TERRI AND FRANK HOMMEL were featured on the cover of the July issue of *Texas Co-op Power* magazine. The magazine featured their Bar H Working Dude Ranch and several other area tourists attractions.

Local Business Makes Cover of State-wide Magazine

Frank and Terri Hommel and their Bar-H Working Dude ranch are featured on the cover of the July issue of the *Texas Co-op Power* magazine. Together with Tom Christian, the Hommel's were cited for bringing tourists into the Panhandle area. They have made a substantial contribution to the local economy.

The Bar-H Working Dude Ranch is located just west of Lake Greenbelt on FM 3257.

Co-op Power writes that the ranch offers many opportunities for visitors; "Besides eating, visitors can ride horses, swim, play horseshoes or volleyball, take a hike or just hang out and watch for wildlife and the Bar H buffalo."

Probably the prettiest picture in the article shows Alice Hommel ready to serve a big plate of steak, salad, baked potato and sourdough bread.

Texas Co-op Power has sends out over 412,000 copies and is read by more than 900,000 readers.

continuing to 6:00 p.m., Monday September 6, the 2 1/2 hour extravaganza will ordinate live from the Sahara Hotel in Las Vegas, and will be carried throughout the country by some 200 "Love Network" stations. The local number to call is 874-3516.

Clarendon CISD Adopts 1993-94 Budget

Looking toward some capital improvements, the Clarendon CISD school board approved a budget 3.3% higher than the previous year's budget. Total budget expenditures for the coming year totaled \$2,877,552. This reflects some mandated salary increase as well as provisions for some building improvements. Projected revenue for the year will be \$2,812,087. State funding has been reduced \$100 per average daily attendant for all schools or a total of about \$50,000 for Clarendon School. Any expenditures above revenues would have to be taken from the existing fund balance.

Phil Barefield, district superintendent, stated that the Clarendon School Board has always adopted lean, yet efficient budgets. "This budget will allow us to be progressive without being extravagant. We must maintain our facilities and provide a safe environment for our students. I am pleased that this community takes pride in its facilities and school program."

Governor Proclaims PTA Month

Governor Ann W. Richards recently proclaimed the month of September as PTA Membership Enrollment Month in Texas.

The proclamation stated, "Texas PTA's more than 2,600 local units make it an easily accessible avenue for all people to get involved in education and child advocacy."

"Because children need advocates, schools need volunteers, and citizens need a link to children's education, PTA urges all citizens to 'Put Your Heart in PTA - For All Children - all year round, but especially during the month of September.'"

An organization of volunteers - parents, educators, community leaders, grandparents, and

Deadline For Paper

The deadline for *The Clarendon News* will be Friday, September 3rd. The paper office will be closed for Labor Day.

Dove Season Coming to Area

Dove season for the North Zone will open on September 1 and run through November 9, 1993. The North Zone includes all of West Texas north of Interstate 20, including all of the Panhandle. Shooting hours will be from one-half hour before sunrise to sunset. The daily bag limit in this region is 12 mourning, white-winged and white tipped (white fronted) doves in aggregate, to include not more than six whitewings and two whitetips. Possession limit is twice the daily bag limit. (White winged and white tipped doves are not common this far north.)

It is illegal to use any firearm other than a legal shotgun. Other illegal devices include traps, snares, nets, crossbows, fishhooks, poison, drugs, explosive devices or stupefying substances. It is illegal to bait birds by placing corn, wheat, salt or feed to lure birds, or to hunt over baited areas. (An area is considered to be baited for 10 days following the complete removal of all bait materials.) Standing crops or fields containing shocked grain or grain scattered by normal agricultural activities are not considered baited areas. It is not necessary for a hunter to know an area is baited to be in violation for hunting over a baited area.

The use of live birds as decoys is illegal, as is any recorded or electronically amplified bird calls or sounds.

Hunting from a motor-driven vehicle is illegal, including any kind of land conveyance or aircraft. (There are limited exceptions to this rule for the benefit of severely disabled people. See you game warden for details). Hunting from a sink-box is prohibited.

For additional information, call the Texas Parks and Wildlife Department, toll-free, at (800) 792-1112 or write Texas Parks and Wildlife Department, 4200 Smith School Road, Austin, Texas 78744.

Anyone who observes poaching or other violations can call, toll-free, (800) 792-GAME.

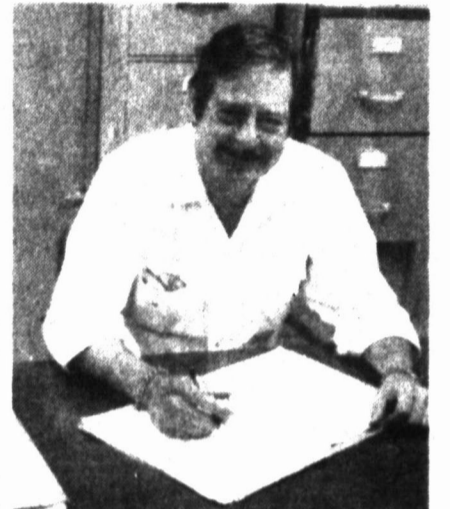

Girl Scouting Staying Strong

Girl Scout registration at JAMZ was a big success. Over 50 girls enjoyed ice cream while registering for the upcoming year.

Girls interested in joining Girl Scouts who were unable to attend registration night may contact Denise Bertrand at 874-2846 or any Girl Scout leader for information on meeting times.

Scouting Set

School Night for Scouting will be September 9 from 6 p.m. to 7 p.m. at the Clarendon High School Cafeteria. Boys in the 1st, 2nd, 3rd, 4th and 5th grades and not registered in Cub Scouting are invited to attend. This is an opportunity for boys and their parents to talk with Cub Scout leaders and complete registration.

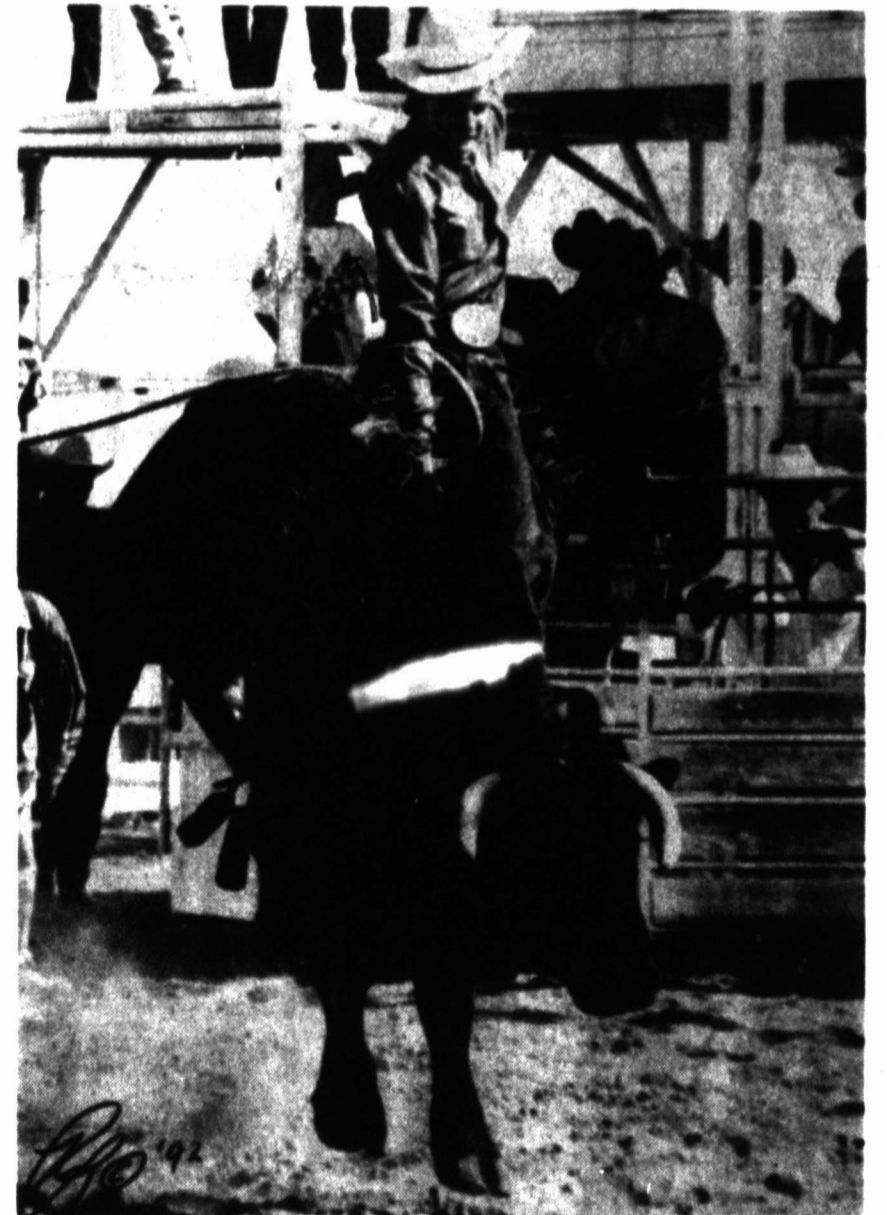

JIM DONAHO will be honored at a reception Thursday at the SCS Office from 10 to 4.

Reception To Be Held

An open house honoring Jim Donaho, retiring S.C.S. District Conservationist will be held September 2nd from 10:00 a.m. to 4:00 p.m.

Everyone is invited to drop by.

HEXT RODEO COMPANY cuts new path along old trails, headed for Wellington Rodeo, August 16 thru 20th.

Local Attends Camp

Stephanie Floyd, 14, daughter of Johnny and Terri Floyd, of Clarendon, recently attended the Texas Lions Camp in Kerrville. Sponsored by the Howardwick Lions Club, this camper had the opportunity to ride horses, study nature and participate in sporting events between classes designed to teach insulin dependent children to manage and understand diabetes.

STEPHANIE FLOYD attended the Texas Lions Camp in Kerrville.

A team of doctors, nurses, and dietitians from the University of Texas Medical Branch at Galveston taught campers about exchange diets, blood sugar level testing, the effects of exercise on blood sugar levels, and how to give their own insulin injections. The team helps campers to understand the importance and reasons for medical testing.

A well-trained staff supervises each camp activity with a ration of one counselor to three campers. Located on 500 acres of Texas hill country, the camp serves diabetic children ages 7 to 17. The Texas Lions Camp is a non-profit organization funded by generous individuals interested in providing challenging programs for handicapped and diabetic youth. This service is provided free of charges for eligible children.

WILBERT BERNANE and Terry Tomplen present a check to Bronnie McNabb for relief for flood victims in Missouri. Local citizens, the Ministerial Alliance and the Lions Club raised money with a city-wide garage sale. The money will be administered by the Salvation Army.

Obituary

Glenn Ray Ivey

Funeral services for Glenn Ray Ivey, age 37, were held at 2:00 p.m. on Thursday, August 26, 1993 in Robertson Chapel of Memories in Clarendon with Bryan Knowles, Pastor of the Martin Baptist Church, officiating. Interment was in Citizens Cemetery with arrangements under the direction of Robertson Funeral Directors, Inc.

Mr. Ivey died in an automobile accident at approximately 12:30 a.m. on Tuesday, August 24, 1993 at the intersection of US Highway 60 and Farm Road 1912 just east of Amarillo. He was born May 3, 1956 in Dumas, Texas and had lived in Memphis for 4 years before moving to Panhandle 9 years ago. He was a cable splicer for GTE Southwest and was a US Army Veteran. He was a member of the Bolton Street Baptist Church in Amarillo.

Survivors include his mother, and step-father, Frances and Roy Don Stevens of Clarendon; two brothers, Brent Ivey of Panhandle, Troy Ivey of Amarillo; one brother, Wilson Ivey of Amarillo; his maternal grandfather, W.B. Bray of Clarendon; two step-sisters, Donna Stevens of Longmont, Colorado, M'Lissa Hester of Lubbock; and two step-brothers, Roger Stevens of Amarillo and Thomas Stevens of Pampa. He was preceded in death by his father, Granville Lee Ivey in 1982.

Casket bearers were Ben Davis, Richard Shores, Candy Reyes, Leroy Hamner, Wayne Wallace, and Tony Brasher.

The family requests that memorials be to a favorite charity.

Put Your Heart In PTA

"Put Your Heart In PTA--For All Children" has been declared the 1993-94 Texas PTA membership theme. September has

been proclaimed "PTA Membership Enrollment Month in Texas". Now, what is Clarendon going to do?

Tuesday, September 7 at 7:00 p.m. the Clarendon PTA officers are ready to kick off the '93 year in High School Auditorium. Do not miss this opportunity to meet and visit with your administrators: Superintendent, Phil Barefield; High School Principle, Kent Hargis; and Elementary and Jr. High Principle, Mike Word. After introductions and background information is shared, the administrators will welcome questions and discussions from those parents. Please feel free to participate in this informal session and to share your concerns, encouragements, and hopes for our school and students.

1993-94 officers are as follows: President-Karen Simmons; 1st Vice President, Program Chairman-Jamie Deyhle; 2nd Vice President, Membership Chairman-Pat-tye Holton; Secretary-Rhonda Newhouse; Treasurer-Debbie Howard; Parliamentarian-Bobbie Thornberry.

Committee Chairpersons: Project-Cindy Shelton; Cultural Arts- DeeAnn Sears; Jr. High Activities-Bobbie Thornberry; Hospitality- Robin Hargis; Elementary-Library-Jan Campbell; Teacher Appreciation-Sandy Anderberg; Student Appreciation-Deanna Cornell; Teacher Liaison-Melanie Shelton.

PTA is an organization made up of parents, teachers, students, administrators, grandparents, and citizens who have an interest in children. Clarendon I.S.D. has approximately 550 students. How many individuals does Clarendon have who are interesting in those students? The auditorium should not be able to hold so many! The Clarendon PTA can and should be a thriving, supportive organization and contributing addition to the school district. Join September 7! Know your administrators and show that you care! Call a committee Chairman! Volunteer for a Committee! Support your child and 549 others. Remember, For All Children-- Put Your Heart In PTA.

Fall! School Beginning! What a wonderful, busy time for children, teachers, parents, and everyone. Burton Memorial Library plans and promises to be here to meet whatever reading and resource needs will arise during this school year.

Many children of our community are already aware of the wide variety of fiction, non-fiction, and biographies available in the special Youth Section, great for pleasure reading involved in book reporting which is always part of Language Arts requirements in various grades. Social Studies and Science reporting can be enriched by, not only updated encyclopedias in the Library's exceptional reference section, but many books from the Texas Collection. Also available are a variety of beautifully illustrated books such as John Jay Audobon nature folios and other animal and Western resource material. Allan Carpenter's *New Enchantment Of America* is a series of fifty books which will attractively acquaint students with each individual state in our country.

Elementary Teachers, Burton Memorial Library is even ready to provide a worthwhile variation in your lesson plans. I speak only for myself, but one of the highlights of each semester during my teaching years was the refreshing walk on a beautiful fall and spring day to the City Library to enrich the reference and research skills which are becoming increasingly necessary to today's students. Librarians, Mary Linn Bills and Mary Green, willingly offer an informative orientation to acquaint children with the library. This can be advantageous for students who have not yet begun their "library experience". Even Kindergarten and First Graders can benefit from library field trips. Remember, there's also a special section for them.

High School and College Students, (this is a reminder of the SIRS (Social Issues and Resources Series) collection which can be helpful for term papers. Issues concerning Alcohol, Crime, Drugs, Family, Mental Health, Pollution, Sexuality, Youth, Third World, and AIDS are included and constantly updated to keep up with our rapidly changing society. *How To Prepare For Sat And Ged* by Samuel C. Brownstein are also in the reference section to assist with study for the tests if necessary.

For you who are not part of the "student population" at this time, you already know your favorite type of book is waiting for you at Burton Memorial Library. Or maybe you'd rather come in and just relax with a magazine or newspaper. Why not check it out?

The Lions Tale

by Gene Alderson

The Clarendon Lions Club held its regular meeting at noon on Tuesday, August 31, 1993 at the Lions Hall with 12 members present. They enjoyed a delicious chicken fried steak dinner. Vice president Jimmy Johnson called the meeting to order and led the Pledge of Allegiance. Prayer was given by Lion Lowe. It was announced that the annual Lions Pancake supper will be held on Friday, September 3rd beginning at 5:00 p.m. Come by and enjoy food and fellowship at the Lions Hall and then attend the Broncos first home game. Tickets may be purchased from any Lion Club member. (Members if you need tickets see Lion Bernabe). Meeting adjourned.

work being done by MDA-sponsored researchers to find treatments and cures for muscle disease. One of the most promising experimental techniques now under investigation is "myoblast transfer therapy." This technique involves the injection of healthy immature muscle cells, called myoblasts, into diseased muscle in an effort to produce hybrid muscle cells that display healthy characteristics. The procedure has shown positive results in laboratory mice. "The people of the panhandle area cant take great pride in their contributions to this major research undertaking," said Karen Lane. "Scientists are closer than ever to developing a treatment or cure - if increased public support of MDA's work can be achieved."

The association currently sponsors some 500 individual research projects worldwide. It also supports some 230 outpatient clinics nationwide, where people with any of the 40 muscle disorders covered by MDA receive medical care, orthopedic aids and related services. The MDA clinics serving the panhandle area are located at St. Anthony's Hospital in Amarillo.

Public Notice

Southwestern Bell Telephone Company (SWBT) is asking the Public Utility Commission of Texas (PUC) for approval to offer Caller ID service in Texas. This service includes Calling Number Delivery, Calling Name Delivery and Anonymous Call Rejection (ACR). This service will be deployed statewide on a staggered, city-by-city basis, over a period of years in Texas in association with residence, business single and multiline services, but not PBX, Centrex or Plexar services, where facilities are available. Caller ID is an optional service which allows a subscriber to see date, time, and the phone number (Calling Number Delivery) and/or name associated with the number (Calling Name Delivery) of most direct dialed local calls and some select long distance calls before the telephone is answered. Anonymous Call Rejection is a Caller ID service which permits a subscriber to automatically reject calls from callers who have blocked their number/name. Per-call and per-line blocking will be available when the service is deployed. Detailed information on Caller ID service and how to block will be sent to each customer in their telephone bill during the next few weeks.

Persons who wish to intervene or otherwise participate in this proceeding should notify the PUC before October 6, 1993. Other parties may seek to also obtain Caller ID service in association with PBX, Centrex and Plexar services. A request to intervene, participate or receive further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Blvd., Suite 400N, Austin, Texas 78757. Further information may also be obtained by calling the PUC Public Information Office at (512) 458-0256 or (512) 458-0221, teletypewriter for the deaf. For information regarding Caller ID service, residence customers should call 1-800-464-7928, and business customers should call 1-800-499-7928.

The Lions Tale

by Gene Alderson

The Clarendon Lions Club held its regular meeting at noon on Tuesday, August 24, 1993 at the Lions Hall with 11 members and 9 guests in attendance. After a delicious meal, Vice president Garland called the meeting to order and led the Pledge of Allegiance. The prayer was given by one of their guest Bronnie McNabb. Lion Garland introduced Rev. Authur Raj, a missionary from Bangalore, India who was the guest of Lion Tamplen.

The first item of business was the announcement of the successful completion of a joint project to aid victims of the recent flood in Missouri. The project was in the form of a garage sale of donated items (along with cash contributions). The following ladies who put in a great deal of time and effort to make the sale a success were honored as guests of the club: Mary Neal Risley, Roberta Pittman, Clara Lohoefer, Ellie Wilkinson and Billie Shaffer. They expressed their appreciation to Lion Bernabe for repairing some of the donated items and for helping out where ever he was needed.

A check in the amount of \$1534.90, representing the total amount raised by the project, was presented by Lion Secretary Ber-

nabe to the Ministerial Alliance President Terry Tamplen. He then presented it, as a designated gift to Bronnie McNabb who received it on behalf of the Salvation Army.

After a short bingo report by Lion Bernabe, Programchairman Smith introduced Donley County Extension Agent Cheryl Pickard

AMONG THOSE WHO HELPED MAKE the citywide garage sale a success were Billie Shaffer, Clara Lohoefer, Mary Neal Risley, Ellie Wilkinson, Roberta Pittman and Wilbert Bernabe.

Howardwick Lion Club

by Jaunita Meador

Howardwick Lions Club held its regular meeting Saturday, August 28, 1993 at 6:00 p.m. After the opening ceremonies, a delicious meal was served to thirteen members and three guests. The meal was prepared by the members.

Boss Lion Cherry called the meeting to order, thanked Lion Freland Davis for setting up the meeting, welcomed guests, Helen Stroyhorn and Carolyn Langford guest of Lion John and Willie McCauley and thank everyone for the delicious food and gave a big hand to each.

A good time was had by nine members at the zone meeting and BBQ in Hedley on August 26, 1993. Attending were Lion Lucille and D.W. Swain, Jaunita and Bill Meador, Freland and Trudy Davis, Willie and John McCauley and Gennie Cherry.

Lion Freland Davis reported changes in Bingo rules and regulations beginning in September 1993. After some discussion, Lion Nita Meador made a motion that they pass the 5% tax to the Bingo players and to inform the players at Bingo following the meeting. Seconded by Nell Derr. Motion passed.

Other business was workers for High Plain Eye Bank Booth during the Amarillo Fair, September 20 thru 25th and letter from Sid Shaw. The meeting was adjourned with the following thought for the evening, "I've learned that everytime I'm on a trip, I wish I were home. And everytime I'm at home, I wish I were on a trip."

tributed a brochure outlining a number of the activities in which the County Extension Office located on the first floor of the Old Courthouse Building. The program was very informative. After a brief discussion of another matter of business, the meeting was adjourned.

Seminar Offered

By Cheryl Pickard

Women who are interested in learning more about managing their farm/ranch business, regardless of their current role, will have an opportunity to do so in early 1994. The Texas Agricultural Extension Service will offer the second annual sessions of a new program, "Women in Agriculture: Management Development Seminars" in January and February.

Many educational programs dealing with farm/ranch management are attended primarily by men. "Women may not feel comfortable attending, much less asking question about the basics of

topics covered," said Danny Klinefelter, Extension Service economist and management specialist.

"This program is designed with those women in mind," he said. "Farm and ranch wives, women landowners and those who run the business on their own will all benefit from this exciting educational event."

Women in Agriculture: Management Development Seminars will be held in two locations in 1994. The first conference will be January 14-15 in Austin at the Red Lion Hotel/Austin Airport. The second seminar will be February 22-23 in Lubbock at the Lubbock Plaza Hotel.

These two-day conferences will begin with registration at 7:45-9 a.m. on the first day and conclude after lunch on the second. Information will be presented by keynote speakers, in smaller workshop settings and in informal discussion sessions. There will be a wide variety of workshop topics, ranging from financial management, marketing and government programs. Each workshop will be repeated. Workshop topics will include:

- Family and Business Influence on Decision Making
- Farmers Home Administration Programs
- Basic SCS Information
- Marketing Basics
- Hedging and Options
- Agriculture and Environmental Laws
- Developing a Management Information System
- Understanding Financial Statements
- The Essentials of Labor Laws
- Estate Planning
- Income Tax Management
- The Essentials of Labor Laws
- Understanding and Working With Leaders
- Hunting Leases
- Cattle Pricing Decisions
- Interpreting Livestock Market News
- NCA's IRM-SPA Program
- Oil and Gas Leasing
- Supervising Employees
- Government Farm Program Provisions
- Cropland Leases
- Ranchland Leases

Participants in the Women Agriculture: Management Development Seminars can expect to learn practical management and marketing skills, gain confidence in participating in new roles on the farm and meet other women with seminar interests.

The cost of the conference is \$95, which includes two meals, breaks and all conference

materials. The Red Lion Hotel/Austin Airport is on Hwy 290 and I-35. The Lubbock Plaza Hotel is located at 3201 Loop 289 South. For more information, or to register, contact Cheryl Pickard, County Extension Agent or call Janice Baldwin at (409) 845-7171.

Medical Center News

Residents, staff, family and friends really had a wonderful time during their "Fabulous 50's Sock Hop" August 13th. The dining room was decorated with white, purple and orange balloons. They played many songs from the 50's. They would like to thank Shirley Osburn for lending them the music and Julie James for bringing the music for them. During the Sock Hop the residents enjoyed coke floats and then decided to burn off those calories by dancing. They really got their exercise as well as the activity staff who could barely keep up. They had 29 residents present for the Sock Hop.

August 18th they celebrated the Birthdays for the month. Birthdays celebrated were: Andy Robertson, Fred Patterson, Tunnice Kent, Thruclie Foster, Corrine Harrison and Cora Hearn. Everyone has a wonderful time visiting over cake and punch. They want to thank the families for the delicious cakes they brought. They had 30 residents present to help celebrate.

The residents enjoyed eating watermelon while watching the movie "Homeward Bound". They all enjoyed the Walt Disney movie, but mainly the watermelon. They would like to thank Mr. and Mrs. Stamps for giving them the watermelons. They have really enjoyed the treat.

They have received many donations toward their Bereavement Room and they are greatly appreciated. They are anxious to get the furnishing of the room on its way.

Thank to Ralph and Dorothy Grady, they enjoyed sliced cucumbers all week with their noon meal and when you see Cora Hamilton thank her for the delicious watermelon, too.

The trip to the Bar H Dude Ranch on Tuesday evening was a huge success with 77 folks enjoying the delicious hamburger supper expertly cooked by Frank Hommel. They also enjoyed good music played by Jerry Chambliss, Wes

Thomas and Bud White. The evening was cut short when the threatening clouds appeared.

The cooking division held their jelly making class at the Center on Tuesday afternoon under the watchful eye of Cheryl Pickard, County Extension agent, they prepared the jellies which will be entered in the Tri-State Fair in September.

The Health Insurance Counseling volunteer, Duana Wilkinson, will be at the Center on 2nd Thursday, September 9th from 10:30 to 12:30 to help anyone who has questions or problems with Medicare, Medicaid or Supplemental Insurance.

On Friday, August 27, Cheryl Pickard presented their nutritional

education on Food Storage Tips. They appreciate Cheryl doing this for them each month as part of their nutrition program.

The blood pressure and Blood Sugar Clinic will be held on Tuesday, September 7th. Blood Pressure at 9:00 a.m. and Blood Sugars at 9:30 a.m. to 11:30 a.m.

Yes! They will be open on Labor Day, Monday September 6th for the noon meal. Hope to see you then.

PTA Announces Schedule

The Clarendon PTA will have the first meeting of the 1993-94 school year on Tuesday, September 7 at 7:00 p.m. in the High School Auditorium. The meetings will continue to be held in the auditorium on the first Tuesday of each month unless other wise notified.

The 1993-94 PTA officers are as follows: President - Karen Simmons; 1st Vice President, Program Chairman - Jamie Dehyle; 2nd Vice President, Membership Chairman - Patty Holton; Secretary - Rhonda Newhouse; Treasurer - DeeAnn Sears; Jr. High Activities - Bobbie Thornberry; Teacher Appreciation - Sandy Anderburg; Student Appreciation - Deanna Cornell.

Following are the programs scheduled for 93-94:

September 7 - Meet and visit with the administration, Phil Barefield-Superintendent, Kent Hargis-High School Principle, Mike Word-Elem/Jr. High Principle.

October 5 - United States Army Helicopter Static Display and Drug Awareness (Bronco Stadium).

November 2 - Kindergarten Performers, Leslie White and Tosha Duncan.

December 7 - First Grade Follies, Fredia Tucker and Medina Gribble.

January 4 - Physical Fitness and Health Amy Roberts: Tri-athlete and Hawaiian Iron Man Champion.

February 1 - Neil Hess presents the Lone Star Ballet.

March 1 - Physical Education Debbie Howard.

workers and their families. SSI provides disability payments from general tax revenues to disabled adults and children with limited income and resources. To qualify under either program, an adult must have an impairment severe enough to prevent his or her from working. For children, the rules evaluate the effect of the impairment on the ability to function in a manner similar to children in the same age group.

New rules also improve the process for determining whether immediate Supplemental Security Income (SSI) payments may be made (for up to 6 months) pending a formal disability decision.

Social Security Expands Toll-free Telephone Number Services

You can now call Social Security's toll-free phone number, 1-800-772-1213, after normal business hours to request certain Social Security forms and pamphlets and to listen to recorded messages about Social Security programs. "Social Security service representatives are available from 7:00 a.m. to 7:00 p.m. Monday through Friday," says Jim Talbot, Social Security manager in Amarillo. "Now," states Talbot, "to receive some services, you don't need to talk to a service representative, nor do you need to call during business hours."

If you use a touch-tone telephone and call the 800 number from 7:00 p.m. to 7:00 a.m. on weekdays, and on weekends and holidays, you will be connected to an automated system that will enable you to request:

- * a form for a new or replacement Social Security card;
- * a form to obtain a record of your earnings and an estimate of your future Social Security retirement benefits; or
- * a document that provides proof that you receive benefit payments from Social Security, Supplemental Security Income (SSI), or both.

You can listen to recorded messages or obtain pamphlets about: * a retirement benefits; * disability; * benefits for a spouse of a disabled, retired, or deceased worker; * how work and earnings affect your Social Security payments; * Medicare; * Qualified Medicare Beneficiary Program (QMB); * benefits for people with HIV infection; and * benefits for children with disabilities.

"Remember," reminds Talbot, "Social Security service representatives are available to answer you call 7:00 a.m. through 7:00 p.m. Monday through Friday. In some areas," says Talbot, you may also be able to use the automated service if you call the 800 number during normal business hours and a representative is not immediately available."

New Rules for Evaluating HIV Disability

New rules that improve the processing of disability claims based on HIV infection have been developed, according to Jim Talbot of the Amarillo Social Security office. "These changes should make it easier to identify severely impaired men, women, and children who have an HIV-related disease to ensure the quickest and most accurate delivery of benefits possible," Talbot said.

The new rules, which became effective July 2, 1993, update the medical criteria used by the Social Security Administration (SSA) to determine immune system disabilities. These medical criteria, which incorporate the latest medical information about HIV disease, are used as screening tools to quickly identify individuals who are obviously disabled due to HIV-related conditions.

They include new HIV disease symptoms that are considered disabling, new criteria or examining the effect of the disease on the ability to work or function, and specific criteria to take into account the way HIV disease affects women and children.

"These new guidelines are not limited to only the most widely known symptoms of HIV infection, but include a range of conditions that research and clinical practice have shown are indicative of disabling HIV disease," Talbot said. "They include cervical cancer, gynecologic infections, and other chronic viral and bacterial infections which may not significantly affect the functioning of a person with a healthy immune system, but which may have devastating impact on persons with immune systems weakened by HIV infection."

Social Security pays disability benefits under two programs - Social Security disability insurance (SSDI) and Supplemental Security Income (SSI). SSDI provides cash benefits financed through Social Security payroll taxes to disabled

Indulge In The Pleasures Of Picnicking

PASTA PRIMAVERA SALAD
1 can (28 oz.) diced tomatoes, drained and chopped
1 can (16 oz.) mixed vegetables OR peas and carrots, drained
1 can (4 oz.) mushrooms, slices or stems and pieces, drained
12 pitted black olives, cut in half
1/3 cup olive or salad oil
3 tablespoons red wine vinegar
2 teaspoons sugar
2 teaspoons dried basil, crushed
1/4 teaspoon garlic powder
1 pound linguine or other pasta, cooked and drained
Salt and pepper
Combine drained vegetables in salad bowl. Combine oil, vinegar, sugar, basil and garlic. Pour over vegetables. Add drained pasta and toss. Season with salt and pepper to taste.

(NAPS)—Warm breezes, freshly cut grass and buds in bloom are only a few things to enjoy this time of year. And with summer get-togethers to plan, picnic ideas will be sprouting up in many households. When preparing for a picnic, festivities or just to enjoy a summer day, why not add a festive fruit salad or another clever canned food concoction which can be easily prepared at home or at your picnic site?

Either way, make canned foods a part of your celebration—they're quick to prepare, simple to pack and because they're recyclable, they're good for you and for the environment. But most important, the fresh tastes of canned foods please picnickers every time.

For some quick, easy picnic tips, try the following Canned Food Information Council recommendations:

- **Simple Salad**—A salad made of drained canned green beans, kidney beans, garbanzo beans, hearts of palm, artichoke hearts, asparagus and baby carrots can be chilled quickly and served with a vinaigrette dressing.

- **Picnic Fondue**—Pour one can chocolate syrup into small saucepan and heat on grill. Use drained canned fruit, such as pineapple chunks, peach slices, mandarin orange sections or chunky mixed fruit for dipping.

Of course, good weather is the key to an enjoyable picnic and so is careful planning. Start with a checklist to make sure you remember those easily overlooked yet necessary picnic utensils: can and bottle opener, cutting knife, corkscrew and cutting board.

Notice of Public Hearing on Tax Increase

The City of Howardwick will hold a public hearing on a proposal to increase total tax revenues from properties on the tax roll in 1993-1994 by 150% percent. Your individual taxes may increase at a greater or lesser rate, or even decrease, depending on the change in the taxable value of your property in relation to the change in taxable value of all other property.

The public hearing will be held on Sept. 9, 1993 at 7:00 P.M. in Howardwick City Hall.
FOR the proposal: Bob Thompson, Mary Jane Bridges, Jo Webb
AGAINST the proposal: 0
PRESENT and not voting: Bob Hall
ABSENT: Kevin Thompson

The statement above shows the percentage increase the proposed rate represents over the 1992-1993 tax rate that the unit published on October, 1992. The following table compares taxes on an average home in this taxing unit last year to taxes proposed on the average home this year. Again, your individual taxes may be higher or lower, depending on the taxable value of your property.

	Last Year	This Year
Average home value	\$ 10,000	\$ 10,000
General exemptions available (amount available on the average home, not including senior citizen's or disabled person's exemptions)	\$ -0-	\$ -0-
Average taxable value	\$ 10,000	\$ 10,000
Tax rate	10.00 /\$100	25.00 /\$100 (proposed)
Tax	\$ 10.00	\$ 25.00 (proposed)

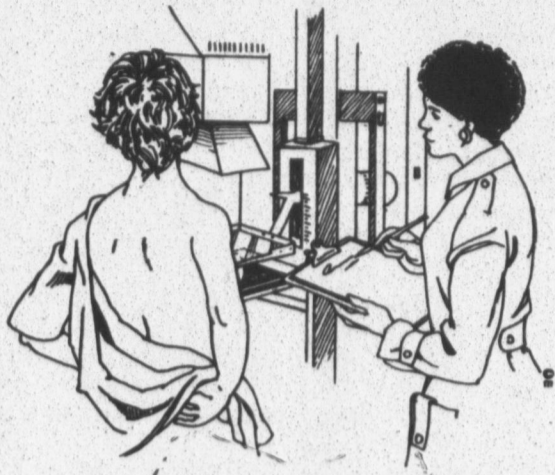

Last year, Assessment would be \$30.00 on 2 lots with \$10,000 trailer
 This year, the tax would be \$25.00 on 2 lots with a \$10,000 trailer

Under this proposal taxes on the average home would increase by \$ 15.00 /\$100 or 150% percent compared with last year's taxes. Comparing tax rates without adjusting for changes in property value, the tax rate would increase by \$ 15.00 per \$100 of taxable value or 150% percent compared to last year's tax rate. These tax rate figures are not adjusted for changes in the taxable value of property.

*This percentage increase does not reflect 1992 taxes levied by the now-abolished county education district (CED). In 1992, the CED levied a portion of the taxes used for school purposes, and the school district levied the remainder of school taxes. In 1993, school districts will levy all school taxes. For an explanation of the increase, attend the public hearing scheduled above or call your school district.

The average commute to work in the U.S. is 22.4 minutes, according to the Census Bureau. Workers in the New York metropolitan area endure the longest commute—an average 30.6 minutes.

Look At Butter In A New Light

(NAPS)—In our health-conscious society, many people have switched from butter to margarine to lower their intake of saturated fat. In fact, people consume two-and-a-half times more margarine than butter—sacrificing flavor for less saturated fat and cholesterol.

Now, people can return to the rich taste of butter but consume less fat than when eating regular butter. Butter has become "light." This spring, Land O' Lakes introduced Light Butter, with half the fat, calories and cholesterol of regular butter. This first nationally available light butter is made primarily with Grade AA butter, water and pasteurized milk.

How does it taste? Light Butter has the same creamy flavor as regular butter because it is 40 percent butterfat, compared with margarine, which is 80 percent vegetable fat. According to taste tests, more than seven of 10 consumers said Light Butter tasted as good as regular butter.

Served plain, or blended with fresh herbs and spices, Light Butter is the perfect light, low-calorie topping for foods typically spread with butter.

- Blend 1/2 cup (one stick, softened) Light Butter with 1 teaspoon firmly packed brown sugar and 1 teaspoon cinnamon. Serve on English muffins, toast, pancakes or waffles.

- Toss 3 cups cooked, sliced carrots with 2 tablespoons Light Butter, 2 tablespoons powdered sugar and 2 tablespoons chopped fresh mint.

- Blend 2 tablespoons softened Light Butter with 1/2 teaspoon dried basil leaves, dried dill weed or dried oregano leaves and serve over broiled fish fillets, such as orange roughy, sole or salmon.

Because it is lower in fat and has a higher moisture content, Light Butter is not recommended for baking and frying.

For more information on LAND O LAKES' Light Butter, send your name and address (postcards preferred) to LAND O LAKES' Light Butter, "Look at Butter in a New Light," P.O. Box 26341, Shoreview, MN 55126-0341, or call 1-800-782-9602.

Leadership Conference Scheduled

On November 15, 1993, a leadership conference designed for Women currently hold officer positions in organizations and those wishing to assume roles of leadership in groups is being sponsored by the Texas Agricultural Extension Service under auspices of the Family Community Leadership Program and the Texas Extension Homemakers Association.

Speakers for the special one-day workshop will present a program geared toward women who want to advance within a leadership hierarchy and attain effective skills in managing organizational meetings, change of mission and goal interpretation. Participants will learn practical techniques for delegating responsibility to others and for working with diverse groups and hard to reach audiences. Sessions on time and stress management will be featured in addition to presentations on effective ways to market any organization to target audiences and general public.

Registration and a welcome reception will begin at 9:30 a.m. in the Heritage Room of M.K. Brown Civic Auditorium at 1000 N. Summer in Pampa. Dr. Barry B. Thompson, President of the West Texas A&M University is the

keynote speaker and will address managing change within organizations and institutions.

At 11:00 a.m. Dr. Martha Couch, noted Extension Youth Development Specialist from Lubbock will present a nuts and bolts segment on organizational management within small and large groups.

The afternoon program begins at 1:00 p.m. and will focus on the central conference theme "women are leaders" and already hold many positions of leadership in society. Concurrent sessions targeting leadership performance and quality will be conducted until 3:30 p.m. A question and answer wrap-up session with the presenters will end the day's program.

NEWS OF EDUCATION

Study Tips And Tricks

(NAPS)—Here's advice from experts in education on how to improve your preparation this year for those hard-to-take tests.

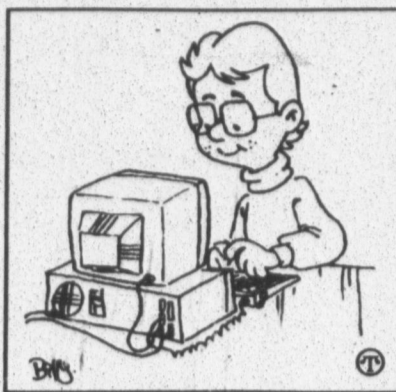

Get some help from computerized study guides.

Computer-assisted study can help increase your confidence and improve your scores, according to national studies. These computerized guides can literally put academic progress at your fingertips.

For instance, software programs now can help students prepare for such standardized tests as the SAT, ACT, GRE, CBEST, LSAT and GMAT. The new software—called Cliffs StudyWare—comes from the publisher of Cliffs Notes, an old standby for many students.

What makes Cliffs StudyWare so special is its ability to diagnose a student's performance and suggest a plan for further study. The software analyzes student performance and provides printed diagnostic reports highlighting areas of strength and areas that need improvement. The system then automatically adjusts for each student's needs.

Cliffs StudyWare has hundreds of on-screen questions plus a comprehensive study guide, so students can test their knowledge of every topic they will face on the actual test. The program explains all the answers, correct as well as incorrect. There's even an on-screen glossary of key terms and symbols.

Good study habits and a new series of computer programs can help students get through one school and into the next.

There are four sample exams, two on-screen and two in the companion study guide. Students are timed through each exam to give them the feel of the actual test they will take.

In addition to the test preparation software, Cliffs StudyWare has course review software for entry-level college and accelerated high school courses in biology, calculus, chemistry, economics, physics and statistics.

Both the Cliffs StudyWare standardized test preparation and course review software are available in IBM and Macintosh formats and can be found at local book stores, college stores and computer retail outlets. They also can be found on the computers of many successful students.

Jr. High Pep Rallies

The Clarendon Jr. High Pep Rallies will be at 12:45 p.m. The first pep rally will be September 9th.

Budget Meet Scheduled

The Commissioners' Court will hold a public hearing on the Donley County Budget in the conference room of the Courthouse Annex on Monday, September 13 1993 at 1:00 o'clock p.m.

Fill The Boot Drive Set

Clarendon fire fighters will be hitting the streets again Saturday, September 4th, with boots in hand, to help fight muscular dystrophy. They will be located at various intersections in town to "fill their boots" for Muscular Dystrophy Association by accepting donations from area motorists.

The money collected is used by MDA to fund research as well as pay medical expenses and purchase equipment for people with neuromuscular diseases.

The Fill the Boot drive is a nationwide campaign which is done on or before the Labor Day weekend as a kick-off to the Jerry Lewis Labor Day Telethon. Last year Panhandle area fire fighters raised over \$23,000 for MDA. This year they're hoping to top that figure so when you see a fire fighter,

please remember to be generous for "Jerry's Kids."

Fire Fighters say thank you to those who gave last Saturday and to those who will be giving this Saturday.

Carnival Scheduled

On September 1, 2, 3, and 4th the Memphis Chamber of Commerce will be sponsoring a Back To School Carnival to be held at the Memphis City Park. There will be rides games and lots of good food for everyone to enjoy. All rides will require one ticket each at the cost of \$1.00 and you may purchase tickets in advance at the Chamber office at a discounted price of .50 each until August 30th. Thursday, September 2nd will be family night at the Carnival from 7 p.m. until 10 p.m. With the purchase of a wristband for \$7.00 you will have unlimited access to all rides during this time period.

SCHOOL BUDGET—from p. 1.

Tax Notice Explanation Given

A tax notice published in this newspaper and paid for by Clarendon CISD may leave some local taxpayers scratching their heads in confusion.

The notice incorrectly states that the school tax rate will grow by 439 percent. But in publishing the notice, local school officials are only complying with a state law.

"This is one of those situations where the law doesn't make any sense, but we must nevertheless comply with it or risk serious consequences," said Phil Barefield, school superintendent.

Clarendon CISD is required by the state's "truth-in-taxation" law to publish an official notice reporting last year's tax rate, the proposed tax rate for this year, and the percentage increase. However, due to a drafting oversight in the new school finance law, the notice significantly understates the tax rate for last year and produces a misleading comparison between last year's and this year's school taxes.

Under the previous school finance law, the county education district (CED) levied part of the taxes used for operating schools and the school district levied the rest. Under the new school finance law, CEDs are eliminated and all school taxes are levied for the school district.

Last year, the county education district imposed a tax rate of \$.85527 (per \$100 of value) and Clarendon CISD imposed a tax rate of \$.21709 for a combined school tax rate of \$1.07236. This year, Clarendon CISD is proposing a tax rate of \$1.17.

Because of the mistake in the new school finance law, Clarendon CISD is required to report a 1992-93 tax rate of \$.21709 a 1993-94 tax rate of \$1.17, and an increase of 439 percent, when in reality they will increase by 9.1 percent.

In an effort to correct the misinformation, Clarendon CISD is publishing alongside the tax notice an advertisement indicating that the official tax notice is wrong. The supplemental advertisement, also paid for by the school district, provided the correct tax information.

The new school finance law, Senate Bill 7, was enacted on May 31, 1993.

Their Lives Are In Your Hands!
Texas Coalition for Safety Belts

THE ACCOMPANYING TAX NOTICE IS WRONG!

The Clarendon Consolidated Independent School District is required by law to publish the accompanying tax notice in this form, even though the notice is deceptive.

Because of an omission in the recently-enacted state law, Clarendon CISD may not include revenue collected by the county education district in the calculation of taxes for the 1992-1993 school year. The effect of this is to understate last year's actual school tax rate and produce an inaccurate comparison of last year's tax rate to this year's tax rate.

The correct comparison of tax rates is as follows:

Last year's (1992-93) total school tax rate (including county education district taxes): **\$1.07236**

This year's (1993-94) proposed school tax rate: **1.1700**

Percent change: **9.1%**

This notice is required by the Texas Legislature. The percentage increase shown in the first paragraph below may appear unusually high because it does not reflect 1992 taxes levied by the now-abolished county education district (CED). In 1992, the CED levied a portion of the taxes used for school purposes, and the school district levied the remainder of school taxes. In 1993, school districts will levy all school taxes. For an explanation of the increase, attend the public hearing scheduled below or call your school district.

NOTICE OF PUBLIC HEARING ON TAX INCREASE

The Clarendon Consolidated Independent School District will hold a public hearing on a proposal to increase total tax revenues from properties on the tax roll in 1993 by 468 percent. Your individual taxes may increase at a greater or lesser rate, or even decrease, depending on the change in the taxable value of your property in relation to the change in taxable value of all other property.

The public hearing will be held on September 9, 1993 at 7:00 p.m. in the Administration Board Room.

For the proposal: Elmonette Bivens, Phil Fletcher, Derlene Graham, Dan Hall, Wayne Hardin, Lynne Williams

Against the proposal: None
Present and not voting: None
Absent: None

The statement above shows the percentage increase the proposed rate represents over the effective tax rate that the unit published on August 5, 1993. The following table compares taxes on an average home in this taxing unit last year to taxes proposed on the average home this year. Again, your individual taxes may be higher or lower, depending on the taxable value of your property.

	Last Year School District	This Year School District
Average home value	\$22,900	\$22,900
General exemptions available (amount available on the average home, not including senior citizen's or disabled person's exemptions)	\$5,000	\$5,000
Average taxable value	\$17,900	\$17,900
Tax Rate	\$.21709/\$100	\$1.17/\$100
Tax	\$38.86	\$209.43

This paragraph compares last year's school district tax with this year's proposed school district taxes: Under this proposal taxes on the average home would increase by \$170.57 or 439 percent compared with last year's school district taxes. Comparing tax rates without adjusting for changes in property value, the school district tax rate would increase by \$.95291 per \$100 of taxable value or 439 percent compared to last year's school district tax rate. These tax rate figures are not adjusted for changes in the taxable value of property.
