"Greatest Show on Wheels" Coming to Clarendon

The Great American Race is coming to Clarendon on June 29. The event is expected to draw in visitors from all over the region. The race features 100 horseless carriages from vintages between 1909 to 1938. All are expected to be spotless and in "like new" condition.

With such a diverse cast of mechanical characters, the object of the race is obviously not to see who can go the fastest. Instead, the drivers compete to see who can make various check points the closest to calculated times. Precision, rather than speed, is what counts.

The cars start from designated points each morning are carefully calculated intervals. Thus the antique autos will arrive in Clarendon over several hours in the afternoon. Clarendon residents will have the opportunity to visit with the drivers at the "pit stop" here. The Clarendon Merchants Association and other volunteers will provide refreshments for the touring drivers.

The race begins in Charleston, South Carolina and ends 4,685 miles later in Costa Mesa, California. Past races have attracted as many as 100,000 people to watch the old cars. Each car is usually followed by a support team carrying oil, spare parts and frequently a motor home.

Pit stops like Clarendon will be ranked by the drivers on the basis of their hospitality. The most hospitable pits stop gets \$5,000. Second place pit stop gets \$3,000 and third gets \$2,000.

Local merchants are still working out the details of the welcome. Anyone who would like to volunteer or offer suggestions can contact Bill Stavenhagen at 875-5081.

Historical Artifact Resurrected

By Zell SoRelle

Centennial markers which were placed in Texas over 50 years ago are now considered historic "artifacts". The markers were placed by a special Centennial commission which was only in existence about a year or two. Unfortunately, no plans were made for the disposition of the commission's records, and the location of its research files for the markers remains a statewide "unsolved mystery."

In 1938 at the first cemetery in Donley County, a huge monument which was made of grey Llano granite stone was furnished and erected by the Texas Centennial Memorial Commission and was placed by what was then known as Highway 88. At the dedication ceremony Judge J.R. Porter presided as master of ceremonies. Rev. E.D. Landreth, was as pastor of the First Methodist Church at that time, gave the invocation. Mr. D.H. Patrick, the mayor of Clarendon, delivered the dedicatory address which was "declared by all people who heard him to be a masterpiece and worthy of its place in the literature of the Southwest."

This majestic granite marker stood proudly by the old cemetery for almost 30 years. But in 1966 when Greenbelt Dam became a reality, the bodies of the colonists were reinterred at Citizen's Cemetery south of Clarendon but the huge, historic marker was moved by the Highway Department to their storage yard. Then at the request of the Highway Department, the Wallace Monument picked up the marker and stored it in their "bone yard".

In 1990, Jean Stavenhagen, librarian for Clarendon Public Schools, was researching another Project and learned about the existence of the huge stone marker of imperishable Texas granite and wondered what happened to it. Through her intense interest and her persistence she found the monument at Wallace's business. With Jean's encouragement, the Wallace Monument Company carefully and skillfully repaired the monument and in September 1990, the stone was delivered and placed facing west in its unmistakably rightful place in the Old Clarendon Colonists' plot in the Citizen's Cemetery, one mile south of Clarendon.

A big thanks and credit goes to Jean Stavenhagen and Owen Johnson, owner of Wallace Monument, for their strong preservation ethic which has resulted in Donley County's wonderful historic "artifact".

Fruit Tree Fertilization

By Tim Trimble, CEA Agriculture

With recent cold temperatures it is likely that fruit trees in Donley County will have one of the smallest crops in several years. Most trees, with the exception of some apple trees, were in full bloom when the latest cold front brought night time temperatures down well below freezing. Normally now is a good time to fertilize fruit trees, but if there is a loss of fruit production for the year, some changes will need to be considered.

Our long standing rule of thumb has been to apply one pound of 13-13-13 or similar fertilizer per year of age. As with all generalities, several precautions are needed. First you should check to see if you will have any fruit set for this year. If not, then cut back by one half the amount of fertilizer for this year to avoid excess growth. Also, if dwarf trees are being grown, the rule should be changed to one pound per inch of trunk diameter. Any time you have trees that show excessive growth and a lack of fruit, then reduce the amount by 25 to 50 percent.

When applying fertilizer, spray or spread it evenly under the drip line of the tree, never in piles

or against the tree itself. If the area under the tree is not kept weed and grass free and poor growth is being experienced, it may be necessary to fertilize again in April or May.

Remember that if a little does some good, a lot does not necessarily do better and in most cases does harm, particularly when it comes to fertilizers and pesticides. For more information and a wide range of publications and literature on fruit production, gardening and turf management contact the Donley County Extension Office.

Medical Center Nursing Home would like to announce the resident and employee of the month. For the month of March, Opal Paschal was selected by our staff as Resident of the Month and Louisa King was voted Employee of the Month.

Opal Paschal has lived at the Medical Center since October, 1989. Opal is such a joy to the staff and other residents and is better known as "grandma" to her nursing home family. She always takes time to do for others and say something that will surely bring a smile to faces around her. The nursing home is truly blessed to have such a special "grandma" to love.

Louisa King is one of the best L.V.N.'s around and has been employed at the Medical Center since January 1980. She is an inspiration to those around her and she has a true compassion for those who she takes care of daily. Medical Center is very fortunate to have such a special person and excellent nurse on staff.

On March 27th, Medical Center Employees held the monthly birthday luncheon to honor those who had birthdays during the month of March. Those special guest were Louisa King, Paulette Kidd, Penny Fish, and Carolyn Apel. Everybody enjoyed the fellowship and the good food.

Medical Center was honored to have the kindergarten classes, teachers, and some special mom's come and entertain the residents. The children were enjoyed by all and want you to know that you are all greatly appreciated. A special thank you to Mrs. White and Mrs. Zehr for making the event possible.

In our last news letter, the Medical Center thanked Mary Nell Risley for the beautiful tulips, but we failed to thank the Donley County State Bank for their contribution toward the flowers. Everybody at the nursing home would like to say thank you for giving such a beautiful gift and making it possible for the residents to look out the front window and enjoy the beauty of Spring. Also,

the Center wants to thank Sandra White, Robin Springer and Amy Gentry, all young ladies from Hedley, for coming out and performing "Robin and Rebecca's Talent Show."

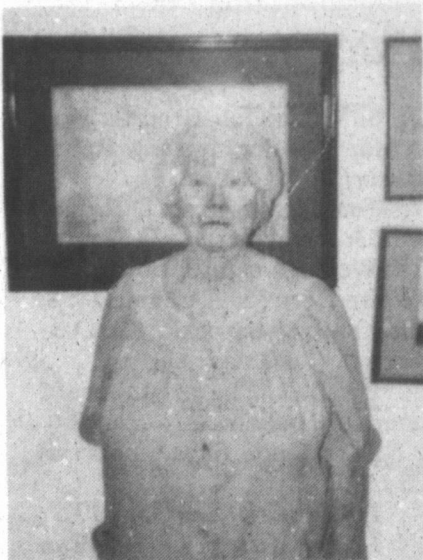

Medical Center will be sponsoring a Baby Pageant on Saturday, April 25th, at 2:00 p.m. in the dining room. The children will be divided into three age groups starting with birth to one year, one year to two years, and two years to three years. There will be a \$5.00 entry fee for each contestant and entry forms can be picked up at the office of the nursing home. There will be a first, second, and third place winner in each division and an overall "Beautiful Baby" chosen. Prizes will be awarded to the winners and a panel of Medical Center Residents will be the judges. Senior Citizens News

By Nova Neuhaus

The Center celebrated its 17th birthday on Wednesday, April 1st. We enjoyed a big crowd of folks for lunch and all signed the "Big Birthday Card". We were honored to have both previous directors present, Ruth and Mel Mills and Jean Batan. Charter members, Tinnie Smith and Eula Merrell, were here also. Thanks to Elva Robinson who baked and

decorated the birthday cake. There were 52 folks to attend the March 31st Birthday/Anniversary supper. Jr. Brumfield opened the evening with prayer. A happy birthday song was sang to: Tinnie Smith, Jewell Fortenberry, Cennet Rhodes, Josie Burgess, Thelma Rudder, Ellie Wilkinson, Verdie Tipton, Ann Bunyan, Della Allen, and Dollie Cole. Ellie Wilkinson made beautiful silk corsages for the ladies celebrating their birthdays. She also baked and decorated a pretty cake to honor them. Door prizes went to Hugh Neuhaus and fun prizes made and donated by Louise Dickinson went to Doug and Josie Burgess and Lorene McAnear. We

were then royally entertained by the "Clowns of Joy" group from Pampa. They performed several clever acts and concluded by stirring up a Birthday Cake. Needless to say, the audience was relieved to find out we didn't have to eat it. We truly appreciate them for sharing their time and talents with us.

Thanks to Don and Annie Wooten for picking up food at the Food Bank last week and appreciated Olace Hicks and Jr. Putman for helping unload the truck.

Thanks to Rachel Butler for a lot of new magazines for folks to enjoy reading. Elmo Fortenberry drove the Van to take a group of our Seniors to the Caprock Jamboree at Silvertown on Saturday night, April 4th. They reported an enjoyable evening.

A big thanks to our faithful volunteers in March: Ann Bunyan, Thelma Behrens, Janice Brietling, Helena Catoe, Lee Caskey, Joe Conti, Dell and Elmo Fortenberry, Hazel Guy, Mary McAnear, Marie McCracken, Nita Meadors, Dorothy Pitts, Elva Robinson, Thelma Rudder, Verdie Tipton, Don Wooten, EdaWallin, Karen Wortham, Carmen Wright, and others who do not go unnoticed.

Memorials: Dora McCrary Rippetoe by John McCrary; Facility Use: Senior Citizens Dance club, Fun-After-Fifty Club, Nazarene Youth Group.

Senior Citizens Dance Club will have their 2nd Tuesday night dance at the Community Building on April 14th from 8 till 11 p.m. with Paul & The Country Boys furnishing the music. I apologize for putting it in the paper last week as April 7th.

The Golden Spread Hearing Aid Clinic will be here on Thursday, April 16th from 10:00 a.m. to noon.

New Strategies Needed for Preventing Risky Behavior Among Teens

Traditional strategies to prevent risky behavior among adolescents, such as simply educating teens about risks and using scare tactics, have been largely ineffective, according to an article published in the March issue of *Texas Medicine*.

New programs designed to prevent drug and alcohol abuse, teen pregnancy, teen suicide and other risky behavior need to focus on improving adolescent's behavioral skills and should involve schools and communities, the authors of the *Texas Medicine* article state. *Texas Medicine* is the official news magazine of the Texas Medical Association.

In their article, Drs. Craig Bushong, John Coverdale and John Battaglia state that standard programs to prevent risky behavior have focused on increasing adolescent's factual knowledge or on enhancing self-esteem and responsible decision making. The authors say "no clear relationship" exists between attitudes and knowledge and subsequent behavior. "Indeed, several studies have clearly shown these approaches are ineffective in changing behavior," they state.

Drs. Bushong and Coverdale work in the Department of Psychiatry at Baylor College of Medicine in Houston. Dr. Battaglia is with The University of Texas Southwestern Medical Center in Dallas.

"One popular preventive program that has spent millions of dollars over the past several years without systematic investigation of effectiveness is the well-publicized 'Just Say No' campaign," Bushong, Coverdale and Battaglia write. "Data suggest that programs that use a variety of 'scare tactics are often unsuccessful in influencing behavior."

Psychiatric and behavioral problems have replaced infectious disease as the major cause of illness and death among adolescents. Seventy-five percent of adolescent deaths result from accidents, suicide or homicide. Alcohol and drug abuse remain high and incidents of physical abuse and neglect are increasing. More than 700,000 teen-age girls become pregnant in the U.S. each year, and rates of sexually transmitted disease are increasing.

The authors conclude that more effective prevention strategies may need to focus on social influence and personal and behavior skills. Such prevention programs would make students aware of social influences that encourage problem behavior and teach them specific strategies to refuse those influences.

The Texas Medical Association supports research and training in all aspects of adolescent at Texas medical schools and supports comprehensive health education programs in public schools. The Association also supports legislative efforts to restrict the availability of tobacco products to minors and to ban alcohol and tobacco advertising targeted at youths.

TMA is a professional organization representing 82 percent of the doctors of medicine in Texas and 96 percent of Texas medical students.

Social Security News

Don't confuse Reporting Requirements of Social Security, IRS

Anyone who receives Social Security benefits and who continues to work has to report his or her earnings to two government agencies—the Social Security Administration (SSA) and the Internal Revenue Service (IRS). Earnings must be reported to IRS for tax purposes and the SSA because they may affect the amount of benefits payable.

"The fact that both SSA and IRS have an April 15 filing date apparently causes some confusion about the need to file both reports," said Jim Talbot, Amarillo Social Security office.

"Sometimes, Social Security beneficiaries think filing an income tax return takes care of the Social Security earnings report requirement," he said. "And while the IRS does share tax return information with SSA, the tax return does not provide all the information that SSA needs."

I would like to announce my candidacy for City Alderman.

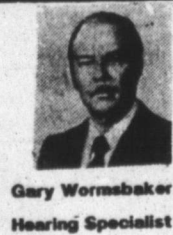

If elected, I will serve the people of Donley County to the best of my ability.

Chorus To Perform

You don't have to leave the Panhandle to enjoy an evening of music straight from New York. The Amarillo Civic Chorus invites you to spend "A Night on Broadway" at the Westminster Presbyterian Church.

On Friday, April 24, there will be a Gala Benefit Performance beginning with dinner at 7:00 p.m. On Saturday, April 25, the concert begins at 8 p.m.

On both nights the chorus will perform selections from hit musicals, such as *Les Miserables*, *Fiddler on the Roof*, *Miss Saigon*, and *The King and I*.

The Amarillo Civic Chorus was formed in 1980 and has developed into one of the top community choral organizations in Texas. The singers come from all walks of life and range from church choir directors, to music teachers, college music majors, business professionals and homemakers.

This is the fourth annual Night on Broadway and is one of the primary fund-raising events for the chorus. Tickets are available by phoning Richard Nance at 371-5344.
