EDWIN H. FLOOD

Lions will celebrate 56th anniversary

Tuesday, October 24, 1978 the Clarendon Lion's Club will be celebrating their 56th anniversary with a Ladies Night banquet at 7 p.m. at the Lion's Den.

Lion's International Director Edwin H. "Ed" Flood will be the speaker for the night. Flood was elected to the International Board of Lions International in 1976 and in 1977 elected as the Chairman of Lions International Finance and Headquarters Op-

eration.

Ed Flood is a board member of Texas State Council for Economic Education and a member of West Texas State University President's Council. He is President and chairman of the Board of Ed Flood Oil Co., Inc., and a member of the Amarillo Airport Board. Presently he is serving on the board of several community and civic organizations.

GROUNDBREAKING FOR THE addition to the Senior Citizens is also a team effort with everyone taking part.

USDA - ASCS Cotton Program for 1979

The following are determinations that must be made by the Secretary of Agriculture. Any comments on the following items must be received on or before October 20, 1978, to be assured of consideration: Address: Acting Director, Production Adjustment Division, ASCS-USDA, Room 3630, South Building, P.O. Box 2415, Washington, D.C. 20013.

L. Loan levels for seed cotton if program is offered

Cotton Loans: Upland cotton loans are available through the local ASCS Office. The loan rate is announced at \$4.815 per pound for SLM white 1 and 1/16 (mike 3.5 to 4.9). The interest rate for 1978 cotton loans will be 7%.

Low Yield: I know you are getting tired of reading the following statement but it is very **IMPORTANT:** For low yield payment eligibility, production must be reported within 15 days from the date harvest is

completed on each farm. For acreage you do not harvest, be sure and check with this office before other use is made of the land.

Election: Be sure and remember to vote in the upcoming **County Committee Election.** Ballots will be mailed to all eligible voters on November 24, 1978. Voted ballots must be returned no later than December 4, 1978.

Corn Loans: The Secretary of Agriculture has authorized early entry of the 1978 crop corn into the Grain Reserve Program.

KAY LYNN BORCHARDT, foreground, spoke to the Shrine Club on her experience in the Scottish Rite Hospital, and (from left) Mrs. J.L. Butler, J.L. Butler, president and John Sartz.

Al Morrah Shrine Club met

Al Morrah Shrine club met October 16 at the Clarendon Country Club for their monthly meeting, 27 members and their ladies were present.

Our fine dinner music was furnished by our Club Sweetheart, Dee Williams during our delicious meal which was prepared by the Clarendon Country Club and our thanks always go out to Andy Schulze for his Dream Donuts.

President Luther Butler acknowledged letters received from Scottish Rite Crippled Childrens Hospital and Burns Clinic for our \$1,000.00 donation to the Burns Clinic and \$1,000.00 to the Crippled Children's Hospital.

Lady Tena Powell was recognized for getting donations of \$102.00 from Hedley and Memphis to the paper drive for our Hospital Fund.

Glad to see our Past President

Herman Green back with us.

Kay Lynn Borchardt, graduate of Tulia High School and McMurry College was our guest speaker. She was a patient in our Scottish Rite Hospital for 6 years. She gave a wonderful account of her years in the Scottish Rite Hospital, her memories of bad experiences and good experiences. She said she was so proud of what Scottish Rite Hospital had done for her and we as Scottish Rite Masons and Shriners are proud of you, Kay Lynn.

Genevieve Caldwell sang "You'll Never Walk Alone", a beautiful song at the conclusion of Kay Lynn's speech.

Jerry Henderson, head of Coffee Memorial Blood Bank, gave a talk on a blood drive for this area and part of the blood would go to the Shriners Hospital.

Sister of local resident rites held

Mrs. Lena Pettit, 86, of McLean died Saturday, October 14, 1978. She was a twin sister of Blanche Smith of Medical Center Nursing Home in Clarendon.

Services were held Sunday October 15 at the First United Methodist Church in McLean.

Mrs. Pettit was born in 1892 in Tenaha, and married J.B. Pettit at Hedley.

She leaves one daughter, Mrs. Laverne Carter of McLean, four sisters: her twin Blanche Smith, and Mrs. Roy (Ruby) Blackman, both of Clarendon; Eva Peabody of Houston; Mrs. Mellie Childs of Tenaha and a brother, Tom Bogard of Bula; six grandchildren and 14 great grandchildren.

First Christian Church to have musical

The Key Notes, popular musical group from Perryton, will appear in song and concert at the First Christian Church in Clarendon on October 29, at 6 o'clock in the evening.

For a Sunday of enjoyment bring a covered dish and join in

the get acquainted salad supper to be held at 5 p.m. at the church before the concert.

Everyone is invited to dine and hear the Key Notes in concert, Sunday, October 29, at 6 p.m. at the First Christian Church.

1928 - 1929 class to have 50th class reunion

Because the 1929 graduating class was small plans for a high school class reunion also include the class of 1928, who will celebrate their 50th anniversary.

The joint reunion will be held in the Clarendon College Cafeteria, on October 28 and 29, beginning with registration at 9 a.m. on Saturday Oct. 28, and ending the days session with a banquet in the evening.

More information will be sent to those who reply to the letters sent to as many members as have available addresses.

Anyone having additional information on classmates not contacted may send the information to Mrs. Jane Bownds, Box 706, Clarendon, TX 79226.

Twenty-seven class members have sent replies in to date, with additional ones coming every few days.

Ruling nullifies salary increase

At a regular session of the commissioners court, referring to a summary ruling by the state's attorney general nullified the action of the grievance committee regarding the salary increase of the two deputies in the sheriff's office.

In effect, the ruling states that it is not legal for the employer (the sheriff or other elected official) to go before the grievance committee for a salary raise for personnel in his department (the employer's).

This ruling will stand until and unless overturned by any court proceeding resulting in a different opinion.

Future Homemakers to have supper

Future Homemakers of America will be sponsoring a salad supper before the football game on Friday, October 20, 1978 in the High School Cafeteria.

All proceeds will go to the purchase of a microwave oven for the Homemaking Department.

A wide variety of salads ranging from main dish salads to dessert salads will be available beginning at 5:30 and ending at 7 p.m.

Tickets are \$1.50 for adults and \$1.00 for students, and the F.H.A. members invite all of you to join them for the salad supper and will appreciate your support.

Telephone co. working on toll call bugs

"General Telephone customers continue to experience problems in long distance calling," J.H. Davis, Memphis division manager, said.

These difficulties are a result of Southwestern Bell's major conversion to a computerized toll switching system in Lubbock October 1. General's South Plains and Panhandle communities' long distance service switches through Bell's Lubbock office.

"Bell is working with us to correct these problems. Bell apologizes for the inconvenience to General Telephone customers," Davis said.

City to organize Police Reserve Force

The City of Clarendon is in the process of organizing a Reserve Police Force, that will be used at different times throughout the year.

Each individual that is selected to be a Reserve Officer will be asked to attend a Police Reserve School.

Upon satisfactory completion of the school, the Reserve Officer will be commissioned as a Reserve Police Officer and

when on duty will have the authority to make arrests. Each applicant must be able to meet the requirements of a regular police officer: no arrests, no DWI's, and be able to pass a physical.

Failure to meet any of these requirements will be grounds to reject the applicant. We will be accepting approximately 12 candidates. If you are interested please contact City Hall and fill out an application.

Key Notes at Bylows

The Key Notes will be performing for the entertainment of those who enjoy good music Saturday afternoon at 2 to 3 p.m. on the Bylow Food Store parking lot.

Make plans to hear the group of musicians selected for your personal enjoyment.

Bake Shop winners

Winners of the door prizes given for the grand opening of the Bake Shop have been announced by the owners, Mary Bond and Irene Tyler.

First place, a German chocolate cake, went to Mrs. Barney Horton; second place, going to Tommie Saye, was a dozen fried pies and third place, Wanda Deen, received two loaves of home made bread.

Sanford - Fritch throttles Bronchos 35-6

The Clarendon Bronchos experienced one of those nights when nothing went right. The Bronchos coming off an emotional battle with Childress the week before just couldn't get their act together. And to top that off - Fritch had a good football team. The Bronchos trailed 14-0 at the half, but scored with 5:16 left in the third quarter and closed the gap to 14-6. The jubilation was short, however, as S-F returned the ensuing kick-off 85 yds. for a TD. This seemed to be a sign of things to come as the bottom fell out for the Bronchos. The loss put the Bronchos at 2-3 with district play opening Friday night against Shamrock at home.

The Bronchos won the toss and elected to receive the opening kick-off. But things went bad on the first play as Gary McClellan gained some yardage but Fritch recovered his fumble and had their first turnover at the Broncho 25. The Eagles drove to the two yard line with QB Gary Cunningham carrying the final two yards for the TD. Doug McCoy added the extra point and Fritch was ahead 7-0 before anyone realized the game had really started. On the Broncho's next possession they coughed it up again with Billy and Gary not making connection, but the defense held the Eagles in Broncho territory with the Eagles missing a FG on the 4th down.

The Eagles next score came with 10:16 left in the 2nd quarter as the Broncho defense could not contain #33 Doug McCoy from making large chunks of yardage. QB Doug Cunningham carried it in from eleven yards out and McCoy added his second PAT and the Eagles were in good shape with a 14-0 lead.

However, this group of Bronchos never say die and tried to come back for a score on the next series. They go their aerial game going with completions to Tim Brown, Ronnie Davis, good gains by Gary McClellan, a 10 yd. gain by Donnie Harris, and a fine 30 yd. run by Billy Gardner. The big play of the series was a 40 yd. pass completion from Gary to Kelly Choute. The Bronchos had moved inside the Eagle 30 yd. line and the offense was moving well. Then - the third Broncho fumble was to come at the worst time. Donnie Harris lost the handle and the Bronchos had stopped themselves. The defense forced a punt deep in Eagle territory and the Bronchos got the break they seem to need so badly. The center snap sailed over punter James Walker's head and Gary McClellan chased him down at the 4 yd. line with 1:01 left in the half. But this was not to be as McClellan fumbled on the first play. The Bronchos could not capitalize and went to the locker room trailing 14-0.

The Eagles handed the ball over on the second half kick off as Mark Jack recovered a fumble at the Eagle 35 yd. line.

The Bronchos came out with a new wrinkle - Lynn Thompson at QB with Gary McClellan moving to the halfback spot. Gary immediately responded with a 7 yd. gain and the Bronchos seemed determined to put one on the board. But two plays later Gary fumbled and the Eagles were out of danger. The defense held and punter James Walker got off a fine punt and put the Bronchos in the hole at the 5 yd. line. The Bronchos did a good job moving the ball down field however. Lynn picked up 15 and then later 5 more and a pass to Tim Brown and the Bronchos were in Eagle territory. But Lynn Thompson's pass to Kelly Choute in the end zone was intercepted.

As the Eagles took possession they were to give the Bronchos another chance. Mark Wilson recovered an Eagle fumble at the 27 yd. line and the Bronchos had new life. Gary made 1, Lynn a 6 yd. gain, and then Lynn hit Tim Brown who was open in the corner of the end zone for a 20 yd. TD pass. Thompson's kick was blocked, and the Bronchos were back in the hunt 14-6 with 5:16 to go in the 3rd quarter.

The Bronchos kicked off to #21 James Walker who fielded the ball and somehow found an opening in the middle of the wedge and scooted 85 yds. for the TD. Walker than added two points and within 14 seconds the Eagles had turned the table on the Bronchos 22-6.

The Bronchos were again to begin moving the ball but a penalty stalled the drive. Billy Gardner made a nice 15 yd. gain and a 15 yd. pass completion to Tim Brown and the Bronchos were at the Eagle 30. But a penalty called the play back and the Bronchos went backwards. A huge loss was tacked on Gary McClellan as the Eagle defense swarmed. Instead of a 1st and 10, the Bronchos had lost 30 yds. and had a 4th down and 29.

The Eagles were to score two more times before the evening was over. The first coming with 9:22 left in the 4th quarter with

#81 Dean Price catching a 15 yd. TD pass from Cunningham. The kick failed and the Eagles stretched their lead to 29-6. Then exactly 3 minutes later defensive back - quarterback Doug Cunningham intercepted a Lynn Thompson pass off the fingertips of Ronnie Davis and took it 40 yds. for another Eagle TD. McCoy kicked the extra point and the Eagles had suddenly taken a game that was close in the third quarter to a wide margin victory - 35-6.

Coach Allen's remarks:

This seemed to be one of those games coaches hope we never have. When things started going bad everything went bad. It was obvious we were flat from the emotional high we had experienced last week. Our kids tried to talk it up on the sideline and get it going - but - just couldn't. Fritch was a good football team and the QB gave us trouble. We will have to get our heads back together for district. We begin a whole new season Friday night against Shamrock.

Bronchos open district against Shamrock

The Clarendon Bronchos open District 2-A play at home Friday night against the Shamrock Irish. Kick-off is scheduled for 7:30 p.m. The Irish come into the game at 1-4. Their only victory came at the hands of McLean. They have suffered losses to Wheeler, Groom, Quanah, and Canadian.

Coach Allen's remarks on Shamrock:

cotton with 900 pounds of cotton
seed.

Hedley Lions Club purchased
the bale.

Hedley news

By Willie Johnson

It is impossible to get all the
visitors that were here for the
27th Cotton Festival, so here are
some of them.

Mr. and Mrs. Willis Thomas
of Clayton were attending the
Festival and visiting Mrs. Mae
Simms.

Memorial service for Mr. C.L.
Hays was held in Memphis on
Saturday the 14th. He was a
former Hedley resident and the
father of Mrs. Roger Messer.
Sympathy is extended to the
family.

Visiting with Mrs. V.A.
Hansard were Mr. and Mrs.
R.L. Gilmore of Payson, Utah.
Joe Everette from North Carolina
visited the Clifford John-
sons, also Donald Gene Painter
from Amarillo.

Mrs. Vera Mae Petty's Sun-
day company were Mr. and
Mrs. Willisey White from
Amarillo.

Recent visitor in the home of
Mr. and Mrs. Jeffers was their
son Don Jeffers of Washburn.

Weekend visitors with Mrs.
Graham Brinson were: her
daughter, Mr. and Mrs. Bill
Watson of Clayton, New Mex
Mrs. Vera Deliss of Elida, New
Mexico, a sister of the late
Graham Brinson; Mr. and Mrs.
Kenneth Brinson and sons; Mr.
and Mrs. Bill Martin of Emporia
Kansas; Mr. and Mrs. Ricky
Brinson and Jeffers of Memphis;
Mr. and Mrs. Tode Hill; Mr.
and Mrs. Caron Owens of
Amarillo.

The J.K. Hall's company this
week is their daughter Mrs.
Vivian Cluck; also Mrs. Fox is
visiting from Iowa.

Out of town visitors for the
Cotton Festival and visiting with
the Burt Stones and Ansil
Adamsons were Mr. and Mrs.
R.L. Stone of Canadian; also
from Pampa were Mr. and Mrs.
Danny Stone, Jeremy and
Jason; Utona Brice; Mrs. Alma

Spurger and Dusty from Dublin;
Mrs. Wanda Patterson from
Terri Moon and Jennifer from
Gorman; Mrs. Janice Brown
and Ginger and Mrs. Monty
Russell and Baby from Ama-
rillo.

Sherrie Hill cotton queen

The coveted title of Cotton
Festival Queen was given to
Sherrie Hill, daughter of Mr.
and Mrs. John Hill, of Hedley.
First runner-up was La Moss
Springer and second runner-up
was Kim Taylor. These young
ladies will enjoy their positions
for an entire year, until the next
Cotton Festival.

Little Miss Future Cotton
Festival Queen is La Mona
Stafford, daughter of Mr. and
Mrs. Fred Stafford, and she has
several more years to partici-
pate for the queen's contest.

All reports from those who
attended this year's festival say
it was the biggest and best yet.
Some of the lucky persons who
were there and won prizes are:
Lewis Drum who won two
lunches from Big Mama's;
Darrin Clendennen, a radio
from Moffitt Hardware; Martha
Hill, #1 a white quilt, #2 a patch

quilt, Mrs. R.O. Nelson, both
won from the Senior Citizens;
Otis Holland, a radio from
Moffitt Hardware; Jackie Spier,
20 books of stamps, from the
Sophomore Class and the bale
of cotton won by Joy Smith of
Memphis.

Parade winners were for
commercial entries: Security

and Janie's Beauty Shop, 3rd;
for the organizations the float
of the Baptist and Methodist
Church, Shields Implement,
car; out of town entries the
American Legion Auxiliary of
Memphis and the Clarendon
Junior High School Band.
Ticket sales on the bale of
cotton totaled \$6,335.19 and
Little Queen monies totaled
\$501.40. These were very im-
pressive amounts of course
showing the continuing success
of the Hedley Cotton Festival.

The Old Settlers met in The
Lions Den Friday at 2 p.m. for
their annual meeting.

The crowd was smaller, but a
good program was very much
enjoyed.

Mrs. T.J. Cherry was elected
President, Fay Land secretary.

We were happy to see Bobbie
Dishman able to be present,
along with others from out of
town.

Mr. and Mrs. Joe Everett
traveled the longest distance to
be present from North Carolina.
They grew up in Hedley and
graduated from Hedley School.
Mrs. J.R. Grimsley had the
honor of traveling from Califor-
nia to be present.

Mr. and Mrs. Ned Grimsley
received a gift for oldest man
and woman.

After much visiting and
re-living other Old Settlers
meetings, each left with "I'll
be back next year."

The Key Note Singers from
Perryton had charge of the
eleven o'clock service Sunday
morning. This is 3 years they
have been at the First Baptist
Church. A good service with
some good singing was enjoyed
by a large crowd.

Out of town people at the
Festival were: Mr. and Mrs. Joe
Everett of North Carolina; Mr.
and Mrs. John Adamson of
Turkey; Mr. and Mrs. Wilson
Morgan of Morton; Mr. and
Mrs. Clarence DeBord of Strat-
ford; Mr. and Mrs. Bill Martin
of Kansas City; Mrs. Thelma
Cavender of Phoenix, Arizona;
Mrs. Wanda Patterson of Gor-
man; Mrs. Vera DeWeese of
Elida New Mexico; Mrs. Fay
Howell of Dalhart. From Ama-
rillo: Robert Pickett, James
Webb, Cora Luttrell, Oia and
Eula Curd, Otha Bain, Lilly
Doherty, Camilla Alexander,
Mr. and Mrs. Hub Foster, Mr.
and Mrs. Omer Woods, Mr. and
Mrs. Raymond Mosley, Mr. and
Mrs. Jack Ursey, Mr. and Mrs.
Ernie Houdershell, Mr. and
Mrs. Don Owens. Also, Mr. and
Mrs. John Aufliff of Lubbock.
There were others, I did not get
their names.

Rev. Joe C. Spradlin, of
Wenatchee, Wash. who has
been visiting his mother, Mrs.
Sam Spradlin, and other rela-
tives returned home last Sun-
day. Rev. Spradlin is a Mis-
sionary for the State of Wash-
ington.

Martin Hendrix, an assistant
manager of K-Mart store in
Cory, North Carolina, recently
visited his mother, Mildred
Hendrix. His wife Debbie and
three year old daughter Wendy
did not accompany him.
Martin visited numerous rela-
tives and friends and made a
business trip to Lubbock while
he was here. He and his mother
visited in Amarillo on Saturday
and on Sunday he flew home
after an enjoyable trip to Texas.

Floyd Guinn named county spelling bee director

The director for Donley County's 1979 Spelling Bee has been named.

He is Floyd Guinn, principal of Clarendon Junior High School. This is Guinn's second year to direct the county contests.

The date of the county competition will be announced at a later date by the director, but will be held before April 1, 1979. The winner will compete in the Amarillo Globe-News-West Texas State University co-sponsored 31st annual regional competition on April 28 in Amarillo.

The county's champion will be one of 46 area winners to compete in Amarillo. Top award will be an all-expense trip, courtesy of the Amarillo Globe-News, for the regional champion and one parent, to Washington, D.C. during the week of June 4.

A \$200 scholarship to West Texas State University will be one of the awards going to the 1979 regional champion, named in April. The scholarship is to be given by Mrs. Patricia Parker of Happy, mother of Gene Parker, bee coordinator. He is director of placement at the university.

There will be numerous other prizes with the top 15 finalists in the district contest receiving special awards.

Brand new "Bee" certificates, suitable for framing, will be given to every contestant, including those who spell at the classroom level.

The four states represented include the Panhandle of Texas, parts of Oklahoma, New Mexico and Kansas.

Students who wish to get an early start in preparing for the 1979 AGN-WTSU contest may order copies of the new "Words of the Champions" direct from the newspaper. The booklet, containing in excess of 500 new words, sells for 30 cents. Orders may be addressed to: Spelling Bee Editor, Amarillo Globe-News, P.O. Box 2091, Amarillo, Texas 79166.

The national sponsors, Scripps-Howard Newspapers in Cincinnati, establish the rules for competition. Any student who has not reached his/her 16th birthday or gone beyond the eighth grade at the end of the current school term, may compete. Jim Wagner is national director.

The AGN-WTSU offers elementary students a unique opportunity to take part in the National Spelling Bee. A Junior Bee is also sponsored for boys and girls in the sixth and lower grades. Each county may select a separate Junior Champion (from fifth and sixth grades only). The County Junior winners will not compete in regional spelling unless they win, both

titles. The decision to let fifth and sixth graders compete in the secondary contest is up to each county director. The secondary contest is referred to as "Senior Bee".

Each county's Junior Champion and Senior Champion will be invited to a luncheon to be held in Amarillo on April 28 prior to the regional elimination event.

Spelling Bee Editor for the newspaper is Mrs. Jeane Bartlett.

Additional information concerning the Bee may be obtained from the Amarillo Globe-News or West Texas State University.

Eleven lettermen returned for the Irish, including tackle Russell Waters, an All-District performer on last season's 2-8 team. Bence Close, a 5-9, 160 lb. Sr., is a two way starter. Center-Defensive Tackle Bill Young is also a returning two-way starter.

They will run offensively from a wing-T with Bence Close and FB Stacy Prather handling the ball most of the time. Defensively they will operate from a 5-2. Shamrock will have 8 players going both ways. We will need to stop the dive and the sweep.

We will be looking for a good game from our young men. We had a mental let down for the Fritch game. It happens when you get as high as we were for Childrens. We hoped it wouldn't happen against Fritch - but it did. So we have to re-group and be ready for Shamrock. We are to the games when they count - and the kids know it. We will have to take them one at a time.

Sen. Harrington says John Hill is committed to retired citizens

Former State Senator Roy Harrington, said today that John Hill will be elected governor because of his overwhelming support among retired Texans.

Harrington said, "I personally support Hill because of his commitment to retired citizens.

"As Attorney General, Hill undertook an investigation of the nursing home industry in this state and because of that the lives of hundreds of retired persons have been made a little better.

"Attorney General Hill also supports our association's program for guaranteed homestead exemptions for persons over 65 years of age. That's real important to a lot of retired folks because inflation hurts those of us on fixed income worse than anyone else."

Harrington said that Hill had been campaigning for a year on a platform that included elimination of the sales tax on utilities.

Even before he was elected, a lot of Texans have realized a tax reduction and lower utility bills because of Hill's efforts.

"What I like about Hill is that he doesn't make a lot of promises.

"He just goes and does what he said he's going to do."

Harrington said that Hill would be able to work better with the overwhelmingly Democratic legislature to achieve tax relief for homeowners, particularly those who are retired."

Senator Harrington served in the State Senate representing South East Texas. He is retired and lives in Port Arthur.

Six 4-H boys had cookout

Six boys participating in a 4-H food group went to Greenbelt Lake Wednesday, October 11th to learn about outdoor cooking.

Clyde I. Price showed the boys how to start a fire and let it burn to get the coals you need. The meal, which consisted of hamburger, potato, carrot and onion was wrapped in heavy duty foil and laid on top of the coals. The meal was done and ready to eat in 20 minutes. Biscuits were cooked in a Dutch oven over the coals.

Following the meal and cleaning the grounds up, Clyde took the boys for a boat ride. Those attending the outing were Lee Smith, Kenneth Coker, Will Lane, Russell Alexander, Stan Garland, Doug Hawkins, Donald Gooch, Ronald Gooch, Jerry Hawkins, Clyde Price and Cynthia Manning.

When driving in the rain, choose the driest lane. The right lane gets more traffic than the others and is generally the driest.

Tour of the Jack Moreman ranch

By David Davidson
A tour was held Tuesday, Oct. 10 on Jack Moreman's ranch. The tour was a good look at what good management with a sound conservation plan can produce. The tour began at a weeping lovegrass pasture established for summer forage. The lovegrass is grazed through out the spring and summer months in a rotation system. Each pasture is grazed for a one to two week grazing period. Lovegrass requires intensive grazing management and fertilization.

A pasture of midland Bermuda was the next stop. Moreman felt like it has not been given a "fair chance" as it requires a lot of water that he has devoted to a pasture of Alfalfa.

The alfalfa was recently plowed up for rye grass and eventually will be planted to a cool season perennial.

We continued on to some native rangeland. Moreman rests his range during the growing season and utilizes it as a standing hay crop. This rest is necessary for range improvement. Proper grazing use or take half leave half is Moreman's key to good grazing management. His rotation grazing system allows him to graze each pasture to proper use then move on to the next.

Despite the hot dry summer Moreman continued his grazing system. However, he had to move from pasture to pasture sooner than planned, putting him ahead of schedule. The shorter rest periods were still beneficial as the grass were able to utilize what rain we did receive.

Most of the rangeland toured was in high good condition, that is its composition consisted of many climax species such as yellow Indiangrass, big bluestem and switchgrass. This reflects good management and rest.

Another interesting stop was a blow-out area Moreman has worked to stabilize. It is not completely covered but is headed that way. The area was fenced and has not been grazed in several years. This has contributed to its improvement a great deal. The area had also been seeded with various varieties of plants from the Soil Conservation Service Plants Material Center. Maximilian sunflower appeared to be the most successful, spreading and growing six feet high. It is a very diversified plant in that it is good wildlife food (deer, dove, quail and turkey utilize it), cattle will graze it and its beauty is a complement to any landscape.

Winding up the tour we discussed aerial spraying of sandage and its benefit on rangeland. The tour was a tremendous success and hopefully will become an annual event on Moreman's schedule.

Jack Moreman elected Zone 5 district director

Jack Moreman of Clarendon was recently elected to the Donley County Soil and Water Conservation District board of directors. Moreman represents Zone 5 of the district.

The purpose of the Donley County SWCD is to promote sound soil and water conservation programs on farm and ranch lands within the district and to serve as a voice for farmers and ranchers on conservation matters and other issues affecting private property rights of landowners.

The board of directors coordinates the conservation efforts of various local, state and federal agencies and other organizations and has authority to enter into working agreements with these governmental agencies and private concerns to carry out its purposes. As one of five individuals serving on the district board of directors, Moreman will be

responsible for district policies and procedures for carrying out the district program within the framework of the Texas soil conservation district law.

In Texas there are 198 soil and water conservation districts. Each is a legal subdivision of state government organized by local agricultural landowners with the assistance of the Texas State Soil and Water Conservation Board. Unlike most other legal subdivisions of state government, SWCD's do not have the powers of taxation or eminent domain. All conservation programs managed by the districts are of a voluntary nature to the landowner or operator.

Homer Hardin, Claude Thomas, Jack Moreman, Bud Hermesmeier and Glen Watley are members of the Soil and Water Conservation board for Donley County.

Junior varsity beat Memphis 13-2

The Broncos gave up their first points of the season and couldn't get a slugging untracked, but pulled out a hard fought battle at Clarendon, 13 to 2.

The Broncos got on the board first when Lance Thornberry hit Jeff Topper on an early bomb. Tommy Lane booted the extra point through to make the score 7 to 0.

The Broncos scored their last points in the second quarter when Terry Putman broke loose for a brilliant 44 yard touchdown to make the score 13 to 0 at halftime.

In the fourth quarter, the Clarendon defense held the Cyclones on their own one foot line but Lance Thornberry was caught trying to pass out of the end zone for the safety to make it 13 to 2.

Late in the game, the Broncos defense held again inside the three when Jeff Topper made a fine interception in the corner of the end zone to end the threat and the Broncos won thirteen to two.

A RANGE STOP. "Proper Grazing Use" is the key to good management.

Junior varsity beats Panhandle 30-8

By Brad Thompson

The Broncos defense allowed their first touchdown of the season but the offense got thirty and the Broncos ran their unbeaten string to five as they beat previously unbeaten Panhandle thirty to eight.

Clarendon scored first when Bobby Weatherton took a punt on his own thirty-nine yard line, reversed his field and went all the way behind good blocking to make the score six to nothing. The Broncos couldn't manage to convert an extra point this night and the score remained six to nothing.

Mark White and Jay Lindley got good pressure on the quarterback and Terry Putman intercepted to give the Clarendon offense good field position deep in Panther territory. Brad Thompson got excellent protection from the line and hit William Thompson over the middle for ten yards and the Broncos' second touchdown.

Tommy Lane intercepted another Panhandle pass to give the offense great field position and Brad Thompson got excellent blocks from Scott Lewis and Brian Murray to collect twenty yards and followed them again shortly afterwards for six more and a touchdown to make the score eighteen to nothing at halftime.

After taking the second half kick-off, the Bronco offense marched down the field steadily and Tommy Lane just got in the corner of the end zone to make the score twenty-four to nothing.

The Broncos put their final points on the board when Terry Putman read a swing pass perfectly, picked it off and returned it 60 yards for the score.

Chris Ford made an excellent stop on fourth and one at the Broncho six to hold off a Panther threat but Panhandle finally scored midway through the fourth quarter for the first touchdown given up by the Bronco defense.

With the first half of the season completed, the Bronco offense has scored twenty five points a game while the defense, has allowed only two.

Miss Ava Naylor honored on 90th birthday

Miss Ava Naylor was honored with a surprise Birthday Party on October 4, in the home of Mr. and Mrs. Dean Simon. Helping to celebrate the second party for this 90th birthday were Mr. and Mrs. Edwin Eanes and Mr. and Mrs. Tidale.

They enjoyed visiting and lovely refreshments of a beautiful angel food cake and delicious spiced tea.

The Pathfinder Club has meeting

Mrs. Mary K. Blanton, Mrs. John Oakes, and Mrs. Frank White, Jr., were hostesses to the Pathfinder club Friday the 13th in the home of Mrs. Blanton, 2405 S. Hughes in Amarillo. After refreshments in Mrs. Blanton's home, the club members were taken for a tour of the Art Center, the main attraction at this time is a collection of art objects by the jeweler and goldsmith to the czars of Russia from 1885 to 1915, Peter Carl Faberge.

Among many beautiful and precious things were the Objects of Fantasy... Easter Eggs for the Empress and the exquisite flowers, a bowl of lilies-of-the-valley, the blooms of pearls and the leaves of jade. Also paintings from the Houston Art Museum were on display;

among them paintings of Christ and the Madonna by the Spanish painter Murillo. The Art Center has been given some valuable paintings by well-known artists.

The members were taken later to the Country Club for a delicious luncheon. The club is grateful to Mrs. White's mother and sister for this delightful occasion.

One of the longest wars in history was the one between England and France that was waged, on and off, between 1337 and 1453. It was known as the Hundred Years' War and was fought because each side claimed a bit of territory in what is now northwest France.

Halloween Hints For Fun 'n' Safety

- Make sure youngsters use flashlights to light their way. Avoid using candles.
- Paint funny faces with make-up on your kids. Then they won't have to wear uncomfortable masks which sometimes block vision.
- Cornstalk Halloween decorations won't shed if you apply hair spray.
- Warn kids never to accept candy from strangers. Instead, make a little party for your trick-or-treaters. Serve cider, apple wedges garnished with tasty spray-cheese, and some of the candy they've collected. Show them how to decorate cupcakes and add zip to chocolate drinks with aerosol whipped cream.

SHIRLEY WISE, member of the President's Ambassadors at TWU.

Shirley Wise to be a member of President's Ambassadors at TWU

Shirley Wise of Clarendon has been selected as a member of the President's Ambassadors at Texas Woman's University where she is a junior library science major.

The group consists of 24 students chosen on the basis of overall scholastic achievement, three references from faculty members, and a personal interview with Mrs. Pat Bradley, director of Special Services, and a committee of faculty, administration personnel, and students.

The Ambassadors will serve as hostesses during special events on campus such as the Diamond Jubilee celebration of the university this month, conduct tours of the campus for special visitors, and speak to various groups that request information about TWU.

Miss Wise is the daughter of Mr. and Mrs. William W. Wise. She is also a member of the Annual Staff, Alpha Beta Alpha, a library science fraternity, and was on the Dean's Honor Roll last fall.

Good Neighbors Club met

The Good Neighbors Club met on Friday afternoon with Cora Hearn as hostess. One visitor, Blanche Gray, present.

Members present were Bessie Helton, Frances McCord, Hazel Phillips, Florence Harp and hostess Cora Hearn.

The afternoon was spent in hand work and visiting. Lovely refreshments of sandwiches, potato chips, pickles, Coke, peaches and cream, tea and coffee were served. All present reported a good time.

Next meeting will be with Frances McCord on Nov. 10. Everyone is to bring a reading of Thanksgiving. We will plan our Christmas party at this time.

Friendship Quilting Club met

The Friendship Quilting Club met in the home of Edna Dishman Wednesday, Oct. 11 in an afternoon meeting. New officers were elected for another year. They were Mary Lee Noble, president; Vada Morrison, vice-president; Florene Bennett, secretary-treasurer.

Those to serve on the entertainment committee are: Irene Jones, Edna Dishman, and Florene Bennett. Flower and card committee will be Irene Jones and Annie Thompson. Reporter is Yvonne Belle McDaniels.

Delicious refreshments of punch, coffee, cookies and candies were served from a decorated serving table which carried out the Halloween motif.

Those present and enjoying the social afternoon were Louise Aten, Lillie May Carmichael, Ora Aten, Florene Bennett, Lucille Luttrell, Irene Jones, Yvonne Belle McDaniels, Veda Morrison, Mary Lee Noble, Annie Thomason, Louise Lockby and the hostess Edna Dishman. The next meeting will be in the home of Wanda Wilson Wednesday, November 15th.

BRONCHO BUSTER

By Karle Cantrell

Everyone knows that last week we had a very unusual day, Friday the 13th. Some people think that Friday the 13th is a very bad day. SUPERSTITION... it is a very big word and effects so many people in different ways. I talked to a few people about superstitions and found out a few interesting ideas.

For example, Mrs. Stavenhagen doesn't really believe in superstitions, however she does believe in lucky numbers. Mrs. Stavenhagen's lucky number is the number 5.

Mark Wilson claims not to have any superstitions. He said he didn't think we lost the game just because it was Friday the 13th. He felt the Bronchos just weren't mentally built up for the game. If a black cat ran in front of Mark he would probably try to hit it. Although, if a ladder were in Mark's way he said he would go around it. How come... he would not want to get paint on his head.

Mrs. Johnston said that she doesn't have any superstitions. She would also walk around a

ladder to avoid getting paint on her head. What about black cats... her family has one for a pet. Mrs. Johnston added if Mark ran over their cat it would be his unlucky day!

Mrs. Hayes replied that she wouldn't walk "under" a ladder in most cases. She does have a lucky number, the number 3, with 3 darling reasons to back it up with Rick, Spencer, and Muzzy. (You call that luck?...) Coleen Cockerham said she doesn't strongly believe in superstitions but she sure doesn't want to invite bad luck right in the front door.

Everyone has their own beliefs, to each his own. I can't really say that I don't have any superstitions. I have a lucky number and the only thing black cats have done to me is make me sneeze. I try to avoid walking under ladders. I really don't think Friday the 13th is such a bad day, but Friday the Bronchos weren't having very much good luck at Fritch. Unfortunately Fritch beat the Broncs 35-6.

Our freshman team played Panhandle here and lost 40-0. I hope that everyone will come and support these fine young men. Come on Broncs, you can win, we know you can! The Bronchos would like to thank their wonderful fans who made the sign for them in the gym.

The Drama Department is having a play today titled "Breaking Up Is Hard To Do". The cast members are Ricky P. Johnathon, Jenny D., Margaret, Kim W., Doris, Mark W., Bobby, Kathryn P., Carolyn, Kenny S., Doug F., Narrator, Butch B., The Boy. Admission is 50 cents.

F.H.A. is having a salad supper Friday, Oct. 20 from 5-7 p.m. A plate will cost adults \$1.50, Students \$1.00. Everyone is invited to come and feast.

Students signed up for annuals Wednesday. Don't forget to bring your money next week or you will not have a chance to buy an annual. If any student wants their name on the annual they can work in the concession stand at any of the home games. If a student wants to buy can't a parent or parents can work for the student. See Miss Veach to sign up.

How about a little gossip... Dean H. "Was it worth 50 cents?" Theresa S. Inflation? Don't ya think Bryan M. Terry P. "Cutest Couple?" Ricci T. & Donna B. "I thought 'you' were suppose to beat on the drum?" Blake B. "Oh, it's not going to fall. No way?" Kathryn P. "Can't get enough... of that lip junk, oh now we understand. Teresa H. All over your sock? Looks like it's back to Pamper's! Shane S. Mark M. Did your pigs hatch any eggs? Kathy W. Backwards?... Yep it's Friday the 13th. Gary M. It's called the shoe polish flash! Hill backs tax relief on ballot November 7

"We've got a great opportunity Nov. 7 to take a significant first step toward tax relief in Texas. I'm urging everyone to vote for the proposed constitutional amendment to give tax relief to our farmers and ranchers, homeowners, and elderly. After this amendment is adopted, I'll be ready to take the lead in the 1979 legislature to follow through on this first step."

Almost a year ago Al Goodin asked us if we had a little poem about the wonderful days of October. Finally, we forgot about it until the very beautiful days of October came around again... This time we asked for it through this column. Mrs. Fay Carr of 4901 Harvard St. in Amarillo, and a well-loved former resident of Claude sent us a poem that we think is the one requested. It goes:
"O Suns and Skies and clouds of June
And Flowers of June together,
Ye cannot rival for one hour
October's bright blue weather."
Thank you Mrs. Carr. It is so beautiful, and isn't it the truth that the days of October are the best of them all.

CONGRESSMAN JACK HIGHTOWER receives the "Watchdog of the Treasury" Award from Dave Pflavel, representative of the National Associated Businessmen, Inc. for voting to reduce wasteful government spending during the 95th Congress.

Congressman Hightower cited for antispending votes

Congressman Jack E. Hightower (Texas-13) has received the "Watchdog" Award by voting 67% of the time to reduce wasteful government spending during the 95th Congress.

In special ceremonies honoring Rep. Hightower on Capitol Hill, NAB Chairman Arthur Roth said, "The people of the State of Texas are extremely fortunate to be represented in Washington by a legislator whose concern with the inflationary impact of excessive government spending is so clearly reflected in his voting record."
NAB has been rating Members of the House and Senate on their votes for fiscal responsibility since 1964. Roth said. The "Watchdog of the Treasury" Award is presented each Congressional session to those Members who vote at least two-thirds of the time for economy in government.

NEWS OF HEALTH

New Hope For Cataract Patients

Potentially blinding eye cataracts can now be removed by a revolutionary new surgical program that sharply reduces hospitalization and recuperation time.

A cataract patient can be admitted, operated on and discharged within a 22-hour period under a new surgical program developed by ophthalmologist Dr. Joseph Spina, Jr. at Bryn Mawr Hospital, Bryn Mawr, PA. Using space-age microsurgical techniques, the clouded-over lens or cataract lens is removed virtually without pain. No five to seven day hospital stay or long recuperation period, common to conventional cataract surgery, is needed.

According to 36-year-old Dr. Spina, Medical Director of the Cataract Research Institute, "The new surgery is called Phacoemulsification

LETTER TO THE EDITOR:

A special "thanks" to the merchants that donated gifts, the contestants for their talents and participation, and to the residents of Clarendon and neighboring communities for making the annual "Gong and Talent Show" of Clarendon College a fun and successful event.

We enjoyed sponsoring the evening of fun and laughter and it was a thrill to watch the "young ones" enjoying themselves.

Sincerely, Drama Department and Green Masque Drama Club of Clarendon College

Farm Bureau for tax relief amendment

Agriculture in this county has a lot at stake in the November 7th vote on the tax relief amendment, according to Hubert Rhoades, president of the Donley County Farm Bureau.

"The tax relief amendment provides for limiting the tax value of agricultural land to its productive value," Rhoades said.

This is a protective measure not only for the present, but also for the future, he explained.

"Inflationary pressures and revenue requirements could increase our land taxes several

times what they are now," Rhoades said.

"But, this amendment if approved and implemented, would put a limit on taxes," he said. "Our farmers would not be forced off the land now or in the future because productivity would be the limiting factor."

The county Farm Bureau president said that although the property tax was intended as a general tax on all property and all wealth, it has become primarily a tax on real estate.

"Farmers and ranchers necessarily own and use more real

estate than other types of businesses, and therefore pay an unfair share of the property tax," Rhoades said. "We're not seeking favors, just fairness, he added.

The county farm leader said that a measure passed by the Legislature during the special called session would reimburse school districts for all or part of revenue lost due to reductions from homestead exemptions or agricultural land valuations.

Some \$450 million was appropriated for the next two years, enough to offset reductions, he said.

"This means we would be using surplus from the state's general revenue fund for making up this difference to schools," Rhoades said.

The farm leader said that groups which need tax relief the most would benefit from the tax relief amendment. In addition to farmers and ranchers, these include homeowners, the el-

derly and disabled persons, he said.

In addition to these groups, all taxpayers and the general public have a stake in passage of the amendment, he said.

"First, there is a limitation making it more difficult for the Legislature to pass excessive increases in spending," he said.

"Also, the truth-in-tax provision insures more citizen involvement in local government. In addition, there is the exemption on household goods and personal effects. Finally, the amendment says property tax appraisal and enforcement must originate in the county and not be transferred to Austin."

This may be our last opportunity to correct tax inequities and make needed reform, the county farm leader said.

"Let's send a message to Austin that we will not stand for unlimited taxation and spending," he said.

Health hints
 By R.L. Gilkey, M.D., A.B.F.P.

Sinus—Autumn is the worse season for sinus sufferers. This is because ragweed, careless weed, cotton and other pollens are at their highest level in the air we breathe.

If you have simple hay fever, with sneezing, itchy eyes, and runny nose, a simple antihistamine will often help. If you have chronic allergy, however, a decongestant is frequently necessary. Sinus is a chronic allergy, where the nose is stuffy and blocked and the drainage from the nose goes down the back of the throat causing it to become irritated. The typical patient awakens in the morning with a raw throat which becomes better after breakfast, then worse again late in the day around five or six in the evening.

What can you do for sinus? Avoid the pollens if possible. Don't overuse nose drops which can become an irritant itself and make the problem worse. A simple nasal wash with warm salt water twice a day helps a great deal. Over the counter medications like Contac, Dramin, Sinutab, etc., will alleviate all the symptoms in many people. Caution — don't use these medications if you have high blood pressure or thyroid trouble without checking with your physician first. If these simple remedies don't help, then your doctor can prescribe a stronger medication.

With severe allergies it is sometimes necessary to take allergy shots. This is a vaccine made for the individual from various pollens, molds, dusts and dander. Skin tests are required to determine just what pollens that you are allergic to. This desensitization helps a great deal but doesn't eliminate the problem entirely.

A large number of people in West Texas have these allergies, so you don't suffer alone. New drugs are constantly being developed to help persons suffering with this problem.
