## UN MAPS KOREA "BUFFER" ZONE

KOREA—In order to avoid possibility of "incidents" involving UN and Red China forces, a plan to halt UN troops above Yongyang has been announced, calling for a 40-mile wide "buffer" zone on the Korean side of the border with Red China's Manchuria. (Shaded area on map designates "buffer" region.)

## BRONCHOS TO PLAY PIRATES AT LEFORS FRIDAY NIGHT

The Clarendon Bronchos motor away from home again Friday night to match football strategy with the Pirates at Lefors. This is expected to be another hard battle for the Bronchos as the Pirates have been showing plenty of power all season. Coach Harrell reports a little brighter outlook for this week with Mooring and Trussell being back in uniform although both backs will probably see limited action. Tatum and Thompson will be the co-captains for the game.

Supt. H. T. Burton has received reserved seats for the game; so if you would like to purchase your tickets before hand, you can get them from him between now and Friday noon.

The probable starting line-up for the Bronco line, starting at left end, will be: Murff, Risenhoover, Christie, Tatum, Jones, Pittman, Robertson. The backfield will be composed of Thompson at left half, Hall at right half, Myers at full and Carlile in the quarterback slot.

### LOCATION TO BE PICKED THIS WEEK FOR NEW WILDCAT WELL

The Leader was informed this week that the exact drilling location of the Lewis W. Welch wildcat well probably would be selected this week. At the present time a road is being graded to the proposed location which will be near the center of the R-G Ranch 12 miles southeast of Clarendon. The contract depth is said to be 7,000 feet.

## COUNTY SUPERVISOR FOR SOIL CONSERVATION TO BE ELECTED NOV. 4

County Agent H. M. Breedlove announced this morning that November 4th was the date set for the election of supervisor in the Donley County soil conservation district sub-division No. 2. This sub-division takes in all land between the highway from Clarendon to Amarillo to the Donley county line and the Pampa Highway from Clarendon to the county line at Jericho.

All land owners eligible to vote in this election are urged to be present. The present supervisor is J. R. Porter. The election will be held at the county court house in the district court room at 2:00 P. M. This election is on Saturday and all land owners are urged to spare a few minutes and attend this election. The operations of the district will be discussed and a short program is planned after the election.

## COLTS TO PLAY LEFORS JR'S. HERE TONIGHT

The Clarendon Jr. High Colts will entertain the Lefors Jr's. at Broncho Stadium here tonight. This is expected to be one of the toughest battles of the season for the Colts but according to coach Jerry English, the Colts will be ready for them and will really make a battle out of it.

The game time will be 7:30 and the admission charge will be 15 and 35 cents. Plan to go see the Colts play tonight and give them some backing.

## THIRD GRADE SPONSORING MOVIES SATURDAY MORN

A treat is in store for those who enjoy moving pictures, here Saturday morning. The Third grade is sponsoring a movie here Saturday morning at the Mulkey Theatre that everyone will enjoy. Included on the program will be a comedy, a sports reel, three cartoons, a "Speaking of Animals" short and a Popular Science short. The doors will open at 10 a. m. and the features will start at 10:30. The price of admission is 9 cents for those under 12 years of age and 35 cents for those over 12. Proceeds will go toward the fund for the third grade queen candidate.

## First Concert Program Tonight

One of the most beautiful scenes from one of the best-loved of all grand operas, "La Boheme", and highlights from the ever-popular light opera, "The Merry Widow", will be features of the concert given by Helen Clayton, soprano, Howard Jarratt, tenor, tonight at 8 p. m. at the College Auditorium.

Realizing that present-day audiences prefer something more than the standard type of concert presentation, Miss Clayton and Mr. Jarratt have developed a program including these scenes from opera and musical comedy in costume as well as fine concert songs. Two groups of solos by their concert pianist-accompanist, Miss Moreland Kortkamp, add even more variety.

All those who joined the Donley County Concert Association are urged to attend this first program. No tickets will be sold at the door.

## Fine Art Prints To Be Exhibited Here

A splendid opportunity for Art Education is afforded in the exhibit of Fine Art Prints which will be on display Wednesday through Friday Nov. 1st, 2nd and 3rd at the Youth Center. There will be a small admission charge which will be used for the purchase of pictures for our schools. There are 150 large colored reproductions of the old and modern masters. Among the most famous artists represented are: Gainsborough, Da Vinci, Murillo, Van Dyck, Raphael and many others of the old masters; while among the more modern are representative subjects from the brush of Ben Foster, George Innes, Ernest Albert, Bruce Crane, Harry Vincent and others.

The purpose of the exhibit is to develop a love of beauty through the intelligent use of good pictures and to develop an art appreciation. To assist in community up-building and to foster an interest in school affairs and to obtain pictures for the decoration of our school buildings.

Each room having the greatest number to attend the exhibit will be given a lovely picture of their choosing. Don't forget the date. Everyone come - - - see the fine art exhibition on display from the Colonial Art Co., Okla. City. This project is sponsored by the Clarendon Public Schools.

## VERNON GOLDSTON AWARDED AMERICAN FARMERS DEGREE

Vernon Goldston, son of Mrs. John Goldston and student of Texas Tech, was awarded the American Farmers degree at the National Future Farmers convention at Kansas City, October 11th. This degree is awarded to Future Farmers who have won the Lone Star degree and have one year of college work and have made the highest standing in their F.F.A. work. ## HALLOWEEN CARNIVAL SLATED FOR TUESDAY NIGHT, OCT. 31st

### HEAVY ROAD MACHINES MUST BE LICENSED BY NOVEMBER 1

A new ruling has gone into effect compelling all owners of heavy machinery or any other type of self propelled vehicles to license such machines by November 1, 1950 or a 20% penalty will be added. This includes bulldozers, dirt moving machines, mowers, etc. The license may be obtained at the County Tax office.

### SCHOOL CAFETERIA INCREASES PRICE ON SCHOOL LUNCHEES

Due to increasing prices of food it is necessary that the school cafeteria increase the price of lunches from 25 cents to 30 cents, starting October 30th.

### Parents - Pranksters Take Notice!

Due to the fact that a window peeper has been reported operating in Clarendon and the fact that numerous residents have become exceptionally jittery, Sheriff Guy Wright has issued a warning to parents and Halloween pranksters to be very careful during the Halloween fun period. For the safety of our children he is urging all parents to caution their children not to visit any house in the residential part of town, for some child might be mistaken for the prowler and shot. He emphasized the fact that this is not just a means of holding down pranksters but is a very serious situation arising at this particular time.

He is also requesting youngsters to refrain from using soap or gum on automobiles as either is damaging to the vehicle. "We want our youngsters to have a good time, but want them to remain healthy and all in one piece, so take every caution to be careful," Sheriff Wright said.

Mrs. Moss, Mrs. Wilson Gray and Mrs. Houston McDonald spent Tuesday afternoon with Mrs. Jim Peggram.

Harold McDonald visited with Eugene Auldridge awhile Thursday afternoon.

Those visiting in the C. F. Moss home Monday night were Mr. J. F. Jackson and family, Mr. and Mrs. Wilson Gray, Mr. and Mrs. W. H. McDonald and family, Bernice Hillis, Kathleen and Sue Yankee, Ray, Murel and Eldon David and Alvin Barker.

Mrs. Hatley visited with Mrs. Peggram Sunday, 17th.

thrown out, Mickey Ledrick, Pampa businessman and chairman of the district-wide organization of Democrats for Ben Guill, declared this week.

"This is a general election, not a party primary," Ledrick pointed out. "Every citizen of the 18th Congressional District who paid his or her poll tax can vote for the candidate of his choice, with full assurance that his vote will be counted."

He explained that the State Supreme Court has held repeatedly that no voter is legally or morally bound by the "so-called Democratic pledge."

"I am a Democrat," Ledrick said, "and so are thousands of Panhandle men and women who are supporting Congressman Guill in his re-election campaign. We aren't bad Democrats—we're just mad Democrats who don't like what has been going on in Washington."

"We are Democrats who saw Ben Guill go to Washington five months ago and start right to work for the Panhandle. As a member of the House Agriculture Committee, as a World War II veteran and a fearless fighter against bureaucracy, we feel Ben Guill can do the best job for the Panhandle."

Ledrick said Democrats for Ben Guill Committees have been organized in each of the 28 counties in the district.

**THERE'S a change of the year for your Buick, too, stalwart as it is! Hot summer driving has taken its toll—in played-out lubricants, spark timing that may have slipped off a notch or two over the many miles, a carburetor that would probably give you better mileage and snap if it were properly adjusted now for fall driving.**

Point is—your Buick will feel a lot friskier in the trying days to come if you let your Buick dealer get those summer kinks out of its system now! Just drive in—say you want (1) a fall tune-up and (2) a regular Lubricare—and see how much rewarded you are, for a small fee!

Do it this week, will you? Before the rush, you can be served more promptly.

## TANKERSLEY-STONE VOWS EXCHANGED IN IMPRESSIVE HOME CEREMONY

The home of Mr. and Mrs. Albert Bruce, 2900 South Hays, Amarillo, was the scene Saturday, October 14, for the marriage of Dorothy Nell Tankersley, daughter of Mr. and Mrs. Sam Tankersley of Clarendon to Emory Stone, son of Mr. and Mrs. Marshall Stone of Hedley.

Reverend Harvey P. Wolfe, pastor of the Buchanan Street Baptist Church of Amarillo, read the impressive double ring ceremony at 2:30 Saturday afternoon. A duet, composed of Lorraine Harter and Francine Hall, of Amarillo, sang "Always" and "I Love You Truly." Bobby Bruce, cousin of the bride, furnished the music for the traditional wedding marches. Donna June Walker of Amarillo lighted the candles.

The bride, given in marriage by her uncle, wore a light blue suit with navy blue accessories. She carried a white Bible topped with pink rose-buds bearing white satin streamers. The bride carried out the tradition of something old, borrowed, blue, and a penny in her shoe.

As maid-of-honor, Miss Bonnie Faye Allen of Panhandle wore a navy blue taffeta street length dress with white accessories. Albert Bruce of Amarillo acted as best man.

After the ceremony the bridal party was honored with a reception. The lace covered serving table was centered with an arrangement of beautiful flowers flanked on each side by pink candles. The three-tiered wedding cake was topped with a miniature bride and groom. Napkins were used bearing the names of "Dorothy and Emory." The bride's chosen colors of pink and white were carried out through all the decorations.

Lorraine Harter served the punch while Francine Hall served the cake. Dorothy Waldrop registered the guests in the guest book.

Mrs. Stone is a graduate of Clarendon High School and also attended Clarendon Junior College. Mr. Stone is a graduate of Hedley High School and attended Texas Tech in Lubbock.

After the wedding trip the couple will be at home in Amarillo where the groom is employed at the Magnolia Petroleum Company.

Out-of-town guests registered were Miss Sudie Waldrop, Mrs. Pat Waldrop, Mrs. Melba Skapple, Mrs. W. T. Brothers, Lorraine Harter, Francine Hall, Donna June Walker, all of Amarillo; Mrs. Y. L. Waldrop of Borger; Willie Johnson of Hedley; and Mrs. John N. Allen of Panhandle.

## TROUT—McFALL

Announcement has been made of the marriage of Miss Jo Dean Trout, daughter of Mr. and Mrs. M. B. Trout to Billy Joe McFall, son of Mr. and Mrs. Sid McFall of Quitaque, Texas. Vows were exchanged October 12 at Portales, N. Mex.

Attendants of the couple were Mr. and Mrs. Bobby Gene Trout. A dance and shower honoring Mr. and Mrs. McFall was given Friday night, October 13 at Lake McClellan. Hosts were Mr. and Mrs. Johnnie Rex McClellan, Mr. and Mrs. C. D. Davidson and Mr. and Mrs. Cullen Taylor.

## TUCKER—McROREY

Miss Ruth Tucker, daughter of Mrs. J. R. Tucker, was married to Merle A. McRokey, son of Mr. and Mrs. J. B. McRokey of Ft. Worth in a double ring ceremony at 4 p. m. Saturday, October 14 in the Arlington Heights Presbyterian church of Ft. Worth by Rev. W. F. Cate.

The bride wore a navy blue gabardine suit and blue hat with brown accessories and a corsage of yellow roses.

Present at the wedding were Misses Virginia Reed, Katherine Ezell and Ruth McDonald and Robert Noel and E. L. Kayler.

The couple will reside in Ft. Worth after a trip to New Mexico.

Library Notes

By May L. Prewitt

Reading material for the little people this week is "The Little Cat That Could Not Sleep" by Margaret Fox, "Hello Judy Stories" by Charlotte Becker, "The Little Gardeners" by Louise F. Enck, "The Little Old Woman Who Used Her Head" by Hope Newell. These are practically bound cadmus books with attractively told and illustrated stories. Our children's section is very well stocked with material useful beyond the first grade. We certainly need shelf arrangement for display as children's books can't be shelved as the junior and adult sections. There are two books for the junior section—"The Lost Eleven" by our Texas writer, Curtis Bishop and "Giant Quarterback" by Frank Waldman. This last is a football story about the men who play for

"pay". The books for boys are difficult to supply as this age varies in their choice of reading material. Several will enjoy the sport books, but the majority read western romances.

To the garden reading list we have added an inexpensive book by Romaine B. Ware, "Success With Lilies in the Home Garden." Lilies of various species are being grown in our town gardens at present.

The fiction list was increased by some gifts—first is "The Edge of Time" by Loula Grace Erdman, "Richard Walden's Wife" by Eleanor Mercein Kelley. This is a 1950 People's Club edition. It is a novel with both humor and drama—the kind of novel you live with for many satisfying hours, and remember for a long time afterwards. "Bold Galilean" by Legette Blythe is a vivid, authentic, and powerful story of the time of Christ. We have quite a collection of these biblical novels and several other shelves of books pertaining to Bible study. These are frequently used in securing material for courses

of Bible study. To day a gift of another of these novels was received, "Until The Day Break" by Sallie Lee Bell is a romance in the time of Christ. They are written with imagination disciplined by thorough knowledge of Scriptural facts. Biblical happenings empower the plot. We have two copies of "The Emperor's Physician" by R. Perkins. This involves the life of Luke.

There are some other happenings that you might have overlooked in your reading — The death of Edna St. Vincent Millay who was so vivacious and piquant at different times. Then the Burma Surgeon stories, or experiences have been read and appreciated by so many that it saddens us to read that Gordon S. Seagraves is charged with conspiracy. He has been greatly admired by a vast number of readers.

Information appearing in the Federal Register of October 11th, indicates that the allocation of ACP funds for the 1951 Agricultural Conservation Program for Texas will be \$21,970,000. This compares with an original allocation for 1950 of \$21,223,000. A supplemental allocation of \$350,000 was given Texas later in the year bringing the total for 1950 up to \$21,573,000.

Donley County has not received the allocation for 1951, but as soon as we have we will let you know.

Since agriculture is so important to our national security, the first essential of any present program must be to make mighty sure that we can keep on producing food and fiber the Nation needs to meet any emergency it may have to face.

In 1949, the per capita income of persons on farms—including income from all sources — was \$763 per person, compared with \$1,555 for non-farm persons.

Despite some 9 percent fewer farm workers, U. S. agriculture in 1948 turned out about 40 percent more food and fiber than before World War II.

**Bronchos Bow To Irish 32-0**

The Irishmen from Shamrock lived up to their title as No. 1 team of the district here last Friday night when they dumped the local Bronchos 32-0.

The game was a closer battle than the score indicates as practically every Irish score was made on some type of sensational play. They certainly didn't run over the Broncho line at any time. It was just a case where a superior, well seasoned team had the normal leverage over a much lighter inexperienced team. The Irish had a weight average of 170 lbs. compared with 148 lb. average for the Bronchos and 22 pounds to the man can figure quite a difference on the playing field.

The Irish scored twice in the first quarter, once in the 2nd and once in the third and then tallied again in the fourth. Only two extra point tries were good. Lea, Tarbet and Valentine figured in the scoring.

**LARGE CROWD ATTENDS DONLEY FARM BUREAU FREE CHILLI DINNER**

The Donley County Farm Bureau held a free-chilli dinner at the Lelia Lake school house last Thursday, October 19th at 7 p. m. Mr. Holly Wood, president of the Donley Farm Bureau, said that nearly four hundred people attended.

After the feed the annual election for officers for 1951 was held and Lee Shaller was elected president; O. L. McBrayer was elected vice president and Mrs. Luther Butler was elected secretary and treasurer. The committee that cooked chilli for the occasion was Mrs. Glenn Williams, Mrs. Ernie White, Mrs. Luther Butler, Mrs. Wilson Gray, Mrs. B. F. Wolford, and H. M. Breedlove.

A good program was held and music was furnished by Walter Johnson and his musicians from Hedley. At the end of the program the members of the Farm Bureau presented Mr. Holly Wood, the retiring president, with a Stetson hat. The present officers will select the board of directors for 1951 and appoint the committees.

**Sets Goal of 30,000 Democratic Votes For Walter Rogers**

Walter Rogers of Pampa, Democratic nominee for congress, has scheduled radio broadcasts over station KGNC in Amarillo each Friday at 7 p. m. until the November 7th general election.

The candidate plans to stress the belief that the best interests of Texas can be obtained through the Democratic party rather than through a "protest" switch to another party.

Judge Ralph Porter of Clarendon, district campaign manager for Rogers, has set a goal of 30,000 Democratic votes for Rogers.

"This will not only send our man to Washington with a substantial majority, but the Panhandle will be well represented at the next state convention of the party," Porter said.

The number of delegates the 18th Congressional District has at the state convention is based on the number of votes cast in the general election, Porter explained.

**Notes from - - - CITY HALL**

The repairs on the water main has been completed. In doing this repair it was necessary to cut off the water supply which of course caused some inconvenience to most, if not all of us. The entire city personnel wants to express their thanks to you people of the city for your splendid cooperation and patience during this time of repair.—Major Hudson, Mayor.

Mr. and Mrs. Major Hudson returned home Tuesday night from a several days trip down on the south plains and New Mexico. Their son, Mr. and Mrs. Carrol Hudson joined them at Hereford. They all visited Carlsbad Caverns and other points of interest.

Mr. and Mrs. Elmer Chenault and Mrs. Ellis Chenault and Wayne visited her mother, Mrs. Vashti Boyce and sister, Mrs. Marvin McBee at Midland the later part of the week. They also visited relatives at San Angelo.

## Facilities Expanded For Transporting School Children

AUSTIN — The number of school children to be transported during the present school term will show an increase over last year due to increased population and better school attendance, the Texas State Teachers Association pointed out recently.

Facilities for transportation were expanded during the last

school term to take care of the 320,000 living two or more miles from the school attended. This represented an increase of 25,212 pupils over the number transported during the 1948-49 school term.

Although better than \$10,000,000 was provided by the state to reimburse the districts for the cost of transporting school children, there is every indication that the amount provided was inadequate in many school districts.

L. P. Sturgeon, Associate Com-

missioner of Education, stated that the official records show that only 23 counties were reimbursed by the state in amounts equal to the actual cost of operation. This means that the remaining counties received less money from the state than it cost them to operate the buses. The financial loss to some counties and school districts was small while in others it was heavy.

Such losses had to be made up by the individual schools from local funds. In many cases school systems had to reduce other vital phases of their program in order to pay the cost of transportation. Sturgeon pointed out that official reports show that the actual cost of transportation in Texas exceeded \$12,000,000 during the last school term. This means that the districts had to supplement funds provided by the State in the amount of \$2,000,000.

Previous surveys show that 22% of the school buses have been in operation for more than six years and should be replaced. This means an additional burden to local districts since reimbursement from the state is less than actual cost of operation.

The Texas Education Agency according to Sturgeon is making a very thorough study of representative counties throughout the state to determine the cost of operation of Texas' vast school transportation system. A formula to determine the costs on a more scientific basis is being applied in more than 20 Texas counties. It is hoped that such a formula, when

applied to the state as a whole, will permit each school district to be reimbursed for the actual cost of operation of the more than 6,000 school buses in Texas. Such a plan would have to be adopted by the Legislature before it could be made effective.

The provision for a minimum program of transportation that will meet the actual needs of each school district is the objective of the Texas State Teachers Association and state officials studying the problem for a resolution.

## Homecoming Parade At Texas Tech To Show 25 Years Of Progress

LUBBOCK—The theme of this year's homecoming parade of Texas Technological College will mold itself around the institution's Silver Anniversary celebration.

Each float in the Nov. 11 parade will depict one year of Tech's rapid growth since 1925. An outstanding event or scene relative to Tech or of national prominence will form the basis for each display.

The most beautiful float, the float most clearly describing its subject, and the float most cleverly depicting its year's event will be awarded engraved plaques.

The Thomas trophy will be presented to the best of the three winners as the most outstanding

float. The parade is sponsored by the Student Council and D. M. McElroy, executive secretary of the Ex-Student Association.

But the parade will be only one part of the Nov. 11 festivities at Tech.

Earlier that day, U. S. Sen. Lyndon Johnson, D. Tex., will be keynote speaker at the formal dedication ceremony of Tech's

\$4,500,000 building program now under construction.

Over 20,000 persons are expected to swarm the campus for the dedication, the parade, and the Red Raiders' home-coming football game with the University of Tulsa.

Following the dedication and parade, ex-students from Tech will meet in the Gymnasium for

a luncheon. Then comes the game with more Silver Anniversary entertainment during halftime.

The quarter-century theme also will be used at the homecoming dance that night.

Charles Trent visited his parents, Mr. and Mrs. James Trent Sunday night enroute to his home in Ft. Worth.

## Let's Re-elect Ben Guill

The Congressman Who Can Get BOTH Parties to Work For THE PANHANDLE OF TEXAS

THE PICTURE OF INTER-PARTY CO-OPERATION

Ben Guill, Congressman from the 18th District of Texas, is pictured above in a candid camera shot talking with Democrat Sam Rayburn, of Texas, Speaker of the House, and Republican Joe Martin, of Massachusetts, Minority Leader, the two most powerful figures in Congress. Because of inter-party co-operation like this, Ben Guill is a member of the powerful House Agriculture Committee. Because of inter-party co-operation, Ben Guill got top Department leaders to travel to Amarillo from Washington for the only small business clinic ever to be held in Texas. Because of inter-party co-operation, Ben Guill has been able to get more attention for the Panhandle than any other Congressman could have got in a full term.

BEN GUILL—through his honesty and ability—is doing an outstanding job as our Congressman... He deserves a full term of his own. Let's re-elect the man who has proved he can do something for the Panhandle.

**You Can't Build A Better Mousetrap!**

"They're not the best-looking boarders a man ever had," Hack Turner said one day, "and they've got awful tempers. But I've found it pays to have 'em around."

Hack was talking about a family of barn owls, nesting in his silo this year. Some folks believe those little white-faced screechers kill chickens—and ought to be shot on sight. But Hack disagrees.

"Up at State University they've studied barn owls for years—and never known one to eat a chicken. On the other hand, a daddy owl will clean up around 300 mice a month. Farmers that kill barn owls are throwing away the best mousetraps known to man!"

From where I sit, when someone shows a prejudice against a group of animals or humans—it's usually just based on misunderstanding. For instance, some folks are piomb intolerant about those of us who enjoy an occasional quiet glass of beer. Get to really know us and you're liable to find we're pretty good birds at that!

## REMEMBER WHEN

### ... it always rained on wash day

Perhaps you're still plagued by rainy wash days . . . still hang wet clothing on chairs or improvised lines in the kitchen or bathroom. If so, you have a real treat coming—the smart, new natural gas clothes drier. It takes a full washing machine load, tumbles it dry in less than an hour,

leaves it sweet-smelling and sterile. The clothes drier is another of the wonderful conveniences you can enjoy through natural gas service. It's the answer to all-weather wash days . . . inexpensive to buy, easy to install, economical to operate. See the late model natural

gas clothes driers today—wherever fine gas appliances are sold.

Scores of companies are in the business of producing, transporting or distributing natural gas—providing good jobs and important payrolls for thousands of men and women here in the Gulf South. Everyone you know benefits, in one way or another, from the operations of the natural gas industry.

# Plowin' Out the Corners

By Uncle Zeb

The newest prospect for a "Jiner" to my Ain't Smoking Right Now Society is H. E. Brinson of Allen, Oklahoma. He began reading the cigarette ads and thinking about all the bad things they had to say about the other brands and decided if half of it was true he ought to quit. This is what you would call over-doing their advertising. Anyway, Mr. Brinson is the husband of the former Ola Cobb. She is a member of the Cobb family that almost took Armstrong County in the early day. It is said that there was a time when in all the country south of Claude, there was scarcely a thing but the Cobbs, the Bagwells and the Russian Whistlers. Anyhow, the main point

of this story is that Ola says that she never fails to read our column; that then she hands the paper to H. E. with special instructions to read Plowin' Out the Corners. Maybe that wasn't the important part of her story to anyone but me, but thanks to these friends who now live down Oklahoma way.

It is a fact that we find people who do not seem to mind our getting involved in a war at all. There are people, and some of them get elected and wind up in high places in our government that would be willing to see war rather than to have hard times or to have their political party lose its prestige. It is hard to believe that folks could feel like that. That they could rejoice in the few pieces of silver that would be bought with the blood, the sweat, and the tears of mothers and sons but, we must remember that Christ was betrayed for a few pieces of the same stuff. I heard one mother say that she would like to have the privilege of setting off a stick of dynamite under anyone that felt that way. We fought one war for the sake of

Freedom, we were told, another to make the world safe for Democracy, and now one to save the world from Communism. We won the battles, but we failed to bring freedom to the peoples of the world; we don't even have as much as we did have. We didn't spread Democracy or Good-will around the world; rather we made enemies, and where there were 150 million communists there are now 485 million under its influence. Can we continue to whip the world; rebuild what we bomb down, then feed them forever to make them love us enough to not fight us? When we have given them our all, and are broke and in debt will they remember and bring back the loaves and the fishes? It is time we quit letting one or a half dozen men play politics around the world with our money and our boys just to establish a doctrine; maybe we should go back to the Monroe doctrine, that we can live by and die by if necessary without wondering all the time whether we are being led as sheep to the slaughter as a sacrifice to the money and political gods of a few people.

In all of our troubles we can be sure that it will help if we will get ourselves up from the hog-

pens of sin; both political and otherwise and come back closer to God, and to the principles of love as taught by his Son nineteen hundred years ago. We don't have to look far in any direction to see where we are drifting in our ways of life; you can drive through Amarillo about 8 o'clock and see where the cars are parked on Sunday night. You can read the papers and see whose hog-troughs the political pigs are parked at. We are going to have to do something for ourselves if we want our Father in Heaven to hear us and continue to help us. We can't lie in the pig-pens of graft, and sin, and corruption, and expect Him to hear us or help us. The Prodigal Son had to get himself up from the trouble he was in; go to the place that his father was, and there in humbleness ask for forgiveness. If we as a nation know the Right way, if we can boast that we are a Christian na-

tion; we will be expected all the more to let that light shine to the world. Again I apologize for sounding too serious this week, but it does seem like a time when we need to think things out as did the Prodigal Son, and decide on a course that we know is right, and then, follow through with some action that we know would be right and good in the sight of all mankind and in the sight of God.

### 1950 Antelope Hunt Completed

AUSTIN—The Executive Secretary of the Game, Fish and Oyster Commission reported that the antelope hunt, concluded October 10 in the Trans-Pecos section of Texas, was considered successful by most of the 403 hunters who participated. The Game Commission issued 422 per-

mits which included 85 land-owner permits or twenty percent of the total number issued.

Rein on the second day of the hunt made transportation on some ranches difficult but it did not dampen the hunters' enthusiasm or limit their success. A total of 375 antelope were killed during the nine days' open season. Ninety-three percent of the hunters bagged their antelope.

No antelope were hunted in 1949 because of losses in the herds during the preceding winter. In 1948 almost all applicants for antelope hunting permits received them and 629 antelope were killed

ed by 702 hunters. Less surplus buck antelope this past season was responsible for the reduced number of permits issued by the Game, Fish and Oyster Commission.

Visit In Denton Mr. and Mrs. L. N. Cox and Inelle visited their daughter, Ladelle, and other relatives in Denton this week end. They were accompanied by Joe Dilli and Wesley Farr who attended the fair in Dallas. Mr. and Mrs. Cox and Inelle returned by way of Dallas where they also visited.
