Broncs Meet Lefors Pirates There This Friday Night

An inspired but crippled Bronco club will journey to Lefors Friday night for their second game of the year with the Lefors Pirates. This is the Bronco's second game as well as their second conference engagement. They will enter this game on top as far as conference standing is concerned between the two teams but from all reports will have their hands full as the Pirates are a much larger team and had a rest last week with no game scheduled.

Coach Slick Naylor has put his boys through the gaits this week, stressing on blocking and timing, and rebuilding his backfield due to the absence of Carlie who received a broken ankle in last week's game.

The probable starting line-up for Clarendon will be Adams, Maxey, Beard and Jr. Mann in the backfield; Harp and Trussell at ends; Harrison and Cowan at tackles; Lovell and Bulman at guards and Bentley at center.

In district 3-A playing Friday, besides the Clarendon-Lakeview game, Shamrock bowed to Canadian 14 to 7; Wellington over Paducah 40-0; Phillips won over McLean 28-6; and Memphis defeated Wheeler 33 to 6.

Memphis leads with two games won and none lost, while Wellington and Clarendon have one win and no losses. Lakeview has one win and one loss. McLean has one loss and no victories, while Shamrock and Wheeler each have lost two games. Lefors has lost one game.

Local Ball Nine Wins Game!

By Doc Watson

Sunday before last the Clarendon ball team assembled, all of ten strong, and made the long trek to Amarillo and there proceeded to trounce the champion Medical Detachment club (fresh from a win over the Amarillo Dodgers) by a score of 6-1.

Bill Meador went the route for Clarendon and pitched his best game of the season in limiting the Army boys to 3 hits. Brown Howerton, the peppy little catcher, used his big bat to unusual perfection and slammed the ball all over the ball park.

Clarendon made but very few errors but it cost them the sole Amarillo run. This game would have pleased the home town fans and the team hopes Childress can be invigled into a return game so that we can present a "better-late-than-never" rejuvenated team which the local fans would gladly turn out to see.

Last Sunday the colored boys failed to show up because their star, Stickhorse, was out of town.

Next Sunday we will either play Childress or the local colored team at the Clarendon diamond.

Frankie Hommel and Marilyn Sawyer who are attending school at Canyon spent the week end at home with homefolks.

F.F.A. Members Attend District F.F.A. Meeting

Six local F.F.A. officers and J. R. Gillham, chapter adviser, attended the second annual banquet of the Green Belt F.F.A. District at Wellington, Tuesday night. George Bulman, district vice-president, and Gillham, district adviser were on the program. Others attending were Dania Howerton, Charlie Sullivan, Jerry Morgan and Gene Adams.

In addition to the banquet, a district meeting was held, and the objectives of the district for the year were set up. Among these objectives is a district livestock, milk, and poultry judging contest to be held at Clarendon the last Saturday in February.

New Heads For War Chest Drive Are Named

G. G. Reeves has been named as chairman of Donley County for the War Chest Drive this year with Clifford Johnson of Hedley as Vice-chairman; Bert Smith, special gift committee; Chas. Lowry, publicity chairman and M. R. Allensworth, treasurer. This new group of men have already started making their plans for putting Donley county over the top in the drive this year as the drive last year fell very short of the quota and was listed among the lowest in the state.

The quota set for Donley county this year is \$2,300, and Mr. Reeves states that they are not going to wait for the opening guns this year, but are ready to start taking in contributions.

Complete plans for the rural districts and Clarendon will be announced next week and a complete coverage of the entire county will be made in this drive.

Jim Lovell Elected Area I F.F.A. Officer

Jim Lovell, son of Mr. and Mrs. Ben Lovell of Ashtola, was elected Reporter of the Area I F.F.A. at a meeting of the Green Belt F.F.A. District at Wellington Tuesday afternoon. Lovell received his Lone Star Farmer Degree in July of this year. He was president of the Clarendon Chapter during the 1943-44 school year and was outstanding in project and leadership activities.

As an area officer, Lovell will attend all area meetings and will aid in conducting area and district leadership schools, and will aid in planning the work of the entire Area I F.F.A. There are 73 schools in Area I.

UNITED COUNCIL OF CHURCH WOMEN MEET WITH COLORED PEOPLE

The United Council of Church Women held an interesting meeting with the colored people last Thursday evening at their Holiness Church. There were representatives from the Episcopal, Christian, Presbyterian and Methodist white churches, and a splendid gathering of the colored people of all their churches. The meeting was presided over by Mrs. Millard Word, president of the Council.

The meeting was opened by splendid singing by the colored people with the teacher of their school at the piano. Rev. Frank Hutchins of the Episcopal Church led in prayer.

Mrs. Word explained briefly the purpose of the Council—mutual helpfulness in Christian citizenship—and discussed some of the problems of the colored people. She explained to them that the promise by the City Commission to give them some extra street lights and some fire plugs had not been carried out because materials could not be secured, but they expected to be able to install them soon and the men of the community promised to help in the installation.

The colored Parent-Teacher Association reported the purchase of a piano for the school, and the cutting of weeds on the playground.

Plans for keeping up the attendance in their school were discussed, bringing out the responsibility of the parents—to which the parents present agreed.

Mrs. Word suggested appointment of a Civic Committee and of an Educational Committee among the colored men.

The teacher, Miss Baker, made a little speech of appreciation of the colored people for the help and cooperation of the white people. The meeting was dismissed by prayer by the colored pastor, Rev. King.

Surviving are her husband, four sons, William, Edgar and Hubert of Pampa, Bryan Johnson in the U. S. Service. Three daughters, Mrs. Maggie Gray of Wheeler, Mrs. Elsie Webb and Mrs. Lucy Radney of Amarillo. Forty grand children and ten great grand children.

Funeral services were held Tuesday afternoon at the Methodist church for Mrs. Fred Johnson with Rev. H. W. Hanks, officiating.

Mrs. Johnson, age 77, passed away Sunday at the Clarendon Clinic following a heart attack a few days previous. She had been a resident of Donley County for nearly 30 years.

RATIONING AT A GLANCE

By PEPPY BLOCKER

There have been several inquiries at the local War Price & Rationing Board as to the new A-13 gasoline stamps. These stamps are valid until December 21st and are good for four gallons of gasoline each instead of three gallons each as the old A coupons were. The B-3 and C-3 gasoline stamps will expire October 1st and it will be necessary to exchange these stamps at the Rationing Board for B-4 and C-4 or B-5 and C-5 after that date.

Everyone is wondering when tire rationing will be lifted. Ely Fonville, District Rationing Executive, recently attended a meeting in Dallas for Regional and National Rationing Executives. Their estimate is that passenger tire rationing cannot be discontinued until monthly production reaches over the three million figure. At this time the current production is slightly over one million per month. Estimates of time to reach this three million production figure vary from one to two years from today. The need for a good job of tire rationing will continue until the day the rationing order is revoked.

The removal from rationing of many items of Processed Foods on September 17 and Coal and Wood Cooking and Heating Stoves on October 17 may give rise to a belief that the entire structure of rationing is tottering. Such is far from the case. The need for rationing is based on available supplies and their equitable distribution. Moreover, the controls of rationing are required to make more effective certain price regulations. The policy of the O.P.A. is to ration only when necessary and to abandon restrictions as soon as conditions warrant. This policy has been and is being demonstrated. However, a brief consideration of the supply and demand situation of autos, tires, gasoline, shoes, sugar and stoves will remind us that much is still to be done before we can relax our efforts.

An indicator showing where emphasis can be directed in the price program is contained in a survey just completed by the Office of War Information. A total of 4,865 housewives were interviewed between June 4 and June 12 of this year. The housewives were asked a number of questions, but replies to the question "Have you ever thought you were being charged more than ceiling prices on anything?" were especially significant. Thirty-six percent of the total reported over charges. The commodities on which they were overcharged totaled as follows: 51 percent mentioned groceries, 29 percent mentioned meats, 15 percent mentioned clothing. Other commodities were all under the 10 percent figure.

Funeral services were held Tuesday afternoon at the Methodist church for Mrs. Fred Johnson with Rev. H. W. Hanks, officiating.

Broncs Win First Conference Game From Lakeview

The Clarendon Bronchos were victors over the Lakeview Eagles in their first conference game of the season here last Friday night with a score of 7-0. The Bronco took advantage of a blocked Eagle punt in the first quarter on the Lakeview 8 yd. line, and Beard faking through the left side of the line to score 6 points. Bentley's trusty toe put the ball through the uprights for the extra point.

Carlie, main stay in the backfield, suffered a broken ankle in the first of the second quarter which hampered the Bronco throughout the remainder of the game. He was regarded as the spark in the backfield as well as to the team as a whole, and his hard center plunges and efficient blocking will be greatly missed the remainder of the season as was witnessed in the remainder of the game with the Eagles. After the game, his injury revealed a broken bone in the ankle and also the small leg bone above the ankle. He has missed no attention this week, for his cast has been completely covered by autographs of school students and is in very good spirits with the exception of realizing that he won't be able to participate in any more of the games this year.

The Bronco team as a whole did a very good job, considering their experience, throughout the entire game with Cowan and Harrison showing up good in the tackle positions, Bentley in the center position and Beard in the backfield. Jr. Mann, the boy who took Carlie's place in the backfield, showed himself well and registered several excellent punts which helped the Bronco hold their 7-0 lead that they had won early in the game.

After the Bronco took the lead, the entire game was centered around only three plays as Coach Naylor figured that we would need every play that had been mastered for the Lefors game this week end.

The Lakeview team was no pushover and kept the Bronco on their toes all through the game breaking up their passing attack. Regarding first downs, the Eagles registered 7 to the Bronco's 5, but the Eagles never gave the Bronco goal line much threat any time during the game.

S/SGT. SAM DAVIS HOME FROM SOUTH PACIFIC AREA

S/Sgt. Sam Davis, who has spent the past two years in the South Pacific war zone, is spending a 21 day furlough with his mother, Mrs. Blanche Davis and other relatives. Sam spent the most of his time while in the South Pacific around New Guinea and was with an engineering unit of the Air Forces.

During his stay over there he has won the following medals: Distinguished Flying Cross, Air Medal with one cluster, American Defense, Organization Presidential Citation and two bronze stars representing Asiatic-Pacific Campaigns.

Sgt. Davis states that the United States looks mighty good and especially Clarendon. He stated that he saw only one man from Clarendon while over there and that was Shine Martin and they were fortunate to be close enough to visit each other often.

More Waste Paper Needed Now

The Lions club Waste paper drive is moving along in good order at this time but a large amount of paper is needed to put the drive over in good standing.

There is a vital need for this paper at this time and everyone is urged to get all their scrap paper together and bundle it, and if possible bring it to the West Texas Utilities office, Pastime Theatre or Leader office. If you have no way to bring it down, just call any of the above named and your paper will be picked up on Tuesday if the trucks are available to make the rounds, but it will be picked up at some time regardless.

Country people are asked to bring their bundles in as it is impossible for the trucks to reach out farther than the city limits, and your paper is needed to make the pile grow.

Lt. Wesley Powell Missing Over Czechoslovakia

Mr. and Mrs. C. C. Powell received word from the War Department Monday stating that their son, Lt. Wesley Powell was missing in action over Czechoslovakia as of Sept. 13th.

Wesley was pilot of the big four engine B-24 bomber which he was riding at the time he was shot

down. It was also learned that for the exception of the navigator, the original crew was still together. They started out when they flew their own plane from the U. S. to the Italian theatre of war August 8th.

It is hoped that Wesley, with his entire crew, was able to bail out of the plane and still be alive even though they may be prisoners of war.

Alvin Barker, son of Mr. and Mrs. Goble Barker of the Ashtola community exhibited the grand champion barrow of the 1944 Donley County Fall Swine Show, winning with a sleek 260 pound Duroc Barrow bred by George B. Bagby's Registered Duroc Hog Farm. Barker nosed out a 345 pound Poland barrow owned by Joe Smith. Smith's barrow bred by J. R. Gillham, was six months and six days old. C. L. Franz, show judge, stated that the Poland barrow was one of the best he had seen but that he was too heavy to win over the well finished Duroc.

J. B. Knight exhibited the champion Hampshire; Ray Morris, the champion Berkshire, and Tommie Hodnett the champion berk-hamp crossbred pig. Jack Ballew had top pen of three barrows on his heavy hampshires. J. B. Knight placed 2nd and 3rd with his pens of durocs and hamps, and Billy Joe Marshall placed fourth with his pen of Durocs.

Ray Morris topped the Sears-Gilt Show with his 290 pound gilt to win the registered Jersey heifer offered in this class. Jr-Bulman, Dwayne Hearn, Billy Jack Jordan, and Nelson Christie finished 2nd, 3rd, 4th, and 5th. Gene White, J. W. Wynn, and Jackie Fowlkes were others exhibiting Poland gilts. All received either merchandise or cash premiums.

The Farmers State Bank paid twenty-five cents per pound for the grand champion barrow to Barker, and the Donley County State Bank paid Joe Smith and the First National Bank paid J. B. Knight twenty-five cents per pound for their champion Poland and Hampshire. The forty pigs sold by the thirty youths averaged approximately 18 cents per pound.

A complete list of the show winnings and sales will be given in next week's issue of the Leader.

THE STATE OF TEXAS

TO W. E. Leake and wife Mattie L. Leake, and H. B. Leake and wife Faye Leake, Defendants, Greeting:

You are hereby commanded to appear before the Honorable 100th District Court of Donley County at the Court House thereof, in Clarendon, Texas, at or before 10 o'clock A. M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 6th day of November A. D. 1944, then and there to answer Plaintiff's Petition filed in said Court, on the 19th day of September A. D. 1944, in this cause, numbered 2246 on the docket of said court and styled Baptist Foundation of Texas, Plaintiff, vs. W. E. Leake and wife Mattie L. Leake, and H. B. Leake and wife Faye Leake, Defendants.

A brief statement of the nature of this suit is as follows, to wit: Suit in trespass to try title; alleging that plaintiff is the owner in fee simple of the following described lands and premises in Donley County, Texas, to-wit: All of Section 15, Block 23, Certif. 11/2291 issued to the H.&G. N. Ry. Co. containing 640 acres of land; that on the 24th day of November, 1937, defendants unlawfully entered upon and disposed plaintiff of such premises, and withholds from plaintiff the possession thereof. Further alleging that defendants have occupied and used such premises under such unlawful possession for a period of two years and the rental value thereof is \$600.00 in which amount defendants are justly indebted to

plaintiff, but though repeated demands for the payment thereof have been made, defendants have failed and refused to pay the same, as is more fully shown by Plaintiff's Petition on file in this suit.

The officer executing this process shall promptly execute the same according to law, and make due return as the law directs.

Issued and given under my hand and the Seal of said Court, at office in Clarendon, Texas this the 19th day of September A. D. 1944.

Attest:
Helen Wiedman

...speak no evil!

"There is only one evil", wrote Socrates, "that is ignorance." And ignorance it obviously is, which sometimes prompts the careless car-owner to say that all motor oils are alike, that there is no difference between any of them.

Oils vary in chemical composition, in stability, in freedom from harmful impurities, in lasting power, in ability to maintain viscosity, and in many other ways as well.

That is why all intelligent car-owners naturally prefer a quality oil. But not all of them know the simple, easy way to be sure of getting it, as explained by the following facts:

Phillips offers a number of oils because car-owners' preferences vary almost as much as their cars and pocketbooks. But when you want our best oil, remember Phillips tells you frankly that Phillips 66 Motor Oil is our finest quality... the highest grade and greatest value... among all the oils we offer to average motorists.

Figure the cost per year of draining and refilling with quality oil every two months, as experts advise, as against the cost of using cheap oil; and it is plainly foolish economy to take a chance. So when making the seasonal change from summer-worn lubricant, get quality by getting Phillips 66 Motor Oil.

BRIDAL SHOWER

On Wednesday, Sept. 2, the C. B. Morris home was the setting for a lovely bridal shower, given in honor of Mrs. Max Rhea. The entertaining rooms were beautifully decorated with roses, dahlias and other fall flowers.

Receiving the guests were Mrs. Morris, Mrs. Charles Lowry, Mrs. John Rhea and Mrs. Max Rhea. Miss Joan Rhea presided over the white and gold bride's book.

During the afternoon Mrs. Rolfe Brumley sang "My Little Nest of Heavenly Blue" from an operetta by Franz Lehár. Mrs. Rayburn Smith accompanied her at the piano. Mrs. Joe Ritter gave a humorous reading entitled "Sara Beth's Wedding" using friends and relatives of the bride and groom as characters in the highly imaginative account of the wedding.

The lace covered dining table was very cleverly decorated. In the center of the table was an airplane in army colors and this was flanked by a miniature bride and groom, prayer book and wedding bells.

Misses Helen Porter and Pat Alverson served punch and cake to about forty guests.

Many beautiful and useful gifts

were received by the honoree. Assisting Mrs. Morris in this lovely affair were Mesdames Bill Thornberry, C. W. Bennett, John Gillham and B. G. Watson.

BUTLER-HODGES

Mr. and Mrs. Clyde Butler announce the marriage of their daughter Louise to Sam E. Hodges, August 14th. The ceremony was performed by Rev. A. J. Stewart of the Assembly of God Church in Clovis, New Mexico. The couple were attended by the bridegroom's sister and husband, Mr. and Mrs. Marion Ware.

Mrs. Hodges attended the Clarendon Public Schools and is a senior in the Northwest Texas School of Nursing in Amarillo. She is continuing her senior work and plans to complete the course.

Mr. Hodges is the son of Mr. and Mrs. S. S. Hodges of Cameron, New Mexico. He attended high school in Portales, N. Mex. prior to his enlistment in the Army. At the time of their marriage, he was employed by the Clinton Engineering Works in Knoxville, Tenn.

Their plans for the future are indefinite.

PATHFINDER CLUB

The Pathfinder Club met Friday afternoon at 4:30 o'clock for its first meeting of the fall season in the home of Mrs. Ernest Hunt with Mrs. L. N. Cox assistant hostess.

The retiring president, Mrs. Van Kennedy, thanked the Club for its hearty cooperation in making a successful year, and welcomed the new president, Mrs. R. Y. King, who responded by telling of her appreciation for the confidence of the club.

During the business meeting Mrs. J. H. Howze reported the Federation news.

"The Balkans" was the program topic discussed by program leader, Mrs. C. A. Burton. Several piano selections were played by Edith McCrary.

Lovely refreshments were served to thirty-two members and guests, Mrs. L. Guy Ament and Mrs. Ralph Decker.

MOTHERS CLUB

This Club met Tuesday afternoon, Sept. 26 with Mrs. Wendel Smith, hostess, in the home of Mrs. Dale Hill. Mrs. Geo. Wayne Estlack, president, presided at the meeting.

Mrs. Alfred Estlack, parliamentarian gave a review of the constitution and by-laws. Mrs. R. Y. King gave an interesting article, "A Childs Bill of Rights" followed by an open house discussion by the members.

A delicious salad course was served to guest, Mrs. Nell Jones, Members, Mmes. G. W. Estlack, Frank Hommel, R. Y. King, Dale Hill, Arlie Wood, Alfred Estlack, hostess, Mrs. Wendel Smith.

The next meeting will be Oct. 10th with Mrs. Geo. W. Estlack at her home.

ENTERTAIN WITH WEINER ROAST

Mr. and Mrs. G. G. Gregory entertained a few of their friends Saturday night with a weiner roast and forty-two party in the home of Mr. and Mrs. A. O. Hott.

Those present were Mr. and Mrs. Roy Blackman, Mr. and Mrs. Donald Ballew and son, Mr. and Mrs. Joe Ritter and daughter, Miss Dorothy Ann Kennedy, James Earl Hott who is on furlough from Santa Rosa, Calif., Mr. and Mrs. A. O. Hott, and the hosts, Mr. and Mrs. G. G. Gregory.

MISSIONARY SOCIETY OF CHRISTIAN SERVICE

Circle No. 3 of the Missionary Society of Christian Service met at the home of Mrs. J. C. Estlack Wednesday afternoon. Mrs. A. L. Thornberry gave the devotional. Mrs. C. A. Burton gave the lesson, "West of the date line."

After a short business meeting delicious refreshments were served to Mesdames C. A. Burton, C. D. McDowell, Lena Antrobus, A. L. Thornberry, L. T. Shelton, R. T. Brown, R. Y. King, W. A. Davis, Blanton, Bill Thornberry, David Johnson, Barrett, H. L. Riley, Hanks, and guests Rebecca and Ruth King and hostess, Mrs. Estlack.

KAPPA KAPPA SORORITY

The members of the Kappa Kappa Sorority met Wednesday afternoon with Dorothy Tatum acting as hostess. After the meeting was called to order and a short business was held, the pledges gave their program. It was very entertaining and was enjoyed by all.

Lovely refreshments were served to Betty Rhodes, Ruth Patman, Kathleen Grady, Marilyn Maher, Klyda Wilson, Melba Ruth Grady, Treva Nell Trussell, Edna Lou Lamberson, Mary Ann Bromley, Betty Brown, Mary Nell Hanks, Jean Porter, Mrs. Rufus White, the sponsor, and the hostess, Dorothy Tatum.

C. M. Peabody Jr. Writes of Bloody Saipan Battle

EDITORS NOTE—The following letter was written by C. M. Peabody, Jr., S 2/c to his parents, Mr. and Mrs. C. M. Peabody here, giving a brief insight on the battle for Saipan.

Sept. 6, 1944
U.S.S. Callaway
Dear Mother, Dad and All,

Although I just finished writing you all a letter a few minutes ago, I thought I would write and give you all a few details of the bloody battle for Saipan from a ringside seat and dodged Jap planes in two air raids within 72 hours. I watched the fight for the control of the Mariana Islands, major stronghold, which is only 1300 miles from Tokyo, in my Higgins landing barge. The Japs put up a bitter fight from the very first. Only a couple of hours after we had put troops ashore under heavy mortar fire, some of them were back aboard with bad wounds. I could tell by that stream of wounded evacuees that we had another Tarawa on our hands.

As we were going in we could see tanks creeping up the hills engaging Jap tanks. They looked like beetles. Shells fell into the surf by the dozens and every once in a while a boat or tank would go up to the side or aft of us. The number of my boat is Number 13.

Some people say that number 13 is an unlucky number, but I think we were pretty lucky.

The ship put out to sea the first night, because she offered too much of a target to stay around after dark.

Three others were left behind behind. Unfortunately, our boat and hind. That night our boat was anchored off the beach about a hundred yards. We saw two "dog-fights", in which the Japs lost two planes. Two Jap planes also strafed the beach, but were shot down by our own craft.

Well, mother, that was told to the best of my knowledge. It was an awful battle, but we won.

Well, mother, I am dreaming of a "White Christmas," which I hope I can see soon. Bye now and may God bless you.

Your son,
C. M. Peabody S 2/c

Xmas Pkgs. For Naval Personnel

The Fleet Post Offices at San Francisco and New York have expanded tremendously in both space and personnel to handle an estimated 25,000,000 Christmas packages for Navy, Marine Corps and Coast Guard personnel on duty at sea or overseas.

The influx of holiday parcels started Sept. 15, the date of the opening of the special Christmas mailing period, and will continue until all packages mailed between Sept. 15 and Oct. 15 have been routed to their recipients.

The anticipated 25,000,000 packages represents more than a three-fold increase over the 7,841,000 Christmas parcels handled last year.

The Navy will use all available facilities to transport and deliver Christmas mail to overseas personnel by Christmas Day. Senders are reminded that some parcels may have to travel more than 10,000 miles through a variety of climates, and that they may be transported by plane, cargo ship, amphibious craft, train, truck, jeep, mule-back, and hand.

To facilitate this work and to minimize the number of packages which must be delayed for re-wrapping, the public is urged to wrap all parcels as carefully and securely as possible. Addresses should be written in full, preferably in clear printing. As a precaution against the outside wrapper becoming damaged, a tag with the address and a list of items included in the package should be placed inside the box.

Last year 15 per cent of all Christmas packages were delayed because of incorrect addresses.

The families and friends of men overseas are further urged to mail Christmas packages as early as possible during the Sept. 15-Oct. 15 period. The distances to be covered and the possibility of sudden changes in ships' orders make it essential that the Navy have as much time as possible to get the packages to the servicemen by Christmas Day.

CORRIDOR COMMENTS

Here's betting two to one that Shirley Smith won't go around showing off a chocolate candy box anymore.

Helen Rhoades blamed the oil on the floor for her swift descent down the stairs to history the other day, but we're not so sure. Take it easy, Helen. New stairs are hard to get now days.

Edna Mahaffey is greatly interested in a new family who has moved into the Ashtola community. Better watch that competition, Edna.

Alma Jo really deflated a young blonde-head for a date. Aain't you ashamed, Jo?

Jack Ballew, aren't you ashamed of yourself? Crawling up those drafty stairs on windy days!

We wonder why Edith McCrary's face turned pale in history class. Could it have been a

certain uniform coming up the walk?

When Mary Christie has company, she believes in having the whole school. "The more the merrier," she says.

Talk about the man-shortage! Nine girls escorted one boy home from the pep-rally! How did it feel to be the center of attraction, Billy Jack Land? I don't think Helen Jo thought it was so nice! They even all walked to the door with him!

Why was Arlis Allison parked close to the airport the other night? Was it an attractive watermelon patch or an attractive girl—or both?

Say, what's this we hear about a certain car load of kids at the Lakeview game? Something about mosquitoes. Can Joe Smith, Jack Ballew, and others tell us?

We wonder why a certain sen-

ior is so crazy to go with a certain Billy Ray Graham?

Say! Has Kathlene Grady completely forgotten about Carol B.? She and Bob seem to be stepping really fine.

Betty Brown seems awfully happy since last Friday night.

Ada Sue seems happy. Why not? Look who's at home. Jimmie Butler. And does he look nice in that uniform. Woo-Woo! Watch out, Sue!

Why are all the girls "swooning" over Bobby Parker?

Why is it that every other morning Lamberson, Trussell and Peabody run for Louise? It couldn't be she has a letter containing good news, could it, Lamberson?

Bert Jr. sure can write some good paragraphs on the Red Devil and that maroon Mercury.

Jimmie Dean, who is next? One week, Wynell. The next, Sue. Who is it going to be now?

Wanda Cornell surely seems happy since Thursday night. It couldn't have been because you were with Billie Chilton—could it?

Did you know that Mary Williams has a diamond ring on her left hand? Well she does.

Two senior girls thought they were seeing a mirage when they saw "Prof." cutting his grass.

Mrs. Max Rhea was seen in the halls of C.H.S. this week. She is the former Sara Lowry.

All the girls start running if they hear someone say "friendship." Don't they want to make friends?

Have you noticed the new fashion? A lot of the boys are wearing bow ties.

Gene Harrison is stealing the jobs of the Kappa pledges.

Edith and Beverly surely have been nice in history since Thursday. Are they sick?

Misses Iva and Ertle Davis and Mrs. Jake Lagrone and children visited their sister, Mrs. D. T. Smallwood at Brice Sunday.

JUNIOR HIGH

Seven one has had good attendance. We are having two math classes a day until we get started. Kenneth Taylor has been absent this week.

Thomas Holligan and Wayne Hall have been absent.

Mr. Younger has quite a few South Ward and Jr. High pupils taking band.

Mrs. Lowry's room has three new pupils who have never been in Clarendon schools before. They are Raymond Anglo, Betty Jean Naylor, and Hardy Bourland.

Last Tuesday was the science class' first time to go to the lab. We all like it a lot.

THE C.H.S. BAND AND PEP SQUAD

Under the leadership of the new director, Mr. Younger, added zest to the game Friday night. The band played several marches, such as: "Victory," "March Yam," and "On Wisconsin". The pep squad sang: "Beer Barrel Polk," "Eyes of Texas," "Our Boys Will Shine Tonight," and "Beer, Beer for old C.H.S.," accompanied by the band. The band yelled with the pep squad when it was playing. By working together the band and pep squad, led by Mr. Younger, expect to eclipse all other such organizations in the Panhandle.

CHAPEL

Chapel was opened Friday by singing "America," "The Battle Hymn of the Republic," and "Star Spangled Banner." Then Mr. Drennan introduced the Rev. Hal Upchurch who gave us a talk on "How Shall We Make Our Lives Happy?" Mr. Drennan made some announcements, and he asked some of the football boys to tell us what they thought about the game that night. We also had with us some old C.H.S. students that we were glad to see. They were James Earl Hott, Arlis Allison, La Rue Shadle, and Oleta Wood. This was our second chapel program this year and we all enjoyed it a lot.

CLARENDON BRONCHOS

The Clarendon Bronchos had their first conference game here Friday, 22nd. They were called under-dogs, but the score belied the words. The Broncho team was victor with a score of 7-0. Donald Beard made a touchdown with the grand co-operation of his teammates. W. S. Carlile got a broken ankle out of this game. Tough luck, Carlile. Be back on the campus soon. Tuffy Ellis said the Bronchos would win this game and he proved to be a good prophet.

PHYSICS CLASS

Since chemistry is not being taught this year, the physics class grew a little. There are about fifteen juniors and seniors taking the course, and Mrs. Turner is the teacher.

On Monday, Wednesday, and Friday we have lecture and on Tuesday and Thursday we go to the laboratory. Most of us always look forward to "lab" days so that we can prove what we have learned.

Everything started out all right for the first two days. But on the third day we started on the metric system. Then everyone began cramming. After several days of "torture" and trying to learn the metric system, it began getting fairly easy. But of course, something else came along and it started all over again. As everyone knows, physics is full of laws. "Jerk" Davis said that after he had learned physics, he would probably know enough laws to be a lawyer.

But all in all, everyone seems to be enjoying it a lot, and we hope for the best.

MY OPINION OF SENIOR HIGH

By Nita Heath

I was surprised when I found what Senior High was really like. I expected it to be the opposite of Junior High and in some ways I was right. I expected, when the bell rings, everyone would be told when to leave the class. I find that, when it does ring, everyone tries to knock everyone else down trying to get out first, leaving the teacher talking. I expected when anyone got ready to leave, or go from one room to the other, he would leave but instead, he signs a little slip telling where he is going. Although it's against the rules and I didn't think they would run up and down the stairs,

Simple Test Aids Thousands Who Are Hard of Hearing

Thanks to an easy no-risk hearing test, many thousands who have been temporarily deafened now say they hear well again. If you are bothered by ringing, buzzing head noises due to hardened or congealed wax (cerumen), try the Urine Home Method test. You must hear better after making this simple test or you get your money back at once. Ask about Urine Ear Drops today at Douglas & Goldston Drug Co.

POST-WAR

Magic

STORYBOOK automobiles—light metals—plastics—100-octane gasoline—television—electronics... Postwar America is in for an incredible and marvelous homelife.

With the coming of electronics, all-electric kitchens, washers that do everything but laundry-mark, let's not lose sight of why we so avidly yearn for these coming tools to make our leisure hours longer. Time was when the thought of purchasing additional electrical appliances had to be carefully considered, lest we exceed our budget—our cost for electric service was about as much as we felt we could afford. Now, after many years of increased use of electric current, we find the cost of service very little greater!

More and more West Texans are telling their neighbors that there is one household item that has stayed down in price... that they are using twice as much electricity as they did fifteen years ago at the same monthly cost!

WHY? You don't have to get a crystal ball to figure this out—steady reduction in cost of electric service has been attained by strict business management... and because company employees consider it their personal responsibility to see to it that all additional costs are eliminated in rendering such service.

 Pearl Buck's "Dragon Seed" is being as great a success on the screen as it was as a best-seller. It is a powerful presentation by M-G-M of the courageous story of modern China in the toils of war. Invasion Scene, Act II

Yesterday was Act I.
 Same beachhead scene. Same—except today there are no screaming bombs, no burning tanks, no convulsive shells tearing big holes in the ground. Same scene, but today the guys up there on the beach put on the show.
 They're ready for Act II. They've pushed the enemy back a few miles. Here comes Act II. Here comes the U.S.O. Camp Show!
 Our boys NEED this show. They need it desperately, like starving men need food. For an hour or two they'll go back to America . . . back to Broadway, Hollywood, Main Street . . . back a thousand miles from this beachhead. They need to laugh, to forget.
 They NEED it, understand?
 Thanks to the folks back home, U.S.O. Camp Show units have played in every combat zone, often immediately behind the front lines. More than 90 units are playing the "Foxhole"; more than 80 units appear regularly at camps and hospitals in the western hemisphere.
 It costs money to operate the world's biggest theatrical circuit. Even though most stage and screen stars donate their services without charge, it still costs a lot of money to send hundred of

LIBRARY NOTES

By Mrs. C. A. Burton
 Metro - Goldwyn - Mayer announce the winner of their first \$125,000.00 annual novel award to Elizabeth Goudge for "Green Dolphin Street." It was chosen as the most outstanding from among 99 novels. The board of judges were Harry Hausen, Literary Critic of N. Y. World-Telegram, Amy Loveman, associate Editor of Saturday Review of Literature and Sidney Franklin, M.G.M. producer of "Random Harvest," "Mrs. Miniver", and "The White Cliffs of Dover." Besides the \$125,000 prize, Miss Goudge will receive a royalty on sales.
 What is being called "The G. I. Joe Literary Award" is an offer by Dutton's "for the best book manuscript submitted by a service man or woman of any rank, in any branch of the U. S. Service, wounded in action in the present war." It may be fiction or non-fiction prose or poetry. It is really three consecutive contests, running through the next three years. War books continue to hold the spotlight and that will be increasingly true.

SOIL and WATER CONSERVATION PLANS

Mr. C. Q. Williams, Soil Conservation Service, has set up office at Pampa to provide free complete soil and water conservation plans on limited number of farms and ranches in Donley County.

These farm and ranches selected will be practical demonstrations of approved soil, water, and land use practices for continued operations over a long time period.

Mr. Williams states that the Soil Conservation Service will furnish free of charge the technical assistance or supervision of re-seeding idle fields to native grasses, gully control, terrace lines, eradication of obnoxious weeds and plants, improvement of range and other methods for complete plans.

The farmer or rancher desiring the complete soil and water conservation plan should contact county agent at Clarendon. Mr. Williams and you can get together and discuss your proposition to work out plans-together. The proposed plan can be set up for a five year period with only a part of the plan being carried out each year at convenience and ability of resources available. This is a voluntary agreement, based on best approved soil and water conservation practices.

If you are interested in improved range management or soil and water conservation plans for your farm or ranch, contact County Agent at Clarendon for additional information.

of prisoners of war. This information will be given as soon as available.

The increased tempo of the war is having its inevitable effect on the situation of German Prisoner of war camps. Supplies from Geneva will be delayed and casualty reports and camp addresses will probably be delayed. The conditions will increase inevitably until the end. There are probably 2,000,000 prisoners of war from the armies of the United Nations in German camps, and camps for foreign workers and concentration camps have other millions.

A War Refugee Board was established in January under the Treasury Department and plans for the first Emergency Refugee Center in the U. S. have been made to be opened at Fort Ontario, Oswego, New York. This will hold 1000 people who will be admitted for the duration of the war or until they can return to their own country. The War Relocation Authority will operate the camp and the Army will be responsible for the necessary security.

The Swedish Liner, Gripsholm sailed on August 23, carrying tons of Christmas packages and 12,000 sacks of mail for prisoners of war.

Flight Officer Max Rhea and wife returned to Phoenix, Arizona Saturday night where he will be stationed at Luke Field.

Dr. G. G. Ingham of Amarillo brought his mother, Mrs. Ingham of Canyon Wednesday for a visit with Mrs. Millard Word.

Walter Morris left Wednesday for his home at Tucson, Ariz. after several days visit with his mother, Mrs. R. M. Morris.

GRAIN BINS AVAILABLE

In an endeavor to provide additional storage space for grain sorghums, the CCC has advised the AAA that they have a limited number of unerected, unused, pre-fabricated 1600 bushel grain bins of 12'x16'x10'4" dimensions for sale. These bins are shipped from Kansas and were prefabricated in 1942 and 1943. The price will be \$185.00 each, basis five to a car, freight paid to any shipping point in Texas. Cashier's or certified checks, bank drafts, or postal money orders made payable to the CCC are acceptable as payment for the bins. The names of the purchasers involved in each car are to be submitted to the State Office of the AAA along with payment for the bins. The shipping point in the county must be shown and one of the purchasers is to be shown as the Consignee. It is believed that shipment of bins can be expected to arrive within three weeks or less from the time the orders are received in the State Office.
