A LAZY SUMMER DAY... Taking advantage of green grass from the rains this week, good reasonable temperatures, with the heat wave broken and a good day to enjoy the playground in the park was this trio of youngsters. Visiting here from Friona are from left, Angela Dennis and Renee Williams, standing; and Rob Dennis, seated. They enjoyed the unusual types of equipment in the city park just adjacent to West Avenue D.

Local First Baptist Church Celebrating Anniversary

The sixteenth anniversary of the First Baptist Church of Muleshoe will be celebrated during special anniversary services on August 17 and 24. The members of First Baptist Church welcome all the friends and former members of the church to attend the celebration services.

Adult skating is scheduled at the Bailey County Exhibition Center and Coliseum on Monday, August 18 from 8-10 p.m.

Admission is \$1 and all proceeds will go to the Youth Activities Committee.

Mr. and Mrs. E.E. Holland said they are proud of a new great grandson, born August 13 to Mr. and Mrs. Dudley Davis of Comanche. The new arrival weighed eight pounds. He has a brother, two years of age.

Scattered Rain Helps Cool Area

Around noon Thursday rain started falling in the area, and by early Thursday night, amounts of one-fourth to more than an inch had fallen in areas surrounding Muleshoe.

Some of the moisture amounted to more than an inch in northern Bailey County, while much of the southern part of the county stayed with lighter moisture.

More than an inch was received from Main Street to around 12th Street, while only light showers were received in west Muleshoe.

As the remnants of the storm moved on

brated during special anniversary services on August 17 and 24. The members of First Baptist Church welcome all the friends and former members of the church to attend the celebration services.

On Sunday, August 17, the guest speaker for the celebration services will be Dr. Presnell Wood, Baptist Standard Editor, from Dallas. Music for the morning service at 11 a.m. will be presented by the Sanctuary Choir of the First Baptist Church of Lubbock will present a mini concert in the evening service, beginning at 7 p.m.

In the celebration services on Sunday, August 24, Dr. Roy Fish, professor of evangelism at Southwestern Seminary in Fort Worth, will speak. Special music will be presented by Fred Wilmer, evangelistic singer from Lubbock. The celebration will be climaxed with an afternoon service at 3 p.m. The Cornerstones

Farm Bureau Representative On Farm Tour

Phil Garrett of Bailey County was among the persons attending the Texas Farm Bureau Wheat and Grain Tour July 23-25 in Houston.

Garrett met with Port of Houston authorities, Federal Grain Inspection personnel and a U.S. grain exporter during the tour. He also visited the Union Equity Grain Export facilities and the Lyndon B.

from Calvary Baptist Church in Lubbock will sing in the service and Dr. Fish will bring the concluding message of the anniversary celebration.

Soil Group Area Meet Slated Here

Blackwater Valley Soil and Water Conservation District will be the host on Thursday, August 21, for the 25 member South Plains SWCD Association meeting, explained James Wedel, vice chairman of the local district.

Representatives from conservation districts as far south as Lamesa, as far east as Paducah, and as far north as Plainview, will make up the association, according to Wedel.

Plans are to begin registration at 9:30 a.m. at the Bailey County Exhibition Center and Coliseum; with the program scheduled for morning hours and a Dutch treat luncheon, followed by a business session in the afternoon.

Speakers will be Jim Irwin assistant county agent for Bailey County, on "Use of Tensionmeters and Irrigation." Wayne Wyatt, High Plains Underground Water Conservation District will speak on "Activities of the Water District Related to Irrigation and Conservation of Existing Water" and Jim Lutz, local SWCD manager will speak on "Sprinkler Evaluations in Bailey County." Guy Austin is

will be presented to each family who attends the celebration services.

A special celebration feature at 2 p.m. on Sunday afternoon, August 24, will be an All-Church talent time.

Noon luncheons will be served in the Fellowship Hall of the church both Sundays for the guests and members of the church.

In 1920, the First Baptist Church was organized in Muleshoe with nine charter members, who included Mr. and Mrs. C.D. Gupton, Sr., Mr. and Mrs. Starnes, Mr. and Mrs. Mayfield, Mr. and Mrs. L.S. Barron, Sr. and John Stovall. After organizing on July 11, 1920 the first pastor of the church was O.L. Oldham.

For the first few years, the church met in the old Bailey County Courthouse. Later the church meeting place was moved to the grade school building, now known as Mary DeShazo school. Sunday School was organized in 1922, with L.S. Barron, Sr. as the first superintendent, and four

White Says 'Not Retiring' From His Store

"I am not retiring," White's Cashway owner, T.R. White, told The Journal Friday morning. "Cliff has come back to be associated with Cashway Grocery. He has been an officer of the store since his mother died."

White also said, "Eventually, he will be managing

Holmes Found 'Guilty' On Robbery Charges

Fuel Alcohol Meeting Slated

"It's coming right down to the wire," say Guy Austin and Grady Sorley, officers with Hi Plains Grain Products International Inc. "The site study is nearly complete, and very shortly we will know what size fuel alcohol plant we are going to be constructing in this area."

The final 'push' is on to obtain members of the GPI. Grower-members will determine just what size, from 30 million gallons up for the fuel alcohol plant to be constructed somewhere in this immediate area.

September 2 is the final date to sign up to become a part of this multi-million dollar operation, according to Austin and Sorley.

They pointed out that since plans for the plant got underway, the price of fuel alcohol has increased to \$1.83. D.D.G. his jumped in price to \$145 per ton and earnings on 100 pounds of corn have increased to \$6.77 while the earnings for milo have increased to \$6.97. It is projected that by the time the plant is operational, earnings on corn will be \$8.30 per hundred

pounds.

Dennis Johnson, planner and consultant from Arthur D. Little, consultants from Massachusetts, is currently narrowing down the proposed plant site to around two or three locations. Dr. John Nystrom is working on the mechanic of the plant and Bill Leavitt is working on a financial package for construction and operation of the multi-million dollar fuel alcohol plant.

The final meeting before actual signing of construction contracts is September 2 for all the general membership. Austin and Sorley said fuel alcohol is in great demand and because of the lack of operational plants in the United States, most of the fuel alcohol consumed in the U.S. is still shipped to the U.S. from Brazil.

They are suggesting that current members increase their membership before the cut-off date. According to the GPI officers, a note may be signed for the \$1,000 for each 10,000 bushels of grain to be taken to the plant. They said the note may be carried at 10

60 Year Sentence Assessed Defendant

A nine man, three woman jury deliberated for slightly less than 30 minutes Friday afternoon to find Janice Bates Holmes guilty of aggravated robbery at Lindsey Jewelry on April 28 of this year.

Two men charged with Mrs. Holmes following the robbery had earlier been tried and received sentences of 50 years for one and 90 years for the other.

The trio was captured south of Muleshoe some 14 minutes after the late afternoon robbery of the jewelry store located on Main Street in Muleshoe.

The same jury that found Mrs. Holmes guilty of the robbery, also took two hours to set her punishment at 60 years in the Texas Department of Corrections at Huntsville.

District Attorney Jack Young introduced several documents showing prior convictions and prison sentences given Mrs. Holmes in Texas and California.

She was granted the 10 days allowed prior to formal sentencing.

Testimony in an armed robbery trial for Janice Bates Holmes of Lubbock, got underway in early afternoon on Thursday in the district courtroom in Muleshoe.

Holmes was one of a trio of Lubbock residents charged with the offense shortly after Lindsey Jewelry was robbed by three persons on April 28 shortly before 4:30 p.m.

A nine man, three women jury watched 12 prospective witnesses being administered the oath by the court and after District Attorney Jack Young read the charge to Ms. Holmes, she was asked by District Judge Pat Boone, 'guilty' or 'not guilty'. Following a 'not guilty' plea in open court, the first witness took the stand.

Jo Ann Sikes, a clerk at

the store, was the first witness called. She outlined for the court her responsibilities at the store, and said the first time she ever saw Janice Bates Holmes was on the afternoon of the robbery.

Mrs. Sikes also testified that Ms. Holmes was in the store two times, and both times she came into the store alone. She said Ms. Holmes came into the

Local Man Shot Near Muleshoe Friday Night

A card game between several men just east of Muleshoe late Friday night erupted into gunfire, and one man was shot twice by a man with a small handgun.

Serrapio Gonzales, 32, was taken to West Plains Medical Center by private vehicle for treatment of a gunshot wound to his right shoulder, and another gunshot wound to his left side.

Dr. Gary Albertson removed a small caliber bullet from the ribcage area of Gonzales. The shoulder bullet wound showed that the slug from the gun entered high in the right shoulder and exited just below his shoulder blade in the back.

Gonzales was not hospitalized. Taken into custody after the shooting was a 20 year old man. He was jailed on 'aggravated assault.'

Bailey County Sheriff Dee Clements, Deputies Bob Henderson, James Williams and Leroy Sander and Muleshoe City Police Chief Johnny Richards, Lt. Jerry Hicks, Sgt. Wayne Holmes, and Patrolmen Monty Phipps and Julian Dominguez all helped with the investigation.

Occasionally warm air masses which affect the U.S. in summer come in from the Atlantic and turn northward, through most of the recent heat wave air mass came from the Caribbean.
 Often, as hot air masses moving up from the south encounter cold fronts, the hot air is forced upward over the heavier cold air and precipitation results. In the June-July heat wave, there were no cold fronts far enough south to produce precipitation most of the time. Thus the long spell of hot, dry weather in so many states.
 In winter, warm air masses moving up from the south don't push as far north and also encounter much colder surface temperatures, creating dense fog, both over the land and over the Atlantic ocean.
 Interestingly, maritime tropical air seldom enters the U.S. from the Pacific, on the west coast. It takes a very low barometric pressure in California to draw it in. Then it usually produces very heavy rainfall as it rises sharply, moving eastward over the high mountains.
 This is quite rare, as distinct from a regular pattern of maritime warm air moving into the U.S. from the Caribbean. During the recent heat wave the humidity was usually very high—showing clearly that the warm air was maritime.

NEWS OF PROGRESS
 Whether you're a tourist, or a weekend visitor from the suburbs, New York City need cost you little more than food, fare and lodging. So much to see or do is free or low cost.

New York City can be an inexpensive place to spend a weekend, or a vacation, with a unique, fact-filled book that tells you how.

The Metropolitan Museum of Art is a good example. There, 18 different departments offer a veritable encyclopedia of art and culture. Admission is voluntary—you pay as much or little as you wish.

The same is true of the Cloisters, a fortified monastery, part of the Old World transplanted to the new where lovers of medieval art find unrivaled collections. Many other museums and events are either on a voluntary admission fee basis or low-priced. All are listed in a unique, informative book, the Michelin Green Guide to New York City.

RECIPE

By Sarah Anne Sheridan

Fresh vegetables provide a nutritious volume for casseroles as well as help the homemaker stretch her budget dollars.

Squash Casserole

- 8 medium squash
- 4 strips of bacon
- 1 onion, chopped
- 1/2 green pepper, chopped
- 1 1/2 c crushed saltine crackers
- 2 eggs, beaten well
- butter
- salt and pepper
- paprika

Boil the squash in salted water until tender. Drain, then chop. Fry bacon until crisp. Sauté onion and green pepper in drippings until tender. Add crumbled bacon, onion and green pepper to squash along with one cup of the crushed crackers, the beaten eggs, and salt and pepper to taste. Mix well and put into a greased casserole. Top with remaining cracker crumbs. Dot with paprika. Bake in a 350 degree oven for 30 minutes.

Serves 6 to 8.

cloth. A spring arrangement of carnations and chrysanthemums enhanced the table. The honoree's corsage was of dusty pink rose silk flowers.

Mrs. Mildred Neely served punch and cookies from crystal appointments. The hostesses gave individual gifts.

Hostesses for the occasion were; Mrs. Frank Wuerflein, Mrs. Clarence White, Mrs. Darrell Turner, Mrs. Mildred Neely, Mrs. Kenneth Precure, Mrs. Lena Hawkins and Miss Linda Davis.

Miss James, Posey Exchange Double Ring Vows

Miss Carla James of Lubbock and Matthew Posey of Bellville, Texas were united in marriage August 10, at 6 p.m. in the Covmont Presbyterian Church in Lubbock. Rev. Davis Price read the double ring vows. Parents of the couple are Mr. and Mrs. Willis James of the West Camp Community and Mr. and Mrs.

Marvin Posey of Bellville. The altar was decorated on each side with two bouquets of white and yellow daisies with baby's breath and touches of pink and turquoise carnations, the colors of the rainbow. Escorted and given in marriage by her father, the bride wore a white organza over taffeta wedding gown,

featuring a chapel train, with tiers of Valencia lace ruffles. Her finger tip length veil of illusion was edged with lace.

She carried an European gathering of flowers bouquet of white daisies, turquoise and pink carnations, stephanotis and baby's breath.

Sherry Rantz of Lubbock

was the bridesmaid. She wore a Quiana knit gown featuring an accordion pleated skirt with off the shoulder styling. She carried a bouquet of daisies and carnations in rainbow colors.

WOTS Weekly Meeting

W.O.T.S. met Thursday in the Tri-County Savings and Loan meeting room for a covered dish luncheon.

Reta Faulks and Mike Walsh of Lubbock, Amana representatives, gave a demonstration on micro wave cooking. They were assisted by Janie Mosley of Harvey Bass Appliance.

Harvey Bass Appliance gave door prizes; they were won by Wanda Glass and Jackie Self.

Those attending the meeting were; Zelma Toler, Jo Ann Flannery, Helen Williams, Lois Martinec, Faye Willborn, Betty Barker, Jackie Self and son Jimmy, Tomile Lowery and sons, Matt and Curtis, Wanda Glass, Desi Toler and son Phillip, Nora Flannery, Lola Goodrich and grandson Jeremy Boomer and Mildred Williams; all of Muleshoe. Ramona Ingram, of Sudan, Deborah Sir and Terri Stansell, both of Littlefield, Larry Charlson and daughters Angie, Jammie, Nicole and Casey of Spade, and guests Joyce Williams, Maggie Renalls, Janie Mosley, Reta Faulks and Mike Walsh.

The next meeting will be held at the Corral Restaurant at 11:30, August 21. It will be a Dutch treat luncheon.

ried a bouquet of daisies and carnations in rainbow colors.

William Deaton of Lubbock was the best man. Ushers were Dan Posey, brother of the groom, of College Station and Mark Shadden, nephew of the bride, of Lubbock.

Miss Judy Blue of New York City sang "I Believe in You" and "Since You Asked". She was accompanied by Clinton Barrick of Abernathy at the organ.

For her daughter's wedding, Mrs. James chose a pink Quiana knit dress. Mrs. Posey, mother of the groom, chose a rose gray chiffon dress.

After the ceremony, a reception was held on the patio of the Garden and Arts Center. Members of the house party were Mrs. David Bray, sister of the bride, Traci Shadden, neice of the bride, Joanna Neel, all of Lubbock, Mrs. Harold McCune, Mrs. Joel Bray and Mrs. Hilbert Pantz, all of Abernathy.

A centerpiece of rainbow colored carnations and daisies enhanced the serving table. A white three tiered wedding cake topped

with satin and pearl wedding bells was served from crystal and brass appointments.

For a wedding trip to Santa Fe, New Mexico, the bride chose a cream colored blazer and skirt with a scarlet blouse. The couple will be at home in Lubbock after August 20.

The bride is a 1979 graduate of Tech, cum laude, majoring in secondary education. Posey will be a senior student at Texas Tech. He is a drama major and has appeared in many major productions at Tech and has received the Irene Ryan Award and scholarship two times.

Out of town guests were Mr. and Mrs. Marvin Posey of Bellville, Mr. and Mrs. Dan Posey of College Station, Ralph Hodges of Houston, Mr. and Mrs. Harold Stovall of Cleburne, Miss Robin Stantin and Miss Judy Blue of New York City.

A rehearsal dinner hosted by Mr. and Mrs. Marvin Posey, was held August 9, at La Fonda Del Sol. A bridesmaids luncheon was held August 9 in the gold room of Hemphill Wells.

Llano Estacado Civic Club

The Llano Estacado Civic Club met Tuesday night in the home of Betty Hopper. Dr. Jerry Gregory presented a program on his trip to Haiti.

He showed slides of the country side and the market places. But the slides that stirred the most emotion was how the children lived and suffered from malnutrition.

"We thoroughly enjoyed the presentation and would recommend anyone that gets a chance to see it, please do so. It will really open your eyes to how other people live," said Glenna Raney.

Hazel Cunningham called the meeting to order, the minutes were read by Betty Carpenter, the treasury report was given by Loyce Davis, the inspirational thought was given by Glenna Raney, and Anita LoBough led with the creed.

It was voted to have a spin

art booth at the Halloween Carnival again this year. Betty Hopper is the chairman of this project.

The Chamber of Commerce asked if the Club would coordinate the Christmas Parade again this year. It was voted to coordinate the parade. Willie Reeder will be chairman and Loyce Davis will be co-chairman of that project.

The hostesses, Delores Kelton, Betty Hopper, and Willie Reeder served watermelon and cantalope balls, pineapple chunks, and cookies.

Those present were Willie Reeder, Anita LoBough, Betty Hopper, Betty Carpenter, Glenna Raney, Loyce Davis, and Hazel Cunningham.

A stroll along a crowded beach these days is enough to bring out the beast in one.

Car care protects investment

COLLEGE STATION — An automobile has become too valuable an investment to ignore its maintenance needs, says an automotive specialist at the Texas Transportation Institute.

Service station attendants who once spotted danger signs and recommended action are not seeing as many cars today and warning signs that repairs are needed often go unnoticed, says Rick Tonda of the transportation institute at Texas A&M University.

Tonda recommends that a car owner shop around and find an inspection station that does a thorough job.

The rest of the year, the owner who has no automotive skills should either seek expert checks and pay for them or learn to watch for extreme wear and possible failures, Tonda advises.

You have to really be looking for something to worry about to join in with some of those who've decided that we have a major problem with cities taking over farmland. According to experts who have studied air photo maps of the country's most rapidly growing urban counties, less than two percent of cropland in those counties was displaced by urban development. This boiled down to one acre of cropland being displaced for every twelve new people moving into a city. And for those who can still manage to worry about this less than fearsome takeover of cropland, there's another set of statistics hot off the press. According to government estimates, there is over 110 million acres of now idle land in the United States that could be producing crops within the next two years. So, on your list of priority worries, mark running out of farmland way down at the bottom.

"His banker said the only way he could tell he was level-headed was when chewin' tobacco ran outta both sides of his mouth at the same time."

Now I really have something to cheer about: 58 pounds lost!

Gladys Conway's True Story:

I never worried about my weight, until my husband started telling me a couple of years ago that I needed to slim down. He was right. At 170 pounds, I was just too heavy. I was determined to get rid of that weight, and since a friend of mine was having a lot of success at Pat Walker's, I started going there, too.

Now, I'm the successful one! I'm down to 112 pounds, and I've lost a total of 68 inches—ten inches from my waist alone. I love the way my figure has stayed firm and smooth all along...Pat Walker's Symmetric passive exercise unit takes care of that.

My husband and I go to every football game we can (we haven't missed one University of Texas game in 18 years). I enjoy going more than ever now, because I look as good as I feel!

Pat Walker's program has made a big difference for me. I'm sure it will for you, too.

Free Figure Analysis

Make an appointment now for a free, no-obligation consultation at Pat Walker's. We'll explain how our program works, from the no-muss, no-fuss passive exercise treatments to our belief in your right to privacy. We'll tell you how much you need to lose, how long it will take, and the total cost of your complete figure correction, based on four dollars per thirty-minute treatment.

Evans Family Reunion

A reunion was held last weekend in the City Park in Muleshoe of the family of Carl Evans and the late Mrs. Evans. In 1925, Mr. and Mrs. Evans came to Muleshoe and have made this their home most of the time since.

In 1974, Mrs. Evans passed away. Of the seven daughters, only one was unable to attend, Jerry Yonaka of Tuscon, Arizona. The families came with campers, tents, sleeping bags, and stayed from Friday night until Sunday evening. Sports enjoyed by everyone were baseball, volleyball, horse shoe pitching, soccer, croquet, basketball, football, first-tee, softball and watermelon seed spitting contest.

Those of the immediate family attending were: Carl Evans, Muleshoe; Bill and Oleta Hamblin, Muleshoe; J.R. and Sunshine Thurman, Jacksboro; Clinton and Jo Holmes, Plainview; Melvin and Dorothy Morton, Edmonson; Talmage and Athalee McKillip, Amarillo; Ivydell Curtis, Big Fork, Montana.

Grandchildren and great grandchildren attending were: Heshall and Ivera Thomas, Norman, Oklahoma; Leldon, Lee, and Craig Blackwell, St. Petersburg, Florida; Clifford, Diana, James and Keven Blackwell, Lakewood, California; Richard, Verlene, and Barbie Thurman, Jacksboro; Roland, Marsha and Karla Thurman, Jacksboro; Barbara, Bill and Jerry Don Faus, Lubbock; Randy and Linda Morton, Hereford; Marsha and Cindy Morton, Edmonson; Jon, Mickie, Scott, Dustin and Kristi Simmons, Canyon; Danny, Robin, Akashia and Brandon McKillip, Amarillo; Beverly Dewey,

Tulsa, Oklahoma; Jamie Holmes, Plainview. Also a special friend of the family, Vivian Robertson, Clovis, New Mexico.

Another daughter and grandchildren of Mrs. Hamblin visited earlier in the week but were unable to stay for the reunion, Louanna and Sherri Pruitt, New Orleans, Louisiana; Jim and Karen Richards, Lafayette, Louisiana; and Vaughn Dewey, Tulsa, Oklahoma. Also a grandson, Sanford Curtis of Big Fork, Montana.

All enjoyed the weekend and extend a special thanks to the City of Muleshoe for the use of the park.

Your prescription and you

By Sue Boe, Assistant Vice President, Consumer Affairs, Pharmaceutical Manufacturers Association

Q. Do you have any suggestions as to how I might cut the cost of my prescription?

A. Although prescription medicines today are one of the least expensive forms of health care—only six cents of the health care dollar—there are some things you can do to cut your cost even more.

1. In advance of possible illness, choose a pharmacy that is conveniently located, offers the services you need, and provides quality products at the best prices. You may have to pay more for some things at a pharmacy that offers free home delivery, for instance, but the convenience may be worth it to you.

2. Talk to your doctor about the price and quality of the medicine prescribed for you. Ask if there's a product known to be effective that might save you some money.

3. If there is, to make sure you get that less expensive product, ask your doctor to write the prescription specifying that particular company's product. (Otherwise, the pharmacist is free to fill your prescription with another company's version.)

 separate classes; one for women, one for men, one for young people and a class for children.
 On February 2, 1925, the church was deeded 12 lots by the Pecos and Northern Texas Railway Company to build a church.
 Starting out with a building, the first building on the lots was a basement. As the basement did not have a baptistry, candidates for baptism were taken to Littlefield or to a tank on the Bud Morris farm.
 In 1935, the church built an auditorium on top of the basement and a contract in the amount of \$2,365.89 was approved for the construction and to repair the basement for Sunday School rooms.
 Rev. A.W. Blaine, who became the pastor in December 1945, recorded his sermons and took them on Sunday afternoons to older persons who could not attend church.
 As the church continued to grow and prosper, groundbreaking was held again in October 1949 to construct a new facility of the new auditorium and classrooms.
 Remodeling of the auditorium was done in 1971-72 and the church continued to grow.
 On March 9, 1975, the current pastor, Rev. J.E.

Meeks, of Big Spring, was called as pastor of the First Baptist Church of Muleshoe. He accepted the call on March 12, 1975.
 Church officers and the staff at this time include Rev. J.E. Meeks, pastor; Carroll Rhodes, minister of music and youth; Clinton Kennedy, treasurer; Clarence Jones and Ted Harrison, associate treasurers; Gayle Turner, church clerk and Catherine Meeks, associate clerk.
 Also, Bobbie Johnson, church pianist; Marsella Jennings, church organist; Frances Hamilton, Carolyn Jarman, Catherine Meeks and Susie Rhodes, associate musicians; Susie Rhodes, choir president; Darrell Turner, deacon chairman; Virginia Bowers, church librarian; Gayle Turner, associate librarian; W.G. Harlan, Jimmy Johnson and Kenneth Henry, church trustees and J.T. Mayfield, associate board member. Sam Harlan is Sunday School director and Carroll Rhodes is church training director.

BRITAIN & MISSILES

store, and asked to see some diamond rings. Mrs. Sikes said she showed her the rings, then Ms. Holmes picked out a ring she said she wanted, but would be back.

A short time later, according to Mrs. Sikes, Ms. Holmes came back into the store, again alone. She also described how she was dressed at the time she was in the store.

A few minutes after Ms. Holmes came into the store for the second time, according to Mrs. Sikes testimony, she was joined in the store by two women, who later were convicted on the armed robbery charges, and given long prison sentences at the Texas Department of Corrections.

One of the men produced a gun shortly after being shown one of the rings by Ms. Holmes, said Mrs. Sikes. She said she did not respond quickly enough when told to 'go to the back' and was subsequently struck by the hand holding the gun, "either by the back of the man's hand or the gun." Mrs. Sikes said she did not know which one hit her alongside her neck and jaw.

Also taken to the back of the store were store owner Viva Lindsey and Ethel Murray.

at the time they came into the store. She said one man pulled the gun from beneath his shirt, and the other man pulled binder twine from underneath his shirt to tie up the three store clerks in the office in back of the store.

Following being tied up, none of the three could see into the store, but all testified they heard the door bell ring when someone apparently entered the store while the robbers were still inside.

They said within moments, they again heard the doorbell as someone else opened and closed the front door to the store.

Following this, they managed to free their hands, and Mrs. Lindsey activated the robbery alarm button, and all three left the store by the front door. Officers and other people started arriving there.

All three eventually charged and tried for the robbery were apprehended

14 Students At Canyon

Fourteen Muleshoe High School students participated in a two week camp, conducted by the department of speech and theatre at West Texas State University.

More than 100 high school students participated in the camp which started Sunday, July 27, and continued through Friday, August 8.

"The purpose for the high school speech and theatre camp is to give high school students an opportunity for practical experience in dramatics, debate, interpretive reading and oratory," said Guy P. Yates director of forensics and assistant professor of speech at WTSU. He also is the summer camp director.

Participants included Carla Shafer, daughter of Mr. and Mrs. James Shafer; Marlin and Ria Bynum, son and daughter of Mr. and Mrs. Hal Bynum; Michael Isaac, son of Mr. and Mrs. Charle Isaac; Danny Seales, son of Mr. and Mrs. Billy Seales; Robert E. Prussic Acid Hurts Cattle Eating Weeds

Johnson and Sudan grasses and sorghum hybrids can be deadly to livestock especially during the late summer and fall, points out Spencer Tanksley, county agent with the Texas Agricultural Extension Service.

There are two times during which poisoning occurs. The most dangerous time as far as the grazing of these plants is concerned is following frost when the plant material begins to wilt.

The second and most immediate time of concern is during drought stress when the plant has received a summer rain shower and begins a rapid spurt of growth.

"Either the wilted or fast growing stage of the plant can be dangerous," says

Dr. John C. Reagor, toxicologist for the Texas Veterinary Medical Diagnostic Laboratory. Most problems arise when hungry animals are suddenly placed in these pastures.

The actual death causing agent is hydrogen cyanide, the same chemical in state gas chambers for executions. The poisoning is swift. Death can occur within five minutes after grazing affected plants, and almost always within twelve (12) hours.

Symptoms of acute prussic acid poisoning consist primarily of excitement and stimulation of respiration, gasping, staggering, paralysis, prostration, convulsions, coma and death.

Some cattle showing signs of prussic acid poisoning have recovered following intravenous injections of calcium gluconate. Death losses in prussic acid poisoned sheep have been prevented by feeding pellets of alfalfa containing 5 percent dicalcium phosphate.

However, the best medicine is prevention, and stockmen are urged to graze their animals in such pastures only with great caution. Hungry animals should never be turned in.

the alarm to watch for a car. The car, driven by the suspects, was seen by Faye Poyner, who testified that she started to enter the store and saw the trio looting jewelry trays and counters. She immediately left the store and alerted Iris Clements, who was crossing the street. Mrs. Clements telephoned the Bailey County Law Enforcement Center to give the alarm of the robbery.

Both Mrs. Clements and Mrs. Poyner, described the car supposedly driven by the robbery suspects.

When apprehended, the suspects' car yielded various items of clothing, more than \$60,000 in jewelry and a large amount of money, which was all confiscated and held for the trials.

Mrs. Lindsey identified the jewelry as coming from her store. She also identified various jewelry trays,

and all the witnesses from the store identified articles of clothing said to have been worn by the suspects.

Immediately following the first trial for the two men charged in the armed robbery, Ms. Holmes underwent Surgery at West Plains Medical Center in Muleshoe. Guards were placed at the hospital 24 hours a day during the more than a week Ms. Holmes was hospitalized. She has been held, without bond, in the Bailey County jail since the robbery, except for her stay in the hospital.

Both the men charged with her were held in the Lubbock County jail except for the time they were on trial in Bailey County. They too, were held without bond until their trial and conviction.

New cars are normally bought from a franchised dealer, but there are also some advantages in buying your used car from a franchised dealer. Although the manufacturer has no direct control over the dealer's used car lot, the franchise dealer maintains a good shop and must sell only the cars which make him a reliable dealer. The majority of our used cars go through our shop before they go on the lot. Remember your new car dealer has a reputation to maintain on every phase of his business. He can wreck his reliability by selling, and then not living up to his guarantee on a used car quicker than any other way. Keeping this in mind, you can always find a better quality used car from your franchise dealer and, in most cases, at the same price you would pay from a used car lot.

Consider energy when selecting microwave methods

COLLEGE STATION -- Although microwave ovens are easily the most energy-efficient cooking devices for small amounts of food, a Texas A&M University consumers study suggests a much closer look at add-on energy costs.

Gadgets like browning devices leech on energy consumption. For instance, in cooking beef patties energy increases ranged from 51 to 71 percent over cooking by microwave alone.

South Africa uses food to win black friends.

A thrifty middleweight with MUSCLE!

PARAMOUNT Shearking MOD. 5404 is a 21" cut, 3 1/2 HP Briggs & Stratton engine with pull-up starter, shroud and oil fill with dip stick. Deluxe 8" wheels with large mag style hub caps. Heavy duty rear mounted grass catcher included as standard equipment.

Trims flush on both sides, mows close to shrubs & flower beds. Rear mounted grass catcher provides greater stability and maneuverability between closely spaced objects.

REG. 203.95 \$159⁹⁵ SPECIAL

PARAMOUNT Shearking MOD. 5503

A high performance trimmer with the muscle to handle tough cutting chores in big yards! It trims, edges, sweeps, "scals", trims your ivy and ground cover, even tides up light hedges. A powerful 1/2 HP Permanent Magnet motor clears a full 15" path. Fresh cutting cord feeds out AUTOMATICALLY when you tap the head against the ground. The sturdy wrap around guard protects you from flying debris, and an automatic cord cutter built into the guard trims the cord to perfect cutting length. The reel holds 50 ft. of heavy duty cutting cord, and it's easy to replace. Husky, comfortable handles give you firm, two-hand control for trimming in any plane. The entire unit is double insulated for your safety.

9 Percent More Cattle, Calves Sold at Auction

AUSTIN--Declining pastures and range in many areas of the state were at least partially responsible for a nine-percent increase in the auction of cattle and calves between May and June. June auction sales were up two percent over last June's figures.

Figures from the Texas Crop and Livestock Reporting Service also showed that more sheep, lambs and goats moved through Texas auction barns compared with June, 1979. Sheep and lamb sales showed the sharpest increase

with 132,000 head moving through auction in June. Agriculture Commissioner Reagan V. Brown said this figure was a 52 percent increase over last June and a 38 percent increase since May. Goat sales showed a slight increase -- 42,000 head in June, compared with 40,000 a year ago and 37,000 in May. Hogs were the only animals to decline. Sales during June totaled 44,000 head, eight percent below June, 1979.

ATTEND THE CHURCH OF YOUR CHOICE

A THIRSTY LAND

Men have a thirst and a longing for goodness and righteousness. Even the most parched soul is touched by acts of kindness, forgiveness, and love. Jesus said: "Whosoever drinketh of the water that I shall give him shall never thirst; but the water that I shall give him shall be in him a well of water springing up into everlasting life."

May all who are thirsty for a oneness with man and with God find satisfaction and fulfillment by attending church.
