CLARENDON, DONLEY COUNTY, TEXAS, FEBRUARY 25, 1943

A Common Paper for Common People

Premium List Is Set For Fat Stock Show Here March 5th

According to County Agent, H. M. Breedlove, the Board of Directors for the Donley County Fat Stock Show met in his office on February 12th, and had a report from all committees. President, Carroll Lewis, presided at the meeting. The report from the finance committee was \$275.00 for the premium list, and also to take care of the expenses. The show is to be held March 5th in Clarendon, and the principal exhibitors will be F.F.A. and 4-H Club boys who will display fat calves, swine and lambs. The show in Clarendon will be for one day only, and after the show the entire group of calves, swine and lambs will be loaded out for the Amarillo Fat Stock Show to be held in Amarillo on March 8th through March 11th.

The exhibits of the 4-H and FFA boys will be shown in competition with other exhibits from the state and then sold at auction. This is a gala affair for the club boys of Donley county who have worked for an entire year on their demonstrations and are at this time making the exhibit and sale of their animals.

The entire board of directors went over the premium list and approved the following list of prizes for this year's show:

STEERS—12 Entries
All steers are to be shown in one class.

Grand champion lamb—\$4.00.
Reserve champion lamb—\$2.00.

The above premium list was made up by donations of business men, ranchers and farmers of Donley county. The show will be the 8th annual Donley County Fat Stock Show and everyone is invited to attend the show and see the prize winning livestock that will be exhibited by the club boys. These boys are producing beef, pork and mutton for the boys in the armed forces and the livestock will finally end up on some battle front. The club boys are doing their part by producing food for the armed forces.

RED CROSS VOLUNTEER SERVICE

"I will give, for this is my Red Cross, and its work is my work, and the people who are helped are my people, and this is the way it shall be always."—The Red Cross Courier.

Mrs. Frank McClure and Mrs. C. E. Griggs of Dumas, Texas turned in gloves, a sleeveless sweater for the armed forces was turned in by Mrs. Simmons Powell, a muffler and some afagan squares by Mrs. J. A. Moreman.

Mrs. Fred Buntin, Mrs. Frank Phelan, and Mrs. Frank McClure are knitting up the remnants of the olive drab yarn.

Our knitting has slowed down because we do not have any yarn to issue up to date, but we have a promise of more to come in at an early date. Again we want to thank all those who so willingly helped to get this last shipment off to the armed forces.

Lieut. Rose Smothers To Be In Clarendon Wed., March 10th

Lieutenant Rose L. Smothers, Women's Army Auxiliary Corps' Recruiting Officer will be in Clarendon Wednesday, March 10 at the Legion Hall from 10:00 a. m. to 2:00 p. m.

Lieut. Smothers will give mental alertness tests, complete preliminary steps toward enrollment and issue transportation to Lubbock where applicants will complete enrollment. Applicants will receive transportation to and from Lubbock, hotel accommodations and meals.

Women are urgently needed to take over soldiers' jobs in order to release able-bodied soldiers for front-line duties.

OLAN BAIN LEASES PHILLIPS 66 STATION FROM BALLEW

Olan Bain, former cafe operator, has leased the Phillips 66 Service Station one block east of main street from Chas. Ballew, it was announced this week.

Mr. Bain states that he will be on the job to give his friends and customers the kind of service they desire.

DONLEY SINGERS TO MEET AT HEDLEY FEBRUARY 26

Newt Waldron, chairman of the Donley county Singers' association, announced this week that a special meeting and singing would be held at Hedley in the Methodist church Friday night, February 26th at 8 p. m.

Prominent singers from Amarillo and elsewhere will be present to help put on an interesting program. All singers are urged to be present and everyone interested in vocal music or gospel singing should be there. The public is invited to attend.

DONLEY CO. SURPASSES 1942 BOND QUOTAS

Walter B. Knorpp, chairman of the Donley county War Savings committee, announced this week that he had received word from state headquarters that Donley county had surpassed its war bond quota for 1942. The quota was \$242,400.00, and the county was credited with \$242,895.00 War Bond sales.

"It may be said here that Donley county has never been called on to do a job that she didn't respond to the fullest extent.

MAYOR'S PROCLAMATION

WHEREAS the men of our armed forces are fighting and dying on the far-flung battlefronts of the world—from the steaming jungles of New Guinea to the sunbaked sands of Africa—on the sea and in the air; and

WHEREAS the success of our forces in preserving a world where men and women may be free depends on the support and inspiration they get from the people back home; and

WHEREAS it is the privilege and duty of every man and woman and child to serve the cause of humanity in every manner possible and to as great extent as possible; and

WHEREAS it is the aim of peace-loving people of our nation to contribute in sweat and toil and sacrifice—sacrifice of luxuries and comforts to the support of those men who are risking and giving their lives for us; and

WHEREAS at the same time our home front must be prepared to cope not only with possible attack on our shores but with natural disasters, such as earthquake, flood, hurricane, tornado, drought, fire, explosion or epidemic; and

WHEREAS the American Red Cross is equipped and ready to carry on in our own and every community such indispensable welfare programs as public health nursing, home nursing, first aid, water safety and accident prevention, and through the Junior Red Cross in the schools, to act as the medium for service by our young people; and

WHEREAS the American Red Cross is able and ready to render protection and relief in case of the aforementioned disasters;

THEREFORE I, Tom F. Connally, Mayor of Clarendon, Texas, in accord with the President of the United States who has proclaimed March as Red Cross Month, do call on all public spirited people of this community to make every effort to support the 1943 Red Cross War Fund. I urge every man and woman, boy and girl to give their support by contributing through our local chapter to the Red Cross War Fund; and I further proclaim that it is the sense of all of us who are residents of Clarendon that our gifts must be larger than ever this year, in order to enable this great national organization of ours to meet whatever demands are made upon it.

TOM F. CONNALLY, Mayor.

Rationing To Cut Canned Food Buying By Half Over Nation

Keeps 'em Flying

CPL. D. W. TOMLINSON, Jr.

Cpl. D. W. Tomlinson Jr., son of Mr. and Mrs. Dick Tomlinson of Clarendon, is a graduate of Clarendon High School and Clarendon Junior College. He is now stationed at the Pampa Twin-Engine Flying Base. Cpl. Tomlinson enlisted last November, and prior to that time worked at Phillips at the Borger Theatre.

The Office of Price Administration, Sunday night, announced canned food ration-point values that are so stringent they will reduce consumption of these products by every U. S. family to less than one-half the 1941-42 level. Severity of the new point rationing plan as applied to most canned and processed foods is such that the individual ration of 48 points a month will permit, for instance, the purchase of only one can each of peas and tomatoes in the No. 1 size can.

CERTIFICATE OF TITLE REQUIRED TO PURCHASE NEW LICENSE PLATES

The Tax Collector's office states that it is absolutely necessary that purchasers of new license plates bring along Certificate of Title. Those not having Certificate of Title are urged to make arrangements for same as early as possible as the law requires that a Certificate of Title be presented at time of purchasing license plates.

The new 1943 license tags have been issued for only 16 passenger cars, one commercial and one farm vehicle, in the county so far.

License may be purchased now, but cannot be displayed until after March 1st. The deadline for displaying new license plates is April 1st.

The new rationing program becomes effective March 1st.

As a preliminary to this rigid rationing, OPA on Saturday night froze sales of some 200 canned and other processed foods until the new program begins. This week, thousands of U. S. citizens will be required to register to obtain war ration book two containing stamps needed in the operation of the point system. All registrants must declare their present stocks of canned goods. They will be allowed five cans a person and point deductions will be made for excesses.

The OPA on Saturday also banned all sales of dried beans, dried peas, lentils and dehydrated or

Here are the facts on the food rationing sign-up:

Register at the College building or your nearest rural school any time today, Friday or Saturday, but it is requested that you not wait until the last minute.

Take along a filled in customer's declaration form (declaring the food, which is to be rationed, on hand). Clip this from the Leader, fill it out and take it with you, but do not sign it until the registrar asks you to sign it.

Take along your No. 1 ration book. If you don't have one, apply for it at the rationing office.

Donley County Club Boys To Have Well Balanced Show In Fat Livestock Exhibits

Clarendon F. F. A. and Donley County 4-H boys will present one of the best balanced livestock shows in the history of the exhibit at the 1943 Donley County Fat Stock Show, according to J. R. Gillham, local F.F.A. Adviser. Twelve baby beeves, 150 fat pigs, and twenty fat lambs of high quality and finish will feature the show. The hog exhibit will have classes for light and heavyweight durocs, berkshires, hampshires, Spotted Polands, Chester Whites and Poland Chinas, and the lamb division will have classes for mutton and finewool lambs.

Bob Word, Pete Bromley, Billy Thornberry, H. C. Shaw, Calvin Holland, Buford Holland will exhibit baby beeves. Word will exhibit the only group of three on feed in the county this year. Each of the above named youths have been heavy winners in past shows with Thornberry exhibiting the

best Panhandle calf in 1941, and Shaw exhibited the best Panhandle calf and reserve champion of the Amarillo Show in 1942. Word has been a consistent winner for the past three years.

Carroll Brumley will exhibit two Southdown and Sam Lowry one Hampshire cross in the mutton division of the lambs. Brumley, Lowry, John and O. A. Smith, Don Morgan, Chauncey Hommel will exhibit fine wool lambs. Brumley will exhibit the only group of five lambs on feed by the club youths.

Charles Smith, J. F. White, Chester Seaton, Billy Jack Green, Billy Jack Land, and Joe Tom Lovell will exhibit berkshires. Earle Hay, Chester Seaton, Perry Jordan and Eldon Bullington will exhibit Spotted Poland Chinas, Chester Seaton, Charles Davis, (See CLUB BOYS, page Eight)

dried soups, and added those items to the list of foods to be rationed.

Fruits and fruit juices will "cost" the U. S. housewife most heavily in ration points, while soups are at the low end of the scale. The average value of restricted items is roughly 12 points, and therefore the householder will be limited to four or five cans a person a month unless she concentrates on "cheap" items like soups.

DEADLINE NEARS FOR TIRE INSPECTION

Mr. Nettles F. Nelson, District Manager of the Office of Defense Transportation, 1008 Fisk Building, Amarillo, today reminded all commercial vehicle owners that February 28, is the deadline for having tires inspected.

Those who have not had their tires inspected should do so at once. Delay will be particularly costly to the operators whose vehicles or tires need some minor repair or adjustment.

Your Certificate of War Necessity should be presented to the inspector for his endorsement on the back, in the space provided, at the time of inspection.

Red Cross War Fund Drive Will Begin March First In Donley County

The American Red Cross War Fund Drive is to get underway in Donley County Monday, March 1. All committees for the drive have been set up as follows:

The rural is under the direction of County Agent H. M. Breedlove and Mrs. Kirtley of the War Board Defense Organization. Geo. Norwood is to head the drive in the business section of Clarendon while the residential section of the city will be covered under the supervision of 20 captains who will appoint helpers.

The drive in Hedley will be conducted by the Hedley Lions Club and Lion Charles Raines is chairman for the drive. In Lelia Lake Mr. Richard Finch, supt. of the school, and Mr. Quin Aten will head the drive.

headed by Mrs. Harold Bugbee, and the drive in the schools will be conducted by H. T. Burton and Kenney Lane.

Lee Bell, Donley County chairman of the drive, expressed confidence that contributions would far exceed the quota of \$2700.00.

The contributions will be divided as follows: Two-thirds goes to the National Organization, and one-third remains in the Donley County treasury.

Everyone should give as much as they can for this worthy cause. And everyone that gives any amount up to one dollar will receive a Red Cross tag and get their name on the contributor's list, and all who give a dollar or more will receive, in addition, a Membership card for 1943.

HEDLEY LIONS CLUB TO PRESENT WOMANLESS WEDDING MARCH 5

Down at our neighboring town of Hedley, there's to be excitement the night of March 5th. The members of the Hedley Lions Club will present a Womanless Wedding, beginning at 8:30 and will take place at the Hedley High School Auditorium. The price of admission will be 15 and 25 cents, and the benefits will go toward sponsoring a band for the Hedley school.

All 47 members of this club that was organized less than a year ago are to have a part on the program. This club recently won championship honors in a membership drive in January over all international clubs for towns of this size. They acquired 24 new members and received a desk set and a large Lion emblem as their reward.

The following is the cast that will be featured in the presentation of "The Wedding of Pertunia Honeysuckle and Hardware Hobie."

Pertunia, the blushing bride—Cullen (Slim) Hunsucker.
Hobie, the battered groom—Hobart Moffat.

Alimony Al, the best man—Alva Simmons.

Claudia, the bridesmaid—Clyde Bridges.

Shootin' Pete, the brides father—R. E. Mann.

Mrs. Shootin' Pete—R. A. Sanders.

Cupid Himself, the ring bearer—Roy Jewell.

Shyster Hill, Justice of the Peace—C. O. Hill.

Fat Boy—Bob Jenkins.

Black and Blue, two children of the night—Roy Key and Leon Carter.

The Two Quart Quartette—Ed Boliver, O. L. Davis, R. W. Alewine, Leon Reeves.

Flower girls, things of beauty and joy—D. H. Cox, R. A. Moreman, Chas. Rains, Earl Toilet, J. W. Noel, Walter B. Wiggins.

Ushers—J. A. Reed, Ray Doherty, Jack Marshall, H. H. Hall.

Wedding march played by Zebbie Land. The rest of the club will be friends of the bereaved.

The play was written by Bob Jenkins, and R. W. Scales is chairman of program.

OPA Freezes Prices On Five Leading Fresh Vegetables, Lists Points For Beans

The government Monday night clamped emergency price ceilings at present levels over five of the country's major fresh vegetables—tomatoes, green and waxed snap beans, carrots, cabbage and peas. It said the action was necessary to head off speculative price booms caused by the tremendous demand generated by canned goods rationing.

Effective this past Tuesday, no distributor of those vegetables were allowed to sell at a higher price than he did in the five days between last Thursday and Monday of this week, Feb. 18 to 22. The surprise price action applied to all dealers except the grower.

A few hours earlier the OPA had announced the point value of dried peas, beans and lentils, and asserted there was a possibility of more liberal allowances of rationed foods in April.

During March, however, the previous announced allowance of 48 points per consumer will remain in effect.

The price freeze on the five fresh vegetables will last for 60 days.

Dried beans, peas and lentils and dried and dehydrated soups, added to the ration last Saturday

night, will be included in the 48 points allowed for March.

Point values announced were:

Dried beans, peas and lentils: Up to two ounces, one point; two to four ounces, two points; four to six ounces, three points; six to eight ounces, four points; eight to 10 ounces, five points; 10 to 14 ounces, seven points; 14 to 16 ounces, eight points; one pound, eight points.

Dried and dehydrated soups: Up to two ounces, two points; two to four ounces, four points; four to six ounces, six points; six to eight ounces, eight points; eight to 10 ounces, 10 points; 10 to 14 ounces, 13 points; 14 to 16 ounces, 16 points; one pound, 16 points.

All types of dry beans are included. The most common of these are navy, kidney, lima and soybeans.

Income of Farmers

Farmers, which include livestock raisers, fruit and truck growers, poultry raisers, and operators of plantations and ranches, are liable for Federal income tax returns provided their income is sufficient to require the filing of returns. Primarily, due to the reduction in the credit for personal exemption, many farmers will be liable for returns and to the tax for the first time for the year 1942.

Farmers may maintain their records and file their returns of income on either the cash receipts and disbursements basis or on the accrual basis of accounting. A consistent method must, however, be employed. If a cash basis is used, Form 1040F, "Schedule of Farm Income and Expenses," is required to be filled out and filed in conjunction with Form 1040. Use of Form 1040F is optional in the case of farmers who report income on the accrual basis. A farmer who reports income on the cash receipts and disbursements basis (in which no inventories to determine profits are used) must include in gross income for the

taxable year (1) the amount of cash or the value of merchandise or other property received during the taxable year from the sale of livestock or produce which were raised, regardless of when raised; (2) the profits from the sale of any livestock or other items which were purchased; and (3) gross income from all other sources.

Under the accrual basis in which inventories are used to determine the profits, farmers' gross profits are ascertained by adding to the inventory value of livestock and produce on hand at the end of the year the amount received from the sale of livestock and produce, and miscellaneous receipts of income during the year, and deducting from this sum the inventory value of livestock and produce purchased during the year. All livestock, whether purchased or raised, must be included in inventory at their proper valuation. Livestock acquired for draft, breeding, or dairy purposes and not for sale, may be included in the inventory instead of being treated as capital assets subject to depreciation, provided such prac-

... and how's YOUR sense of balance?
... Brains and know-how must come to the top in domestic affairs as they have in military affairs.

- Relatively few West Texans will ever try the balancing chair—but every last one of us is having our sense of balance tested under the mad whirl of wartime bureaucracy.
• It's a test of our ability to do our daily job, buy bonds, pay taxes, donate blood, serve in Civilian Defense and Texas Defense-Guards—and still keep an even keel under the barrage of bureaucratic rulings and threats.
• It's a test of individuals, and institutions, and industries.
• And it raises this question: Why are bureaucrats and crack-pot socialists, who never raised a chicken, a hog, a cow, who never produced an article by manual labor or generated a kilowatt of energy, and who never maintained a payroll or sold a pound of beefsteak... why are they holding vital posts when the Nation is fighting for survival?
• Why, in time of national emergency, haven't they been replaced by well-balanced men... practical men with training and experience in production and distribution problems?

- Brains and know-how must come to the top in domestic affairs as they have in military affairs.
• Of course we're proud that our industry has met the test—and maintained its balance. Service is still good. There has been no increase in cost. And no rationing of electricity!
• These are the accomplishments of experienced men and women under well-balanced business management—the system that made America great.

although the new goals were high the incentive payments program would be added inducement for attaining maximum production.
The incentive payment on grain sorghum is \$8 per acre while the soybean payment is \$15 per acre and applies only to the acreage planted between 90 and 110 percent of the farm goal. For sweet potatoes, the payment is 50 cents per bushel on the normal yield of the acreage planted over 90 percent and up to 110 percent of the goal.

New Credit Program Is Announced

College Station, Feb. 24—A short term credit program is available to Texas farmers producing Food for Freedom this year.

The new loan program, which will operate through county USDA War Boards and the Regional Agricultural Credit Corporation, is to help farmers meet or surpass high production goals and at the same time insure them against loss in case of high risk crops which ordinarily would not be grown.

County USDA War Boards now are appointing local representatives for the RACC who will work with them in making loans to farmers on this year's war crops.

This is not a substitute for other sources of credit farmers already are using and was not intended to compete against other sources," the state USDA War Board said in explaining that the purpose of the special warcrop advance program was to provide additional credit for this year's program.

Producers who cooperate under the short term credit program will sign a special form of note that limits the obligation to repay to the value of the crops produced, provided certain requirements are met.

CIVIL SERVICE ANNOUNCEMENT

In a move to recruit college graduates, especially women, for professional service in federal offices, the U. S. Civil Service Commission today announced examinations for junior professional assistant and scientific and technical trainee aide, Mr. Elmer G. Hayes, local civil service secretary reported.

Junior professional assistants start at \$2433 a year and scientific and technical trainees at \$1752 a year, which includes overtime compensation.

"War demands for college-trained persons have created unusual opportunities for women in government offices," Mr. Hayes said, "and those who have completed or are about to complete a full four-year college course in any field are urged to take the junior professional test."

Full information and forms for applying may be obtained from Mr. Hayes, at the post office.

Naval News

New Orleans, Feb. 20—Enlistments in Class V-1, Accredited College Program, United States Naval Reserve, have been discontinued in the Eighth Naval District, the Office of Naval Officer Procurement announced today.

The Bureau of Naval Personnel

has set up quotas for each Naval District and the figure for the seven states in the Eighth has been exceeded, according to Commander E. D. Walbridge, Director of Naval Officer Procurement.

Only those seventeen-year-old students whose enlistments were in process at an Office of Naval Officer Procurement as of February 15th may now be accepted, it was said.

Qualified students who are members of the Army Enlisted Reserve Corps and have expressed choice for service in the Navy may still be enlisted without restriction as to quotas, in accordance with existing directives.

SINCE 1882, the Fort Worth and Denver City Railway has provided Texans with the fastest, most direct Freight and Passenger transportation service to and from Colorado and the great Northwest.

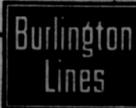

Troop movements to and from training camps... raw supplies for war production centers... gasoline and oil for mechanized equipment... food to sustain our fighting forces and lay the foundations for a just peace—these are today's objectives of Texas Railroads at WAR.

But wars have come and gone... so have boom days... so have depressions—and making the best of each situation is a great American tradition. By saying little and doing much to overcome the transportation problems of today, we of the Burlington Lines hope to merit your approval and confidence as an organization whose sincere wish is to give friendlier service.

HELPING VIVIAN.
"Out at Abilene we have a very nice lady for our county clerk, Miss Vivian Fryar," quoted Rep. Joe Humphrey of that district in the State Legislature recently in

offering a bill that would compel marriage mad folks to secure their marriage license between the hours of 8 a. m. and 10 p. m. Rep. Joe relates that some enthusiasts have torn the screens from back windows of Miss Fryar's home in an effort to awaken the oft obliging lady in the wee small hours of the night. Rep. Joe Humphrey was modest. Extremely so as he related that military camps were situ-

ated contiguous to Abilene. He possibly envisaged a military wedding with the father of the bride doing detail guard with the family muzzle loader, a situation that might encourage the groom to tear Miss Fryar's house to pieces to hasten the marriage certificate sale. These are great days at Abilene, to say nothing of the great nights they have down in that lovely university town.

The godless Russians, so termed, apparently have the Lord on their side in this great push without regard to what others might think or say. There has been little cultivation in the "Vineyard of the Lord" over in Germany of late years, if we may judge by what high church authorities have to say about the matter. Since most of us have devoutly hoped that

Your Boy doesn't need gas coupons to

Phill-up with Phillips

OVER... AROUND... and IN 65 different countries or islands, American soldiers, sailors, and marines are in training or already risking their lives to win the war.

At how many of these places, their tanks and jeeps, their planes and PT-boats, are fueled with Phillips gasoline, we do not know. And even if we did, the exact information would be a military secret.

This much can be told: On the battlefronts of the world, the products of the American Petroleum Industry are playing an ever-increasing, swiftly growing part. So as you tear the little coupon from your gasoline ration book, remember that your tire and fuel savings are your minor contribution to victory; and be grateful that your boy and your neighbor's boy need no coupons to fill the tanks of their war vehicles, need no ration certificates for tires.

To help make your car and your tires go farther and last longer, your Phillips 66 Service Man has many services. Ask about them when you stop at any Orange and Black 66 Shield for Phillips 66 Poly Gas, famous for fast starting pep and extra mileage... and Phillips 66 Motor Oil, 100% paraffin base.

FOR VICTORY... Buy U. S. War Savings Bonds and Stamps

Russia would whip the dickens out of Germany ever since they attacked the Russians, it is consoling to feel that we are also on the side of the Lord in our wishing.

DON'T EAT CABBAGE.
Those who never eat cabbage are justified. Cabbage makes the best radio antenna extant. Simply attach about two feet of the antenna wire to the radio and insert the other end of the wire deep into a head of cabbage. Oh boy! You should note the results. In the garden belt of south Texas, antenna poles are scarce, but they have plenty of cabbage antennas in their homes. It is likely that cabbage was never intended as a food from the first, provided you never liked the stuff now.

ANTICIPATION.
The announcement of the death of Hitler is absolutely correct with the exception that it is a bit premature.

MUSICAL WHIMS.
With every war is born a soldier song. Member back yonder when our boys sang "Mademoiselle of Armetiers?" In north Africa today the air rings with "Dirty Gertie of Old Bizerte" of a ribald order and has a little more "bark" on it than the favorite song of World War No. 1. It will spread to over here very soon. Brace yourself!

REVENGE.
Dear Pa: It begins to look like Uncle Sam will be releasing me to the farm soon. You might get a span of mules ready. I mean the unruly type of devils that I can beat up when they outlaw on me. I want them named "Corporal and Sergeant." I will be glad to spend the rest of my days whamming them jackasses because I got in the army instead of the navy. Your loving son, Bum Fizzle. (P. S. I'm a brother of Ima Fizzle.)

OUR WEAKLY POME.
He slept beneath the moon, He basked beneath the sun. He lived a life of going-to-do, And died with nothing done. More P. S. Any reflection on any of our neighbors or local citizens is purely a coincident, etc.

SCREWBALL TYPE
That swivel chair czar up at Washington who suggested making every home owner provide meat for the home by building a fish pond, wins the choice booby prize to date. "Food for Victory" with a fish pond 10x12 feet was the battle cry of that noble brother spread before the eyes of America's reading public last week.

After you get through buying bonds and stamps this week, rush work on your Victory Garden. There is a joker in the fish pond, boys and girls, stick to the line you know best. With a ration of three pairs of shoes, most of us will not have to garden in our bare feet this season. We have always had to make out with one pair before.

HUDGINS
Mrs. S. M. Harp

The usual crowd was out for Sunday school and preaching. C. B. Stonecipher filled Bro. Willard's appointment Sunday night.

Mr. and Mrs. L. C. Tims, Velma and Clyde spent Sunday in the D. B. Perdue home.

Those from this community to help Mrs. O. L. Jacobs, Mrs. Jack Foster and C. B. Stonecipher to celebrate their birthday Sunday with a dinner at the home of Mr. and Mrs. Jack Foster, Mr. and Mrs. O. L. Jacobs, Mr. and Mrs. Otto Elliott and family, Mr. and Mrs. John Perdue and family, Mr. and Mrs. C. B. Stonecipher, Mr. and Mrs. Harp and son, and those from other communities were Mr. and Mrs. L. M. Putman and family, Mr. and Mrs. L. O. Christie and sons of Martin, Mr. and Mrs. Othel Elliott and children, Mr. and Mrs. Jack Whitt and Charlie Ann, Mr. and Mrs. John Fowlkes and children, Mrs. Pauline Cearley and Dan Tims. Those to call in the afternoon were Mrs. Elliott and Marjorie, Mr. and Mrs. N. Hewitt and children. All reported a good time.

Be Quick To Treat Bronchitis

Chronic bronchitis may develop if your cough, chest cold, or acute bronchitis is not treated and you cannot afford to take a chance with any medicine less potent than Creomulsion which goes right to the seat of the trouble to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. Creomulsion blends beechwood creosote by special process with other time tested medicines for coughs. It contains no narcotics. No matter how many medicines you have tried, tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough, permitting rest and sleep, or you are to have your money back. RATION NEWS

By Mrs. Harold D. Bugbee

As you know by now we, who are the purchasing partners in the firm of matrimony, are going to be playing a new kind of game, called point rationing. It will be played with the coupons in War Ration Book 2, to be issued this week to everyone in the United States. And if we are smart we can learn the rules of the game so well that we'll get some fun out of it as well as enough food to keep our families healthy and contented.

The OPA gave these suggestions on how to buy under the point system:

1. Select foods you want from supply available; add up the points they cost by using the chart on the grocer's wall; go to the checking stand; in the presence of the grocer tear out the necessary points from Ration Book 2; pay for the canned or rationed foods.

WORLD DAY OF PRAYER FRIDAY, MARCH 12 AT BAPTIST CHURCH

Sewing
Mrs. Harry Ruddell turned in 17 pairs of pajamas from the Presbyterian Auxiliary made by the following: Mrs. D. F. Wadsworth, Mrs. Frank McClure, Mrs. Karl Adams, Mrs. Lee Bell, Mrs. George Green, Mrs. Maynard Miller, Mrs. Walker Lane, and Mrs. Harry Ruddell. Mrs. Ruddell also took out 12 night shirts to be made by this auxiliary.

Mrs. John Goldston turned in 12 pairs of pajamas made by Mrs. Dick Tomlinson, Mrs. W. D. Higgins, Mrs. Bob Williams, Miss Katie Meaders and Mrs. John Goldston. Also two quilts were made by the above women and the following: Mrs. Leroy Luttrell, Mrs. Emma Bromley, Mrs. Everett Stevenson, Margaret Cole, and Nancy, a colored woman who helped them also.

Mrs. Glen Williams is piecing three quilt tops. Mrs. W. K. Davis pieced three quilts from scraps, and Mrs. Romer Derrick gave the lining for one quilt, also two spools of thread and one package of needles. This group of ladies are meeting every third Thursday to do Red Cross work. We are very proud of the amount of work this group of ladies from the Midway Community are accomplishing.

Mrs. Harvey Shaw of the Windy Valley community turned in 32 men's pajamas made by the following ladies: Mrs. J. E. Kidd, Mrs. J. R. Gillean, Mrs. W. F. Barker, Mrs. I. M. Noble, Mrs. John Hudson, Mrs. Nelson-Seago, Mrs. John Swinney, Mrs. L. Crome, Mrs. Carl Barker, Mrs. Henry Parker, and Mrs. Harvey Shaw. Mrs. Shaw took out 40 men's night shirts for this group of ladies to make. Considering the distances that this group of women live apart, this community is doing a splendid amount of work.

The Giles Pioneer Club turned in a beautifully made afagan made from woolen materials. We do not have the names of the ladies who did the work.
Mrs. Frank Elmore is very kindly working button holes on children's blouses.
This column is so anxious to give credit to all the Red Cross workers. If, at any time, we fail to mention names or their work, please notify us at the Production Room.

HOME SERVICE

Mrs. C. A. Burton
As we approach the annual roll call period, which calls for \$125,000,000, we find ourselves questioning as to what use is made of this vast amount. Of this, \$45,000,000 will be allocated to the 3,750 Red Cross Chapters, of which Donley County Chapter is one.

The work of the Red Cross has been multiplied many fold by the war, and perhaps no part of its activities has been more greatly increased than has the Home Service. In peace time there is only an occasional call for this service, but now in even the small chapters there is scarcely a day but that Home Service is called on for some kind of an emergency.

To quote from the vice-chairman-at-large: "The Red Cross as its chapter implies, is the voluntary arm of the government. It maintains a line of communication between the American people and their army and navy in this people's war. It is both semi-governmental and popular in its concept. It is local, national and international in its scope. Its personnel has a place wherever there are troops or naval units. Wherever they are there is a Red Cross field director. If problems arise, they communicate with the chapters back home. As problems arise at home, the Chapter Home Service worker reaches the men in the service through the field director. More than a million service men have already benefited through this service during this war."

That has been one of the largest contributions of your Home Service department of the Donley County Chapter, that, and the helping with information in regard to allotments and allowances. As is always true with any governmental activity, there are many rumors about what and how to proceed. The Red Cross tries to give accurate information. If your Home Service secretary does not know the answer, she tries to get it from an authoritative source.

MIDWAY

Mrs. John Goldston

Mrs. Dayton Shelton was taken to an Amarillo hospital the past Monday week. Her condition is improving and she will return to her home this Wednesday. The Shelton's formerly lived in Midway, and friends here are happy that they are to return nearer Midway. Mr. Shelton has bought the farm north east of Clarendon where the Rolle Brumley's formerly lived, and will move to it another year to make their home there.

Sgt. Marvin Jones of Lubbock spent the week end with his mother.

Sgt. and Mrs. Jones visited in the W. K. Davis home Saturday. Mrs. Smith and son and mother Mrs. Montgomery are the new people that have bought and moved to the Rayburn Smith home.

Misses Virginia Williams and Katie Meaders shopped in Amarillo Saturday.

The following ladies met at the school house the past Thursday and quilted two quilts for the Red Cross. Mrs. Dick Tomlinson, Mrs. Bob Williams, Mrs. W. D. Higgins, Mrs. Marguerite Cole, Mrs. LeRoy Luttrell, Miss Katie Meaders, Mrs. John Goldston, Mrs. Emma Bromley and colored woman Nancy and Mrs. Everett Stevenson.

The Midway ladies are to meet again at the school house on the 3rd Thursday in March to quilt for the Red Cross.

Betty John Goldston spent the week end with Ida Mae Weidman. Mr. and Mrs. John Chamberlain Ben, Miss Mattie Rhodes, Betty Ann Chamberlain and the John Goldstons visited the Gene Chamberlains in Memphis Sunday.

Mrs. LeRoy Luttrell was ill the past week.

Mr. and Mrs. LaVern Goldston and boys and Mr. and Mrs. Roy Wilson of McLean visited in the Goldston home Wednesday.

Miss Marie Moreland of Dallas spent Sunday with her brother, Loyd Moreland.

Mr. and Mrs. Fred Easterling of Amarillo returned home Monday

Letters From Former Residents

Madera, Calif.

Mr. J. C. Estlack, Clarendon, Texas, Dear Sir:

Enclosed find personal check for \$2.50 for renewal of paper.

We still enjoy reading it from week to week and to hear from our very good friends and former neighbors that way.

Royce is in Texas, in Cadet school now. Has been stationed at San Antonio in preflight and then Uvalde in Primary and had finished there and was to leave about 15th for Basic training. He thought somewhere in Texas also. He was a mechanic almost 2 years in the air force before taking tests

and exams to be a pilot. If he is fortunate enough to pass everything and stay in, should finish about the 15th of June and get his wings. He asked me to write you Mr. Estlack, and tell you of his son born Dec. 11, named Melvyn Royce. He was married May 23, 1941 to Connie Mae Smith, a Texas girl by the way, and daughter of a Baptist minister of Corsicana, both parents deceased now.

I send the paper on to Royce, for he is still so interested in all of his former schoolmates, and he is moved so often he could hardly get paper if I subscribed for it for him separately.

We are well and very proud of our new grandson even though a picture is all we have seen of him. We like our California home fine, but still miss our good Texas friends very much indeed.

Respectfully,
Mrs. J. B. Turnbow

Mr. and Mrs. Lester Shields and daughter visited in the H. C. Smith home Saturday night.

Mr. and Mrs. Claude Fulton and children visited in the H. C. Smith home Friday night.

Twenty three attended the party at Mr. and Mrs. Joe Dilli's Friday night.

Under U. S. Navy practices battleships are named for states, cruisers for cities, destroyers for naval heroes, submarines for fish.

Miss Mantie Graves returned home Monday from a visit at Pampa with relatives over the week end.

Dear Wayne and Alfred:

I will drop you a few lines in which I have been going to for a good while, but have been quite busy. I made a 25 mile hike several weeks ago, and could have gone further if necessary. It is good to know that one can walk that far in case of emergency under full field pack. I am now located at Fort Ord, Calif., which is a very nice camp, and I like it fine. I was very surprised last Monday. A boy from Clarendon came to see me. It sure was good to see some one from your home town. It was none other than Winfred (Pete) Barbee. He is located out here in Calif. also. You probably heard people say that it

ARMY GETS LEADER CORRESPONDENT

Theodore Myers, news correspondent for the Leader from the Brice community for several years, is leaving for Uncle Sam's army in a few days. He writes: Dear Mr. Estlack:

Well, Uncle Sam finally decided to take me in the army, so I am dropping you and George Wayne a line or two before I go. I have not written any news in several weeks because I have been trying to straighten everything up so I could leave when I was called. I hope that some one else will write the news while I am gone, and I hope some day in the future I will be able to come back and continue life where I left it here. I hate to leave all of the friends here, but there is a bigger job to be done than I was doing at home. I am glad that we have a free country that everyone should be willing to help keep free.

I hope to be able to see you in the future. After this is all over, I hope to be able to come back home and continue to farm and live as we have in the past.

Millions To March For Red Cross In Greatest War Fund Campaign

American Red Cross volunteers by the millions on March 1st will launch a house-to-house canvass of the cities, hamlets and rural communities of the nation in behalf of the \$125,000,000 Red Cross 1943 War Fund.

Early indications show that almost 3,000,000 men and women will participate actively in the Red Cross War Fund campaign to help finance the vastly expanded wartime Red Cross program at home and abroad.

In 10,000 Red Cross chapters and branches throughout the United States, volunteers have spent weeks preparing for the most important fund-raising campaign in the history of the organization.

"It is the aim of the Red Cross to give each and every American an opportunity to contribute to the cause of mercy and humanity needed by the world as never before," declared Red Cross Chairman Norman H. Davis.

Volunteers, who will give their time to the exacting task of "door bell punching" will identify themselves with Red Cross volunteer workers' credentials during the campaign. They have been organized into efficient squads by chapters and branches.

"Each contributor to the Red Cross War Fund will receive the customary Red Cross service flag for display in the windows of their homes and business establishments," Lee Bell, County Red Cross Chairman, said, "but wartime exigencies have relegated

the customary Red Cross metal lapel button into oblivion for the duration."

This year for the first time, in order to avoid tapping vital defense material, contributors to the Red Cross War Fund will receive a paper lapel tag bearing the Red Cross insignia.

The campaign will continue throughout March, and early reports from communities in all parts of the country indicate that this year, more than ever, the American public is prepared to welcome Red Cross volunteers with sizable contributions.

"Money collected by the volunteers will serve to further the American Red Cross work not only on the home front but on the distant fields of battle where American fighting men are defending freedom," Mr. Bell stated.

FSA Borrowers Increase Food Production

More than a third of the Nation's increase in milk production in 1942 came from 463,941 farms of Farm Security Administration borrowers, the Department of Agriculture reported this week.

In terms of the Nation's total increase, milk topped the list of production by these borrowers, according to results of a survey of their production. The Farm Security Administration, on the basis of its survey, reported that these families, constituting 7.6 percent of the 6,097,000 farm operators listed by the 1940 census, increased their milk production by 1,419,000,000 pounds or 36 percent of the total increase for the Nation. This was a 20 percent increase over their 1941 production, compared to a three percent increase made by all farmers. All of this increase may not have been, of course, a net increase since some of the cows purchased in 1942 by FSA borrowers would have been milked by their original owners.

Significant increases by Farm Security borrowers also were shown for other war-needed food crops. In terms of their own production the year before, 1942 increases ranged from 20 to 106 percent. In terms of the Nation's total increase, they also contributed 27 percent of the Nation's increase in dry beans and 10 percent of the total increase in eggs, chickens and peanuts.

These families were from the small farm group unable to get adequate credit from other sources. They operate with Farm Security Administration credit and supervision. Underemployed or unemployed men and women in this area are urged to rally to their nation's need and register for good year round farm jobs. Experience in farm work isn't necessary.

This announcement was made this week by Claude Moore, Rural Rehabilitation Supervisor for Farm Security Administration, who explained the new man power program to help farmers meet some of their labor needs this year.

Applicants who are experienced in farm and dairy work will be placed immediately with farmers who need year-round labor.

Inexperienced applicants for farm jobs will be given basic instruction at one of several training centers being established in this state.

Free transportation, food, and housing will be provided those men and women selected for the training period.

Mr. Moore said the FSA and the United States Employment Service will be able to find good jobs at prevailing wages for all farm workers who want to work for their country's food production.

TO THE PRODUCERS OF DONLEY COUNTY:

Walter J. Flynt, Secretary
Donley County ACA

The instructions of community committeemen for the filling out of the War Board Plan Sheets and Farm Plan Sheets is under way and will be completed on Thursday, February 25. After this instruction the committeemen will be ready to go out into the field. All operators should be thinking about what crops they will plant in 1943, and the approximate amounts that they had planted in 1942 in order to help these committeemen to sign these sheets up as quickly as possible.

This sign-up is going to be one of the most complete farm inventories that has ever been attempted, contacting every farmer and rancher on each particular farm or ranch. Each farm serial number will have separate sheets to make out on it, but this means we can gauge the crop planted and the livestock grown as to its importance to the war effort as well as on the Farm Plan Sheet. It will help you figure out the best way to plant your crop.

Each producer will be contacted in the way which his community committeeman feels is best. Some may contact you individually and some may ask you to meet them at community centers, but at any rate, you will be given an opportunity to sign these papers.

You should have in mind the acreage of each separate crop which you intend to plant on your farm in 1943. That is, how much corn, how much grain sorghum, cotton, sweet sorghum, sudan, truck, etc., especially grain sorghum as you will have a goal set up for this crop and will be paid \$8.00 per acre for each acre from 90% to 110% of the goal. You should start figuring out how much livestock of each type you produced in 1942 and what you intend to produce in 1943 as well as your turkeys and chickens for each year. Also be thinking of

your needs as to shelter, fencing, machinery, credit, etc., as this information must be used to complete these Plan Sheets. It would help greatly if you would have them already in mind for each separate farm which you operate.

I am sorry to say that for the present the feed wheat program has been cancelled. The 125,000,000 bushels which Congress authorized the Commodity Credit Corporation to sell as feed wheat has been more than reached; therefore, until further action of Congress, no further wheat will be sold as feed. We have already got two cars of this wheat in Donley County along with a few small truck loads, and producers have just become interested in this program. I feel sure that in some future time Congress will authorize the sale of more of this feed wheat.

Producers having losses under the 1942 Crop Insurance Program should not delay in turning in for a loss inspection as March 1st is the closing date, and that is the end of the week.

LARGE PERCENTAGE OF 1942 TAXES COLLECTED

According to a report from the Tax Collector's office, 92.95 percent of the 1942 taxes have been collected to date. The total 1942 tax roll is \$121,297.50. Of this total \$112,748.65 have been collected. Delinquent taxes coming in totalled \$2,458.54. Approximately 60% of the 1942 taxes were collected in October.

The above appears a little better than that of 1941 when a percentage of 92.39 was shown for taxes collected.

DR. KEITH S. LOWELL APPOINTED COUNTY HEALTH OFFICER

VICTORY CORPS REVIEW ATTRACTS MUCH ATTENTION

The Victory Corps, composed of High School and College students, attracted much attention last Thursday afternoon when they marched in review before the American Legion.

The Review was sponsored by the American Legion and prizes were given for the best battalion and the best individual in each group composed of both boys and girls. Of these honors the 2nd battalion of each group won the prize and Lois McCrary won the individual for girls and Harold Donnell won the prize for the boys. The drilling was judged by Sgt. Marvin Warren, Glenn Adkins and L. E. Thompson.

showed up better than a majority of men who have been in the service for six months," Sgt. Warren stated.

The Victory Corps is to be complimented on their fine showing in this review, and Fred Cook, instructor and Chas. Lowry, assistant, are to be commended for their fine work and giving of their time so that these young people might receive a greater benefit from this training.
