1878 A COUNTY-WIDE PUBLICATION, SERVING DONLEY COUNTY and ITS TRADE TERRITORY 1950  
New Series—Volume 21 Number 32 CLARENDON, DONLEY COUNTY, TEXAS, SEPTEMBER 21, 1950 A Common Paper for Common People

## Large Crowd Attends Fair Here Friday & Saturday

The 1950 Donley County Fair was one of the biggest ever held in Donley County. People from every community in the county helped to make the fair a success. H. M. Breedlove, county agent and secretary of the fair, said that no county fair could be a success without the cooperation and work of all people in the county. The fair opened on Friday evening of the fifteenth with the judging of the fifteen agriculture exhibits from fifteen communities in Donley County. Mr. Knox Parr of the Texas A&M College Extension Service served as judge. The winners of the community agriculture exhibits were Chamberlain, 1st; Skillet, 2nd; Ashtola, 3rd; Lelia Lake, 4th; Windy Valley 5th. In the judging of the Home Economics department, first went to Clarendon, second to Hedley and third to Lelia Lake.

The poultry department was a big department with over 160 birds on display. The best rooster of the show went to E. V. Quattibaum, the best cockerel to Bobby Holland, the best pullet, old pen of three and young pen of three all went to E. V. Quattibaum.

The flower show was one of the largest in history of Donley county and a committee headed by Mrs. C. C. Powell put on a flower show that will long be remembered in Donley County. Flowers were brought to the show from all over Donley County.

The Quarter horse show had fifty entries and the grand champion female quarter horse went to Pat Slavin and the reserve champion to W. J. Lewis, Jr. The Grand champion male quarter horse went to Geo. Gillham and the reserve champion to Arthur Howard. In the kid pony reigning contest the winner was Jimmy Swinney and the adult performance contest the winner was Pat Slavin. The judge of the horse show was Cy Courtney of Matador.

In the boys swine show the grand champion barrow was shown by Drew Christie and the reserve champion by Basil Bannister. The first place gilt in the Sears Roebuck breeding class went to Toad Graham. The champion beef calf went to Joe Shadle.

The merchants displays were beautifully decorated and people from this area visited their displays and signed up for the merchandise that was given away by Household Supply of Clarendon and Borden Company. The winner of the beautiful chair given away by Household Supply went to Mr. Foster at Giles and the ice cream given away by Borden

## Bronchos Defeat Mustangs 30 - 0

The Clarendon Bronchos stamped last Friday night and ran rough shod over the visiting Mustangs from Claude. The final score was 30 to 0.

This was the first game of the season for both ball clubs and the locals looked fine against their neighboring rivals who were more or less in the same weight bracket. The Mustangs had fewer practice days behind them as they were unable to start until the first day of school as they chose to hold training last spring.

The Bronchos' scoring spree started early in the first quarter when Carlile flipped a pass to Mike Murff for 15 yards and the counter, and repeated again a few minutes later with Murff carrying over from the 21 yard line. Try for extra point was no good on either occasion. The Bronchos were in scoring position again when the first half ended.

Local fans received a big thrill early in the third when Mooring went 73 yards for the third counter. Just a short time later Leffew went straight down the field for 54 yards and the fourth tally of the game. Cotton Hall, the lightest player on the regular squad, weighing only 125 pounds, skirted right end early in the fourth for 37 yards to wind up the scoring. His tally brought the score to 30 for the locals. All extra point attempts failed.

The Bronchos are light this year but seem to have plenty of fire. The fine work of the backfield was made possible through the cooperation of the Broncho line which was in there fighting all the way, opening up holes and doing some excellent blocking. A number of fans have made the remark this week that the Bronchos were running just as hard when the game ended as when it started. A good crowd turned out for the game and will be there backing the Bronchos, win or lose, the remainder of the season as long as they show the determination and spirit displayed last Friday night.

## LOCALS WIN THREE WAY ROPING CONTEST

Last Saturday night the Clarendon Roping Club came out victors in a three way roping contest involving Amarillo, McLean and Clarendon. The locals won over both visiting teams by a round 100 seconds. Those making up the team from Clarendon were Horace McClellan, Jim and Dub Littlefield, Douglas Shelton, Slick Johnson, Leland Lewis, Skeet Brown and Fred Brown.

## Fire Damages Local Business Firm

A fire of undetermined origin broke out in the Clarendon Radiator Shop early Tuesday morning and all equipment in the building was a total loss. The owner and operator of the business is Seth Edens. Damage to the building will amount to several hundred dollars according to Bill Greene, owner of the structure.

## COVEY OF QUAIL VISITS CITY MONDAY

The dove hunters or something must be getting rough on the quail as a covey of the prized birds apparently decided it would be safer right in the middle of town rather than out in the country. A number of locals noticed the birds near Terry's Cafe and along the city ditch southward. One young bird was caught as he sought refuge under a car and was freed behind the Donley County State Bank where there was less traffic.

Mr. and Mrs. Sam Lowe visited in Amarillo Sunday.

## Free Chest X-Rays Will Be Made Here Next Tues., Wed. and Thursday

Free chest X-rays will be taken in Clarendon next Tuesday, Wednesday and Thursday from 9:00 a. m. until 5:30 p. m. by the State Health Department of Texas. This survey is paid for by the taxpayers and is for everyone. It is not charity.

The X-rays will be made on these days in the Estlack Machinery Co. building across the street from the M-System. It will take only about two minutes of your time and does not require that the person undress.

Everyone should want to know that their lungs are in good condition and this is the only sure way of knowing. Even if you had a chest X-ray last year, you should have one made during the survey here next week. X-rays can find trouble in a persons' lungs long before he feels sick. Early discovery means early recovery.

Don't forget to remember the above dates and take advantage of this opportunity. Remind your friends and neighbors. A staff of local volunteers will be on hand to help register and help the X-ray technician while the survey is being made.

## COLT'S PARENTS TO MEET TUES. NITE

Parents of members of the Jr. High Colt football team will meet next Tuesday night at 7:30 at the Jr. High building. The purpose of the meeting is to get organized in order to give the colts the type of backing they deserve and also to discuss various questions regarding the junior team. Coffee and do-nuts will be served. Anyone interested is invited to attend the meeting.

## NOTHING NEW REPORTED IN WILDCAT WELL

According to our latest report the depth of the Kirk & Doswell McMurtry No. 1 Wildcat well was around 4,750 feet Wednesday with no important showing being reported. We were informed that several tests were made between the 3,000 and 3,500 foot mark but nothing was found. Wednesday a week ago the depth was reported at 3,160 feet.

It has been understood that drilling will continue as long as the formation indicates possibilities or granite is encountered.

## Broncs To Play Quanah Indians At Quanah Friday Night

### BIG THREE CONFERENCE

NEW YORK, N. Y.—Shown above is a session of the Big Three foreign ministers conference at Hotel Waldorf Astoria. Left to right: Robert Schuman of France, Dean Acheson of the U. S., and Ernest Bevin of Great Britain. Problems concerning the North Atlantic Pact nations were on the agenda.

The Clarendon Bronchos will journey away from home this Friday night to tangle with a Class AA team at Quanah. Very little is known about the Quanah eleven up this way but they usually have considerable strength. They are in the conference with Childress, Vernon and other towns of that size.

Coach Harrell reports that the Bronchos are in fine condition for the game and should give a very good account of themselves even though they will be considered the weaker team. You never can tell just what might take place before the last whistle is blown and the locals, with their fire spirit, will give their hosts a darn good workout before they take a bow or it might be the other way around. "It won't matter so much whether we win the game just as long as we don't get any boys injured," Harrell added.

The probable starting line-up for the Bronchos will be as follows, starting with left end: Mike Murff, Frank Jones, Drew Christie, Guy Tatum, Leldor McBrayer, Billy Pittman and Delbert Robertson. J. P. Carille will fill the quarterback slot; Arlis Mooring at left half, Cotton Hall at right half and Jack Trussell will be in the fullback position.

If it is where you possibly can, the Bronchos will appreciate every supporter that can make the trip. Home town backing will go a long way to help those boys win and the spirit they have shown so far deserves your support.

## Alice McCrary Is Chosen For New Farm Bureau Queen

Members attending the Sub-District Meeting of Farm Bureau, and Donley County Farm Bureau Queen Contest in Amarillo, at the Herring Hotel in Old Tascosa, last Wednesday, Sept. 13, were Mr. and Mrs. Leo Wallace, Miss Juanelle Davis, and Miss Mary Jo Hester of Ashtola; Miss Joan Ray and Mrs. Moreman of Hedley; Miss Shirley and Mr. and Mrs. J. B. Smith, Mrs. J. H. Wood from Lelia Lake; Miss Jo Ann and Mr. Joe Ritter, Fred Molesworth and Edward Sawyer of Clarendon; Miss Alice and Mrs. Forest McCrary, Mrs. W. H. Cooke III and Mr. Lee Shaller from Midway.

Following the pre-meeting of the Farm Bureau membership drive, Old Tascosa became the scene of The Donley County Farm Bureau Queen Contest.

Five lovely contestants representing the Ashtola, Hedley, Lelia Lake, Clarendon, and Mid-way communities.

From Ashtola was Miss Juanelle Davis; Miss Joan Ray Moreman of Hedley; Miss Shirley Aten of Lelia Lake; Miss Jo Ann Ritter of Clarendon; Miss Alice McCrary of Midway.

The girls were judged on poise and personality from questions asked them by Mr. Marvin Carter, Organization Director of American Farm Bureau Federation, Southern Region, and Mr. D. C. Meier, executive vice president Southern Farm Bureau Life Insurance Company.

Miss Jo Ann Ritter was chosen Maid of Honor. The 16 year old Miss Ritter is a senior in Clarendon High School and attends Clarendon Junior College. She is a member of the Kappa Sub-Deb Club. For three years she sang in the school choral club, and two of these years she sang in the sextet. She was chosen Clarendon and District F.F.A. sweetheart in 1950. She also attended Miss Allred who was football queen last year. Miss Ritter was dressed in a blue formal and wore a corsage of baby roses.

Miss Alice McCrary, daughter of Mr. and Mrs. Forrest McCrary, was chosen Queen. She, too, is sixteen years old and a senior at Clarendon High School and classified as a freshman in Clarendon Junior College. She is now vice president of the Cue and Curtain Club and Secretary of the Kappa Sub-Deb Club. In 1948 Miss McCrary was salutatorian of her class. She now plans to major in speech and education. She has been a member of such organizations as Girl Scouts, Sweet Sixteen Club and Future Homemakers of America. She is a member of the First Baptist Church of Clarendon.

To claim the title Miss McCrary wore a black taffeta evening dress with a corsage of small yel-

low mums. The Donley County Farm Bureau had a booth at the County Fair to remind the visitors of its existence, and to write subscriptions for new members as well as to renew subscriptions for those nearing expiration.

"We were also able to explain to non-members the fundamentals and importance of Farm Organization," said Lee Shaller, vice president of the Donley County Farm Bureau. "We also had the charming Queen, Miss Alice McCrary and her attendant Miss Jo Ann Ritter in our booth Friday and Saturday afternoons."

The Farm Bureau Queen received \$35.00 as a prize. "Our membership drive is on now," Mr. Shaller stated. "The Big Push Comes off from Oct. 10 to 17. Be ready to join your Farm Bureau."

## FOOTBALL SEASON TICKETS STILL ON SALE

Beaty Hillman, president of the Athletic Council, announced yesterday that the price on season football tickets had been reduced in price and were still on sale for the remaining four games to be played here. The present price is \$2.40. By buying your season tickets now you will save 60 cents and will avoid having to pay at the gate, he added.

## QUARTERBACK CLUB TO MEET EVERY MONDAY NITE

It has been announced that the Quarterback Club will meet every night at the gym. A free movie will be shown each time and there will be refreshments. Everyone interested in athletics is invited and urged to attend as many meetings as possible.

Rev. Warrin Fry from La. was in town visiting Wednesday.

## Donley Wins In Sears Roebuck Swine Program

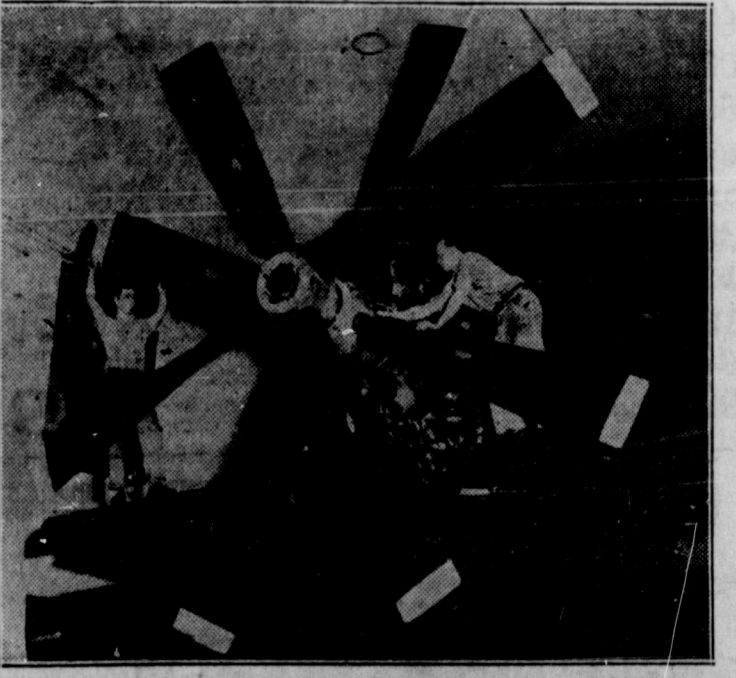

The winners of the Sears Roebuck swine program in Donley County who went to the Area show in Amarillo and competed for regional honors in the swine program did a good job for Donley County. H. M. Breedlove, county agent and in charge of 4-H Club work in the county stated this morning that Jerry Preston of the Skillet community won second honors with his Hampshire male pig in Amarillo and Toad Graham of Ashtola won fourth honors with his Hampshire gilts. The male and gilt won a total of ninety dollars in premiums to be used for the purpose of buying material to further the hog program on the farm.

Basil Bannister, of the Chamberlain community won the reserve champion barrow of the Donley county fair and showed his barrow to fifth place at the Tri-State fair. All the Hampshire hogs owned by the 4-H Club boys are from the registered herds of E. S. Ballew of Clarendon, well known Hampshire breeder thru-out the southwest.

## PLAYMATES EAT POISON

LOS ANGELES, CALIF.—They played together and they ate together,—which is why these three tots are in the hospital. Stephen Horn, 2, his sister Susan, 4, and Eva Depue, 4, tasted some ant poison which the children found, and here they are recuperating after being rushed to Georgia Street hospital for first aid.

NAVY'S NEW EIGHT-BLADED AIRCRAFT PROPELLERS—One of the largest propellers ever developed for Navy aircraft in this experimental contra-rotating installation for use with turbine engines of over 5,000 horsepower, and is part of the Navy's continuing development program. The blades are 14 feet in diameter. The new propeller actually consists of two four-bladed propellers, placed one in front of the other, on a dual shaft and geared to turn in opposite directions. This eliminates the "torque" effect of propeller-driven aircraft. "Torque" is that force which tends to turn a plane in the opposite direction to that which a single propeller unit turns.

## THE W. S. C. S. HAS FAIR BOOTH

The Lelia Lake Woman's Society of Christian Service won fourth place with their agricultural exhibit which they received a yellow ribbon. Those taking part in fixing the booth were: Mr. and Mrs. J. L. Butler, Mrs. J. B. McDaniel, Mrs. Virgil Smith, Mrs. C. O. Hill, and son, Mr. Joe Stutts who has been home visiting from Sam Houston College at Huntsville, Texas. The group also fixed a booth for McKnight, Texas.

## Mrs. C. O. Hill Leads Devotional

Monday, September 11th from 3 to 4 p. m. the Woman's Society of Christian Service met at the Lelia Lake Methodist Church for their regular meeting with Mrs. C. O. Hill leading the devotional. Her lesson was on the Promises of God. There were nine ladies present who all took parts on the program. Mrs. C. O. Hill is a new member of the W. S. C. S. and has been appointed as Assistant of the Secretary of Spiritual Life. We are very happy to have her lead us in these services once a month. The Society met again Monday the 18th at the same time. The service was opened with a song, "Take My Life and Let It Be," led by Mrs. J. L. Butler and Mrs. Jess White. A report was given on a box that the ladies have donated for Home Missions, which will be sent to Mission, Texas, this week. The study was on Health Through a Brotherhood of Nations. Mrs. J. W. Webb gave a talk on daily Bible reading. Those present were: Mrs. O. C. Hill, Mrs. Earl Myers, Mrs. Jess White, Mrs. Earl Fox, Mrs. J. L. Butler, Mrs. J. W. Webb, Mrs. J. B. McDaniel, Mrs.

Bill Poole, Mrs. McCauley, Mrs. Virgil Smith, and one visitor, Mrs. Myers. The Society invites other ladies of Lelia Lake to come in for a visit if they like. The meeting closed with prayer in unison.

## BRONCHO MOTHERS MEET

Mothers of the Broncho team met Sept. 13 to elect the following officers: President, Mrs. Bill Thornberry; vice-president, Mrs. Olin Bain; Secretary, Mrs. Carl Pittman; Treasurer, Mrs. C. V. Murff; Reporter, Mrs. D. G. Bal-  
lew.

These committees were appointed: Finance committee, Mrs. Henry Tatum, Mrs. Stanley Carlisle, Mrs. Olin Bain, Mrs. C. V. Murff and Mrs. Hearn; Social committee, Mrs. Jack Brooks, Mrs. Walter Clifford, Mrs. Bert Smith, Mrs. Hall, and Mrs. Christie.

They voted to pay \$1.00 for dues to be in by Nov. 1st, and also voted to meet first and third Mondays during Oct. and Nov. at 7:30 p. m. The meeting place will be decided on later.

Fourteen members were present. Hope next time to have all thirty mothers out.

Let's help to support our new coach and the boys. They need you.

—Reporter

## JR. BEAUX ARTS CLUB

The Junior Beaux Arts Club met in the home of Doris Wallace with Scharlean Pyeatt as co-hostess, Thursday, Sept. 14.

After a short business meeting refreshments were served to Miss Howren, Miss Polk, Monette Nevil, Va Lois Stafford, Ann Thompson, Gladys Emmons and June Selmon.

## MURDOCK—WILSON

Mr. and Mrs. John Murdock of Plaska, Texas announce the recent marriage of their daughter Claudine Haynie to Henry Wilson Jr., son of Mr. and Mrs. W. H. Wilson of Ashtola.

The double ring service was read in the home of Mr. and Mrs. Troy Fouts, aunt of the bride of Melrose, N. M. on Sept. 2, at 7 p. m.

Rev. John Stout, pastor of the Baptist Church of Melrose, officiated. Mrs. J. H. Murdock of Amarillo was the brides attendant. J. H. Murdock of Amarillo was best man.

For her marriage the bride chose a brown satin dress with brown accessories. Her corsage was yellow rose buds. Mrs. Murdock wore a white pique dress, and her corsage was red rose buds.

Following the ceremony a wedding supper was served to Mr. and Mrs. Eugene Wilks of Clovis, Mr. and Mrs. J. H. Murdock of Amarillo, Rev. and Mrs. John Stout, Denzil Fouts, Mrs. Claude Smith and Bonnie of Melrose, Mr. Elton Murdock of Memphis, Miss Nell Stout of Melrose, Mr. and Mrs. Henry Wilson and the hosts, Mr. and Mrs. Troy Fouts.

Mr. and Mrs. Wilson have been employed in Amarillo, but are now at home at the S. J. Ranch of Ashtola, where Mr. Wilson is employed.

## BIRTHDAY PARTY

Little Miss Janet Crutchfield was honored with a birthday party at the park Saturday afternoon. Her mother, Mrs. Roy Crutchfield was hostess. Also present were her grandparents, Mr. and Mrs. O. L. Usrey and two aunts, Mrs. Robert Bannister and Miss Katherine Usrey of Amarillo.

Games were played and gifts were opened and admired. Favors were individually given from the honoree, Janet. Refreshments of cake and cold drinks were served to 14 guests.

## JUNIOR H. D. CLUB

The Jr. Home Demonstration Club met Thursday, Sept. 14 at the Club House for a regular meeting.

Plans for the year book were discussed, and it was decided to have them ready for the next meeting, Sept. 28. After the business hour, lovely refreshments were served to the following members: Moselle Wright, Ona Tatum, Ola Williams, Jean Putman, Nora Decker, Beatrice Rogers, Sadie Head, Oma Bentley, Wilma Spier, Rowena Posey and the hostesses, Ruby Blackman and Dollie Wilson.

## HARMONY CLASS

The Harmony Class met Thursday, Sept. 14th for their regular monthly meeting at the country home of Mrs. Clyde Hudson with Mrs. O. D. Lowry as co-hostess. The president presided over the business session with the election of officers. Mrs. Fred Buntin gave the devotional. Lovely refreshments were served to 14 members and one guest.

Officers for the coming year elected were: President, Mrs. Lee Holland; 1st vice-president, Mrs. Rolle Brumley; 2nd Vice, Mrs. B. C. Antrobus; 3rd Vice, Mrs. Clyde Hudson; Sec.-Treas., Mrs. Doyce Graham.

Those present were, guest, Mrs. M. C. Goodner; Mesdames Walter Hutchins, N. L. Cox, Bill Ray, Doyce Graham, B. C. Antrobus, Carl Bennett, Homer Bones, Lee Muse, Lee Holland, Fred Buntin, O. C. Watson and the hostesses, Mrs. Hudson and Mrs. Lowry.

## H. D. CLUB

The Home Demonstration Club met Friday, Sept. 15th at the home of Mrs. Bertha Benson with the assistance of Mrs. William Payne. The meeting opened with a business session at which time the following officers were elected for the year: President, Mrs. M. C. Rumpy; Vice-president, Mrs. A. W. Simpson; Sec.-Treas. Mrs. Bertha Benson.

Lovely refreshments of ice cream and cake were served to the following: guests, Mrs. Mattie Hudson and Mrs. Neely Hudson; members, Mesdames A. L. Chase, Lena Antrobus, A. W. Simpson, O. C. Watson, M. C. Rumpy, Claude Darden and the hostesses Mrs. Benson and Mrs. Payne.

## PRESBYTERIAN AUXILIARY MEETS

Women of the Presbyterian Church met in the church basement Wednesday afternoon. Hostesses were Mrs. Millard Word and Mrs. Guy Wright. Mrs. J. H. Howze gave the Bible lesson.

## KAPPA MEETING

The Kappa Sub-Debs met in the home of RaNelle Nichols Wednesday afternoon for a business meeting. Doris Louise Smith and Mary Lou Barker served as co-hostesses.

Lovely refreshments were served to June Allred, Nell Bentley, Sandra Bownds, Mary Edna Elmore, Nellie Jon Heathington, Dorris Knorpp, Jo Ann Ritter, JoAnn Sibley, Doris Wallace, Joyce Hall, the pledges: Annette Thomas, Mary Ann Landers, Shirley Barker, Shirley Wilson, Betty Thompson, Shirley Morris, Inelle Cox, Patsy Emmons, Sandra Shelton, Dorris Crawford, Patsy Estlack, JoAnn Montgomery, and the hostesses, RaNelle Nichols, Doris Smith and Mary Lou Barker.

## KIL KARE KNEEDLE KLUB

This club met Thursday in the home of Mrs. Homer Mulkey with Mrs. W. A. Land as assisting hostess.

A covered dish luncheon was served at the noon hour. The afternoon was spent in doing needle work.

Beautiful dahlias were used in decorations.

Those present were Mesdames J. R. Bartlett, Sam Lowe, Buel Sanford, A. O. Hefner, Frank Whitlock, Harry Brumley, Ed Speed, R. R. Dawkins, R. O. Thomas and the hostesses, Mrs. H. Mulkey and Mrs. W. A. Land.

Mrs. Will Johnson visited last week in San Angelo, Texas.

## PINK AND BLUE SHOWER

Mrs. James T. Mitchell was honored with a pink and blue shower at the First Christian Church Friday afternoon. The shower was given by the ladies of the church with Mrs. Roy Clampitt acting hostess.

The pink and blue color scheme was carried out in decorations. The gift table was centered with a bouquet of dahlias in pastel shades.

Those present were Mesdames Pete Kunz, Judge Williams, Tommy Saye, Eugene Swinney, Clarence Pipes, Cormar, R. P. Wilson, Emmett Bryson, Eva Humphrey, Lloyd Benson, Zoy Risinger, G. A. Anderson and Roy Clampitt. A number who were unable to attend sent gifts.

## BIRTHDAY DINNER

Mrs. E. W. Tyler was honored with a birthday dinner at her home Sunday. She was 64 years old. Present for the occasion were Mr. and Mrs. R. T. Tyler and children, Mr. and Mrs. Virgil Moore and children, Mr. and Mrs. Gene Tyler, Mr. and Mrs. Guy Jones and children, all of Amarillo, Mr. and Mrs. Jimmy Clark and son of Plainview, also Mr. and Mrs. Dub Tyler and Barry, Mr. and Mrs. Grady Tyler, Miss Alice Tyler, Mrs. Ermine Blair and Biffie of Clarendon.

Mr. and Mrs. John Miller Morris of Canyon visited their parents, Mr. and Mrs. Cap Morris and Mr. and Mrs. Frank Blair the week end.

## BAND PARENTS

Band Parents met Monday nite in the band hall with 24 members present. Mrs. Howard Stewart presided in the absence of the president, Mrs. J. G. McAnear.

In the business meeting it was voted to pay Boyd Pipes license in order that he might drive a bus when necessary to take our band to other towns. It was also voted that as so many were going to the fair on Wednesday, parents would take the band members in cars.

The following committees were appointed: Band Stand for home games—Mesdames Dick Vallance, Bert Smith, Harold Longan, Carroll Lewis, Mike McCully, Howard Stewart, Gordon Bain, Owen Pyeatt, L. M. Smith and J. G. McAnear; Coffee—Mesdames Tullis Davis and R. Y. King; Chili—Mrs. Winnie Stogner; Weiners—Mesdames Bill Riney and Doc Durham; and Buns—Mesdames G. W. Estlack, Frank Reid and Clarence Pipes.

The presence of so many parents was appreciated. It is hoped that there will be even more present at our next meeting which will be the third Monday night of each month.

## MOTHERS CLUB NOTICE

Members of the Mothers Club will hold their first meeting of the year Tuesday, Sept. 26 at 3 o'clock in the Patching Club House. Mrs. Herschel Heath will be hostess. This will be a business meeting.

## W. S. C. S. OF THE METHODIST CHURCH

Members of the Womens Society of Christian Service were invited to join the Hedley Ladies in celebrating the 10th birthday of the organization at Hedley Monday.

The program was presented by the Clarendon Ladies. Mrs. John English gave the devotional, Mrs. Frank White Jr. sang accompanied by Mrs. Rayburn Smith and Mae Morris read for the group. In closing a member of the Hedley group rendered a prayer.

Angel food cake and lime punch was served. Those to attend from Clarendon were Mesdames B. C. Antrobus, C. E. Bairfield, Judson Cook, E. J. Wise, J. A. Howard, R. Y. King, Charlie Lowry, A. L. Thornberry, Bill Thornberry, J. R. Bulls, John English, Bill Ray, Rayburn Smith, Frank White, Jr. and Frank Blair.

## PUTMAN FAMILY ENJOYS GATHERING

Mr. and Mrs. J. H. Spier, Jr., and boys had members of the Putman family as guests in their home Sunday. Those present for the day were Mr. and Mrs. Lois Putman and family, Mr. and Mrs. Gene Putman, Mr. and Mrs. M. L. Putman, Mr. and Mrs. M. B. Trout and family, Mr. and Mrs. Bobby Trout, and Mr. and Mrs. Bob Williams, all of Clarendon, also Mr. and Mrs. W. T. Holsenbeck and family of Sunray, and Mr. and Mrs. Red Watson of Dumas.

## 1926 BOOK CLUB

Members of the 1926 Book Club and guests met at the Patching Club House Tuesday afternoon. The social committee served as hostess and was composed of Mrs. Rolfe Brumley, Mrs. Frank Phelan, Sr., Mrs. W. J. Lewis, Jr., Mrs. Charles Lowry, and Mrs. James Ross.

Receiving the guests were Mrs. Allen Bryan, Mrs. Barcus Antrobus and Mrs. James Ross. A fall decoration theme was carried out in the use of lavender and darker orchid mums, asters and beauty berry.

Mrs. Elba Ballew, in her charming manner, reviewed "The Emmortal Lovers", a story of Elizabeth Barrett and Robert Browning, written by Francis Winwar.

During the social hour, Mrs. W. J. Lewis, Jr. presided at the punch bowl. Approximately 85 members and guests attended.

## BIRTHDAY CLUB

The birthday club met Thursday afternoon in the home of Mrs. Victor Smith with Mrs. Basil Smith honoree.

Guests present were Rowena Parker of Iowa Park, Texas; Mrs. E. T. Ballew of Ennis, Texas; and Mrs. Bert Smith, Sr. Members present were Mesdames L. L. Wood, Tom Crabtree, V. L. Smith, Bert Smith, Jr., Eva All-

gren, H. T. Warner, J. I. Spurgeon, Lloyd McCord, and the honoree, Mrs. Basil Smith.

## NOTICE

The Commissioners Court of Donley County will receive bids to be opened at 10 o'clock A. M. September 29th, 1950, in the office of the County Judge, for one tandem drive motor grader with cab and scarifier. An Adams Model 511 motor grader must be taken in trade and the balance to be payable by time warrants with interest at 4%, due May 1, 1951 and 1952, respectively. Said court reserves the right to reject any or all bids.

**West Texas Utilities Company**

**MARTIN**  
Mrs. J. H. Helton

Sunday school and church were very well attended Sunday. Bro. Phillips was called to San Jon, N. M. so Harold Elliott preached both morning and evening services.

Mr. and Mrs. Clyde Pittman and Duane of Stratford and Mrs. W. D. Higgins ate Sunday dinner in the Raymond Waldrop home. Those to visit in the afternoon were Mr. and Mrs. Jack Eddings and Joyce of Clarendon, Patsy Knox of Ashtola, Mr. and Mrs. Seth Edens and Mr. and Mrs. L. L. Waldrop, all of Clarendon.

Betty Sullivan spent Saturday night with Frances Helton.

Mrs. Chester Talley, mother and sister visited her over the week end.

Mr. and Mrs. Walter Hutchins and Mr. Newland were Amarillo

visitors Monday.

Mr. and Mrs. W. L. Jordan and Perry ate Sunday dinner with the Murphy Brocks at Lelia Lake.

Mrs. J. H. Helton visited Mrs. D. E. Stevenson awhile Monday afternoon.

Mr. and Mrs. W. D. Higgins spent Saturday in Amarillo visiting Mr. and Mrs. Doc Higgins and son.

Mrs. Lavell Phillips and boys Larry and Mike ate dinner Monday in the J. H. Helton home.

The young people's Sunday school class enjoyed a wiener roast at the Park at Clarendon Monday night.

Frances Helton spent Friday night with Charlene Johnson.

Mr. and Mrs. Walter Hutchins visited awhile Sunday night with Mr. and Mrs. D. E. Stevenson.

Mr. and Mrs. O. C. Watson attended a reunion in the home of his brother, Mr. and Mrs. J. E. Watson at Hobart, Okla. the week end.

**MIDWAY**  
Mrs. John Goldston

Crops in Donley County took another beating last week from the norther, rain and hail, but withstanding all these, Midway has some mighty fine crops. Feed crops are good. Some cotton crops already have half bales in grown holes. While the excess rains, hail and worms have been overwhelming, Midway can still boast a good average crop.

Mrs. Harley Longan visited with Mrs. Hamlin Monday afternoon.

Mr. and Mrs. Chester Gregory visited Sunday with his mother, Mr. and Mrs. Rackley.

Mr. and Mrs. Luttrell and Mr. and Mrs. Harley Longan took the Midway fair exhibit to Amarillo Monday.

Charles Karnes, a nephew, Mr. Yelter and Mr. Carlson, cattle buyer from Greeley, Colo. visited in the Edith Longan home Friday night.

Mrs. Edith Longan spent a few days last week with Mrs. Don Tomlinson who is ill.

Mr. and Mrs. Tom Corder of Amarillo and Mrs. J. T. Stone spent Sunday in the Longan home.

Rev. Sartain of Clarendon visited with Mr. and Mrs. Hamblen Sunday.

Mr. and Mrs. Geo. McKee of Clarendon visited in the Hamblen home Sunday evening.

Guests in the Hillis home Sunday were Mr. and Mrs. Ted Montgomery and son of Lakeview, Mr. and Mrs. Don Hillis of Lakeview and Mr. and Mrs. Tommy Hillis of Lubbock, Mrs. Blevins and daughter of Wheeler, also Mr. L. L. Forman and daughter Mary

of Memphis.

Mrs. Quattlebaum took his chickens up to Amarillo for the fair Monday. Mr. Quattlebaum almost took the whole show in the oDnley County fair, having won 6 blue ribbons, 6 red, 6 white, 6 yellow and 5 sweepstakes.

Mr. and Mrs. Hillis went to Amarillo Tuesday for medical treatment for Mrs. Hillis.

Misses Minnie and Ava Naylor are ill this week with colds.

Mrs. Hillis visited with Mrs. John Goldston Monday.

Motion made by Mr. Chenault, seconded by Mr. Baley, and carried on call of the question, that under Art. 2, Section 10 of the City Water, Garbage and Trash and Sewer Ordinance, that the City Sec. be authorized to deduct 50c on garbage charge per month

from all businesses operating under said section 10, effective Sept. 1, 1950, and 50c from each apt. house or any other establishments served.

Signed  
Major B. Hudson  
Mayor, City of Clarendon.

Guests through the weekend in the Austin Rhoades home were Mr. and Mrs. Hubert Rhoades and Mary Sue of Ashtola, Mr. and Mrs. Loren Rhoades, Amarillo; Mr. and Mrs. Skeet Brown and children, Alanreed and Mr. and Mrs. Harold Green of Borger.

**Amendment to City Water, Garbage & Trash and Sewer Ordinance**

Motion was made by Mr. Baley, seconded by Mr. Chenault, that Article 1, Section 1 of the City Water, Garbage & Trash, and Sewer Ordinance, be amended to read as follows:

"Section 1. The minimum amount charged by the City of Clarendon (or the City Water Works) shall be \$2.00 per 3,000 gallons per meter per month. Such amount shall increase in direct proportion to the number of additional gallons used per month; but in the discretion of the City Commission, the rate above the minimum may be lowered." And that such rate take effect and be effective from the beginning of the day of September 1, 1950.

Motion was made by Mr. Baley, seconded by Mr. Chenault, and carried that Article II, Section 15, be amended to read:

"Every owner, occupant, tenant or lessee of a house or building used for residential, business or commercial purposes is required to maintain constant supervision and surveillance over the garbage can and trash receptacle on his premises, and if either the garbage can or trash receptacle should not be emptied and the contents removed by an agent or representative of the City of Clarendon, or other duly authorized person, for a period of seven days, he must notify the City Secretary, City Hall, in writing of this fact within seven days." And that such amendment take effect and be effective from the beginning of the day of September 1, 1950.

### FARM NEWS

From the County PMA Committee

Farmers who protect their land with a good cover crop, not only can farm the same soil year after year but the soil is in better condition to grow crops. These crops not only protect the land during the period of heavy rains but when turned under in the spring add organic matter to the soil.

The following producers have gotten approvals for Austrian Winter Peas: Frank R. Crisp, Elmer W. Dishman, Burk F. DeBord, Finis L. Hill, George M. Johnson, H. A. Swinney, Ferral A. Floyd and J. P. Holliman.

Those getting approvals for Hairy Vetch are Frank R. Crisp, George B. Bagby, and Jack Moreman.

The same amount of fertilizer applied to winter cover crops this fall that would normally be applied to cash crops next spring will get greater results.

#### RYE APPROVALS:

Thirty approvals for Rye have been issued since last week. This practice seems to be going over with a "bang." If you want to seed some Rye, be sure to come by the office and get your approval. Remember that you can earn \$2.00 per acre for 1951.

#### PMA ELECTIONS COMING UP SOON:

With the annual election of Production and Marketing Administration community committees coming up in the next few weeks all eligible farmers are urged to get their sights set on the best possible farmer candidates. The date of the election and polling places will be announced later.

The communities for which committees will be elected and present committeemen are: "A" Community whose present committeemen are Roy H. Stewart, W. Houston McDonald, and Jim W. Hermesmeier; "B" Community whose present committeemen are Leo L. Wallace, Pete Land, and W. Doyce Graham; "C" Community whose present committeemen are Melvin C. Rumpy, Charlie C. Hearn, and Robert A. Williams; "D" Community whose present committeemen are Oscar L. Wilkins; "E" Community whose present committeemen are Gerald L. Noble, Oscar Anderson, and Harvey C. Shaw; "F" Community whose present committeemen are Tommy W. Bain, Frank Jones, and William F. Maddox; "G" Community whose present committeemen are Enos M. Glass, Lionel E. Blankenship, and Henry Moore; and "H" Community whose present committeemen are C. P. Hamilton, Herbert W. Guill, and Bill C. Crisp.

The farmers elected in the coming election will take office January 1 and serve throughout 1951. Community committees assist in the administration of PMA and other assigned programs in their communities including the Agricultural Conservation Program, storage and loan programs, Federal Crop Insurance and sugar program. All farmers taking part in these programs are eligible to vote.

La Nelle White, wife of J. F. White and former employee of PMA, has moved to Phillips where her husband is now employed by Phillips Petroleum Company.

When the topsoil is gone and Donley County Leader, \$2.50 year

the farm is no longer productive, the Nation has that much less of its most valuable natural resource, that much less food, that much less farm income, that much less business on Main Street.

Agriculture is the foundation upon which the economy of our Nation rests. If we wreck the foundation of a building, it will crash to the ground. If you wreck the foundation of the economy of our country, which is agriculture, you cannot escape wrecking the economy of the Nation.

Pastures are just like corn or cotton or oats or any other crop. Good crops pay better than poor crops—the same with good pastures and poor pastures.

#### Notes from --- CITY HALL

##### Notice to Dog Owners

It has been called to our attention about there being too many dogs on our school grounds during school hours and there have been a few instances where some of the dogs have become cross with the children while at play and snapped at them. We are asking you to cooperate with us in every way possible in eliminating this and avoid what might be something serious should some dog bite a child.

We note also an unusual number of dogs roaming the downtown streets and sidewalks, especially dogs lying on sidewalks. This causes an inconvenience to people so let's all strive to avoid this happening as much as possible. Thanks.

Major B. Hudson, Mayor.

#### HIGH SCHOOL & COLLEGE CLASSES ELECT OFFICERS

Members of the Clarendon High School and Jr. College elected officers this past week to preside over the respective classes this coming year. They are as follows:

Freshman Class: President, Fred Clifford; vice-pres., Gene McBrayer; Sec.-Treas. Ruby Mann; reporter, Cherry Valance; sponsors, Mrs. Ray Moore and Mrs. O. D. Lowry.

Sophomore Class: Pres., Mike Murff; vice-pres., Jimmy Thompson; sec.-treas., Don Thornberry; reporter, Patricia Estlack. Sponsors, Mr. Larimer and Miss Howren.

Junior Class: Pres., Doyle Lefew; vice-pres., Frank Jones; sec.-treas., Royce Morris. Sponsors, Mr. Grundy, Miss Richerson and Miss Polk.

Senior Class: Pres., Billy Carl Pittman; vice-pres., Arlis Mooring; Sec., Nellie Jon Heathington, treas. Verne Morris; reporter, Jack Brooks. Sponsors, Mr. Seay, Mrs. White and Mrs. Cox.

Junior College: Pres., Sidney Muse; vice-pres., June Selman; sec.-treas., Jimmy Gowdy. Reporter, Scharlean Pyeatt. Sponsors, Mr. Loyd and Mrs. Goodner.

#### Colts To Play First Game With McLean Sept. 28

Twenty-eight boys ranging from 12 to 14 years of age have reported and have been working out for the Jr. High Colt football squad. They are 7th & 8th grade students only as the 9th grade moved to Senior High School. The Colts are being coached by Jerry English and Billy Bob Adams.

The squad as a whole is green and inexperienced but should develop into a fairly good ball club. Their first game will be with the McLean Juniors next Thursday, Sept. 28.

Probable starters beginning at left end are Ronny Martin, Billy Joe Percival, Jiggs Riley, Jimmy Myers, Don Tims, Bubber Smith and Don Landers. Quarterback, Bobby Johnson, left half, Bobby Wilson; right half, Bill Dale Hill and Max Johnson at the fullback slot.

#### ATTEND BEAUTY CLINIC

Beauty operators from several of our beauty shops attended the Beauty Clinic held at the Herring Hotel in Amarillo Sunday. Hair stylists, Lee Self, El Paso; Mrs. Corbitt, Kansas City, Missouri; Mr. Raffa, Denver, Colo. and Mr. Hisey of Tulsa, Okla. presented the latest in styles and instruction.

Among those to attend were Mrs. Ellis Chenault, Mrs. Clyde Putman, Mrs. Dona Massingale, Mrs. Pauline Watters, Mrs. Tillie Ozier, Mrs. Lorene Riley and Mrs. Thelma Hill.

Actually I had begun to worry about the Ain't Smoking Right Now Society. With all of our some 500 members we had slowed down. It had been several weeks since we had received a new member. But this week brought a rush of members. We have mailed cards this week to Jay Gould of box 42 Clarendon, Texas, and Clyde Lawrence of Rt. 2 Claude, Texas. Clyde has been off the weed since March and has gained 20 lbs. and is even better looking than he was before. I wondered if Jay Gould was any relation to the fellow the saying was written about; "Rich as Jay Gould." Glad to have them both.

Also I found out this week that my good friend Quincy Bingham wasn't really smoking tobacco. That the brand that he was smoking was made out of one third coffee grounds; one third prairie coal, and one third black strap molasses. On finding this out I mailed him an honorary membership in the society. Actually, I would have been afraid to do this if Quincy had been up on his two feet. He is laid up in the hospital with a busted hip. Will all the members of the ASRNS please send Quincy a card or letter along with every one else? Suppose everyone that reads this column sends Quincy a card; I could check with him and find out how many readers I have. His address is Quincy Bingham, Northwest Hospital, Amarillo, Texas. Don't let Quincy or Uncle Zeb down.

Had a nice letter this week from Uncle Bob, and as usual he takes up for the Scotch. He says that the Scotch are the one people that can afford to be joked

about and copied after. According to Uncle Bob even the ladies dresses are copied after the Ladies from Hell kilts. He wondered what would happen if we should have our Marines dressed as Scotland's Ladies from Hell. He mentions that in all these beach landings dressed this way they could not get their pants wet. At that it might have an advantage, some people might hesitate to insult the Marines if they were so dressed. Thanks Uncle Bob for the nice letter.

Received another nice letter from Mr. Al Gerner of Lelia Lake. He includes the article The Wise Young Men in Washington—And The Road Ahead written by Dr. Walter R. Courtney, a Presbyterian preacher in Nashville, Tenn. This article deals with the similar conditions existing in England and Russia in the years prior to their fall into Socialism and the conditions that we have here in America today. It reminds us of a little boy trying to see how close he can walk to a high bluff without falling in. Mr. Gerner is trying to get the response of other people to this article; trying to do his part as a citizen to help wake us up before it is too late, and we are glad to help out in this cause. We will pass this little article around among our readers for their comment and information. Thanks Mr. Gerner.

I had to apologize to most everyone except the monkey in regard to the little joke last week about the government worker and the census taker. I was reminded of every check that I had ever received from the time we chopped down our pig crop, till the one I got this year for plowing my land the other way. Anyway, I could not help thinking about the saying, "He who liveth on a river bank shouldn't go pushing people around", as Uncle Fuzz Weepot used to say. Anyway, I always feel better after I apologize, anyhow.

Talked to a mother of a boy that was being drafted, and she was frantic; "Just think", she says, "They are taking my boy to the jungles of Korea to fight before he is old enough to vote for or against the ones who are sending him." This is something to think about; The very ones that they claim make the best soldiers are considered too young to know how to vote properly. Maybe we should let them vote for the next hundred years and make us older codgers do the fighting; something tells me this might make wars scarcer.

Mrs. J. R. Morris of El Paso who has been visiting in the Cap Morris home has gone to Claude to visit relatives.

Mrs. T. W. Hardisty of Salem, Oregon visited her sisters, Misses Rhoda and Julia Wiedman, Tuesday night, enroute from Detroit, Mich., where she purchased a new Kaiser car and is driving it to her home in Salem, Oregon.

Mr. and Mrs. Steve Mathis and son of Lubbock spent several days with her parents, Mr. and Mrs. W. W. Taylor.

Mrs. Bill Cornell of Perryton visited with relatives and friends in Clarendon last week.

Mrs. J. D. McDonald of Plainview and Mrs. T. J. Jefferies of Childress and Mrs. Mary O'Connell visited Mrs. J. D. Jefferies this week.

## Peace Cannot Be Stored In Mothballs

Lyndon B. Johnson  
(U. S. Rep. & U. S. Senator)  
**I Remember - - and I Know You Have Not Forgotten:**

We must keep strong; militarily, productively - - and, if you please, morally. We must have military strength to fulfill our moral obligations. For instance, we are committed to protecting the independence of the Philippines. I have supported and will support an adequately paid million-man army and a half-million man Navy; and Air Force of 400 thousand men, ten thousand combat planes and 12 thousand training planes. Our Armies and Navies must be backed by adequately financed scientific research for both war and peace.—Speech, July 6, 1946.

### We Can't Stick Our Heads In the Sand:

Our supreme duty today is to underwrite the future - - We must have a police force to protect us from criminals, an army and navy strong enough to carry out our pledge to help the United Nations police the world - - We can't stick our heads in the sand as we did after the last war.—Speech, July 26, 1946.

### The Search For Peace:

Russia is building aircraft twelve times faster than we are. If there is to be peace on earth, the air above us must belong to Free Men - - Congress should

pass Selective Service and Universal Military Training soon.—Newsletter published in newspapers throughout Tenth Congressional District of Texas, March 14, 1946.

### Peace In This Day Is Not Cheap:

The one thing a bully understands is force, and the one thing he fears is courage - - If Russia is not willing to stop, then now is the time for us to decide whether we will meet her, and meet her now. — Congressional Record, March 7, 1947.

### We Can't Appropriate Time:

Somewhere there should be a tablet of enduring bronze and on it inscribed two columns of names in everlasting letters. Above one column would read the inscription: Here are the names of those who voted to send our Army home. Here are the men who were frightened by our attempts to build a Navy. That would be the heading of the first column. And on the other side would be eight short words: Here are the names of those who died. — Congressional Record, March 15, 1948.

### We Blundered Into Two Wars:

The Red hands of Communism are reaching out for the throat of Freedom around the globe - - in Europe, in China, in South America, and even in our land - - What blunder was it that pushed us into two World Wars? It was the blunder of doing too little too

late. — Congressional Record, April 1, 1948.

### America In The World Today:

Russia today has more than 4,000,000 men in her army. America has 540,000. Russia is building 8 to 12 thousand planes a year. America is building 1,800. Russia is spending \$20,000,000,000 a year to make herself invincible. We are spending between 10 and 11 - - We are 322,000 men short of minimum peacetime needs - - Some of our finest citizens say, in our atomic air-age, that we won't need a foot-soldier army, so why universal military training? I wish I could believe what they say. — Congressional Record, March 29, 1948.

### Let's Not Demobilize This Vital Part of Our Defense:

I do not feel that I can associate myself with this legislation which, in essence, is an order to the President of the United States requiring him to speed disposal of the Government's rubber properties, which I think are essential to the nation's security.—Congressional Record, March 31, 1948.

### This Vote Will Be Heard Around The World:

For the first time in the history of the world a great nation will, if this foreign aid bill becomes law, attempt to wage peace - - This legislation opens the way to the last remaining chance for peace, and I am willing and anxious to try this course.—Congressional Record, April 2, 1948.

### Give Us a Strong Air Force—The Strongest In The World:

The roar of airplane engines is more impressive than the guarded words of diplomacy. — Congressional Record, April 12, 1948.

### Better Too Much Too Soon Than Too Little Too Late:

Balance is not a matter of size. There is only one valid basis for determining balance: Can each force do the job assigned to it?—Congressional Record, April 14, 1948.

### We Must Stay Strong:

These are days when we must put country above party; national interest above self interest. To sustain our foreign policy we must stay strong. The Communists are counting on economic collapse in this country. — Congressional Record, July 29, 1948.

### We Have No Push. We Have No Button:

If a guided missile warfare should begin within the next two or three years, we, at our present rate, would be very feeble participants. For push-button war, we have neither the push nor the button.—Statement to the Press, February 13, 1950.

### Shall We Gamble With Security?

Is the Senate of the United States willing to gamble with the national security? The prudent man, instead of regarding the figures of our military men as excessive, would regard them as an underestimate. — Congressional Record, March 28, 1950.

## Rev. W. E. Hamilton To Attend Meeting In Indianapolis

Rev. W. E. Hamilton of Clarendon, Superintendent of the Clarendon District of The Methodist Church, will be among the 700 leaders of that denomination who will attend a nation-wide meeting in Indianapolis, Ind., Oct. 3-5. Purpose of the conference will be to hear reports of the first two years of Methodism's Advance for Christ and His Church and to brief the leaders on plans for the next two years' program.

The four-year Advance program includes a nation-wide preaching and teaching mission, launched last year, and emphasis upon increased missionary support through personalized giving. Next phase of the Advance will be a simultaneous study of "Our Church" during the next six months by the eight and a half million Methodists in America. The study will include a major section on "The World Church" and interdenominational relations.

Because of their key positions as leaders in the church, the 570 district superintendents have been officially called together by Bishop William C. Martin of Dallas, Texas, chairman, and Dr. E. Harold Mohn, Chicago, executive director of the Advance. Others who will attend the conference will be most of the bishops of the 35 episcopal areas in the United States, editors of church periodicals, board secretaries, and other officials.

Headline speakers will include Bishop G. Bromley Oxnam, New York; Bishop Arthur J. Moore, Atlanta; and Bishop Gerald Kennedy, Portland, Ore. Several other bishops and nearly a score of outstanding church leaders are also scheduled to appear on the program. Dr. James R. Houghton of Boston University will direct the music.

Bishop Richard C. Raines of the Indiana Area will be host.

To monopolize the conversation is to monotonize it.

Well managed farm woodlands have been the means of lifting many a farm mortgage or shifting the balance from a loss to a profit on the farm account book.

June was named after Juno, goddess of marriage.

"I have a dog that growls, a parrot that swears, a fireplace that smokes, and a cat that stays out all night. Why should I want a husband?" the spinster says.

James A. Farley's middle name is Aloysius.

# LOWEST-PRICED FULL-SIZE PICKUP WITH OIL FILTER, OIL-BATH AIR CLEANER

## A DOZEN REASONS WHY AMERICA'S NO. 1 TRUCK VALUE WILL DO MORE PER DOLLAR!

**THRIFTY 95-H.P. SIX-CYLINDER ENGINE** for all-around performance in the 4,700 lb. G.V.W. class. 100-h.p. V-8 available at slight extra cost.

**LOADOMATIC IGNITION** saves gas by providing spark advance for changes in engine load and speed.

**FLIGHTLIGHT PISTONS** save oil. Cam-ground aluminum alloy for true fit and better oil control.

**ALL-STEEL BODY** with spacious 45 cu. ft. of loadspace.

**HYDRAULIC BRAKES** with true and easy stopping action.

**DEMOUNTABLE BRAKE DRUMS** simplify maintenance. Drum can be bought separately for replacement.

**SHOCK ABSORBERS**, airplane-type, standard front and rear.

• No other full-size Pickup truck in America has a lower suggested list price than the 6-cylinder Ford F-1 Pickup shown here. This Ford price includes oil filter, Air Wing ventilators, oil-bath air cleaner and many features available only at extra cost in other trucks. Local taxes, freight and handling charges extra.

**MILLION DOLLAR CAB** with door-glass Air Wing ventilators and Level Action suspension.

**SYNCHRO-SILENT TRANSMISSION** for easy, quick and quiet shifting.

**GYRO-GRIP CLUTCH** for better clamping action.

**HYPPOID REAR AXLE** with integral type housing. Shafts removable from wheel end.

**ROLL ACTION STEERING** with needle bearings for easier control.

## Ford Trucking Costs Less because— FORD TRUCKS LAST LONGER

Using latest registration data on 6,592,000 trucks, life insurance experts prove Ford Trucks last longer!

Election Precincts Formed

(R. C. S. 2933)

The Commissioners' Court of Donley County, Texas, at the August, 1950, term of said court, does now divide said county into election precincts, numbered and described as follows:

PRECINCT NO. 1 Beginning at a point, the N. W. corner of section 11, Block B-3; thence Easterly along the North line of sections 11 and 8, Block B-3, to the N. E. corner of said section 8; thence Southerly along the East line of section 8 to the N. W. corner of section 21, Block C-8; thence Easterly along the North line of sections 2, 22, 21, 23, 24, 25, 26, Block C-8 and section 4, Block E, to a point in the center of the North line of said section 4, Block E; thence Southerly with the center line of section 4, Block E, to a point in the center of the North line of section 8, Block B-3; thence Southerly with the center line of section 8, Block B-3, to the N. W. corner of section 11, Block B-3, to the place of beginning.

PRECINCT NO. 2 Beginning at a point, the intersection of the East line of League 3, Franklin County School Land and the center of Salt Fork of Red River; thence Easterly with the meanderings of the center of said river to its point of intersection with the center line of State Highway No. 70; thence Southerly with the center line of said State Highway No. 70 to a point in the North line of section 30, Block C-6; thence Easterly along the North line of section 30, Block C-6, to the N. E. corner; thence Southerly with the center line of section 30, Block C-6, to the place of beginning.

PRECINCT NO. 3 Beginning at a point, the intersection of the Donley County South Line and the West line of section 27, Block A; thence Northerly along the West line of sections 27 and 26, Block A, to the Northwest corner of said section 26; thence Northerly

Southerly along the East line of said section 30 to its intersection with Jefferson Street in the town of Clarendon; thence Southerly along the center of Jefferson Street to the North line of the right-of-way of the Fort Worth and Denver City Railway; thence Southerly across said right-of-way to a point where the South line of said right-of-way intersects the center of Sully Street; thence Southerly with said Sully Street to its intersection with West Second Street; thence Easterly with West Second Street to its intersection with Kearney Street; thence Southerly with Kearney Street to its intersection with Sixth Street; thence Easterly with Sixth Street to its intersection with Carhart Street; thence Southerly with Carhart Street to its intersection with Browning Street; thence Easterly with Browning Street to its intersection with State Highway No. 70; thence Southerly with said State Highway No. 70 to the Donley County South Line; thence Easterly with said South county line to the Southwest corner of Donley County; thence Northerly with the West county line to its intersection with the line between the W. R. Kelley land and the Adair Estate land; thence Easterly with said property line to the Southeast corner of Section 24, Block G-4; thence Northerly along the West line of the A. L. Thornberry land to a point in the South line of Section 2, Block G-7; thence Easterly with the South line of said section 2, Block G-7, to its Southeast corner; thence Northerly with the East line of sections 3 and 2, Block G-7, and sections 18 and 17, Block C-6 to the Northeast corner of said section 17, Block C-6; thence Easterly along the South line of section 3, Block C-5 to its Southeast corner; thence Northerly along the East line of section 3, Block C-5 and League 3, Franklin County School Land to the place of beginning.

PRECINCT NO. 4 Beginning at a point, the intersection of Salt Fork of Red River with State Highway No. 70; thence Southerly with the center line of said State Highway No. 70 to a point in the North line of section 30, Block C-6; thence Easterly along the North line of section 30, Block C-6, to its N. E. corner; thence Southerly along the East line of said section 30, Block C-6, to its intersection with Jefferson Street in the town of Clarendon; thence Southerly along the center of Jefferson Street to the North line of the right-of-way of the Fort Worth and Denver City Railway; thence Southerly across said right-of-way to a point where the South line of said right-of-way intersects the center of Sully Street; thence Southerly with said Sully Street to its intersection with West Second Street; thence Easterly with West Second Street to its intersection with Kearney Street; thence Southerly with Kearney Street to its intersection with Sixth Street; thence Easterly with Sixth Street to its intersection with Carhart Street; thence Southerly with Carhart Street to its intersection with Browning Street; thence Easterly with Browning Street to its intersection with State Highway No. 70; thence Southerly with said State Highway No. 70 to the Donley County South Line; thence Easterly along said South county line to its intersection with the West line of section 27, Block A; thence Northerly along the West line of sections 27 and 26, Block A, to the Northwest corner of said section 26; thence Northerly

PRECINCT NO. 5 Beginning at a point, the intersection of the East line of League No. 3, Franklin County School Land and the center of Salt Fork of Red River; thence Northerly with the center line of section 8, Block E, to the Northwest corner of section 10, Block E; thence Southerly with the center line of section 10, Block E, to the intersection with the center of Whitefish Creek; thence Southerly with the meanderings of said creek to its intersection with the center of Salt Fork of Red River; thence Easterly with the meanderings of said river to the intersection of the North-South center line of section 47, Block C-7; thence Northerly along the center line of section 47, Block C-7, to the intersection with the center of Whitefish Creek; thence Southerly with the center of Whitefish Creek to the intersection with the North-South center line of section 47, Block C-7; thence Northerly with the center line of section 47, Block C-7, to the intersection with the center of Salt Fork of Red River; thence Easterly with the center line of section 47, Block C-7, to the place of beginning.

PRECINCT NO. 6 Beginning at a point, the intersection of the North line of section 14, Block C-9, to the Northeast corner of said section 14, Block C-9; thence Southerly along the North line of section 14, Block C-9, to the intersection with the center of Salt Fork of Red River; thence Easterly with the center of Salt Fork of Red River to the place of beginning.

PRECINCT NO. 7 Beginning at a point, the N. W. corner of section 11, Block B-3; thence Easterly along the North line of sections 11 and 8, Block B-3, to the N. E. corner of said section 8; thence Southerly along the East line of section 8 to the N. W. corner of section 21, Block C-8; thence Easterly along the North line of sections 2, 22, 21, 23, 24, 25, 26, Block C-8 and section 4, Block E, to a point in the center of the North line of said section 4, Block E; thence Southerly with the center line of section 4, Block E, to a point in the center of the North line of section 8, Block B-3; thence Southerly with the center line of section 8, Block B-3, to the N. W. corner of section 11, Block B-3, to the place of beginning.

PRECINCT NO. 8 Beginning at a point, the intersection of the North county line with the West line of section 65, Block E; thence Southerly with the West line of section 65, Block E, to the intersection with the center of Whitefish Creek; thence Southerly with the center of Whitefish Creek to the intersection with the North-South center line of section 47, Block C-7; thence Northerly along the center line of section 47, Block C-7, to the intersection with the center of Whitefish Creek; thence Southerly with the center of Whitefish Creek to the intersection with the North-South center line of section 47, Block C-7; thence Northerly with the center line of section 47, Block C-7, to the intersection with the center of Salt Fork of Red River; thence Easterly with the center line of section 47, Block C-7, to the place of beginning.

PRECINCT NO. 9 Beginning at a point, the intersection of the North county line with the West line of section 47, Block C-7; thence Southerly with the West line of section 47, Block C-7, to the intersection with the center of Whitefish Creek; thence Southerly with the center of Whitefish Creek to the intersection with the North-South center line of section 47, Block C-7; thence Northerly with the center line of section 47, Block C-7, to the intersection with the center of Salt Fork of Red River; thence Easterly with the center line of section 47, Block C-7, to the place of beginning.

91, and 86, Block C-6 to the Southeast corner of section 69, Block C-6; thence continuing Northerly along the East line of sections 69, 70, 61, 60, 28, Block C-6, section 9, Block C-9, to the Northeast corner of said section 9, Block C-9; thence Easterly along the North line of said section 9, Block C-9, to the intersection with the center of Salt Fork of Red River; thence Easterly with the center of Salt Fork of Red River to the place of beginning.

PRECINCT NO. 10 Beginning at a point, the intersection of the East county line to its intersection with the center of Salt Fork of Red River; thence Easterly with the center of Salt Fork of Red River to the intersection with the North-South center line of section 43, Block E; thence Southerly with said center line and the center line of section 43, Block E; thence Southerly with said center line and the center line of section 14, Block C-9; thence Easterly with the North line of section 14, Block C-9, to the intersection with the center of Salt Fork of Red River; thence Easterly with the center of Salt Fork of Red River to the place of beginning.

PRECINCT NO. 11 Beginning at a point, the intersection of the North county line with the West line of section 65, Block E; thence Southerly with the West line of section 65, Block E, to the intersection with the center of Whitefish Creek; thence Southerly with the center of Whitefish Creek to the intersection with the North-South center line of section 47, Block C-7; thence Northerly along the center line of section 47, Block C-7, to the intersection with the center of Whitefish Creek; thence Southerly with the center of Whitefish Creek to the intersection with the North-South center line of section 47, Block C-7; thence Northerly with the center line of section 47, Block C-7, to the intersection with the center of Salt Fork of Red River; thence Easterly with the center line of section 47, Block C-7, to the place of beginning.

PRECINCT NO. 12 Beginning at a point, the intersection of the North county line with the West line of section 65, Block E; thence Southerly with the West line of section 65, Block E, to the intersection with the center of Whitefish Creek; thence Southerly with the center of Whitefish Creek to the intersection with the North-South center line of section 47, Block C-7; thence Northerly along the center line of section 47, Block C-7, to the intersection with the center of Whitefish Creek; thence Southerly with the center of Whitefish Creek to the intersection with the North-South center line of section 47, Block C-7; thence Northerly with the center line of section 47, Block C-7, to the intersection with the center of Salt Fork of Red River; thence Easterly with the center line of section 47, Block C-7, to the place of beginning.

PRECINCT NO. 13 Beginning at a point, the intersection of the North county line with the West line of section 65, Block E; thence Southerly with the West line of section 65, Block E, to the intersection with the center of Whitefish Creek; thence Southerly with the center of Whitefish Creek to the intersection with the North-South center line of section 47, Block C-7; thence Northerly along the center line of section 47, Block C-7, to the intersection with the center of Whitefish Creek; thence Southerly with the center of Whitefish Creek to the intersection with the North-South center line of section 47, Block C-7; thence Northerly with the center line of section 47, Block C-7, to the intersection with the center of Salt Fork of Red River; thence Easterly with the center line of section 47, Block C-7, to the place of beginning.

PRECINCT NO. 14 Beginning at a point, the intersection of the North county line with the West line of section 65, Block E; thence Southerly with the West line of section 65, Block E, to the intersection with the center of Whitefish Creek; thence Southerly with the center of Whitefish Creek to the intersection with the North-South center line of section 47, Block C-7; thence Northerly along the center line of section 47, Block C-7, to the intersection with the center of Whitefish Creek; thence Southerly with the center of Whitefish Creek to the intersection with the North-South center line of section 47, Block C-7; thence Northerly with the center line of section 47, Block C-7, to the intersection with the center of Salt Fork of Red River; thence Easterly with the center line of section 47, Block C-7, to the place of beginning.

PRECINCT NO. 15 Beginning at a point, the intersection of the North county line with the West line of section 65, Block E; thence Southerly with the West line of section 65, Block E, to the intersection with the center of Whitefish Creek; thence Southerly with the center of Whitefish Creek to the intersection with the North-South center line of section 47, Block C-7; thence Northerly along the center line of section 47, Block C-7, to the intersection with the center of Whitefish Creek; thence Southerly with the center of Whitefish Creek to the intersection with the North-South center line of section 47, Block C-7; thence Northerly with the center line of section 47, Block C-7, to the intersection with the center of Salt Fork of Red River; thence Easterly with the center line of section 47, Block C-7, to the place of beginning.

PRECINCT NO. 16 Beginning at a point, the intersection of the North county line with the West line of section 65, Block E; thence Southerly with the West line of section 65, Block E, to the intersection with the center of Whitefish Creek; thence Southerly with the center of Whitefish Creek to the intersection with the North-South center line of section 47, Block C-7; thence Northerly along the center line of section 47, Block C-7, to the intersection with the center of Whitefish Creek; thence Southerly with the center of Whitefish Creek to the intersection with the North-South center line of section 47, Block C-7; thence Northerly with the center line of section 47, Block C-7, to the intersection with the center of Salt Fork of Red River; thence Easterly with the center line of section 47, Block C-7, to the place of beginning.

PRECINCT NO. 17 Beginning at a point, the intersection of the North county line with the West line of section 65, Block E; thence Southerly with the West line of section 65, Block E, to the intersection with the center of Whitefish Creek; thence Southerly with the center of Whitefish Creek to the intersection with the North-South center line of section 47, Block C-7; thence Northerly along the center line of section 47, Block C-7, to the intersection with the center of Whitefish Creek; thence Southerly with the center of Whitefish Creek to the intersection with the North-South center line of section 47, Block C-7; thence Northerly with the center line of section 47, Block C-7, to the intersection with the center of Salt Fork of Red River; thence Easterly with the center line of section 47, Block C-7, to the place of beginning.

PRECINCT NO. 18 Beginning at a point, the intersection of the North county line with the West line of section 65, Block E; thence Southerly with the West line of section 65, Block E, to the intersection with the center of Whitefish Creek; thence Southerly with the center of Whitefish Creek to the intersection with the North-South center line of section 47, Block C-7; thence Northerly along the center line of section 47, Block C-7, to the intersection with the center of Whitefish Creek; thence Southerly with the center of Whitefish Creek to the intersection with the North-South center line of section 47, Block C-7; thence Northerly with the center line of section 47, Block C-7, to the intersection with the center of Salt Fork of Red River; thence Easterly with the center line of section 47, Block C-7, to the place of beginning.

PRECINCT NO. 19 Beginning at a point, the intersection of the North county line with the West line of section 65, Block E; thence Southerly with the West line of section 65, Block E, to the intersection with the center of Whitefish Creek; thence Southerly with the center of Whitefish Creek to the intersection with the North-South center line of section 47, Block C-7; thence Northerly along the center line of section 47, Block C-7, to the intersection with the center of Whitefish Creek; thence Southerly with the center of Whitefish Creek to the intersection with the North-South center line of section 47, Block C-7; thence Northerly with the center line of section 47, Block C-7, to the intersection with the center of Salt Fork of Red River; thence Easterly with the center line of section 47, Block C-7, to the place of beginning.

PRECINCT NO. 20 Beginning at a point, the intersection of the North county line with the West line of section 65, Block E; thence Southerly with the West line of section 65, Block E, to the intersection with the center of Whitefish Creek; thence Southerly with the center of Whitefish Creek to the intersection with the North-South center line of section 47, Block C-7; thence Northerly along the center line of section 47, Block C-7, to the intersection with the center of Whitefish Creek; thence Southerly with the center of Whitefish Creek to the intersection with the North-South center line of section 47, Block C-7; thence Northerly with the center line of section 47, Block C-7, to the intersection with the center of Salt Fork of Red River; thence Easterly with the center line of section 47, Block C-7, to the place of beginning.

PRECINCT NO. 21 Beginning at a point, the intersection of the North county line with the West line of section 65, Block E; thence Southerly with the West line of section 65, Block E, to the intersection with the center of Whitefish Creek; thence Southerly with the center of Whitefish Creek to the intersection with the North-South center line of section 47, Block C-7; thence Northerly along the center line of section 47, Block C-7, to the intersection with the center of Whitefish Creek; thence Southerly with the center of Whitefish Creek to the intersection with the North-South center line of section 47, Block C-7; thence Northerly with the center line of section 47, Block C-7, to the intersection with the center of Salt Fork of Red River; thence Easterly with the center line of section 47, Block C-7, to the place of beginning.

PRECINCT NO. 22 Beginning at a point, the intersection of the North county line with the West line of section 65, Block E; thence Southerly with the West line of section 65, Block E, to the intersection with the center of Whitefish Creek; thence Southerly with the center of Whitefish Creek to the intersection with the North-South center line of section 47, Block C-7; thence Northerly along the center line of section 47, Block C-7, to the intersection with the center of Whitefish Creek; thence Southerly with the center of Whitefish Creek to the intersection with the North-South center line of section 47, Block C-7; thence Northerly with the center line of section 47, Block C-7, to the intersection with the center of Salt Fork of Red River; thence Easterly with the center line of section 47, Block C-7, to the place of beginning.

to the place of beginning.

PRECINCT NO. 23 Beginning at a point, the N. W. corner of section 11, Block B-3; thence Easterly along the North line of sections 11 and 8, Block B-3, to the N. E. corner of said section 8; thence Southerly along the East line of section 8 to the N. W. corner of section 21, Block C-8; thence Easterly along the North line of sections 2, 22, 21, 23, 24, 25, 26, Block C-8 and section 4, Block E, to a point in the center of the North line of said section 4, Block E; thence Southerly with the center line of section 4, Block E, to a point in the center of the North line of section 8, Block B-3; thence Southerly with the center line of section 8, Block B-3, to the N. W. corner of section 11, Block B-3, to the place of beginning.

Walker Lane, County Clerk, Donley County, Texas. (33-C)

Power Farming Better Prepared To Meet National Emergency

HOUSTON—Power farming is better prepared now to meet the demands of a national emergency than at any time in history.

This statement was made today by Madison Farnsworth of Gulf Oil Corporation, Texas state chairman of the Oil Industry Information Committee, commenting on an American Petroleum Institute report on mechanized farming. The newest estimate, Farnsworth said, is that horsepower in farm equipment is at a record high of 760,000,000, which is 53 percent higher than at the beginning of World War II.

Even this figure does not fully measure the gains in power farming, he pointed out, since tractors and trucks, the most essential agricultural power units, have more than doubled since 1941.

The most significant fact about farm mechanization, in view of the current international situation, Farnsworth said, is the fact that the change from animal to mechanical power during the past ten years has made 20 million additional acres available for growing food for human use instead of for animal consumption. This gain is exclusive of increased production capacities and labor-saving effected by mechanization.

The oil spokesman cited over 100 new farm jobs which have been taken over by power units, in addition to ordinary field uses. Further, he said, they have made possible contouring, listing, grassing, stubble mulching, and some 50 other soil conservation practices which were impractical with animal power.

During World War II, in face of the loss of five million farm laborers to the armed forces and defense industries, farmers still broke all existing production records through use of mechanical power, the chairman said. With oil products needed increasingly to power-farm the soil, the nation's agricultural position is further strengthened by gains in productive and defining capacities of our domestic oil industry, he emphasized. He cited a recent statement by Frank M. Porter, API president, pointing out that U. S. crude production capacity has been increased 27 percent since 1945, that refining capacity is up 21 percent and proved crude oil reserves are up 24 percent.

Oil activities in the Gulf Coast tide-lands have to date produced about \$1 for every \$10 invested. It costs much more to find and produce oil from steel platforms perched out in the Gulf of Mexico than in on-shore drilling. In addition, the movement of oil to land presents a special problem.

Big Jobs, Big Risks In Oil

Oil activities in the Gulf Coast tide-lands have to date produced about \$1 for every \$10 invested. It costs much more to find and produce oil from steel platforms perched out in the Gulf of Mexico than in on-shore drilling. In addition, the movement of oil to land presents a special problem.

section of the cemetery—and of that group 38 per cent declared that they positively didn't want to be.  
Neal said the survey showed that the interviewees wanted members of their family to have better funerals than they personally desired.

Using good pasture land to support scrub stock and devoting woodland to the growing of interior trees are both examples of mismanagement on the farm.

No farmer can afford to pay taxes on idle land. Frest conservation on the farm has come to be a matter of economic necessity.

Some men are known for their deeds. Others for their mortgages.

**'49 Natural Gas Reserves Rise 6 1/2 Trillion Cubic Feet**

The country's proved reserves of natural gas at the close of 1949 were estimated at 180.4 trillion cubic feet. This is a 6.5 percent increase over 1948's year-end total of 173.9 trillion cubic feet. Production of natural gas totaled 6.2 trillion cubic feet over the preceding year.

**Oil Pipes Profit All**

Scientific distribution methods developed by the oil industry mean lower operating costs to oil men and lower prices to consumers. For example, fourteen different oil products can be sent at one time through a single pipe-line. The whole operation may be controlled from a dispatch board 600 miles away.

**Most Folks Want Low-Cost Funeral, Tech Survey Finds**

LUBBOCK—Most people would prefer a low-cost funeral and are pretty indifferent to the whole business of dying, a survey made at Texas Technological College has revealed.

The poll was made by W. J. Neal, Lubbock student who based his questionnaire on the kind of funeral folks would prefer. He found that 67 per cent of the interviewed persons were either against elaborate burials and funerals, or didn't care much—one way or the other. Only 33 per cent said they wanted an expensive funeral rite.

To the question, "How expensive a funeral would you desire?" about half the polled group wanted a burial costing \$350 or less. The other half preferred expensive ones, with \$700 getting the nod as an ideal expense.

Neal found that 57 per cent either preferred a wooden casket or didn't care whether they were buried in a wooden box or a metal one. Thirty-six per cent wanted an air-tight casket but 64 per cent didn't want one or didn't care. Only 29 per cent wanted a new suit (or shroud) for their burial.

A break-down of Neal's figures showed that divorcees were most indifferent to burial plans. Seventy-five per cent of the divorcees wanted inexpensive funerals, including wooden caskets. Single men preferred burial in old suits by a 91 per cent majority, but 33 per cent of the married men wanted a new shroud.

Of the 106 persons interviewed, 80 per cent said they didn't mind being buried in a "non-exclusive"

**Viewed from EVERY angle — Telephone Service is worth more than it costs!**

How much time does your telephone save you? How many steps does it save? Can you really afford to measure its convenience to you in business—in your everyday life? Would you ever begin to appraise its real worth in emergencies?

Truly then—viewed from every angle, telephone service is worth far more than it costs.

**Southwestern Associated Telephone Co.**

**Just sharpen your pencil— and there you are!**

**ACROSS** this broad land there are thousands of people who have been doing themselves a disfavor.

Seems they "just naturally assume" a Buick is beyond their reach—and so pass up the car they're really itching to own.

Now why "assume" anything as important to your happiness as a new car?

Why not see for yourself how delivered prices run—how close Buick matches your own budget—how frequently it is priced under some cars you may be considering?

Then—if there is a particular car in mind—sharpen up your pencil a little.

Is it a six—or an eight, like Buick? If an eight, is it a valve-in-head eight? That adds a plus in efficiency, you know, even without the extra edge of Buick's Fireball power.

Will you ride on four soft coil springs, as in Buick—or on only two? Will the drive be through a sealed torque-tube that keeps the rear wheel assembly firmly aligned? It is in a Buick.

Do you get soft, low-pressure tires as part of the price—or as extras? Will you have bumper guards built as part of the bumper, or a one-piece cast metal grille that can be costly to repair or replace?

Does the price include air cleaner; oil filter; dual horns, windshield wipers and sun visors; an automatic dome light; self-locking luggage lid; a single key for all locks?

And is there an automatic drive\*, or one in which gears still shift in normal driving?

Yes, sharpen your pencil—and there you will be, in a Buick.

Whether it's a SPECIAL, a SUPER or a lordly ROADMASTER, you'll be driving the big buy of its price class, and getting a rich bonus of driving comfort, driving thrill and "fashion-first" styling.

But you have to make the first move. You are the one who has to find out. How about starting now—with a call on your Buick dealer?

\*Dynaflow Drive is standard on ROADMASTER, optional at extra cost on SUPER and SPECIAL models.

**WHATEVER YOUR PRICE RANGE**

# 1950 The Bluebird 1951

Vol. 2 No. 3 LELIA LAKE SCHOOL NEWS Sept. 21, 1950

### SPECIAL CLUB PINS ORDERED BY PRESS

Special Club pins were ordered for the press club members last week. To distinguish between reporters and editors the pins will be in bronze, silver, and gold. The reporters will have bronze. Feature, sports, and society editors will have silver. The editor-in-chief and associate editor will have gold.

The pins are a small open book with a quill across the back. Journalism is printed across the face of the book.

### NINE FILMS SHOWN TO SCHOOL AUDIENCES

The films that were shown in the Lelia Lake Schools this week were: "What Makes This Week," "Pigs and Elephants," "Ready to Type," "More Life in Living," "Our Monroe Doctrine," "Fundamentals of Diet," "Bookkeeping and You," "We Discovered the Dictionary," and "Rip Van Winkle."

### ATEN, SEAGO, TO HEAD 1950 BLUEBIRD TEAM

Shirley Aten and Bobbie Seago were elected captains for the Lelia Lake Bluebird girls' basketball team, in a meeting of the team held Friday, September 15.

Coach Craig Johnson first explained the duties of a captain. He explained that the captain's duty was important, and also gave the reasons why. The girls were then given blank sheets of paper and asked to write their two choices of girls for captains. The two captains, Bobbie and Shirley, are both seniors this year.

### JOANNE CHRISTAL WRITES SECOND PLACE POEM

Joanne Christal wrote the following poem which was awarded second best in the junior class. The poems were written for English.

#### MY LOVING GOD By Joanne Christal

I have a God who is good to me, He created the world and let it be; He made the sparrow, the quail and dove, And rules the universe with tender love. He sent His Son on earth to stay, For a sinful world He died one day; Thirty-three years going about doing good, Helping all the people he could. The hour in the Garden of Gethsemane, He prayed, "If it's Thy will, Let this cup pass

From me." The evening came when he Hanged on the cross, Yes, He drank the cup, The bitter dross.

I'm glad that God saw fit to create man, To live in this world as best he can; To never forget God is at our side, And close to Him we should ever abide.

In my Master's work I should ever be; To him who has done so much for me, I should never scold, nor should I doubt, After all, God's the one who works things out.

### SOPHOMORES TO GIVE FICTIONAL COSTUME PARTY

A costume party will be given Thursday, Sept. 21, by the sophomore class of Lelia Lake High School, at the gymnasium.

All high school students are invited to come and must be dressed as their favorite fictional character. This favorite costume may be taken from a story, novel, comic strip, nursery rhyme, or fairy story. Prizes will be awarded.

### TEN BOYS ENROLLED IN SHOP COURSE

Ten Lelia Lake boys are taking shop this year. Eight of these ten are taking shop for the first time. The rest are second year shop students. At the present the boys are making end tables.

The boys enrolled in the shop course are: James King, Harold Gerner, J. L. Williams, Wilcey White, Woody Vardeman, Clarence Armstrong, Terry Monk, Mack Stavenhagen, Kenneth Wilkinson and Benny Darnell.

The next project for the second year boys will be making beds.

### TWENTY SENIOR RINGS ORDERED BY JUNIORS

Senior rings were ordered Friday, September 8, for all the juniors and two seniors. The rings have blue sets with the letter "L" and are mounted

### THE DONLEY COUNTY LEADER

on gold. There were twenty rings ordered. It is expected to take eight weeks for them to be sent.

Margie Tims, Onita Rampy, and Carolyn Alexander spent Sunday with Mary Dodson.

Bobbie Seago and Marilyn Butler spent Saturday in Amarillo on business.

Joanne Christal and Bobbie Seago attended a religious service Saturday night in Amarillo.

Billy Monk, Gaynell Scott, and Terry Scott spent Thursday in Amarillo.

Arthur and Earl Shields spent Sunday with Kenneth Wilkinson.

Gaynell Scott and Betty Reed spent Saturday night with Rowena Ivey.

Jerry King and Joann Putman accompanied her brother, Raymond King, to Amarillo Sunday.

Wanda Sossamon spent Monday night with Carolyn Alexander.

Joanne Christal spent Sunday evening with Sandra Shelton in Clarendon. Sunday night Sandra spent the night with Joanne.

Shirley Aten spent all day Wednesday in Amarillo, attending the Farm Bureau Queen Contest in the Herring Hotel. She was a Donley County candidate.

Joe Stutts, son of Mr. and Mrs. C. O. Hill, has been visiting his parents for the past week. Joe is attending college in Sam Houston

college at Huntsville.

### HOME EC I GIRLS PREPARE FIRST FOOD

Home Economics I Class of Lelia Lake had their first laboratory lesson in cooking last Friday. The class prepared dried apricots, apples, prunes and raisins.

The lesson was the first in a series of food preparations for breakfast. The girls hope to master the techniques of good management as well as the actual food preparation.

This is the first of a series of biographies to be written about the eight graduating seniors of Lelia Lake for this year.

Shirley Aten, one of the graduating seniors of this year of Lelia Lake, was born in Lelia Lake, Texas in 1934. She started to school in 1939.

Miss Aten has always been an active member of the First Baptist Church and of the Sunday School class, and in the past belonged to the G. A. Club and Girl Scouts. She has studied music five years and voice two years.

As for school activities Shirley played basketball on main team two years, and lettered in basketball four years. She was co-captain 49-50 and co-captain 50-51. Also played volley ball two years.

She was the editor of the 1950 school annual staff and is the Editor-in-Chief of the school paper, "Bluebird." In the 1949-50 school year she was the society editor for the "Bluebird." The past two years she has been chosen the best all around girl of her class. She has for three years been class treasurer and is this year secretary and treasurer.

### GRADUATION ANNOUNCEMENTS SELECTED BY CLASS

The seniors of the Lelia Lake High School selected their graduation announcements last Monday. They are getting a new kind of paper that has only been out about four years. It is called, "crushed paper."

For making their selection this early in the year they are going to receive a memory book free of charge.

### EIGHT NEW SUITS ORDERED BY COACH

Eight new basketball suits for the girls were ordered Friday, September 8, by Coach Craig Johnson.

The two-piece suits will be royal blue satin with a sailor collar trimmed in white. White tennis shoes will be worn.

The main team girls are very proud of getting the ball suits. The old suits which are still in pretty good condition will be worn by the substituting girls.

One thing that can be said for the automobile is that it virtually stopped horse stealing.

### Fuel Men Give Special Service

To provide "round-the-clock" service for their customers, some oil men have adopted a device which permits their offices to be open although closed. This paradox is achieved by an electronic machine which answers the telephone and receives messages and orders for fuel oil on a wire recorder. The mechanical secretary efficiently serves consumers who can't call during regular business hours.

### Oil Heat Popularity Zooms

More than four and one-half million U. S. homes are kept warm with central-heating oil furnaces. In addition, more than six million oil-burning space heaters are now in use. Such equipment was rarely used a quarter-century ago, an indication of how a progressive industry can meet the changing demands of society.

Remember when we used to get a premium with everything we bought — and another when we paid the bill? Nowadays the only premiums we hear about are the insurance kind.

## Control...that has no equal!

Prestomatic Fluid Drive Transmission... simple, cool-running, with three rugged compact units designed with a minimum of moving parts... great Fluid Drive; the Safety Clutch, and Prestomatic Transmission. Ruggedly built for trouble-free service.

Take this beautiful car out on the road... and you'll discover the most important driving feature in cars today. For here is the only automatic gear shifting that gives you full control of your car at all times! Here is the only automatic transmission that takes its orders from you... that shifts when you want to shift... that can't shift you up and down when you'd prefer another gear. See... feel... and hear the difference in slow moving traffic. You cruise smoothly in high, even at 12 miles an hour... saving gasoline... saving wear and tear on your engine. But at 12 miles an hour, other automatic shifts drop you down into lower gears—and there's nothing you can do about it. Try Chrysler's Fluid Drive and automatic transmission... learn how Chrysler has kept far ahead of all others. And discover the built-in value all the way through that has no equal today!

CHRYSLER IMPERIAL 4-DOOR SEDAN... the car that has no equal at any price. One of 21 beautiful Chrysler body-styles.

See it—drive it... there's built-in value all the way through!

#### Advantages of Chrysler's Fluid Drive

Automatic Gear Shifting—with full control of your car! Better traction—safer on slippery roads. Convenience of clutch for easier parking. Slower Engine Speeds—reduced noise, wear. Saves gasoline! Drive in high while others drive in low in traffic.

#### Advantages of Chrysler's High Compression Spiffire Engine!

Waterproof Ignition—prevents stalling in rain or high water! Chemically Treated Cylinder Walls—for greater wear. Floating Power—helps eliminate vibration. Superfinished Parts—reduce friction, last longer. Exhaust Valve Seat Inserts—reduce need for valve grinding! Full Flow Oil Filter—keeps oil clean longer!

#### Chrysler's Advantages in Comfort and Safety

Functional Design—full room for your head, legs, shoulders. Easy to enter and leave! Safe Guard Hydraulic Brakes—smoother stops. East-Loek Parking Brake—holds car on any hill. Electrically Operated Windshield Wipers—constant speed all the time! Chair Height Seats—no crouching, you sit naturally! Safety Rim Wheels—won't throw tires after blowouts at normal speeds. Double-width Arm Rest—for chair comfort.

The Beautiful CHRYSLER with Fluid Drive
