The Print Shoppe will feature Margaret Smith Christmas cards

The Print Shoppe will be featuring a new item in their shop. You may purchase note cards and Christmas cards designed by local artist Margaret Smith.

Margaret is well known for her paintings of quail, turkey and other wildlife. Being born and raised on a ranch has given her a special insight and the opportunity to study wildlife in its natural habitat.

There are several sketches in pen and ink, which can be purchased by the card or by the package. They

also can be imprinted with your name if you desire.

Margaret graduated from Clarendon High School and went two years at Texas Christian University. She began studying birds early with her mother, Mrs. W.E. Cushing. She took workshops under Don Ray, Ron Howard, Alma Turmond and Earlene Hudlow. She primarily taught herself to paint by observation, reading and trial and error method.

Margaret has won awards in local and area competitions including citations from Texas Fine Arts Shows.

Margaret is married to Mike Smith and they have two sons, Bill and Lee. They live on the Cushing Ranch near Turkey.

Not since The Clarendon Press printed pen and inks by Harold Bugbee have the citizens had the opportunity to purchase cards and note cards by a well known local artist.

You are invited to come by The Print Shoppe to see Margaret's sketches and have a cup of coffee with Vonna.

Local merchants will have unadvertised special in their stores

Local merchants are preparing to help shoppers with their Christmas list by having what will be advertised as "Unadvertised in-store specials" each week from now until Christmas. This means they will not be advertised in the paper. You must go by the store to find out what they are. Each of the participating stores will have in their stores clearly marked special priced merchandise. This merchandise will be up to 50% off on some items.

These sales are designed to help the consumer as well as the merchants and help pull Donley County out of its downhill decline in retail sales. According to Bob Bullock's report this month Donley County is still in a 2.66% decline from retail sales taxes from 1984.

For the same period in 1984, Bullock returned to the three Donley County cities \$81,736.99 and so far in this period of 1985 he has returned \$79,563.09 in sales tax revenue. This money helps keep your property taxes down.

Most of the merchants will have their specials on SATURDAY - ONE DAY ONLY. But some of the stores close on Saturday or open only half a day. They will have their sales on Friday.

Each week merchants will put in their store windows on the day they will have their specials a red sign to remind you that this is the day when you can shop for these specials as well as their regular merchandise. These signs will be prepared for the stores by your Donley County-Clarendon Chamber of Commerce.

It is hoped that the public will appreciate the merchants efforts to help them save money by coming by their stores and checking to see what their specials for the week will be. While shopping with these merchants, if you can't find that special item you are looking for, ask the clerk. It's possible the store may be able to order it for you.

These merchants will be open on

Emergency farm loan applications being accepted

Applications for emergency farm loans for losses caused by drought which occurred January 1 through December 31, 1984 and freeze December 1-31, 1984, are being accepted at the Farmers Home Administration (FmHA) office located in Clarendon, Marvin Crabtree, FmHA county supervisor said today.

Donley, Armstrong, and Gray counties are three of nine in Texas recently named by Secretary of Agriculture John R. Block as eligible for loans to cover part of actual production losses resulting from the drought.

Crabtree said farmers may be eligible for loans of up to 80 percent of their actual losses, or the operating loan needed to continue in business, or \$500,000, whichever is less. For farmers unable to obtain credit from private commercial lenders, the interest rate on the first \$100,000 borrowed is 5 percent; interest rate is 8 percent on the balance borrowed over that amount. For farmers who can obtain commercial credit but who choose to borrow from FmHA, the interest rate is 13.75 percent.

As a general rule, a farmer must have suffered at least a 30 percent loss of production to be eligible for an FmHA emergency loan, Crabtree said. Farmers participating in the PIK or federal crop insurance program will have to figure in proceeds from those programs in determining their loss.

Applications for loans under this emergency designation will be accepted until June 2, 1986, but farmers should apply as soon as possible. Delays in applying could create backlogs in processing and possible carry over into the new farming season, Crabtree said.

FmHA is a credit agency of the U.S. Department of Agriculture. It is authorized to provide disaster emergency loans to recognized farmers who work at and rely on farming for a substantial part of their living.

Eligibility is extended to individual farmers who are U.S. citizens, and to farming partnerships, corporation or cooperative in which U.S. citizens hold a majority interest.

The FmHA office in Clarendon is open from 8:30 a.m. to 5:00 p.m. Monday through Friday.

Signs along rural roads to be registered

Mr. Lewis H. White, District Engineer of the Childress District of the State Department of Highways and Public Transportation, announced that the owner of each off-premise advertising sign which was erected before September 1, 1985 along a road outside an incorporated city or town in Texas is required by recent legislation to register the sign by December 30, 1985 or remove the sign. The new law is known as House Bill 1330 and refers to an off-premise sign as a sign which advertises a service or product not principally sold on the premises where the sign is located. Mr. White stated that forms are available in the Childress District Office for use in registering a sign and that a form would be sent upon request. He also said that a \$25 nonrefundable fee is required with the filing of the registration application.

Mr. White pointed out that there are only two exceptions to the State registration requirement. If the sign was allowed under the Highway Beautification provisions of the Texas Litter Abatement Act or if the sign is in the extraterritorial jurisdiction of a city or town which is controlling signs in such extraterritorial jurisdiction, the sign does not have to be registered with the State.

Quanah beats Broncos 28 - 6

Quanah riding a strong running game and a defense that bent but only broke once beat the Clarendon Broncos 28-6 Friday night.

The Broncos received the opening kick off and quickly moved into the Indians territory behind the running of Leland Howell and James Ariola. On Randy Crump's first carry up the middle, he fumbled and the Indians took over on their forty yard line. Quanah went to work and on third down the Indians hit on a pass to set them up inside the Broncos 10 yard line. On third down, the Indians scored to make the score 7-0 after the kick was good. The rest of the first quarter the teams moved the ball but were unable to score. Crump's punting highlighted the Broncos kicking game. Crump averaged 44 yards per kick on 6 punts.

The second quarter saw the Broncos continue to move the ball with Howell leading the way running the option and he also hit Robert Youngblood with a pass for a 15 yard gain. The linemen did a good job of blocking. They were Russell Alexander, Don Brogdon, Mike Murray, Robb Brewer, Steve Phillips, Paul Williams, and Mike Hook, but the Indians did the only scoring with a 25 yard run to up the score to 14-0. The Broncos drove the ball to the Indians 20 yard line just before half. They got there with a good pass to Ariola and runs from Howell and

busted up the middle to the Indians 1 yard line. Ariola scored behind the blocking of Alexander, Brogdon, and Brewer. Howell was stopped on the option, but the Broncos had cut the difference to 14-6. The Indians scored late in the third quarter to make the score 21-6.

The fourth quarter saw the Indians add one score to make the final 28-6. Crump was named offensive player of the game because of this punting, blocking, and running. Howell was named defensive player of the game as he had 8 solo tackles and 12 assisted tackles. Paul Williams had a good game at line-

backer with 4 solo and 13 assisted tackles.

The Broncos go to Shamrock Friday night to continue their district race.

Broncos to play at

Shamrock Friday

The Clarendon Broncos carry their 2-5 record to Shamrock this week to play the Irish. The Irish are winless this season. The Broncos hope to improve their 0-2 district record. The game will begin at 7:30 p.m.

You may now vote absentee

Absentee voting began Friday, October 18 and will continue until Friday, November 1 in the Constitutional Amendment election in the Donley County Clerk's office. Those qualified to vote by absentee may do so by either personal appearance in the County Clerk's office or by mail. Donley County Clerk P.C. Messer would like to remind voters when they come to his office to bring their registration certificate.

Chamber of Commerce to sponsor costume contest

The Clarendon-Donley County Chamber of Commerce will be sponsoring a costume contest for the area work forces on Halloween Day, Thursday, October 31. The judges will be coming to your store or office location searching to find the "Best" costume. Cash prizes will be given to the 1st, 2nd and 3rd place winners in the respective amounts of \$75, \$50, and \$25...so...go up in the attic and down in the basement and drag out all those old treasures. If your location has not received an entry form, please contact the Chamber office or Greene Dry Goods for an entry form. This form must be completed and turned in for the judges to be sure and see everyone in costume.

We would like to ask the area businesses and offices to support our efforts by allowing and encouraging their employees to participate in this event. We would also like to invite everyone to come out and see the people of Clarendon, Hedley and Howardwick at their best.

Halloween Costume contest to be held

Alpha Upsilon Epsilon is sponsoring their 3rd annual Halloween Carnival October 26, at the Community Center from 5:00 to 8:00 p.m.

Costume contest will be judged at 5:00 so get those goblins dressed and get to the community center. Age groups are 0-3, 4-8, 9-12. There will be 1st, 2nd and 3rd place ribbons given in each age group. There will also be trophies given to the overall best girl costume and best boy costume.

Booths may be set up at 4:00 Saturday afternoon and remember clean up after your booth. By the way they could still use a few more booths. Some of the booths are concession stands, balloons, palm reader, haunted house, cake walk, and others. Everyone come out and join the fun and help support your organization or club.

Dress up in your Halloween get up and come on out. Admission is 25c per person.

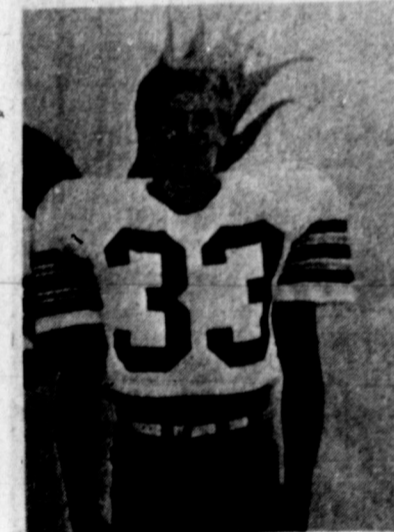

Neoma's Cafe to hold open house

Neoma's Cafe which was scheduled to have their open house last Saturday, has now rescheduled it for Saturday, October 26. They were unable to have it last week due to a busted water main, which resulted in having to put in new water and sewer lines.

Neoma would like to invite everyone to come by for free coffee and donuts.

RANDY CRUMP

LELAND HOWELL

Daniel Ford, but the treat ended as Howell was sacked and the half ended.

The Indians received the second half kick off and moved to the Bronco 45 yard line where Howell made a big hit on the ball carrier and Youngblood recovered the fumble. The Broncos set in on a march that would end with a TD. Ford gained 6 yards on a reverse and then Howell hit Clay Sharp with a 25 yard pass to set the Broncos up with a first down on the Indians 24 yard line. Ariola made two yards and then Howell made 10 to the Indians 12 yard line. Crump

No pass -no play rule hits Donley County schools

The schools will be enforcing the no pass, no play ruling adopted by the Texas Department of Education this year. A student must pass all their subjects to be eligible to participate in any extra curricular activities. Anything below a 70 grade point is failing. Students can fail just one subject and become ineligible.

In the Clarendon and Hedley school districts 47 students in the 6, 7, and 8th grades became ineligible while 37 high school students failed at least one subject. These students can not participate in any extra curricular activities for six weeks.

LEE WELCH

Lee Welch passes credentialing examination

Lee Welch recently took and successfully passed the National Credentialing Examination for Dietary Managers. Testing site was Cincinnati, Ohio. Texas is an affiliate of the Dietary Managers Association, a national organization. Mrs. Welch has served in the D.M.A. as president of District 1, State Workshop Chairman, State Educational Director, State Board Member, a member of the National Regional Committee, and is currently serving as State Secretary. Mrs. Welch is a certified dietitian manager and has been employed as manager of dietary services at Medical Center Nursing Home for the past nine years.

Medical Center Nursing Home is very fortunate to have Mrs. Welch as their manager of dietary services. The dietary department runs very smoothly, with hardly any problems at all. Mrs. Welch deals with a number of varied diets of which she is very capable of dealing with. Congratulations Lee on this fine achievement, we appreciate the fine job you are doing. Your involvement shows that you are striving to stay on top of your profession and the changes that are constantly being made. Thank you again and good luck to you in the future as we work for the betterment of those entrusted to our care and our profession as long term health care professionals.

Watt's Happening in Hedley

by Peggy Watt

On Friday, October 18th, Pie Adamson closed the door of her beauty shop for the last time, thus ending a career that spanned 41 years.

Her last two patrons were Bill Carson who got a haircut and Helen Lamberson who was treated to a shampoo and set.

Pie has sold her building and has bought a home in Canadian where she will be within a block of her daughter and son-in-law Rita and R.L. Stone. She plans to move Saturday, October 26.

Everyone will miss Pie's cheerful company and to give her a hearty send-off, there will be a party in the Lion's Den in Hedley on October 25th at 4:00 p.m. Everyone is invited to attend.

Harry Rowley and his sons, Rob and Jeff and their friend Mark spent the night Friday camping out in our pasture. They treated Keith and Guy to a 'Hobo Supper' on Friday night. Some day I might decide to take Harry up on his invitation to eat with them. I don't know exactly what he puts in his meal and am afraid to ask. On Saturday, the boys, including mine, hunted turkeys with their bows and arrows. Harry spent the time installing a stove in my fireplace. We really appreciate friends like Harry. He hunted during the afternoon and almost lost one of his arrows when a wounded bird decided to leave with his arrow. They got 3 turkeys.

Thunder was home for a while Sunday. He brought two of his friends down to hunt with their bows and arrows but didn't see a turkey. It looks to me as if it would be very difficult to hit a running turkey with an arrow. He got word last week that he had been exempt from all his first quarter classes at TSTI. I think that speaks well for the education that he received at Hedley School. He is taking 2nd quarter classes. I might sound like I'm bragging about him, and I am. I'm very proud of him. We feel very blessed to have had him in our home for the past five years.

My mother Mrs. Lola Brown was in Wellington Friday to see the doctor. She got a medium good report. She doesn't have to go back for a month if she continues to do as well as she is right now.

Weldon and Martha Vaughn of Amarillo visited her sister, L.D. and Darlene Ball, last week. Darlene's sister-in-law, Judy Burke, of Amarillo was also there.

Paula Clendennen of McLean visited her parents, Tom and Opal Sunday. Paula is employed at the nursing home in McLean.

Gary and Janette Burns and Billy Ray visited with Laqueta Cox over the weekend. Laqueta went to Stinnett Monday to spend a few days with Pick, who is working there.

Connie Lee Wilson, Cory and Brad of Amarillo visited her parents, Connie and Mahdeene Debord last week.

Royce and Thelma Hall of Clarendon visited with his brother, D.K. and Beulah Hall last Thursday. They lunched with the Senior Citizens.

Curt and Wanda Richards spent the evening Sunday with her mother, Mrs. Eva Hansard. Curt is the fire chief in Amarillo.

Drucilla McBrayer of Fort Worth visited with her parents, Mr. and Mrs. Leon Foster, and her sister, Buford and Jerry Holland recently. Her friend, Vera Paxton, came with her.

Mr. Foster went to Amarillo Friday to see the doctor. Darrell Holland accompanied him.

Clara Jo Holland spent several

days in Hall County Hospital last week where she had tests run. She was back at work in the school cafeteria Friday.

Earnest Hoggatt of Phoenix, Arizona is visiting his brother Bud and Betty Hoggatt and sister Mrs. Alles Altman of Memphis until the first of November.

Ed and Ruby Lovelady of Phoenix, Arizona have returned from visiting down state to spend some time with her parents Mr. and Mrs. Elmo Kennedy and sister Bud and Betty Hoggatt before returning home later this month.

Ronnie and Marilyn Bolin, Gina and Doug of Texhoma, Doyle and Sandra Baggett of Claude and Randy and Tammy Waggoner and Jamie of Pampa were recent visitors in the home of Otis and Margaret Holland.

Bo and Ruth Noble of Dumas have been visiting in the home of her sister, Alfred and Viola Johnson.

Clyde and Lucille Johnson of Saginaw, Texas have returned home after spending several days visiting his brothers, Alfred and Viola Johnson in town and Walter Johnson at Giles. Their brother Charlie and Eunice Johnson of White Deer came Sunday and attended church with them.

Bud and Elsie Bennett of Oklahoma City and June Tofte of Oregon have been visiting their mother Mrs. Gladys Howell. Gladys' son J.R. Howell came Sunday and June accompanied him back to Amarillo to catch her plane home.

Pauline Kaufman spent the weekend in Amarillo with her children Inman Crawford, Inman and Jarred, while Dorothea Crawford visited her daughter, Ronnie and Carolyn Blackwell, Steve and Shanda. Both Pauline and Dorothea got new permanent.

Mrs. Cassie Owens had eye surgery at High Plains Baptist Hospital last week. She's recovering nicely from the stroke she suffered in September. When I talked to her daughter Faye Naylor, she told me they hoped to have Mrs. Owens home in the very near future.

Jerry Frye of Amarillo visited his in-laws T.E. and Faye Naylor over the weekend. The Naylor's son Tex Naylor of Clarendon came over the weekend to help his father with some chores that needed doing.

Bob Roland and Ethel-Favor visited their sister and brother-in-law Oms and Rhonda Ray in Channing Thursday. Ed and Jessie Mae stayed home and worked.

Richard and Jo Hinton, Renee and Tony of Rosebud, New Mexico have been visiting her parents, James and Edith White. Richard recently had back surgery at St. Anthony's Hospital in Amarillo. They returned home Saturday. Jo and our daughter Su-San worked together at the nursing home in Claude. They visited the White's other daughter, Charlie and Glenda Morris and Chris in Clarendon while they were here.

Fred went to the sale at Wellington Thursday. He said he saw Blackie Johnson and Marty Martin there.

We had a nice size crowd at the Methodist Church Sunday. It was Laity Sunday and Lay Leader Bill Carson brought the message: Rev. James Carter seemed to enjoy sitting with his wife Juanita in the congregation.

Our daughter Su-San has been burning the candle at both ends, I think. She's been taking the Med-Aids course at Amarillo College three nights a week and working her full shift at the nursing home in Memphis, then each day she spends four hours giving the medications. I hope she's about finished with the

extra work.

Our daughter-in-law Linda came up and went with Su-San when she took Mother to the doctor last week. I don't know about any other mother-in-law, but I'm as proud of my daughter-in-law as I can be. If I had picked her out personally for Leon, I don't think I could have found one that suited him or us better.

Murrell and Dorothy Whitaker left last week for Houston where Murrell will see his doctors for a check up. Everyone hopes he'll get a good report.

The Hedley United Methodist Church will host a series of evangelistic meetings on November 3, 4 and 5. The guest evangelist will be Rev. K.C. Blacketter, pastor of the Higgins United Methodist Church. Guest singer will be Mrs. Debbie Roberts, music director at the Clarendon United Methodist Church. There will be services at 7:00 p.m. on Monday, November 4th and Tuesday, November 5th. Everyone is invited to attend these services.

There will be coffee and donuts before the morning services. On Monday night after the service, we invite everyone to stay and enjoy sandwiches and coffee and fellowship. On Tuesday night, there will be a covered dish dinner, to which everyone is invited.

The classes at school have about returned to normal after the Cotton Festival and the six weeks tests. The students received their first six weeks report cards on Wednesday. I understand several students will be

ineligible to take part in any extra-curricular activities during the next six weeks.

The Hedley CISD Board of Trustees met in regular session on October 21, 1985. The following business was conducted.

Shauna Monroe received the oath of office as a member to replace Mack Shields. She will serve the remainder of the term until the next election.

Two persons were nominated as Appraisal District Board of Director members. Donald Langley was nominated for Collingsworth County and Earl Wheatly was nominated for Donley County.

A cooperative Title II project was approved to be handled by the service center.

Clara Holland was hired as a cook. The budget was amended adding \$400.00 to the area of guidance and counseling. This includes federal money from the vocational application.

A drivers education policy was adopted making drivers education available as a high school subject only.

The petty cash report was reviewed. Mr. Hill gave the principal's report. Mr. Holland gave the superintendent's report.

Current bills were approved to be paid.

HEDLEY SCHOOL MENU

October 28-November 1

Monday-Ravioli, cheese strips, mixed vegetables, crackers, peach cobbler, milk.

Tuesday-Barbeque weiners, baked beans, fried okra, hot rolls, pineapple, milk.

Wednesday-Beef stew, cheese strips, cornbread, crackers, Jello, milk.

Thursday-Hamburger casserole, green beans, cole slaw, chips, mixed fruit, milk.

Friday-Burritos and cheese, buttered corn, tossed salad, applesauce, cake, milk.

The Hedley Senior Citizens meet each Monday and Friday nights for fun and games in the Senior Citizens Center. Each Thursday afternoon they meet for 42 in the Center annex.

On Thursday afternoon they are enjoying knitting lessons taught by Mrs. Leona Taylor. Mrs. Taylor told me that anybody can learn how to knit if they want to. I have some serious doubts about that. I can crochet, but don't think I could ever learn to knit fast enough to make a neck scarf in the next ten years.

Each Tuesday evening the Senior Citizens are enjoying a musical. They invite everybody who plays a musical instrument to come and join them. They also invite everyone who can't play a musical instrument to come and enjoy those who can play make music. I understand Murrell and Dorothy Whitaker danced last week. They exercise each Monday (or Tuesday) and Friday.

Everyone should remember that daylight savings time ends about 2:00 a.m. on October 27th and make sure they set their clock back an hour. When daylight savings time first began, a lot of people couldn't remember whether they were supposed to set their clock up or back. I found out a good way to make myself remember. You spring forward in April and fall back in October.

Hansard Reunion

Saturday, October 12 Eva Hansard was surprised when all seven of her grandchildren began to arrive along with grandchildren and great grandchildren.

Don Wayne and two of his boys were here from Derby, Kansas. His daughter Melanie Shelton couldn't make it Sunday and got to visit with her dad before he left. Venona Bennet, Wanda and Curt, Pat and Bob all from Amarillo, Barbara and Wendell from Houston and Ghenda and Cecil Cook from Portales New Mexico were here. There were lots of grandchildren coming from as far away as Arizona and Iowa. We also had several great grandchildren. They all brought prepared food so all Mrs. Hansard had to do was set back and enjoy them. After lunch they all went to the parade and enjoyed visiting old friends.

NOTICE

Halloween will be observed Friday, November 1 in Hedley. If you plan to participate, leave your porch light on.

IT'S JUST LIKE A DIAMOND.

You know it's an imitation. But what about the many people today who have decided they are just like a banker? From stockbrokers to retailers, from credit unions to insurance men, to savings and loans, they all seem to be saying, "You don't need a banker, we'll do just as well." Oh, no they

won't. Because no one else has the banker's hundreds of years of banking experience behind them. Nor do they enjoy the kind of trust that bankers do from the majority of Americans.

So why settle for an imitation when you can have a real banker at our Full Service Bank.

THE ONLY PLACE YOU'LL FIND A BANKER IS THE BANK.

One of the major areas of conflict in both youth and adults is that of having wrong attitudes about ourselves. These attitudes affect every other relationship in our life. A poor self image can be disastrous to a person even though he or she may be a Christian.

The best way to overcome this attitude is to realize that before we were born, God prescribed our unchangeable features in accordance with His plans for our lives and that there is a special place for me.

A Place For Me

There is a special place in life,
That needs my humble skill,
A certain job I'm meant to do,
Nobody else can fill.
The hours are demanding,
And the pay is not too good,
And yet I wouldn't change it
For a moment, if I could.

There is a special place in life,
A goal I must attain,
A dream that I must follow,
For I won't be back again.
There is a mark that I must leave,
However small it be,
A legacy of love for those
Who follow after me.

There is a special place in life
That only I may share,
A little path that bears my name,
Awaiting me somewhere.
There is a hand that I must hold,
A word that I must say,
A smile that I must give, for there
Are tears to blot away.

There is a special place in life
That I was meant to fill,
A sunny spot where flowers grow
Upon a windy hill.
There's always a tomorrow,
And the best is yet to be,
And somewhere in this world I know
There is a place for me!

The Lion's Tale

By GENE ALDERSON

The Clarendon Lions Club held its regular meeting at noon on Tuesday at the Lions Hall. Twenty-seven members, Lion Sweetheart Jessie Adams, assistant-secretary Lisa Winsor and two guests were present. Following the regular opening ceremony Lion Simmons made several announcements. Our annual banquet will be on November 12th at 7:00 p.m. We will not have our noon meeting on that day. Program chairman Smith introduced the Clarendon College coaches who brought our program. Coach Mon-dragon spoke briefly and then introduced the new girls basketball coach,

Dexter Irvin. Coach Irvin is originally from Farmington, N.M. He attended Brigham Young University. His wife and four children accompanied him to Clarendon. Plans to print a college basketball program this year were announced by the coach. Meeting adjourned.

Cancer Board has first meeting

At a recent meeting at the Hospitality Room at the First Bank & Trust the Donley Unit of the American Cancer Society held their first fall meeting.

Genevieve Caldwell, president, introduced a new member, Merle Whittaker to the board members present.

Routine business was disposed of and reports were made on the spring

Cancer Crusade and services to Donley County residents who are availing themselves of these services.

Onita Thomas reported she has again been offered by the Donley Unit with Freddie Jo Moreman, chairman, and Wanda Cornell taking care of the orders. You may contact either of these ladies for your purchases. A percent of the proceeds from the sales goes to the American Cancer Society and assists in the fight against cancer.

Christmas cards for this year are again being offered by the Donley Unit with Freddie Jo Moreman, chairman, and Wanda Cornell taking care of the orders. You may contact either of these ladies for your purchases. A percent of the proceeds from the sales goes to the American Cancer Society and assists in the fight against cancer.

Melody Miller, the representative from Amarillo, presented the

program for the evening with a film on colo-rectal cancer. It was most informative.

Present at the meeting were board members Imogene Brumley, Susie Shields, Carol Duncan, Onita Thomas and Leona Hanson. Also present were Naomi Phelan, Darlene Spier, Merle Whittaker, Genevieve Caldwell, Melody Miller and Ethelyn Grady.

4-H Horse Project begins new year

The 4-H Horse Project had the first meeting of the new year on October 11, 1985. New officers were elected and a partial schedule for the 85-86 year was set up. The new officers are president-Lisa Burch; vice president-Monte Hollar; secretary-Chris O'Neal; treasurer-Leslie Fuston; reporter-Shane Hall.

Anyone interested in coming to the Donley County 4-H Horse Project contact the County Extension Office, Margaret Smith or Trista Moore. The Horse Project meets on the 2nd Monday of every month.

Food & Nutrition group met

The Junior II Food and Nutrition group met for a meeting at the Methodist Church. We made apple compote. We learned about fruits and vegetables. Matt Drager gave a talk on buying vegetables. We also discussed about coming events.

Sheri Hall, Reporter

The state which grows the most apples per year is Washington with an annual production of about 25 million bushels.

Many business people and professionals have no idea that they -- and all they've worked for -- are exposed to costly private lawsuits.

In fact, the very hallmarks of success -- from yachts to handsome homes -- make business people tempting targets.

Civil lawsuits have increased from an estimated 10 million in 1967 to projected 14 million for 1982. By 1979, the average award in a fatal accident case was over \$350,000.

Yet the standard homeowners insurance policy typically provides liability coverage of only \$100,000. So a major lawsuit might endanger savings, a home, even future earnings.

Knopp Insurance believes that people with important assets should consider personal liability umbrella policies. These policies will not protect against liabilities incurred in business -- but they will close some of the gaps that other types of coverage leave open.

Knopp Insurance umbrella policy offers as much as \$10 million in protection -- and a million dollars in coverage costs as little as \$100.

Senior citizens news

Thanks to Della Allen, Flavol Hodge and the Tipton family for the beautiful flowers we enjoyed last week.

Thanks to our wonderful volunteers for the month of September 1985. They are Alts Adkins, Barney Baten, Thelma Behrens, Ann Bunyan, Norma Corgill, Mabel Elmore, Terri Floyd, Amy Lawson, Pat McCombs, Clea Shults, Marie Sides, Romona Slover, Tennie Smith, Eda Wallin, Fannie Wilson, Anne Wooten, Don Wooten and Carmen Wright. We truly appreciate each of you.

Donations received in September were from Della Allen and the Deaton Family, the E.A. Tipton family, Margaret Hillman, Mr. and Mrs. Royce Hall in memory of Homer

Estlack. First United Methodist Church of Corpus Christi, Texas in memory of Pearl Self, Barney and Jean Baten in memory of Ralph Singleberry.

Anna Gay held the blood pressure clinic on Tuesday, October 15th. Sixty-four came by to get checked.

Had a super big crowd on October 15th for the third Tuesday dance at the community building. Folks are coming in from all around the Panhandle area. We appreciate their participation and enjoy visiting with all of them.

Twenty-one enjoyed games on Thursday night, October 17th. Twenty were present to enjoy the musical jam session Friday, October 18th. Musicians were Hugh Neuhaus, Jerry and Dana Chambliss, Truett Behrens, Jack Davidson, Clyde Hoggard, Wally Sides and me. Several of the group joined in the singing and Michelle Chambliss sang "Rocky Top" for us.

Don't forget Tuesday, October 29th is birthday/anniversary salad supper night. Bring your salad and join us at 6 p.m. for an evening of fun and fellowship.

LOCAL COMPETITORS in the Rio Grande Kennel Club All Breed Dog Show and Obedience Trial held at the University of Albuquerque Park, Albuquerque, New Mexico. Michael Moore with Doberman Pinscher Baron Von Schumann (Companion Dog) and Bob Andls next to Champion Australian Cattle Dog Hip-O Gerolimo CD. Michael and Max won their first green qualifying ribbon for Open A under American Kennel Club Judge Rex E. Wolf. They were also awarded a beautiful handcrafted Hanselmann pottery trophy for highest scoring dog handled by a junior in regular classes. Bob Andls' Australian Cattle Dog puppy Hip-O Ledoux Azucar went Best of Breed under Judge Lee A. Reasin and on to Group Judge William A. Harvey who commented he was a very good ten-month old puppy. He competed against thirteen other breeds at that afternoon competition.

1926 Book Club met

The 1926 Book Club met at 4:00 p.m. at the Patching Club House on October 1, 1985. Hostesses, Rachel Butler and Pauline Heath, served delicious pie with topping, hot tea and coffee and nuts.

President Frieda Tucker presided. The meeting was opened by reading the club "Collect."

The minutes of the previous meeting were read and approved.

Pauline Morris gave a report on our bills, income and disbursements. She reported that Helen Phelps had made a \$25.00 donation to our club to be used as we see fit.

The nomination committee is working on getting a slate of officers for 1986-1987. If asked to hold an office, please consider it.

The program was presented by Betty Veach. She presented a parade of songs from different times and a brief history of that song. The songs were recorded on a cassette from a piano played by Betty Veach and Jennifer Scoggin. Everyone seemed to enjoy the presentation.

Having no further business, the meeting was adjourned.

Present were Mrs. C.E. Bairfield, Mrs. Homer Bones, Mrs. Richard Delaney, Mrs. Clarence Hamilton, Mrs. Hershel Heath, Mrs. J.F. Howell, Mrs. Harvey Jones, Mrs. E.H. Monroe, Mrs. Carl Morris, Mrs. Walter Nelson, Miss Betty Veach, Mrs. Murrell Whitaker, Ms. Thelma Shields, Mrs. Nel Vitarelle.

If your children shun cooked vegetables, remember offering them raw may be more appealing and is just as healthy. Most any youngster enjoys crunchy raw carrot and celery sticks and refreshing cold tomato juice.

PUBLIC NOTICE TO THE PEOPLE OF DONLEY COUNTY

There has been some confusion about dumping trash, for the rural area of Donley County. The way the trash dumping system is set up to work is as follows: The people within Clarendon City Limits who have trash that will not go in their dumpster, take their trash to ROLL-OFF CONTAINER across the railroad tracks, north of Gibbons and dump their trash in there. Howardwick, Greenbelt and Hedley have their own dumping facilities. The people of the rural, out of city limits, take their trash to the ROLL-OFF CONTAINER on the southwest corner of the old dump grounds. The rural ROLL-OFF CONTAINER operates by a compactor system. Trash is dumped into the hopper only, and is compacted into the large ROLL-OFF CONTAINER. Any article larger than hopper must be reduced in size before compacting. This is the responsibility of the person dumping into the hopper. PLEASE help us keep our dumping area clean.

McCully in Dog

World Magazine

Dog World Magazine is the world's largest all breed dog magazine with a column by showman Paul Nigro, JUNIOR SHOWMAN SHIP, which Judy McCully always reads first. Recently she wrote "My name is Judy McCully and I am the leader of the Donley County 4-H K-9 Kory as well as a breeder of Doberman Pinschers and German Shepherds. We have about 20 kids in our 4-H program at this time and it is growing all the time. About half of our kids have a mixed-breed dog and several are interested in obtaining an AEC dog for showing. We would like some information on the puppy placement program; how it works for the child, cost, breeding rights, shipping fees, etc. I would also like information on this for I might have some Dobs to place in the near future. Also explain how the co-ownership program works. What rights do the children have and also the breeders?"

Last year we only had eight kids in our program and they brought home 13 top awards from the Texas State 4-H Dog Show. This year we plan to do even better. Our kids work in obedience, conformation and Junior Showmanship ranging from novice to open in obedience and novice junior to open senior in showmanship. We are proud of our kids and would like to see more of

them be able to show in the AEC with new dogs. Any help you could give us would be greatly appreciated. Right now we have this information in Shirlene Shoupings and Golden Retrievers in particular. Also please write a Toy Poodle."

Judy did receive an interesting reply from Mr. Nigro and the Donley County K-9 Kory will certainly profit from this 4-H leader's inquiry.

Parenthood Coordinator

Teresa Watson is the new Planned Parenthood coordinator of Donley County. The office is located at 2011 Carhart and open Monday through Friday from 1 to 5 in the afternoon.

This service is for any woman, man and family that wants or needs their services. Every person or needs by Planned Parenthood can be assured of a complete physical exam, confidential counseling by a qualified person, a choice of birth control methods, post partum care (care after childbirth), pregnancy, test and continuing follow-ups by a staff of well trained personnel.

Anyone interested in more information please call 874-2606 or stop by at office hours. All information will be kept confidential. Starting October 30 there will be a nurse practitioner to hold a clinic on every other Wednesday afternoon. We are pleased to be able to offer these services and deeply appreciate the cooperation of all concerned in this community.

7th and 8th grades to have Halloween party

There will be a lock-in at the Recreational Center for all 7th and 8th graders after the 7th grade football game on October 31. Hot dogs, chips, and Cokes will be furnished and a movie will be shown. Part of the cost of the party will be taken care of from the youth fund of the Church of Christ. Any 7th or 8th grade parents who would like to help financially, contact Kay Mabry (2659) or Pam Denney (2389). Several mothers have already offered to chaperone the party, but if you would like to help in that way, please let us know.

The Clarendon Young Homemakers will meet Monday, October 28 at 7:30 p.m. at the Kidd's trailer house.

Letter To Editor

We recently moved to Clarendon from Amarillo. After having lived there many years, we decided that we would prefer small town life better. We have not been sorry. The people in Clarendon have been so kind and are the friendliest people we have ever met. We would recommend Clarendon to anyone seeking a friendly place to live. Thank you Clarendon for your warm reception. We love you.

Enclosed is an article that in some way expresses our feelings.

Thank you,
Shirley and Dorothy Pitts
EVERYWHERE, USA

You know you're in a small town when -

You don't use your turn signal because everyone knows where you are going.

You dial a wrong number and talk for 15 minutes anyway.

You call every dog on the street by name and he wags his tail at you.

You get married and the local newspaper devotes a quarter page to the story.

You write a check on the wrong bank and they cover for you.

You miss Sunday at church and get six get-well cards.

The day of your father's funeral the neighbors bring in enough food to feed an army.

You hear about your daughter-in-law's pregnancy before she does. (The gal who did the lab work is your next-door-neighbor.)

The day your kitchen caught on fire you received 22 invitations to supper.

You drive into a ditch five miles out in the country and word gets back to your family before you do.

Thank the good Lord for small towns and the people in them. They are the last bastion of human concern and caring.

Copied

Dear Readers:
I would like to correspond with persons that have information of Hardie (or Hardy) and Blake families that lived in Clarendon. Mrs. Mary "Mollie" Black married a Mr. Hardie not sure of date. Mary was born 1855 and died in 1951 and buried "Citizens Cemetery" Clarendon. Mr. Hardie died five years after. I believe Mary was 1st married to Wm. Blake in Parker Co., had 3 daughters and maybe a son Willie, daughters Lillie born 1879, Parker Co., married Scranton Harrington; Daisy Blake married a dentist, Dr. Mace Chapman. She died July 1961, he five years before 1962. Myrtle Blake married a Flenmikes, had 4 sons John, Richard and ?? Are all

names listed buried in Clarendon Citizens Cemetery? Did Blake girls marry in Clarendon and live there? Lillie Harrington died many many years ago. I believe either Mr. Hardy or Wm. Blake had a man boarding house there.

Mrs. Mary (Mollie) Blake Hardy was my father's, Frank Draper, half sister. Mary and Wm. Blake's son Willie left home when young on cattle drive to the Dakotas. Your help appreciated and I will return to you your cost of postage to me.

Thank you

The Nose Knows.

An aromatic chemical is added to natural gas to give it a distinct odor. One that's easy to detect. It's this distinct odor and knowing what to do when you detect it that keeps gas safe.

If you're outdoors and smell gas, you should call your local Lone Star Gas office.

If you're indoors and detect faint whiffs, check to see if a pilot light has gone out or a burner valve has been left partially open. These are corrective steps you can take yourself.

If your equipment is working properly and you still smell gas, please follow these precautions:

1. Don't switch anything electrical on or off. Don't strike a match or do anything that could cause a spark.
2. Have everyone leave immediately, leaving door open to help ventilate.
3. Go to a nearby phone and call Lone Star.

Help us keep natural gas one of the safest energies available. Use your nose. Then use your head... and follow the proper precautions.

(Just a reminder: Before you do any digging, call your local Lone Star Gas office so they can inform you on pipe locations.)

DPS on Halloween safety

Major V.J. Cawthon, Commander of the Texas Department of Public Safety Region 5 said, "Halloween can be fun if celebrated legally and safely. Small children should be accompanied by an adult when trick-or-treating."

The motorists should be extra careful. Children will be excited while trick-or-treating and not paying attention to traffic. The life you save, may be your own child.

A pedestrian's chance of getting killed or injured is increased 800% at night. The adult must think of the children's safety. Halloween should be a safe and enjoyable time for everyone.

Major Cawthon said, "Parents should carry a flashlight to serve as a warning to the motorists. As an added traffic safety measure on poorly lit streets, children should be instructed to use sidewalks and not jay walk."

The DPS cautions against permitting youngsters to carry jack-

UIL contest

Members of Clarendon Bronco Band went to Region I Marching Contest Saturday, October 12 in Borger for the marching and twirling contest. Bronco Band twirler Twanna Gariand received a Division I rating which qualifies her for state solo contest to be held in Austin in the spring. Only 16 individuals were awarded Division I ratings.

The Bronco Band received a Division III rating on their marching. This group is to be commended for their improvement and progress.

Guinn named director of local spelling bee

Floyd Guinn, principal of Clarendon Junior High School, of Clarendon has been named by the Amarillo Globe-News and West Texas State University, Canyon, to direct the Donley County Spelling Bee.

The Amarillo newspaper and WTSU are sponsoring the National Spelling Bee for the 38th year for students in all public and parochial schools.

Rules state that no student who will be older than 16 by the end of the current school term or in a grade higher than the 8th may participate, beginning at the school level.

Directors choose dates for their respective county eliminations and are requested to report the best spellers in the county to the Amarillo Globe-News by March 29. Winners from 46 counties will meet on the WTSU campus on April 26 and named the 1986 district champion. This student will represent the area in the National Spelling Bee, sponsored by the Scripps Howard Newspapers, in Washington, D.C., during the last week of May.

All expenses for the 1986 area champ and one parent will be provided by the Amarillo Globe-News.

Gene Parker, director of placement, WTSU, serves as bee coordinator.

"We've worked with this program for 10 years and believe it serves to further our efforts in education. The young people who come to our campus as county finalists are outstanding and we encourage all schools in our four-state area to participate," Parker said. "The benefits are great."

The booklet, "Words of the Champions", containing more than 3,000 total words -- an increase of 500 new words from 1985 -- is used in most schools and county bees. The booklet, priced at 50-cents each, is available from Jeane Bartlett, Spelling Bee Editor, Amarillo Globe-News, Box 2091, Amarillo, Texas 79166.

officials are encouraged to contact either Parker or Mrs. Bartlett for additional information.

A Junior Bee for young students, grades six and under, will also be conducted in each county at the discretion of the directors. All county junior winners will be special guests of the sponsors on April 26 in Canyon. Each will be given a trophy.

TAHA commends efforts to fight elder abuse

Sandy Derrow, President of the Texas Association of Homes for the Aging (TAHA), commended the producers of "Amos," a made for television movie about elder abuse, for exposing this tragic situation.

Derrow cautioned, however, that this movie "may lead the public to believe that the tragic situation portrayed by actor Kirk Douglas is typical of nursing homes and other long term care facilities in this state."

"TAHA firmly believes that elder abuse must be exposed and stopped," Derrow said. "But, no elderly person or family member should be reluctant to seek necessary care for themselves or a loved one out of fear. Nor should the thousands of selfless volunteers and dedicated workers in quality care facilities be led to think their efforts are not recognized and appreciated."

"TAHA members are committed to provided quality care and quality of life for the 12,000 elderly Texans who reside in our homes," Derrow stated. "However, we are constantly frustrated by the negative publicity that the few bad homes attract. We feel that the time has come in Texas to focus on the real problems that impact the quality of care and the access to care - particularly for the poor."

TAHA represents 90 not-for-profit nursing homes and retirement com-

munities in Texas. Most are sponsored by religious, government, or community organizations.

Derrow went on to point out the minimum licensing standards for nursing homes in Texas do not even require a licensed nurse on the night shift. In these homes, the highest ranking nursing staff at night may be a nurses aide.

Texas also has no standard for a staffing ratio of nursing personnel to residents. "One nurses aide could be responsible for bathing, feeding, dressing, toileting, and providing other nursing care to as many as fifteen frail and sick older people. Fundamental changes in the overall quality of nursing home care in Texas cannot occur until policy makers are willing to upgrade the standards, and provide adequate funding to meet these standards," Derrow said.

Over 75% of the residents of Texas nursing homes are assisted by Medicaid, a state/federal program for the poor. The current flat rate reimbursement under Medicaid in Texas is one of the lowest in the nation. The flat rate system ignores the tremendous variations of needs among residents, and has been providing reimbursement far below the actual cost of care as experienced by non-profit homes. "Because our first commitment is to quality, TAHA members' cost for providing care are 50% higher than the reim-

bursement we receive," Derrow said.

"Abuse and neglect of the elderly is a serious problem, and TAHA has been in the forefront of fighting this problem," Derrow said. "We only hope that the viewers of a program like 'Amos' will remember that the

situation portrayed is not typical of nursing home care -- particularly among non-profit homes; and that fundamental improvements will only come about through upgrading the required state standards for licensure and realistic funding for providing quality care."

Clarendon PTA meets

The monthly meeting of the Clarendon PTA was held in the high school cafeteria Tuesday, October 1st at 7 p.m. There were 30 members present at the meeting.

The yearbook for PTA was presented to those present. This is a complete book giving officers, committee chairpersons, schedule for meetings and activities of the PTA for this school year and the complete by-laws of the PTA. The yearbook was prepared by Diane Chamberlain and her committee, and they did a great job. Congratulations on the good looking yearbook.

It was discussed that the PTA stew supper will be held November 26 - the night of the first basketball game in Clarendon - we play Panhandle. A list was circulated for members to sign up to bring stew meat or desserts. Let us know which you wish to bring!

A leadership course may be offered if there are enough to sign up for it. Let your wishes be known.

Help is needed in the cafeteria the last week of the semester and at the end of the school year. A minimum of 5 PTA members are needed during those two weeks to help out and replace the teacher aides so they can spend that time working with the teachers. If you can work, set aside that time at the end of the school semester to be at the cafeteria. The time would be from 10:30 to 12:30.

Tumbleweed Talent show was a huge success

#Performers from ages five through adult from 100 mile radius performed at the 1985 Tumbleweed Talent Scholarship Show this year at the Clarendon College Fine Arts Theatre.

The full house of over 500 people enjoyed the entire program, all the way from the patriotic opening "Parade of Flags" to the final announcement of winners.

Those participating from Clarendon and Hedley were the Clarendon Flag Corp, the Methodist Cherub and Youth Choirs, Tanya Holland, Tanya Bell, Toni Michels, the H.H. Neuhaus Band, Ann Harper and Dan Hall.

In the 11-16 year old competition, Tanya Bell won first place for her dance, "New Attitude" and the Cherub and Youth Choir won third place for its song, "Beautiful."

In the 17 year old - adult competition, Dan Hall won first place by singing "How Great Thou Art" and Ann Harper won third place for singing "His Name is Jesus."

About \$1,300 was raised in this year's annual event, with all proceeds going toward the Cystic Fibrosis Foundation and toward student scholarships for deserving students attending Clarendon College from this area.

A special thanks goes to the 60 local businesses who supported us in such a fantastic way this year by donating directly to the Tumbleweed Talent Scholarship Fund, by offering gift certificates and merchandise as door prizes, and by advertising Tumbleweed Talents.

Working With PLANTS

Q. What is the best way to root pieces of some of my favorite houseplants?

A. From a vigorous, healthy houseplant you want to duplicate, with a sharp knife cut 4 to 6 inches from the tip of stems or shoots from the base of the plant. Dip the cut end in ROOTONE® brand rooting hormone to stimulate roots to form faster. Then make a small hole in the rooting medium (sand, peatmoss, vermiculite, soil or a combination). Insert the cutting and firm the medium around it. Keep the medium moist but not wet, and away from direct sun while the roots form, producing new plants which will be just like their parents. Details for the procedure are on the ROOTONE® brand packaging, which is available in garden stores.

Capitol Comments

By REP. FOSTER WHALEY
As the State Representative from the 84th Legislative District, I had the opportunity this session to vote for a government program that works, the Texas Veterans Housing Assistance Program.

Not only does this program work for Texas Veterans, but it works without costing taxpayers a single penny.

Eligible Veterans can receive up to \$20,000 at a 9.97 percent rate to apply toward the purchase of a home. This \$20,000 can be combined with a private sector, conventional mortgage or a loan from the public sector such as a VA loan.

Since the program began a little over a year ago, the Veterans Land Board has certified more than 22,000 applications for loans to Texas veterans.

The Veterans Housing Assistance Program stimulates the homebuilding industry as well as creating jobs in Texas. For every dollar loaned by the Veterans Land Board, seven dollars is generated in the local economy. The Veterans Land Board has loaned 23,000 Veterans \$20,000 each, generating over \$3.2 billion in the Texas economy thus far. In this manner, the Texas Veterans Housing Assistance Program not only benefits Texas Veterans, but it benefits all Texans.

I voted for Proposition 8 because it is one government program that works. On November 5, I hope you'll join me in voting for Proposition 8. Remember, we don't need to do our Veterans a favor, just repay one.

Chambliss receives service award

Twenty-five employees of West Texas Utilities Co. were honored Thursday night at the annual Service and Safety Awards Banquet in the Quanah Community Center.

Attending the banquet were active and retired employees of WTU's Panhandle District, which has headquarters in Childress, and from the Lake Pauline and Oklaunion Power Stations.

Awards were presented by Don Welch, vice president and director of customer services, and Randal Meador, vice president and director of engineering. Both are from Abilene. Howard Cook, manager of WTU's Quanah office, was master of ceremonies.

Jerry Chambliss, local WTU manager, received a 15-year service award.

Alpha Upsilon Epsilon members attend convention

Ten members of Alpha Upsilon Epsilon attended Beta Sigma Phi's fall convention in Dumas Saturday, October 19.

We left Clarendon about 9:00 a.m. Saturday and stopped in Amarillo for a late breakfast. Then it was on to Dumas for the convention. We arrived at the The Dumas Inn Motel about 1:00 p.m.

The group then went to WalMart to get a few miscellaneous items for our costumes. This year's convention theme was the Panhandle Pow Wow, and went as Custer and the Cavalry.

Alpha Upsilon Epsilon met Monday, October 14, 1985 at 7:30 p.m. at the Patching Memorial Club House.

The meeting began with the introduction of three guests Jana White, Jackie Leeper, and Terri Howell. We were all pleased to have these fine young women come and learn what Beta Sigma Phi is.

President Judy Bland called the meeting to order and introduced the guest speaker Mark Winsor. The topic for the evening was "Community Awareness."

There was more discussion about the convention and those who were planning to attend paid their fees.

After all the business was discussed members of Alpha Upsilon Epsilon honored Sandra Ead 'so a member, with a baby shower. Cake and punch were served by hostesses Trish Floyd and Sandra Shields.

Those attending were Fuzz Mooring, Sandy Sliger, Connie McKinney, Judy Bland, Sandra Shields, Leslie Schnauffer, Kitty Proctor, Terri Floyd, Melody Price, Sandra Eads, Terry Floyd, Becky McAnear, Trish Floyd, and Stacy Mooring. Special guests were Jana White, Jackie Leeper and Terri Howell.

SPOTLIGHT On Teen's

GOING STEADY Part 1

Did you hear the definition of drizzle? It's two drips "going steady." Now don't get the wrong idea. We do not believe that everyone who engages in the popular teenage pastime is a "drip." And please consider what we have to say before consigning us to "Prudes' Purgatory."

While many pollsters say that their studies indicate that going steady is less popular among teenagers than it has been, there is still a great deal of interest in it. No doubt there will always be some interest as long as boys are boys and girls are girls and as long as they become enamored with one another.

Remember the story of Isaac and Rebekah? Read it in Genesis 24. It is a beautiful love story but far different from the kind you might read or hear today. Isaac did not meet Rebekah at the sockhop or the corner drug store. He did not take her in his hot-rod to the local drive-in theater and then to a lonely lover's lane afterward. They did not go through the pains and pangs of young love that modern romancers do. In those days parents made the arrangements for the wedding of their offspring. A young man's wife was chosen for him by his parents (in this case his father's servant, who was led by God). I understand this is still customary in some Eastern countries.

That's not all. Customs in America have changed a great deal since Grandma was a girl. There was a time when young men gave little or no thought to seeking a feminine companion until they were settled in their life's occupation and able to support a wife unassisted. Courtships were conducted in a very chaste atmosphere with careful chaperonage. A little more freedom was granted to engaged couples but even they were careful to be discreet about their conduct in private as well as in public.

It is only comparatively recently that young people have begun to select special partners among the opposite sex while still in their "school years." The "going steady fad" seems to have been an outgrowth of the rather loose moral period during and after the Second World War. Of course a war period

does strange things to the minds of people. They do not think clearly. Their ideas and ideals are altered by the various threats and pressures which a war creates. Some people become hoarders. Some people profited through black market. Race hatreds developed and flourished through books and motion pictures of the era.

Many young men, knowing they would be entering the service of the country, felt that they must grab all of life that they could get. Due to the uncertainty of the future they were not prepared to marry and establish a home. Because they were newly graduated from high school and of draft age they found employers were not interested in hiring them. Without income and facing the prospect of service in the armed forces and possible death in war and driven by the urge to possess all that life has to offer by way of companionship and love, they sought for a manner in which to have it without the burdens and responsibilities of marriage. Going steady was the result. Here was one way a young fellow could have one young woman to call his own, without bearing full responsibility for her.

A set of rules began to develop. As time has gone by, the rules have become pretty generally defined among young people. In different areas of the country there may be some small variations but to a large extent the rules are the same anywhere in America. When a fellow asks a girl to be his "steady girl," she knows and he knows without any discussion between them that there are certain things each must do or must not do if the agreement is made.

Usrey Cousins hold reunion

By BONNIE RICHARDSON USREY

The "Usrey Cousins Reunion" was held in Amarillo, Texas Saturday, October 12, 1985. The grandparents who produced the children who were the "Cousins" that made up this reunion. The parents were Jesse Allen Usrey, born February 26, 1859, died November 8, 1924 and Susan Jane [Randolph] Usrey, born September 6, 1859, died September 27, 1944. They married January 21, 1883.

To Jesse and Susan were born two girls and five boys. Their names are as follows: Allen McLanahan, born December 8, 1884, died March 1954; Wilmerth Virginia, born October 27, 1886, died April 17, 1914; Henry Burt, born July 12, 1888, died June 7, 1984; Olen Londamen, born July 27, 1892, died August 8, 1977; Edwin [Eddy], born May 7, 1894, died May 25, 1926; Raymond Lee, born March 7, 1896, died July 2, 1971; Pearly Rue, born June 19, 1899, died September 15, 1903.

All the children of Jesse and Susan were born in Alabama except Pearly the last child. Jesse and Susan moved to East Texas not many miles from Mineola, Texas in 1896. Jesse bought this wooded land, cleared it and he and his boys farmed it until they decided to move to West Texas. Pearly, the youngest, was born in East Texas in 1899. She died at the age of 4 years, 3 months. About two years after Pearly's death [approximately 1905 to 1914] four of the five sons married East Texas girls. Wilmerth the only sister now, also married. The fifth son Lee remained single, helped his parents move to Hall County in 1918, then shortly afterwards to Hedley then Clarendon Route. Lee was inducted into the Army May 26, 1918 while living in Memphis. He came back to Clarendon June 12, 1919 after the Armistice was signed in France November 11, 1918. He remained single until January 1929 when he married.

Jesse Allen died November 8, 1924. Susan lived nearly 20 years after Jesse died. Both were buried in Citizens Cemetery at Clarendon.

This "Cousins Reunion" of October 12th was their first. All these cousins were born between the years 1906 and 1942. Even the youngest is over 43 and the three oldest over 75. There was a total of 35 cousins born to the six J.A. Usrey children. Only

five have died. All but eight of the 30 living cousins were present at the reunion.

Some of the things displayed at the reunion were articles of sewing made by grandmother Usrey, all made by hand, as there were no sewing machines then. There was also pictures of the J.A. Usrey family made before 1900 and shortly afterward, pictures of the cousins parents, their families, and even some great great grand pictures. One appliqued quilt all handmade by grandmother for her last son Lee in 1899, her striking clock bought about 1898 is in my home on the shelf running and still striking every half hour just as it did 86 years ago. Grandmother gave it to Lee before she died because he always kept it cleaned and oiled since it was bought. This he did until his death in July 1971. Also the old shoe last is here. The one grandfather used to repair and half sole shoes from 1860 until 1920.

A few noteworthy things to mention are: Jesse and Susan's first grandchild was born of their only daughter, Wilmerth. Her name is Alice [Bishop] Lacy. Their last granddaughter and grandson were the children of Bonnie and Lee. Their names Veta and J.B. These three and twenty-seven more were at the reunion plus some 2nd cousins. All these cousins lived in Texas at one time in their life, many around Clarendon, Hedley and Lolla Lake and Shamrock. As far as I know all cousins married in Texas. Olen and Vally Usrey's eight children grew up on the old Huggins farm east of Lolla Lake where they lived 36 years. Much could be said about this family interesting to people who lived in this area from 1918 to 1950 and beyond.

Eddy Usrey died at the age of almost 32. He left his wife Bell and three daughters Juanita, only 12. Bill spent all 58 years as a widow helping these girls until death in August of 1983.

Much more could be said about each and all of the cousins and families, but all of us can appreciate having only a synopsis of the J.A. Usrey family printed by the editor of The Clarendon Press.

TFTA Executive

Board meets

On September 7th, 1985 the TFTA (Texas Future Teachers of America) State Executive Board met in Dallas at the Hyatt Regency Hotel in work sessions to plan the TFTA State Convention to be held February 27, 28 March 1 in Dallas.

Miss Betty Veach, TFTA advisor, District XVI, Clarendon, flew to Dallas to meet with TFTA State Consultant, Mr. Curtis H. Nixon, and the 1985-86 State TFTA officers. Miss Veach has the privilege to be on the board because she was advisor to past president, Annette Watson, 1984-85.

The board toured the Hyatt Regency Hotel making plans for 1986 State Convention. In a work session the 1985 State Convention held in Fort Worth was evaluated in terms of making the 1986 State Convention a great event. Many items were discussed at length and the 1986 State Convention should prove to be an exciting event.

Attending the State Leadership Conference were Devin Burton, President, Stacy Kennedy, Corresponding Secretary and their advisor, Susan Snodgrass, from Granbury; Lisa Martinez, Vice President,

and Lois Kuykendall, advisor, from Victoria; Angela Walker, Recording Secretary, and Melissa Mayfield, advisor, from Plainview; David Webb, Financial Secretary, and Dorothy Hulsey, advisor, from Tulla; Kathleen Sue Morrissey, Historian, and Cleta Holt, advisor, from Vernon; Suzanna Laux, Parliamentarian,

and Linda Whitehurst, advisor from Plano; Betty Veach, advisor to past president, Clarendon; and Curtis H. Nixon, State Consultant, TSTA, Austin.

Education is going through some changes, but there are still rewarding opportunities in the teaching field.

Congressman Beau Boulter Reports from Washington

A FARM BILL THAT LOOKS TOWARD THE FUTURE

After months of discussion and debate, the House of Representatives has passed a 1985 Farm Bill. I voted for this legislation, and want to make sure that the farmers of the 13th District know what the legislation will mean to them.

First, and most important, this bill provides farmers with income protection. By freezing target prices for the 5-year duration of the bill the 1985 Farm Bill will make the farmers' transition to a free market orientation much less threatening.

The final product passed by the House will also make our agricultural products more competitive on foreign markets, but, again, not at the cost of forcing our farmers out of business. Many foreign countries heavily subsidize their farmers, warping world market prices. The key to increasing our exports to other countries is for our farmers to be able to produce at a level which is below the rate at which other countries subsidize their farmers. By lowering loan rates, while protecting income with target prices, we will be able to force down the world market prices to a point at which our farmers are fully competitive. If the Secretary of Agriculture lowers the loan rate enough, the \$50,000 payment limitation would no longer apply.

The benefits of this action are clear: expanded export markets, the opportunity to exhaust current surpluses, and a clear step toward a free market agriculture export system.

There were several attempts made, by liberal Democrats from urban areas, to undue the income protection provisions of the legislation. One amendment, which unfortunately was supported by the Reagan Administration, would have allowed

target prices to be decreased and eventually phased out. I voted against that amendment, and am happy to report that it was soundly defeated.

I personally authored an amendment, which was passed by the House, that will provide our wheat farmers with valuable information at an earlier date. My amendment requires the Secretary of Agriculture to announce the government's wheat program on May 1 rather than the current July 1 announcement date. In our part of the state, farmers have already harvested as much as 75% of their wheat crop by July 1. Since many farmers follow their harvesters with a plow, to prepare the land as soon as it's harvested, they need to know, when harvesting begins, what type of program will be in effect the next year. By announcing the wheat program on May 1, our farmers can plan more precisely.

As you might suspect, the bill is far reaching and fairly complicated. But, as I have said, it does protect farm income. I should add, however, that this is not a perfect bill. It is, perhaps, the best bill we could get, but the very best farm bill we could hope for is, in my opinion, a Balanced Budget. I have cosponsored legislation that will provide for a balanced budget by 1991.

The benefits of this legislation, which passed the Senate and is now being considered by the House, are countless. By stabilizing financial markets it would result in lower interest rates, a lower dollar value on international markets, greater exports of American farm commodities, and general economic vigor that will result in economic growth and opportunity for all Americans, particularly farmers.

MAKE YOUR COMMUNITY A BETTER PLACE TO LIVE

Shopping in your hometown with local merchants pays in more ways than one. That's right, you not only save time, gasoline and bring home the same or comparable goods at about the same prices, but when you do business with your neighbors, part of every dollar you spend goes toward improving service in your area and making your community a better place to shop and live. So shop locally today and put your dollars to work for you. All this plus free convenient parking just a few short steps from your favorite stores.

Greenbelt Lake depth increases

Greenbelt Lake has 4 feet $\frac{3}{4}$ inches more water in it than it has had in the past few weeks as more than 10 inches of rain fell in the Goodnight area which drains into the lake.

The lake now has a depth of 65.98 feet. The highest depth the lake has had was in June 1975 when the depth rose to 75.35 feet after a 14 inch rain in the same area. The next highest depth was in 1977 when it rose to 74.57 feet.

Portland, Oregon was named by the flip of a coin. The losing name was Boston.

Ronnie Davis completes recruit training

Navy Seaman Recruit Ronnie W. Davis, son of Don and Pat Davis of Clarendon, TX, has completed recruit training at Naval Training Command, San Diego.

During Davis's eight-week training cycle, he studied general military subjects designed to prepare him for further academic and on-the-job training in one of the Navy's 85 basic fields.

Davis's studies included seamanship, close order drill, Naval history and first aid. Personnel who complete this course of instruction are eligible for three hours of college credit in Physical Education and Hygiene.

A 1979 graduate of Clarendon High School, he joined the Navy in July 1984.

Firebelles hold meeting Oct. 8

The Clarendon Firebelles held their regular monthly meeting Tuesday, October 8 at the home of JoDee Mincey.

The meeting was called to order by JoDee Mincey, president. Edie Robertson, chaplain, gave the opening prayer. The minutes from the previous meeting were read and approved.

It was decided to sell chances on a 19" Zenith color TV to be purchased from Rattan TV.

After the business meeting, JoDee introduced Kathy Hazelwood of Amarillo Planned Parenthood who presented a program on discussing sexuality with your teenagers.

Members present were Edie Robertson, Wanda Smith, Tammy Taylor, Darlene Spier, Neva Spier, Connie Pitts, Debbie Hollan, Lisa Winsor, Connie McAnear, Debbie Blackburn, JoDee Mincey, Annette Osburn and guests Gwen Gilmer and Kathy Hazelwood of Amarillo.

Young Homemakers met Sept. 30

The Clarendon Young Homemakers met for their regular monthly meeting Monday, September 30 with Missy Kidd, president, presiding.

Debbie Blackburn and Cathie Jewett gave a report of their trip to the Extension State Convention in Longview.

Our program was then presented by Gwen Gilmer and Kathy Hazelwood of the Amarillo Planned Parenthood. They showed a film titled "Walk with Me" dealing with children and sexuality.

After a very interesting program a short business meeting was held. We were reminded of the Christmas in November Bazaar which will be November 23.

Members present were Missy Kidd, Debbie Hollan, Tammy Taylor, Debbie Blackburn, Cathie Jewett, Wanda Smith, Fay Vargas, Valorie Ashcraft, Kim Lindley, Susan Henson, Annette Osburn and guests Betty Veach, Gwen Gilmer and Kathy Hazelwood of Amarillo.
