Bronchos To Meet Claude Mustangs In "Opener" Here Friday Night

The Clarendon High Bronchos will open their fall football season here this Friday night in a game with the Claude Mustangs. This is the game local fans have been waiting for as it will give everyone an opportunity to get some idea of the strength the Bronchos will carry this year. The Broncho squad is exceptionally light this year and the probable starting line-up only averages 148 pounds to the man. Coaches Harrell and Moore have been placing more emphasis on outright conditioning than any other point and Harrell stated Wednesday that his boys were physically prepared for the game and their playing ability should come to light in the game Friday night. Changes are taking place almost daily in the Broncho line-up as several of the boys are really putting out the effort in order to take a place in the first string squad, he added.

The Mustangs, according to the line-up received here yesterday, indicates that they too will be on the light side and should produce a hard scrap between the two teams if their weight figures are correct. Word has been relayed down this way that the Mustangs are certainly planning on taking this game away from the Bronchos as they have been defeated repeatedly in the past. They gave the locals a good scare last year and say they plan to do more than that this time.

The probable starting line-up for the Bronchos will be as follows, starting with left end: Mike Murf, Frank Jones, Drew Christie, Guy Tatum, Leldon McBrayer, Billy Pittman and Delbert Robertson. J. P. Carille will fill the quarterback slot; Arlis Moor-ing, at left half, Cotton Hall at right half and Jack Trussell will

be in the fullback position. The probable starting line-up for the Mustangs, starting at left end will be Campbell, Caldwell, Brown, Gilley, Robison, Lambert and Posey. In the backfield will be Whelchel, Bagwell, Ray Thompson and Roy Thompson. The game will start promptly at 8 p. m. at Broncho stadium and the admission charges are 75c for adults, 50c for high school students and 25c for grade students. Tickets are now on sale at local drug stores, and now is the time to buy your season tickets which are on sale and save the price of a game and have your tickets handy for all home games without giving it further thought.

Shetland Pony Rides, Added Attraction At County Fair

This year at the Donley County Fair, held in Clarendon this Friday and Saturday, the 15th and 16th of September, will be an added attraction for the children of the county. Mr. Arlie Spier of Amarillo is bringing his Shetland ponies to the county fair for rides for children. The rides will be twenty-five cents each.

Mr. Spier will leave our county fair and go directly to the Tri-State Fair at Amarillo where his ponies are seen every year on the midway. These rides will be available both days of the Donley County Fair. The American legion of Clarendon will have a bingo game at the fair grounds located under a tent for the amusement of those wanting to play bingo. Bring the entire family to the county fair.

Donley County Leader, \$2.50 year

TRUMAN APOLOGIZES TO MARINES

WASHINGTON, D. C.—In a surprise appearance at the convention here of the Marine Corps League, President Truman, (shown being greeted by commandant Clay Nixon), apologized for his statement that the Marine Corps was nearly a naval police force and that it had a Stalin-like propaganda machine.

Cong. Ben Guill To Be Here Friday

Bud Knorpp, local Republican County chairman, informed the Leader today that Congressman Ben Guill of Pampa would be in Clarendon tomorrow (Friday) to visit with his many Donley County supporters and meet as many people as possible in an effort to pass on to the average citizen of this district, a part of what he has observed while serving as your Congressman in Washington, D. C.

Congressman Guill has been covering as much of his district as possible to give his report to the people on what is actually happening up there and what he suggests should be done to help our country as a whole.

Cong. Guill plans to arrive here around 10 a. m., visit the county fair and as many people as possible before making an appearance at Shamrock Friday afternoon.

Dove Hunters Are Warned

Sheriff Guy Wright reported yesterday that a number of persons had been fined on for violating the hunting laws since the opening of dove season and issued a further warning that every hunter had better know the game laws and abide by such or suffer the consequences. Game wardens and other officials have been working this area almost constantly the past two weeks in an effort to straighten out violators and also to help pacify farm and ranch owners who are becoming more reluctant to hunters each day, the Sheriff added. Some hunters seem to have very little regard for the farmers own front yard and home as several have been sprinkled with shot almost daily since the season opened. A number of farmers have complained of hunters shooting quail out of season and one rancher reported finding more quail feathers than dove where some hunters had supposedly been hunting doves on his place. Hunting is now forbidden on his property. It will be to the average sportsman's advantage to report all violations he comes in contact with and help our game officials eliminate the fellows who don't care about anything except taking a crack at anything that moves, anyplace he finds it.

Survivors besides the husband are two daughters, Mrs. Sims C. Smith, Kirk, Colo., and Mrs. Carl Schaffer, Broadus, Mont.; eight grandchildren and three great-grandchildren.

Burial was in the Textline cemetery with the Burns-Bain Funeral Home in charge of arrangements.

NATIONAL JAMBOREE FILM TO BE SHOWN

The Clarendon Explorers are having open night next Saturday, Sept. 16, in the American Legion hall. The show will start at 7 o'clock, and everyone that is interested in any phase of scouting is invited to attend.

"We would particularly like to see a large group of 14 year old boys out for this gathering as it was planned to get the Explorer's new year off with a bang," stated one of the scout officials. "The parents are also invited as we know that scouting depends on their backing their boys and the unit leaders."

The following program will be presented:

1. Speech on National Jamboree by Billy Carl Pittman (one of your delegates to the Jamboree).
2. Film on National Jamboree by John Miller Morris and Jay Gould. This film was made at the Jamboree by John Miller Morris and some of its highlights are the pictures of the huge arena and the shows that were presented there, pictures of the \$50,000 fireworks that were set off on July 4, film of Niagara Falls.
3. Film of community Explorer activities by Jay Gould.
4. Talk on scouting by John Miller Morris.

BAND PARENTS TO MEET

Mrs. J. G. McAnear, president of the Band Parents organization has announced that a meeting will be held Monday night, Sept. 18, at 8 o'clock in the band room. All parents who have children in the band are invited to attend. There are several business matters to be discussed and your presence is needed as some of those matters may pertain to your own child. For those who may not be familiar with the band room, it is located in the gym building across from the College.

Don't forget! The time is 8 o'clock Monday night.

Mr. and Mrs. Elton Amburn and Philip of Norman, Okla. visited her parents, Mr. and Mrs. H. B. Hill the week end.

Mrs. A. Phillips of Memphis is a guest of Mr. and Mrs. U. T. Fowler this week.

 We will have a concession at the Fair this year for the purpose of raising money to help pay off some of our indebtedness. We will serve sandwiches, cold drinks, coffee, do-nuts and home-made candy.
 We will feature a Mexican dinner September 30th at the Canteen. Tickets will go on sale the end of this week and should you be missed by the youngsters selling the tickets please call Mrs. C. W. Lane.
 Sponsors at the Canteen this next week will be Mr. and Mrs. Geo. Schollenberger, Thursday night; Mr. and Mrs. Carroll Knorpp, Tuesday night and Saturday night is open for volunteers.

County Fair To Have Rabbit Exhibit

Another attraction at the Donley County Fair this year will be the rabbit department. All persons having rabbits to show should have them on display by nine o'clock this Friday morning.

The rabbit department will be located in the same department with the poultry. Mr. Tommy Saye is superintendent of this department. H. M. Breedlove, county agent, says that a judge is being secured to judge the rabbits and prizes will be given.
 Every one with rabbits are urged to enter them in this department. The different classes for rabbits will be arranged at the fair grounds.

Three Local Firms Hit By Burglars

Three local firms were visited by burglars Sunday night but very little was reported missing from either of the three places. Firms broken into were the White Auto Store, A. R. Henson Tire Co. and Saye's Beauty Shop. Henson reported around one dollar in pennies and three small flashlights missing. The others reported no loss.

Sheriff Guy Wright reported that the burglars apparently entered the buildings during or shortly after the violent wind and rain storm and that the buildings were entered through windows in the rear of each. He indicated that it was the work of amateurs, probably a young, small person as one place was entered through a very small window opening and apparently they didn't want anything except money.

CROPS STILL TAKING BEATING FROM WEATHER

Crops in this area took another bad beating last Sunday night when a norther or some type of storm blew in from the north bringing hail, strong winds and rain with it. Some sections reported considerable hail damage while most areas reported general damage to feed crops by the strong wind. Fields of grain were blown over or twisted to where it will be difficult to harvest. Several cotton farmers reported that the storm killed a portion of a good crop of worms that had been molesting the cotton.

The heavy winds accompanying the storm broke numerous tree limbs and disrupted utility lines in various parts of town. According to the official weather station at the airport we received .61 inch of moisture Sunday night and have received a total of .71 inch since last Thursday. This brings our yearly total to 20.29 inches of moisture. More sunshine would be appreciated at the present time as crops seem to be at a stand still and numerous fields of grain need to be harvested.

LOCAL NEGRO RECEIVES HEAVY FINE AND JAIL SENTENCE

Charlie Lancaster (colored) was apprehended here Monday afternoon by Sheriff Guy Wright and filed on for possession of whiskey for purposes of sale. Besides losing 21 quarts of whiskey, he was fined \$350.00 and assessed 30 days in jail.

This Friday and Saturday will be two big days in Donley County—the Donley Fair, Horse Show and Races will be held in Clarendon on these days. H. M. Breedlove, county agent and secretary of the county fair, says that all committees have functioned perfectly and the fair this year will be a big fair in spite of the fact that weather conditions are making it hard on the agriculture exhibits.

Fifteen communities in Donley County have signed up to have their communities represented in the Agriculture exhibits, and all exhibits will be set up on Thursday the 14th of September so that they will be ready for the judging on Friday morning.

The Merchants department and home economic department are urged to have their displays set up on Thursday so that they will be ready to be judged on Friday.

The flower show will be ready for display by nine o'clock on the morning of the 15th, and everyone in Donley county is invited to bring in flowers.

The horse show will be held on the afternoon of the 15th at 2:00 p. m. at the roping arena and the races will be held on the afternoon of the 16th at the air port.

The fair grounds buildings will be open all day Thursday and Thursday night so that exhibitors can set up their displays. A night watchman will be hired to look after the displays.

The show board has secured out of town judges for all departments of fair and remember the dates this Friday and Saturday and bring the entire family to your county fair, "The Biggest Little Fair in the World."

Drilling On Wildcat Slowing Down

Up until this week drilling has been quite speedy on the Kirk & Doswell McMurry No. 1 wildcat well located some 9 miles north of Clarendon, but at present the drilling has slowed down considerably and geologists are keeping a close check of formations. We were informed that the depth of the well at noon Wednesday was 2,160 feet with no important showings. They are continuing drilling with the original rotary rig which stands 139 feet high.

We have had other wildcat well rumors this past week in regard to the southeast part of the county but after contacting one particular ranch owner he stated that nothing had been done at present.

Reading material received this week in replacement Judy Bolton series, and Inez Hogan's Nicodemus series. Both of these were memorial gifts. Our original sets are too worn for usage. Then we purchased several light romances—some are 1949 editions and others reprints. These are: "The Finding of Jasper Holt," "Phoebe Dean", by Grace Livingston Hill, "Penny Wise", Carfrae, "Dear Friend," Peggy Derne, "Someone To Love", by Peggy Gaddis, "King of the Panhandle" by Chuck Stanley.

Our Texas writers have promised us quite a few books within the next two months. Loula Grace Erdman's "The Edge of Time" (Sept. 25) Fred Gipson's "The Home Place" (Sept. 27), Garland Roark's "Rainbow In The Royals"

and many others are to be published. We shall make an effort to purchase these three. We have also ordered the reprint of Charles A. Siringo's "A Texas Cowboy". There are so many new books by our most popular writers to be published soon that we shall be puzzled to purchase wisely within our cash limits. Thomas Hinkle has a new publication "Dapple Gray". His books are very readable for the boys. There is a new mystery series by Helen Wells. "The Vicki Barr stories, Helen Wells is the author of the "Cherry Ames" books that were very enjoyable. Apparently there are fascinating books for all, but the little tots this winter, but their colorful school books will likely interest them during the school term.

Murray - Leathers

Mr. and Mrs. Johnny Leathers have returned from a wedding trip to Colorado following their marriage Saturday night, August 26, at the First Baptist Church in Gatesville.

The bride is the former Miss Betty Murray, daughter of Mr. and Mrs. Clarence Murray of Gatesville. She is a graduate of Gatesville high school and was employed as a stenographer by General Mills, Inc., in Amarillo. Mr. Leathers is the son of Mr. and Mrs. D. E. Leathers of Clarendon. He graduated from Texas Tech and held a teachers position in Clarendon.

Rev. Clarence A. Morton officiated where seven branched candelabra held lighted white tapers and large strands of gladioli and potted palms formed the background for the ceremony. Wedding music was played by Mrs. Ola Mae Parks, and Miss Wanda Stephens sang "Through the Years" and "Because."

Given in marriage by her father, the bride wore a ballerina length dress of embroidered eyelet organdy with a full skirt and portrait neckline. Her fingertip veil fell from a Juliet cap of lace, and she carried a bouquet of stephanotis and a white orchid.

Mrs. Joe Turner of New Orleans, La., was her sister's only attendant. She wore a yellow organdy dress fashioned identically to the bride's. Her bouquet was of white gladioli.

J. R. Williams, brother-in-law

of the groom, was best man. Clarence Murray Jr., brother of the bride, and Miller Robinson were ushers.

The reception was held after the wedding on the lawn at the home of the bride's parents. Mrs. J. R. Williams of Canyon, sister of the bridegroom, presided at the bride's book. Mrs. J. R. Martin, Jr., sister of the bride, and Hayne Shingle of Houston cut the wedding cake and served punch.

For traveling, the bride wore a grey blue feille suit with navy accessories and a small veiled navy velvet hat.

The newly-weds will be at home in Huntsville, where Mr. Leathers will work on his master's degree at Sam Houston College.

Carlile - Jones

Miss Leota Carlile, daughter of Mr. and Mrs. L. D. Carlile, Amarillo, and formerly of Clarendon, became the bride of W. D. Jones, Jr., son of Mr. and Mrs. W. D. Jones, Sr., in a double ring ceremony performed at the Pierce Street Baptist Church in Amarillo, September 2nd at 8 o'clock in the evening. Rev. J. Perry King, pastor of the Mission Baptist church of Amarillo officiated.

Large baskets of white gladioli flanked by candelabras bearing white lighted tapers and pot plants of greenery formed the background as Mrs. T. L. Hall, organist, played the traditional wedding music. Mrs. Bobbie Morton was soloist.

Mrs. Dale Carlile and Jackye Lee Henderson lit the candles. Mrs. B. J. Scott was matron of honor and best man was Stewart Jones of Wichita Falls. Ushers were Dale Carlile and Harold Brown.

The bride given in marriage by her father, wore a powder blue suit with royal blue velvet accessories. Her fingertip veil was held in place with Lilies of the Valley. Her bouquet was of white carnations with an orchid.

A reception was held in the home of the bride's parents, Mr. and Mrs. L. D. Carlile. Mrs. Dale Carlile served the cake and Mrs. Bill McBride poured punch with Mrs. J. B. Henderson assisting. Jackye Lee Henderson registered the guests.

The couple will make their home in Amarillo where Mr. Jones is employed by the Fresh Bread company. Mrs. Jones is employed by the American National Bank there.

Kidd - Williams

Miss Billie Ruth Kidd, daughter of Mr. and Mrs. J. E. Kidd, Sr. became the bride of Jerry Wayne Williams, son of Mr. and Mrs. E. M. Williams, Amarillo, Friday evening, September 1st at the Polk Street Methodist Church. Rev. Eugene Slater officiated.

As a musical prelude, Mary Hunsucker, cousin of the bride, played "Always," "Because" and "The Lord's Prayer." "Clair de Lune" was played during the exchange of vows. Marvin Hillis sang. The traditional wedding processional and recessional were used.

Baskets of white gladioli and dahlias flanked by candelabra bearing cathedral tapers formed the background. The bride was given in marriage by her father. She wore a ballerina-length dress of white imported lace over taffeta. Her fingertip veil of white net was attached to a bonnet edged with seed pearls. She carried a white Bible topped with a bouquet of white rosebuds and gardenias.

Mrs. Betty Harris, sister of the bridegroom was matron of honor. Her dress was of navy blue lace over taffeta. Navy and white accessories and a colonial bouquet of yellow rosebuds and chrysanthemums completed her ensemble.

Bill Harris was his brother-in-law's best man. Joe Kenchloe of Austin, Jack Williams of Grand Falls, and Dick Nunn of Panhandle were ushers.

Following the exchange of

vows, a reception was held at the Dream Diner. The table was laid with a hand-crocheted cloth and centered with baskets of white dahlias and gladioli flanked by tapers. Serving were Mrs. Jack Williams and Mrs. Don McGregor.

Following the ceremony the couple left on a wedding trip to Colorado and New Mex.

CHAMBERLAIN CLUB

T. E. L. CLASS

The T. E. L. Sunday School Class of the First Baptist Church met in the home of Mrs. Frank Barton on Tuesday, Sept. 12. The day was spent in quilting one quilt and piecing another. A covered dish luncheon was served at the noon time followed by an hour of business and fellowship.

This Class does a wonderful work and extends a warm welcome to all ladies that would like to come each Sunday morning at 9:45.

Members present were Mesdames Simpson, Owens, Naylor,

NEWLYWEDS OFF FOR THE WARS—S/Sgt. Philip Rudolph, Marine Corps Reserve, and his bride, Pfc. Pauline Cruickshank Rudolph also of the Marine Reserves, are returning to active duty together and in the same outfit.

"It will be easier to spend my time on active duty than to stay at home and wait," said the bride. The Rudolphs, residents of Seattle, Wash., and teachers in the public schools there, were married last June 10. They met a year ago while attending Seattle University. Rudolph was with the Marine Corps 26 months in the Pacific during the last war. Neither is happy ever breaking up housekeeping to go to war, but both agreed to the inevitable: "That trouble in Korea is something that would have to be straightened out sooner or later."

Cook, Ray, Rattan, Hutson, Williams, Darden, Rampy, Bingham, and the hostess, Mrs. Barton. Mr. and Mrs. J. W. Beard spent the week end at Denver City, Texas.

Weatherly-Pickering

LISCOMB, Iowa — Mrs. Ida Weatherly of Cedar Rapids, formerly of Liscomb, and William Pickering of Clarendon, Texas, formerly of New Providence, were married at 12:30 p. m. Sunday, Sept. 3 at the Methodist Church in Cedar Rapids.

The Rev. Marvin J. Kober performed the single ring ceremony in the presence of 75 relatives and close friends.

The couple was attended by Mrs. Jennie Shunk, Cedar Rapids, and the bride's son, Dr. Howard E. Weatherly of Chicago, Ill.

The bride wore a street length dress of dark blue silk crepe with blue accessories and an orchid corsage.

Dr. Weatherly gave a reception

for the couple at the Grant room in the Roosevelt hotel.

Guests at a wedding dinner later were the bridal party and Mr. and Mrs. Harold Hawk and son, Herbert, of Ames.

The bride formerly was Ida Johnson, daughter of the late Mr. and Mrs. Ambrose Johnson of Liscomb.

Mr. Pickering is the son of the late Mr. and Mrs. Larkin Pickering of New Providence. He left New Providence about 40 years ago but has visited often in central Iowa. He is a retired stock farmer.

Following a wedding trip thru the west and south, the couple will live in Clarendon.

Mrs. Cap Morris was in Amarillo Tuesday to meet her daughter Mae who had been in Canyon since Monday.

Visitors in Amarillo Tuesday were Eunice Buntin and Phoebe Ann, Mrs. Carl Bennett and Mrs. Eva Atteberry.

PATHFINDER

The Pathfinder Club held its first meeting of the year at Patching Club House Friday evening, Sept. 8 at 7:00 in the form of the President's Dinner and installation of officers.

The table was laid with white linen and was beautifully decorated with yellow dahlias and tapers. The beautiful chandeliers contributed by Mrs. C. T. McMurry were admired by everyone. Before the guests were seated, Mrs. Lena Antrobus led the group in prayer.

Mrs. O. D. Lowry called the meeting to order. Minutes were read and approved, roll called and a treasurer's report given. She then introduced the new president, Mrs. William S. Greene who in turn introduced the other officers, Mrs. Gordon Stewart, vice president; Mrs. Frank Phelan, Jr., Recording Secretary; Mrs. John English, Corresponding Secretary; Mrs. Lee Holland, Treasurer; Mrs. L. N. Cox, Parliamentarian; Mrs. Ray Palmer, Federation Counselor, and Mrs. Clyde Hudson, Historian.

Miss Ruth Richerson read the club history for the past year. Mrs. Heckie Stark was elected to membership in the club. The hostesses were very appreciative of the beautiful centerpiece on the president's table which was arranged by Mrs. J. W. Evans.

Those present were one guest, Mrs. Davidson and Mesdames Frank Blair, Fred Buntin, H. T. Burton, L. N. Cox, Wm. S. Greene, Bill Greene, Lee Holland, Ernest Hunt, Clyde Hudson, R. Y. King, O. D. Lowry, C. T. McMurry, J. L. McMurry, C. B. Morris, Ray Palmer, Fred Patching, J. T. Patman, W. H. Patrick, E. P.

Shelton, Lena Antrobus, A. T. Cole, Van Kennedy, and S. W. Lowe, also Misses Mabel Mongole and Ruth Richerson and the hostesses Mesdames Pete Kunz, Carl Allmond, Simmons Powell, and Miss Lloyd Richerson.

REBECCA LODGE 149

The Clarendon Rebecca Lodge met in the lodge hall Tuesday night with a nice crowd in attendance. The meeting was held in due form with new business discussed. After the business session was closed the regular and initiation ode's were practiced. We'd like to see twenty members out next Tuesday night. Our new meeting time is 7:30.

State Fair of Texas To Feature Attractive Premiums - Trophies In Jersey Show

The All American Jersey Show and Junior Jersey Exposition, offering \$10,000 in premiums and trophies valued at \$35,000, will be the featured livestock attraction at the Mid-Century Exposition of the 1950 State Fair of Texas, Ray W. Wilson, manager of the Fair livestock department, has announced.

Dates for the show, destined to be the greatest dairy cattle show in the 65 year history of the State Fair, are Oct. 13-20. Gates will swing open on Oct. 7 for the Mid-Century Exposition and will remain open through Oct. 22.

Since Texas leads the nation in the number of purebred and grade Jerseys, it is natural that the greatest state fair in the world should be selected as the site for this great show, Wilson said.

Stiff competition is expected when Jersey breeders from 35 states and Canada bring their herds to the State Fair to compete for top place money and trophies. Premiums in all livestock shows total \$72,659, the largest in the Fair's history, Wilson explained.

Cattle will be judged Tuesday, Oct. 17, through Thursday, Oct. 19. Jerseys from the top herds in the nation will go on the auction block Friday, Oct. 20, in the Sale of Stars.

An outstanding exhibit featuring the highest producing living Jersey cow, Orland Signal Vol. Sable, owned by Chester Elliff of Tulla, Texas, will be sponsored

by the Texas Jersey Cattle Club and the American Jersey Cattle Club.

With more and more interest being directed toward the dairy industry in Texas and the Southwest, officials of the State Fair, the Texas and American Jersey Cattle Clubs are going all out to make the All American Jersey Show and Junior Jersey Exposition the biggest and finest dairy cattle show in the nation, Wilson stated.

Conservation Education Boom Sighted

AUSTIN—The subject of conservation and its indispensability to all phases of human progress will be taught for the first time in many Texas schools this fall.

This broadening of the vital resource-use education program will be a direct result of workshops conducted in Texas senior colleges this summer by the Supervisor of Wildlife Conservation Education of the Game, Fish and Oyster Commission.

The Supervisor, upon conclusion of the summer schedule, said more than 3,000 state teachers have participated in planning for resource-use education. The extent of this routine and the rapidity of its growth since this work was begun in 1946 is shown by the fact that the summer workshop programs have increased from one the first year to 24 during the past summer.

Dozens of calls are received daily for literature to supply teachers for the school year ahead. Well over a thousand

packets of material have been distributed within the last two months.

The Education Supervisor said the subject is taught in grades one through twelve but that emphasis is made on the grades of one through eight. The success of the statewide program has been facilitated by the cooperation of the State Education Agency. A main factor in this advancement, he said, has been through the efforts of the director of resource-use education in the State Department of Education.

Mr. and Mrs. Ernest Naylor and son Alfred, and Bob Cook of Amarillo were here for a short time Sunday.

Mr. and Mrs. J. P. McMahan of Canyon were week end guests in the home of her parents, Mr. and Mrs. Rayburn Smith.

Mr. and Mrs. T. O. Harrell visited his mother in Dumas the week end.

Mr. and Mrs. J. W. Beard took their son, Donald, to Dallas last week where he left by plane for Annapolis, Maryland to resume his training at the academy there.

Jimmy Beard is at home after spending the past two weeks at Cuba, N. Mex.

Mr. and Mrs. Dale DuLaney attended the wedding of her brother, Beldon Peters, at Houston, Sept. 2nd.

Duane Hudson, son of Mr. and Mrs. Neely Hudson, who volunteered for Navy duty, left last Wednesday for San Diego where he will receive training.

Red Chain Feed

Wins Two In A Row

For the past two consecutive years laying flocks on Red Chain feed have won all the major prizes in the Texas Farm and Home Egg Laying Contest.

In the 1949-50 contest which ended on July 31, laying flocks on the Red Chain Feeding Program won the following awards:

- First, second, third and fourth places in division one (flocks of 100 to 301 hens).
- First place in division two (flocks of 301 to 600 hens).
- First, second, third and fourth places in division three (flocks of 601 to 1,000 hens).
- First place in division four (flocks of more than 1,000 hens).

In the 1948-49 contest flocks on Red Chain feed won the first eight places and also the eleventh and fifteenth places

The contest is under the sponsorship of the Texas Poultry Council and is conducted by the Extension Service of Texas A. & M. College.

FARM NEWS
From the County PMA Committee

WINTER COVER CROP:

At last we have received information about the Austrian Winter Peas and Hairy Vetch and other legumes that you have inquired so much about. Be sure you secure your written approval before you plant any of these legumes.

SPECIFICATIONS:

Winter legume seed must be properly inoculated with fresh inoculants and seeded not later than December 1, 1950. Phosphate must be applied at a rate of not less than the equivalent of 200 pounds of 20 percent superphosphate per acre, except on land where there has been an application of phosphate to some prior crop within such time that the residual effects are still available. The crop must not be harvested for Hay. The crop must not be grazed to an extent that will prevent the maintenance of a good protective cover at all times. No acreage from which Austrian Winter Pea seed are harvested in 1951 will qualify. Seed may be harvested from the other eligible crops.

RYE:

The rye practice is applicable only to irrigated land and to land that the county committee determines is subject to wind erosion. Rye should be seeded at the rate of not less than 60 pounds per acre. A stand and growth that would justify harvesting as a feed crop must be obtained. The crop must be left on the land or turned under. A volunteer crop will not qualify. Don't forget to secure your written approval before you plant your rye.

The payment on rye is \$2.00 per acre.

1950 GRAIN SUPPORT PRICE RATE

The final 1950 grain sorghum price support rate for U. S. Grade No. 2 or better grain sorghums in Donley County is \$1.80 per 100 lbs. The final terminal rate at Galveston, Texas and Houston, Texas is \$2.42 per 100 lbs.

AVAILABILITY OF PRICE SUPPORT:

Price support will be made available by means of non-recourse farm-storage and warehouse storage loans and through purchase agreements.

WHERE TO APPLY:

Loans and purchase agreements will be available from the time of harvest through January 31, 1951.

ELIGIBLE PRODUCER:

An eligible producer shall be an individual, partnership, association, corporation, or other legal entity producing grain sorghum in 1950 as landowner, landlord, tenant, or sharecropper.

ELIGIBLE GRAIN SORGHUMS:

At the time the grain sorghums are placed under loan or delivered under a purchase agreement, they must meet the following requirements:

(a) Grain sorghums must have been produced in 1950
(b) The grain sorghums must be of any class grading No. 4 or better and containing not in excess of 13 percent moisture.
(c) The grain sorghums must not grade Discolored or Weevily.

(d) If offered as security for a farm storage loan, the grain sorghums must have been stored in the granary at least 30 days prior to inspection for measurement, sampling, and sealing.

WAREHOUSE CHARGES:

Grain sorghums placed under loan are subject to warehouse charges for the storage period ending March 31, 1951. Evidence must be submitted with a warehouse receipt that all warehouse charges have been paid in full through March 31, 1951 or a deduction of 20 1/2c will be made from the loan rate.

DISCOUNTS:

The discounts for grain sorghums which grade No. 3 shall be 8 cents per 100 lbs. and No. 4, 16 cents per 100 lbs. Grain sorghums which grade "smutty" shall be discounted 5 cents per 100 lbs.

DON'T FORGET TO GET YOUR APPROVAL BEFORE YOU PLANT YOUR AUSTRIAN WINTER PEAS, HAIRY VETCH, AND RYE.

Donley County Leader, \$2.50 a Year.

PLOWIN' Out the CORNERS

Just a few months ago we were told that the world looked more

at peace than at any time in five years. Then when the shooting started in Korea we were told that it was only a little police action. Now the whole world seems to suddenly be seething and boiling like a wash pot waiting only for someone to start the trouble. To the boys in Korea, and the mothers at home the war has already developed into a major Hell. "And people shall say Peace, Peace, and there shall be no Peace," to quote from a poor memory. We ask ourselves over

and over how in the world we could so soon and apparently so easily get into a shooting war. It seems that only a handful of men had any idea of what was going on. Now, only a single handful know how far we are committed to go with the fighting. We, The People, know nothing about our nations promises around the world.

It seems that about every other man that you meet is working for some branch of our government, or is expecting to be on its payroll soon. Anyway, I heard this story that is supposed to have happened a few months back. A certain fellow had a pet monkey, and he loved this little brute very much. One day the monkey died and the man was sorely grieved; to the point that he wanted to do something a little special for the pet. So he went to town and bought a nice casket for the monkey, put him in it and was on his way to a burying

place. As he passed a floral shop he thought a few flowers would add to the occasion so he left the monkey and the casket out front and went in. Along came the census takers from Amarillo and saw the little fellow lying there in peace. They began trying to identify him so they could add him to the census. Says one, "Well, I know one thing he worked for the government, you can tell that by the grin on his face and the callouses on his back."

Texas Retail Sales Above June, 1949

AUSTIN—Preliminary tabulations placed Texas retail sales at \$558,398,000 in June, falling 1 per cent from May, but rising 18 per cent from June 1949, the University of Texas Bureau of Business Research reported.

Total durable goods sales rose 6 per cent in June from May and 31 per cent from June a year ago; while nondurable goods sales slid 8 per cent from May, but stepped up 4 per cent from June 1949.

Household and appliance stores, up 14 per cent, turned in the largest gain in durable goods sales in June from May; followed by sales increases in lumber and building material, 8 per cent; automotive sales 7 per cent; and farm implements, 5 per cent.

May-to-June decline in durable goods were registered in jewelry stores, 9 per cent; and hardware and furniture stores, 1 per cent.

In comparison with June 1949 durable goods sales, automotive sales climbed 39 per cent in June 1950; lumber and building material, 38 per cent; farm implements, 23 per cent; household and appliance goods 8 per cent; furniture, 6 per cent; and jewelry, 1 per cent. Sales in hardware stores slid 3 per cent during this period.

Office, store, and school supply dealers turned in the largest increase in sales in the nondurable goods group—6 per cent; followed by filling stations, 5 per cent; and food stores, up fractionally.

Monthly decreases in nondur-

able goods sales were recorded in florists shops, 35 per cent; department stores, 20 per cent; apparel stores, 16 per cent; general merchandise stores and drug stores, 5 per cent; country general stores, 2 per cent; and eating and drinking places, 1 per cent.

Other gains were turned in by department stores, eating and drinking places, and general merchandise stores, 4 per cent; drug stores, 3 per cent; florist shops, 2 per cent; and apparel stores, 1 per cent. Sales of country general stores fell 14 per cent during the period.

Demand For Oil Products Reaches All-Time High

Total demand for all petroleum products in the United States hit its highest point in history during December, 1949, according to the U. S. Bureau of Mines. Primary distributors shipped out an average of 6,948,000 barrels per day, including exports. The highest previous month was December, 1947 when demand averaged 6,673,000 barrels daily.

Super-Truck Speeds Plane Refueling

Faster refueling for large airplanes is achieved by a super-truck recently developed by one oil company. The new truck can dispense gasoline through two independent hose systems, each with a capacity of 200 gallons per minute. (The conventional rate is 75 gallons a minute).

Tobacco is cultivated in nearly every civilized country.

The following Poem is reprinted from the Column "Panhandle People" by Jerry Malin. If you miss his column in the Amarillo News you miss a treat sometimes. Anyway, we especially liked this little verse;

When I shall quit this mortal shore
And mosey 'round this earth no more,
Don't weep and wail, nor sigh or sob—
I may have struck a better job.

Don't go and buy a large bouquet
For which you'll find it hard to pay;
Don't mope around and feel all blue—
I may be better off than you.

Don't tell the folks I was a saint
Or anything I really ain't
If you have Jam like that to spread
Please hand it out before I'm dead.

If you have roses, bless your soul,
Just pin one in my button-hole
While I'm alive and well today;
Don't wait until I've gone away.

Greatest Midway In State Fair History

The Sky Wheels—highest thrill ride ever seen in Texas—will be the "top of the Midway" attraction at the 1950 State Fair of Texas Mid-Century Exposition, Oct. 7-22.

The fantastic double ferris wheel, towering 90 feet into the air, cost \$135,000 to build and is the first new major carnival ride

to be developed in 50 years. The ride can carry 48 people at one time on a dizzy journey through space. The two giant wheels, on each end of a long beam, turn majestically while the entire mechanism also revolves. The greatest Midway in State Fair history will be a fitting fun center for the Mid-Century Exposition, which will be the most spectacular State Fair ever held in every respect, James H. Stewart, executive vice president and

general manager, pointed out. The Diamond Garter, new refreshment center on the Midway, will take State Fair visitors back 50 years with a Mid-Century performance of "The Drunkard's Daughter," nostalgic and comical preaching against sin and gin. Sally Rand will bring an all-new musical revue to the Midway, and will perform specialty dances for which she is famous. A score of great carnival attractions brought together from

every corner of the country will include the world's largest motorcycle drome, a unique collection of human freaks, the world's smallest living cattle, a big dancing and musical revue and many other unusual shows. Along with the myriad colorful shows on the million-dollar Midway, visitors will find an array of amusement devices designed to satisfy the appetite for fun of every Fairgoer, whether it is his first or his fiftieth State Fair.

There's the world's largest merry-go-round, giant twin ferris wheels of the conventional type, the \$100,000 roller coaster, the country's biggest scooter floor, the Rocket, the Caterpillar, the Bubble Bounce, the Fun House and many others.

In the \$90,000 Kiddie Town, new rides have been added to give the kids the time of their young lives. The 1950 State Fair expects to entertain nearly a million children.

Timber is a national necessity; the supply of it is being rapidly diminished. By growing more timber the farmer increases his own income and benefits the nation.

Farm Youngsters To Enjoy Rural Youth Day October 7th At State Fair of Texas

One hundred thousand 4-H Club boys and girls, Future Farmers and Future Homemakers, the largest gathering of rural youth in the world, is the goal set for Rural Youth Day at the Mid-Century Exposition of the 1950 State Fair of Texas, Ray W. Wilson, manager of the Fair's Rural Youth activities program, has announced.

This group of young and enthusiastic future farmers, future homemakers and ranchers will swarm the grounds of the great state fair in the world on Opening Day, Oct. 7, as guests of the State Fair, Wilson said.

The farm youngsters are expected to converge on Dallas from every corner of Texas. They will be admitted free to the Fair and will be furnished with a free lunch, provided by Dallas business leaders and the Dallas Chamber of Commerce.

The State Fair regards its rural youth project as one of its most important educational undertakings. From a healthy start in 1946 when 30,000 boys and girls attended the Fair, the event mushroomed to a record attend-

ance of 75,000 in 1949, Wilson said.

On Friday night, Oct. 6, recognition will be given 50 outstanding Future Farmers, Future Homemakers, 4-H Club boys and girls in the Honor Award dinner in the Crystal Ballroom of the Baker Hotel. The dinner will be sponsored by Dallas business leaders and the Dallas Chamber of Commerce.

Hotel accommodations have been arranged for this group of outstanding Future Farmers, Future Homemakers, 4-H Club boys and girls. Their parents, teachers and extension agents are also being invited to be guests at the Honor Award Dinner.

Even though last year's attendance of 75,000 rural youth broke all records, the 1950 goal of 100,000 will attract more attention than ever before. These young homemakers, farmers and ranchers from every section of the state will receive the recognition they deserve for their part in the development of Texas' agricultural and livestock industries, Wilson said.

A farm lad who took a job in the big city returned home a few months later to report he was flat broke in spite of the big pay. He said, "Most of my money I spent on women and whiskey. The rest I just wasted."

Better Buy Buick!

YOU CAN SEE here how smart it is—don't have to be told that it's the most quickly identified car on the road today.

You probably know that the engine under that broad bonnet is a Fireball straight-eight valve-in-head engine and a lively stepper in any company.

You can check the abundance of its room by the simple expedient

FOUR-WAY FOREFRONT—This rugged front end (1) sets the style note, (2) saves on repair costs—vertical bars are individually replaceable, (3) avoids "locking horns," (4) makes parking and garaging easier.

of taking the family and trying out its spaciousness at the nearest Buick dealer's—and a very few minutes on the open road will satisfy you that all-coil springing, low-pressure tires and Buick's torque-tube drive really do produce a ride that is matchless for its soft comfort.

BUT RIGHT NOW, it may be that the money angle is the thing uppermost in your mind, and on that we'd like to make two points:

All our records go to show that Buick is the most economical Buick ever built. It is easy on gas, on oil, on tires, on upkeep.

And if you choose it with

Dynaflow Drive,* it immediately eliminates all chance of friction-clutch repair and replacement—not to mention greatly reducing rear-axle and transmission maintenance.

Best of all, your initial outlay is a highly favorable one—whatever Buick you buy. For these brawny straight-eights—built rugged and solid for durable service—are priced at a level that makes them a standout buy in any price class.

Yes, better buy a Buick. Your dealer will be glad to demonstrate, glad to work out all the arithmetic of a deal. See him right away and get an order signed.

Tune in HENRY J. TAYLOR, ABC Network, every Monday evening.

GIRLS SUFFER THROUGH FRESHMAN INITIATION

The freshman girls of the Lelia Lake High School were initiated Wednesday, September 6th. They were Betty Jean Reed, Rowena Ivey, Norma Murphy, Jane Ruth Hill, Janell Fox, Wanda Sossamon, Onita Rampy.

Dressed in the initiation garb, Betty Jean had a blue dress two inches above her knees, hair braided and an enormous bow on top of her head, an overshoe with hose, a high heel shoe with an old sock, and potatoes around each wrist.

Norma Murphy had on her mother's dress with no belt, her hair braided and wore a bonnet, a high heel shoe and one of her brother's shoes. She carried a toe-sack of tin cans.

Rowena Ivey had on a shirt, jeans turned backwards, braided hair, baseball cap turned as like an umpire's, high heel shoe and a loafer.

Jane Ruth Hill wore her father's overalls, an onion around her neck, an off the shoulder blouse, and her father's shoes.

Janell Fox wore blouse and skirt of contrasting color, hair braided, uncombed, rolled, and straight with a polka dot ribbon around her head. She wore her father's shoes and an onion around her neck. There were

weiners around her wrists and she carried a doll.

Onita Rampy wore overalls backwards, frilly blouse wrong side out, one of her father's shoes and one of her mother's shoes, a black hat, one ragged hose, dark make-up, onion necklace, and carried a doll.

Wanda Sossamon wore her mother's night-gown, tin cans tied around her waist, her brother's shoes, her hair braided across the front with clothes pins on each side. She carried a sack of tin cans.

TO SELECT PRESS PINS MOSS, PAINTER, AYERS

Patsy Moss, Martha Jo Painter, and Ralph Ayers were elected to pick out a press club pin, at a meeting Wednesday, Sept. 7.

Several suggestions were made, but nothing definite is decided. Mrs. Bill Lowe suggested that the editors get gold pins and that the staff editors get silver, and the reporters get bronze.

PATSY MOSS WRITES WINNING JUNIOR POEM

This poem was selected as the best written in the junior English class for a recent assignment.

The Things I Like To Do
By Patsy Moss
Did you ever watch a sunset,
With all its golden hues?

Do you like to bend and kiss a rose,
When it's covered with sparkling dew?

Do you like to smell that lovely smell,
Of rain on the fresh turned earth?
Do you like to hear the voice of a child,
When it's filled with innocent mirth?

Do you like sometimes to take off your shoes,
And wade in a shallow creek?
Do you like to hold a kitten
And rub it gently against your cheek?

Do you like sometimes to be alone
Away from everything?
To lay down under a big oak tree
And listen to a robin sing?

If you, my dear, like all these things
These little things I like to do,
I'm sure we could be happy together—
Together, forever, my darling,
with you.

JOANNE CHRISTAL HONORED WITH PARTY

Joanne Christal was honored with a birthday party in the home of Shirley Aten, Thursday, September 7. The group first

played croquet, then enjoyed roasting weiners. A very delicious meal was served by Mrs. Quinn Aten.

After dinner the party went to Childress to enjoy a movie. Those who attended were Marilyn Butler, Billy Hill, Bobbie Seago, Keith Reed, Ann Dishman, Kenneth Wilkinson, Shirley Aten, Wilson Lane, Bobby Meredith, and honoree, Joanne Christal.

PLAYS RECORDED BY TWO ENGLISH CLASSES

"Sir Robin of Locksley," a play, was recorded on the wire recorder in the form of a radio broadcast by the Freshman English class last week.

Characters were Richard the Lion-hearted, played by Ray Brogdon, Prince John by Cavin Webb, Sir Robin of Locksley by Jimmy McDaniel, and Lady Marian by Rowena Ivey.

The seventh grade English class also recorded a radio play, "The Silver Dollar." Sound effects were greatly emphasized. Those taking part in the play were Doyce English, Louise Ivey, Joyce Johnson, Vera Mobley, Nadine Murphy, Lara Mae Sossamon, Jessie Lee White, and Gertrude Rackley.

FAREWELL PARTY GIVEN FOR ADELL FOX

A farewell party for Adell Fox was given by Mr. and Mrs. Bonnie Mooring, Friday night, Sept. 1.

Around forty of Adell's friends and school chums were there to enjoy games and cooling refreshments of cookies and Cokes.

Everyone had an enjoyable evening and hated to see Adell leaving. She is going to Wichita Falls to study nurse's training.

Betty Jean Reed spent Sunday with her grandmother.

Janell Fox and Ann Dishman spent Sunday evening in Quail with Kenneth Maxwell and Donald Dollar.

Mary Dodson spent Saturday in Memphis.

Jane Ruth Hill spent Sunday in Wellington.

Onita Rampy spent Sunday with Mrs. Edmonson.

Benny Hill spent Sunday with Earl Shields.

J. L. Williams, Keith Reed, Kenneth Wilkinson, and Ralph Ayers spent Saturday in Amarillo.

Arthur Shields spent the weekend with Kenneth Wilkinson.

Wilson Lane, Shirley Aten, and Bobby Meredith from Memphis had dinner with Joanne Christal Sunday.

Bobbie Seago, Marilyn Butler, Robert Gerner and Billy Hill attended a religious service in Amarillo Sunday night.

Bobbie Seago spent Thursday night with Shirley Aten and Tuesday night with Marilyn Butler.

WORKBOOKS ORDERED FOR BOOKKEEPING CLASS

New workbooks are on order for the bookkeeping class to aid them in their studies.

These workbooks will be patterned to fit the problems in their text books. There are 25 in this class, and they are looking forward to getting their workbooks so they won't have to draw the balance sheets.
