Broncs Lose First Conference Game To McLean 6-0

by Adele Barnhill

Broncho fans filled the stadium Friday night to see the Clarendon Bronchos host the McLean Tigers in a very important district match. When the dust cleared, McLean was the victor with a score of 6-0.

The equally matched teams kept the game scoreless until the final two minutes of play when Baker of McLean broke loose for the only touchdown of the game. Defense was the order of the day during the rest of the encounter.

Although the Bronchos displayed defensive and offensive effort, mistakes cost them the victory, particularly fumbles.

Two of the outstanding defensive players for Clarendon were seniors Archie Smith and Gale Gray.

The Bronchos gained 142 yards rushing, while McLean amassed 133 yards. The Bronchos managed a total of 10 first downs, but they were unable to get within field goal distance.

McLean's 6-0 victory over Clarendon puts McLean and Wheeler tied for the lead in district play with Clarendon second.

CLARENDON BREEDER'S HOG TOPS AT STATE FAIR

A Hampshire pig owned by E. S. Ballew of Clarendon was top hog in the quality pork contest at the State Fair of Texas when the 197 pound barrow was slaughtered and cut into retail cuts. The pig placed 12th in live judging Saturday. Ballew's pig was valued at \$29.27 per hundred pounds of lean cuts and dressed out 70 per cent.

The Ballew herd of Hampshires sold five purebred hogs to a Mexican. Included were three boars and two gilts. A group of Latins south of the border came to the big show to buy purebred livestock.

Prices ranged around \$400 for boars and up to \$350 for sows. Gilts sold for \$125 to \$150 each. Some 535 visiting livestock men from 14 Latin American and five from other countries registered at the Pan-American room.

75 Bulls For Auction At RPRB Cattle Sale

Seventy five bulls will sell in Clarendon, Texas at the Rolling Plains Registered Beef Cattle 8th Annual bull sale. The sale will be held at the Fair Grounds at 12:30 noon on November 30. Classification of the bulls will be at 9 a.m. on the same day as the sale. Walter Britten will be auctioneer.

Flip Breedlove, secretary and manager of the sale says that there will be 42 Hereford bulls, 23 Galloway bulls and 10 Angus bulls. Nearly all of these bulls are old enough to turn with the cow herd at once. They are all good blood lines and offer some good herd bull prospects for the registered breeder as well as good bulls for the commercial breeder.

The sales arena is well heated and regardless of the weather everyone will be comfortable during the sale. Breedlove says that the judging of the bulls will be at 9 a.m. on sale day with Leroy Boren judging the Hereford bulls and Jack Moreman judging the Galloway and Angus bulls.

The catalog is now being readied for the printers and should be available for those interested around November 15. Anyone wanting catalogs in advance of the sale should contact Flip Breedlove at Clarendon, Texas.

TOMMY BECK IS NEW SOIL CONSERVATIONIST

Mr. and Mrs. Tommy Beck have moved to Clarendon where he will be associated with the Donley County Soil Conservation office here as a Soil Conservationist.

Mr. and Mrs. Beck are both natives of Wills Point, Texas and were reared there. Tommy received his BS degree in Agriculture at East Texas State University at Commerce in 1964.

He has been with the Soil Conservation Service seven months and was transferred here from Spearman to fill the position vacated by Gary Maxey who transferred to Wheeler County.

Mr. Beck stated that he was looking forward to meeting and working with everyone here.

Don't Lose Your Chance To Vote!

(Editorial)

Texans are a get-up-and-go sort of people, great for going places. Because of this habit, thousands of citizens will overlook the fact that they will be out of town on November 8 and will therefore lose their vote.

Their votes—and their voice in the affairs of our government—need not be lost.

They can vote absentee, either by mail or by going in person to the County Clerk's office.

Absentee voting has been going on for more than a week now. By press time, only 15 voters had marked their ballots in the important election.

The deadline is Friday, November 4.

Better hurry.

A summary of a part of the Amendments to be voted on Nov. 8 may be found on another page of the Leader as a public service. The remainder will be published next week. Study the proposals carefully as they are very important.

Funeral Services Held Tuesday For Mrs. N. R. Simmons

Funeral services were held at the Church of Christ, Clarendon, Tuesday afternoon for Mrs. Josie Estes Simmons, Ministers Bright Newhouse and Robert C. Jones officiated. Burial was in Citizens Cemetery with arrangements under the direction of Murphy Funeral Home.

Mrs. Simmons, 74, died in Adair Hospital Monday Morning following an illness of seven months. She was born April 20, 1892 in Shelby County, Texas and later moved to Haskell County. In 1911 she moved with her family to Donley County and was married to Nolie R. Simmons in Hedley December 6, 1912. They made their home at Lelia Lake where they were residing at the time of her death. She was a member of the Church of Christ at Hedley.

Surviving are her husband, Nolie R. Simmons of Lelia Lake; a daughter, Mrs. Alvin Mace of Farwell; a sister, Mrs. Dovie McInroe of Idalou; a brother, Don Beil of Littlefield; and one grandson, Jimmie E. Mace of Farwell. A son, Jack R. Simmons, died here August 29, 1948.

Pallbearers were Louis Foster, Quinn Aten, Ellis Chenault, Lacy Noble, R. A. Williams, and F. A. Floyd.

FIRST LOAD SOYBEANS BOUGHT HERE TUESDAY

The first load of Soybeans ever bought in Donley County was bought Tuesday by Clarendon Grain Company from James McAnear who farms at Brice. The load was a mixture of the Hill and Hinn varieties and had a test weight of 55 pounds per bushel. The moisture content was 8.1 per cent and the sale price was \$2.60 per bushel. McAnear said that the Hill variety was making 35 bushels per acre and the Hinn variety was making around 25 to 30 bushels. The beans were planted on land that is a low cotton producer because of a verticillium wilt disease in the soil. Soybeans are not affected by the disease.

Soybeans are a potential cash crop for Donley County Farmers as they have an income potential that compares favorably with irrigated milo. The farmer does not have to have an allotment to plant soybeans.

REBEKAHS TO SERVE TURKEY DINNER WED.

The Rebekah Lodge will serve a Turkey dinner at the Lodge Hall to the South end of Main Street beginning at 12 o'clock noon, Wednesday, November 2. Please note that the price per plate will be \$1.25 for adults and 75c for children under 12.

The public is invited to attend. Our thanks are extended to everyone who has eaten with us in the past.

from County ASCS Committee

DIVERTED ACRES

All diverted acres will be released for grazing November 1, 1966. This release is for grazing only and no harvesting is permitted. Producers wishing to bundle or bale sweet sorghum cover crops under the Emergency Grazing and Haying Program should make application and complete the work before October 31, 1966.

COTTON MARKETING CARDS Cotton marketing cards will not be used this year. All cotton buyers will be notified of producers who are subject to marketing quota penalties. All other producers who are in compliance with the cotton allotment can sell cotton without marketing cards.

COTTON ALLOTMENT TRANSFERS

Applications for transfer within the county due to sale or lease of your 1967 cotton allotment are being accepted. Donley County voted not to transfer cotton outside the county for 1967. Cotton can be transferred into but not out of the county except to farms owned by the same person.

1967 COTTON YIELDS

Notices were mailed last week showing the 1967 cotton allotment and yields. If you have production records showing an actual production greater than the one established, you should file an appeal and submit the record within 15 days from the date of the notice. The base years for proving 1967 yields are 1963, 1964, and 1965. If you feel your yield is too small and do not have proof of production, you may file an appeal without your production records. The county committee will consider all appeals.

ACP

We have been advised that less than 15 inch deep-plowing will not be included in the list of ACP practices for 1967. Stubble mulching has also been removed from the list.

There is still money available for cost-sharing on ACP practices for 1966. If you have not already earned your limit, now is a good time to carry out an ACP practice.

TICKETS ON SALE FOR BOY SCOUT DISTRICT BANQUET

The Comanche District Annual Banquet for the Boy Scouts of America will be held Saturday, November 5, at 7 p.m. in the Wellington Community Hall in Wellington, Texas. Tickets are now available and may be obtained from Tommie Saye or Frank Phelan.

Mr. and Mrs. J. H. Howze visited their son and family, Mr. and Mrs. James Dean Howze and children, at Lubbock through the week end and attended Homecoming activities.

Youth Of Town To Campaign For CROP

Rev. Charles Gates, pastor of First Methodist Church, has been appointed by the local Ministerial Alliance to serve as chairman of the local annual CROP Hallowe'en project in Clarendon. The Youth of the community will participate in the drive to collect funds for CROP which will be held Sunday, October 30, from 2 to 5 p.m. Young people will gather at the First Methodist Church and all will have proper identification to assure you that your contribution reaches the proper channels.

CROP is the community resource appeal of Church World Services which collect farm commodities and cash, through volunteer workers for the overseas relief and rehabilitation programs of the churches. Gifts to CROP are put to use under church supervision strictly on the basis of need. Hallowe'en has come to mean CROP and time of Christian sharing to the young people of Texas.

Last year local young people collected \$116.25. A total of \$65,000 was collected for this program throughout the state. Contributions will make possible the distribution of food supplies, cotton, and many self-help items to those who need it most. Make your donation as generous as possible. Mrs. Dorothy Breedlove will serve as chairman of a committee serving refreshments to all who participate in the drive.

HALLOWEEN TRICK OR TREAT MONDAY NIGHT

Hallowe'en Trick or Treat night is next Monday night, October 31, and all residents should be prepared for this annual visit of our little ones who will be dressed for the occasion.

All motorists are being urged by Chief of Police Gary Gerdes to keep a careful watch for these small children dressed in dark costumes as the children may dart from behind parked cars into the path of an oncoming car. "If you are out Monday night, please watch out for the youngsters," Gerdes said. "We do not want a fatality on our hands," he added.

Sheriff Bill Cornell joined Chief Gerdes in extending the cautious driving requests to embrace the entire county. We hope all youngsters will make this an enjoyable Hallowe'en comprised of good, clean fun and not of a destructive manner, Sheriff Cornell added.

CLARENDON POST OFFICE CITATION TO BE PRESENTED NOV. 3

Honorable Walter Rogers, Congressman for the 18th District, will present a special "Citation of Merit" for outstanding cooperation in President Johnson's Natural Beauty Program, to the community of Clarendon, Texas, and its postal employees at ceremonies to be held on the workroom floor of the Clarendon Post Office on Thursday, November 3, 1966 at 9:00 a.m.

Postmaster Mike M. McCully and others who helped in the beautification effort will accept the award on behalf of all citizens of Clarendon.

The citation is awarded after the postal facility has received a superior rating in a very rigid inspection by postal officials from Regional Headquarters and has been reviewed carefully by Tyler Abell, Assistant Postmaster General for facilities.

"The emphasis on beautification should make our Post Office a more pleasant place for our customers to visit and do business," Postmaster McCully said. It should be emphasized that our project was done to enhance the appearance of our city and we hope that others in the community will be encouraged to make Clarendon more attractive.

GIRL SCOUTS TO CONDUCT FUND RAISING CAMPAIGN

A Girl Scout Fund Raising campaign will be held in Clarendon November 1 through November 7. This is the first fund raising drive for Girl Scouts to be held here in six years. L. P. (Bud) Moore has agreed to serve as chairman. He will be assisted by Glenn Wallace and Owen Johnson. Among others taking part will be two captains and the Jaycee-Ettes.

A kick-off coffee will be held in the Hospitality Room of the Farmers State Bank at 7:30 p.m. November 1. It is necessary that everyone involved be present at this meeting.

Approximately 100 girls in Clarendon are being served by Girl Scouting at this time and it is hoped that this number will be increased every year. Girl Scouting is a Volunteer organization and depends upon community leadership and support. When you are contacted by someone wearing a yellow trefoil, please give generously.

The Clarendon Bronchos are making preparations this week to spoil homecoming for the Claude Mustangs by getting back in the win column. The Bronchos and Mustangs will square off at 7:30 Friday night in Claude. This game is a "must" for the Bronchos. They must have a victory if they are to stay in contention for the district crown.

Clarendon has a 5-2 season record, but one of those losses was their only district game to date. McLean eked out a 6-0 victory over the Bronchos last week. Claude has played two district games and lost both. Their opponents were Wheeler and McLean.

"Claude has a young team this year, and their inexperience causes them to make some mistakes," said Clarendon coach Jeff Walker. "But", he continued, "on any given night, they could be a tough opponent." "We know what mistakes can do," said coach Walker, "because we made some against McLean while they made no mistakes."

"However, the McLean game was the best defensive game by a Broncho team in my three years of coaching here," he stated.

Coach Walker concluded the interview by saying, "even in defeat, our coaching staff is proud of the Bronchos, and we hope the fans are too."

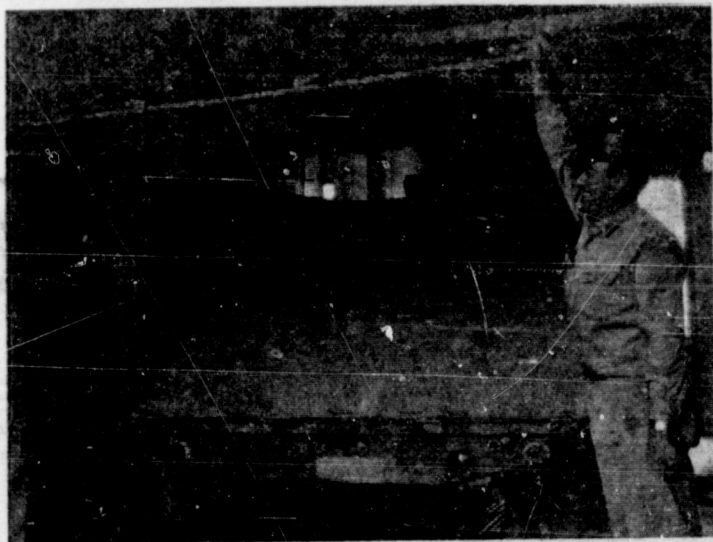

Probable starters for the Bronchos offense Friday night will be Davic Easterling, left end; Everett Monroe, left tackle; Larry Green, left guard; Barry Tyler, center; Pete Campbell, right guard; Gale Gray, right tackle; Larry Kidd, right end. In the backfield will be Larnce Gardner at wingback; Archie Smith at fullback; Mac McClellan at tailback; and Donnie Mooring, QB.

Probable Broncho defensive starters will be linemen Pat Perkins, Larry Green, Gale Gray, and Barry Tyler; linebackers Everett Monroe, Archie Smith, and Pete Campbell; corner backs, Steve Land and Larnce Gardner and halfbacks Mac McClellan and Monte Land.

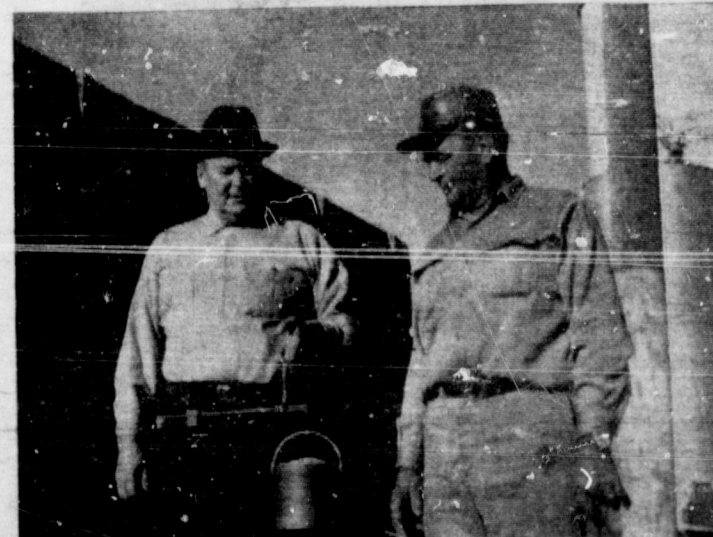

CUB SCOUTS SPONSOR HALLOWEEN CARNIVAL

The Cub Scouts of Clarendon will sponsor a Halloween Carnival to be held in the Cub Scout Rooms and Hallway at the new City Hall Halloween night, Monday, October 31, from 6:30 to 9:30 p.m.

There will be games, A Spook House, Hot Dogs and a variety of other refreshments. The public is invited to attend.

First Load of Soybeans being unloaded at Clarendon Grain Co. by James McAnear who grew the soybeans on his farm at Brice.

Frank White Jr., left, and owner of Clarendon Grain Co., holds the sample of Soybeans, first to be purchased here. Looking on is James McAnear, producer of the soybeans.

New officers of Donley County Young Farmers organization elected last week are: top row, left to right, Steve Reynolds, secretary, Don Robinson, reporter, Joe Shadle, treasurer; bottom row, left to right, Donald Odom Vice-President, Chester Mann, President.

Reading the following poem that came to us with the notation Author Unknown helps answer the question of whether it is our children that are going astray or that the parents in this generation have already somewhat departed from the straight and narrow. It is called:

Juvenile Or Parental Delinquency

We read in the papers, we hear on the air

Of killing and stealing and crime everywhere.

We sigh and we say, as we notice the trend

This young generation, where will it end?

But can we be sure that it's their fault alone?

That maybe a part of it might be our own?

Too much money to spend; too much idle time

Too many movies of passion and crime.

Too many books not fit to be read; Too much evil in what they hear

Too many children encouraged to roam.

Too many parents who won't stay at home.

Youth don't make the movies, they don't write the books

That paint the gay picture of gangsters and crooks,

They don't make the liquor, they

don't run the bars, They don't make the laws, and they don't make the cars. They don't make the drugs that idle the brain, It's all done by older folks, greedy for gain. And how many cases we find that it's true, The label "delinquency" fits older folks, too

Vegetable Department; we mentioned the delicious turnips and greens as grown by Mrs. Miller, and now who should bring us turnips but Mr. and Mrs. Herbert Hunt. Honestly, they were as large as cantaloupes, and just as sweet. Grown to such size under irrigation by a brother-in-law of the Hunts. My, My, and to think my brother-in-law only grows Mexican beans. But, they are good too. Both kid-folks and friends are so nice.

Still on the subject of vegetables—the other day we ate lunch with an Airman from New Jersey. Until that meal he had never tasted okra. I didn't know there were folks like that, but he liked it right off.

"Everybody wants to talk, few want to think, and nobody wants to listen."

You'll never get dizzy doing good turns.

It's much easier to trust in the unknown future if we have known the Creator.

To prove we are honest, we should hand out a few samples.

News From Clarendon College

INITIATED "FISH"

Freshman initiation was the big event on the Hill last week. Each sophomore was assigned several first-year students, and on Monday the freshmen's torture began.

A freshman student was easily spotted by his clothes, which were worn wrong side out. Some of the upperclassmen wanted to make sure that their freshmen were recognized, so they painted "Fish" on the underclassmen's faces. Events such as a paper wad race down the hall were calmly accepted as normal procedure and few showed surprise when asked to autograph an egg. During breaks between classes one could see freshman girls clad in mini-skirts, bright colored sweatshirts, and other clashing accessories. New sophomore-style hairdos were modeled by some unfortunate co-eds, such as ten pigtailed (on one head), teased hair that hadn't been combed down, completely straight hair, and the "messy" look.

The boys had their share, too. They attended classes in farming clothes, cut offs, crash helmets, various loud colors, and unsmiling faces.

Co-mingled complaints and laughter resounded throughout CC's halls. Occasionally the patter of running freshmen feet could be heard followed by the patter of pursuing sophomore feet.

Although most of the underclassmen screamed protests, they accepted initiation as being traditional and inevitable. One freshman student laughingly summed it up this way, "I can't wait until next year when I can get my revenge."

STUDENT SENATE ELECTION COMPLETED

The polls closed on the Hill Friday afternoon climaxing the run-off elections for disputed seats in the Student Senate. Mickey Thomas from Claude is the new president polling more votes than did his opponent, Buster Branum of Clarendon. Teddy Pool of Stratford nosed out Kit Smith of San Antonio to win the office of vice-president.

A total of 144 students voted in the run-off, indicating the interest that was aroused by the campaign.

"The members of the Student Senate are looking forward to a busy year," stated Mr. Thomas. "We want to serve both student body and faculty to the best of our ability, and we will need everyone's cooperation and support," he added.

COLLEGE CHOIR

by Thava Davis

The Clarendon College Choir began its activities October 14 by traveling to the Hedley Cotton Festival. A folk-singing group consisting of Kit Smith, Ella Beth Dunn, and Dean Cook sang several numbers. Kit and Ella Beth were also featured soloists. An octet from the choir, consisting of Ella Beth Dunn, Nina Snyder, Nelda Stepp, Jerry Burleson, Richard Lockwood, William McFalls and Kit Smith sang several selections from "West Side Story". The choir was accompanied by Thava Davis at the piano and directed by Mrs. Wes Knorpp. The same group presented a program at the TSTA meeting at Samnorwood on Monday evening, October 17th.

Officers for the choir are: President, Jerry Burleson, Memphis; Vice-President, Nina Snyder, Groom; Secretary-Treasurer, Regina Borden, Clarendon; and Reporter, Thava Davis, Hedley.

FRENCH CLUB MEETS

The French Club met at the home of Mrs. Howard on October 20 at 7:30 p.m. Records, refreshments, and rehearsal were the order of the evening. The group worked on several songs which they plan to use at a future date.

Comments from the

The Bulldogs are making preparations for their first scrimmage with outside competition when the Wayland Pioneers arrive on October 29th. There will be no more inter-squad scrimmage until after that date. The public is invited to watch the local and visiting team during a work period from 2:30 until 5:00 in Bulldog Fieldhouse and again at 7:30 p.m. in the high school gym.

Several of our boys are beginning to exhibit an ability to participate in the competition we're facing. David Kindrick, Harry Cannon, Claude Maldonado, Mike Barrera, Tom Byrd, Jerry Jordan,

and Roy Holloway are showing the most promise. Overall shooting ability is improving; out timing is beginning to jell, and we are almost to the point of functioning as a team. With the season opener only a month away, we need to make every work-out count.

Season tickets will be available in about ten days. Adult tickets will be a bargain at \$3.00 and student tickets are a real buy at \$5.00. These tickets will cover all thirteen home games, and can be used either singly or all at one time for a large party. If a fan is planning to bring several guests to any one game, he will save money by purchasing a season ticket. This offer will provide the best basketball entertainment for the money in the history of the college. Several local business firms will be handling season tickets, and they may also be purchased in the Registrar's office. More information will be available at a later date. Regular price of admission will be \$1.00 for adults and 50c for students.

All of the members of the Bulldog squad, as well as administrative and faculty personnel, offer congratulations to the Clarendon Bronchos for a fine season thus far. The coaches have done an outstanding job, and the boys have responded accordingly. They have our complete support for the rest of the season, and we wish them the best of luck.

The operation of a pulpwood truck represents an average of \$25,000 annual business to the community in which it operates.

During the period of the Texas Republic notes signed by individuals promising to pay, a cow and a calf passed for \$10 bills.

CROP AND LIVESTOCK REPORTING SERVICE CELEBRATES 100 YEARS OF CONTINUOUS REPORTS

Cary D. Palmer, Agricultural Statistician in Charge of the Texas Crop and Livestock Reporting Service in Austin, reads a proclamation from Governor John Connally, designating 1966 as Crop Reporting Centennial Year in Texas. Accurate and timely statistics of agriculture help Texas farmers and agri-businessmen make intelligent production and marketing decisions.

Over a century ago, farmers began to realize that they were at a disadvantage when bargaining because they knew little about crop and livestock supplies outside their area. They asked the government for help and a system of crop reporting was begun to fill this need. This year marks the 100th anniversary of continuous reporting of acreage, yield and production for the United States.

Cary Palmer says that the crop reporting system of collecting agricultural statistics relies heavily on some 40,000 farmers and agri-businessmen. Their voluntary reports month after month and year after year have an important role in providing Texas agricultural statistics and make the American farmer the best informed of any in the world.

One hundred years of voluntary reports is an achievement from which all America has benefited.

1966, the same being the 6th day of said month, proceed to sell all the right, title and interest of the Defendants in and to the said property at the Court House door of said county in the city or town of Clarendon between the hours

of 10:00 A.M. and 4:00 P.M. to the highest bidder for cash, provided however, that none of said property shall be sold to the owner of said property directly or indirectly or to anyone having an interest therein or to any party

other than a taxing unit which is a party to this suit for less than the amount of the adjudged value of \$2,305.00, of said property or the aggregate amount of judgements against said property in said suit, whichever is

lower, subject also to the right of the Defendants to redeem same in the time and manner provided by law and subject also to the right of the Defendant to have said property divided and sold in less divisions than the whole.

DATED at Clarendon, Texas, this, the 7th day of October, A. D. 1966.

SOIL CONSERVATION DISTRICT NEWS

Donley County Terraces Take On New Look

The R. O. Ranch has just finished building 44,000 feet or about 8 miles of parallel terraces on their ranch. There are several others who have built parallel terraces including Hall Hardin, Emmett Brown and J. C. Shields, according to Dorman D. Bush of the Soil Conservation Service in Clarendon. Nearly half the terraces built in Texas last year were this new kind.

Cooperators with local conservation districts built more than 5,000 miles of all kinds of cropland terraces last year, 2,265 miles were parallel as compared to 984 in 1965, 440 in 1964. "This isn't just another Texas brag," says H. N. Smith, State Conservationist, Soil Conservation Service, Temple, Texas. "It just shows how popular these modern terraces are becoming. The amount has doubled two years in a row."

Terraces spaced an even number of rows apart and without point rows are called parallel terraces, P. M. Price, Texas State

Conservation Engineer, pointed out. "They real time and money for the and they do a good job serving soil and water."

Parallel terraces are to fit both the farmer's ment and the lay of the example, they might be rows apart or 72 rows depending upon the slope, four, six or eight-row could be used in either above cases.

Landowners and operators—from city farmers and water conservation supervisors. They also or greatly reduce short, uneven length—point row land owners say they have built terraces if not worked out these were much easier to farm.

"Cost-share from the Plains Conservation and the Agriculture Station and Conservation Service helped many farmers build terraces. Technical help, SCS and loans from the Home Administration helped get this job done concluded.

Mr. and Mrs. W. W. Wiggins Celebrate 50th Anniversary

Mr. and Mrs. W. W. Wiggins celebrated their fiftieth wedding anniversary with an Open House at their home Sunday afternoon from 2 to 5 p.m. Hosts for the occasion were their children: Mrs. Mavis Hargrove of Little Rock, Ark., W. B. Wiggins of Hedley, and Jeff and Oran Wiggins of Pasadena, Texas. Oran was unable to be present.

Guests were received by Mr. and Mrs. Wiggins and their children. Alternating at the guest register and at the refreshment table were their granddaughters: Jean McKinney of Pasadena, Brenda Hargrove of Jacksonville, Ark., Sharon Wiggins of La Porte, Talietha Wiggins of Silverton, and Suzan Wiggins of Hedley.

The reception rooms were beautifully decorated with gold mums. A linen cloth covered the tea table which was marked by a three-tiered cake with gold wedding bells and the "50th" in numerals to the top. Centering the table was an arrangement of gold mums. Appointments were crystal. Punch and cake were served to a large number of friends and relatives.

Lila Parks and W. W. Wiggins were married October 22, 1916 at the farm home of Rev. Euoc Esland. They lived in Hall County until 1925 when they moved to Hedley and since that time have resided here.

The Wiggins family numbering 25 attended morning services at the First Baptist Church Sunday morning. The Wiggins are active members.

Among the out-of-town guests attending were Mr. and Mrs. Frank Hargrove and Mr. and Mrs.

Rodney Hargrove and daughter of Little Rock, Ark.; Mr. and Mrs. Jeff Wiggins and Mr. and Mrs. Wayne McKinney and family of Pasadena, Texas; Mr. and Mrs. Tommy Wiggins and family of La Porte, Texas; Mr. and Mrs. Billy Wiggins and daughter of Silverton; Mr. and Mrs. H. L. Davcnport and family and Mrs. Vera Renfro of Childress; Mr. and Mrs. Roscoe Land and Mrs. Dezzil Lacy of Wellington; Mr. and Mrs. Coleman Duke of Lakeview; Mrs. Clara Duke. Mrs. Nettie Hern, and Mrs. Doyle Baggett of Memphis; Miss Marjorie Harlan of Clarendon; Mr. and Mrs. George Owens of Amarillo; and Mr. and Mrs. Chas. Grimsley and son of El Paso. —Rep.

Swinney-Mears Vows Exchanged In Recent Ceremony

Mr. and Mrs. U. G. Swinney, Clarendon, Texas, announce the marriage of their daughter, Donna Lee, to Charles Michael Mears, son of Mr. and Mrs. Curtis Mears, also of Clarendon. Vows were exchanged October 15 in the Christian Church parsonage with Rev. Paul Hancock, officiating.

The bride was lovely in a street length dress of white slipper satin fashioned with a scooped neckline and long tapered sleeves outlined in seed pearls. The skirt was bell-

shaped. Her shoulder length veil of illusion was attached to a pearl encrusted tiara and she carried a white Bible covered in white lace and topped with a bouquet of white carnations showered with satin streamers.

Miss Kathy Ann McCrary attended the bride as maid of honor. She wore a dress of white brocade fashioned along the same lines as that of the bride except for a sleeveless bodice. She wore a corsage of white carnations tipped in blue.

The Groom was attended by Ricky Knox.

The bride is a student at Clarendon High School. The groom is a spring graduate of Clarendon

High School and will be serving in the U. S. Armed Services being stationed at San Diego, Calif. Mrs. Mears will make her home in Clarendon.

SR. H. D. CLUB MEETS IN PAYNE HOME

Mrs. William Payne entertained members of the Senior Home Demonstration Club in her home Thursday afternoon. Meeting was opened with prayer by Mrs. W. L. Jordan. Mrs. J. H. Helton, president, presided over the usual order of business and Penny Parade.

The afternoon was spent in pleasant conversation and piecing quilts.

Refreshments of cheese cracker sandwiches, pumpkin pie topped with whipped cream, tea and coffee were served. Favors were Halloween candies.

Attending were Mesdames Lynn Payne, a guest, and Mrs. O. C. Watson, J. H. Helton, C. H. Darling, Bertha Benson, W. L. Jordan, A. G. Lane, Flora Humphreys, and William Payne.

The next meeting will be with Mrs. Flora Humphreys. —Rep.

Ten Jaycee-Ettes were also present bringing the total attendance to sixteen. —Rep.

YOUNG HOMEMAKERS HOLD THURS. MEETING

The Clarendon Chapter of Young Homemakers met Thursday afternoon in the Homemaking Department. Mrs. Helen Gribble, Home Economist for West Texas Utilities gave a very interesting program on Home Freezers. She stated that freezers can be time-savers allowing preparation of food in advance. Foods are also better preserved in this

manner as the process is easier and foods retain their fresh flavor more so than by regular canning processes.

Refreshments were served to seven members and six guests.

FORMER PASTOR DIES IN STEPHENVILLE

Word has been received here of the death of Rev. B. N. Shepperd, a former pastor of the First Baptist Church here.

Rev. Shepperd, 79, died Saturday at a Stephenville Hospital after a brief illness. Services were

held Monday in Stephenville with burial there. Survivors include his wife of the home; a daughter, Mrs. Gertrude Holzclaw of No-trees; and three grandsons.

Rev. Shepperd served in the ministry for some fifty years and had lived in Stephenville since his retirement several years ago.

Mr. and Mrs. O. C. Watson spent the week end in the home of their daughter and family, Mr. and Mrs. Gale Ledbetter and celebrated their fifty-fifth wedding anniversary.

Quality Job Printing At The Leader

Gov. John Connally soon will be making his decisions on state spending and tax recommendations.

His budget staff is rushing to completion a tentative budget and revenue bill for presentation to the governor by the end of the month.

Word is that the revenue measure, contrary to early speculation, does NOT call for any upward revision in the state's basic two per cent general sales tax rate. It may include a gasoline tax increase, college tuition boost and adding alcoholic beverages to the sales tax.

Money requests from departments and agencies, totaling \$1,200,000,000, are being trimmed considerably. Best estimates indicate the tentative budget presented for Connally's review will require less than \$200,000,000, in new money.

Governor's proposals definitely will contain some form of financial relief for cities, but not the 50-50 split in new state revenues they are asking.

Connally's spending programs may be restrained by these factors:

- Possibility of a substantial federal tax raise next year and the chance of future sharing of surplus U. S. income with state governments on an unrestricted grant basis.

- A public school study by the governor's committee almost certainly will call for readjustments in the cost load of the educational system, and final recommendations will not be known for two years.

- A metropolitan areas study conceivably could result in proposals for sweeping alterations in local government finance procedures.

WATER AMENDMENT— Governor Connally has launched a campaign for adoption of Constitutional Amendment No. 11.

Amendment would do three things: double the Texas Water Development fund from \$200,000,000 to \$400,000,000, give a constitutional guarantee to safeguarding water in river basins of origin; and permit use of the Fund for construction by the

Texas Water Development Board of water treatment and transportation facilities.

About 150 leaders of state and local water governing agencies and other interested citizens attended the meeting and elected former Governor Price Daniel of Liberty chairman of a steering committee to seek voter approval of the Proposition.

On another front, the Water Development Board announced that it will ask for an emergency appropriation of \$625,000 from the Legislature to complete the water planning work to bring the Texas Water Plan to completion in about six months.

ATTORNEY GENERAL SPEAKS—Atty. General Waggoner Carr withdrew his opinion that cable TV services are public utilities. But he reiterated his ruling that such firms have the right to place cables along state highways within the right-of-way.

In another opinion, Carr said the secretary of State cannot approve a statement of intent to dissolve a corporation listing less than three directors, since to be a corporation it must have at least three directors.

COURTS SPEAK— State Supreme Court ordered Land Commissioner Jerry Sadler to file the sulphur claims of Duval Corporation and Piper Petroleum Company in Pecos County. Sadler had refused, claiming old laws relied on by the firms are no longer applicable, and the companies are trying to get \$2,000 an acre mineral rights for 50 cents.

In other action during the week, high court:

- Affirmed \$304,800 in penalties against four East Texas oilmen (Gregg County for Slantwell drilling in Wood County.)

- Agreed with Railroad Commission that new truck service between Houston and San Antonio by Alamo Express, Inc., is justified.

- Stuck by its July 13 decision that commissioners precincts of Midland County do not have to be formed on the basis of equal population.

- Sustained lower court findings that state sales tax may be collected on equipment leased to load and unload ships in foreign trade.

- Upheld \$73,980 damage judgement for Montgomery County family who successfully maintained San Jacinto River was diverted from their property by an artificial channel and dam constructed by Tennessee Gas Transmission Company.

ANIMAL INFESTATIONS— Texas is pulling out of its serious screwworm epidemic. But now a big outbreak of Encephalomyelitis (sleeping sickness) among horses seems to be taking hold.

Some 40 cases were reported to the State Health Department covering a two-week period. But a spokesman said it likely will get worse before it gets better.

Cases were from Travis, Erath, Cherokee, Angelina and Washington Counties. Texas Veterinary Medical Association also says the disease has been reported in East, Central and South Texas and the Hill Country.

Revenue collected by Texas Liquor Control Board hit monthly record of \$6,135,484 during September, according to Administrator Coke R. Stevenson Jr. Revenue for year to date comes to \$36,800,000.

Does anybody know what's to be done about this inflation?

A Senator can help, if he wants to. And, we have one who does. John Tower. You can blame fiscal foolishness for our record high cost of living. John Tower does, and he's not alone. He and other Senators have voted for federal spending cuts this year that have saved Texans, and taxpayers everywhere, more than \$5 billion. Non-defense items they felt we could do without... if it would help slow the spiral. It may have.

Essential spending is another matter. As a member of two major committees concerned with defense and the economy, John Tower worked to add \$1 billion in priority items important to Texans. Like soil and water conservation, school lunch and milk programs, farm and

ranch disaster relief, land-grants for colleges—to name a few. He and others felt that \$900 million more were needed this year to help educate returning Vietnam veterans, to boost the Nike-X anti-missile project, to build more Navy ships, to provide for military medical care. He voted for these and other essentials.

If you're keeping score, and some people do, Senator John Tower has helped trim \$5 billion in fat... add back meat amounting to \$2 billion... for a net saving of \$3 billion in tax dollars. That sure could help a deficit budget.

Who said a Texas Republican couldn't be effective in Washington!

Re-elect Senator John Tower—he's doing a good job for Texas

Amendments In Brief For Review Prior To November 8 Election

Election time is not far away when we will, as Texas citizens, be going to the polls to cast our vote. That date is Tuesday, November 8. Sixteen amendments to the Texas Constitution are to be voted on. These have all been published earlier this summer but due to the fact that the type was very small as sent out by the state and in many cases the printing was split, we are going to run a short resume of these Amendments. Eight will run this week and the remaining eight next week so clip this review for study along with that to be run in next week's paper. These facts are not personal views but are taken from an Analysis of Proposed Amendments of the Texas Constitution prepared by the Texas Press Association.

AMENDMENT NO. 1 — Provides that all land owned by natural persons and designated for agricultural use shall be assessed for all tax purposes on the consideration of only those factors relative to such agricultural use. This would exempt farmers and ranchers from paying full taxes on high priced land so long as they use the land for raising livestock or growing crops, fruits, flowers, and other products of the soil. The wording is vague and in conflict with other constitutional requirements that all taxation shall be equal and uniform and that all property in the state shall be taxed in proportion to its value. It lacks clarity which might void the amendment. The valuation and assessment of any mineral rights or sub-surface rights to minerals would not be affected by this exception but would be subject to full assessment and taxation. Owners wishing to qualify would have to file with the local tax assessor a sworn statement regarding the use of the land. Each year the tax assessor would make a note on his records of what the valuation would have been if the land had not qualified. Other objection points out that most local districts affected are paying off bonded indebtedness based upon a tax rate on the real value of the property, and individuals object to the tax collector assuming the job of investigating the incomes of all farmers who would claim exemption. It has been pointed out that many records would not be checked until time for selling or changing the use of the land. This is claimed to be another form of Farm Subsidy.

AMENDMENT NO. 2 — Would authorize creation of airport authorities composed of one or more counties, Dallas and Ft. Worth were instrumental in securing its submission. No ruling has been set forth as to whether the governing bodies of cities whose airport facilities acquired by the authority would be appointed or elected and if appointed, the appointment made by the County Commissioner's Court. Directors would be selected on the basis of proportionate population of each county according to the last Federal census. An election would have to be held before any County could take part in an Airport Authority. This Amendment does not create any airport authorities; it only provides the means and the mechanics for the Legislature to create them. Questions left unanswered such as how high an Ad valorem tax may be needed, how much operating costs and bond payments can be met by revenues and what federal assistance may be anticipated, to name a few.

AMENDMENT NO. 3 — Would withdraw Arlington State College from participating in the Permanent University Fund. This completes the shift of Arlington State College from the Texas A&M University System to the University of Texas System. This is a technical one to clean up the wording of our Constitution by removing the college from the Permanent University Fund list.

AMENDMENT NO. 4 — Increases the permissible term of office for directors of conservation and reclamation districts from 2 to 6 years and validating present statutory terms of office for such officials. This would apply to persons serving on the governing bodies of political subdivisions as irrigation districts, navigation districts, drainage districts, and districts for construction, improvement and maintenance of rivers, creeks, etc. Present legislation applying to 6 year terms for some offices were adopted in an effort to attract

men of high qualifications and ability. The State Supreme Court has held that this applies only to boards of state agencies, and in 1954 the Attorney General ruled that many conservation and reclamation districts are not state agencies. The proposal would favor longer terms. Errors in judgment of elected personnel could work to a disadvantage.

AMENDMENT NO. 5 — Would authorize the Legislature to provide a system of retirement, disability, and death benefits for county officials and employees and others. There is already a constitutional provision for Retirement, Disability and Death Compensation Funds for County employees. There are also statutory provisions permitting pension funds in other political subdivisions such as Municipal or City employees, Firemen, Police-men, and Navigation District employees. The wording in this amendment is vague and confusing and if adopted would probably have to await interpretation by the Legislature of the courts.

AMENDMENT NO. 6 — Provides for payment of assistance to survivors of law enforcement officers, custodial personnel of the Texas Department of Correction and full-paid firemen. The policy of this amendment involves selectivity as to who will be the recipient of State aid. It chooses a certain class of public employee for special treatment. It is permissive and would not require that the Legislature appropriate money or provide for assistance to all the people designated. It would apply only to those who suffer violent death in the performance of their duties and only full-paid firemen. It would not apply to volunteer firemen. Arguments state that the decision for such aid should be made at a local level. These occupations are not forced upon any person but are held by choice as individuals choose their lines of work.

AMENDMENT NO. 7 — Would repeal the Constitutional provision requiring a poll tax as a prerequisite to voting and requiring the Legislature to provide for annual registration of all voters. This question in regards to the Poll Tax is moot since the U. S. Supreme Court has ruled that the Poll Tax is invalid as a prerequisite for voting. Two questions arise: the first, whether we should require the Legislature to provide for state-wide registration which would apply alike to all citizens wherever they reside; and second, whether such registration should be permanent or annual. This Amendment would in a word, require annual state-wide registration.

AMENDMENT NO. 8 — Would authorize the Legislature to enact laws permitting persons to vote for state officers and for the president and vice-President of the U. S. without having fulfilled residence requirements to vote for other officers, as well as laws permitting former residents of the state, for a certain period, to vote absentee for president and vice-president. Much national attention has been given to the plight of those who move from one state to another. Many measures have been introduced but none adopted. Many fear passage of this amendment due to the fact that it would add greatly to the difficulties of holding elections and protecting ballots from fraud.

WEST TEXAS STATE BUFFS EKE OUT WIN OVER NEW MEXICO STATE
The Buffaloes of West Texas State University played one of their best games of the season at Buffalo Bowl Saturday night when they defeated New Mexico State by a score of 17-14. New Mexico State has been their toughest foe to date.

The Buffs displayed some of their great passing ability, controlled the ball well, and punted seven times to hold their opponents to a minus eight yards. Their pass defense was also good. The Buffs will engage Memphis State at Buffalo Bowl Saturday night, game time 7:30 p.m. This will be Senior Night. Memphis State played Tulsa Saturday and came out victorious by a close margin of 6-0. Saturday night's game should be another good one providing fans with plenty of thrills for Memphis State will be playing heads up football in an effort to add another win to their season standing.

DEE MILLER CONTINUES CAMPAIGN IN DISTRICT

Dee Miller, Democratic candidate for Congress from the 18th Congressional District, has continued his vigorous campaign the past week in addresses at meetings and rallies held throughout the area.

Concern for the future was emphasized at a luncheon Tuesday before the Amarillo Board of Realtors. Miller stated that mistakes are made in going forward, not backward and that no progress can be made with one foot on the past and one on the future. He hit out at inflation which creates a credit squeeze and stressed the fact that something would have to be done by the next Congress about tight money.

In remarks at other gatherings he stated that our area was in no position to withstand economic reverses at this time and reiterated the fact that among other problems to come before the next congress will be the Farm Program, the District's water problems, and the Viet Nam conflict—to name a few.

Mrs. Della Mahaffey of Santa Ana, Calif. visited last week with Mrs. Edith Longan.

AMARILLO SYMPHONY TO PRESENT SECOND CONCERT

The Amarillo Symphony will present its second concert of the season under Dr. Thomas Hohstadt, conductor, in Municipal Auditorium, Amarillo, Tuesday evening, November 1, at 8 p.m. Included in the program will be Beethoven's EIGHTH SYMPHONY, Debussy's LA MER, and Charles Thegor, violinist, will perform THE SECOND VIOLIN CONCERTO by Wieniawski.

The final number on the program will be the first movement of ISIAH IN THE TEMPLE, composed by Dr. Houston Bright, composer in residence at West Texas State University, Canyon, Texas. The symphony and chorus numbering near one hundred plus the WTSU choir will perform this composition. Mrs. Frank Phelan, Jr. will be one of the nineteen first sopranos in the Symphony Chorus to perform this World Premiere of Dr. Bright.

General admission may be obtained at the door.

BRONCO B SQUAD SMELARS MEMPHIS B TEAM

The Clarendon Broncho B team hosted the Memphis B team Saturday morning in Broncho Stadium and gave their visitors a 41-0 thrashing.

Sharing scoring honors for the Broncos were Charles Louis, Benny Reese, Walter Reese, Billy Neal, Don Thornberry and Jim Moore. Bruce Bush contributed also by kicking five out of six extra points.

Some of the defensive standouts were Louis, W. Reese, Bush, Billy Longan and Phillip Longan.

Earlier this season, the B Broncos defeated Memphis 2-0, in Memphis. They will attempt to make it three in a row by hosting the B Cyclones again tonight (Thursday) in Bronco Stadium.

CARREL RIPPETOE RECEIVES HEALTH DEPT. AWARD

Carrel Rippetoe, acting superintendent of the Clarendon Water Supply system has been awarded a State Health Department citation for work proficiency.

To qualify for certification, a plant operator must have accumulated a prescribed amount of actual work experience. He must also have attended both regional and statewide short schools at which water treatment and waste water disposal are taught, and must have passed an examination given by State Health Department sanitary engineers. Many operators seek certification on their own time and at their own expense to increase efficiency.

WHITE DEER DEFEATS COLTS 30-14

The Junior High Colts were defeated in their game with White Deer at Broncho Stadium Thursday night by a score of 30-14. This is the Colts second straight defeat.

The first TD was made by James Snadle on a 55 yard sprint up the middle. His plunge for the two extra points was good. The Colts second score was made by Joe Yankie but the try for extra points failed.

The Colt offense looked good but it was an off night for the defense.

The Colts will play Wheeler Thursday night. Game time will be 7 p.m. Claude and White Deer will play that same night to determine the District Championship.

Cheerleaders, pep squad and band gave nice performances at the rally and game Thursday night.
