Izzard Pictures Graphic War Changes At C-C Banquet

"The small towns are coming into their own as a result of conditions and experiences of the war," was a declaration of Wesley S. Izzard, principal speaker at the Chamber of Commerce banquet here Tuesday night.

The speaker pictured the scenes of destruction in the larger cities in the war zone, the greater loss of life and the waste of property values. "There will be a tendency to decentralize both cities and population following the war," he said.

Beginning his talk with a facetious word picture fitting into his subject, "When War Comes to the Panhandle," Mr. Izzard planned a blocking of German invasions with autos. "If the thousands of autos jammed together in front of the raiding hordes cannot stop them, then nothing else can," he humorously remarked referring to a traffic jam at a football game.

It was the speaker's opinion that we were already in the war, that we should aid England on an all-out basis to save the last stronghold of civilization.

He paid high tribute to the achievements of the youth of Donley county, and our quality of citizenship as well, among other things during the hour or more required for the delivery of his interesting message.

Judge J. R. Porter was toastmaster. He made the welcome address responded to by Garnett Reeves of Pampa.

The highlight of the occasion was the McLean trio singing six numbers during the program. Frances Sitter, May Evelyn Foster, Beth Yvonne Floyd, accompa-

nied by Erey Glenn Fullbright, piano, Robert Gibson, violin.

Guests were presented from Amarillo, Pampa, McLean and Memphis.

County agent H. M. Breedlove introduced Johnny Leathers to whom he presented a gold medal for having produced the champion beef calf.

John R. Gillham called attention to Carl Morris and Forst Helton for having won at Kansas City judging contest. He also mentioned the fact that the local FFA boys won in the state milk judging contest, and was one of four outstanding FFA chapters at the Kansas City show.

The D. E. Leathers family was introduced as the winning family in the national "Most Typical Family" contest, and were given a big hand.

Minister Claude C. Smith was awarded first prize of a loving cup in the "yard beautiful" contest of the season, and the Bryan Clothing Company was awarded a loving cup as winner in the Christmas show window decoration contest.

Names proposed for selection of three Board Members were Sam Braswell, J. D. Swift, J. Marvin Warren, Clyde J. Douglas, Verna Lusk and J. R. Porter. The last three named were elected. Holdovers were H. L. McElvany, J. T. Patman, C. J. Douglas and Isadore Mellinger.

The ladies served 176 plates. This number exceeded that of the last banquet by seventy five, there being one hundred and one to attend the Chamber banquet in January of 1940.

Consumers To Observe 3rd Anniversary

Members of the Donley County Consumers and their invited friends will observe the third anniversary of the movement here next Wednesday, an annual custom.

The affair will be held near the noon hour at the Presbyterian church. The usual 'big feed' will be available at the noon hour.

A number of speakers will be heard. Among them will be F. E. Hobgood, manager of the CCA in Amarillo. A. D. Nance will come along to represent the same organization, and will have something worth while to say.

Editor M. Allen Baker of the "Producer-Consumer" printed in Amarillo will be present. Other speakers will be D. F. Wadley, B. P. Williams and W. T. McLaren of Claude.

Walter Lowe is president of the organization, and Forest Sawyer is secretary. The present membership is one hundred and four, and is said to constantly growing in number despite the fact that several of the original members have moved away from Donley county.

Rural School Is Serving Lunches

To the Chamberlain school goes the honors for being the first rural school to serve pupils hot lunches at the noon hour. Mrs. Andy Cowan has charge of this phase of the school.

The building has four rooms. Only three are needed. The vacant room was fitted up for a lunch room. Food supplies are received from the local storage here of the Surplus Commodity Corporation.

This arrangement enables the pupils to secure hot foods in variety without costing the district anything extra.

Principal Bill Todd is assisted by his wife in teaching this excellent school. They have had charge of the work out there for several years.

ATTEND MANTELL FUNERAL SATURDAY AFTERNOON

Among the thousands to attend the funeral service of Dutch Mantell in Amarillo Saturday were Mr. and Mrs. Doss Palmer of Clarendon.

Rev. Thomsen, pastor of the Presbyterian church, who conducted the last rites stated, among other things, that "this is the first service of this kind in my experience where there were no known surviving relatives, and yet thousands of friends to mourn the loss of this good man."

Among the number were both white and colored, a special section of the church being set aside for his colored friends. Dozens of boys paid him tribute besides those of Boys Ranch at Tascosa.

Mantell was the friend of the needy, and a man who helped many a sick boy and girl to regain health through proper physical exercise. In some instances, he provided proper food and clothing at his own expense.

A professional wrestler for years, Mantell traveled over the Globe and more than twenty years ago selected Amarillo as his choice of all sections to make his home.

LEGION DINNER DATED FOR FEBRUARY 13th

The American Legion Auxiliary will entertain the Legionnaires and their wives with a covered dish dinner February 13th.

The place of gathering is the Legion Hall, and the hour is 7:30 p. m.

CARS COLLIDE MONDAY

Both cars were badly damaged Monday when Elmer Darnell of Hedley collided with a party from the Bray community whose name could not be learned. Both cars are said to have been heavily damaged when the steering on the Bray car failed to work.

TEACHER RESIGNS PLACE IN LOCAL SCHOOL

Announcement is made of the resignation of T. H. Stewart, member of the College faculty for the past few years. He has been instructing in chemistry and biology here.

He will be in the employ of a potash company as chemist, near Carlsbad, New Mexico.

Old Gas Case Hangs Fire

While in central Texas on another business matter, Mayor Connally came by way of Austin on his return where he inquired into the status of the pending gas case from Clarendon that has been hanging fire for a number of years.

The Mayor discussed the matter with Judge Olin Culberson, now a member of the Railroad Commission, but who was an employee of the gas division of that Body at the time he held a hearing here some two years ago.

The Mayor stated that Judge Culberson advised against any form of compromise in that he believed that the citizens of Clarendon would eventually get the refund on alleged excess charges for gas service as claimed in the suit.

Mayor Connally stated that an issue was now pending before the United States Supreme Court in the Lone Star gas case, and that the Third Court of civil appeals, where the Clarendon case is now pending, was awaiting the Lone Star decision before rendering a decision in the local case. The causes are said to be quite similar, the Mayor stated.

DONLEY PIONEER CITIZEN ILL IN AMARILLO

The continued critical illness of Mr. J. J. Goldston, 85, is causing concern of his relatives and friends. He is said to have suffered a light stroke at his temporary home in Amarillo a few days ago where he had been taken for medical treatment.

Joe Goldston and a local physician returned here today after being at the bedside of the stricken man last night. Mr. Goldston stated that he saw little change in the condition of his father.

ASHTOLA SCHOOL PLANS HOT NOON LUNCHES

Plans were made here Tuesday for the opening of a school lunch room at the Ashtola school. The school board conferred with Henry Tatum who is in charge of the store room of the SCA here. Through this plan, foods cost little or nothing.

MINISTERS IN DALLAS

Supt. G. T. Palmer and Rev. J. O. Quattlebaum, Jr. are in Dallas for the week attending a pastor's training school at Southern Methodist University.

HUMPHREY BROTHERS GET IN BRAWLEY HOSPITAL

Just a few days ago, Earl Humphrey was released from the hospital at Brawley and returned to his home at Imperial, Calif.

A few days later, Joe Humphrey, Jr. was admitted to the same hospital for another appendix operation.

These fellows are sons of Mr. and Mrs. Joe Humphrey, Sr. of Clarendon, and resided here until some eight years ago.

HAS OPERATION

Mrs. Ed Wilmeth, wife of the Giles school principal, had an operation in a Memphis hospital a few days ago. She is said to be recovering nicely at this time.

Have Milkers Tested Free

County Agent, H. M. Breedlove stated this morning that approximately 700 head of dairy cattle had been tested for bangs disease in this county. This service is free of charge to every farmer or citizen of the county who wishes to have his cows tested. They may do so by making application for such at the County Agent's office. Dr. Layton of the B.A.I. has been testing the cattle in Donley County. A large number of reactions have been found in this county among the herds tested. Any person wishing to have their cattle tested for bangs disease please fill out an application at the office of the County agent.

WE ALL NEED THIS PATROLMAN

Safety experts declare the standard driver's license law now before the Legislature will protect farmers and rural motorists who suffered a 31 per cent increase in traffic deaths last year. Automobile accidents during 1939 and 1940 killed 3,300 Texans and injured 70,000 others—considerably more than the casualties of England since the air bombing began last September.

Fat Stock Show Judges Named

According to County Agent, H. M. Breedlove, the judges for the Donley County Fat Stock Show to be held at Clarendon on February 27th will be Mr. K. J. Edwards of the Texas A&M College Extension Service, who will judge the beef cattle and sheep.

The swine will be judged by Mr. E. N. Regenbrecht, swine specialist, from the A&M College Extension Service of Texas. These two men have judged the Donley County Fat Stock Show ever since it opened, and the Board of Directors instructed Breedlove to contact these men this year as judges. They have already advised Breedlove by mail that they would be glad to judge the Fat Stock Show again.

COUNTY AGENT'S OFFICE PUTS ON AIRS

When you walk into the office of the county agent these days, you will immediately find yourself in the midst of a bewilderingment of stalls, separating the several departments.

Your first impression will be, possibly, that you are in a zoo, though the only wild animals in sight are hanging serenely on the walls. Seriously speaking, the office arrangement appears to be a stream-line effect of modern efficiency.

BRAKES FAILED DRIVER

Rushing into the McElvany service station Sunday afternoon, W. C. Helms of Collingsworth county was excited when his brakes failed to work. In his effort to stop the car, he rammed the machine into the concrete "island" between the driveways badly damaging the front end of the car. The island escaped.

ASHTOLA YOUTHS VOLUNTEER FOR ARMY SERVICE

The latest Donley county army volunteers are Clifford Osburn and Robt. L. Jewett, both of Ashtola community.

The next selective service draft call will be on March 4th. As the matter now stands, Donley county will be asked for four men, should no further volunteers be recorded.

FORMER HOSPITAL MATRON DIES IN MINNESOTA

Information was received here this week to the effect that Miss Swenson, matron of Adair hospital many years ago, died in Minneapolis, Minnesota January 22nd of a heart attack.

PRESIDENT SWIFT ANNOUNCES FAT STOCK SHOW DATE

SISTERS VISIT BROTHER AFTER 44 YEARS

Back in July 1940, R. A. Brame, who then resided on the highway east of town, was jerked in front of a passing auto. He was leading a milk cow across the highway at the time.

He suffered serious injuries and has been an invalid since. Last week his left foot was amputated by a Memphis surgeon. He is staying at the home of a daughter, Mrs. Thomas Clayton and husband.

Among the relatives to visit him recently were two sisters, Mrs. Marion Lucus of Baton Rouge, La., and Mrs. Kate Smith of Centerville, Miss., neither of whom he had seen for 44 years.

With him at the time of the operation were several local relatives, and three sons from a distance. They are Vernon Brame of Hartley, Texas, Herman Brame of San Bernardino, Calif., and Leroy Brame of Baton Rouge, La.

DAUGHTER ENNIS FAVORS CHOSEN HOUSE MASCOT

Wilma Jean, aged five, and a daughter of Rep. and Mrs. Ennis Favours was officially named by the House as "Sweetheart of Mascots" of the House of Representatives for the 47th Legislature of Texas in Austin a few days ago.

The illustrious father, Rep. Ennis Favours, was given a number of important places on committees of the House. He is also author of a number of bills now pending before that body.

EDITOR'S GRAND DAUGHTER ILL IN AMARILLO

Ill for several days, the condition of Jacqueline Marie Estlack, aged three, became worse Sunday and she was taken to an Amarillo hospital where she was found to be suffering from pneumonia. She was accompanied by her parents, Mr. and Mrs. George Wayne Estlack and Mr. and Mrs. Alfred D. Estlack.

Her condition has shown a decided improvement the past two days, with every indication that she will be brought home soon.

RELATIVES MEET AGAIN AFTER 25 YEARS

Relatives from East Texas here the week end visited in the W. A. Land home, and with other relatives for the first time in 25 years. They were Mrs. Aline Kyle and Mrs. Jeff Kyle of Tenaha, Texas.

Other relatives were Byron Baldwin of Memphis and Mamie Baldwin of Vernon, and Mr. and Mrs. Glenn Casey of Amarillo.

HEATH SAYS BUSINESS STEADILY BETTER

J. Frank Heath, owner of the Clarendon Furniture store here, and a similar store in Amarillo, came down for the Chamber of Commerce banquet Tues. night. He was accompanied by Guy C. Victory, traveling freight and passenger agent of the Denver road.

Mr. Heath stated that business was good and getting better every day.

GONE TO ARIZONA

Mr. and Mrs. J. L. McMurtry are in Tucson, Arizona for the remainder of the winter for the benefit of Mr. McMurtry's health. This will be their fourth winter in that well known winter health resort.

FORMER CLARENDON BOY IS RADIO TEACHER

James E. Chilton is instructor over fifteen NYA youths at Vernon's night school operating under the public school board of that city.

The class is a part of the national defense program. Instructor Chilton is a licensed short-wave operator, a former Clarendon youth and a son of Mr. and Mrs. Jimmy Chilton of Clarendon.

The Donley County Fat Stock Show will be held on February 27th this year, and County Agent H. M. Breedlove says that all 4-H Club boys and F.F.A. boys are working hard getting their prize exhibits in shape to be shown at the local show. The show will be held on the 27th of February in Clarendon, beginning at 8 o'clock in the morning and ending at 4 o'clock P. M. President J. D. Swift has instructed all committees to start functioning at once and get all arrangements made for the show to get under way on the date above set out.

Allen Bryan, chairman of the finance committee reports that the finance committee is now collecting donations from merchants and citizens of Donley County. The premium list is expected to be around \$225.

Another meeting of the Board of Directors will be called in the office of the County Agent in the very near future. At this time a definite premium list will be published and the heads of various departments of the show will lay their plans to carry out their various assignments in regard to making the show a success.

The heads of these departments are as follows: H. M. Breedlove is in charge of the 4-H Club boys and J. R. Gillham, the F.F.A. boys; swine, C. B. Morris, E. S. Ballew, Bert Mayfield; beef cattle, Clyde Gilbert, C. L. Lewis, and D. E. Leathers; sheep, Joe Green and John Potter; and the finance committee composed of Allen Bryan, Bert Smith, Odos Caraway, C. B. Morris, Alfred McMurtry, John Gillham, H. M. Breedlove, Verna Lusk, C. T. McMurtry, and Clyde Gilbert.

CALVES BURN IN FIRE ON REEVES FARM

A fire destroyed the barn on the G. G. Reeves farm in the Chamberlain community late Monday evening. Two calves, farm implements, feed, gasoline and coral fence was destroyed, it is reported.

FEATURE WRITER VISITS IN CLARENDON

Among the gifted feature writers of the Panhandle is Miss Floy Wynn, who is to write a book soon featuring the women of the Panhandle who have made history. She stated Saturday that she knew of a number of wonderful women who were little known, and yet had made a wonderful record.

Miss Wynn makes her home in Lefors, and was formerly connected with the paper published there.

MAHAFFEY CRITICALLY ILL IN FT. WORTH

Slayton Mahaffey and John Rhodes were in Ft. Worth the last of the week where the son was called due to the critical illness of Frank J. Mahaffey, who had been operating a grocery store there for some years.

Mr. Mahaffey formerly farmed here and later was in the realty business. He sold out several years ago and went to Redlands, Calif.

Lice Control On Live Stock

County Agent, H. M. Breedlove, stated today that two demonstrations were held for the control of lice on cattle on the C. T. McMurtry ranch, 15 miles north of Clarendon. 1400 head of cattle were dipped in each of these demonstrations, and Mr. McMurtry, who is one of the successful old-time cattlemen in this section of the country, states that he has never seen a bunch of cattle change and start to do better and look better than these cattle did after they were dipped by the use of cube and sulphur.

A previous demonstration in Donley County was held on the J. A. ranch and around 900 head of registered cows were dipped from the registered herd.

BANKING BECOMES "HUMANIZED"

There's been a revolution in commercial banking in recent years. It has been a bloodless and salutary revolution—and it involves banking's methods of "selling itself".

Dead and gone are the days when the banker sat in his bank, almost as remote as one of the Greek gods on Olympus, and waited for the nervous customer to come to him. Today banking goes to the customer—and it uses every possible medium to reach him. It advertises in newspapers and magazines. It issues brochures, which accurately explain to the layman how banking works. It has entered new fields of activity, such as small personal loans and automobile financing. And, as a result, its vital economic services reach a far greater proportion of the people than ever in the past.

Banking, in brief, has become "humanized." And that is all to the good for a variety of reasons. A public which really understands banking is not a public which readily falls for crack-pot schemes to socialize the banks, or to otherwise give the politicians dominance over the people's money. And, on the other side of the medal, when banking better understands the needs of the public, it does a far more effective job in building and strengthening the country.

Any man of character and standing with a legitimate financial need is welcoming in the commercial banks of today. His business is wanted—whether it involves a hundred dollars or a hundred thousand, so long as it meets with the requirements of law and safe banking practice. The banks want to put their money to work.—Dalhart Texan.

CHEVROLET SALESMEN GET SPECIAL RECOGNITION

Grover C. Heath and S. C. Bell, salesmen for the Clarendon Motor Company, local Chevrolet dealer, have just returned from Oklahoma City where they received special recognition in a meeting conducted by factory executives for having attained membership in Chevrolet's famous 100 Car Club for 1940. There were 113 members of Chevrolet's 100 Car Club in attendance and the group was honored and paid cash awards.

Grover C. Heath and S. C. Bell stated that they expected to make a new sales record in 1941 because with improved business conditions and the finest Chevrolet ever built to sell, they felt that everything was in their favor.

Robert Taylor As Flying Cadet In New Air Thriller

Spectacular thrills of the air come Sat. night prevue, also Sunday and Monday to the Fasttime Theatre with Robert Taylor. Ruth Hussey and Walter Pidgeon in "Flight Command", smashing drama of naval aviation.

Taylor plays Alan Drake, Pensacola cadet, assigned to the crack "Hell Cats" squadron. Amid thrills of battle practice and intimate details of life at an air base, he seeks to comfort the wife of his commander when her brother, his best friend, "cracks up". Members of the squadron, loyal to their commander and his wife as is Drake himself, misunderstand the situation and in his anger Drake resigns. After a sensational rescue during maneuvers, the misunderstanding is cleared and the squadron, reunited in loyalty, takes to the air.

Amid the dramatic episodes run thrills of dive-bombing, forced landings, battle practice. Taylor's close escape when his fighting plane tangles with an aerial target, and other peak moments of excitement in the air.

Others in the cast are Paul Kelly, Shepperd Strudwick, Nat Pendleton, Red Skelton, Dick Purcell, William Tannen, William Stelling and Stanley Smith.

Pensacola and North Island are principal locales and replicas of important locales there were authentically constructed.

The "White Paper" which was just recently published by the Dies Committee, reveals the extent to which undercover activities of the German-American Bund have used to promote support for Germany's programs within the United States. Documentary evidence of the transfer of funds, similar evidence of the close affiliation of the German Consular agents with leaders of Nazi activities in this country, and photostatic copies of this evidence is worthy of your close study. Have your Congressman send you a copy of the "White Paper."

TEMPLE OF TRUTH
By The Apostle
BACON AND EGGS.

Quotes from a personal letter from Cong. Gene Worley: "I note that you are writing a book and I hereby and herewith respectfully request that my name be placed high on your list for an autographed copy. I am looking forward with pleasure to another meal of bacon and eggs with you."

The old Apostle will be glad to comply with Gene's every wish should he survive the heated session in Congress now in progress.

FLOWERS FOR FAITHFUL.

It just seems to be a feminine instinct to be born faithful to those in need. Our women folks

do not seem to regard the privilege of sacrifice as a duty. They regard it as a privilege. You could see a wonderful picture in that array of garments on exhibit at Hotel Clarendon Saturday and Sunday. It represented the heart throbs of feminine sympathy for the innocent victims of a man-made war where men capitalize on mass murder to achieve a brutal desire to rule or ruin.

No matter where you find misery and want, you find woman—that finest creature of God's creation—uncomplainingly plying her strength and skill to relieve that distress.

Miss Charlotte Molesworth, Chairman of Volunteer Service, in directing the making of garments for the Red Cross relief for war refugees, gives her time and energy and spends her money for gasoline and other incidentals in her effort to be of real help to war victims. Her only reward is the thought of having helped suffer-

ing humanity. She receives no salary whatever. Personally, I happen to know that she spent almost forty dollars the past month for gasoline alone. No one will be more surprised to read this, or less pleased than she to know that I took the liberty to let the public know a bit of her personal interest in this meritorious work.

Then out near Ashtola lives Mrs. Goble Barker, mother of four and yet who found time to make two dresses by hand in addition to her household duties.

I found out that the Ashtola Needle Club of which Mrs. Sue Rhoades is president, made 90 dresses. Three beautiful comforts were made from the scraps of the dresses as the patterns were cut from bolt goods.

And Mrs. Gilbert Mann came fifteen miles to join other ladies in knitting garments. She did that repeatedly. She lives in the Chamberlain community.

Then among the younger women here in town, I find that Mrs. W. W. Noblet knitted five sweaters.

While looking over the exhibit I talked with a kindly old lady who has lived in the Panhandle for more than a half century. She

is the wife of a prominent rancher. Somehow I have always felt a deep reverence for those precious old souls who mean so much to us. There she sat, smiling and proud and I wondered why. From a different source I found she had knitted four sweaters though she is 83 years old.

In the early 90's almost a half century ago I stayed a few days at the Atteberry hotel over across the tracks—the finest hotel in town at the time. "Uncle Chan" Atteberry operated the hotel with the skillful assistance of one of the finest women I ever met. The food was excellent, the beds just right and the deep December snow meant little in that snug hotel to a lad in his early teens.

Mrs. Chan Atteberry still lives here with her daughter, Mrs. R. L. Bigger. Though 84, she knitted a sweater and had the sleeves ready for another last week when taken down with the flu.

Speaking of uncrowned queens, history never will record the noble sacrifice of our beloved old mothers. They live within a narrow circle, perhaps, so far as the big outside world knows, but there is more grace and loveliness, christian example and guid-

ance personified in the life of these dear old souls than anything else this side of heaven.

Other good women deserve all the recognition possible. Your humble writer just picked up these bits of jewels from the crowns of queens whom we all know, and I pass them on to you with the gratitude of one who appreciates the quality of noble womanhood.

STUDENT LAWYERS GROW MORE HUMANE

AUSTIN—Free legal assistance for those who cannot afford an attorney's fee becomes available at the University of Texas this week as 40 of the school's best student lawyers open a Legal Aid Clinic.

Modeled on the successful legal clinic at Duke University, the University bureau is one of ten university-sponsored agencies of this kind in the United States.

It was authorized by University regents with the approval of the Travis County Bar Association upon the suggestion of Attorney General Gerald Mann.

Services of the bureau's staff, directed by Prof. Edward Crane, will be open to indigent citizens of Travis County.

MEMORY LANE

(10 years ago in Donley county.) Due to the panic and depression, the Legislature passed a new tax bill last week designed to help the lowly taxpayer. The time has been extended to October 1931 to pay 1930 taxes. This was Gov. Sterling's pet measure. Sneak thieves took 24 blooded Buff Orpington hens, the property of Mrs. E. R. Reeves of Jericho, Wednesday night.

Rev. W. E. Ferrell amused the Lion's club with a half hour of magic Tuesday.

Mrs. Bob Adamson of Hedley canned 680 quarts of fruits, 64 quarts of soup stock and meats and other foods the past season. During that time, she kept house for her husband and three children. This is said to be the best pressure cooker canning record in the county during the 1930 season.

J. W. L. Schull, highly respected citizen, passed away Thursday. A. W. Simpson, who received serious injuries to his feet some weeks ago, is now able to hobble about on crutches.

Mrs. C. A. Burton, librarian, reports the addition of 84 books to the public library as a result of the book drive Friday.

G. L. Boykin suggests a high woven fence to inclose the ball park. Some 28 men of a WPA crew are now at work beautifying the grounds.

The high winds and dust storms the past week have put a damper on the community garden programs being sponsored by Miss Martha Buttrill, county H. D. agent.

Mr. and Mrs. Arlie Wood and Mrs. L. L. Wood were in Amarillo Monday.

BAND TO GIVE REPEAT PROGRAM SUNDAY NIGHT

Last Thursday evening the famous Clarendon School Band gave an outstanding concert at the School Auditorium. Several citizens have suggested this concert was the best ever presented by our local band. Therefore an invitation has been extended to give a repeat performance. Mr. Ray Robbins has graciously accepted the invitation on behalf of the band.

The concert will be given this Sunday night, Feb. 9 at the First Christian church at 8:15 p. m. All the churches of the city are co-operating in this concert and will dismiss a few minutes early so their members can be present at 8:15.

Mr. Robbins stated he would

have his full band on hand for this concert. Clarendon and the citizens of Donley county are mighty proud of the band. Here is an opportunity for everyone to enjoy a musical feast as well as show their appreciation for the finest school band in America. A silver collection will be taken and every cent received will go to the band. Everyone is urged to be on time and not more than 500 people will be admitted.

Rev. G. T. Palmer and Rev. J. O. Quattlebaum, Jr. are attending a Methodist conference at Dallas, this week.

RED CROSS SHIP SAILS WITH FOOD FOR EUROPE

BALTIMORE, Feb. 1—With large American flags painted on each side of the vessel, and Red Cross emblems prominently displayed the "mercy ship" gold harbor, steamed out of Baltimore harbor shortly after 2:30 p. m. today with \$1,000,000 worth of food, clothing and medicine for the people of Spain and the hungry children of unoccupied France. The British government has lifted the blockade permitting the ship to sail to Cadiz. It will also dock at Barcelona and Marseilles. The food, clothing and medicines will be distributed by Red Cross representatives in both countries.

RELIABLE PRESCRIPTION SERVICE

800 Mattresses Made to Date

County Agent H. M. Breedlove announced this morning that approximately 800 mattresses had been made to date under the Cotton mattress program in both the Clarendon and Hedley mattress plants. Applications are now on file for 250 more mattresses, and Breedlove stated that the cotton for these is due to arrive within the next few days. The County Committee is also now in the process of checking the applications to determine who is eligible to receive mattresses under the next allotment, which is expected within the next few days. No more applications are being taken at the present time, however, it is expected in the near future that even more cotton can be secured and more applications will be taken. When the new allotment which is coming in, is completed, Donley County will have made a total of 100 mattresses. Breedlove stated that as soon as the cotton mattress program was completed, a comfort program would start, and all persons who have received a mattress would also receive a comfort. All persons are requested to make their own mattresses and comforts. The supervisor of the plants are local ladies who have just donated their time to help make this program a success. Breedlove complimented these women very highly on their work under this program.

YOUR HOME, TOO, MUST FACE YOUR FRIENDS!

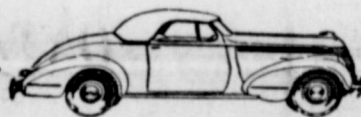

Which Do You Want?

THIS

In its day this automobile was the last word. But, it cost more than the modern car. And its speed, service and comfort didn't compare with what we can get for less money—value-for-value today. Yes! We know what your choice would be.

THIS

Streamlined, smart from chromium bumper to recessed tail-light and comfortable as a Pullman. You are familiar with the changes that have occurred in automobiles. But, have you ever stopped to think that homes get just as out-of-date?

THIS

Yes! These old fashioned dresses will protect you from the elements. And you might be able to travel a few miles in the automobile. But would you want to? No—you wouldn't be seen in either except in a "Founders' Day" Parade or Masquerade. But—your home, too, must face your friends!

THIS

Clothes styles change each season. But home comforts and styles have changed, too. Not as rapidly as clothes in styling—which means the home investment is more permanent—better. Home conveniences have improved tremendously.

THIS

Your grandmother was the envy of the town in this home. Homes never than this are out-of-date today. But they don't have to be. Home modernization is simple, inexpensive, value-giving today, the Cameron Way. You, too, can modernize your home for an amazingly low cost, the Cameron Way.

THIS

This is a modern home—modernized inside and outside to bring it as up-to-date as tomorrow's automobile. These people have protected their large building investment by insuring it with modernization. In addition, they have the plusses given by the comforts, pleasures, conveniences of a modern home.

A HOME is the reflection of its owner. Its appearance and modern, smart styling is just as important in your friends' impression of you as your clothes, your automobile or your youthful outlook on life.

And out-of-date, work-making, drudgery-building homes are so needless today. Government figures show that building costs (for either new homes or modernization) are below normal. Modernization financing costs are low with small, easy, monthly payment terms.

Home Modernization Easy

YOU can make your home a "dream home"—modernized with colorful styling. Equipped with the latest step-saving conveniences. YES, home modernization is simple and easy today—if you use the Cameron way.

A Complete Building Service to Help You

Cameron men are equipped to consult and advise with you on your modernization problems. They can inspect and survey your property; design "last-word" modernization; arrange low monthly-cost financing; install and supervise the converting of your home into a treasure-chest of beauty and convenience as up-to-date as Park Avenue.

However, Home Modernization is not something you should hastily rush into without first consulting a professional adviser, such as your trained Cameron representative. Successful and permanently satisfactory remodeling is not thought up today and carried out tomorrow. Without properly trained assistance in working out your modernization problems you can waste money and not achieve the results you had hoped for.

Cameron Men Are Trained Modernization Specialists

That is why Cameron Men are especially trained and equipped to:

- 1. Survey your property.
- 2. Be completely familiar with the latest building materials, methods, styling and ideas.
- 3. Advise you on the best solutions for you of your Modernization needs in value, style, beauty and comfort.
- 4. Deliver and supervise the installation of a quality job to meet those carefully pre-determined needs.

Wm. Cameron & Company is interested in satisfied, repeat customers—not just one-time sales. We know that satisfactory construction results from a combination of planning in advance by trained experts, such as ours; quality materials, and conscientious craftsmanship. But first, and most important, must come thinking, surveying and planning. From these only come satisfied customers.

That is why we emphasize the importance of our trained men and their advice to you. Don't overlook the vital necessity of this trained advisory service in securing for you a fully satisfying home modernization.

Know the Joy of a Modern Home

You can scarcely realize the beauty, work-saving and lower operating cost improvements that now are in modern homes. Cameron's can put these improvements in your home. Many pay for themselves in lower heating costs, less dust and dirt damage to your other household goods, and lower repair bills. All more than pay for themselves in greater comfort, convenience and joy of living. After all, we have only one life to live. What contributes more than a modern home?

A FEW OF THE MANY IMPROVEMENTS IN MODERN HOMES

Insulation Keeps Out Summer Sun Heat—Reduces Winter Heating Bills

Insulation has done more to make Southern homes more comfortable than any other recent building development. Our hot Summers and sudden changes of Fall and Winter temperatures make home insulation important in the Southwest. Insulation combined with IDEAL Lockjoint Windows pay for themselves. In heating-cost savings alone. In hot Summer weather, take the oven off your home with insulation. It lowers Winter heating bills also.

Improved, More Lasting Paints

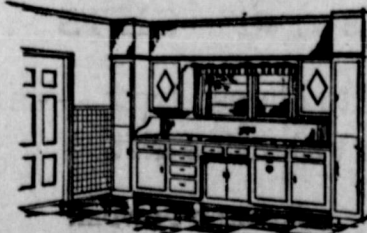

Wm. Cameron & Co., as the largest retailers of paints in the Southwest, naturally had a wide choice of brands of paint to sell. They were interested in finding a brand of paint that would meet their quality specifications and stand up under Southwestern weather conditions. Minnesota Brand Paints met those specifications. Weld-Tite, Minnesota's newest product, gives 3-coat results with only two coats. Since labor is the major painting cost, here is a nearly one-third saving on this new development also.

New, Improved, Lower-Cost Wall Finishes With the Newly Developed Wall Boards

This is the "Plastic Age". Countless new materials developed by chemistry and research are revolutionizing every industry. Building is no exception. There are new wall boards which give the finish and appearance of costly woods but can be installed at a popular price. Others offer all the colors of the rainbow—are waterproof and replace tile. Elimination of wall cracks; insulation; sound deadening; quicker, lower cost installation; color and finish effects never before possible at any price are some of the advantages these new products offer.

A Complete Efficiency Kitchen NOW at a Price You Can Afford

A few years ago only the most expensive homes could afford a complete IDEAL Built-In Kitchen. A kitchen with ample storage space, scientifically designed by cooking experts for the greatest cooking efficiency, step and work saving. But NOW, through mass production economies, we can offer you an IDEAL Kitchen, machine-factory precision built, at a remarkably low price. This built-in Kitchen is made up of units which will fit into all Kitchen room shapes. No hotel or fine restaurant has more efficient working facilities than your own IDEAL Step-Saving Kitchen.

Modern Factory-Made Millwork Improves Quality and Fit—at Reduced Costs

In the old days most millwork was built on the job by hand with whatever materials and tools that were available. Today, IDEAL MILLWORK—Doors, Windows, Frames, Mouldings, Built-in IDEAL Cabinets and Kitchens—are manufactured by costly and large machines. Machines which can be set to a hundredth of an inch to secure uniformity and perfect fit. The workmen are specialists in their field. Mass production methods permit lower price. So, today, you can get a better product in IDEAL MILLWORK and CAMERON HOMES for less cost than in the past.

CITIZEN'S VIEWPOINT

Since the fortunes of life brought me to the Panhandle of Texas, and more particularly to Clarendon, I have been interested in seeing with what pride the community hails those of its members who because of some ability, or some fortunate circumstance in life, attain prominence.

The F.F.A., the football team, a business man, a musician or someone else climbs the heights through honest effort and Clarendon is proud to proclaim them as citizens. A recent incident has caused me to wonder to what extent those persons received help and encouragement in their long climb. Last Thursday the High School Band offered to the public a concert. To say that the attendance was poor is to be generous. The attendance was pitiful. The Band was trying to raise funds to enable its members to enter into competition with other bands in the State hoping that they might bring honor to their School and to their City. Weeks and perhaps months of preparation preceded the presentation of Thursday night. Had I have been either the director, or one of the members of the Band, I should have felt that the people of the City were not interested in the effort. Yet should that same Band enter into competition with others and find a place, as it deserves to do, among the leading Bands of Texas, Clarendon would once again be filled with pride. It seems to be much easier to cheer the man who has climbed the mountain than it is to give him a hand on the way up. The Concert is to be repeated, with some new numbers, in the First Christian Church on Sunday evening at 8:15 o'clock. Come on Clarendon! Let us show these young people and their leader that we are with them. By our support let us say to them, we are with you. If you win we shall honor you, but we feel that you are attempting worth while things and because we believe in you, and because you are ours, we will support and encourage you.

—Rev. E. W. Henshaw

WPA FUNDS FOR DEFENSE

WPA has announced that \$157,000,000 in WPA funds were earmarked for national defense projects during the first six months of the fiscal year. In a radio address, Acting WPA Commissioner Hunter declared that over 40 percent of all airport developments in the last five years had been accomplished by WPA labor.

The purpose of ranching is not to produce beef for the ultimate consumer but to make a living for the rancher and his family, a speaker said at the recent regional grassland conference in Amarillo.

Farm co-ops with a membership of more than three million producers handled a two billion dollar business during the 1939-40 marketing season, according to reports of the Farm Credit Administration.

Mr. and Mrs. Sam Cauthen of Amarillo were here Sunday.

TEXAS IS READY!

Give that valve a quarter turn, Old Man Texas, when Uncle Sam needs the oil for national defense

With the pioneer spirit typical of Texans, our oil men have found and developed petroleum reserves far beyond all civilian and military needs now indicated.

Even if defense requirements total 150 million barrels more a year, Texas can supply them without waste by a quarter turn of valves on wells already drilled. This can be done at a moment's notice without depriving anyone of a single gallon of gasoline or quart of motor oil. Surplus pipe line capacity is ready to carry all this oil from the fields. Surplus refinery capacity exists to turn it into essential products.

Texas goes ahead in the search for more petroleum reserves. New fields are being found... more efficient producing, refining and transportation methods are constantly being perfected... **TEXAS IS READY!**

EUDY IS ELECTED NEXT CHRISTIAN CHURCH CLERK SUNDAY

The regular Official Board meeting of the First Christian church last Sunday morning, Mr. Earl Eudy was named Clerk of the church, an office that the late Homer Mulkey had filled for some years. Mr. Mulkey was also an Elder in the church and next Sunday morning the church shall select a man for this position. It is planned that an Ordination service for the Deacons, Elders and Deaconesses will be held in the near future.

Mr. and Mrs. Bob Williams and daughter, and Mr. and Mrs. Z. N. Williams spent over the week end in Lockney visiting their sister and daughter, Mrs. Lewis Busby and family. They returned home Monday and were accompanied by Miss Nettie Mae Busby who is spending the week here with relatives.

Mrs. Cal Merchant is visiting in Oklahoma City this week.

MUSICIANS AT DANCE HERE CRASH ON WAY HOME

Arthur Tosh was fatally injured and his wife and Isidro Rodriguez each received fractured skulls when their car crashed into a trailer behind a truck stopped on the highway five miles west of Claude about 2 a. m. Sunday after playing for a dance here Saturday night.

The three were members of an Amarillo orchestra. The Tosh car was completely wrecked, a highway patrolman here stated Tues.

Mr. and Mrs. J. L. (Slick) Naylor and family of Odell, Texas, visited Mr. and Mrs. Leamon Wallace, Miss Eula Naylor and Elbon Naylor here the past week end.

Mr. and Mrs. Frank Mace of Amarillo visited Mrs. Mace's sister, Mrs. C. J. Talley at Martin Tuesday.

Mrs. Haskell Kemp and daughter Dorothy Nell visited in Clarendon Saturday and Sunday.

DONLEY COUNTY RALLIES TO AID OF WAR REFUGEES

Donley county ladies have made a wonderful record in making garments for war refugees under the direction of the American Red Cross. Assistants in general in this work were Mrs. A. T.
