DONLEY PIGS PLACE HIGH IN STATE FAIR SWINE SHOW

MAHAFFEY'S TOP HAMSHIRE ALMOST GRAND CHAMPION

LOCAL EXHIBITORS NET APPROXIMATELY \$500 IN CASH PREMIUM MONEY

A Hampshire barrow owned by Frank Mahaffey, member of the Clarendon F. F. A. chapter, missed being grand champion of the state fair, Dallas, last week by a vote of two to one.

The pig had previously won the championship of the Hampshire division of the club and open show at the fair of the three judges, one voted Mahaffey's animal first.

However, Mahaffey placed the grand champion pen class with three outstanding Hampshires.

Other entries of the local chapter won seven purple championship ribbons including the champion spotted barrow, champion Poland China barrow, champion Hampshire, champion heavy Chester white barrow, champion light and heavy spotted Poland China barrows and the champion light barrow of the Hampshire in the club division.

In the open show the local youths showed the champion pen of three Hampshires, champion light Hampshire barrow, champion Hampshire barrow and the grand champion barrow.

Clarendon entries swept the entire seven money places in the light spotted Poland china division in the club barrow show. In the heavy spotted Polands, the locals placed 1st, 2nd, and 3rd, and the heavy spot was awarded the champion ribbon. In the Chester White division, the single entry of Bill Alexander placed first in the heavy division, but was defeated for the championship by the light barrow.

Carl Morris showed the champion Poland China in the club division and the champion Poland placed fourth, and Russell Morris, eighth in the lightweights. In the heavy Polands, Marshall Cole placed second, Carl Morris, third, and now, Russell Morris 14th and Cole 15th.

In the Duroc class Clarendon placed the 7th, 14th and 15th light barrows, and the 11th 15th, and 16th in the heavies.

The Clarendon youths barely missed a clean sweep in the lightweights Hamp. when they won all but 9th, 12th and 16th places of the 16 money groups. In the heavy barrows, the locals placed 3rd, 5th, 6th, 8th, 11th and 12th out of 12 places. Mahaffey's champion lightweights was selected as champion of the Hamp division.

In the litter groups, Bill Alexander placed third in groups of five, Carl Morris placed first in groups of more than five, and Lee Christie placed third. The champion county carlot money went to the entry of 25 Hamp of the local group.

In the Open show competing against all breeders, colleges and other such exhibitors, Clarendon entries won 1st, 3rd, 4th, and 5th in light Hamp; 1st, 2nd, and 5th on light Hamp pens; 6th, 7th and 8th on heavy Hamp; and 3rd and 4th, and 5th on heavy Hamp pens. The 1st place light barrow and pen of three were selected as champions of the show, 2nd, and 5th heavy Poland barrows; 8th light pen, 1st and 5th heavy pens, and champion pen of three in the Polands, 4th light Duroc pen, and 6th and 7th heavy Duroc pens were won by local entries.

Four hundred and ninety five dollars were won on the pigs alone. Roy Bulls, C. E. Morris, Cecil Heckman, and Bill Alexander returned to Clarendon Thursday, October 11th. Carl Morris, Johnnie Leathers, Maschill Cole, Joe Williams, Rex Shannon, Harice Green, and adviser J. R. Gillham will return Thursday, October 19.

AT FUNERAL

A. J. Parker was called to Paducah Monday to attend the funeral of his brother-in-law, Booker Graves, who was killed by a horse. Mr. Graves was worked on the 66 Ranch for many years.

Mr. and Mrs. W. T. Mayfield and daughter have returned to their home in Houston after a two weeks vacation in Clarendon.

Mahaffey's State Fair Winner

This high bred Hampshire barrow owned by Frank Mahaffey of Clarendon last week was judged junior and senior champion at the State Fair, Dallas. The pig missed being the grand champion for the entire show by two votes. Carl Morris, Clarendon F. F. A. member is shown with the animal.

Clarendon Judging Team Attending American Royal Live Stock Show At Kansas City This Week

Joe Williams, Johnny Leathers and Maschill Cole, team members, Carl Morris, alternate, and J. R. Gillham, adviser, are in Kansas City this week representing Texas in the national F. F. A. judging contest in connection with the American Royal Livestock show.

The group made the trip to Kansas City on the Texas Special train which left Fort Worth last week-end. They won the right to represent Texas in the contest by winning over 63 in the state judging last spring.

KANSAS CITY, Mo., Oct. 18.—A Texas delegation of 300 Future Farmers of America are in attendance at the National F. F. A. Convention being held in the Municipal Auditorium here this week.

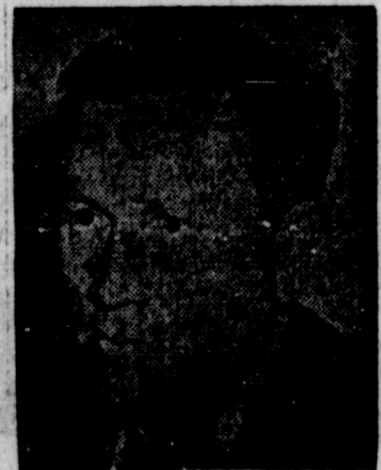

The boys, are scheduled to hear a number of outstanding agricultural authorities, and will see some of the finest agricultural exhibits and livestock showing in the United States.

The Texas delegates will attend a matinee performance of the American Royal Horse Show as guests of the Kansas City Star. They will view a parade of purebred cattle, draft horses,

mules, and Shetland ponies, all championship stock, as a part of the educational training provided by the convention.

The parade is designed to assist students in establishing principles for judging livestock.

A 50-piece all Texas F. F. A. Band is here and will play general concerts before the convention. The band is also scheduled to lead a parade at the Horse Show.

Five Texas championship teams are entered in national judging competition. They are the Meat Identification and Judging Team, Mart; Milk Judging Team, Clarendon; and Poultry Judging Team, McGregor.

Texas F. F. A. Chapters won a lions share of honors this year. The Texas State Association captured first place over all state organizations in the states' association contest. J. B. Rutland, Austin, is State Adviser. In addition, Albert and Arthur Lacy, twin brothers from Hondo, were declared Star American Farmers of the entire Southern F. F. A. Region.

The delegation will return to Texas by Special train Thursday.

Vernor plans to visit every county in his district within the next few weeks in behalf of the 317 Texas hospitals who are sponsoring this non-profit hospitalization plan which they are offering to the public at actual cost. This new mutual hospitalization movement is endorsed by the various civic organizations and members of the medical associations throughout the area. Mr. Vernor is a graduate of Rice Institute and of Southern Methodist University. He served in naval aviation during the World War and is a member of the American Legion and a Shriner. The counties in which he will represent the hospitals of Texas include Dallam, Sherman, Hansford, Ochiltree, Lipscomb, Hartley, Moore, Hutchinson, Roberts, Hemphill, Oldham, Potter, Carson, Gray, Wheeler, Deaf Smith, Randall, Armstrong, Donley, Collingsworth, Parmor, Castro, Swisher, Briscoe, Hall, Childress, Hardeman, and Foard.

Claude C. Smith, who has been pastor of the Francis Avenue Church in Pampa for some time, is moving here this week, and will have charge of the Church of Christ. First services will be Sunday.

Mr. and Mrs. F. B. Thomas visited relatives in Erick, Oklahoma, Sunday.

LEWIS CALF TAKES FIRST IN ROYAL STOCK SHOW

YOUNG OWNER ACHIEVES GOAL AFTER FOUR YEARS OF 4-H MEMBERSHIP

Floyd Lewis, Donley County 4-H club member, Saturday achieved a goal for which he has been working four years when his calf was judged first in the heavyweight division at the American Royal Live Stock show in Kansas City.

The calf weighed 950 pounds. Lewis, son of Mr. and Mrs. Carroll Lewis of Lella Lake, received a premium award of \$50 for first place. The calf will be sold at auction in Kansas City Friday.

The Donley County boy has been a 4-H club member since 1935 but it was not until 1936 that he placed calves in the money in important shows. At that time, his entry was judged second to the grand champion at the Amarillo Fat Stock show. Judges declared that had the two calves been in separate divisions, the Lewis calf would have been the reserve champion.

In 1937, Floyd fed a group of five calves that took first place in the Amarillo Fat Stock show. He, with his brothers, Leland and Jack, have produced many prize winning animals in smaller shows.

Young Lewis became an active 4-H Club worker in 1936 and under the guidance of County Agent H. M. Breedlove has successfully produced many fine animals. It was through Breedlove's insistence that the youth entered his calf in the American Royal show.

ROCKETS ALL SET FOR BRONCHOS NEXT FRIDAY

WELLINGTON EXPECTS TO REACH '38 FORM WHEN HOST TO CLARENDON

By VIRGINIA ROBEY
Wellington Leader Staff
WELLINGTON, — A conference game lost, but still in the running. That will make it even- Steven when the Wellington Skyrockets meet the Clarendon Bronchos here Friday night on Powell Field.

This will be the third conference game for the 'Rockets, who earlier in the season lost to Wheeler 7-0, but won from Lakeview 46-0. The 'Rockets last game with the Perryton Rangers, was lost 12-7.

Much of the early season uncertainty was lost from the 'Rocket team in this last game, and the pep and zip which took them to the Regional championship last year was apparent again. This fact, however, hasn't made the 'Rockets over confident as far as the game with Clarendon is concerned.

The 'Rockets will be outweighed slightly, both in the line and backfield, Coach John Williams indicates.

The probable starting lineup includes: George Stafford, left end; Robert Below, left tackle; Fred Cox, Jr., left guard; Clifton Brewer, center; Bryan Williams right guard; Ed White, right tackle; Pete Moulton, right end; Boyd Williams, quarterback, Pete Melton, left half; Keith Smith, right half; and Denzil Ingram, fullback.

THREE MEXICANS FACE CHARGES

Three Mexican youths are in the county jail here following a burglary of the M. W. Mosley home near Hedley, Saturday afternoon.

The trio, Jose Samora, 17, Jose Sustaita, 17, and Gilbert Salazar, 19, were arrested by deputies Jack Peabody and Claborn Cavender, Saturday night on the D. Franklin farm where they were engaged as cotton pickers.

Formally charged in justice Frank Kendall's court, in Hedley, the three were jailed in default of \$1,000 bond.

Bronchos Must Outclass 'Rockets To Hold Prestige In 3-A While Retaining Chance At Crown

Dropped from a high altitude by a cooling downdraft fanned by speeding Shamrock ball carriers, the Clarendon Bronchos are manning the pumps this week in an effort to inflate their prestige balloon. When they meet the Wellington Skyrockets over there Friday night.

That Clarendon will play a better game against the 'Rockets is almost a cinch as the locals have not looked worse since the first half in the Lakeview encounter. The Bronchos suffered a natural let-down after their victory over Wheeler but should be bouncing back to life in Friday's crucial game.

With almost the lowest rating in the percentage column, the 'Rockets aren't fooling anybody and still have an excellent chance to capture the district. They have a fast, aggressive eleven and the Bronchos will have to be battling all the way.

The Skyrockets opened the season with the class AA Mangum Tigers and dropped the tilt by one point, 7 to 6. Next they scrapped the AA Quannah Indians to a 0 to 0 draw then lost to Wheeler 0 to 7. Taking Lakeview over the hurdles by 46 to 0 the 'Rockets were again halted 12 to 7 by the rough Perryton Rangers.

Clarendon has a better scoring record but its over much asier competition.

WORLEY TAKES STAND AGAINST SALES TAX

SHAMROCK LEGISLATOR STATES MEASURE WOULD STRAP POOR CLASSES

Declaring his opposition to a general sales tax which would "strap tighter the already pinched pocket books of many Texans," Representative Gene Worley of Shamrock this week told Governor W. Lee O'Daniel he favored any other form of taxation that would make secure old age assistance.

In almost two pages of a closely typewritten letter to the governor, Worley made clear his opinion of a general sales tax which would, he said, "appreciably raise the price of clothing, food and medicine along with other absolute necessities."

In closing Worley said, "I am not willing to tax the necessities of life, but if the majority of the Legislature insists upon a selective or luxury tax, to supplement other tax levies, which will not hit the small wage earners and the poor people of the state, I will compromise my stand to that extent."

Mrs. Frank White, Jr. visited in Amarillo, Monday. She saw the Little Theatre play "First Lady", starring Cornelia Wolfen Patton, Monday night.

CATTLE SALES

Recent cattle sales in this section include 300 two-year-old steers by Chamberlain and McMurtry to Colorado feeders; J. L. McMurtry 100 mixed calves to H. D. Porter and Son, Amarillo; 77, steer calves and 94 heifer calves by Chamberlain and Shelton to H. D. Porter and Son and 75 yearling steers from Chamberlain and Shelton to H. D. Porter and son.

LIONS CELEBRATE CHARTER NIGHT WITH BANQUET

SIXTY-FIVE MEMBERS, WIVES AND GUESTS ENJOY OCCASION

With District 2-T Governor A. G. Bearden of Lamesa as principal speaker on the program, Clarendon Lions, their wives and guests gathered at the Home Economics dining room of the high school Tuesday night to celebrate the 18th anniversary of Charter night for the local club.

Governor Bearden, in a brief but highly interesting talk, stressed the importance of unity pointing out that Lionism was the cradle of alliance in many cities. The speaker was introduced by Sam M. Brasswell.

With war clouds rolling heavily over Europe, harmony within the United States is needed now more than ever before, the Governor said. Bearden also complimented the local organization highly, pointing out the exceptionally fine work accomplished along charitable lines.

Reminding members that the Clarendon club was one of the first organized in this section, the speaker praised the founders for a job well done.

The banquet opened with the group singing two songs. Following the dinner, Mrs. Allen Bryan presented piano selections followed by vocal numbers by Mrs. L. E. Grow, Jo Wells, Jo Word, Peggy Word and Pat Morris closed the musicale with quartette numbers.

R. E. Drennan, president of the club, acted as master of ceremonies, and introduced the guests.

During a short ceremony when charter members and past presidents of the Clarendon Lions Club were called on to rise, D. O. Stallings received special recognition for having an attendance record of eleven and one-half years.

Over 65 Lions, ladies and guests were present at the meeting.

Miss Patricia Blaisdel of Amarillo visited with Mr. and Mrs. Frank White, Jr. Thursday thru Saturday, of last week. She had just returned from a cruise to South America.

PARK DEDICATION PROGRAM HELD HERE SUNDAY

HUNDREDS GATHER FOR PRESENTATION ADDRESS BY MAYOR CONNALLY

Hundreds of persons gathered at Clarendon's new city park Sunday afternoon for the dedication program held under the sponsorship of the park board.

Mayor T. F. Connally acted as master of ceremonies. He also made a short talk presenting the park to the citizens of Clarendon and Donley County.

The feature address of the program was given by A. A. Meredith, district WPA supervisor from Amarillo. The park was a WPA project.

Other features of the program was the invocation by the Rev. J. Perry King, local Baptist pastor, and a concert by the Clarendon High School Band.

In 1887 the Clarendon Townsite Co. which had secured the land where Clarendon now stands, from Mr. Montgomery, a son-in-law of General Dodge, the man who built the Fort Worth and Denver railroad, gave the plot of ground where the city park has just been completed for the purpose of a city park.

It is interesting to know that after more than 50 years a park has been built on that same ground.

The idea for the park as it has just been completed originated in the Les Beaux Arts Club two years ago during the presidency of Mrs. J. D. Swift. Under her leadership, the club took for its objective for the year the building of a city park—a result of this effort, a permanent park board was created, the membership of which consists of the Mayor of the city, the city commissioners, representatives from each of the Women's clubs, The Lions Club, The American Legion and two members to be appointed from the citizenship at large.

It was through the work of this board together with the cooperation of the entire citizenship that a WPA project for the building of a city park was secured and the work has been completed.

In a statement last night, the Park board said: "For this cooperation we wish to express our sincere appreciation."

COTTON GINNING IN DONLEY UP OVER 900 BALES

MORE THAN 1,000 BALES GINNED HERE PRIOR TO OCTOBER 1, 1939

Donley County's cotton ginning prior to October 1, 1939 more than doubled the figure for the same period last year, according to a Department of Commerce Bulletin from Washington.

The department listed this year's ginning at 1,563 for Donley County showing an increase of 916 bales. Last year's total for the same date stood at 647 bales. Several adjoining counties showed decreased ginning with Hall County listed as having been cut more than half. Hall County totals showed 2,398 in 1939 as against 4,132 a year ago.

A sharp increase was reported for Collingsworth County with 4,870 bales ginned this year. Only 2,964 bales had been ginned prior to October 1, 1938.

CITY AND COUNTY MEN TO ATTEND LUBBOCK MEET

Mayor T. F. Connally, City Commissioner J. T. Patman and County Commissioners G. G. Reeves and John Hermesmeier will attend the West Texas County Judges and Commissioners Association meeting in Lubbock Friday.

Most important subject for discussion at the meeting is the revised problem, according to Judge Marshall Formby, president of the organization.

Star American Farmers

Here's Albert, left, and Arthur Lacy, twin sons of Mr. and Mrs. J. D. Lacy of Hondo, Texas, who were named Star American Farmers of the Southern States at the National Future Farmers of America Convention, at Kansas City, this week. The boys' farming activities have been extensive.

DONLEY CALF WINS NATIONAL STOCK SHOW AWARD

For many years Donley County has been one of the substantial stock producing counties of the Southwest, but in recent years there has been a strong movement to advance into the top rank of high-bred production, and that movement has been noticeable particularly among the boys of the 4-H and FFA clubs in the county.

The natural culmination of this movement was logically achieved this week in Kansas City, when the prize fat calf of Floyd Lewis of Lelia Lake won blue ribbon and top honors in its class for the Nation.

The News joins with the applauding citizenship of Donley County in three mighty cheers for Floyd Lewis, distinguished 4-H member, and his national champion of Hereford young royalty who thus bring new and deserving honors to Donley.

In a period when there is an incipient urge to make Donley County the greatest calf-feeding county in all the Southwest, this victory comes as an added proof and impetus to a movement, which the News firmly believes offers the earliest and most profitable avenue of progress to Donley and her alert citizenship.

Hats off to Floyd Lewis! May his example spur us on to a new era of economic independence and prosperity!

CLARENDON AND DONLEY SHOULD PLAN FOR A CORONADO CELEBRATION IN 1940

Clarendon and Donley County should take time by the forelock and begin to plan for a Coronado Celebration in 1940 coupled with our annual Fourth of July Celebration.

A fair share of the funds allocated for the celebrations in the Southwest can no doubt be secured if we begin in time, and there is no county more able to produce a worthy pageant and celebration than Donley.

We haven't any time to lose if we are to secure the funds and produce a worth-while celebration in conjunction with the whole area celebrations in Texas and New Mexico.

YOUTH OF TODAY

Out of the first World War came the Age of Youth's Disillusion, the era when bizarre behavior was smart. The twenties was the decade of the flapper, jazz, the cookey pusher and the drug store cowboy. Short skirts, defiant prohibition drinking, late dates and automobile joyrides, causes Viewers with Alarm to shake their heads in the firm belief that the younger generation would come to no good.

A decade has passed since the post-war twenties. Another generation of youth is growing up, and it is entirely possible that the horror of another world-wide war is in its first stages.

If this possibility becomes reality, the time will come when all of us must pick up the pieces and examine the results of this war. But before that time it is interesting to look at the youth of today who will have to face them.

It is a reassuring picture. The youth of today is pretty level-headed, pretty evenly balanced, and its excesses, whatever they may be, are certainly not the obvious and old fashioned vices that lead to damnation.

A recent survey of American youth showed alcohol to be the

least important of its beverages. Tea, on the other hand, is among the most popular. It is not an uncommon sight to see a New York debutante enjoying herself in a night club with nothing stronger than a pot of hot tea. And the dances she likes best are the waltz and the polka. Youth of today lacks false modesty and has substituted in its place self-reliance and an appreciation of bodily health. Tennis and swimming followed by a piece of cake and a glass of milk or iced tea are much more important than a half dozen martinis and a headache before dinner.

Youth like the movies. It thinks Tyrone Power is wonderful! It can still have fun with a bicycle or a pair of roller skates, and its boys and girls have a frankness which may be startling at first but evidence a forthrightness and self-assurance that was lacking in 1914.

No one can predict what the next few years will bring. The outlook is not a bright one. But if the problems to be faced at the end of this war are comparable at all with those of the last, let us thank God for the youth we have ready and waiting to face them.

WE MUST STAY OUT OF WAR

Coming along with the nation-wide discussion of proposed changes in our neutrality laws, is the steady growth of the feeling that the United States should stay out of war. There are arguments, of course, on both sides of the present controversy, with the preponderance in favor of a change in our outmoded neutrality act, but to The News primary and important development is the deep-seated desire for peace on the part of our people.

We all have our views on the European situation, but involvement in a European war, is, to our way of thinking, the most costly policy possible and one we should do all in our power to avoid.

The better part of every man's education is that which he gives himself.—J. R. Lowell.

NOBODY'S BUSINESS

By JULIAN CAPERS JR.

AUSTIN—The pension heat, generated by cutting pensions \$6, and eliminating several thousand pensioners who drew less than \$6 monthly before the cut, had reached the boiling point in Austin this weekend, as forecast several months ago in this column. Gov. O'Daniel brought a new rabbit out of the hat when he sent a letter to members of the Legislature, asking if they would enact a bill, which incorporates the main features of the highly controversial SJR 12. The Governor wants the solons to abrogate their oath of office, waive the right to debate or consider any substitute or different taxation plan, and pledge themselves in advance to vote for his sales tax bill. It is fairly obvious, from the statements made by members of both House and Senate, that O'Daniel's proposal will be rejected by a majority of the legislators.

Loan Payment Made

However, with the payment of \$150,000 to a syndicate of Dallas banks as the first installment on funds advanced to pay pensions, it appears certain that reduced pension funds, and the howl going up from the old folks will bring about a special session sooner or later, regardless any refusal of the legislators to hogtie themselves in advance to any corporation - sponsored sales tax scheme advanced by O'Daniel.

Under the constitution, the legislators are the sole judges of how revenue shall be raised. Once the legislature is convened, the House of Representatives is free to consider any method of fund-raising it desires, and doubtless will consider several methods, including Ernest Thompson's proposal for a 5-cent additional tax on crude oil production. The pressure from the old people, the teachers and other beneficiaries of the defunct social security program is becoming so great that it raises a serious threat to the possibility of O'Daniel's re-election as Governor. When the Governor becomes convinced that this situation prevails, best guessers here believe, he will convene a special session without conditions or promises. That may not be until after January 1, although many Austin observers think it will be sooner.

Beauchamp Named To Court
Fulfilling a forecast in this column, Judge Tom Beauchamp, Secretary of State and former East Texas "professional politician," who has served as county judge, assistant attorney general, and in other offices, was named by Gov. O'Daniel as a Judge of the Court of Criminal Appeals, the state's highest criminal tribunal, succeeding Presiding Judge W. C. Morrow, who

resigned. O'Daniel has not yet named a successor to Beauchamp as Secretary of State, but reports are that he favors his personal secretary, William Lawson, for the \$5,000 post. Confirmation of Beauchamp, as well as several other important appointments made by O'Daniel, must be had by the Senate, although unless a special session is held before January, 1941, some of the appointments, including that of Beauchamp, will expire before confirmation is had.

Austin Notes

Fame is fleeting, as was demonstrated here when the State Board of Education, in session to adopt textbooks, required the publisher of a volume of biography to delete a sketch of the life of Charles A. Lindberg, before approving the book. Some board members explained the board did not favor inclusion of the lives of any living persons. The future of the existing system of prorating the production of crude oil in Texas is bound up in litigation which has been instituted by Humble Oil Co., and F. W. Fischer, "Big Fish" who ran for governor in 1936, owner of many East Texas wells. Both Humble and Fischer seek to en-

join enforcement of the current East Texas proration order, both on different grounds. Fischer objects to the use of acreage as a factor in determining allocation to various wells, while Humble's lawyers claim the company is losing \$23,000 daily in oil it is entitled to produce, but cannot under the order. A Three Judge Federal court has taken the matter under advisement.

Chapters Organizing To Embark On Greatest Roll Call Since '18

HALF MILLION WORKERS READY FOR DRIVE NOVEMBER 11 - 30

WASHINGTON — The American Red Cross, faced with a growing demand for war relief in Europe and a need for strengthening its domestic operations, this year will embark upon its greatest membership Roll Call since the World War, Chairman Norman H. Davis has declared. The appeal, he said, will be carried to the nation by volunteers in 10,000 chapters and branches between November 11 and 30. It was pointed out that chapters already have begun organizing for the campaign and that by the opening day nearly a half-million men and women will have enlisted as volunteer workers.

Prior to the outbreak of hostilities in Europe the American Red Cross planned to seek a million more members this year to meet increasing obligations in the United States. Mr. Davis said. He explained, however, that urgent appeals for assistance originating from the Polish, English, and French Red Cross societies had greatly increased responsibilities and had stressed the need for greater preparedness. In explaining the need for greater Roll Call support, Chairman Davis said:

"Already the American Red Cross is busy assisting Americans in fleeing from the danger zones and in reaching the safety of this country. Supplies of surgical dressings, medicine, and hospital tents have been purchased for relief purposes. Chapters are engaged in the production of surgical dressings and clothing to aid Europe's suffering populations.

"To meet these new obligations and the needs in this country, the Red Cross requires its greatest army of volunteers in history. It should be the resolved purpose of every Red Cross Chapter in the United States to offer membership to every man and woman in their community. The strength and degree of usefulness we may reach will be dependent solely upon America's response during the Roll Call.

"At the same time, the Red Cross must be prepared to con-

tinue its battle against human suffering at home in the coming year. The Red Cross must be kept ready to meet the challenge of accidental death, disease, and disaster."

MILLION DOLLAR EXPENSE WITHOUT COST FOR HEALTH PROGRAM IS SUGGESTED

AUSTIN, Oct. 18—The State could appropriate and spend one million dollars annually on a health program without cost to the State, declares the Texas State Department of Health. This can be demonstrated in connection with our schools alone, without regard to the saving effected in the general economic life of the State.

If the State Department of Health had such a sum for the maintenance of a comprehensive health program in all public schools, more than that amount could be shifted back to the general fund by the schools, through savings to their fund effected by the elimination of repeaters and costs incident to health conditions.

At least 25 percent of the pupils in our public schools do not make a grade per year and have to be taught a second year in the same grade. With a total enrollment in the elementary schools of 1,071,000 pupils there are approximately 289,232 repeaters. The cost of instruction for this group is thereby doubled.

It costs \$45.00 per year to educate a child. If this sum is multiplied by the repeaters the loss is \$13,000,000. Not all of this could be chargeable to health conditions, but at least two-thirds, or \$9,750,000 could be so charged. By spending one million dollars per year, in promoting an adequate health program, enough of the money now wasted on repeaters in the elementary grades would be saved in three years to retire the present deficit in the general fund.

The AAA Farm Program provides the necessary machinery for adjusting production of major crops as quickly as necessary to any changes in demand which may occur.

LIBRARY NOTES
(By Mrs. C. A. Burton)

Since the war started, sales of Hitler's "Mein Kampf" have quadrupled, say the publishers. They have sold more than 80,000 copies.

Those who read Stuart Cloete's best seller, "Turning Wheels," will be interested to know that he has written another Boer War story, "Watch for the Dawn". It is an earlier period, however. The Napoleonic wars are just over and the English government at the cape is pursuing its policies with greater strenuousness. Rebellion is in the hearts of the Boers—Rebellion against the tax-officers and the courts among these sturdy, peace-loving people. But the skirmishes with the British are less important in the story than their daily war against nature in this jungle land-war with the sly natives, wild beasts and the growths of the soil.

Maurice Garland Fulton and Paul Horgan are editing, and the University of Oklahoma Press will publish the unpublished letters and diaries of Joseph Gregg who is known to those interested in Western Americana for his "Commerce of the Prairies", a classic of early Southwestern trade and travels of the 1840's.

Our readers have greatly enjoyed "Dithers and Jitters" and "Excuse It, Please" by Cornelia Otis Skinner—those humorous monologues for which she is famous. Miss Skinner plans to tour again in her dramatization of "Edna His Wife", Margaret Ayer Barnes' story which our readers have enjoyed. The tour will begin in February at Boston, lasting ten weeks and covering the Eastern and Middle-western cities omitted during her tour with this play last year. She plans to include some occasional performance of the Loves of Charles II and the Empress Eugenia.

Cornelia Otis Skinner was born in Chicago, but now lives in New York. She attended Bryn Mawr and later studied acting in France and Italy. As the daughter of Otis Skinner it was natural for her to go on the stage—and succeed. She tours the U. S. yearly, giving the monologues for which she is so famous. She does most of her writing on trains and at hotels.

Lin Yutang's novel, "Moment in Peking," will be published this month. It has become a longer novel than he anticipated when he began it. Our readers will remember that we got Lin Yutang's "My Country and My People," and "The Importance of Living" some months ago.

Ivan Sanderson is bringing out "Caribbean Treasure" this month, in which he continues the search for strange animals which he began in "Animal Treasure" two years ago. The first book was laid in Africa, this present one in Haiti, Trinidad and South America.

A book which is attracting much attention just now is "Mr. Garner of Texas" by Marquis James, an Oklahoman who wrote "The Raven," the life of Sam Houston, and won the Pulitzer Prize last year with his "Andrew Jackson." This story of Garner's life is frankly a campaign document, but written in a very genial, readable style, quiet and unpretentious. James says that not since Jefferson held the office has a vice-president been so influential as Mr. Garner, but that he is as approachable, as salty of tongue and as short on formality as ever. The book is full of incidents which will please Mr. Garner's admirers—whether they help him

BAPTIST MEET IN 1939 CONVENTION AT SAN ANTONIO

The Alamo City is rapidly formulating plans for the entertainment of 10,000 visiting Baptists who will attend the annual session of the Baptist General Convention, November 12-17. Dr. J. Howard Williams of Amarillo, president, will wield the gavel during the eight sessions.

This meeting will climax one of the best years in the denomination's history. There has been much increase in members which now total 700,000 in 3,174 churches. Dr. R. C. Campbell, executive secretary, expects to report to the attending delegates the successful raising of one million dollars for all causes sponsored by the denomination.

These include home and foreign missions, Christian education, hospitals and orphanages. Reports will be heard from eight colleges and universities, five hospitals, an orphan home, and a theological seminary, all owned by the convention and located in this state, and from various boards of Southern Baptists relative to Baptist mission work around the world.

Preliminary meetings will be held by the pastors and laymen headed by Roy S. Holmson of El Paso and Woman's Missionary Union of which Mrs. B. A. Copass of Fort Worth is president.

ZANUCK PICTURE STARS MYRNA LOY, TYRONE POWER AND GEORGE BRENT

(Advance)
Hailed as one of the truly great motion pictures of all time, Darryl F. Zanuck's production of "The Rains Came," the sensation-ally successful novel by Louis Bromfield, opens Wednesday, October 25 at the Pastime Theatre, with Myrna Loy, Tyrone Power and George Brent sharing stellar honors.

This powerful story of human emotions at the breaking point and human lives at the climax, while the untamed forces of nature ravaged the earth, has been faithfully retold in this 20th Century-Fox film, in which all of Bromfield's colorful characters are brought to vivid life. Myrna Loy is seen as the amorous Lady Esketh, Tyrone Power has his most romantic role as Major Rama Saffi, and George Brent plays the world-weary Tom Ransome.

to the presidential chair or not.

J. Frank Dobie has a long article recently pleading for a Museum of Range and Ranch life—a plan inspired by J. Evetts Haley, author of "Charles Goodnight." Mr. Dobie pays very high tribute to Haley, telling of his work while in charge of the historical exhibits for the University of Texas during the Centennial, his helping in the founding of the Museum at Canyon, his writing of the History of the XII Ranch and then of his being brought to the University of Texas to collect historical manuscripts for the archives. Soon the University found itself without funds to continue the work, and says Dobie, "This lost one of the most intelligent, energetic and public spirited men it has ever had." Mr. Haley went to manage a big ranch in Arizona and is now manager of ranch interests for J. M. West of Houston. Mr. Dobie says such a museum, which was the dream of J. Evetts Haley's life would be one of the greatest assets the state could possibly have.

Random Reflections

By DICK COOKE

A week ago tonight (Wednesday) almost all one could hear was football. Like the war, football as a topic of conversation is secondary this week. However the general opinion seems to be that Clarendon will beat Wellington. Most everyone still seems to believe the Allies will win the war. To me they are both the same. Clarendon and the Allies may win but it will be a tough old job.

Those who doubt the value of the Donley County NYA home must admit the girls learn something. Eula Joyce Burleson, house supervisor, tells of recent accomplishments outside and above the regular line of duty.

All walls of the home have been neatly calmsined, floors varnished, furniture recovered and bed spreads, curtains and table linen have been made.

The Clarendon College Exes will meet again in Clarendon November 10 and 11 and president Clyde I. Price predicts a record attendance. Anyone interested in making the celebration a success should offer their services to Price as he, the head of the reunion is absolutely snowed under.

Clyde J. Douglas got off a nifty at the expense of Ralph Andis during the Lions Club dinner Tuesday night. Each member was called upon to introduce his guest and Clyde, when his time came was sitting next to Mrs. Andis and with deep sincerity in his voice said, "My guests for tonight are Mrs. Douglas and Mrs. Ralph Andis. Ralph was left without a guest to introduce.

This story is original because I made it up:

Not long ago a couple of men were dining at a select restaurant and one of them said: "It sure takes a long time to get an order filled here and too, the prices are awfully high."

"Yes," his companion stated, you have to allow for the service."

"That explains it," said No. 1, "I suppose you have to pay by the mileage."

Donley County livestock production hit another high peak this week when F. F. A. members, under the advisement of J. R. Gillham, and 4-H boys directed by H. M. Breedlove honors at the state fair in Dallas and the American Royal Livestock Show in Kansas City. While highly advertising Donley County and perhaps boosting a market for local stock products, Gillham and Breedlove deserve most of the credit along with a group of boys that are willing to work hard. This training for boys is probably the most worthwhile project in this section. Besides teaching the boys a vocation, it also affords them an opportunity to learn practical business methods. The boys are really on their own from the time they secure a loan (usually from a bank) until their animal is sold.

AGED FATHER OF REV. J. G. WALKER DIES SUNDAY

Rev. J. G. Walker, pastor of the Clarendon Methodist Circuit, had a phone message Sunday evening apprising him of the death of his father, H. C. Walker at Ranburne, Ala., who died suddenly late Sunday afternoon.

The deceased was 97 years and eight months old, and was one of the great Christian characters of Alabama. Rev. Walker visited his father in July when he was seriously ill, but he had rallied and apparently recovered, so his sudden passing came as a distinct shock. Rev. Walker's many friends here sympathize with him in his bereavement.

ADDITIONS TO '40 RANGE PROGRAM ARE ANNOUNCED

BASIS OF PAYMENTS ON CONTOUR LISTING AND FURROWING CHANGED

COLLEGE STATION — Although practically the same as in 1939, the 1940 range-building program of the AAA includes several additions especially beneficial to Texas ranchmen, according to an announcement here at state headquarters of the AAA.

Of special interest to West Texas ranchmen is the change in the basis of payment for contour listing or furrowing, with payments being made at the rate of two and one-half cents per 100 linear foot instead of 50 cents per acre.

Greater emphasis will be placed on the carrying-out of supplemental range practices in connection with deferred grazing by which ranchers earn payments for keeping livestock off rangeland until the native grass can mature seed and reseed the land. The maximum that can be earned by deferred grazing in any area shall be 75 per cent, as compared with 60 percent last year, but supplementary practices as recommended by the county committees must be carried out. The percentage of the allowance which can be earned by this practice depends on the county committee of each county, since the need of supplementary practices varies according to the area.

To encourage improvement of small ranches, the 1940 program provides for a minimum range-building allowance has been computed on the size of the ranching

LOCAL WOMAN MAKES A SUCCESS IN BEAUTY PROFESSION

Among local young folk who have achieved some success, and made a place for themselves right here in the home community, is Mrs. Roy L. Morrow, beauty operator at Whitlock's Beauty Shop. Mrs. Morrow is the former Margaret Easterling, daughter of Mr. and Mrs. J. H. Easterling of this community, and received her schooling at Clarendon High School and Clarendon Junior College. Attracted to the beauty shop work, she took a course as a beautician at a beauty culture school in Amarillo, where she proved her special aptitude for her profession, and already with practical experience she took the position as operator in charge of Whitlock's shop here in July.

Mrs. Morrow is a friendly person, and she holds that a pleasing personality and genuine friendliness are essential to success in her work. She loves people and enjoys her daily tasks, trying continually to make new friends.

There is a niche at home for young folk — but, like Mrs. Morrow, they must choose a profession to which they are adapted, and prepare for active service, with the attitude of genuine friendliness.

(Mrs. M. Grant)

Church and Sunday school was not very well attended Sunday and Sunday night, though we had good preaching and good Sunday school.

School is suspended for three weeks for cotton picking. Mr. Buck has gone to be with his wife and baby at Vigo Park.

Mrs. Leonidus Yankee sprained her ankle pretty badly last week. Mrs. Taylor and children were out home for the week-end.

Mrs. Elmore royally entertained a bunch of youngsters Sunday for dinner. There were eight present; the oldest was eighty-six and the youngest was sixty-seven. Mr. and Mrs. Veazy, Mr. and Mrs. Walker, Mr. and Mrs. Grant and Mr. and Mrs. Elmore. We had a good dinner and all had a nice time.

Mrs. Lola Dishman is still with her mother, Mrs. B. L. Kenzie of Amarillo, who is very low again. Recovery doubtful.

PATHFINDER CLUB HAS PROGRAM ON "HOME"

The Pathfinder Club met at the Club Room on Friday, October 13. Despite the date, it was a most satisfactory meeting. Mrs. Bairfield, vice-president, was in the chair, Mrs. Dishman having been called away on account of sickness. The secretary, Mrs. Van Kennedy, was also absent due to sickness, and Mrs. L. N. Cox took her place.

During a brief business session Miss Madge Hall of the English department in the College was elected to membership.

In the absence of the leader, Mrs. J. W. Evans, the program was conducted by Mrs. Joe Goldston and was as follows: "It Takes a Heap O' Living" — Mrs. J. R. Porter; Making a House a Home — Mrs. Joe Goldston; "Hills of Home" — Fox — Mrs. Frank Heath; Artistic Flower Arrangement — Mrs. U. J. Boston; "Home Sweet Home" by the Club. Roll call was responded by naming famous pictures and the artist. Autumn flowers, arranged

JR. H. D. CLUB HAS DEMONSTRATION OF POM POMS

Lucille Chesshir and Allene Estlack were hostesses to the Junior Home Demonstration Club at the Club Room, Thursday afternoon.

The meeting was opened with the club prayers and roll call was answered with monthly reports. A short business meeting was held after which Dale Holland demonstrated making pom poms. Lucille Chesshir received polyantha gift for anniversary.

Refreshments were served to Hattie Palmer, Gracie Ayers, Marie Patterson, Hazel Luck, Dollie Wilson, Mattie Ballew, Dale Holland, Viola Bones, and the hostesses, Allene Estlack and Lucille Chesshir.

To illustrate Mrs. Boston's talk, made the room colorful.

The hostesses, Mesdames, J. L. McMurry and Frank Heath, served delightful refreshments to twenty-eight members and two guests, Mrs. Molesworth and Mrs. Brents.

MRS. JESSE MONT REED HONORED WITH TEA

MEMPHIS, Oct. 18. — Complimenting Mrs. Jesse Mont Reed, a recent bride, Mrs. Lee Wattenbarger and Mrs. James Arthur Anthony entertained with a lovely tea Tuesday afternoon in the Wattenbarger home.

Approximately fifty guests were received at the door by Mrs. Wattenbarger and presented to others in the receiving line, Mesdames, J. B. Reed, Jesse Mont Reed, J. E. Ryan of Clarendon and mother of the bride, and Mrs. Anthony, Miss Kathleen Ryan, sister of young Mrs. Reed, presided over the bride's book.

The house party wore sprays of pink gladioli and the rooms were beautifully decorated with varied colored roses and ferns.

The guests were pleasantly entertained with a musical program during the afternoon. Mrs. Conley Ward gave two ever popular numbers, "Believe Me If All Those Endearing Young Charms", and "Impromptu No. 3" by Schubert. Mrs. T. M. Harrison, accompanied by Mrs. Ward at the piano, gave two musical readings, "Is Marriage a Failure" and "Penitence."

The hostess, assisted by Miss Dorothy Montgomery, served a delicious sandwich plate and tea chilled with multi-colored ice, served in tall crystal glasses. Favors were pink and white chrysanthemums and fern sprays.

KILL KARE KLUB MET WITH MISSES HARNED

The Kill Kare Kneede Klub met Thursday afternoon in regular session with Misses Etta and Ida Harned.

The Harned home was beautifully decorated with the Hollowe'en motif.

A musical program was presented by Mesdames L. E. Thompson, Rayburn Smith and H. R. Beck. Fancy work and conversation were enjoyed throughout the afternoon.

Delicious refreshments carrying out the Hollowe'en motif were served to Mesdames L. E. Thompson, Rayburn Smith, H. R. Beck, and Joe Goldston, guests, and members Mesdames H. C. Brumley, J. R. Bartlett, Lon Rundell, Sam Lowe, W. B. Sims, Eva Draffen, Frank White, W. A. Land, Buel Sanford, Homer Mulkey, W. A. Massie, R. E. Duncan, and the hostesses Misses Etta and Ida Harned.

The next meeting will be with Mrs. J. Perry King, October 26.

1922 BRIDGE CLUB HAS LUNCHEON

Mrs. R. L. Bigger delightedly entertained the 1922 Bridge Club with a lovely luncheon, Tuesday afternoon.

After the luncheon, the Club went to Mrs. J. B. McClelland's home where they played bridge. Mrs. Rufus Chamberlain won high score prize for the members, and Mrs. Charlie McMurry won high for guests. Mrs. T. H. Ellis drew consolidation prize.

Guests were Mesdames J. L. McMurry, C. T. McMurry, W. H. Patrick, and G. A. Ryan, and members, Mesdames Bagby, Rufus Chamberlain, Caraway, T. H. Ellis, Gentry, A. R. Lettis, J. B. McClelland, and Sims.

BOOK CLUB OBSERVES CLARA DRISCOLL DAY

Clara Driscoll Day was observed Tuesday by the 1926 Book Club at the home of Virginia Bryan and Mary Thornberry, hostesses.

Mary Allensworth gave the story of Clara Driscoll's life; Dorothy White gave a report of the tea that she attended given in honor of Clara Driscoll in Austin, October the fourth, and Mrs. Burton gave a toast to her.

Other numbers on the program included a piano solo by Sara Beth Lowry and a talk on Public Welfare by Lelia Mae Smithy.

Lovely refreshments were served to the following members and guests: Mary Allensworth, Thelma Bairfield, Delene Bagby, Edith Ballew, Elizabeth Cauthen, Evadne Cox, Jewell Grady, Clara Gillham, Jo Knorpp, Janie Lowry, Edythe Maher, Lena Morris, Laura Penick, Lucille Polk, Jennie Dale Porter, Lelia Mae Smithy, Sammie Marie Stewart, Dorothy White, Eunice Buntin, Dewey Clifford, and Beatrice Antrobos members, and Mesdames Burton, Boston, Powell, Beck and, Sara Beth Lowry, guests.

LEA BEAUX ART CLUB TO HAVE ANNUAL FLOWER SHOW

Les Beaux Arts Club will have its annual flower show, Saturday, October 21, from 12 to 6 o'clock in the Ladies Club Room. Prizes and ribbons will be awarded in all classes.

As a special feature the ladies clubs are showing holiday table arrangements.

Prospective exhibitors are urged to have their entries at the Club Room before eleven o'clock Saturday morning. Those who may desire additional information on taking part in the show may call either Mrs. George B. Bagby or Mrs. J. D. Swift.

The classifications to be followed in the show are as follows:

Class I.—Roses: A, best specimen, three blooms, white, red, pink, two-tone, and yellow; B, best collection — 6 or more; C, artistic arrangement, container to count; D, polyantha roses, container to count, single or mixed colors.

Class II.—Dahlias: A, best specimen, decorative, cactus or semi-cactus, and pom pom or Miniature; B, best three to six blooms, decorative, cactus or semi cactus and pom pom or miniature; C, most artistic arrangement, any type or color, container to count.

Class III.—Garden flowers: A, most artistic arrangement, container to count.

Class IV.—Berry-bearing shrubs: A, artistic arrangement, container to count.

Class V.—Exhibition tables of special holiday arrangements.

Class VI.—Any entry of flowers or decorative plant or shrub not included in other classifications.

MRS. WRIGHT HOSTESS TO NEEDLE CLUB

The 1930 Needle Club met in regular session, Tuesday afternoon with Mrs. Mozelle Wright as hostess.

Needlework and conversation were enjoyed during the afternoon. Polyantha gifts were exchanged.

Lovely refreshments, carrying out the Hollowe'en motif, were served, and Hollowe'en favors given to Mesdames Fred Russell, Elvis Burch, and Guy Pierce, guests, and members, Mesdames Josie Peabody, Frances Hilliard, Ellen Bryan, Marie Patterson, Ona Tatum, Glenn Kirby, Margie Land, Nora Decker, Hazel Lusk, Nadine Whitlock, Alice Bain, Margaret Carpenter, and the hostess, Mozelle Wright.

POST-NUPITAL SHOWER GIVEN AT HEDLEY

Mrs. Alvie Simmons, Mrs. Hobart Moffit, and Miss Myrtle Reeves were hostesses to a lovely post-nuptial shower honoring Mrs. Edward Boliver, Friday afternoon at the First Baptist Church at Hedley.

A very interesting musical program was presented during the afternoon. Miss Von Biggs gave a piano solo. Sarah Ann Rains gave a reading. Vocal solo by Mrs. M. E. Wells. Mrs. Clyde Bridges read three of Edgar A. Guest's poems. Twelve little girls gave a skit, "Sweethearts on Parade."

Approximately seventy guests attended the affair.

MRS. UPSHAW TO GIVE BOOK REVIEW

Mrs. Francher Upshaw of Amarillo will give a book review, "All This and Heaven, Too," by Fachel Field, at the regular meeting of the Pathfinder Club, October 27.

Bert Smith returned Friday from a business trip to Dallas.

E. F. Bryan of Amarillo and son, Allen, of Clarendon were in Tahoka on business Monday.

OPEN HOUSE HELD FOR OUT-OF-TOWN GUESTS

Mr. and Mrs. Joe Holland held open house Sunday afternoon honoring Mr. and Mrs. W. W. Beatty who were visiting from Haskell County.

A large number of friends here in town called during the afternoon. Those from out of town were Mr. and Mrs. Marvin Whitfield and Ewell Whitfield of Hedley. Mr. and Mrs. B. J. Leathers and LeRoy Leathers of Lelia Lake, Mr. and Mrs. C. R. Piercy, and Misses Dora Lucille and Jean Piercy, from the J. A. Ranch.

MRS. BAGBY GIVES COFFEE SATURDAY

Mrs. George Bagby entertained with a delightful coffee in the beautiful garden at her home here Saturday morning.

The Mexican motif was carried out and miniature Mexican baskets were given as favors.

Mrs. Francis Brown, Mrs. Seldon Bagby and Miss Charlotte Molesworth poured coffee for about thirty-five guests.

HINKLE-RICH

Miss Edith Rich of Brice became the bride of R. B. Hinkle, of Clarendon, Saturday afternoon at 3:30 at the Baptist Parsonage. Rev. J. Perry King read the ring ceremony.

ATTEND WEDDING

Mr. and Mrs. Wylie Morris and daughter, Frances, attended the wedding of Miss Mary Paul and John O'Brien at the Central Presbyterian Church in Amarillo, Saturday evening.

Miss Idell Durrett of Amarillo and granddaughter of Mr. and Mrs. G. J. Teel, and Miss Betsey Sanders, who has a book shop and tea room in Amarillo, were guests in the Bugbee home and also visited with Miss Jeanne Bourland, last week-end.

Ira Merchant returned to Clarendon this week from California where the Merchant's have been making their home. He was accompanied to Amarillo by Kennedy Davis who has been visiting in California.

Mr. and Mrs. John Lynch returned to Clarendon last week-end after a trip to the west coast. Mr. Lynch is connected with the American Museum of Natural History and was stationed in Wyoming last summer.

Mr. and Mrs. N. J. Vaughn and Mrs. Vaughn's mother returned here Tuesday. Mr. Vaughn is connected with the American Museum of Natural History, and was stationed in Wyoming last summer.

Samuel E. McClung, NYA Area Supervisor, of Childress and Miss Strong, Supervisor of Kitchen Aid at Memphis, visited the NYA Home here, Monday.

IRISH TAKE LOOP LEAD WITH WIN OVER BROCS

McLEAN CRUSHED EAGLES TO BECOME CO-FAVORITE WITH SHAMROCK ELEVEN

The green clad fighting Irish of Shamrock kicked over the dope bucket Friday night by whipping the Clarendon Bronchos, 13 to 0, and thereby establishing themselves as district 3-A favorites.

Clarendon, however, in its first stand away from home, was definitely off stride so the Shamrock victory does not cinch the title.

Whether the Lakeview Eagles have been completely demoralized by their unsuccessful season or whether the McLean Tigers are a standout power in the league is another subject for conjecture. The Tigers battering a 79 to 0 victory Friday night over Lakeview leaves the McLean club a perfect full-season standing after the first conference game.

Wellington must still rate as a direct threat in 3-A despite three defeats for the full season. Outplaying the Perryton Rangers during most of the game, the Skyrockets Friday night, 12 to 7, loss wasn't so bad.

The Cyclones of Memphis may also be a thorn in the path of the loop leaders. Their 8 to 0 loss to the class AA Quana Indians Friday night raised their story Memphis, though, is one hurdle the Shamrock club has leaped with a 13 to 0 win week before last.

Wheeler rested last Friday in order to be in perfect shape to play host to Shamrock next Friday. Although downed by Clarendon a week ago, the Mustangs are hard to stop in their own backyard and may wreck the high riding Irishmen.

Mr. and Mrs. Joe Goldston and Mr. and Mrs. Harry Brumley left Sunday for McCamey to visit with Rolley Brumley. They are returning today.

Leldon (Dude) Hudson of Demmitt visited friends here over the week-end.

Mr. and Mrs. D. S. Smith visited her niece, Mrs. Mode Morris, who is in the hospital in Pampa. Mrs. Morris is improving rapidly.

Avis Lee McElvany, society editor on a Springfield, Mo., newspaper, arrived last night for a visit with her parents, Mr. and Mrs. Homer McElvany.

Mrs. Joe Ritter and daughter Jo Ann, Mrs. Clarence Piercy, and Misses Dora Lucille, and Jean Piercy were in Amarillo, Tuesday.

SCHOOL, CHARACTER, AND PERSONALITY.

This title may seem strange to you, but you should become familiar with it. The school has more effect on your character and personality than any remaining influence. If you take advantage of opportunity, you can develop a remarkable character, and a sparkling personality. There are many ways in which to do this. We shall discuss some of them together.

Your contact with the faculty should be of great aid to your development. They are well versed in school life, and they have learned how to associate harmoniously with other people. They can help you improve your personality and character for you more than you realize. They are older, and more experienced than we; therefore we should listen carefully to their smallest advice.

Our contact with other students is the mold in which our lives are formed. It is one of the deciding points between success and failure. The importance of this contact could never be over-estimated.

Personality is the key to success; therefore we should never cease developing it by making the most of these friends.

Character enables one to keep and hold success after it has been gained. Character is not easy to gain but it is more valuable than gold. If we begin this development earlier in life it will merit great benefit and satisfaction.

Our books are very valuable in

developing character and personality. As we study of the people of history we can readily see that character and personality combined have dominated man from time unknown. The great leaders were men who had enough personality to gain that leadership and strength enough to hold it. The leaders who were most popular were men of strong character. They were loved and followed by the masses. The man with a dominating personality was always winning new favors from the people. He was continually gaining success.

Sit down and think of your own personality; find its weak points and try to remove them.

SOUTH WARD NEWS

Miss Polk's room has a good manners poster. They all have their pictures on it. If they do not obey the good manners rules, they get their pictures taken off. They have to work hard to get their pictures back on the poster.

Miss Mongole's room is finishing their transportation unit.

Miss Crosse's room is decorating for Halloween. They are making the room as scary as possible.

Mrs. Hart's room has made fire prevention posters and has made original poems about fire prevention.

Miss Hall's room has given a fire prevention play. They will show their fire prevention posters at P. T. A.

Mrs. Lane's room had a play for fire prevention. After the play they showed fire prevention posters and read original fire poems.

REFLECTIONS OF THE NEWEL POST

My, my, what a day this has been for me! Since early this morning until the last person left school this afternoon people have been leaning on me and abusing me. Why, they even make me hold their books while they stand around grinning and giggling.

Just this morning that tall, good-looking blond freshman made me hold her books and support her at the same time while she calmly grinned at the handsome boys and said, "Hi sis" to all the girls.

And did you see that "pretty boy" standing under the clock this morning alone? I wonder if he were waiting for someone?

Oh, dear, the only time I get any rest is the first few minutes at noon. Everyone is in a hurry then, and doesn't have time to think to bring me anything to eat. Oh, occasionally I get a few crumbs of candy. I suppose I shouldn't complain though.

It is really amusing how many people I've met since I've been in college. I dare say I know more than any person in C. J. C. Why I can even tell you the private life of many of the student's ancestors because they all told their problems close to me. Well, most of them did.

Oh me! times are changing though. Many of the present day students of C. H. S. and C. J. C. never tell their little problems so how do they expect me to help them?

My, my, what a life! and after all, you only think of me as that old newel post that you lean on every day. Remember next time that, "I'll be listening."

BAND NEWS

Last Sunday the band played at the opening of our municipal park which a large crowd attended.

This past Friday night the band went to Shamrock on the Sunnyside bus to play at the football game. Here, the band members enjoyed a good game while not playing various marches and any other pieces.

The band parents are working hard for the band; and we, the band, wish to thank them for this effort. The band are carrying on a rummage sale every Saturday in the building which used to be Lowe's Grocery. The band is doing a very good business and will continue its work for some time. If you have any rummage, please call a band member and he will have someone call for it.

This Thursday a band parent's meeting was held at four o'clock in the band room. Plans for the coming year for the band were discussed. The band parents are a great aid to the band.

BAND PERSONALITIES

Name: Bacil Kirtley
Age: 14
Height: 5 ft. 3 1-2 inches
Weight: 105
Hair: Brown
Eyes: Brown
Instrument: trumpet

This week we have Bacil Kirtley as our band personality. Bacil is an outstanding member of our band as he is an excellent player and has a wonderful personality. Bacil has played in the band for over four years; and in all this time, he has worked hard and done his share in everything the band has done. Bacil played a long, tapering, gold trumpet. He worked very hard to learn this trumpet. This year Bacil is a sophomore who has two more years in high school. By the time Bacil reaches his last year in high school, we know he will be a very accomplished musician.

MEET A JUNIOR

Billie Ralph Andis is a Junior in High School this year. Billie Ralph is an outstanding pupil and friend. His work has always been done cheerfully. If you meet Billy Ralph when you feel blue you always leave very happy as he has a cheerful disposition. If you have the blues see Billie for the cure. When Billie Ralph was a Sophomore he was elected president of his class. This shows how well Billie is liked by his ever-growing number of friends.

Billie plays solo clarinet in the band and is doing great work.
Name: Billie Ralph Andis

PRESS CLUB MEETING

The press club gathered in Miss Hall's room on Monday, October 16, to plan your paper. We are thinking of sending one of our members to Lubbock for the Editorial Convention which will be held there on Nov. the twenty fourth and twenty fifth.

After our editor had given assignments to the sixteen members present, the meeting was adjourned.

This week the press club broke a record in its membership. We had sixteen members, some of whom were out of town.

We thank you for your interest in our paper.

JR. HIGH NEWS

Dorothy Anne Kennedy was taken to the Adair Hospital Thursday morning. She had an appendicitis operation. She is one of our leading freshmen.

Sunday pupils from the Jr. High and fourth and fifth grades were in the program for the formal opening of the City Park. They marched down the walk and got on the terraces and sang America accompanied by the C. H. S. Band.

NICK-NAMES

John Burton King has the nick-name of "Tink." He says he doesn't mind but his mother certainly does.

L. B. Hartzog has the suitable or perhaps unsuitable nickname of Heart-throb. It was derived from his last name. 'Tis said it was given him by a person with the last name of Gordon.

Neta Jane Cornell has the very suitable nick-name of "Moody." It is said by certain persons that she goes into different moods.

Jimmy Lumpkin has the name of "Speedy." It may be suitable and it may not but he got it from his speed in driving and oda jerking.

Jack Reeves has received a new nick-name. It is "Complimentary." We call him "Comp" for short. He got it by giving such nice compliments. He makes one feel so nice and good, so certain people say.

Lamar Adamson commonly known as "Doc," says that he got his nick-name while he was a lad. (Since when did he grow up?)

Frank Cannon has the nice name of "Frankenstine." He received his name on the F. F. A. trip last year. Other names he has are "Shorty," and "Cutie."

FOOTBALL PERSONALITIES

Howard Gibbs, burly guard is one of the roughest guards in the 3A conference. He is 5' 8" tall and weighs 165 pounds. Howard is well liked by the squad and is one of their best sports. He works hard and puts out his best in every game. Howard is plenty hot leading interference or blocking for passes. Opening large holes in opposing lines is his specialty. He can wear down opposition and do plenty damage to the ugly guy across the line. He is a first year man but you can't tell it by his playing.

Ray Bulls, husky bully of the Bronchos is one of our meanest guards. He is always going at top speed with enormous power. He can tackle, block and lead interference with a surplus of skill. Ray is 5' 9" tall and weighs 160 pounds. He puts all his brawn into every play and what he does to opposition is hard to look at. Ray is a Junior, and he will be a major threat in the 1940 season.

Ollie "Red" McQuery is the fiery haired, hard hitting and pass snatcher whom we have heard so much about. This is "Red's" first year, but he acts like a veteran. He can really cut down those line backers and pave the way for his ball carriers. He can crash thru and mess up plays as readily as if it were a habit. "Red" is 6' 1" tall and weighs 165 pounds. He has one more year to play and he will be our prize catch for that season.

WHOOSH!

Flash! Jimmie Thompson has found his dream girl. Ask Jimmie, I don't talk.

Peggy Word seemed to enjoy the picnic very much, Monday night. We wonder why?

H. R. King has been formally initiated into the "Royal Order of Siam."

"Doc" Adamson is John Jay's greatest worry at the present time, but John will be past worrying in a few days if Doc's progress continues.

We wonder if Thelma Tate's nickname of "Innocence" is appropriate. We think it should be changed.

Raymond Hay wants the girls to know that he has a good car, a good job, and he is fast, fancy free and footloose. This advertisement will be collected for next week.

Three great stars head a great cast in a great film. Tyrone Power as the romantic Major Rama Safti; Myrna Loy as the lovely and amorous Lady Esketh; and George Brent as the world-weary Tom Ransome in Darryl F. Zanuck's production of "The Rains Came," the sensational best-seller by Louis Bromfield, which 20th Century-Fox presents Wednesday, Thursday and Friday at the Pastime Theatre.

SOPHOMORES IN HIGH SCHOOL

Your sophomore reporter made a survey of a few sophomores, and here are their opinions of High School or Junior High.

Annie Ree Porter: "I like it over here because we don't have to march from class to class like convicts in Alcatraz."

Bacil Kirtley: "I don't like it over here because we don't have to march from class to class like convicts in Alcatraz."

Margaret Wadsworth: "Oh I just love to walk clear across town four times a day."

Clyde Douglas: "Little students don't get a long very well over here."

Naomi Morris: "I like it because I don't have to walk so far. Not that I'm lazy or anything like that."

Billy Thornberry: "You can chew gum and get by with it up here."

Neta Jane Cornell: "I'll stand up for Junior High, besides, Mr. 'enick is down there."

Lewis Chamberlain: "They're both O. K., but they're still school."

WALKING-TALKING DICTIONARY

Define: Classes: Some place to go when you don't have anything else to do.

Exams: The time for you to have a headache or for a grandmother to die.

Homework: Something to fill the waste basket with.

Ink: A fluid with which to write notes.

Books: Used to wag around for exercise.

Desk: Something to sit in when you are tired of standing up.

Grades: Something for Mama and Papa to raise Cain over.

Blackboards: Something to decorate the walls with.

Teacher: A person to occupy the desk in the front of the room.

Fountain Pens: Articles costing two bits used to throw around and get lost.

Library: A place to go when the study hall becomes dull.

Pencil Sharpener: Alibi used by all the girls so that they can go up in front of the room and talk to the boy who is playing and making lots of noise with it.

Mrs. Moe's: A place where certain people stay when there is no band practice.

week, "Red." Max Wilson needs someone to explain the requirements of a gentleman to him.

Miriam Gordon and Collie Huffman seem to be doing pretty good.

Jimmie Lumpkin is Estell Thornberry's new companion.

Geraldine Ryan seems to be enjoying a certain study hall each day. We wonder Why!

BRONCHOS

The Clarendon Bronchos met their first defeat Friday Nite at Shamrock. The Clarendon Bronchos lost by a 13-0 score. The Bronchos led in many outstanding plays; Clarendon made 13 first downs at Shamrock's 8. Clarendon also made about eighty more yards, than did Shamrock. Just because they lost this game is no sign that they will lose any more. We play Wellington next Friday nite at Wellington and let's all attend the game as we did at Shamrock. We are very thankful to the different rural schools for the football boys Pep Squad and the band.

HOME ECONOMICS

The first year home economics girls are starting the second six weeks by sewing. During this time they will complete one garment.

The second year girls are striving to learn how to organize their time when preparing a meal.

The third year girls are studying the laws of a good home, also how to budget their income.

The Home Economics department served the Lions Club last Tuesday night with a banquet. This was the annual ladies night.

W.T.S.T.C. EXES TO HAVE HOMECOMING OCTOBER 28

DONLEY WILL BE ASKED TO NOMINATE CANDIDATE FOR HOMECOMING QUEEN

CANYON, October 11.—West Texas State College ex-students are preparing for their greatest Homecoming on October 28, and former students living in Donley county will be asked to nominate a candidate for Homecoming queen.

One ex-student will be designated in each county to call meetings of the former students, who will nominate their candidate and certify her name to Mrs. Tommie Montfort of Canyon, who is general chairman of the Homecoming.

This year's program is so large that a circus tent will be rented and pitched near Cousins Hall. It will house the Monte Carlo cantina, where games of various kinds will be directed by Guy Harp. Mr. Harp says his sideshow will have "atmosphere" and color.

J. B. Speer of Canyon will direct that portion of the Ex-Student night Club which will be housed in Cousins hall. This will

include Coconut Grove, Rainbow Gardens, Old Tascosa bar, an Oriental room, and broadcast. Nearly two hundred persons will be needed to run various parts of the night club.

The "Faculty Follies" will be featured at a morning assembly program. Student stunts will enliven the football game at 2:30 o'clock between St. Mary's University of San Antonio and the Buffaloes. This will be an Alamo Conference game. A student football queen will be crowned.

Coronation of the Homecoming queen will take place in the main auditorium at 7:30 o'clock.

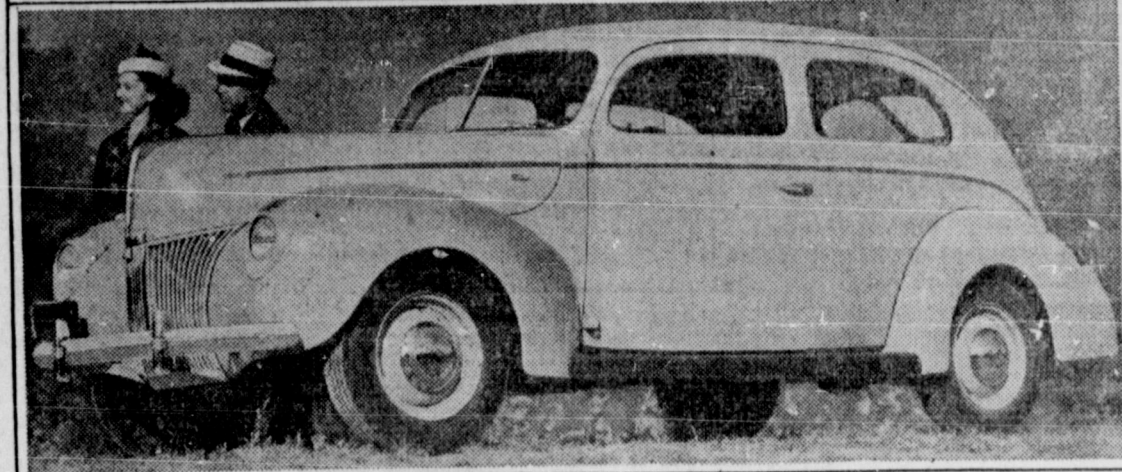

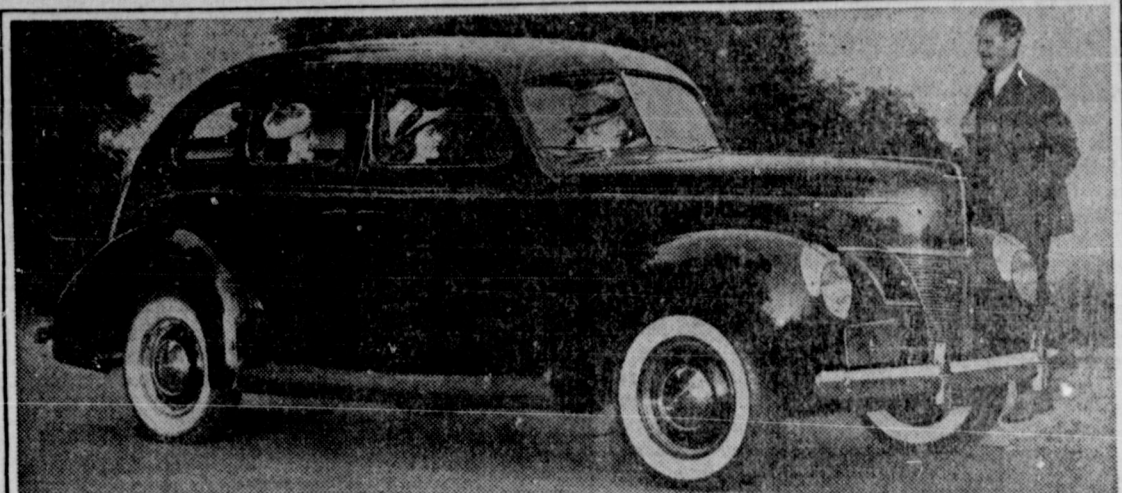

Sales and deliveries of cotton and cotton products for export under the Federal cotton export program totaled over 1,180,000 bales from July 27 through August 31.

Two Ford V-8 Cars for 1940 Presented

HERE are the two Ford V-8 cars presented for 1940. One is a Ford V-8 and the other a deluxe Ford V-8. Top, the deluxe Ford V-8 Fordor sedan; below, the Ford V-8 Tudor sedan. Both are big cars with graceful lines. Emphasis in interior styling is on fine appointments. Among numerous important features are a finger-tip gearshift on the steering column, a new controlled ventilation system and Sealed-Beam headlamps for safer night driving. Two V-8 engines are available, an 85 horsepower in the deluxe, the 85 horsepower or a 60 horsepower engine in the Ford V-8 models. Cars with 85 horsepower engine have improved spring suspension and a torsion bar ride-stabilizer. Four Ford V-8 and five deluxe body types comprise the two lines. A new business coupe as well as a coupe, Tudor sedan and Fordor sedan are available in both. There is also a deluxe convertible club coupe with automatic top standard equipment.

looking for a full attendance. All the officers of the entire Circuit should be present and we are inviting as many of our friends as might have a desire to come. We give a special invitation for all Leila Lake people to come and bring lunch baskets. May they not be empty ones. Fill them brimming full. There will be no one there that can multiply a few loaves and fishes and feed the multitudes of people and then fill empty baskets with the fragments to be carried away. The case will be reversed. They will diminish instead of multiply.

Watch Your Kidneys!

Help Them Cleanse the Blood of Harmful Body Waste

Your kidneys are constantly filtering waste matter from the blood stream. But kidneys sometimes lag in their work—do not act as Nature intended—fail to remove impurities that, if retained, may poison the system and upset the whole body machinery. Symptoms may be nagging headache, persistent headache, attacks of dizziness, getting up nights, swelling, puffiness under the eyes—a feeling of nervous anxiety and loss of pep and strength. Other signs of kidney or bladder disorder are sometimes burning, scanty or too frequent urination. There should be no doubt that prompt treatment is wiser than neglect. Use Doan's Pills. Doan's have been winning new friends for more than forty years. They have a nation-wide reputation. Are recommended by grateful people the country over. Ask your neighbor!

How Women in Their 40's Can Attract Men

Here's good advice for a woman during her change (usually from 38 to 52), who fears she'll lose her appeal to men, who worries about hot flashes, loss of pep, dizzy spells, upset nerves and moody spells. Just get more fresh air, 8 hrs. sleep and if you need a reliable "WOMAN'S" tonic take Lydia E. Pinkham's Vegetable Compound, made especially for women. It helps Nature build up physical resistance, thus helps give more vivacity to enjoy life and assist calming jittery nerves and those disturbing symptoms that often accompany change of life. Pinkham's is WELL WORTH trying.

TEXAS FARMS ARE VERY SHORT ON OUTSIDE INCOME

125,000 RURAL PLACES WITHOUT COWS, POULTRY SHORT ON 75,000

FORT WORTH, Oct. 18.—There are in Texas 125,000 farms on which there is not a single cow. There are 75,000 farms on which there is not a single chicken, and another 75,000 on which there are only a few neglected chickens of the "dunghill" variety and of little commercial or edible value. These figures may well cause concern to those interested in a balanced agricultural program, uniform spending power, and the extension of manufacturing in Texas. They mean that one-fourth of the State's farms have no income from dairy or poultry products. In the final analysis they mean that one-fourth of Texas farms, with many acres retired through government regulation, must from revenues on grain, cotton, and other field crops, not only earn taxes, cost of production, interest, depreciation, return — however small — on invested capital, but a "store living" for owner or tenant as well. This may be said to be an unnatural condition, for no state can or has succeeded in agriculture where the providing of a living from garden, cows and poultry is not the first thought of its fare. There is small chance of expansion in the manufacture of dairy products within the State until this condition is uniformly corrected. No farmer, not first providing a living from his own efforts, can meet seasonal price declines in the sale of milk, for its production on bought groceries and feed cannot be profitable. Lack of sufficient volume, uniformly located, and produced at a price equitable to both producer and manufacturer is the problem confronting the management of Texas manufacturing plants. Creating a greater interest in better dairying is the only route through which manufacturer and producer may hope to stabilize both manufacturing and production. For many years the work of Texas Agricultural Colleges and

ENLISTMENT IN MARINES OPEN FOR 6,000

LEATHERNECKS MUST BE BETWEEN 18 AND 30 WITHOUT DEPENDENTS

The United States Marine Corps is now making a methodical canvass of inland towns—particularly rural communities—with the view of finding the very best young men possible for enlistment in the Marines. Postmaster Forest W. Taylor stated today. Only 6,000 young men out of the slightly more than 108,000 in armed forces of the national defense are authorized by President Roosevelt for the Marine Corps. Thus, only one man out of each group of eighteen qualified applicants will be accepted for service with the "Leathernecks." Requirements for enlistment remain the same — between 18 and 30 years of age, white, unmarried and without dependents, not less than 64 nor more than 74 inches tall of good moral character, and of excellent physical condition. Postmaster Taylor also stated that he is being kept advised by the Marine Corps Recruiting District Headquarters of Dallas, of the requirements for enlistment, for the information of young men of this locality. Preliminary physical examinations may now be made by a local physician, after which the Dallas office will advise applicants whether or not to proceed to that city for final examination. Prices paid by farmers for farm machinery have shown a steady rise during the past five years and are higher now than in 1929, although farm prices are lower. Sales Pads at The News. ts workers has been devoted to teaching its farmers the benefits of living at home. It is now time or its business men to lend their assistance to these agencies in making the State as nearly 100 percent self-supporting as possible.

CLARENDON METHODIST CHURCH

J. G. Walker, Pastor

We met the faithful few at Goldston Sunday. Think we had two very fine services. Was our last service there in this Conference year. The next Third Sunday the Annual Conference at Lubbock will be closing. Monday after we will be starting for our field of service for another Conference year. Some will be going back to the same work; others will be moving to new fields. Some will be pleased, others will not. Some of the people will be pleased to have their former pastor back for another year; others will wish they had gotten a change. Some who have a change may soon discover that the change was a bad one. I am reminded of a story just here. A preacher getting ready to leave for Conference was met by an elderly lady who said: "Brother, I hope they will send you back here for another year." He taking it as a compliment to his efforts said: "Sister, I think you all ought to get a better preacher than I." She said, "No, brother, we can never get a better preacher than you." He still thought the compliment getting stronger, and became desirous to hide his expressions of elation said, "Why, sister, you know there are preachers who can beat me preaching." She said, "Oh, Brother, you don't understand, I have been a member of this church seven years and we have changed preachers every year and every one of them has been worse than the other." I have thought maybe the people on Clarendon Circuit might see the end to which they are headed and be willing to take the old preacher back for another year. We are looking forward to a great day Sunday. Our last Quarterly Conference will be at Leila Lake next Sunday, October 22. Brother Palmer will preach at 11 a. m. and there will be lunch on the ground at noon. We are

The Dallas Morning News

"Texas No. 1 Newspaper"

"The Dallas News is one of the best newspapers in America. It is free from sensationalism, its editorials are admirable in matter and expression, and its reports accurate."

—From Autobiography With Letters by William Lyon Phelps, published by Oxford University Press, 1939.

The News relies not alone on one great wire service—it has TWO . . . the greatest in the world—Associated Press and United Press. It also has the great wire feature service of North American Newspaper Alliance (NANA). Most newspapers would be content with these—but NOT The News, which also maintains its exclusively-own bureaus in Washington, Austin, East, West and Central Texas . . . to say nothing of more than 200 local correspondents scattered over the Southwest . . . and the largest local staff of editors, reporters, artists and feature writers of any newspaper in Texas.

Battling Irish Wreck CHS Bronchos 13 to 0 In 3-A Highlight Grid Game At Shamrock Friday

A highly touted Clarendon Eleven just couldn't get going Friday night and the battling Irish of Shamrock wrecked the locals district rating 13 to 0 before one of the largest football crowds in the Panhandle this year.

Shamrock struck quickly in the second and third frames and although the Bronchos battled bravely in the third and fourth, their drives were halted short of paydirt. In the fourth a Pony 70-yard amble died after four fruitless tries on the one-yard line.

It was a charging green-clad line that worked Clarendon's undoing. Time and again the Irish forwards wiped out the Bronco offense like a pricked balloon and the classy Shamrock backs could have made good yardage in wheel-chairs.

The drive which registered the first Shamrock score started on the Irish 45 where Allen recovered a Bronco punt. Runs by Allen, Puett, and Roden took the ball to the Clarendon inch line where Max Galbeath bumped across.

The second counter came when the Clarendon center tossed a pass where there was no Clarendon back and the Irish recovered on the Bronco 32. From there it was only a matter of time with the Allen, Puett, Roden combination doing the damage. One pass featured in the score with Allen passing to Puett for 10-yards, and the Irishman just went on over.

Wilson converted for the extra point.

Mrs. Stella Hill had the pleasure of having all of her children in her home over the week-end. Those visiting were Mr. and Mrs. W. T. Mayfield and daughter, Barbara Ann, of Houston, Miss Ouida Hill of Amarillo, Mr. and Mrs. Chester Hill and June, of Memphis, E. C. Hill and Mr. and Mrs. Earl Hill and family of Clarendon.

Mr. and Mrs. Frank White, Jr. and Mr. and Mrs. Glenn White returned to Clarendon last week from San Antonio where they attended a hatcherymen's convention. Mr. and Mrs. Glenn White visited Mrs. White's parents, Mr. and Mrs. J. W. McMurtry in Archer City before returning to Clarendon.
