Hightower asks for emergency \$\$

Congressman Jack Hightower has announced he has introduced legislation in the United States House of Representatives that will provide emergency financial relief for producers of wheat, feed grains and cotton without increasing the already existing surplus of these commodities. The legislature will provide for a graduated increase in the target prices tied to graduated increases in acres set-aside from production. The four year bill also provides for increased loan levels for the three commodities.

Hightower commented in regard to the bill, "I am not proposing this as the final or only answer for the problems that beset American agriculture. We are all in agreement that farmers need help now. Some of the farmers from our area I have talked with, and many of the Congressmen, feel hesitant to push the 'minimum price' concept into law without some careful study as to the long term effects involved. This bill could provide time for study."

Hightower went on to state, "I feel this bill can be a viable alternative that provides producers the opportunity to reach a per-bushel parity level that will fit individual situations."

The four-year emergency measure provides for a graduated target price system tied to an increasing acreage diversion. Under each of the three commodities a 50 percent set-aside would equate 100 percent of parity. A wheat farmer who follows the current 20 percent set-aside would be provided the current \$3 per bushel target. This would increase according to the increased percentage of acreage diversion until a 50 percent set-aside provides the \$5.04 per bushel, 100 percent parity for wheat.

Hightower pointed out, "The beauty of this concept is that the farmer charts his own course, the taxpayer is protected because the more paid per bushel, the fewer bushels a deficiency is paid on, and it does not increase the production with increases in target payments. The lower production increases the market for that commodity."

In regard to the loan levels in the proposal, Hightower commented, "The 1977 Food and Agriculture Act provided

for very low loan levels tied to a 'falling floor' situation. The low loan levels act as a depressant to the market and the provisions of the bill provide for the lower market, the lower the loan. Why call it a floor if everytime the market gets close to the floor, the floor drops? I feel I have been very cautious in setting loan levels for what at \$3.00 from \$2.25 per bushel. Corn is raised from \$2.00 to \$2.25 per bushel, and cotton from the current 44 cents to 52 cents.

These are far below the cost of production and will not lessen export demand. Exporting these commodities at the levels we have the past year the American farmer is subsidizing the rest of the world."

In further explanation, Hightower pointed out the change in his proposed loan

levels of wheat and corn and those under existing law. "I propose to change the current wheat-corn relationship to weaken the concept of feeding wheat to livestock. When we use wheat as an animal feed it depresses the corn price and is too cheap a price for wheat to be grown in my district. If the price justifies feeding wheat to animals, we lose the high protein wheat that is the

staple against world hunger. This is bad for both the farmer and the rest of the world."

Hightower concluded by stating, "This bill does not cover all problem areas. We say nothing about beef imports but there are several

bills pending that speak to the import issue. We do not go into the problems of farm credit."

Colt's Corral

By Burny

Hi everybody and welcome to Colt Country. The Colts were victorious again at Memphis making them the District Champions. The boys defeated Memphis 47-41. Memphis girls were whipped by our girls 34 - 10. We have some new additions to our trophy case. They are really worth looking at.

Now that basketball season is over for us, we have started working on track. Our first meet is March 11, at Lefors. On your mark, get set, go Colts!

Here are a few juicy items from those great halls of knowledge (?).

Mr. Leathers- What's new, Mr. Magoo? June A.- You mean you still read "Jack and Jill" at the age of thirteen? Tommy W.- (8th) - He was shaking his what? Mr. Lowry- Your room smells like a barber shop? Lacreia P.- Two cats, one bee sting and four apples? Dianne H.- No-o-o-o! Vanessa C.- Don't open the windows or mess with the blinds! Brian R.- Spacey! Coach Crofford- Run, run, run! Angela K.- Buggy! Jerry H.- Who's a fat frog? Krystal H.- Where are your books? Gerald M., Ray C.- The paper goats! Keith D., Ronnie P.- Spit wags again! 7th Girls- Sore legs!!! Tami S.- Aren't erasers a little hard to digest? Cindy T.- A bridge! Nelda B.- We know you're here! David W.- Cufflinks on your sleeves! Kristen W.- You and Arlis! That's the breaks! Dalyn C.- Steve and you went to do

what, when?! Dondra H., Connie G.- Talking to the chalk? Really! What did it say? Anna H.- One lay-up and a Jimmy Carter smile! Tandra P.- What did you do while you were absent? Lori R.- Did the chair move over when you tried to sit down? An Eighth Grade Psalm

The monster is my teacher I shall not pass. She maketh me to face the chalkboard. She destroyeth my love notes. She putteth my gum in the trash.

She leadeth me from sleep to the office for conduct's sake. Yea, though I walk through the halls of knowledge, I fear great evil, for I have forgotten my homework. Her face hardens before me, She maketh me to write my words 600 times.

She filleth the chalkboard with assignments. My notebook runneth over. Surely mischief and misfortune will follow me all the days of school. And I shall dwell in the 8th grade forever.

That's all folks!

The president, Mrs. Mary Hazel VanZandt, brought the meeting to order and turned the meeting to Mrs. Billie Clinton who was in charge of the program. The program consisted of 6 students from Clarendon Fine Arts Department presenting several popular songs with 2 solos from James Thomas and James Hawk. The students were: Doris Hill-Hereford, Janet Greene-Pampa, Nancy Stephenson-Claude, Dara Garvin-Silverton, James Hawk-Burkburnett, James Thomas and Richard Greene-Clarendon, accompanied by Mrs. Valorie Ashcraft and directed by Mrs. Jennifer Scoggin. They presented a very nice program on a variety of songs.

Following the program, the minutes were read by Mrs. Oressa Delaney, and approved by the club.

The "Husband's Party" was discussed and the members were asked to think about whether they wanted it rescheduled.

Our next meeting, March 7, was discussed—it will be Guest Day—Mrs. Clarence Hamilton is in charge. She is calling it "Fashions of

Yesterday." The members are asked to dress as though they were back in their "teenage days." Also, each member is asked to bring a picture of themselves when they were a teenager. Prizes will be given for the best costumes. The program will begin at 4:30 p.m. Mrs. Ethelyn Grady is M.C., Mrs. Billie Clinton is providing music, and Miss Betty Veach - some entertainment.

The "Collect" of our club was read by the following members present: Frieda Tucker, Katherine Green, Norma Jones, Oressa Delaney, Dessa Day, Verdie Herrington, Dorothy White, Molly Ritter, Virgie Johnson, Mary Thornberry, Billie Clinton, Claudine Todd, Pauline Heath, Mary Hazel VanZandt, Gladys Blackburn, Ethelyn Grady, Jean Stavenhagen, and Betty Veach. Bronc Buster

By Elosha Brandon

A big "HELLO" to all you folks out there in Broncho Land! The Annual staff missed the deadline by one day! But the final pages of our Annual are in the press!!!
Maranatha sponsored a car wash last weekend and really had fun and lots of work to do! You know, those car washes aren't all that easy! Thank you all for helping to support this club!! We enjoyed washing your cars and look forward to

washing them again next month!
Next Thursday, Maranatha will be involved in a city-wide ticket sale for the Maranatha Banquet which will be April 25, 1978! I, personally would like to encourage each of you to attend this event! The food and entertainment will be a lot more rewarding this year and it will be an evening that you can set back and enjoy! All the money that is made from anything that we do goes directly back into the

community in some very special services! The purpose in this is to meet the needs of those that are around us! There will be a youth fellowship for all Maranatha members after the sale! All members are to meet at Mrs. Johnston's home before the ticket sale!
UIL events are on their \$\$\$ There is a lot of preparation and excitement going into this for those that are involved in any way! This weekend the Speech team will be going to Childress for a tournament. The ready-writers will be involved in a tournament in Tulia! We expect to bring back some winners in all events! Good luck, people!
Cutest Couple: Brad Hayworth and Adenna Mills.

Clarendon FTA to State Convention

On Thursday morning, while snowing and freezing, Miss Betty Veach and 25 F.T.A.'ers of Clarendon High School and two adult sponsors left to go to the State F.T.A. Convention in Dallas. We loaded the bus and pickup we took and tried to beat the snow to Dallas. This we did; we ran out of the snow around Wichita Falls, and it was clear into Dallas. Friday morning it was another story, though. It was snowing the biggest snow flakes you have ever seen, when we got up. We loaded the pickup with kids and took off to the Convention Center which was about six blocks away. One F.T.A.'er, Vanell Littlefield, was brave enough to go on this trip while she had to have crutches to help her walk. It took two trips to get all the students over to the Convention Center. All the students had to be at the Convention Center to set up Chris Ford's booth for state candidate campaigning. Chris was running for State Vice President of TFTA. Bubba Newhouse, Rick Hayes, and Randy White were in charge of setting up the booth and getting things started for Chris. The other members of our chapter started handing out the flyers for Chris and started hunting the delegates to pin

"made" flowers on them that our chapter had made. It really started looking like a political convention in spite of the snowing outside. Many schools didn't get to come because of the weather.

The First General Session was held in the arena of the Dallas Convention Center at 2:30 p.m. John Hall, District XVI President, and Miss Betty Veach, District XVI Advisor, were platform guests. Speaking to the assembled F.T.A.'ers was Congressman Bob Krueger, 21st Congressional District of Texas.

Friday morning Chris Ford had to attend a "Candidates for State Office" meeting, which informed him about the rules for running a state office in TFTA and whatever help he needed from the state. For Chris's office, he was running against five other candidates. The race for the other offices had only two or three candidates running. Also, Friday morning John Hall, Dist. XVI President, attended a District Presidents' meeting, which informed him of events happening at the state convention.

After the First General Session, at 4:00 p.m., each district had a caucus meeting. John Hall don-

ducted our District XVI's caucus meeting in the Forentine Room of the Adolphus Hotel, with about 100 members from District XVI in attendance. Grady Basler, Perryton; Vonnie Washington, Amarillo H.S.; Sheila Martin, Panhandle were the district officers helping John. This meeting was just a summary of what was going on in the convention, encouraging all members to attend all events of the convention. Members from the Clarendon Chapter, Bubba Newhouse, Phil Moreman, Kim Anderson, Renee Cosper, and Rick Hayes, went to the other district meetings trying to gain votes for our candidate, Chris Ford.

At 6:30 p.m., in the arena, the Second General Session began. This session consisted of presentation of skits for the candidates for state office. Participating in Chris's skit were Bubba Newhouse, Kim Anderson--Narrators, Jeff Topper, Connie McAnear, Randy White, Steve Nance, Theresa Shields, Renee Cosper, Adrienne Youngblood, Kyle Hill; prop men--Rick Hayes, Phil Moreman, and, of course, Chris Ford. Chris gave a real good showing and we are extremely proud of Chris for running for this

state office. After the skits, the students had the choice of attending a TFTA dance with a live band, or going to TFTA folksinging.

Saturday morning, the F.T.A.'ers had workshops to attend concerning different things. Sherilyn Walker took our scrapbook to be entered in the contest, and we also entered our yearbook in the yearbook contest. Phil Moreman, District XVI President for 1978-1979, attended a TFTA District President Elect workshop Saturday morning, in which plans were made for the upcoming session on March 31, April 1, in Austin concerning District Presidents of the 20 districts and the installation of the new State TFTA Officers. Miss Betty Veach attended the Advisors' workshop and John Hall attended the meeting of the Constitution Committee of which he was a member.

At 1:30 p.m., the Third General Session started with the House of Delegates, where the voting for the candidates took place. John Hall was the head of District XVI delegation. Bubba Newhouse also served as delegate to the convention. Although Chris Ford didn't attain the office of Vice President of TFTA, the Clarendon Chapter is still

extremely proud of his trying for the office and have the spirit that they will do it again next year. Later Saturday evening at 7:00 p.m. our whole chapter attended the Awards Night Session where all awards and recognitions were made. We returned to the Dallas Hilton where our chapter was staying, couldn't really go anywhere in Dallas because the weather was too bad. We got ready to leave the next morning. Our bus and pickup was loaded and ready to go by 12:00 (noon) Sunday for the return trip to Clarendon. The trip was thoroughly enjoyed by the following
