DONLEY COUNTY AWARDED THREE GRAND CHAMPIONSHIPS

Donley Co. Shares Honors With Armstrong In Swine Entries

Donley and Armstrong counties vied for honors in the swine department of the Amarillo Fat Stock Show this week with Donley County grabbing the grand championship and the grand champion litter, and Armstrong taking the reserve championship, the reserve champion pen of three, the reserve champion litter and the group of 25 champions.

Joe Tom Lovell of Clarendon entered the grand champion, a Berkshire, while Ray Morris of Clarendon showed the grand champion litter of Poland Chinas. Joe Tom Lovell was awarded \$15 in cash for his winners and also a special walking cane present.

At the auction sale in Amarillo today, local livestock winners brought the following prices: The grand champion calf was bought by the Pinkney Packing Co. for \$1.10 per pound. The champion pig was also bought by the Pinkney Co. for 60c per lb. The champion lamb brought \$80, and was bought by the Shannon Cattle Co. The reserve champion lamb brought \$35.00.

In the champion swine breeds division the following prices were paid: Poland China, 20c; Duroc, 18c; Spotted Poland China, 17c; Chester White, 16c.

sented by the Swine Breeders Association of Texas.

A record entry of 193 pigs was judged at the show this week.

The following is a detailed list of the winners in the swine division:

Poland China:
Light—1st Joe Smith, 2nd Gene White, 3rd Billy J. Land, 5th B. J. Land.

Heavy—1st and 2nd Ray Morris, Champion Poland China barrow—Ray Morris.

Pen of three—1st Ray Morris, 2nd B. J. Land.

Litter—1st Ray Morris.

Duroc:
Light—1st Lee Seaton, 2nd J. F. White, 4th Gene Harrison, 5th Ray Reid.

Heavy—1st J. F. White, Champion Duroc barrow—J. F. White.

Hampshire:
Light—2nd Mike Smith, 4th Billy Reid, 6th Reid.

Heavy—4th Jack Ballew, 7th Reid.

Pen of three—3rd Billy Reid, 4th F. G. Crofford.

Spotted Poland China:
Light—1st Eldon Bullington, 3rd Lee Seaton, 6th Earl Hay.

Heavy—1st Earl Hay, Champion—Earl Hay.

Chester White:
Light—1st Jiggs Mann, 2nd Billy Smith, 3rd Gene Bulman, 4th Chester Seaton.

Heavy—4th Marvin Ray Jordan, Pen of three—2nd Chester Seaton.

Berkshires and others:
Light—1st Joe Tom Lovell, 3rd Chester Seaton, 4th Gene White, 6th B. J. Green.

Heavy—1st Billy Thornberry, 3rd J. G. White.

Pen of three—2nd Billy Thornberry.

Revival to Begin At Lelia Lake March 14th

A cordial invitation is extended to everyone in Lelia Lake and surrounding communities to attend the revival meeting which begins at the Methodist Church in Lelia Lake Sunday morning, March 14th.

Rev. D. M. Fitzgerald will preach the Sunday morning sermon and will be assisted by the pastor, Rev. Vernon Willard and other ministers during the week.

Everybody come! Everybody welcome!

MOTHER OF W. C. JONES DIES AT LUBBOCK

Mrs. M. E. Jones, 82, died Wednesday morning, March 3rd in Lubbock at the home of her daughter, Mrs. T. T. Butler. Mrs. Jones is a former resident of Clarendon where she resided for many years and enjoyed a wide acquaintance of friends. She is the mother of W. C. Jones of this city. She is survived by five children, 3 sons and 2 daughters. The daughters are Mrs. T. T. Butler of Lubbock, and Mrs. L. A. Wilkins of El Paso. The sons are W. C. Jones of Clarendon, F. M. Jones of El Paso, and T. N. Jones of Big Spring.

IT'S CORPORAL "SHI" JOHNSON NOW

Everyone knows Lloyd "Shi" Johnson, son of Mr. and Mrs. Charley M. Johnson here. Shi is a corporal now, and will be a "sarge" soon. He is doing his stuff in a camp near Buffalo, N. Y. A good old boy and a fellow never had more real friends than he. Recently, he had his father sell his tractor and invest the money in war bonds.

MOVES TO ARKANSAS TO MAKE HOME

Mrs. H. J. Eddington, having disposed of most of her property here, will make her home in Rogers, Arkansas, the Leader has been informed. Mrs. Chas. West, her daughter, and her husband, accompanied Mrs. Eddington to her new location, leaving here Wednesday. The Wests will also reside there. They formerly resided near Pampa for many years.

Captain Deaver To Marines

District attorney, Captain John Deaver, will report at San Diego, Calif. the 11th of this month to enter active service in the U. S. Marines.

Capt. Deaver enlisted in the Marines February 2nd of this year, and has been temporarily assigned to the corps at the point stated above. He was given a captains commission the 6th of February.

Our district attorney served in the 84th Company of the 6th Regiment of the Second Army Division in the last World War and saw service over seas.

The legal fraternity in choosing an acting district attorney during the absence of Capt. Deaver, appear to have centered on Luther Gribble of Wellington. Mr. Gribble has served his county both as attorney and judge. He is also a former student of old Clarendon college and popular with all classes.

MICHIGAN TEACHER VISITS HERE

Dr. Arthur F. Arnold, head of the geology and gemology departments of the University of Michigan at Ann Harbor, came Sunday for a collection of local gem material collected for that institution by Postmaster J. C. Estlack.

Dr. Arnold was much impressed with Donley county gem material and her paleontology, and expects to return here for a long period after the duration, he stated.

ARRANGEMENTS MADE FOR BEAN, PEA SEED

According to information received from the District OPA Office, persons may acquire dry beans, peas, and lentils for use as seed without surrendering points. Any person who needs dry beans, peas or lentils for use as seed may apply on OPA Form R-315 for a certificate for the number of points needed to acquire them. This application must be made to the board for the place where he lives.

ATTEND CONCERT IN AMARILLO

Attending the Sigmond Romberg Sunday evening concert from here included Mr. and Mrs. Geo. B. Bagby, Mr. and Mrs. A. J. Bryan, Mr. and Mrs. Alfred McMurtry, Mrs. C. T. McMurtry, Dr. and Mrs. J. Gordon Stewart, Dr. and Mrs. H. R. Beck, and Mmes. C. G. Stricklin, Kunz, J. L. McMurtry, W. H. Patrick, Gertrude Knorpp, Simmons Powell, Misses Mantie Graves, Beverly Gray Stricklin, Anna Moores, Rhoda Wiedman and G. G. Reeves, Jr.

Rationing at a Glance

Ration Books
WAR RATION BOOK No. 1—Used for sugar, coffee and shoes.
WAR RATION BOOK No. 2—Blue stamps now being used for rationed processed foods.

MILEAGE RATION BOOKS—Books A, B, and C used for passenger car gasoline; E and R books for non-highway uses; D for motorcycles; T for trucks and commercial vehicles.

Rationed Food Commodities
SUGAR—Stamp No. 11 in Book No. 1 good for 3 pounds until midnight March 15, 1943.
COFFEE—Stamp No. 25 in Book No. 1 (for those 14 or older on the date the book was issued) good for 1 pound until midnight, March 21.
SHOES—Stamp No. 17 in Book No. 1 good for 1 pair of shoes through June 15.
MEAT—Voluntary share-the-meat program sets limit at 2½ pounds per person per week. Meat will be rationed under the "point system" sometime after Book No. 2 is distributed.
PROCESSED FOODS—Blue A, B and C stamps (48 points) in War Ration Book Two good for purchase of rationed processed foods until midnight, March 31.

Mileage Rationing
GASOLINE—Value of each coupon in A, B, and C books is 4 gallons. Second 8 coupons in A book are good until midnight March 21, 1943. Those who think they are eligible for supplemental rations should see their local ration board.

TIRE INSPECTION—All "A" book holders must have first official tire inspections by March 31, 1943. Subsequent inspections for A book holders will be once every six months. "B" book holders must have second official tire inspection by June 30, 1943. "C" book holders must have second official tire inspection by May 31, 1943. Second official tire inspection for "T" book holders must be made 60 days from Feb. 28, 1943, or every 5,000 miles, whichever comes first.

TIRES—If official tire inspector recommends a tire replacement, apply to local ration board for tire ration certificate. Tires will be rationed to all on the basis of tire inspections and county quotas available with most essential mileage to come first. Recaps can now be secured without rationing certificates.

Other Rationing
Eligible purchasers needing new automobiles, bicycles, typewriters, rubber foot-wear, and other commodities on which sales might be restricted should see their local ration board.

Donley County unloaded three barrels this week at the Amarillo Fat Stock Show and bagged three championships in the three main events of the show. Local club boys were awarded champions in the baby beef, swine and lamb divisions of the Fat Stock Show.

L. B. PENICK GETS NAVY DISCHARGE

Mr. and Mrs. Penick arrived in Clarendon Wednesday. For some time Mr. Penick has been stationed in Rhode Island in Uncle Sam's navy. It was found upon medical examination that his continued incapacity was being caused from a broken leg and back injury suffered in an auto wreck several years ago. He was accordingly discharged from the navy. This couple is numbered among the most efficient and popular teachers ever to be connected with the Clarendon public school system.

World Day of Prayer

On Friday, March 12th you are invited to join in prayer with women in all parts of the world. The women of Clarendon will meet for prayer from 10 to 12 a. m. at the Baptist Church.

The program prepared and recommended by the United Council of Church Women will be used. A committee with representatives of the churches of the town have adapted this program for use here. This committee requests that the group enter the church in the spirit of prayer and in silence.

The following is a summary of subject matter:

THEME: "Father, I pray that they may all be one."

1. "Out of the Depths"—a period of scripture and hymns. A Litany of Petition and Intercession.

2. "Glory be to Thee"—a period of praise and adoration in scripture and song and prayer.

3. "O, Lord, forgive"—a period of intercession. Silent self-examination before God.

4. "Love Never Fails"—scripture and song. A Litany of Love.

5. "We Offer Unto Thee"—Presentation of gifts.

6. "The Lord Reigneth"—Praise and Benediction.

The offering will go to four interdenomination causes—Christian Literature all over the world, Indian students in United States government schools, Migrants in our own land, Union Christian Colleges.

At 8 p. m. Friday night the negro women will hold a similar service of prayer at the Holiness Church.

All three of the grand championship prizes of the Amarillo Fat Stock Show were won by Clarendon youths this week when Joe Tom Lovell exhibited the grand champion pig, Billy Thornberry exhibited the grand champion calf, and Carroll Brumley exhibited the grand champion lamb. This is the first time in the history of the Amarillo Show that any county has won top honors in all three events. In addition to topping all classes, the Clarendon youths won a majority of other honors at the show with local youths exhibiting five of the six breed champions in hogs; Ray Morris exhibited grand champion litter, and Carroll Brumley exhibited reserve champion lamb.

The prize winning animals of the local youths will be sold today along with all of the other entries in the show. The Clarendon group will sell ten calves, 74 pigs and 12 lambs.

Champion Baby Beef Honors Taken By Billy Thornberry

Billy Thornberry, local 4-H Club member, won the coveted award of the Amarillo Fat Stock Show this week when he won the grand championship of the baby beef division with his 860-pound Hereford steer. Billy is a student of Clarendon Junior College and is a son of Mr. and Mrs. W. C. Thornberry.

LONG AIRPLANE TRIP TO SEE SON JOIN

Coming from her home in the Panama Canal Zone last week, Mrs. Griggle, niece of Mrs. Guy Ament, made the trip by plane back to the states to see her son inducted into service of his country. She spent a few days here before returning home by plane Tuesday. She stated that six hours was sufficient to take her from the Zone to Florida on her way here.

SLAVIN RETURNS TO WASHINGTON SUN.

Taking advantage of a furlough, Clyde Slavin spent several days here with his family and his mother, Mrs. C. T. McMurtry and other kinsmen and friends. He returned to Washington Sunday. Mrs. Slavin and babe will remain here for the duration.

PREACHES AT ESTELLINE

Rev. J. O. Quattlebaum preached at Estelline Wednesday night on the program being observed this week of Dedication and Home-coming. Rev. Quattlebaum was pastor there in 1918-19.

Carroll Brumley Awarded Double Lamb Honors

SCHOOL CENSUS TO BE TAKEN THIS MONTH

During the month of March, a school census of Donley county will be taken in order for the schools to receive state aid.

H. T. Burton, Supt., has asked that if there is anyone who has been over looked to report to him, McHenry Lane or R. E. Drennan.

All those included in the census are children who will be 6 years of age by the 1st of September and those who will not reach their 18th birthday before that date. Of the 18 year age group, this may include anyone under that age who is not in school or may be married. The point is that all under 18 regardless of their status may be counted and the state will pay the \$22.50 or whatever it may be this year for that person. Every person counted will help our schools in their finances, and will enable them to operate more efficiently.

Carroll Brumley of Clarendon became a double champion this week at the Amarillo Fat Stock Show when he entered the grand champion lamb and also the reserve champion. Both were South-down lambs. His champions were winners in the fat mutton division.

Carroll takes pride in his fine lambs and expects to go places with his lamb raising. He is a son of Mr. and Mrs. Rolle Brumley of this city.

Sam Lowry is another local youth who will be noticed in a year or two. Sam is new at lamb raising but is making wonderful progress for a beginner. He is a son of Mr. and Mrs. Chas. Lowry.

Local winners of the lamb division follows:

Fine Wool Lambs:
4th Sam Lowry, 5th and 6th Brumley, 7th Don Morgan, 10th 12th and 14th Brumley.

Mutton Lambs:
1st and 2nd Carroll Brumley. Grand and reserve champions—Carroll Brumley.

The grand champion steer was bred by R. T. Alexander and Sons of Canadian, owners of one of the outstanding Hereford herds in the nation.

Young Thornberry is 18 years old and resides six miles southwest of Clarendon. In 1941 young Thornberry showed the Panhandle Champion steer at the Fat Stock Show which made him ineligible to compete for that honor this year.

Wesley Crenwelge won the reserve champion with his steer from Mason County.

Local winners were:

Senior Calves:
1st Billy Thornberry, 15th Bob Word, 30th Bob Word.

Junior Calves:
7th Pete Bromley, 17th H. C. Shaw.

Grand Champion calf—Billy Thornberry.

PVT. WILLIE S. ANDERSON IS AVIATION MECHANIC

Pvt. Willie S. Anderson, son of Mr. and Mrs. O. S. Anderson of this city, has graduated from an intensive course in aviation mechanics at Sheppard Field near Wichita Falls. He now is eligible to become crew chief on a bomber and to win a rating as corporal or sergeant.

Before entering the school, he was trained at one of the basic training centers of the Air Forces Technical Training Command and learned to fight the Axis with other implements besides the tools of his trade.

PROVISIONS MADE FOR RANCHERS

Ranchers, prospectors and others who live too far from a marketing center to buy their rationed canned goods as often as once a month may apply to War Price and Rationing Boards for a certificate to buy these foods in quantity.

Certificates may be granted up to the full number of points for food in War Ration Book 2, but the full point value of the certificate must be spent at one time. Applications for these certificates may be made either in person or by mail to War Price and Rationing boards on OPA Form R-315, any time after Book 2 is distributed. The application must be accompanied by Ration Books of all persons included in the application, and the certificate is good for 60 days after the date on which it is issued.

Federal Income Tax Information

Series No. 10

Losses of Farmers

Losses incurred in the operation of farms as business enterprises are deductible from gross income. If farm products are held for favorable markets, no deduction on account of shrinkage in weight or physical value, or by reason of deterioration in storage, is allowed, except as such shrinkage may be reflected in an inventory if used in determining profits.

The destruction by frost, storm, flood, or fire of a prospective crop is not a deductible loss in computing income since it represents the loss of anticipated profits which have never been reported as income. Likewise, a farmer engaged in raising and selling livestock, such as cattle, sheep, and hogs, is not entitled to claim as a loss the value of animals that perish from among those animals that were raised on the farm, except as such loss is reflected in an inventory, if used. If livestock has been purchased for any purpose, and afterward dies from disease, expo-

sure, or injury, or is killed by order of the authorities of a State or the United States, the actual purchase price of such livestock, less any depreciation allowable as a deduction in respect of such perished livestock, may be deducted as a loss if the loss is not compensated for by insurance or otherwise. The actual cost of other property (with proper adjustments for depreciation) which is destroyed by order of State or Federal authorities may likewise be claimed as a loss. If reimbursement is made by a State or the United States in whole or in part on account of stock killed or other property destroyed in respect of which a loss was claimed in a prior year, the amount received is required to be reported as income for the year in which reimbursement is made. The cost of any feed, pasture, or care which has been deducted as an expense of operation must not be included as part of the cost of the stock for the purpose of ascertaining the

amount of a deductible loss.

If gross income is ascertained by the use of inventories, no deduction can be taken separately for livestock or products lost during the year, whether purchased for resale or produced on the farm, as such losses will be reflected in the inventory by reducing the amount of livestock or products on hand at the close of the year, which has the effect of reducing gross income from business by the amount of the loss.

If an individual owns and operates a farm in addition to being engaged in another trade or business or calling, and sustains a loss from the farming operations, such loss may be deducted from gross income received from all sources in determining the taxpayer's net income, provided such farm is not operated for recreation or pleasure.

If a farm is operated for recreation or pleasure and not on a commercial basis, and if the expenses incurred in connection therewith are in excess of the receipts therefrom, the entire receipts from the sale of products may be ignored in rendering a return of income, and the expenses incurred, being regarded as personal expenses, will not constitute allowable deductions for Federal income tax purposes.

Junior College Bill Advances

AUSTIN, March 8—The House today passed to final reading a bill appropriating \$290,000 yearly for the next biennium for support of 22 junior colleges.

Defeated were amendments which would have required local junior college districts to match the state aid—allocated on the basis of \$50 per full time student—and to levy a special local tax of not less than 2 1/2 cents per \$100 valuation.

Passed to third reading was Sen. George Moffett's resolution submitting a constitutional amendment eliminating the three-month annual vacation of the Court of Criminal Appeals.

THE LEGISLATIVE GRAPEVINE

By Grady Hazlewood

On Monday Senator Clem Fain presented a Constitutional Amendment that would have destroyed the pardoning power of the present Board of Pardons and Paroles, and would have restored this power to the Governor of Texas where it formerly was. After an hour of heated debate the ex-district attorneys in the Senate came through victorious and the resolution lost.

The public hearing of the Senate Civil Jurisprudence Committee on House Bill No. 9 which would completely lift the ceiling on money for old age pensions ended up in a rather scorching denunciation of the administrative forces of the Public Welfare Department. J. S. Murchison, Executive Director, drew the principal fire. He admitted that annually he had increased his own salary \$1,000.00 and the total cost of the Administration \$60,000.00. Murchison declared that it was necessary to raise salaries because other social welfare organizations were taking away his department personnel because of better wages. Everyone laughed when Senator Beck asked Murchison if he had to raise his own salary \$1,000.00 per year to keep from losing himself. Local investigators and area supervisors also drew plenty of fire because of an alleged lack of courtesy to old age recipients. Murchison admitted that it might cost \$20,000.00

to lift the ceiling on pensions. Two different Senate Bills would remove Murchison from office. The apparent result of the investigation was such that one of the Members of the Board of Public Welfare requested of the Attorney General an opinion as to Murchison's employment. Prediction—J. S. Murchison will vacate his present office within the next 60 days.

Because of the provisions of the Texas Constitution many old age assistance recipients may not understand why the overwhelming majority of the Senate voted for, but failed to pass an allocation that would have avoided the \$3.00 per person pension cut in March. Under the Constitution during the first 60 days of the session, no legislation may be considered in the Senate except by the affirmative vote of four fifths of the entire membership which is twenty-five members. With five members in the army there are only twenty six members regularly present, which makes it possible for two members to block any and all legislation the Senate might desire to pass until after the sixty day period. The bill that would have avoided the cuts in the March checks has had twenty three out of a possible twenty-six votes at all times. This is your Texas Constitution.

Pioneer Resident Passes Away

Mrs. R. S. Thompson who has been a resident of Donley County for almost forty-three years, passed to her reward at her home in the Skillet community 25 miles northeast of Clarendon on the morning of Feb. 25, 1943.

Mr. and Mrs. Thompson purchased the home place in Skillet community in July, 1900, and in Sept. of that year moved their family from Elm, Okla. to Clarendon. For three years they kept two homes going—Mrs. Thompson and a part of the children living in Clarendon during the school term, but always spending holidays, many week ends and summer vacations at the ranch home, and that was in the horse and buggy days when it took all day and half the night to drive to Clarendon for the mail and supplies.

Mr. and Mrs. Thompson united with the Clarendon Methodist Church when J. R. Henson was pastor of church in the old frame building, but moved their membership to McLean, Texas when a church was organized there some 3 or 4 years later.

Their family was closely connected with Clarendon College—where from one to six of the children were in school practically all the time from 1900 to 1917—under the leadership of Revs. St. John, Barcus, Hardy and Slover.

Mr. Thompson passed away in 1934, leaving Mrs. Thompson and son Fred to carry on at their ranch home.

Mrs. Thompson, although far

past her three score years and ten, had enjoyed excellent health the greater part of her life, and on the morning of her death was already dressed for breakfast when summons came to hurry home. She lived a pure, true, upright life in home, church and community—loved her home and was devoted to home and children to the last.

She is survived by five sons and four daughters. They are Edgar Thompson of Dalhart, Emmet Thompson of Quanah, Orin Thompson of Stinnett, Clay Thompson of Lubbock, Fred Thompson of McLean; Mrs. Pearl Hindman of Pampa, Hatty Thompson of Santa Fe, N. Mex.; Mrs. Maude Prefontaine of Rifle, Colo.; Mrs. Willie Boyett of McLean; thirteen grandchildren and one great grandchild.

Naval News

The Navy Department is seeking approximately 5,000 women with experience in a variety of medical and dental fields for service with the Hospital Corps. Procurement and recruiting offices have been asked to enlist 600 women a month for the next eight months in order to provide replacements for many of the male Hospital Corps personnel stationed at Navy medical activities on shore.

Women qualified to enlist for service with the Hospital Corps will be taken into the Women's Reserve as apprentice seamen, but may earn ratings as high as Second Class Petty Officers upon completion of training. After that, advancement in ratings will be on the same basis as for men.

Further information may be obtained by contacting the Office of Naval Officer Procurement, 805 Apco Tower, Oklahoma City.

Mrs. Johnny Hopkins and small son left Tuesday for Okla. to join her husband who is in service there.

THIS IS WAAC MONTH

This month of March, namesake of the god of war, has been fittingly designated WAAC recruiting month. An intensive campaign is under way throughout the nation to augment the corps by many thousands. The quota set for the region embraced in the Eighth Service Command is 8,000 new enrollees by March 31. The appeal of Major General Richard Donovan, strongly reinforced with proclamations by the Governors of the five southwestern states of Texas, Louisiana, Oklahoma, Arkansas and New Mexico, should so stimulate interest and effort that the quota will be attained and exceeded before the month's end.

These states have set records up to this hour in the number of voluntary enlistments in the armed services, and in the women's auxiliaries, and have taken pride in the fact that the commanding officer of the WAACs is a southwestern woman. It isn't likely at this crucial stage of the war that there will be any lapse in patriotism, or that response to the nation's need of more women in auxiliary service will be tardy or inadequate.

The need is urgent. Every competent woman in the ranks of the WAACs releases a male worker for combat service, and if many thousands are thus added to the fighting forces the war may be pressed to decisive stages before the year ends. It is for such progress that all Americans pray, and for which they should be willing to work without stint. The WAACs, strengthened by the addition of many enrollees, will be able to make a major contribution.—Dallas Morning News. EDITORS NOTE—The West Texas District is not meeting its quota of enrollees for the Women's Army Auxiliary Corps. Two months of the first quarter have slipped by and only March remains. What will Donley County do before the time is up?

NEW WORKERS URGED TO OBTAIN SOCIAL SECURITY CARDS

New war workers, hired by the thousands by war industries in this area, are urged to safeguard their rights under the Federal old-age and survivors insurance system in a statement today by Dewey Reed, manager of the Amarillo field office of the Social Security Board.

"We know that many of these new war workers have never before worked in jobs covered by our Government insurance system," Mr. Reed said. "Many are young folks who have never earned wages at all. Some are women who are joining in America's battle of production, and who never worked outside their own homes before."

The insurance rights these workers are building up may provide not only monthly payments for themselves after they are 65 and stop work but also afford protection for their families.

"If you are working or are about to take a job in covered employment, secure a social security account number card if you have not already done so, and keep it," Mr. Reed said.

Bill Johnson, old timer of the Hedley country, was in town Tuesday.

THE TEMPLE OF TRUTH
By the Apostle

ALL ABOARD!
Now is a good time to jump on the band wagon.

SUGGESTION.
With all this rationing going on, why not experiment with the red tape in Washington?

GANG STUFF.
Ever attend a committee meeting. I mean a place where they write minutes and waste hours.

RADIO STUFF.
If they ever ration canned jokes, it's going to be tough on radio comedians.

DISCOVERY.
Had Ponce de Leon ever visited a corner drug store, he would have understood what the fountain of youth really meant.

BAD TO VERSE.
'Tis true I thought
It monstrous tough
To buy my pants
Without a cuff!
But the recent cold
Proved a treat
To feel that my pants
Still have their seat!

OLD TIMER.
Years ago the average woman never gave her husband a dose of medicine without reading the directions. She wanted to be sure it was "for man or beast" to give most effective results. She considered him some of both.

HILLBILLY STUFF.
Down in Jack county a young couple is wondering whether they have been legally married because her old man never had a game license to fire a shot gun.

WAKING UP.
Ever before in your time did you see so many people interested in chicks. Old biddy by the hundreds is setting in old Donley. Hundreds of chicks are being bought from hatcheries. Then too, the Victory Garden idea is growing. Lots of our citizens are planning on canning. Growing meat and vegetables at home this season will help wonderfully, these old-timers tell me. They had to do that forty years ago, only they dried it instead of canning. Few knew how to can. Still fewer had anything to use in canning. Member the clay jar with a lid of the same material, and you used sealing wax to seal the lid on. Of course it spoiled, but a lot of industrious women did their best to make a go of it.

GOLDSTON
Beatrice Smith

Mrs. Jesse Vick and daughters, Irene and Shirley Sue and Artie, who has been visiting in Memphis this past week spent the weekend with Mr. and Mrs. J. M. Allen and grandson, Pvt. Aubrey W. Allen of Memphis.

Billie Ralph Higdon spent Friday night with his aunt and family, Mrs. Carl Tucker.

WALTERS-KACZMAREK

Announcement has been made of the marriage of Miss Callie Walters of Amarillo to Pvt. Anton J. Kaczmarek of the Amarillo Air Field. The ceremony was performed March 1st at Canyon.

Miss Walters is the daughter of Mrs. W. H. Walters. She received her education in the Clarendon public schools and Clarendon Jr. College.

Pvt. Kaczmarek is a native of Poland and has lived in this country 8 years. His home is at Bismark, North Dakota. When he is released from the army, he plans to return there and farm.

SENIOR LES BEAUX ART CLUB

Mrs. Geo. Bagby was hostess to the members and two guests of the Art Club at the home of Mrs. L. S. Bagby Friday afternoon.

During the business meeting plans were discussed for the club annual reception. Mrs. Swift, chairman of the collection of the old silk hose, urged everyone to either bring or send them in as soon as they can. Mrs. Allensworth was program leader and gave a book review on book, "Rube," by Loyd C. Douglas. The book is one of the best sellers.

Lovely lunch plate was served to guests. Mrs. J. T. Patman and Mrs. R. H. Alexander; Club members, Mmes. Allensworth, Boston, Evans, Walker Lane, M. M. Miller, C. C. Powell, J. D. Stocking, J. D. Swift, A. B. Turner, L. S. Bagby, Glasco C. L. Benson Sr. and Miss Mary H. Howren and hostess, Mrs. Geo. Bagby.

1937 BRIDGE CLUB

Mr. and Mrs. G. W. Estlack were hosts to this Club Monday evening at their home. In the games, Mr. and Mrs. A. B. Turner were awarded high score, and Mr. and Mrs. B. G. Watson, low.

A delicious salad course was served to guests, Mr. and Mrs. Leamon Wallace, Mr. and Mrs. B. G. Watson, Mr. and Mrs. John McMahan and to members, Mr. and Mrs. Alfred Estlack, Mr. and Mrs. A. B. Turner and the hosts.

ENTERTAIN WITH DINNER-BRIDGE

Mrs. Walter Knorpp and Mrs. W. W. Noblet entertained with dinner-bridge Saturday evening at the home of Mr. and Mrs. Knorpp's, complimenting Clyde Slaven and Kelly Chamberlain who were home on furlough.

Those playing bridge were Mr. and Mrs. Clyde Slaven, Mr. and Mrs. Kelly Chamberlain, Mr. and Mrs. Breedlove, Mr. and Mrs. Alfred McMurtry, Mr. and Mrs. John Blocker Jr., Mr. and Mrs. Carroll Knorpp, Mr. and Mrs. John Knorpp, Mr. and Mrs. W. J. Lewis, Jr., Misses Berkley Ryan, Nettie Sims, and Mr. and Mrs. Walter Knorpp, Mr. and Mrs. W. W. Noblet.

MOTHERS CLUB

Met in the home of Mrs. G. D. Shelly Tuesday afternoon with Mrs. Shelly as hostess. Mrs. Bryan Armstrong presided in absence of the president.

Dt. Laura Lowell was speaker of the afternoon and gave a most delightful and informative talk on "Home Nursing" and the immunization of contagious diseases.

Refreshments were served to guests, Mrs. Frances M. Griggel of Panama, Mrs. Ruth Jacobus, Mrs. Guy Ament, Mrs. Frank White Jr.; and to members, Mmes. Bryan Armstrong, Donald Ballew, Alfred Estlack, Geo. W. Estlack, Laura Lowell, Alvin Landers, Dick Lanham, Bill Riney, Mike Thornberry, D. F. Wadsworth, Cap Morris and the hostess.

BUSY WOMEN'S CLASS MET

Members of this Sunday school class met in the home of Mrs. R. T. Brown Friday in a business and social gathering. Quilting was done, after which a plate lunch was served at the noon hour to sixteen members and guests.

DANCE PARTY

Dorothy Jean Tatum and James Wesley Palmer entertained a number of their friends with a dance at the Bigger home Friday night. During dance intermission, ice cream and cookies were served to some thirty-five.

JUNIOR VICTORY CLUB

Melba Ruth Grady entertained the Victory Club at her home Saturday afternoon. The time was spent knitting.

A lovely salad course refreshment was served to Elise Norwood, Mary Ann Bromley, Georgia Bell McNeal, Dorothy Nell Kemp, Alma Jo Mosely, Patty Molesworth, Bettie Jean Brown, June Atteberry and Dorothy Jean Tatum.

FRIENDSHIP CLUB

Mrs. L. Ballew entertained members of this club at her home Tuesday afternoon. With the president, Mrs. C. R. Skinner leading, the Lord's prayer was repeated in unison at the opening. Fancy needle work and visiting was enjoyed.

A plate lunch was served to

Mmes. J. L. Allison, M. E. Thornton, J. D. Stocking, C. R. Skinner, G. J. Teel, J. W. Morrison, C. E. Lindsey, J. E. Mongole, H. Tyree, and the guest of the afternoon, Mrs. Annie Wadsworth.

WINDY VALLEY CLUB

The Windy Valley Club met March 3rd with Mrs. Charles Molder as hostess. Two quilts were quilted.

Those receiving polly-anna gifts were Mrs. John Gillean and Mrs. John Hutson.

The two welcome visitors were Mrs. Jackson and Mrs. McCoy.

Those present were Mmes. Lacy Noble, I. M. Noble, Nelson Seago, Daught Swinney, John Swinney, Harvey Shaw, W. F. Barker, Dell Barker, Carl Barker, Brogdon, Charlie Molder, John Gillean, Alta Angel, and John Hutson.

The next meeting will be March 17th with Mrs. John Swinney as hostess.

Mrs. J. T. Warren of Amarillo spent the week end with friends in Clarendon.

Kelly Chamberlain left Monday for Dallas after a week end visit with his wife, Mrs. Chamberlain.

Litany and Meditation.
Sunday, March 14—11:00 a. m.
Morning Prayer and Sermon

FIRST CHRISTIAN CHURCH
L. Guy Ament, Minister
"Christianity isn't worth a snap of your finger if it doesn't straighten out your character."

The Bible school convenes at 10 a. m. and there is a place for you. You need to be there.

Church services at 11 a. m. Communion and sermon. Evening services at 8 o'clock. You are wanted in the service.
Prayer meeting on Wednesday

evening at 8. Bible study lesson will be conducted.

The church will begin a revival meeting Sunday, April 18th, and continue each night through the week and close on Easter Sunday night. Every member ought to be interested and do all possible to aid in the revival. The unsaved must be reached, all must be revived. Pray for the meeting now. Make your program so you can be a helper. D. L. Moody said: "There is no use asking God to do things you can do yourself."

FIRST METHODIST CHURCH
J. O. Quattlebaum, Jr., Minister
Mr. S. D. Vaughan of Amarillo will be the Lay-Speaker Sunday at 11 a. m. on the Layman's program at our church. He is an excellent speaker and a prominent layman of Polk Street Church.

FROM PANAMA

Mrs. Frances M. Griggel of Panama Canal Zone, niece of Mrs. Ament has been visiting in Rev. Ament's home for two days. She took an airplane from Panama and in six hours landed in Miami, Florida. Rev. Ament and wife, and Mrs. Griggel were guests at the Lions Club Tuesday.

RED CROSS WAR FUND DRIVE IS SLOWED BY COLD WEATHER

According to Lee Bell, chairman, the War Fund Drive is progressing very nicely but has been slowed up considerably on account of the bad weather. About \$800 has been turned in at this time but only a few of the drive committees have completed their territories. And the reports from the others are good.

Some of the committees report that they are having trouble finding some people at home. So if the ones that have not been contacted will drop by the Pastime Theatre there will be some one there to take your contribution.

Lee Bell also expressed his wish that before the end of March every person in Donley County will have made a contribution to the Red Cross so we of Donley County can say with pride that we have done our best for our Fighting Men at the front, for that is the main objective of the Red Cross now and will be for the duration of the war is to help our fighting men. Of course it will continue to take care of all the

disasters just as in the past year. It has been pointed out that there were 180 distasters in the United States and 16 of these were in Texas.

These were just routine work for the Red Cross in addition to the enormous job of an all out War effort. An organization that is large enough to do a job like they are doing is due the support of every American.

"Let's all do our part," Lee Bell said, "and if some worker does not call on you for a contribution, why not go out and find some one to give it to, for after all it is just as much your duty as it is for the worker to hunt you."

IN TUNISIA FIGHTING

Lt. C. B. Williams, Jr., of Amarillo has been in the thick of the Tunisia fighting. He lived in Clarendon some 15 years ago with his father and mother, Mr. and Mrs. C. Bun Williams. The elder Williams worked in a local grocery store at that time.

POLITICAL ANNOUNCEMENTS FOR MAYOR: TOM F. CONNALLY

Miss Ethlyn Drennan, member of the public school faculty of Pampa, spent the week end here with her father, Dean R. E. Drennan of the College.

Mr. and Mrs. W. M. Carroll and son Fred of Dennison, Texas are here on an extended visit with their daughter, Mr. and Mrs. Brooks Chessier.

J. D. Wood and Thurman Allen had business in Amarillo Monday.

Mr. and Mrs. A. G. Lane Jr. and small daughter Patty Sue of Borger spent the week end with his parents, Mr. and Mrs. A. G. Lane, Sr.

Mrs. Hugh Riley is at home from a three weeks visit with her daughters, Mrs. Jiggs Mosley and family, and Mrs. Dorothy Logsdon at Odessa.

Mr. and Mrs. Raymond Farr are visiting relatives at Caddo Mills, Texas.

Mr. and Mrs. Rolle Brumley and Shirley Ann and Katherine Grady were in Amarillo Monday for the stock show.

RED CROSS VOLUNTEER SERVICE

Never before has there been such urgency - or such good spiritual reasons - for giving to the Red Cross. The need today will bless every dollar you give and enhance its usefulness a hundred fold in human values.

With thanksgiving that there is such an organization as the Red Cross to express your feelings toward those who suffer, give generously now.

Knitting Mrs. Hattie Palmer, Mrs. Marie Patterson and Mrs. Frank Phelan turned in a pair of gloves this week. Mufflers were turned in by Mrs. Lollie Bagby and Mrs. Harold Bugbee. Several afagan squares were knitted by Mrs. Jones. We are very happy to have Mrs. Alan Jeffries, who is taking alternate Monday afternoons at the Production Room.

Sewing Mrs. W. L. Jordan turned in some blouses made by the Martin Quilting Club consisting of the following members: Mrs. A. J. Sibley, Mrs. Pool, Mrs. Claude Easterling, Mrs. J. C. Gibbs, Mrs. Jack Bailey, Mrs. Paul Talley and Mrs. Jordan.

Mrs. Jordan also took out some men's shirts and a box of scraps for quilts.

The ladies are busy cutting men's shirts now. We have a good many of these ready for distribution. Anyone who can make men's shirts, please call at the Production Room. Mrs. Frank McClure has made several shirts for samples.

Mrs. E. M. Glass from Giles has turned in two afaghans made from wool scraps.

The following ladies donated the wool and yarn for these afaghans: Mrs. E. H. Watt, Mrs. Nita Bailey, Mrs. A. E. Ranson, Mrs. J. A. Lemmons, Mrs. F. G. Watt, Mrs. M. L. Sims, Mrs. Arthur Ranson, Mrs. Rolly Kelly, Mrs. Harvey Stotts, Mrs. Joe Baker. These ladies have done quite a lot of Red Cross work heretofore, and we are very glad to have them working with us again.

Soldier's Kits We have received a letter from headquarters asking us to ship the soldier's kits as soon as possible as they are urgently needed.

Anyone having an extra electric iron which they would like to sell or lend for the Red Cross room, please call Miss Molesworth, at 365.

We are also in need of a sewing machine. If anyone has a machine they are not using and would lend it, please leave word at the room.

HOME SERVICE Mrs. C. A. Burton

A soldier serving in the U. S. may obtain deferment in paying his income tax up to six months, if he establishes that his ability to pay is materially impaired by his being in the service. Soldiers serving on sea duty or outside the U. S. need not show inability to pay. Both the filing of return and payment of tax are postponed until the fifteenth day of the third month following the cessation of this type of service.

The Secretary of War has approved designs for a service flag and for a service lapel button, and has issued rules concerning manufacture and sale of both. The flag, authorized for display by the immediate families of men in service, is a white rectangular field and a red border. On the white field will be one blue star for each member of the immediate family in active service. If an individual is killed or dies while serving, the blue star will have superimposed thereon a gold star of smaller size, so that the blue forms a border for the gold star. Service lapel buttons will correspond in general to the design of the service flag.

The Marine Corps has announced the establishment of a Women's Reserve, and the object is the same as with the other women's organizations, to release men for active service. The program calls for 1000 officers and 18,000 enlisted personnel. They will be trained in the schools already established for the WAVES.

The WIRES is also a new organization for women, women in Radio and Electric Service, in training for communication work at various schools throughout the country, under the nation-wide training program of the Army Signal Corps.

No one will be accepted as a member of the WAACS who has anyone dependent upon her for financial support, unless such support can be met entirely by means other than her pay as a WAAC.

MAYOR TOM F. CONNALLY ANNOUNCES CANDIDACY FOR RE-ELECTION

The Leader is authorized to announce Mayor Tom F. Connally for reelection as mayor of Clarendon. The election is to be held on April 6th.

Mr. Connally stated that he had been solicited to again offer his services to the people of Clarendon, and had acceded to their request.

Mr. Connally has been mayor of our city for 4 1/2 years. Back in pre-war days of World War No. 1, he served as mayor of Clarendon from 1913 to 1917.

When asked to name the outstanding results of his administration the past term, Mr. Connally stated that the reduction of several thousand dollars in the bonded indebtedness would likely please more people than any other thing.

Mr. Connally makes the following statement concerning the City's bonded indebtedness:

"You as a citizen of Clarendon and a tax payer want to know something about the financial condition of the City.

"Just a little over four years ago, we accepted the position as Mayor of Clarendon. At that time the City had a bonded indebtedness of \$240,500.00. During this time, the amount has been reduced to \$178,500.00, making the amount of the City payment on indebtedness \$62,000.00 or nearly \$15,000.00 reduction each year, after keeping the interest all paid on the remaining indebtedness.

"When we took office the tax rate was \$1.25 on the \$100.00 valuation; this rate was reduced to \$1.00, until two years ago when Highway No. 18 passed through the City, requiring a new right-of-way, and room for an overpass, this rate was raised to \$1.10, and has remained at that rate since; however, we, in one more year, will have this money for the right-of-way (which was \$5,600), all paid, and the rate should be reduced to \$1.00 again.

"There has been some Public Improvements made, all of which you are familiar.

"In addition to the above, there has been invested in Government Bonds, \$18,000.00 belonging to the Interest and Sinking fund. "Whatever good, that has been accomplished, is by reason of full cooperation of the Mayor, City Commissioners and the Taxpayers of the City of Clarendon."

Mrs. Bill Bromley and daughter, Mary Ann, were in Amarillo Monday for the stock show.

Mrs. David McCleskey and babe visited the husband and father at Sheppard Field near Wichita Falls the week end.

Clarendon Junior College To Hold Qualifying Test for Navy College Training Program, April 2nd

A qualifying test for the Navy College Training Program, known as the V-12 program will be held at the Clarendon Junior College between the hours of 9:00 and 11:00 a. m., on Friday, April 2nd.

The purpose of the V-12 program is to produce Naval Officers. High school seniors, high school graduates, and college students who appear to have potentialities for ultimate selection as officers will be chosen for college training. The plan contemplates that this college training will be carried on while the men are on active duty, in uniform, receiving pay, and under general military discipline. The following groups are eligible:

(a) High school and preparatory school graduates who will have attained their 17th but not their 20th birthdays by July 1, 1943, regardless of whether they are now attending college.

(b) High school and preparatory school seniors who will be graduated by July 1, 1943, provided they will have attained their 17th but not their 20th birthdays by that date.

(c) Students who will have attained their 17th but not their 20th birthdays by July 1, 1943, who do not hold certificates of graduation from a secondary school but who are now continuing their education in an accredited college or university.

Furthermore, to be eligible for selection each applicant must:

(a) Be a male citizen of the United States.

(b) Be morally and physically qualified for this program, including a minimum uncorrected visual acuity of 18/20 for each eye.

(c) Be unmarried, and agree to remain unmarried until commissioned, unless sooner released by the Navy Department.

(d) Evidence potential qualifications for an officer, including appearance and scholarship records.

Men now enlisted in any branch of the armed services, including V-1, V-5, V-7 reserves on inactive status, are not eligible to take this test.

Pfc. Doyle Martin of Lubbock spent the week end here with his parents, Mr. and Mrs. Chester Martin.

Miss Carrie Davis spent the week end with relatives at Quitaque.

Mr. and Mrs. Will Johnson were in Amarillo Monday on business.

Clarendon Clinic Hospital Notes

MADE IN JAPAN

Your Gas Ration Book is a Gift from Hirohito!

As clearly as if the words "MADE IN JAPAN" were printed on your Gasoline Ration Book, you know that the Japs are responsible for the rationing of your tire mileage.

When the Tokyo toughs seized the Netherlands East Indies and Malaya, our chief sources of supply of raw rubber immediately disappeared.

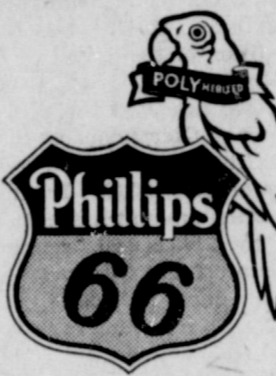

That is why your driving had to be drastically cut down. Not to save gasoline, which is plentiful in this area; but to save rubber, which is short all over the country. And rubber must be saved . . . or we risk losing the war.

The plain, patriotic fact is that rationing gasoline is the simple, direct way to accomplish the sincerely avowed purpose of Rubber Administrator Jeffers: "To keep automobiles on the road, not to take them off."

Gasoline rationing and the U. S. synthetic rubber program are both dedicated to supplying the rubber for the combat needs of our boys from Guadalcanal to Gafsa, as well as for essential transportation here at home. Phillips is proud that its resources,

experience, and long peacetime research have qualified it for an important role in the wartime synthetic rubber program. To this vital job, and to the needed production of 100 octane aviation motor fuel, we are wholeheartedly giving our best efforts twenty-four hours a day.

For you and for us, winning the war comes first. Patriotic drivers have as willingly accepted the restrictions on buying gasoline as we have on selling it. And we confidently promise you that when victory comes, today's concentration on petroleum research will bring you almost un dreamed of improvement in the Phillips 66 gasoline which will power your car and the Phillips rubber on which it will roll.

Ennis Favors Explains Pension Bill Now Pending In Texas Senate

Your Donley County Leader today received a letter from our State Representative, Ennis Favors, explaining House Bill No. 9 which has to do with Old Age Pensions. We pass the letter on to you for your own information: The Donley County Leader, Clarendon, Texas, Gentlemen:

I have had so many inquiries from your locality with reference to House Bill No. 9, introduced by me lifting the ceiling on Old Age Pensions, that I thought I should perhaps write you a letter of explanation. As you perhaps know this bill passed the House with only 5 dissenting votes almost a month ago and is now pending in the Civil Jurisprudence Committee in the Texas Senate. House Bill No. 8, the omnibus tax bill passed two years ago by the Texas Legislature, was intended to take care of the whole entire Social Security Program in Texas, and raised ample and sufficient money for this purpose, and in

addition several million dollars allocated to another source. The purpose of House Bill No. 9 is merely to re-allocate somewhere between one million and three million dollars a year of this additional money back to the Old Age Assistance Fund.

Under the allocations of House Bill No. 8, as passed by the last Legislature, after the whole entire Social Security Program was paid the approximate sum of \$18,000,000.00 was left over and diverted to other funds. My bill simply removes the present ceiling of \$1,750,000 a month and allocates 1/2 the amount of the total authorized grant to the Old Age Assistance Fund. Of course, the other 1/2 is paid by the Federal Government and does not concern the State. Surely no reasonable person could object to such a humane proposition as this, and particularly in the face of another \$3.00 cut in Old Age Pensions right at the time living conditions

are going up day by day. There is absolutely no reason for any additional taxes this Session of the Texas Legislature and there is not any possibility of this Legislature's passing any new tax bills. My bill has no connection or relation to any tax bill, and again allow me to reiterate that it simply attempts to recapture some of the Old Folks money now going to another source. As above explained this money rightfully belongs to the Old Folks and the tax bill was passed for the Old Folks, Retired School Teachers, Dependent School Children and the Blind.

Yours very truly, Ennis Favors

Important Jobs For Women

Never in history have American women been offered such a chance to serve their country as they may now do as a member of the WAVES, SPARS or Marine Corps Women's Reserve. Frank Knox, secretary of the Navy, has pointed out. This is total war—a war in which every woman, as well as every man must play a part, Knox added.

The man in the Navy, Coast Guard and Marines are in for one reason alone—to fight! They're in to man the ships, fly the planes, smash the Nazis and the Japs.

But to keep them fighting, there are important service jobs that must be carried on at home, man-size, full-time jobs which the women of America can fill—jobs which if filled by women will release the men to fight.

These three women's reserve groups are organizations whose jobs it is to replace sailors, coast guardsmen and Marines in office jobs. As members of each of these groups, these women will wear the same uniforms and win the same ratings, as well as earn the same pay as America's finest fighting men.

An extensive campaign is being conducted at the present time by the U. S. Navy recruiting service to enlist thousands of women so that men urgently needed at sea can be released from their jobs. All women between the ages of 20 and 49, inclusive, are urged to investigate immediately the opportunities offered in the WAVES, SPARS and Marine Corps women's reserve.

An officer of one of these groups is scheduled to be in this city soon to conduct interviews for interested women.

The traditional Army dish of beans never appears on the menu of the "Hell from Heaven Men" at the Midland, Texas, AAF Bombardier School. Beans and other starchy foods cause indigestion at the high altitudes from which bombardiers operate.

MIDWAY

Mrs. Joha Goldston

The families of Midway are proud of their record in the Red Cross drive, as the Red Cross workers bridge the distance between the service man and his family. Everyone felt they were helping their loved ones in some way. Those in service might need aid that only the Red Cross could give, and if we fail to help, we are leaving the privilege of helping our loved one to some one else.

Mr. Guy Stidham, the son-in-law of the W. K. Davis' has volunteered into the army services. Mr. and Mrs. Stidham's visit from Houston last week end here was his last visit before induction into service. Mr. Stidham's mother is doing wonderful work in a defense plant and his older brother has been in Government war service several months. This family is out 100 percent to win this war.

Sgt. and Mrs. Jack Roberson are here from Denver visiting his parents.

Mrs. Gulabow, the mother of Mrs. Jack Roberson is accompanying them. When Jack returns to Denver, he will enter an officer's training school.

Mr. and Mrs. Donald Harlen and Mr. and Mrs. Charles Longan and babies visited Mrs. Edith Longan Sunday afternoon.

In a V letter received by the W. K. Davis family this past week from their son Clarence, who is over seas, states he had been in a hospital for two months, but would return to duty the next day.

Guests in the Loyd Moreland home Sunday were Mr. and Mrs. W. D. Higgins, Margaret Cole and son, Mr. Cannon of Clarendon, Mr. and Mrs. George Bulman and Mr. and Mrs. Richard Cannon of Martin.

Mrs. Nelce Roberson was returned to her home Sunday from Northwest hospital in Amarillo, where she had undergone a major operation the past week. She is reported as improving nicely.

Mr. and Mrs. Weldon Gregory are staying with the Nelce Robersons helping with the work.

Miss Thelma Jean Williams visited in Amarillo over the week end.

Mr. and Mrs. Dick Tomlinson and Mrs. Tomlinson Jr. attended the open house at the training camp in Pampa Sunday, from 2 to 5 in the afternoon. They also visited with their son Corp. Tomlinson Jr.

Sgt. and Mrs. Jack Roberson and her mother visited in the Longan home Sunday evening.

Mrs. Bill Moore of the Rowe Ranch has been in the Clarendon Clinic the past two weeks. It is reported she is improving. Mrs. Moore is the mother of Mrs. J. T. Stone.

Mrs. Stone has been with her mother at the Clinic several times.

Misses Katie Meaders and Mary Ellen Williams went to Amarillo Saturday.

A nephew has been visiting in the Swinney home the past week.

Mr. and Mrs. Bud Hermesmyer are home on a furlough, from Army camp in Florida. They are visiting relatives and friends.

We regret very much Mrs. Gamble being confined to her bed so long a period.

Mrs. Ben Andis of Amarillo visited with Mrs. Edith Longan Monday. She also visited with Mrs. John Goldston in the afternoon.

Jake Chamberlain was up from Oxbow Friday. He and Ben returned to Oxbow for Saturday, then back to the Rowe headquarters where Jake will remain for awhile.

Pvt. Eldon Holland of Lubbock Air Corps spent the week end at home.

Burford and Calvin Holland were in Amarillo showing their club calves at the stock show.

Mrs. M. L. Wood visited with the Quattlebaums Sunday.

Mr. and Mrs. Ernest Wood have moved to the old Alexander farm.

Mrs. M. L. Wood has sold her farm. Miss Druella Foster of Fairview spent the week end in the Holland home.

The ladies of Midway are to meet at the Midway school house the 3rd Thursday in March, the 19th to quilt two quilts for the Red Cross. Each one is to bring lunch. Let's everyone come that possibly can. Enjoy a social get together and do some work that might help our own boys, if not ours some one else's.

Mr. Bill Bromley was in Amarillo for the stock show. Midway people are proud of Billy Milt who won the grandchampion in the show.

Mrs. Bromley and daughter went up Tuesday for the day.

Mrs. J. C. Longan returned to her home at Hedley after spending the week with her father, Mr. Nelce Roberson while her mother was in the hospital the past week.

Leslie Pickering is home from the Navy, having been discharged from the Navy on a final exam before being sent over sea, on account of a broken shoulder which had not mended correctly.

Most every family of Midway have a large bunch of baby chicks this month. Everyone is making

preparation for larger gardens and more poultry for another year, hoping to do their part in raising more food to feed the nation and Allies.

WAR TO PRODUCE MANY NEW WORDS

Think Russian words are unpronounceable? Then you'd better start practicing on them, for at the rate the war is going, a good many Russian words will probably be absorbed by the English language, a University of Texas linguist predicts.

The first two years of the war, nearly all the new words added to the language were German—such as "blitzkrieg," "gestapo," "ideology," and "furcher." These words all trace the rise of totalitarian government, and are now a part of the average American's vocabulary. Dr. E. B. Atwood, professor of English, points out.

But now that the tide of the war has turned, it seems likely that a new group of words will be added to the language, this time coming from the allied nations, such as Russian and Chinese names and terms.

LOANS FOR FARMERS to finance FOOD FOR FREEDOM

Farmers face a big job in 1943 to produce more food for our country and our Allies. This Bank has funds available for farmers who want to buy feed, livestock, equipment, seed or other Food for Freedom needs. Come in and let's talk about your plans. You'll find us willing and anxious to help in any way we can.

DONLEY COUNTY STATE BANK

Member Federal Deposit Insurance Corporation PAY PROMPTLY • KEEP YOUR CREDIT GOOD

Forging Weapons of Food Is Everybody's Job Now

Forging the mightiest weapon in the history of the world is the special task, and the special privilege, of every man, woman, and child in America. Food is that weapon and the military annals of all time testify to its effectiveness. In a very real sense our American Armies, our Navy, our Marines, and all our armed forces literally "travel on their stomachs."

When the farmers of this country in 1942, rallying to a cry of "More Food for Freedom", exceeded all previous records by 12 percent, they demonstrated agriculture's unbeatable ability to adapt a great industry to wartime purposes. Perhaps you haven't thought about farming as one of America's greatest industries, but it is. In fact, it is the biggest war plant in this country. You don't see much of it at any one time, but if the farms were put side-by-side they would make a huge "war plant" of more than a billion acres, manned by more than 30 million workers. From that billion acres in 1943 must come more food than we have ever produced before—more food than any nation ever produced before—in spite of serious shortages of farm labor and farm machinery and equipment.

past records prove it. But regardless of the amount of food raised by the agricultural industry, it will be impossible to meet both military and civilian needs without the efficient cooperation of all the people. That means that there is a job for everybody in producing, and conserving, the foodstuffs we must have to "win the war and write the peace", as Secretary of Agriculture Claude A. Wickard has said.

If you have never thought of yourself as a producer of food, this is the time to do it. In 1943 we shall need more than 18 million home "Victory Gardens", plots of ground varying from a few square feet to several acres, which must be depended upon to supply vegetables for many American homes. It sounds amazing, but it's true that more than \$200,000,000 worth of vegetables, not counting potatoes and sweet potatoes, were grown in farm home gardens in 1939. These 4,800,000 home gardens produced vegetables worth a little more than those grown for sale on 3,000,000 acres. Those figures are vigorous evidence that home-grown vegetables do furnish a substantial part of civilian food requirements and with proper planning can be made to do even more.

Everybody's Job

The farmers will do their job—

Residents of towns and cities,

WANTED

COTTON EQUITIES

C. W. Bennett, Jr.

NEWLY TRAINED LABORERS FOR TEXAS FARMS

The first "graduating class" of the initial farm workers training center to be established by the U. S. Department of Agriculture in the Southwest is shown above. Having completed a brief training period at the center near Lamesa, Texas on February 27, these year-

around workers have been assigned to jobs on farms in Texas and New Mexico. A second group began training on Monday, March 1. Additional training centers are being established by the Department of Agriculture in Texas and New Mexico through the Farm

Security Administration and the State Vocational Agriculture departments. Only those workers who need instruction for special farming skills are admitted to the training centers. Skilled farm laborers are made available immediately to farmer employers.

regardless of what you may have heard, can often produce better vegetables than commercial truck gardeners. It is not at all unusual to find a man or woman who has never tried gardening before raising prize-winning vegetables of many kinds—and glorifying in the work.

Watch Your Diet

Raising a Victory Garden is only one way in which the resident of town or city can supplement the magnificent efforts of America's farmers in meeting our 1943 food goals. The second way is by keeping an eagle eye on your diet and the foods your family eats. Just vegetables will not win this war. Men cannot fight on foods that are lacking in minerals and vitamins, in fats and oils. Strong bodies demand the very best kind of foods. At home and

abroad the vital need is for nourishing foods—fighting foods.

Watching the family's diet is going to become one of Mother's chief occupations because about 25 percent of our food production in 1943 must be used to supply our armed forces and our fighting allies. Mother will have less of many kinds of foods than she has had before, but there will still be a great plenty to keep her family healthy and strong. That's her big job—watching the family buying more closely than ever to see that she gets the most food for her money. Mother has to keep herself, her husband, and her children in tip-top condition. It has been proved that lack of energy, loss of time from illness, and a high accident rate are the results of poor food and unbalanced diets among war workers. Mother's job, therefore, is second in importance to none.

It's Like This

Figure it this way: Every pound of food that a resident of town or city is able to raise in a Victory Garden, or save by economical buying or efficient management in the kitchen, or by utilizing foods for greatest nutritional values, is a pound of food that goes to war. It is one less pound that the agricultural industry must raise—one less pound to be grown on a farm. The land on which that pound of food would have to be grown on a farm can then be devoted to producing some of the other seriously needed products that go directly into war purposes. Here are some of these products that are not used for food: Wool for soldiers' uniforms, wool for gun mounts, web belts, and packing in axle wheels. Cotton for balloons, parachute cloth, life rafts, aircraft

pontoons, explosives. Flax for parachute harness and rigging, for packing marine engines, and for signal halyards. Hemp for cables and hawsers.

When you come to think of it that way—how could you make a more important contribution to the war effort while you fill the family cupboard?

Rationing Too

Meeting 1943 food goals, as we have seen, is everybody's job—the farmer's, the war worker's, the resident of town and city. Furthermore, conserving available foodstuffs is also everybody's job. You can't fill up a leaky pot. Neither can you fill an empty cupboard or the hold of a ship if good food is allowed to go to waste in the field, in the warehouses, in the stores, or in the home. Once produced, food must be handled in the most efficient manner possible. It must be processed; that is to say, treated in some manner that will preserve it until it can be used. The best methods of processing foods include canning, dehydrating, and freezing because foods so treated will stay in edible condition for the maximum length of time. Because canned, dried, and frozen foods have so little waste, pack so tightly, are so convenient to store and to use, and retain their body-building qualities longer than fresh foods it is inevitable that the armed forces will need tons of them. That, in turn, means less of these processed foods for civilian consumption

W. T. LINK
LAWYER
INCOME TAX SERVICE

and more equitable distribution of the available supply. All of which are reasons for Point Rationing.

By now it is safe to assume that everybody knows that canned and processed fruits and vegetables are being rationed on a "Point System." Believed to be the most equitable, most workable, most understandable system of rationing foods, the "Point" Rationing plan will assure everyone of a fair share of America's food.

Red Cross War Fund Needs Millions

Relief sent by the American Red Cross to the millions made homeless by the war in foreign lands since September, 1939, totals \$64,000,000, of which a good part has been spent in purchases of products of the American farmer. Wheat and rice for China relief, millions of yards of cotton and wool cloth made into garments for bombed out families in Great Britain and the Middle East and war orphans in Russia, and about a million of pounds of cotton products for surgical dressings have been purchased for the American Red Cross by the United States Government procurement agencies. Women volunteers have made more than 520,000,000 surgical dressings for U. S. Army and Navy hospitals and several million have been shipped to Great Britain, Russia and Australia.

In addition, several million pounds of food stuffs have gone into the standard prisoner of war parcels shipped by the American Red Cross for war prisoners held by the enemy in Europe and Asia.

In the forthcoming year, the Red Cross will be making heavy purchases of farm products for its greatly expanding prisoners of war parcel program. A packing center for these parcels will be opened in Philadelphia and others are projected in Chicago and New York where several hundred thousand eleven-pound parcels will be packed each month. These will require several million

pounds of food products including cheese, meat, concentrated foods and other similar items, as well as tobacco.

Funds for the prisoners of war projects come not only from Red Cross war funds but from other organizations and government appropriations made available for these purposes. The foreign war relief supplies are purchased from Red Cross war funds and government appropriations. American Red Cross projects will be financed by the \$125,000,000 War Fund to which the American public is asked to contribute during the month of March.

The War Fund Campaign will be conducted in every city, town, village hamlet and rural section of the nation through the 3,755 Red Cross chapters, March 1 through March 31.

Of the \$64,000,000 spent on foreign relief, more than \$5,000,000 has been expended in the relief program for American and Allied Nations prisoners of war.

Through December 15th, 1,040,000 such packages had been shipped by the Red Cross.

Relief has been extended to victims in bombed-out areas of Great Britain and the Middle East, also to Greek and Polish refugees in Egypt, Syria and Iran, as well as other nations in Europe and the Near East prior to their occupation.

The Red Cross has sent relief to Italian and Arab populations in Tripoli recently and continues to ship relief supplies for Russia and Great Britain and such supplies as can be sent into China under the present difficult conditions.

GET YOUR CHICKS NOW

This is going to be a real year to raise chicks. Prices are good and there's a big demand for eggs and poultry meat. Get off to a good start this year by buying GOOD chicks, and be sure to order them EARLY. We have a supply of our Quality Chix on hand. They are bred for high production, built to live and grow. Come in and see them.

Three Things To Do in '43

1. BUY GOOD CHIX. Our Quality Chix are hatched Right, from high-producing, blood-tested flocks. They have what it takes to grow big and quick.
2. FEED PURINA STARTENA. Good chicks demand good feed. That's why we urge you to give your chicks the right start on Startena. It's TOPS for livability and growth.
3. PROTECT CHICKS FROM DISEASE. Take home a bottle of CHEK-R-TABS with your Startena. One tablet to a quart of water kills germs. Also acts as a fungicide and bowel astringent.

You can get ALL THREE at...

CLARENDON HATCHERY
CLARENDON, TEXAS

TO THE PRODUCERS OF DONLEY COUNTY:

Walter J. Flynt, Secretary
Donley County ACA

Before April 15, 1943 we should like for every man in the county to come to the county office and let us figure his crop insurance per acre and premiums for him. I do not like to see a man turn down crop insurance until he has seriously considered it as a protective measure, and has let us show him the figures as it pertains to each farm in which he is interested.

When you take insurance, you must take it out on all the farms in which you are interested in the county. You must take either 50% or 75% on all farms. This means that you cannot take 50% insurance on one and 75% on another farm, but must take the same on all of them.

In thinking over your plans for the 1943 crop year be sure that you have included in your plans enough feed grains to feed all your livestock for market. That is your cattle, hogs and chickens. It is not very profitable to raise livestock if you do not have enough

Dr. Keith S. Lowell

AND SURGERY

Offices in Goldston Bldg.
Office Phone 126
Residence Phone 174

feed to feed them. In this office I have often heard it said that if we do not raise a bumper feed crop we are going to see the biggest bunch of runty pigs, and stunted calves that the county has ever seen. In order to increase meat production we must have a great deal of flesh on the animals when we market them, and this takes feed and more feed.

I have had no official information on the proposed 10% increase in cotton allotments that you have been hearing about. As soon as I receive this information it will be given to you. It seems from hearing some of the farmers talk that they are satisfied with their present allotments, and do not like to see more cotton thrown on the market, however it is a fact without a doubt that the United States will have to clothe the world after this war is over, so it might be a good idea to have a good size surplus of cotton as well as producing much needed protein feed for the feeding of livestock.

The protein feed situation, according to information received in the State AAA Office at College Station, Texas, may soon be relieved somewhat, as there has been shipped a large amount of Soy beans into this country for processing for oil, and to be made into soybean meal. The beans have been shipped into this country to the local oil mills whole, and will be made into oil and meal here. This will somewhat relieve, in part the situation regarding the protein feed shortage.

I would like to again remind producers that within the next week or so they will be contacted to sign up their War Board and Farm Plan sheets, and to be thinking of how they will plant their crops in 1943. We will also want to know your plans for livestock

for this year. Please have these in mind, and be thinking about them as it takes very little time to sign you up if you have your mind made up as to what you intend to do, and what increases you can make to further the War Effort.

John Jay Finishes Bombardier School

A three-fold addition to the ranks of the aerial warriors who are trained to carry war to the heart of the Axis was made today with the simultaneous graduation of bombardiers at three schools of the vast West Texas Bombardier Triangle.

Among those graduated is Second Lt. John H. Jay, 21, son of Mr. and Mrs. Andrew Jay. Lt. Jay was graduated from Clarendon High School in 1939 and attended Clarendon Junior College from 1940 to 1942. For the past several weeks he has been a bombardier student at Midland.

Commissions and silver bombardier wings were awarded by commanding officers of the three schools: Col. Sam Ellis, Big Spring; Col. John P. Kenny, Midland; and Col. George M. Palmer, San Angelo.

Get TOP QUALITY For Your FOOD POINTS

Your family has just so many "points" and you must s-t-r-e-t-c-h them over the ration period. Waste not at the beginning, and you'll want not later on. Plan your meals to include as many of the UNRATIONED foods as possible, and spend your "points" wisely, using them only for the foods best suited to your family's needs. Let us help you! Our appetizing displays of PLENTIFUL and rationed foods alike . . . our uniformly low prices . . . all show you how to save "points" and money.

IN OUR MARKET—Our market items such as fresh meats, cheese and butter are not rationed . . . so come in and select your choice cut of our fancy grain fed beef for your next meal.
