Recognizing the important contributions of senior workers, Governor Mark White proclaimed March 9-15, as Older Worker Week in Texas. Joining the Governor for the proclamation signing were J. D. Legler, City Manager, LaGrange; Charlie Jungmichel, Mayor, LaGrange; Diane Parrish, Green Thumb Director; Jack Davis, Older Worker Contract Officer, Department of Labor; Jebron Hopper, Texas Department on Aging; Bob Girard, Senior Texans Employment Program Director; Dan Stewart, Texas Department on Aging; Murphy Giles, Green Thumb Enrollee, LaGrange; Joe Rankin, President, Texas Farmers Union; Bert Kruger Smith and David Dennis, representing the Texas Department of Community Affairs.

## March 9-15 Older Worker Week

The week of March 9 through March 15 is Older Worker's Week in Texas. The older worker has proven to be more dependable, more conscientious, have lower absenteeism, and less days lost to illness than the younger worker.

One of the best examples of the older worker is Flora Sanders. Flora

reared 10 children, 9 girls and 1 boy, like many women in this area, while she hoed and pulled cotton. After that Flora and her husband Sam operated the laundry for a few years before she spent the next seventeen years working for the school, cooking and janitorial with Sam. Last November Flora went to work for

Green Thumb, cooking for Hedley Senior Citizens. Through Green Thumb, a national Farmers Union, non-profit organization concerned primarily with promoting employment opportunities for rural low-income persons 55 and over, Flora's talent as a cook and beautiful person still shines.

## Firemen's ball and benefit dance April 12th

A Firemen's ball and benefit dance will be held on Saturday, April 12, 1986 at the Community Center building from 8 p.m. until 1 a.m. with country and western music provided by a disc jockey from KDJW radio in Amarillo. Tickets are \$10.00 per couple and can be purchased from any Clarendon Volunteer Firefighter, at the Donley County Farm Bureau office, and at Henson's. Proceeds will be used in the building fund account to construct additional garage area at the Fire Station.

Two acrylic paintings have been donated by Firefighter Steve Smith, a well known local artist, with the benefits also going to the building fund project. You may purchase a ticket for a \$1.00 donation or a book of twelve for \$10.00. Paintings will be on display at various locations in town for the next several weeks.

The project is still continuing whereby supporters may pay for the cost of one or more square feet of the garage area at a cost of \$10.00 per square foot. A permanent place will be designated in the fire station

showing the names of those who contribute along with the number of square feet they purchase. There will be a total of 2500 square feet in the new area.

Details on any of these projects may be obtained from any Clarendon Volunteer Firefighter.

**Letter to Editor**

To all who should be concerned. First, I would like to thank all of the individuals who supported the Chamber last year. The success of our projects rested with citizens of Donley County, and we were not disappointed. However, if you enjoyed the events last year and the progress which was made then continue to support us.

We have succeeded in reopening doors of communication dealing with industry, and with your support we will be successful in acquiring industry that will provide jobs and security for both you and your children who wish to stay in Clarendon. Let's not sit by and watch our youth immigrate to other areas where they can find jobs. Let's at least give them the opportunity of "CHOICE."

You must do something and I mean "YOU" the people who are reading this. The Chamber is for everyone, we need your membership. We also need your support. No man is an island and none of us can hope to be successful if we continue to stand by and watch while our town slowly turns to dust. The proof of what I am saying is obvious enough if one just steps outside and looks around. Count the empty houses and buildings and then reflect back on just how short a span of time has passed since they were occupied.

If this won't move you to action then I think Clarendon is doomed to the fate of many other rural communities, communities who also suffer from severe agriculture problems. At least we have the college and lake to aid us. But how long will these last with no support and no town around them. For \$36.00 a year individual membership and \$60.00 a year business you can help continue trying to unify and strengthen our town. The decision must be yours.

We will continue to do our best as we did last year. However, "You get what you pay for" and that's the first step.

Mark T. Winsor

**Pathfinders**

Pathfinder Club met Friday at Patching Club House. A program on "Emergencies" was skillfully given by a guest speaker, who has helped many people in life-threatening emergencies.

Mr. Delbert Robertson said in winter our homes and cars are closed securely against cold air. We must be alert for carbon monoxide gas and toxic gases. If a smoke alarm system is to be used in the home, place it above the bedroom door.

The victim of a fall should be encouraged to take several deep slow breaths. This will keep down feelings of panic and embarrassment. In case of bleeding, a cool,

damp cloth with slight pressure can help stop bleeding. If no bones are broken, the patient can recover soon. Let him recover at his own pace. Doctors say if a bone is broken, it often was broken before the fall. Weak bones giving away causes the fall in some cases.

Mr. Robertson said choking can be a fact of life and can happen. The abdominal muscle, the diaphragm should be forcefully pushed. This forces air up through throat and thus dislodges the object causing the choking. Club members and guests asked many questions. We can call sheriff's office or just the operator for help in case of accident.

The hostesses Mrs. Jesse Adams and Mrs. Frank White, Jr. served dessert, coffee, tea, nuts and mints from a beautiful table in the dining room. The acting president Mrs. Murle Butts poured coffee from the memorial tea service brought in memory of members. Spring flowers, fresh golden forsythia, delicate white baby spirea, bright red japonica, and yellow and white jonquils gave a bright promise of spring in the house, as well as in the yard.

Members and guests are enjoying these spring flowers.

Guests were Hazel Brandon, Naomi Phelan, Edna Dishman, Stella King, Juanita Carter, Zell SoRelle and from Amarillo Helen Oakes and Mary K. Blanton, mother of Mrs. White.

You know it's an imitation. But what about the many people today who have decided they are just like a banker? From stockbrokers to retailers, from credit unions to insurance men, to savings and loans, they all seem to be saying, "You don't need a banker, we'll do just as well." Oh, no they

won't. Because no one else has the banker's hundreds of years of banking experience behind them. Nor do they enjoy the kind of trust that bankers do from the majority of Americans.

Mr. and Mrs. Hinds went to Slaton over the weekend to pay a visit with their brand new great granddaughter. Mr. Hinds told me she said "hello, Granddad." I don't know if she did or not. My grandson can't say much of anything yet, and he's a week older than the little girl.

W.P. Doherty is in Hawaii visiting his grandson, Scott Doherty. At least everyone hopes he's there. He had a lot of trouble getting started. Red Hill took him to catch his plane, and they got two traffic tickets between here and Amarillo. He missed his plane and had to catch one enroute to Dallas, and when Red started to come home, there was another ticket on his car for parking in a short term parking spot.

Bill and Juanell Carson are spending a few days in Borger tending to business. They were missed at church Sunday.

Weldon and Martha Vaughn of Amarillo have been visiting her sister, Darlene and L.D. Ball. Darlene told me they came for Martha to make ceramics at their sister, Sharon Ferguson's shop and came on to the Ball's house.

Woodrow and Mildred Clendennen stopped by Sunday and visited with Tom and Opal. They were enroute home from Dallas where they attended the wedding of Mildred's brother, Garland Crawford. They visited with Johnny and Marina Reynolds at Possum Kingdom Lake, too.

Ed and Ethel Favor celebrated their fifty-fifth wedding anniversary Sunday, March 9, at a family party at the Hedley Lions Den. Those helping them celebrate were their children, Carol and Marsha Favor from Childress and Bill and Alice Paschal, Kent and Megan of Amarillo, grandchildren Sherri Campbell and Tiffany, and Rusty Favor, Dustin and Cody of Childress. Ethel's brother Bob and Jessie Roland and nephew Bobby and Pat Roland were also there. Their daughter Barbara Owens and her family were unable to attend.

Beulah Hall fell recently and broke her right hand and sprained her left one badly. Both are in casts. Their children have been here helping her and D.K. Radell and Elizabeth Sanders of Tulia, Gene Sanders of Amarillo, Bill and Rosalee Sanders, Truett and Fern Hall of Clarendon and grandson John and Susan Hall have all taken their turn in giving their parents help. Beulah also told me that she had the best neighbors in the world. She said that no day passed that one of her neighbors didn't bring them something ready to eat. I've said it before and it doesn't hurt to repeat it...the best people in the world live in Hedley.

Su-San took mother to Wellington to see the doctor one day last week. He told her she was doing well. I think she's gained a little bit of the weight she lost when she was so sick.

Edgar and Lucille Roach of Garland have been visiting with her sister, Travis and Inez Bland.

Vonona Bennett and her grandson, Christopher of Amarillo spent Sunday afternoon with her mother Mrs. Eva Hansard.

Bud and Betty Hoggatt, James Hoggatt and Jimmy Kennedy went to Tulia Saturday to move Johnny and Mary Katherine Hoggatt and their family to Amarillo where Johnny will assume the position of head of security at Bell Helicopter.

Clyde and Mildred Hoggard shopped in Clarendon Friday afternoon. They stayed and attended the musical at the Clarendon Senior Citizens. They also visited with Mrs. Altha Floyd while they were there.

Bobby Hoggard brought his children, Bill, Audra, and Candi to spend the weekend with his parents, Clyde and Mildred Hoggard. Carla Hammond of Clarendon joined Audra for the visit.

Travis and Mae Griffin of Globe, Arizona are visiting her parents, Mr. and Mrs. Elmo Kennedy, and sister Bud and Betty Hoggatt. They will remain here for about two more weeks.

Jane Long rushed to Lubbock last week to be with her daughter, Betty Ward, when she had emergency surgery. Betty is doing well but will be off her job for about six weeks.

Jim and Berle Owens visited with their mother, Mrs. Cassie Owens during the weekend. Her granddaughter, Kathy Koenig and James spent the night with her Saturday night.

Bob and Pat Roland of Amarillo spent the weekend with his parents Bob and Jessie Roland.

Alfred Spalding has been under the weather lately. All his children came and spent some time with him and Eloise last week. Doug and Martha Lowe of Fort Worth, Bob and Kathleen Pizley of Lindsey, Oklahoma, Gary and Sarah Carter and Lisa of Clayton, New Mexico came along with grandchildren, Deena Messer of Amarillo and Angie Mackey, Travis and Trenton of Sayre, Oklahoma. Trenton had to be rushed to the emergency room at the hospital when he got choaked.

Jerry and Linda Frye of Amarillo lunched one day last week with her parents, T.E. and Faye Naylor. When I talked to Faye, she said that it would probably be their last visit until after they get their new baby. Jamie said that they had three more Sundays until they got it.

## March 9 - 15 Older Workers Week

Focusing attention on the importance of meaningful employment for senior Texans, Governor Mark White proclaimed March 9 through 15, as Older Worker Week in Texas.

Older Worker Week is an annual event designed to spotlight the valuable contributions of older Texans as productive members of the State's work force. Representatives of the Senior Community Service Employment Programs, Texas Department on Aging and the Department of Labor joined the Governor in acknowledging that senior workers are among our most important resources.

Senior Community Service Employment Programs employ over 3,000 seniors, 55 years of age or older, who provide needed services to non-profit organizations; such as senior centers, local school districts, public libraries and municipalities.

"Older workers possess unique skills and capabilities acquired through years of experience and hard

work," said Joe Rankin, President, Texas Farmers Union, "and we support both private and public efforts to provide older Texans with gainful employment opportunities." Texas Farmers Union sponsors the State's two largest older worker programs, Green Thumb and the Senior Texans Employment Program.

## 4-H activities

By RHONDA MABRY

The Junior 4-H Club met Thursday, March 6. The members in our 4-H Club are Laura McAneer, Sheri Hall, Suzette Henson, Megan Hollar, Jenny Bell, Lori Quesenberry, Kimberly Altman, Mandy Sliger, Elizabeth McAneer, and Rhonda Mabry.

First we filled out and discussed our record forms. We learned about labels on clothes and fading of clothes. We also learned how to wash and take care of clothes.

We talked about our field trip which is planned for March 21st.

JoAnne Airsim will be taking us on a tour of the museum in Canyon. She is going to show us clothes from different eras.

Every Thursday we have a 4-H Club meeting and we would like to invite anyone to come. It is from 4:00 to 5:00 p.m. at the fellowship hall of the First Baptist Church.

By JUAN RODRIGUEZ

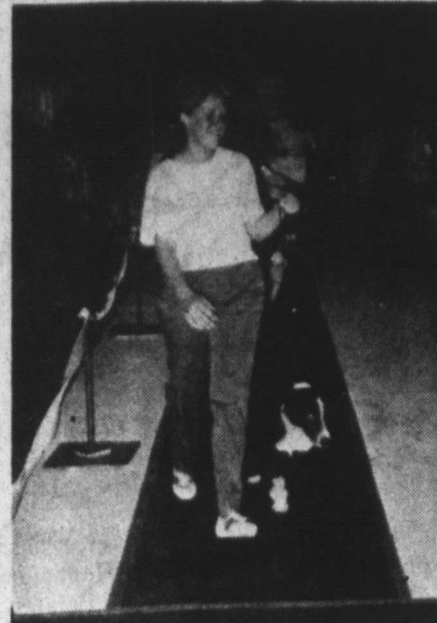

Our teams of the month for February are Jenifer Davis and Ben, her Border Collie, and Todd McAneer and Sandy, his Labrador Mix. Jenifer and Ben currently have one

out of their three legs needed for their CD (companion dog) title. A leg means receiving a qualifying scorer in the ring. To get a CD title you must qualify three times under three different judges, or three legs. They have also done a wonderful job in class where they made a qualifying score during the judging of Mr. Clarence Moore; they were then passed on to the open class from novice. Keep up the good work!

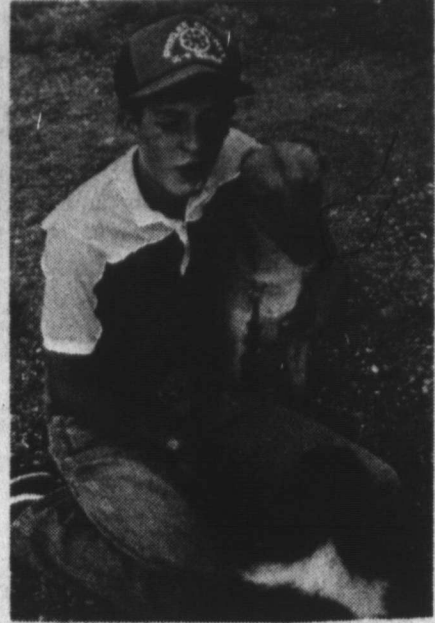

Our next team of the month is Todd and Sandy. A tragic accident happened in late August. After competing in the 1985 State 4-H Dog Show, when Sandy was shot in the leg. Todd didn't give up on her though. Sandy was bandaged and cared for until her leg healed. Now both are back with us and doing as good as ever. Their remarkable faith and love in each other brought them through this terrible time. Congratulations to both teams!

If you are interested in participat-

ing in the project, volunteering as a leader or donating sewing equipment and/or supplies, please call Terry Floyd at 874-2141.

### 4-H Clothing Project field trip

The Donley County 4-H Clothing Project group will go on a field trip Friday, March 21, 1986, to Canyon, Texas, to tour the Panhandle-Plains Historical Museum. School will not be in session that day. Jo Ann Araism, museum curator, will give the group a guided tour through the clothing and textile exhibits. This will be of particular interest to the group, as well as a program on "the History of Fashion Design" to be given by Ms. Araism. The group will end the day with a fabric shop tour, in hopes of familiarizing themselves with fabric content, patterns, notions, etc. Each member needs to sign up for the field trip (deadline is March 17). They will also need to bring money for lunch, and meet at the front of the old courthouse at 8:15 a.m., on Friday, March 21. We will leave at 8:30 promptly, and return to Clarendon (old courthouse), hopefully by 5 p.m.

## Senior Citizens News

Thanks to Ann Bunyan and Eda Wallin for making aprons for the kitchen help. Thanks to Al Garno for some paper goods.

Carmen had forty-four come by on Tuesday, March 4, 1986 for blood pressure checks. She will be back on Tuesday, March 18th.

The Board of Directors met Wednesday, March 5th, a week early of regular schedule. Jean gave a

report for January and February operations and stated a budget analysis had been done for the five months of this fiscal year's operation. To date we are operating within our budget. New employee, Eda Wallin, was introduced to the board members. A report was given on the Area Agency Advisory Council meeting held on January 15th. We expect our Federal Grant to be cut with the implementation of the Gramm-Rudman Act. The Council meets again on March 19th. We expect more specific figures and dates at that time. Thanks to Creed Smith for taking the van to get a portable wheel chair ramp made, one that can easily be attached and

removed.

We received our new van Friday, March 7, 1986. We will be talking about our proposed programs for the new van really soon. There have been some questions as to the need and/or use of the new van. Folks please, if you have a question, come talk to us about it. If you just talk to your friend or neighbor about it, that only creates another question, so bring your questions to us (Jean Baten, Director, and the Board of Directors). All board meetings are open to the general public. We do need to know if you want to attend in order to make seating arrangements.

But remember if you have a question ask when the question comes up. You do not have to wait for a board meeting.

Revised copies of our personnel policy and procedures were issued to each board member. Changes made were discussed in December 1985 and approved at the January 17, 1986 meeting. A copy is on the bulletin board for general knowledge.

Thanks to our volunteers for February 1986, Alta Adkins, Della Allenh, Barney Baten, Thelma Behrens, Ann Bunyan, Norma Corgill, Jack Edwards, Lillian Eudy, Lenora Karnes, Amy Lawson, Marie

Yates, Jerry Chambliss, Truett Behrens, Wally Sides, Ray Anderson, O.C. Edwards, Steve Reynolds, Bud White, Shirley Bulman and I sat with them for a few minutes. Donuts from the Bronco Sweet Shop, cookies from J.B. Yates and the other goodies were from hostesses Jake Smith and Nova Neuhaus. It was a really good session. ### Library News

People who think that a library is nothing but a few shelves of novels and some magazines are in for a pleasant surprise. Libraries loan art prints to hang on the wall at home or at the office. They provided large-print books to those whose eyesight is not what it once was, and even cooperate with other agencies to supply "talking books" to those who cannot see at all. The Clarendon library has cassette tapes of Dr. James Dobson's lectures which have proven popular with individuals and church groups. It even has films, records and tapes.

Some Clarendon folks are unaware of services such as interlibrary loan, as are most people in larger cities. But ILL services are even more beneficial to patrons of small libraries than they are to those of the big-city institutions, whose collections are more comprehensive. Through ILL, virtually all the library books within several hundred miles of Clarendon are available for the asking.

Head Librarian Annis Stavenhagen is currently planning the Summer Reading Program. Clarendon children are expected to flock to the library soon after school is out. Last year an average of eighty children attended each day of the five-week program. This has been one of the most phenomenally successful services offered in the history of the town, since almost every eligible child has participated. In an age when most parents and teachers have a hard time interesting youngsters in reading, this program is invaluable.

Visitors to Donley County are often startled, and are almost always impressed, to see a library of such size and quality in a town so small. Its existence is a credit to all the residents of the area. Those who use it benefit themselves, help the library and contribute to the community as a whole.

As a relative newcomer to our community, I would like to issue a challenge to my fellow residents, whether they are fast-moving go-getters or self-proclaimed "stick-in-the-muds": Let's start planning now to secure a safe future for our library. More than half of its present funding comes from the Federal Government or from the State of Texas. Federal funding will probably not survive the Gramm-Rudman act, and state revenue is shrinking fast, as oil prices continue to slide. We cannot confidently expect help from either source for much longer.

None of us want to see an article in the paper in a few years headlined "Library Terminal," and explaining that "due to lack of local interest and lack of funding, the Clarendon library will expire on January 1, 1988, after a long illness." If we begin to plan now we can avoid such a rude shock in a year or two.

The next meeting of the Friends of the Library will be March 19, at 7 p.m. at the library.

**WATT'S HAPPENING IN HEDLEY**

BY Peggy Watt

The Hedley Lions Club met March 6th in their newly remodeled hall. President Louise Stewart presided. The minutes of the last meeting were read and approved. Dorothy Whitaker read the treasurer's report. Dorothy Whitaker led the prayer and a delicious meal of salads was enjoyed by everyone. The Amarillo Lions Club was present and was very impressed by the building.

We voted to have a bake sale and open house on March 28.

Those present were Louise Stewart, Nora Hopper, Dorothy

Whitaker, Dorothea Crawford, Sharon Ferguson, Pauline Kaufman, Helen Lamberson, Tiny Harmon, Mahdeene DeBord, Mildred Lett, Betty Gilchrest, Sue Weatherly, Juanell Carson, and guests Colleen Lamberson, Naomi Kemp, Allie Barrington, Betty Ann Boyd, president of Amarillo Lions Club, Pat Corbett, Mr. Corbett, Lioness Club Liaison, Gloria Boland, Rose M. Orth, Cheryl McPherson, Doris L. Perkins, Kandy Tilley, and Linda Honaker.

Funeral services were held recently in Salem, Oregon for Fred Pierce. His wife is the former Icie Harrison and is the sister of Inez Bland. The Pierces are former residents of Hedley and are probably remembered by a lot of people.

Murrell and Dorothy Whitaker lunched with David and Paula Lowrie in Clarendon Sunday.

Nookie Wiggins took Geraine to Amarillo to see the doctor Tuesday. When she had her last checkup, she was doing well. Hopefully she'll get the same good report this time.

Susan accompanied Keith, Guy Fred and me to Amarillo Tuesday. Her little car wasn't built to hold many people the size of most of us. Five people Fred's size can fit comfortably, but it was crowded for Suzy, Guy, Keith and me. Keith isn't very wide, but he's pretty long, whereas, Suzy, Guy and I aren't very long.

Callie Stephens is in Hall County Hospital for tests.

J.T. Jr. Lamberson of Houston was recent guest in the home of J.T. and Helen Lamberson. Helen's sister, Betty Hix of Amarillo joined them Saturday. They went to Pampa Sunday and lunched with Buddy and

Alma Lamberson.

Murrell Whitaker gave an interesting and informative program on cancer to the health classes at school recently. He cautioned them on the use of tobacco, especially snuff and cigarettes.

Hedley School held open house observing public school week Thursday, March 6. The evening began with the kindergarten through third grades presenting a short musical program called "Sounds We Have Heard". They used a variety of different objects to make the various sounds. A bag with small rocks or beans accompanied the paper bag rag. Two tin cans knocked together was used during the tin can march. The balloons which they used to make the sounds of bats squaking made everyone's hair stand on end. A small can with beans made the

sounds of rattlesnakes and sponges squeezed into a pan of water made the sound of raindrops dripping. The kids sang loud enough to be heard over the music and nobody minded when Sammy Slover lost his balloon nor when Rachel Woodard announced the song which had already been sung. Everyone noticed Emory Lund trying hard to tear his paper and Jennifer Carson and Robin Springer have got to be two of the cutest little girls in town.

Following the children, the drama class, under the direction of Miss LaMoss Springer, presented the UIL one-act play, "The Shadow of a Dream" by Roland Fernand will begin competition March 20 at Clarendon College. The cast consists of Monica Koenig as Dorothy Owens, Ricky Springer as Robert Owens, Steve Mullins as Williams, Kyndie Longan as Hattie and Karen Crump as Estelle Durand. The kids did a very good job of presenting the play and Miss Springer is to be commended for the work she has put into it.

The classrooms were open to visitors following the play refreshments were enjoyed by everyone in the homemaking room. The display of science projects and the essays written by the junior high English class were worth seeing and reading. Anthony Carson showed a great amount of imagination when he wrote about the romance of two golf balls and Keith Brinson's model of a satellite looked like it should really work. It didn't take Danny Mullins long to change the education program to a video game on Mr. Leggit's computer. I think everyone enjoyed the entire evening.

The classes at Hedley School got their 4th six weeks report cards last week. The honor roll list is longer than it has been in the past, I think. The star honor roll consists of those students who maintained grades of 90 or above in every class except P.E. The A honor roll consists of those students who averaged 90 or above in all their classes except P.E. The B honor roll is made up of those students who averaged 80 or above in their classes except P.E.

Those on the star honor roll in the elementary grades are Jana Hill, David Ward, Christina Woodard, Melody Gibbons, Jennifer Carson, Gina Garcia, and Cindy Lee. On the A honor roll were Kari Glenn, Rachel Woodard, Mandi White, Robbie Longan, Tanya Holland, Jason Wiggins, Jennifer Hill, Shawna McCrary, Angie Longan, David Neeley, Stephen Carson, and Amanda Ward. B honor roll students were Sammy Slover, Shawn Johnson, Shannon Johnson, Jason Gilbert, Michelle Clubb, Christina Schwertner, Johnny Lund, Joe Beechy, Nancy Andiverdi, Jared Sims, Dana Monroe, Jeremy Monroe, Roy Ramirez, Patricia Gilbert, Karlee Alston, Chad Gilbert, Brannon Stephens, Kevin Johnson, Tiffany Wilkinson, Ramona Woodard, Shanna McCrary, Rachael Chapman.

In junior high and high school those on the star honor roll were Curtis Neeley, Anthony Carson, Stephanie Holland, Ricky Springer, Kyndie Longan. Those on the A honor roll were Carol Glover, Cheryl Glover, Scheli Holland, Susan Phelps, Tina Shields, and Calvin Holland. The B honor roll was made up of Marisol Andiverdi, Danny Mullins, Neal Taylor, Bud Drum, Larissa Floyd, Billy Clubb, Keith Watt, Tony Monroe, Sheli Slover, Chad Wiggins, Shawn Bright, Karen Crump, Steve Mullins, Monica Koenig, and Kelly Harmon.

The teachers across the state of

Texas took the TECAT tests Monday. I don't know about anybody else, but to me it seems like a lot of unnecessary foolishness. If there's need for changes, it should be in the colleges and universities that pass unqualified people and give them teaching certificates. I may be prejudiced, but I think the teachers in Hedley and schools around here are very competent. Several of the teachers who are working in the Clarendon schools are former Hedley teachers and those that taught my kids are outstanding. Mary Beth Nelson taught Keith and he did extremely well. Of course, my kids might be smarter than most kids to start with, but that's beside the point.

**Bishop emphasizes doing evangelism**

The district meeting of the United Methodist Church, Pampa District of the Northwest Texas Conference was held Saturday, March 9, at First United Methodist Church of Pampa.

A composite report of feelings from United Methodist Churches in the Pampa District was received and Bishop Louis Schowengerdt, Bishop of the Northwest Texas and New Mexico Annual Conferences shared his reactions to all of the feelings that had been reported.

He emphasized "doing evangelism" by members of local churches simply letting their concern for people be known through prayer and through helping unchurched persons know they were wanted.

Bishop Schowengerdt recognized the economic problems of the communities and acknowledged we would not be able to begin a lot of new funding programs. However, he voiced the feeling that this is the time for churches to be on the "cutting edge" of life and be making their ministry felt in the lives of people. Money is not the most vital question; sharing our faith with zeal and meaning is.

In his sermon as a part of the meeting Bishop Schowengerdt called on pastors to recognize and preach the need for repentance knowing that God forgives. Our theology needs to include the need for acknowledging sin and through Christ's love finding forgiveness.

Bill and Juanell Carson of Hedley United Methodist Church and Viola Bones, Pat Archuleta, Goodwin and Mary Bray of First United Methodist Church of Clarendon attended the meeting along with James and Juanita Carter, pastor and wife for the Clarendon and Hedley Churches.

# GIRL SCOUT WEEK

## MARCH 9 - 15

### Troop 180

Eighth grade cadettes attended an atomic energy seminar four Saturdays in October at Amarillo High School which was climaxed by a trip to Albuquerque, New Mexico in November. The seminar was attended by Boy Scouts and Girl Scouts throughout the Panhandle area.

Also in the fall, the girls attended a badge workshop in Borger, which began on a Friday night and ended late Saturday afternoon. They went to Frank Phillips College where they visited the radio and TV department, the presidents office where word processing equipment was demonstrated, and the library where they were allowed to try out the computers, and then were treated to a swim in the olympic size swimming pool at the college. The following Saturday they visited Borger City Hall, police station, the fire station, an auto mechanics class at the Ford Dealers and the museum. They have spent most of the year working on their Silver Award.

At the present time they are working on a readers theater production of "Saints' Roost Saga," which will be presented at the Sesquicentennial Council Event, the Clarendon PTA and the Father-Daughter Silver Award Banquet March 14.

They are also working on their God and Country Award.

### Troop 29

We have been busy this year. Toni, Kelly and Suzette went to Oklahoma City October 25, 26, and 27 to the zoo and Kirkpatrick Center. Left Clarendon at 5:00 Friday afternoon for Pampa, left Pampa at 4:00 Saturday morning. Saturday night we went to Binger, Oklahoma for the night, stayed at Red Rock Girl Scout Camp, left for home Sunday morning

after Scout Own at camp. There were 78 girls and 11 adults.

The girls in this troop have earned their first aid, my heritage badges and are working on personal health and state Sesquicentennial Patch.

They have sold calendars and cookies and are working on a Saints' Roost Saga for Spring Event in Pampa March 8 at M.K. Brown. Toni will be Charles Goodnight, Kelly, John Adair; Suzette, Clara Carhart; Megan, Cornelia Adair; Regina, Molly Goodnight.

We are getting ready for a Father-Daughter Banquet March 14. We'll also be attending a junior camperoo in April three days for camping, games and other activities.

### Troop 217

Troop 217 - second graders have been working on the Texas Sesquicentennial Patches. They have learned about Donley County and the State of Texas.

The girls did a very good job selling cookies.

They are also working with the troops on "Saints' Roost Saga," to do at the council event at Pampa on March 8. We would like to thank some of our mothers for helping us make our Indian costumes, Pat McAnear, Pat Allen, and Melissa Hatley.

### Troop 203

The girls in this troop have earned two badges, local lore, and first aide and are working on personal health and Sesquicentennial State Patch.

They have sold calendars and cookies and are presently working on Saints' Roost Saga for spring event in Pampa on March 8 at M.K. Brown. Cara Breitling is a school marm,

Jennifer Brady, Dr. Stocking, Christel Green, T.S. Bugbee, Carrie Shields, a nun, Janet Watson, Monte Ritchie.

These girls also attended the trip to Oklahoma City in October, Cara Brietling, Christel Green, Jennifer Brady, and will attend junior camperoo in April.

### Resident Camp

Girls are given the opportunity to attend resident camp each summer at Camp Cibola, more commonly known in the Clarendon community as the old country club.

They live in cabins, teepees, and covered wagons. Activities include arts and crafts, archery, swimming lessons, games, outdoor cooking and canoeing.

### Troop 111

In September the troop participated in a Brownie Cluster Event at Camp Cibola. The theme "The Best Part Is The Fun" was designed around the use of balloons. The troop sold approximately 50 calendars during their annual calendar sales in October. All the Brownies did a terrific job selling cookies this year. The troop sold 1,224 boxes. Thanks to all of that hard work, they will be enjoying a pizza and skating party in April. The troop is also participating in a production of "Saints' Roost Saga," which they will perform at the March PTA meeting, the Texas Sesquicentennial Event in Pampa, and the Father Daughter Banquet. This has been one great year for Troop 111!

These settings will include national parks, and wilderness areas, camps and college campuses, farms and wind-swept plains, frontier towns and major cities - just to name a few. They will explore careers related to computers, horses, the arts, travel and transportation, or working with people with disabilities. They can learn about archaeology, ecology, auto racing, photography, or the performing arts. They can relive the past and preview the future, sail, canoe, backpack, travel through rugged mountains, see the Great Lakes and visit New York City.

Shannon Myers and Athena Bell in the summer of 1984 flew to New Orleans to the Worlds Fair and in the summer of 1985 went with other girls in the Quivira Council to San Antonio and Austin.

This summer Shannon Myers has been selected as an alternate for the Wider Opportunity "Where the Water Meets the Land" at Camp Soni Springs in Three Oaks, Michigan. If Shannon attends this event, she will enjoy sailing, tent camping, windsurfing, and canoeing, while studying the ecology that makes them possible.
