

THE TEMPLE OF TRUTH
By the Apostle

NO TATTLERS.

The President slipped away to Africa without any notoriety, and yet practically every newspaper in the nation knew that the Presi-

dent was off on a trip. It was not announced where he was going, but your Donley County Leader was among the newspapers asked not to say anything about it. Three of us knew about his going some place, and yet neither of us said a word to any one about it. The President has fine cooperation from the newspapers because he has always been fair with his press constituents. Let us hope

that his African visit will result in great good in shortening the war, and thus save thousands of lives. In sticking up for an "unconditional surrender of the enemy," the President and others in the conference were exactly right. We don't want to fight this war all over again in a few years.

FATHER-SON AFFAIR.

Dr. B. L. Jenkins missed his

first Father-Son annual banquet Tuesday night. He was unavoidably out of town and was greatly missed. The good doctor is father of the movement here. Did you know that this idea originated right here in Clarendon in 1921? It did, and Dr. Jenkins was the prime factor in getting the idea over. Capt. Sidney Kring in making the principal address, mixed humor with facts and got his ideas

over in a great way. Happy faculty, that, Captain. The toastmaster, George Wayne Estlack, besieged with stage fright, said nothing to mar the feelings of any one. In fact he did not talk enough. Two fine talks were made by local talent that will appear in the regular news item this issue. The writer has been fortunate in being present at every annual banquet of this kind since the inception of the movement.

DUMB STUFF.

In listening to the war news over the radio, it has a quieting effect before retiring at the usual 10 p. m. period in the daily drive. Newspapers never color up our side of the news as does the radio. They deal in facts. Wes Izzard of KGNC continues to be the most popular radio announcer as far as that station can reach over the ether waves. He deals in facts, throws in simple explanations and really gets the job done. Thank you, Mr. Izzard, thanks a lot.

WEAPONS.

In Court: "Then you admit that you struck the plaintiff with malice aforethought?" The smart hillbilly, wiggly on his chair, took another chew of Jack county navy and belted back: "You can't mix me up like that. I've tole you twice I hit him with a brick. There wasn't no mallet nor nuthin' of the kind mixed up in it, jus a brick like any gentleman would use."

ASHTOLA
Mrs. W. B. Miller

Rev. J. R. Naylor delivered an excellent sermon to an appreciative audience at the school auditorium Sunday morning.

Mrs. T. A. Nelson from Claude spent the week end in the home of her parents, Mr. and Mrs. W. A. Poovey.

Miss Wilma Watkins from W.T. S.C. spent several days recently in the home of her parents, Mr. and Mrs. T. M. Watkins.

We are sorry that Mrs. C. R. Kinchen is seriously ill at the home of her daughter, Mrs. E. C. Dewey.

Mr. and Mrs. H. S. Mahaffey spent one day last week in Canyon and Amarillo.

Mrs. W. A. Poovey is convalescing from a tonsilectomy which she underwent Monday of last week.

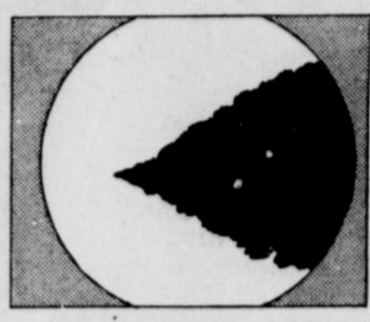

Mrs. H. W. Lovell returned last Friday night from a visit of several weeks to her children in Dallas and Brownwood.

Mr. and Mrs. A. L. Allen and Miss Delia spent several days last week in the home of Mr. and Mrs. Elmer Hunsucker at Estelline.

Mr. W. B. Miller from Amarillo spent the week end here with his family.

Windows On New Worlds

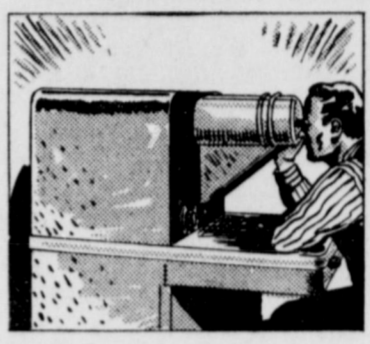

Hair-splitting is no longer a joke with the new electron microscope, which makes visible a whole world that has previously been too small for scientists to study.

1. Using particles of electricity instead of light, the instrument makes a mosquito's stinger, 1/1000 the diameter of a hair, look like this.

2. Crystals, dust particles, disease-producing viruses can be enlarged to a million times to examine their nature and structure.

3. Portable, operating from ordinary power lines, it is expected to speed war research in laboratories of colleges and war plants.

4. After the war, it may be useful in many fields—for example, in searching for the cause of such diseases as the common cold.

General Electric believes its first duty as a good citizen is to be a good soldier.
General Electric Company, Schenectady, N. Y.

GENERAL ELECTRIC

Mr. and Mrs. W. P. Holley accompanied by their daughter Miss Gladys from White Deer, were recent visitors in the homes of Mrs. Clary Phillips at Hart and Mr. Earl Holley at Olton. Their son Cpl. Robert Holley from a camp in California joined them there for a short visit on his way to spend a few days at Ft. Worth.

Mr. and Mrs. F. M. Watkins and daughters, Misses Wilma and Fay-dine visited at Lelia Lake Sunday afternoon.

Mr. and Mrs. O. L. Howard and Mr. and Mrs. Foy Howard and daughter left the first of the week to make their home near Level-land.

Mr. and Mrs. Clarence White and family of McKnight visited in the home of his brother J. E. White and family, Sunday.

TO OUR MANY FRIENDS

Your kindness and sympathy is more deeply appreciated than any words of thanks can ever express.

The Family of
Lt. Raymond A. Hay

Margaret White returned Friday after spending the week in Canyon.

Mr. and Mrs. Milton Foster who are stationed at Pueblo, Colo. came Sunday for a visit with her parents, Mr. and Mrs. R. O. Espy.

Mr. and Mrs. John Stavenhagen and family moved to Martin Friday.

Mrs. J. R. Mace, Mrs. Ed Callahan and children visited in Newlin Thursday.

Mr. and Mrs. Charlie Reynolds were called to Lubbock early Friday by the death of their daughter, Mrs. Jim Rogrs.

Mrs. A. B. Bynum was quite ill the past week, but is some better. C. P. Brown had business in Childress Thursday.

Mrs. Charlie Young was called to Borger Wednesday by the illness of her granddaughter.

Mr. and Mrs. Malcolm Carter and children of Amarillo visited with her mother, Mrs. A. B. Bynum Sunday.

Mr. and Mrs. Quin Aten and

CEILING PRICES SET ON COFFEE SUBSTITUTES

Specified ceiling prices have been set by OPA for manufacturers of two coffee substitutes and five coffee compounds that may soon appear on retailers' shelves. Prices of the products to the consumer probably will vary from about 15 cents to 31 cents. OPA cautioned housewives that they will have to surrender a coffee ration stamp to purchase a pound of coffee compound just the same as if the product were pure coffee. The two coffee substitutes for which prices were set are "Jeep" and "Banner Whole Roasted Cereal".

Rev. G. T. Palmer is at Dallas attending a minister's meeting at S.M.U. this week.

Mr. and Mrs. Lowry of Canyon spent the week end with their son Dee Lowry and family.

Pvt. and Mrs. J. T. Hoy of Lubbock are visiting friends here.

To the Public

In connection with your liability to file an income tax report for 1942, please let me again call your attention to the fact that if you have paid during 1942 to a married person, or the qualified head of a family, \$1200.00 or more, and if to a single person, a widow, or widower, without dependents, \$500.00 or more in salaries, wages, interest, rents of any nature, royalties, commissions, or any like kind of payments, then the law requires that you file a sworn report of such payments to the Treasury Department on or before Feb. 15, 1943, and to furnish to the one so paid a copy of such report. This is aside from your regular report and should be given immediate attention. Will be glad to give you any further information, and am in position to file these reports, together with your Income Tax reports for you.

J. A. WARREN, Income Tax Service, 209 Goldston Bldg., Clarendon, Texas.

Land Grant Colleges Salute Farmers

College Station — Congratulations to the farmers of America on their magnificent achievement in food production during 1942 were expressed recently by Dr. Edmund Ezra Day, President of Cornell University, and newly elected President of the Association of Land-Grant Colleges and Universities, and by President T. O. Walton of Texas A&M College and Chairman of the Executive Committee of the Association, following a meeting of the organization in Chicago.

At the same time, they voiced their concern over the difficult problems confronting agriculture for 1943 and pledged the full cooperation of the Land-Grant Colleges in meeting these problems.

Dr. Day and Dr. Walton pointed out that the production of food crops and livestock products in 1942 was the largest in the history of American farming and that agriculture had met its obligations to the war effort fully and completely, adding:

"For this success much credit must be given not only to men who often worked 70 or 80 hours per week but also to farm boys and girls and to the farm wives who labored long hours in the fields and barns in addition to caring for the homes and the families."

At the same time, both emphasized the difficulties in maintaining farm production in 1943 with a greatly increased shortage of labor, the threat of shortages in farm equipment, and the ever present possibility of droughts

and other unfavorable weather. Looking to the next crop year, they said, "It becomes the mission of Land-Grant Colleges in their research and through their Extension Services to work more closely with practical farmers than ever before."

Dehydration Answers Feed Question

College Station—Cull sweet potatoes which can be sliced, dried and stored at little cost may solve a problem for many Texas farmers who face a shortage of livestock feed each spring. Hogs, cows and work stock eat them with relish and do well on them.

A simple process for slicing and drying sweet potatoes has been worked out at the field laboratory of the Texas Agricultural Experiment Station at Gilmer. Cull potatoes are sliced about one-eighth to one-fourth of an inch thick and spread on the grass in the sun for one or two days' drying. Then the dried potatoes, which have decreased considerably both in bulk and weight, can be stored in a crib the same as ear corn or heads of maize.

C. E. Bowles of the A&M College Extension Service, explains that the average East Texas acre of sweet potatoes yields about 25 bushels of culls. These have little market value and often rot or are fed at a time when other feeds are plentiful. Twenty-five bushels of sweet potatoes when dried are equal in food value to nine bushels of corn, Bowles says.

A potato slicer similar to the one built at the Gilmer laboratory can be built for from \$25 to \$30 if

the materials are bought. Except for the knife, the motor, and possibly the shaft, the machine can be built with materials available on most farms. A blacksmith can make the knife. The Gilmer machine slices potatoes at the rate of a bushel per minute.

Mr. Bowles, who is extension specialist in organization and cooperative marketing, is suggesting that farmers in the sweet potato belt club together in a small cooperative to buy and use a slicer.

MANY TEXAS FARMERS AND RANCHMEN PAY OFF DEBTS

The year 1942 was a banner year for Texas farmers and ranchmen in paying off debts, declared President Sterling C. Evans of the Federal Land Bank of Houston in connection with the bank's annual statement.

A total of 9,835 land bank and commissioner loans were paid off in full during 1942. "During the year," he said, "land bank and commissioner loans outstanding in Texas decreased from \$225,634,583 to \$206,437,302. This net decrease was despite the fact that approximately \$12,000,000 in new loans were closed."

Be rational towards rationings but don't ration your scrap metal. The Army needs it now.

Scraps may come and scraps may go but scrap metal is needed for the duration. Give it now. Donley County Leader, \$2 a year.

Personals

Mrs. Albert Johnson of Hedley is visiting Mrs. Will Johnson this week.

Mr. and Mrs. Zed Doisher of Amarillo were here on business Friday.

Mr. and Mrs. Glen White of Shamrock visited his parents, Mr. and Mrs. Frank White Sr., Sun.

Frank White Sr. is attending to business at La Junta, Colo.

Billy Johnson who visited his parents, Mr. and Mrs. Will Johnson, returned to his home at Galveston, Tuesday afternoon.

Carl Morris and Basil Smith are home to visit home folks during the mid-term vacation at A&M.

David Johnson of Amarillo spent the week end at home.

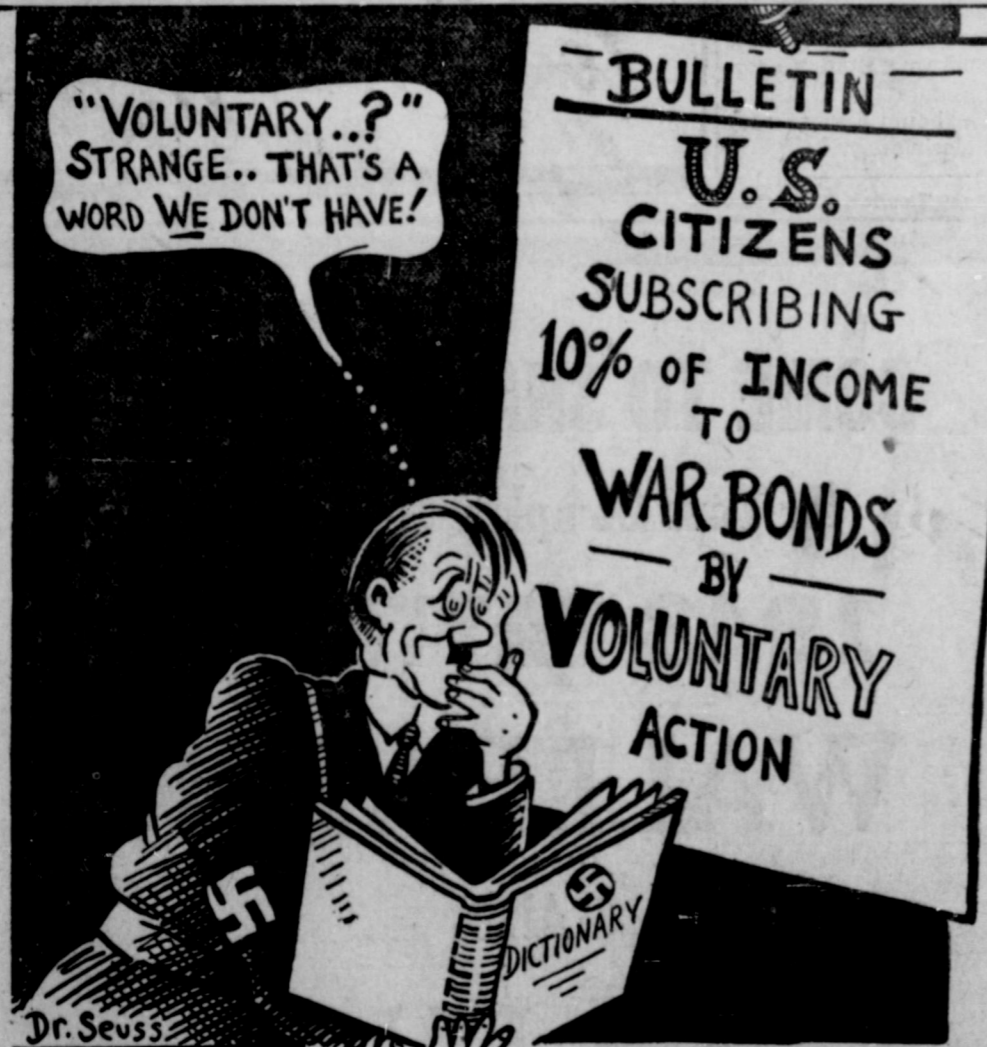

Mr. and Mrs. Homer Bones and baby spent the week end at Canyon visiting her parents, Mr. and Mrs. Shackelford.

Mrs. Lalar Wilkerson of Silverton spent the week end in Clarendon with friends.

Every day is scrap day. Make your contributions now to the Army scrap metal drive.

If there's a touch of Texas in your heart then give your scrap metal to the open hearth.

RED CROSS VOLUNTEER SERVICE

The whole purpose of modern war is sought to be achieved by shattering nerves and paralyzing daily life. To meet this challenge we must think of the Red Cross, not as represented by so many chapters, or so many shiploads of medicines and bandages. The Red Cross does not stop at material supplies. It lifts up the hearts of people. It is the medicine through which both he that gives and he that receives may be blessed.

We are anxious for the people in our community to take note of the following:
Station KGKO, Dallas, (570 kilocycles) is broadcasting the dramatic series on Red Cross services in wartime, "Two-Fisted Mercy," each Saturday morning at 9:45 CWT.

The series, which will run 13 weeks, is being produced with the cooperation of the Red Cross chapter in Dallas. Each program includes music, news, dramatic presentations of Red Cross work at home and abroad, including the inquiry service, Blood Donor work, foreign relief, services to armed forces, nurse's recruiting, prisoners of war, volunteer services and others.

Knitting

We again urge all those with knitting for armed forces to please

Beware Coughs from common colds That Hang On

Creomulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expel germ laden phlegm, and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. Tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough or you are to have your money back.

CREOMULSION for Coughs, Chest Colds, Bronchitis

turn their knitting in by Feb. 1st. The following have been issued: Sleeveless sweaters to Mrs. Frank Hutchins (2), Mrs. W. T. Clifford, and Mrs. C. B. Morris; gloves to Mrs. A. B. Turner, Mrs. Frank McClure, Mrs. Ralph Andis, and Mrs. D. F. Wadsworth.

Those turning in sweaters are: Marilyn Maher, Mrs. J. W. Evans, Mrs. Henry Williams, Mrs. Fred Buntin, Mrs. Frank Hutchins, Mrs. Will Word (2), Mrs. Chas. Bairfield, Mrs. Ralph Keys, Mrs. D. F. Wadsworth, and Mrs. W. J. Lewis Sr., gloves, Mrs. C. W. Taylor, Mrs. Frank McClure, Mrs. Jack Molesworth; mufflers, Mrs. Rufe Chamberlain, Miss Maurice Berry, Mrs. B. L. Jenkins, Mrs. H. C. Brumley (2), Mrs. A. L. Chase (2).

Yarn for squares was issued to Mrs. Carl Bennett.

Mrs. James Trent is busy putting together another afagan of knitted squares.

We are very happy to add to our instructors for the week Mrs. George B. Bagby.

Soldier's Kits

Mrs. R. R. Dawkins made six soldier's kits through the Kill Kare Needle Club which are issued as samples. Mrs. W. H. Corbin took six kits to complete.

A very generous donation of \$25.00 was received last week for this fund.

Sewing

Our pajamas are going out slowly. We hope for more response to the sewing of these garments this week. Mrs. Harry Ruddle took 24 pairs of pajamas for the ladies of the Presbyterian Auxiliary to complete.

The ladies of the Goldston community are very busy piecing scraps for quilts. Mrs. W. H. Gray came in this week for lining and bats. We also issued to Mrs. Richardson of the JA Ranch, scraps for quilts and also another box of scraps to Mrs. W. C. Bridges for the Hedley community.

HOME SERVICE

Mrs. C. A. Burton For military reasons, APO numbers for units in North Africa have not yet been announced. Mail addressed to American soldiers at their last point of address in the U. S. will be forwarded to them in North Africa without delay.

The Western Union and Postal Telegraph Companies have been authorized by the Federal Communications Commission to reduce their rates for money orders up to \$25.00 sent to Servicemen in the U.S.A. flat rate of 50 cents for orders of \$10.00 or less and 65 cents for money orders up to \$25.00 is provided by both compa-

nies. For a larger amount the rate varies according to the destination.

Gifts to the value of \$50.00 in any shipment from members of the U. S. Army forces outside the continental U. S. or its territories or possessions may enter this country duty free now and for six months after the war. Of course there must be evidence accompanying.

There has been a reduction in the postal rates on parcels sent to servicemen outside the U.S. and servicemen are not required to pay duty on any packages sent them. Information for all this may be obtained at any post office.

As we see from the daily press, the induction of men 38 years old or over has been suspended, but with the proviso that it may be necessary to waive this suspension from time to time in order to obtain skilled men for certain types of service. Explanation is also given of the fact that certain enlisted men now in the Army who are in this age bracket may be honorably discharged under certain conditions.

We would again explain that requests for furlough must come from the soldier himself, the Red Cross can only verify the need for same.

NEW WAAC OFFICER ON DUTY IN DISTRICT

Lieut. Jessie Gardner, WAAC recruiting officer, arrived in Lubbock last Wednesday for recruiting duties with the West Texas Recruiting and Induction District. Lieut. Gardner will work with Lieut. Rose L. Smothers in securing enrollments for the Women's Army Auxiliary Corps. Lieut. Virginia F. Williams, who has been on duty within the District, has been transferred to the Dallas Recruiting and Induction District. Lieut. Gardner received her commission on December 24th. She enrolled as an auxiliary and was selected for officer candidate training, graduating with the first class selected from the ranks. In civilian life she taught English in Shorter College in Rome, Ga.

Lieut. Colonel Marvin B. Durette, Commander of the West Texas District, stated that plans are being carried out in order that the first quarter's quota of WAAC's will be met. He stated that each county must fill its quota in order to supply the number of women needed for this quarter. He also pointed out that by enrolling its quota, the West Texas District can release 584 soldiers for active combat duties.

Women interested in enrolling in the Women's Army Auxiliary Corps should contact the nearest Army Recruiting Station or the Headquarters office in Lubbock.

FILLING STATION HOURS REGULATED

Under an order issued by the Petroleum Administrator for War, filling stations throughout the country began January 23 to operate on either a 72-hour a week schedule, or a 24-hour a day, seven days a week schedule, according to their choice. Dealers who elected to remain open 24 hours a day must serve all customers for 12 consecutive hours for six days of the week, but may serve only vehicles bearing "T" stickers for the remaining time. Station operators who operate on a 72-hour week, twelve hours a day, may select their closing day.

Donley County Leader, \$2 a year.

Employers Required to Pay Victory Tax Deductions on Quarterly Basis

Under the Victory Tax provisions of the Revenue Act of 1942 employers must pay to the collector of internal revenue of their own district the entire amount of the tax they withhold from their employees' pay, not later than one month after the close of each quarter.

Every employer is required to furnish to each employe statement of the amount of the Victory Tax deducted from his pay, not later than January 31, 1944. In cases where a worker's employment is terminated before the close of the calendar year, the employer is required to present to the employe a written statement within 30 days after last wage payment, showing the amount of the Victory Tax withheld. A duplicate of this statement must be sent by the employer to the collector of internal revenue with the Victory Tax Return for the last quarter, or with the employer's final return for the year.

Requests for employer forms for reporting Victory Taxes withheld may be obtained by applying to the collector of internal revenue in the employer's district.

An employer may be defined as individuals, or a corporation in trade or business, organizations exempt from income tax, such as religious and charitable organizations, educational institutions, clubs, social organizations and so-

cities, as well as the governments of the United States, the States, Territories, and the District of Columbia, including their agencies, instrumentalities and political subdivisions.

Wages or salaries not subject to Victory Tax deductions by the employer include payments:

For services performed as a member of the military or naval forces of the United States;

For agricultural labor;

For domestic service in a private home, local college club, or local chapter of a college fraternity or sorority;

For casual labor not in the course of the employers' trade or business;

For service as an employe of a non-residential alien individual, foreign partnership or corporation if it is not engaged in trade or business in the United States;

For service as an employe of a foreign government or a wholly owned branch;

For service performed as an employe while outside the United States during the major part of the year.

Bonuses or commissions are to be considered the same as salary or wages and are liable to the Victory Tax deductions.

L. L. Wallace was in Matador Wednesday on business.

A DOLLAR SAVED, IS A DOLLAR MADE

We are now handling the nationally known Security Foods, and by feeding same, to your pigs and calves, mixed with water or skimmed milk, you can make whole milk at two cents per gallon. Sell your cream and feed Security food, and produce a better pig or calf than you can on its mother's milk. A trial will convince you. Let us give you literature on this balanced mineral feed. You can save real dollars by feeding Security Milk Foods, and Chic-O-Line Mixed Feeds, and having all of your feed chopped and mixed properly, adding concentrates and thoroughly mix. We have the equipment to do the job, and we both lose money when you fail to let us do it. When in the market for feed of all kinds, phone us.

NOTICE TAX PAYERS PAY Your Taxes EARLY!

YOUR 1942 TAXES ARE NOW DUE AND MUST BE PAID ON OR BEFORE JANUARY 31, 1943, TO AVOID PENALTY.

We respectfully ask those taxpayers, who can and will to pay their taxes as early as possible to avoid the last minute rush. We, like many businesses are shorthanded, and we will be unable to get as much office help as we need for the tax-paying rush that usually comes the last week of January.

Both men and women are required to pay a poll tax. Unpaid poll taxes are a lien upon any real or personal property you may own, or come into possession of. Those who are 60 years of age or more are not required to pay a poll tax and are not required to have an exemption to vote; those who have moved into the county since January 1, 1942, are required to have an exemption; those who have become 21 years of age since January 1, 1942 or will become of age during 1943 are required to secure an exemption certificate during January 1943, before they may vote in any of the elections during the year; no charge is made for exemption certificates.

When you come in to pay your taxes - - - also give us a rendition of your property for next year's taxes. Due to gasoline rationing and the rubber conservation program, we will be unable to call on you as we have in the past. Please lend us your cooperation in this matter.

SAILORS GET MAIL AT FOREIGN PORTS

Men in the merchant marine now can receive mail at foreign ports, for the first time since the beginning of the war. The War Shipping Administration, the Post Office Department, and the War and Navy departments, working together to solve the many problems of wartime communications, have announced that the new service will help greatly to maintain the morale of merchant seamen when they are on long voyages. Correspondents must address their letters in care of the Postmaster, New York, or New Orleans, or San Francisco, depending on whether the sailor's ship put out from an Atlantic coast, Gulf Coast or Pacific coast port.

Gona-Buna Gunga Din

During the fighting for Buna and Gona in Northeastern Papua, the heroism of the Fuzzywuzzies saved many Australian and American soldiers' lives. The native boys, sticking close to the action, carried the wounded to dressing stations or to points where they could be evacuated by plane. Here a native boy is caring for a wounded Digger. Private F. A. Matthews, while waiting for an ambulance plane. Leaves have been stuck in the ground to provide shade. The other Australian in the picture is one of a Medical unit.

CIVIL SERVICE POSITIONS OPEN FOR PHYSICALLY HANDICAPPED PERSONS

Full utilization of manpower in the present emergency requires that every effort be made to encourage persons with a physical handicap to apply for civil service positions where the handicap will not prevent satisfactory performance of duty. Mr. Elmer G. Hayes, local civil service secretary, announced today.
 Mr. Hayes pointed out that the U. S. Civil Service Commission's procedures make provision for the appointing officer to determine whether an appointee meets the physical requirements for the particular position to be filled.

MARTIN

La Vern Marshall

There was a nice crowd at Sunday school considering the weather.

Helen Bulman had supper with June and Iva Ruth Gibbs. We are sorry to report the loss of Mr. and Mrs. N. B. Howerton and family. They moved to Clarendon last week.

Mr. and Mrs. Bulman spent Sunday evening in Midway community with L. L. Moreland.

Mr. and Mrs. C. C. Hearn spent Sunday evening with Mr. and Mrs. Earl Givins of Claude.

Miss Mabel Christie of Dalhart, spent the weekend with her parents, Mr. and Mrs. L. O. Christie. Lee Christie of Canyon spent the weekend with his parents, Mr. and Mrs. L. O. Christie.

Gene Prudeau of Amarillo spent the weekend with L. O. Christie and family.

Frank Cannon of Canyon spent

Aviation Mechanics Needed at Childress Bombardier School

Men and women, at least 300 of them, are needed at once for jobs in the general field of aviation mechanics at the Army Air Forces Bombardier School at Childress, it has been announced by Capt. Myron S. Huckle, commanding officer of the 361st sub-depot, air service command.

To aid the sub-depot in recruiting the workers without delay the U. S. civil service commission is maintaining a branch office at the field. Civil service tests are given at 7:30 p. m. on each Tuesday and Friday nights at the high school in Childress and arrangements have been made for a representative of the commission to give examinations to groups in other near-by towns, starting next Monday, January 25.

Persons with or without experience may qualify. Those with experience may be certified to the eligible list without examinations. Experienced mechanics may also receive a short training after employment.

Mrs. Otis Rolls and daughter Sherial, of Corpus Christi, are visiting Mrs. Roll's parents, Mr. and Mrs. Victor Smith.

A PIPELINER WRITES TO HIS BUDDY IN AUSTRALIA-

Dear Joe:

Things are humming around here. I'm sure it will make you feel good to know that folks in the Gulf South are mighty aware they are in this war... and they are doing their part.

In factories, in the shipyards, in military centers, everywhere things are humming... and these ships, airplanes, shells and guns are on their way constantly. Where they are going, they say is a military secret. But we will get you fellows plenty of what it takes.

In our own Company all of us are on our toes, keeping good old Natural Gas pouring in to the factories to keep the wheels going faster and faster. Helping you fellows to win this war is the No. 1 job of our organization as it is with all Americans.

We are doing our best to see that all folks here have gas this winter, Joe, even though building of pipe lines must be kept to a minimum to conserve the steel needed for the things you fellows have to have.

All good luck to you Joe from all the fellows. We hope all of you will hurry back here. The Gulf South will be waiting for you.

As ever,

Hank

MORE FOOD IN 1943

This Bank
 Will Help
 FARMERS

FINANCE THIS BIG JOB

Uncle Sam asks our farmers to produce more of everything in 1943—especially beef, pork, mutton, milk, cream, butter and eggs.

Farmers in this territory have the plant to produce these products and the patriotic spirit to cooperate.

If you need financing to operate your farm, or to increase its production in 1943, come in and talk with us. You'll receive a friendly welcome and you'll find this Bank ready to help.

Local Ration Coupon Banking Went Into Effect Wed., January 27th

"Ration coupon banking," a new type of banking service for retailers and wholesalers of rationed commodities...

This is a war service that the government has asked the banks to undertake under which wholesalers and the larger retailers will be required by the Office of Price Administration to open "ration bank accounts"...

Consumers such as housewives, motorists, and other individuals who purchase rationed commodities for consumption will not be affected by the new "ration coupon banking" system...

The banks will have nothing to do with the fixing of ration allotments or allowances, or with the issuing of ration coupons...

The new "ration banking" system will not affect the regular money or check accounts of the public at all...

The "ration bank accounts" will be new accounts for the handling

of ration coupons only and will be entirely separate from all other accounts in the banks...

These "ration checks" will have nothing to do with the payment for the commodities ordered...

"Ration coupon banking" is a new plan for handling a lot of the work now done by the 5,500 local ration boards...

Rationing is designed to secure a fair share of scarce commodities for everybody. "Ration coupon banking" is designed to help bring that about...

Mrs. Rayburn Smith is visiting her daughter, Mr. and Mrs. Bebbstein and new grandson Michael Allen who arrived in their home, Jan. 14, at Attica, Kansas.

TO THE PRODUCERS OF DONLEY COUNTY:

Walter J. Flynt, Secretary Donley County ACA

Since last week when Mr. Breedlove and myself held a series of meetings in six different communities in Donley county, I believe that the farmers and ranchers of Donley county will have no trouble in reaching their goals for livestock and poultry production...

There is one thing that comes up with the increased livestock production, that I believe producers should pay particular attention to. All these livestock must be fed. You may say that we can raise enough feed for our own stock...

The reason for this caution in the above paragraph is that many farmers have come to this office for information on the 1943 program, and finding that they did not have to plant any particular amount of any certain crop...

Commerçe—

(Continued from Front page) staged by our school system in the Donley County's part in the War effort. If this could be accomplished it would sell Donley county to our neighbors and wake a lot of us up to the fact that we have one of the finest school systems in the country...

5. To conduct a contest (details to be announced later) to select last month of school depicting the most outstanding young man in the community during 1943 as to leadership in civic and community betterment...

6. To conduct a contest (details to be announced later) in which prizes will be awarded for the most outstanding patriotic window display, Victory Food display or anything pertaining to the Victory War Effort.

7. To continue cooperation with the Stock Show Board in promoting the Stock Shows as in the past.

In addition to the above activities, the C of C will have the following regular activities that are carried on each year and the committees have been selected to serve as follows:

Membership: E. R. Andis, chairman; Lee Bell, J. R. Gillham, E. Baley.

Band: R. E. Drennan, chairman; C. B. Morris, Ray Ferguson.

Highways: G. G. Reeves, chairman; Jim Patman, A. L. Chase.

Recreational Prog.: Chas. Lowry, chairman.

Legislative: J. R. Porter, chairman; W. H. Patrick.

Annual Banquet: J. R. Gillham, chairman; J. T. Patman, Lee Bell.

Retail Merchants Committee: U. J. Boston, chairman, Allen Bryan, Alvin Landers, A. J. Parker, L. E. Thompson.

Trade and Development: Dr. Keith Lowell, chairman; Fred Cook, J. D. Swift.

Final Tribute Paid To Local Youth

Funeral services were held last Friday afternoon for Lieut. Raymond A. Hay, local youth who was killed in an airplane crash near Boise, Idaho.

The services were conducted at the Baptist church by Rev. E. L. Moody with Rev. M. M. Miller assisting. The organist played the National Anthem as former comrades in arms bore the flag-draped bier through the church aisle...

Lieut. Hay had lived the larger portion of his life in Clarendon where he was graduated from local schools. He had attended Texas Tech at Lubbock prior to his enlistment.

Pallbearers included S/Sgt. Shelby C. Bell, Jr., Pfc. James E. Bell, Pvt. Kenneth Bell, Pvt. Weldon Warren, Pvt. Coleman Huffman, and Pvt. Dempsey Robinson.

Taps was sounded over the grave and a military salute fired in final memory of the young officer.

Agriculture: E. Baley, chairman; George Bagby, Carroll Lewis, Chas. Bairfield, Bill Weatherly, J. R. Gillham.

Entertainment and Special Occasions: C. J. Douglas, chairman; R. E. Drennan, Chas. Lowry.

Advertising and Publicity: Lee Bell, chairman; G. W. Estlack, Dick Cooke.

Donley County Leader, \$2 a year

Celebrates 73rd Birthday Sunday

Twenty-six children, grandchildren and great grandchildren met in the home of F. L. Behrens Sr. Sunday to help him celebrate his 73rd birthday...

Mr. Behrens, a rugged god-fearing man has lived a wholesome christian life and is still hale and hearty despite his advanced years.

When the war came on, Mr. Behrens was quick to realize that the nation must have plenty of food to keep the boys well fed on the battle front.

The day was enjoyably spent, visiting together and talking over present conditions and having a general good time.

Lewis Chamberlain who finished at Simmons University at Abilene is at home and will leave for S.M.U. at Dallas in a few days.

Mrs. Ralph Bourlafd of Quail visited her mother, Mrs. Dave Johnson this week.

Pvt. Robert W. Warren of the Lubbock Army Flying School visited relatives here this week.

Mrs. Ruth Kennedy returned home Tuesday from a visit with her daughter, Mrs. Hess and family at Lawton, Okla.

Mrs. Dilli Writes Of Big Snow

The following letter was received by the Leader editor from Mrs. Lena Dilli, former Clarendon resident, now living at La Grange, Ill.

No doubt you'll be surprised to hear from me, but I wanted to write you about the weather and if it's worth while you can use it for the paper.

I arrived here the 20th of Dec. and there's been snow on the ground ever since I've been here. The temperature is 21 degrees below zero today, and so much snow that for the last 2 days they cleared the streets with snow plows...

I am real well and enjoying my visit a lot right at the present time. I'm visiting with my sister, Mrs. W. A. Neal, 121 Calender Ave, La Grange, Ill.

It seems like a big treat to be up here and can read The Donley County Leader about my friends in dear Old Texas.

Mrs. Lena Dilli

Mr. and Mrs. Alton Scoggins of Claude spent the week end with her sister, Mrs. Ralph Decker.

Dr. Keith S. Lowell
