LIBRARY NOTES

By Mrs. C. A. Burton

We have two more of the Dave Dawson books for our boys—"Dave Dawson in Libya," and "Dave Dawson on the Russian Front." These books by R. S. Bowen, an English air man, have been thrillingly interesting. The writer has lived so many of the exciting things of which he writes. Mrs. Sarah Stocking passed on to us this week quite an armful

of books which had collected through the years. While many of them are text books which can be used only for reference, there are quite a few classics and books of general interest. The interest of our friends is always appreciated.

Capt. Ted Lawson, author of "30 Seconds Over Tokio" is now an air attaché in South America, but must soon return home for more medical care.

M-G-M has screened "See Here, Private Hargrove" and there will be no doubt of its popularity. The story, written by a newspaper man who became a private in the Army, Marian Hargrove, is still one of the most popular war stories of the year. Our readers have enjoyed it for a long time.

Major Alexander P. de Sevinsky, the Russian born author of "Victory Through Air Power" is in Oklahoma at present.

There are thirty-four accredited library schools in the United States, with an enrollment, even in war time of 917 students. The Victory Book Campaign collected seventeen million books for the armed forces.

The annual report of the Carnegie Corporation for 1943 shows

that through this source, forty-one million dollars were spent for library buildings, supplying 1681 communities. Information from 600 of these shows that \$343,000,000 has been expended by their communities for their support. When Mr. Carnegie started his library gifts there were 971 free public libraries in the United States. He gave money for 1681 more. Today there are 6880 library buildings used for free library purposes.

The Chicago Round Table of Christians and Jews has issued a book list, "Reading for Democracy," composed of recent books on the fight against intolerance and for brotherhood. It includes 32 books.

Russia Book Week is to be celebrated May 1-8. More about this later.

The King James version of the Bible has become the last Talking Book, issued by the American Foundation for the Blind. Recordings of the Old and New Testaments, from Genesis to Revelation, made on 169 phonographic disks each of which plays for a half-hour, places the reading time for the whole at 84½ hours. Heretofore only parts of the Bible had been made available. Trained readers have made these recordings. The two requirements for Talking Book readers are a pleasing voice and an ability to hold an even reading pace.

Anne O'Hare McCormick, New York Times foreign correspondent, is the 62nd recipient of the Laetore medal, awarded annually by the University of Notre Dame to an outstanding member of the Catholic laity in the United States. Mrs. McCormick was the 14th woman to receive the Laetore medal. Mrs. McCormick is not only a foreign correspondent, but an author of books.

Mrs. Dick Tomlinson
Mrs. Dexter Todd of Clovis, N. M. is visiting her mother, Mrs. Watt Hardin.

J. R. Brandon left Friday for Springdale, Ark. where he will visit his parents and his brother Will of Altus, Okla.

Mr. and Mrs. Fred Mongrofsky of Ft. Sumner, N. M. visited friends and relatives here over the week end.

Ralph Randel of Panhandle was

How JIMMY & JUDY Made The Music Go 'Round and 'Round for UNCLE SAM

IT TELLS HERE IN THE PAPER THAT THREE SEABEES WERE LOST IN THE JUNGLE AND TOOK TURNS PLAYING AN OCARINA FOR TWENTY DAYS, TILL THEY WERE RESCUED—

OH BOY—WHY DON'T WE SEND POP'S OLD HARMONICA TO SOME SOLDIER OVERSEAS!

WOW! THAT'S A PEACH OF AN IDEA! AND ALL WE HAVE TO DO IS TAKE IT TO MR. MURPHY AT THE CANDY STORE WHERE WE GET OUR "COKE"—HE KNOWS JUST HOW TO SEND IT—

HOT DIGGETY—HERE'S OUR OLD ACCORDION TOO— AND LOOK! IT'S STILL GOOD— LET'S SEND THAT ALONG—

REMEMBER HOW UNCLE JIM USED TO PLAY "THE BLUE OF THE NIGHT" OVER AND OVER ON THIS— AND NOW HE'S WAY OUT IN GUADALCANAL WHERE THERE'S NO MUSIC AT ALL, I GUESS!

AND LOOK, JUDY, HERE'S THAT LITTLE FLUTE THAT YOU PLAYED IN THE FOURTH OF JULY PARADE—LET'S SEND IT ALONG—

COME ON, JIMMY—NOW LET'S COVER THE BLOCK AND SEE WHAT THE NEIGHBORS HAVE

DO YOU THINK THIS BIG BAZOOKA MIGHT SCARE A JAP, MR. MURPHY?

SURE THING, AND BELIEVE ME—SOME HOMESICK YANK WILL GIVE YOU KIDS A HAND FOR THIS—GOSH—HERE COMES THE "COKE" TRUCK FOR 'EM RIGHT NOW—

BE SURE TO GIVE MY FLUTE TO SOME NICE WAG

SURE THING—SIS!

COME ON, LET'S SING "MEMORIES" JUST ONCE MORE FOR WHOEVER IT WAS THAT REMEMBERED US WITH THESE SWEET SQUEEZE BOXES AND SWEET POTATO PIPES!

HERE'S HOW YOU CAN HELP!

Our boys in camp and overseas need musical instruments of all kinds—harmonicas, flutes, accordions, ocarinas, bazookas, pocket-size music-makers. Be a sport like Jimmy and Judy—ransack your home—and ask your neighbors for any unused instruments. Take them to your Coca-Cola dealer. Then the "Coke" truck will send them to Uncle Sam for our boys. Do it today!

It's natural for popular names to acquire friendly abbreviations. That's why you hear Coca-Cola called "Coke".

ADVERTISING.
 Magazine headline: "Gray Hair Kills Romance." Well, bald heads don't help a great deal either.

HEATED.
 It doesn't seem reasonable, but the hot mama always gets the fur coat.

EPIDEMIC.
 Amarillo appears to have an over dose of "hip and rum" drivers.

OLD TIMER STUFF.
 Member way back when a

woman had to have a "lot" of clothing unfastened when she fainted? Now she could sneeze and shake the rig off pronto.

MARITAL.
 Ima Fizzle says the man and woman who laugh at their love, and who can kiss with smiles, and embrace with chuckles, (no breakfast feed goober hulls, either), will outlast in mutual affection all the

throat-lumpy, cow-eyed couples of the whole community. Nothing lives on so fresh and evergreen as the love with a funnybone.

TESTIMONY.
 A fellow writing from Hawaii describes the native girl as "a hula-hula who dances with ball-bearing hips, and can look into your eyes so hard that you come unglued!" And that fellow is a

native of old Donley who writes that way. Just another instance where "old Donley leads in everything!"

BLOW-BY-BLOW.
 A young lady showed me a portion of a letter received from her husband in service. When he got down to the baby on the second line from the top, he wrote: "I enjoy your glow-by-glow description of little Betsy's actions."

ents, Mr. and Mrs. Fitzgerald of Clarendon. Mrs. Land is just recovering from an appendectomy. Mr. and Mrs. J. C. Gibbs, June and LaVern Marshall spent Sunday in the Geo. Bulman home. Jack Roberts and Mr. Hayter went to the plains on business Thursday.
 Mr. and Mrs. Jack Eddings and Joyce and Dorothy Terry, Mr. and Mrs. W. Higgins and Mrs. Margaret Cole and Bobby spent the day in Clarendon visiting Mr. and Mrs. U. Z. Pittman and T/Sgt. and Mrs. Clyde Pittman who will return to Houston after spending his furlough at home.
 John Koeniger spent Sunday with his sister and family, Mrs. Tom Shadle.
 Miss Geraldine Jordan and Mrs. Ray Robertson and children of Pampa visited in the parental W. L. Jordan home Sunday night and Monday.
 Pvt. Kelly Sutherland of Amarillo Air Field spent Saturday with LaVern Marshall.
 Pvt. Ray Allison came in from Florida to spend a furlough with his wife and baby. Pvt. and Mrs. Allison will visit friends and relatives in Wichita Falls and Amarillo while he is here.
 Jo Veta Roberts spent Sunday with Margie Nell Crofford.
 Mr. Hodges is visiting his brother at Groom this week.
 Mrs. J. D. Wood visited with Mrs. Buck Roberts and Mrs. John Helton Friday afternoon.
 Billy Jack Green went to Lubbock Tues. for induction to the Army.
 Lee Christie and Francis Easter-

ling were quietly married in Amarillo Saturday afternoon. Both of these young people grew to young manhood and womanhood in our community. Lee received his degree from W.T.S.T.C. at Canyon Saturday. Francis has been employed in Amarillo for some time. We wish this young couple much happiness.

WHY DOGGONE!!
 The local postmaster got a letter a few days ago that requested a special favor—one of the many kinds of favors. This fellow wrote, "please go to the courthouse and get me a certified copy of a marriage license issued to me in 1929, and I can't think of the lady's name which I need to get a divorce."

FOR SALE
Home for Sale

This is not just a house—it is a real home, fully modernized for the conveniences of light, heat and water. The home is completely wired for the use of electric lights; natural gas connections make possible a modern floor furnace, and a windmill and tank assures plenty of water within the home at all times. This home is a six-room stucco, mouse and rat proof, with bath, spacious front hall, large roomy closets and a large back porch with a portion screened in. The building is closely constructed making possible the fact that water pipes have never frozen although the water is never cut off during freezing weather. The house is so built that during the hot days of summer that a coolness prevails which is seldom found in the average home. The three bedrooms fill the requirement of any family. One bed room adjoins the bath room and has its own clothes closet. The other bed rooms share a large hall-closet which would delight any family. The front room and dining room are both large, yet not too large to be comfortable. The dining room has a bay win-

dow for flowers and pot plants. The kitchen has a large pantry with built in cabinets at each end. There is also a small pantry for canned goods and groceries.

Besides the home proper, there is a stucco double garage and a moderate sized garden space. The windmill furnishes plenty of water, so there is no worry about water expenses. The water tank has small stucco room underneath which has gas connection to keep water flowing even at low temperature. The small room could be used for wash house. In the back yard is a large cellar lined with brick with cement floor - - spacious for canned goods as well as a place of refuge in time of cyclonic weather.

This home is for sale at a sacrifice price due to the fact that the owner is well in the sunset of life and wishes to sell and go to where her children live in a distant city. Yes, the home is a steal at \$2500. Seldom does such a bargain come along to the home-seeker.

Cash is desired, but a portion in good bankable notes might be considered. The home is located in the East central part of town.

GOSSIP

Leroy McKee was given a farewell party by the Juniors and Seniors last Monday night. There were twenty-one present. They were Leroy McKee (of course), Anna Sue McKee, Catherine McElrath, Warren Neighbors, Bobby Parker, Martha Ann Clark, Frankie Wood, Sylvia Faye Morgan, J. R. Morgan, Beth Davis, Harold Usrey, Earnestine White, O'Neill

Weatherly, John Nanney, Lois Marie Williams, Alice Bain, Joyce Jean Holman, Jack Jackmain, Jack Lewis, J. E. Kidd and their sponsor, Coach Naylor. They had a very nice time.

The way it looked J. R. and Beth were together before and after the party.

We may not be such good volley ball players but when we drive a car, we do at least know that there is a war going on.

Our volley ball team for this year is Beth Davis, Lois Marie Williams, Nova Lee Barker, Catherine McElrath, Earnestine White, and Martha Ann Clark. Subs: Iva Dell Williams, Alice Bain, and Anna Sue McKee. (We will admit they are pretty good. Just because Clarendon beat us one time, they shouldn't get the big head and think they will walk off with all the trophies at Lelia Lake's tournament.)

A bunch of kids went skating and to the show Thursday night. Lois Marie always has a good time when she goes skating. Don't you Williams?

Say Tula Mae when was the last time you saw Johnny?

Williams, why did a certain bunch of kids call you "Billy" Friday morning when you came to school? We wonder.

Beth, Tula Mae, J. R. and Leroy really like to ride in a black model A. Don't you kids?

Ten people in a car weights it down a little bit. Don't it Jack. Who was the gal sitting on you?

Why didn't Lois Marie want to go to the Lakeview tournament?

A few kids were seen taking sun baths down by the highway last Thursday and Friday. Say, kids, did you blister?

Chicken has a new nickname, ("Snot grass") We wonder who could give him such a name.

Wasn't Friday a lovely day to play hockey. Eh, kids? Ask two boys, they should know.

Say, the Lakeview tournament must have been a little bit rough. Iva Dell came back with her thumb broke (or at least hurt pretty bad) and Earnestine's hand was hurt also. Catherine will receive a gold or silver volley ball for being the best player of our team.

Jack, who was that girl from Calif. you was with Saturday night? Not bad.

Lois Marie, who did you see at the Lelia drugstore, Sunday afternoon?

Tena, you should have gone skating with that bunch of kids Thursday night. O'Neill was there. (As if you didn't know)

Nova Lee, why didn't you go skating with that bunch Thursday night.

Mister: Could you use TWINS?

Every car owner, these days, has a double reason for protecting and preserving his automobile: His own interest, and the nation's interest in keeping every possible car running as a vital link in our country's transportation system.

That is why we remind loyal users of famous Phillips 66 Gasoline that the twin product which really goes with it is Phillips 66 Motor Oil.

Here is a lubricant, 100% paraffin base, which answers the question every motorist wants to know: How can I quickly and confidently select a high quality oil?

To help you choose, Phillips makes this frank statement: If you want our best oil, remember we specify that Phillips 66 Motor Oil is our finest quality... the highest grade and greatest value... among all the oils we offer to average motorists.

Good oil has always been a good investment. Today, good oil is the only kind any thinking car owner will use. Play safe and save by asking for Phillips 66 Motor Oil, when draining winter-worn lubricant or making the recommended every-two-months oil change.

BANQUET FASHIONS

Marilyn Maher's ice blue satin and net dress was lovely. It set off her black hair to perfection. White pique was worn by Mary Elizabeth Talley. It was very becoming.

Imogene Wilson came in white silk jersey; she wore a lovely red rose at the neckline. Edith McCrary's black net dress displayed her graceful figure.

Billie Jean Knox had a lovely blue crepe evening dress. Lois McCrary wore a white evening dress. It looked beautiful with her auburn hair.

Mary Ellen Pipes had a lovely white taffeta dress embellished with black love knots.

Mary Nell Hanks looked precious in her white and red dotted-swiss.

Johnnie Johnson was adorable in her white net skirt and orchid taffeta basque.

Beverly Stricklin displayed her lovely shoulders with a baby-blue net dress. Her flower's were pink gardenias which she wore in her hair.

Kathleen Grady looked charming in white taffeta.

A light blue net dress with white felt flowers was worn by Betty Rhodes. She wore pink carnations in her up-swept hair-do.

Mary Christie wore a pink net dress with a satin top; it was lovely.

Cora Lee Muse had an unusual evening gown. It was yellow organdy over lime taffeta.

A turquoise dress trimmed with silver bands on the blouse was worn by Ruth Patman. It looked beautiful with her blonde hair.

Laverne Darden wore a white and red dress. The top was red taffeta with a skirt of white chiffon dotted with red dots. It was cute!!

Faye Kidd wore white jersey. It had long sleeves and was set off by a gold bracelet.

Elizabeth Ann Beverly looked fetching in a blue organdy with white gardenias in it.

Billie Howerton looked cute in her pink taffeta.

Marilyn Bartlett looked exquisite in a dark turquoise satin formal.

Charsley Ann Whitt wore blue taffeta trimmed with white ruffles.

Helen Rhodes wore gold taffeta. It was very pretty.

Edna Mahaffey had a lovely turquoise evening dress.

Jean Porter had a black velvet top with a blue orchid skirt. It looked very nice.

Not all the beautiful evening dresses were seen among the student body. Some of the most outstanding ones were worn by the women of the faculty.

Miss McCarty wore a lovely blue lace dress. Her corsage consisted of luscious red roses.

Mrs. Cox had a blue-green net with pink ribbon. It set off her beautiful hair exquisitely.

Mrs. Goodner came in black taffeta.

Mrs. Turner looked charming in her black taffeta dress. It was off the shoulders and displayed a beautiful cameo pin at the neck line.

Miss Smith looked adorable in her baby blue chiffon with flowers.

Miss Howren looked stately in her blue formal.

Mrs. Larimer looked nice in a black crepe with lace insertions.

Mrs. White had a black skirt and a silvery white blouse that looked stunning.

Miss Berry wore black crepe. It was beautiful with amber roses to set it off.

JUNIOR-SENIOR BANQUET

The Junior-Senior Banquet of 1944 was the most elaborate and beautiful one given in years. We could not have had this lovely banquet had it not been for the enthusiastic and artistic planning of the affair by Mrs. White and Miss Berry.

When the Juniors and Seniors walked into the Methodist Church, they blinked their eyes in amazement. It was like walking in on a party in Holland. The first thing to catch everyone's eye was a huge, colorful, blue and white windmill. Along the window ledges were lovely blue vases holding branches of yellow Japonicas. The posts were adorned with Dutch plaques, and the piano was decorated with four Dutch flags.

There were three long tables in a U shape, with the small speakers' table in the center. Small blue and white windmills were alternated along the snow-white tables with Jonquils and hyacinths. Each guest found at his plate a cunning little Dutch pottery shoe, a place card bearing the picture of a quaint Dutch boy or girl, a Dutch program decorated in true Dutch fashion, and a Dutch napkin.

Not only were the plates pretty, but the menu was perfect. It consisted of Dutchmen's Delight (baked turkey, dressing, giblet gravy), Wooden Shoes (candied yams), Oars (green beans), Dikes (hot rolls), Dutch Girl's Favorite (pickles), Holland Orchard (fruit aspic salad), Holland Mousse (brick ice cream topped with candy tulip, white cake), and coffee, tea, and nuts.

Eight Little Dutch Girls The food tasted so much better because the guests were promptly and efficiently served by eight sophomore girls. They seemed to anticipate the slightest desires of the guests. And how pretty these little Dutch maids were! There

were four brunettes and four blondes. Four of the girls wore gaily colored blue and white dotted swiss dresses with crisp white aprons and white caps, while the other four had on white dresses with Delft blue organdy aprons, boleros, and caps. The girls were: Alma Jo Mosely, Dorothy Nell Kemp, Elise Norwood, Gertrude Calcote, Frances Peabody, Melba Ruth Grady, Dorothy Jean Tatum, and Ada Sue Smith.

Program

Jack Ballew presided as the Flying Dutchman (toastmaster). Mr. Burton gave the invocation. Then Bob Bentley gave a gallant toast to the little Dutch Girls, and Jean Porter responded with an enthusiastic toast to the little Dutch boys. A pretty musical number, "Little Dutch Mill," was sung by a girls' quartette composed of Dorothy Kemp, Frances Peabody, Ada Sue Smith, and Gertrude Calcote, accompanied by Edith McCrary. All of the guests felt themselves "Tip-toeing Thru the Tulips" as Edith played that solo. Mr. Drennan toasted the students, and Ruth Patman saluted the faculty members. A typical Dutch reading was given in dialect by Billie Jean Knox, a pretty solo was given by Cora Lee Muse, and Jim Lovell gave a good speech. The entire group sang "When You Wore a Tulip," after which the boys and girls left for the dance.

DON'T TELL BUT . . .

Sgt. Rufus White brought the little pottery Dutch shoes from Colorado when he came home recently.

Mrs. Walker Lane made the adorable Dutch boy and girl place cards for the banquet.

Mr. and Mrs. George Heckman loaned the six-foot windmill that was so beautifully decorated in blue and white.

Pete Bromley found an orange on the dance floor.

Billie Jean Howerton rated four gardenias from Calvin Merchant.

Jack Ballew purchased four corsages.

After eating the "dikes," Prof. felt his chair collapse under him, but he soon got a strong one.

Jack Ballew sometimes gets his words mixed up—example: Benediction and invocation.

JR HIGH

Ladelle, Gene, and Edward spent Friday in Amarillo.

Tommy had lunch at Spring Creek Sunday.

Mary Neal spent Tuesday night with her aunt.

We have had perfect attendance in seven one for a week.

Frida Hardin visited her home in Borger over the week end.

JUNIOR-SENIOR DANCE

After the Junior-Senior Banquet, a lovely dance was held at the gymnasium. Unlike the banquet, the dance was open to all C.H.S. and C.J.C. students.

The gymnasium was beautifully decorated with festoons of multi-colored crepe paper and in the center was a giant balloon shower bag, which released colored balloons serpentine when it was torn open.

At first the Juniors and Seniors couldn't dance much after such a heavy meal, but when they got their food digested a little bit, everyone really "got in the groove."

The dance broke up about twelve o'clock and all agreed that the evening had been lovely.

SOUTH WARD

Gayle Bryan has been absent this week because of three-day measles.

Mrs. Mears' first graders are working on a Dutch Unit. They have a pasture scene on the sand table.

Mrs. Bain's sixth grade is working out a new library system.

Mrs. Prewitt's room is studying the early spring flowers and making an Easter border for the board.

Miss Mongole's room is writing poems. They won the dollar at P.T.A.

Hats off
to the People who Produce
your Electric Light
and Power

The Charles A. Coffin Foundation
confers a special citation for
distinguished wartime achievement
on the
ELECTRIC LIGHT AND POWER INDUSTRY

"Faced with unprecedented demands, the Electric Light and Power Industry has met every war-production requirement without delay and without impairment of its peacetime services to the public. This achievement merits the appreciation not only of American industry but of the entire nation."

—FROM THE CITATION

THIS CITATION is richly merited—for here is a branch of industry that has done a remarkable war job that has not been generally recognized.

If electric power should fail, or if it be too little or too late, the disastrous effects would startle all America. Vital machines would be motionless. Millions of homes would be cold—and an eerie blackout would descend over the land.

But, electricity has not failed. Rather, in 1943 twice as much power was produced as in the year before the war—with the minimum of new facilities—and despite large losses of skilled employees to the Armed Services.

In the words of J. A. Krug, Director, Office of War Utilities of W.P.B., "Power men—public and private—should be proud of the job that has been done in providing power supply. Power has never been too little or too late."

We of General Electric, who have built a large part of the electric equipment which generates, distributes, and uses the electric power of America, take pride in the way this equipment is standing up under the strain of "forced draft" wartime operation.

Many of the men and women responsible for this remarkable record are your neighbors—the manager or meter reader who lives across the street, the girl in the accounting department who is in your bridge club, the lineman with whom you bowled last night. A word of appreciation from you to them will lend added significance to this well deserved citation. General Electric Company, Schenectady, New York.

GENERAL ELECTRIC

Hear the General Electric radio programs: "The G-E All-girl Orchestra" Sunday 10 p.m. EWT, NBC—"The World Today" news, every weekday 6:45 p.m. EWT, CBS.

What is the Charles A. Coffin Foundation?

THE PURPOSE of the Charles A. Coffin Foundation is to encourage and reward distinguished achievement in the electrical field by "prizes to employees; by recognition to lighting, power, and railway companies for improvement in service to the public; by fellowships to deserving graduate students; and by the grant of funds for research work at technical schools and colleges."

Establishment of the awards was announced twenty-two years ago in a statement issued by President Swope and dated December 2, 1922:

"On May 16, 1922, Charles A. Coffin in his 78th year retired from the active leadership of the General Electric Company. Mr. Coffin has been identified with the development of the electrical industry since 1882. He was the founder and creator of the General Electric Company, of which he has been the inspiration and leader for thirty years.

"As an expression of appreciation of Mr. Coffin's great work not only for the General Electric Company but also for the entire electrical industry and with the desire to make this appreciation enduring and constructive as Mr. Coffin's life and work have been, the Board of Directors of the General Electric Company, created on his retirement and now desires to announce the 'Charles A. Coffin Foundation.'"

COTTON GINNING REPORT

According to W. M. Patman, Special Agent, the Census report shows that 8983 bales of cotton were ginned in Donley County from the crop of 1943 prior to March 15th as compared with 15,474 bales for the crop of 1942.

Mr. and Mrs. Kenneth Fink and son K Mack of Childress visited his mother, Mrs. Earl Lea.

LEAVES FOR BASE

Harley Longan, S 2/c, who visited relatives here for two days last week left Amarillo by plane Thursday morning to return to his ship that has been in for overhaul at San Francisco. Harley has been overseas since January. He saw service at the Marshalls, Truk and Marianas.

Mrs. A. A. Mayes has returned home after visiting with relatives the past few months.

Guard Chicks Against Dreaded Coccidiosis

Death among chicks at this time of year will be caused mainly by the dreaded disease, coccidiosis. According to Dr. W. A. Boney, poultry veterinarian for the A&M College Extension Service, no type of medication has any decided effect in stopping it once the malady gets started. Keeping feed, water and floors clean, and immediate surroundings dry are the chief weapons to prevent and control it.

Coccidiosis is a filth-borne disease originating in a one-celled organism, which may cause the death of a few or all of the chicks in a brood. The organism is present on practically all soils and in some feed. It also is on all premises where poultry has been kept. The disease increases noticeably with the arrival of warm weather because the coccidia which causes it depends on warmth and moisture for development. After passing from the body of an infected chick, these coccidia must incubate for 24 to 72 hours where it is warm and damp before they will harm a chick picking them up. Dr. Boney says that if brooder houses are cleaned daily during an outbreak the infection will subside. Avoiding overcrowding also helps. He recommends flushing before cleaning of floors so large numbers of the organisms are passed and removed with the daily cleaning. A good practice in brooder houses and on range is to move feed and water containers several times weekly in order to prevent dampness and accumulation of coccidia at one place.

If chicks are to be turned out of the brooder house early, they should be provided with a large, well-drained area covered with plenty of good green grass. Such a range will encourage them to scatter and eat grass. Remember too, that sunlight is effective in destroying coccidia and other organisms. In case of outbreak, move the birds to a clean house which should be kept clean. Give them a milk or molasses flush and take them off grain. If it is not possible to move them, then dry clean the house daily for one week. Confine and keep them comfortable, removing the worst infected ones.

Red Cross—

(Continued from Front page) though the insurance may have lapsed more than three months before the application for reinstatement.

The President signed a law on March 1st increasing the monthly pension payable to totally disabled veterans of the Spanish-American War, the Philippine Insurrection and the Boxer Rebellion from \$60 to \$75. The same increased rate, from \$60 to \$75, is provided for veterans 65 years of age or over.

New York University has announced that "Gold Star Scholarships" will be awarded to children of veterans of World War II who were graduates of the school and who have lost or may lose their lives in the war. Each award, worth approximately \$1600, is equivalent to prevailing tuition fees and is good for a normal four-year program leading to a bachelor's degree. There are no age nor residence requirements. The requirements are graduation from a high school or its equivalent.

Lapel buttons for honorably discharged men may be secured at any Army camp, post, station or induction center. They are not handled by the Red Cross. Discharges or Certificates of Service must be presented.

Mrs. S. T. Sayer has for house guest, Mrs. Gus Ford of Dallas this week. Mrs. Sayer celebrated her 81st birthday Tuesday.

Mr. and Mrs. Regan Bryan and daughter Donna Ree visited her parents, Mr. and Mrs. Bell at Wellington Sunday.

Mr. and Mrs. A. B. Turner and daughter Patsy visited the week end with relatives at McLean and Wheeler.

Rev. and Mrs. J. J. Grubbs returned home Wednesday after spending some time in central Texas where he has been holding revival meetings.

Mr. and Mrs. G. J. Teal and daughter and family, Mr. and Mrs. Oscar Kerr and daughter Barbara left Sunday for Hot Springs, Ark. for medical treatment for Mr. Teal.

Mrs. Earl Burton of Santa Fe, N. Mex. is visiting Mrs. Bob Head.

Woody Spencer Writes Mother From War Area

EDITORS NOTE—The following letter was received from Pfc. Woody Spencer by his mother, Mrs. W. L. Spencer who lives at Okmulgee, Okla. The Spencers are former residents of Clarendon.

"On February 18 we landed on Engebi Island in the Eniwetok atoll. We spent one night there after taking that island that same day. It was the quickest victory to be won in the Pacific up to now. February 22, we landed on Parry Island, a few miles to the south of Engebi. We spent two nights on Parry Island. When we hit the beach on Parry Island Jap mortar shells were landing everywhere and they had machine guns firing at us. As soon as we hit the beach I had my squad set up our gun at the edge of the water and we opened fire on the Japs. A few minutes later we went up off the beach and into a shell hole. Then a Jap sniper opened up on us. We didn't know where he was at as we couldn't stick our heads up without getting hit. The Sgt. in the shell hole with me was hit. It must have been the Grace of God that we didn't all get killed. The Jap bullets were kicking all around my shell hole and I was expecting one to hit me any minute. One of our men finally got the Jap because he ceased firing on my shell hole.

"I will remember the nights that I spent on those two islands the rest of my life. They were the longest nights I ever spent. I came through without a scratch, al-

though I had several close calls. I want to say that the Marines that made that landing were the bravest bunch of guys that have fought anywhere. Even though the Japs knew they were licked, they put up a stiff fight. Nearly all of them were killed. We didn't feel like they deserved to be taken prisoners. The hardest fighting occurred on Parry Island. Mother, I want you to know that it was the worst experience that I have ever had in my life, even though I came through both abtles without a scratch.

"I have a few Jap souvenirs if I ever get a chance to send them home. I have a sacred Jap honor belt, a Colonel insignia, a cartridge case, some Jap money, a pair of Jap field glasses and a few other things.

"I'm not ashamed to say that I really was scared when we hit the beach on that last island. Everybody was scared.

"Write to the folks at Clarendon and tell them that I am alright."

Miss Lelia Clifford of Pampa spent the week end visiting her mother, Mrs. Clifford.

DATE CHANGED FOR COLLEGE PLAY TO TUESDAY

The Clarendon Junior College will present its annual play next Tuesday instead of Friday night of this week. The play, "Dude Ranch", is packed with laughs and entertainment that everyone will enjoy. The price of admission will be fifteen and twenty-five cents. The time is 8:30, Tuesday, April 4, and will be at the College Auditorium.
