SCENE OF ONE OF Clarendon's most destructive fires of all times.

Gibson Discount a total loss in fire

Gibson's Discount Store, on US 287 west was a total loss as a result of a trash bin fire which spread to the store just after noon on Sunday, April 8, and sent two young men employees of the firm to Hall County Hospital for treatment of smoke inhalation.

The two, Jon Nichols and Leroy Sanchez had tried unsuccessfully to contain the fire at its origin. They were reported in good condition at the hospital Sunday afternoon and were expected to be released later in the evening.

The fire was fanned by a brisk wind which spread it quickly and hampered the efforts of firefighters to control the blaze.

Four units of the Clarendon Fire Department and one rural unit fought the fire for over three hours and it finally burned itself out.

Heavy smoke blocked visibility on the highway and traffic was diverted to bypass the smoke shrouded highway for more than two and a half hours. Smoke was visible from about thirty miles away to the west, south and east of Clarendon.

The first fire alarm came at about 12:15 and many volunteer firemen and other emergency personnel were still at church or enroute home at the time. Twenty seven firemen fought the fire which had spread the width of the store on the east end before firemen had a chance to combat it. They remained on the scene as long as they were able to help.

James Stubblefield, manager of the store estimated the loss of the store building, fixtures and inventory in excess of \$1.5 million. The store was built and opened for business in Clarendon four years ago. Stubblefield stated that the firm would rebuild.

Stubblefield further stated that he and Gibson owe a

special thanks to Jon Nichols and Leroy Sanchez, for their valiant efforts to control the fire. Other employees working who helped do whatever they could

were: Connie McAnear; Donna Main; Nora Bedard; Cora Mascarenas; Leo Mascarenas; Jon Nichols; and Leroy Sanchez.

The origin of the blaze was the trash bin on the outside of the store at Gibsons but the cause of the blaze is not known, they do not burn their trash in accordance with state laws.

CC to hold Ex-Student reunion

The annual reunion of the Clarendon College Ex-Student's Association will be held April 21st and 22nd on the campus of Clarendon College.

Activities will begin with registration at 10:00 A.M. on Saturday, April 21st, at the College Cafeteria. A Tea will be held in the home of Mrs. Ruby Bromley Saturday afternoon and the annual banquet will be held Saturday night at the cafeteria. A special church service will be held on Sunday for Ex-Students in attendance. Classes of 1929 and 1954 will be honored this year. The reunion will close with a luncheon meeting on Sunday, April 22, at the College Cafeteria.

Clarendon College is unique in one respect. It is the oldest college in the Texas Panhandle, having been established in 1893. It was truly a frontier college, organized nine years before Oklahoma became a state and fourteen years before New

Mexico and Arizona became states.

Clarendon College was in operation twelve years before West Texas Normal of Canyon and Wayland College of Plainview were opened, and twenty-four years before Texas Technological College of Lubbock was established.

Clarendon College enjoys a rich heritage, and continues to operate as a community college at the present time on a thirty

acre campus, with many fine facilities and an excellent staff.

The college had a record enrollment this spring. A branch campus was opened in Pampa and a Licensed Vocational Nursing program in Shamrock is now being administered by the college. Classes are also being taught in Childress, Memphis, Wellington, and Shamrock. All ex-students are cordially invited to attend the annual re-union.

Community Good Friday services planned

Each year the Donley County Ministerial Alliance has a joint Good Friday service. This year the service will be hosted by the First Christian Church on Friday, April 13th at 7:30 p.m. Special music is arranged by the host church.

The message will be delivered by Paul Heil, pastor of the First Baptist Church.

A special offering will be taken to help support the work

of the Ministerial Alliance. This offering helps those in our county with special needs and those with travel emergencies as they pass through our community.

Rev. Roger Gray, pastor of the First Assembly of God Church and president of the Ministerial Alliance extends a cordial invitation to join with the community in the joint Good Friday service.

Easter service at Assembly of God Church

The Assembly of God church extends a cordial welcome to their Easter services.

The Bob Walker Singers will be special guests for the morning services and the 2:30 afternoon service.

There will be a noon fellow-

ship meal honoring Mr. and Mrs. A.E. Swearingen who are moving to Childress shortly.

Mr. and Mrs. Virgil N. Johnson, of Las Cruces, N.M. visited Mr. and Mrs. Lloyd Risley and his uncle, Tom Shadle.

Selvidge voted to second term in Saturday election

Selvidge returned as Mayor. Voters turned out in good numbers for the election Saturday in another pleasing show of interest for Donley county residents.

In the City of Clarendon races incumbent mayor, Leonard (Tex) Selvidge was returned to office over his opponent, Helen Rogers. Selvidge received 165 votes and Mrs. Rogers received 54. For the alderman, incumbent Shirley Clifford had 162 votes, incumbent Cecil McAfee, for a one year post, had 194 and James L. Kuhn received 142 votes.

Voting for the Clarendon Independent School District board of trustees for two places was as follows: Gene Alderson (incumbent) 88, Henry Hasty Jr., 91, Cheryl Burch, 51, James McAnear Sr., (incumbent), 90, Billy Neal Spier, 50 and Don Thornberry 190. Thornberry and Hasty will be the new board members.

In the Donley County Trustees race there was no contest and incumbents, W. H. McDonald, Lloyd McCord, and V.T. McPherson will serve another term.

Donley County Hospital District had three incumbents running. They were E.W. Barbee, Marvin Thompson and Lacy Noble. Place three, held by Lacy Noble was contested with Mrs. Dikki Howell also running for that position. Tallies for this race were: Clarendon 104 for Noble; 147 for Howell; 199 for Barbee and 201 for Thompson. At Howardwick it was 38 Noble; 27 Howell; 58 for Barbee and 58 for Thompson.

Howardwick voted 58 for E.H. Patton and 31 for Lynn Cherry in the mayors race. A write-in candidate, Melville Mi-

lls, announced late for an alderman position with totals of 52 for Lawrence Whitehead, 51 for Herman Green and 38 for Melville Mills. With two positions to fill Whitehead and Green were elected. At Hedley, Harold White and Fred Watt, incumbents were running for positions on the school board and for the third position Billy Clubb, ran for the place formerly held by J.D. Skaggs, who did not run again this year. The only contested race was the Donley County Hospital trustee position, and the Hedley totals were: Noble, 51; Howell, 19; Barbee, 46; and Thompson 40. County totals were Noble, 193; Howell, 193; Barbee, 303; and Thompson, 299. These are unofficial totals and ballots were canvassed at the regular meeting of the Donley County Hospital board of trustees Tuesday evening.

School holiday schedule
Clarendon public schools will dismiss at 2:15 on Thursday April 12th for the Easter Holiday, and will resume classes on Tuesday, April 17, at the regular time.

Revival continues
Services are continuing in the Calvary Baptist Church revival through Sunday, April 15, with services starting at 7:30 p.m. each evening.

Great singing is featured with quartets, trios and duets which you will want to hear and invite your friends to hear.

Bert Homer is at his best and will be a great blessing in your life as you hear his services. Pastor Roy W. Sullivan, pastor invites all to attend.

Troop 33 to have Easter services

Troop #33 will hold a campout on Friday night April 13, through Easter Sunday morning, April 15.

Scouts are to meet at the First Christian Church on Friday afternoon at 3 p.m. Each scout is asked to bring enough food to cook for five meals.

On Sunday morning Easter Sunrise Services will be held at the Scout camp site overlooking the lake at 7 a.m. All Scouts and their parents, and the public are invited to attend these services.

After the service parents are asked to help take their sons home. The service should be concluded by 8:15 a.m.

A volunteer fireman

Patrick Robertson is a lifetime resident of Clarendon. His wife Edie works at Farm Bureau Insurance Agency. Patrick is a licensed Mortician and is a partner with his father in Robertson Funeral Directors.

He is also a Paramedic and works with Ambulance Service. He joined the Fire Department in October 1975 and serves as the Secretary-Treasurer.

CC presents "How the West Was Fun"

Miss Leslie Schnauer, director and head of the Fine Arts department at Clarendon College, has announced that the Spring Drama production will be a western melodrama—"How the West Was Fun".

"How the West Was Fun" is a western comedy-farce by James L. Sheay. It takes place in Prairie Dog, Tx. in the late summer of 1876. Come see how a lonely cowboy named Curley (played by Darrell Philley, Amarillo, Tx.) finally wins Miss Lily (Nancy Stephenson, Claude, Tx.) the Red Stocking Dance Hall Queen.

Other members of the cast are: Andy Costly from Sunray as Lobo - Curley's partner; Roy Monroe from Clarendon as the Sgt. Major Tyree Turwilliger, a dashing Calvary trooper; Fuzz Mooring from Clarendon, as Ms. Claire Du Loon, the owner of the dance hall; Lynette Gabel from Panhandle, as Rosie, Miss Lilly's rival; James Walker from Sunray as Dr. Sasquach, a medicine show quack; Kathy Butler from Panhandle as Princess Grinning Fox, the Doc's side-kick; Laura Hill from Canadian as Gold Crust Gertie.

Country Club dinner theatre presentation

The dinner theatre will be presented at the Clarendon Country Club April 21. Call the Club 874-2863 for reservations at \$12.00 per couple. It is a melodrama called "Egad What A Cad". The cast consist of Travis Wilson, Allie Maye Maxey, Nancy Selvidge, Tex Selvidge, Claudia Thompson, Jerry Courtney and Jamie Deyhle.

Dog Obedience class meets

With two new additions to the class Mary Beard from the Amarillo Obedience Training Club conducted the third session of this second training class at the old high school gym. Accompanying her were Kathy Berry and their children. Kathy gave the advanced beginner training.

Johnnie B. Myers came from the Brice Community with Shetland Sheepdog, Ginger and Lori Roberson brought Miniature Schnauzer Knabe to class. Bob Andis will give make-up lessons until these can join the regulars.

Continued work was practiced with the Pay Attention, Stop Barking and Jumping Up, Sit-Stay, Heeling, Sit and Accept Praise with special emphasis on obtaining Control of your dog with About Turns, Straight Sits and Sit-Stays at a distance. The Sit-Stay with lead on the floor, returning around dog after Sit-Stay; Starting the Sit-For-Examination with lead in hand and the Recall with dog chasing completed the exercises to date.

ROTTWEILER MARIHA is an exemplary bitch of her breed. She is being entered in the coming American Kennel Club approved CLUSTER DOG SHOW and OBEDIENCE TRIAL to be held in the Civic Center in Lubbock April 20, 21 and 22. She is owned and handled by Kevin Fincher, a local high school student who resides in the Brice Community.

Kevin was high scoring member of the first class showing Mariha to win the trophy.

According to Kevin "The Rottweiler receives considerable credit for helping to change the map and the races of Europe. The Roman armies negotiated the mighty Alps and went down into central Europe.

Three types of cattle dogs were the ancestors of the Rottweiler. Many dogs of the type accompanied the various Roman expeditions as guides and guards of the army's cattle. The Rottweiler was developed from Roman cattle dogs and their name comes from the town of Rottweil. It is some 1900 years old in its present form.

The butchers and cattle merchants adopted a working dog of necessity as a trusted companion and reliable guard was needed. As it was the custom to tie the masters purse around the dogs neck few bandits and highwaymen dared to molest these strong dogs.

A new interest came for the Rottweiler in 1910 when it was chosen for police training. It has served to emphasize his diligence, understanding, courage, modesty and self reliance."

Next training session for the class will be April 16, 7:30 p.m. at the old high school gym. Visitors are welcome.

CC Pampa Center news

Clarendon College - Pampa Center in cooperation with West Texas State University is currently conducting a survey of the local area of Pampa to determine the need for offering junior and senior level courses at the center.

Questionnaire showing possible course offerings are being distributed by the Pampa Center to students currently enrolled. Those not enrolled in the Center that are interested in having the upper level courses offered at Pampa may pick up a copy at the Center or at the Chamber of Commerce Office in

Pampa. Questionnaires must be returned to the Pampa Center by April 20.

Lloyd Waters, Dean of Pampa Center, stated that "the Pampa Center is interested in meeting the educational needs of the Pampa area and will continue to work with the institutions in providing instruction in areas that the Center is not able to do."

Anyone desiring academic or short courses not offered are encouraged to contact the Center and request the course or courses be offered.

Welfare cheating not worth the risk, but some keep on trying

Neither age, sex, nor money in the bank keeps some people from attempting welfare fraud, the head of the investigations division of the Texas Department of Human Resources (DHR) has revealed.

Director Ed Richards included the following cases in his monthly report to DHR Commissioner Jerome Chapman:

In Montague County an elderly woman in a nursing home was receiving welfare benefits from DHR. Department investigators learned that she had \$82,000 in cash resources. The case was referred to the district attorney and a complaint was filed naming a relative of the woman as defendant. The family was allowed to make a lump sum restitution of \$2,335.56 to DHR.

Six Women

Six women in Grimes and Washington counties were charged with fraudulently obtaining welfare benefits. All had falsified their records by failing to report income. Two have received probated prison terms and both were ordered to make restitution. Trials of the other four are pending.

In Castro County, DHR investigators found that a couple receiving food stamps failed to report ownership of two pickup trucks, one grain truck, and four expensive quarter horses. Nor did they report earned income. Found guilty in district court, the

couple was sentenced to seven years probation and ordered to make full restitution of the \$4,735 in food stamps fraudulently obtained.

"It's not worth the risk," Richards said, in commenting on welfare fraud attempts in Texas. "DHR caseworkers, eligibility workers, sophisticated computer assistance, and cooperative district attorneys all combine to furnish our investigations division great assistance in bringing welfare cheaters to justice."

In his report to Commissioner Chapman, Richards pointed out that since the first of the year, would-be welfare cheaters have fallen in bunches.

38 Indictments

In Dallas County, 38 persons were indicted by a grand jury for welfare fraud for such offenses as abusing food stamp privileges and claiming children who didn't exist as dependents. Richards said his investigators spent two months making cases on the 38 persons.

The indictments represent charges of theft of more than \$200, a third-degree felony punishable by a maximum prison term of 10 years. Sentences usually, but not always, are probated to permit the offender to make restitution.

In Webb County, 19 cases were made by DHR investigators and presented to the district attorney for prosecution.

Individual amounts of alleged fraud ranged from \$275 to \$2,604.

Part of the investigation revealed that five undocumented aliens had used false baptismal certificates to verify their eligibility for public assistance.

Food Stamp Trafficking

In McLennan County, the first of six felony cases charging unlawful possession of food stamps was disposed of. The defendant was fined \$500 and ordered to pay restitution.

"These six cases represent attempt to traffic in food stamps," Richards explained. "Some recipients occasionally black-market their food stamps to other persons for perhaps half the value of the coupons. Then the traffickers who buy the stamps redeem them for full value at banks or grocery stores," Richards said. "It needs to be known that trafficking in food stamps is unlawful, and we will continue our efforts in stopping it."

Sixteen cases against food stamp trafficking recently were made in Central Texas, Richards said.

During January, Richards' report said, 167 food stamp fraud cases were presented to district attorneys for prosecution. Nearly all of these involved cases of failure to report true income. Total amount taken from the food stamp program by fraud was \$54,476.

In the Aid to Families With Dependent Children Program (AFDC), 234 cases were presented for prosecution involving \$153,004. Again, most offenses were failure to report true income.

AFDC is DHR's only cash grant program, and is limited to one-parent families with

dependent children, usually headed by a mother.

Money Returned

"Much of the money fraudulently obtained will be regained through court-ordered restitution," Richards said.

In all, during January, DHR investigators probed 600 food stamp and AFDC cases, with 401 being referred for prosecution. Records indicate that 95 percent of DHR's cases referred to prosecutors result in conviction.

And during the month, the investigation division received \$95,809 in restitutions, all of which is returned to DHR.

West Texas Junior Golf

The West Texas Chapter of the Professional Golfers Association of America will sponsor the West Texas Junior Golf Tour this summer. Boys and Girls ages 12-18 will be partaking in the keenest competition to be found in West Texas junior golf. The Tour will start the first week in June and wind up at the Tournament of Champions to be played the second week in August. In addition to the 45-50 tournaments to be played during the first two months of the summer, there will be 2 "major tournaments". In the last week of June, the West Texas Junior Masters will be the premier event of the Tour, and in July, the West Texas Junior Memorial will be the showcase event. The Memorial event will be named each year in honor of a person who has been instrumental in West Texas Golf. The winners in each age division will be eligible to play in the Tournament of Champions in August.

This tournament will be a 36 hole affair over 2 days at an outstanding golf course in west Texas. Participants will be put in 3

age brackets: 12-13, 14-15, 16-18 (18 year olds not to have completed their high school eligibility) and plaques will be awarded the top three finishers in each age group. Ties will be broken in the top three places by sudden death play-off after completion of the 18 hole events. The events will start promptly at 9:00 a.m. with registration starting at 8:00 a.m. Entry fee for each regular event is \$4.00 to be paid the morning of the tournament.

Eligible junior golfers (remember girls, you too) are urged to consult their local golf shops for the tournament schedule to be released shortly. Only residents of the West Texas area are eligible to receive awards in these tournaments though outside residents are welcome to compete.

The West Texas Junior Tour is entering its 11th season and has served as a training ground for many high school, collegiate, and professional champions. In addition to the tournament awards, a sportsmanship award will be given to the player deemed to have exemplified the character and conduct in keeping with the traditions of the game of golf. This award has been named in honor of Hardy Loudermilk, a revered Professional in both West Texas and the United States.

Hightowers attend Cherry Blossom Festival

Texas' Cherry Blossom Princess Alison Hightower, daughter of Congressman and Mrs. Jack Hightower of Vernon, joined her parents in Washington for the week long Cherry Blossom Festival activities which began with the lighting of the ancient Japanese Lantern at the Tida Basin Monday evening and ended Saturday night with the 1979 National Cherry Blossom Ball.

The Japanese cherry trees, 3,000 of them donated to this country in 1912, were in full bloom providing a fragile and fragrant setting of pastel pink for the opening ceremony and the presentation of Princesses, representing the 50 State Societies which have organizations in the nation's Capitol.

The first night ceremonies were followed by a reception for Princesses and their families at the Japanese Embassy. During other mid-week activities the princesses were presented at a Congressional reception and Luncheon Fashion Show at the Shoreham Americana Hotel. They enjoyed a private tour of the White House where President and Mrs. Carter greeted them, a tour of the Washington National Cathedral, the Smithsonian, the State Department, and other points of interest in Washington.

Each Cherry Blossom Prin-

cess exchanged gifts representative of their state. Miss Hightower's gifts to the other princesses were a miniature bale of cotton and a Texas-manufactured game.

Miss Hightower, a Baylor University freshman, was honored Thursday night at a reception on Capitol Hill, hosted by her parents, Congressman and Mrs. Jack Hightower.

About 125 Washington area friends were served Cherry Blossom Cheese Cakes, pecan tarts, cheese ball, assorted finger sandwiches, fresh vegetables and dip, and pineapple boats filled with pineapple chunks and strawberries, coffee and punch.

APRIL—TRACTOR SAFETY

Keep tractor accidents on the decline. Operate and maintain them according to instruction manuals . . . avoid ditches, steep slopes, holes, obstacles . . . cut speed when turning . . . always signal, especially when turning on the highway . . . obey traffic laws . . . allow only trained, competent workers to drive . . . keep children off and away . . . keep PTC shields in place . . . turn off power before dismounting, and be sure your tractor is equipped with roll over protection—ROPS.

Her phone is ringing. Unfortunately it's ringing in the kitchen.

If she had an extension phone in the bedroom, she not only wouldn't have to get out of bed, she wouldn't even have to open her eyes.

General Telephone offers extensions in a wide range of styles and colors. And each and every phone is backed by all our years of

experience.

Extension phones are a convenience you deserve and they're not expensive. Just a few dollars per month and think of all the legwork they'll save you.

You can't be two places at once. But your phone can.

WHO'S A DRUNK DRIVER? A reader wants to know the official definition. Texas law presumes you are drunk if a breath or blood test shows the alcohol content in your veins is one-tenth of one percent or higher. A 120 pound woman would probably reach that level after two mixed drinks in one hour.

It all depends on your weight, how recently you've eaten, etc. But don't forget, any alcohol will reduce your efficiency. You can be "drunk" and unfit to drive even though your blood alcohol level hasn't climbed to the "official" level.

How much is a pound in the metric system? 254 grams.

Treat me as a person

By CYNTHIA MANNING
County Extension Agent

"Treat me as a person, not a thing" stems from everyone's need for recognition as an individual.

There are times when the idea on a message card could come in handy as a reminder to others and to ourselves. Every person has a need to feel good about himself. Part of our self-concept is determined by how others treat us and part is determined by how one perceives himself.

Actions, gestures, words, all communicate in both positive and negative ways the manner in which one is received by others.

April 20-29—The 84th Fiesta, San Antonio. One of the really big happenings in the state, Fiesta offers a full schedule of parades, carnival, food, fireworks, music, dancing and much more. For a brochure contact the Fiesta San Antonio Commission, Inc., 306 N. Presa, Suite 8T, San Antonio 78205 (512-227-5191).

April 25-29—The Legends of Golf tournament, Onion Creek Club, Austin. This event, which is telecast internationally, features the big names in golf who have reached the 50 and over age. For information contact the Onion Creek Club, 2510T Onion Creek Parkway, Austin 78747 (512-282-4430).

For example, an adult becomes frustrated when someone pulls into a parking space he was waiting for. Or a child is disturbed when another child breaks in line ahead. Both of these actions indicated that the other individual did not place value on that person's presence.

Gestures may equally damage the ego-state. Everyone gets pushed, shoved or rushed through situations in which they feel completely out of control. Feelings of low self-esteem prevail when such occasions occur.

Words and tone of voice used by others are additional clues to one's acceptance. Most people

feel a bit uneasy when a sales clerk yells "Take a number!" Or a child may wonder what is wrong with himself when an adult yells "How many times do you have to be told?"

As a person thinks of himself, it is important to recognize successes as well as failures. Examining the reality of emotions, skills and abilities can be devastating unless there are some "pluses" along the way. Recognize capabilities but also recognize humanistic limitations. Pull out the card and read "Treat me as a person, not a thing".

The first traffic ordinance in America was probably the one passed in 1652 in New Amsterdam, not long after the Dutch bought Manhattan from the Indians. It ordained "that no wagons, carts or sleighs shall be run, rode or driven at a gallop in this city." Traffic laws were nothing new, even then. Julius Caesar issued a decree against reckless chariot drivers in ancient Rome.

Famous Last Words: In 1899 the federal government reported that America was producing a million bicycles a year and that "it is believed that the bicycle may entirely eliminate the pedestrian."

Hedley news

Lols Lair

The Hedley "Senior" Class will sponsor a Tupperware party on Friday, April 20 at 4 p.m. To be held in the school cafeteria. You are invited, or place your order with Mrs. Sharon Wheatly, Becky Johnson, or Jeannie Lindsey.

It was good to see Midge Lemley back in town last Friday. The Lemleys now live in Phillips.

Booker Shaw had surgery in the Hall County Hospital last Wednesday. Glad that he is doing well.

The Hedley School students are on Easter Vacation from Friday April 6, to Monday April 16.

Our sympathy goes to Mr. and Mrs. Wayne Naylor in the death of his father, Carl Naylor, of Clarendon.

Mr. and Mrs. Clifford Johnson visited Clifford's brother and wife in Memphis on Friday.

Mrs. Betty Willis and Milt Johnson, of Illinois, spent Sunday night with Mr. and Mrs. Bert Stone. They were on their way to Mexico.

Sorry about the death of Mrs. Carrie Spruell, of Memphis. She was the mother of Mrs. Jeardil Moore and grandmother of Joe Moore, of Hedley.

Clara Fitzgibbons is back home from a long visit with her nieces in Kellen.

Mr. and Mrs. Curt Richards and grandbaby visited with her mother, Eva Haasard on Sunday.

Sorry to hear that Raymond Woodard was injured on the job Saturday. He was working on highway construction at Bowie. One finger was cut off at the first joint and he had to have surgery on the other hand. He is in the hospital at Decatur but will return home on Monday.

Jean Stafford and Robert, of Pampa, Robert and Kenny Solomon, of Fritch, and George and Joy Stone, and Cindy, of Childress, visited Mr. and Mrs. Joe Woods, and Jane over the week end.

A great grandson of Mr. and Mrs. Temple, Cherry is in a Amarillo hospital, he is Clarence Hamilton III. His parents live at Howardwood. The infant has been critically ill but is improving.

Mr. and Mrs. Burl Owens, Connie Spiller, and baby, Willie Hamilton and Steve, of Amarillo, Mr. and Mrs. Muriel Owens of Oklahoma City visited with Cassie Owens over the weekend. Stevie will spend the week with his grandmother.

Mr. and Mrs. J. M. Dickson of Panhandle visited with his mother, Molly Dickson on Sunday.

Mr. and Mrs. Bobby Hagler and daughter of Grand Prairie visited with the Connie Taylors and Jim Taylors. Bobbie's mother Juanita Vaughn returned home with them.

Mr. and Mrs. Johnny Brown are visiting with the Roy Browns this week.

Lola Faye Naylor had business in Amarillo on Monday.

There will be a Revival meeting at the Hedley Baptist Church starting April 15 thru 22. Rev. Wayne Naylor will do the preaching and Tom Wilkins of Wellington will lead the singing.

The Senior Citizens of Hedley will sponsor a Bingo Party the evening of the 24th of April. Prizes will be white elephants donated. They will also serve pie and coffee.

Old and young are invited. Come and enjoy bingo and visiting.

from The Bookworm

If you want a really up to date reference source, or ideas on redecorating a room in your house, or the author of a famous quotation, or perhaps some magazine articles on any subject, or loads of other things; the place to go is your own Gabie Betts Burton Library. The chances are very good that they'll have what you need, but if your particular request is not available locally, it will be promptly sent to the wonderful inter-library loan network resources and they will rush it to you.

But maybe you just want "something to read" and you are not even particular as to the type of book, or the author. Then why not try one of these....

A DISTANT MIRROR by Barbara Tuchman, the gifted modern historian who here portrays the people and events of the dazzling but calamitous 14th century that marked the transition from the Middle Ages to the Renaissance. MY ENEMY THE QUEEN by Victoria Holt, is the dramatic saga of the historic love triangle of Queen Elizabeth I, the Earl of Leicester and a fiery young beauty who defied the queen for the man she loved. IS THERE A DOCTOR IN THE ZOO? by David Taylor who relates with zest and humor, his wild and woolly adventures as roving doctor to the world's rare and exotic animals. THE LAST CONVERTIBLE, by Anton Myrer tells the nostalgic story of tender romance in the 1940's of five Harvard men and the women they love.

Two attend Memphis Little Theatre

Mrs. Opal James and Mrs. Janice Johnston witnessed the presentation of "Among Us Girls" at the Memphis Little Theatre, Monday night. Before the presentation they were guests of the theatre at a banquet where they were served a delicious meal of turkey and all the trimmings. The ladies reported an enjoyable time.

1926 Book Club meets April 3

The 1926 Book Club met in regular session at the Patching Clubhouse at 4:00 on April 3, 1979. The hostesses: Katherine Green and Thelma Bairfield served delicious "strawberry crunch" (ice cream pie), coffee and hot tea to the 12 members present. Mrs. Oressa Delaney, Vice President, called the meeting to order, in the absence of our president. A "silent" program was conducted for our members in the hospital or for loved ones of our members. The club "Collect" was read in unison, led by Betty Veach. The minutes and the last 2 meetings were read and approved. Under new business, Mrs. Delaney said Maxine Hardin had called

to see if our club would like to participate in the "Band Calendar" project, whereby all our meetings are put on the calendar to be sponsored by the band of CHS. It was voted to participate in this project. Another motion was made to donate \$25.00 to the Public Library to use as they see fit. Motion passed.

The program was given by Mrs. Oressa Delaney on an Easter Theme. She read the delightful story, "There are Mansions in the Sky." Present were: Oressa Delaney, Hazel Brandon, Mary Van Zandt, Norma Jones, Mary Thornberry, Glayds Blackburn, Frieda Tucker, Dessa Dav, Billie

Clinton, Katherine Green, Thelma Bairfield, and Betty Veach. Our next meeting will be April

17 with Mrs. J.R. Brandon as leader.

Delta Kappa Gamma meet

Gamma Kappa Chapter of Delta Kappa Gamma Society met in Childress, in the home of Mrs. Betty White at 6:30 p.m. on April 5, 1979.

Previous to the business meeting a program and delicious "pot luck" meal were enjoyed. The invocation was given by Mrs. Madge Culberson of Childress.

Presenting the program was Mrs. Frances Watkins, faculty member of South Plains College, at Levelland who gave an inspirational talk on "Friend-

ship". She is the area coordinator of Area II of Alpha State Delta Kappa Gamma.

To complete the program was a showing of slides of the Holy Land by Mrs. Martha Lee Smith, of Childress.

Attending from Donley County were Misses Edgar Mae Mongole, Mabel Mongole, Ivy Dea Hinkle, and Mrs. J.R. Brandon.

Medical Center news

Monday, March 25, 1979 Medical Center staff and residents helped Mrs. Lula Crisp and her family celebrate her Birthday. She was 91 years old.

Games were played for entertainment with a word game using Lula Crisp. Seventeen small words were made from her name.

Then the group played bowling, except as none of them knew how to play, they made up a game of their own. They placed their fingers in the holes in the bowling balls and after a trial or two they could roll the ball instead of trying to throw it. A prize was given for the high score and as a tie resulted there were two prizes.

Since there was no piano music the party goers used their rhythm instruments and played Happy Birthday.

Mrs. Crisp had lovely white

birthday cake decorated with pink flowers and a bouquet of pink and white flowers with greenery centered the refreshment table. Pink punch was served from a crystal punch bowl.

The cake held three candles, one for the past, present and future. The table was arranged so Mrs. Crisp's family sat with her while she opened her gifts.

Presenters from out of town were Mr. and Mrs. C.B. Craig, from Fort Sumner, N.M.,* and daughter and her husband; Mr. and Mrs. Shorty Burr, of Alanreed; Mrs. Enloe Crisp, of McLean and Mrs. Bill Crisp, of Alanreed. There were 21 residents of Medical Center, friends of Mrs. Crisp who were present.

Good friends

Mr. and Mrs. Warren Hardin were surprised and pleased recently when a group of Clarendon College students, most of them drama students, who found they needed some assistance turned out 10 trucks to help out.

They made short work of disassembling a half mile of side-roll irrigation system for the Hardins.

When the work was complete the volunteers were served sandwiches by the Hardins who also gave their sincere thanks to this group of big hearted Clarendon College students.

The Drama Department of Clarendon College is working on their production of "How the West was Fun" and is in need of a buggy and some nail kegs for seats in the play. If you can help them out please notify someone in the Fine Arts Department at the college.

The Hardins are strong supporters of the college and Ruby Jewel has worked with the wardrobe department helping sew and style for a number of years. This gave the students a chance to return past favors.

The Lions Tale

[by] Gene Alderson

The Clarendon Lions Club held its regular meeting at noon on Tuesday in the Lions Hall. There were twenty-three members and five guests present.

Boss Lion Courtney and First Vice-President Hancock were absent and Second Vice-President Pat Robertson had to leave early to make an ambulance run. Secretary Homer Estlack presided at the meeting.

Lion Allen Estlack had as his guest Lyn Floyd, Chief Executive of Automotive Supply.

The Nominating Committee report was given by Lion Allen Estlack and it was announced that voting for the incoming officers will be held next Tuesday.

Our program today was brought by Mrs. Jean Stavenhagen, and three of her speech students. Six of her students were recent winners in the district UIL contest (three in prose and poetry reading) and will be participating in the regional contest in Odessa. The Speech Department's one act play won district and participated in the area contest in Plainview. The three students who spoke to us today were Dean Hawkins, Stan Leflew, and Mindy Morris.

Ki Lambda Xi meets

Ki Lambda Xi Chapter of Beta Sigma Phi met in the home of Myrtle Riley on April 9, 1979. Plans were discussed for the upcoming Founder's Day program which is to be held on April 28.

The program was brought by Myrtle Gage on Modern Women and Modern Man in our Modern world.

Members present included: Penella Eads, Charlene Mays, Betty Veach, Peggy Anderson, Beth Johnston, Frances Johnson, Freida Gray, Beth Walker, Gloria Gage, and Donna Mann.

State Comptroller office

State Comptroller Bob Bullock Friday said history has a lesson for those who think the state can save money with a one-year budget instead of the traditional two-year budget.

"History knocks down the idea that you can write a little budget this year and a little budget next year," Bullock said.

One-year budgets were used in 1968-69 and in 1972-73, Bullock said, and not one thin dime was saved.

"In fact, each time the one-year budget was used it was done for the specific purpose of getting the state spend more money," he said.

Bullock said the combined 1968-69 single-year budgets ran almost \$200 million more than the Legislature could have spent under the Comptroller's certification on a two-year budget.

The combined 1972-73 budgets were \$92 million more than a two-year budget would have allowed.

"It's strange that the big conservative establishments are whooping and hollering for a one-year budget when history tells us it's more expensive to go that route," Bullock said.

Bullock warned that back-to-back, one-year budgets could jeopardize potential tax relief measures.

"Obviously, the mood is right for tax relief now," Bullock said, "but tax relief has to share the state money pie with the pending bills."

"To share the pie once is risky; to share it twice is double jeopardy for tax relief," he said.

by Karlen Cantrell

This week began the last 6 weeks of this school year. The announcements for the Jr.-Sr. Prom came Monday from the Jrs. The Prom will be May 5. All of the Jrs. are working very hard to make this Prom one of the best ever.

Today school will let out at 2:15 to start the Easter Holiday. Students will not come back until Tuesday.

The Maranatha Banquet was last Saturday night. The Banquet was a huge success. Many people were there to enjoy the good food and wonderful music.

The Freshman Class had to slave all day Tuesday on what they call "Those darn ole test anyway!"

Last Friday the One-Act Play went to Plainview for Area contest and didn't place although Shawn Barker made All-Star Cast and Doug Foster obtained Honorable Mention.

How about a little gossip? Spencer H. - Gibsonian Fire? Cynthia H. & Jennv D. - The obituaries? Right in the middle of a play?

Doug F. - We all should have gotten All-Star Cast!

Butch B. - We all know how much you enjoyed the lighting girl!!

Shawn B. - Who wanted you "autograph"?

Nancy J. - Zebra or Skunk? No really it's cute!

Mrs. Hayes - At least they had a good excuse for not getting a

folder!!

Happy Birthday Stan Leffew

Thought of the Week - If you can't understand someone's silence you'll never understand their words.

Attention Hedley Citizens

The Hedley Lioness Club will sponsor the drive for Cancer, Heart, Mental Health, and Salvation Army. The dates for this will be April 16 through April 21, 1979. Money from this will be divided equally between each organization unless you wish to specify.

Colts Corral

Hello Again!

The Clarendon Colts ran their way to victory last Saturday at White Deer. The girls team won first place with a total of 157 points.

Boys won second. Stinnett beat Clarendon by 2/3 of a point. Their total was 86 points.

Gossip

Tracy W. - Its my leg!

Lynn W. & Betty S. - We got a suntan too!

Dondra H. - I'm dreaming of a Stinnett Rattler...

Kim W. - Did your clonkers burn?

Earline B. - Gibson's melted right in my front yard.

Jessie Adams honored

A recent Sunday was declared 'Jessie Adams Day' at the First Baptist Church of Clarendon when she was honored for her 20 years of uninterrupted service as pianist-organist for the church.

This was a surprise for Jessie when the announcement was made during the morning service and her entire family was ushered in and seated together for the remainder of the service.

Valarie Ashcraft, a former student took over her position at the organ and she was seated with her family.

Members of the congregation whose lives had been personally touched by Jessie's music were asked for a show of hands and very few present were not able

STEVE SCOTT AND JEANIE LINDSEY [L.to R.] are shown with General Robinson Risner.

Kristen W. - Where did Dalyn take a picture of you?

Tammy F. - A big blue whale... hmm, very interesting.

Carmen C. - Your playin with your life!

Coach Slover - Nunya!

Darrell M. - Nice improvement.

We would like to welcome Mykie Patterson and Kenneth Jones.

We all hope everyone enjoys his vacation and has a Happy Easter.

**STATE REPRESENTATIVE
FOSTER
WHALEY**
**capitol
comments**

If you recall, in my campaign I told the people of the 66th District that I believe a member of the state legislature should communicate with constituents on a periodic basis through the news media. I have been writing "Capitol Comments" each week since the Legislature convened in January, and Newspapers have been generous in publishing these remarks. I hope this column has been helpful to you in following legislative activity.

Over 4,000 bills have been introduced in the House and Senate and, of course, it's impossible for me to keep you informed on every issue. I've had to write about bills that are of particular interest to our area and those of broad, general interest. This certainly doesn't mean that bills affecting more specialized interests are any less important, so please tele-

phone or write me regarding any matter under discussion here in Austin.

It is a great help when people back home write me their views on issues. I personally read every card and letter, and a handwritten note receives as much attention as professionally typed correspondence with a printed letterhead. If you write about a particular bill, it helps a lot if you tell me the bill number or give a short caption describing the bill. Your letter is attached to the appropriate bill and later, when the bill comes before the house, I use the correspondence in guiding me in my vote.

The House is dealing with a crowded calendar now, and more and more bills will be considered in the busy days ahead. As we move from one debate to another on the House floor, I believe even more strongly that we should pass fewer laws. Next week I'll be speaking in opposition to s.b. 356, the companion bill to H.B. 840, which I testified against before the House Committee on Higher Education. This bill concerns the use of public funds for Tuition Equalization Grants to students in private, church-related colleges and Universities. There are some in the Legislature who have never thought the program was

constitutional, and many more who disapprove of expanding this program at a time when we are having difficulty funding public education adequately. The state's first responsibility is to public schools and teachers. The Tuition Equalization Program is an example of little-known legislation that can have far-reaching consequences.

If you have any question about my position on this or any other issue, I'm always accessible.

Last weekend about 65 Legislators were invited by the South Texas and Valley Chamber of Commerce to visit the coastal and valley area.

We saw many contrasts. We viewed some of the most depressed sections in the state, where Mexican Americans are living in near primitive conditions, and we visited McAllen in Hidalgo County, where the agricultural income is over \$400 million, the highest agricultural income of any county in the state. By way of comparison, the entire agricultural income of the 10 counties in Legislative District 66 is \$250 million.

I had opportunity to visit with quite a few farmers about labor problems and proposed labor legislation coming before the House.

We conferred with repre-

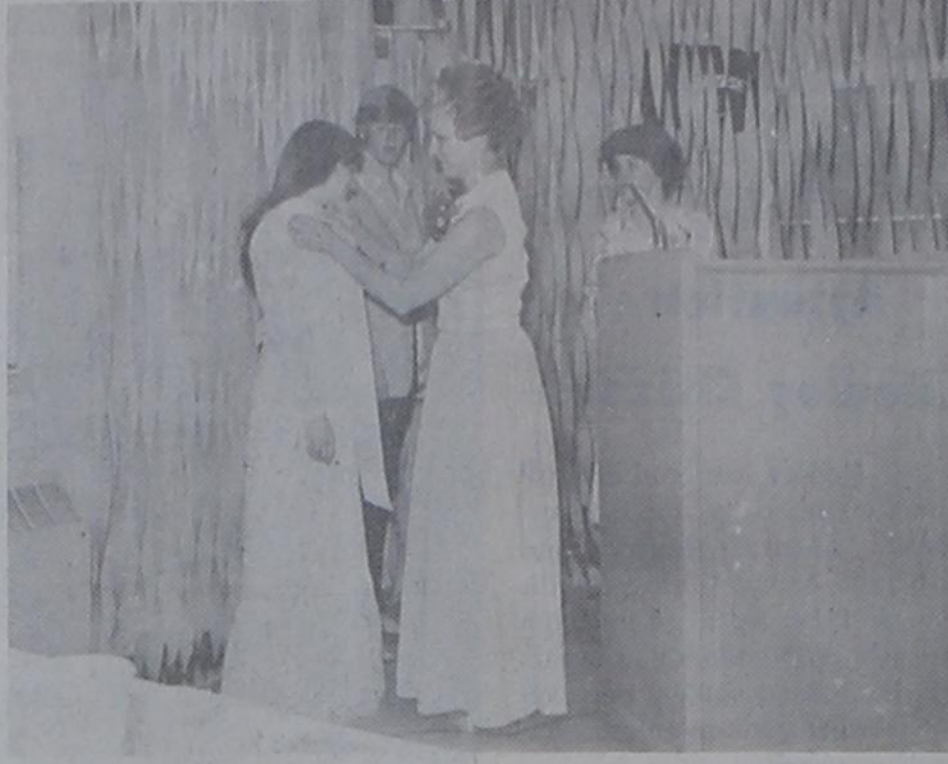

sentatives of a sugar company about their plans to build a \$15 million dollar gasohol plant, using only the by-products of the sugar mill. Company spokesman estimated that the plant could produce gasohol for as little as 75 cents a gallon.

Another interesting visit was to Pan American University in Edinburg, where I saw Wylie McIntire, Jr., of Pampa, who is a student there. Pan American is one of our newest state universities and the Edinburg and Brownsville campuses have a total enrollment of 9,061, with a high percentage of Mexican-Americans. Most of these students walk into good jobs after graduation and remain in the area.

This was an interesting, educational and enjoyable trip for me, since it gave me firsthand information about conditions in the valley. To my knowledge, the West Texas area has never sponsored such an event for members of the Legislature.

There are a number of urban and rural Legislators representing other parts of the state who have no understanding of the problems of West Texas. They need to be made aware of the great cultural and economic contributions our area makes to the great State of Texas.

During the interim I'd like

KATHRYN PERDUE AND Gary Thomas named **Bro. and Sister Maranatha** at banquet Saturday night. Sponsor **Janice Johnston** pins ribbons on Kathryn as Maranatha president **Sherilyn Walker** watches.

For additional information call Jim Robison at 806-423-1024.

VA Info

Recent statistics indicate that the economy of Donley County has received a significant boost as a result of Veterans Administration payments to veterans, their dependents and their survivors.

According to Troy Guy, Veterans County Service Officer for Donley County, VA payments for fiscal year 1978 totaled \$255,284. Of this amount, \$174,920 was paid in the form of compensation and pension; \$67,049 for readjustment and vocational rehabilitation; \$13,315 for insurance and indemnities; and none for direct loans.

All of these amounts were paid directly to the residents of Donley County. According to the County Service Officer, in addition to materially adding to the economic health of the county, these benefits have alleviated many hardships for veterans and their families in time of need. Troy Guy added that his office was ready to assist any county residents who believe that they have a claim for veterans benefits.

In this letter you must include the following 5 items: 1. The appellants allocation for the month in which the shortage occurred. 2. How much fuel is needed by the appellant. 3. Why the fuel is needed by the appellant. 4. The supplier's complete name and address. 5. The appellant's name and complete return address.

TYPICAL TORNADO Producing Cloud -- The form of the usual tornado-producing cloud is anvil-shaped at its crest with a rougher overshooting top at the dome. Mamma, which

appear to be balloon-shaped formations, may drop from the anvil shape. At ground-level the common appearance is rain falling from a shelf cloud, usually in the northeastern

portion of the parent cloud. Southwest of this there will be a horizontal tail cloud at the forward or northeast lower portion of it. This tail cloud is

not the tornado. The tornado itself forms typically at the southwest lower edge of this wall cloud. Behind the tornado there is not likely to be rain, but, instead, a precipitation-free

cloud base. [Drawing courtesy Texas Tech University Institute for disaster research].

DRIVELINE

History Lesson: 1913 was the first year that Americans purchased more automobiles than carriages and sleighs.

Gone With The Wind Department: As late as 1970, three years before the great Arab oil embar-

go, there were 225,000 old style "full service" gas stations in the U.S. Today there are only 170,000, and we'll probably lose another 40,000 in the next three years.

These figures are what's behind another interesting statistic -- sixty percent of all gasoline is pumped into cars by the drivers themselves. (Maybe the stuff is getting so expensive you can't trust anyone else to do it for you. They might spill it.)

How much gasoline does the average American family use? About 1390 gallons a year.

The disappearance of the "full service" station has reintroduced lots of folks to their own gas tanks. Don't forget that you might have to meet the rest of the "family", too, for safety and preventive maintenance. Check battery, belts, oil and brake fluid regularly.

Groom Hospital will have benefit

Music by Gifford and Grubbs and the DePew Two will be featured at the Blue Grass Musical benefit April 21, 1979 at the Groom High School.

Time of the program will be 8 p.m. with admission charges of \$2.00 for adults and \$1.00 for students and children.

The musical benefit is in support of Groom Memorial Hospital with all proceeds going to the hospital.

In addition to the musical, refreshments will be on sale and a hand made afghan will be raffled off as well.

Everyone is invited to attend the musical for entertainment and for a worthy cause, helping the Groom Memorial Hospital.

Eight senior citizens tour Texas

April 2nd to 6th eight Senior Citizens including Lee and Marie Bell, Carmen Wright, Ann Cox, Verdine Herrington, Viola Graham, Bernice Littlefield and Sadie Wilson drove 1700 miles looking at Texas.

Sadie Wilson and Ann Cox were drivers. The first day we drove to Tyler where we followed Azalea and Dogwood Trails at their peak in full bloom - an unbelievable sight of beauty of which the stars are azaleas, white, varying shades of pink, salmon, lavender, and showy red blossoms. Sadie took us in our van though city parks, private gardens, creek banks, and along scenic drives.

We spent the next night in Beaumont. We rode the ferry and drove down the coast to beautiful Galveston Island where among the sights, sea shells, and gull we went in Sea Arama-Marine World. One interesting stop was to visit in the home of Mr. and Mrs. Fred C. Fischer in New Braunfels.

Mrs. Fischer is a sister-in-law of Verdine Herrington. They have a dream home, garden, and plants.

The next night was spent in Gonzales, shrine of a great Texas Heritage and endowed with over 40 acres of parks in addition to the 76 park acres on the banks of Guadalupe River. Mrs. Owen McGarity came to our motel and visited. She misses her Clarendon friends.

Verdine reminded us of the legend of the Dogwood, the tree of which Christ's cross was made, and of His promise that the dogwood would never again grow large enough to make a cross. The dogwood's white blossoms were thrilling to behold scattered among other green trees along the forest drive.

Then to the historical town of Fredericksburg taking in antique shops and German Food.

Carmen Wright's brother, Rufus C. Jones, is maintenance foreman of the Austin Highway.

He took the afternoon off and he and his charming wife, Dorothy, drove us all over that area pointing out spots of interest among which were Luckenback and the LBJ National Historic Site where we got on buses for the tour. Our thanks to Carmen, Rufus, and Dot. They were excellent hosts.

Then through the Davis Mountains and hill country with green foliage and the blue bonnets and many colorful wildflowers in full bloom on the hillsides, we spent the last night in San Angelo. This was such a congenial group and great experience, we are already planning our next trip.

It's the 1st Chevy of the '80's CITATION see it April, 19th.
