## Club Boys Fall Swine Show To Be Held Sept. 27-28th

Donley County 4-H Club boys and Clarendon Future Farmers will hold their annual Swine Show here September 27-28th, according to J. R. Gillham and C. O. Reed, local V. A. instructor and county agent. Approximately thirty boys will exhibit their prize barrows and gilts.

The boys will bring their stock in on the afternoon of the 27th and fit their pigs for the show on the morning of the 28th. C. L. Franz of Turkey will judge the show, and the prize winners will be auctioned off to local business men on the afternoon of the 28th. The local sales committee composed of W. B. Mayfield, E. S. Ballew, J. R. Gillham, R. E. Drennan, Lee Bell, Charlie Reed, O. D. Lowry, and G. W. Estlack have reported that all prize winning animals will bring their youthful owners a nice premium.

The eight Poland China gilts in the Sears Program in this county will be shown at the show and the prize winning gilt and the boar furnished in the program will be taken to Amarillo on the morning of the 29th to compete with the winners in twenty other counties in the Panhandle region.

Duroc, Poland China, Spotted Poland China, Hampshire, Berkshire, and cross bred barrows will be exhibited. The exhibit will be at the Bert Mayfield hog buying pens in east Clarendon.

## SGT. CALVIN NAYLOR WOUNDED IN BATTLE FOR FRANCE

Sgt. Calvin Naylor, son of Mr. and Mrs. Carl Naylor who live north of Letta Lake, was wounded August 22nd in France. He was with a rifle squad and had been in action since July 7th and entered the service in Sept., 1943. He is reported to be improving nicely in a hospital somewhere over there.

## CHURCH COUNCIL MEETS TONIGHT

All members of the Church Council and other citizens of Clarendon are cordially invited to attend the meeting tonight with the colored people. It will be held at 8:00 o'clock at the Colored Holiness Church. If you have made other plans, make an effort to cancel them and attend this very important meeting. You likely will learn something you don't know and you can probably contribute a great deal to the program with ideas of your own.

## A. O. HEFNER GROWS TWIN WATERMELON

A. O. Hefner, prominent farmer of the Naylor community, has doubled up on the watermelon growing this year. He displayed a twin melon at the Leader office Tuesday that was fully matured. It was of the Tom Watson variety.

## Robert A. Logan Buried Here Sunday

Funeral services for Robert Alexander Logan were held Sunday afternoon at the First Christian church with Rev. L. Guy Ament, officiating.

Mr. Logan passed away here at the home of his daughter, Mrs. W. T. Hayter, last Thursday morning. He had been a resident of Clarendon since 1934.

He is survived by his wife, one daughter, Mrs. W. T. Hayter and five sons, W. L. of Lubbock, R. D. of Ft. Worth, E. R. of Liberty Hill, F. R. of San Angelo and L. L. Logan of Houston.

Pallbearers were Joe Holland, Joe Goldston, C. W. Bennett Jr., H. C. Brumley, Clyde I. Price and Haskel Kemp.

Burial was in Citizens cemetery with Womack Funeral Home in charge of arrangements.

## CAPT. ELERY WATSON PROMOTED TO MAJOR

Capt. Elery W. Watson of Clarendon and now stationed at Alexandria, La., has been promoted to major at the Alexandria Army Air Field, a Flying Fortress combat crew training center.

Major Watson has been action in the South Pacific theatre of war. From March, 1941 to September, 1942 he was stationed at Honolulu, Territory of Hawaii and from Sept., 1942 to June, 1943 he served in the South Pacific. Maj. Watson has been awarded the Distinguished Flying Cross with an oak leaf

MAJOR ELERY WATSON

cluster and the Air Medal for outstanding performance of duty while overseas.

Major Watson graduated from Clarendon high school, from Clarendon Junior College and attended the University of Texas. Before entering the military service he was an Athletic Director at Chey Colorado Camps in Estes Park, Colo.

Major Watson is the son of Mr. and Mrs. B. F. Watson, Plainview, former residents of Donley Co.

## Waste Paper Drive Still Going Good

Lee Bell, chairman of the Waste Paper Drive, announced this week that greater interest seemed to be taking the upper hand in the present drive and that several thousand pounds of paper had already been collected although a complete check-up can not be made until the paper is shipped.

A large number have cooperated by bringing in their bundles and a large number have called who had no way to get the paper to town.

Everyone has this needed paper about their house or business, and it is greatly needed at this time as there is a National shortage of this type of material. It will take very little time for you to gather up your magazines, newspapers and other waste paper, tie them up and bring them to any of the collecting depots or call and it will be picked up on Tuesday of each week.

Do your share now and let's show our neighboring communities that we can do as well as they can and at the same time raise money for our community center.

## HUSBAND OF LOCAL WOMAN MADE LIEUT. COLONEL

Mrs. Frank Frey received word last Sunday that her husband had been made a Lt. Colonel. He is in France with the 7th Army Quartermaster Corps, and has been over there for the past two years.

Mrs. Frey will be remembered here as Margaret Goldston. She is employed at the Chamber of Commerce office at Wichita Falls at the present.

Basil Smith, son of Mr. and Mrs. V. L. Smith, received a promotion this week to Seaman 1st Class. He is stationed at San Diego, Calif.

## College Solicits More Aviation Students

Nineteen students have enrolled at the College to take the new Aviation course that is being offered this year with B. L. Hurst as instructor. The class meets each Monday, Tuesday and Thursday night at 8 o'clock at the College building in room 11. The course consists of navigation, meteorology, air traffic rules, aircraft and engine construction, aircraft instruments and other subjects necessary to qualify for private pilots license. It is a 4 1/2 month semester and a college credit is given with the course.

Although the class has been started, new students are solicited to join the class and can easily make up for the time that has been lost. The tuition fee is very nominal and the text book and necessary material is very low in cost, allowing a person to take this course here at a much cheaper rate than any place else.

All that are interested should contact Mr. Hurst or R. E. Drennan for additional particulars.

In addition to the ground course offered at the college, J. F. Smith Jr. is instructing flying students at the airport, thus giving a complete course in aviation right here at home.

## Ceiling Prices-Boll Pulling

Charles Reed, Donley County Agent, has received telegram from War Food Administration Wage Board that area hearing will be completed this week. This purpose of these hearings at Paducah, Sweetwater, and Lubbock is to receive testimony from representatives in cotton counties to ascertain whether or not 51% of cotton producers desire ceiling prices placed on pulling bolls. Information will also be obtained on what should be a fair ceiling price if majority desire ceiling prices.

Each county in this cotton area has held community or county meetings to ascertain the opinion of cotton farmers in regards to ceiling prices for pulling bolls. This information will be presented to Wage Board at area meetings.

"I have tried to contact each cotton producer by letter or public notice in form of hand bills, in order to have 100% attendance at meetings held in this county," the County Agent stated.

The final meeting in this county will be held at Clarendon Court Room on Friday night, Sept. 22nd at 8:30.

## GREENHAND DIVISION OF FUTURE FARMERS ELECT OFFICERS

Billy Jack Jordan was elected president of the first year class of the Clarendon Future Farmers at a meeting of the group this week. Billy Jack is a sophomore in high school and the son of Mr. and Mrs. William Jordan of the Martin Community. He has had outstanding projects in club work for several years.

Other officers elected were C. A. Ellis, Jr., Vice President; Dwayne Hudson, Secretary; Bob Brown, Watch Dog; Jerry Morgan, Reporter; Nelson Christie, Historian; Ray Morris, Parliamentarian; Gene Bulman, Treasurer.

## CADET JOE F. HEATHINGTON IN PRE-FLIGHT TRAINING

At the San Antonio Aviation Cadet Center, potential pilots, bombardiers and navigators are receiving preflight training to prepare them for aerial instruction and duties as aircrew members in the Army Air Forces.

Among the present class includes Cadet Joe F. Heathington of Clarendon.

Mrs. A. H. Baker returned home Thursday from Ft. Worth where she had been for medical treatment.

## RATIONING AT A GLANCE

By PEPPY BLOCKER

Don't forget to spend your blue tokens this week or next as they will be of no value after this month. It is permissible to pool tokens with friends or neighbors in order to make up the required amount for purchases.

Members of the Publicity Panel for Donley County, serving with your writer, are Miss Phoebe Ann Buntin, Mrs. J. H. Howze, and Alfred Estlack. Miss Buntin has very graciously consented to take care of this column for the next month or so while the present writer is out of town, so if you should have anything of interest which you think should be included in these writings, please call her.

The following article was written by an eleven-year-old high school boy—we all might do well to give it our serious consideration.

"When the war is over and Johnnie comes marching home again, will you be able to look him in the eye and say—'I kept faith—I did my job on the home front well. I gave up luxuries and many things I liked so that you and the boys could have more, I did not patronize the black markets. I didn't buy gas coupons to ride the highways while you struggled through mud and snow on some far flung battle line!'"

"You see Johnnie's eyes—his tired eyes—as he leans wearily against the front fence, to ease the leg which still holds bits of shrapnel—pieces of aviating steel that he got while you walked under peaceful skies, and maybe walked a bit uncaring. Can you honestly look into those eyes and say, 'I obeyed all the rules—I only bought food for the required stamps in my own ration book. I never made a deal for a tire, or went to a 'certain' shop that sold nylon stockings—at what a price. I fought a good fight over here just as you did over there. Each of us gave our best to win this war. I would rather bear shrapnel in my body than guilt in my soul.'"

Chester Tally transacted business in Amarillo Saturday.

## Quota For War Chest Drive Set At \$2,300

Donley county will be asked to raise \$2,300 in the 1944 United War Chest of Texas campaign, W. B. Knorpp, county chairman, announced this week. The drive is scheduled to be held during October, and the exact dates will be announced later.

As in the past, this drive will aid that federation of war-related philanthropies to provide essential services to men in the armed forces, the Merchant Marine, war prisoners, and the various relief societies. It will replace all drives such as U.S.O., United China Relief, and United Seaman's Service conducted before the organization of the United War Chest.

The drive will be conducted similar to that held last year.

"The basis of the quota will not be to raise our quota, but to 'Give a Texans Share,' to our service men and our allies, in accordance with our ability to give," Mr. Knorpp declared.

S/Sgt. A. T. Mandril of the Roswell Army Air Field visited his wife and baby here over the week end.

## Clarendon Man Sees Destruction of Japan From B-29 Bomber

The wife and parents of T/Sgt. Thad O. Lyle were much relieved to learn recently that he had returned safely to his base from another raid on Japan.

Lyle has been on a B-29 which has participated in a majority of the raids by the big bombers on Japanese-held territory. In one of his letters he mentions having been on a raid that broke all records for a non-stop flight. He also said that on the bombing of the Manchurian Steel Mills, they left fires burning that were visible for 100 miles and in addition to the thrills, one of their gunners shot down a Jap pursuit plane.

He said their big thrill though, was in the bombing of the Jap mainland. It was very easy to imagine what was going on below with the terrific pounding the Japs were receiving.

Thad is a son of Mr. and Mrs. B. F. Lyle of this city. His wife resides here at the present also.

15th AAF IN ITALY—Lieutenant Colonel Paul J. Greene, 26, Clarendon, Texas, former member of General Chenault's "Flying Tigers," climbs in the cockpit of his AAF P-38 Lightning, ready to take-off to fight the Germans over southern Europe. The 15th Air Force P-38 squadron commander is officially credited with four enemy planes shot down. He bagged three Japanese aircraft as a member of the A.V.G. and recently blasted a German FW 190 from the skies over Budapest, Hungary, to score his initial victory as an Army Air Force pilot.

## Bronchos To Play First Game Against Lakeview Friday

### REV. G. T. PALMER TO ATTEND RECEPTION AND MEETING OF DIST. SUPERINTENDENTS

Rev. G. T. Palmer left Wednesday for Abilene where he will attend a reception to be given in honor of Bishop Selectman Thursday night. From there he will go to Dallas where he will spend Friday through Sunday and then will journey on to St. Louis, Mo., where he will attend a meeting of all District Superintendents from over the entire United States, Sept. 26-27, returning home Thursday, Sept. 28.

Rev. Palmer states that the latter meeting is the first of its kind to embrace the entire 48 states and that there would be over 500 district Superintendents present for the occasion.

## School Shop To Open Monday

The Clarendon High School Farm Shop located in the Vocational Agriculture room of the south College building will open Monday according to J. R. Gillham, local vocational agriculture teacher, whose department is sponsoring the course. A. P. Thomason, an experienced welder and shop man will act as supervisor of the shop.

The shop is operated as part of a program sponsored through vocational agriculture departments by the federal department of education. Similar shops have proven to be very successful at Quail, Samnorwood, and a large number of schools on the south plains.

Farmers may bring welding, forge work, or any other type of shop or repair work to the shop, and the supervisor will help them with their work and the farmer will have use of approximately fifteen hundred dollars worth of tools. There is no charge for the help of the supervisor or the use of the equipment. Any farmer desiring to undertake any kind of a construction or repair job that will require materials will be required to furnish these, but no charge will be made for welding or shop service.

The chief purposes of the course are to provide additional facilities for repair work and to provide a place where farmers may develop welding, forge work, or other necessary skills. The shop will be open six days a week from 9:30 a. m. to 5 p. m.

## Sgt. Jimmy Goodman On Way Home

Mr. and Mrs. D. T. Goodman received the following telegram this week regarding their son who had been a prisoner of the Rumanian government before they joined the Allies.

Mr. and Mrs. D. T. Goodman Am pleased to inform you your son S/Sgt. Jimmy E. Goodman has been returned to military control and is enroute to United States by ship and expected to arrive about 28-Sept. He will be given opportunity to communicate with you upon arrival and granted furlough at an early date. Signed J. A. Ulio, The Adjutant General.

## SGT. WAYNE L. NAYLOR ON GUAM ISLAND

Mr. and Mrs. Carl L. Naylor have received word from their son, Sgt. Wayne L. Naylor, that he was now stationed on Guam and had followed the invasion group when taking the Island. He is in a Radio detachment and has been in the service since August 1942. He stated that when they first landed, the Jap odor on the island was almost unbearable.

J. C. Butler, local jeweler, has removed his office from the Farmers State Bank to the Goldston building.

The Clarendon Bronchos will play their opening game Friday night, September 22, on their home field when they meet the Lakeview Eagles.

Three weeks of hard practice under Coach Naylor has put them up in good playing condition for their first tilt and enthusiasm is running high among the players as they plan to take the upper hand in the game against the Eagles.

The two teams compare closely regarding weight with the Bronchos averaging 146 lbs. in the backfield and the Eagles 154. In the line the Bronchos average 148 lbs. to the Eagles' 144. The Eagles will enter the game with the advantage of having played their first game last week and having beaten the Wheeler Mustangs 19-12.

The Broncho backfield will be spirited by Carlile, Adams, Maxey and Beard, and the probable starting line up will be Jr. Mann and Harp as ends, Harrison and Cowan tackles, Jiggs Mann and Bulman as guards and Bentley in the center position. Coach Naylor stated this week that the Bronchos would stay with hard straight football through the entire game.

Ticket sales for the game is mounting with much enthusiasm among local fans. A large crowd is expected to view this new and enthused Broncho club meet their first conference rival of the year, and back them on to victory as far as possible in the District play.

The game will start at 8:30 at College Field Friday night.

## Drs. Lowell Take Over Adair Hospital

Drs. Keith and Laura Lowell announced this week that they had completed arrangements for taking over the Adair Hospital and that remodeling and other changes about the structure were being made at this time. They plan to have it ready for use within the near future.

The equipment from the Clarendon Clinic will be combined with that of the Adair Hospital affording one of the best equipped hospitals in this area. Future plans for the Clarendon Clinic structure have not been decided at this time but the entire equipment there will be moved to the Adair.

## RETURN TO DUTCH WEST INDIES

Mr. and Mrs. B. F. Lyle and family left Monday for Miami, Fla., and then on to Aruba, Dutch West Indies where he is employed by the Standard Oil Co. This is B. F.'s first trip back to the States in over three years. He has been visiting the past two months here with his parents, Mr. and Mrs. Frank Lyle.

## Services Held For Sarah E. Dishman

Funeral services were held Monday, Sept. 18 for Mrs. Sarah E. Dishman at the Baptist church with Rev. Hal Upechurch, officiating.

Mrs. Dishman passed away Saturday. She had been a resident of the county since 1928 and had been a member of the Baptist church since early life.

She is survived by two sons, S. P. Dishman of Clarendon, W. S. Dishman of New Mexico. Three daughters, Mrs. C. G. Knox of Lelia Lake, Mrs. J. F. Bowers of Goose Creek and Mrs. Bessie Clack of Haskell, Okla.

Pallbearers were Willard Knox, Van Knox, Hugh Knox, Noel Knox, J. P. Reynolds and Elmer Dishman.

Burial was in Oakwood cemetery at Waco, Texas and funeral arrangements were under the direction of Womack Funeral Home.

LIBRARY NOTES

By Mrs. C. A. Burton

Again a few new books for our readers. "A Tower of Steel" is Josephine Lawrence's new story—a realistic novel of wartime America—the story of the girls who are at work while their men are in the Army. As always, Josephine Lawrence makes real and warm the problems we all face. "The Hills of Home" by Curtis Martin—who is now in the Navy.

His wife says of his book: "It depicts the life of one American and at the same time has a universal quality that will enchant people long after most of the war books are forgotten. It is the story of a small New Mexican town.

"Avalanche" by Kay Boyle is called a novel of love and espionage—the story of a young American girl in search of her lover in France. Kay Boyle is American born, but has lived in France, England and Austria since her marriage to a Frenchman. "Kaiser Wakes the Doctors" by

Paul de Kruif is one of the stories of the marvelous things being done by medicine—the story of Henry J. Kaiser's medical plan as used among the hundred thousand men in his industries. That it is written by Paul de Kruif assures its worth-whileness.

"The Outnumbered" by Catherine Hutter is a story of Austria—of Austria in the early days of Hitler's rise to power. Miss Hutter was born in Berlin, has lived in most of Europe's important cities—as a journalist has done newspaper work in many countries. Her father was a publisher in Berlin—is now with McCall's. The Hutter family were naturalized in 1919.

"Love's Lovely Counterfeit" by James M. Cain promises plenty of thrills, as does "Double, Double Toil and Trouble" by Leon Feuchtwanger.

"Indigo" by Christine Weston is a story of India. The author was born in India and writes understandingly of the clash of cultures, of English and Hindu ideas and ideals.

"Capricornia" by Xavier Herbert is an Australian story which won the Commonwealth Literary Prize Competition on the occasion of Australia's 150th anniversary celebration. The author was born in Australia and is now in the Army. He loves Australia.

"Prefaces to Peace" gives the opinions and beliefs of five outstanding Americans—Wendell Wilkie, Herbert Hoover, Hugh Gibson, Henry Wallace and Sumner Welles. Definitely worth reading.

Have a Coca-Cola = Soldier, refresh yourself

...or a way to relax in camp

From southern camps with their moss-hung cypresses to camps near the north woods, there's one place soldiers can relax—the Post Exchange. There they settle down to "shoot the breeze" together. Have a "Coke", they say. Coca-Cola is a refreshing reminder of what they left behind. On "Company Street" in camp as on Main Street at home, Coca-Cola stands for the pause that refreshes. In your own refrigerator, ice-cold bottles of Coca-Cola are a symbol of a friendly way of living.

**ASHTOLA SCHOOL NEWS**  
A New Family  
The Smith family has moved in our community. They have moved on the Meyer's ranch southwest of Anglin's place. Three children

started to school Thursday. Wayne and Pauline are in the primary room and Delbert is in the fifth grade. We welcome this new family!

**Watermelon Feast**  
The primary grades were guests of the members of the "Citizenship Club" Friday afternoon, Sept. 13—Thirteen watermelons were cut in slices and eaten picaninny style by the forty children. A good time was had by everyone. We doubt if some of the mothers knew their children when they got in from school with juice from "ear to ear".

Sandra visited Betty Anglin over the week end.  
Mrs. Leo Wallace entertained Sunday with a birthday dinner honoring her daughter Patsy on her birthday. Those present were Jo Carol Mace of Clarendon, Mary Jane Cobbs, Lillie Barker and Mrs. Hickey.

We regret to say that Mrs. Brandon has been in bed with a "bad" cold. Gene White went over the top of his bicycle and sprained his knee. Gt. Pete Miller has to leave us Monday, Sept. 18.

Mrs. Watkins has been teaching the primary grades. We all loved her and send a special invitation for her to come back to see us.  
Billy Slater, Ray Morris, Roy Morris, Bobby Brown and James King went swimming Sunday and reported that the water was "icy cold."  
Happy birthday to Lovell Myers. He was ten years old Monday, Sept. 18.

**Gadgets? I love 'em.**

A periscope on cars, instead of the little old mirror?...Doors that slide?...Or a sunshine top? Bring 'em on! Till then, however, my one main idea is to keep this car rolling. I need to. You can start naming motor oils or anything else that you think's helpful. First though, I want to warn you not to let engine acids do their worst damage, when you can easily outsmart them by getting your engine's insides OIL-PLATED. Listen, right on a can of Conoco N<sup>th</sup> motor oil you'll read about N<sup>th</sup> oil's modern synthetic. It works something like magnetism. That's how it makes metal surfaces keep hold of OIL-PLATING. Then what if the engine explosions produce deadly corrosive acids, as every expert and his brother will tell you? Those acids still wouldn't gnaw direct at fine steel that's shielded by OIL-PLATING—a real acid-fighter! It fights for your car. While waiting for new ones—who knows how long?—don't delay switching to Conoco N<sup>th</sup> oil.

### GARDEN CLUB LUNCHEON

Monday was the day for the Garden Club Luncheon at the home of Mrs. Walter Taylor. The assisting hostesses were Mrs. Bill Bromley, Mrs. John Goldston, Mrs. Lee Holland and Mrs. Hugh Howze.

Some "Knight of the Road" must have marked an arrow pointing toward Mrs. Taylor's house, for about 12:45 hoboes began to appear at the back door, carrying all their worldly goods in bundles, swinging from sticks. Their battered hats, torn overalls and variegated patches aroused the ladies' sympathy, so each one was given a "hand out" in a paper sack.

While Mrs. Taylor was obtaining promises of work from all of them except the crippled and aged, Mrs. Bromley and Mrs. Goldston got ready a huge ranch coffee pot from which they generously served each passing hobo.

Although there was much talk of last jobs, sick wives and big families, the hobos found comfortable places in the lovely yard and devoured the lunch with great gusto.

Fortified with sandwiches, potato salad, tomatoes, stuffed eggs, doughnuts and coffee, the hobos reverted to their normal personalities as Garden Club members and held a club meeting in the shade of a beautiful maple tree.

Mrs. Frank Phelan presided and Mrs. John Blocker Sr. gave the report of the nominating committee. The following officers were elected for next year: Mrs. Phelan, President; Mrs. Rayburn Smith, Vice President; Mrs. Cliff McDowell, Secy-Treas; Mrs. Joe Goldston, reporter.

Mrs. John Goldston had a series of questions on garden fertilizers, after which every one watched with greedy eyes as Mrs. Hanks

put into her pocket the Babe Ruth which she received for being the most typical hobo.

The eighteen members present voted the hobo meeting a success and adjourned to meet in Oct. at the home of Mrs. H. T. Warner.

The assistant hostesses for the October meeting are Mrs. John Blocker, Mrs. Rolle Brumley, Mrs. Will Johnson, Mrs. Jim McMurtry, Mrs. Lon Rundell and Mrs. Ed Speed.

A committee consisting of Mrs. Joe Goldston, Mrs. John Goldston, Mrs. U. J. Boston, and Mrs. Walter Taylor will communicate with the members regarding the advisability of having a flower show at this meeting. It will be guest day and the last meeting of the year.

### ALPHA KAPPA DELTA RUSH WEEK

The first event of Rush Week was an introductory and card party held at Manly Bryan's home at 8:30 Monday evening. Card games were played; later the program for Rush week was presented to the rushees. Refreshments were served to the rushees and members.

Tuesday evening the members entertained the rushees with a theatre party at the Pastime Theatre.

Wednesday evening at 8:00 a watermelon feast was held at the City Park. This was for the rushees, members, and their dates. Later all went to the Pastime Theatre.

The Alpha Kappa Delta Fraternity held an informal dance at the home of Max Keys for the pledges, members, and their dates. This was enjoyed very much by all.

Refreshments of punch and individual cakes decorated with the letters "A.K.D." in blue on white

icing were served to the following people: Elise Norwood, Dick Reeves, Dorothy Jean Tatum, Tommy Saye, Mary Ann Bromley, Jimmy Douglas, Dorothy Nell Kemp, James Wesley Palmer, Edith McCrary, Manley Bryan, Betty Jeanne Brown, Douglas Lowe, Kathleen Grady, Bob Bentley, Jeanie Porter, Tom Goodner, Betty Jo Rhodes, Lee Shelley, Billy Ray Armstrong, Arvis Davis, Mrs. Glen E. Hess, Mrs. Rufus White, Mrs. Bill Bentley, Mrs. M. C. Goodner, Mr. R. E. Drennan, Melba Ruth Grady, Max Keys, and the hosts, Mr. and Mrs. Keys. Saturday night the Rushees and the members went to the midnight show at the Pastime Theatre. After the show the rushees and members went to the Country Club to spend the night. This ended the Rush Week events.

### DORCAS-ALTHEAN CLASS

The Dorcas-Althean Class met Sept. 14th in the home of Mrs. Alfred Estlack for a most impressive installation, by Mrs. Joe Goldston, of the following officers:

Teacher, Mrs. H. T. Burton; Assistant teacher, Mrs. Cecil Thomas; President, Mrs. Bert Smith; Vice President, Mrs. Gilmer Ayers; 2nd Vice, Mrs. Haskell Hay; Secretary-Treasurer, Mrs. Clyde Wilson; Asst. Secy-Treas., Mrs. L. T. Shelton; Reporter, Mrs. J. T. Lamberson.

The meeting opened with songs. The devotional was read by Mrs. R. A. Hay and the minutes read by Mrs. Chester Talley. The Secretary's Yearly Report was read (reminding us that we had accomplished much in the past year, but far short of our goal of the coming year).

Installation of officers — Mrs. Joe Goldston. Old Business and New. Dismissed by prayer—Mrs. Hal Upchurch.

We were delighted to find among our guests of the day Mrs. A. T. Cole, our class Mother.

Others present were Mesdames H. T. Burton, R. A. Hay, Wallace Rainey, Doss Palmer, Wendell Smith, Haskell Hay, B. N. Head, Hal Upchurch, W. E. Clifford, Clyde Wilson, Bert Smith, C.

Huffman, Chester Talley, G. G. Ayers, Loyd Risley, Joe Goldston, Alvin Landers, Vada Carpenter, A. T. Cole, J. T. Lamberson, L. C. Youree, W. A. Riney Jr., Oscar Thomas, L. T. Shelton.

Hostesses were Mesdames A. D. Estlack, Alvin Landers, Walter Clifford, Wendell Smith, Vada Carpenter, H. T. Burton, Wallace Rainey.

### COOK-MOORING

Seaman 3/c Herman E. Mooring of the Merchant Marines and Anita Cook were married Tuesday evening at the Baptist parsonage in Clarendon with Rev. Hal Upchurch officiating. The bride finished Lelia Lake High School and attended Clarendon Jr. College. For the past 18 months she has been employed at Plainview. The groom attended school at Wichita Falls and Clarendon. He reports back to San Diego for duty Sept. 24.

### PATHFINDER CLUB

The Pathfinder Club will meet Friday afternoon at 4:30 at the home of Mrs. Ernest Hunt with Mrs. L. N. Cox as co-hostess.

This is the first meeting of the new club year and all members are urged to be present.

### KILL KARE KNEEDLE KLUB ENJOYS PICNIC AT PARK

Several hours of pleasant conversation and eating at a picnic at the City Park Thursday, Sept. 14 was enjoyed by the following guest, Mrs. Olin Walker from Amarillo and club members, Mesdames, W. A. Land, Sam Lowe, R. R. Dawkins, Major Hudson, Homer Mulkey, G. C. Heath, Lon Rundell, Buel Sanford, W. B. Sims, Eva Draffen, Harry Brumley, Eugene Noland.

The next meeting will be with Mrs. Sam Lowe Sept. 28.

### 1930 NEEDLE CLUB

Mrs. Ralph Keys entertained this club at her home Tuesday. The afternoon was spent in sewing and knitting. A lovely plate refreshment was served to Mesdames Lee Bell, Dollie Wilson, Ralph Decker, Ernest Hunt, W. C. Larimer, Gilmer Ayers, Mary Nell Johnson.

### BAPTIST W. M. U.

The Circles of the First Baptist Church met together Wednesday evening in the home of Mrs. Wendell Smith.

The Vada Waldron Circle had charge of the program. It was opened by a song by the group and a prayer by Mrs. Bob Hay.

Mrs. Dale Hill brought a beautiful devotional. Interesting discussions on the topic "Enthroning the King in our own Community" were presented by Mesdames Hal Upchurch, Bob Head, June Dolman, Wallace Rainey, Clyde Wilson, G. G. Ayers and Miss Jessie Cook.

The meeting was dismissed by a prayer by Mrs. Hal Upchurch. Refreshments were served to thirty members during the social hour.

The Vada Waldron Circle enjoyed a picnic at the Park Tuesday evening. Those present were Rev. and Mrs. Hal Upchurch, Mr. and Mrs. Wallace Rainey and Mesdames Wendell Smith, Bob Head, June Dolman, Dale Hill.

### CLARENDON H. D. CLUB

The Clarendon H. D. Club enjoyed the annual club picnic at the park Friday evening.

Those present were Mr. and Mrs. O. C. Watson, Mrs. A. L. Chase, Mrs. J. C. Estlack and Patricia Ann, Barbara and Jacqueline Marie Estlack.

### MARTHA KENNARD, DR. MCKEE ENGAGED

Miss Martha Kennard, daughter of Mr. and Mrs. Sterling A. Kennard of Sherman, will be married Oct. 1 in Dallas to Dr. Robert L. McKee of Chapel Hill, N. C., son of the Rev. and Mrs. R. S. McKee of Irving. The ceremony will be performed by the father of the bridegroom-to-be at the home of Mr. and Mrs. Henry Mobley, uncle and aunt of the bride-elect, 1511 Buckner Boulevard.

Miss Kennard has made her home in Sherman since her family moved there, from Fort Worth. She is a graduate of the University of Texas, Dr. McKee, a graduate of Rice Institute and the University of Texas, is now doing medical research work at the University of North Carolina. Rev. McKee and family are for-

mer residents of Clarendon, he having been pastor of the Presbyterian Church here for a number of years.

**Can Vitamins Change GRAY HAIR?**

Impartial investigators have found vitamin Calcium Pantothenate of some value in changing gray hair, where a deficiency of this vitamin may have caused gray or graying hair.

For example, one test conducted by Good Housekeeping magazine on a number of people, showed 88% of those tested (all ages were included) had positive evidence of a return of some hair color.

Now thousands use GRAYVITA, which contains 10 mgm. of Calcium Pantothenate (the same amount used in above tests) PLUS 450 U.S.P. units of B<sub>12</sub>, the vitamin necessary to healthy nerves. Try GRAYVITA. See what a difference it may make in the way you look. 30 day supply, \$1.50; 100 day supply, \$4.00.

## HOME ECONOMICS

The National Food Administration has set aside the month of September as National Nutrition Month. Miss Berry is cooperating to the fullest extent in her home economics classes. During wartime, especially, should people be determined to stay at the peak of health. All housewives will agree that it is very difficult to plan balanced diets and meals even here in America where the food shortage is not so bad as in Europe. But plan 'em, we must! We can not allow those youngsters to come in from an exhausting day at school and sit down to a half-planned meal of all starches or sugar. Why, that's sabotaging the war effort!

Is your family's diet made up of the famous basic seven foods? Is your family getting all the food value you pay for? Why not save

the precious vitamins by these methods?

1. Do not crush or bruise foods.
  2. Do not soak them in water.
  3. Do not shred or slice fruits or vegetables until ready to use them.
  4. Keep skins on vegetables when you cook them.
  5. Use as little water as possible.
  6. Cover vegetables while cooking, especially those rich in vitamin C.
  7. Stir foods only when you must.
  8. Do not add baking soda to cooking water.
  9. Do not throw away the water your vegetables are cooked in.
  10. Do not thaw frozen vegetables before cooking.
- Cooperate whole heartedly with Uncle Sam and resolve to serve nothing but nutritious meals to your family.

## MUSICAL PROGRAM

To begin the Chapel program there were two songs, "America The Beautiful" and "Old Black Joe." Next Dorothy Ann Kennedy played an old favorite of all, "Indian Love Call." Cora Lee Muse then sang "It Could Happen To You," followed by "Tess' Torch Song," over which everyone swooned. A quartet of clarinets consisting of Manly Bryan, Dorothy Jean Tatum, Billy Lowe, and Edith Jo Beckett played two entertaining numbers. They were "Andante" and "Cheriberribi." Last but not least, Edith McCrary played "Saint Louis Blues" followed by "Hayel's Boogie Woogie." As an extra encore she played "Pine-top Smith's Boogie Woogie." The program was closed with the group's singing "Carry Me Back to Old Virginny."

## OUR NEW COACH

We of the press were trying to find a time when Coach Naylor could give us some information about his life. He said, "I'm the busiest little boy in the town." Mr. Naylor graduated from Clarendon College. He got his degree at West Texas State Teachers College at Canyon. He has taught for fourteen years at five different schools. He taught the year of '43-'44 at Groom. Twenty years ago this football season he was captain of the only undefeated football team Clarendon ever had. We are proud to have him here and we are sure we shall have the best football team Clarendon High School has ever had.

## HERE AND THERE

Who has Donald Bailey been seen with several times? We wonder!  
"Dot" Tatum has had that "sad" look since Wednesday at noon. Could Jack's leaving have anything to do with it?  
We are glad to see Ada Sue back in dear old C.H.S. since her appendectomy.

Louise was seen with Donald Bailey last Sunday afternoon. He gets around.  
What's the matter, Douglas? Whose ring is "Dot" Kemp wearing. Oh! these out of town boys!

It seems that we have some pledges that want to come out for football. They let us know about it Thursday afternoon at the game.

We are sorry to have Jack Semrad leave us to join the Navy.

My! My! What has got into Tommie Saye? He was seen with Johnnie Johnson at the fraternity picnic Thursday night.

Who is the new teacher that the boys are all sighing over?

**THE STATE OF TEXAS**

To W. E. Leake and wife Mattie L. Leake, and H. B. Leake and wife Faye Leake, Defendants, Greeting:

You are hereby commanded to appear before the Honorable 100th District Court of Donley County at the Court House thereof, in Clarendon, Texas, at or before 10 o'clock A. M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 6th day of November A. D. 1944, then and there to answer Plaintiff's Petition filed in said Court, on the 19th day of September A. D. 1944, in this cause, numbered 2246 on the docket of said court and styled Baptist Foundation of Texas, Plaintiff, vs. W. E. Leake and wife Mattie L. Leake, and H. B. Leake and wife Faye Leake, Defendants.

A brief statement of the nature of this suit is as follows, to wit: Suit in trespass to try title; alleging that plaintiff is the owner in fee simple of the following described lands and premises in Donley County, Texas, to-wit: All of Section 15, Block 23, Cert. 11/2291 issued to the H. & G. N. Ry. Co. containing 640 acres of land; that on the 24th day of November, 1937, defendants unlawfully entered upon and disposed plaintiff of such premises, and withholds from plaintiff the possession thereof. Further alleging that defendants have occupied and used such premises under such unlawful possession for a period of two years and the rental value thereof

Attest:

is \$600.00 in which amount defendants are justly indebted to plaintiff, but though repeated demands for the payment thereof have been made, defendants have failed and refused to pay the same, as is more fully shown by Plaintiff's Petition on file in this suit.

The officer executing this process shall promptly execute the same according to law, and make due return as the law directs.

Issued and given under my hand and the Seal of said Court, at office in Clarendon, Texas this 19th day of September A. D. 1944.

**WAC RECRUITING TEAM TO BE HERE FRIDAY SEPTEMBER 29th**

A WAC Recruiting Team from Amarillo will be in Clarendon on Friday September 29, to interview women who are eligible for the Women's Army Corps. The team composed of Lt. Cora Lee Morrow, Sgt. Paula Edwards, and Cpl. Esther K. Kennedy, will have its headquarters at the Post Office Building. Any one who wishes to contact the recruiters may do so by leaving his name with the local postmaster.

At this time, the Women's Army Corps is interested in recruiting women who are qualified for medical technician training, or for medical technician jobs. The Army is offering to train women to become X-Ray technicians, medical technicians, laboratory technicians, dental technicians, and surgical technicians. Women who are high school graduates and have had no training may select the course, be educated free of charge and have an enviable background to qualify them for present as well as post-war jobs in the medical field.

Lois Reynolds has enrolled in Abilene Christian College.

**MOOS OF THE MOMENT**  
BY UNCLE BOB  
of the Kraft Dairy Farm Service

War Food Administration officials figure that the maximum number of milk cows for which there will be feed and other facilities should be reached by the end of this year. At the same time, a lot of heifers calved in 1942 and 1943 will be coming into production.

This situation may make it possible for the dairy farmer to change the make-up of his herd so that he can keep the same number of cows and produce more milk than his present herd is giving, or cut down the number of cows and still keep milk volume to this year's level.

The extension services and experimental stations have proved conclusively that high producing cows use feed and labor to better advantage than do low producers. If you can get rid of a low producer and replace it with a well-bred heifer, you may cut your cost of production and at the same time supply more milk for the war food program.

One of the studies on this subject which I ran across recently was from the University of Idaho. The figures showed that, at the time of the test, a cow producing 150 lbs. of fat had a feed cost of 30.6c per pound. The cost of getting a pound of fat from a cow giving 450 pounds of fat was 16.6c.

Putting it another way, the Idaho figures showed that the low producer brought in \$1.59 for every dollar's worth of feed consumed, while the high producer returned \$2.80 for every feed dollar.

Point Five of the 8-Point Dairy Program is "keep as many cows as feed and labor permit". It is vitally important that milk production be held at the best possible level in future months. But it is equally important that feed be used most efficiently.

Feed and labor are the limiting factors in dairy production, the University of California says, and such feed and labor must be used to best advantage. I suggest a talk with your county agent, for advice on your herd, whether you can and should cull on a basis of replacing a low producer with a well-bred heifer.

Two cows looked over a drought stricken pasture. "This is a time to put a bit in your mouth," said one. "No, this is a time to put a bit in your mouth," said the other.

Once before, in this column, I mentioned the fact that cows, the same as people, work best in pleasant surroundings. You do a better job when you've had a good rest in a good bed. Cows, too, need proper bedding. Bedding for cows serves several purposes—keeping the cow clean and thus helping in the sanitation program and making it easier to

clean out the barn. Farmers' Bulletin No. 1470 from the United States Department of Agriculture, Washington, D. C., gives some sound ideas on proper bedding. It is free. It suggests wheat or oat straw or corn stover as good bedding material, with shredded or cut corn stover first in liquid holding capacity and greatest in fertilizer value. Straw, however, is probably the easiest to get in your area. Soy bean straw is being used in a lot of places.

The USDA says about four pounds of wheat straw per day gives a suitable bed and keeps the cow clean, but eight pounds does a better job of absorbing liquid.

The Minnesota Extension Service, in Extension Folder 106, cautions not to handle bedding in the barn for several hours before milking time, because it raises dust. This leaflet has some good pointers on other subjects too. You can get it by writing the Extension Service, University of Minnesota, St. Paul, Minn.\*

Doing a job right, such as producing clean milk, is pretty much a matter of establishing good habits. When a day-to-day job is set up the right way, it becomes a habit which is easy to follow. The Producers' Edition of the Kraftman, for September, has a detailed discussion of good habits in handling milk and cleaning and storing utensils. A copy will be sent you free if you'll drop a note to Uncle Bob, Kraft Cheese Company, 500 Peshtigo Court, Chicago, Ill.

Some months ago we mentioned a University of Missouri Extension bulletin on how to build your own stock tank heater. This seems a good time to bring up the subject again, since before long you'll have to figure out some way to take the chill off water your cows drink, if they are to be kept in top production.

Missouri says a cow's production can be increased from 25% to 100% by giving her water the temperature of which is 50 to 60 degrees, instead of icy water. Cold water causes a reduction in milk flow, reduces the cow's water intake and causes it to eat more grain, in order to warm up again.

The bulletin shows how to build a heater out of a milk can, simply and easily and at very slight cost in money or labor. If you do not have one, I suggest you write the Extension Service, Columbia, Missouri and get a copy of Circular 484.\*

\*NOTE: There usually is a 5c charge for pamphlets mailed to non-residents of a state; but possibly your own state has a free pamphlet on the same subject. Ask your county agent.

**Know How...**  
**274 Years of It!**

Two hundred and seventy-four years in the natural gas business!

Think of it—more than two and one-half centuries of knowledge and experience. That takes us back to more than sixty years before George Washington was born... to a century before our nation was established in the name of liberty and freedom.

This extensive span of years represents the combined years of service in the natural gas business of the eleven district managers of our companies.

That's a long, long time! It accounts for the "know how" so necessary in maintaining dependable natural gas service. And now this experience and knowledge, united with that of all our employees, are dedicated to the war effort... protecting and making secure the liberty and freedom that are our American heritage.

Helping to win the war is STILL our No. 1 Job!

**FREE COTTON CLASSING**  
I have contacted all the gins in the county and they have agreed to take and submit samples to government cotton classers at Lubbock, if you request free cotton classing.  
The Smith-Doxey Act provides free cotton classing and market news service to participating members this year under the same conditions as last year. The gin submits your samples to Lubbock office for free government classing. The Lubbock office furnishes the gins with necessary instructions and supplies.  
If you desire free cotton classing, all that you are required to do is request your ginner to take sample and submit it to Lubbock at time you gin your cotton.  
If you desire information on free government cotton classing, talk with your ginner.

SAVE YOUR WASTE PAPER

Those who believe that the war is almost over would do well to remember that Texans still are fighting—and being wounded and killed—on all fronts. The fact that they aren't quitting should be a reminder that now is not the time to quit on the home front.

Here are some of the boys wounded on the European front during the past few days: Sgt. Arthur Appel of Taylor, Sgt. Victor Cmerek of Granger, and Pfc. Ike Mogford and Pfc. Baker Vermillion of Fredericksburg.

Latest casualty reports from the Mediterranean report S/Sgt. Bill Lord of Georgetown as among the wounded, while Pfc. Emilian Mensik of LaGrange was recently reported as wounded in the Southwest Pacific.

S/Sgt. Ray Saunders of Wichita Falls, a spotter for a machine-gun company in France, was wounded in the left leg and chest, and lay for many hours under the fire of both Americans and Germans before he could crawl to safety. But he didn't quit! He is now in a hospital in England.

The example of the Texas lads who don't quit should prove an inspiration to all of those on the home-front. No one should quit until the war is finally won—and that means when the last shot has been fired and every Texas boy is back home! Meanwhile, every man, woman and child in Texas should pitch in to put the National War Fund campaign over the top!

The National War Fund drive will be conducted during the next few weeks in all Texas counties, under leadership of local men and women. Funds raised in the campaign support USO, send relief to American and Allied prisoners-of-war in enemy hands, and help alleviate suffering among war-victims everywhere.

Fighting Texans continue to make news by their brave and gallant exploits in battle. Sgt. Dwight "Bud" Gryder, Flying Fortress gunner who hails from Tahoka, has just won the Air Medal for his bravery under fire while bombing Germany.

The Tahoka American Legion post, incidentally, last week honored returned war veterans at a special meeting. At the same time, Legionnaires endorsed the War Chest drive in Lynn county, and agreed to help put the drive over the top. The Legion boys know what "over the top" means, and there is little likelihood that they will stop before the full job is done!

Mr. and Mrs. J. T. Hoy of Pampa, who formerly owned and operated the flower shop on East 4th Street, have sold their home to Miss Marjorie Harlan and the furniture to Mr. and Mrs. A. B. Turner. We regret very much to lose Mr. and Mrs. Hoy from our citizenship, but war conditions made it imperative for them.

Mrs. Cash Snoddy is visiting her niece, Mrs. Dewey Goodman and other relatives this week.

**"B-3" and "C-3" GAS RATION COUPONS WILL BE INVALID AFTER SEPTEMBER 30th**

"B-3" and "C-3" gasoline ration coupons will be invalid for motorists after September 30, the District Office of Price Administration announced today.

At the same time "T" coupons marked "3rd. qtr" will expire for commercial motor vehicle operators.

Filling station operators will have through October 10th to turn them in to their supplier for gasoline or exchange them at their local War Price and Rationing Board for ration checks.

Holders of invalidated "B-3" and "C-3" coupons which were issued for use beyond September 30 may exchange them for valid coupons at their local board.
