Colts To Play Childress Kittens Here Tonight

The Clarendon Jr. High Colts will play their last home game of the season here tonight at 7:30. They will tangle with the Childress Bob-Kittens, a team that has been reported as their equal or stronger which means that you will have an opportunity to see one of the best games of the entire season.

Coach English reported that his young Colts were ready to go but knew they would have plenty of opposition and would really have to hustle in order to keep their slate clean for the season. The Colts still remember the game last Thursday night with the Junior Lefors team when they had to really pour it on to win in the fourth quarter. The score ended 20 to 6 but was tied 6-6 for too long a time.

Coach English reported the following as his probable starting line-up, beginning with left end: Murf, Banister, Bain, F. Clifford, Edens, Brown, Mulanax. In the backfield will be Thompson, Morrow, Myers and Hall.

Coach John Steppe of Childress gave his starting line-up as follows, starting with left end: Meed, Wrinkle, Crawford, Sharp, Beal, Norman and Jackson. His backs will be Davis, Cagle, Stephens and Castleberry.

The Colt Mothers will have the eats stand open for the game and invite everyone to come by for a hot dog, hot coffee and other good eats and drinks. Remember the game time is 7:30 tonight (Thursday). If you have never seen the Colts play, you will be in for a great treat if you see them in action tonight.

ANOTHER REMINDER

Yes, we would like to remind everyone again that we need your news copy early in order that we will be able to publish it while it still has good news value. A number of early happenings have been turned in late for the past few weeks and we are having to draw the line again. We need your copy the next day after the news is created. When this copy all comes in on Wednesday we simply can't get it set up in type in time.

In addition to that, we do our very best to go to press in time Thursday morning to make the 11 o'clock train going south so that our subscribers in the East part of the county will not have to wait Saturday to receive their Leader.

Please turn your news in early so we will not have to leave it out. No copy will be received later than Wednesday noon. It will not be accepted Wednesday morning if it happened prior to Monday of the current week. Thanks again for your cooperation.

DR. J. P. MCBETH

Baptist Revival Begins Nov. 13

Beginning November 13, the First Baptist Church will engage in a Revival campaign with the emphasis on stewardship to God. Dr. J. P. McBeth of Dallas, well-known evangelist, author and teacher in Texas and neighboring states, will conduct the series of services which will be held each day through November 20. Dr. McBeth, who is in great demand continually, will speak in the morning services, which begin at ten o'clock, and each evening with the services beginning at 7:30.

Each person, who is able, should avail himself of the opportunity to hear this man of God bring soul-stirring messages at each service through the week.

World Community Day, Nov. 4th

Don't forget to bring your gift offering, "Pieces for Peace" on World Community Day, Nov. 4th to the Methodist Church. A covered dish luncheon will be held at 1 o'clock, followed by business meeting and program. Also, you are reminded to bring your Piggy Bank for Leper offering.

UNIFICATION CAN WORK, SAYS EISENHOWER
WASHINGTON, D. C.—Former Army Chief of Staff General Dwight D. Eisenhower (right) as he told the House Armed Services Committee that he believed unification can work. He said differences of opinion were bound to occur and that "we're expecting perfection too quickly." Seated with him is Gen. J. Lawton Collins, Army Chief of Staff.

Sixteen Hundred Dollars Cleared In P. T. A. School Carnival

The Sims P. T. A. reported approximately \$1,600 clear in the school carnival which was held here Monday evening and sponsored by the above organization.

Miss Judy Thompson, first grade student and daughter of Mr. and Mrs. George Thompson, received the most votes in the Queen Contest. The coronation ceremony was held at 6:30 Monday evening at the College gym.

The stage was beautifully decorated with a backdrop of gauze hung with gold and silver stars, moons and crescents. Majestic brocade throne chairs sat upon the high throne which was covered in white as were the risers for the lords and ladies of the court. Personnel of the court were as follows:

Court drummers: Inelle Cox and Betty Thompson.
Court Musician: Lois Marie Hommel.

Court Bugler, Boyd Pipes; Court Herald, Bill Porter; Court Jesters, Glenn Wallace and Charles Anderson; Royal officer, Sam Patterson; Crown Bearers, Dennis Stewart and Charlie Slavin; Train Bearers, Sandra and Susan Leek; Queen, Judy Thompson; King, Freddy Mulkey, and Lords and Ladies of the Royal Court.

In the queen contest the second grade ran second with Priscilla Wright as princess and Dennis Bradshaw as Prince. The sixth grade with Wanda Lewis and Bobby Hewett as Princess and Prince ranked third. Approximately \$1,000 was taken in from the contest and receipts at the door.

The Carnival cleared about \$1,600 and the cafeteria did better than ever before.

Local Business Firms To Observe Armistice

It has been understood that Clarendon business firms will be closed Friday week, November 11th in observance of Armistice Day. Armistice Day is one of the four holidays agreed upon to be observed by all local merchants throughout the year. The others are Thanksgiving, Christmas and the 4th of July.

The general public is requested to keep this date in mind as it is the desire of your local merchants that no one be inconvenienced due to the closing. Shop a day early on Thursday or a day later.

This will be the first Armistice day in many years that a football game will be played with our regular high school team participating, and since all business firms will be closed, it will give employees an opportunity to see the game or do whatever they please.

CARNIVAL AT GOLDSTON SCHOOL THIS FRIDAY NITE

There will be a Carnival at the Goldston school house Friday night. Everyone is invited, and the proceeds will go to remodel the building.

Pirates Defeat Broncs, 33-12

The Lefors Pirates upheld a greater portion of what has been said about them by dropping the local Broncs club 33 to 12 last Friday night. The game was much closer fought than the score indicated, for the Pirates scored on long runs that covered lots of yardage on most every occasion.

The Pirates scored once in the first quarter, again in the second, another in the third and twice in the fourth quarter. The Broncs scored their first quarter early in the second quarter when LaGrone went around left end for 20 yards. The second counter came about mid-way of the fourth quarter when Trussell took a pass and dashed 30 yards for the score.

The Broncs played a very good game all the way through and allowed very little yardage through the center of the line. The faster boys in the Lefors backfield, and long end runs, put the Broncs behind. Todd and Combs were the outstanding players for the Pirates.

MISS LOUVA HUNT

Louva Hunt Winner In Creative Writing Contest

Each year the Dallas Times Herald conducts a contest in creative writing. This contest is open to the students of the colleges of Texas.

Louva Hunt, who represented Clarendon Junior College with her entry, a volume of lyric poems, was among the contestants whose manuscripts received final consideration by the judges. Her manuscript was titled "Twilight Meditations."

Contest judges were Karl Shapiro, poet and professor at Johns Hopkins University; Hiram Haydn, novelist and editor-in-chief of Crown Publications; and John Fischer, editor-in-chief of Harper and Brothers.

Louva is the daughter of Mr. and Mrs. Ernest Hunt of Clarendon. She is enrolled in S.M.U. as a junior student with a major in English. At present, she is taking a course in Creative Writing under Dr. Phillips. She has already been invited to join the novel writing course to be offered next year.

REUNION HELD FOR J. R. BULLS FAMILY

Mr. and Mrs. J. R. Bulls celebrated his 71st birthday Sunday with a reunion of all their children with the exception of Woodrow Bulls and family of Monroe, Louisiana.

Those present were Mr. and Mrs. B. F. Bulls and family of Guymon, Okla., Mrs. Ross Adamson and daughter Jean of Ropesville, Texas, Roy Bulls of Eunice, New Mexico and Mr. and Mrs. H. H. Hahn and family from Pampa, and the parents, Mr. and Mrs. J. R. Bulls.

STEEL STRIKERS LINE UP FOR FREE MEALS
GARY, IND.—Soup lines for striking steelworkers have been set up at Gary. This one serves about 4,000 meals a day. Picket lines have been growing longer, probably because of the free food given out. Some strikers are not only broke but have used up their credit with grocers.

DUCK SEASON TO OPEN FRIDAY

The first part of a split duck season will open this Friday, Nov. 4th at noon. Ducks may be taken morning or afternoon during the remainder of the season which closes Nov. 21st for the first part of the split season. Four ducks is the limit for any one person and it is a very good idea to drop by the Post office and purchase that duck stamp before you go out.

New Board Of Directors Elected For Youth Center

At a meeting of representatives from all civic organizations and clubs Tuesday evening at the youth center building, six new board members were elected to help direct the work of this worthy enterprise in our city. Mrs. Elba Ballew was elected chairman; other members are Mrs. Rolle Brumley, Mrs. Dick Valance, Rev. John A. English, C. W. Lane and George Thompson. Mrs. Cap Morris, general chairman, presided over the meeting.

It was voted to open the youth center three nights a week: Tuesday, Thursday and Saturday nights. It will be open tonight after the football game.

Frozen Food Demonstration November 17th

A demonstration on a "Meal From the Home Freezer" will be held at the Clarendon Electric Thursday, November 17, at 2 p. m. The Donley County Consumer's Locker Plant is also cooperating to produce this event.

In addition to the meal that will be prepared, hints on preparing holiday menus, and on electric cookery will be given. Each and every person present will receive a prize; in addition, a drawing will be held to award the larger prizes.

The public is cordially invited to attend. For more details see next week's paper.

BRONCHOS TO REST THIS WEEK

The Clarendon Bronchos will rest this Friday night with an open date on the schedule. Coach Clinton is taking advantage of the open date and two weeks period to get his Broncs ready for the traditional clash with the Memphis Cyclone Friday afternoon, Nov. 11th.

Mr. and Mrs. Carrol Hudson and son of Hereford spent the week end with his parents, Mr. and Mrs. Major Hudson.

Mr. and Mrs. Bill Slaton of Electra spent the week end in the Bill Greene Sr. home.

State Amendment Election Next Tuesday

Next Tuesday, November 8th, is the date of the balloting on ten state amendments. It is the duty of all voters to go to the polls and cast their vote one way or another and as it so happens in this case not too many voters know the actual contents of any of the Amendments. The only amendment which has drawn much fire is No. 5, listed 2nd on the ballot.

This amendment seeks to raise salaries of legislators 500 per cent and provides for annual sessions of unlimited length. If you are in doubt about any of the amendments, you should contact some informed person and get the right information.

Another issue to be voted upon is a member for the State School Board for the 18th Congressional District. This is the new office set up under the Gilmer-Aikin law.

CITY-COUNTY LIBRARY NOTES

By May L. Prewitt

A few days of fall weather promotes reading interests. Book mending has been the chief occupation for the past six weeks, but quite a few books are being issued regularly at present, but we haven't too many new editions.

'Trees' the year book of Agriculture for 1949 issued from Washington was mailed to us from Congressman Eugene Worley. This book has an artistic binding of leaf designs, and contains much enjoyable material. We have received the agriculture volumes of 1940, 1941 and 1942 this fall. They are quite an asset to our shelves. If we had twice as much space it could be used as every corner is occupied.

We purchased 'Cattle Empire' by Lewis Nurdyke. The

Texas and Panhandle literature corner would likely startle you surprisingly, and yet there are dozens of writers not represented in this list. Texas seems to be establishing an 'individual brand' of writers or literature.

To the garden shelf we added 'Garden Lilies' by Alan and Esther MacNeil. This small book is of exceptional value to those interested in lily culture. Our garden corner literature is gradually becoming of noticeable size. When the Garden Club combine their books with those here it will be greatly increased.

The New York Times Book Review recently attracted our attention to the recognition of Somerset Maugham and his rating at the age of 75. His books have not declined in popularity and have maintained their literary value. His last book 'Catalina' published in 1948 was a Book-of-the-Month Club edition.

The mail contains new cata-

logues daily with suggestions for observation of Book Week for Children in November. Our children's corner is fairly well supplied, and our winter purchases will necessarily be for the teen age group. They usually are compelled to read the left overs, and this is what we shall try to avoid in the future.

Mr. and Mrs. R. R. Dawkins spent the weekend in Mountain View, Okla. with Mrs. Dawkin's two aunts.

Mr. and Mrs. Homer Estlack and children visited her father and wife, Mr. and Mrs. J. C. Drennan at Altus, Okla. Sunday.

Mr. and Mrs. J. W. Collins of Amarillo visited her parents, Mr. and Mrs. J. L. McMurtry over the week end.

May Morris and Jean Ballew were shopping in Amarillo Sat.

ments raising legislative salaries to \$3,600, beginning Jan. 1, 1950, and providing annual sessions."

"AGAINST the constitutional, etc."

Is it possible that the favoring members of the Fifty-first Legislature feared that such plain-spoken submission would have—

1. Specifically called attention to the fact that in actuality two amendments are being submitted as one, which is in violation of the intent of the constitution itself?

2. Emphasized the fact that the Fifty-first Legislature is asking for a salary raise for its own members, which is also in violation of the Constitution?

The wording on the ballot was made as general and as evasive as possible for the purpose of easing

the amendment by the people not well informed as to its real meaning. And this, in turn, was done because a majority of legislators feared that too much information about the proposed amendment would not be in its favor.

The people should vote AGAINST the amendment "relative" to something or the other about the Legislature. — Dallas News.

Editorial 'Relative' To An Amendment

Dishonesty on the face of the ballot by which one of the proposed constitutional amendments is submitted should be enough to defeat it. House Joint Resolution 5, by which the Legislature offered this amendment subject to election Nov. 8 provides that the ballots shall carry the wording:

"FOR the constitutional amendments relative to sessions of the Legislature and to compensation of its members."

"AGAINST the constitutional amendments relative to sessions of the Legislature and to compensation of its members."

It would have been more helpful to the voting public (and to the cause of democracy) if the ballots had stated something like the following:

"FOR the constitutional amend-

MRS. CLIFFORD JOHNSON ELECTED PRESIDENT

What is said to be the first garden club to be organized in Hedley was that of Tuesday afternoon when Mrs. Clifford Johnson was elected president; Mrs. Leon Reeves, V. president; Mrs. Harrison Hall, secretary-treasurer, and Mrs. Bill Jones, reporter.

The session was held in the Masonic Hall and some twenty-eight Hedley ladies were present and served refreshments at the close of the meeting.

The Garden Club will meet on the first Tuesday of each month with a carefully arranged program to which all ladies interested in flowers and garden and

other civic enterprises, are urgently invited.

Talks were made by Mrs. W. Clyde Bridges, Mrs. Alva Simmons and Mrs. Clifford Johnson of Hedley, and Mrs. Rayburn Smith, Mrs. W. W. Taylor, Mrs. Joe Goldston, Mrs. H. C. Brumson, Mrs. J. H. Howze of Clarendon, invited guests to assist in the organization.

An interesting feature of the afternoon was the showing of colored slides of Clarendon flower gardens and other pictures by Mrs. Joe Goldston.

The Clarendon ladies named above have long been enthusiastic flower growers of our city, and leaders in flower garden practice

Announcement Tea

To announce the approaching marriage of her daughter, Miss Dorothy Patricia Molesworth, to Mr. William E. Craft of Brice, Mrs. Jack Molesworth entertained with a small informal tea in her ranch home Thursday afternoon, October 27.

Floral arrangements in the chosen colors of yellow and brown decorated the living room where Mrs. G. D. Craft of Brice, mother of Mr. Craft; and Mrs. A. L. Mudge of Junction, grandmother of the bride-elect, received with the hosts and honoree.

Guests were registered by Mrs. H. D. Bell.

The wedding date was revealed on the yellow tea napkins with "Patty and Bill, November 26, 1949" inscribed in brown on them. "Patty — Bill" in brown letters on yellow satin ribbon encircled the centerpiece of brown and yellow mums and yellow candles on the tea table which was laid with a linen cut-work table cloth.

Alternating in serving the white cake squares which were bordered in yellow and had a autumn leaf in each corner, were Mrs. Bill Lowe of Clarendon and Mrs. J. M. Livingston of Junction. Miss Charlotte Molesworth, aunt of the bride-elect, and Mrs. S. D. Prentice of Junction presided at the silver coffee and tea service.

Others in the house party were Mrs. J. H. Morris, Jr. and Temple Deaver of Memphis, Tex.

MOTHERS CIRCLE

Mrs. W. E. Hamilton gave an interesting and informative talk on "Foreign and Home Missions" at the monthly meeting of the recently organized Mothers' Circle of the Missionary Society in the parlor of the Methodist Church last Wednesday afternoon.

Explaining the need for and the usage of the money raised by missionary groups throughout the United States, Mrs. Hamilton clarified the purposes of organized missionary societies for the benefit of the women who had their initial meeting in September.

Mrs. Homer Bones presented the devotional.

The business session was presided over by Mrs. Frank Phelan. The group, whose membership is open for all mothers of young children, will have its next meeting on the last Wednesday of the month in the Methodist church parlor at four o'clock.

JUNIOR H. D. CLUB

This Club met at the Club room Thursday afternoon, Oct. 27 with Ruby Blackman and Marguerite Carpenter as hostesses.

Those present were Mesdames Ruth Jenkins, Audra Allred, Dolie Wilson, Ola Williams, Sadie Head, Ona Tatum, Beatrice Rodgers, Nora Decker, Mildred Larimer and the hostesses Ruby Blackman and Marguerite Carpenter.

Vivian Allen was voted in as a new member. The next meeting will be Nov. 10th with Gladys Hommel and Nora Decker, hostesses.

1926 BOOK CLUB

The 1926 Book Club met Tuesday afternoon with Mrs. W. A. Riney and Mrs. Jolly Johnson serving as hostesses. Mrs. W. E. Clifford presided over the business session during which the following officers were chosen for next year: Mrs. B. C. Antrobus, president; Mrs. Alvin Landers, vice president; Mrs. Bill Lewis, recording secretary; Mrs. C. W. Bennett, corresponding secretary; Mrs. Thelma Darden, treasurer; Mrs. W. C. Thornberry, parliamentarian; and Mrs. M. R. Allensworth, federation counselor.

"Father of the Bride" by Edward Streeter was the book reviewed by Mrs. John Gillham.

The hostesses served refreshments to twenty-three members and to guests: Mrs. H. T. Burton, Mrs. Van Kennedy and Mrs. Oscar Thomas.

CUE AND CURTAIN CLUB

The Cue and Curtain Club had a wonderful Halloween party at the Canteen Thursday, Oct. 27. After games, which everyone enjoyed, Mae Morris served sandwiches, pop and cup cakes to the following members: Joan Swink, Willetta Riney, Geraldine Durham, Patsy Estlack, Inelle Cox, Ladelle Cox, Joe Dilli, Sandra Shelton, Jackie Brooks, Tommy Gattis, Bob Clifford, Mary Elmore, Dorris Knorpp, Mary Ann Landers, Alice McCrary, Sam Patterson, Mrs. Johnson, and Doris Wallace.

BRONCHO MOTHERS ENTERTAIN BRONCS

A Wiener roast with all the trimmings was enjoyed by the football boys and their dates Tuesday evening at the ranch home of Mr. and Mrs. Millard Word. Entertainment for the evening included group singing around a huge camp fire, individual songs and acts by members of the football squad and various games. The picnic was given and sponsored by the Broncho Mothers Club.

Those in attendance besides the boys and their dates included coach and Mrs. Ray Moore, Coach Clinton and wife, Mr. and Mrs. Henry Tatum and Mr. and Mrs. Millard Word.

Such an enjoyable time was had by all that it was suggested that the picnic be an annual affair.

The Broncho Mothers Club will meet November 10th at the Club room at 7:30 p. m.

KILL KARA KNEEDLE KLUB

Mrs. Frank Whitlock entertained the Needle Club members and guests Thursday afternoon at her home. Beautiful roses and dahlias were used to decorate the guest rooms. Needle work was the main feature of the afternoon.

At the business meeting the club discussed plans for their Xmas dinner and party.

The hostess served a lovely salad plate to invited guests, Mrs. Geo. McCleskey, Mrs. H. A. Hodges and Mrs. J. E. Hollingsworth; and to club members.

Mesdames F. A. White, Eugene Noland, Grover Heath, R. R. Dawkins, H. Mulkey, J. R. Bartlett, S. W. Lowe, Major Hudson, Clarence Piercy and Misses Ida and Etta Harned.

CUE AND CURTAIN CLUB

The Cue and Curtain Club met Monday, Oct. 24 in the home of Inelle Cox. We had a short business meeting and a program by Sandra Shelton, "When the Frost is on the Punkin and the Fedder's in the Shock," and Mae Morris, "Various College Dramatic Organizations."

The following members enjoyed lovely refreshments: Mrs. Johnson, Sam Patterson, Alice McCrary, Sandra Shelton, Mae Morris, Inelle Cox, Bill Porter, Bob Clifford, Joe Dilli, Tommy Gattis, Jackie Brooks, Patsy Estlack, Dorris Knorpp, Geraldine Durham, Willetta Riney, Joane Swink, Mary Ann Landers, Mary Elmore, Ladelle Cox, and Dorris Wallace.

MIDWAY QUILTING CLUB

The Midway Club met Thursday with Mrs. Scott. A most delicious dinner was served at the lunch hour. One quilt was finished and another partly quilted.

This being the second meeting of a new club year, the old officers were re-elected; several paid membership dues.

It was decided to have a wedding shower for Jaunita Mooring in the afternoon of our next meeting time. It will be in the home of

Mrs. Shaller on Nov. 10th. There will be no quilting at this time.

Misses Minnie and Ava Naylor were guests. Members present were Mesdames Lucille Eanes, Allie Quattlebaum, Pearl Terry, Judge Williams, Hefner, Mooring, Nora Goldston, Shaller and hostess Mrs. Scott and daughter.

ENTERTAIN WITH TEA

Mrs. U. J. Boston and Mrs. Robt. W. Boston of Amarillo were hostesses for a lovely tea last Saturday afternoon at the home of Mrs. U. J. Boston, 2402 Harrison, Amarillo, for their Clarendon friends and several Amarillo ladies, formerly of Clarendon.

Arrangements of red roses and chrysanthemums formed the decorations throughout the entertaining rooms. The guests were received by the hostesses.

The serving table, draped with a lace cloth, was centered with a crystal bowl of red roses and pink chrysanthemums flanked with lighted pink tapers in crystal holders. Mrs. W. J. Lewis, Jr., of Clarendon, presided at the coffee service.

About 50 guests called during the afternoon.

F. H. A. NEWS

The F.H.A. members met Wednesday, Oct. 26 in the Homemaking room. Mary Ann Landers gave a very interesting talk on Home Making Magazine.

The members of the F.H.A. are now selling Christmas cards, Christmas wrappings, etc. to build

up the treasury. Anyone wishing the above articles should contact one of the members.

Miss America of 1949 Protects Treasures

Jacquie Mercer, of Arizona, recently named "Miss America" at the annual Atlantic City pageant, dreams of her conquest prior to storing away her coronation gown in her smartly-styled cedar chest. The dress, which she made herself, will be protected against moth damage for her to don again next year when she relinquishes her crown and title to another of the nation's fairest.

CLARENDON 4-H CLUB

The Clarendon 4-H Club met Tuesday night and fourteen members were present. Don Thornberry, president of the club, presided and the minutes were read by secretary Chauncey Hommel.

H. M. Breedlove, county agent and sponsor for 4-H Clubs in the county made a talk to the group on the balancing of rations for the feeding of beef cattle. Selecting of beef calves for feeding was discussed and also the types of pens and feeders to be used.

The next meeting of the club is on Friday night, Nov. 25th at the Clarendon Fair grounds on the Brice highway at 7:30.

Mrs. A. L. Mudge accompanied by Mmes. J. M. Livingston and S. D. Prentice of Junction visited Mr. and Mrs. Jack Molesworth and family on the ranch last week end.

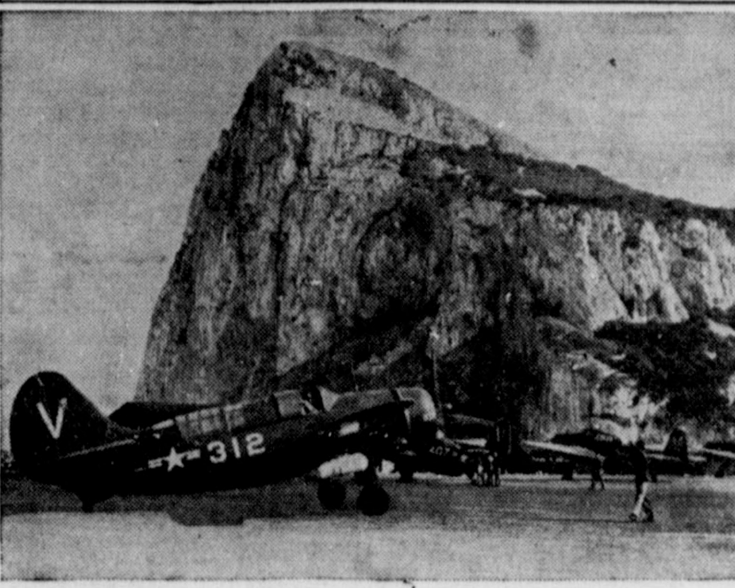

Are You Interested In The Future of Your Public School System?

The November 8 election is one of the most important in the history of Texas as far as the public schools are concerned. The 21-member State School Board, as provided by the Gilmer-Aikin Laws, will be elected. This Board will set up the State's administrative department of public schools.

A. R. "Dick" Bivins, of Amarillo, a candidate for the Board from the 18th Congressional District, has been an advocate of the Gilmer-Aikin Laws since they were first proposed. "These laws", he said, "form a strong framework for the efficient reorganization of our public schools. They will make it possible for the small district to have as good schools and as good teachers as the large districts. The basic purpose of the laws is that of bringing equality in education for all the school age children of Texas. The proper administration of these laws will develop the teaching profession as a leading one in our State. It will assure teachers of adequate pay and assure every district of a good school."

Mr. Bivins served many years on the Amarillo School Board. He has studied all phases of the public school problem. He resigned from the Amarillo Board to become a candidate for the State Board. He has made no campaign, but has been endorsed by a vast majority of school leaders in the district. "I feel that this is an office for which a man should not campaign," he said. "It pays nothing and requires a lot of time and work. Campaigning for such an office could very easily be made to appear as if a man had ulterior motives. My only motive is to do all I can for the public schools. I have offered my services on that basis."

Q—I have a guaranteed loan on my home and I have suddenly come into some money. May I pay off the balance of my loan at once?

A—Yes, you may pay off the loan before it becomes due and without any unearned interest or other penalty.

Q—I am drawing retirement pay and now plan to begin school in February under the GI Bill. May I also receive subsistence while attending school?

A—Yes.

Veterans' News

More than a half million veterans who owe the government money as the result of overpayments on subsistence allowances or other veterans benefits or defaults on loans guaranteed by the Veterans Administration may find all or part of their share of the forthcoming special dividend payment on National Service Life Insurance deducted to cover their debts, VA said today.

VA estimated that somewhere between 20 and 30 million dollars of such debts may be collected from the NSLI dividends.

All of the individuals concerned are aware of their indebtedness to the government and know that it is deductible from other VA payments to which they may be entitled, the agency said.

Some 600,000 veterans are currently indebted to VA for a total of about 70 million dollars. The bulk of this amount constitutes overpayments on subsistence allowances for veterans taking educational courses or training under the GI Bill.

Other types of indebtedness are overpayments on pension, compensation or readjustment allowances, and losses made good to lenders on defaulted GI loans.

A considerable number of veterans are now repaying indebtedness by having deductions from their monthly checks. When the overpayment is wiped out, as it may be by the dividend deductions, there will be no further monthly withholding.

Questions and Answers

Q—I am taking a course in automobile mechanics under the GI Bill, but I am afraid I am not cut out to be a mechanic. What must I do to change to a different field?

A—After November 1, 1949, you will have to undergo advisement and guidance from VA before you will be allowed to change to a different field of training. Your nearest VA office can make necessary arrangements for advisement and guidance.

Q—I read somewhere that World War II veterans will get their NSLI dividend checks before Christmas. Can you tell me when I will get my NSLI dividend check?

A—There is no possibility that any NSLI dividend checks will be mailed before January, 1950. About the middle of January, the

And wear is especially hard to beat in winter. To win back your stake, you'll need an unbeatable hand...

You'll need OIL-PLATING!

2. Magical Performance! Even when the fine lubricating oil itself isn't covering a part, OIL-PLATING is! It protects your engine from grinding "dry-friction" starts... from combustion acids... from sludge and carbon caused by wear.

1. Oil-Plating—a feature of patented Conoco Nth Motor Oil—performs a wear-preventing miracle by fastening a shield of special lubricant to working parts. OIL-PLATING can't all drain down—even overnight!

3. Winter's A Killer! These wear-makers, at their worst in winter, threaten your car now. New and older cars both urgently need Conoco Nth. Don't wait... drive yours in today and armor it against winter with Conoco Nth!

Nov. 6-13 Designated As CROP Collection Week In Texas

COLLEGE STATION—Chair-
 man Daniel C. Russell of the
 Texas CROP Committee called on
 the citizens of Texas to open
 their hearts for the needy over-
 seas and give to the Christian
 Rural Overseas Program (CROP)
 during the CROP MONTH of
 November.

Russell called attention to the
 fact that either commodities or
 cash for the purchase of commodi-
 ties in bulk could be donated.
 It can be contributed through the
 county or community committee
 or through the county agent or
 local pastor.

"The need for help such as is
 made possible through CROP still
 remains in many overseas coun-
 tries on the part of little children,
 orphans, refugees and the aged
 and infirm, Russell said.

He pointed out that the Christ-
 ian Rural Overseas Program is in
 position to receive exportable
 commodities or cash in any a-
 mount, small or large, for distri-
 bution overseas of food and fiber
 by the established church relief
 agencies to the destitute irrespec-
 tive of race or creed.

Russell stated that Governor
 Allan Shivers, honorary Texas
 CROP chairman, had designated
 Sunday, November 6, 1949, as
 CROP Sunday in Texas and No-
 vember 6-13, as CROP Collection
 Week.

In Texas the collection of cot-
 ton, cottonseed products, wheat,
 rice, pecans, peanuts, powdered
 milk, meat products, etc. are be-
 ing sought.

Health Notes

AUSTIN—Emphasizing the ur-
 gent need for parental supervision
 of all phases of child health, Dr.
 Geo. W. Cox, State Health Officer
 said today, "Much of the impair-
 ed eyesight of advanced years
 could be prevented if sufficient
 interest in early life were applied
 and a correction by means of
 temporary glasses made when
 required."

Parents, Dr. Cox asserted,
 should be watchful for danger
 signals in the child such as frow-
 ning, squinting, persistent head-
 ache, eyestrain, and watery eyes.
 If the youngster reads too closely or
 too far away from the face, that
 situation may also be significant
 of trouble.

"No child likes wearing glasses,
 nevertheless, it is the obligation
 of those responsible for the future
 of young folks to have their eyes
 examined by a reputable special-
 ist if there is a suspicion that nor-
 mal vision does not exist. It is
 much better for a child to wear
 glasses for a few years during
 early school life than to have
 permanently defective vision in
 later life," he declared.

Dr. Cox said that neglect of the
 eyes is by no means limited to
 children. Many older persons,

some through vanity, indiffer-
 ence, or carelessness, fail to give
 proper attention to the care of
 their eyes. Penalties, he warned
 are bound to occur for such in-
 excusable negligence.

"The eyes of any person,
 whether young, middle-aged, or
 older represent one of the most
 priceless of bodily possessions,"
 the State Health Officer asserted.
 "To take care of them promptly
 and properly is a responsibility
 which never should be sidestep-
 ped."

Miss Ruth Tucker of Ft. Worth
 will spend the week end with her
 mother, Mrs. J. R. Tucker. She
 will arrive Friday.

Mr. and Mrs. J. I. Spurgeon and
 Mr. and Mrs. Bob Hutson visited
 Mr. and Mrs. Bennett Haley Sun-
 day at Amarillo.

Notes from --- CITY HALL

The City has several choice lots they would like to sell. Anyone liking any of them will please come by the City Hall and leave your bid. We have most any kind of lot you would desire.

We thank all of you who paid your taxes so promptly as it gave us some revenue to pay some of our obligations.

To those of you who plan on paying your taxes in November and December, it would be appreciated if you came in the afternoon as our tax clerk will only work afternoons during those months.

We thank all of you who have complimented us on the street graveling project. Any of you who want any information on same may receive it by contacting Mr. Claude Moore, Bob Head or Joe Jones.

To you youngsters, thanks for not being destructive on Halloween. In one of the issues of our notes in the near future we will try and break down our expenditures in common lingo. We have had some favorable comments on doing so.

Mrs. Simmons Powell and her mother, Mrs. J. W. Davidson will leave Saturday for a visit to Dallas. Mrs. Davidson will remain for an extended visit.

Spiller Rites Held Wednesday, Oct. 26

CANADIAN—Mrs. Hollis Spiller, 61, died at 10 a. m. Tuesday at her home in Canadian after a long illness.

Funeral services were conducted Wednesday at 2:30 p. m. at the First Presbyterian Church, with the Rev. Harvey Parker, pastor, in charge.

Interment was in the Canadian Cemetery, under the direction of Stickley Funeral Home.

Pallbearers at the services were E. S. F. Brainard, Houston Miller, H. E. Hoover, Ted Garver, Frank Shaller, and Bill Flewelling.

Mrs. Spiller is survived by her husband, Hollis B. Spiller; one son, James C. Spiller of Jackson, Miss.; two daughters, Mrs. Mary Sue Griffith of Ventura, Calif.; and Ada Pearl Englin of Wheeler; three brothers, Walter Clifford of Clarendon, George Clifford of Houston, and Bill Clifford of Amarillo; and two sisters, Miss Lela Clifford of Pampa and Mrs. Pearl Copeland of Ropesville.

She was born Elizabeth Jane Clifford, in Jones County, Texas, on Sept. 16, 1888.

She became a registered nurse in 1916, taking her training at Fort Worth, and was married to Hollis Spiller of Canadian on Sept. 2, 1919, coming to Canadian to make her home at that time.

Mr. and Mrs. Chas. Lowry and Mrs. Rhea and children were dinner guests of his brother and family, Mr. and Mrs. Luther Lowry at Claude Monday night.

Mrs. Lena Antrobus and Mr. and Mrs. O. C. Watson spent the week end visiting Mr. and Mrs. O. C. Watson Jr. and family at Perryton.

Donley County ACA Farm News

COTTONSEED PURCHASE PROGRAM

The Cottonseed Purchase Program is now in full sway. At the time of this writing over 500 tons of seed have been delivered to the CCC points. One hundred-forty-five checks have been written amounting to \$11,640.43. This is \$1,586.97 more than the farmers would have had the program not gone into effect. Almost all of the cottonseed in Lelia Lake and Hedley is going to CCC, but at this time we have no trucks to haul the seed at the Clarendon gins. We are doing all that is in our power to get trucks back there, and if there is anyone who has a truck and can help us with this, come to the office as soon as possible.

ELECTIONS

Let's not forget the election of the community committeemen that is coming up Saturday, November 12. That doesn't give us long to think about it. The polls will open at 8:00 o'clock and will close at 5:00. The people in A, C and D Communities will vote in the AAA office here in Clarendon. Community B will vote at Lovell's garage in Ashtola. Community E will vote in Lelia Lake, Communities F and G at the City Hall in Hedley, and Community H at Whitefish or Skillet—we will let you know for certain which one. Be sure to take part in the election as the duty of these Committeemen will be to serve you. You do not have to go to the polls to vote. Ballots are being mailed out to you. If it is more convenient, make your selections on this ballot and mail it back to the office in the enclosed envelope in time to get here before Nov. 12.

It makes no difference how you vote—JUST VOTE!

STALK AND STUBBLE:

We may be buried so deep in the cottonseed program that we haven't had time to notice, but off hand, it seems that we should have more applications for stalk and stubble approvals. Don't let this slip your mind entirely, as the PMA assistance amounts to 25c per acre. We know that many farmers carry out this good soil building practice, and we will be glad to help you if you only drop by the office.

NEW ASSET TO OFFICE:

You farmers will probably notice an added attraction to the office. Billie Bulman has started to work with us and will begin full-time Monday, Nov. 7th.

AGRICULTURE SHORTS:

"The farmer received less than half of every dollar spent for farm food products, according to information from the B.A.E."

"Conservation is an expression of faith in the future—faith that there can be a good future—a future of better living."

Secretary of Agriculture, Charles F. Brannon.

"Holding the top soil we have and making it more productive is one of the objectives of the Agricultural Conservation Program."

"With 2 1/4 billion people, the world has about 4 billion acres of cropland. That's 1 1/4 acres per person. World population is increasing about 20 million people a year. Hunger and malnutrition already claim millions of victims every year."

"When a worker's wages drop, one of the first things that he does is cut down on food and clothing, the things farmers have to sell."

"If there was no National Farm Program, needed crop adjustments would work out in time but the cost to the farm family, to the soil, and to the Nation would be great."

Mr. and Mrs. R. O. Thomas and daughter Berthamae returned home Saturday night after a 15 day visit thru Nevada, California and points in between. They visited their sons Flake Thomas at Las Vegas, Nev., Mitchell Thomas at Mineral Park, Calif., his sister at Dinuba, Calif. and Mr. and Mrs. Perkins Cooper at Fresno. They reported a very enjoyable trip outside of the cold weather that was encountered along the way.

Mrs. Weldon Sandifer and Mrs. Clyde Gilbert were Wellington visitors Tuesday.

The small son of Mrs. Bill Rives had an appendectomy at a Memphis hospital Friday. He is doing fine.

Celebrate Golden Wedding Anniversary

Mr. and Mrs. W. H. Strawn celebrated their Golden Wedding Anniversary with an open house last week at their farm home. They were married in 1899 in Kennedale, Texas and lived there eight years. In 1907 they moved to Temple, Okla., and after living there three years moved to Petrolia in Clay County. In 1917 they moved to Tulia and then on to Clarendon on Christmas day of 1924. They have made their home here since that time and both are still very active in managing and working their own farm land. Mr. and Mrs. Strawn have six children.

Mrs. J. L. McMurtry and Mrs. Pete Kunz attended the Robert Shaw Choral concert at Amarillo Monday night.

Mrs. John Howard Gilbert of the Willow Spring Ranch was a shopper in Clarendon Tuesday.

The Lion's Roar

By O. D. Lowry

The regular meeting of the Lions Club was held Tuesday, November 1st in the club hall. Three guests and 80 percent on the members were present.

Tuesday, Nov. 8th is our Anniversary and Ladies Night. Since this is to be at 7 o'clock there will be no noon meeting of the club on the above date. District Governor Curtis Cryer of Berger will be the speaker for this occasion.

Lion George Schollenbarger was the Lucky Lion at this meeting.

The program consisted of a talk by Lion Thomas Gray. Thanks to Lion Gray for this very good program.

There being no further business the club faced the flag, sang one verse of America and adjourned.

Mr. and Mrs. L. L. Edlin of Amarillo were Sunday dinner guests of Mr. and Mrs. Clyde Gilbert.

A Common Paper for Common People

Better Farming And Better Living

(Talk by The Honorable Marvin Jones, Chief Justice, United States Court of Claims, at the Farmers Home Administration Achievement Day, Program, State Fair of Texas, 2:45 P. M., CST, October 12, 1949, Dallas, Texas).

(Continued from last week) Even this temporary control is not absolute. It is subject to state and local taxation. A man's title depends upon organized government, upon honest jurymen and the courts who see that his rights are protected, and in the event of war or foreign invasion, the willingness of young men to fight to protect him in those rights. This

being true, the sense of trusteeship in the conservation and use of the soil is vital to the nation, and to every man, woman, and child in the United States and to future generations.

The greatest food-producing area now in the world is the Mississippi valley and the land connected with its tributaries. It reaches all the way from the Alleghenies to the Rocky Mountains. A proper use of the soil and water that falls upon the soil throughout this great area is part and parcel of the future of the United States. There are other smaller river systems that are also relatively important, but the whole question is wrapped up in the proper rebuilding and conservation of the nation's basic wealth. This is proven by the statistics of history.

Centuries ago the Tigris and Euphrates Valleys were among the world's most productive areas. Upon this basic wealth was built the Babylonian kingdom, the most fabulous empire that ever existed upon the face of the earth.

That whole country was crisscrossed with canals and dotted with granaries and storage places that made of that kingdom an outstanding picture. But the people of that kingdom grew wealthy. They became profligate. They neglected their soil and the use of water and Babylonia went the way of all the other ancient nations. One can still see the markings of these canals and evidences of early soil care. They are mute warnings of what happens to a nation that neglects its land and water.

When a man owns a small tract of land that he calls his home, he naturally wants to use it to the best advantage and preserve its fertility. He is not a candidate for either of the two extreme views of property ownership and he is not subject to any of the fantastic schemes and planners who want to undermine our system of government. He quickly learns that he is part of a community and wants to be in proper relationship with his neighbors.

Many years ago Ralph Waldo

Emerson made a statement that is worthy of any man's reading. He said in effect that a man takes care that his neighbor does not cheat him. After awhile in the course of his development he reaches the state of mind where he takes care that he does not cheat his neighbor. When he reaches this stage of progress he changes his gocart for a chariot in the sun.

I am proud of the development and progress made by the Farmers Home Administration in recent years in renewing the plan of individual home ownership of the family-sized farm. It has been a great contribution to our nation's strength. It is a source of intense pride to me that so many of the Texas people who have been given this opportunity have paid out their farms and own them in fee simple, and have a place that they and their families can call their own. It is a source of even greater pride that those who have been given the privilege of thus purchasing a home realize that if they meet their payments, it proves the success of the program and affords others a chance to have the same privilege. At the time the program was started there were many who predicted failure. They said that tenants wouldn't pay out their homes. How little they knew about human nature and the innate desire in every human breast to own a home.

For those of you who are not too well acquainted with this law let me review it for you briefly: The Act was created to make it possible for farm tenants, share-

croppers and farm laborers to own their farms. The law provides for a forty-year loan period at low interest rates. Its purpose is to make possible adequate credit at low interest rates from the Government when such credit is not available from other sources.

The movement has been a tremendous success. More than 5,400 Texas families have purchased homes under the program.

But that's not all. Of the 5,400 Texas families who have received loans—2,013—yes, 2,013 have already paid their notes in full. Thirty years before they were due. And, farmers in the other states of our Union are doing the same thing.

Of these 5,400 farms only 14 have been repossessed—less than one-twentieth of one percent of the borrowers failed to meet their obligations.

That's ample reward for having faith in one's fellow man.

Yes, these Texas farmers who have participated in the program have paid back to the United States Treasury more than 18 million dollars in principal and more than 5 million dollars in interest.

And, at the same time they were improving their living conditions and becoming better citizens through farm ownership.

I congratulate the officials and employees of the Farmers Home Administration who have also caught the spirit and who with almost a religious fervor are carrying out the great work with which they have been entrusted. To them it is not simply a pro-

gram. It is a mission.

The lure of a reward on the part of a man who is endeavoring to pay out his home and the feeling of self-reliance which comes to him as he attains this and does something for a people and to a people which I hope we may not lose in our effort to have the Government afford security to all its citizens. It is this self-reliance, strength and energy which has built our country from simple beginnings to the proud heritage of freedom and power. That strength shall last so long as our people are self-reliant. I congratulate all of you who have paid out your places and have become home owners in the real sense of the word.

The immortal ballads "Home, Sweet Home" and "Little Gray Home in the West" were not inspired by a rented shack, but by the dream and thoughts of a home that a man might call his own.

A nation of home owners will never go either Fascist or Communist. It will never become a prey to the wild schemes of the agitator. Its citizens in humble castles they call their own will be true to the ancient principles of God and man which must ever be the mainstay of a free people.

BLOWIN' Out the CORNERS

Bro. Barr gives me a clipping about a pastor of a church in Anchorage, Alaska; as he tells about burning several packages of cigarettes that some of his members gave him after they had quit. Quoting from this pastor: "I placed the cigarettes right on top of the fire, and watched them burn. I thought of the time that I used tobacco or, rather tobacco used me, how I started out as the ad-

vertisers say to enjoy a smoke, and then became a slave to the drug". Anyway, in my case it was so easy and simple to begin the habit, seemed so harmless and made me feel so big; then when I had to quit it makes us feel so little when we almost can't - - - Thanks Brother Barr for taking an interest in our column and our work, and for being a member of our club, and for coming to our own town to be neighbors and friends with all of us; to help comfort us and our friends when trouble comes along our way. Thanks again - - -

Uncle Bob sends me another supply of the Scottish papers. I notice that they are still having rationing over there. Thanks Uncle Bob for being so thoughtful - - -

Also had a letter from my Uncle Count, down Ft. Worth way. He is taking up for Mama; says that I am always bragging on someone else's cooking when he offers to bet she can do a good job herself; says he will bet that I never brag on her cooking. Anyway, he kinda touched my heart; made me feel bad all over. I am just as guilty as I can be. Eat three square meals a day, and never says a word of praise. Get up on Sunday morning and put on a clean white and freshly ironed shirt, and what do I say? Probably yell and ask where my tie is. I feel plumb aggravated with myself. Next time Mama makes me a pie even half as good as the lemon pie that Mrs. Lee Thomas baked, I am going to tell her how I appreciate it. I think sometimes it does us good for some one to get after us. Thanks Uncle Count, thanks, I'll do better after this.

A couple of my friends were talking the other day; more or less kidding each other. Said one, "I bet you have to do a lot of praying to get forgiveness for all the things you do". "No," said the other, "A man that does right don't have to do a lot of praying; if he does make a mistake, he don't have to spend a lot of time praying about it if he don't want to; he can just go back and make the thing right; if it is a wrong to some person make it right with them and the need for praying all the time for forgiveness is done away with." Anyway, it sounded like pretty good doctrine to me.

Heard this one the radio: "People are so busy looking to the Left and to the Right, that they forget there is an Above and a Below." This was used in connection with our looking to one political group or the other for this or that. And ain't it just about the truth?

Two Prayers: by Andrew Gillies
Last night my little boy confessed to me

Some childish wrong;
And kneeling at my knee,
He prayed with tears—
"Dear God, make me a man
Like Daddy—wise and strong;
I know you can."

The while he slept
I knelt beside his bed,
Confessed my sins,
And prayed with low-bowed head.

"O God, make me a child
Like my child here—
Pure - guileless,
Trusting Thee with faith sincere."

If we give love and sympathy
Even to those who hate us
We fill them so with mystery
They know not how to hate us.

Greatest State Fair In History Closes Gates

The greatest state fair ever produced in Texas or anywhere else, for that matter, closed up and locked its gates Sunday, Oct. 23, after breaking practically every existing record for state fairs.

Despite four days of rain and almost continuous threats of rain, more people visited the exposition, won more livestock premiums, saw more exhibits, enjoyed more shows and more football games, heard more music and ate more food than at any previous state fair in history.

Attendance for the 16-day show was 2,047,540, which was 155,000 more than attended the largest previous fair, Rural Youth Day set the record for number of farm and ranch youth ever assembled at a single spot when 75,000 swarmed the grounds Oct. 15. This was also the largest single day in the history of the Fair; 276,984 visitors arrived from every corner of the Southwest to enjoy the fantastic exposition.

The livestock show made history, too. Its beef, cattle, swine and quarter horse shows were the largest ever held at the Fair.

Twenty states were represented, as the show broke all records for entries and interest. Even the hens in the egg laying contest caught the spirit. The winning pen of eight, belonging to George M. Heberer of San Antonio, obliged with 112 eggs during the fifteen day derby and topped a record which had stood for 36 years.

More than 125,000 people viewed the glamorous Ice Cycles in the Ice Arena. After the first few days, the Fair gave up trying to count the people who visited the Atomic Energy Exhibit. As the current fair closed, State Fair officials and directors were already planning a bigger and better fair for 1950.

Next year's fair will feature dramatic new shows in the Auditorium and in the grandstand, more foreign exhibits, a new and even more understandable atomic energy exhibit. It will have the American Jersey Cattle show, the largest of its kind in the world, and many new permanent improvements in the physical plant. It will again be "the greatest state fair on earth."

Had RHEUMATISM So BAD That He Had To Quit Working.

Mr. Jerry Watkins, chief of detectives of the city of Hot Springs, Arkansas, suffered with rheumatism so much and the aches and pains were so terrible that he had to quit working in an effort to regain his health after he had tried everything which his friends recommended.

Detective Watkins is well known and his countless number of friends throughout the country will rejoice to know that he is now healthy, free of rheumatic aches and pains and now working hard.

Mr. Jerry Watkins

"For several years," Mr. Watkins says, "I suffered from a rheumatic condition in the hip and leg. I was very nervous and finally developed migraine headaches. I tried all kinds of medicines but nothing seemed to do me any good. I seemed to be growing worse and worse and was finally advised to take a leave of absence from my work on the police force in an effort to recover my health."

"The pains in my head sometimes were unbearable. I suffered tortures and I was miserable. At night particularly I lay awake and could not sleep."

Mr. Watkins said that someone finally persuaded him to try HADACOL, and after taking the first bottle he said he could see an improvement in his general condition.

"On January 14th of this year," he said, "I felt so much better I decided to go back on the job. The examining doctor told me I was in perfect health. Now I am

working from 8 to 12 hours daily and I am able to sleep as any normal person. I have taken six large size bottles of HADACOL and all my friends know I owe my good health to HADACOL."

Mr. Watkins is one of the many thousands of people who suffered from a deficiency of the B vitamins and the minerals that HADACOL contains and who, therefore, found relief in HADACOL.

It is a well-known scientific fact that the lack of only a small amount of the B vitamins and certain minerals in your system will cause certain bodily disorders such as nutritional neuritis, which causes the aches and pains commonly known as rheumatism, and there is no known cure for the ailment except the administration of the needed vitamins and minerals. This is why people who suffered for years and years never were able to obtain any relief until they took the vitamins and minerals the lack of which was causing the disorders.

HADACOL does not contain only one but has five of the B vitamins and four necessary minerals. It comes to you in liquid form so that it will be easily absorbed by the blood and, therefore, carried to the parts of the body which need them most.

So, it matters not where you live—no matter who you are—if you have tried all the medicines under the sun, you should be fair to yourself and give this wonderful preparation, HADACOL, a trial. And if your disease is caused by a lack of the B vitamins and minerals which HADACOL contains, then don't go on suffering—don't continue to make your life so miserable. Temporary relief for you is not enough. Take HADACOL.

Sold at all leading drugstores. Trial size only \$1.25, but save money: buy the large family economy size, only \$7.50. If your druggist does not handle HADACOL, order direct from The Le Blanc Corporation, Lafayette, La., and when the postman brings your package, just pay the amount plus the c.o.d. and postage. If you remit with the order we will pay the postage.

Then, if you don't feel perfectly satisfied after using HADACOL as directed, just return the empty carton and your money will be cheerfully refunded. Nothing could be fairer.—Adv.

It all Starts with the weather

If the weather didn't change, you could sleep in comfort all night with ordinary blankets... BUT, THE WEATHER DOES CHANGE, and that's why with ordinary blankets sometimes you wake up unbearably hot... sometimes you wake up cold and shivering.

Select your "Personal Zone" of Sleeping Comfort...

With the General Electric Automatic Blanket, you can have the personal warmth you like best despite changes in the weather.

It's easy. Just set the dial on the bedside control to the warmth you desire. This "just-right" warmth is automatically maintained... regardless of temperature changes... all night long.

When you have determined your "personal comfort zone," you may leave the dial unchanged. Actually, the control need be set only once a season.

THE AUTOMATIC ELECTRIC BLANKET gives you perfect sleeping comfort. It automatically keeps you at the same cozy temperature all night long, your sleeping comfort no longer disturbed by the changeable whims of West Texas Weather.

With an Automatic Blanket you enjoy:

Stock Show Offers Higher Premiums In Bull Competition

Premiums for the carload and pen division of Hereford bulls have been increased to \$2,000 and a new division of Aberdeen-Angus competition—pens of three bulls—has been added for the Southwestern Exposition and Fat Stock Show in Fort Worth, January 27 through Feb. 5. Premiums for Aberdeen-Angus bulls have been increased to \$1,100.

The carload and pen division of Hereford bulls, open also to Polled Herefords, consists of carload, 12 yearling bulls; carload, 15 senior bull calves; and carload, 15 junior bull calves, with of course champion and reserve champion carloads being chosen. Pens are five yearling bulls, five senior bull calves and five junior bull calves, with champion and reserve champion pens being named.

Animals in the Hereford car-

load classes are not eligible for the pen classes and vice versa. Animals exhibited in the individual classes are not eligible for carload or pen classes and vice versa. All bulls in each carload or pen must be owned by the exhibitor.

Judging of Hereford carload and pen division will take place Sunday, January 29, beginning at 1 p. m. Other Hereford judging will begin at 8 a. m., Jan. 30 and will continue next day.

Polled Herefords will be judged Jan. 30, starting at 8 a. m.

The Hereford auction will start at 2 p. m., Jan. 31, conducted by the American Hereford Association, Jack Turner of Kansas City, Mo., sales manager. The Polled Hereford auction, beginning at 2 p. m., Feb. 1, will be conducted by the Texas Polled Hereford Association, of which Henry Fussell of Dallas is secretary.

Judging of Shorthorns will start at 8 a. m., Feb. 1 and the auction will begin at 10 a. m. next day, conducted by the Shorthorn

Club, Clinton K. Tomson of Chicago, sales manager.

Judging of the Brahmans will be held on Jan. 30, commencing at 8 a. m. This breed entered competition in Fort Worth for the first time last year.

There will be three groups in the pens of three bulls, a new division in the Aberdeen-Angus competition: for yearling bulls, senior bull calves and junior bull calves, with champion and reserve champion pens being chosen. There will be a like competition for pens of five. Aberdeen-Angus pen judging will be held Jan. 29, starting at 2:30 p. m.

Other Aberdeen-Angus judging will start at 8 a. m., Jan. 31 and will continue the next day. The auction will be held Feb. 2 at 2 p. m. by the Texas Aberdeen-Angus Breeders Association, the sales manager being Tommy Brook, Camp San Saba, Texas.

Sen. Lyndon Johnson Urges Modernization In Rural Homes

EL PASO—U. S. Senator Lyndon B. Johnson has called on Texas REA co-op managers to help every farmer now served by FEA secure running water, modern bathrooms and modern kitchens for their rural homes.

"Electricity is already at work doing the man's job on the farm," Senator Johnson told delegates to the Region 10 REA conference in El Paso on October 25, "but now we've got to put it to work helping mother, too."

Johnson pointed out that money has long been available to help farmers finance electric water pumps and other electric home equipment through short-term, four per cent loans. He expressed doubt that farmers knew this, though, and urged co-op managers to concentrate on extending this service.

"I think farmers want running water," he added, "and I think they deserve running water as much as an REA co-op manager or a U. S. Senator."

Only one out of three rural homes now have running water, and less than one out of ten have bathrooms, Johnson said.

"Let's give them four rooms

and a bath instead of four rooms and a bath," Johnson urged.

Johnson also urged co-op managers to use the new rural telephone legislation, which he helped sponsor in the 81st Congress, to put good telephone service into the home of every farmer who "wants and needs" a telephone.

The Texas Senator said REA must continue its work without let-up to extend electrification to every farm home in Texas, which is now 78.4 per cent electrified in rural areas. Johnson also told the delegates that if the full power potential of Texas rivers were developed the power rate of the Southwest could be cut in half.

"REA is an American institution designed to help self-respecting men become self-supporting on a pay-as-you-go basis," Johnson said.

Johnson warned the delegates against permitting REA to become "the lamb's skin in which the wolves of alien radicalism cloak themselves," and advised a four-word slogan for political life as well as business life: "Stay out of the red."

Amendment over WFAA Dallas, WOAI San Antonio, KRIS Corpus Christi and KPRC Houston on Monday, November 7th at 9:30 p. m.

"Women receive all the benefits of government, they should also be allowed to share in the responsibilities of service," Judge Hughes added. "Women would be particularly valuable in serving on divorce, criminal and civil cases where a woman is involved and where the woman's point of view would help the administration of justice."

Judge Hughes pointed out that 37 States permit women to serve on juries now. The recent Com-

munist trial in New York had eight women on the jury.

"There has been a lot of nonsense written about this amendment," the Judge said "It is not true that women will be dragged from their home and family duties. The care of children would always be considered an adequate excuse by any judge. The case where a jury is locked up in the court-house overnight are so rare that their number is negligible. And in such cases where this is necessary, adequate facilities would be supplied."

"Judges and lawyers in the 37 States and the District of Columbia where women serve as jurors

find them equally as capable as male jurors. There is no reason on earth why women should not be allowed to share in all the benefits and responsibilities of Texas citizenship."

THE TEMPLE OF TRUTH
By the Apostle

WOW!
Tony Salyer, he who makes new ideas, new expense and trouble for the men folks, and worry for the women folks, announces a number of changes for dresses the coming season. The right shoulder will be bared and the bottom hem two inches lower. But that is not all. The lady must carry a parasol with a ruffled edge. At the same time, men will continue to wear coats the year round as long as they have to wear dirty shirts.

REASONABLE.
There is just as much sense in

INVESTIGATION.
I read in the paper a few days ago where a Missouri man had been reprimanded for trading his wife for a mule. Before we pass judgment on this man, let's take a look at the wife—also the mule. In some instances a mule can do more work than a wife, you know.

NOISY CUSSES.
A lot of today's troubles arise from the fact that workers don't think, and thinkers don't work.

OLD PATHS
By DOYLE WILLIAMS
Minister Church of Christ

We read from Acts 2:38 and it says, "repent and be baptized every one of you, in the name of Jesus Christ, for, or in order to the remission of sins, and you will receive a gift of the Holy Spirit." "In order to the remission of sins," or "into the remission of sins," is the same in amount as into justification, into reconciliation, or into Christ; for all who have remission of sins are justified, are in Christ, in the Church, in the kingdom, having been baptized into the name of the Father, and of the Son, and of the Holy Spirit. This is the reason why we have the words in the commission: "baptizing them into the name of the Father, and of the Son, and of the Holy Spirit." It is into the new state or relation, union with the Father, union with

the Son, and union with the Holy Spirit, which, in substance, is the same as in Christ, in the Church, in the kingdom; for all who are baptized in the name of the Father, and of the Son, and of the Holy Spirit, and in order to the remission of their sins, are in Christ, in the kingdom, or they are pardoned and adopted.

"Baptized into one body" I Cor. 12:13 is the same in substance, for all in the "one body" are in the kingdom, pardoned, justified. All these passages show that baptism is the initiatory rite, the act in which the transfer is made "into Christ" "into one body" "into the kingdom of God" "into remission of sins," amounting to the same as into a state of justification. In the act of believing, the sinner is only prepared in his heart for the transfer into the one body, or into the kingdom, but not actually transferred. In the act of repenting, the sinner is prepared only in his life or character for the transfer into one body, into the kingdom, or into the remission of sins, but not actually transferred. But in the act of baptism the penitent, whose heart has been prepared for the transfer into the new state by faith, and whose life has been prepared for the transfer by re-

pentance, is, in truth, and in fact, transferred "into Christ," "into the kingdom," "into the body," "into the remission of sins," in that final act of obedience, baptism. You, therefore, never read of believing into the body, repenting into one body, or praying into one body. The reason is that, by the act of believing, repenting, or praying, no one is transferred into one body. Believing, repenting, praying, etc., are all right, and must be in their place; but no one of them is the initiatory rite, or the act in which the transfer into the state or relation is made. Believing goes before the transfer, and prepares the sinner in heart, for the transfer. Repentance goes

before the transfer, and prepares the sinner in life, for the transfer. Praying, communion, singing, and rejoicing, are acts of devotion for those already transferred, or those in the one body—in the kingdom. Baptism is the act in which the transfer is made. Hence, persons are baptized into one body, "into the remission of sins," "into the name of the Father," and of the Son, and of the Holy Spirit; but they are never said to "believe into one body" or "into the remission of sins," or "into Christ."

James S. Hogg, elected Governor of Texas in 1890, was the first newspaperman to hold that office.

When you talk about VALVE-IN-HEAD you're talking about

The Power that made Buick Famous

There's a Right Way to do everything!

A lariat, well handled, would "ground" that steer in minutes. It's the right way to do the job.

There's a right way to do the servicing work on your John Deere Equipment. The mechanic who is trained to service the equipment the way the factory recommends... who has the right precision tools with which to do the work... and who uses genuine John Deere Parts as replacement parts, is able to do the work quickly... efficiently... economically.

Ours is the only shop in this community that guarantees all three... trained mechanics, precision working tools, and genuine John Deere Parts. This means your John Deere Equipment will come back looking and running like new... ready to give you dependable, efficient performance for many months to come. See us for full details.

If you want to know what's "the newest thing" in automobile engines, look at the Buick engine pictured here, and you'll see the words "valve-in-head."

But it happens that this isn't new with Buick. As a matter of fact, the valve-in-head engine was invented back in 1902—U. S. Patent No. 771095—and immediately, Buick adopted the principle, which became the first in a long string of "Buick firsts."

Not everyone went for the idea—then. In spite of the fact that this engine "breathes" more freely—gets fuel in and exhaust gases out more easily—others hung onto their pet ideas.

Then came the airplane, with its need for maximum power from every drop of fuel—and every maker of internal combustion airplane engines adopted the valve-in-head principle.

And more recently—with the hope that higher-octane fuels will become available—a lot of automotive engine designers are taking a new look at the valve-in-head idea.

But just for the record, we'd like to point out that Buick got there first.

And ever since, Buick has gone steadily ahead, building up a name as "valve-in-headquarters." Buick engineers reshaped pistons to put Fireball wallop in these engines. They stepped up compression ratios as fast as better fuels came along.

So perhaps you'll want to remember, when you hear the term "valve-in-head," that this is the type of power that made Buick famous.

If others want to climb on the bandwagon, we say "more power to them"—and no pun is intended.

But Buick has been doing more with valve-in-head right from the start.

And—we might add—it stands to reason that Buick is not through making this type of engine better and better.
