HERE'S an opportunity for extra income.
Without interfering with your regular business, you can take orders for Oldsmobile cars and pick up substantial extra profits. Men in the businesses listed above (and many others) are already doing it in other towns this size - why not you, right here at home?

Oldsmobile's broad line of cars-including three Sixes and three Eights and covering every price-class but "high" - makes every prospect for a new automobile a prospect for an Oldsmobile. Oldsmobile advertising in national magazines, newspapers, farm papers and on billboards pre-sells prospects in every community. Automobile experience is not required nor any great capital investment. The main thing is to show a good earnings record in your own business and to have an alert, aggressive attitude. If you would like to learn how to make more money by taking on the Oldsmobile line, write to the address below.
