**HOLLY CORNELL** takes 1st place at the Houston Livestock Show - Paint Horse Show, winning a belt buckle. Holly showed registered Paint Horse gelding, Windy Cochise, who is owned by her grandparents, PeeWee and Janet Bowen of Alvin, Texas in the leadline class against fourteen other exhibitors. Holly is the daughter of Bill and Deanna Cornell and granddaughter of Dude Cornell. Little sister, Jill, cheered her on.

## Masons to Meet

Companion Edward B. Anderson, Most Excellent High Priest and Companion B.C. Courtney, Most Illustrious Grand Master will meet in the Clarendon Masonic Lodge Hall with local Chapter and Council members on Wednesday, March 31, 1993 at 7:30 p.m. In addition to officers and members of Memphis and Childress Chapters will be present. This meeting is to discuss ways to revitalize the Chapter and Councils of District No. 40. You as a member must be present to make the decision and commitments in the

interest of your Chapter and Council. Please mark your calendar and be on hand to greet these district and state officers on the last day of this month.

## Physical Therapy Available

Physical Therapy is now available in the Patients home on a full time basis through Shepard's Crook Nursing Agency. Danny Bruton has been appointed full time Director of Sheperd's Physical Therapy Department.

Mr. Bruton received his Bachelor of Science degree in Physical Therapy in 1977 at the University of Oklahoma and has extensive experience in private practice, hospital work and home health.

Mr. Bruton has relocated to the panhandle area with his wife and two sons from Saltillo, Texas.

Mr. Bruton will be working directly with the patients in their homes for teaching and rehabilitation. Physical therapy in the home helps the patient adapt to their own surrounding.

## Payment Limitations Given

No program benefits subject to limitation may be provided to any producer until the necessary payment limitation determinations are made. The producer will remain ineligible until all required forms are provided to the county office.

Payment limitation and payment eligibility determinations may be initiated by the County Committee or requested by a producer. If you request a determination, the request may be filed anytime before the final date for submitting CCC-502's.

There are statutory provisions that require entities earning benefits subject to limitation to provide the names, addresses, and ID number of the entities' members to the County Committee by filing a CCC-501A. To inform the entities' members of the requirements for designation "permitted entities", "Permitted entities" must be designated on a CCC-501B by every member of the entity.

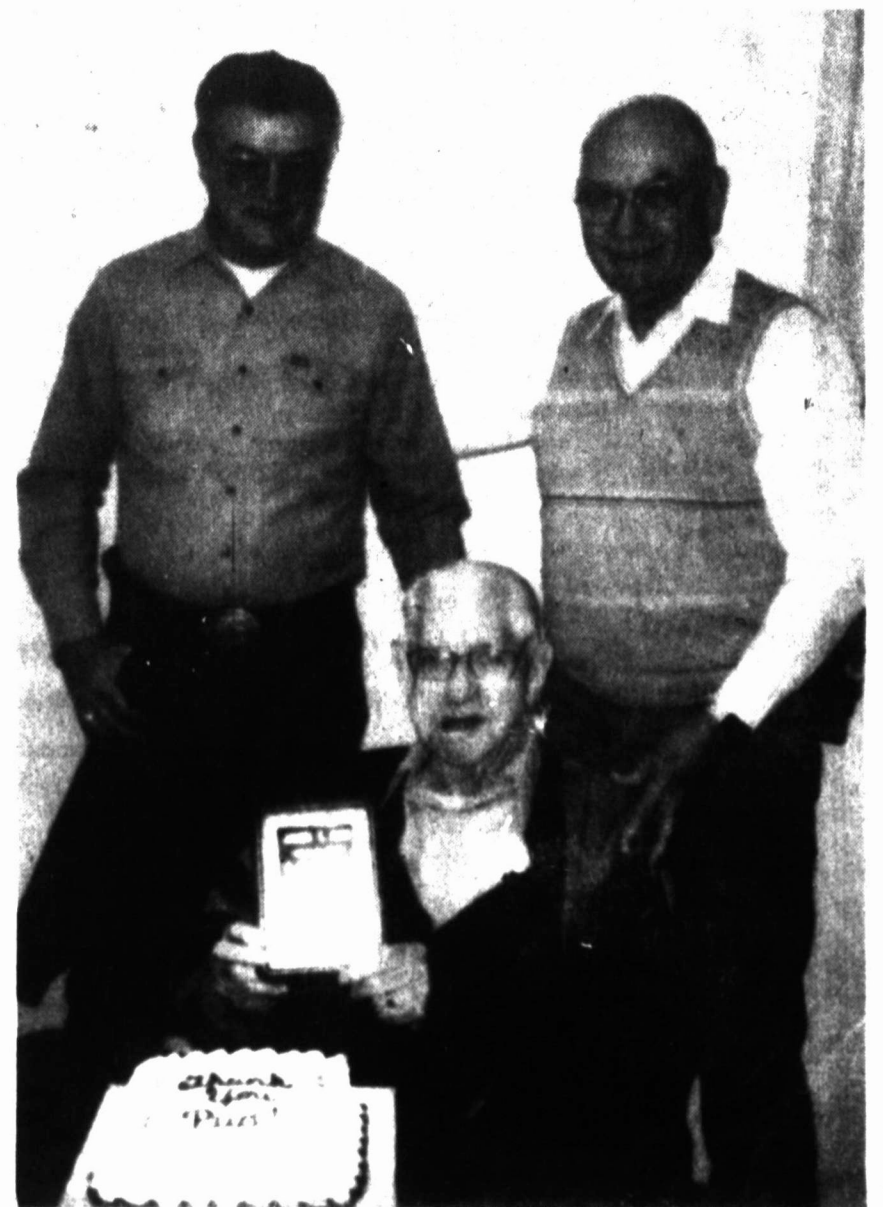

All CCC-501's and CCC-501's submitted by producers are subject to spot check through the end-of-year review will be required to furnish detailed information to the County Committee to prove their inputs used to determine significant contributions to the farming operation, contributions were commensurate with claimed shares of the farming operation, contributions were at risk, the "person" determination was correct, permitted entities were properly designated, land ownership was accurately reported, and any other pertinent factors used in the original determination were correct.

A determination of "not actively engaged in farming" results in the producer being ineligible for: deficiency and diversion payments, gains from marketing loans and loan deficiency payments except honey), CRP annual rental payments (if subject to P1), wool and mohair payments, and any benefit requiring a determination of "actively engaged in farming."

### Dates To Remember

Final Date to request CCC loan for 1992 wheat and oats is March 31 and the final date to request CCC loan for 1992 cotton, grain sorghum corn and to Obtain A Cotton Loan Deficiency Payment, is May 31.

The last day to sign into the 1993 Farm Program is April 30, 1993. A contract may be revised or canceled prior to April 30, 1993, but after this date liquidated damages will apply to the contract. Producers are reminded that appointments are being taken for the farm program sign-up.

**PUD BAIN** is presented a plaque for his 28 years of service on the Donley County Housing Authority Board of Directors, by Mutt Graham and Bob McCombs. The Board of Directors of the Housing Authority also helped Pud celebrate his birthday with cake and coffee.

## Coming Events

### Sing This Sunday

The 1st Assembly of God Church will have their 4th Sunday singing, March 28th at 6 p.m. Everyone is invited to come and take part.

### Baseball Meeting Scheduled

There will be a baseball meeting on Sunday, March 28th at 2:00 p.m. at the fire station for anyone interested in coaching or helping out in anyway. This has always been a fine summer program for the youth of Donley County and without the help of adults it cannot happen. This program generally last thru the months of May and June with other area towns. Please plan to attend this meeting if you can help in anyway so we can make it happen for the kids of our community.

### Tourism Council Sets Meeting

The Panhandle Tourism Marketing Council is planning a public meeting beginning at 11 a.m. on March 30 at the Square House Museum in Panhandle, Texas.

Lunch will be served at the meeting for \$8 and reservations are required. To make your reservation, call the Square House Museum at (806)537-1015.

### Band Boosters Plan Trip

The Clarendon Band Boosters are giving away another trip on May 1, 1993. The trip is for 4 days to Santa Fe, New Mexico for 2 persons on July 19, 20, 21, and 22nd. Accommodations, meals and gas are included. Donations are \$1.00 per ticket or a book of 12 tickets for \$10.00. Tickets may be obtained from any band student. Your support will be appreciated.

### Band Bake Sale

The Clarendon High School Band will have a Bake Sale, April 3, 1993, at 5:30 until 7, at B & R Thriftway.

### Bronco Mother Meeting Set

There will be a Bronco Mothers meeting April 7, 1993, at 5:30 p.m., at Dairy Queen. Please attend, this is to plan Sports Banquet.

## Correction

In the Order for Election in the City minutes that appeared in last weeks newspaper, it stated that one can file for applications to become candidates 30 days before the date of election. That information

**BIRDIE KING HOLDING** Caitlyn Danielle Davis

is incorrect. According to the Secretary of State Calendar for Municipalities, under the Secretary of State, the 45th day before the election day is the deadline to file for application for a place on the ballot.

## Mangum Attends Convention

John Mangum, from Clarendon, and Bob Walters, from Dimmit, attended the American Farriers Association Convention in Albuquerque, New Mexico, February 24-27, 1993. These farriers are members of the Tri-State Professional Horseshoeing Association which is a Chapter Member of the AFA.

The AFA Conventions covered a variety of topics, including certification examinations, horseshoe forging competitions, lectures on shoeing and lameness, demonstrations of new products, a trade show with over 90 vendors, and the world's largest hands-on clinic.

John Mangum, Chapter President, also attended the committee meetings and Board of Directors meeting prior to the convention.

The placings for the high competition were announced at the Saturday night banquet. Fing point winners will represent the United States as members of the AFA sponsored American Farriers Team, which will compete in England and Scotland this summer.

The AFA is a twenty-two year old non-profit educational organization dedicated to the improvements of the practice of farrier science, and the betterment of conditions for horses, horseowners and farriers. Its activities include programs of certification, education, communication, innovation and research in all areas of farrier science. The AFA headquarters is located in the National Horse Center of the Kentucky Horse Park. The Horse Park is located in Lexington, Kentucky, the horse capital of the world.

The yearly AFA convention is held in various locations around the country. The 1994 convention is scheduled for Lexington Kentucky. For more information about the AFA, its chapters and programs, contact the American Farriers Association by writing to AFA, 4059 Iron Works Pike, Lexington, KY 40511, or calling (606) 233-7411.

## Show Helps Kids with Cancer

The second annual Amarillo Tri-State Train Show, to help benefit Camp Alphia, will be held April 3 and 4 in the Rex Baxter building on the Tri-State Fairgrounds. Hours for the show are 9:00 a.m. to 6:00 p.m. Saturday and 11:00 a.m. to 5:00 p.m. Sunday. Admission is \$2.50 for adults. Children 12 and under are free when accompanied by adults.

The Amarillo Tri-State Train show, sponsored by the amarillo Model Railroad Association will be the largest model train show ever held in West Texas, featuring layouts from Albuquerque, Oklahoma City, Lubbock and Amarillo. There will be vendors from throughout the Southwest and beyond, selling everything from railroad antiques and collectibles to model trains of all sizes. There will be "how to" clinics, by award winning, published railroad authors on both days. These clinics will include Virgil Young demonstrating how to take realistic photographs of model trains, Jerry Mitchel on how to install constant lighting in model locomotives, and Carter Osborne with tips and techniques on detailing and painting model locomotives. There will also be models contests and displays of models that have appeared in national publications.

There will be plenty for kids to do. The Khiva Shrine Clowns will be there with their parade train giving rides around the fairgrounds. The AMRA will have two 16' x 20' layouts set up for children to actually operate and a replica of a steam locomotive children can take pictures in. Door prizes will also be awarded during both days of the show.

There will be a representative from Camp Alphia there, along with their mascot, to answer questions you may have about the camp. For those not familiar with Camp Alphia, it is a summer camp for children who have or have had cancer.

The Amarillo Model Railroad Association meets every Tuesday at 7:30 p.m. at 1100 S. Polk (in the Autocraft building) in amarillo, Texas. Visitors are always welcome and memberships are available.

The Amarillo Tri-State Train show promises to be fun and informative for all ages. For additional information concerning the show, or the AMRA, contact Carter Osborne at 355-4758 or Tracy Ball at 371-9503.

## Candidates Off and Running

Candidates are off and running for the election May 1. The last day to sign up for most offices was March 17. (Candidates are listed below in alphabetical order.)

Five people have signed up for two positions as Alderman for the City of Calarendon. James Kuhn, (incumbent), David Pitts, (incumbent), Cleo Russell, Billie Schaffer and Delmar Wiggs are running.

Steve Smith, (incumbent), is the sole candidate for mayor.

There are two Trustees up for election with Clarendon Public Schools. Elmonette Bivens, Dan

Hall, Ruby Hearn and Todd Knorpp, (incumbent).

The Hospital District has signed up for Place 1: R. H. Farquhar, Jr., (incumbent), Place 2: Faylon W. Watson, (incumbent), and Place 3: Buford Holland.

## College To Host Elderhostel

Clarendon College will host an educational adventure for older adults June 6-12. The Elderhostel program, making its third visit to Clarendon, is a non-profit educational organization offering short-term academic programs to challenge and expand the horizons of the Elderhostel participants.

The Elderhostel concept will feature continuing education courses in Cattle Ranching: From

**HOWARD BRENT FRICKS**

## Citation Given

Hospitalman Howard Brent Fricks of the United States Navy was present a citation, from his Commanding Officer, for superior performance of duty while serving as Medical Department Laboratory Technician on board USS John F. Kennedy from 1 October to 31 December 1992. Hospitalman Fricks' outstanding performance of duty this period was instrumental in his selection as the Medical Department's Sailor of the Quarter. Extensive laboratory procedures were performed by Hospitalman Fricks on a daily basis. He spent many hours on and off duty studying laboratory manuals and increasing his knowledge and efficiency. His endeavors in the laboratory section have enabled the Medical Department to diagnose and treat the 5000 crew members on board with a "state of the art" laboratory. Hospitalman Fricks' keen sense of responsibility in the performance of his duties reflect great credit upon himself and were in keeping with the highest traditions of the United States Naval Service.

Brent was a graduate of Tascosa High School in Amarillo. He is the son of Mr and Mrs. Bruce Fricks of Amarillo and the grandson of Joyce Park of Lawton, Oklahoma and Louise Dickinson of Clarendon.

## Electric Co-op Contest Scheduled for Teen-Agers

Area teen-agers have a chance to be in Washington DC, in June for a first-hand glimpse of the political process.

Two winners from an essay contest will be awarded the expense-paid trip to Washington DC, which will leave Denton on June 10, and return there on June 22. The local Youth Tour contest is sponsored by Greenbelt Electric Cooperative, and local winners will join over 70 other coop-sponsored youngsters for the 12-day adventure.

Each contestant will be required to submit an essay not to exceed 750 words on the subject: "What Does Your Rural Electric Cooperative Mean to You and Your Community?" Deadlines for essays in the 1993 Government-in-Action Youth Tour Contest is April 15, 1993, at 5 p.m. at the Cooperative office in Wellington.

Being a Youth Tour participant in Washington DC, is special. The Texans will visit with their respective congressman. They will place a wreath at the Tomb of the Unknown Soldier in Arlington National Cemetery.

Other tour highlights are visits to Mount Vernon, the National Archives, (home of the Declaration of Independence, the Constitution, and the Bill of Rights), the Smithsonian Institution, the Bureau of Engraving and Printing, the FBI Building, and many other famous monuments and memorials.

The tour has been referred to by past participants as the experience of a lifetime. It has inspired many young people to go on to greater things. To be eligible, youngsters must be high school student at least 14 years old and not yet 19 as of June 10, 1993.

Young people who are interested can receive complete contest guidelines by contacting Ben Wheeler at the Cooperative office in Wellington or by calling (806) 447-2536.

## Great Texas Trash-Off Set

Some 85,000 Adopt-A-Highway and Keep Texas Beautiful volunteers around the state are expected to unite on Saturday, April 3, for the eighth annual "Great Texas Trash-Off". The event which is sponsored by the Texas Department of Transportation in conjunction with the "Don't Mess With Texas" antilitter program is considered the largest one-day cleanup effort in the nation.

In Donley County, Adopt-A-Highway groups such as Hedley Lions Club, Hedley Lodge #991 & Chapter 413 OES, Medical Center Employees, and Donley County ASCS Office will arm themselves with trash bags and safety vests to combat litter.

## Friendship Club Meets

The Friendship Quilting Club met Tuesday afternoon, March 9 in the Home of Irene Jones with Oddie Moss as co-hostess. The played Skippo and dominoes.

A brief business meeting was conducted by Edna Dishman, President.

Members and three guests enjoyed delicious refreshments of cakes, fruit, nuts and candies, with tea of coffee. Lucile Eans, Rachel Butler, and Jo Adams were guests at the meeting. Jo was visiting from Indonesia.

Members present were Dorine Bennett, Murle Butts, Helena Catoe, Edna Dishman, Irene Jones, Ivonne Bell McDaniel, Oddie Moss, Brades Shaller and Gracie Ayers.

The next meeting will be in the home of Murle Butts on April 13.

## Lvn Testing Scheduled

Applications are begin accepted for the 1993-1994 vocational nursing program at Clarendon College. Due to limited enrollment, interested candidates are required to take a pre-entrance examination to be accepted into the program. Applicants must choose one of the following testing dates: Wednesday, May 5; Friday, May 14; or Wednesday, May 26. The test will be conducted from 8:00 a.m. to 12:00 noon on the specified dates at the college's Courson RFO Center. The test cost will be \$10.00. For more information concerning the program or test, please contact Carole Ward at 806-874-3571 (day) or 806-856-5257 (evening).

Last year's Trash-Off yielded an estimated 2 million gallons of roadside debris which - in addition to the usual beer cans and fast food wrappers - included an uncashed check for \$19,987.27 and several denominations of hard, cold cash. Other not-so-valuable discoveries included a cast iron skillet, several love letters, and lots of underwear.

Trash-Off sponsor Coca-Cola will provide 33-gallon garbage bags and special incentive prizes to participants.

Since the Texas Department of Transportation launched the Don't Mess with Texas and Adopt-A-Highway programs in 1985, the state has seen a 72 percent decrease in roadside litter. KTB, the state affiliate of Keep America Beautiful, Inc., coordinated Texas' accredited community litter programs.

RESIDENTS AT THE BABY SHOWER

RESIDENTS AT THE BABY SHOWER

BOB, LOTA AND GRANDCHILDREN tilling up the garden spot

OLA PRICE, TINA DAVIS and Caitlyn Danielle Davis

LOTA, BECKY, AND ANGIE working the garden

**Medical Center News**

Signs of Spring are starting to show at the Medical Center. The residents and staff watched Monday as Mr. Bob Farquhar and his wife Lota and their granddaughters Becky and Angie tilled a garden spot for the center. They not only tilled the spot for us they prepared the rows and pulled grass out. A big thank you goes out to them and their efforts were greatly appreciated. Preparations are now being made for planting.

The Good Timers Singers came out Tuesday to sing to and with the residents. The center would like to thank them as everyone looks forward to them coming. The residents enjoy listening to the hymns and singing with them some of their favorite hymns. Good Timers Singers singing were Melville Mills, Oddie Moss, Shirley Pitts, Shirley McKinney and Rosa Lee Watson.

Green was the color on St. Patrick's Day! Residents and staff could be seen sporting green shamrocks. That afternoon refreshments were served to the residents even then the color green was found.

The Baby Shower hosted by the Medical Center Residents for Caitlyn Danielle Davis was a huge success. Residents presented her with many lovely gifts that they had gotten her. Refreshments were enjoyed by everyone. All but four of the residents were able to attend the shower.

Guests attending were Charlotte Roan-Ombudsman, Ray McKinney, Marie Hill, Ruby Thompson, Susie Kidd and Dustin Chambers. Everyone really enjoyed seeing the baby and visiting with her and her mother Tina Davis. Everyone is looking forward to Tina's return to work.

**Senior Citizen News**

by Nova Nauhaus

The Monday night line dancing participants report that they are now getting the hang of the steps to the "Achy, Breaky Heart". Come on down at 6 p.m. and join in on the fun. There will be other line dance routines coming up. Plan to stay for the regular dance practice at 7 p.m.

On Monday, March 15th I attended the bi-monthly meeting of the Area Agency on Aging of the Panhandle in Amarillo. On the agenda was the merger of the Act for Elderly with the AAoA. The new board members were introduced, revisions to the AAoA Advisory Council bylaws were discussed and voted on and officers and membership of the council will remain the same until next calendar year.

Wasn't it great to have Carmen Wright back with us on Tuesday, March 16th for Blood Pressure Clinic and she was a busy lady doing 51 pressure checks.

Wednesday, March 17th I attended the Texas Association of Senior Centers Spring work shop at the Amarillo Senior Citizens Center. The theme this year was Senior Center Management in the 90's. It was a most inspiring and beneficial session.

Rachel Butler brought us a nice box of new reading material. Thanks Rachel for sharing with us. Special thanks to Jean Baten for picking up a big load of food bank items for us, Tuesday. A big thanks to Cora Hamilton for volunteering in the kitchen on Monday as Sonia Smith was out ill that day.

The Golden Spread Hearing Aid Clinic in Thursday, March 18th had several folks come in for the service. They will be back on April 15th from 10:00 a.m. til noon.

We appreciate our city maintenance folks who came by last week and quickly removed the dead tree sitting at the east end of our parking lot. Ellie Wilkinson has most lovingly donated a pretty tree as a living memory of husband, George Wilkinson, to be planted in the space.

Helena Catoe is heading up the Skip-Bo tournament to be held here at the Center on Thursday evening starting at 6 p.m. If you would like to participate in this fun event, call the Center to place your name on the list of players.

Make your calendars for the Birthday/Anniversary supper Tuesday night, March 30th at 6 p.m. We regret that "Granny & Pop" and Judge Bursen will not be able to entertain for us due to family illness. We will however be looking forward to a future date with them. So we will play "Bingo" after the supper for the evening program.

Ellie Wilkinson made and donated delicious fried pies for Friday's fundraiser drawing at noon. Lee Caskey was the proud winner.

Wednesday: Turkey & Dressing, Cream Potatoes, Green Beans, Cranberry Sauce, Fruit Salad, Milk

Thursday: Bar B Q Sausage, Hot Rolls, Baked Beans, Tossed Salad, Peaches and Milk

Friday: Chili Cheese Dog, French Fries, Tossed Salad, Cherry Cobbler, Milk

**Smokey The Fireman**

Ain't had time to work much this week, been fighting fires seems like all week. Some stupid fool got the idea it's funny to light fires then call the Fire Department to put them out. That's side them accidental fires we had to put out also. Fire Marshal says he's maybe gonna hang that one that's building fires on purpose and I seed him buy a rope last night seems like he is dang serious bout that hanging.

Now there's two laws you can really count on. First ones Newtons what tells you how a Apple gona fall the other is Murphy's which says if any thing can screw up it will. Now some time back it seems that Fire Departments got appointed to watch bad weather clouds. If there was ny thing that was everygoing to follow Murphy's law it's the weather. No Smokey knows the basic rules of how weather is sposed to work and what conditions can produce certain types of weather.

He went out other night to watch for the Weather Bureau as a spotter. Smokey knowed that conditions were right fer a Tornado to occur and he was watching for the first signs that normally occur, but trying to see a Tornado at night is kinda like hunting for a needle in a haystack and you rarely see it before it's to late. Now Smokey fergot that sometime Murphy's law affects everything and while he was watching for a particular thing another cloud passed in front what he was watching an hid what he wanted to see and next thing you know he's covered up by something he really didn't want part of. He had to duck for cover in a hurry and weren't able to report what he had seen and some other people got caught having to go to the shelter in the midst of a storm but now you got to member Smokey's a Volunteer out there his intentions were the best.

Now these volunteer's are good but the National Weather Service misses bout as often as they hit on the forecast so I'd hope everyone that next time there's a training school bout weather to attend. Smokey and his buddies will warn you if they see it, but remember they's only half human and make mistakes and everyone should look out for they self a bit.

**We Need ...**

We need the very best education possible for our children.

We need better communication between parents, faculty and children.

We need team effort. There has to be a sense of cooperation. We should be working together to fight ignorance, not each other.

We need a united community behind our children. We should put their welfare ahead of personal convenience.

We need high standards, both in academic areas, and in behavior. Children may learn fairness, integrity and equality as ideas, but these become real by example and experience.

We must make every child feel valuable, like a worthwhile individual. Even one child is too terrible a loss to consider.

Dear Editor:

The Clarendon News welcomes letters to the editor, but is not responsible for their content. The letters express the opinions of the writers. The newspaper does not necessarily agree or disagree with any statement or any letter, nor does it vouch for the accuracy of statements in the letters. Unsigned letters are not published.

To the Parents of Clarendon:

A special invitation is extended to you to join us this Sunday night, March 28, at 7:00 p.m. at the Calvary Baptist Church for a video by Dr. James Dobson entitled, Our Children At Risk. This is very important. This video has no denominational attachment to it whatsoever. The old saying "What you don't know won't hurt you" is not true. What we don't know is destroying our families, especially our children. Please attend this special time!

Rob Seale

Dear Editor,

I was recently traveling through your area in my motor home. My husband and I went to see your college production on Saturday night. We certainly did enjoy it and would like to commend your director for a professional production. She did an Excellent job.

Thank You Robert and Harriet Ayers Pittsford, Michigan

Obituaries

Mrs. Mable Lucille Luttrell

Funeral services for Mrs. Mable Lucille Luttrell, age 79, were held at 10:30 a.m. on Wednesday, March 24, 1993 in the First Baptist Church with Rev. Truman Ledbetter, Pastor, officiating. Interment was in Citizens Cemetery with arrangement under the direction of Robertson Funeral Directors, Inc.

Mrs. Luttrell died at 2:10 p.m. on Sunday, March 21, 1993 in Medical Center Nursing Home in Clarendon following a lengthy illness. She was born October 6, 1913 in Charleston, Illinois and had lived in Donley County most of her life

and in Clarendon for the past 13 years. She married Leeroy Stanley Luttrell on January 31, 1931 at Hollis, Oklahoma. He preceded her in death on November 21, 1988. She was a homemaker and a member of the First Baptist Church.

Survivors include two daughters, Sylvia Isaac of Fort Worth, Sue Rice of Amarillo; two sons, Wendell Luttrell of Clarendon, Leo Luttrell of Amarillo; two brothers, James Davidson of Clarendon, William Russell Davidson of San Pablo, California; six grandchildren; and three great grandchildren.

Casket bearers were Darrell Leffew, Will Chamberlain, Ted Shaller, Gene Alderson, Roy Lee Helms, and Ernie Johnston.

Honorary bearers were Deacons of the First Baptist Church.

Minnie Orene Riley Ziltener

Minnie Orene Riley Ziltener, 83, passed away Sunday afternoon at Lander Valley Medical Center, in Lander Wyoming. She was born February 10, 1910, at Rowe, Texas, to Bessie and Nelson Riley. She was the eldest of seven children, and attended schools in Texas. She graduated from Clarendon Junior College and attended West Texas State University. In 1962, she graduated from the University of Wyoming, and taught school in Fremont County, Wyo. until her retirement.

On December 24, 1937, Orene was married to Pius Ziltener at Quanah, Texas. Her husband preceded her in death in 1991. She is survived by two children, Karl Ziltener of Portland, Oregon and Jennie Spriggs of Lander, Wyoming and three grandsons. Also surviving are two brothers, Jack Riley of Amarillo, Texas and Bruce Riley of Truth or Consequences, New Mexico, and three sisters, Pauline Riley, Kathleen Countryman and Ina Epperson, all of Lander, Wyoming.

El Ray Pycatt

El Ray Pycatt, 57, of Amarillo, died Saturday, March 20, 1993.

Memorial services were held at 2 p.m., Tuesday in Memory Gardens Mausoleum Chapel with the Rev. Don Cherry, pastor of Christian Assembly Church of Hereford, officiating. Cremation was under the direction of Memory Gardens Crematory.

Mr. Pycatt, born in Memphis, attended high school in Clarendon and Clarendon College. He graduated from West Texas State University. He moved to Amarillo more than 30 years ago from Clarendon. He was a veteran and a Baptist.

Topdressing Wheat

Donley County Extension Office

Wheat in the Texas Panhandle and South Plains is rapidly breaking dormancy and beginning to green up as a result of the warm temperatures experienced the last couple of weeks. The cold front that moved through the area March 11 and 12 should not adversely affect the crop other than causing some leaf burn.

Now is a good time to consider topdressing wheat with nitrogen if needed. The dry conditions last fall resulted in many fields not receiving adequate fertilizer prior to planting. On the other hand, much of the wheat was not grazed, or only lightly grazed; and thus, may not need as much nitrogen as in years past.

Research on the Pullman soils has suggested little benefit from nitrogen fertilization where expected yields are less than 35 bu/A. The winter months have provided excellent moisture throughout most of the area. As a result the potential for high wheat yields is good. For this reason, many dryland fields could potentially benefit from nitrogen topdressing. Nitrogen deficient fields will often appear yellow-green in color once the wheat begins to actively grow. If this color persists after several days of sunshine, you can be reasonably certain the condition is due to inadequate nitrogen.

Dryland fields should be fertilized with 30 to 40 pounds of nitrogen. Irrigated wheat fields that are showing deficiency symptoms should receive at least an initial application of 60 pounds of actual nitrogen. The nitrogen can be applied in the dry form as ammonium nitrate, ammonium sulfate, urea, or as nitrogen solutions. There is no strong advantage of one form of fertilizer over another. Urea is probably the least expensive, but it also has a higher risk of loss by volatility if applied to wet soil under warm conditions. Ammonium nitrate and nitrogen solutions are slightly more available to the plant initially. Some leaf burn may occur with the nitrogen solutions, especially under sunny, warm conditions. If applied before the wheat gets too big, the leaf burn should not adversely affect yield.

Topdressing of nitrogen should occur as soon as possible. The longer topdressing is delayed after jointing occurs the less opportunity the crop will have to benefit from the nitrogen. Once wheat reaches the boot stage of development 75 of the total amount of nitrogen it will use has been taken up by the crop. After the boot stage is reached, only protein content will be affected by additional nitrogen application.

Survivors include a son, Christopher Pycatt of France; a daughter, Valerie Briley of France; his mother, Mary Pycatt of Amarillo; a sister, Scharlean Smith of Amarillo; two brothers, Gayle Pycatt of Amarillo and Ben Pycatt of Milton Freewater, Ore.; and two grandchildren.

Did You Know?

(NAPS)—If you like coffee, but not caffeine—and would prefer to drink a coffee that's been decaffeinated without chemicals to a decaf with chemicals—here are a few facts that may be to your taste: • Some decaffeination methods rely on chemical processes that bring coffee beans into contact with substances such as methylene chloride.

All decaffeination methods—including chemical processes—use water. So buying a "water process" product is no guarantee you are getting a chemical-free decaf. • Only Swiss Water brand coffee identified by the Swiss Water

Keeping an eye on Texas State has options for training youth The Texas Legislature is considering proposals from the Comptroller's Texas Performance Review that offer young people opportunities to develop marketable skills and job experience through school, business and social programs. Programs under consideration: High school vocational education courses, An apprenticeship program, A youth corps.

Echándole el ojo a Texas Opciones para entrenar a los jóvenes La Legislatura de Texas está considerando recomendaciones de la Oficina del Contralor para ofrecer oportunidades a los jóvenes para que puedan desarrollar sus habilidades profesionales a través de programas escolares, comerciales y sociales. Programas bajo consideración: Reformar los cursos de vocación en las secundarias, Un programa de aprendizaje apoyando a las comunidades y negocios para entrenamiento de estudiantes de secundaria en profesiones de altos salarios, Un cuerpo juvenil para emplear a jóvenes en proyectos de conservación y servicio a la comunidad.

### Thank You

Girl Scout Troop #48 leaders, Kim Lindley and Renee' Betts would like to thank all of the girls and their parents for a great year. The girls have earned many badges and had a lot of fun. All of our parents are quick to offer help and are always there when needed. We hope next year is just as great. We leaders think all of these girls are special and when they were working on their composing badge, we did a little composing ourselves. This poem is to our troop members: Kelley Lemley, Candice Hall, Nellie Menchaca, Samantha Vargas, Chancey Floyd, Mandy McKinney, Katie Newhouse, Brandi Betts, Larissa Lindley, Melissa McAnear and Lacey Anderberg.

#### Troop #48

Troop 48 is really great, but sometimes kinda rowdy. We Greet them with a big hello, or maybe even howdy. They are Brownies, yes they are, and in life we hope they go far. They laugh and talk and like to play, every Thursday - our meeting day. Our little Troop is the best, even when they put their leaders to the test!

We love everyone of them and have enjoyed having them this year. We would also like to show everyone the song the girls wrote themselves while working on their composing badge. They sang it at the Girl Scout Banquet.

#### Girl Scout Ceremonies

(To the tune of Twinkle, Twinkle Little Star)

Girl Scout Ceremonies are saying the Pledge, the Promise and the Law. Lighting candles, singing songs, holding hands, and getting along. Come to Girls Scouts and you'll see just how fun ceremonies can be.

### Lions Tale

By Gene Alderson

The Clarendon Lions Club held its regular meeting at noon on Tuesday, March 16, 1993, at the Lions Hall with fifteen members, four guests and our piano player, Tiny Bernabe present.

Following a delicious meal and the regular opening ceremony, Boss Lion Tamplen introduced Tom Gergens, a real estate appraiser from Amarillo who was the guest of Lion Hayes. Items of business included the election of Lion Jimmy Johnson to the office of 3rd Vice-President effective with the '93-'94 club year. Program chairman Smith introduced Jim Howard, Chemistry Professor at Clarendon College, who brought our program on Africa. Dr. Howard lived in Africa for a number of years. This was the first of several programs which he will be bringing us based on his personal observations and experience while he was there. His programs will also include slide presentations. The meeting was adjourned.

### Social Security News

Beneficiaries, report your 1992 earnings by April 15th

"If you worked and received Social Security benefits during 1992, you have until April 15, 1993, to report the amount of your 1992 earnings to Social Security Administration," said Jim Talbot, Social Security manager in Amarillo. "Anyone whose earnings exceeded the annual earnings limits must file a report. The earnings limits for 1992 were \$10,200 for beneficiaries age 65-69 and \$7,440 for those under age 65."

Social Security will compare the amount of earnings on your 1992 report with the estimate you provided when you applied for benefits or when you filed last year's earnings report. "Benefits paid in 1992 were based on that estimate," Talbot explained. "If you earned less than you estimated, you may be due additional money; if you made more than you estimated for 1992, you may have to repay some benefits."

People who turned 70 in 1992 only need to report earnings up to the month of their birthday. Self-employed beneficiaries who turned 70 in 1992 should prorate their earnings-that is, total the earnings for the year and divide by 12-and report the prorated amount for the months before their birthday. Those who were 70 or older all year don't have to file a report.

"Filing your Federal income tax return does not take the place of filing your earnings report with Social Security," Talbot emphasized. "And, if you request a filing extension for your Federal income tax return, you do not automatically get an extension on the filing date for your Social Security earnings report. You must request each extension separately."

People who earlier reported they expected to earn more than the 1992 limits were automatically sent a reporting form in late February. Those who didn't get the form should call 1-800-772-1213 business days between 7 a.m. and 7 p.m. to file their report.

### Workshop Planned

The Hall-Childress Soil and Water Conservation District (SWCD) and local chemical representatives will be sponsoring a Conservation Workshop on March 25 at 9:00 a.m., so mark your calendars. The workshop will be held at the old International Tractor Dealership north of Memphis on highway 287 North, east of the railroad tracks. It is about 1.75 miles north of the yellow light downtown. The focus will be on staying in compliance with your conservation plans. The Conservation Workshop is a must if you farm Highly Erodible Land (HEL) acres.

Area farmers will be discussing how they are meeting their conservation plans and the benefits of conservation. Dennis Gerber, ASCS CED, from Childress will be on hand to explain conservation requirements and new guidelines. Soil Conservation Services State

Conservationist, Wes Oneth, will be discussing conservation compliance and how it affects you. He will also be available for questions. Other topics that will be covered are the new revised USLE (RUSLE). Conservation plans and HEL determinations were based on USLE.

Those wishing to attend should call the SWCD in Memphis at (806) 259-2233 to reserve a ticket for the meal. This promises to be an interesting and informative meeting.

### Do You Select A Tree?

#### LANDSCAPE

Choose a tree that is suited to the landscape plan. When fully grown, the tree should fit the space allowed. Is the tree being planted next to a building, under power lines, etc.?

#### SOILS

Select a tree that is adapted to the planting site. Is the soil acid or alkaline? How well does the soil drain? Make sure the tree is suited to your climate. Is the tree resistant to known pests in your area?

#### SITE

Consider your needs when planting a tree. Will the tree enhance the heating or cooling of your home?

#### ORNAMENTAL FEATURES

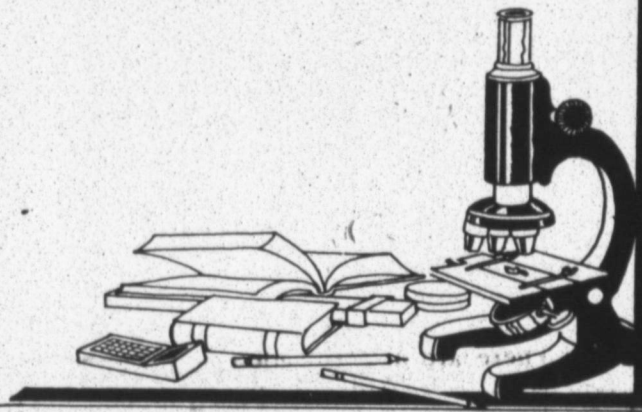

Will the tree add to the beauty of your landscape? Consider features such as branching, color and texture of leaves and bark, fruit, and flowers.

### I promise:

1. To tell the TRUTH.
2. To LISTEN to parents, teachers and tax payers.
3. To do my homework, and GET THE FACTS.
4. To work hard for a stronger curriculum, for BETTER prepared students.
5. To ENCOURAGE our teachers; to support them fairly and honestly.
6. Above all, to do my best for ALL our children.

### IT'S THE LAW! DREs Nab Drivers On Drugs

DRE examinations are more than 90 percent accurate in determining what category of drug a driver has been abusing.

What's bad news for some motorists is very good news for the many more who care about highway safety.

Drivers who get behind the wheel while under the influence of:

- stimulants such as cocaine
- depressants such as barbiturates
- inhalants such as gasoline or glue
- marijuana
- hallucinogens such as LSD
- PCP
- and narcotic analgesics such as heroin, run a high risk of getting caught by one of the many Drug Recognition Experts (DREs).

Police officers who have undergone a lengthy training program, supported by the U.S. Department of Transportation, that enables them to detect if a driver is under the influence of drugs—and if it's found that you are, you can go to jail. What's more, if you're involved in an accident, even if you weren't at fault, and it's determined that you've been taking illegal drugs, you could still go to jail.

Keep in mind that drug use greatly impairs your driving ability—and if you've been drinking as well as taking drugs, the impairment is even greater.

The DRE observes and records five categories of reactions that demonstrate signs of drug use:

1. Vital signs (pulse, temperature and blood pressure).
2. Psychophysical reactions (coordination of mind and body).
3. Signs of administration of drugs (injection sites, etc.).
4. Eye response (horizontal/vertical gaze nystagmus; eye convergence; pupil size under varying light intensities).

Studies have shown that DRE examinations are more than 90 percent accurate in determining what category of drug a driver has been abusing. To determine the specific drug, toxicology tests are then conducted by a chemist.
