LIBRARY NOTES

By Mrs. C. A. Burton

John P. Marquand is being counted the most successful novelist in the United States. The royalties on his latest success, "So Little Time" already exceed

the movies' payment of \$125,000—which means that Marquand has earned more than a quarter million dollars on this book alone—which you may read from our shelves. Marquand has recently been elected a judge of the Book-of-the-Month Club which puts him near the top of the literary whirl.

Ben Ames Williams' mother has just presented a complete set of her son's books to the Ohioana library, Columbus, Ohio, in which state the Mississippi-born author, who now lives in New England, grew up. Ben Ames Williams has been a very prolific writer. His "Come Spring" was a best-seller last year, and his "Leave Her to Heaven" is a leading best-seller now.

The scene of this last story of Mr. Williams' is Philmont Ranch, near Cimarron, N. M. which Waite Phillips presented a few years ago to the Boy Scouts of America. Various members of the Phillips, friends and caretakers on the ranch are recognizable by those who were familiar with the ranch. Mr. Williams visited the ranch two different summers in the latter twenties and made some of the trips which he uses in the story. Kenneth L. Roberts, author of "Northwest Passage," visited the ranch at the same time—and he, too, used some of the material in some of his later stories. All of this about the Phillips family is of interest in this country, too.

Archibald MacLeish, Librarian of Congress, states that he has obtained the permission of the joint chiefs—General Marshall, Admiral King, and Admiral Leahy—to display again the government's most prized documents, the original Declaration of Independence, the Constitution, and the British Magna Charta. These documents have been guarded like gold since Pearl Harbor—when they were whisked away to a secret bomb-proof place after the attack.

Lewis Waldman, one of New York's distinguished labor attorneys and a colorful figure in the labor movement for many years has a new book, just brought out by Dutton—"Labor Lawyer."

The "heavy foot" has been replaced by great headwork in Wartime driving. And that's a great hint for the future.

"Scorchers" are rare. The cops have to look thrice—and even then what they mostly see is skilled, ticket-proof driving that earns their respect. For as experts they know that's really how to get there, without taking it out on your car. You too, knew it all the time, but war "alerted" you to it—and you're staying alert. Now be still more alert to the perils of engine acids. Those can be curbed by one brainy move...by having your engine OIL-PLATED.

Changing to Conoco Nth motor oil—at popular price—is all it takes to own an OIL-PLATED engine. One special characteristic of OIL-PLATING is the acid-resistance that costly pioneer research developed. This acid-fighter—OIL-PLATING—becomes surfaced to your engine's fine inner finish as closely

as chromium plating could be. That's made possible by Conoco Nth oil's special ingredient whose magnet-like nature holds OIL-PLATING direct to metals—square in the path of the acids always created by every engine explosion. Contact between acids and metals is checked. Then so is corrosion.

And now here looms the season of lowest engine temperatures—unable to clear out acids sufficiently. So they could now do their worst—but not with your engine safely OIL-PLATED by Conoco Nth motor oil. Get it at Your Mileage Merchant's Conoco station. Today, Continental Oil Company

and family, Mr. and Mrs. Odell McBrayer.
Edward Dishman will leave Tuesday for San Angelo where he is stationed with the Armed forces.
Mrs. Wilson Gray returned home from California last Friday. She had been there the last two months with her daughter, Mrs. Leonidis Yankee.
Naoma Mooring spent Friday with Lucille Dale.
Mr. and Mrs. Edd Smith of Martin spent Sunday with Mr. and

Mrs. J. S. Baker Jr.
Mrs. J. L. Christopher of Ash-tola spent last week with Mr. and Mrs. Houston McDonald.
Mr. and Mrs. Leonard Putman and L. M. visited Mr. and Mrs. H. C. Smith Thursday.
Jimmie Nell Parker and Lucille Dale spent Sunday with Naoma Mooring.
Daphne Roberson spent Thursday night with Treva Nell Trussel of Clarendon.
Dorothy and Dora Baker spent one night last week with Dorothy

and Wanda Davis.
Mr. Joe Dilli and Joe Wayne and Mr. Pope visited relatives in McLean Sunday. Mr. Pope stayed for a longer visit.

CARD OF THANKS

We wish to thank our many Clarendon friends who remembered us with their kindness and beautiful floral offerings in the death of our loved one. May God's blessings be with you always, is our wish.

THE TEMPLE OF TRUTH

By the Apostle

INCENSEY.
Words are the aroma arising from the accumulation of pleasant thoughts. If the thoughts be unpleasant, then the words become an odor.

TRAVELOGUE.
An alligator never travels very much unless he becomes Mrs. Roosevelt's suitcase.

TEXAS LEADS AGAIN.
Texas has a brand new type of rodeo in action this season. They have quit riding bronchos so long as the public can see democrats riding each other.

SUGGESTION.
The surest way to lose your good health is to keep drinking other people's.

ANATOMOLOGICAL.
When the finger of scorn is pointed at any one, just remember that the pointer closes the hand and points three fingers at the scorner.

PULCHRITUDE.
Girls on the coast are said to have kissed so many sailors that their lips go in and out with the tide.

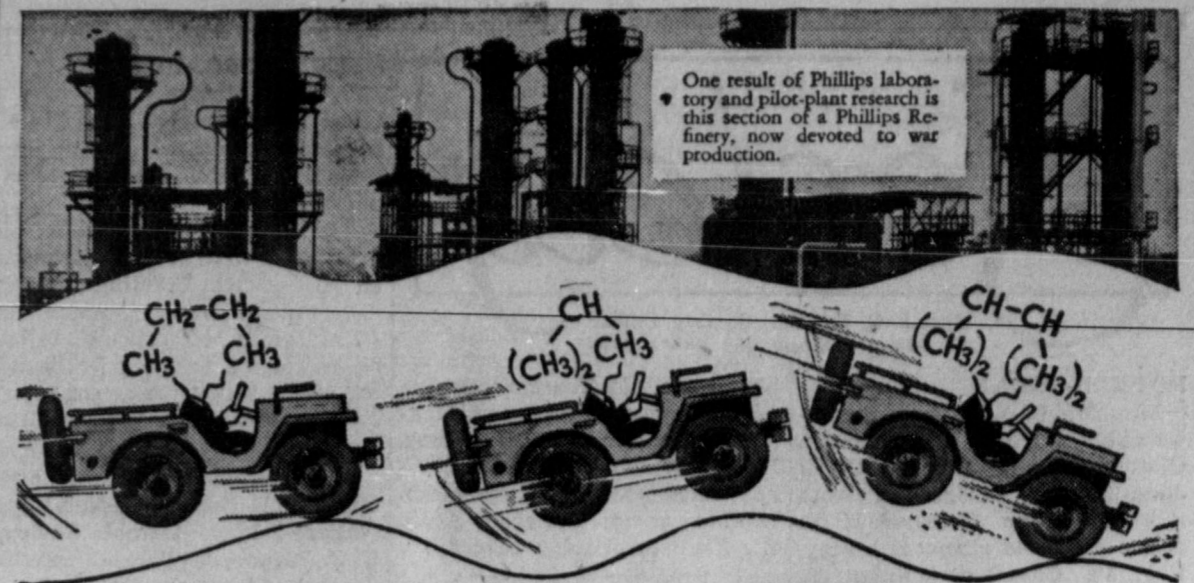

MORE IMPORTANT.
Yes, far more. The closing date for sending Christmas packages to the boys and girls in the service over seas is October 15th. Don't let it be said that your folks or your friends will be empty-handed when the crowd gathers to see if the long-awaited package arrives. Pack your gifts in a regulation box made for the purpose similar to those advertised in your Donley County Leader by the Stocking drug store. If you send a fruit cake, it would be better to process it in a can in a pressure cooker. Then box it and the cake will arrive over seas in good condition. Thank you.

Mrs. Bettie Slick and son William who have been visiting her brother and wife, Mr. and Mrs. W. J. Lewis Jr., left Tuesday for their home at Dallas.

MOLECULES TAKE THE HURDLES ON PHILLIPS NEW "PROVING GROUNDS"

Almost buried in a recent Phillips Petroleum Company report was this simple statement: "The Company has completed, in recent weeks . . . an additional research laboratory which is one of the largest in the industry."

To every patriotic citizen interested in new products, and particularly excited by the thought of our nation's finest product—complete and final victory over the Axis powers—the statement deserves to be underscored and spotlighted.

The new research laboratory at Phillips, Texas, more than doubles Phillips existing research facilities. Judging from the previous record and long list of achievements of the Phillips research and technical staff, it is obvious that this enlargement will mean new weapons for the war effort, significant improvement in old ones, and vastly better post-war gasolines and lubricants for car owners.

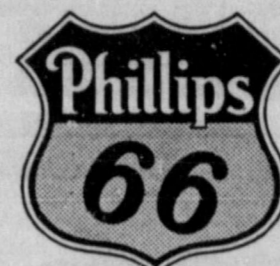

A laboratory originally meant "the workshop of a chemist." But the new Phillips laboratory is much more than that. It is a series of experimental, pilot

(small-scale) plants . . . which are true proving-grounds for products, processes, and full-scale manufacturing plants.

And these are the workroom, not of a chemist, but of literally hundreds of technically trained enthusiasts, whose ranks represent graduate degrees from 142 of the nation's universities.

Devoted to science, both pure and applied, these experts are engaged in the never-ending study, test, and analysis, which has made Phillips a leader in extending the frontiers of knowledge concerning hydrocarbon chemistry. Always they are seeking new and better ways to make new and better things from petroleum gases as well as from petroleum: 100-plus octane aviation gasoline; synthetic rubber; explosives; plastics; medicines; and an almost limitless list of other synthetic chemicals.

No wonder the Phillips 66 Shield reminds so many people that Phillips refineries, in addition to producing gasolines, lubricants, and fuel oils, are also gigantic chemical plants, pouring out weapons for victory.

Have a Coca-Cola = Eat, drink and enjoy yourself

... or adding refreshment to a backyard barbecue

One of the secrets of any successful home barbecue is plenty of ice-cold Coca-Cola. Everybody enjoys its life, sparkle and refreshment. Plan to have frosty bottles of "Coke" ice-cold and ready to drink. When you shop, remember to ask for Coca-Cola. Everywhere, Coca-Cola stands for the pause that refreshes,—has become a high-sign of hospitality in the American home.

PFC. JOHN C. ASHCRAFT HELPS IN BOND BUYING

AN EIGHTH AIR FORCE FIGHTER STATION, ENGLAND —Pfc. John C. Ashcraft, son of Mr. and Mrs. J. H. Ashcraft, of Route 1, Clarendon, is one of the war bond purchasers who helped his P-51 Mustang station reach a record-breaking total of \$111,000 in the Eighth Air Force "Victory Squadron" bond drive, surpassing all other groups in the Eighth Fighter Command.

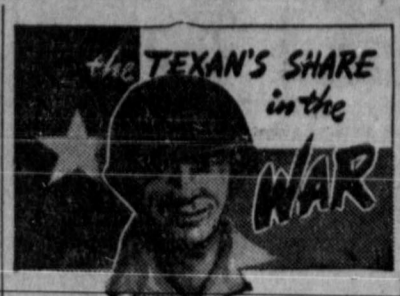

The group more than doubled their quota and the money will go towards the purchase of a Victory Squadron of airplanes, bought entirely by personnel of the Eighth Air Force.

Pfc. Ashcraft, 31, is a carpenter in a service squadron and has been overseas for the past 13 months.

Mr. and Mrs. Wood of Amarillo, Mr. and Mrs. L. L. Wood, Mr. and Mrs. J. D. called on Mr. Elton Wood and Miss Della Wood Sunday eve.

Mr. and Mrs. Van Kennedy and Mr. W. P. Cagle attended the funeral of Mrs. Fred Swift at Memphis Monday.

Mrs. David Johnson and Mrs. Grady Holbert and son Bill visited Mr. David Johnson at Amarillo the week end.

LT. COL. PAUL GREENE PRESENTED AIR MEDAL

15th ARMY AIR FORCE IN ITALY—Lieut. Colonel Paul J. Greene, Clarendon, has been formally presented the Air Medal for "meritorious achievement in aerial flight" by Major General Nathan F. Twining, 15th Air Force commanding, in an impressive ceremony at this AAF P-38 Lightning base in Italy.

Col. Greene, squadron commander and group operations officer, a veteran of 19 combat missions over southern Europe, has four aerial victories to his credit. Three of them were chalked up in China, and Burma where he flew with the "Flying Tigers." His fourth victory, a FW 190, was shot down in an aerial encounter over Budapest, Hungary, July 30, 1944.

Col. Greene's wife, Francis R. Greene, resides at 2285 Sedgewick Ave., New York City.

Mrs. Minnie Cannon, Mrs. Virta May Patterson, Mr. Edd Hodges, Willie Roberts, Mr. and Mrs. L. L. Wood visited in J. D. Wood home Monday night.

Tuesday the following visited in the J. D. Wood home: Mr. and Mrs. William Jordan, Mr. Herman Patterson, Mrs. L. L. Wood, Mr. and Mrs. Arlie Wood and daughter and Miss Della Wood.

Mrs. Mary Frances McCully has gone to Longview, Texas to visit her husband, Sgt. McCully who is in a hospital there. He was wounded overseas.

If all Allied soldiers could match the record of Capt. Jerry Lewis of Coleman, Texas, the war wouldn't last very long. The Lone Star infantry officer, assisted only by his sergeant, captured 204 Nazis in one bunch, during hard fighting in France.

Another Coleman officer, Clarence Carr, recently won the coveted Distinguished Flying Cross for "extraordinary achievement" as a top turret gunner and engineer aboard a Flying Fortress.

Other Texans this week also are wearing new decorations, among them Sgt. Jim Arnold of Killeen, Sgt. Joe Edgerton of Orange, Sgt. Tom Childers and Sgt. Chester Watts of Luling, Sgt. Ross Dulaney of Harlingen, and Sgt. Willie Slaughter of Mexia. All have been awarded the Silver Star.

And a Gorman, Texas soldier has set a new musical travel record. He is Corp. Vernon (Tiny) Adams, who has travelled 200,000 miles, carrying his trusty guitar all the way! After playing and singing on a score of islands in the Pacific, Tiny says now that he expects to play soon in Tokyo.

And on the home front, hundreds of Texans this week were preparing for the "big push" which will start on October 10 in every county of the Lone Star state. They are the "war fund commandos"—leaders and workers who will take part in the state-wide campaign on behalf of the National War Fund.

The war fund drive will open with a 30-minute radio program over all Texas networks and independent stations at 9:30 p. m., Monday, October 9. The following morning, a home-front army of hundreds of patriotic Texans will take the field to raise almost \$5,000,000 for the agencies of the National War Fund.

In every county of the state, local and civic leaders will head the drive, which will be publicized through newspapers, radio, billboards, and practically every other media.

Texans have been asked to do their bit toward success of the campaign through war fund displays in their store windows.

County campaign chairmen and publicity chairmen have supplies of a special window display instruction book, and posters, cards and other materials to be used in the displays. Merchants who have not received the materials have been asked to communicate with their local county chairmen at once.

A clean-cut, determined Texan is leading the famed Ninth U. S. Army in France. He is Lt. Gen. William H. Simpson, who hails from Weatherford.

Another Texan, Col. Bob Warren of Big Spring, recently led a horde of Flying Fortresses and Mustang fighters on a shuttle raid of central Germany, taking off from Italy and landing in England, after pasting military objectives in the reich.

But leave it to a sergeant to have the most unusual experience of the week. In Southern France, Sgt. Bob Blair of Plainview heard enemy cannon firing and dived for a fox-hole. A German shell beat him to it, landing squarely in the hole just before Bob got there. His life saved by his slowness, Bob is determined to spend the rest of the war above ground, and leave the fox-holes for someone else.

Sharing a fox-hole with a Nazi shell isn't healthy.

A Frank Statement

"Well, what are you selling?" growled the gruff prospect, looking up from his desk.

"N—nothing, sir," stammered the salesman, "and is the boss raising hell!"

Mrs. Hattie Palmer and son James Wesley, Edna Lou Lamber-son and Treva Nell Trussell visited the carnival at Amarillo Mon.

Donley County Leader. \$2 a year. Help in the War Chest Drive

Mrs. Leo Ray of Amarillo is visiting in Clarendon this week.

Mr. W. P. Cagle of Los Angeles, Calif. is visiting his sister and family, Mr. and Mrs. Van Kennedy.

Elton Wood is improving nicely. He is at his sister's home, Miss Della Wood, at Martin.

CORRIDOR COMMENTS

Everyone seems to be raving about "Prof.'s" new hat. Who knows, it may start a new "fad."

What happened to all of those bow ties some of the boys have been wearing? What is the talk about a petition?

Has everyone seen the diamond on a certain Sophomore girl's third finger, left hand? I hear it is from a sailor.

Why were all of the girls running from Donald Bailey Thursday noon? My-my, what is wrong, girls?

What was wrong with Tommy Saye Thursday morning? He looked as if he had a hard night before. How about it, Tom?

Betty Jo, can't you control yourself? You could have at least cleaned it up.

Ada Sue and a few other girls certainly seemed to be popular

with some boys from Goodnight and Canyon. Not bad "Sooky."

Joe and Barbara certainly seemed to have a good time at the football game, Friday night. When did that start, Barbara?

Everyone was glad to see W. S. at the football game. We all wish him a speedy recovery.

GIRLS! Seems as though the football boys should have a "Sweetheart" for the team. How about that?

Have you noticed that darling "blond" casting fond eyes at a "Wolf" in the Junior class?

Wonder where B. B. got that beautiful shiner last week?

"88" one of these days you are going to bleed to death when your nose is bleeding.

"Frank Sinatra" has nothing on L. S. That voice! What a man!

We hear that the floor show put on for a certain invalid Monday

afternoon was quite amusing!

Seems as though "Hester" and "Sylvester" go for those Good-night boys in quite a way.

Incidentally, what happened to the males who were scheduled to show up at a certain party? We wonder!

No more "Big Bow Ties." Goody-goody!

Invalid William Stanley seems to be making it okay. Such visitors he has now days!

Wonder why Kat Grady's face turns red when you mention Monday night, Main Street Hill, and the Fraternity??

Hope Betty Jean Brown's falling down the stairs the other day didn't hurt her too much.

Who is the Senior girl called "Momie"?

This is going too far! Girls proposing to the boys (pledges). Who is "Zipper"?

How is "Cassanova Bailey" making out these days??

Don't Ruth and Kat G. look cute in their new glasses? Very becoming.

CHAPEL PROGRAM

The Junior College had charge of the chapel program Friday the fourth period. The sponsors are Mrs. Goodner, Mrs. Hess and Mr. Drennan. The program was as follows:

A one act play, "The Elberta; A Peach of a Tea Room," with the following cast announced by Jim Lovell:

Mary—Johnnie Johnson; Eleanor—Pat Alverson; Robert Taylor—Tommy Saye; Joan Bennett—Marilyn Maher; Norma Shearer—Peggy Wiedman; Greta Garbo—Billie Nell Warren; Priscilla Lane—Helen Porter; Tarzen—Harry Blair; Chauffeur—Joe Smith; Kate Smith—Lucille Wallace; Bavarian Symphony—Lee Shelly; Manly Bryan, Claude Hearn, Joe Barns, Billie Lowe.

Following the play Mr. Drennan led the group in some songs. Katherine May sang "I'll Walk Alone" and "An Hour Never Passes" with Dorothy Ann Kennedy accompanying.

Two readings were given by Mary Esther Hagler accompanied by Mrs. Hagler.

Several pep yell were led by Treva Nell Trussell and Klyda Wilson.

Mr. G. G. Reeves gave a talk concerning the U.S.O. drive.

The program was then turned back to Mr. Drennan and the students were dismissed.

SOUTH WARD NEWS

Mrs. Mears' pupils were the winners in the P.T.A. membership drive.

Miss McGowan's room is learning to count to fifty.

Mrs. Prewitt's room has a nature unit. The pupils are studying birds and trees.

The sixth grade pupils are building a sand table about the Tejas Indians. They are reading about them in their readers. They are also studying the unit of electricity. They are making scrap-books.

Jack Trussell and Doris Smith of Mrs. Bain's room received show tickets for securing the most P.T.A. members.

Miss Mongole's room won the dollar at P.T.A. Thursday.

Mrs. Headrick has a new pupil, Marsha Allen. This makes her thirty-four pupils.

JUNIOR HIGH

Martha Jo Painter is back in seven one after having a sore throat.

Ila Phillips is absent this week; Kenneth Taylor is too.

Seven one hopes to have a bulletin board in the room soon.

Jo Ella McGowan withdrew and is moving to Lelia Lake.

Bro. Ellis was our speaker for assembly Friday. We enjoyed his talk.

WE GO TO LEFORS

The Clarendon High School Band and Pep Squad started on a great adventure Friday the 29th at 4:30 p. m. They were on their way to witness a game between the Lefors Pirates and the Clarendon Bronchos. The ride over on the cattle truck was very windy but nevertheless, very enjoyable. Since they arrived before time for the game to start, there was time to eat. At the game the Bronchos were inspired by the enthusiasm of the band and pep squad. Coming back home, it was pretty cold and everyone's main object was to keep warm.

Everyone had a wonderful time in spite of the wind.

JUNIORS CHOOSE CLASS RINGS

The Juniors are feeling awfully important this week; they have picked out their Senior Class rings. The ring selected was chosen unanimously by the class. They are oval shaped, gold rings with a center-of-pearl center. The gold letter "C" is in the center of the pearl. The Broncho insignia is on the side ledges of the ring.

It is hoped the Juniors like the rings and appreciate the significance of them.

SENIOR INVITATIONS

The invitations carry out a patriotic scheme. The National Capitol building is in the background with four stars to the right. An eagle is flying down in front of the capitol. On the left side of the inside of the folder, there is an eagle with its wings clipped to hold the name card. Around the invitation part there is an American flag. The entire class is pleased with the selection.

THE GAME AT LEFORS

The game that was held Friday with Lefors proved an exciting one. The Clarendon High Band was there in style and had some good football music ready to "dish out." Speaking of "dishing out" there were good sandwiches and coffee served at the game. Good, clean football was played all around and the Bronchos lived up to their name well, even though the game went to the Pirates with a score of 13-0. The pep squad did some good yelling and the Bronchos looked OK in their new uniforms.

Mrs. Johnnie Marshall and children returned to their home in California last week after visiting her mother, Mrs. W. F. Barker and other relatives.

MOOS OF THE MOMENT

BY UNCLE BOB

of the Kraft Dairy Farm Service

How much milk a cow will produce during a year depends greatly on the condition of the cow at freshening time, the extension services say. Cows which have been built up in weight during their dry period and which are properly cared for in the first few weeks after calving will be in better condition to deliver maximum milk during the rest of the year.

There are certain standard recommendations as to handling fresh cows, which are generally agreed upon by dairy specialists of the extension services. The need for building up the weight of the cow 150 to 200 pounds during her dry time has been discussed in this column.

A few days before calving, the cow should be separated from the rest of the herd and placed in clean, comfortable surroundings. In winter, the cow should be sheltered from cold drafts and should have luke-warm water for drinking.

Feeding should be light in the few days before calving, with bran mashes, a limited amount of silage and good legume hay suggested. A mixture of three parts ground oats, two parts wheat bran and one part linseed meal is recommended after two or three days, to take the place of the bran mash.

Too rapid increase in feeding after calving may cause indigestion or bloat. In four or five days, if the cow is doing well, up to five pounds of grain may be fed daily, this quantity increased one pound each two or three days thereafter until maximum milk production is reached.

The extension services also say not to milk the cow thoroughly, but to draw only a small quantity of milk from each quarter during the first three days after calving. This will help prevent milk fever.

For detailed suggestions on handling the freshening cow, I suggest you write the USDA at Washington, D. C., and ask for Farmers' Bulletin No. 1470, which is free, and also the Extension Service at the University of Minnesota, St. Paul, Minnesota, for Bulletin 218.*

Maybe the reason we have so many more crossing accidents now than in the horse-and-buggy days is because in those days the driver did not have to depend so much on his own intelligence.

*NOTE: There usually is a 5c charge for pamphlets mailed to non-residents of a state, but possibly your own state has a free pamphlet on the same subject. Ask your county agent.

THE STATE OF TEXAS

TO W. E. Leake and wife Mattie L. Leake, and H. B. Leake and wife Faye Leake, Defendants, Greeting: You are hereby commanded to appear before the Honorable 100th District Court of Donley County at the Court House thereof, in Clarendon, Texas, at or before 10 o'clock A. M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 6th day of November A. D. 1944, then and there to answer Plaintiff's Petition filed in said Court, on the 19th day of September A. D. 1944, in this cause, numbered 2246 on the docket of said court and styled Baptist Foundation of Texas, Plaintiff, vs. W. E. Leake and wife Mattie L. Leake, and H. B. Leake and wife Faye Leake, Defendants.

A brief statement of the nature of this suit is as follows, to-wit: Suit in trespass to try title; alleging that plaintiff is the owner in fee simple of the following described lands and premises in Donley County, Texas, to-wit: All of Section 15, Block 23, Certif. 11/2291 issued to the H.&G. N. Ry. Co. containing 640 acres of land; that on the 24th day of November, 1937, defendants unlawfully entered upon and disposed plaintiff of such premises, and withholds from plaintiff the possession thereof. Further alleging that defendants have occupied and used such premises under such unlawful possession for a period of two years and the rental value thereof is \$600.00 in which amount defendants are justly indebted to plaintiff, but though repeated demands for the payment thereof have been made, defendants have failed and refused to pay the

same, as is more fully shown by Plaintiff's Petition on file in this suit. The officer executing this process shall promptly execute the same according to law, and make due return as the law directs. Issued and given under my hand and the Seal of said Court, at office in Clarendon, Texas this the 19th day of September A. D. 1944.

In just 10 minutes they'll need your help

Back home, the headlines read—60 U. S. Planes Lost.

The full news account may mention that 600 airmen were shot down with them. But nowhere will you find mention about how many of those men landed alive and are now in enemy prison camps. There is no way of knowing.

Actually, about 60 per cent of all American airmen shot down over enemy territory survive—as prisoners of war.

Some prison camps are devoted exclusively to airmen. But these camps are little different from the others. In all, the men behind the barbed wire live the same empty life. There is nothing to do but wait—wait—and try to hold on to your sanity while you wait.

That's why War Prisoners' Aid was formed. It provides the wherewithal to buy for prisoners of war the things that will help them hold on to their sanity during those empty

days of waiting. Books, Games, Athletic equipment. Make-up kits for amateur theatricals. Musical instruments.

It takes money to buy these things. More and more money as more and more of our men wind up in prison camps. The only way War Prisoners' Aid can get that money is through your contribution to your local community drive. Your gift is also shared by war refugees, the U.S.O., Merchant Seamen, and war sufferers all over the world. Give once for all of these.

CHRISTMAS PACKAGES FOR G. I. JOE Let's Get Them Off Early! REDDY KILOWATT Your Electric Servant. Army and Navy rules for shipping unsolicited Christmas packages overseas are the same as for last year—but correct addressing is more important than ever. The package must be mailed between September 15 and October 15. They cannot weigh more than 5 pounds, be more than 15 inches in length, nor more than 36 inches in length and girth combined. Perishables are not allowed and fragile things will be strongly discouraged. Remember that incorrect addressing can delay delivery for 90 days or more. One reason this is true: Just among the Navy's enlisted men there are 16,000 Smiths, 300 of them with identical first names and middle initials. West Texas Utilities Company

WORTH WHILE COMMENTS
BY COUNTY AGENT
Charles O. Reed

D. A. Adam, Farm Labor Field Assistant, Plainview, Texas, aiding farmers in this area by sending boll pullers and farm hands to areas in need, reports the following conditions as of Sept. 30:

General rains throughout Panhandle area have delayed harvesting of all crops. It has benefited fresh drilled wheat and has added surface moisture to wheat land that will be planted.

Labor for harvesting will be in great demand when fields dry. Boll pullers are needed in all counties. The demand for boll pullers in south plains area is much larger than supply. The counties south of Plainview will reach peak of cotton harvest this week. Those counties north of Plainview will reach peak about October 15 or killing frost.

General farm hands are needed in all counties for grain sorghum harvest, but at present there are sufficient combines, trucks, and combine operators available in area. All counties in grain sorghum area need feed shockers with high plains area in more urgent need.

Prices of grain sorghums are slightly higher than last reported with some more rail cars available, and some elevators reporting sufficient cars to make shipment if farmers from other areas (central or east Texas) are interested in buying this grain. Grain sorghum prices to purchasers delivered to elevators range from \$1.25 to \$1.40 per 100 lbs. Prices may change daily.

Mr. Adam sends this type letter to each county agent in state to influence surplus labor from East Texas or Central Texas looking

for farm work to come to this section. Mr. Adam also has men at different locations in state recruiting farm labor for this section and encouraging labor to follow harvest toward Plains after their crop is harvested.

If you are in need of additional farm labor or want farm work turn your application into County Agents office at Clarendon. There is no charge for this service.

Hedley Resident Buried Wed.

Funeral services were held Wednesday at the Methodist church at Hedley for Mrs. Ida Mae Randall with Rev. C. R. LeMond officiating and assisted by Rev. A. B. Crockerell.

Mrs. Randall passed away October 1st after a long illness. She has been a resident of Hedley and Donley county for the past 44 years.

She is survived by four sons, W. E. Adams of McLean, Joe Adams of Hedley, George Randall of El Paso and Tom Randall of Clovis, N. M. Four daughters, Gladys Cantrell of Amarillo, Mary Waldo of Demming, N. Mex., Grace Loney of Amarillo and Lottie Mae Randall of Amarillo. Two brothers, Clyde Grimsley of Lelia Lake and W. E. Grimsley of Hedley. Also 10 grandchildren.

Pallbearers were Hobert Moffitt, Ross Adamson, Jim Tidwell, T. J. Cherry, Herman Kirkpatrick and S. C. Richerson.

Burial was in Rowe Cemetery with Womack Funeral Home in charge of arrangements.

Mrs. W. A. Davis attended church service at the Methodist church Sunday at Claude.

Robt. Lee Stegall Buried Here Tuesday

Graveside rites were held here Tuesday afternoon for Robert Lee Stegall with M. F. Manchester and Rev. L. Guy Ament officiating.

Mr. Stegall, age 72, passed away September 29th at Brawley, Calif. where he has been living with his children for the past three years.

Mr. Stegall came to the Panhandle in 1914 and resided on the old Goodnight ranch until 1917, at which time he moved to Clarendon, and was a resident of this city and surrounding communities until 1936. He followed the carpenters trade and was caretaker of the Country Club while living here. His rock masonry at the Country Club will stand as a monument to his memory for years to come.

He is survived by one son, Raeburn Stegall of Brawley, California; two daughters, Mrs. Thelma Newmann of Brawley and Mrs. Lorena Richards of El Paso. Five brothers, Roy, an officer in U. S. Navy, Rosco of Richmond, Calif., Ernest of Ramona, Calif., Albert of Atlanta, Ga., and Claude of Sudan, Texas. One sister, Miss Eula Stegall. Seven grandchildren and one great grand daughter.

Relatives attending the burial here were Mr. and Mrs. C. N. Dozier and daughters, Mr. and Mrs. Tom Ziegler of Canyon, Hubert Ziegler of Plainview and Mrs. Lorena Richards of El Paso.

Broncs Defeated By Lefors Pirates

The fighting Bronchos received their first defeat of the season when they tangled with an upper weight bracket eleven at Lefors last Friday night. The final score was 13-0. Jack London, 165 lb. Pirate plunged over late in the second quarter for the first score after he had made a series of first downs coming from the Lefors 20 yard line. The second score came in the third quarter when Wade Stracener, 180 lb. back, lunged over for the 6 points.

The entire Bronc team put up a valiant fight throughout the game but were entirely outclassed by the Pirates to start with. Their weight average overshadowed the Broncs by a good margin.

Maxey was outstanding in the Clarendon backfield and showed his ability to handle the pigskin when he returned a Lefors kickoff for approximately 50 yards before going down with only two Lefors men between him and pay dirt. He needed only one blocker to clean those two men. After he started rolling on that play, he made several gains up to 20 yards each all by his own ability to hide the ball and shifty running.

Bentley was outstanding in the Clarendon line, moving in for a majority of the tackles while the rest of the line seemed to be off the beam and were letting the Pirates break through at will.

The Pirates not only did the scoring but piled up a total of 12 first downs to four for the Broncs, Clarendon making only one first down during the first half of the game.

The Pirates went over for two additional touchdowns but they were called back for infractions of the rules. Clarendon was penalized throughout the game for more yardage than they averaged gaining by play.

H. T. WARNER BUYS 1,000 ACRES ON KELLY CREEK

H. T. Warner, local Construction Contractor, was the purchaser of 1,000 acres of land from the Bennett & Sims Estate Wednesday.

The land included is the old McClellan Headquarters and embraces land on both sides of Kelly Creek, and takes in the prairie hay and alfalfa meadows.

Mr. Warner plans to make quite a few improvements such as leveling up the small patches that are in cultivation by filling in ravines, terracing, etc. with his heavy equipment.

He states that he plans to either lease the grass land or stock it with cattle around the first of the year.

Mr. and Mrs. E. L. Turner and daughter Beverly Jean of San Diego, Calif. are visiting Mrs. Neva McCrary.

Mr. and Mrs. Ed Wheeler visited her sister, Mr. and Mrs. T. L. Shultes at Lamesa last weekend.

Former Resident Buried Here

Funeral services were held Tuesday afternoon at the Methodist church for Mrs. Mary Louise Wood with Rev. Lloyd Jones of Amarillo officiating.

Mrs. Wood died Sept. 30 following a sudden heart attack. She was living at Pampa at the time of her death but previously had been a resident in and around Clarendon for 32 years.

Survivors are six sons, Earnest of Clarendon, Lee of Albuquerque, John of Miami, Fla., Edgar of Burbank, Calif., Blake of Seattle, Washington, and Glenn of Amarillo; two daughters, Mrs. Jane Riddell of Odell and Mrs. Laura Horne of Chillicothe. Three brothers, Robert Johnston, Clarendon, J. E. Johnston, Odell and Will Johnston of Ft. Worth. Also 6 grandchildren.

Pallbearers were W. M. Pickering, E. V. Quattlebaum, Frank Brown, C. H. Grooms, Will Chamberlain and Carl Naylor.

Burial was in Citizens cemetery with Womack Funeral Home in charge of arrangements.

Pvt. Billy R. Holland of Ft. Bliss, El Paso, Mrs. Anthony Radetrich from Los Angeles, Cal., Mrs. Donnie Simmons and Mr. and Mrs. Addis L. Holland and children of Groover and Miss Fay Holland of Amarillo are visiting their parents, Mr. and Mrs. C. H. Holland.

Lt. R. W. Boston and wife arrived from Dallas to visit their parents, Mr. and Mrs. U. J. Boston and Mr. and Mrs. Gene Noland.

FORMER RANCH MANAGER IS HERE TUESDAY

Among those to address the Lions club members at their Tuesday noon luncheon was M. K. Brown of Pampa, who came as the guest of W. H. Patrick.

Mr. and Mrs. Brown were in England when war was declared, but found a ready method of getting back to the States, a fact that Mr. Brown stated they enjoyed very much.

Some years ago Mr. Brown was manager of the JA ranch interests for a long number of years when the ranch was owned by Mrs. Cornelia Adair.

Mr. Brown was in charge of selling the ranch lands in the Pampa area, the sales company being known as the White Deer Land company. Of Mr. Brown it has been said many times over that "every purchaser became his fast friend." They remain so through the years because of his honesty and his personal interest in the affairs of those who came to settle the lands in a new country to them.

Attend Funeral at Memphis Among those attending the funeral of Mrs. Fred Swift at the Baptist Church at Memphis Monday were Mesdames Lon Rundell, Frank Hommel, Sam Lowe, A. A. Mayes, D. O. Stallings, Rev. and Mrs. Hanks, Mrs. J. T. Patman, Mrs. Lea, Jean Porter, Mary Nell Hanks, Miss Anna Moores, Mrs. C. G. Stricklin, Mr. and Mrs. John Bass.

Mesdames Pete Kunz, C. D. McDowell, Walter Taylor, J. D. Swift, J. W. Evans, Lena Antrobus attended the flower show at Pampa Friday.

No Ceiling Prices For Boll Pulling

Charles Reed, Donley County Agent, received official notice from War Food Administration Wage Board that only 40% of cotton producers in 70 county area desired ceiling prices for pulling bolls. Since 60% of the cotton producers did not declare their desire for ceiling prices or were against ceiling prices, the War Food Administration Wage Board stated that ceiling prices would not be set up. No further action is contemplated by the WFA Wage Board since many of the heavy cotton producing counties have been contacted and interest is not sufficient to reconsider the matter of wage ceilings for pulling bolls.

The County Agents of the Extension Service were requested to assume the educational responsibilities with the purpose of explaining set up to cotton farmers and letting them express their desires.

"I think the various community meetings, county meetings and area hearings at Paducah, Sweetwater, and Lubbock has benefited farmers in deciding for themselves the action they wish to take," the County Agent stated.

MOVED HERE

Mr. and Mrs. Homer Estlack and family moved to Clarendon Sunday from Kadane Corner. They are at home in the former Walter Clifford home.

Mrs. Grady Holbert and son Bill have been visiting her mother, Mrs. David Johnson the past week.

OPA Ceiling Prices On Live Hogs Unchanged

Charles Reed, Donley County Agent, has received the following telegram in regards to ceiling prices on live hogs:

"OPA and War Food Administration with approval of Director of Economic Stabilization announced that ceiling prices on live hogs will not be reduced from present levels prior to June 30, 1945. War Food Administration stated that support price of \$12.50 per 100 lbs. for good to choice butcher hogs weighing 200 lbs. to 240 lbs. on Chicago market effective October 1, 1944 and continue to June 30, 1945."
