## Economy Recovering

According to State Comptroller John Sharp, the Texas economy is improving. Donley county's economy seems to go along with the state trend.

"Overall payments to Texas cities and counties have increased each month this year, indicating slow economic improvement and a gradual increase in consumer confidence," Sharp said.

Statewide, receipts from sales taxes are up slightly over eight percent. Donley County was up a whopping 30.05 percent for April (March sales) and a decent 7.3 percent for the year-to-date. Clarendon was up 23.35 percent over April 1991, and up 6.18 YTD. Hedley did not compute for the month, but was up 29.24 percent for the YTD. Howardwick racked up a big 97.08 percent increase for April and a 10.76 percent for year-to-date. (That high percentage may be due in part to mistakes in reporting the Country Club in previous years.) There is no question but that the county and its three major communities did well.

Not all towns in the region fared so well. Claude (Armstrong County) was off 29.43 for the month and -4.25 percent for the YTD. Briscoe County's figures were skewed by a recent tax increase in Quitaque. Carson County was up 67.11 percent for April and 13.86 YTD. (Groom was off a little, but Panhandle was way up.)

Childless figures were not comparable due to a news city sales tax, but were probably up some. Wellington posted an increase of 12.52 and 4.78 percent. Gray County (LeFors, McLean and Pampa) were -0.84 percent and -1.15 percent. Hall County (Estelline, Lakeview, Memphis and Turkey) were up for the month, down for the year, +6.03 and -0.56.

Hansford (Gruver, Spearman) gathered in a 25.67 percent and 13.97 percent increase. Hardeman County (Chillicothe and Quanah) slipped 12.68 for the month, but still managed a 0.03 percent increase for the YTD. Hemphill (Canadian): -5.86 percent and -2.89 percent. Hutchinson (Borger, Fritch, Sanford and Stinnett) got about 10 percent more trade for both periods. Kent County (Jayton) declined by 7.90 in April but perked up 3.88 percent for the YTD. Lipscomb (Booker, Darrouzett, Follett and Higgins) took just the opposite course, up 14.65 percent and down 2.60 percent respectively.

Moore County, (Cactus, Dumas and Sunray) eased up 10.89 percent for April but was down YTD by -0.83 percent. Ochiltree (Perryton) sagged by 22.61 for April and dipped 13.36 percent YTD.

Potter (Amarillo) was up 9.66 percent and 4.82 percent, but Randall (Canyon) did even better, with 35.28 percent and 9.84 percent. Wheeler (Mobeetie, Shamrock and Wheeler) were up, but Shamrock's addition of a city sales tax throw the exact figures off.

LEE GAGE, Nathan Lowrie and Luis Serano hold aloft the trophy from District Track Meet at Wellington. The Broncos took first place in the meet. Lowrie was in a number of events that helped carry the day.

## AIDS Killing Young People

According to a new report by the United States Department of Health and Human Services, the greatest rate of increase in contracting AIDS is among young people engaged in heterosexual (male-female) activity. It is spreading very rapidly among teen-agers.

AIDS is now the second leading killer of young men and the fifth leading killer of young women. What is really frightening about the figures is that the average time between contracting the HIV virus and the appearance of full-blown AIDS is about ten years. This puts the statistics behind the actual infection level, but it also allows HIV carriers a long period in which they are infecting other sexual partners with the virus. And more than 40 percent of the high school students that were surveyed reported having more than one sex partner.

The report characterizes teen-age sexual behavior as "high risk activity."

The department notes that there has been an increase in the use of condoms, but noted that only a third of sexually active teen-agers use them. And condoms do not guarantee "safe sex". Accidents happen and AIDS is spreading.

HIV virus cannot be passed through accidental contact. The most common method of transmission is sexual intercourse; drug addicts are often infected by sharing needles.

Although the Federal survey did not deal with individual towns,

MOUNTAIN MAN is typical of the frontiersmen and Indians who will be coming to town for Saints' Roost Day.

## Saints Roost Day Set

The Les Beaux Art Club of Clarendon will host the second annual Saints Roost Day, Saturday, May 2, 1992, from 10 a.m. to 5:00 p.m. at the Saints Roost Museum. Scheduled events will include a real flavor of our Western Heritage complete with the Adobe Walls Dancers performing authentic Plains and Pueblo Indian dances which have thrilled audiences for nine years. They are a co-educational group from Explorer Post #565 from the Hutchinson County

Museum and have performed throughout the Texas Panhandle, Oklahoma, and Kansas. Mountain Men will be setting up camps complete with musket demonstrations, settings depicting life in the middle 1800's... a real Chuck Wagon complete with country cookin'... many local and area artisans exhibiting their wares... a very special Art Exhibit depicting early day scenes from the Panhandle area. Museum Tours... and many, many more surprises are in store.

Come on down to Clarendon for a real day in the west, just the way it used to be (and in Donley County, still is!). For information concerning exhibits or concessions you may contact Tandy Boston at (806)874-2513 or Anna Beth McNabb at (806)874-2106.

### Baby Pageant Set

The Medical Center Nursing Home will be hosting a Baby Pageant to raise money for the residents of our home. The money that is raised will be used for residents activities, necessities or other needs of the residents.

The Baby Pageant will be held April 25, 1992 at 2:00 p.m. at the Medical Center. There will be three age divisions 0-1, 1-2, 2-3. Winners of each division will then compete for over-all Most Beautiful Baby. Prizes and banners will be given to each winner. A selected panel of residents will be the judges for this special event.

You may pick up your entry form at the front office of the Medi-

cal Center and there will be a \$5.00 entry fee charge. If you have any questions you may call the Medical Center at 874-3760. Everyone at the Medical Center looks forward to seeing you! Remember the joy that children can bring to the elderly. Hope you will come share your little ones with us.

### Look Who's New

Leigh Ann Layton would like to announce the arrival of her brother, Dalton Wayne Layton. He was born March 14, 1992, at Dumas Memorial Hospital. He weighed 6 pounds 11 ounces.

Proud parents are Joel Wayne and Kim Layton of Dumas. Paternal grandparents are Charlie Layton of Dumas and Sandra Layton of Clarendon. Maternal grandparents are Mr. and Mrs. Bill Hodges of Borger, formerly of Clarendon.

### Leader's Day Set For April 22

Girl Scouts of the USA have declared April 22, 1992, Girl Scout Leader's Day. This is an opportunity for girls, their families, and the community to express their appreciation for the time and energy these loving, caring individuals give to help prepare girls to meet the challenge of tomorrow. These volunteers need your support and to know that they are appreciated.

Here are some suggestions for wasp to say "Thank You for a job well done" to that special leader or other adult volunteer:

Send thank you cards and let-

ters; make posters showing your appreciation; a surprise party; bake something special; give the leader a troop photograph of each girl; plant a tree in the leader's honor or present the leader with a special award designed by the troop; sing for your leader.

Use your imagination. The important thing is to say "Thank You" to your daughters Girl Scout leaders on their special day.

### Masons to Give Scholarship.

The Clarendon Masonic Lodge would like to announce the availability of applications for their annual scholarship. The scholarship will be given to a deserving 1992 graduate of Clarendon High School to be used at Clarendon College. Selection of the recipient will be based on character, patriotism and, community service and scholarship. The Masonic Scholarship is funded by local Masons, donations and memorials. Applications are available from Mrs. Check, Clarendon High School Counselor or Mr. Don Smith, Director of Student Aids at Clarendon College.

### AIDS - from p.1

It should be noted that earlier reports show that the virus has spread to every community in the country. The State of Texas reported the presence of the virus in virtually every Panhandle county, including Donley.

There are no vaccines against the HIV virus. There is no cure for AIDS.

Anyone desiring more information can call the Center for Disease Control toll-free at (800) 342-AIDS.

GENEVA MAYS R.N., and home health patient, Mrs. Tolbert, and Dorothy Brittan Careworker.

Arla Hiner, Assistant administrator of Kimberly Quality Care at 6300 I-40 West, Suite 202 in Century III, believes that quality care is her company's most important goal.

"Our motto is, 'Quality of Life is Our Commitment,'" she commented. "It is something we never lose sight of when dealing with clients and their families."

Ms Hiner said Kimberly Quality Care was created in 1987 with the merger of North America's two largest health care service and personnel companies, Kimberly Services, Inc., and Quality Care, Inc. With over 400 community-based branches in 42 states and Canada, the organization provides services to over 1,000 health care facilities and 35,000 households every day of the year.

She said that each Kimberly Quality Care branch is staffed by a professional team from the local and surrounding community. All team members have a strong desire to contribute to the professional success and fulfillment of caregivers, quality assured service capacity of institutional customers, and health and happiness of home care clients.

"Our community-based office here in Amarillo is supported by a strong national organization with six operating divisions and multiple regions, each with its own strategically located management team," she said. "Our goal is to provide compassionate, cost-effective services with pride and respect. Our primary assets are the health care professionals who choose to associate themselves with us. We continually strive to provide the highest care for our clients and the best work environment for our staff and associates. By employing the choice caregivers, we are able to assure that the care we provided clients in the community and throughout the region is of the highest quality."

Ms Hiner said that due to the rising cost of institutional care, many patients are being sent home sooner. Home health care is one way to address this problem and provide care in familiar surroundings to clients who need it.

Services provided by Kimberly Quality Care include: Medicare/Medicaid approved services, supplemental staffing, IV therapy, physical therapy, speech therapy, medical social worker services, insurance reimbursed care, private pay, HME/DME equipment and rehabilitation services.

Kimberly Quality Care's Amarillo office serves an area within 60 miles of the city and a satellite office in Clarendon serves another 60 miles radius from that community.

Each office offers services seven days a week, 24 hours a day. Kimberly associates are available on a weekly, daily or even hourly basis if the need arises.

For more information on the services Kimberly Quality Care can offer, visit the office at 6300 I-40 West, Suite 202 in The Century III building, or call them at 3553-7488 or the Clarendon Office at 111 W. 3rd Street, or call at 874-3524.

**Childhood Poisonings: What Should You Do?**

According to a recent article in *Patient Care*, 65 percent of all reported poisonings affect children younger than 5 years of age. The tireless curiosity of children from age nine months to five years makes this age group especially vulnerable to household poisonings. During the late afternoon hours, just before dinner, is the time when a large number of poisonings in small children tend to occur. Try to watch children closer during this time of the day, and follow good poison-prevention habits. If you suspect that a child has swallowed a poisonous material:

- Quickly attempt to locate the material or materials that caused the suspected poisoning. Determine the amount of material the child could have ingested.
- If the material is corrosive, such as drain or oven cleaner, give the child milk or water if conscious and able to drink the liquid on his or her own.
- If the material is in the child's eyes or on their skin, flush the area with water for about 20 minutes. If you suspect the poison is a gas, remove the child from the area.
- Call the area poison control center or hospital emergency room. Be prepared to provide the age, weight, and condition of the child and your phone number. Follow instructions provided carefully.

**ASCS Taking Applications.**

The Agricultural Stabilization and Conservation Service is currently accepting applications for the 1992 feed grain, wheat and cotton programs. The sign up period ends April 17.

The program offers price support loans, deficiency payments and other program benefits to farmer who reduce their acreage bases by 5 percent for wheat, corn and grain sorghum, 10 percent for upland cotton and 0 percent for oats.

"Producers may request advance deficiency payments in cash when they sign up," according to Drew Thornberry, County Executive Director at Donley County ASCS.

Producers who meet acreage reduction and other program requirements may obtain price support loans at a national average rate of \$2.21 per bushel for wheat, \$1.72 for corn, \$1.63 for grain sorghum, \$.88 for oats and \$.5235 per pound for cotton.

Established target prices are \$4 per bushel for wheat, \$2.75 for corn, \$2.61 for grain sorghum, \$1.45 for oats and \$.729 per pound for upland cotton.

Thornberry said the 1992 programs have many planting options, the same as 1991. "Up to 25 percent of the crop acreage base for flex acres may be planted to any production crop, any oilseed, industrial, or experimental crop designated by the USDA or any other crop except fruit and vegetables.

Corn and sorghums permitted acreage will be combined. He said the planting mix is at the producer's discretion. Deficiency payments will acre as if corn was planted on corn base and sorghum was planted on sorghum base.

As with the 1991 programs, 0/92 conserving use (CU) acreage may be planted, at the producer's discretion, to minor oilseeds, namely sunflower seed, safflower, flaxseed, canola, rapeseed and mustard seeds. "If minor oilseeds are planted on this acreage, producers must choose between deficiency payment eligibility and price-support program eligibility," the ASCS official said.

For additional 1992 farm program details, producers may contact the Donley County ASCS office. The sign up period ends April 17.

grandparents, Olace Hicks of Clarendon and Paul and Mary Bell Kyle of Lubbock; three nieces and nine nephews.

Casket bearers were Todd Phillips, Kelly Chandler, Bobby Daniels, Brad Braddock, Tony Floyd, and Junior Hudson.

The family requests that memorials be to Clarendon College; P.O. Box 968; Clarendon, Texas 79226-0968.

**Dear Editor,**

A group of friends gathered at the Clarendon Fire Station on April 12 at 3:00 p.m. to say good-bye to Phillip Vargas. Sunday was Phillip's last day on duty as Paramedic with the Clarendon Ambulance Association. Phillip is moving to Amarillo where he will be employed at St. Anthony's Hospital in the Emergency Department. He will be caring for Cardiac patients.

There is an old saying that goes "sometimes we don't know what we have until we lose it". I feel that a lot of people in Donley County have no idea what they have lost. But I also know that many of us know only too well what we have lost.

As we came to say good-bye to Phillip and to wish him well there were several people who stood to try to tell what he has meant to them through the years. None of us were able to say what was really in our hearts in the few minutes we had. There was a few laughs as we recalled some of the funnier things and there were also quite a few tears.

A little over four years ago when I first became when I first became an EMT, I like so many others didn't know Phil. I will be the first to tell you I was scared silly of him. A lot of people had a lot of different things to tell me about him. Most was good but as always some was not so good. But over this last four years as I have begun to feel that I really know Phillip, there is one thing that stands out to me above all others. Phil Vargas cares about the people of Clarendon and Donley County. Phil cares about people period. No one who saw the tears as Phillip tried to thank each of us for the party could fail to understand that.

Phillip understands something that I feel some of us as EMS Personnel have forgotten. Our only reason for being is Patient Care. The patient has got to come before anyone's egos, feeling of self importance, hurt feelings or any of the other silly things we sometimes manage to come up with that seem to get in the way of why we are out there on that ambulance. The Patient must come first, as they always have with Phillip and many of the other perscnnel.

Phillip has just finished teaching a EMT class at the fire station in Clarendon. I feel very fortunate to have had the opportunity to have been a student in that class. I never made an ambulance run with Phillip that I didn't feel that I learned something from him. I never sat and talked with him at the Donut Stop for very long at a time that there wasn't something that would come up that he would explain to me that would help me understand something I had not been clear on.

Phillip will do well in his new job I am sure. We wish him only the best. Brand said in her speech at the farewell party that Phillip was many different things to many people. To her he is of course "Daddy", to me he was a Paramedic and teacher. But most of all I feel he is my friend. Good friends are rare. My best to you, my friend!

ary Skills. Amy Thornberry ranked third and Jason Lee took sixth in Ready Writing.

Josh Shields, Jacob Smith, and Ty Lewis took first, second, and fourth honors in Maps, charts, and Graphs. Amy Thornberry, Ty Lewis, and Heather Shields captured first, third, and sixth places in Seventh and Eight Spelling. This makes the third year in a row that Amy has won the spelling contest.

On Friday, Walker McAncar garnered first place honors in Fifth and Sixth Grade Maps, Charts, and Graphs, while Nathan Sears tied for third place. Nathan also tied for fifth place in Fifth and Sixth Number Sense.

Second place honors in Picture Memory went to fourth and fifth graders, Carey Thornberry, Nikilia Carter, Lindy Helms, Deborah Morrow, and Nathan Sears.

In the junior high contests, Scott Bivens earned sixth place in Science 7, while Josh Shields, Jason Lee, and Evan Williams scored second, third, and fifth respectively in Science 8.

Amanda Ballard tied for sixth place in Number Sense, and Will Boston came in fourth in Im-

promptu Speaking.

Lynn Hearn finished first in Oral Reading with his rendition of "And So Was I!" while Corey Knorpp earned fifth place with "Aren't Boys Awful?"

Congratulations to all these winners.

## 4H--cont'd from 1.

In the Jr. division Donley County 4-H team A placed second winning 1st in sheep judging and 1st in swine judging. The team consisted of Sammy Slover, James Lee Potts, D. J. Edwards, and Josh Talley. James Lee Potts was 4th high individual overall. Sammy Slover was 7th high, placing 2nd in swine judging and tying of 4th in sheep judging. D. J. Edwards tied for 4th in sheep also.

Jr. team B also did well with Ty Lewis tying for 1st in sheep, Matthew Talley tying for 3rd in swine and Mark Howard placing 9th in swine judging. This was the last contest for the Jr. team this year.

MELVIN JEFFRIES played a large part in the Junior High's victorious track season, but virtually every athlete did an outstanding job this year.

SCOTT HANKINS, son of Mr. and Mrs. Eddie Hankins of Clarendon, Texas has received a Presidential Scholarship from Oklahoma Christian University of Science and Arts. The Scholarships were announced at a dinner hosted by Oklahoma Christian President J. Terry Johnson on March 8. Presidential Scholarships range from \$4,000 to \$10,000 over four years for students qualifying criteria. Recipients must have a composite score of 25 or above on the ACT examination or 1020 or above on the SAT examination and a grade point average of 3.65 or above.

## Take Pride in Preservation Projects

By Zelle SoRelle

Official Texas historical markers are extremely important in promoting and preserving all aspects of Texas' rich heritage. Markers can serve as educational tools both for informing the public about Texas history and for sparking interest in preserving local history. The Donley County Historical Commission supports these goals and hopes that every person—man, woman and child—in Donley County will also support such projects, because the Donley County Historical Commission is inviting you to help buy the marker for the Colonists' Cemetery where the old marker—our "historic artifact" is located. An article appeared on the front page of the April 9 edition of *The Clarendon News*.

If you would like to leave a check or cash contribution to the fund, please go by the First Bank and Trust or the Donley County State Bank.

## Johnson To Play In All-Star Game

Coaches from the Texas Six-Man Coaches Association have named representatives to play in the Annual East-West All-Star Basketball game this summer at the Texas Six-Man Coaches Association Convention. Kevin Johnson from Hedley, Daniel Harris from McLean, and Matthew Neighbors from Miami were chosen from District 1.

These All-Stars are nominated by their own high school coaches and then voted on by the coaches from the district member schools.

Kevin is a senior at Hedley High School and the son of Mr. and Mrs. S.J. Johnson, Sr. of Hedley. Kevin has also been named Basketball District 12-A All-District and Six-Man Basketball All-State.

The Texas Six-Man Coaches Association Convention will meet at Wichita Falls this year during the week of July 12-18. The basketball teams will practice throughout the week and play the East-West Basketball All-Star Game on Friday evening, July 17th.

Hedley is fortunate to always have talented student-athletes to represent them and are especially proud to have their students honored with such honors. They are proud of Kevin and feel sure he will represent them well in Wichita Falls.

I would like to announce that I am a Candidate for Place No. 4 on the Donley County Hospital Board.

I was born and raised in Donley County, raised and educated our family here, and would like to return something to this community which has offered our family so much over the years.

Your consideration in this matter on May 2nd would be sincerely appreciated.

## Four Owls Chosen Academic All-State

The Texas Six-Man Coaches Association recognized four members of the Hedley High School boy's basketball team for their outstanding achievements in academic areas by naming them to the Academic All-State Basketball team. Those chosen from Hedley were Wade Gillispie, Robert Stafford, Brannon Stephens, and Stephen Carson.

Members chosen for the honor must meet the following criteria: (1) School must be a member of the Texas Six-Man Coaches Association. (2) Student must be classified as a Junior or Senior in high school. (3) Must maintain an average of 90 overall for the first semester of the current school year. This average excludes classes in fine arts and physical education. (4) Must attain no grade lower than 85 in any class.

Wade is a senior at Hedley High School. He is the son of Sandra Gillispie of Hedley. Wade is involved with baseball and One-Act Play at Hedley High School.

Robert is a senior at Hedley High School. He is the son of Jean Stafford of Hedley and Steve Stafford of Carlsbad, N.M. Robert is also involved in baseball, One-Act Play and F.F.A. livestock showing.

Brannon is a senior at Hedley High School. He is the son of Mr. and Mrs. Henry Stephens of Hedley. Brannon also participates in the One-Act Play, baseball, and F.F.A. livestock showing.

Stephen is a junior at Hedley High School. He is the son of Dr. and Mrs. Ben Carson of Quail. Stephen is involved in baseball, One-Act Play, and F.F.A. livestock showing.

This is the initial year for the Texas Six-Man Coaches Association to recognize Academic All-Staters in Basketball and everyone at Hedley High School are very proud to have these students-athletes honored by the organization.

## Hedley CISD Board of Trustees Election

Three members of the Hedley Independent Consolidated School District will be elected on Saturday, May 2, 1992. The election will be held in the Lions' Den from 7:00 a.m. to 7:00 p.m. The Lions' Den is on Main Street in Hedley, Texas.

The candidates' profiles are as follows: Jerry Hicks is a current board member running for a two-year unexpired term. He is a rancher in Quail, Texas.

Carol Ward is a current board member running for re-election. She is a registered nurse and teaches nursing at Clarendon Junior College.

Janie Hill is a first-time candidate. Janie owns and operates Janie's Beauty Shop in Hedley.

These three people have expressed enough interest and concern for the Hedley CISU that they have entered their names for the three positions up for election. The terms for these openings are: (1) two-year unexpired term and (2) three-year term.

Mary Ruth White has been appointed election judge. Absentee voting will take place by going to the Superintendent's Office at Hedley CISD. April 13 to April 28 absentee voting may be conducted in person at the school office. With valid reason absentee voting by mail may be done from April 18 to April 24. The hours for doing absentee voting will be 8:00 a.m. - 4 p.m. The absentee voting clerk's address will be P.O. Box 69, Hedley, Texas 79237.

## Johnson Chosen All-State

The Texas Six-Man Coaches Association chose for the first time a Basketball All-State team from its member schools. Each school had the opportunity to nominate players to the team. The team was then chosen by committee.

Hedley's Kevin Johnson was honored for his accomplishments as a basketball player. Kevin is a four-year letterman for the Owls. He averaged 24 points per game and 10 rebounds per game for the 1991-1992 season. He is the son of Mr. and Mrs. S.J. Johnson, Sr. of Hedley.

**Thank You**

I wish to thank all my friends and loved ones for their prayers, flowers, cards and calls during my illness.  
 Lela Norton

**Thank You,**

The family of Frank T. Barbee wishes to express their sincere thanks and appreciation to everyone for all the flowers, food, cards, phone calls, and visits. Your thoughtfulness and prayers helped us all through this very sad time.  
 God Bless you all.

**Thank You,**

Thank you for your many thoughtful expressions of love through cards, words, flowers, prayers and food.

Thank you too, for the friendship and love shared with us. May God bless each of you. The family of David Wayne Hicks

**Notice of Thanks**  
 The Hedley Lioness Club and The Hedley Senior Citizens Center wish to take this opportunity to thank everyone for their participation in attending the lunch we had April 5, 1992. The proceeds from this activity will go to The Hedley High School to help with the Scholarship fund. We wish to take this opportunity to recognize again John and Verda Hinds for getting the Senior Citizens Center started. At the time the Center was started it had to operate under the School Board of Directors for a time.

Also, we wish to recognize again that Garland Gardenhire as the only living Boardmember of the original Senior Citizens Center. The Senior Citizens Center was started July 18, 1978.

**Thank You,**

To everyone who donated food to the Scouting for Food Good Turn, we say Thank you. Your help is greatly appreciated. All food donated will remain here in our community to help our needy neighbors.
