Donley County Bank Deposits Reach Record Breaking Total In December

SALE OF DEFENSE BONDS LOCALLY REACH \$90,112

HEDLEY SALES REPORTED AT \$1,625.00 TO BOOST COUNTY TOTAL

Displaying a splendid patriotic spirit, Donley residents have purchased over \$90,000 in National Defense bonds during the past 6 months. Walter B. Knorpp, chairman of the Donley County Defense board said today.

Sales shot upward after the declaration of war, the chairman declared.

Knorpp said the Hedley figures boosted the total \$1,625.00. This amount represents sales from both the bank and the postoffice of that city. The Clarendon figures of \$88,487.00 represent the maturity value of the bonds taken from sales of the four local banks and the postoffice. The figure from the local post-office was estimated as a complete check has not been made.

Bond sales represent series E, which replaced the former "baby bond", Knorpp said, and Series F and G which include appreciation bonds.

The exact figure, including the postoffice estimation, reaches \$90,112.00 Knorpp estimated.

FOOD SPENDING IN DONLEY INCREASED DURING MONTH

STAMPS BRING \$2,324.50 ADDITIONAL INCOME IN MONTH OF DECEMBER

Expenditures for food in Clarendon and Donley County were increased \$2,324.50 during the month of December through the Government's food stamp program. It was revealed today by L. J. Cappelman, Regional Director of the Surplus Marketing Administration for the thirteen Southern States.

This sum represented the amount of blue stamps issued by the Clarendon and Donley County Stamp Program office during the month. In addition, \$3,071 of orange stamps were purchased from the Government during the period, bringing the total amount available for food purchases due to the stamp program to \$5,395.50 for December.

Participating in the Clarendon and Donley County stamp program during the month were 224 cases, representing with their families, 947 persons. Those participating represented 84.1 percent of the 1,126 persons in the area eligible to receive stamps during December.

Since the stamp plan has been in operation, \$16,849.50 in blue stamps have been issued in Clarendon and Donley County, augmenting regular food expenditure for the area by that amount.

Amount of blue stamps issued per person during December averaged \$2.45.

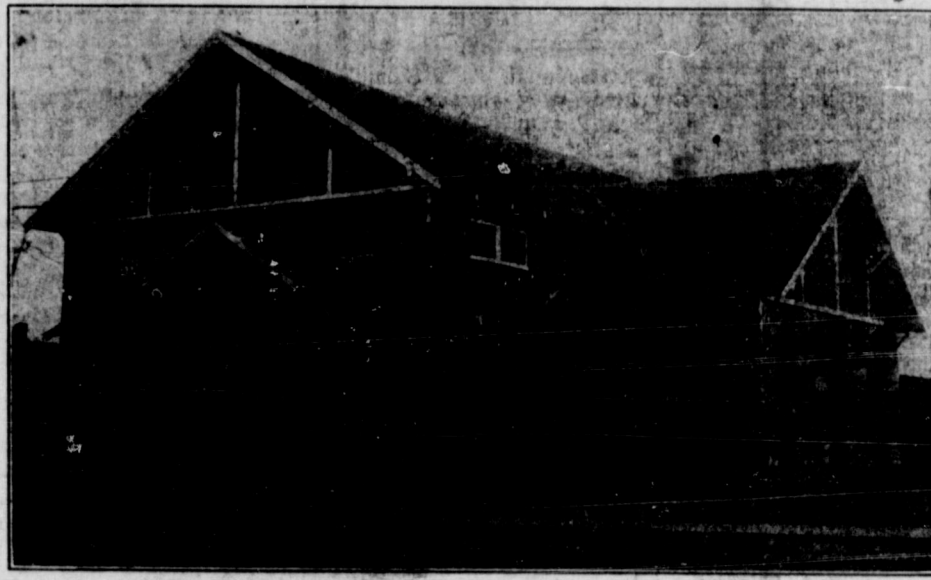

DR. HOUSE WILL PREACH SESSION SERMON JAN. 12

Dr. W. C. House, district superintendent of the Amarillo district will preach the sermon for the morning session of the Clarendon District Methodist Missionary Institute to be held here Monday, January 12, according to District Supt. G. T. Palmer, who has completed the program for the morning and afternoon sessions of the meeting.

As announced last week, Dr. Sam M. Hilburn, returned missionary from Japan, and former Clarendon College student, will bring the address for the afternoon session.

The public is invited to both sessions of the day.

Scene Of 50th Anniversary Celebration

The First Christian Church of Clarendon where members of the congregation will meet Sunday to observe the 50th Anniversary of its founding. This building was completed in 1915.

First Christian Church To Observe 50th Anniversary With Program Sunday

George Norwood Named Chairman Of President's Birthday Celebration

George Norwood, Clarendon, will lead the 1942 campaign for the celebration of the President's birthday in Donley County. Acceptance of county chairmanship has been announced by Geo. Waverly Briggs, Dallas, vice chairman in charge of state organization for the Fight on Infantile Paralysis.

This year the campaign has been made doubly necessary due to the entrance of the United States into the World War. The health of the nation must be kept at a high level and 100 per cent available. Organization of Infantile Paralysis Foundation chapters funds and caring for victims of it is being urged for every community to assist in administering the

dread disease. Selection of committee members will be made immediately to assist in the conduct of the local drive. Definite plans for the conduct of the celebrations in the country will be made by the county chairman within a few days. The celebration this year is again sponsored by President Roosevelt in the interest of stamping out infantile paralysis and restoring of its victims to normalcy. It is nation-wide and it is hoped that every community in the country will participate. The celebration has been designated a "President Roosevelt's Diamond Jubilee Birthday" and the President has asked that there be an all-out enlistment this year to fight the spread of the disease.

Local Club Joins With 4,000 Other Lions Clubs In "Victory" Program

Joining with four thousand other Lions Clubs in America, the Clarendon Lions Club Tuesday staged a program symbolizing the united will to victory is the prestart war and wired President Roosevelt a message of support in every phase of the national crisis. Resolutions were all sent to Governor Coke Stevenson offering all out service during the emergency, a similar one being likewise presented to the mayor of Clarendon.

Lion Fred Cook was in charge of the program here, which was in some respects, like the program suggested for the general use of the Lions Clubs in America.

Speakers included in discussing the various phases of the co-operation of the organization with the several defense efforts, were Lion Tom Connally, as Mayor of Clarendon; Sheriff Guy Wright as head of the Home Defense Guards; Lion Ralph Andis as second in command of the Guards; Dr. Lowell representing the health phase of civilian defense; Lion Marvin Warren on the knitting and sewing work of the Donley County Red Cross, and Lion Mellinger as chairman of the Red Cross War Relief drive for Donley County. Other extemporaneous speakers on extra phases of the defense problem were Lions Patrick and Caraway.

Bill Abbott and R. C. Johnson, recently assigned to Clarendon in charge of the State Highway Patrol sub-station were guests of Lion John Knorpp, the former speaking briefly of their work and co-operation in every department of the defense effort. Neel Thompson was the guest of

his father, Lion Louie Thompson. President Lane called the club to the immediate task of giving full aid and assistance to the Red Cross War Relief campaign for Donley's quota of \$1,400, and bespoke the unstinted co-operation of every member in effort, time and money.

Lions Clubs throughout America are among the potent driving forces of community defense efforts, and the Clarendon Club will be found among the more efficient clubs of the Southwest.

R. H. FINCH ELECTED TO LELLA LAKE SCHOOL

R. H. Finch, long time Donley County resident, has been elected principal of the Lella Lake school to fill the vacancy created by the resignation of Vernon Bullard who accepted a position in Wellington.

PAUL GREENE SAFE IN CHINA WIRE SAYS

Mr. and Mrs. W. J. Greene Tuesday received a telegram from their son, Paul from China advising them that he was safe.

The message from Clarendon's first war hero was dated January 6 and said simply, "Arrived here. Survived all. Got two. Swell here. Love to all."

Greene, a former instructor at Randolph Field, Texas, is a combat flyer with the American and British Volunteers in China.

The congregation of the First Christian Church of Clarendon will celebrate the 50th anniversary of the church Sunday with an all day program, Rev. M. E. Hutson, pastor announced today.

Rev. Hutson said everyone was invited to enjoy the day of worship and fellowship. The program will open with Sunday School at 9:45 followed with communion and preaching service at 11 o'clock. Following the service, a basket dinner will be served in the basement of the church followed with singing and a period of visitation.

The evening service will start with the young people's service at 7:30 in the evening in the basement of the church. Evening sermon will begin at 7:15.

The First Christian Church of Clarendon was founded in the fall of 1892 with sixteen charter members. The pastor at that time was Rev. A. T. Nance. From the sixteen charter members, three are yet living, they are F. R. McCracken of Alareed, Mrs. Kate Johnson of Lella Lake and Mrs. Lee of Amarillo. The church today has approximately 125 members.

Present officers of the church are M. E. Hutson, pastor; Frank White, Jr., Sunday School superintendent; Roy Clamptt, chairman of the board; True Barbee, secretary of Sunday School, Mrs. Roy Clamptt, junior superintendent and pianist; Mrs. W. T. Hayer, church treasurer; Billy Jack Shelley, Christian Endeavor president; Leona McCraw, Sunday School pianist.

FARMERS HERE MAY BE INCLUDED IN PAYMENT BILL

WORLEY PROMISES AID IN SECURING MONEY FOR LOCAL PRODUCERS

A letter from Congressman Gene Worley to Nolie Simmons, Chairman of the county AAA committee, gave promise that Donley farmers may be included in a bill now before Congress, to pay left over funds to those whose crops were destroyed in 1941.

The letters pointed out that the bill had passed the Senate and the House committee has reported a companion bill. Worley said that in order that the request may be before the proper officials, he was submitting the petition to the Director of the Southern Division of the AAA and asking for inclusion of Donley County if and when the measure is finally passed.

Mrs. J. L. Allison has returned after spending several days in Amarillo with her daughter, Naomi Allison.

Clarendon Attorney W. T. Link Will Be Candidate For Chief Justice

CANDIDATE

W. T. Link, well-known Clarendon attorney and former Donley County office holder, announced this week that he would be a candidate for Chief Justice of the 7th Court of Civil Appeals in Amarillo.

UNDERPASS WORK HAMPERED BY INCLEMENT WEATHER

Work on the Clarendon underpass on highways 18 and 287 is moving rapidly but inclement weather this month has greatly hampered completion.

Intensive Drive For Red Cross War Relief Quota Of \$1,400 In Donley County To Be Waged All Next Week

Chairman Mellinger of the Red Cross War Relief campaign in Donley County has been busy all week setting up his workers' committees for an all out drive to complete Donley's quota of \$1,400, of the \$50,000,000 fund called for in the United States.

Already money is coming in voluntarily, proving the widespread interest over the county on this heart-rending effort to do our part in giving the Red Cross the funds to take care of our own wounded soldiers and sailors throughout the world, as well as refugees in the blitzed areas of Europe, Asia and the islands of all seas.

With active solicitation beginning Monday throughout the county, it is the hope of Chairman Mellinger and the Red Cross officials that the county quota may be realized and over-subscribed by Saturday, the 17th.

From expressions over the county The News believes this is

W. T. Link, prominent Clarendon attorney, will be a candidate for Chief Justice of the 7th Civil Court of Appeals, Amarillo, it was announced this week.

Link, who has served Donley County in many ways, is a former county judge and county attorney. He has been a Clarendon resident since June, 1911 having come here soon after graduation from law school.

The Clarendon attorney was born fifty-six years ago in Lamar County and served in the United States Navy from 1906 to 1910. He is widely known in this territory for his sense of fair play and has always contributed freely his time and money for a worthy cause.

Chief Justice M. J. R. Jackson, veteran jurist of Amarillo who has held office in the appellate court since November 1934 will not seek office this year because of failing health. Judge E. C. Nelson of Amarillo, on the 47th district court bench will be a candidate to succeed Judge Jackson. Attorneys Bob Underwood and Jim Lumpkin will also figure in the race.

Judge Link will be seeking the justice's office as both the associate justices will not have to stand for re-election until 1945 and 1947 respectively.

Mr. Link announced his intention of being a candidate last March when he advised members of various bar associations throughout the Panhandle that he would be a candidate upon Mr. Jackson's retirement.

UNDIVIDED PROFITS ALSO REACH THE MAXIMUM FIGURE

ALL FOUR BANKS PAY NINE, EIGHT, SEVEN AND SIX PERCENT DIVIDENDS

There is more money in Donley banks than ever before in the history of the county and the four institutions reflect the best financial conditions ever recorded.

Besides having more money on deposit than ever before in the boom days of the 20's, the four local banks have substantial increase to their surplus and undivided profits accounts.

At the close of the business year of 1941 the total on deposit for the four Donley banks was \$232,616.45 over last year's total of \$1,404,543.43.

Undivided profits in surplus and undivided profits show a total of \$80,971.63 for the year just closed while the preceding year's total was \$72,145.99. An increase for 1941 of \$8,825.64.

Also indicative of the volume of business done in banking circles is the fact that all four banks paid dividends of nine, eight, seven and six percent.

Excellent cattle conditions, good farm crops and heavy merchantable buying is reflected in the bank statements.

RANCHERS MEET FRIDAY TO PLAN '42 PROGRAM

PLANS FOR GRASS FIRE FIGHTING ALSO WILL BE FORMULATED

County agent H. M. Breedlove announced this morning that the ranchmen of Donley County would meet in his office Friday at 2:00 P. M. for a discussion of the 1942 range program. Breedlove stated that there were very few changes in the program from 1941 but that all phases of the program would be discussed in detail. Ranchers will also be asked to make their recommendations for range inspector for 1942.

A discussion will also be held on the formation of a committee to organize a fire patrol to fight grass fires on the range. Reports from all of the ranchers is that their grass is very thick and tall this winter and if fires should break out it would cause much damage. Fire signals will be arranged in Clarendon so that any ranchman in Donley County can call the central office and the fire reported to the county office, at the signal local people will know that it is a grass fire and all can help fight the fire.

Breedlove said that all of the organization and plans for the fighting of grass fires would be given publicity so all persons would know exactly what to do if a fire occurs on the ranges.

THREE AMARILLO MEN NOT HURT WHEN CAR OVERTURNS

Three Amarillo men escaped injury Wednesday morning about 8 o'clock when their car overturned at a dip in downtown Clarendon.

Javanese Against the Japanese

Soldiers of the Netherlands East Indies army, including Javanese natives, aim a modern anti-tank gun which will see service against Japanese attackers in the western Pacific.

CLARENDON TEACHER

S. M. Payne, math instructor in Clarendon High School, is leaving this weekend for Grapevine, Texas, where he has accepted a position in a bank.

OWNERS WARNED TO KEEP TIRE SERIAL NUMBERS

A timely warning to Donley County motorists, in view of the current ban on the sale of automobile tires, was issued this week by County Attorney John Knorpp.

He said he anticipated an increase in tire theft cases and said that it was most difficult to prosecute such cases on account of the difficulty of identification.

To guard against this, Knorpp suggested that each motorist make a record of the brand and serial numbers.

BRINGING HOME THE REALIZATION OF WAR

If government officials had studied over every phase of American psychology for the best plan of bringing home the realization of war to the citizenship of the United States, they could not have hit upon a more effective way than tire and automobile rationing.

It is then fortuitous that the shortage of rubber, and the need for guns, tanks and planes, dictated this drastic change in the transportation supplies of America.

When you shut off the average America's tire replacement, and his occasional new automobile, you have rudely jarred every citizen from the WPA to the millionaire and play-boy class. You have made him realize that something stupendous and portentous is afoot.

Yes, our people are realizing that they are in war—and how?

TIRE THEFT A HIGH CRIME

Public resentment is so stirred by the loss of automobile tires by theft since they have grown so precious under the national emergency, that there is little doubt that such thievery is now a "high" crime.

Even if tire theft is not made a federal offense, as is now proposed, there will be such universal demand for certain, swift and heavy punishment that a bank robber is likely to have a better chance before the courts than a tire thief.

Here in the Panhandle, if the scourge gets too bad we are likely to see the same short shrift given the tire thief, as was accorded the cattle thief forty years ago.

The public simply will not stand for its last remaining auto tires to be stolen.

TEXAS MOURNS WIFE OF THE GOVERNOR

A good woman, great in her simple sphere of helpfulness, is gone, and Texans young and old, mourn the passing of Mrs. Coke Stevenson, wife of our governor, who died last Saturday.

To the governor goes the condolences of all our people. We shall not forget how he has carried on during the weary months of his wife's last illness. May he be sustained in the lonely days ahead.

SIX RULES FOR SUCCESS

1. Unimpeachable integrity.
2. Loyalty.
3. A liberal education in the finer things of life, of art, of literature. Man needs imagination and these are the source of it.
4. Make friends—enemies don't pay.
5. Concentrate! Learn to think upon the problem in your mind until you have reached a conclusion. Don't be afraid of mistakes, nor

STRIKES FOR FREEDOM

THE UP-TO-THE-MINUTE MAN

blame the man who makes one. It is the fool that makes the same mistake twice.

6. Go at your work. Don't hesitate to change from distasteful work, but don't change because difficulties come up or troubles arise. Give the best that is in you. Let nothing stand in the way of your progress.—Lions Bulletin, Olympia, Washington.

"KEEP GOING" OUR MOST VITAL NEED

The need to "keep going" is probably the most vital individual necessity under total war conditions. Not only is the need vital to the individual, but the effect of his going ahead plays a monumental part in the morale and movements of the man next to you.

A thought along this line is brought out forcibly in the valued house organ, "CAPS and lower case", published in Dallas, under the caption of "Your Part" in a recent issue:

"This is no time for man or mother to go into seclusion. On blue Monday, December 8, we ran into a friend and suggested going to a group luncheon.

"I just haven't the stomach for a crowd, right now," he said, "so, if you'll excuse me, I think I'll just have a sandwich and get back to the office.

"We took him over to the luncheon. There he heard several ex-service men telling jokes about the other war, expressed his views about the Japs and so relieved himself, found that two men at the table had sons already in the far Pacific. The table broke up with an affirmation on the part of all that, while Americans had a job to do, they would get in and do it.

"Mrs. Caps, too, had been to a luncheon. She told of a daughter of one of the group who had stood on the West Coast four days before and watched her husband start across the Pacific at the controls of an army bomber. He was due at Hickam Field at dawn on Sunday, December 7th. The young daughter had phoned she hardly felt able to drive home under the circumstances. The mother told her that if she was made out of what she thought she was, to start driving.

"What kept many a boy going in the other war, was the boy marching beside him. What will keep you going in this war is to get out and meet people who also keep going."

Economic Highlights

Happenings That Affected the Dinner Pails, Dividend Checks and Tax Bills of Every Individual National and International Problems Inseparable From Local Welfare.

The United States must fight on two fronts. First, there is the military front. American soldiers, sailors and airmen are fighting and dying in the Pacific. They are living up to the highest traditions of this nation's military history. They must be given the finest battle equipment in the world, and they must be given it in lavish quantity. All the resources of this nation, human and material alike, must be used to that end.

Second, there is the home front. We have said, time and again, that we are fighting to defend and perpetuate freedom. This is true. But the defense of freedom at home, as on the war front, demands more than lip service. It demands straight thinking from all it demands a people who will look squarely at the facts, no matter how unpleasant they may be. It demands the kind of national toughness that knows precisely what we are fighting for, and that will permit nothing to stand in the way of victory on the home front no less than the military front.

We will, of necessity, demand and accept a large measure of economic dictatorship during the war. Whether that dictatorship ends when the war ends, will depend upon the resolution and the understanding of the American people. The future of this country and this kind of government is in the balance. The people will decide which way the scales are tipped.

The free enterprise system is at stake in this war. Upon the maintenance of free enterprise all the other freedoms—freedom of press, freedom of speech, freedom of religion—hinge and depend. Anything which weakens and emasculates free enterprise is the enemy of the nation. We cannot have an ever-expanding bureaucracy and have efficiency. We cannot allow non-defense spending to go on unchecked and expect to avoid economic collapse. We cannot punish industry and expect it to be able to do its utmost.

There is nothing dramatic about these statements. They are

Income Tax Tips

EDITOR'S NOTE: Realizing that many persons must make an income tax report this year that have not done so in the past and that many others may wish to refresh their memory upon recent changes in the act, The Clarendon News will present a series of articles by the Treasury Department pertaining to filing returns prior to March 16, 1942.

WHO MUST FILE A RETURN? Every single person having a simply homely truth. The winning of this war—and the winning of the peace that follows—will depend on how well the American people understand them.

There has never been such unity as this country has at present. Every American stands solidly behind the President in the pledge to wage war until international gangsterism is destroyed. The spirit of the nation is one of grim, uncompromising determination. But let all remember that the home front is as vital to war and to the perpetuation of our way of life as the battlefield. There will be subversive influences on both fronts. Only an awakened, aware people

We fight for freedom, then. And can prevent their deprivations. We must fight for it all the way—fight for it here in America, no less than in the broad reaches of the oceans and the lands beyond.

gross income of \$750 or more; every married person, not living with husband or wife, and having a gross income of \$750 or more; and married persons living with husband or wife, who have an aggregate gross income of \$1,500 or more.

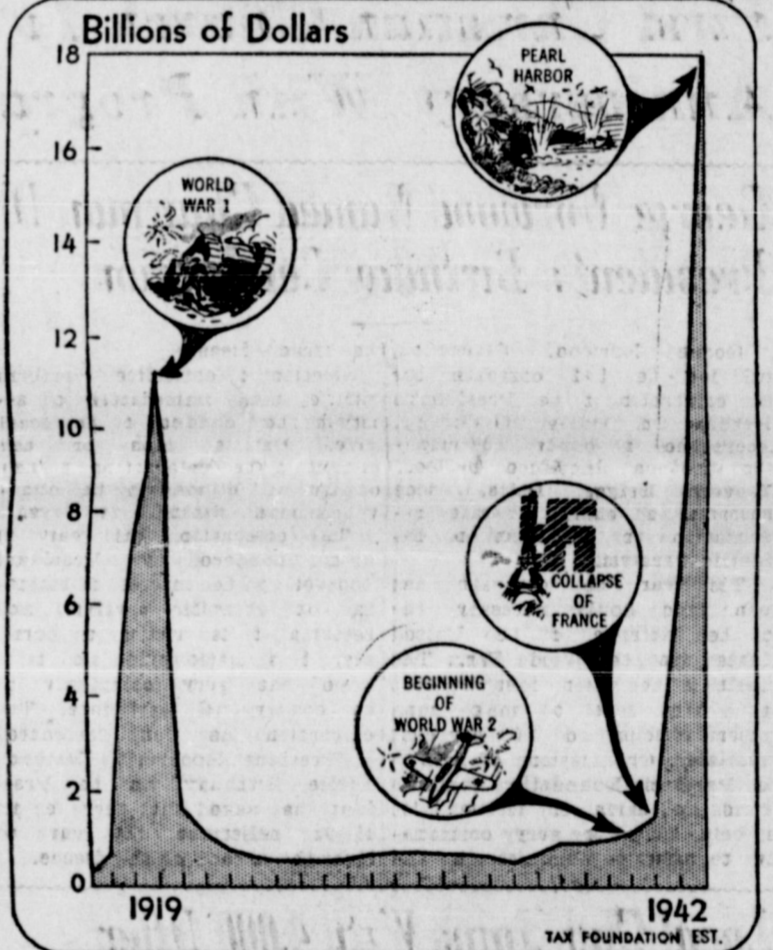

WHEN MUST RETURNS BE FILED? For the calendar year 1941, on or before March 15, 1942. For the fiscal year, on or before the 15th day of the third month following the close of the fiscal year.

WHERE AND WITH WHOM MUST INCOME TAX RETURNS BE FILED? In the internal revenue district in which the person lives or has his chief place of business, and with the collector of internal revenue.

HOW DOES ONE MAKE OUT HIS INCOME TAX RETURN? By following the detailed instructions given on the income tax blanks, Form 1040 and Form 1040A (optional simplified form).

WHAT IS THE TAX RATE? A normal tax of 4 percent on the amount of the net income in excess of the allowable credits against net income (personal exemption, credits for dependents, interest on obligations of the United States and its instrumentalities and earned income credit) in the computation of the normal tax net income; and a graduated surtax on the amount of net income in excess of the allowable credits (personal exemption and credit for dependents) against net income in the computation of the surtax net income.

I GIVE YOU TEXAS

by
BOYCE HOUSE

Speaking of political publicity men (which we were some months ago -- recollect?): * Press agent is just a part of the duties of the press agent. There was one state candidate who, when he visited a country where he knew no one and therefore had no friends to introduce him, would have his publicity man do so in this fashion:

"Fellow Citizens of Buncombe County: As you know I have lived among you for many years and have held myself aloof from active participation in politics but I have declared to make an exception in the case of our great and good friend who is here today" -- and each listener figured that the introducer must live in a corner of the country where he himself was not acquainted.

Another candidate would use his press agent as a heckler. Standing on the fringe of the crowd, the publicity man would ask a question in a hostile tone about some matter that the candidate didn't want to bring up on his own motion but really was anxious to discuss and the candidate would then deliver a blistering answer and the heckler would slink away.

Maybe a candidate and his press agent happen to catch sight of an opponent's placard in a window and they engage in conversation in a tone loud enough to be heard by all the sidewalk loungers:

"Bill Perkins' picture, huh? Say, that was a nice looking blonde that was traveling around with him Monday."

"Blonde? He had a red-head with him last week."

"And that negro chauffeur he has driving his car!"

"Yeah, it does look like, with all the white men there are out o' work, he could at least hire a white man to drive him around."

Adventures -- you have plenty of them as a political press agent. I remember one time some years

ago when we ran out of gas out on the Plains and a motorist pushed our car along the level highway until we overtook a truck which we managed to get around safely while we were being shoved at 50 miles an hour; and another time when our car was nearly blown off the road by a gale close to the Gulf -- that jolopy rockd like a ship at sea and the rain came down in blinding sheets; and still another occasion when we were dashing along through the night and almost ran right on past the ferry stop and into the Houston ship channel.

Sitting in a car in 1938 while waiting for Ralph Yarborough, candidate for Attorney General, to finish a round of handshaking, this writer scribbled a few lines of free verse on the back of an envelope:

"Does the skylark sing as Shelley says,

And does the nightingale live up to Keats' claims?

Dexter Fellowes, with his sesquipedalian words,

And the Hollywood publicists, with their chronicles of 'glamour girls'

These are no new phenomena.

What was Homer except a press agent for a super-star named Helen?

And by the way, he did a swell job, too."

Little Johnny didn't know much geography or much history but he did know addition and was quite proud to announce that he had made 100 on his first report card--60 in geography and 40 in history.

Here and there: The 490 employees of Bowen Motor Coaches, living in all parts of the state on the far-flung bus system, received from President R. C. Bowen a holiday bonus of \$50,000 one of the largest of 1941 in Texas industry. In a letter accompanying the checks, Temple Bowen, vice president, urged the employees to invest as much as possible in defense bonds. One check went to Roy Pete, former driver, now serving in the armed forces in Hawaii and the other men who have entered military service were given bonuses.

William B. Arnold, publisher of the San Antonio Weekly Dispatch, is new chairman of the Lower Colorado River Authority board which operates four dams and the world's largest network of public power transmission lines.

"If we had any thought of being a candidate for Governor

MASONRY IN THE FAR EAST

War in the Far East has focused the attention of United States Masons on the Fraternity in Japan, China, the Philippines, Hawaii and the Dutch East Indies. Recent reports from these distant points are not available, and there is no way of knowing the loss of life among Masons and the loss of property by Lodges during the treacherous Japanese raids on Honolulu and Manila.

The Craft was active and strong in both Hawaii and the Philippines and only recently Philippine Masons offered their services to Lieut. Gen. Douglas MacArthur, 32, K.C.C.H., in case the Islands were subjected to air raids. It is assumed that, at the first alarm, Philippine Masons immediately took their places among those ministering to the wounded and aiding citizens to reach safety.

Masonry played an important part in bringing freedom to the Islands. Foremost among the Philippine Patriots was Dr. Jose Rizal, an early Mason who died at the hands of a Spanish firing squad before the Islands were freed from the Spanish yoke. His writings were responsible for the Philippine revolution that flared after his death, and he was one of the men responsible for bringing the Craft to the Islands.

The first regular Lodge was established 1891, largely through the efforts of Marcelo Hilario del Pilar, 33, who is often referred to as the Father of Philippine Masonry. Gen. Antonio Luna, considered by many the ablest and most general of the Philippine Republic before his death in 1899, was also a Mason and placed Craft members in key positions on his staff.

The history of Masonry in Hawaii dates back one hundred years, though the first record of the establishment of a regular Lodge was in April, 1842. Extensive plans were under way for the celebration of the 100th anniversary of the Craft in Hawaii, but it is possible that the war will curtail or cause the abandonment of such plans. Various Masonic Bodies in Hawaii have often been hosts to Masons of the United States Fleet.

The Supreme Council, 33, A. & A. S. R., Southern Jurisdiction, U. S. A., is particularly interested in the Craft throughout the Far East as the Scottish Rite Bodies of Hawaii, the Philippines, China and Japan operate under its jurisdiction. The Supreme Council has actively aided China in its fight against Japanese aggression, the Masons of this Jurisdiction sending nine ambulances to China earlier this year. The supreme Council has also donated cash to aid in the Chinese cause.

Masonic Lodges in China operated under the United Grand Lodge of England and the Grand Lodges of the Philippines, Massachusetts, Scotland and Ireland.

of Texas, no doubt it would be well to forget the idea with our present Governor seemingly growing stronger with the people every day," comments the Clifton Record editorially concerning Gov. Coke Stevenson.

A college student wrote the following letter: "Dear Dad, Guess what I need most of all. That's right, send it along. Be\$t wishes, Your \$on, Tom."

And here's the reply: Dear Tom Nothing ever happens here. We know you like your school. Write us aNother letter. I have to say goodbye Now."

As Japanese infiltration gained strength, the difficulties of these Lodges increased. It is assumed that all Masonic activity in the areas dominated by Japan has ceased.

The position of the Craft in Japan has been dubious for a number of years. The Japanese Government tolerated foreign Lodges on condition that no Japanese nationals would be accepted for membership and that no public display of Masonry be made. An exception to the latter agreement was made only once when George W. Guthrie, United States Ambassador to Japan was buried with a Masonic funeral service, with Japanese permission.

In 1936, the Japanese Government became officially alarmed at what it called the "mysterious world organization" known as Freemasonry and secretly investigated the Craft. Blue Lodges in Japan operated under the jurisdiction of the United Grand Lodge of England and the Grand Lodge of Scotland, while the only Scottish Rite Bodies operated under the jurisdiction of the Supreme Council, 33, A. & A. S. R., Southern Jurisdiction, U. S. A. As far as can be ascertained, practically all Scottish Rite Masons in Japan left that country before hostilities commenced.

The oldest Masonic Lodge in The Netherlands East Indies was established in 1837, and its centennial was celebrated four years ago in Batavia. Three Batavia Lodges operated under The another Lodge, established in Netherlands Constitution, while another Lodge, established in 1921, was under the jurisdiction of the Grand Lodge of Scotland. There are some twenty other Dutch Lodges in the archipelago from Sumatra to Celebes. Schools orphanages and other welfare work are conducted by these Lodges.

Masonry was naturally suppressed in The Netherlands when it was occupied by the Germans in the spring of 1940. Since that time it has been learned that Maj.-Gen. erman van Tongeren, Grand Master of the Grand Lodge of The Netherlands and Grand Commander of the Supreme Council of that country, died in a concentration camp. Other Dutch Masons were killed or imprisoned.

Freemasonry came to Guam,

reported captured by Japan, in 1918, when a dispensation was granted by the Grand Lodge of the Philippines.

Ruth Donnell spent the week-end visiting in Amarillo with Virginia Wisdom and other friends and relatives.

BOY SCOUTS HELP IN CAMPAIGN TO SAVE PAPER

ORGANIZATION COOPERATES IN COLLECTING WASTE FOR NATIONAL DEFENSE

In line with repeated requests from the various agencies of the government, the Boy Scouts of Clarendon have made plans to cooperate in the campaign for saving all waste paper and rags. Suitable place will be found for the storing of this material until sufficient quantities have been accumulated to justify the sending of a truck from Amarillo. The boys will attend to the gathering and bundling duties, and will call for the paper at regular intervals.

This program will provide a means for the boys to do a valuable service as a part of the Defense Program, and at the same time help to build up the funds in their Troop treasury. Their instructions call for the handling of this material through the regular sale of each load to an established buyer.

Every business house and every home has a certain amount of waste paper, old magazines, cardboard cartons, and old rags. If you have not already made other plans for disposing of these items, your cooperation with the Scouts will be appreciated.

Everybody who wishes to help the boys and the country in this effort is urged to get in touch with them at once. Until all the plans can be worked out and storage facilities provided, call Clyde J. Douglas or Chas. M. Lowry.

Announcement will be made next week as to the place for the storeroom, so that those who will may leave their bundles there.

EXPERT URGES TO REPAIR ALL FARM MACHINERY NOW

College Station, January 8—Repairing of farm machinery considerably ahead of the time it will be needed this year will be necessary, especially if new parts are required, says M. R. Bentley, agricultural engineer of A. and M.

Repairing farm machinery and equipment has a direct relation to the possible seasonal or sectional shortage of labor. Consequently all labor saving equipment should be considered in the program of repair, from the milking machine to the combine.

It is reasonable to assure, Bentley explains that machinery they had sufficient repair parts for 1942 needs. But during the last couple of months orders to manufacturers for parts have been unusually heavy. Moreover it takes an estimated 90 days to get new parts made and delivered even when the raw material is on hand.

"Taking conditions as they are, will need machinery parts this year would seem that every one who year should, in self protection, order them at once. Delay in doing so presents a serious hazard, especially in face of the national program to keep as much steel as possible out of unused equipment or repair parts."

CLYDE WILSON ACQUIRES OWNERSHIP OF STATION

Clyde F. Wilson announced this week that he had acquired full ownership of the Sinclair Service Station on First and Kearney streets, from A. D. Wood. Wood planned to leave immediately for St. Louis where he will be employed as a construction superintendent.

Wilson said he would continue to serve the public in all lines of the business feeling that now, more than ever before, motorists should keep their cars in perfect condition as a patriotic gesture.

CLARENDON LADY'S SON GETS COMMISSION

Word has been received here by Mrs. Margaret Goodner that her son, Paul Jones, has received a commission as Second Lieutenant in the medical corps at Camp Bowie.

Mrs. Goodner is a teacher in the local schools.

Mrs. Haskell Kemp underwent a major operation Tuesday morning at St. Anthony's Hospital in Amarillo. She is reported to be doing as well as can be expected.

CIVILIAN DEFENSE JOBS NOW OPEN

Austin. — Outlining the immediate steps being taken in emergency health measures for national defense, Doctor Geo. W. Cox, State Health Officer, who is acting as Chairman of Defense Health and Emergency Medical Care, today announced that the Offices of Civilian Defense are working in close collaboration with the American Red Cross and have, now available, seven types of defense work training courses.

In those lines of work closely allied with emergency medical care, those considered most important and which have therefore been given precedence in organization, are first aid training nurses' aides training, canteen service, motor corps, home nursing, disaster relief, and home service to assist with the problems of families of the men in uniform.

Training will be available to all who wish to register, Doctor Cox stated, and workers will be assigned to duties which they prefer, and for which they are best fitted.

Random Reflections

By DICK COOKE

Today I heard a more or less prominent Clarendon man grumbling about the loss of the Philippines and the way the war is run in general.

We have much to regret in the loss of the Islands. It now seems apparent that General McArthur and his gallant soldiers must be sacrificed to gain time for a much larger plan. But should this be the case, what right have we of Clarendon or any other place, to question the acts of our leaders. Of course the speaker was right in his regret to see the flag lowered at Manila but he was wrong in saying the flag had never before been defeated. True it has not in the strict sense of the word and neither has it in Manila, but the United States has won many battles by fighting delaying actions. Although George Washington may not have actually frown the Stars and Strips. He retreated many, many times to find advantageous battle grounds and while the British were victorious on the field, their losses more than compensated the ground Washington was forced to yield.

To me, President Roosevelt and Prime Minister Churchill make a combination of the greatest brainpower of all time. We must trust them and rely on their leadership regardless of reverses in the Pacific. They have the means of knowing what is happening, we don't.

Granted that our Pacific bases should have been strongly fortified in 1939, you, my grumbler, contributed all you could in your small way toward their not being. Perhaps you may recall how you grumbled then at the Government's spending and how high the taxes were. Wou should not grumble now that it will cost a thousand times more to re-establish what we loose. Perhaps in 1939 if you, and all of us, had written our congressmen asking for more spending on fortifications, we could have accomplished something. After all, a congressman is a human with a job and if he displeases his constituents, he becomes just a human without a job.

Anyway we learn by experience and it may teach u something. Of course some of those lessons come pretty hard like the tramp that went to sleep on the railroad track so as to be sure not to miss the train. Well he didn't miss the train, or rather the train didn't miss him, and perhaps he could use that lesson at a later date, though I kinda doubt it.

Buy Defense Bonds

We are continually told that Japanese soldiers, being pagans, delight in dying in battle. That is true, perhaps, but I believe they are human enough that when caught in a tight place against hopeless odds they have the same reasoning as men. There is no doubt that their fanatic hate for the United States drives them to great deeds of daring but I can't believe that they are more courageous than are young American boys. Too, I believe that well trained U S. soldiers will knock a lot of that paganism out of them.

Self preservation is the first law of nature and even a worm runs away from a sure and certain much lower than a worm, but I death. I don't believe a Jap. is don't know.

Fight Paralysis

Now as never before we should Join the March of Dimes to fight infantile paralysis. The health of our nation is very important now. Of course it's a big job to give to Red Cross. Buy Bonds, etc., but the sooner we learn to sacrifice the sooner we will win the war.

Soldiers on Guard in Hawaii

During recent Army maneuvers in Hawaii, soldiers man a 75-mm. gun while guarding a vital defense post. Troops are on the alert against any attempt by Japanese forces to effect a landing on the islands.

CHURCHES SALE OF CARS AND TRUCKS HALTED BY GOVERNMENT

The government Friday prohibited purchase, sale or delivery of new passenger cars and trucks pending establishment of a rationing board and disclosed simultaneously that production of new automobiles would be halted entirely within a few weeks.

OPM said that it is expected that purchases will be limited under the plan to government, lend-lease, and the most essential civilian users. However the officials further said that it was possible that additional modifications might be permitted to cover particular hardship situations.

OPM estimated that at the present more than 450,000 passenger cars are in stock with dealers, and action would be taken to permit competition of sales, chattel mortgage and similar purchase contracts if delivery was made prior to January 1. The others also will be amended to permit repossession.

Passenger automobiles under the ban are 1942 models or cars that have not been driven more than 1,000 miles.

Advertising Will Play Its Most Powerful Role In 1942

With restrictions, shortages and priorities in many lines of merchandise and materials, retailing in the United States will depend on intelligent advertising more in 1942 than in any year hitherto in national history.

The Buyer will shop advertising and prices more than ever—because of these unusual conditions.

In Clarendon and Donley County, the Buyer will depend more on the columns of The Old Home Town Newspaper—The Clarendon News—than ever before.

FOR PROGRESSIVE, SUCCESSFUL RESULTS — ADVERTISE IN THE CLARENDON NEWS

FORT MACARTHUR at Los Angeles harbor, rushed defense measures and threw up a barbed-wire barricade. At airports and in camps everywhere troops were on the alert, as threat of attack grew. Meanwhile, air raid signals were tested on the east coast as well as along the Pacific shore.

SOCIETY

WEDDINGS - CLUBS - PARTIES

VIVIAN TAYLOR

"RECKON WITH THE RIVER" HEARD AT 1926 BOOK CLUB MEETING TUESDAY

"Reckon With The River" was heard by members of the 1926 Book Club Tuesday afternoon when Miss Lucille Polk ably reviewed and discussed the truly fine adventure story and one of Clark McMeekin's latest historical novels.

"Reckon With The River" carried the reader through a rich, racy plot about a search for lost mines and Spanish treasure, flat-boating on the Ohio River, and the grandiose schemes of Aaron Burr and James Wilkinson to found their empire in the West.

The central figure in the story is Ma'am Cambrin, eighty years old, and one of the most unique and spicy characters that ever graced or dominated a tale. Ma'am's vivacious spirit not only did much to "feather up" her family but inspires the reader to take this catching phrase and use it as a motto in the daily tasks and trials of everyday living.

Miss Maurice Berry and Mrs. Carl Bennett, Jr. were hostesses to Mesdames George Bagby, Charles Bairfield, Nathan Cox, J. R. Gillham, John Knorrp, McHenry Lane, C. M. Lowry, C. B. Morris, L. B. Penick, W. E. Ray, Lester Schull, Frank White, Jr. Barcus Antrobous, Fred Buntin Walter Clifford, and Misses Gladys Wallis and Lucille Polk. Mrs. Marguerite Goodner was guest of the club.

HOME DEMONSTRATION CLUB MEETS WITH MRS. LANE FRIDAY AFTERNOON

The Clarendon Home Demonstration Club met with Mrs. A. G. Lane Friday afternoon.

The meeting was presided over by the new president, Mrs. O. C. Watson. The Club Collect was read in unison by members and the roll call was answered with new year's resolutions.

After a short business session the meeting was adjourned to meet December 19th in the home of Mrs. Frank Hommel.

A sandwich plate was served to Mrs. C. L. Benson, Mrs. A. L. Chase, Mrs. J. C. Eslack, Mrs. M. A. Hahn, Mrs. Elmer Hayes, Mrs. Frank Hommel, Mrs. C. D. McDowell, Mrs. W. D. Evan Eaton, Mrs. O. C. Watson, and Mrs. Mattie Hudson.

Mrs. Sarah Stocking visited last week in Panhandle with her son-in-law and daughter, Mr. and Mrs. W. L. McConnell.

Flowers

The Loveliest Thought of All . . . Words cannot express the sentiments that are conveyed by a glowing bouquet of flowers. Whatever the occasion be, contact our local representative and immediate service will be given you by the Panhandle's leading florist.

INTERNATIONAL RELATIONS HEARD AT LES BEAUX APTS CLUB MEETING FRIDAY

Sam M. Braswell, local editor and publisher, was guest speaker at the Senior Les Beaux Arts Club meeting Friday afternoon. Mr. Braswell discussed the topic showing the rapid change in Relations and prefaced his remarks with the comparison of similarity in the instability of the territorial possessions of the sixteenth century and 1942.

The speaker brought out the fact that the question of the sixteenth century still prevalent in 1942 is one of whose territory the greater part of the world will become at the close of the World War 2, predicting that the old "poker faced" type of diplomacy had seen its last days and that the forthright America method of diplomacy would be the ruling force at the peace table at the conclusion of the present war.

Election of officers of the 1942-43 year was held following the conclusion of the program. Mrs. W. A. Riney was elected to the office of the presidency and Mrs. F. L. Bourland to the vice-president. Other officers elected were Mrs. George Bagby, secretary, Mrs. J. W. Evans, treasurer, Mrs. J. D. Swift, parliamentarian, and Miss Mary Howren, historian and librarian. These newly elected officers will take up their respective duties September, 1942.

Attending were Mesdames M. R. Allensworth, F. L. Burland, Homer Glascoe, J. W. Evans, C. C. Powell, U. J. Boston, Frank Whitem Jr., George Bagby, W. W. Taylor, W. H. Patrick, and Miss Mary Howren.

LA VERNE LOTT WEDS SHREVEPORT MAN IN CHILDRESS DEC. 27

Miss Laverne Lott of Childress and Henry Greene of Shreveport, La. were united in marriage in the parsonage of the First Methodist Church Saturday afternoon, December 27th, at five o'clock with the pastor, Orion W. Carter, performing the ring ceremony.

The bride wore an Alice blue suit with beige accessories. The parsonage was decorated with blooming plants, azaleas, and geraniums.

Mrs. Greene is the daughter of Mr. and Mrs. Will Lott of Childress and formerly of this city. Other than here and Childress she has resided in Vernon where she was employed. The time of her marriage she was employed at the secretary of the Childress Livestock Commission. She attended Texas Technological College at Lubbock and the University of Texas at Austin.

The couple will make their home in Shreveport where Mr. Greene is employed at the Badgett Flying School.

GERALDINE CLAYTON WEDS DURWOOD McCRACKEN IN LAS VEGAS, NEVADA

Mr. and Mrs. Roy L. Clayton are announcing the marriage of their daughter, Geraldine, to Durwood B. McCracken of Los Angeles, California, son of Mr. and Mrs. B. F. McCracken of this city.

The marriage took place in Las Vegas, Nevada, January 4.

Both Mr. and Mrs. McCracken are graduates of the local high school. Mr. McCracken is now employed by Douglas Air Craft Plant.

The couple is at home at 3415 8th Avenue, Los Angeles, California.

JUNIOR LES BEAUX ARTS CLUB HEARS DISCUSSION OF FAMOUS PAINTERS

Junior Les Beaux Arts Club members heard two interesting discussions on famous painters at their regular monthly meeting Thursday afternoon at the club rooms.

The program was under the able direction of Betty Jo Bartlett who gave a brief summary of the life and paintings of Raeburn, and Julia Mae Morris gave a similar discussion on Lawrence.

The program was concluded with a solo, "God Bless America" sung by Kitty Ruth Baley accompanied at the piano by Betty Jo Bartlett.

Attending were Miss Mary Howren, Mildred Phelps, June Miller, Betty Jo Bartlett, Margaret Jean Leathers, Kitty Ruth Baley, Callie Mae Gunter, Julia Mae Morris, Ruth McDonald, Ruth Hamm, Hulda Garrison, Imogene Wisdom, and Anita Cook.

JOE MONTGOMERY WEDS JIMMIE LOU ADAMS CHRISTMAS DAY

Announcement is being made here of the marriage of Joe Montgomery, former resident of this city, to Miss Jimmie Lou Adams, daughter of Mr. and Mrs. Jas. O. Adams of Lesley.

The marriage took place Christmas morning at ten o'clock at the home of the officiating pastor, the Rev. S. F. Martin in Memphis.

Attending the couple were Miss Glendora Adams, sister of the bride, and R. L. Adams, Jr., cousin of the bride.

The bride, a graduate of Lakeview High School and Texas Technological College, wore a pink street length dress fashioned with a long torso and trimmed with silver nail heads. Her accessories were of blue and black.

Mr. Montgomery is the son of Mr. and Mrs. W. M. Montgomery of Clarendon and Lesley and is a graduate of the local schools. After a short wedding trip to Abilene and other points south, the couple will be at home near Brice where Mr. Montgomery is engaged in farming and ranching.

DORCAS-ALETHEAN CLASS MEETS IN BURTON HOME FOR RED CROSS WORK

Members of the Dorcas-Alethean Sunday school class of the First Baptist Church met last Thursday afternoon in the home of Mrs. H. T. Burton. Assisting Mrs. Burton as hostess were Mrs. Ralph Andis, Mrs. Henry Tatum, Mrs. Hattie Palmer, Mrs. Ralph Decker, and Mrs. Dick Lanham.

A knitting class was held for a few members and one quilt top was completed for the Red Cross. During a short business session conducted by the class president, Mr. Bert Smith, reports were given by various committees.

Attending were Mesdames Colie Huffman, Bob Head, Riley, Lloyd Rhodes, Todd, Bert Smith, Doss Palmer, W. A. Riney, Ralph Andis, H. T. Burton, Ralph Decker, Hattie Palmer, Alvin Landers, Dick Lanham, Henry Tatum, and Miss Gladys Wallis.

STUDENTS HAVE RETURNED TO COLLEGE AFTER CHRISTMAS VACATIONS

The trek back to school was started last weekend for college students after Christmas and New Year holidays have drawn to a close.

Returning last weekend to the University of Texas were June McMurtry, daughter of Mr. and Mrs. J. L. McMurtry; Fred Chamberlain, son of Mr. and Mrs. F. E. Chamberlain; Joan Thompson, daughter of Mr. and Mrs. L. E. Thompson; Jack Rogers, son of Pink Rogers; and Jimmie Gene Thompson, son of Mrs. Curtis Thompson.

Jimmy Lumpkin, son of Mr. and Mrs. Floyd Lumpkin, has returned to Allen Military Academy at Bryan, Texas, and Mildred Miller, son of Mr. and Mrs. M. M. Miller has also returned to Sherman where he is attending Austin College. Back to Texas State College for Women at Denton has gone Patti Quattlebaum after spending her vacation here with her parents, Rev. and Mrs. J. O. Quattlebaum and to Texas A. & M. has gone Carl Morris, son of Mr. and Mrs. Cap Morris.

Returning to West Texas State College at Canyon Sunday were Estelle Thornberry, Billy Patman, Phebe Ann Buntin, Jo Word, Frances Grady, Ethelyn Drennan, Edith Shelton, Mary Charlotte Word, James Swift, and Jean Taylor, all of whom have spent the past two weeks in their homes here.

Texas Tech at Lubbock opened her doors again this week to admit vacationing students Billy Lou Gilbert, Wesley Powell, Clay

Sixty-Five Marriage Licenses Are Issued In Donley During 1941

Sixty-five marriage licenses purchased here during 1941 showed a slight increase over those purchased in 1940 and a slight decrease from those purchased in 1939. Glancing back through the files brought records of these weddings:

JANUARY—Henry McMurder—Annie Chaterfield. R. W. Bingham—Dalene Mc-Minn. Joe Burkh—Dorothy Massengale. Herbert H. Harrison—LaVerne Wade.

FEBRUARY—Perry Nelson Vines—Johnnie Whitefield. Leo Paulk—Ione Connor.

MARCH—Dempsey Nelson Robinson—Mary Jo Schafer. Earl Eudy—Dorothy Nell Oiler. Merle McWhorter—Ruby Loop-er.

Lloyd Leggett—Pauline Bol-liver. Darwood P. Ray—Lucille Mc-Anear.

APRIL—Charles Weaver—Catherine Dotson. Jesse Thomas Finchum—Othel Snelson.

Gene A. Row—Mrs. Beatrice Allee. Ward Grimsley—Inez Scott. Russell Wilkinson—Altha Bromblett. George W. Shelton—Mrs. Olive White.

MAY—H. H. Jones—Mrs. Possie Washington. Hurman Vinson—Irene Johnson.

V. E. Bennett—Oleta Wil-liams. James Merck—Geneva Leach. Leamon D. Messer—Dorothy Nell Robinson.

1930 NEEDLE CLUB MEETS IN ANDIS HOME TUESDAY

Maben Andis was hostess to the 1930 Needle Club Tuesday afternoon at her home.

The afternoon was spent sewing and visiting. Delightful refreshments were served to Frances Hilliard, Glenn Kirby, Josie Peabody, Nadine Whitlock, Ellen Bryan, Jennie Burch, Mozelle Wright, Marie Patterson, Nora Decker, and the hostess, Maben Andis.

Plunk, Maxine Ellis, Pauline Riley, Billy Latson, Raymond Hay, Colie Huffman, Dan Boston, and Max Ruffmy.

Leville and Charles Hvass have returned to Baylor University at Waco after spending the holidays here with their mother, Mrs. Florence Hvass, and Ruth Hamm who has returned to Dallas where she is attending S. M. U.

RED CROSS KNITTING AND SEWING MUST BE TURNED IN SATURDAY AFTERNOON

All Red Cross knitters and sewers are urgently requested to turn in their garments by Saturday afternoon, Miss Charlotte Molesworth, knitting chairman said today.

The request is made because all garments must be shipped at that time, Miss Molesworth said.

The chairman further announced that Red Cross knitters and sewers are asked to meet every afternoon at the club rooms.

Mrs. Harrison Simpson of Dalhart is visiting here with her husband's parents, Mr. and Mrs. A. W. Simpson.

CHAPEL

In the present chaotic world condition, sorrow must pause for Christmas and Christmas calls for songs and spirit. The Clarendon High School assembly program was the best the student body has witnessed this year.

Students, your attention please! We are now the proud owners of one hundred new song books. Aren't they grand?

In all schooldays, songs revive our spirit and help us to be gay or serious such as the occasion demands. Our group of students, when they burst into song, could crumble the strongest building with their "E" above high "C"!

An entire program of just group songs would be ever so nice, because we do have a loyal body of singers. The girls trio consisting of June Miller, Billie and Jean Cooke rendered a good classical number. They were accompanied on the piano by Margaret Jean Leathers.

For the first time this semester, our familiar friend Reverend Quattlebaum spoke to us on the subject "America—Under Fire". Reverend Quattlebaum's choice of subjects is varied and most interesting and we, the student body, are always glad to have him speak to us.

TODAY IN HISTORY, 1627 YEARS AGO

The anniversary of the death of St. Sylvester, who was Pope from 314 until he died in 335, is celebrated on December 31. Little is known about his early life or about his administration as Pope. He is said to have baptized Constantine the Great who had been afflicted with leprosy, but was cured instantly by baptism.

He was the son of a Roman named Rufinus and his mother was Justina. During his reign, the first list of Christian martyrs was compiled and he encouraged the establishment of a school of singing for the improvement of church services. He built a church over the Catacomb of Priscilla and was buried in it. Excavations in Rome in the early part of this century disclosed the ruins of this church.

The day of his death was set apart as a feast day by Pope Gregory IX in 1227. It is observed by the Anglican as well as the Roman Church. St. Sylvester's Day is celebrated in Germany and in Belgium with various kinds of horseplay in anticipation of the advent of the New Year.

The Spirit Of Old Abe

BAND BEGINS CONTEST WORK AGAIN

On coming back to school from a very pleasant Christmas vacation the band members found the beginning of contest work ahead of them. Two contest numbers, by name Vogue by G. C. Holmes and Aurora by Paul Yoder were issued and enjoyed immensely by everyone. These two numbers may be chosen between and the one selected played at the contest. Both of them are overtures.

Everyone is anxious to begin working seriously with a First Division Classification peering over the horizon, once again. However, there have been some changes made in the plan for promoting the contest this year. Instead of having the usual contest at Amarillo and the following contest at Waco the main event will be in Amarillo. This plan will call for much more hard work and rehearsal since there will be a shorter time and stricter judging than ever before.

In keeping with the spirit of the oncoming contest and in view of the many hours of practice which will come in the near future, a contest was started within the band. It was organized into two separate clubs headed by Basil Kirtley and Lewis Chamberlain. Practice cards were issued with a record of six weeks work to be filled out on each one, and made legal by the signature of the contestants' parents. However, since the first semester will end on Friday and entertainment must be given by the losing side for the winning side. Each six weeks until the end of the contest the practice hours will be added and the losing side must then entertain.

Another event which added spirit to the band this week was the visit paid by former members John King, Carl Morris, and Dan Boston, and also the former director Ray Robbins, all of whom have helped win a first division for the band in past years.

DRUMS

In music the drum is an instrument of percussion common in some form to all nations and ages. It is said to be the oldest of all instruments. It consists of a frame or vessel forming a resonant cavity, over on the ends to which is stretched a skin. The skin is tightened or loosened to make shrill or bass sounds. Drums fall into two divisions; instruments which produce sounds of definite musical pitch and therefore qualified to fit into an orchestra, such as the kettle drum; second, instruments of indefinite pitch and therefore excluded from the harmony of the orchestra, such as the snare drum and bass drum.

SENIOR MEETING

The Senior Class of '42 met Wednesday, December 31, 1941, to discuss plans for entertainment for Friday night. Plans were made for a party and dance to be held at the gymnasium. It was later decided however, to postpone the dance until after exams.

The class also decided to send flowers to our fellow student, G. D. Shelley, who has been quite ill.

Mrs. Goodner urged all senior pupils who had not already done so to have their pictures made at once.

C. J. C. ORGANIZES DRAMATIC SOCIETY

The classes of C. J. C. met Wednesday, the fourth period to organize a Dramatic Society.

The following officers were elected:
 President, Hulda Garrison.
 Vice-President, Betty Jo Bartlett.

Secretary and Treasurer, Mildred Phelps.
 Business and Publicity Manager, Bill Andis.

Many plans are being made for programs throughout the Panhandle in the near future. A chapel program has been planned for Friday.

The classes also ordered twenty-five one-act plays to be presented at various times in chapel.

HOME ECONOMICS

People of today are becoming more clothes conscious than ever before. This may be due to the fact that so many students are studying toward that end. It also may be due to the war conditions. People strive to obtain a better grade of material in clothing because they might have to be worn longer.

In spite of war and even though this is winter, spring is not far off. Trends of fashions have been on their way for a long time, and soon will be shipping days for spring clothes. These clothes will be purchased from the standpoint of color and fancy, but the more important object in mind is fabric.

Clothing for daytime will be divided between the uniforms and uniform-like costumes for defense work and between the casual clothes that might be preferred. These are just as practical and they are softer and often more flattering. There will be more suits worn by women than ever, some soft and some tailored.

Clothes for leisure hours will be even more feminine. Skirt lengths are especially interesting as they are constantly on the move—daytime skirts longer, evening skirts shorter.

It is becoming a "must" that millinery change very often. Last year's hat is strictly no good even the same style as this year's. Contrary to this however is the comeback of last years off-face and scarcely different forward perched hats. The sailor hat will fall in with the rest of the costume on patriotism.

Shoes have changed drastically in the past few seasons. They are still in two classes. However, the practical and the pretty. The workday shoes are polished tans with comfortable heels. The dress-up shoes are even more impractical than ever. Black is no longer popular. The colors are far ahead with the many shades of brown far ahead of all others. Navy is classed with black according to the eyes of the public. Many bright tones are coming out this spring such as: emerald, red, and orange.

These are many of the new types of work the homemaking classes are forced to contend with.

TEACHER'S VACATIONS

Christmas has passed and the teachers as well as the students, have school to remember. The holidays were spent in various ways among our teachers, each reporting a glorious time.

Miss Wallis went home for her Christmas at Grand Salene.

Mrs. White was a visitor at Waxahachie and Dallas.

Mr. Warden enjoyed the football game at Fort Worth, and he also visited in Ranger, Texas.

Mrs. Goodner had a complete Christmas holiday visiting with her sister and brother-in-law Mr. and Mrs. Upshaw at Amarillo. Paul, Mrs. Goodner's son, joined them there.

Mr. Larimer reported a good time while visiting in Denton.

Ethelyn came home to spend the holidays with Mr. Drennan.

Mr. Hanchey was in Greenville and everywhere.

Miss Howren spent part of her vacation in Amarillo.

Mr. Burton and his family chose Decatur for their Christmas vacation.

QUESTION OF THE WEEK

What Is Your Best New Year's Resolution?

June Melton: To be good. (Just what do you call "good", huh?)

Jack Lackey: Not to make faces behind teachers back.

W. C. Gunter: I don't have any.

Lavolee Armstrong: To study hard and make better grades.

Marilyn Sawyer: To try just a little bit harder. (More power to ya, kid).

Max Rhea: I resolve to do more studyin' and less flunkin'.

Verna Garland: I didn't make any—and that's the D—truth. (He needs some.)

Dorothy Rhodes: Write more letters to California.

Johnnie Beard: I resolve not to get any more bulbs off Christmas trees. ('Till when?)

Pete Morrow: To quit smoking for one month. (Sissie).

Pearl Derrick: Have a better disposition toward Bud. (Why change? You seem to be doing plenty O. K.)

George Reeves: I'm not gonna make any 'cause all I do is break 'em.

Mr. Penick: I didn't make any—not even one. (Not 'fraid you'd break 'em are ya?)

Kenneth Bell: Quit getting drunk.

Tiny Wardlow: Stop studying. (You gotta START first, Tiny).

Betty Gholston: Read my history lesson at least once a week. (Just wait till your teacher sees this.)

Burrel Rhea: To study hard.

Neta Cornell has resolved to stay away from stoves and every thing else that burns. (Wonder why?)

Josie Davis: To quit studying so hard. (Poor thing, she is wrecking her brain).

Lou Alice: I resolve to quit smoking and stop talking about people. (That's a pretty big chunk to bite off in one piece).

Mildred: Be friendlier with everyone.

Bill May: Not to go to so many picture shows. (Roy Rogers is a bad influence on Bill).

Louise Rutter: To be different.

Rowena: Hang in to my tongue.

Bill Bell: To help more dames in distress.

NEW FLAGS FOR BUILDINGS

The Junior High School and Senior High School buildings have acquired new flags. Mr. Drennan found that there were funds enough in the treasure of the school to buy two new flags. The new flags are larger than the older ones.

The high school and college auditorium also has received new song books, one hundred to be exact. The students are looking forward to the frequent use of these new books.

NEW YEAR DANCE

Miss Betty Caraway sponsored a New Year's dance at her home on New Year's Eve. Everyone danced to popular music until 10:30 when the Brotherhood members and their dates were served lovely refreshments so that they might attend the midnight Preview. Others continued dancing until 12:00 when the old year was rung out and the new one in.

A large number attended and it was a gala occasion.

Hats off to Betty for her many lovely entertainments.

Magic: Five Quarts Equals One

The magic of modern dairy industry makes it possible to shrink five quarts of fluid milk into one quart of dried milk. Add water and dried milk powder becomes fluid again. Dried milk is in great demand for export to friendly nations abroad. It takes little space in the holds of ships, stays sweet without refrigeration, and can be used as a substitute for fresh milk for children. The U. S. Department of Agriculture has placed dried milk high on the list of "defense foods" whose increased production is sought during 1941 and '42.

LITTLE MARY MIXUP - BY T. M. BRINKERHOFF

HOME ECONOMICS

National Defense a challenge.

What are you doing for National Defense? How often this is asked, and how does one determine what should be done? The field of home economics has many opportunities for service in the present national emergency. Each school and community has its individual problems, in helping to solve these problems the opportunity comes for the home economics program to be of service.

At the beginning of the school year of 1940-41 the seriousness of the national emergency was beginning to be uppermost in the minds of thousands of Americans. Here was their opportunity for service. It remained for them to construct the pattern with which to meet the ever-changing needs of the boys and girls. Foremost in importance was the problem of working out a program to help strengthen home life and family living, and in so doing, they must employ democratic methods which would help Red Cross work is needed and the Home Economics department plans to do some work along that line. As time marches on one hope is to be ready to help wherever help is needed.

FASHIONS

Many cute clothes are being worn around C. H. S. lately. Some of those which attract everyone's attention are: June Melton's rust alpaca jumper and a beige crepe blouse; Ida Mae Weidman's pastel blue and pink plaid suit; Jo Jimmie Bell's Indian moccasins; Gerry Ryan's rust slacks trimmed in orange and green; Miss Berry in oxfords; Miss Wallis, Miss Berry, and Miss Hall's darling fur coats, Lotella Long's new hair-do; Pat Grady's beige wool suit; Buddy Ryan's beige shirt; and Clyde Douglas' new beige and brown jacket.

PITCH BROTHERHOOD DANCE IS POSTPONED

The Pitch Brotherhood Dance to have been Friday night at the school gym has been postponed until a further date.

A good grain mixture to use when dairy cows are grazing on small grain pasture is 600 pounds of ground ear corn and 100 pounds of cottonseed meal. Feed a cow three pounds daily for each gallon of milk she gives.

DOAN'S PILLS

Modern life with its hurry and worry, irregular habits, improper eating and drinking—its risk of exposure and infection—throws heavy strain on the work of the kidneys. They are apt to become over-taxed and fail to filter waste and other impurities from the life-giving blood.

You may suffer nagging backache, headache, dizziness, getting up night leg pains, swelling—feel constantly tired, nervous, all worn out. Other signs of kidney or bladder disorder are sometimes burning, scanty or too frequent urination.

Try Doan's Pills. Doan's help the kidneys to pass off harmful excess body waste. They have had more than half a century of public approval. Are recommended by grateful users everywhere. Ask your neighbor!

HOW FAMOUS DIONNE QUINTUPLETS

relieve misery of CHEST COLDS

DON'T BE BOSSSED BY YOUR LAXATIVE—RELIEVE CONSTIPATION THIS MODERN WAY

When you feel gassy, headache, lory due to clogged-up bowels, do as millions do—take Peen-A-Mint at bedtime. Next morning—through, comfortable relief, helping you start the full day of your normal energy and pep, feeling like a million! Peen-A-Mint doesn't disturb your night's rest or interfere with work the next day. Try Peen-A-Mint, the chewing gum laxative, yourself. It tastes good, it's handy and economical... a family supply costs only

Relieves Distress From Monthly FEMALE WEAKNESS

Which Makes You Tired, Nervous?

Hundreds of thousands of women who suffer distress of functional monthly disturbances—headache, backache, cramps, distress of "irregularities," a bloated feeling, so tired, weak—have obtained wonderful relief from such symptoms by taking Lydia E. Pinkham's Vegetable Compound.

Lydia Pinkham's Compound is famous for relieving monthly pain and distress. Taken regularly—it helps build up resistance against such weak, tired, cranky feelings—due to this cause.

Lydia Pinkham's Compound is one medicine you can buy today made especially for women. Get a bottle today from your druggist. Follow label directions. WORTH TRYING!

INDIGESTION

Gas trapped in the stomach will set like a hair-trigger on the heart. At the first sign of distress start on the stomach. No laxative but the fastest-acting medicine known for indigestion. If the first attack doesn't give relief, get a second bottle to see and receive DOUBLE MONEY BACK.

OUCH! MY ARM

Extra-powerful OMEGA OIL gives relief from muscle-pain

To help aching, painful sore muscles extra-fast—rub in Omega Oil! It actually penetrates right into the skin. Omega works to ease the pain while it breaks up congestion. Soothing relief is prompt. Fine for muscular back-ache, too. 35¢, all drug stores—money returned if not delighted.

That Nagging Backache

May Warn of Disordered Kidney Action

Modern life with its hurry and worry, irregular habits, improper eating and drinking—its risk of exposure and infection—throws heavy strain on the work of the kidneys. They are apt to become over-taxed and fail to filter waste and other impurities from the life-giving blood.

You may suffer nagging backache, headache, dizziness, getting up night leg pains, swelling—feel constantly tired, nervous, all worn out. Other signs of kidney or bladder disorder are sometimes burning, scanty or too frequent urination.

Freakish Weather In 1941, Record Moisture Falls, Mercury Tops 100 Only Once, Low Of 15 Above Zero

The year 1941 was freakiest in all phases of weather. Donley County closed its wettest twelve months in its recorded history at twelve o'clock Wednesday night with a total of moisture received reaching a total of 37.46 inches.

Temperature readings also showed a mild winter and a cool summer with the low reading reaching only fifteen degrees above zero on one occasion, November 23. The hot spell of the year came in August and then on only one occasion did the mercury top 100. On August fifth the thermometer reached an even 100 but the hottest day of the year did not follow until a week later when on August 12 the reading reached 102.

But the moisture was outstanding. Not one month during the year failed to receive moisture in the form of snow or rain. January and November were the driest with only .50 and .42 of an inch respectively.

The recordings: January, .50; February, 1.80; March, 2.01; April, 2.80; May, 6.89; June, 6.28; July, 2.82; August, 3.47; September, 2.82; October, 6.60; November, .42; December, 1.05.

DONLEY FARMERS RECEIVE \$38,000 IN PAYMENTS

Almost \$38,000. in AAA checks has reached Donley County farmers during the past few weeks, Walter J. Flynt, ACA secretary declared today.

An additional \$7,971. was received last week by farmers participating in the program to bring the total to exactly \$37,836.41.

Mr. and Mrs. B. F. Kirtley and Mrs. Paul Slaton spent Monday in Amarillo.

WASTE PAPER WANTED

Mr. Nathan Cox, president of the Womans Society for Christian Service of the Methodist Church, has asked The News to call attention again to the society's effort to collect clean waste paper of all kinds. If you would like to contribute your old papers, magazines, wrapping paper, etc. to the ladies, just leave it in the drive-way of the Old Bigger Service station across from the Chevrolet Garage, or at Mrs. Nathan Cox's garage. If anyone can't bring paper to either of these places, and will call Mrs. Cox, someone will call around to pick such bundles up.

SIMMONS POWELL BUYS DONLEY COUNTY FARM

The farm of Guy Pierce, one mile north of Clarendon, was purchased recently by Simmons Powell, it was learned today.

The 154 acre farm, on the Clarendon-Jericho highway, was brought at undisclosed price.

FUNERAL SERVICES HELD MONDAY FOR E. F. BRYAN

FORMER CLARENDON MERCHANT FOR 25 YEARS DIES SATURDAY

Funeral services for E. F. Bryan, 68, oil operator of Amarillo and former Clarendon businessman, were held at the First Baptist Church in Amarillo Monday afternoon with the pastor, Dr. A. D. Foreman, Jr., officiating.

Death came Saturday afternoon at the family home in Amarillo. He had been in failing health since 1938.

Mr. Bryan was the father of Allen J. Bryan of Clarendon and the brother of Mrs. W. A. Land, Mrs. Buel Sanford and Mrs. Frank Whitlock and Regan Bryan of Clarendon.

A native of Texas, Mr. Bryan came to Clarendon about 1900 and for twenty five years was a merchant and civic leader here. He was the owner of a Grocery store, a drug store and later sold real estate. In 1925 he moved to Amarillo after becoming interested in the oil business and made his home there since that time.

Pallbearers for the funeral were Ted Ferguson, Jim Jenkins, Dr. J. B. Landers, Ode Caraway, Joe Goldston and T. F. Connally.

Besides those already named, Mr. Bryan is survived by his wife, and a son, Dr. Harry C. Bryan of Colorado Springs; four daughters, Mrs. Ed Bentley of Lakeland Fla., Mrs. Holly Guiberson of Dallas, Mrs. Floyd Keener of Vernon and Mrs. Glenn Casey of Amarillo.

Burial was in the Citizens Cemetery in Clarendon.

TODAY'S LOW TEMPERATURE IS ONE ABOVE, LOW FOR SPELL IS FOUR BELOW

Freezing temperature closed in on Donley County this week and winds to push the mercury to a sleet and snow aided chilling low of 4 1-2 degrees below zero.

Today's low was recorded at Monday and check its recovery one degree above early this morning and at 6:30 a. m. the mercury still hovered at nine above according to official weatherman, Joe Goldston.

Wednesday was the warmest day of the spell when the readings climbed from fourteen above to a high of thirty-five. Moisture from snow and sleet was recorded at .07 of an inch.

NORTH-SOUTH HIGHWAY BOOSTER OF TURKEY DIES

Dr. Howard Gilmore, prominent physician of Turkey and West Texas booster for 35-years died at a Plainview Hospital Friday after a lengthy illness.

Dr. Gilmore was well known in Clarendon having been an active member of the 88-18 North-South Highway organization in their work of securing a highway from Canada to the Gulf. He also visited here many times.

Educated in the public schools of Hays, Texas, Dr. Gilmore received his doctors degree at Memphis Hospital, Memphis, Tenn. He moved to Turkey in 1907.

DEPARTMENT BANS LISTS OF DAPTEES CALLED

The War Department has banned the publication of draft calls as to names and number of men called but many recently reclassified Donley County men received notices to report for physical examinations this week, it was learned this morning.

Names will be released following induction in the army, George Ryan, selective service official declared.

GOLDSTON NEWS
By Sibyl Rattan

The community was entertained with a forty-two party New Year's Eve. They merrily rang the old year out and the new year in.

Mrs. Scott left for California this week after a short visit with her daughter, Mrs. Clifton Smith and family.

Bryant and Jimmie Tucker spent awhile with Mr. and Mrs. Rattan Tuesday night.

Mr. and Mrs. Higdon and family took Sunday dinner with their son Mr. and Mrs. Eulan Higdon of Ashtola.

Mr. and Mrs. Rattan took dinner Thursday night with Mr. and Mrs. Nat Woods of Clarendon.

We are glad to report that Gene Eanes is back in school after a period of illness.

Visitors from Borger are guests in Mr. and Mrs. Charlie Young's home this week.

Donley County Tire Rationing Board Is Selected By Judge And Mayors

Donley County's tire rationing program was announced last week and County Judge R. Y. King, Clarendon Mayor T. F. Connally and Hedley Mayor, Leon Reeves, Monday named a three-man board to handle applications for new tires.

The local quota was set at sixteen tires and thirteen tubes for cars, motorcycles and light trucks and 28 tires and 23 tubes for trucks and busses.

To act on the board will be Ed Kinslow of Hedley, J. R. Bulls and Claude Lindsey of Clarendon.

Steps for the three-man local board to administer the program in Donley County was taken this week when Gov. Coke Stevenson issued instructions to county judges throughout the state to cooperate with mayors in selecting a board.

Administration of the rationing plan will be under the direction of Washington, certification of tire needs in the hands of local boards to be formed through cooperation of local defense councils and committees, according to announced plans. Conuitants to assist states in setting up the local boards already are in the field.

Meantime, the OPM Priorities Division has extended the freezing order of December 11 prohibiting the sale of new tires except on purchase orders bearing priority ratings of A-3 or higher. The freezing order will continue in effect until January 5, instead of December 22, as originally announced.

Under the order, no one can sell, lease, trade, or transfer any new auto tires. Tires that have been used for fewer than 1,000 miles are included as new tires.

America's 27 million car owners can help their country conserve rubber by making their own tires last longer. In an appeal for cooperation of car owners, the OPM listed 10 simple rules by which civilian requirements for rubber can be reduced.

1. Use tires as long as possible by having them retreaded. The cost is about half that of a new tire. Retread wear is about 80 per cent of that of a new tire.
2. Inflate tires weekly. Never let pressure fall more than three pounds below recommended minimums.
3. Reduce speed. Tires run at 40 miles per hour last twice as long as at 60 miles per hour.
4. Avoid short top and jack-rabbit starts. They burn rubber.
5. Avoid hitting curbs, holes, rocks, bumps. That increases wear and encourages blowouts.
6. Check wheel alignment twice a year. A tire a half inch out of line drags sideways 87 feet per mile and causes uneven wear.
7. Repair cuts, leaks, breaks promptly. Delay increases damage. Use blowout patches only temporarily. Use vulcanizing.
8. Swap wheels around every 5,000 miles Tires last longer.
9. Use only tires that fit your rims. Have your garage man advise you.
10. Cooperate to save rubber. Waste is sabotage. Don't speed around curves. Use your car only when essential. Use public transportation where possible. Team up with your neighbors to use fewer cars, make fewer trips. Help the merchants conserve, too, by carrying small bundles instead of asking for delivery.

WPA TO REBUILD SCHOOL'S FENCE

Approval on a WPA project to rebuild the Clarendon High School rock wall at the athletic field was announced today by Stearn Tucker deputy state administrator.

The project calls for a Government expenditure of \$4226 and a sponsor's contribution of \$868.

Approximately forty-two workers will be employed on the wall which was destroyed in the Clarendon tornado last spring.

GOVERNMENT LOAN STILL OPEN TO FARMERS

The publicity department of the State AAA office last week was in error in stating that wheat, barley, grain sorghum, and cotton loans would close December 31. Grain sorghum loans will not close until January 31 and cotton loans will be held open until April 30.

IN APPRECIATION

Our sincerest expressions of thanks and appreciation go to all our friends and neighbors who came to us in sympathy and otherwise proved their kindness in our recent sorrow in the passing of our beloved father, E. F. Bryan. We shall not forget.

The Bryan Children
Old Papers—10c Per Hundred—

Personals

Mrs. John Goldston is in Amarillo this week at the bedside of her husband who underwent a major operation last week. Mr. Goldston's condition is reported improved.

The condition of Mrs. Willie Goldston, former Clarendon resident, who is critically ill at her home in Amarillo was reported unchanged this week.

Mr. and Mrs. T. W. Bell of Turkey are the parents of a son born Monday, December 29 in a Memphis hospital. Mrs. Bell is the daughter of Mr. and Mrs. Roy Beverly of this city.

Leota Rampy, head of the home economics department in the Silverton schools, and Max Rampy, student at Texas Tech, spent the holidays here with their parents Mr. and Mrs. M. C. Rampy.

Ruth Hamm, student at Southern Methodist University at Dallas, spent the holidays here visiting with friends and relatives.

Jelly McGowen of Canyon spent last week here visiting with friends.

Kitty Carroll of Long Beach, California stopped in Clarendon a few days visiting with her uncle and aunt, Mr. and Mrs. Wesley Knorpp and other relatives, enroute to Bay City, Texas where she has a position.

Neel Thompson has returned from Colorado Springs where he has recently been employed.

Ruth Cauthen of Big Springs visited here last week with her mother, Mrs. Linnie Cauthen.

Miss Julia Dean of Amarillo spent the weekend here as guest of Jessie Ingram.

Pattie Quattlebaum returned to Denton Sunday night after spending the Christmas holidays here with her parents, Rev. and Mrs. J. O. Quattlebaum.

Mrs. M. E. Thornton is visiting in Waxahachie with her daughter, Mrs. Lee Douglas. She will remain there for the next several months.

Mrs. Noah Robin, mother of Mrs. M. E. Borsook, arrived here Tuesday night from Long Island, New York, to spend several weeks with Dr. and Mrs. Borsook.

REGISTRATION OF 20-44 AGE MEN IS SET FOR FEB. 16

President Roosevelt has set Feb. 16 as the day for the new draft registration of men from 20 to 44 years of age, and arrangements are expected to be completed within the next few weeks for the registration in this county.

Volunteer workers will be needed to register the men, the draft board announced, and persons who will give their time are asked to call the draft board office, immediately.

Although recent changes in the draft law permits registration of men from 18 through 64, the President's call today was for men in the age brackets from 20 through 44. Men who have registered under previous 21 to 35-year law need not register again, it was pointed out.

The president's proclamation ordered all men in the age brackets to register between 7 a. m. and 9 p. m. on Feb. 16. The order includes all men born on or after Dec. 31, 1921.

The President urged private employers and government agencies to give the men sufficient time in which to register.

WITH NO FIRE LOSS CITY'S RATE WILL BE MAINTAINED

City Fire Marshal James Trent said this morning that while official figures would not be released by the state commission until sometime in February, Clarendon was sure to maintain the same key rate for this year.

Clarendon suffered no fire losses during 1941, the marshal said and consequently the low rate will be maintained.

Jack Goldston of Yakima, Washington, visited with friends and relatives here Tuesday, enroute to Amarillo to be with his mother, Mrs. Willie Goldston, who is reported to be in a critical condition.

Mrs. C. R. Ringham and son, Lee Olin of Bartlesville, Oklahoma, have returned to their home after spending several weeks here in the home of Mrs. Ringham's parents, Rev. and Mrs. J. O. Quattlebaum.

Fred Bourland left here Tuesday night for San Diego, California, where he will be connected with the Commissary Department of the U. S. N.

No "Freezing" Order On Furniture Yet

In order that our Government further insures victory over our enemies it has become necessary to "Freeze" many items which are manufactured from vital defense materials.

We have a complete stock of living room and breakfast room suites, platform rockers, tables, chairs, studio couches, linoleum rugs, wool rugs and many other items that we bought before prices advanced so drastically, that are—
