## INDIANS HELPED WHITES TO SETTLE PANHANDLE

### Panhandle Old Settlers Assn.

AMARILLO, Sept. 3.—The original Northwest Texas Pioneer—the redman—will be honored on the occasion of the annual meeting of the Panhandle Old Settlers Association, Wednesday morning at ten o'clock, September 18, when residents of this section for 25 years or more convene at the Tri-State Fair.

Whereas in the past it has been the custom to dedicate the program to the White Americans, at this time the First Americans will receive this distinction. It is planned to have an ALL INDIAN program. Every person having a formal part will be of Indian extraction, and will appear in full costume.

Both of the main speakers of the day participated in the Adobe Walls Battle June 27, 1874. John Otterby—Chief Lean Elk—Cheyenne Indian, born at Fort Laramie, Wyoming in 1864, was with the Buffalo Hunters and was in the Adobe Walls fight on the side of the whites, and against his people. Dr. Joseph K. Griffis—Tahan, reared by the Kiowas, fought against the Buffalo Hunters.

Chief Lean Elk, Indian Interpreter, Scout and Delegate to Washington, came to the Panhandle as a boy of ten years. He hunted buffalo and lived with the hunters until the cattlemen came. Later he served under General Sheridan as an interpreter, then a scout, teacher, farmer, and delegate from the Indian Commission to represent his people in Washington.

Dr. Griffis—Tahan's—life story is as colorful and adventurous as a western thriller. He was born near Gainesville, Texas in 1850, son of a white father and Osage Indian mother. Tahan will tell a story in the picturesque eloquence of the Red American in the perfect English of the White American. Out of savagery into civilization Dr. Griffis will give his amazing experiences, which have been substantiated by Government and other records. Captured by a tribe of Kiowa Indians he was brought up as an Indian, and it was many years before he learned of his parentage. He lived in the Panhandle until captured by General McKenzie in 1875. His Kiowa Indian wife aided him to escape from prison chains, and he became a Robin Hood in his own right. Tahan was persuaded to join the Army where he served for several years. He was condemned to death for shooting an Army Officer after drum-head court martial, escaped and was a fugitive for many years. He fled to Canada, was befriended by the Salvation Army, and became one of their workers. He was placed in jail for beating a drum, and while serving his jail sentence he learned...

ed to read. Following his release he drifted to Buffalo, and was ordained a Presbyterian Minister, and became Pastor of one of the largest Presbyterian Churches. Thru the efforts of friends he was pardoned for the slaying of the Army Officer by President Cleveland. Tahan is famous as an author and lecturer. He wants to come back home to live somewhere in the Palo Duro Canyon.

Panhandle Old Settlers will have the privilege of hearing both of these distinguished First Americans Wednesday morning, September 18, at ten o'clock at the annual meeting. Any person living in the Panhandle for twenty-five years is eligible for membership. The registration fee of \$1.00 takes care of a life membership, and entitles one to the Old Settlers' badge. The Panhandle Old Settlers Association is one of the oldest, if not the oldest organization in the Panhandle. The badge designating membership will be your admittance to the Fair Grounds on Wednesday. The following are current officers: Floyd V. Studer, President; Johnnie B. Archer, Secretary; Mrs. Olive K. Dixon, Mrs. W. H. Patrick, John McKnight and Ed Baird are Vice Presidents.

### Flood Anniversary

A fall of .48 was noted by official weather recorder Joe Goldston Tuesday. The moisture was spotted over the county. It will be recalled that six years ago on the same day that more than 4 inches of rain fell here within two hours. Streets were flooded and much damage done.

G. K. WALLACE

who will begin a revival at the Church of Christ Friday morning.

### Wallace Begins Revival Friday

Church of Christ Minister Is Thorough Bible Student

Announcement is made of the revival that is to begin at the local Church of Christ Friday morning at 10 a. m. Pastor Claud C. Smith stated Wednesday that all was in readiness for a most interesting series of meetings with Mr. Wallace in charge of the services. The revival beginning the 6th, will continue to September 15th. Services will be conducted at 10 a. m. and at 8:15 p. m. daily. Mr. Smith stated. The public has a cordial invitation to hear these gospel sermons. Many have heard Mr. Wallace preach here and at other places, and evince a keen interest in hearing him again.

## PUBLIC SCHOOL ENROLLMENT MAINTAINS FORMER RECORD

### STORE EMPLOYEES HOLD PICNIC AT McCLELLAN

Among the forty-nine to attend a picnic for their special benefit at Lake McClellan Sunday, were the employees, wives and children of two leading stores.

Those stores are the Heath furniture store in Amarillo, and the Clarendon furniture store. Eats, soft drinks, swimming and boating helped to make the occasion an enjoyable event.

### CLUB ROOM BOARD

The members of the Club Room Board met at the Club Room Friday afternoon. Mrs. Elvis Burch, out-going president, presided.

New officers elected are: President, Mrs. Marvin Warren; vice president, Mrs. C. B. Morris; secretary, Mrs. Geo. B. Bagby; treasurer, Mrs. Alvin Landers. All the clubs were represented in the meeting.

### REV. G. S. HARDY IS CRITICALLY ILL

In failing health for several months, Rev. Hardy is said to be critically ill at the home of his daughter, Mrs. M. R. Allensworth. Rev. Hardy, beloved leader in Methodism for more than a half century, and pastor of the local church in 1903 and interested in an official capacity with old Clarendon college, has long been recognized as a leader in his church.

### GONE TO OKLAHOMA

Mr. and Mrs. Ed Wheeler are visiting in eastern Oklahoma this week. Ed went prepared to visit, hunt, fish and swim. They were accompanied by Mrs. Ben Scoggin who will visit in Shawnee.

### VISIT THE GORDONS

Guests of Rev. and Mrs. H. C. Gordon the week end were Mr. and Mrs. Porterfield and daughters, Angelyn and Bettie Jean of Blackwell, Mr. and Mrs. Bob Utley and son Bob of Ft. Worth, Miss Hazel Gordon and Miss Ethel Jones of Ft. Worth, and Sherman Clark of Post.

### RETURN TO CALIFORNIA

Mr. and Mrs. Hubert L. Campbell, who have been visiting her parents, Mr. and Mrs. F. A. White, returned to their home in Victorville, California Friday. They were accompanied by Mrs. Lloyd Benson.

### HERE FROM CANADIAN

Mrs. Houston Miller of Canadian and daughter, Mrs. Otis Jackson and children of Los Angeles, spent the week end here with Mrs. Eula Cox.

## Unlucky Day Is Your Good Luck

FIRST MOVING PICTURE MADE IN DONLEY WILL BE SHOWN THE 13th

Through the generosity of Geo. B. Bagby, the moving picture made by him here the 4th of July will be shown at the Cozy Theatre Friday the 13th at 7:30 p. m.

Mr. Mulkey is contributing the theatre. These enterprising citizens are making this contribution to the band fund.

This picture is in technicolor. It shows hundreds of people on the streets, whom you know, the rodeo grounds and other places. The parade is a thing of beauty. The cowboys and horses are shown in action. It is real life. You will see and live Clarendon's big celebration all over again. Don't miss this big show feature. The prices will be 10 and 25 cents.

The fourth of July celebration has been pronounced the biggest public event ever to be "pulled off" in Donley county. Mr. Bagby preserved it in pictures for this and future generations. Hundreds have seen and praised this beautiful arrangement, the pictures, the technical detail and the action of men, women and children. The band, parade and rodeo features are worth many times the price it will cost you to see them.

### JUNIOR COLLEGE SHOWS INCREASED INTEREST WITH NEW RECORD

Clarendon's Municipal Junior College breaks the record this term in enrollment with an increase of seventeen students as compared with last term. More are yet to enroll. The number matriculating Monday was ninety-seven. The peak of last year's enrollment was eighty.

While a number of pupils are yet to enter during the next two weeks, the high school department shows a decrease with 226 as compared with 240 the last term.

Junior High makes up for a loss in the high school with an increased enrollment of 173 as compared with 160 last term. South Ward school has 245 pupils to begin the term, whereas the number last term was 262. This is largely accounted for, it is said, by reason of the fact that the cotton gathering season is almost ready to begin. Some parents prefer that their children not enter school if they are to be withdrawn for field work within such a short time as two or three weeks.

The total enrollment up to Tuesday was 741 as compared with 742 last term. In view of this fact, it is definitely believed that the total enrollment this term will far exceed that of last term.

There is an increased number entering band music instruction this term, Mr. Robbins stated. Fifty-five are enrolled in the High School band, and twenty-five in second band.

## Coronado Show Tri-State Fair Is Abandoned

WILL PLAY NO JOKES ON UNSUSPECTING PUBLIC

Evidently believing that other attractions will mean more to their visitors, the Fair management will not attempt the Coronado hoax fallen for by a number of towns. Too much time is required to put on a creditable show, and the work falls upon those who do the acting while others gather in what little dignity and honors may be passed around.

In place of the historical pageant during the fair, the exposition here Sept. 16-21 will have free grandstand attractions both afternoons and evenings.

The midway will have the same carnival as the state fairs at Dallas and Oklahoma City, the Reuben & Cherry shows.

President Ray Pinkney said the Reuben & Cherry shows are coming into the Southwest for the first time this year. Never before has the big midway been west of the Mississippi River.

The state fairs at Detroit, Topeka, Des Moines and Lincoln are others which will have the big midway.

Plans for the fair are being pushed. Members of the entertainment committee are Mayor Ross Rogers, Ted Taylor, Bill Baker, Clay Thornton, and Mr. Pinkney. All of the usual fair attractions and many more will be scheduled this year.

### WILL TEACH IN PECOS

Mr. and Mrs. J. D. Swift accompanied their daughter, Miss Anna Moores Swift to Pecos where she will teach the coming year. The parents returned home Tuesday.

## Hedley School Opens Monday

Opening exercises were held in the school auditorium Monday morning with a goodly attendance of interested patrons and friends as well as a large student body.

Members of the faculty are W. C. Payne, superintendent; Virgil W. Gregg, principal. Other members of the faculty include Mrs. Mary Reast, Mrs. Myrtle Tinsley, Miss Mary Lou Hawkins, Miss Alice Bishop, Mrs. Lula B. Owen, Miss Wilhelmina Cleek, Miss Minnie Bergner, Vernon E. Ballard, Miss Dorothy Mathis.

## Rural Schools Opened Monday

BRAY AND MCKNIGHT OPEN ONE WEEK EARLIER

Ten rural schools are now in operation, eight of them beginning the 1940-41 term Monday. Each will have nine months, the Leader was informed. The schools and teachers are:

Giles: E. D. Wilmeth and Miss Baker teachers.

Goldston: Ocella McCauley and Nell Cook teachers.

Bray: D. B. Vaughan, Mrs. R. L. White instructors.

Watkins: Teacher is Margaret Nell Hillman.

Skillot: Another one-teacher school with Catherine Dodson in charge.

Ashtola: Three teachers this term. Ralph Stewart, Hollis Bledsoe, Mattie Rhodes. This is Mr. Bledsoe's first term there.

Martin: F. L. Behrens, Lou Brock, and Nova Cook are the instructors.

Chamberlain: Milton (Bill) L. Todd and Mrs. Todd have been instructors there for several terms.

Hudgins: Mrs. Wayne Ewing is the instructor.

McKnight: C. W. Howard and Alta Hammit are teaching. Mr. Howard has been principal of this school several terms.

The principal is named first in each instance above. The rural schools are under the direct supervision of the county superintendent of schools. All schools of the county are supervised by the county board, to some extent.

### VAUGHANS TO RETURN HERE IN OCTOBER FOR WINTER

A letter from N. J. Vaughan informs the Leader that he and Mrs. Vaughan are to again make Clarendon their winter home. Mr. Vaughan is with an American Museum crew in Wyoming where he has worked several summers. For the past several winters he has represented the Museum here, and will again this winter.

### CATTLE PRICES AGAIN REACH NEW HIGH

Cattle prices Wednesday reached a high of \$13.65 on prime steers. The greatest demand is for prime grain fed steers. Cattle prices effected are those producing the better grades of beef. The demand is steadily increasing for choice steak cuts over the nation, it was announced.

## Mattress Making Will Be Explained Monday Morning

Makes Tour of West Before Assuming Duties Monday

The mattress making demonstration will be held in Clarendon at 9:00 Monday morning according to a statement made by County Agent, H. M. Breedlove. The various women cooperating in the county who have volunteered to help supervise the making of these mattresses will be notified by County Agent, H. M. Breedlove, this week. Miss Doris Leggett, Home Demonstration Agent of the A&M College Extension Service will conduct the demonstration assisted by H. M. Breedlove. The ladies attending this demonstration will learn how to make mattresses so that they can return to their communities and instruct those who are eligible under the cotton Mattress Program. County Agent H. M. Breedlove stated that there will be approximately 200 mattresses made under this program.

### HAS MAJOR OPERATION

Durwood Skelton is said to be recovering nicely since undergoing a major operation in Harris sanitarium in Ft. Worth a few days ago.

## Donley County Day Tri-State Fair Is Named

ALL PUBLIC SCHOOLS WILL BE DISMISSED FOR BIG EVENT

September 18th has been designated "Donley County Day" at the Tri-State Fair in Amarillo. All public schools of the county will recess that day to permit the teachers and pupils to attend.

That day is also the annual meeting date of the Panhandle Old Settlers Association. A full Indian program will be presented with Indians and mixed bloods only, taking part in the program. Indians will have much to tell about the Panhandle before and after the advent of the white man.

The big Fair will be in its third day with all events in full swing. Other school folks will be there on that day from several places in the three states. The Tri-State Fair includes three states, Texas, New Mexico and Oklahoma, giving it the "tri-state" designation.

## County School Head Returns

Makes Tour of West Before Assuming Duties Monday

Several days were spent by Miss Ruth M. Richerson and party recently in a tour of a number of western states. She returned here in time to assume her new duties as county superintendent of schools Monday.

Other members of the party were her mother, Mrs. S. C. Richerson and a sister, Miss Dorothy Jean and brothers Lloyd and Glenn Richerson. Miss Nell Simmons accompanied them to Marysville, California where she will visit with the Dishman family, relatives, for some time.

Arizona scenes were familiar to Miss Richerson, she having spent two years in the state university at Flagstaff. The Painted Desert, Petrified Forest and Meteor Crater were the points of interest before seeing the Grand Canyon and Boulder Dam.

Scenic points of interest in California consumed several days, which included the "Frisco" fair. The return trip by Salt Lake and Denver added much interest. Miss Richerson, collector of minerals as a hobby, found much of interest in the mining sections.

## Donley Farmers Hold Barbecue

170 CHICKENS PREPARED TO FEED LARGE CROWD

In addition to barbecued chickens, beans, pickles, cake, coffee and other good eats were provided by the AAA farmers and their friends for the wholesome get-together of farmers and business men at the Lelia Lake school park Thursday afternoon.

C. H. Day, education director of the AAA of College Station, was the principal speaker.

Joe David's stringed orchestra played old-time and modern music to the delight of the crowd, many of whom stayed after the feast to hear the music.

Much of the credit for the success of the affair is said to be due to county ag. nt H. M. Breedlove and L. C. Neece, administrative assistant of the same office, and several others who took a personal interest in the affair.

### LOCAL YOUTHS ENLIST IN UNCLE SAM'S ARMY SERVICE

Among the recent enlistments from Donley county are Farris A. Dozier who is now with the medical corps at Ft. Sam Houston. Others are the Gay brothers, Charles and James who are now members of the cavalry at Ft. Bliss.

These enlistments were made at the Lubbock recruiting station. Vacancies yet exist in the infantry, artillery, signal, cavalry and air corps, and in the medical departments.

### MUSEUM WILL BE OPEN EACH MONDAY AFTERNOON

The Donley County Museum, situated in the basement of the south wing of the old dormitory of the college, will be opened to the public each Monday afternoon from two to five o'clock. The public is cordially invited to attend.

The Museum board is pleased to announce the loan by Mrs. J. T. Warren of an interesting framed panel, a copy of the Lord's Prayer printed in Chinese. Donations or loans of rare or unusual articles will be received with great pleasure by the Museum authorities.

### MAKE VACATION TRIP IN OZARK REGION

Among those to delight in the scenery and fruit of the Ozark country this season is Mr. and Mrs. B. L. Jenkins, Jr. and their son Britt. They were here to visit his parents the week end on their return to their home in Amarillo.

B. L. claims that they saw plenty of fine fishing places, oodles of fruit and no end of scenery and a cool climate for the entire trip up through Arkansas, into Missouri and eastern Kansas.

### Swine Breeder Heard In Radio Program

County Agent, H. M. Breedlove, and E. S. Ballew, well known Donley County registered swine breeder put on a radio program over KPDN, Pampa, Texas, Saturday, 31st of August. Mr. Breedlove interviewed Mr. Ballew in regard to the raising of registered hogs. This program was sponsored by the A&M College of Extension Service which is represented in Donley County by County Agent, H. M. Breedlove.

## BIRTHS

Larry Donald, son of Mr. and Mrs. J. B. Sexton, born Aug. 30th.

Mr. and Mrs. S. A. Davis are the proud parents of a son born the 25th.

Mr. and Mrs. Bill Alexander announce the birth of a son September 2nd.

### VISIT RELATIVES HERE

Relatives visiting in the Henry Tatum and C. J. Douglas homes the week end were Mrs. Fannie Tatum and daughter Frances and son Benton of Wichita Falls, and Mrs. R. S. Flatt of Ft. Worth.

### COLLEGE YOUTH VISITS RELATIVES HERE

Visiting in the R. W. Talley home Tuesday was A. W. Guill of Memphis, A. W. is an annual student of A&M. During July he was on army maneuvers out near Van Horn, a section of country which he claims he doesn't know what it was made of or for.

O'Daniel Proposes Auto Insurance State's Resources Be Mobilized Rates Reduced

Mobilization of Texas' human and physical resources to meet demands of the international crisis was proposed Sunday by Governor O'Daniel.

In his statewide radio broadcast the Governor reviewed plans for the State's participation in the defense of the Nation and appealed for "a positive program of action" designed to protect and strengthen the essential institutions of American democracy.

He invited suggestions from community leaders, clubs and individuals for a statewide effort toward full preparedness.

Projects he listed for community programs were industrial surveys, health promotion, first aid and accident prevention instruction, back-to-school movements, social service, streamlining governmental organizations and a revival of religious faith.

He recommended a "determined effort to strengthen the social and economic institutions and to promote the physical, mental and spiritual well-being of the people in order that they may pass any test which the future may bring."

The Governor reported Texas business concerns received during the two months ended Aug. 15 defense contracts totalling \$16,076,779. This is in addition to an authorized expenditure of \$25,000,000 for the naval air training base under construction at Corpus Christi and proposed expenditure of \$100,000,000 for other air bases and fields, he declared.

His industrialization staff, organized six months ago, with the aid of state supported universities and 230 local committees will coordinate.

Of the rain that falls on the soil, only about 50 percent is available for plant growth under the average conditions. The other half is lost through run-off and evaporation.

AUSTIN, Aug. 31.—Highway users of Texas will be saved more than \$2,000,000 annually by the reduction ordered last week in insurance rates by the State Board of Insurance Commissioners, Lynn Shaw, manager of the Texas Motor Transportation Association, declared today, following the receipt of the order from Casualty Insurance Commissioner R. G. Waters.

With a reduction of 10 per cent in rates on fire, theft, and comprehensive coverage insurance for private passenger cars, a tremendous saving will be given September 1, 1940, when the new rates go into effect, to all private car owners in Texas who carry insurance on their automobiles, Mr. Shaw said.

Automobile dealers' fire and theft rates were reduced 25 per cent by the order, and the owners of Texas' 335,467 trucks will enjoy reductions in various types of insurance, ranging from 10 to 25 per cent. Long-haul truckmen's bodily injury and property damage rates were reduced 10 per cent in all territories in Texas by the order.

Contributing to the saving to private and commercial truck owners which Mr. Shaw estimates at considerable in excess of \$200,000, will be the elimination ordered by the Commissioners of restricted type policies, so that truck operators in the future will be provided coverage any place any where in the United States and Canada at no additional cost. Also, the order makes a reduction of approximately 25 per cent in rates on trailers and semi-trailers over 25 feet in length. On fleet operators where sufficient equipment is operated for individual experience rating, a substantial advantage has been given by elimination of the claim investigation expenses being charged against the risk along with the losses.

The Leader is \$1.50 per Year.

MEMORY LANE

(10 years ago in Donley county.)
W. H. Miller of Plainview has installed five pool tables in the Little building. J. F. Christie will help him operate the amusement club.

The Clarendon motor company staged a parade of new models on the street Saturday. Cars were driven by Misses Lois Alexander, Nadine Haile, Margaret and Viola Jones, Elizabeth Kemp, Majorie McKillop and Carol Holder.

The Sawaya fashion shop had a big run Saturday through their advertising in the Leader.

Hail destroyed a number of good crops in the Brice area Sunday, especially those of Jim Pharr and H. B. Rhodes.

According to latest reports of the Texas Election Bureau today, Ross S. Sterling received 465,769 votes, and Mrs. Miriam Ferguson 372,492.

The most widespread drought in the history of the middle west was ended the past week by rains extending from Canada to the Gulf right down the big plains trough. Rains covered practically all of Texas. Drought relief applications by the hundreds were already on file.

Miss D'Laurel Beville will teach in the department of public speaking at Tech college of Lubbock this term. For the past few years, she has been on the faculty of Southwestern University at Georgetown.

In a melee at the Alamo "rodeo" concession Thursday night, Joe Humphrey was charged by two roughnecks and a battle ensued. Humphrey received a black eye and was hit over the head by a Gypsy 'fortune teller.' Deputy sheriff Guy Pierce in an effort to stop the disturbance, was knocked down by a roughneck himself. Regaining his feet, he knocked two men down, and took after a third. Shooting into the ground to stop the fleeing man only accelerated his speed. Later, the man was dragged out of a tent by Deputy Sheriff C. M. Peabody. Eight toughs were jailed for the night, and paid fines next morning.

Married in Hollis, Oklahoma Tuesday were Miss Mazie Stewart and Dick Eichelberger, and Miss Ida Spier and Roy Stewart. J. H. Gillespie brought in the first bale of cotton Thursday, weight 423, and a premium of \$76.10 made up by business men and individuals.

Sheriff elect Guy Pierce and Miss Mary Belle Peabody were married in Hollis Saturday.

A lock on the soda water chest at Holland Bros. station was broken off Sunday night. It is believed the thieves were thirsty after breaking into and loading fifty gallons of gas at the Magnolia warehouse, also operated by the same firm.

Roads made of a combination of molasses and coal tar have proved practical in India.

Many people in the cotton trade expect domestic consumption in the current season to set an all-time high, perhaps over 8,000,000 bales.

Early Payments On Conservation

The sooner a farmer completes his soil-building work under the AAA program, the sooner he will receive his agricultural conservation payment.

Plans are completed for county offices to accept applications for conservation payments in September from those cooperators who have earned their maximum soil-building and range-improvement allowances, according to E. N. Holmgren, state AAA administrator. Completion of enough soil-building work to earn the maximum allowance before the close of the program will thus enable the cooperator to receive his conservation payment earlier than those who fall short on their improvement work.

"Present indications are that payments will begin about a month earlier this year than last," the administrator said. "First ACP payments under the 1939 program were certified October 13, more than two months ahead of the previous year's schedule."

The "earlier payment for earlier work" was first used last year in order to eliminate a pile-up of applications in the offices and to encourage greater use of funds allowed for improving the soil and controlling erosion, the administrator explained.

Many farmers and ranchmen already have exceeded requirements for earning their full allowance and so will be able to get their payments as soon as the necessary forms and instructions are released to county offices.

Muri Lemons of Brice had business here Tuesday.

Rabbits Battle Snake For Baby Bunny

Many times the statement, "Truth is stranger than fiction" has been used in connection with many fact stories. "Believe it or not" is the phrase that should be used in this story even though this incident is truly stranger than fiction.

Mr. Odel Morris, acting relief pumper for the city of Comanche at Lake Eanes, was standing in the door of the pump station recently when he noticed a small rabbit about one third grown hopping along near the station. Suddenly a snake grabbed the small rabbit and he began to squall. Here the old snake got a big surprise, because there appeared two full grown cotton tail rabbits and jumped on the snake and forced him to release the baby rabbit. Papa, mama and baby rabbit went off in a hurry, while the old snake took off to a lumber pile nearby for cover.

This story was confirmed by Elbert Stewart, regular pumper was witnessed the odd occurrence.

**TEMPLE OF TRUTH**

By The Apostle

**DAY FOR MIXED BREEDS.**

Each year the Old Settlers have a day at the Tri-State fair at Amarillo. This time it will be on September 18th. Through the efforts of Floyd V. Studer, the program this year will be Indian stuff. Two men who took part in the Battle of Adobe Walls June 27, 1874, will be there to tell the story of just what and how it happened. The man more Indian than white, was a scout for the whites and fought with the whites. His name is Lean Elk. The man more white than Indian, fought with the Indians and will be there to tell the Indian side of the misunderstanding. Mr. Studer says there will be a check-up made to see how many mixed breeds are present.

**CHICKEN FEED.**

Not the kind you have in mind. This is one time the joke is on the chicken. He was fed to a crowd at the Lelia Lake school last Thursday. It was a good job of barbecuing, and old Flip Breedlove is said to have engineered the deal. Thanks a lot to D. E. Leathers for the invite. It was a fine, fine stunt, D. E. to ask a fellow out to get a square meal.

**POEM MISSING.**

Several obliging ladies have brought in poems the past week in response to an urgent request for one entitled, "Little New Angel." After reading some notes on that poem, we still are asking for it. Those brought in are good, but not exactly like the one appearing in Good Housekeeping about seven years ago. In this connection, a letter comes from Mrs. W. Chamberlain, of Hico, Texas, author of the beautiful poem appearing in this column two weeks ago. Mrs. Chamberlain requests a copy of the "Little New Angel" poem when we publish it, and she certainly will get it. You taught for a number of years at Stephenville, Mrs. Chamberlain, and have written many beautiful thoughts which I number among the treasures of a beloved scrapbook. (See masthead for name.)

**MORE OLD STUFF.**

A man may shut his eyes to a painful truth, but seldom shuts his ears if that truth happens to be about a neighbor.

**PRE-WAR TRAINING.**

Maybe we won't need so many mechanized soldiers after all. We are said to have plenty of young men so skilled in one-arm driving that they can drive a plane with one hand and drop bombs with

the other, or drive a tank with an arm free to handle a machine gun at the same time.

**HUMANITY'S ASSETS.**

Honor still has its advocates, decency its practitioners, and gratitude its testimony. The urgent need of the times is to make the world safe for morality once more. The way will be hard, but the way has been hard before and mankind was equal to the test.

**INFERNAL RACKET.**

While debating the preparedness program in Congress a few days ago, one man's one-cell came out for air when he said: "Well, are we going to wrangle over this matter until the bombing of guns from an enemy fleet creates so much noise that we can't hear ourselves talk?"

**MOUTH MONGERS.**

Speaking to a bunch of high school recently, Dr. Spies said: "Freedom of speech is one thing, but the license of mouth-mongers is another. Witness the language used during the recent gubernatorial campaign." The good doctor was referring to Texas. Wonder if he listened to the radio talks from Louisiana during their campaign. If he didn't he ain't heard nothin' yet.

Mr. and Mrs. Earl Porter and daughter visited Mr. Porter's mother in Tulia Sunday.

Mrs. Margaret Thompson returned Friday after visiting relatives near Breckenridge.

**GARDEN GLANCES**

"America beautiful lies in the hands of the gardeners."

Is it actually September, the end of summer? But September can be such a lovely month, with the dahlias and annuals coming on in full color.

The multitude of dahlias in Mrs. Rundell's yard are a delightful sight while stately dahlias of unusual height and gorgeous blossoms are noticeable over the garden fence at Jim McMurtry's.

Red mallows are making a brilliant display in the back yard at Frank Bourland's and a beautiful lavender althea can be seen at Mrs. Kirtley's.

Don't you admire the hycianth blue jars on the porch at Jim Patman's, and the lovely orange one at Lee Holland's?

If you are interested in pretty yards take time out and look at the yards of Walter Knorrp and Meredith Gentry. Formal plantings present unforgettable pictures of evergreens, roses, verbenas and many other blossoms dear to the hearts of color lovers.

"Gardens are such friendly things

They raise much more than flowers

Friendships true and kind and strong

Spring from garden hours." —Anon.

Mr. and Mrs. J. B. Bourland and children, Mary Kate and Charles of Pampa, spent Monday here with his mother, Mrs. W. R. Bourland, and sister, Miss Annie Bourland.

**1930 NEEDLE CLUB**  
Mrs. Henry Tatum entertained this Club at her home Tuesday afternoon. Needle work and pleasant conversation were the main features of the afternoon. Pollyanna gifts were exchanged. A lovely salad course plate was served to invited guest, Mrs. Hattie Palmer and to members, Mmes. Glenn Kirby, Mozelle Wright, Nora Decker, Ellen Bryan, Marie Patterson, Hazel Lusk, Alice Bain, Frances Hilliard, and hostess, Mrs. Tatum. The Club will meet with Mrs. Alice Bain September 17th.

**MARIE MORRIS WEDS EULEN HIGDON**  
In a simple but impressive ceremony, Miss Marie Morris became the bride of Eulen Higdon Wednesday evening, August 21, at the Glenwood Baptist church at Amarillo. Rev. Buren Higdon, brother of the bridegroom, performed the ring ceremony. Only a few close friends attended the wedding. The bride, who was attired in a grey wool with maroon accessories, is the charming daughter of Mr. and Mrs. L. O. Morris of Ashtola. She attended Clarendon High School and was a member of the graduating class of Clarendon Junior College, in which she was active in the literary activities and was a member of the College quartet. The groom is the son of Mr. and Mrs. W. C. Higdon of Goldston. He graduated from Quail High School in 1939. Mr. Higdon is now employed at Higgins where the popular young couple will make their home.

**WIN ONE CLASS PICNICS**  
Members of the Win One Sunday school class of the Methodist church were picnic supper guests of Mrs. Rayburn Smith Monday evening. The picnic was given in honor of Mrs. Victor Smith of Alaham-

bra, California who was a charter member of this class. Due to inclement weather, the place of meeting was changed from the City Park to the spacious porch of the Connally home. Members present were the honoree, Mrs. Victor Smith, and Mmes. D. O. Stallings, Bennett Kerbow, J. L. McMurtry, J. T. Patman, A. A. Mayes, Will Johnson, J. R. Bartlett, R. Y. King, C. C. Powell, F. L. Bourland, C. L. Benson, H. C. Gordon, C. D. McDowell, Eva Rhode, Tom F. Connally and hostess, Mrs. Rayburn Smith. Guests were Mr. Connally and Misses Jo Ann and Ada Sue Smith. Mr. and Mrs. J. R. Ross of Stratford came down for the week end, Mrs. Ross remaining with her parents, Mr. and Mrs. F. L. Bourland for the week.

**MISS BARKER WEDS D. W. TOMLINSON, JR.**  
In an impressive ring ceremony in the home of Mrs. Doyce Graham of Ashtola, Miss Mildred Barker became the bride of D. W. Tomlinson, Jr., Sunday, August 25, at 3 p. m. Rev. H. C. Gordon, pastor of the First Methodist church of Clarendon, read the vows. The bride is the charming young daughter of Mr. and Mrs. Carl Barker of Lelia Lake. She graduated from Clarendon High school and attended Clarendon Junior College. She was attired in a black and white crepe bolero type dress and her accessories were of black suede. Mrs. Doyce Graham, sister of the bride, served as matron of honor. She wore a black and white crepe dress with black accessories. Keith Swinburne was best man. He is a graduate of Clarendon Junior College and is now a pro-

**MISS BARKER HONORED**  
Mrs. Fannie Rector and Jessie Cook entertained with a miscellaneous shower honoring Miss Mildred Barker, bride-elect of D. W. Tomlinson, Jr., Thursday afternoon, August 22, in the home of Mrs. Fannie Rector of Ashtola. The guests each registered in the bride's book, which was a gift from the cousin of the bridegroom-to-be, Rev. Hubert Patterson of Arlington. The guests were ushered to the dining room where they were served punch and cookies from a beautiful lace covered table which was decorated with beautiful garden flowers. Each guest wrote her favorite recipe and these were presented to the honoree. Miss Barker, in her gracious manner, thanked her many friends for the lovely gifts. During the afternoon some forty guests called to congratulate the honoree and wish her the best of luck, and many of her friends who were unable to attend sent lovely gifts.

**1937 BRIDGE CLUB**  
Mr. and Mrs. Leamon Wallace entertained the 1937 Bridge Club at their home Tuesday evening. Cut flowers were used in room decorations. In the games, Mrs. Lois Twaddell received high for women, Verna Lusk high for men and Mrs. Brooks Chesshir low. A dainty salad course was served after the games to guest, Mrs. Lois Twaddell of Dallas; members, Mr. and Mrs. Brooks Ches-

## Vegetables Are Best With Less Cooking

Corn-on-the-cob, blackeyed peas, fresh tomatoes, with young onions and cornbread make as good a meal as anyone could want. This is typically seasonal food, and in many sections of the state it is available in home gardens or from nearby farms at low cost. As good as corn-on-the-cob and peas can be, some cooks don't do them justice, in the opinion of Nora Ellen Elliott, specialist in food preparation for the A&M College Extension Service. For instance, most vegetables are best prepared and used as soon as possible after they reach the home kitchen. Peas and corn, especially, lose much of their flavor after standing only a short time. For corn, remove the husks just before cooking. Plunge the ears into boiling water and cook from 6 to 12 minutes depending on the age of the corn. Do not salt the cooking water as this toughens the corn. Peas should be cooked in as little water as possible just until tender—then serve simply with butter or some other well-flavored fat and light seasoning. If the vegetables are not to be cooked at once, store them in a covered dish in a cool place so as to keep crisp, Miss Elliott advises. With so many vegetables to choose from, it is easy to plan an entire meal around them. For a vegetable plate the specialist suggests fresh peas for the bright green color, roasting ears, and plump red tomatoes to broil or bake. Where hot weather has not yet been harmful or frame gardens are in production new beets and carrots are plentiful and tender young salad greens are available. Other vegetable plate selections might include snap beans, lima beans, and yellow squash.

**SPOTTED JAVELINA SPOTTED**  
There have been a few instances of albino javelinas being captured and there have been some reports of spotted javelinas. The latest is a white-spotted pecary reported by a cowboy on the Crane Ranch nine miles from Pearsall.

Despite the fact that Texas has more varieties of native grapes than any other state, and the soil and climate of Texas is better adapted than any other state for the culture of grapes, this crop has never been established on a large commercial basis. V. W. Carpenter transacted business in Amarillo Friday.

Miss Myrtle Leathers of Lelia Lake will attend Baylor University next session. Rev. G. S. Hardy performed the service at the College chapel Wednesday evening uniting John H. Kelly of the Banner-Stockman, and Miss Pearl Elkins. Mr. Gracey and wife of Lisbon, Texas arrived Saturday to visit their daughter, Mrs. J. W. Morrison. Your attention is called to the Clarendon cotton gin, run by the Power & Light company.

National Bank is being congratulated on the arrival of a new daughter, his first, born Tuesday. Vic Trammel is helping in the postoffice while Charley Lewis is at the Fair. Miss Lou Cope, employed by an Amarillo bank, was brought to the home of her sister, Mrs. Geo. Bugbee. She is stricken with a fever.

## Texas Produces More Sheep And Has Less Cattle

The Texas range is witnessing a hard-pressed cattle industry, a leveled-off production of hogs, large gains in milk cows, and a phenomenal increase in sheep.

This picture of the State's live stock industry comes from a 20-year survey just published by the University of Texas Bureau of Business Research.

Since 1920 more than a million head of cattle have vanished—at least the 1940 herd of 6,677,000 head is that much smaller than the one of 1920, though there have been wide fluctuations from one year to the next during the last two decades.

Low point of the twenty years was in 1928, when there were only 5,950,000 head of cattle in the State. The peak was reached in 1934 with 8,410,000 head.

Cattle marketings for the last fifteen years have ranged between 1,819,775 head in 1932 and 2,917,109 in 1939. Average annual marketings for the 15-year period were estimated at 2,298,509.

Dairy cattle, however, have been on a steady upgrade with only two years of retardation—both slight in effect—1925 and 1935. The number of milk cows has increased from 930,000 head in 1920 to 1,443,000 head in 1940. The swine industry for the last two decades has experienced a succession of surges and recessions, with the number declining from 2,580,000 head in 1920 to 2,293,000 in 1940.

## DO YOU KNOW TEXAS?

One year's subscription to your hometown newspaper will be paid for any Citizenship Thought appearing in this column. Send your Citizenship Thought of not more than fifty words to A. Garland Adair, Austin, Texas.

**CITIZENSHIP THOUGHT:**—"The heroic history and treasured past of our own state and nation remind us of our duty to posterity and tell us to keep our heads cool, our hearts warm and our powder dry; to love God and Country and always be prepared to safeguard our constitution and our America."—H. Miller Ainsworth, past Texas Department Commander of the American Legion, Luling.

Q. How many counties now send raw material to the Southland Paper Mill to be manufactured into newsprint?

A. E. L. Kurth, Lufkin, president of the mill, reports seven counties.

Q. Are any Texas dailies and Texas weeklies using newsprint produced in Texas?

A. Yes. The Fourth Estate in Texas is cooperating more and more with this new Texas industry.

**BARGAIN:**—In 1810, Vicente Michell bought 22,142 acres of Texas land from two Indians, "Son of the Left-Handed One," and "Little Dark One," for the following considerations: one blue tunic, one white shirt, eight brass bracelets, a portion of vermilion, one bundle of red ribbon, one gun, and fifty shots of powder with balls. This information, Bascom Giles, Commissioner of the General Land Office, states is contained in the Spanish Archives of the Land Office. Michell asked the Mexican government to confirm title to the land, but, believing the amount paid to be exorbitant, the government confirmed title for only half the amount of land (two leagues.)

Q. What is the enrollment of the University of Texas?

A. The enrollment for the last long session, ending June 3, was 11,000, the largest in the history of the University. It is the ninth largest University in the United States.

Q. What is the proportion of men to women in the University of Texas?

A. Approximately seven to three.

**DATE:**—The next long session of the University of Texas opens September 19, 1940.

Q. How large is the faculty of the University?

A. There are 560 persons on the faculty: 153 professors, forty-eight associate professors, fifty-nine assistant professors, 145 instructors, and 155 tutors.

**HISTORICAL:**—J. L. C. Beaman, publisher, contributes the following historical information: Jim Wells County was named for Judge James B. Wells and was organized in 1912. Judge Wells was a prominent South Texas citizen. The Orange Grove Observer was established in 1924 by Garland Buck, deceased, and in 1928 was purchased by Mr. Beaman. Oil field developments in the Orange Grove area are developing the section.

Q. Is the son or daughter of a World War veteran given any preference in state schools of higher education?

A. No. A bill to waive entrance fees for World War orphans has been on the calendar of the State Legislature each of the past several years but has failed to become a law.

Q. Is there any loan fund available for children of deceased or disabled World War veterans?

A. Yes. The Texas Department of American Legion Auxiliary has a student loan fund that was set up in 1934. To date more than fifty sons and daughters of deceased or disabled World War veterans have had loans totalling more than \$20,000 and of the sixteen students who have completed their college work and become wage earners, nine have returned all the money they borrowed.

**SCHOLARSHIP:**—The La Verne Noyes Scholarships are administered at the University of Texas, S.M.U., and Texas Tech, Lubbock, for children of veterans. These scholarships cover entrance fees and are few in number as only interest on the gift from Mr. Noyes can be used each year.

In improving pastures the first essential in fertilizers is phosphorus. Lime is seldom needed in Texas west of the Trinity River. Nitrogen, another essential, can be supplied by growing pasture legumes after phosphorus has been applied.

Mrs. Evalyn Hunter of Kilgore, Texas arrived Sunday for a visit in the home of her parents, Mr. and Mrs. J. A. Warren.

## High School Youths Will Receive Driver Training Next Year

Driver training courses for instruction of Texas high school students in traffic safety will be offered next September with one-half credit allowed toward graduation, it has been announced by the Texas Safety Association.

Incorporation of safety education in the school curriculum recently was approved by the State Education Committee on Accreditation and successfully climaxed the efforts of the Texas Safety Association, the public safety department, and the state education department to secure its adoption.

The course will be an elective one designed for students approximating the legal driving age of sixteen who will receive driver's licenses upon passing it. Unique among driver training courses of other states is the home project feature of the Texas course which will permit behind-the-wheel instruction in driver operation under the supervision of the pupil's parents.

"The need for training youngsters in the principles of safe and sane driving has long been recognized," said George Clarke, executive secretary of the association. "Not only are these youngsters the drivers of tomorrow, they are to a most important extent the drivers of today."

Statistics of the public safety department reveal that youthful drivers constitute 30 per cent of all drivers involved in fatal traffic accidents and 26 per cent of the total number of drivers involved in non-fatal accidents.

## Will Trap More Deer Next Winter

AUSTIN.—Trapping and distributing of wild deer by the Texas Game, Fish and Oyster Commission next winter is expected to keep pace with other progressive moves made by the Department. A total of 100 deer traps have been ordered built. Twenty-two were constructed and used with great success last winter in the Hill Country.

The Department, despite a late start with the new traps, captured more than 100 deer and transported them to regions depleted of big game. With a total of 122 traps operating next winter the Department hopes to trap and transport several hundred deer.

Few deer were trapped in past years due to the lack of a trap which operated successfully. However, the trap now being used, which catches one deer at a time, was developed.

The executive secretary of the Department, highly pleased with the way the traps operated last winter, ordered the additional 100. In the past many of the deer distributed have been tame or semi-tame deer which were picked up by ranchers as fawns. Those will still be collected and distributed, but the executive secretary has high hopes of far more rapid and successful restocking due to both the increase in number of animals trapped and to the fact that they will be wild deer, better adapted for restocking purposes.

## WILD LIFE INFORMATION YOU MAY NOT KNOW

The ringtail cat is protected in both Texas and Louisiana as fur bearers. They are numerous in Texas. None have been taken alive in Louisiana, it is reported.

Pelts of southern muskrats are more valuable than those taken in Canada. Texas produces many muskrat each year.

To be called lynx-eyed is to be complimented. The name lynx is derived from the Greek word meaning "to see." Lynx are so named for their extremely sharp vision.

The crocodile is the largest of living reptiles.

It is a penitentiary offense to transport or turn loose a wolf in Texas.

Many Texas counties have closed seasons on fox, but some allow owners of poultry to kill fox destroying poultry. The pelts, however, cannot be in possession.

Deer, elk, antelope, wild sheep, bear, squirrels and javelinas are classed as game animals in Texas.

It is unlawful to kill or injure a bat in Texas. The reason: Bats eat half their weight in insects each night.

Game birds cannot be legally shot in Texas with a gun larger than ten-gauge.

No migratory bird can be legally killed in Texas with any gun other than a shot gun.

Harry Warren of Wichita Falls stopped here Wednesday night at the home of his cousin, J. Marvin Warren.

## Barbecue Picnic Will Be Made Annual Event In Donley Co.

County Agent, H. M. Breedlove stated this morning that approximately 400 farmers and their wives and businessmen attended the chicken barbecue held at Lelia Lake. This chicken barbecue was sponsored by the AAA and the County Agent, H. M. Breedlove who represents the A&M College of Extension Service. It is planned to make the chicken barbecue an annual affair at which time each year chicken barbecue will be served. Everyone in Donley County cooperated to the fullest extent to make this barbecue a success and Breedlove says that he does not see any reason why 1000 will not attend this picnic next year.

The principal speaker of the afternoon was Mr. Cliff Day, formerly of the Texas Agricultural Association and now connected with the AAA. Mr. Day was introduced by Lawrence Neece, Secretary of the Donley County Agricultural Conservation Association. County Agent, H. M. Breedlove, assisted by Mr. D. Leach of Hedley barbecued approximately 175 chickens and prepared food for the picnic. Barbecued chicken, pinto beans, prunes, onions, pickles, coffee and bread. Music was furnished by Lawrence Heckman and his musicians.

Mrs. Bill Moore of Amarillo spent the week end here with her daughters, Nell and Mable Moore.

**They said 'Johnnie is smart as a whip' — but he made poor grades**

Maybe your child is like that—"smart as a whip," but, for some reason, doesn't get good grades. If so—well, now that school is starting again, you might do something about it. Suppose you try this:

Fix him up a study table and give him a lamp of his own. You may find the result amazing. Many children, unknowingly, suffer from poor eyesight. Unless they have proper light for studying, they sometimes lack interest and enthusiasm for school work. . . The special shade on an I.E.S. study lamp spreads the light where it is needed. **Schoolwork Causes Greatest Strain On Eyes, Report Shows**

Of all the activities carried on in the home under artificial light, schoolwork causes the greatest strain on the eyes if the home is improperly lighted.

This is the opinion of many hundreds of men and women interviewed in an extensive survey conducted in eight midwestern and southern states including Texas.

In discussing the survey, Chas. M. Lowry, local manager of the West Texas Utilities, said that seven persons out of 10 named reading or schoolwork when asked what activity in the home asks for the best lighting.

Sewing and mending ranked as a strong second in the survey, while cooking, shaving, and similar tasks were considered by others to impose a considerable strain on the eyes in poorly lighted homes.

"Our lighting department," he said, "is glad to make free lighting tests whenever requested. It often is possible to improve light at little or no expense. Our lighting advisors are equipped with a sight meter which scientifically determines the proper candlepower needed for study, reading, mending or any of the various eye usages made in the average home."

**KIDNEY STAGNATION IS WORSE THAN CONSTIPATION!**

Because We Treat Constipation at the Onset, While We Neglect Our Kidneys Indefinitely

No other organ in your body is of more importance than your kidneys. For in your kidneys there are nine million tubes which must work day and night to filter the fluids and keep the system free from wastes, acids, poisons which, if permitted to remain, may cause serious kidney and bladder troubles.

It is no wonder then that Nature often calls for help to clean out the kidneys. So if you are troubled with Getting-Up-Nights, Leg Pains, Backaches, Nervous Headache, Dizziness or Loss of Energy, due to functional kidney disorders, try KIDANS, the famous kidney remedy, which aids Nature to flush out the kidneys, to filter all wastes, to prevent kidney stagnation.

KIDANS is Safe and Reliable. Thousands report entire satisfaction. Taken according to directions, KIDANS will give splendid results. Try KIDANS. Buy it at our Special Price Offer on two boxes. Use one box. If not satisfied, return unopened box and GET YOUR MONEY BACK.

**Three Seriously Injured In Wreck Near Childress**

CHILDRESS, Sept 2.—Three persons were critically injured in a three-way auto collision four and one-half miles east of Childress on Highway 70 shortly after 8 o'clock last night.

The injured are: Dr. T. R. Jeter of Childress, severe knee injury, a deep gash in the head and other injuries.

Mrs. T. R. Jeter, severe head injury.

Coleman White, Memphis gin-ner, jaw broken, both legs broken, cuts and bruises.

Marvin Walker of Perryton and Edward Wellington of Amarillo, riding in a third car were uninjured.

The accident occurred when White was attempting to pass Walker's Austin Bantam. Both cars were going west. Walker's car was knocked off the road and the auto driven by White and the one in which Dr. and Mrs. Jeter were traveling east collided head-on.

Mrs. Fred Smith and son Jimmie of Wichita Falls spent the week end here with her aunt and uncle, Mr. and Mrs. L. R. Dean.

The Leader is \$1.50 per Year.

**Livestock Shipments Drop During July**

AUSTIN—Movement of livestock from Texas ranches to Fort Worth stockyards and to other states for July dropped 20.5 per cent from July, 1939, University of Texas business statisticians report.

Only 4,632 cars were shipped, consisting of 2,614 cars of cattle, 741 cars of calves, 565 cars of hogs and 712 cars of sheep. Cattle shipments were down 9 per cent, calves 43.8 per cent, hogs 12.5 per cent and sheep 27.8 per cent.

During the seven-month period from January 1 to August 1, 40,951 carloads of livestock were shipped, 16.8 per cent less than during the corresponding period last year, University Bureau of Business Research figures show.

Cattle movement has dropped

**PERCIVAL REUNION**

Mrs. N. S. Percival of this city had a reunion of all of her seven children and seven of her eight grandchildren last week end, the first in eight years. A daughter, Mrs. Helen Benichi and husband of California, N. S. Percival and wife from New Mexico, the others from the Texas Panhandle.

Nelson and Leona Merritt and their parents are visiting relatives in Oklahoma this week.

Macklin Butler is to move his family to Shreveport this week where he will assist Warren Lott in selling tractors, it is reported.

22.4 per cent, calves 12.5 per cent, hogs 10.1 per cent. Sheep shipments alone show a gain—3.1 per cent—over the first seven months of 1939.

**MOTOR COMPANY STAGES USED CAR SALE**

The sale begins today, manager W. W. Noblet of the Clarendon Motor Company stated. "We have a fine lot of cars and trucks of several different makes and models, ready for service and to be sold at a very low price to make room for the new stock of 1941 Chevrolet models," Mr. Noblet informed the Leader Wednesday.

Your attention is called to the firm's advertisement on page 8 of this issue. Listed in quantity and to be sold at prices any one can afford to pay. Members of the sales force were of the opinion that this would be the biggest selling event in the local used car market in a long, long time since new cars are to be sold higher with the arrival of the 1941 models. All new cars are said to be priced higher this time.

Neil Thompson, who has been employed at the Cheley Camp at Estes Park, Colorado the past summer, returned home for school Sunday.

**MAJOR HUDSON ANNOUNCES NEW BUSINESS HERE**

In this issue of the Leader, Major B. Hudson announces the opening of his service station across the street from the Clarendon motor company. Mr. Hudson is to handle Gulf products and a general line of auto and truck supplies. He is well and favorably known in this section and asks that you give him a trial at his new place of business.

**Return After Two Months**

Home since Monday, Mrs. H. C. Kerbow spent the past two months with relatives in Delta county where the late H. C. Kerbow's three sisters reside. At a family reunion at Enloe Sunday, Mrs. Kerbow was one of one hundred and fifty relatives to gather in the annual affair.

Mr. and Mrs. Nathan L. Cox and children returned home a few days ago from a vacation trip that took them to Galveston and other points, including Austin.

**Mexico And Her Queer Customs**

**KERBOWS MAKE VACATION TOUR OF MEXICO**

The habits and customs of the people of our neighbor republic to the south continues to have allurements for Americans. Mr. and Mrs. H. Bennett Kerbow returned from such a trip Friday.

They visited relatives in the Grand Falls area on the Pecos river. From there they were joined by relatives on an interesting and scenic trip. From Stockton they went to Alpine, Marfa and then turned south into the Big Bend park area proper including the silver mine section around Shafter. Presidio on the Rio Grande river was interesting as the port city on the national line. Over into Mexico was even more interesting. Meals and curios always attract the visitor. It did our neighbors. They had a most enjoyable time. "If I had a ranch in that Marfa country, that is all that I would crave the balance of my life," Mr. Kerbow stated.

**VISIT THE PALMERS**

Mr. and Mrs. Ernest Shepherd and children of Dalhart, and Geo. Palmer of Dalhart, spent the week end here with their parents, Rev. and Mrs. G. T. Palmer. Mrs. Shepherd and children stayed for the week.

**PENTECOSTAL CHURCH**

Rev. Williams is conducting a revival at the Pentecostal church in the east part of town, the Leader is informed. The public is invited to attend any or all of the services.

Mrs. Lattimore of Ft. Worth is a guest of Mrs. Sarah Stocking.

Harry Moore of Amarillo visited his wife and babies here Sunday, also took advantage of the opening of the dove season for a few shots.

Mr. and Mrs. Z. N. Williams arrived home Sunday from a visit with their daughter, Mrs. Lewis Busby and family of Lockney. Mr. and Mrs. Busby brought them home and spent the day.

**Sunday To Be Day of Prayer**

**ALL CHURCHES OF CITY WILL BE OPEN ALL DAY**

Sunday next, September the 8th, has been set by the President of the United States of America as a Day of Prayer in which all persons are urged to pray either in their homes, or better yet, in the church of their choice for the blessing of Almighty God upon this Our Land and, for the restoration of peace to the whole world. The Members of the Clarendon Ministerial Alliance urge the people of this City to join with them in this great corporate offering of prayer. We urge that we go beyond the call of our President and before we pray for blessings upon our land, and upon the world, humbly acknowledge our willful disobedience to God's laws and commandments. Then being assured of the forgiveness of our Heavenly Father we shall be enabled to approach the Throne of the Eternal, Almighty God, with purity of heart and purpose.

Only by the grace of God can our land be secure and peace restored to the world at large. God has declared that "It is not by might nor power but by His Spirit that good comes. Let us pray for that Spirit to guide us the people, and our leaders in government. Let us also pray that oppression and wrong may be defeated and the Peace of God, which is the only true peace, be restored to this sin sick, war torn world. The doors of all churches in the City will remain open during the entire day, so that all who wish may enter and pray in the silence of God's House.

**Let Us Pray.**

- Signed,
- J. Perry King, President (Baptist)
- Maynard M. Miller, Secretary (Presbyterian)
- H. C. Gordon (Methodist)
- E. W. Henshaw (Episcopalian)
- Claud C. Smith (Church of Christ)

Mr. and Mrs. L. L. Wallace and children returned home Sunday. They visited relatives in Dallas, Greenville and in Oklahoma.
