Poultry Show Has Record Opening Today

DONLEY COUNTY EVENT DRAWS HEAVY ENTRIES

VISITING SCHOOLS TO PARTICIPATE IN JUDGING CONTEST SATURDAY

The annual Green Belt Poultry Show opened this morning with prospects for the largest show in the history of the event. Early indications were that over 450 birds, representing 30 breeds would be exhibited.

The show is being held in the building formerly occupied by the Clarendon Furniture Store. R. B. Galloway, poultry specialist of the Hardeman-King Feed Mills of Amarillo, will judge the show, on Friday, December 2nd.

Approximately \$125 in cash prizes and merchandise will be awarded the owners of the winning birds as they are checked out Saturday afternoon. In addition to the regular premiums, the following special prizes are being offered:

- Best 20 birds in one variety, shown by one exhibitor, \$2.50.
- Best pen of solid colored birds, \$1.50.
- Best pen of parti-colored birds, \$1.50.
- Best solid colored cock, \$1.00.
- Best solid colored cockerel, \$1.00.
- Best solid colored hens, \$1.00.
- Best solid colored pullets, \$1.00.
- Best parti-colored cock, \$1.00.
- Best parti-colored cockerel, \$1.00.
- Best part-colored hen, \$1.00.
- Best part-colored pullet, \$1.00.

A large number of the prize winning birds exhibited in the Tri-State Fair and State Fair will be on exhibit in the local show. A number of breeders from Hall and Gray county have indicated their intention to make entries in the local show.

It is expected that at least 32 breeds will be exhibited in the show before the deadline for entries.

Invitations were sent to approximately 40 schools to participate in the annual poultry judging contest to be held Saturday, Dec. 3. Byers, winners in the 1937 contest, and approximately 15 other schools have indicated their intention of participating in the event. Tulla, Claude, Miami, Pampa, White Deer, Panhandle, Quitaque, Estelline, Silverton and Childress were among those signifying their intention of entering.

Members of the local classes will take part in an intra-school contest Friday. They will judge the same classes of birds, take the same examination, and go through the same procedure as the visiting teams in order to get a comparative check with ranking of other teams.

Winners in each of the classes will be awarded F. F. A. emblems.

LOCAL "AGGIES" FIND DEMAND FOR DUROCS

FURNISH FOUNDATION STOCK FOR DALLAS REGISTERED DUROC HERD

During the past month, local F. F. A. members have sold 21 registered Duroc, Hampshire and Poland China gilt pigs, young boars and gilts. Each of the animals was sold at a nice premium above market price for breeding stock. The demand for Durocs was especially strong, and Joe Williams, young Duroc breeder, sold four gilts and one boar to a Dallas man who plans to use the five animals for his foundation stock in building up a registered Duroc herd.

Quail, Estelline and Panhandle F. F. A. chapters have each bought a number of stock from the local youths. The sales have resulted largely from publicity received as a result of local pig shows and the winnings of the boys at the Amarillo and Dallas fairs.

Mr. and Mrs. Sam Dyer spent the week-end in Dallas.

RED CROSS TOTALS \$215 IN ANNUAL ROLL CALL

HEDLEY CONTRIBUTES \$30.95 IN LAST WEEK; \$188 SHORT

Final total of the Red Cross drive was announced by Mrs. A. T. Jeffries, roll call chairman, as \$215, some \$188 short of the \$400 quota set for Donley county. Hedley contributed \$30.95 in the last week of the drive. This was considered by officials as very good and representative of that town.

Even though the full quota was not reached, more memberships were obtained this year than for several years and more effort to obtain these was put forth. The local chapter feels that it has been fairly successful this year but is of the opinion that it is within the means of Donley county to fulfill its quota. Everyone who bought a membership is commended and thanked by the Red Cross. Every dollar will go toward aiding some worthy cause.

Memberships are still being accepted by officials of the local Red Cross chapter even though the roll call is officially ended. Any contributions will be gladly received.

Clarendon Lions Go To Pampa Group Meeting

Led by club president, W. H. Patrick, the Clarendon Lions Club was represented in Pampa Wednesday evening at a meeting of Lions Club of Group 3, by Mr. Patrick, Odos Caraway, D. O. Stallings and Sam M. Braswell. The Pampa club was host to the group in a ladies' night banquet in the basement of the Methodist Church, and some one hundred and fifty Lions and ladies from Wheeler, Miami, McLean and Clarendon joined in greeting District Governor Omar T. Burleson, who officially visited the group and was the speaker of the occasion.

Lion Roy Bourland of Pampa is group chairman, and the next quarterly meeting of the area will be held with the Miami Lions Club in that city along in March, 1939.

C. G. HALL RITES HELD MONDAY AFTERNOON

LOCAL RESIDENT DIES AFTER SEVERAL YEARS OF ILL HEALTH

Funeral services for Carlton George Hall were held at the First Baptist Church in Clarendon, Monday afternoon, November 28, conducted by Rev. J. Perry King, pastor.

Deceased was born in Lindale, Smith County, Texas, August 12, 1902, and died in the Memphis hospital November 27, 1938. At the time of his death, he was 37 years, 3 months and 15 days old.

C. G. Hall came to Hall county with his parents in his early youth, and was married to Cleo Hall July 26, 1928. To this union one child, a daughter, was born. Mr. and Mrs. Hall moved to Clarendon seven years ago, and had lived here since that time.

He was a member of the Baptist Church. Surviving beside his wife is one daughter, Cleo Hall, his father, D. C. Hall of Lakeview, two brothers, D. C. Jr., and Reed Hall, both of Lakeview, three sisters, Miss Mary Etta Hall of San Marcos, Mrs. Forrest Posey of Abilene, and Mrs. Walker Jones of Memphis.

Pallbearers were his brothers-in-law, Walker Jones, Jim Henson, Forrest Posey, Jim, Ralph and Roy Cornelius.

Out-of-town relatives attending the funeral were D. C. Hall, Mr. and Mrs. D. C. Hall, Jr., Mr. and Mrs. Forrest Posey, Mr. and Mrs. Walker Jones, Miss Mary Etta Hall, Mrs. Will Knight and children, Reed Hall, Mr. and Mrs. G.

Church of Christ Services to End Wednesday Night

H. V. Crumley, minister of the local Church of Christ, reports that the meeting now in progress is being well attended, even though the time of year usually causes the crowds to fall down. Brother A. D. Tweedy, minister of the Church of Christ of Hollis, Okla., is conducting the meeting and is complimented by everyone on the fine message he brings.

Brother Tweedy has been at Hollis for a year and a half, coming there from Anadarko. He is married and has three fine children. He graduated from Harding College at Searcy, Ark.

Night services are at 7:15 each night and day services are at 10 each morning.

Brother Tweedy's sermon subject for next Lord's Day morning will be "The Great Alternative" and the evening subject will be "How Then Shall the Scriptures Be Fulfilled?"

The meeting will continue until next Wednesday night.

MRS. L. D. PERRY BURIED MONDAY NOVEMBER 28

DIED SATURDAY; IS SURVIVED BY SIX CHILDREN

Death came Saturday, Nov. 26, to Mrs. L. D. Perry, 74, long-time resident of Clarendon. Mrs. Perry was born Charles Wade Smith on July 7, 1864, at Des Arc, Arkansas. She was given her father's name. She was orphaned by the Civil War, as her father was killed in action before her birth and her mother died when she was only two years old.

She was married to Lorenzo Dow Perry on Nov. 17, 1879. From this union, twelve children were born of whom six survive. Mr. and Mrs. Perry were pioneers in the west. They settled near Hollis, Okla., in 1900 and in 1910 they came to Clarendon where they had since made their home. Mr. Perry died a number of years ago.

The children surviving are Benton Coopwood Perry of Elmer, Okla.; Mrs. Elizabeth Hanks of Los Angeles, Calif.; L. D. Perry of Los Angeles; Charles W. Perry and Samuel S. Perry of Denver, Colo., and Miss Fannie Perry of Clarendon. Twenty-two grandchildren and fourteen great-grandchildren are also survivors.

Mrs. Perry was converted in her girlhood and united with the Methodist Church of which she was a faithful member.

Funeral services were conducted Monday afternoon at 2:30 o'clock at the Methodist Church by Rev. E. D. Landreth and interment was in the Citizens cemetery.

C. A. Bryan Enjoys His 88th Birthday

One of the most alert men for his age in this county is C. A. Bryan, who Tuesday celebrated his eighty-eighth birthday by enjoying a hearty dinner prepared by his daughter, Mrs. Frank Whitlock, in honor of the occasion.

Mr. Bryan is one of the familiar figures on the streets of Clarendon and by his kindly word and smile adds much to the enjoyment of his large circle of friends and relatives.

He says he has lived to see much in his span of 88 years, and hopes to extend his experience several years more. The News joins his many friends in wishing him many more happy, hale and hearty birthdays.

Dr. and Mrs. J. A. Hill of Canyon were guests in the J. D. Swift home Tuesday night.

C. Carner, Mr. and Mrs. Ralph Cornelius, Mr. and Mrs. Roy Cornelius and children, Mr. and Mrs. James Cornelius. Interment was in Citizens Cemetery.

LOCATION FOR NEW OIL TEST IN LELIA LAKE AREA TODAY

LATEST SEARCH FOR OIL OFF TO GOOD START—OTHERS PENDING

The long-awaited location of a deep test for oil in the Lelia Lake section of Donley county was consummated Wednesday, and today, Dec. 1st, slush pit is being dug on the old H. W. Taylor north-section, three and a half miles northeast of Lelia Lake, with drilling operations contracted to begin by Dec. 10th.

The location was made by a prominent geologist on the south half of Section 128, Block C-6, and W. D. Casebolt is the contractor. A first-class rig will be on the ground immediately and the deep test will be pushed with all the vigor by drillers of well-known ability. The location is eight miles east of Clarendon, and is 2 miles west and 6 miles north of the Nellie Kuteiman No. 1 test now drilling around four thousand feet.

A large block of leases go with the contract, and with other blocks and contracts pending Donley county promises to go into the New Year with the best prospects for testing out the area for production in its entire history.

Clarendon Studies Present Program Over KGNC Today

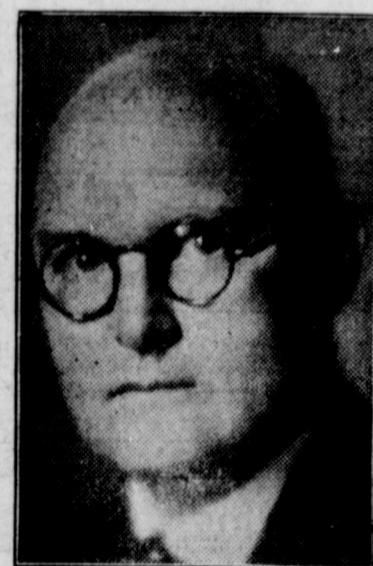

A group from Clarendon High School was on a program over KGNC this afternoon at 4:30 p. m., in which the local school was given some good publicity.

This is one of a series of one program each week put on by schools over the Panhandle.

The program by the Clarendon students was as follows:

- Cornet duet—Ava Maria, Gounod, by John Burton King and Basil Kirtley.
- Piano solo—Caprice Viennois, Fritz Kreisler, by June McMurry.
- Clarinet duet—My Song of Songs, Clay Smith, by Betty Jo Caraway and Billy Ralph Andis.
- Short talk—Our School System, by J. H. Speir, Jr.

Tech President

CLIFFORD B. JONES

of Spur, Texas, well known ranch executive and banker, and West Texas' Number One Citizen, drafted to head Texas Technological College at Lubbock. He will be the third president of Tech.

J. ROY WELLS WAS ELECTED HEAD OF HIS DIVISION IN STATE TEACHERS MEET

J. Roy Wells, a former head of the school of business administration in Clarendon, but now holding a similar position in the Sam Houston Teachers College at Huntsville, was elected president of the school of business administration group of the State Teachers Association in its recent convention at Dallas.

This is a signal honor to such a young man as is Mr. Wells, who is the son-in-law of Mr. and Mrs. D. O. Stallings of this city.

Applications For Farm Payments Ready To Sign

Producers and landlords are being sent notices this week requesting them to meet their committeemen at designated places nearest their homes for the purpose of signing the 1938 application for payment under the Agricultural Conservation Program, according to H. M. Breedlove, county agent.

Breedlove said meetings would be held at the following places and requested those who were to sign the applications to sign them at the designated places if at all possible:

Giles, Bray, McKnight, Hedley, Hudgins, Windy Valley, Lelia Lake, Clarendon, Martin, Goldston, Jericho, Whitefish, Skillet and Midway.

Meetings will be held at these places on December 5th.

Mr. and Mrs. C. J. Douglas and sons, Clyde Benton and Jimmy, spent Thanksgiving with relatives in Fort Worth and Dallas.

W. P. CAGLE DIES IN FT. WORTH SATURDAY

DIES IN FT. WORTH AFTER EXTENDED ILLNESS; BURIED MONDAY

W. P. Cagle, 71, well known Clarendon citizen, died Saturday in a Fort Worth hospital after an extended illness. Funeral services were conducted Monday afternoon at 1:30 at the First Baptist Church by Rev. J. Perry King, assisted by Mr. Cagle's nephew, Rev. R. H. Cagle of Fort Worth. Burial was in Memphis by the side of his wife who preceded him in death many years ago.

Mr. Cagle was born September 11, 1867, in Jackson county, Ga. At an early age, he moved with his family to Texas where they first settled in Montague county. On March 24, 1889, he married Miss Rosie Crossfield. They moved to Wichita county where he operated a grocery store for 12 years at Iowa Park. The Cagles then moved to Hall county where they lived for 15 years. Mrs. Cagle died on July 3, 1918. After that, Mr. Cagle moved his family to Clarendon where he has since resided.

Three daughters and one son survive, Mesdames Van Kennedy of Clarendon, John Bass and Foster Anthony of Lubbock, and W. P. Cagle, Jr., of San Pedro, Calif. Three brothers, Rev. T. Z. Cagle of Abilene, J. A. Cagle of Greenville, and H. I. Cagle of Quail, and one sister, Mrs. I. T. Keys of Oklahoma City also survive him as well as a number of grandchildren.

Mr. Cagle was president of the Farmers' State Bank and held extensive land in this county. He was a faithful member of the Baptist Church and noted for his kindly benevolences. He was a life-long member of the Democratic party and chairman of the party in Donley county for many years.

Mr. Cagle had also served as city commissioner and mayor of Clarendon, and out of respect for him the town was closed for his funeral.

Cecil Hickman Leads In Aggie Contest

Cecil Hickman has a narrow lead over Herman Higgins in the "Aggie" pest eradication contest. These two hold a comfortable lead over Junior Speir and Forrest Helton, in third and fourth places respectively. The contest opened the latter part of October and closes December 15th. Several hundred rabbits, mice, rats, hawks, owls and other pests have lost their lives as a result of the contest.

The five leaders in the contest will be awarded an F. F. A. emblem. The first place winner will receive a chenille emblem, a leather emblem will go to the second place winner.

200 Fathers and Sons Enjoy Annual Banquet Tuesday Evening—Dr. Hill Brings Great Message On Life

Two hundred fathers and sons of Clarendon and community sat down Tuesday evening in the basement of the First Christian Church to a turkey dinner, in the annual Father and Son Banquet, one of the worthy community projects which has withstood the wear and tear of the years.

Under the direction of President Allen Bryan and his board of directors, the event will measure up to the best traditions of the past decades, and with Dr. B. L. Jenkins, the founder of the movement here, as toastmaster, the program was one of unusual interest and merit.

To the strains of music furnished by Director Ray Robbins and his High School Band, the group marched down into the basement and took their places at the tables and heard Rev. J. Perry King pronounce the invocation. After the sumptuous meal of turkey and trimmings, served by the ladies of the church, the toastmaster introduced Jack Reeves, who gave the toast to the fathers, in a gem of thought and clearly precise oratory. Rev. R. S. McKee followed with a toast to the sons in his usual thought-provoking style—these time-honored program items being among the best ever delivered at the annual occasion.

Dr. J. A. Hill, president of WTSTC at Canyon, was presented by Toastmaster Jenkins in a splendid tribute to the speaker's great service to education and to the youth of this section of Texas. Dr. Hill began his address with a review of the international situation of totalitarian states, and the blessings we in America enjoy under our free and democratic government. His plea for dedication of every citizen to the perpetuity of our free government which guaranteed opportunity to the poorest and humblest to rise by effort and application to any level native endowment and achievement.

Post-Conference Change of Ministers Brings Rev. H. C. Gordon Here As Pastor of First Methodist Church

Clarendon people, and especially Clarendon Methodists, were surprised here Friday of last week when it was announced that Bishop Ivan Lee Holt, conference president, had transferred Rev. E. D. Landreth, who had just been assigned here for his fifth year as pastor of the Clarendon Methodist Church, to the pastorate of the Ballinger Methodist Church, in the Central Texas Conference, and that Rev. H. C. Gordon, recently assigned as pastor of the Quannah Methodist Church, after serving four years at Snyder, had been named pastor here.

The changes came about by reason of Rev. F. L. Turner, Ballinger pastor, having been elected president of McMurry College at Abilene, and in casting about for a suitable minister to fill that important post, the bishop wired Rev. Landreth to precede to Ballinger and assume the pastorate there.

Rev. Gordon and his family arrived here Saturday evening and as pastor filled the pulpit Sunday at the 11 o'clock hour, Rev. Landreth acting as master of ceremonies and introducing his successor. Rev. G. T. Palmer, newly appointed presiding elder of Clarendon district preached at the evening hour to a large congregation, the Baptist and Presbyterian services having been dismissed and many of the two congregations being present with their pastors to welcome the new ministers to Clarendon.

The Reverend Mr. Gordon is a man in the first blush of his prime, and with his wife and three young children, occupied the parsonage Wednesday of this week, returning to Quannah Monday to pack their effects and coming here as soon as the Landreths had vacated the parsonage on Tuesday.

The speaker addressed himself to the fathers on the theme of what kind of fathers the sons of today had a right to expect. In a searching discussion of moral principles in daily living, the highest ideals of citizenship and parenthood was lifted as the standards toward which all men should aspire.

Following this with a discussion of what kind of sons the fathers should expect, Dr. Hill talked out of the rich experience of his more than three decades as an educator dealing with thousands of boys and girls, as well as his own parenthood, and warned the boys in simple, warm-hearted interest, against the pitfalls that beset the boys of today. He decried the drinking, dissipated habits of so-called modern youth and society, declaring that the use of liquor never helped any boy, calling upon the boys to keep their lives clean in matters of liquor and sex if they would build a future and achieve happiness. "If our civilization is to live it must bring out the best and highest in our boys and young men who are to be the leaders of tomorrow," said he.

G. G. Reeves was hailed as the father with the most sons present, having five. Mr. Reeves also had the youngest son present—a husky lad of eight months. Hugh Brown was the oldest father present, being 81.

Three generations present were headed by Frank White, C. W. Bennett, A. O. Hafner, Horace Reed and Dr. Jenkins.

In the business meeting that closed the program Jack Reeves was elected president for 1939; Rev. R. S. McKee, vice president; Billy Patman and John Burton King, directors for the Sons; Bill Greene and Ralph Andis, directors for the Fathers.

day. The Gordons have a married daughter in Amarillo, and two daughters completing their nursing training at the Methodist hospital in Fort Worth.

On Wednesday evening of next week at the church, a reception for the new minister, the presiding elder, and the newly assigned circuit preacher, and their families, will be sponsored jointly by the officials of the church, the church school and the Woman's Missionary Society.

Roy Sparks, Former Resident Dies In New Orleans

Mrs. W. M. Sparks of Amarillo, former resident, has received notice of the death in New Orleans, Nov. 17 of her son, Roy Raymond Sparks. Roy Sparks was reared in Clarendon. His parents came to Clarendon later. Sparks was a musician and entertained at many of the old-time ranch dances.

He is survived by three brothers, besides his mother, Wm. Leo Sparks and Omar Sparks, both of Amarillo and Guy Sparks, Cristobal, Canal Zone, and three sisters, Mrs. L. C. Conner, Amarillo, Mrs. Myrtis Wilkinson, Pampa and Mrs. Roberta Caldwell, Perryton.

Burial was in Chicago, his former home. Sparks had been separated from his family for many years and they had no idea of his whereabouts to the time of his death.

Mr. and Mrs. Tom Connally of Amarillo spent Thanksgiving with their parents, Mr. and Mrs. T. F. Connally and Mr. and Mrs. Henry Williams.

DONLEY COUNTY POULTRY SHOW LEADS IN SIZE AND WORTH

This week Clarendon and Donley County entertains the 1938 annual Poultry Show for the county, and in so doing presents to the world the largest county exhibit of poultry in this great area.

The fact of the growth and size of the annual event, however, would not be of too great importance unless it contributed to the progress and welfare of the citizenship of Donley County. This contribution, we think, is well established over the past few years, for today poultry claims a larger place in the scheme of farm income than ever known in the fifty years of county history. Better strains of poultry have been introduced, and our people, young and old, know more about profitable handling of flocks by reason of the annual show with all the intelligent effort put into its lively contests.

The Donley County Poultry Show is an event contributory to the financial independence and growth of the county, and as such, has large claim on the interest and attention of all our citizenship.

CONGRATULATIONS DUE BOTH WAYS

To the News' way of thinking, congratulations are due both ways in the election of Hon. Clifford B. Jones, as president of Texas Technological College at Lubbock. Congratulations to Mr. Jones for his elevation to this most important educational post in all West Texas, and to the institution for claiming the services of such a well-rounded executive as the newly elected president.

Clifford Jones is one of the outstanding figures of West Texas and the Southwest. He is a practical man with vast knowledge of men and affairs—just the sort of individual to head this giant educational institution that has come into state and national prominence more rapidly than any other American college ever did.

Yes, congratulations are due both ways.

THEY QUIT ADVERTISING

You may have been here forty years and everyone knows you are here, but do they think of you when they need merchandise?

Likely they do not. They think of the fellow who is constantly after them, reminding that he has the goods and service.

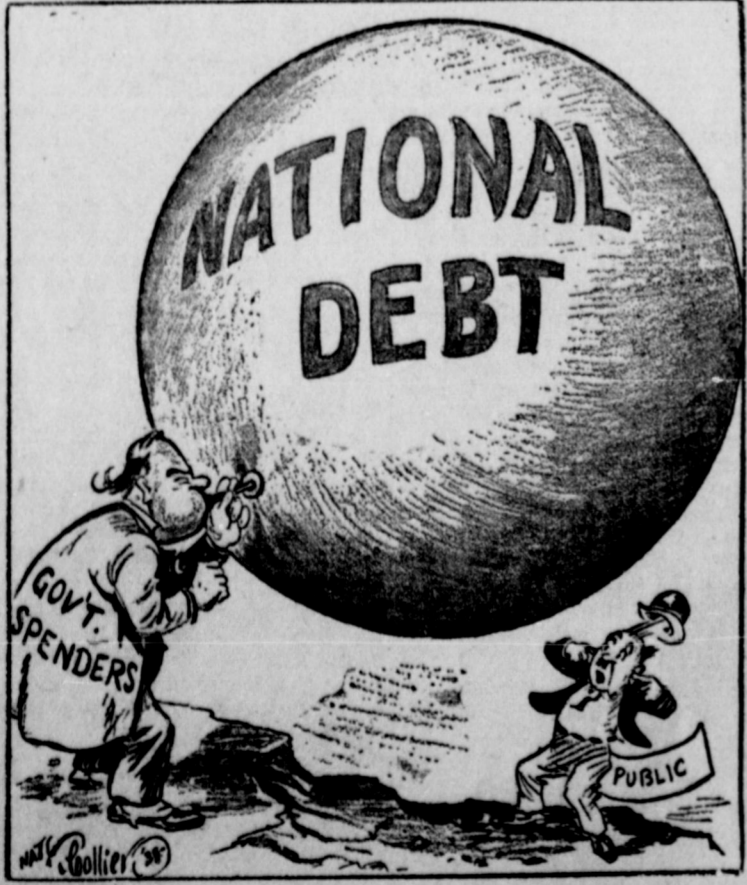

Here are some things that "have been here 40 years," until they quit advertising. Now they are either off the market entirely or sales are limited:

Pears Soap, Pearlina, Sapolio, Silk Soap, Sweet Caporals, Force, Egg-O-See, Lion Coffee, Rubifoam, Agri-Cola.

And, dear reader, how many really meritorious articles can you think of that are off the market today, or practically so, because they quit advertising, even if they "had been here 40 years?"

And if we wanted to be supercilious we could mention the names of several local firms that have ceased to exist because they were "too well established to advertise."—Great Bend (Kan.) Tribune.

THE SAFEGUARDS OF AMERICAN DEMOCRACY

If properly protected, unhampered educational institutions and a free press are the safeguards of American democracy and will enable this system of government to withstand the attacks of old-world dictatorships, William L. McGill, professor of journalism at the University of Texas, told the members of the Texas Editorial Association at its recent meeting in Austin.

"Democracy, the sovereign will of the sovereign people, must and will ultimately prevail," he said, "but it will prevail only while discussion is free, while thought is unhampered, information uncontaminated, and education unrestricted.

"It is not enough to preserve the right of the people to vote, it is not enough to protect a mob in its meaningless maneuvers. In a democracy an enlightened citizenship is essential to survival.

"It is the job of such institutions as the University of Texas to see that all essential facts on all sides of all subjects are revealed and held up for examination and appraisal; to hang old ideas out on the clothes line to be exposed to the sun rays of new truth and new conditions, safe in the assurance that the old verities and veracities will not fade."

RELIEF PROBLEM MENACE

"Oldsters have taken the stage for themselves while youths who must ultimately support them continue to attend school of idleness," said Dr. Marvin S. Schafer of College of Puget Sound.

"If we do not solve the present relief riddle we shall say good-bye to both capitalism and democracy."

NOBODY'S BUSINESS By JULIAN CAPERS JR.

AUSTIN.—A quickening of interest in Texas in national Democratic politics was expected to follow the parley of Democratic leaders from all states scheduled for this week in Chicago, called by Jim Farley, national committee chairman. Texas was to be represented by E. B. Germany, Dallas lawyer-geologist, new chairman of the Democratic State Executive Committee, named at the instance of Gov.-Elect W. Lee O'Daniel, and by Clara Driscoll, of Corpus Christi, Texas' national committeewoman, and other state leaders.

A possible contest between President Roosevelt for a third-term nomination, and Vice President John N. Garner, Texas conservative, has already received considerable speculation by Texas and national political writers. Jesse Jones of Houston, chairman of RFC, has also been mentioned as another Texan who may figure in the long-range contest for convention delegates, which will get under way in various states soon after the first of the year.

The heavy inroads which Republicans made in Democratic congressional and gubernatorial strength in the elections this month, however, were damaging to the prospects of all "Solid South" favorite son candidates, making it likely that a standard bearer from a doubtful state will be the choice of the Democracy in 1940.

THIRD TERM TALK

Abolition of the two-thirds rule, under which Democratic candidates were nominated for nearly a century, will take effect at the next national convention, is also regarded as lessening considerably the strength of Southern states and their candidates, by eliminating the possibility of the "Solid South" delegates blocking a nomination, as they have done at many past conventions. Many observers here incline to the belief that Republican gains have added considerably to the possibility of President Roosevelt seeking a third term, on the theory that he is the only leader behind whom "progressive" political thought can be solidified and New Deal victory in 1940 achieved. The tremendous influence which the huge New Deal political machine exercises, particularly in the heavily populated eastern urban centers, with their millions of relievers and WPA workers, many believe, can be mobilized in sufficient strength to give Roosevelt a majority of convention delegates—all he would need for a 1940 presidential nomination.

Many Texas political observers believe the Garner movement in Texas is being nurtured more to place the vice president and his friends in a strategic trading po-

sition, than with any serious intent of nominating the 72-year-old vice president as the party standard bearer. The forth-coming session of Congress, of course, will bring much party political maneuvering, and may conceivably develop a candidate not now regarded as a contender.

PRORATION TEST WELCOMED

Test of the authority of the Texas Railroad Commission to prorate production of oil by shutting wells down on Saturday and Sundays will get under way in District Court in Thavis county, Dec. 7, when a hearing on a suit for injunction, attacking the shutdown order, is scheduled before District Judge Ralph Yarborough. The suit was brought by Ray Starnes, East Texas operator, who takes the unique position that the price of East Texas oil has been arbitrarily fixed at more than it is worth, thus placing East Texas at a competitive disadvantage. Chairman Ernest O. Thompson of the Railroad Commission, announced the commission would welcome a legal test of its authority, to clarify the marginal well law, which has been subject to various interpretations by oil operators and a majority of the commission. The Saturday and Sunday shutdowns were expected to be continued in force in the December proration order, due to be issued this week.

CRA REJECTS POWER OFFER

Max Starke, operations manager of Colorado River Authority, and representatives of Texas Power & Light Co., this week continued discussions of the offer of Texas Power & Light Co., to sell all of its distributing facilities in 16 Central Texas counties to CRA, following Starke's refusal to accept the price asked by TP&L, \$7,398,016. TP&L claimed this was its actual investment in the properties. Starke claimed they could be duplicated for \$2,000,000 less, and also objected to the TP&L proposal that CRA confine its operations to the 16-county area, in the event the sale is made.

If negotiations finally collapse, cities and towns in the area which have voted bonds to build competitive municipal plants, will be confronted with the alternative of duplicate competitive power service. Neither party to the controversy wants this, because division of the volume of business in the area would tend to limit

profits of both the private distributor and the municipal plants.

JOB HUNTERS WORRY O'DANIEL

Gov.-Elect W. Lee O'Daniel, who has been learning rapidly about the Legislature, the constitution, and other important phases of the state government, has also learned something about that plague of all political office-holders—the job hunters—he indicated this week by a statement in which he proposed a civil service system for state workers. The job-hunters have descended upon his Fort Worth headquarters in such hordes that he was forced to hire a secret private office at a hotel to escape them. Dero Cowley, secretary to Gov. Allred, and former representative from Hillsboro, was borrowed from Allred to aid O'Daniel in meeting legislators, and this has given rise to rumors here that Cowley may be a member of the incoming governor's official staff.

BIBLE STILL POPULAR

Inspiring leadership of Dana X. Bible, Texas University's 10-year \$15,000 football coach, has carried the coach through a disastrous football season in which the Longhorns dropped every game but one, with almost unparalleled popularity. After two poor seasons, almost any coach would be "in the pan" by alumni and students, but so great is Bible's personal popularity that football squad, alumni, and faculty are enthusiastically backing him. The 1-point Thanksgiving victory over A. and M. yielded considerable balm to the wounded feelings of alumni, and Bible's freshman squad of 100 talented players, due to represent the varsity next season, is regarded as certain to make a much happier showing by the team's supporters here.

TWO IS COMPANY—especially when one of them is the be-dimpled Olivia de Havilland and the other is the handsome and roguish Errol Flynn, but they find out that "Four's a Crowd"—the merriest film comedy of the year.

"Four's a Crowd" Has Four-Star Cast

"Four's a Crowd," with Errol Flynn, Olivia de Havilland, Rosalind Russell and Patric Knowles making up the slender quadrangle, is the highly hilarious newspaper comedy which opens Wednesday at the Pastime Theatre.

When Rosalind Russell, a newspaper reporter, wins Patric Knowles, playboy publisher, over to hiring Errol Flynn, a whirlwind press agent, as his editor, Flynn picks Walter Connolly, a piratical captain of industry, as the butt of circulation-building campaign. Then he makes love to Olivia de Havilland, Connolly's granddaughter, which in turn makes everybody hopping mad—Rosalind because she is in love with Flynn, Patric because he's in love with

Olivia and Connolly because he likes to get mad. From there on it's a free-for-all, with high comedy sustained throughout.

Lelia Lake High School Installs Modern Cooking Equipment In New Department Of Foods

For the first year, the Lelia Lake High School has added a Department of Foods to their Home Economics Department, in which eight students will be taught the culinary arts by Miss Lois Johnson, home economics instructor, according to Raymond Wilson, superintendent.

The school has had Home Economics for some time, teaching sewing and other allied arts, but this new addition will give the students access to modern cooking equipment for the added course.

The entire room has been remodeled, repainted and two gas ranges, a cabinet built in the entire end of the room, an electric refrigerator, four work tables and other necessary equipment have been added this year.

The girls are paying for the refrigerator by selling candy at the noon hour, but the other equipment has been furnished by the school.

Miss Johnson stated, in outlining the course of study, that the girls will have a period of one hour each day for study, in which two days will be for discussion and three days for cooking. This year will make a full two-year course for the girls, since they have had their sewing courses last year and will have all their cooking this year.

They will prepare breakfasts, luncheons and some dinners.

Miss Johnson explained that the girls would be taught how to prepare good, well balanced meals, with the smallest cost, and that they will learn the use of modern equipment, and the art of saving food with it.

Like most other small schools, they do not have too much money to buy this equipment with, and according to plans they still have quite some building to do. Each girl pays a fee to defray her part of the expenses.

The school will hold a box-supper Friday night, Dec. 2, to raise funds to finish equipping the room, which will include closets for storage at the opposite end of the room from the cabinet, pots and pans, and other necessary items.

Mr. Wilson has also been successful in building dressing rooms in the boys' and girls' sides of the gymnasium. The material was secured from an old house bought by the school and the lumber will be used also for enclosures for the doors during the winter months.

This is Mr. Wilson's second year as superintendent of the Lelia Lake schools, and he served as principal the three years preceding that.

FACE to FACE,
Your Mileage Merchant can frankly give you these same straight reasons for positive winter starting and big oil savings with your engine **OIL-PLATED... more than an oil-change!**

SEE how refreshing it is, the way Your Mileage Merchant—here in the paper and at his Conoco station—backs up his statements about Germ Processed oil. It brings you more than an oil-change, because right after it is pumped up from the crankcase like any oil, it does something any oil cannot do. Energized by the Germ Process—patented—it bonds to every working part and stays up lastingly in the form of OIL-PLATING. Even grindstones can scarcely remove OIL-PLATING, so it certainly cannot drain down while your

car stands cold—no matter how long. Therefore the instant you want to start up, every engine part swiftly and safely slides into action on its ready OIL-PLATING—the lubricant that plainly can't be held back by any cold; that can't hold back your battery. The quick starts tell you there's no grinding wear in your OIL-PLATED engine. It won't get hoggish with your Conoco Germ Processed oil, another good straight reason for you to change to Your Mileage Merchant today.

Again MINNEAPOLIS-MOLINE steps ahead and OPENS THE DOOR to a revolutionary advance in farm tractors. OPENS THE DOOR and seats the farmer in a cab as comfortable as that of his modern automobile. Of course, the MM is more than a tractor with a cab—it's a "COMFORTTRACTOR" with a cab as much a part of it as the cab on an automobile. There are comfortable cushion seats for two in the roomy air ventilated and temperature controlled cab with a hot water heater in cold weather and air circulation in hot weather. COMFORTABLY seated away from the dust and elements, the farmer has at his command FIVE SPEEDS forward—from a crawl to 40 M. P. H. Gears can be shifted "on the go". The variable speed governor is controlled like a footpedal. Before the operator are the speedometer, ammeter, oil pressure gauge, and water temperature gauge. Almost any convenience he may name is at his command including such luxuries as a radio and a cigar lighter. A self-starter and powerful electric head lights obey his touch. For night work there is a powerful spot light controlled from the cab that can be turned in any direction. Naturally, POWER and UTILITY have not been sacrificed to modern conveniences, and the new Special DE LUXE Model MM Tractor promises performance records as astonishing as its comfort features. SAFETY, TOO, has been a watchword—the Cab is made of Steel. Safety glass has been used throughout. Vision is excellent.

SOCIETY

WOMAN'S MISSIONARY SOCIETY MEETS

The Women's Missionary Society of the Methodist Church met Wednesday in regular session at the church with 35 members present. Announcement of the names in each circle was made. Mrs. Gordon, the new pastor's wife, was graciously welcomed by the group.

The honor roll of these women who have not missed a meeting this year was announced. These were Mesdames Dave Johnson, J. H. Hurn, M. S. Parsons, R. Y. King and Miss Susie Dillard. The Harvest Day meeting at Pampa Dec. 13 was discussed as was the open house to be held Wednesday, Dec. 7, at 7:30 at the church to welcome the new pastors and their families.

1937 CLUB GUESTS OF MR. AND MRS. AYRES

The members of the 1937 Bridge Club were guests of Mr. and Mrs. Gilmer Ayres Monday night at an enjoyable party. Three tables of bridge were played. Mr. Elmer Palmer had high score for men and Mrs. George Wayne Estlack for ladies. Mrs. Alfred Estlack had low.

Attractive Christmas cards were used as plate favors. Delicious refreshments were served to guests. Mr. and Mrs. Billie Weatherly, and members, Messrs. and Mesdames Verna Lusk, G. W. Estlack, Elmer Palmer, Alfred Estlack.

MRS MURPHY IS HOSTESS TO CLUB

Mrs. Tom Murphy entertained the Tuesday Contract Bridge Club last Friday, Nov. 18, at her home at 3 o'clock. Fall flowers were used attractively throughout the house. In the games of bridge, Mrs. Geo. Norwood had high score for members and Mrs. Ira Merchant had high for guests.

Lovely refreshments were served to members, Mesdames H. M. Breedlove, Geo. Norwood, W. W. Noblett, Joe Bownds, Paul Slaton and guests, Mesdames Alfred McMurtry, Forest Taylor, Houston Bell, P. B. Gentry, Ira Merchant, Frank White, Jr., Miss Berkeley Ryan. Mrs. Bill Carroll was a tea guest.

MISS AVIS LEE McELVANY INITIATED INTO KAPPA TAU ALPHA FRATERNITY

Miss Avis Lee McElvany, senior in the School of Journalism at the University of Missouri, was initiated into Kappa Tau Alpha, honorary journalism fraternity, last week.

The fraternity is for those students who comprise the highest six per cent in the School of Journalism and is equivalent to Phi Beta Kappa fraternity in the College of Arts and Sciences.

Miss McElvany, daughter of Mr. and Mrs. Homer McElvany, ranks seventh in grade and honor points on the list of students and is president of the honorary journalism sorority, Theta Sigma Phi.

BOOK BY STEFAN ZWEIF REVIEWED AT PATHFINDER

The program for the meeting Friday of the Pathfinder Club was based on Stefan Zweig's "The Buried Candelabrum," which is a Jewish story. Roll call for the day was answered with proverbial sayings from the Bible. Mrs. Carrie Sorelle gave a sketch of the life of the author. The book was reviewed in a splendid way by Mrs. J. R. Porter. The subject and the book are timely and were very much enjoyed by the club members. Mesdames J. H. Howze and Frank Heath sang "The Shepherd's Psalm."

Attention was called at the meeting to the special Christmas program to be presented at the First Baptist Church Friday night, Dec. 9. This program is open and everyone in town is cordially invited to attend.

Mrs. B. L. Jenkins gave an excellent report on the Federation meeting at Austin which she attended recently.

WILSON-PERRY RITES SAID TUESDAY MORNING

In a very simple ceremony Tuesday morning at 9 o'clock Miss Fannie Perry and Walter A. Wilson were married at her home. Only relatives and a few close friends witnessed the ceremony. The marriage vows were read by the bride's brother, Rev. B. C. Perry of Elmer, Okla. Miss Carrie Davis was the bride's only attendant and her nephew, Earl Perry, served as best man.

Immediately after the ceremony the couple left for a ten-day trip to California after which they will be at home in Clarendon where Mr. Wilson is manager of the Clarendon Steam Laundry and Mrs. Wilson will resume her duties as chief operator of the Southwestern Bell Telephone Co.

FOOTBALL BOYS GIVEN VENISON DINNER

The members of the 1938 Broncho football squad were honored Tuesday night with a venison dinner and theatre party. Mr. and Mrs. Bert Smith and Mr. and Mrs. C. Huffman were hosts to the boys at the home of the Smiths for the dinner.

A maroon and white color scheme was carried out in the table decorations. Brown footballs and helmets were given as favors. A delicious dinner, which was featured by fresh venison, killed by Mr. Smith and Mr. Huffman on a recent hunting trip, was served to the boys.

After dinner, the group went to see the show, "Little Adventurers."

Those present were Coach Emil Hutto, Pete Morrow, Junior Speir, Fisher Johnson, Gibbs, Jimmy Lumpkin, Billie Latson, J. H. Green, H. L. Lane, Jack Rolf, Collie Huffman, Jr., J. W. Goodman, Eugene Putman, Al Cobb, Waldron Melton, James Blackman, Robert Summers, Carroll Peabody.

Margaret Hillman, who is a junior at WTSPC at Canyon spent the holidays with her mother.

Mr. and Mrs. J. H. Hurn spent Thanksgiving in Muskogee, Okla., with Mrs. Hurn's brother, J. H. Rush and family.

To express affection and appreciation in your Christmas gifts there must be loveliness and exquisiteness.

These qualities you will find in our accessories.

ASSEMBLY

Assembly opened Wednesday,
the second period with the sing-
ing of "Long, Long Ago," "Old
Folks At Home," and "Work For
the Night is Coming," following
which was a piano duet, "In a
Polish Garden," played by Mrs.
Millard Word and Maxine Ellis.
Next was a guitar solo, "Mellow
Mountain Moon," played and
sung by Raymond Wood. After
the group sang "Battle Hymn of
the Republic," Mrs. Heath accom-
panied by Mrs. Word, sang "Come
to the Fair," and then she and
Mrs. Howze harmonized a medley
of songs. Kenneth Sloan, Law-
rence Heckman and Raymond
Wood played "Old Beaumont
Rag," "When It's Harvest Time"
(sung by Raymond), and "Five
Foot Two." Mr. Drennan says
when he runs for governor he's
going to take these boys with
him. The program closed with
some announcements.

THANKSGIVING MEDITATIONS

Ah me, Turkey Day has come
and gone again. To many it was
grand; to others, well take Ray-
mond Smith for instance, just look
at the knot on his head and the
color of his right eye.

Exes like G. Noble and J. Cor-
nell were singing "Happy Days
Are Here Again."

Jack Reeves, the bully of the
campus, was seen with an all-
day sucker he had taken from a
six-year-old kid.

We can't tell as yet whether
Ray Palmer enjoyed his holidays
or not. The little boy is walking,
eating, and studying in his sleep.

Coach Hutto Announces Seventeen 1938 Broncho Lettermen This Week

Coach Hutto announced this
week the men of the Broncho
squad that earned their 1938 let-
ters. Of the seventeen men win-
ning letters this year, twelve of
them will return again next year
for football duty. They are:
Collie Huffman, Boyd Allison, Pete
Morrow, L. B. Hartzog, Waldron
Melton, Fisher Johnson, J. W.
Goodman, Bob McWhorter, Jim
Lumpkin, Junior Spier, Eugene
Putman, and Johnny Grady. H. L.
Lane, J. H. Green, Berl Longan,
James Blackman, and Billy Lat-
son are lettermen who are either
graduating or are not eligible to
play high school ball any more.
Of the seventeen lettermen six
of them lettered last year. They
are: Huffman, Lane, Green, Lon-
gan, McWhorter and Grady.

The 1938 schedule and out-
come is not altogether a bowl of
cherries, but it might be well to
review it:

- We lost to LeFors, 26-6.
- Won over Lakeview, 7-6.
- Lost to Mobeetie, 7-6.
- Tied Memphis, 6-6.
- Lost to Wellington, 59-0.
- Won over Canadian, 13-6.
- Lost to Groom, 20-0.
- Tied Vega, 13-13.
- And beat Pampa (B) 47-0.
- The Broncho set-up might be
outlined as follows:
Games won, 3.
- Games tied, 2.
- Games lost, 4.
- Lettermen, 17.
- Second year lettermen, 6.
- Lettermen we are losing, 5.
- 1939 prospects, FINE.

And now skipping head and
thesh with the old scribbler with
popular songs we hear—
Dona Adams singing "Thanks
for the Memories."

Billy Cooke humming a little
ditty that starts like this: "How
Would You Like to Love Me."
Margaret Hill shagging to
"What Have You Got That Gets
Me."

Maxine Ellis swinging "You
Must Have Been a Wonderful
Baby."

Max Rumpy singing "There'll
Be No Rain In Cherry Blossom
Lane."

BRONCHOETTA LISCUSSES COLLEGE GIRLS

Dear Readers:
I have been very pleased with
the letters you have been sending
me, but I have one here that re-
quires quite a lot of thought.
One of our college girls wrote me
a letter this week asking me to
express my thoughts on a college
girl. Well, you see I am not a
college girl, for I never finished
the third grade, but I do have
my own opinion of the girls of
today. You see there is quite a
lot of foolish happenings in their
classes. And it seems that girls
pull the dumbest remarks. Any
way here is a poem I believe that
will fit most of the girls here in
our Junior College:

"College girls are a lazy lot;
They always take their ease.
Even when they graduate,
They do it by degrees."

I have also been asked what I
think about girls who pretend to
be bashful and innocent. Some
seem to think it might help them
to make a hit with boys to be
the "sweet, innocent" type. I
think that an old-fashion girl
blushes when she is embarrassed;
a modern girl is embarrassed
when she blushes.

I have a letter here from a girl
who wants to go to Broadway
when she graduates from C.J.C.
Now that may be just the thing
for her to do, but the best defini-
tion of Broadway that I can give
is it is simply a place where peo-
ple spend money they haven't
earned to buy things they don't
need just to impress people they
don't like. If you have lots of
money and can persuade Ralph
Grady to go with you, I guess
that it would be the thing to do.
Bronchoetta.

HOME ECONOMIC NEWS

The members of the Home Eco-
nomic classes met Tuesday, Nov.
21, to organize a F. H. T. Club.
They elected the officers as fol-
lows: Jessie J. Tomlinson, pres-
ident; Mildred Phelps, vice pres-
ident; Marjorie Beverly, secretary
and treasurer; Claudine Haley, re-
porter.

The president appointed the fol-
lowing committees: Program com-
mittee, Betty Jo Bartlett, Lucille
Goldston and Wanda Craft; social
committee, Ruezell Ryan, Jo Ann
Smith, and Madeline Kely.

On Saturday Jessie J. Tomlin-
son, Billie Ruth Bulman, and Miss
Berry went to Canyon to attend
the F. H. T. meeting. The F. H.
T. is a national organization and
the local club is a unit of it.
There were 26 counties and 57
schools represented; 550 F. H. T.
members were present at the
meeting. The program was a very
interesting one on the subject of
"Personality Development," a sub-
ject that most everyone is inter-
ested in.

The next area meeting of the
F. H. T. will be held in Pampa
the first or second week of March.

THE AWFUL PRICE YOU PAY FOR BEING NERVOUS

Quivering nerves can make you old
and haggard looking, cranky and hard to
live with—can keep you awake nights and
rob you of good health, good times and
jobs.

What you may need is a particularly
good woman's tonic—and could you ask
for anything whose benefits are better
proved than famous Lydia E. Pinkham's
Vegetable Compound? Let its whole-
some herbs and roots help Nature build
up your physical resistance and thus help
calm your shrieking nerves, give more
energy and make life worth living again.

More than a million women have re-
ported benefit—why not let Pinkham's
Compound help YOU, too, to go "smil-
ing thru" trying times like it has other
grateful women for the past 3 genera-
tions! IT MUST BE GOOD!

SCHOOL NEWS

Miss Polk's pupils entertained
Mrs. Headrick's pupils with a
Thanksgiving party and program
Wednesday. Apples, candy, and
cookies were served. The party
was enjoyed very much.

Miss Polk's room has added
eleven new books to their library.
They also have a new ball and
some new manuscript cards. De-
laise Speir has withdrawn from
this room because she was mov-
ing away.

Miss Steven's pupils put on a
very nice play on Thanksgiving.
Dean Wadsworth and Chauncey
Hommel are back in school after
a few days' absence.

There were two pupils absent
from Miss Mongole's room Mon-
day. Edith Powell is a new pu-
pil in Mrs. Prewitt's room. She
moved here from Memphis.

Anita May Merkle is a new
pupil in Mrs. Penick's room. Dan-
na Ray Howerton withdrew to
move to Amarillo.

Mrs. Lane's room has added
nine new books to their library.
A Wise Owl Club has been or-
ganized in this room. Carroll
Brumley withdrew to move away.
For Thanksgiving Miss Hall's

room put on a play. It represent-
ed the landing of the Pilgrims
and their first Thanksgiving.

Mr. Penick has organized a
group of tumblers. They practice
after school in the gym and are
learning many stunts.

WE WONDER

Why Maxine Ellis likes Amar-
illo so well?

Why all the Seniors are
gloomy?

Why Wanda Craft was down-
hearted this week?

Why Betty Jo Caraway takes
such a round about way home at
noon?

Why we don't have assembly
twice again.

Why Ruth McDonald had to
move so many times in the show
Thursday.

Why the Sophomores are so
silly, the Juniors so jumpy, and
the Seniors so sophisticated, the
college so mentally crippled?

Why someone doesn't eat "Jel-
ly Roll" McGowan?

Guests of Mr. and Mrs. F. E.
Chamberlain over the holidays
were Mr. and Mrs. George Cham-
berlain and son of Dallas and Mr.
and Mrs. R. V. Payne and daugh-
ter of Plainview.

Miss Mary Frances Powell of
Quanah spent Thanksgiving with
her parents, Mr. and Mrs. C. C.
Powell.

Students home from Canyon
for the holidays were Joan
Thompson, Dorothy McCormack,
Vivian Taylor, Peggy Word, Dor-
othy Powell, Allen and Ardis Pat-
man, Fannie McGowan.

Mr. and Mrs. J. T. Stephenson
and son, Ronnie, and daughter,
Sharou Leigh, spent Thanksgiv-
ing with Mrs. Stephenson's father
in Amarillo.

Weatherboarding Against Winter

By T. C. RICHARDSON, Secretary
Texas Breeder-Feeder Association

Cold weather calls for heavier feeding to generate body heat in all kinds of livestock. Feed alone of course will not offset the effects of cold and shelter is essential at some times every winter, even in the colder parts of the Southwest. One the other hand, shelter alone is not enough, especially with milk cows, laying hens, and animals in the fattening pen. There must be extra feed to burn in the body or else fat already acquired will be burned in keeping the body temperature normal.

The sudden changes of weather to which the Southwest is subject makes it hard to avoid some shrinkage, even with good shelter and additional feed, but every pound of avoidable shrinkage costs more to regain than to hold. It is poor economy to permit animals to burn up fat already accumulated and which must be restored before additional gains are made.

Range cattle or sheep permitted to struggle through without sufficient feed to hold the weight with which they entered the winter lose several weeks in spring and summer getting back the weight lost. They will be that much behind in getting into marketable condition next summer or fall and will weigh just that much less when they go to market. It is therefore important that they also have extra feed in cold weather to offset as much of the winter shrink as possible.

Everyone knows how slowly cows regain their normal milk

flow after a cold snap and if it is late in the lactation period they often never come back to full normal production. The same thing holds true of laying hens, though they respond more quickly to favorable conditions and the loss is less from the reduced production. This is a case in which the proverbial ounce of prevention is worth a pound of cure, and extra feed which helps prevent these losses is about the most valuable feed in the barnyard.

It often happens that stock get "all the feed they will eat" and eat little or no more in cold than in warm weather, falling off accordingly. If the water is icy cold they will not drink as freely as they should and if they don't drink freely they will neither eat as freely nor digest as well as they should. The same thing happens when their quarters are so cold they stand huddled up for warmth, so the effort to induce them to take the extra feed necessary in cold weather may fail, not for lack of feed, but for lack of comfort. Water and shelter of the right sort play an important part both in getting sufficient feed into the animals and in the effects of the feed.

"Contented cows" is much more than an advertising slogan, for only when comfortable and contented do cows function at their best. Contentment is dependent on comfort, and on both adequate shelter and feed. Water, plenty of it, at a drinkable temperature, is as necessary as palatable feed and helps to make any dry feed more palatable, whether grain or

forage. If we keep these things in mind a good deal of the usual winter losses of weight and production can be forestalled.

No matter what kind of livestock or poultry we are dealing, an extra feed supply is mighty good weatherboarding against winter shrinkage in weight or slowed up production. The carbonaceous feeds of course play the larger part in supplying fuel for heat, but this does not mean that the protein elements should be omitted if the carbohydrates are to do an efficient job. A balanced ration is to be assumed under any and all conditions, winter or summer, for growth or production, for fattening or mere maintenance.

THE TYPOGRAPHICAL ERROR

The typographical error is a slippery thing and sly. You can hunt till you are dizzy, but it somehow will get by. Till the forms are off the presses it is strange how still it keeps; it shrinks into a corner and it never stirs or peeps. The typographical error, too small for human eyes, Till the ink is on the paper, when it grows to mountain size. The boss he stares with horror, then he grabs his hair and groans; The copy reader drops his head upon his hands and moans— The remainder of the issue may be clean as clean can be, But that typographical error is the only thing you see.

Watch Your Kidneys!
Help Them Cleanse the Blood of Harmful Body Waste

Your kidneys are constantly filtering waste matter from the blood stream. But kidneys sometimes lag in their work—do not act as Nature intended—fail to remove impurities that, if retained, may poison the system and upset the whole body machinery. Symptoms may be nagging backache, persistent headache, attacks of dizziness, getting up nights, swelling, puffiness under the eyes—a feeling of nervous anxiety and loss of pep and strength. Other signs of kidney or bladder disorder may be burning, scanty or too frequent urination. There should be no doubt that prompt treatment is wiser than neglect. Use Doan's Pills. Doan's have been winning new friends for more than forty years. They have a nation-wide reputation. Are recommended by grateful people the country over. Ask your neighbor!

Sketches of California

By EVERETTE PARKER
YOSEMITE NATIONAL PARK

How romantic and enchanting the Yosemite Valley and its Sierras are. There one is able to see all of nature's beauty and charm. In fact, nature beckons the sight-seer to come hither. As one approaches the gate that leads into the enchanted park, he has a feeling of deep gratitude to have the privileges to be so near God's own handiwork. The beauty of the park makes one feel very near God. After the sight-seer is in the park, he may go through the Arched Rock on El Portal road, on his way to see the great Bridle Veil Fall which drops 620 feet, surrounded by Cathedral Rocks. Sentinel Dome, Half Dome and clouds resting on the far sky-line. On the left, he can see El Capitan and the lower part of Three Brothers, with the Royal Arches, topped by North Dome beyond.

How enchanted and charmed he becomes as he sees these masterpieces of nature! Onward he goes to see Mirror Lake, the big trees and many other works of wonder. At the close of the day, he is much wiser for having seen and felt such wonders that the park offers him.

The Low Down FROM HICKORY GROVE
Some folks keep pointing at the bankers and blaming them for everything, like even chinch bugs, etc.; but you know, they are not such a bad lot—if you once know 'em, and don't happen to owe them anything. But the ones I know, they are just cashiers and presidents, etc.—and not vice presidents—so maybe that has something to do with it.

But our government, which is finding fault with bankers, if it would run its business with one-half the gumption that the bankers use, we would not all need to lay awake nights wondering what is going to happen next, to upset the apple-cart.

The bankers, they stick to money, like a shoemaker, he sticks to shoes. But our government, it spends most of its time acting as if nobody else knew beans, and it must look after everybody like we are 2 years old—like Mr. Hitler in Europe, he thinks he is Napoleon and runs everything. Bankers—I would sooner let them hold by gold watch and chain, if I had one, than some of the gents, there in Washington. Yours, with the low down, JO SERRA.

CARHART RITES ARE HELD AT PANHANDLE

PANHANDLE PIONEER AND FORMER CLARENDON RESIDENT BURIED

Mrs. E. E. Carhart, 75, of Panhandle, pioneer of the Texas Panhandle, and former resident of Clarendon, was buried at Panhandle last Friday, Nov. 25.

Mrs. Carhart had been a resident of Panhandle since 1887, moving there from Clarendon shortly after the establishment of the town.

Deceased was born in Terre Haute, Ind., Sept. 4, 1863, and moved to Clarendon with her parents. She became the wife of Mr. Carhart in 1881.

Mr. Carhart was engaged in the mercantile business in Panhandle for a number of years and later became cashier of the Panhandle Bank before retiring from business.

Mr. and Mrs. Carhart were active in the development of Panhandle and Carson county.

Funeral services were held at the Panhandle Methodist Church, Friday afternoon at 2:30 o'clock, with Rev. R. S. Watkins officiating, and burial was in Panhandle cemetery.

Survivors include four children, J. L. Carhart, Nina Carhart and Mrs. H. H. Carhart, all of Panhandle, and Mrs. George Taylor of Pampa.

J. M. TUCKER, 83, DONLEY PIONEER RITES TUESDAY

SUCCUMBS AT AMARILLO SUNDAY NIGHT AFTER LONG ILLNESS

J. M. Tucker, 83, pioneer resident of Clarendon and Donley county, died in an Amarillo hospital Sunday night following a long illness.

He had resided for the past year with a daughter, Mrs. Bessie Jones of the Bushland community.

The body was brought to Clarendon Tuesday morning by Blackburn-Shaw Funeral Chapel of Amarillo, and funeral services were conducted Tuesday afternoon at the First Baptist Church, with Rev. J. Perry King, officiating, assisted by Rev. Lee Perry of the Bushland Baptist Church. Interment was in Citizen's Cemetery.

Deceased was born in Giles County, Tenn., January 17, 1856, and came to Hopkins County, Texas with his parents in his youth. He moved to the Panhandle in 1915. He was married to Miss Mary Beardian October 30, 1885, at Comanche, Texas, and to this union 10 children were born, four boys and six girls.

Mr. Tucker was preceded in death by his wife July 13, 1937, and since that time had made his home with his children.

He was converted and joined the Baptist Church in early life and held membership in the Bushland Baptist Church at the time of his death.

Surviving were four daughters, Mrs. Bessie Jones of the Bushland community, Mrs. Ora Scott of Childress, Mrs. Ula Moffett of Clarendon, and Mrs. Lucy Lankford of Hedley; three sons, E. M. of Amarillo, C. C. of Odessa, and L. M. of DeZier; two sisters, Mrs. Lou Hodges and Mrs. Anna Paxton of Zepher, Texas.

BISHOP SEAMAN WILL BE HERE SUNDAY

The Rt. Rev. E. Cecil Seaman, D. D., bishop of the Protestant Episcopal Church in North Texas, will make his fall visitation here at the St. John Baptist Church Sunday morning. He will preach and officiate at the service of Holy Communion. A special feature of the service will be a roll call of those whom he has confirmed in Clarendon during the time he has been bishop. A cordial invitation is extended to all to worship in this service at 11 o'clock Sunday morning.

Mrs. John H. Platt of Pampa, visited her sister, Mrs. Lester Schull Friday, Saturday and Sunday.

Mrs. J. Perry King and son, John Burton, spent Saturday and Sunday in Ballinger. They drove a new Ford car home, the gift of Mrs. King's brother, and are now enjoying it.

Mr. and Mrs. L. B. Noble and Dorothy and Patsy returned Friday from Los Angeles and Davis, Calif., and Grants Pass, Oregon, where they have been visiting relatives for the past five weeks.

Mrs. Carl Gilliam of Lubbock visited her mother, Mrs. L. Ballew, this week.

Miss Vera Noland visited Mr. and Mrs. O. C. Watson in Lubbock over the week-end.

Mrs. P. B. Genry spent the holidays with her son, Phillips, in Boonville, Mo.

Rev. G. T. Palmer spent the first of the week in Waco and Dallas on church business. Mrs. Palmer visited relatives in Canadian during that time.

World's Most Modern Tractor Coming To Clarendon Soon

If you should happen to see a sleek powerful looking, streamlined, modernistic vehicle gliding by on the highway, don't be alarmed! It is not an invasion from Mars! Chances are it will be the new MM Comfortactor coming to town. This new Power Unit for farm and industry was designed and built by Minneapolis - Moline and recognized throughout the country as the world's most modern tractor. This latest MM creation is fully equipped with a sound proofed safety cap, cushioned seats, radio, heater, self-starter, electric lights, windshield wipers, safety glass, electric horn, fan, cigar lighter, ash tray, sun visor, rear vision mirror, clock, ignition and cab door locks, and a handy group of instruments on the dashboard; namely, an ammeter, oil, temperature and gas gauges, speedometer, ignition and light switches, throttle control, and choke knob. But don't let the luxurious surroundings of this model fool you. It is fully capable of performing any task required of a standard tread tractor of 3 or 4 plow power. By simply removing the front fender this modern tractor is ready for heavy duty belt work; long hauling jobs are no longer a worry with road speeds up to almost 40 M. P. H. In fact, this tractor has 5 forward speeds and with the variable speed governor it should handle every job at just the right speed. Provision has also been made for the easy installation of a power-take-off.

To really appreciate the amazing versatility of the Comfortactor, it must be seen, and according to Cleo Woods, local Minneapolis-Moline dealer, we are all going to be able to do just that. Mr. Woods reports that this tractor will be on display at his place of business on Saturday, Dec. 17th. Everyone is invited to come and see the world's most modern tractor—truck—mobile.
