## Fire Is Fatal For Two Youngsters

Two small children, burned when a can of kerosene exploded in a cotton pickers cabin on the R. B. Marshall farm, died at Memphis shortly after noon last Friday. The victims of the flash fire were Michael Clair Marshall, 7 year old son of Mr. and Mrs. R. B. Marshall and Annie Victoria Alexander, 5 year old daughter of Mr. and Mrs. I. F. Alexander of Tecumseh, Okla. Calvin Alexander, an older brother, was severely burned but is reported improving at this time. He was brought back to the Adair hospital Tuesday. The victims were carried to the local hospital where first aid was administered and then taken on to Memphis as none of the local doctors were in town at the time of the accident.

The explosion occurred about 10:30 last Friday morning and the building was showered with flaming kerosene which enveloped the two youngsters and the older boy who tried to save them.

The Alexander children were left in care of the older brother, Calvin, while the parents made a trip to Oklahoma to tend to business matters. Michael was over playing with the young girl in the cabin while two older Alexander sisters and a younger brother were outside at the time of the explosion. It was first thought that the younger boy Kenneth Lee Alexander was still in the building and local volunteer firemen fought the blaze to recover his body. A few minutes later Kenneth showed up at the Marshall home after coming from a neighbor's house. He had left soon after the explosion occurred.

The Alexander family had been living on the Marshall farm only about six weeks and were making the cotton harvest. Fire consumed all their personal effects and Mr. Marshall lost considerable grain along with the buildings and fences that were burned.

Neighbors in the vicinity of the fire immediately went to work in securing relief for the fire victims and those taking part related that they had never seen people more willing to help out with money or material than they did in this case. They want to thank everyone for everything. A nice, helpful sum was raised and this will go a long way in helping those people get re-established.

### T. M. SHAYER DISPLAYS BIG VEGETABLES

T. M. Shaver came into the Leader office Wednesday morning with plenty to eat in just two separate vegetables. One was a four pound purple top turnip and the other a three pound carrot that had five lengthy prongs extending from the top part which was solid. Mr. Shaver grew these giant specimens in his garden and stated that he had plenty more that were of a very nice size.

### MISS LILLIE HUNDLEY TO BE GUEST SPEAKER AT BAPTIST CHURCH SUNDAY

In the absence of the pastor, L. A. Sartain, who is in Blair, Oklahoma, for a revival, the First Baptist Church will have as guest speaker Sunday, Dec. 4, Miss Lillie Hundley.

Miss Hundley, a missionary to China about 25 years, is now on furlough in the United States, will be speaking at both services for Sunday, and in addition will teach in a Mission Study Course Monday, Tuesday, and Wednesday nights sponsored by the Missionary Union of the church.

While on furlough, Miss Hundley now resides in Plainview, Texas, but the early years of her life she spent at Claude, Texas, where she was born.

The public is cordially invited to her her speak at each service.

### GRADE STUDENTS TO HAVE VISUAL EDUCATION SOON

The children in the Ward school will have visual education in the very near future. The P.T.A. has bought a new Bell & Howell sound-film projector, a cover, screen, stand and lamps which cost \$486.38. Films are being ordered and the teachers as well as students are anxious to have some before Christmas.

The telephone room on the second floor of the Elizabeth Stevens building has been made into a teachers lounge and first aid room. The teachers are very proud of this room. The P.T.A. would like to take this opportunity to thank the Clarendon Furniture for their help in furnishing the room.

### Clarendon Motor Employee Konked Tuesday Night

Arvis Davis, employee of the Clarendon Motor Company, was the victim of an unseen and unknown assailant Tuesday night about 8:15 when he went back to straighten up the basement warehouse after having his supper. Sheriff Wright reported that Davis apparently was struck on the back of his head by some person who had been locked up in the building with the intention of possibly stealing a car as nothing was missed after a close check up. Davis told the sheriff that all he knew was that he came to after laying on the floor approximately 20 minutes after he went down in the basement and never knew what hit him. He had a big knot on the back of his head and face scratches where he fell face down.

### ATOM CHIEF RESIGNS

WASHINGTON, D. C.—David E. Lilienthal, 50, has resigned as chairman and member of the Atomic Energy Commission, and President Truman accepted the resignation, Nov. 23, "reluctantly and with the utmost regret." The resignation is effective Dec. 31, after almost 20 years of public service.

### PRESBYTERIAN LADIES TO HOLD ANNUAL BAZAAR SATURDAY, DEC. 3

The ladies of the Presbyterian Church will hold their annual Bazaar in the basement of the church on Saturday, December 3, beginning at 10:30.

They will serve a chicken dinner from 11:30 to 1:30 at \$1.00 per plate.

There will be an assortment of home-made cakes, pies, etc., also aprons, pillow cases and needle work.

### Husband of Former Clarendon Lady Dies at Paducah

Rhea Wilson, age 42, Cottle county farmer-rancher and former school teacher, died Thursday night at his home in the Buck Creek community after suffering a fatal heart attack. Wilson was born in Cottle county. He was a graduate of Paducah High school, Decatur Baptist College and W.T.S.T. He taught in the Valley View school for twelve years. His wife is the former Pauline Lane, daughter of Mr. and Mrs. Cap Lane of Clarendon.

Survivors include his wife, a daughter, Jane Rhea; his parents, Mr. and Mrs. Homer Wilson of Paducah; two sisters, Mrs. Howard Thompson, Paducah and Mrs. Lavelle Benson, Temple.

Funeral services were held Saturday at 3 p. m. in the First Baptist Church at Paducah. Rev. J. R. Smallwood officiated.

### Next Wednesday Is Dollar Day

Next Wednesday, December 7th will be dollar day in Clarendon and which means a grand opportunity to save money. With Christmas coming on, dollar day fits in much better as buyers will have a chance to save more money to buy more and better gifts. Two local merchants have their dollar day specials listed in this issue of the Leader and others plan to have specials posted when dollar day rolls around.

Clip these ads out and save them until next Wednesday and take advantage of the savings they have to offer. These merchants will have many other items on sale also that are not listed.

### WORK STARTED ON RED RIVER BRIDGE

Preparatory work was started last Friday in connection with the construction of the new concrete bridge which is to span red river five miles north of town. The construction crew is now moving dirt on the new location and completion of the bridge will be governed by the availability of structural steel. It has been understood that the shipment of steel has been promised and actual construction of the bridge should be well underway soon.

### American Legion Auxiliary Sponsoring Doll Raffle

### WEATHER INFORMATION AVAILABLE TO GENERAL PUBLIC

B. L. Hurst, official in charge of the local CAA weather station, stated yesterday that in addition to flight assistance service to those who operate airplanes, the weather station was open at all times to the public as far as weather data is concerned. Just call 18 and whoever is on duty can give you the weather conditions and temperature anywhere in the states, and will be happy to give you this data.

## Cotton Allotment For Donley County 10,000 Acres Below 4-Year Average

### KILLED BY SUITOR

BROCKTON, MASS.—Muriel Beal, 25, lies dead in front of a Brockton newspaper, after being shot by Robert Lundeen, 33, her former boyfriend. As Miss Beal was reading news bulletins, Lundeen fired three shots into her and then turned the gun on himself. It was reported he is not expected to live.

### Services Held Sunday For Annie Alexander

Funeral services were held Sunday afternoon at the Burns-Bain Funeral Chapel for Annie V. Alexander with Rev. Ernest Phillips officiating.

Annie, age 5 years, daughter of Mr. and Mrs. I. F. Alexander, died Friday afternoon in a Memphis hospital after receiving fatal burns about 10:30 Friday morning. She was a resident of Oklahoma and had been living in Donley County only the past six weeks during the cotton picking season.

Survivors include the parents, six brothers, James of Borger, Calvin, Herbert, Bob, Ivan and Kenneth Lee Alexander, all of Tecumseh, Okla.; four sisters, Pearl, Minnie, Mary Louise and Mrs. Alice Hall of Tecumseh. One brother and one sister have preceded her in death.

Palbearers were Geo. Bulman, Jr., Joe Shadle, Gene Bulman, Drew Christie.

Burial was in Citizens Cemetery with the Burns-Bain Funeral Home in charge of arrangements.

### Services Held Sat. For J. C. Sullivan

Funeral services were held Saturday afternoon at the Murphy-Spicer Funeral Chapel for J. C. Sullivan with Rev. Ernest Phillips officiating.

Mr. Sullivan, age 85, long time Donley County resident, died at his home in Amarillo last Friday after a quite lengthy illness. He was a member of the Baptist Church and the Masonic Lodge.

Survivors include three daughters, Mrs. Clemmie Gardner of El Reno, Okla., Mrs. Erma Callen of Amarillo, and Mrs. Jannie Jones of Anson; four sons, Hartwell Sullivan and J. W. Sullivan of Amarillo; L. W. Sullivan of Hamlin and Tom Sullivan of Clarendon; a sister, Mrs. Laura Saul of Abernathy; 27 grandchildren and 21 great-grandchildren.

Palbearers were Carl Bennett, Charles Blackburn, Joe Ritter, Bud Anderson, Thad Rogers and Nolie Simmons.

Burial was in Citizens Cemetery with the Murphy-Spicer Funeral Home in charge of arrangements. Masonic graveside rites were held at the cemetery by the local lodge.

### Services Held Sunday For Michael Marshall

Funeral services were held Sunday afternoon at the First Baptist Church for Michael Clair Marshall with Rev. Porter Arnold officiating, assisted by Rev. Ernest Phillips.

Michael, 7 year old son of Mr. and Mrs. R. B. Marshall, died Friday afternoon in a Memphis hospital from burns received earlier in the day. Michael was born and raised in Donley County and was in the second grade at Martin.

Survivors besides the parents include two sisters, Bonita Gayle and Roxie Louise Marshall. His grandparents, Mr. and Mrs. L. M. Marshall of Clarendon and Mr. and Mrs. R. S. Shiplet of San Jon, N. M.

Palbearers were Harold Elliott, Gene Bulman, Nelson Christie, Ralph Hill, Drew Christie and Dwain Hearn. Honorary palbearers were Billy Frank Hearn, Paul Gene Nelson, Keith Barbee, Roy Dodson, Eldon David, George Mays and Bobby Neal Waldrop.

Interment was in Citizens Cemetery with the Murphy-Spicer Funeral Home in charge of arrangements.

The 1950 Cotton Allotment for Donley County is 28,438 acres. This is approximately 10,000 acres below a 4 year average for 1945, 46, 47 and 48, and is 15,000 acres below the 1949 acreage in the county.

The Bureau of Agricultural Economics gave figures for Donley County Cotton Acreage at an average of from 2,000 to 6,000 acres less for the four year period than was reported by producers in the county. This was due, in all probability, to the fact that we were not given credit for all the acreage that was destroyed by rains, hails, etc. The County Committee of the County PMA have been working to secure an increase in allotment for the county. On Tuesday of this week the business men of the county began working with the county committee to aid in securing an increase in cotton allotment. A committee from the local Lion's Club and from the Chamber of Commerce asked to meet with the county committee to help if possible. The meeting was held in the PMA Office where plans were made to send a delegation to College Station to meet with the State Committee to ask for an increase in allotment to this county.

Those in attendance at the meeting were: Bowen DuLaney, Odos Caraway, and L. E. Thompson from the Lion's Club; Jack Brooks, Lee Bell, Ray Noblitt, and W. S. Whaley from the Chamber of Commerce; Roy Jewell, W. M. Pickering and Claude Moore County PMA Committeemen; H. M. Breedlove, County Agent, and Mrs. Ritter, Secretary to the PMA Committee.

As soon as arrangements can be made for a meeting with the State PMA Committee, the following men plan to make the trip to College Station: Ray Noblitt, Roy Jewell, W. M. Pickering, Bowen DuLaney, Ralph Porter, Odos Caraway, J. H. Wood and W. S. Whaley.

The committees from the organizations mentioned above will appreciate any suggestions you have that will help them do the job they have set out to do, namely secure cotton allotment for the county that will allow the producers in the county to maintain a living standard they are entitled to.

Mr. and Mrs. A. H. Moore had as for guests at a turkey supper Thursday night, Mr. and Mrs. L. P. Moore and baby son Phillip Terry, Lois Marie Hommel, Dean Wadsworth and Douglas Wadsworth and Mr. and Mrs. Moore and family.

## "Talk of The Town" Is Talk of the Town

With a preview audience of high school and college students nearly overflowing the auditorium in the afternoon, and a near capacity audience last night, the Lions Club benefit show "Talk of the Town" had its gala opening. A colorful, fast-moving two hour musical-minstrel, the show is cast entirely with local talent, under the able direction of Mr. Vernon McCracken of Geller Productions of Hollywood.

The first act opens with a song and dance routine skillfully done by the Clarendon High School girls to the tune of "Show Business". In their colorful gold and blue costumes, and under the spell of stage lights, they presented an excellent picture of beauty and precision. Mrs. Svea Jones, in the specialty "Daisy Belle" was first coy and cute in hoop skirt and pantaloons, and then in a flash, returns to give the audience a fast, intricate tap dance in boogie fashion.

"Chinese Fantasy" is beautiful to watch, with the many colored costumes, and the glowing oriental fan as a background. Frank Phelan, Jr. takes comedy honors as the gullible character Fourletter Word in the skit "Sam Shovel Hires A Detective". The hysterical climax is reached when he returns after "getting his bandit", the bandit being in the person of Herschel Heath.

The top number of the show, however, was the audience participation scene "All Join In" with Mrs. Wanda Phelan as soloist, and the chorus cuties consisting of Johnnie Johnson, Svea Jones, Kathleen Yankie, and Jo Ann Davis. The appearance of the towns leading citizens on the stage doing a dance routine with the young ladies is something to be long remembered.

The second act is the minstrel section of the show and consists of all the parts that made up the old-time minstrel shows—Interlocutor, End-Men, Circle-Men, and singing chorus. With Mr.

H. M. Breedlove playing the part of Mr. Interlocutor, and being the foil of the six black-face comedians, the act moves swiftly through the many musical numbers, and numerous and funny gags. Among the Minstrel songs sung by the cast are: "Ole Man River", with Mr. Clyde Hudson; "Bali Hahi" with Jean Ballew; "Kentucky Babe" with the Dixie Quartette; "Alabama Bound" with Carl Bennett, Jr.; "Summertime" with Mrs. Wanda Phelan; and the finale, "Hallelujah" with Miss Wilma Smith.

The fast pace and the colorful and breezy costumes and dialogue make the production one that is well worth seeing. Its run continues through tomorrow night. Tickets are available through any member of the Lions Club, or at the College auditorium the nights of performance. Curtain time is 8:00 P. M., with the doors opening at 7:00 P. M. Admission is \$1.00, including tax, for adults, and 60c including tax, for students.

## Molesworth-Craft

Wearing her grandmother's wedding gown, fashioned of embroidered ivory Brussa silk, Dorothy Patricia Molesworth, daughter of Mr. and Mrs. John Molesworth, became the bride of William Eugene Craft, son of Mr. and Mrs. George Dewey Craft of Brice, Saturday afternoon.

Rev. Warrin Fry, rector, read the single-ring service at 4 o'clock in Saint John the Baptist Episcopal Church.

The bride's gown, which was fashioned of material brought by her great-grandfather, the late Commander George Keith Gordon of the Royal British Navy, in 1878 from Asia Minor, to his wife, was made up for their daughter, Mrs. A. L. Mudge, for her wed-

ding in 1896 and worn by Mrs. Mudge's daughter, Mrs. John Molesworth, at her wedding. Her veil, which cascaded from a melon shaped cap trimmed with clusters of orange blossoms, was of handmade Spanish linen lace, which has been in the family since 1878 and was worn by her mother at her wedding.

She carried a shower bouquet of Johanna Hill roses. For something old, she wore the heirloom wedding gown, something new was her cap and something borrowed, an antique brooch, which is a portrait of a great, great, great aunt. The bride was given in marriage by her father.

Introducing the ceremony, Mrs. Rayburn Smith, organist, played "The King of Love My Shepherd

Is," "O Perfect Love" and "The Voice That Breathed O'er Eden." The traditional wedding marches were used for the processional and recessional.

Arrangements of smilax, white chrysanthemums and white candles featured the decorative setting at the altar. The chancel and pews on the bridal aisle were marked with white chrysanthemums and stock.

The bridesmaids, Mrs. J. P. McMahon of Wellington, Miss Nancy Ann Bell of Childress, and Miss Martha Scott of Little Rock, Ark., classmate of the bride at the University of Colorado, Boulder, wore identical gowns of beige, gold and henna satin, respectively fashioned with off-the-shoulder necklines, bertha collars and dirndl skirts. Their mits and caps matched their dresses and they carried bouquets of bronze chrysanthemums tied with contrasting ribbon.

The matron-of-honor, Mrs. R. R. Jindra of Denver, roommate of the bride at the University of Colorado, wore an autumn green satin gown of the same style. Her bouquet was of yellow chrysanthemums. The flower girls, Miss Jacquie Bell and Miss Karen Knorpp, wore gold taffeta frocks with halos of bronze chrysanthemums. They carried baskets of rose petals.

John M. Molesworth, brother of the bride, was best man. Ushers were Fred Molesworth, brother of the bride, Tom Rogers of Memphis, Texas, and Jack Moreman of Hedley.

For her daughter's wedding, Mrs. Molesworth chose a royal blue crepe dinner gown with gray accessories. Mrs. Craft, mother of the bridegroom, wore a plum crepe gown with winter pink accessories.

Following the ceremony, the bridal party was honored at a reception in the home of the bride's aunt, Miss Charlotte Molesworth. Bouquets of white chrysanthemums and Johanna Hill roses decorated the rooms and centered the serving table. The wedding cake was a replica of the one served at the bride's grandmother's wedding. Intimate friends of the bride comprised the house party.

After a trip to East Texas, Mr. and Mrs. Craft will be at home Dec. 15 on their ranch at Tahoka. For traveling, the bride chose a tweed suit with dark green and champagne accessories. Her corsage was of white roses.

Mrs. Craft, granddaughter of the late Mr. and Mrs. John Molesworth and Mrs. Arthur L. Mudge and the late Arthur L. Mudge of Junction, was graduated from Saint Mary's Hall, San Antonio, and attended the University of Colorado, Boulder.

Mr. Craft was graduated from Lakeview High School and attended Texas Christian University, Fort Worth.

Out of town guests present were Mr. and Mrs. Ed Allen, Mrs. A. L. Mudge, Mr. Fred Mudge, Mrs. W. P. Riley and Miss Olive Chadwell, all of Junction, Texas; Mr. and Mrs. Luke Haygood and Miss Nancy Haygood, Tahoka; Mrs. Forrest Runge, Misses Anita and May Runge, Christoval; Mrs. C. H. Smith and Mr. J. B. Smith, Tyler; Mr. and Mrs. Arthur Howard, Mr. and Mrs. James Morris Jr., Mr. and Mrs. Temple Deaver Jr., Mr. and Mrs. T. B. Rogers, Memphis; Mr. and Mrs. W. H. Craven and Mr. and Mrs. Dick Bell, Childress; Mrs. T. E. Bugbee and Miss Mary Bugbee, San Bernardino, Cal.; Mr. and Mrs. P. B. Gentry, Mrs. U. J. Boston, Amarillo; Mr. and Mrs. Boyd Rogers and Mrs. John Smith III, Memphis.

## THANKSGIVING AND BIRTHDAY DINNER

A Thanksgiving and Birthday dinner was given in the home of Mr. and Mrs. Horace Parker. The table was loaded with good things. It also was Mr. W. C. Jones birthday. After thanks was given the children gathered around Mr. Jones and sang "Happy Birthday to you." He received several useful gifts.

Those present for the dinner were Mr. and Mrs. Oscar Jones, Mr. and Mrs. C. H. Lane, Mr. and Mrs. J. Parker and three children, Charlene Parker, Mr. and Mrs. Coy Burk and two daughters all of Berger, Texas; Mr. and Mrs. Curtis Jones and three children of Spearman, Texas; Miss Della Wood of Martin; Mrs. C. A. Jones, Mr. and Mrs. Luther Hall and two children, Mr. and Mrs. W. C. Jones, Mr. and Mrs. Horace Parker and two children.

Pictures were taken and all wished Mr. Jones many more Happy Birthdays.

## SOCIAL SECURITY NEWS

Q—What are the requirements for drawing Old-Age Retirement benefits under the Social Security Act?

A—There are three conditions: (1) Be 65 years of age or older; (2) Be fully insured (that is, to have worked the required minimum amount of time in "social security" work); and (3) Be retired from work covered by social security.

Q—Does this mean I must be completely retired before filing for benefits?

A—No. A person is eligible to draw his checks while working in any kind of work not covered by social security. This would include the person working for himself as well as being employed in the other excepted types of work.

Q—If I am eligible for payments at 65 but do not need the money can I let the payments accumulate until I do need them?

A—No. The Social Security Act allows for retroactive payments only for a period of three months. Therefore, when you did file you would only be able to file for current payments and for the three months preceding the month of filing. To avoid loss of some of your payments you should file as soon as you are entitled.

You are invited to visit or write the Amarillo Social Security Administration field office located in the Post Office Building for further information on the old-age and survivors insurance program.

 America's most complete truck line. 87 basic models, thousands of specialized variations—each heavy-duty engineered.  
 Every International Truck in the line is all new. And every new International Truck from 4,200 to 90,000 pounds GVW is HEAVY-DUTY ENGINEERED!  
 That means the new International Trucks give you lower operating and maintenance costs. It means they'll last longer. Look at the record.  
 For 18 straight years International has been first in the sale of heavy-duty trucks (16,001 pounds and over, GVW). Cost-conscious men who buy these trucks buy on a basis of performance proved by cost records.  
 The same management, the same engineers, the same production men, the same test experts who have kept International Trucks the outstanding value in the heavy-duty truck field, have developed every single new model in the new International Truck line.  
 Come in—find out what heavy-duty engineering means in terms of operating economy. See how heavy-duty engineered truck stamina is combined with new comfort and ease of handling. Go over the outstanding new features—each one proved under actual operating conditions in years of tests from coast to coast.

The public is invited to drop by and see the new International truck on display in our showroom, Mr. DuLaney added.

**Dairy Cattle Contest Held November 19 At John Gillham Dairy**

A dairy cattle contest was held at the John Gillham dairy, Saturday, November 19, at ten o'clock.

Teams from fifteen towns were entered. Twelve towns were as follows: Wellington, Memphis, Chillicothe, Crowell, Childress, Lakeview, Sam Norwood, Quitaque, Hedley, Carey, Quanah, and Clarendon. The three towns not represented were Turkey, Paducah, and Estelline.

The judge for the contest was Mr. Clifford B. Farmer, Secretary of the Chamber of Commerce at Memphis. Mr. Farmer, after the completion of the judging, gave explanations for each of the different classes.

The teams judged Jersey cows, Holstein cows, Jersey heifers, and Holstein heifers. They were also asked questions about each. The boys were given points on their

judging. The possible team score was 1800, and the Clarendon team was first with a score of 1285. Childress was second with 1060. Quanah was third with 1035, and Hedley, fourth with 1025.

High-point boy was Charles Stafford of Clarendon with 450 points. Royce Moffet, also of Clarendon, was second with 435. Claude Moffett, Clarendon; Jimmy Lamberson, Hedley; Claudy Chandler, Quitaque; and William Verdoo, Lakeview, all tied for third place with a score of 400.

There were also six alternates with a possible score of 600. Kenneth Polk of Crowell was high-point boy with a score of 410.

The first three winning teams will receive banners, while the first five boys will receive ribbons.

Mr. and Mrs. Jack Wiley of Clayton, N. M. and Mrs. E. P. Berry of Dumas have returned to their home after a visit with their sister and family. Mr. and Mrs. Roy Beverly.

**Donley 4-H Club Boys Getting Ready For Spring Stock Show**

Donley County 4-H Club Boys are getting ready for the Donley County Fat Stock Show to be held in Clarendon in the Spring. H. M. Breedlove, county agent and in charge of 4-H Club work in the county, says that his club boys have fifteen beef calves on feed and twenty head of hogs. The calves and hogs are in good shape and really putting on the

fat at this time. Breedlove thinks that when the spring show is held in Clarendon and the FFA boys from both Clarendon and Hedley and the 4-H Club Boys from all over the county bring in their livestock feeding exhibits that it will be one of the best livestock shows ever held in Clarendon.

The show will be held at the Clarendon fair grounds on the Brice highway and the date will be announced after the show board has met and worked out all of the details. It is also planned

**FARM NEWS**  
From the County PMA Committee

**COTTONSEED PURCHASE:**  
Our files are almost complete on the cottonseed purchase program. Several farmers have not been paid, however, for some of the cottonseed purchased by the government before November 18. If you have a cottonseed check at the office, we will be glad to pay it any time you find it convenient to come by. Any cottonseed sold to the government after that date will be paid for at the gins.

**GRAIN SORGHUM LOANS:**  
Grain Sorghum is in the news this week. We have completed sixteen warehouse storage loans and ten farm storage loans. If you want a farm storage loan, put your grain in storage on your farm and come to the office to make your application. After 30 days, our field officer will draw a sample of your grain to send off for a moisture test. It takes about five weeks to complete a farm storage loan.

**ODDS AND ENDS:**  
In the last week, we have issued nine approvals for stalk and stubble practices. These went to J. J. Moore, John O. Richey, J. Roy McCravy, Louis A. Kalka, Ida J. Whitt, L. R. Bowlin, C. C. Ayers, V. T. McPherson, and O. J. Rackley. This makes a total of two hundred thirty-two farmers who will be eligible to earn Stalk and Stubble payments.

Three approvals for seeding grass to establish permanent pastures have been issued, also. They went to Haughton K. Leathers, Carman Rhode, Quentin Williams, and J. G. Gould, and Al Cooke. Payments for seeding grass vary according to the type of grass used.

The weather has been perfect for all the farmers who want to do deep chiseling or sub-soiling. PMA assistance for this practice is \$1.50 per acre. Come to the office, or call and let us know if you want to make an application for this, and your approval will be sent to you.

Mrs. Ritter enjoyed a trip to El Paso and Juarez during the Thanksgiving holidays with her daughter, Jo Ann, and friends. She had a very good time, and got a well deserved rest.

## INTER-COUNTY GINNINGS

Federal Quarantine 52 as well as the State Quarantines for the Pink Bollworm of cotton in the States of Arizona, New Mexico, Oklahoma and Texas authorizes the inter and intra-state movement of seed cotton only from lightly infested areas into (1) contiguous regulated counties in which similar conditions of infestation exist; (2) to designated gins (operating under Dealer-Carrier Permit) located in free

areas but immediately adjacent to the regulated areas for ginning, for which no permits are required. Any other movement of seed cotton (including grabbotts or bobbies) or parts of the cotton plant shall be made only under permit duly authorized by the appropriate quarantine officials.

In view of the large amount of seed cotton produced within the pink bollworm regulated areas located in the States of Arizona, New Mexico, Oklahoma and Texas for the crop year of 1949-50, it is deemed advisable at this time to call to the attention of all con-

cerned the importance of adhering strictly to the above provisions of the Pink Bollworm Quarantines under question. Inspection for the pink bollworm during the current crop has revealed the intensity and degree of infestation of the pink bollworm existing in the various pink bollworm regulated areas.

For the guidance of growers and ginneries in the case of cotton produced in Northwest Texas, Eastern New Mexico and Southwestern Oklahoma, seed cotton will be allowed inter-county movement for ginning in the grouping of counties indicated below:

GROUP 1—Oklahoma counties.  
GROUP 2—Texas: Counties of Gray, Wheeler, Donley, Collingsworth, Hall, Childress.

GROUP 3—Hardeman, Wilbarger, Wichita, Motley, Cottle, Foard, King, Knox, Baylor, Stonewall, Haskell, Throckmorton, Shackelford, Callahan.

GROUP 4—Scurry, Fisher, Jones, Nolan, Taylor, Brown, Coleman, San Saba.

GROUP 5—Quay, Curry and Roosevelt, New Mexico, and Bailey, Lamb, Hale, Floyd, Cochran, Hockley, Lubbock, Crosby, Dickens, Yoakum, Terry, Lynn, Garza, Kent in Texas.

GROUP 6—Sterling, Coke, Runnels, Tom Green, Concho, Mason, Schleicher, Menard, Mc-

Culloch, Irion, Reagan.  
GROUP 7—Lea, New Mexico—Gaines, Dawson, Borden, Andrews, Martin, Howard, Mitchell, Ector, Midland, Glasscock in Texas.

Seed cotton produced in Group 1 may move into Groups 2 to 7 inclusive for ginning; seed cotton produced in Group 2 may move into Groups 3 to 7 inclusive for ginning; seed cotton produced in Group 3 may move into Group 4 to 7 inclusive for ginning; seed cotton produced in Group 4 may move into Groups 5 to 7 inclusive for ginning; seed cotton produced in Group 5 may move into Groups 6 to 7 for ginning; seed cotton produced in Group 6 may move into Group 7 for ginning; seed cotton produced in Group 7 must remain in Group 7.

This statement shall be construed by ginneries to be an amendment to their Dealer-Carrier Permits which amendment shall authorize acceptance of seed cotton only in a manner outlined above. In other words, ginneries in Hardeman County which is in Group 3 must not accept seed cotton from Lubbock County which is in Group 5. This modification of Dealer-Carrier Permit issued ginneries is not to be construed as prohibiting such ginneries from accepting seed cotton produced within or contiguous to their ginning territory. In other words,

there will be border-line cases where seed cotton has normally been moving across these group lines as now designated. As an example: It is not intended to prohibit a ginner located in Scurry County from receiving seed cotton from a few miles across to line in Borden County. It is essential, however, that long distance movements of seed cotton for ginning be discontinued and ginneries will be held strictly accountable and will be expected to refuse to gin cotton produced a long distance from their gin.

L. F. Curl, In Charge  
Division of Pink Bollworm Control.

## "Democracy Beats Communism Day" To Be Observed Dec. 7th

Commander Charles C. Gibson of the Eighteenth District announced today the appointment of Mike McCully as a member of the District Advisory Committee for "Democracy Beats Communism Day" to be observed all over Texas Wednesday December 7th.

State Commander Joe Spurlock has named John Ben Shepperd of Gladewater, state chairman of the Legion's Americanism committee and former national president of the Junior Chamber of Commerce, as head of the "Operation Democracy" program. Each of the 758 American Legion posts and the more than 100,000 members of the Legion in Texas have been

asked to aid in a breakfast until bedtime program December 7 in observance of "Democracy Beats Communism Day."

Governor Allan Shivers has issued a proclamation calling upon the seven million citizens of Texas to join with the American Legion in devoting December 7 to a day for "calm, patriotic consideration of the benefits of Democracy."

The local member of the District Advisory Committee will aid over the Eighteenth District in arranging a suitable observance of "Americanism Beats Communism Day."

Two state network broadcasts have been scheduled for the day, General Chairman Shepperd has

announced. State Commander Spurlock will speak from Brownwood on a statewide hookup early Wednesday morning and Governor Shivers from Terrell upon a noon broadcast.

# 50 WAYS NEW FORD for '50

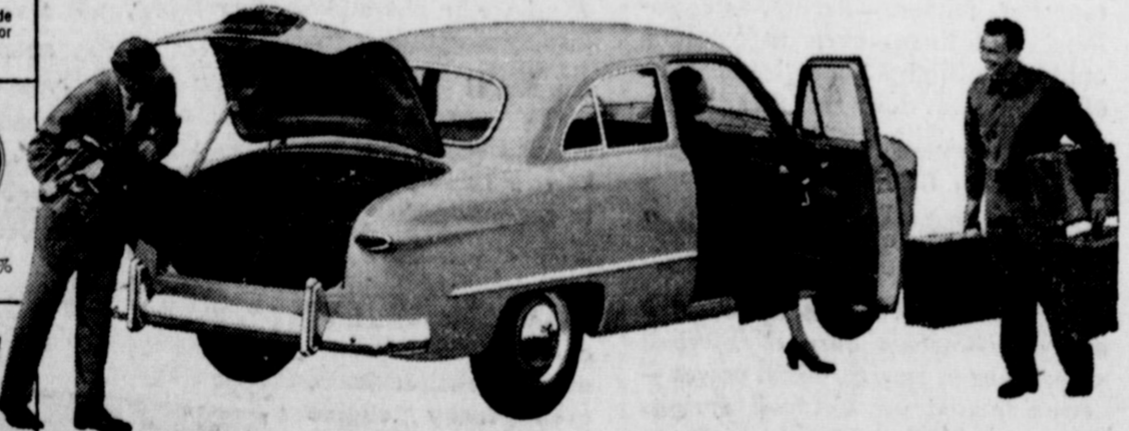

The one fine car in the low-price field

White sidewall tires available at extra cost.

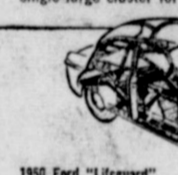

The 1950 Ford is 50 ways new and finer... from new heavier gauge steel frame and 13 way stronger "Lifeguard" body to new designed ceiling and seating for greater head room. New comfortable foam rubber front seat cushions, over new special non-

sagging springs. New richly colored upholstery fabrics. New push button door handles, new rotary secure door latches. Eleven brand-new baked-on enamel colors that keep their freshness because they're "built to live outdoors."

Just touch the latch of Ford's "Deep Deck" Luggage Locker—22.9 cu. ft. of usable space awaits any load you can muster. Just sit in the '50 Ford's luxurious new

interior that seats six big people—Ford has more hip and shoulder room than any car in its class. For an even bigger thrill drive this '50 Ford...the fine car in its field.

	100-h.p. V-8 has new super-titted pistons, quiet three-blade fan, new "bushes" material timing gear and new camshaft design for extra quietness.
	Push-button door handles enclosed at both ends so you can't catch your sleeve.
	65-h.p. six engine 100—gives remarkable economy.
	Compact "Fashion Car" panel. Instruments, illuminated by soft, non-glare "black light", are grouped in a single large cluster for easy reading.
	1950 Ford "Lifeguard" body—has more strength with carefully planned application of sealing and insulation material throughout entire body.
	Improved front suspension has new torsional stabilizer.
	Smart hardware inside and out, designed for more than beauty.
	New front seats with foam rubber cushions hold their shape.
	King-size brakes stop you with 35% less pedal pressure.
	New baked-on talers—your choice of 11.
	New medallion—front and rear adds note of beauty.

There's a Ford in your future...with a future built in

## Questions and Answers

Q—I am eligible for three years of training under the GI Bill. May I use 9 months of my entitlement to complete my high school course and the remaining 27 months for on-the-job training?

A—You may complete your

high school course with your entitlement, but it will be necessary for you to obtain a supplemental certificate of eligibility following completion of your high school course so that you may present it to the institution in which you are to receive job training.

Q—I intend to apply for a GI loan to go into business. If my business venture fails and I have not paid off the entire loan, will I be expected to pay the balance?

A—If the government has to pay the lender any part of the guaranteed portion of the loan, you will be obligated to the government for the payment.

Q—I am an unmarried World War I veteran and receive non-service-connected pension. This year I expect to receive \$5,000 from an insurance policy which I intend to deposit in the bank. Will this jeopardize my pension from VA?

A—Assuming the policy is other than U. S. Government Life Insurance policy, the receipt by you of \$5,000 will cause your income to exceed the limitations set by law so that you will not be entitled to pension for a year. The law provides that a veteran's income cannot exceed the amount of \$1,000 annually if single and \$2,500 if with dependents and still receive a pension. Proceeds of insurance from other than a government insurance policy is income within the meaning of the law.

## "Remember Goliad" Fund Raising Drive To Set Fast Tempo

The statewide campaign to raise \$200,000 for the restoration of Goliad State Park will go into a fast tempo this week with donations already being received in Fort Worth and with the organizational setup completed for the drive in the San Antonio area.

David Donoghue, well known West Texas oil man and historian who is serving as chairman for the Fort Worth area, announced that contributions were being received in his phase of the campaign which started the latter part of last week. He said that the response to the campaign being conducted by direct mail only, "has been very good to date."

Meanwhile Lt. Gen. Claude V. Birkhead, prominent San Antonio attorney, civic leader and nationally known military figure, accepted chairmanship of the San

Antonio area over the week-end. "Our campaign will start this week and certainly the people of this area should be especially interested in the drive," he said.

Campaign organizational work is underway at Dallas with the chairman of that area to be announced early this week. The campaign will move into Houston during the latter part of the week.

Gen. H. Miller Ainsworth of Luling, commanding officer of the 36th Division, TNG., and state chairman of the drive, urged all Texans to join in the fund-raising movement which is under the sponsorship of the Daughters of the Republic of Texas and has been endorsed by the State Parks Board.

"Goliad State Park has been a long neglected Texas Shrine," Gen. Ainsworth said. "We have remembered the Alamo and San Jacinto with lasting beautification programs — now we must truly Remember Goliad!"

Texas school children are chipping in their nickels and dimes to aid in the cause. Among the first schools to send in their initial contributions were Nacogdoches, Beeville and Goliad.

## LETTERS TO THE EDITOR

Dear Editor:

I attended the Texas Farm Bureau Convention in Dallas, Texas on November 21, 22, & 23. I was very much impressed with the attendance, the order in which the meeting was carried on, and their ability to get the meetings started off on time. Above all, their accomplishments.

Dr. Kenneth McFarland, Superintendent of Public Schools of Topeka, Kansas, one of the nation's most sought speakers, a man with plenty of what we term "horse sense", was one of our

principal speakers. It was his purpose to impress upon us that the salvation of our country lies within the organization of its farmers. Our United States Senator, the Hon. Lyndon Johnson, was also one of the speakers. He impressed upon my mind that the greater our membership becomes, the more weight it would carry in Washington.

One of the things the Farm Bureau has already done, was to ask the government to buy cottonseed outright from the farmer. This was put in effect and the price jumped from \$38.00 to \$46.50 per ton.

One of the resolutions adopted at the Texas Farm Bureau Convention was: "Inasmuch as an emergency now exists for storage

space for baled cotton, and the government in the past has made support price loans on wheat and cottonseed stored on the ground; and inasmuch as both are more perishable than baled cotton we urgently request that farmers be extended this same privilege for baled cotton stored suitably in the open on his farmstead."

I can come with the inspiration to urge everyone to "Read about it, Think about it, Talk about it, and above all, Join the Farm Bureau."

I also went to Wellington to see Mr. Couch about his promises on electricity.

### Poem Written For Little Michael Lewis Underdown

This poem was written recently for little Michael Lewis Underdown, by Gladys L. Feeney of Pantex, Texas. Michael is the baby son of Mr. and Mrs. Lewis Underdown of Amarillo and grandson of Mr. and Mrs. C. L. McCrary and Mr. and Mrs. C. E. Underdown of Clarendon.

#### "SHE'S A BOY"

Gladys L. Feeney  
The days of waiting are ended  
The days of suspense are past,  
The days of wondering are over  
And I have my dear baby at last.

But somewhere long the line was a mixup,  
And my daughter, my pride  
And my joy  
Got mixed with the other bright angels  
And arrived just a beautiful boy.  
Now a daughter is a joy and a comfort

But my son, now that he's here  
Is worth all the daughters in heaven  
So really I can't shed a tear.

I planned on a beautiful red-head  
There is another mistake you see,

For now that he's really got here  
His hair is black as can be.

His eyes are blue as the heavens  
His hands are just perfect too  
Now isn't he better than a daughter?

That answer I'll leave up to you.

My darling I know will have freckles  
His hair, it no doubt will turn red,

But just now his only concern is—  
How soon can he hope to be fed.

His hands how they curl 'round my finger;  
They seem like cords 'round my heart,

And to endear him still more and still deeper  
His feet will do their part.

So who wants a girl for a starter  
She wouldn't be happy you see,  
For a girl really needs a big brother,

So the choice wasn't left up to me.

### Health Notes

AUSTIN— Gov. Allan Shivers, by official proclamation, has designated the week between December 4-11 as Better Health For Texans Week, emphasizing venereal diseases.

The purpose of the week-long drive, according to State Health Officer Geo. W. Cox, is to "acquaint all segments of the population with true facts concerning this most serious group of illnesses, thus providing a weapon of knowledge which all persons can use in their own protection."

Cox indicated that the health department informational campaign would be a year to year project from now on, with a different phase of public health being the subject each year.

Highlights of this year's drive will be a state-wide radio address by Governor Shivers, and a short motion picture trailer featuring the Governor and the State Health Officer. Informational packets have been prepared for distribution throughout the State by city and county health units.

The official proclamation reads: "One of the most important factors that will influence the future of Texas is a healthy citizenship. Public health has many phases, all contributing to the

welfare of mankind.

"One of these is the campaign to eliminate the venereal diseases. Methods of diagnosis and treatment are at hand to prevent the unnecessary suffering caused by these diseases. All that remains now is to induce our citizenship to take advantage of the present day knowledge.

"In recognition of these facts and the vital importance of health in our everyday lives, I, as Governor of the State of Texas, designate the week of December 4-11 as Better Health For Texans

Week."  
Principle appeal of the campaign is directed to leaders of individual communities. Dr. Cox believes that the "final solution to the venereal disease problem will be forthcoming only when it is tackled on a community basis."

Mr. and Mrs. Jim Powers of White Deer visited Mr. and Mrs. Joe Terry Thanksgiving day. Mrs. Terry accompanied them home for a week end visit.

Do you know of any great group of educators, lawyers, brokers, merchants, insurance men, bankers, salesmen—who, year in and year out, day after day and night after night, give of their time, talent, energy and money to the extent of more than a million dollars per day?

At the present time, even in spite of exigencies of the times, the ethical physician members of the American Medical Association are rendering more than a million dollars a day of free service to the public.

That million dollars a day is a most conservative estimate of the services rendered by the Doctors of America in free clinics, hospitals, in homes and at their offices to patients unable to pay. This huge sum does not include

## If You Are 85, 45 or 3, Hadacol Helps All Ages

HADACOL is good for all ages, bringing five of nature's B vitamins and important minerals to the young and old alike. Recently the HADACOL folks received the good news that among the countless thousands who had been benefited by HADACOL were a lady of 85, a man of 45 who felt like he was 18, and a beautiful little girl only three years old.

Mrs. Edmond Doucet, of Church Point, La., is 85 years old, having thousands of friends in the picturesque Evangeline section of Louisiana where she was born and has spent all of her life. These friends are happy to know that Mrs. Doucet feels better now than at any time in two years and gives the credit to HADACOL.

"I had been sick for almost two years and was suffering with gastric disturbances and bloating. I was run down, had lost weight and had to stay in bed most of the time. I lost courage and felt that there was no hope for me."

Mrs. Doucet had tried many preparations without apparent beneficial results when she heard the glorious news about HADACOL.

"After taking several bottles of HADACOL I felt like a new person," said Mrs. Doucet. "I eat anything I want without ill effects and sleep well. I feel much stronger."

Neville Dugas, of Route 1, Box 101 B, Carencro, La., is a successful farmer who had worked early and late at all kinds of hard work and it wasn't so long ago that he wondered if he would ever be able to work that way again. He had tried many medicines, but felt no better.

"I had all kinds of stomach disturbances," said Mr. Dugas. "My stomach was so bloated that it felt like it would swell up and burst. I suffered with gastric disturbances, heartburn and was run down and nervous. I had no appetite and suffered with headaches and I couldn't sleep at night. I was so drawn and pale that my friends had difficulty in recognizing me. After the third bottle of

ment and after the twelfth bottle of HADACOL I felt like I was 18 instead of 45. I am feeling perfectly well."

"My three year old daughter, Joan, had lost her appetite," said Mr. Dugas. "Her cheeks were pale and she cried often. I started giving Joan HADACOL and after three of the large economy size bottles she is now healthy, has an excellent appetite and her disposition is perfect."

All three of these people were suffering from a lack of B vitamins and the minerals which HADACOL contains. HADACOL comes to you in liquid form, easily assimilated in the blood stream so that it can go to work right away. It is easy to understand, therefore, why countless thousands have been benefited by this amazing tonic, HADACOL.

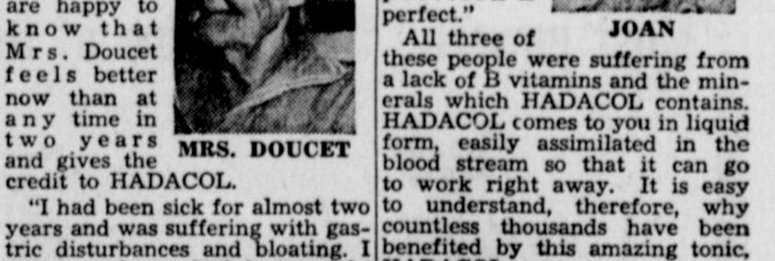

A lack of only a small amount of B vitamins and certain minerals will cause digestive disturbances . . . Your food will not agree with you. . . You will have an upset stomach. . . You will suffer from heartburn, gas pains and your food will sour on your stomach and you will not be able to eat the things you like for fear of being in misery afterwards. Many people also suffer from constipation. And while these symptoms may be the results of other causes, they are surely and certainly the symptoms and signs of lack of B vitamins and minerals which HADACOL contains. And if you suffer from such a deficiency disorder, there is no known cure except the administration of the vitamins and minerals which your system lacks.

It is easy to understand, therefore, why countless thousands have been benefited by this amazing tonic, HADACOL.

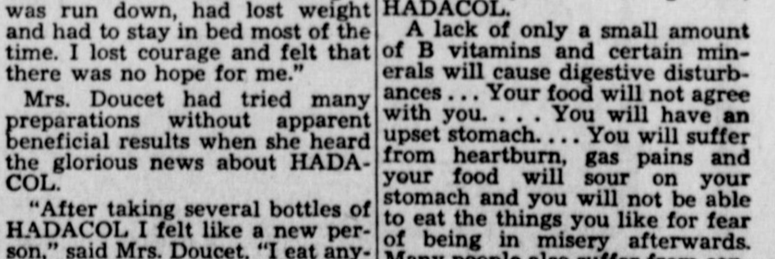

So if you are not how old you are or who you are . . . if matters not where you live or if you have tried all the medicines under the sun, give this wonderful preparation, HADACOL, a trial. Don't go on suffering. Don't continue to lead a miserable life. Many persons who have suffered and waited for 10 to 20 years or even longer, are able now to live happy, comfortable lives because HADACOL supplied the vitamins and minerals which their systems needed. Be fair to yourself. Temporary relief is not enough for you. Give HADACOL a trial—Ad.

**DOYLE WILLIAMS**  
Minister  
Church  
of Christ

We might say John the Baptist's mission in the world was a reformer. He tried to reform the Jews that had wandered so far from the Covenant of Moses, or the Will of God the Father, and not the Will of Christ. Then, in that sense, we may think of him as an after-runner, instead of a fore-runner. He was the after-runner of the Old Testament; his teaching that concerns the Old Testament, took place in the last days of the Old Testament or Covenant. So, in that sense of his work he was an after-runner, or a hinder-back of the Laws of Moses under the first Will and Testament of God.

On the Banks of the Jordan, he by the Law of God bound baptism for the remission of sins, upon the people of the First Covenant. Did God remit their sins before they were baptized? No in deed not, for that was the very reason they were being commanded to be baptized of John, and that was to get their sins forgiven. To those that rejected repentance and baptism, at the hands of John, I am sure were guilty of rejecting God. "He came to his own, and his own received him not, but to as many as did receive him, to them gave he the power to become the sons of God," Jno I II 12. He came to the Jews. How did he come? through or in the person of John the Baptist, some of them (the Jews) rejected him, but "as many as received him" or obeyed John's commands "gave he the power to become the sons of God."

When those Jews rejected baptism at the hands of John they rejected God. Luke says concerning this, "But the Pharisees and lawyers rejected the counsel of God against themselves, being not baptized of him." They did not reject the counsel of Christ in doing this, but they rejected the counsel of God the Father, under the first Covenant.

John was a forerunner of Christ, and the Testament that we now live under. He prepared those that were already members of the Old Covenant, and under the Law of Moses, by preaching repentance in order to correct their lives, to such an extent that

they would believe in Christ as their Lord and savior. But when Christ came on the scene, John's fruit of the Old Kingdom was material prepared for the Kingdom of Christ. And as soon as Christ's Kingdom, and the laws that sustained it came into effect, the authority of John was no more recognized from Heaven. For proof of this statement turn to the nineteenth chapter of Acts of the Apostles, and there we find the Apostle Paul in conversation with some of John the Baptist's converts, and he said, "Have ye received the Holy Ghost since ye believed? And they said unto him, 'we have not so much as heard whether there be any Holy Ghost.'" Then Paul asked, "Unto what then were ye baptized?"

And they said, "unto John's baptism." Then Paul explained to them that John "baptized for repentance" and that, they were to "believe on the Lord Jesus Christ," and the record says, "When they heard this, they were baptized in the name (or by the authority) of Christ." John's authority was no longer good, and they made their change in obedience. (Continued)

### SERVING the Gulf South

#### ... by processing gas to provide FUEL FOR THE FARM

Thousands of farmers and others living beyond the city gas mains are enjoying the comfort and convenience of gas service with butane or propane produced by United Gas and distributed by local dealers. Natural gas containing liquid hydrocarbons is passed through processing plants operated by United to extract butane, propane, kerosene, natural gasoline and other liquefied petroleum gases. This means greater royalty income for land owners and producers, and modern conveniences for rural families to equal those of their city cousins.

This is another example of the way the American Business System works to bring better living to your community.
