towns are organizing to build up area's economic vigor. Most folks feel that the worst is over.

Scouting For Food

Once again the Golden Spread Council will take part in the Scouting For Food drive. Each district will be participating in collect-

ing canned goods to help their local food pantry fill their shelves.

Cub Scouts will be distributing bags door-to-door on February 24, 1990, and Boy Scouts will be canvassing neighborhoods picking up the bags from door steps after 9:00 a.m. on Saturday, March 3, 1990. All food will be given to our local food bank for distribution to those in need.

Scouting For Food bags will be delivered to the front door of your home. If you do not find one and wish to participate any grocery bag will do. Please place the bag in a place on your door-step visible from the road on March 3, the pick-up date.

Clinic Offered

The Clarendon EMS will hold a blood pressure clinic on Saturday, February 24th at B & R Thriftway. The hours will be from 10 a.m. to 2 p.m.

Goodwin-Dilly Wed

Gina Nanette Goodwin and Thomas Wayne Dilly were married Saturday, December 30, 1989 at All Saints Catholic Church in Dallas, Texas. Father John Endres officiated.

Parents of the bride are the late Michael Goodwin and Mr. and Mrs. Wayne Doering of Clarendon. Gina is the granddaughter of Henrietta Salmon of Memphis, Tx. The groom's parents are Mr. and Mrs. Robert Dilly of Carrollton, Texas.

Bridesmaids were Lisa Hitt of Irving, Lorrie Collins of Amarillo, Sherry Trehan of New York City and Susan Holman of Irving.

Groomsmen were Larry Ivens of Newaygo, Michigan; John Dilly of Kalamazoo, Michigan; Scott Salles of Arlington, Texas and Robert Dilly Jr. of Richardson, Texas.

Flower girl was Kelly Williams. Ringbearer was Matthew Dilly.

The bride's dress was an original pure white silk hand beaded gown by Galena of Palm Beach Florida. The bridesmaids' dresses were tea length emerald green velvet and taffeta dresses.

The groom and groomsmen wore 3 piece Christian Dior Black Tuxedos. The flowers were white orchids, white roses and stephanotis.

At the opening of the ceremony, the couples' mothers lit the unity candle. The bride was presented in marriage by her grandfather, Richard Bruce Goodwin of Boca Raton, Florida. Father Endres performed the ceremony. The pianist was Marilyn Haskel and vocalist was Kevin Shelley. The readings were from the book of Genesis by John Dilly and "The Greatest of These Is Love" by Robert Dilly. The bride and groom completed the liturgy by lighting the last of many candles.

The rehearsal dinner was held at Steak and Ale. The reception was held at Harvey Hotel with wining, dining, dancing and song. The exquisite smorgasbord, 3 tier bridal cake and chocolate groomsmen cake, marble punch fountains, bubbling champagne and other potions, great music, fragrant flowers, dim lighting and amorous ambience created an enchanted evening for all.

The bride is a graduate of Caprock High School and Amarillo College. She attends the University of Texas at Arlington at night and works days at MARC as an account advertising coordinator. The groom is a graduate of University of Texas at Arlington and is currently working on his master's degree at Southern Methodist University in Dallas. He is employed by Austin Industries where he is manager of information systems.

The couple live in Irving, Texas after a trip to Austria, Switzerland, Italy and Germany.

The bride's parents were extremely glad when the wedding was over because...it was rainy; everyone was getting lost either before, during and after the ceremony...the bride's parents got lost getting to the reception and lost ill fitting rented clothing while sipping bubbly!...The limousine drivers started watching the clock and got impatient to leave on time!...the groom forgot to pack regular street clothes and had to wear his tuxedo shirt and shoes to the jacuzzi!...Someone disappeared after the reception and ended up in the basement with the spanish-speaking cleaning women-SAS-SAFRAS!...a typical Yankee invaded the Dallas area and turned everyone's head and after the wedding, ran back to Florida to ride her horses!...the bride is always late and that's why this article is two months late getting in the newspaper!

Dear Editor,

This past Tuesday our youngest son, Dusty, was rushed to Northwest Texas Hospital after he had ingested a poisonous substance. Everything turned out o.k., and Dusty is doing just fine.

Upon our return on Wednesday we were overwhelmed at the number of people that were praying for our son. We believe in the power of prayer and are convinced the prayers offered Tuesday evening made all the difference for little Dusty. This town was full that evening, as it has been many times before, of caring people dedicating their thoughts and concerns to others. Thank you all.

Also, we wish to publicly thank Philip Vargas and the EMT team that assisted us. They were at our home immediately and handled the situation professionally and efficiently. Not having a hospital or emergency room here, we should all be grateful for the service the medical team offers tirelessly twenty-four hours a day.

Sincerely,
David and Gayla Davidson

Hedley News

Residents of the Hedley area are urged to let the telephone ring five or more times when reporting a fire, rather than hanging up if no one answers immedi-

ately, and frantically searching for another number to call. The primary number for reporting fires is 856-5224. If this number is not answered locally after five or six rings, the call is transferred to the Sheriff's Department. That department will, in turn, locate fire department members and/or summon help from other departments.

"And There Was No More Sea"

by Jon Leggett

In his stunning vision of the new heaven and the new earth recorded in the twenty-first chapter of Revelation, John remarks that "the first heaven and the first earth were passed away; and there was no more sea" (verse 1). Why would he mention the absence of the sea?

John was, of course, about to describe the new Jerusalem, the holy city, "whose builder and maker was God," where all things that distress, all things that cause anguish and pain, would be forever gone, and one of those distressing things, in John's mind, was the sea.

Virtually all ancient peoples, it seems, and the Jews in particular, were terrified of the sea. They did not possess the compass, and, as much as was possible, hugged the shoreline when travel on the sea was absolutely necessary. The Jews, at the height of their power and prestige—in Solomon's day—hired themselves a navy. They wanted as little to do with the sea as possible. In that beautiful city, John was saying, among the countless other blessings, we won't have to be afraid of the sea anymore.

"O when I get to Heaven going to sing and shout,

I'm going to lay down my heavy load.

There's nobody there to turn me out,

I'm going to lay down my heavy load."

I don't think it ever occurred to me that once I made it through the Pearly Gates, anyone might want to throw me out. But this old Deep-South spiritual was sung by slaves who had been ripped from their homeland. It was sung by slaves who, following emancipation, often found that they had no place in society. Like John the Revelator, they longed for a time when their worst fears would be laid to rest. They sang of a day of freedom acceptance, and peace.

What is modern man's worst fear? Nuclear holocaust? Worldwide famine? The wild, unstoppable spread of AIDS? A point of no return in the pollution of our world? These cause us to tremble, but ultimately, modern man's deepest fear is probably the same as that of his progenitors—the fear of death.

But in describing why we should give our utmost devotion, worship, and praise to Jesus, the writer of Hebrews says, "...He also Himself likewise took part of the same [flesh and blood]; that through death He might destroy him that had the power of death, that is, the devil; And deliver him who through fear of death were all their lifetime subject to bondage" (2:14-15).

"And God shall wipe away all tears from their eyes," John continued, "and there shall be no more death, neither sorrow, nor crying, neither shall there be any more pain: for the former things are passed away" (Revelation 21:4). What do you fear most? It will be gone in Glory.

"Agreed," one might well say, "but must I wait for the next world to get relief from my fears?"

No. Listen as the Lord speaks to His weak, fearful, cringing people—"thou worm Jacob," he refers to Israel: Fear thou not; for I am with thee: be not dismayed; for I am thy God: I will strengthen thee; yea, I will help thee; yea, I will uphold thee with the right hand of my righteousness" (Isaiah 41:10).

"Fear not, little flock; for it is your Father's good pleasure to give you the kingdom" (Luke 12:32).

Recommended Pain Relievers

Earlier this year, 1,500 pharmacists practicing throughout the United States were asked which pain relievers they routinely recommend to customers. Results of the survey were published in the July, 1989 issue of *American Druggist*. Recommendations were:

Adult Analgesics: Chain pharmacists listed *Advil* (ibuprofen) most often, while independent pharmacists recommended *Percogesic*.

Pediatric Analgesics: Independent and chain store pharmacists listed *Tylenol* (acetaminophen) most often for use in children.

Arthritis Pain: *Advil* was recommended most often by both groups of pharmacists for the relief of arthritis-related pain.

Menstrual Pain: Independent community pharmacists recommended *Mido1* most often for menstrual pain, while chain store pharmacists recommended *Advil*.

Sales of pain relievers, including the external analgesics for muscle pain, are expected to exceed \$2.7 billion in 1989. Of all the health and beauty aids sold in pharmacies, pain relievers rank near the top.

Some constructive advice for a more energy-efficient home. If you're in the market for a new home or just remodeling an existing one, find out about WTU's Energy Saving Plan.

As a WTU customer, you can qualify for \$500 cash when you build or remodel to meet Energy Saving Plan requirements.

You'll save money on your electric bill because a home meeting Energy Saving Plan requirements features extra insulation in the walls and attic, energy-efficient windows and doors, and high efficiency heating and cooling equipment — like the electric heat pump. A heat pump heats your home in the winter then cools it in the summer. And a heat pump delivers twice the energy it uses. That's savings!

ELECTIONS Con't from pg.1

The elections will be February 24th.

Sarpalius told *The Clarendon News* that he was excited about the prospects. "We are seeing exciting changes in Eastern Europe", Sarpalius said, "however it is soon to dismantle our defense systems as yet."

Lithuania is a small nation on the eastern edge of the Baltic Sea that was incorporated into the Soviet Union after World War II. Most observers—including the Russian

leaders—expect the nation to declare its independence from the Soviet Union after the elections.

In late Medieval times, Lithuania was a member of the powerful Hanseatic League, a loose federation of merchant cities that dominated maritime trade in Northern Europe. With the rise of nationalism, in the early modern period, Lithuania—like Poland—was often unwillingly incorporated into other nations, but managed to keep a separate cultural identity. Unfortunately, Sarpalius will

probably have little time for sightseeing in the ancient land.

Firebelles Hold Meeting
