18th District Auxiliary Leads In Membership

LOCAL PRESIDENT WITH
MEMBERSHIP CHAIRMAN
WILL BE HONORED

Legionnaires Lead

American Legion of 18th District
Has Led State In Membership
Past Two Years

Mrs. John Deaver, 18th district chairman will preside for the last time as district chairman of the Auxiliary at the District Meeting at McClellan Lake 25 miles south of Pampa on July 24th. Mrs. Deavers was recently elected state vice president, and will be formally inducted into office at the state meeting in Laredo August 20th.

The Auxiliary of the 18th District has led the state in membership and child welfare work for the past two years, the membership at this time showing an enrollment of 1014, for this district.

Because of the outstanding record of the Clarendon Auxiliary in helping to make this record possible, the President and Membership Chairman will be honored guests. An award will be presented the Clarendon unit. Mrs. Joe Holland has served as president for both 1939 and 1940, with Mrs. James Trent as membership chairman.

Charlie Maisel of Pampa will preside at the meeting of the Legionnaires.

The American Legion of the 18th District has enrolled the largest membership in the state for the past two years. The membership at this time being 2,594.

L. E. Thompson served as president for 1939, with Barcus Antrobus as membership chairman. Joe Holland has served as president for 1940, with L. E. Thompson as membership chairman.

Army Unit Coming At 4 p. m. Today

A wire from the commanding officer to Joe Goldston announces that an army demonstration unit will arrive here at 4 p. m. today.

The unit will consist of two armored cars equipped with weapons, and a medium sized tank, as well as other equipment.

A demonstration will be given showing the effectiveness of the war machinery, and the skill of the soldiers in charge of them.

The public has an urgent invitation to get a first-hand view with information that could not otherwise be had at this time except at a fort.

IN COLORADO SPRINGS

Mrs. R. A. Chamberlain and Miss Mary Howren are on an extended vacation in Colorado Springs, Colorado.

REV. MILLER WILL PREACH AT UNION SERVICE SUNDAY

A crowd of more than three hundred were present for the union services at the open air ball park Sunday evening last. Rev. Harvey delivered an excellent sermon.

Next Sunday evening, Rev. M. M. Miller, pastor of the First Presbyterian church here will preach at 8:30. The general public is cordially invited to be present. The cool open air conditions are most inviting, and you are invited to take advantage of this in hearing an interesting sermon by one of our gifted talent.

CURTIS DOUGLASS STOPS ON WAY TO CHILDRESS

Hon. Curtis Douglass stopped here for a short time Wednesday on his way to a speaking engagement in Childress. He will be back here to speak Saturday afternoon at 3 o'clock.

Many political seers in the district announce that Mr. Douglass will be elected in the first primary. Voters in his home district were of the opinion that if he conserves tax money for the state as he did the court district, he is badly needed down at Austin as a state senator, the position for which he is now putting on an active campaign.

Vice President

MRS. JOHN DEAVER

recently elected state vice president of the American Legion Auxiliary, will be installed in that office at the state meeting that will be held at Laredo, August 20.

Roosevelt Nominated For Third Term

President Franklin D. Roosevelt received the nomination for a third term at the national democratic convention in Chicago in a session Wednesday night. Other nominees were John Garner, Millard Tidings of Maryland, James Farley of Washington, the last three merely a gesture of goodwill complimenting favorite sons.

A vice president is expected to be nominated today before midnight. A local party suggested this morning that Gov. O'Daniel, if he listened in, had heard more political lies the past twenty-four hours than he had heard during his whole life before. Gov. O'Daniel is a bitter foe of the idea of the professional politician, it is said.

THRILLING PICTURE WILL BE SHOWN AT PASTIME

Do you relish the weird and the thrilling? Do you enjoy sitting and allowing your imagination to run wild? If so, you will get the thrill of your life by seeing "One Million B. C." at the Pastime.

The picture will be shown both Friday and Saturday of this week. It is said to outstrip all efforts in the "Lost World" as shown here some years ago. Pictures of this type are seldom shown, and only in the largest cities until this one comes to Clarendon.

Jay Joins Regular Army

Led, son of Mr. and Mrs. Andrew Jay, left today for Ft. Bliss out near El Paso. He will become one of Uncle Sam's boys in the regular army, being attached to the quartermaster's department for the first six weeks, he said.

Ashtola Rally May Be Finish

ALL CANDIDATES HEADED
TOWARDS ASHTOLA

What may be the last county rally is that at Ashtola Friday evening of this week. Much preparation has been made for this important affair. It may mean much to the candidates, county and such other candidates as choose to attend.

The ladies will see that the hungry and thirsty have their needs supplied. In addition to that, there will likely be music, but the main portion of the time will be given over to the fire-works and oratory of the folks who are inclined politically. They have worked hard, spent a lot of money and time and will likely be glad that the arduous task of soliciting votes has about reached its climax.

The public is cordially invited to attend. There will be plenty to interest every one.

Spend Time With Ranchers

Last week Mr. and Mrs. Harold Bugbee took time off to attend a house party on the J. Everts Haley ranch on the Canadian river. They also spent some time with Mr. and Mrs. Jim Whittenberg and Tom Coble on the Turkey Track ranch.

Baptists Will Meet Tuesday

WORKER'S CONFERENCE
WILL BE HELD WITH
MARTIN CHURCH

A workers conference of the Panhandle Baptist Association will be held in the Martin church west of town next Tuesday, July 23rd. The program will begin at 10 a. m.

The devotional beginning at 10:15 a. m. will be in charge of S. W. Lowe.

Louie Self of Ashtola will speak on the merits of Wayland College. Rev. A. F. Loftin of Estelina will deliver the sermon beginning at 11 a. m.

At 1:15 there will be a Board meeting and W.M.U. business session.

Following the song service and hearing of reports of auxiliary associational officers, Rev. B. J. Martin of Memphis will speak on "the privilege and great joy of personal soul-winning."

Dinner will be served by the ladies at the church at the noon hour.

RAY WRITES EXPERIENCES ON JUNE TRIP TO SPAIN

Vernon Ray, well-known here, and radio operator on the S. S. Connecticut, is back in Brooklyn after an interesting experience on a trip to the Bay of Biscay. "I heard many distress calls of ships, three of them calling for help on June 22 after being torpedoed, Vernon wrote.

"Catholic sisters came aboard our vessel asking for food and old clothing for Spanish war victims. We gave them so much they had to get a truck to haul it away. The Spanish hate Hitler, Mussolini England and most of all, France. I saw a lot of orphans of the Spanish war," Vernon wrote further in summing up his experiences.

Trip Is Made To New Orleans

SWAMPS OF RAIN BELT
CONTRAST TO WEST
TEXAS CLIMATE

"It rained very nearly all the time we were in East Texas, Louisiana and during our stay in New Orleans," Frank A. White stated Tuesday. He and Mrs. White have been away on a vacation trip for several days.

Mr. White attended the Southwestern Claim Agents convention in New Orleans, mixing business with pleasure.

Commenting on New Orleans, he stated that the hotel afforded plenty of amusement without going down town. A floor show and other amusement was designed for the convenience of the hotel guests. "We saw the same old-fashioned buildings in the older part of the town that have been there over a hundred years, some of them two hundred," Mr. White said.

New Orleans affords plenty of interesting views to those from the West and nothing is overlooked by our West Texas people when they get that far into the deep South.

Contrasting the climate here with that of Louisiana was quite a jolt to our neighbors when they returned from the extreme rainy belt to the arid West, judging from the comment.

Gone to Ruidoso Country

There is that restful something coupled with the most scenic beauty and cool climate in the Ruidoso canyon up west of Roswell that attracts more people than possibly any other area of the same size in the whole Southwest. Mr. and Mrs. W. H. Patrick have a cabin out there this week and are really taking a rest with those wonderful surroundings.

LYMAN AYERS TO PREACH AT LELLIA LAKE CHURCH

With Lyman Ayers of Fort Worth in the pulpit, services will be held at the First Missionary Baptist Church in Lellia Lake Sunday morning at 11 o'clock, it was announced yesterday.

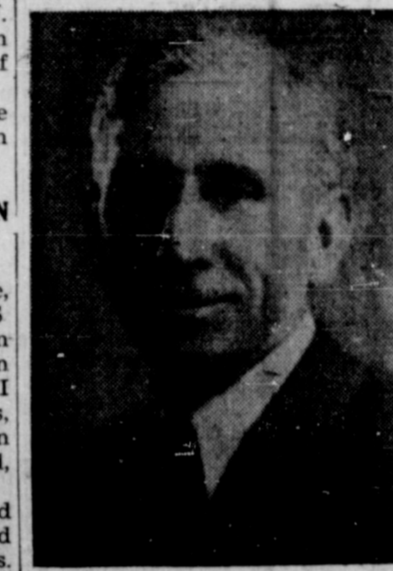

The public is cordially invited to attend the services and hear the well-known speaker, the announcement said.

Connally to Discuss National Affairs

Washington, D. C., July 18.—A special radio broadcast, with a state-wide hook up, will be made by United States Senator Tom Connally on the night of Tuesday, July 23rd at 9 o'clock.

Senator Connally, who is an influential member of the Foreign Relations Committee of the United States Senate, will discuss national affairs in a talk of interest and importance to all Texans. The Senator will be heard over the following radio stations: KGNC, Amarillo; KRIS, Corpus Christi; KRGV, Weslaco; KPRC, Houston; WOAI, San Antonio; WBAP, Fort Worth; and WFAA, Dallas. The broadcast will be from 9:00 to 9:15 o'clock.

Will Speak Here

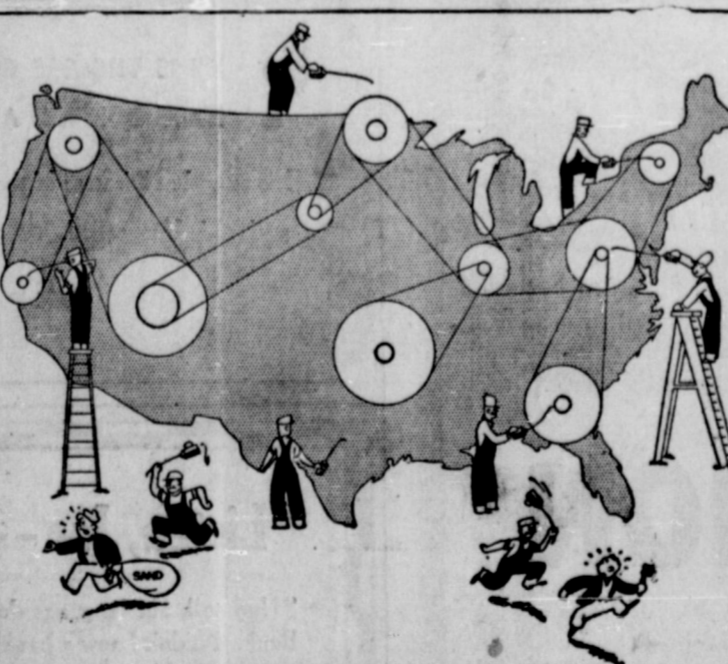

TOM ELLZEY

Mr. Ellzey will speak here next Monday evening, at eight o'clock. As a rancher and stock-farmer of the Perryton country, he is well known for having taken an interest in securing feed loans for his section during dust bowl days. He is active in promoting the L Z Ranch Rodeo and Boys Camp on Wolf Creek.

As a speaker, he is of the rapid fire type that can keep his listeners interest up to the last word. Hear him here next Monday evening. He wants to be your next congressman to succeed Marvin Jones, and will tell you why.

Lawrence Ellzey, termed the "Singing Cowboy of the North Plains," will accompany his father here and delight the crowd with pioneer songs.

We Need Oilers, Not Fellows Throwing Sand in Gears, Declares W. S. Knudsen

The above drawing is one of several being used to illustrate a recent address by William S. Knudsen, president of General Motors Corporation, and who was selected by President Roosevelt as chairman of the airplane division of the Defense Production Board.

"I want to make a plea to every body who works, be he on a machine, on a stool, in an office or a manager—let us see if there is not some way whereby the proper understanding can be given to all of us so that the industrial machine, which all have helped to create in our country, can be kept running smoothly, efficiently and with the minimum amount of shutdown for repairs.

This was the plea uttered recently in an address by William S. Knudsen, President of General

Elections Wild In Old Mexico

BALLOTS AND BULLETS ARE
MINGLED WHEN CHOICE
OF RULERS IMPEND

Student citizens of the States going to Mexico City are required to register with the American consul upon their arrival in Mexico City. Hon. Josephus Daniels is the American consul there, and was former secretary of war in Wilson's cabinet during the World War days.

Miss Clairenne Allensworth and Ardis Patman, both second year students in the University of Mexico, naturally registered according to the law in force that Americans may be traced should aid be needed should undue conditions arrive.

Election day with the noise and bullets pending, Daniels advised all Americans to maintain an attitude of absolute neutrality, and stay inside their quarters. These directions were followed and our students from here were perfectly safe, though they heard much noise and shooting, it is said. The thrills of election day are said to be thrown in for good measure while one is taking a course down there.

GOVERNOR O'DANIEL WILL SPEAK IN AMARILLO

Many are expected to attend the rally at Amarillo Wednesday night of next week. It will be the Governor's only appearance in the Panhandle proper.

He will speak at Lubbock Thursday night. His talk at Abilene Friday night is the only one that will be broadcast.

The Governor will speak from his new sound truck, equipped with sound address and illuminating system, which was presented him by his friends in Ft. Worth.

CLUB BOYS ARE AWARDED BANNER AT A & M

Donley County 4-H Club boys were awarded a banner by the Texas Swine Breeders Association at the A&M farmers short course, according to a statement of County Agent, H. M. Breedlove this morning. The contest covered extension district number 1, which is twenty-two Panhandle counties. The award was made on the basis of the number of swine demonstrations conducted by 4-H Club boys and the results shown from these demonstrations.

To Speak Saturday

HON. CURTIS DOUGLASS

... who will speak on the street here Saturday afternoon at 3 p.m., July 20th. Mr. Douglass, former district attorney and recently completing a term as district judge up at Panhandle, is a forceful speaker. He will present his platform appeal Saturday for votes that will send him to the state senate to succeed Sen. Clint C. Small, who did not offer for reelection this time.

Douglass entered the race against Sen. Small in 1936, and was beaten by a small majority over the district. He states that prospects are much better for this campaign. He has two opponents, Max Boyer of Perryton and Grady Hazlewood of Amarillo.

PASTOR WILL VISIT MOTHER IN PENNSYLVANIA SOON

Rev. M. M. Miller, pastor of the First Presbyterian church here, with his family, will leave Wednesday of next week, July 24th, for Pittsburg, Penn. where they will visit his mother. This will be his first visit in three years.

The pastor wishes other passengers going the same direction, either all or part way, to share in the expense of the gasoline consumed on the trip. Those interested should see Rev. Miller at once. He may be reached by calling him at 267-M.

Leathers Klan Holds Reunion

MCLELLAN LAKE IS MECCA
FOR FAMILY FUNCTIONS

Members of the several Leathers families and 'inlaws' enjoyed a family reunion at Lake McClellan Tuesday evening. Boating, swimming and a picnic supper were the principal features.

Those present were Mr. and Mrs. G. F. Leathers and Vernelle, Virginia Gee and Jo Robert; Mr. and Mrs. J. C. Christal; Mr. and Mrs. B. J. Leathers and son Leroy; Mr. and Mrs. H. K. Leathers; Mr. and Mrs. L. K. Leathers and son Lynn; Mr. and Mrs. D. E. Leathers, Johnnie and Margaret Jean; Mr. and Mrs. L. T. Shelton, Douglas and Sandra; Mr. and Mrs. W. R. Christal, Joanne and Janiece; Mr. and Mrs. Earl Alderson and son Gene.

ABSENTEE VOTING BRISK

Despite the prevalent belief that the European War has killed political interest in Donley County, county clerk Helen Wiedman this morning reported an outstanding absentee vote for this time of year.

Miss Wiedman said that over 80 ballots had been cast and applications of several others had been mailed to voters.

The deadline for absentee voting is July 24, Miss Wiedman said.

Dr. H. R. Beck Hurt In Car Accident

Dr. H. R. Beck, who with his wife has been vacationing in South Dakota, was injured in an automobile accident Saturday, it was learned this morning.

Details of the accident could not be learned and the only information came from a telegram sent by Beck to Joe Goldston which said he had received a shoulder injury and would be unable to open his office here this week.

Clarendon F.F.A. Chapter Is Rated Best In Texas

UNDER LEADERSHIP JOHN
GILLHAM, LOCAL BOYS
WIN OVER 620 CLUBS

The Clarendon F.F.A. Chapter was announced as the highest rating chapter in the state by the State F.F.A. Chapter Committee in its report to the State F.F.A. Convention at Houston, last weekend. There are 620 chapters in the state with a total membership of approximately 28,000 boys. The committee in making the report stated that the Clarendon Chapter had completed the most outstanding year's work of any chapter in the history of the organization. The Clarendon Chapter is composed of 45 members.

Outstanding accomplishments that drew praise from the chapter committee of the state association was the showing of 21 grand champion animals and birds at the Fort Worth, Dallas, and Amarillo Fairs and Fat Stock Shows, and the winning of \$1945 cash premiums at these shows; the winning of the State Swine Breeder's F.F.A. Swine Production Contest which carried an award of \$100 cash; the winning of the state milk judging contest for the second consecutive year which carries an award of a free trip for team members to the American Royal Stock Show to be held at Kansas City in November; the winning of the sweepstake honors in the district and area leadership contests and sweepstake honors in the district encampment; and the sponsoring of three registered Jersey bull and six registered boar circles in the county during the past year.

The committee stated that the project program of the local Chapter was the most outstanding in the State.

The local Chapter will represent Texas in the national contest to determine the highest rating in the Nation. The judging will be held in September of this year.

Paving Scheduled On Highway South

Fencing of the highway practically completed, paving is expected to get under way any day on Highway 18 south of town on the 5.2 miles of gravel surface.

The paving is included in the present fiscal year's expenditures set at \$193,000 by the State Highway Department in completing the work of filling the unpaved gaps in Texas of the Canada-Gulf highway.

CROP LOAN PLANS WILL BE EXPLAINED AT MEETINGS

County Agent, H. M. Breedlove, stated this morning that he had been advised by Mr. J. E. Burch, local representative of the Farm Security Administration, that the Farm Tenancy Purchase Program was now in effect in Donley Co. Mr. Breedlove and Mr. Burch will attend a district meeting in the very near future at which time the program will be explained.

The Farm Tenancy Purchase Program will be handled by the Farm Security Administration, however, the County Agent's office will cooperate and help take applications from those who desire to make application to purchase a farm under this plan. Those who are eligible are tenants.

LOCAL FIRM SAYS CREAM BUSINESS BRISK

At this season of the year bossie and biddy continue on the job right along, apparently. Egg and cream receipts are said to be holding up well. The firm of Rhodes & Roach report the receipt of 111 cans of cream the past three weeks. They also operate a service station and supply their patrons with gas, oil and other needs of a first class station. They are located across the street from the Antro hotel, on the corner.

BOONDOGLING MUST CEASE.

There have been noticeable developments in respect to financing the vastly costly national defense program. First, it is widely urged that the pay-as-you-go plan be followed as much as possible, even though heavy tax increases prove necessary.

rather than a political purpose. They are going to demand that their sacrifices are not in vain. They want real statesmanship, motivated by high patriotism, irrespective of party labels, and they do not want local shortsightedness and selfishness.

FAVORS MEETS VOTERS IN McLEAN SATURDAY

Ennis Favors, candidate for State representative, while speaking in McLean last Saturday afternoon lashed out at Legislators who used their office last time for publicity purposes and for condemning certain individuals, and promised to co-operate with the Governor if elected State Representative.

Mr. Favors said he favored paying the old folks in full and carrying out the Social Security program to the letter. He advocated raising the 7000 pound truck load limit to a minimum of 14,000 pounds, and said he believed the poll tax payment should be reduced, or abolished as a qualification for voting.

Mr. Favors advocated a State law requiring all Legislators to reveal the source of their income under oath once every six months and to file the same of record so as the people would know who they were working for while in Austin.

MEMPHIS BUILDS PIONEER MONUMENT

MEMPHIS, July 13.—A monument, a rose pink granite shaft 4x1/2x6 feet is being erected on the south side of the courthouse lawn here along federal highway 287 on Noel street.

The work is being done by Geo. Backus, veteran marble man of Vernon.

The monument will be unveiled July 25, the second day of the old settlers reunion here, with Judge Hoover of Canadian making the dedication address. The memorial to the early day settlers is being erected at a cost of \$750, the money being raised from the sale of souvenir coins at 50 cents each.

ANN SHERIDAN TOUGH BUT TENDER IN NEW FILM

Who is potentially the greatest box office star in Hollywood? According to Director William Keighley who is giving "oomph" a "Torrid Zone" setting at Warner Bros., it's Ann Sheridan.

"The fact that she survived a series of miscastings, that she remained a good sport through it all and that her good-bad girl, or bad-good girl characterizations are capturing popular fancy proves it," says Keighley.

As in "It All Came True," Miss Sheridan displays more of the tough-but-tender screen qualities in "Torrid Zone" that, according to Keighley, make her dynamite with audiences.

One-third of all the oil and gas wells drilled in the United States last year were drilled in Texas.

Uncle Sam Needs More Cavalrymen

Fort Sam Houston, Texas, July 12.—The War Department has directed that the historic First Cavalry Division be strengthened by the addition of three thousand new men at the earliest possible date.

The present strength of the Division is approximately six thousand officers and men. It includes the 5th, 7th, 8th, and 12th Cavalry regiments, the 82nd Field Artillery, an armored car troop, and a large complement of signal, medical, quartermaster, and ordnance troops.

The division is scattered along some six hundred miles of the Mexican border from El Paso to Brownsville, Texas. From the division commander, Major General Kenyon Joyce, to the newest trooper, the men of this division are hard, fit, and keen. Many consider this division to be the best field service unit in the United States Army.

Young men who want to do some real soldiering are invited to see Agt. Andrew J. Williams, the U. S. Army recruiting representative at Court House Bldg., Childress, Texas.

Texas oil and gas operators drilled 2,459 dry holes in this State last year.

ROBINSON WINS SOARING CONTEST IN NEW YORK

Those who recall the glider who landed here several months ago in a contest originating in Wichita Falls, will be glad to know that he won at Elmira, N. Y. last week. He set a new national record with 290 miles by gliding from Elmira to Mineral, Va. The old record was 265 miles.

Robinson expects to be back here within the year and do stunt gliding for local parties who are working up the idea.

The Leader is \$1.50 per Year.

KIDNEY STAGNATION IS WORSE THAN CONSTIPATION!

Because We Treat Constipation at The Onset, While We Neglect Our Kidneys Indefinitely

No other organ in your body is of more importance than your kidneys. For in your kidneys there are nine million tubes which must work day and night to filter the fluids and keep the system free from wastes, acids, poisons which, if permitted to remain, may cause serious kidney and bladder troubles.

It is no wonder then that Nature sends calls for help to clean out the kidneys. So if you are troubled with Getting-Up-Nights, Leg Pains, Backache, Nervous Headache, Dizziness or Loss of Energy, due to functional kidney disorders, try KIDANS, the famous kidney remedy, which aids Nature to flush out the kidneys, to filter all wastes, to prevent kidney stagnation.

KIDANS is Safe and Reliable. Thousands report entire satisfaction. Taken according to directions, KIDANS will give splendid results. Try KIDANS. Buy it at our Special Price Offer on two boxes. Use one box. If not satisfied, return unopened box and GET YOUR MONEY BACK.

If your local druggist cannot supply you, send \$1.00 to The Kidans Company, Atlanta, Georgia, for two full-size boxes on a money-back guarantee.

POLITICAL PIFFLE.

Grasping opportunity by the forelock, as it were, American designers are grabbing the French ideas of clothing designs since the French are handicapped. A smart western designer is going in for buttonless suits for men. Won't it be tough on the politicians when they have to go around 'zippering' the men instead of button-holing them?

STINGIEST MAN.

When that nuisance runs ashore on asking questions on his radio programs, we hope he begins to look up a prize for the one who finds the stingiest man. We have that guy right here. He gave his little girl a nickel to go to bed without her supper. After it fell asleep, he stole the nickel out of her hand and then refused to let her eat breakfast "because she had lost the nickel."

WAY BACK WHEN—

Remember when most every fellow you met had a home brew recipe neatly folded away in his pocket?

CLEAN CONVERSATION.

"May I hold your Palmolive?"

"Not on your Lifebuoy," Ivory foamed.
"Then I guess I'm out of Lux!"
"Yep," she says, "my character's Crystal White."

NOBODY FOOLED.

Often you will hear some one remark that "he dissipated too blamed much or he would not be in that shape." Referring to his health instead of finances, or perhaps both. Occasionally you will know of some bird who goes off to cut his didoes and he thinks he is smart. He may get by with the folks, but he can't fool God one bit. After a time, he has all sorts of trouble, physical and otherwise. "Behold, your sins shall find you out," was a warning. Nothing else but.

TRAVELING STRUCTURE.

For years and years an old caboose stood on the corner of the courthouse square at Quanah. Perhaps Editor Harry Koch can tell us something about the history of that venerable relic. It has been gone several years, but just what was the mission of that caboose anyhow?

WELL TADBURN 'EM.

Occasionally a candidate writes a fine letter to all the publishers broadcast by using a mimeograph. He praises the editors for what they have done for him. At the same time, he cheats some poor typist out of a job, and the publisher just doesn't rate with the average candidate. Why give these birds free publicity?

DEFENSE WAR STARTS.

One can readily feel the tax to raise the money for defense. Every phone call is taxed from 10 cents up. It won't have to get much higher until a fellow can make good wages walking instead of talking to his victim.

THE BIG BEND PARK.

There will be a time when people from the northern states will come down over what is now known as Highway 88-18 to Del Rio to see the Big Bend National Park. Clarendon is right on this through highway. Del Rio is east of the Park area, but not too far. This park will surpass Yellowstone in many respects. It has the hot springs, lava flows, tall mountains, beautiful scenery and all that Yellowstone has except the pesky bears. It has something that Yellowstone never has had and cannot have in future years. That

is the all-year climate. Big Bend Park will be warm during winter months when Yellowstone is frozen up. In fact people from the north will take cabins and remain all winter to escape the rigors of the cold north. There will be scenery and travel for them over hundreds of miles of the finest highways during their stay, all in the Park area. Texas has no greater latent asset today than the Big Bend area.

A SUGGESTION.

Trees require years to grow. Don't neglect them during this dry spell. Dig a trench from two to four feet away from the tree trunk, and water in the trench. The feeder roots extend out as far as the limbs on any tree, and many of them much farther. Be careful not to disturb the feeder roots. Place barnyard fertilizer in a tow sack and put the sack in an iron barrel of water. After the water becomes colored to a dark cast, pour the water in the tree trench. Trees need food during hot, dry weather. It is just like a sick man trying to recover.

JOHN L. STROUD BREAKS INTO DEMO CONVENTION

While growing up down at Hedley, few expected John L. Stroud to originate new ideas such as he has today. But such is the privilege of the average American citizen under the present status.

John adopted the cognomen of "Old Whiz" and immediately set sail upon an uncharted sea seeking the port of notoriety dressed the part of the old-timer who failed to keep pace of man's modern regalia of every-day wear.

John has gone to the National Demo convention in Chicago. He will appear in hotel lobbies and other public places with his act of illustrating Texas' celebrated hill-billy reputation. He may boldly charge upon the rostrum of the convention.

He has lived at Amarillo for a number of years where his chief source of income has resulted from the sale of choice books.

The American Indian, contrary to common belief, was no "perfect specimen." From skeletal collections, University of Texas anthropologists report numerous traces of teeth decay, tuberculosis of the bone, arthritis and syphilis among Indian remains.

YEAR WORKS BIG CHANGE IN 'OOMPH GIRL'S LIFE

Time and Oomph have worked wonders for Ann Sheridan in the movies. When the red haired firebrand from Texas appeared with James Cagney and Pat O'Brien a little more than a year ago in "Angels With Irty Faces," she was just the girl of the piece who had little to do and received less attention.

All that is changed in "Torrid Zone," the picture that is showing Wednesday and Thursday at the Pastime Theatre. Not only is Ann right up there on co-starring level with Cagney and O'Brien, but she is credited with having inspired the first half of the title for the story of love and skulduggery in the banana plantation country.

The Leader is \$1.50 per Year.

Goodrich Continues Active Campaign

Campaign headquarters for Hon. Lewis M. Goodrich issues statement indicating enthusiastic progress of his campaign. The following has been received by the Leader:

"Goodrich is gaining consistently," is the expression of disinterested men who have been over the district this week and it is welcome, but not surprising news to friends of the Wheeler county man all over the district.

The many supporters in all of the 28 counties of the district have felt that when folks had time to view the field of candidates and compare them, that Lewis M. Goodrich of Wheeler county would swing into the lead in the race for Congress.

And it is widely predicted that Goodrich's supporters will continue to increase right on through the July 27 primary and will bring a smashing victory in the run-off in August.

Most of the 450 men who served with Goodrich on grand juries when he was district attorney of the 31st district, many of whom are now in other counties, are getting things done for Goodrich in a big way.

"The voters want a hard-working, honest, clear-thinking man to take Marvin Jones' place," is the comment heard often. And even Goodrich's opponents agree that he fills the order completely.

Widespread comment is being caused by Goodrich's radio talks because of his ability to get down to main ideas quickly, discuss them clearly and take a definite stand instead of trying to straddle issues. He will speak from KGNC, Amarillo, from 6:30 to 6:45 a. m. on Monday and Wednesday, July 22 and 24, and from 11:45 a. m. to 12 noon on Tuesday, Thursday and Friday, July 23, 25 and 26.

12 noon on Tuesday, Thursday and Friday, July 23, 25 and 26.

Mr. and Mrs. C. J. Douglas and sons, Clyde Benton and Jimmie, and Mr. and Mrs. H. T. Burton and daughter, Nelda Sue, are vacationing in Colorado this week.

'Down to Brass Tacks'

LEWIS M. GOODRICH
Candidate for Congress
18th District

A sound thinker and concise speaker like Lewis Goodrich of Wheeler county can say a lot in a short time. Tune in on KPDU, Pampa, Friday July 19, from 12 to 12:15 o'clock and on KGNC, Amarillo, from 6:30 to 6:45 a. m. Monday and Wednesday, July 22 and 24, and from 11:45 to 12 Tuesday, Thursday and Friday. You'll agree that it's a GOOD VOTE for GOODRICH!

GARDEN GLANCES

"America beautiful lies in the hands of the gardeners."

No flower in the garden is more beautiful, more easily cultivated or given as much bloom as the phlox in its various forms.

Have you seen the new shades in the border at Meredith Gentry's or the extremely tall ones at the Ryan's?

The second bloom of the roses again appears as if to reimpress us with its beauty. The Bert Smith's rose garden is displaying some rare blooms and some exquisite pink roses are on the Mulkey's lawn.

Gorgeous clumps of tiger lilies are flaunting their orange beauty at the Prewitt's.

Red geraniums are gaily decorating a porch box at David Johnson's.

Vari-colored zinnas on the curb at the Chevrolet garage have defied the hot wind and their concrete environment, and now display their loveliness.

Every citizen should be justly appreciative of the unrivaled beauty of the Park lawn and the gay assortment of flowers.

Mr. and Mrs. Kenneth Fink and son of Childress spent the week end here with his mother, Mrs. O. L. Fink.

TALLEST LIVING MAN DIES MONDAY

Robert Wardlow, 22, height 8 feet and 10.3 inches, died early Monday at Manistee, Michigan following an infection of his right foot, said to have been caused from wearing a brace to hold up his weight of 491 pounds.

For several years he has been advertising a St. Louis brand of shoes. He wore size 39 and was an attraction on any street when he got dolled up for his job dressed in Uncle Sam stripes.

A special casket was made and the body shipped back to his home at Alton, Illinois for burial.

HENRY S. BISHOP of Amarillo

... who is making the race to succeed congressman Marvin Jones. Judge Bishop long served this district both as district attorney and as district judge. In speaking of his present race, the Judge said:

"I have lived in this congressional district since 1893. Have taught school, farmed, did contract work on ranches and railroads. Graduated 1902 from State University law department, and was elected district attorney in the largest district in Texas the same year, serving 14 years. Was elected district judge in 1918, and served 16 years. Having had training in both executive and judicial branches of the government, feel that this training is valuable in filling the position of a national lawmaker. I believe in progressive democracy, preparedness, suppression of un-Americanism, staying out of European combats with our soldiers. Favor farm program of the New Deal, and promise my best efforts for our government if elected. I feel that I know the needs of the people here, have made a hard campaign and the future looks good for my election. Young enough to be active and old enough to be conservative in thought and action."

F. A. White and Homer Mulkey were in Childress Tuesday for the celebration.

EPISCOPAL CHURCH

Rev. E. W. Henshaw, Rector

There will be a service of morning prayer at the Episcopal Church, Sunday morning at eleven o'clock. Rev. Edgar W. Henshaw has chosen for the sermon subject, "The Thing Called Faith." There will also be a celebration of Holy Communion eight o'clock in the morning on Thursday which is the Festival of Saint James. Sunday evening the members of the congregation will join with other christian bodies in the city to hear the Rev. M. M. Miller, pastor of the local Presbyterian Church, preach at the United Service in the football stadium at eight thirty.

WEATHER AND POLITICS PLAGUE MASTERSON

While attending to business here Tuesday, J. B. Masterson, merchant prince of Hedley and owner of several farms, had quite a bit to say relative to dry weather. He stated that the hard land in the Hedley country had about quit for the season with the growing crops on such land dried up.

He was quite concerned lest the National Democratic convention in Chicago fail to nominate Roosevelt for the third term. It is his opinion that only Roosevelt can take care of the situation relative to war threats and the continued chaotic condition of the country in general.

CARD OF THANKS

The children of Mr. T. W. Holman wish to thank each and every one for the love and kindness you showed to us at the death of our dear father. Our prayer is may God bless you all.

DEALERS WHO HIKE PRICES MORE THAN NEW TAX FACE JAIL

\$1,000 FINE, YEAR'S PRISON SENTENCE FOR MISREPRESENTATION OF SALES

At the time of the passing of the new defense tax law by the national congress, certain other laws were passed tying in with the new revenue law. We quote from a circular being mailed out to merchants this week:

Retailers handling products taxed under the new defense levy who have raised their prices a great deal more than the tax, using the tax as an excuse, are subject to federal prosecution, Internal Revenue Collector W. A. Thomas said Monday.

"We have had our attention called to the fact that in certain instances, dealers in articles subject to the new defense tax have raised prices in amounts considerably in excess of the taxes," Mr. Thomas said. "We have received reports that a number of such dealers have represented to their customers that such increases in retail prices were due solely to the imposition of defense taxes."

The internal revenue act prohibits the false representation of tax matters in making sales, Mr. Thomas said. The penalty, he said, is a fine of not more than \$1,000 and imprisonment not to exceed one year.

A similar situation exists in other sections of the country, Mr. Thomas said, adding that he had received notice of warning issued in Washington along the same line.

Texas Now Leading In Game Projects

AUSTIN, July 16.—Game restoration in Texas is moving at a more rapid rate than at any time in the history of the state. The Texas Game Commission is taking many steps to restock areas now depleted of game and too, by improving habitat, increase game on many other areas.

That Texas is among the leaders in game restoration is attested by a recent report of the U.S. Fish and Wildlife Service, which shows there are now 196 federal aid projects under way in 43 of the 48 states. That is an average of four to a state. Texas is using federal aid funds under terms of the Pittman-Robertson act to finance six big projects. Several others have been submitted to the federal bureau for approval and probably will be inaugurated soon, it is announced by the executive secretary of the Game Department.

Federal funds finance three-fourths of Pittman-Robertson projects and the state provides the other one-fourth. Texas' projects include state-wide survey of game, state-wide improvement of quail habitat areas, trapping and transplanting of antelope, turkey and deer trapping and transplanting Javelina trapping and transplanting and a survey of the big-horn mountain sheep.

Action, Thrills And Sheridan In New Film Wed.

Wednesday's opening at the Pastime Theatre brings together James Cagney and Pat O'Brien, stars of "The Fighting 69th" and Ann Sheridan, sensation of "It All Came True," in "Torrid Zone," Warner Bros.' new comedy romance, crammed with actions, thrills and excitement.

As the title indicates, "Torrid Zone" has a tropical setting, down in the banana country, where the big fruit companies own and manage vast plantations. O'Brien and Cagney are cast as rough and ready plantation bosses, while Miss Sheridan portrays a torch singer from the U.S.A., who comes to the tropics because she figures redheads will be more of a novelty there. Her adeptness at dealing cards is also an asset.

When O'Brien attempts to have her shipped back to the States, Cagney, who is constantly feuding with him, helps her to stay, and from then on finds himself saddled with her. Although he pretends not to like it, he is not proof against the Sheridan charm. Another contender for Cagney's favor is blonde Helen Vinson, who plays the discontented wife of another of the plantation bosses, a role portrayed by Jerome Cowan.

Plentifully peppered with action, the plot of "Torrid Zone" revolves about O'Brien's efforts to keep Cagney in the tropics, Cagney's efforts to get rid of Miss Sheridan, and her efforts to land Cagney.

Besides those already mentioned, the cast includes Andy Devine, George Tobias, George Reeves, Victor Kilian, John Ridgely, Grady Sutton and many more capable supporting players.

NYA Lowers Youth Age Requirement One Year For Eligibility

AUSTIN, July 16.—Unemployed boys and girls in Texas who are 17 years of age and need the work experience and training provided on National Youth Administration projects are now eligible for such employment, J. C. Kellam, State NYA Administrator said today.

With the announcement that the minimum age requirement for work on NYA projects has been reduced from 18 to 17 years, approximately 113,000 Texas boys and girls automatically become eligible for NYA employment, provided they are out of school and need a job, Kellam pointed out.

With funds made available, the National Youth Administration in Texas will be able to provide employment for 15,000 young persons at any one time, it was explained. As youth go off NYA projects into private industry as a result of the work experience and training gained through NYA employment, all eligible youth in the state will have the opportunity to replace them, the State Youth Administrator stated.

"All over Texas, in cooperation with local public and civic organizations, NYA work projects and resident centers are operating to give youth work experience and related training in radio technique, mental work, aviation mechanics, auto mechanics, agriculture, homemaking, wood and iron work and many other fields," Kellam said.

"Through these varied projects we are seeking to help boys and girls become self-sufficient by giving them work experience which enables them to hold a job in private industry."

XIT RODEO TO BE STAGED AT \$500,000 PLAINS DAM SITE

The Fifth Annual XIT Reunion rodeo Aug. 5-6 will be held at the site of the \$500,000 Rita Blanca dam development a mile and a half southeast of Dalhart, the General XIT committee announced this morning.

It will be staged in the big playfield where huge concrete bleachers form an amphitheatre. Seating capacity is over 4,000.

Under direction of H. Coon, young rancher and member of the XIT Committee, workmen this morning started moving the XIT rodeo pens and chutes from the arena in East Dalhart to the playfield.

The General Committee also announced a sponsor contest. Each town and city in this area will be invited to send a cowgirl sponsor to the XIT Reunion, and the winner will be given a beautiful saddle horse; a saddle, bridle and blanket made especially for this XIT event; and a pair of shop-made cowboy boots.

The Brown Saddle Co. of Amarillo is giving half the saddle, and John McCarty, former editor of The Texans, and now editor of The Amarillo News, is personally giving the other half of the saddle "to my old home town," Charlie Coombes, XIT Committee chairman said.

The Brown Saddle Co. also will give the bridle, saddle blanket and boots, Ray Pinkney of the Pinkney Packing Co. in Amarillo will give the horse, Coombes said.

The XIT Committee will meet this afternoon and work out all details of the sponsor contest.

Wood County has produced more than 5,000,000 pounds of cucumbers this year, and Joe Adrian a farmer living near Quitman planted two acres of dill on contract, and produced more than 11 tons on the plot.

Sixty years ago three out of every four farmers in the United States owned the land they farmed, but today nearly half of our farmers are tenants or sharecroppers.

WHAT IS MALT?..

and how is it used in making beer and ale?

BARLEY

Answer: Brewers' malt is barley that has had its starches modified. The barley is first permitted to "sprout" by the addition of moisture. At the right instant, the growth is checked by heat and the sprouts are removed.

What remains is malt... the essential base of all good beer and ale.

Every step in the brewing of good beer and ale has been taught by centuries of experience. Today, amazingly expert brewers — using only the purest ingredients — make beer and ale the mild, tasty, wholesome beverages that they are.

Now the brewing industry is taking action to keep the retailing of beer as wholesome as beer itself. A plan to eliminate abuses is already in effect in a number of states. It is being extended. Ask us for an interesting free booklet.

Long Jumps Between Pumps

THE SCOTS, you know, had a grand old war song, "The Campbells Are Coming!" And the correct kilties for any of the Campbell clan from the Argyll region, for instance, would be green with wide blue and black "crossings" or stripings, plus secondary black crossings, plus a yellow and white overcheck. But now if you want to be pure "Scotch" at buying gasoline, the color that means most to your own self is Bronz-z-z... Conoco Bronz-z-z. Conoco Bronz-z-z is the Bronz-z-z that gives you long jumps between pumps. And that statement, you can prove, isn't the least bit colored, for Your Mileage Merchant will give you one of the fascinating Conoco Mile-Dials free. This certified instrument reports your own Conoco Bronz-z-z mileage — impartially — accurately — without effort. Ask Your Mileage Merchant.

School Youths Backing Worley

If Eugene Worley goes to Washington as United States Representative from the 18th district, it won't surprise several hundred high school and college students of Pampa who have organized an unique club to boost the congressional candidacy of the young Shamrock state representative, and are touring the district in his behalf.

"Mr. Worley Goes to Washington Club," which was formed voluntarily and without the knowledge of Worley, is composed of high school and college students of Pampa who are paying their own expenses on the tours. The organization has a 10-piece band which accompanied the club

membership on the tours and furnishes entertainment, but in appearances at Amarillo and Shamrock political rallies the Pampa Harvester Band will add color and harmony to the demonstration for Worley.

School leaders of Pampa are included in the membership. Billie Mounts, manager of the Harvester football squad, is the principal speaker.

Ross Buzard, voted the most popular boy of the Junior class of Pampa high school, and Helen Dudley, champion debater who was one of two students to represent this region at the State Interscholastic League meet in Austin this spring, are two other members.

Leaders of the Worley Pep Squad and also a speaker for Candidate Worley is Anna Belle Lard, voted the most popular girl in Pampa high school. Jack John-

son, president of the student council, has a clever Charlie McCarthy act which enlivens the program and he also steps to the microphone on any occasion to plug for his favorite Congressional Candidate. Bill Kenton, KPDN Radio station accordionist, accompanies the club and his musical numbers are always met with enthusiasm by the crowd.

An organization of this sort, formed voluntarily by young people, shows the serious viewpoint these future voters are taking in regard to their responsibility as citizens in a few more years. When the club was first formed, signatures covering 22 sheets of paper were written under the following statement:

"Because Eugene Worley is a young man and has already served two terms in the State Legislature at Austin where he was in line to be the next speaker of the house, and because he has already had the necessary experience, we believe that he is ideally equipped to fill Marvin Jones' seat in the national congress at Washington. We believe that he understands the problems of youth as well as the problems of old age and middle age and their solution, and that if he does go to Congress he will do all he can to give young people a break."

The "Mr. Worley Goes to Washington Club," which has already made appearances at Borger, Miami, Canadian, Wheeler and Dalhart, will go to Clarendon Thursday night and to Worley's hometown, Shamrock, Friday night for a county-wide rally. On July 23 they will give a demonstration and a program for Worley at the All-Panhandle political rally in Amarillo.

Arlie Carpenter of Lefors and former student of old Clarendon college and later an instructor here, was in town Tuesday.

Mrs. Loyd Benson was in Amarillo Monday.

HUDGINS Mrs. S. M. Harp

There were a large crowd out for Sunday school and preaching Sunday morning and they decided to start the revival on Saturday night before the second Sunday in August, and Bro. Stonestiffer will have charge of the services.

Freida Putman spent Saturday night with Audrey Perdue. Misses Annie Ree and Floree Talley took dinner with Miss Ann Marie Raney Sunday.

Those to take dinner in the Putman home Sunday were Mr. and Mrs. Lacy Noble and son, and Mr. and Mrs. Jack Foster and family, Lamond Garland and Sara, and Audrey Perdue.

Mr. J. L. Talley, John Perdue and S. M. Harp visited in the Mark Raney home awhile Saturday night and played dominoes. Ben Talley spent Saturday nite with Bill Perdue.

Mr. and Mrs. Estus of Clarendon called in the O. L. Jacobs home Friday afternoon.

Mr. William left Friday night for his home in Alabama after some two months visit with his daughter, Mrs. Jeff Talley and family.

Mr. and Mrs. L. C. Tims and family spent Sunday with Mr. and Mrs. W. A. Pierce and family of Goldston.

We had good singing Sunday night as several good singers from McKnight and Lelia Lake were present and we invite them all to come back again.

Mr. and Mrs. J. C. Perdue of Goldston visited in this community Sunday and attended singing Sunday night.

Col. C. L. Kinsey, former mayor and prominent citizen of Hedley, was in the county capitol Tues.

The Leader is \$1.50 per Year.

Big Political Rally Scheduled

Several congressional and senatorial candidates are planning big delegations to the All-Panhandle political holiday in Butler Field at Amarillo the evening of July 23. The rally will start at 8 o'clock.

More than 200 residents of Dalhart and the XIT Band will attend the rally and get in some good words for the XIT Ranch Reunion there Aug. 5-6.

Deskins Wells of Wellington, congressional candidate, said a large delegation would accompany him to the rally and make stops at Childress, Estelline, Turkey, Quitaque, Silverton, Tulia, Dimmitt, Hereford and Canyon.

The "Mr. Worley Goes to Washington" Club at Pampa promised to send 600 members, a band and several entertainers.

An effort is being made to bring Gov. W. Lee O'Daniel to the Rally. Ernest O. Thompson, gubernatorial candidate, will attend, and Jerry Sadler is attempting to arrange his schedule so he can be at the rally.

All candidates and voters of the 28 counties in the 18th congressional district have a public invitation to attend the free rally—nothing to sell; nothing to buy; just politics—which is being sponsored by the Amarillo Globe-News.

The various delegations and bands will stage parades downtown during the day. There will be plenty of comfortable seats at Butler field.

Max Boyer Makes Statement Relative To His Campaign

Max Boyer, candidate for State Senator, enters the final days of the democratic primary campaign with the statement, "I have no last minute suggestions to make to the voters of the 31st district. When I asked for the honor of representing the people of this district, I told them that I based my plea for their support on the record I had made in serving as Representative of the ten northern counties of the Panhandle. I have asked them to check the records at their court house and find out if Max Boyer has ever been a member of the bloc of state officials who impeded or killed worthwhile legislation. I have told them repeatedly that I have worked and voted for a reasonable solution of the all important Social Security Program of this state, and in a paid advertisement in this paper, you will find the volume and page numbers of the House Journal to verify this record. I have proven my friendship to the agricultural voters of this district with my record of work for the state soil conservation legislation, the successful fight to retain the gasoline tax refund to farmers, the live stock legislation, the freight rate fight for lower rates on agricultural products. These facts remain the same as they were when I made my first announcement, and I shall repeat again, if I have proven by my record that I deserve promotion, then I urge every voter to support me at the polls July 27. If I have not tried to do the best I could for the people who trusted me with the office of Representative, then certainly you should not return me to the capitol to represent a larger group of Panhandle citizens."

Fields Makes Race To Succeed Marvin Jones

Lewis P. Fields, candidate for Congress, has spent his 44 years in Texas, 35 of them in the Panhandle; having lived on farms and ranches in Hemphill, Donley, and Carson counties; and has lived in Amarillo since 1920, being engaged in the General insurance business. He makes the following statement:

"I feel that I know the needs of our district and will draw upon the experiences I have had as a farmer, stockman, and business man, and upon information gained as a civic worker, in advancing legislation favorable to the district and nation.

"As a lifelong Democrat, I do not believe in making promises that I cannot fulfill; but I do pledge myself to support the principles of good and economical government, and at all times to put foremost the interests of my constituents and the nation.

"As a veteran of the A.E.F., during the World War, I know what war means, and will not be panicky over the war situation; but I do advocate immediate national defense, and deportation of undesirable aliens, who comprise much of the "Fifth Column" in our Country, and I shall always strive to eliminate the profits

from war and national defense programs.

"I have always studied the farm problem, and it is my firm belief that the best farm program is one which will permit the man who tills the soil to own the land, and discourage the operation of large farm units by interests who completely mechanize and use a minimum of hired labor.

"I have at all times been interested in our schools and churches, civic and charitable organizations; and I will continue that interest. I have for more than twenty years been active in behalf of our disabled service men, their widows and orphans; and I

"... I've had my electric range only a short time... but never before have I had such perfect results. My kitchen is several degrees cooler than in previous summers and I've done less scrubbing than ever before in my life!"—MRS. W. E. HARDIN, Clarendon.

"My electric range is so easy to clean, so dependable, and, above all, so very safe. It's the last word in cooking economy."—MRS. T. B. KLEPPER, Crowell.

"I like my new electric range even better than my old one. It makes my kitchen look nicer... and it cooks faster. Then, too, I like the flat, easily cleaned surface which is so convenient for holding dishes until ready to serve."—MRS. T. C. PRICE, Bronte.

"... Since getting our electric range, I have to clean less than I ever did before in my kitchen work. It is always ready to use—just flip a switch. I find it quite economical and I know that I am doing the best and easiest cooking I have ever done."—MRS. AUSTIN A. DOAK, Vernon.

IF Electric Cookery had no other virtue, its cleanliness alone would make it far superior to all other methods. Pots and pans stay bright as a new dollar, your kitchen neat and clean as a pin. No streaked walls. No smoke. No soot. No excess steam to condense on surfaces where dust accumulates. You can cook—and stay fresh. Before you buy any range, see the modern Electric Range. First compare—then choose!

Legion Picnic At McClellan

Legionnaires and Their Auxiliary Units Will Hold District Meet

PAMPA, July 16.—For the first time in two years Kerley-Crossman American Legion post 334 and auxiliary will be host to the American Legion posts and auxiliary units of the 18th district at a district monthly meeting to be held Wednesday, July 24.

Completion of McClellan Creek Conservation project, located 25 miles south of Pampa, has provided an ideal setting for the monthly get-together.

The park, on which the federal government spent \$600,000, was dedicated July 4.

Charlie Maisel, former Pampa, now of Phillips, retiring district commander, will preside as district commander for the last time at the meeting. Maisel has been elected fifth division commander, and is succeeded as district leader by J. M. Johnson of Canadian.

First event on the program will be a barbecue, held at the picnic grounds at the park, at 7 p. m. This will be followed by the business meeting one hour later. Ken Bennett and his orchestra will play for a dance to be held in the recreation building, starting at 9 o'clock.

Sherman White, member of executive committee of the local post, and Bill Heskew, sergeant-at-arms, are in charge of the program that has been arranged for the 30 posts and auxiliaries of the district.

Mrs. John Deaver of Memphis, acting district auxiliary president, and Mrs. Hoyt Allen, president of Kerley-Crossman auxiliary, will be in charge of the auxiliaries part in the program.

TUCKER IS IMPROVING

A patient in Veterans Hospital of Amarillo since a fall in the school building here some weeks ago where he is caretaker, Tom Tucker is said to be gradually improving daily. Mrs. Tucker spent Monday with her husband.

Mr. and Mrs. B. C. Antrobus spent the week end with relatives in Lubbock.

MEMPHIS PLANS OLD SETTLERS REUNION AND RODEO 3 DAYS

PONY EXPRESS RIDE WILL BE ONE FEATURE PRIZE CONTEST ON FIFTIETH ANNIVERSARY

MEMPHIS, July 18.—Plans galore for Hall County's Golden Jubilee three-day celebration, to be held here this July 24, 25, and 26, were revealed this week as the time for this county's biggest and colorful old settlers' reunion and rodeo drew nearer.

Topping the features for the three days will be the Pony Express race, to be run from Turkey to Memphis, a distance of about 35 miles. The course for the race, to be held July 24, will be marked with a pot of \$50 waiting for the first rider. Awards of \$30 and \$20 will be given to second and third place winners. Only one change of mounts, to be made at Oxbow bridge, about halfway between the two cities, will be made.

But the Pony Express race is only one phase of the celebration. There will be speeches by topnotchers in that field, six rodeo performances, a barbecue for pioneers, three cowboy dances to a well-known string orchestra, and two ballroom dances, one of which will honor visiting sponsors.

The program will officially open Wednesday morning at 9 o'clock when registration of old-timers (those who have lived in Hall County since 1911 or before) is held. The old-timers will be welcomed and speeches made to them each of the three mornings.

Rodeo performances, to be held at 2:30 o'clock in the afternoon and 8:30 o'clock at night, will be the action part of the three-day affair. Open strictly to amateurs, the rodeo is expected to draw the best of the cowboys from ranches in the Panhandle.

Four \$125 saddles will be awarded to rodeo entrants, two to cowboys, and two to sponsor entrants. "Hitler", a bucking horse that has never been ridden is to be saved until the last night for a special feature, and an extra award will be given to the cowboy who stays on him.

Old-time fiddlers will also come in for their share of the fun—and prize money. The old-fiddling contest will be held Wednesday afternoon, July 24, at 5 o'clock, and the winning fiddler will receive a purse of \$15. Second and third place winners will receive \$10 and \$5 prizes, respectively.

In addition, an old-time square dance contest will be held Friday afternoon at 5 o'clock, and the winning team will receive \$25. Second and third place teams will receive \$15 and \$10, respectively.

Thursday has been set aside as the official day for pioneers. The tabernacle will be open in the afternoon for visiting and for discussions. The barbecue will be held on that day at 1 o'clock.

Cowboy dances are to be held each of the three nights. The sponsors' dance will be held Thursday night, and the other ballroom dance will be held Wednesday night.

Climaxing the old settlers' portion of the program will be the unveiling of the pioneer monument. Memorial coins were sold this spring to raise money for the erection of the monument, and the coins will be on sale during the celebration.

A pioneer parade will be held at 1 o'clock each of the three days, with the Chas. R. Simmons post of the American Legion in charge. All civic and social organizations will have floats in the parade and a number of merchants are making plans to enter floats.

MORRIS AND GILLHAM ATTEND STATE F.F.A. CONVENTION

Carl Morris, Chapter president and J. R. Gillham, chapter adviser, returned Sunday morning from Houston where they attended the annual Texas F.F.A. State Convention. Morris played in the state F.F.A. band while at Houston and appeared on a state wide radio program for a five minute talk as president of the F.F.A. chapter that was rated the best in the state for the 1939-40 school year. Gillham was a member of the Swine Improvement Committee that worked out plans for the swine production contest for this year.

Galveston, the state penitentiary at Huntsville, and numerous other points of interest were visited during the trip.

Mrs. A. L. Chase, Mrs. Keith Stegall and children and Arthur Chase, Jr. were Amarillo visitors Tuesday.

Had Operation at Temple

Mr. and Mrs. Durwood Skelton and son Durwood Jr. are staying in Temple for the week. Mr. Skelton had an appendix operation there a few days ago. An uncle, C. E. Skelton resides in Temple, and a visit will be made while the patient is recruiting his strength.

Puryear Pleased At His Prospects

FORMER REPRESENTATIVE IN FAVOR BUSINESS-LIKE METHODS IN STATE

John Puryear of Wellington, former state representative and a candidate for the same office in the primary the 27th, said Tuesday that he was receiving gratifying reports from the 31st legislative district which comprises Gray, Wheeler, Collingsworth and Donley counties. He was on his way to the political rally at Lelia Lake Tuesday night.

With his background of farming and ranching, Puryear said he feels he would be qualified to cast intelligent votes on legislation pertaining to agriculture, soil conservation and livestock. He cites his two years experience as a member of the state house of representatives when there was considerable oil and gas legislation before that body as proof he would be able to look after Wheeler and Gray counties' interest in those matters.

An advocate of full and immediate payment of old-age pensions and teachers' retirement as authorized by amendments to the state constitution, Puryear said he believed in "these honest debts of the State of Texas" being financed in a manner based on the ability of citizens to pay. He does not believe in singling out one industry or one class to finance the social security obligations.

"In determining what candidate is best suited for a public office of this nature which involves the handling of millions of dollars of public funds annually, I think the voters should examine the past records of those offering for office," said Puryear. "I am a farmer and have worked hard for every dollar I ever made but I have made a success of my own business in a small way. I believe the same principles of good management required of private business should be practiced in the conduct of our state affairs."

JOE TERRY HOME IS BEING REMODELED THIS WEEK

Workmen have wrought many changes in the appearance of the Joe Terry home south of the Junior High school. In fact the work still is in progress. The home in general is being rebuilt and remodeled and more added to the building.

Jimmy Bourland of New York City is spending a vacation with relatives in Donley county.

ATTEND PICNIC SUNDAY IN MEMPHIS PARK

Mr. and Mrs. B. C. Tidwell of Clarendon were numbered among the guests of Mr. and Mrs. Homer Burleson in entertaining the Dr. Pepper employees in City Park at Memphis Sunday.

Mr. and Mrs. E. H. Estlack and children went down to Vernon Tuesday to visit the Homer Estlack family.

RETURN FROM MEXICO

A delightful vacation trip was that of Mr. and Mrs. D. Smith and daughter Wilma Dee who returned home Monday night. They toured New Mexico with a stop at Hot Springs where they visited friends who were former residents of Donley county, including Mr. and Mrs. C. W. Galloway.

Mrs. Jim Barkett and children, George and Joy, and Mrs. C. R. Skinner were in Amarillo Tues.
