CLARENDON, DONLEY COUNTY, TEXAS, THURSDAY, APRIL 18, 1918.

NEW SERIES: VOL. 29, NO. 15

LIBERTY TRAIN VISITS CLARENDON MONDAY

The relic train that passed through our city last Monday in the interest of the Third Liberty Loan drew one of the largest crowds that has been in Clarendon for some time. The object of putting these valuable relics on cars and placing them before the public is that it makes them realize the concreteness of the war and helps emphasize our close relationship to our Allies that their fight is our fight. By allowing the people to see these relics the government hopes to stir them up and thus induce a liberal subscription to the bond issue.

While the crowds were here Monday a campaign was launched which netted the government some three thousand dollars with which to aid in the great struggle.

There were several novel exhibits on board the train one of which was the captured German airplane.

Another article of interest was the trench mortar which had evidently seen much hard service in the trenches, "strafing der Boche."

The exhibit was indeed enlightening to us who will never have the opportunity to see such things on the front.

BISHOP LYNCH HERE SUNDAY

The Rt. Rev. Jos. P. Lynch, D. D. Bishop of Dallas, will visit Clarendon, next Sunday, and will hold services at the Catholic church Sunday morning, April 21st, at 10:00 a. m. The ceremonies are very impressive. There will be a class for confirmation. The candidates receive the sacrament thus: The Bishop extends his hands over those to be confirmed and prays that they may receive the Holy Ghost afterwards he anoints them with the Holy oil saying, "I sign thee with the sign of the Cross and I confirm thee with the Christ of Salvation, in the name of the Father, and the Son and of the Holy Ghost." The Bishop will also deliver an oration on this occasion. And being as eloquent and most impressive speaker as in the State it is hoped that many will take advantage of the opportunity to hear him.

Catholic and Non-Catholic welcome. M. G. French, Rector.

MRS. A. M. BEVILLE TO BE BURIED HERE TODAY

After several months of suffering and undergoing several operations at a Fort Worth hospital, Mrs. Etta Beville, wife of A. M. Beville, one of our most prominent business men, died at Fort Worth, Tuesday night, April 16th. Her husband and several of the children were at her bedside at the time of her passing and much gloom was cast over our city when the sad news was made known here by wire. The family accompanied the remains here Wednesday night and preparations were made for the funeral Thursday afternoon. The services were held at the Methodist Church, of which Mrs. Beville was a consistent and consecrated member, and interment was made at the Citizens Cemetery, Rev. J. W. Story, conducting the services. A good woman has gone and The News will carry a fitting tribute to her life, fidelity and character in next week's issue.

FORTY-TWO CLUB

Mrs. A. L. Chase was hostess to the Forty-two Club, Thursday, April 11th. There were three tables of players present and a most enjoyable afternoon was spent.

At the conclusion of the games, Mrs. J. D. Browder received first prize, while Mrs. Frank Letts drew consolation.

A dainty salad course was served by the hostess.

Those present besides members were Mes. R. A. Chamberlain, W. Carhart and J. D. Browder of Memphis.

M. H. Salmons of the Brice Community returned the latter part of last week from a visit to Camp Bowie where he has a son and nephew in the service. Mr. Salmons was much impressed with the military education acquired by the home boys and says Capt. Simpson is like a father to his company. Mr. Salmons further expressed himself as being in favor of the people of Donley County giving the boys of Co. H. a great reception at Camp Bowie in the near future, before they are sent to France for duty against the Hun. He says he is willing to "go his part."

OSARK TRAIL MEETING HELD AT WELLINGTON

Last Thursday night at the court house in Wellington, a meeting, in the interest of the Ozark Trail, was held and a large number of our local business men were present. Col. Harvey, the promoter of the trail, spoke for quite a while outlining the object of the organization of the route and also the plans of the Texas Division. Following his speech the officers of the Texas Division were elected, i. e., Judge Small, of Wellington, president; H. A. Holcomb of Wellington, Treasurer; H. L. Mobley of Claude, Secretary.

The plans and program that have been mapped out for the Ozark Trail make it one of the best organized routes of its kind in the United States and it bids fair to become one of the most popular highways used by tourists. All that is needed to make it so is the exercise of a little intelligent support and cooperation with those who are in charge of our division.

The next meeting of the association will be held on Tuesday, April 26th, at Amarillo to appoint the local managers at the cities through which the trail passes.

PATHFINDER NOTES

Mrs. Eddins assisted by Mrs. Peebles entertained the Pathfinder Club last Friday afternoon.

One new member was received during the business session.

Topic Study—Zenoni. Mrs. Burton directed the lesson and brought out a splendid review of the study. Mrs. Shelton conducted a parliamentary wrangle that was both amusing and instructive. After the program twenty one members and several visitors were served with delicious cream and cake.

Next meeting will be with Mrs. W. B. Sims, April 26th.

A CORRECTION

Last week in the article concerning the organization of the Clarendon Oil & Gas Co., Wesley Knorpp was listed as vice-president, when it should have read A. R. Letts. The information given us was in error.

W. H. MARTIN A CANDIDATE FOR COUNTY TREASURER

With this issue of The News we are authorized to carry the announcement of W. H. Martin of this city for the office of Treasurer of Donley County. Mr. Martin has been a resident of Donley County for over seventeen years and is well known by all the old residents, having been connected for years with the business life of Clarendon. He is a man of good education and liberal attainments and is exceptionally well fitted for the duties of the office of Treasurer. He has never asked for public office before, is a life-long Democrat and asks for the office strictly on his own merits. Your careful consideration is solicited.

Have you tried maize meal? 16c.

CLARENDON HIGH TEAM MAKING GOOD RECORD

The baseball team representing the Clarendon High School is making a very enviable record this season. To date they have played seven games and lost only one. Memphis High is the only team who has been able to win from the local boys and performed this feat last Saturday on Memphis grounds in a very fast game, the score being 3-0. Tuesday of this week the Clarendon Hi journeyed to Hedley where they won a weird game 12-10. Arrangements are being made for a game here next Friday, when it is hoped another scalp will be added to the home boys' belt.

E. W. Grogan and sons, Waiter and Bailey went to Quannah Tuesday to do some shipping.

Mr. and Mrs. H. J. Willis, W. W. Willis and Annie Lauri Willis of Clarendon, were visitors on April 6th at the big exhibit of Southern Cal. products maintained free to the public in Los Angeles Chamber of Commerce. They also attended the lectures and moving pictures that are a part of the daily program. The exhibit is the largest of any in the country maintained by a commercial organization. Before returning home, they expect to visit several of the many other places of interest in the Southern part of California.

SOON TO DRILL FOR OIL AT LELIA LAKE

In these days of oil development in almost every section of the state it is a matter of no great surprise, although of much interest, that drilling will soon begin in the Lelia Lake community, and from the prospects found there by experts it is confidently expected that a paying field will be found in that section. A number of times expert oil men from Pennsylvania have looked over the soil formation and contours of the Lelia Lake country and all have expressed their confidence that oil is to be found there. Some days ago a meeting was held in which the land owners of that community met and for their own protection formed a combine to lease some forty thousand acres of land in one body, and to prevent wild cat promotion. Thursday evening of this week another meeting will be held which is expected to further the arrangements for drilling a well at some place, experts shall designate as the most likely. This will be a great achievement for the Lelia Lake people and will do much for the development of Donley County should they be fortunate enough to strike oil in their prospect well. The Lelia people are progressive and when their ship comes in other parts of the county will have to put on steam to keep abreast of their progress.

W. I. MILLS IS CANDIDATE FOR COMMISSIONER PREC. 2

The News is authorized to present the candidacy of Mr. W. I. Mills for County Commissioner of Precinct No. 2. Mr. Mills is one of the best known citizens in the county having been a contractor on a number of public buildings in Clarendon and feels that he is well qualified for the duties of the Commissioners' office. His candidacy is brought about by the pressure of his friends who have urged him to make the race, and on this basis and his own merits, he respectfully solicits your vote and influence.

Mrs. H. B. Spiller, Sr., was here Tuesday on a visit to her son, H. B. Spiller, Jr. H. B. accompanied his mother to Amarillo Tuesday afternoon.

LOCAL FUEL ADMINISTRATOR URGES COAL STORAGE

After considering all local conditions under which our coal men must operate, the following prices for delivery of coal have been promulgated:

Less than 500 lbs.	40c
500 lbs.	65c
1000 lbs.	85c
Over 1000 lbs. less than a ton, pro rate.	
1 ton lot	\$1.00
2 or more tons, per ton	75c

The coal dealers profits have been so restricted that the government recommends a cash basis for the handling of coal, therefore you are urged to pay cash for what you buy. Every citizen is expected to lay in his supply of coal for next winter, during the next few months and I respectfully urge that you give your order at once and co-operate with the government and the local dealer in making a patriotic best of a bad situation.

Frank Bourland, Local Fuel Administrator.

LELIA LAKE LOCALS

Quit a number of Lelia Lake people attended the war relic exhibition at Clarendon Monday.

Mr. and Mrs. W. M. Cothran were Clarendon visitors Monday night.

We see Mr. W. M. Mace riding around in a brand new Hup.

Miss Gladys Taylor, Lucile Ellis and Geneva Bynum, spent Saturday night and Sunday with homefolks.

Mr. G. T. Adams left Wednesday night for Fort Worth where he will visit his son at Camp Bowie.

We are sorry to hear Mrs. Melvin Cook on the sick list this week.

Miss Moody Kennedy left last week for Oklahoma City, on a visit.

Miss Dewey Mitcham of Clarendon visited Miss May Palmer Sunday.

Misses Lucile Ellis, May Palmer, Dewey Mitcham and Mr. and Mrs. H. M. Ellis were Clarendon visitors Sunday night.

Dr. J. R. Palmer returned Friday night from a trip to Mississippi and other points.

The young people enjoyed a party Friday night at the home of J. A. Thompson.

HASTINGS BROS. SELL BUSINESS TO WALKER & WALKER

As we go to press we learn that Hastings Bros. have sold their grocery and feed business to a firm composed of G. O. Walker, formerly of this city, and J. E. Walker of Canyon, who will conduct the business under the firm name of Walker & Walker. G. O. Walker needs no introduction to our people, while his nephew, J. E. Walker is a successful business man and has made quite a reputation as a business builder at Grandview, Texas, where he still has some interests. Hastings Bros. have not made plans as yet, but we hope they will remain among us. The new firm is carrying an announcement advertisement in this issue of The News and will keep their plans before the people. We regret to lose Hastings Bros. as neighbors but welcome the new firm to our town.

ASHTOLA NEWS

Health is good in this community. A good rain fell Saturday and Sunday which will be a great benefit to the farmers.

Vern Roy and family visited in Ashtola Sunday.

Judge O'Neill and Mr. Patrick of Clarendon made a very interesting talk at the school house Saturday night, the 9th, in favor of Liberty Bonds. After the speaking several citizens purchased Liberty Bonds.

Jim McMurtry shipped several cars of cattle the past week.

Billie McBrien made a trip to Clarendon on Saturday.

Will try and write more next week.

We Aim to Meet All Market

Conditions to take Care of you--Learn to Depend on us.

Mr. Hoover says that the Grocers must assist him and help to keep their patrons informed on wheatless days, meatless days, etc. It is our earnest wish to do our bit for the Sammies and we want also to use every resource at our command to supply your grocery orders. We ask for your continued confidence that we will take care of the grocery orders for our patrons to the fullest extent of the wholesale markets. When the best supply houses have the groceries you can depend on it that we will have them at our store.

ARE WE JUSTIFIED?

Perhaps we ought to be satisfied with the present achievement. But you know, "the more a man gets the more he wants." This being true, we are then justified in soliciting your business; and especially so, since we are so well prepared to handle it, and by so doing you are keeping Texas money in Texas, and dealing with Texas people and a Texas bank.

The Banker Your Most Needed Friend

All friends are appreciated by men of good judgment and sound heart. That's right. But—when your business is in a position where just a little financial aid will enable you to turn expense to profit, or victory to defeat—then it is when if you have sought and merited the friendship of the banker, that the necessary arrangements can be made. This rule applies equally to farmer and the business man.

Test it out at our bank.

DELCO-LIGHT Increases Farm Efficiency

- Saves time and labor**—Work formerly done under poor light and by hand can be done better and in less time with the aid of electric light and power.
- Labor is attracted to the farm**—The "back to the farm" movement is made practical when the conveniences afforded by electric light and power can be had in the country.
- Keeps the boys and girls on the farm**—Electric service on the farm offsets city attractions. Valuable labor and valuable young manhood and womanhood are saved to the country community.
- Solves the retired farmer problem**—Electric light and power make the farm home so attractive and comfortable that the farmer and his wife remain on the farm where their advice, experience, and immediate interests are of great practical value.
- Lightens burden of the housewife**—Increased farm work in war times means increased labor for the housewife. Electricity offers the only practical means of taking the drudgery of household tasks from her shoulders.

Delco-Light is a compact electric plant for farms or country homes. Self-venting. Air-cooled. Thick plate, long-lived battery. Ball bearings. No belts.

GIRL'S HONOR GUARD

The following is a copy of the letter sent to every Honor Guard in the State at the beginning of the Third Liberty Loan Campaign:

Clarendon, Texas, April 1, 1918.
My Dear Lieutenant—
During the critical times of times of strain and anxiety with tales of sorrow, suffering, and sacrifice at every turn, each Honor Guard must be asking itself "How can I help best?" There is one vital way in which we urge you to act—and to act immediately.

As you know, what we need most just now is ships—or the money to build them. This money can best be raised through the Liberty Loan—the Third Campaign is at hand.

Will you call your Guard together at once. Get in touch with your local Woman's Liberty Loan Committee, volunteer your assistance as an Honor Guard, formulate your plans for a big patriotic rally on April 6th and sell Liberty Bonds.

If you have no local Woman's Committee, write to Mrs. E. B. Reppert, Dallas, Texas, for literature, and state that your desire as an Honor Guard to sell bonds. If for any reason, at this time, you cannot personally undertake this work, appoint another of your Guard to set it in motion. It must be done—and quickly!

A copy of this letter is being sent to every Guard in the State—Let us hear from you at the end of the Campaign, and see which Guard makes the best record. Let our watchword be—Energy, enthusiasm and excellence.

Yours for the Guards and Liberty,
Lila E. McClelland,
Ass't State Mgr. Girl's Honor Guard.

The following letter from the Wo-

man's Liberty Loan Committee was received by Miss Lila McClelland a few days ago:

Dallas, Texas, April 8, 1918.

My Dear Co-Worker:
It is the sacred duty and the glorious privilege of every American to uphold the credit of the Government with the same kind of self sacrifice and nobility of soul that is exhibited by our gallant sons when they die in defense of our country on the faraway battle fields of Europe. Lest this blood be shed in vain we must do our full duty, no matter what manner of sacrifice is necessary to answer the call of our country in full by going "over the top" with our full quota for the THIRD LIBERTY LOAN.

You are appointed to assist your County Chairman in securing your quota in this great call. Your Country is depending upon you to do this. The boys in France are standing face to face with death, accepting and braving every kind of suffering. Your only opportunity to help them is in doing your part toward the raising of the money to sustain them—to give them food; put guns in their hands and ammunition for these guns—that they may have a fair chance to accomplish what they are risking their lives to do for you and for all humanity.

Cordially yours,
Mrs. Helen M. Craig,
Sec'y. 11th Fed. Reserve District.

Frank Bourland and W. H. Van Eaton left Monday night for Dallas where they will attend the meeting of those who have in charge the great Red Cross endowment campaign, which takes place in May.

Miss Jewel Brinson was here from Hedley Saturday shopping.

MAY TAKE CIVIL SERVICE EXAMS. WHEREVER GIVEN

Washington, D. C., April 14, 1918—The United States Civil Service Commission announces that on March 27, 1918, the President approved a joint resolution of Congress suspending, during the period of the present war, the operation of the provision of law which required applicants for civil service examinations to be examined in the State or Territory in which they reside. During the period of the war, therefore, applicants for any examination held by the Commission may be examined at any place at which the examination is held, regardless of their place of residence. An act of July 2, 1909, required examinations to be taken in the State of residence. While this provision is suspended for the period of the war, it is still required that only those who have been actually domiciled in the State or Territory in which they reside for at least one year previous to the examination may become eligible for permanent appointment to the appropriated departmental service in Washington, D. C. The Commission expects this change to make it easier to obtain applicants for positions in Washington. Competent stenographers, typists, and bookkeepers are in great demand. Examinations for these positions are held weekly throughout the country. Representatives of the Civil Service Commission at the post offices in all cities are furnishing detailed information and application blanks.

LIKE MAGIC

The Bureau of Supplies for the Southwestern Division was established about the middle of August, 1917. Four well known St. Louis business men volunteered their services in its organization and management. Quarters embracing about 10,000 square feet of floor space were secured and the Supply Service opened for business with two stenographers and two stock clerks. Sales totaling \$6,000 were recorded during the first month. This was considered pretty good for a brand new business. Immediately however, the process of expansion set in, so that within another month, additional floor space became necessary and another building was required. The office force grew under the new demands placed upon it. Stock clerks, order clerks, packers and inspectors were added to the staff. The Supply Department found itself scattered in different parts of the town and set about to secure ample quarters under one roof. Today it occupies an entire building containing 75,000 square feet of floor space at 817 North Broadway and gives occupation to more than two hundred people at least 50 of whom are volunteers. In the short space of six months its business has increased from the modest sum of \$6,000 per month to more than \$376,000 per

75 YEARS OF KNOWING HOW

BACKED BY AN UNQUALIFIED GUARANTEE

This lister has all the advantages of the No. 111 and in addition has rear wheels. This is desired in many localities as it enables the operator to see the seed as planted. The rear wheels have cushion springs to hold them in line with the row and following the unevenness of the ground and conform to the ridge without straining the rear frame, compelling also, the Lister to remain in proper working position at all times. The friction lock disengages automatically, allowing the wheels to castor and turn round in a very small space.

We manufacture the most complete line of Two Row Implements on the market. Ask your dealer and if you cannot be supplied through him, write us for circular and special introductory offer.

Parlin & Orendorff Implement Company
DALLAS, TEXAS

M. W. HEADRICK & SON

The P. & O. No. 111 Lister

This lister is known to farmers wherever sold as P. & O. No. 11, but the improved type is called No. 111 on account of important improvements.

There are more of them in the hands of farmers than all other features on this Lister made it deserving of its immense sale. Its use is not confined to preparing for row crops; it is now almost universally used for plowing for small grain crops by listing and re-listing, leaving the ground in oval waves, which not only catches and holds the moisture but prevents the loose soils of the West from blowing away.

The adjusting link on front end of beam is an important exclusive feature on the No. 111, absolutely preventing the point from running below the desired depth. The wheels are provided with dust-proof boxes, an immense help in the sandy loam lands of the West. The feeding device absolutely deposits one seed at a time of any of the row crops, besides can be equipped for both corn and cotton. You will have to see this wonderful improvement to appreciate it. The tilting hoppers allow change of plates without emptying them. Furnished with either disc or shovel coverers. This Lister embodied many other important features that will convince you that it is the best on the market.

The P. & O. No. 123 4-Wheel Lister

This lister has all the advantages of the No. 111 and in addition has rear wheels. This is desired in many localities as it enables the operator to see the seed as planted. The rear wheels have cushion springs to hold them in line with the row and following the unevenness of the ground and conform to the ridge without straining the rear frame, compelling also, the Lister to remain in proper working position at all times. The friction lock disengages automatically, allowing the wheels to castor and turn round in a very small space.

We manufacture the most complete line of Two Row Implements on the market. Ask your dealer and if you cannot be supplied through him, write us for circular and special introductory offer.

DIGEST OF WAR NEWS

67,716 Men Excused from Military Service Under Vocation Provisions

Under provisions of the selective-service law making specified vocations a ground for exemption or discharge, apart from the "necessary industries" dealt with by the district boards, 67,716 men were excused from military duty.

Of the men exempted 1,665 were Federal or State officers; ministers, 3,976; divinity students, 3,144; in the military and naval service, 47,822.

County and municipal officials numbering 889 were discharged; custom-house clerks, 171; mail employees, 1,476; arsenal workmen, 2,358; Federal employees designated by the President, 1,777; pilots, 1,772; mariners, 2,666.

Farm Tractor Notes to be Rediscouted by Federal Reserve Banks

Federal reserve banks are to rediscout notes secured by farm tractors, according to the Department of Agriculture. Instructions have been issued to all Federal reserve banks authorizing them to rediscout tractor paper presented by any member bank, provided it has maturity not exceeding six months and the trac-

tors are purchased for agricultural purposes.

Trade Tests Used to Secure Skilled Workers for Army

To increase the accuracy of selecting skilled workers among the enlisted men a system of trade tests has been developed. Exact and comprehensive definitions of the more than 600 different trades represented in the military organization have been brought together in a 300-page book, "Trade Specifications." Tables have been prepared showing the detailed needs of each unit for skilled and semiskilled workers. Work has been done in refining methods of selecting and training men for special duties in the Navy, special service regarding selection of aviators, assistance to Provost Marshal General on the questionnaire, and assistance rendered the Surgeon General for general intelligence tests for enlisted men and officers.

The war-service exchange of the committee on classification of personnel answers inquiries of persons desiring to serve the Army. It informs the Department of Labor of the needs which War Department has for men.

Fertilizer Manufacturers and Dealers Must Secure Licenses

Attention of fertilizer manufacturers and dealers has again been called to the necessity for taking out Federal licenses.

All fertilizer manufacturers, including mixers, even though their output may be small, are required to take out licenses. Agents and dealers doing exclusively a retail business, whose gross sales do not amount to more than \$100,000 a year, are not required to take out licenses or to make applications for blanks. However, any retail dealer or agent whose gross sales amount to more than \$100,000 and who does not apply for a license is liable under the provisions of the act of Congress providing for the governmental control of the industry.

Application for license should be made to the law department, license division, United States Food Administration, Washington, D. C.

War Department Plans Furloughs to Help Farm Work

For the purpose of augmenting agricultural production it is the intention of the War Department to grant furloughs to enlisted men to enable them to engage in farming during the present season. Commanding officers may grant such furloughs with in prescribed rules whenever it appears they will contribute to increased farm production.

Furloughs may be given by commanding officers of posts, camps, cantonments, divisions, and departments. They will be for short periods, largely for seeding and harrowing time. They will not be granted to enlisted men of or above the

grade of first sergeant, nor in an organization that has been ordered to move or is in transit from points of mobilization or training to a port of embarkation. All furloughs granted will be recalled and the men ordered to their organizations when they have received preparatory orders for duty overseas.

Furloughs granted for farm work will be without pay and allowances, except that enough pay will be retained in each case to meet allotments in force on the day of the order, war-risk insurance, and pledges on Liberty bonds.

For specially qualified experts in agriculture furloughs may be granted by the Secretary of War upon application by the Secretary of Agriculture, providing such furloughs are voluntarily accepted by the persons for whom application is made.

Individual applications for furloughs submitted by relatives will be on a form to be furnished by local draft boards. Two sections are to be made out and presented to the local board, which will complete the form.

If the furlough is granted the application will be filed by the commanding officer and a certificate furnished the soldier. If not granted the application will be returned with reasons for disapproval.

If the soldier initiated the application he will give the name of the person for whom he desires to work, from whom will be ascertained the need for farm service.

Furloughs may be granted en bloc to men who are willing to accept them, upon requests of farmers, when time consumed in traveling from the post to the place of labor will not exceed 24 hours. In making these applications farmers will use a form of the Provost Marshal General's office also going to the local board.

Prisoners in Germany Do Not Lose Rights to War Insurance

American soldiers and sailors in German prison camps prior to April 12, 1918, will not be deprived of their rights to war-risk insurance because of inability to make personal application, provided such application is made in their behalf.

According to a statement by the Secretary of the Treasury, applications for insurance may be made in behalf of such prisoners by persons within the permitted class of beneficiaries under the military and naval insurance law. This class includes wife, child, parent, brother, or sister. Application should be made to the Bureau of War-Risk Insurance, at Washington, D. C.

Alien Property Custodian May Sell Enemy-Owned Property at Private Sale

The Alien Property Custodian has been given power to sell at private sale without advertisement, enemy-owned livestock, feed or food stuffs, hides and other animal products, agricultural products, fertilizers, chemicals, drugs, essential oils, lumber, cotton, tobacco, furniture, books, glass and china ware, wearing apparel, jewelry, precious stones, pictures, ornaments, bric-a-brac, objects of art raw or finished textile, materials, trunks, boxes, partially or completely manufactured metals, fabrics, rubber and rubber products, and all kinds of merchandise, in lots having a market value of not more than \$10,000.

Such sales may be held at places and under conditions prescribed by the Alien Property Custodian.

German Newspapers Rap Profiteering in Motor Cars

The Committee on Public Information has made public editorial comment in the German press on the revelations in the Reichstag main committee in connection with investigations of the Daimler Motor Works. It was shown that the Daimler company was earning 173 per cent profit per annum, the company's sworn statement placing the profits at 11 per cent, and while the company was

earning 400,000,000 marks monthly in excess of its peace time profits it has threatened to reduce output unless higher prices were paid. The Berliner Tageblatt (Liberal), said:

"Energetic action of the authorities and the Reichstag is demanded. Such enterprises as the Daimler firm are not compelled to submit books for inspection, while every little trader selling vegetables must show his profits. We demand government confiscation of illegal profits and, if necessary, state control."

Vorwaerts (Government Socialist), said:

"The Daimler revelations will hardly occasion the same surprise in financial circles as among the masses. The Daimler company's purpose was not to deceive the financial world, but the authorities, so that its real profits might be kept from the public's knowledge. The company reckoned upon the commercial ignorance of the government and this experience shows that such reliance is usually justified."

Report to Surgeon General Shows Health Conditions Good in Army Camps

The health of troops in the United States continues very good, according to a recent report to the Surgeon General of the Army by the Division of Field Sanitation. Admission, non-effective and death rates are somewhat higher than last report, due chiefly to prevalence of influenza and bronchitis with complicating pneumonia, in many of our northern camps.

National Guard camps, as a group, continue with remarkably low rates. Very few new cases of measles and meningitis have occurred.

National Army camps continue to have high sick rates as compared with camps of other groups, though the rates are lower than last report. Scattering cases of measles are reported from all camps.

The State council of defense in Maine has set aside \$250,000 to be loaned to farmers.

Wednesday, April 3, was a peak day in sales of war savings stamps, when \$4,120,932 was recorded at the Treasury for the day's receipts from stamp sales.

Investigations by the Department of Agriculture in 15 States show that of a total of 6,836,492 sheep, 34,683 were killed by dogs in one year and were paid for by the counties.

Field and garden seed are unconditionally exempted to the Department of Agriculture. Instructions are issued to all railroads to do every thing possible to expedite the movement of seed.

The Shipping Board plans construction of three launching ways for 3,500-ton concrete vessels. This type of vessel is still in an experimental stage, and if found successful the board may build 7,500-ton concrete ships.

The order prohibiting the sale of flour in lots of less than 12 pounds has been suspended. Licensed dealers have been advised that they may market several sizes of packages weighing less than 12 pounds, with a 2-pound minimum.

Over 200,000 applications for insurance by officers and enlisted men of the naval service had been filed by March 31. The average amount of insurance on each policy was about \$7,300, making a total of more than 1,500,000,000. Payments on war-risk allotments are now about \$1,000,000 a month.

In Oklahoma, county councils of defense are securing pledges from automobile owners to furnish transportation to speakers for community councils. The pledge provides that the chairman of the county council may hire a car at the expense of any signer who fails to furnish transportation at the time promised.

Throughout England 102 daily news papers have been forced to increase their prices, and 676 weekly papers have followed suit. The monthly magazines selling before the war at 9 cents now cost 16 to 18 cents. The cost of novels and books has largely increased, even the popular and wide-

(The following notes are from the Official Review of the War, issued by the Committee on Public Information.)

The annual pay of the Army now exceeds \$500,000,000.

Production of 10,000 new automobile trucks is in progress for the Army.

The Navy ration in 1917 cost \$0.438, as against \$0.37684 in 1916.

Our 14-inch guns weigh nearly 95 tons and are over 58 feet long, costing \$118,000.

Our 35,000-ton cruiser, capable of 35 knots, will be the fastest in the

Cheerful Words

For Many a Clarendon Household.

To have the pains and aches of a bad back removed—to be entirely free from annoying, dangerous urinary disorders, is enough to make any kidney sufferer grateful. The following advice of one who has suffered will prove helpful to hundreds of Clarendon readers.

W. A. Walters, Carney street, Clarendon, says: "I had occasion to use a kidney medicine about five years ago and as I had heard so much about Doan's Kidney Pills, I got a box at Dr. Stocking's Drug Store. They relieved the trouble in a short time. I gladly advise anyone to get a box of Doan's Kidney Pills if troubled with their kidneys."

Price 60c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Walters had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

SAVE \$1.50.

Make your Healing Remedy at home. Get a 50c bottle of Farris' Healing Oil, add it to a pint of linseed oil and you have a full pint of the best healing remedy that money can buy. It cures old sores, wounds, cuts and scratches. We sell it. City Drug Company.

At The Vogue you will find the King Bee and Gage hats which please the most artistic.

\$100 Reward, \$100

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is catarrh. Catarrh being greatly influenced by constitutional conditions requires constitutional treatment. Hall's Catarrh Medicine is taken internally and acts thru the Blood on the Mucous Surfaces of the System thereby destroying the foundation of the disease, giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in the curative power of Hall's Catarrh Medicine that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address: F. J. CIBENEY & CO., Toledo, Ohio. Sold by all Druggists, 75c.

Why Suffer?

Mrs. J. A. Cox, of Alderson, W. Va., writes: "My daughter... suffered terribly. She could not turn in bed... the doctors gave her up, and we brought her home to die. She had suffered so much at... time. Having heard of Cardui, we got it for her."

CARDUI
The Woman's Tonic

"In a few days, she began to improve," Mrs. Cox continues, "and had no trouble at... Cardui cured her, and we sing its praises everywhere. We receive many thousands of similar letters every year, telling of the good Cardui has done for women who suffer from complaints so common to their sex. It should do you good, too. Try Cardui. E-77"

NOTICE.—Any erroneous reflection upon the character, standing or reputation of any person, firm or corporation which may appear in the columns of The News will be gladly corrected upon its being brought to the attention of the publisher.

After many weeks of waiting The News is pleased to present to our readers a list of registrants placed under Class One by the local board. Read the list and save it for future reference.

No more wheat flour until after June 1st. Bring on your corn cakes, your kafir muffins and your rice patties. This dearth of flour might hurt some states, but not Texas. We have the substitutes right at home and are strong on patriotic appetites.

Miss Maynet Thomas, daughter of Editor and Mrs. J. C. Thomas of the Childres Post, won the valedictorian honors of the graduating class of the Childres High School this year. Miss Maynet is a splendid young lady and we congratulate her on her preference in scholarship.

The two-inches rainfall enjoyed by the Clarendon country Friday, Saturday and Sunday, came as a great blessing to our farmers and to everybody, for everybody must rely upon the success of the farmer for his own prosperity. The old timers here say it always rains in time to make a good crop—and it did.

The ten-mile dry zone law went into effect the night of the fifteenth and now Texas has only a very few saloons in operation. These may continue until late in June when the statewide law will close them. Many, many earnest hearts have waited for the day when Texas would be rid of the saloon and we are all breathing easier since it is accomplished.

A lion-hearted Baptist preacher said in a sermon to a Texas congregation recently that John the Baptist wasn't the only preacher who lost his head on account of a dancing girl. He was preaching against this modern evil, fully realizing what it might cost him. We need men like that in every pulpit—but they would not last long unless their members stood by them. We shouldn't expect our preachers to carry all the load. Brother the responsibility is yours, and mine.

There is to be no more wheat flour sold in Donley County after the supply now on hand is exhausted. Now, that's getting down to business. We have been shamed by those who refused to conserve flour and other precious foods, and we are proud of such a drastic order. It will put every family on the same basis and the basis of a genuine patriot's family is good enough for any American.

As we go to press Donley County has bought about half of the \$189,000 quota of the Third Issue of Liberty Bonds. Boys we must do better. We thought we had done what we could in this campaign, but the seriousness of our nation's peril was borne in upon us so strongly that we doubled our subscription with a prayer that the German Beast might soon be driven wounded to its lair, there to drink the bitter dregs of defeat in its dying hours. Buy another bond.

The other day we heard a merchant say that never again would he order anything out of Milwaukee. He said a town that proved by its votes that it was so distinctly disloyal to this government didn't deserve a clean American dollar, and for one he didn't propose to spend a dime there. These fine American sentiments were expressed with a flow of language more vigorous than elegant, but The News just wanted its readers to get the thought. No disloyal German-American, or disloyal skunk-American has the right to enjoy trade relations with any sun-kissed patriot, and before this little parade in France is over, we predict that every vestige of trade relations will be broken off with disloyal leeches everywhere—and for all time.

The News is pleased to announce that the Fort Worth & Denver Railroad has announced a round-trip rate for the annual meeting of the Texas Press Association at Fort Worth, of approximately one and one-third fare, plus the war-tax. This is better than we anticipated and a number of Panhandle editors will attend who otherwise would not go. The News editor, as assistant secretary of the Association, is in receipt of a number of checks for reservations on the "Panhandle Special" sleeper out of Amarillo on the evening of May 8th, and wishes to urge others who intend to go to send in their checks at once. Quite a number of Panhandle editors are on the program this year, proving what an important part in the Association the men of this section really are. Make your arrangements to go to Fort Worth, NOW.

A report has gone out that the ladies of our city, who have been busy since the opening of the Third Liberty Loan Drive soliciting subscriptions for the Third Liberty Loan Bonds, were receiving a per cent on their sales. The News flatly and in choice English declares such a statement is A LIE. No good American could circulate such a report and it will become all good citizens to look with suspicion on any person who does repeat it. In other places such bald-faced lies have been traced to their origin and found to be slimy, insidious German propaganda, and while we doubt it in our local instance, yet it will be run down if possible and the ignorant, misguided chitchee who manufactured it will get his just deserts. Every person who is working for the Loans of the Government, is supposed to be actuated by the highest patriotic motives—if he or she isn't, theirs the shame. But one fact is certain, there is no money to be made in the selling of Liberty bonds. It's only the buyer that makes anything.

THE PASTIME THEATRE GROWS IN POPULARITY

Manager Mulkey of The Pastime Theatre has been striving for a number of years to give Clarendon a moving picture house of the first water. He has succeeded well and the grade of shows he is putting on can only be equalled in the cities. When the big crowd was here Monday afternoon to see the war-relic train The Pastime was offering Geraldine Farrar in "The Woman God Forgot," and the universal popularity of The Pastime was attested by the huge attendance at the two matinee performances and the large houses at night. It was a great show and worthy of its large patronage.

PANHANDLE CROP REVIEW

65 of the 67 counties in the Panhandle were crying for rain on the 25th of March. Most of them got it before April 8. How adequate it was remains to be seen. At that time both wheat and oats were reported as being less than 50 per cent in acreage and 45 per cent and 47 per cent respectively in condition, compared with normal. Reports received recently indicate these crops have wonderfully improved, and may produce a fairly satisfactory yield. Cotton acreage is estimated at 100 per cent normal, and that of corn at 71 per cent normal. Fewer peanuts will be grown, by about 10 per cent, while grain sorghums and home gardens will exceed normal by 20 per cent.

The acreage of Irish and sweet potatoes are respectively 107 per cent and 102 per cent, while only four-fifths as many acres of soy and other beans seem to have been planted. 43 counties report labor shortages against 41 counties in which the Council of defense found shortages of a serious kind in March. 1 reported a crop shortage on account of lack of seed, and 36 said lack of moisture has reduced the acreage. It was in livestock, however, that this section was hardest hit.

Devoted largely to that business, 46 counties had extremely poor range conditions. 5 counties reported increase of hogs; 51 reported great decreases in number of hogs. 13 counties reported gain in cattle, 35 reported large losses. There were gains in number of sheep in 13 counties, no change in 27, and losses in 22 counties. Undoubtedly the Panhandle has suffered; but the drought has been broken throughout most of the territory, and the farmers, hopeful of a season and determined to make good at least a portion of the losses incurred, have their land in better condition than for years, and are prepared to utilize a good season as never before.—Texas Industrial Congress.

FROM WINDY VALLEY

A few showers of rain fell lately which was much needed.

A large crowd from here attended the Liberty Loan Special at Clarendon Monday.

J. J. Bills motored to Clarendon Saturday on business.

Roxie Heath spent Wednesday night with Ola DeBord.

A crowd worked on the school grounds Saturday.

Nora Ayer spent Wednesday night in the Sligar home.

J. W. DeBord and family attended church at Hedley Monday night.

Not much of a crowd at Sunday School Sunday on account of the rainy weather.

I. O. Nobles has returned home. The Baptist held their Workers convention here Tuesday.

Quite a number of children have been absent the last few days on account of the measles.

Fred Fellows left Friday for the Navy. We wish him a grand success.

Mr. Garland and wife spent Thursday and Friday in the Luttrell home near Hedley.

Frank Hightower and wife entertained with a party Friday night.

Clay Inmon is building a new garage at his home this week.

Curtis Bills who has been dangerously ill with pneumonia is slowly improving.

Little Miss Irene Beaty left Thursday for Arkansas, for the benefit of her health. Blue Eyed Sue.

GOODNIGHT NEWS

Mrs. Parker was called to the bedside of her mother, in Glencove.

Gynn Pracher of Claude spent last week in Goodnight visiting.

The small daughter of Bro. and Mrs. Chunn, who has been real sick of pneumonia, is now improving.

Bro. Rebinson of Canyon, is here visiting his daughter, Mrs. Swafford.

Miss Zada Harrold returned to the business college in Amarillo Monday after an absence of ten days.

Roy Swafford has sold the Highway Garage to Mr. Sanders of New Mexico, who is moving here this week.

Miss Faye Bennett is real sick from a sore throat this week.

Mrs. J. C. McDowell has made two trips to Claude lately.

John Majors and wife spent Tuesday evening in Claude.

Col. Goodnight erected a new wind mill at his home Wednesday.

Maize meal is the best substitute for wheat flour and cheaper. All grocers handle it. 16c

Who Is To Blame?

IS IT altogether his fault if your boy is becoming what you term "hard on his clothes?" Are you altogether sure that part of the blame isn't yours? Maybe it is you that is hard on his clothes—not getting him the right sort—the kind that gives him a fair show to play without clothes disaster.

Sometimes you save a dollar on the wrong end of the transaction. Economy is not always in the present—sometimes it is in the future.

between my home and store. In case
marked Dr. Hyden, Amarillo. Find-
er return to this office or Silas Hast-
ings at Hastings Bros. 16c.

Stray red shoat weighs about 100
pounds took up at my place about
April 1st. Owner can get same by
paying for feed and this notice. J. G.
Blanks, Phone 320-2R.

W. T. Hayter Harry H. Sitner and
Wybert Brown went to Amarillo
Tuesday night.

Strickland & Story report a very
successful opening day Monday. The
new dry goods house has been re-
modeled and is well appointed, the
sales force is courteous and the store
is having a surprising run of busi-
ness for their first week.

Last week The*News erred in say-
ing that A. J. Barnett had returned
from California. It should have read
J. A. Barnett. The similarity in in-
itials often leads the news gatherer
into mistakes of this sort. Here's
hoping it's all right with Capt. A. J.

Four-minute speakers are appear-
ing at the local picture shows for the
balance of the month in the interest
of the Third Liberty Loan. The cen-
tral committee is determined to
leave no stone unturned that the peo-
ple may keep this great duty upon
their minds.

Mr. and Mrs. T. C. Rhea and small
daughter, Dona Marie, have been the
guests at the Millard Stark home east
of town for the past week. Mrs.
Rhea was formerly Miss Gertrude
Lochridge and has been living in
Cheyenne, Wyoming, since her mar-
riage to Mr. Rhea five years ago.

SOLDIER'S PLEA FOR THE LOAN

I'm wondering as I sit here in the
trench's slime and mud,
A-listening to the bullets with their
whistle and their thud;
I'm wondering how the stay-at-homes
would feel if they were here;
I wonder what they're doing that will
bring the soldiers cheer.
Are they sitting home of evenings,
feeling snug around the fire,
Jingling money in their pockets; every
comfort they desire?
Like as not they're talking war talk,
wishing that the strife would cease,
But I wonder what they're doing that
will help to bring on peace.
Of course the shops must flourish, and
of course the crops must grow,
For it takes a lot of eats to keep the
army on the go.
But the things that's got me guessing
is just how the profit's spent—
Are they banking every dollar—are
they hoarding every cent?
I'm told that my America is asking
for a loan;
That they're selling U. S. Bonds, the
safest thing a man can own.
I'm telling you they're slackers back
at home if they don't buy,
And a slacker is a traitor in the U. S.
soldier's eye.
The dollars that are loafing over
home should go to work—
The government that made them did-
not mean to let them shirk.
For if the Hun should win here and
go over 'cross the pond,
Every Yankee would regret the day
he didn't buy a bond.
—A Soldier in France.

Strickland-Story's Watchword

IN Our advertisements, you will come to
know a phrase which might be called
a slogan—"The Dependable Store."
That phrase means a great deal to us and it
means a great deal more to you. It means that
if your purchase comes from Strickland-
Story's "it's got to be good." The customer
will be the judge as to whether the money's
worth was bought. We make this pledge
to you in full knowledge that some will take
advantage of us, but the buying public, on the
whole, are sportsmen, in the full sense of the
word, and we will back their opinion on Dry
Goods values. Therefore, if you ever feel that
in a purchase at Strickland-Story's you have
not received your money's worth in wear or
like qualities, tell us about it, and The Dependable
Store will make it right.

Strickland-Story's The Dependable Store

The Philosopher Says:

CHOOSE your Shoes as carefully as
you choose your friends.

Shoes, of kind, are on duty prac-
tically every hour of your walking
day. On their absolute comfort and per-
fect fit depends much of your happiness
and well being.

That's why **Howard & Foster Shoes**
for men and **Dorothy Dodd Shoes**, for
women, are always a wise choice. Made
in the most attractive leathers, on the up-
to-the-minute fitting lasts. They fit fault-
lessly. Try a pair and let us prove it.

Why You Should Buy Your Drugs at the CITY DRUG STORE

We carry a complete stock of Standard Drugs. We fill your prescriptions without substituting or not at all. We have a high salaried and efficient pharmacist who has had long years of experience and is always on the job. We can save you money on your prescriptions.

Honesty and Quality.

CITY DRUG STORE

(Successor to McDonald Drug Co.)

LOCAL AND PERSONAL.

Mrs. A. L. Bethel was in town Saturday shopping.

Mrs. W. E. Davis was in from Brice last week shopping.

Don't fail to see the new hats just arrived at Harned Sisters.

Misses Murf and Guinn, of Brice, were in town Saturday shopping.

Miss Chasta Adams of Brice, spent the week end here visiting friends.

Beautiful designs and correctly made hats are found when you buy a King Bee or Gage hat. The Vogue sells them.

Miss Lavonia Masterson was here from Hedley Saturday meeting her friends.

Bill Berry was in from Pyle's ranch the past week to visit with his mother.

Miss Bernice Yates, of Quanah, was here Sunday visiting with her many friends.

Whitfield Carhart III, has been quite ill at the hospital the past week but is improving rapidly.

Ask your grocerman for our home-made meal. Parker & Rhode.

Have your eyes fitted with glasses and keep up with the boys over there Satisfaction guaranteed. Goldston the Jeweler.

Miss Mabel Livingston, a student in the college, left Sunday for her home in Vernon.

Joe Holland was home from Camp Travis for a few days visit with his parents last week.

Hats that please both in style and price are at Harned Sisters.

Clyde Alexander was down from Washburn Sunday to visit his parents and friends.

Mrs. C. Baldwin went to Ft Worth to visit her son Rodney who is in training at Camp Bowie.

Stocking's Store is always on their job. Whatever your wants are let us know and we will do our best to render good service.

Will Beverly was here from Turkey Tuesday visiting his mother Mrs. Julia Beverly.

Money saved is money earned, so call on us before you buy your hat—Harned Sisters.

P. A. Buntin returned Monday from Fort Worth after having gone there to see the Grand Review.

Mrs. Hurd of Brice, was in town Saturday returning home from Miami after visiting her son there.

WHITE DIARRHOEA kills your little chicks by the dozens. Stocking's Store sells the medicine with a guarantee, that cures. Save your chickens.

Be sure to see the new shipment of hats at Harned Sisters.

Miss Richardson passed through Saturday enroute to Claude to spend a few days with friends in that city.

Stanley tests eyes and fits glasses every day that satisfies, as scores of his patrons will tell you.

Mrs. Doughty of Hedley, is here at present in the sanitarium. We wish hers to be a speedy recovery.

Miss Grace Tyree was here Sunday from Wheeler, where she is teaching school, to visit her parents and friends.

BUTLER "FLARES BACK"

In last week's issue of The News we published a news item about a smooth artist Butler alias Rogers, alias Bostick, who was the alleged "fleece" of several Clarendon business men by passing some bogus checks. The gent in question was captured near the New Mexico line and brought here for lodgement in jail. Having read the article in The News, he bethought himself of his old time power of expression and in the verses reproduced below proceeds to "hand it" to The News and our business men. If the said Butler-Rogers-Bostick isn't innocent, his "nerve" is much to be admired. Read the verses and the moral:

THE COOKERS

by Alias Ananias (Local Crook),
I remember just faintly 'twas a long time ago,
O, no—not so very—'bout five years ago—
Was on special dooty then.
I sent a nice, hot, juicy story across
An it must o' just hit the right spot
with the boss;
He wired an extra ten.

"Cook up some more like it" was all that he sed.
But what he meant then went plumb over my bed
I wasn't bein' paid to cook.
But I have learned a right smart since then;
An' when he quit sendin' them iron men,
I consulted Dan Webster's Book.

Well to cook, says the book is to bake or to fry
But it takes lot's o' boiling to cook up a lie,
That'll keep without smellin'.
An' a champeen cooker has a way all his own,
To frame up a lie so it keeps to the bone
There's no way o' tellin'.

Now, these champeen cookers are scattered aroun'
An we've got a few of 'em here in our town,
An' you've printed their name.
They don't go a-scoutin' to ply the old trade
But waits for the sucker who walks by their glade,
They're after small game.

A fox came among them a few days ago,
But a fox is too wily to run down and so,
They looked for a sheep.
The sheep was just agoin' besides he was black,
They saw a fine chance to take up some slack,
They'd lost while asleep.

With the water a' boilin' they waited a while
Then ran for the sheriff—each wearin' a smile
"He knows who can vote."
"Go get us the sheep—he's just over the line,
The water's a boilin'—we'll season it fine
An' make him the goat."

This sheep has a mate, an' its break-in' her heart—
An' these cookers know't.
Their water's a boilin' an it keeps 'em apart
An' its gettin' my goat.
Now, it takes champeen cookers to cook up a lie
That'll keep without smellin'
But why they should jump on such small game as I,
They's no way o' tellin'.

But there's comin' a day as sure as fate
These cookers don't know't
There'll be some new cooks—this sheep an' his mate,
An they'll be the goat.
Moral:—Be a fox—it's dangerous to be safe.

I'm flattered. A hundred crooks in Donley County and I'm the only one worth feedin'!
For diamonds and watches see Joe Goldston the Jeweler.
F. A. White and A. L. Chase returned Monday night from Ft. Worth and Dallas after being there about ten days on business.

Miss Leta Warren left Saturday night for Fort Worth to visit her brother, Harry, in Camp Bowie. She was accompanied by her brother, Monteith.

Hats that please both in style and price are at Harned Sisters.

Don't fail to see the new hats just arrived at Harned Sisters.

John Ingram was in Wichita Falls Saturday to attend the Laundry Men's Convention from Oklahoma, North Texas and the Panhandle.

Mrs. John Harris and Miss Eva Patching were up from Hedley Tuesday to visit with parents and friends and to attend to shopping.

Coal! Coal!!

The Price of Coal has been Fixed by
The Fuel Administration.

The price for April is as follows:	Price for coal at the mines---lump or nut, per ton	\$3.25
	Freight on coal from mines to Clarendon, per ton	3.50
	Dealer's profit	1.25
	Price to consumer from car	\$8.00
	Price to consumer from bin	\$8.40

The price for May will be 20 cents per ton higher. For June 35 cents. For July 55 cents. For August 70 cents. The earlier you buy the more money you will save.

Remember, Drayage Extra

Charges for 2-ton-lots and above 75 cents per ton. One ton lot \$1.00. 1,000 pound lots 65 cents. Less than 1,000 pounds 40 cents. Ton rate of five cents per 100 pounds will apply on quantities exceeding the fixed price.

We Want to Sell You Enough Coal Now to Last You Until March 1st, 1919.

By buying your coal now you will be doing your bit toward helping out the fuel situation for next winter.

POINTS ON RAISING KAFIR

Texan Tells How He Produced Thirty Bushels to the Acre

J. D. Ingram of Amarillo, Texas, who has had thirty years' experience in kafir farming, produced thirty bushels of dwarf to the acre last year although the weather was extremely dry. In the following article for The Weekly Star, Mr. Ingram tells how he did it:

About this time last year I put eight horses to a two-row lister and began bursting out or bedding my ground for kafir as deep as I could. The ground was as dry as it is now and I saw very few trying to farm just as they are at this moment. As soon as possible after the snow which came the 6th of May, and being our first moisture, I put six horses to a heavy drag and dragged the ridges. The dragging crushed the clods and produced a mulch which held the moisture and also smoothed down the ridges for the teams to follow. The surface weed seed sprouted with the moisture. After dragging, the under layer of seed (which was covered by the listing) was left near the surface and nearly all sprouted without additional moisture.

About the 12th day of May I started my 2-row lister in the ridges with planters and press wheels attached, and also dragged some tree limbs to dust mulch the furrows. I also used 2½-inch bull tongues instead of subsoilers and covered the seed about two inches deep and listed about three and one-half inches deep. The result was a perfect stand. As quick as possible after planting I went over the field with side knives, or go-devils. As the lister had thrown all the remaining weed seed out, the row was left clean. The slides were followed by the common harrows, which I kept going till harvest. After which the ground was leveled with cultivator.

Part of this crop yielded twenty-five bushels per acre on ground that produced two heavy crops of broadcast sorghum the two years before. We had less than one-fourth inch rain from May 6 until August 10. I have over one hundred tons of feed left and about two thousand bushels of grain, mostly suitable for seed.

Jim Hickman was in town from Brice Saturday on business.

THE DANGEROUS UNSANITARY DRY CLOSET

Nothing is more important to us than good health. Good health can be preserved only if the surroundings of our homes and those of our neighbors are kept in a sanitary condition. A factor of the greatest importance in maintaining sanitary conditions is the dry closet and the human excreta it contains; because, through the agency of flies, and other insects, this excreta may be the means of spreading such dangerous diseases as typhoid fever, dysentery, hookworm disease, and tuberculosis. We can greatly reduce the danger of getting these disease by making sure that all dry closets are kept strictly fly-tight and water-tight. In some southern cities this has reduced the typhoid fever death rate more than 50 per cent.

A dry closet can easily be protected so as not to spread disease.

Is the vault absolutely fly-tight. Do all the seat openings have tight-fitting covers, arranged to shut automatically? Is the excreta box (or pail) water-tight and properly supported above the ground? Do you put a little dry earth in the box every day, to absorb moisture and prevent odor? Is the door at the rear of the vault kept closed? If it warps and does not shut tight, it should be fixed. Is the closet so located that it might contaminate your well or your neighbors' well? The closet should be cleaned at regular intervals, preferably by the city scavenger, and the excreta disposed of in a sanitary manner where it cannot be reached by flies. It should not be used for fertilizer.

These simple precautions should be rigidly followed as a protection to the public health. Get busy and do your part. Don't wait for an order from the Health Officer.

I will teach a class in Piano and Harmony in Clarendon during the summer months. Will also give instruction in public school music, graduate in Piano Department, Clarendon College, student one year in music department of Drake University, Des Moines, Iowa. Have had two years experience as instructor of Public School Music, Amarillo Public Schools. Write Helen Powell, Clarendon, Texas. 16pd.

The Honor Flag

HONOR FLAG
3rd LIBERTY LOAN
HELP OUR COMMUNITY
TO WIN THE RIGHT
TO FLY THIS FLAG.

Every Country or Community can win the right to fly the Flag shown above, by over-subscribing their quota to the Third Liberty Loan.

Doubt may arise in the minds of some people as to whether a flag can be won by a county only, or by a particular community. The feeling of the Government about the matter is that where a town or city is large enough to have a separate quota assigned to it, that city or town can have an Honor Flag for itself. For instance, the County Executive Committee will assign a separate quota for Denison and Sherman in Grayson County, Texas. This illustration will give some idea of how the matter will be arranged. The rules governing the question of what communities shall have the right to earn and fly an Honor Flag must necessarily be somewhat elastic. You may be sure of one thing: that wherever a community determines to go "Over the Top" with the Third Liberty Loan, provision will be made by the Federal Reserve Bank, as agent for the Government, for recognition of the patriotism of that community by awarding an Honor Flag.

The Honor Flag measures 36x54 inches. It has a red border and a white center, and three vertical blue stripes. As an additional Honor emblem, a blue star, to be sewn into the white field of the Flag, will be awarded to communities every time they increase their quotas by a hundred per cent. In other words, if a town's quota is \$100,000, it will be entitled to an Honor Flag when its subscriptions reach this amount, and when the subscriptions reach \$200,000 it will be entitled to one blue star. Every bank will be supplied with window cards 7x9 inches, which will show a reproduction of the Honor Flag, and have a space for the subscribers name. The subscriber will write his name on the window card and display it in his residence or at his place of business.

The raising of the Honor Flag in any community, should be made the occasion of a great patriotic demonstration, and be made one of the greatest events in the life of the community.

In many communities there will be used in connection with the Honor Flag system, the "Honor Roll." This will give a list of the names of subscribers to the Third Liberty Loan. The list will be placed in the most prominent position in town, outside of the Liberty Loan headquarters, or possibly the postoffice in smaller communities, and the list will be added to frequently and kept up to date. Every man who values his self-respect and the opinion of his neighbors will want to have his name appear on the Honor Roll.

There is not a single county in the whole of the Eleventh Federal Reserve District, or a single city or town large enough to be given a separate quota, that will not earn the right to fly this Flag eventually.

The one question before the people in any community is whether they will at once spring to the aid of their country, or whether they will wait and come in at the last moment.

The value of service depends largely upon its promptness. What kind of service is your community going to render to the Government—a quick, willing one, or a grudging one?

Your whole community has been enlisted in the army of the United States that is to win this war. Be good soldiers—obey orders promptly. Your orders are "Over the Top, Citizens! Over the Top With the Liberty Loan."

IT SURE SURPRISED ME SAYS W. R. WADE

Overcome Troubles In a Week's Time Taking Tanlac And Is Back On the Job.

"It's the honest truth before I had taken this Tanlac a week I was well and strong enough to go back to work," said W. R. Wade, a well known resident of Winnfield, La., the other day.

"I had a very bad case of stomach trouble and rheumatism," he continued, "that knocked me out so I simply had to quit working. My stomach was in such an awful fix everything I would eat disagreed with me and made me miserable all the time. My limbs and joints would ache so I could hardly stand it and, in fact, for a whole month before taking Tanlac I wasn't able to put in a full day's work at all."

"One of my friends had been taking Tanlac and told me it had done him a world of good, so I got me a bottle to try. Well, sir, it sure surprised me, for I began to feel better right from the very first dose and before the week was out I was back on my job and have been working right along ever since like nothing had ever been the matter with me. I never saw anything in my life before to give such quick relief as this Tanlac, and I haven't had a single symptom of my trouble since I started on it."

Tanlac is sold in Clarendon by Dr. J. D. Stocking, in Hedley by J. F. Tomlinson Drug Co., and in Jericho by O. C. Brown.

SCHOOL TRUSTEES

Last Saturday four new trustees for Hedley Independent School District were elected as follows: Bond W. Johnson, B. W. Moreman, F. M. Acord and Van Boone. At a meeting of the Board Tuesday evening, Bond W. Johnson was made president and Van Boone secretary. Besides the four named, J. R. Boston, Frank Simmons and D. M. Grimley are members of the Board. All are good men and Hedley's school affairs are in competent hands.—Hedley Informer.

DEAD LETTER LIST.

List of letters remaining unclaimed in this office for the week ending, April 6, 1918, as follows:
Brown, Mrs. E. A.
Busby, Will.
Bush, Mrs. Emma.
Delan, Miss Nellie.
C. C. Powell, P. M.

WHAT IS MORALE? FIRST HAND TESTIMONY

Under Secretary of State for Italy M. Romeo Gallenga Stuart, speaking before the American Luncheon Club, in London, on March 15th, paid this tribute to the moral effect on certain Italian Red Cross representatives in Italy, soon after the late Italian retreat:

"I shall always remember a very sad evening of last November a few days after the battle of Capretto. We were all timidly anxious and depressed as we did not know if we should be able to hold the line of the Piave. We were in Venice in the piazza of St. Mark and as we were endeavoring to save all that we could, we were taking down the bronze horses of the church, the horses that Ruskin and every other lover of beauty admired so much.

"Those were terrible moments. In the pale light of the setting

sun, the dark bronze horses were quietly moving away on the big black Venetian boats. Our hearts went with them. We did not dare to speak, even the pigeons on the piazza did not dare to fly.

"Suddenly, I turned around and I saw a small group of well built strong young men in khaki. They were looking on with grim set faces; they were Americans, representatives of the Red Cross. We noticed them and our hearts seemed to recover as by a miracle from the sadness.

"In them, we saw the young world with all its energies, all its gallant youth, all its power, coming over to save in the old world all that is good and beautiful. We felt sure then that America would be with us entirely until the day of victory."

Mesdames Jeff Aduddell and J. R. Dale were in town Saturday from Brice.

The Embargo Raised

The embargo on the sale of hens and pullets has been raised and on

Saturday, April 20th,

We will again be permitted by the Food Administration to buy same for slaughtering purposes. The price has not been fixed, and will not be fixed until Friday, however we will guarantee you for

Hens, per pound, 18 cents

If the market opens higher we will give the customer the advantage of the raise, and if lower we will still guarantee the 18 cents per pound. See us before selling. Call us for prices on eggs as we always pay

CITATION BY PUBLICATION.

THE STATE OF TEXAS
To the Sheriff or any Constable of Donley County—GREETING:

You are hereby commanded to summon M. Powell by making publication of this Citation once in each week for four consecutive weeks previous to the return day hereof, in some newspaper published in your County, if there be a newspaper published therein, but if not, then in any newspaper published in the 47th Judicial District; to appear at the next regular term of the County court of Donley County, Texas, to be held at the Court House thereof, in Clarendon on the First Monday in May A. D. 1918, the same being the 6th day of May A. D. 1918, then and there to answer a petition filed in said Court on the 4th day of April A. D. 1918, in a suit numbered on the docket of said Court, No. 352, wherein Cicero Smith Lumber Company, Inc., is Plaintiff and M. Powell is Defendant; the nature of plaintiff's demand being as follows: Suit of a note in the principal sum of \$205.10 dated February 9th, 1918, and due November 15, 1918, executed by M. Powell and payable to the plaintiff Cicero Smith Lumber Com-

pany with interest at the rate of ten per cent. per annum from date; and providing for ten per cent attorneys fees if suit is brought on same; and suit on account in the sum of \$9.65 for goods, wares and merchandise delivered to defendant by plaintiff at his special instance and request. Plaintiff alleging that defendant has left this state permanently and has or is about to remove his property out of this state without leaving sufficient within the state to pay his debts and has failed and refused to pay plaintiff or secure the said note and account due by defendant to plaintiff. Plaintiff also alleges that it has placed said note in the hands of its attorneys for collection and has contracted to pay the ten per cent inside note stipulated as attorney's fee and prays judgement for its principal debt as represent by said note, interest and attorneys fees and for its debt as shown in said account, aggregating the total sum of \$234.65, and for such other and further relief, special and general in law and equity, that it may be entitled to and for costs of suit.

Herein fail not, but have you before said Court, on the first day of the next term thereof, this Writ, with your return thereon, showing how

you have executed the same. Witness my hand and official seal at my office in Clarendon, Texas, this 4th day of April A. D. 1918.
J. J. Alexander, Clerk,
County Court Donley County, Texas.

SOCIETY NOTES

The Ladies Aid and Missionary Society of the Presbyterian church met at the home of Mrs. F. E. Chamberlain last Wednesday afternoon, April 10.

There was a good attendance and an interesting bible lesson led by Mrs. A. L. Chase.

Twelve dollars worth of yarn was distributed among the members to be knitted for the Red Cross. A similar amount was purchased some time ago and most of the garments have been turned in.

At the conclusion of the business session the meeting was adjourned to meet April, 24th, at the home of Mrs. Chas. McMurtry.

You can sell your poultry now. Highest prices paid at Whipple Produce Co., across street from the new Y. M. C. A. building. 16c.

OSCAR SMITH.

For Public Weigher, Precinct No. 3:
A. W. GERNER.
W. M. COTHRAN.

Public Weigher, Precinct 1 and 2:
BEN ANDIS.

EXPRESSION RECITAL

The recital which was given by the department of expression, under the direction of Miss Chism, at the college on Monday night was unusually well attended and every one expressed only words of the highest praise for both performers and instructor.

The first part of the program was made of some very interesting readings very well given, while the second part consisted of a patriotic play entitled: "Our Girls Over Here."

We wish that every one could have seen and heard this play, because it was a mighty strong appeal to each of us to "tighten up" and do our very best for the cause which is nearest to our hearts at this time. Thru the medium of this play we were urged to fight, work, think and live for those things which will be instrumental in helping defeat the Hun, and were impressed with the significant fact, that there is a great difference between giving and sacrificing. One should give until it hurts before there is a sacrifice, was the underlying appeal throughout the entire play. The characters were well presented and admirably enacted, which is the case with everything staged by Miss Chism.

Have equity in small ranch in Hansford County, all fenced, 100 acres in cultivation, 4-room house, with everlasting water and fine grass, will trade for 1-4 or 1-2 section of farming land, nothing due, 10 years time on balance. C. C. Tipton, 1106 Arthur, Amarillo, Texas. 16pd.

Have you tried maize meal? 16c.

SPECIAL MUSIC SERVICE

A Service of Song, which promises to be of unusual interest, will be given at the Methodist church on Sunday night.

A number of fine anthems, duets, solos, etc., will be sung and Bro. Story will give a special lecture on music. The choir, as has been previously stated, will sing The Creation by Haydn, on Music Day during commencement and it has been the plan of those in charge to familiarize the congregation with this magnificent oratorio, by having them hear the choruses from time to time. The plan has succeeded admirably and will be continued a step further on Sunday night when three of the very largest choruses from the Oratorio will be heard.

It is infinitely better that the Clarendon public should recognize understanding, and appreciate these masterpieces of choral writing, than for them to be taught lighter things of a less lofty and educational character.

Come out then, on Sunday night and become acquainted with some fine sacred musical literature, and hear Bro. Story, whose talks are always sincere and illuminating.

The last of the series of Senior Recitals will be given Monday night by the Misses. Noble, Carhart and Nichols. The others have been so truly successful and so thoroughly enjoyed that the public knows what to expect. Come, C. C. always has a warm welcome for you.

Bring your poultry and your eggs to Whipple Produce Co., across the streets from the Y. M. C. A. 16c.

"THE SPY" AT THE PASTIME THEATRE MONDAY

Patriotism will be rampant at the Pastime Theatre next Monday afternoon and night when Dustin Farnum appears in the new Fox production "The Spy." Wherever this great picture has appeared in the few weeks of its life the theatre walls have almost burst with patriotic applause.

"The Spy" is an expose of German methods of espionage in the United States. It combines a mass of thrills with a lack of unnecessary melodrama and it gives an entertainment that is well worth the price of admission. It is a war story without the superfluous battle scenes which producers are now trying to feed to the public.

Dustin Farnum, as usual, does sterling work. He gives to the character of Mark Quaintance, the spy a naive and wholesome good humor which are in marked contrast to the vivid dramatic scenes of the photoplay. He starts out as a young man of wealth and social standing, who enlists on a dangerous mission to Germany in the cause of his country.

After many hair-raising experiences, he gains possession of a list of Teutonic spies in the United States. This picture will be shown at the Pastime Monday afternoon and evening.

Improved cattle ranches in eastern Colorado with plenty of water and leased grass. Leases cost 10 cents per acre. Price of deeded land from \$15 to \$25 per acre. Otto Harkee, Hugo, Colorado. 20pd.

THE LITTLE PRINCESS
You cant afford to miss it.
Matinee 2:30 p. m.
10c and 20c.

ANNOUNCEMENT

Southland Tire & Rubber Co.

FORT WORTH, TEXAS

Wm. GINNUTH, Pres. J. C. VERNOR, Vice Pres. C. M. ZEIGLE, Sec'y.

Capital Stock \$2,000,000.00

This is an announcement of the Southland Tire and Rubber Company, a new organization which will build automobile casings, tubes, and other rubber goods. The factory will be located at Fort Worth because this city has not only a most progressive citizenship encouraging manufacturing institutions, but because of its large number of trunk-line railroads, far more than any city south of St. Louis, which makes it easier of access and egress than any other point within the State, which will result in a saving of thousands of dollars annually in freight charges.

CAPACITY OF THE PLANT

Approximately \$500,000 of the capital of the company will be invested in buildings and equipment. This gives ample facilities for the production of approximately 1,500 casings, and 1,500 tubes daily, and at the same time will leave ample capital in reserve for anticipating the markets in buying raw products, taking cash discounts, and carrying such current accounts as will be necessary in a business of this magnitude. It is necessary that a business of this kind be fortified with ample capital.

STOCKHOLDERS TO BUY AT DISCOUNT

Carrying out the idea of co-operation, it is provided that those who own stock in the Southland Tire and Rubber Company shall have the privilege of buying, for their own personal use, casings and tubes, of the manufacture of the company, at the regular list prices, less 20 per cent discount on casings, and 15 per cent on tubes. This feature alone should make an investment in the capital stock of the company pay a very handsome return on the money invested, even though there should be no further opportunity for profit and dividends. In order that stockholders may immediately have this advantage, without waiting for the factory to get into operation, negotiations are now pending with one of the largest factories in the country, and arrangements will shortly be made, whereby tires of a standard make will be furnished to our stockholders at the above discount until the factory is in operation and we are able to furnish them with our own products.

The success of the Texas Motor Car Association is an example of Texas loyalty and co-operation. This is now to be followed by another link in the chain of industries which promises to even excel the record made by Texas Motor Car Association.

Shares are \$100.00 each. No more than ten (10) to any one person. No promotion stock issued. No bonds proposed and no preferred stock offered.

CUT OUT AND MAIL THIS COUPON

Tollefson & Curtis-Supts. Box 57—Amarillo, Texas.
Please furnish me with information regarding stock in the Southland Tire and Rubber Company of Fort Worth, and oblige.
