

DISTRICT COURT AND GRAND JURY TO MEET FOR SPRING TERM MONDAY OF NEXT WEEK WITH LIGHT DOCKET

SPRING TERM OF DISTRICT COURT CONVENES MONDAY OF NEXT WEEK WITH COMPARATIVELY LIGHT DOCKET. GRAND JURY IS CALLED TO MEET MONDAY TO START THEIR DELIBERATIONS. PETIT JURY CALLED TO MEET THURSDAY.

The District Clerk states that the coming term of District Court for Donley County will be a comparatively light session. Attorney Beville also states that the court expects to have a light session with little work for either the Grand Jury or for the petit jury. Unexpected turns may arise and reverse the situation after the court convenes but at the present time, there are very little evidences that the term will be more than ordinary.

The Grand Jury list was published in the News a few weeks back, but is reproduced here for the convenience of our readers. The list follows:

T. J. Kelly, Robt. Boydston, Jim Christal, C. H. Holland, W. A. Peover, J. D. Harvey, J. B. Pickett, T. C. Johnson, R. L. Duckworth, L. A. Stroud, H. M. Stewart, J. T. Patman, J. A. Sowell, Dave Johnson, A. T. Jeffries, H. M. Reed.

Need for a petit jury for the latter part of this first week of the session made it necessary for the calling of the following list to meet Thursday, March 26th. No other list has been called. The list follows:

J. D. Browder, W. H. Grey, W. C. McDonald, E. M. Ozier, C. L. Benson, J. R. Bain, J. G. Blanks, O. D. Meador, Sam Hill, G. A. Anderson, B. C. Antrobus, J. R. Chamberlain, W. W. Darden, Odos Caraway, E. W. Chenault, S. S. Carpenter, Walter Clifford, Jno. H. Clark, F. E. Chamberlain, H. C. Darnell, W. K. Davis, C. L. DeBorja, Wintz Barfield, E. H. Kennedy, L. O. Gentry, W. S. Bagby, F. L. Goldston, M. P. Gentry, J. W. Garland, A. L. Chase, H. P. O'Hill, F. D. Carter, F. E. Banister, W. A. Kullard, W. W. Moreland, E. L. Kennedy, R. W. Fowlkes Elba Ballow, Fred Rathjen.

The docket as handed the News by the District Court is as follows:

Criminal
The State of Texas vs: Cal Hoggard, Selling Liquor; H. H. Lathem, unlawfully transporting liquor; Arah Watson, transporting whiskey unlawfully; Dee Bales, selling intoxicating liquor; Dee Bales, selling liquor; J. M. Dodd, selling liquor; J. M. Dodd, selling liquor; R. G. Adamson, transporting liquor; R. G. Adamson, selling liquor; Alva Connell, possessing equipment for manufacturing liquor; G. R. Parks, selling liquor.

Civil (Jury)
C. J. Derrick vs C. D. McDowell, suit on contract; W. S. Boydston vs C. M. Humphreys et al, to recover usurious interest.

Civil (Non-Jury)
Mollie Smelser et al vs Thomas Z. Tate et al, to set aside probate of will; Wm. Cameron & Co., vs E. O. Barnes et al, suit for debt, Intervenor Plaintiff—Reliance Brick Co., Western Iron & Foundry, Kirby Lbr Co. H. M. Reed and Bert Abrams, J. W. Vaughan vs Henry Ferguson, suit for debt; C. H. Biegel vs John W. Even et al, suit on note; P. & M. State Bank, Lelia vs Natl. Surety Co. et al, suit on indemnity Bond.

Appearance
Belle Smith vs G. O. Wood et al, debt and foreclosure; Lucy Bell Bagby vs Geo. Bagby, divorce; Farmers State Bank vs J. S. Morgan, suit on note; F. C. Metz; J. H. Mann vs Nat. S. Perrine et al, remove cloud; R. F. Morris vs C. W. Dubbs et al, settlement of partnership; First National Bank vs Wm. Patman et al, debt and F/C, trespass to try to remove cloud; G. S. Slover vs P. R. Stephens, remove cloud; J. W. Blank et al vs First State Bank, to revise judgment; Wm. Cameron & Co. vs Clarendon Motor Co. et al, F/C on materialman's lien; Maud Cockrell vs Claud Cockrell, divorce; Aileen Adams vs Earl Adams, divorce; J. W. Lyon vs Dr. Wm. Gray, damages; H. C. Herndon vs V. S. Naggart, debt and foreclosure; Robert Crisp vs Mary Crisp, divorce; R. H. Jones vs town of Hedley et al, trespass to try to remove cloud; Kitty Salmon et al vs H. Lott, remove cloud; H. Lott vs Ins. Co. of North America, debt; M. T. Howard vs M. H. Reed, suit on contract.

Miss Agnes Charlton leaves her position with the Clarendon High School about the first of April to enter West Texas State Teachers College, where she will receive her degree during the next few months. Her position on the High School faculty will be filled by Miss Milam of Memphis.

INTERSCHOLASTIC MEET TO BE HELD HERE APRIL 18TH

Saturday of last week the Directors of the Interscholastic League for Donley County met at the court house and discussed the holding of the annual contests for the county. At this time, it was decided to hold the debates and other mental contests on the night of April 17th in the High School Building. The athletic contests will be held the following day on the High School field and on the field at the college. To assist in the defraying of the expenses, there will be a small admission fee charged for the contests in the school building but no admission charge will be made for the athletic contests. The visitors to the school building will be tagged to allow them to visit all the contests without further payment as they enter the various rooms of the building.

Ribbons will be given to the winners to the first, second and third places in addition to the other prizes that will be given by the local business men. The Lions Club cups will be here for the second year and others may be given as time passes. The debates will be held for both boys and girls at the same time in the High School building. Judges for all the mental contests will be secured from out of the county to assure the contestants that there is no partiality in any of the work. The executive committee made all these decisions after they had discussed them from every angle. They wish to make this the biggest event of the year and if their plans work out, it will be the biggest event staged in the county during the year.

W. T. LINK NOMINATED IN MASS MEETING THURS.

Last Thursday afternoon, a part of the citizens of the city of Clarendon met in the City Hall for the purpose of nominating a man for the office of mayor of the city. Approximately fifty of the representative citizens of the city were there and made quite a showing in the attendance. The names of H. W. Taylor and W. T. Link were placed before the meeting for their approval. After the nominating speeches had been heard, the assembly voted to nominate W. T. Link for the office on a ballot of 20 to 26 favoring Mr. Link.

SUNDAY IS DAY FOR ACCIDENTS IN CLARENDON

Sunday last, the city of Clarendon was overridden with more than her share of the accidents sustained in the state of Texas. Four accidents, one of them resulting in the death of an aged lady happened in the afternoon and night of Sunday. The first came to pass when two cars crashed at the Methodist Church corner. The next was at the bridge at the South end of Main Street in which Mrs. L. C. Jones received injuries which resulted in her death a few hours later. Later in the evening a young man from the city of Lelia Lake turned his car over without injury to any of the occupants. Early Monday morning the car belonging to J. F. Parks of this city was overturned on the road near Ashtola with the result that the car was almost a wreck without injury to the driver. No other accidents have been recorded but we feel that this was plenty for one day.

HIGH SCHOOL HOME ECONOMICS CLUB

The Home Economics Club of the High School presented a very entertaining and novel program Tuesday afternoon in the High School auditorium. The parts were entirely original and especial mention should be given to the play which was composed by the girls. Under the able instruction of Miss Norma Stewart the girls are accomplishing many worthwhile things. They are now making plans which will enable them to secure money to help defray the expenses of the several girls who will represent Clarendon at the State Clothing contest at Austin, which will be held in April. Friday night will be benefit night for them at the Pastime Theater, the proceeds to go toward the expenses of the delegates to the state meeting.

John W. Fitzgerald of Memphis was a Clarendon visitor last week.

NEWS IS SPONSOR TO CHECKER TOURNAMENT

The Clarendon News recently entered into an agreement with the Amarillo Globe to sponsor the entrance of a team of checker players in the Panhandle tournament to be held in Amarillo early in the month of April. This tournament is one of the latest ventures of the Globe and they are offering a silver loving cup to the individual who wins the tournament. The News wants to hear from all the checker players of the county who will be willing to enter the contest and take part in the tournament. Let us know as soon as possible as we will be wanting to make up our list to enter in the Panhandle tournament.

LOCAL ORCHESTRA TO PRESENT PROGRAM SUNDAY

The orchestra which has been working since the beginning of the school year last September under the direction of Charles Dean will present its first public recital next Sunday afternoon in the Methodist Church at 3:30 p. m. A mixed program will be given and will consist of orchestra numbers, solos and other numbers furnished by the individual members of the orchestra. This bunch of folk have been working hard on their numbers for the past months and they are now in position to give something that will be appreciated by the public in general and the Clarendon public in particular.

CITIZEN'S BOARD HAS FIRST SESSION

The annual attendance contest of the Lions International will be entered by the Clarendon Club and the committee appointed to look after the plan is as follows: Lions Burris, Ryan and Ball. In the matter of the annual meeting, to be held this year at Brownwood, a committee will be appointed to investigate this and report to the club. The meeting is to be held in Brownwood on April 27th and 28th.

CITIZEN'S ADVISORY BOARD MEETS FOR FIRST TIME AND OUTLINES PROGRAM.

To bind the College and the city of Clarendon more closely, there has been formed an advisory board of the citizens of Clarendon. This board is composed of representatives from almost every business represented in the city of Clarendon and contains what seem to be the most level headed business and professional men of the city. Men who have made comparative successes in their lines of business and who will do their best toward making Clarendon College the school it should be helping the authorities of the school in their plans for the school. The Ladies Club were not overlooked in their importance and representatives are selected to take their part.

The first meeting of this board was held in the City Hall last Friday afternoon and elected their officers for the coming year. Sam M. Braswell was elected chairman of the board and Homer Mulkey was elected secretary. Upon due motion and second, it was decided to retain the original finance committee which had such signal success in the recent \$20,000 drive to pay the last cent of indebtedness against the school. The other committees will be appointed in due season and the work will be started at once to make the town worthy of the school which will be here in years that are to come.

Everyone who was present at this meeting expressed their entire willingness to co-operate with the school officials to their fullest extent and to make their work as light as possible. Favorable expressions were heard as to the ability of the committee to work with the school and the members of the committee appeared to be very favorably inclined to make this first experiment a success from every standpoint.

Recommendations were made to the committee as to the necessary committees that would be necessary under the direction of the Advisory Board. These committees are under consideration and will be appointed as soon as they can. The suggested committees follow:

1. General purpose—To keep the community acquainted with the actual status of the school from time to time.
 2. Student Board Committee.
 - (a) A go-to-school at home committee.
 - (b) Securing students from abroad.
 3. General Publicity Committee.
 4. Alumni and Ex-Student Committee.
 5. Social Committee.
 6. Student Employment Committee.
 7. Library Committee.
 8. Campus Committee.
 9. Lycium Committee.
 10. Athletic Committee.
 11. General Discipline Committee.
 12. Finance Committee.
 - (a) Local Improvement and running Expense Committee.
 - (b) An Endowment Committee.
 13. Student Activity Committee.
- The activities of this board will of necessity be limited only by the ability of the members who make up the personnel of the committee. They will not attempt to set the policies of the school, nor will they try to

ORCHESTRA PLAYS AT LIONS LUNCHEON

NEW STUNT SEEN WHEN LIONS ENTER DINNER ROOM AND HEAR STRAINS OF MUSIC.

The Clarendon Lions Orchestra made its first public appearance Tuesday of this week when they played for a short time just before the opening of the luncheon hour at the Christian Church. Small in numbers they made up for that in the volume of sound produced from their instruments. The music was appreciated by the members as was noted when they had finished their first number. It is possible that they will appear on other occasions as the weeks pass.

The committee of Lions that were out on the Boy Scout matters made its report to the club and was well received. The same committee will be retained to work out plans and means with the other clubs of the city to make the scout movement in Clarendon a success. Nothing definite was given out for publication, but it is suspected that there will be an announcement of importance made in the very near future. Members who are most interested in the movement feel that if one year can be put over with success that the work in Clarendon will be practically assured when the time comes for the renewing of the pledge to the Panhandle Council and the local work.

The question of the Ladies Night programs for the club was raised and was discussed at length by a number of the Lions. It was first proposed to hold one of these meetings each quarter but this met with so much opposition that the motion was amended to have these meetings every other month and in this manner relieve the situation insofar as possible. Even this plan did not meet with the entire approval of the club but the men who have worked most on the entertainment committee for these affairs state that it is almost impossible to get a program that will be snappy enough to prove interesting to the Lions and their ladies. Lion Nelson was appointed chairman of the committee to work until the annual election of officers which is to take place in the latter part of June.

Lion Fuller was called on and stated that everything was in readiness for the minstrel and stated that all that was needed was a spirit of co-operation to make the thing a big success. A meeting of some of the members of the club was called for a few minutes after the club adjourned and a meeting date was set for the first rehearsal. The music for the parts has all been received and the orchestra will be ready to do its part by the time the remainder of the Lions are ready to take their places on the stage.

The question of scholarship to be given annually by the Lions Club was brought before the club. No action was taken on this matter at this meeting. It will be settled at the next meeting of the club.

The much promised and discussed chart for the membership of the club was in the room for display. It is hoped that it will be an aid to the perfect attendance at the meetings of the club during the attendance contest that will be staged beginning with the next regular meeting.

No more business of importance coming before the club, they adjourned in the usual manner.

Those present at the first meeting of the board were as follows: Homer Mulkey, Joe Goldston, W. L. Ball, M. E. Bell, S. H. Condon, W. C. Stewart, Rev. J. H. Hamblen, D. O. Stallings, W. M. Montgomery, Fred Rathjen, J. E. Nelson, John Watts, H. B. Kerbow, Mrs. B. W. Moreman, Paul Shelton, C. L. Benson, J. C. Blackburn, Jerome Stocking, H. T. Burton, John Sims, Sr., J. R. Bartlett, W. H. Patrick, O. L. Fink, H. W. Taylor, Dr. B. L. Jenkins and Sam M. Braswell. There are a number of other members on the board that were not present at this meeting but whose places will be filled when they see the great possibilities of this body.

NEW PHONE DIRECTORY ASSUMING GOOD FORM

The telephone directory for 1925 is progressing as rapidly toward completion as could be expected. All of the advertising has been sold and the names are in the office to be set into type. Without undue loss of time, the directory should be in the hands of the telephone users near the first part of April. In addition to this book, the News job department is handling a twenty page booklet on the Summer school of the college and will soon get the catalog of the college for the annual session. All this is in addition to the usual publishing of the Clarendon and the News and the other work that is to be found in the office of the News at this time of the year.

Mrs. John Clark is visiting her daughter at Cleburne.

CITIZENS MEETING NOMINATES TAYLOR FOR MAYOR

A meeting of some forty citizens this afternoon at the City Hall nominated H. W. Taylor for Mayor in the coming city elections. Mr. Taylor has been a member of the city commission for a number of years and is acting mayor in the interim between the death of Mayor SoRelle and the election on April 7th. The nomination fell on Mr. Taylor as the unanimous choice of today's meeting.

VIEWS ON PROPOSED BOND ELECTION

PROponents OF DRAINAGE LOND ISSUE PRESENT VIEWS ON ELECTION.

Clarendon is facing an emergency and is confronted with dire necessity, with the State Board of Health threatening to condemn her sewage disposal plant and limiting the time in which to repair it. Clarendon Lake has been classified by the board as a public nuisance and lurking danger to the community threatening havoc to the general health and well-being. Consequently, the proponents consider the drainage project as the most urgent and outstanding public improvement placing the other needs of the town on the waiting list.

The other needs, and there are several, for civic reasons ought to be done; the sewage proposition is one that HAS to be done and with the least possible delay. It is better to do it now while there is time to do it right, rather than wait until the horse is stolen before locking the stable. When the disposal plant, already a flagrant violation of the sanitary code and endangering the health of the community, is condemned it will HAVE to be replaced, but possibly not until after a typhus epidemic has passed over the town. When the lake breaks into land and contaminates our water wells, it will have to be drained, but possibly not until several deaths have resulted through negligence.

A careful survey has been made to ascertain the best way of remedying these two evils and the best plan found to be one of combining the two projects under one head to minimize the cost and simultaneously take care of the storm waters that threaten the business district after every heavy rain.

Investigation proves that the most feasible and economical plan for taking care of the flood waters is to prepare outlets through which the water can be brought under control, pass unhampered through the city in a minimum time and on out of the way, rather than to attempt to levee against it at a greater cost and always have a possible broken levee hanging over the community. It will be recalled that the dire need of this project was instrumental in the decision of the American Legion to call off the election for a Legion Hall last summer.

Further surveys disclose that the most logical plan is to place the drainage of the lake and improvement of the sewage plant under one head for economical reasons. In several instances work essential to either will suffice for both and reduce the cost of each project by joint construction in proportion. The drainage of the lake will greatly facilitate the disposal of sewage and the lake dry to serve as a reservoir to catch storm waters which can be drained out so as to have an empty reservoir for the next emergency, keeping the water at all times under control and establishing an outlet for the sewage.

The proposed ditch system through the city also kills two birds with one stone, providing a route for the water and automatically furnishing a number of needed public improvements, which brought under one head also minimizes the cost. The paving of

BUSINESS MEN'S ASSOCIATION MEETS MONDAY EVENING FOR FIRST GENERAL MEETING SINCE ORGANIZATION BEGAN

OFFICERS OF ASSOCIATION ARE ELECTED AND OTHER BUSINESS MATTERS ATTENDED THAT ARE ESSEN- TIALLY NECESSARY TO ORGANIZATION. COM- MITTEE IS AT WORK ON SOLICITING MEMBERS FOR GOOD OF MERCHANTS AND PROFESSIONAL MEN.

PAUL JAMES' MEMPHONIANS PLEASE PASTIME AUDIENCE

Tuesday night of this week, Paul James' Memphonians, a five-piece jazz orchestra from Memphis with a statewide reputation, was presented as a part of the program for the evening at the Pastime Theatre. They gave a thirty minute novelty program that won liberal applause from the appreciative crowd. In the words of Manager Homer Mulkey, as he introduced them, "They only introduction here, and the only thing that Memphis is ahead of Clarendon in, is the musical organization line."

FINANCE COMMITTEE IS MEETING GOOD RESULTS

For the past week, the finance committee of the Chamber of Commerce has been working among the membership that had not renewed their pledges for the coming year. They report that all of the old members are renewing their pledges and that some of them are increasing their quotas for the year. There remains a few who have not been seen by the committee and these are urged to either look up the committee and make their pledges anew or to let them know that they are still good for the amount set opposite their names. The full report of this portion of the Chamber of Commerce will be made known at a later date.

The Christian Endeavor Union, Denton, proposes plans for a club room where a library may be maintained.

The ditch through the business district not only increases its capacity for carrying water but beautifies that portion of the city.

The plan includes paving around the court house square which will lower the street and allow an outlet for the water damaged thereby and removes the water from other dirt streets that are at times greatly damaged in that way, and from Main Street.

This will not only allow the water to pass on its natural course through the west part of town instead of diverting it also into the one ditch and overflowing it, but will also give the city the four blocks of paved around the court house which has been agitated for some time for additional parking streets and the convenience of the public in general. This will be the beginning of a system of paving in that part of town that it is hoped will eventually reach to the college.

The half block of paving contemplated as a part of the project South of the Christian Church and East of the Shamburger Lumber Company will construct an entrance for the water into the concrete ditch and eliminate danger of having it fill with dirt from the head, and will also provide a street that can be traveled when the water is running and that will not be damaged thereby.

This is a joint project of community protection and public improvement and which is considered of major importance. The entire construction has been planned for a maximum improvement at a minimum cost. We shall be forced by the Board of Health to do a part of it and by community demand to do the remainder eventually, why not now, while there is ample time to plan the work carefully, in preference to waiting until we are forced by community disaster to do it quickly with hazard to the project and at an increased cost.

The Chamber of Commerce has prepared facts and figures covering what will be covered by the bond issue; what the community will get for its money; and what it is going to cost in actual dollars and cents to do the things that we will be forced to do anyway if the present project is not carried out, aside from the probable cost in human mortality should the sewage or lake get out of control. These figures will be made public, item by item, in the next issue of the News for the general information of the public, as a public service.

The project is not exactly a movement of progress but is brought on by actual need to safeguard the people of Clarendon. Watch for the publication of the figures covering the proposition in the next issue.

Starting the week with a meeting of the recently formed Business Men's Association, the citizens of the city have entered on a new era in business. The Board of Directors have held several meetings before this time, but this is the first time that the membership has been brought to meet in an open meeting to discuss matters that seem to be all important in their minds. The officers of the Board of Directors, W. T. Hayter, President; C. S. Boston, Vice President and Clyde Douglas, Secretary were elected to fill the same positions in the Association with the exception that Walter Cothran has been made Secretary of the Association and Mr. Douglas was made treasurer.

About forty men of the cities of Clarendon and Lelia Lake were present at this meeting and the feeling was such that would indicate an enthusiastic and able working organization. Invitations were extended to merchants in the cities of Hedley, Jericho and Ashtola, but due to some reason or another, none of them were at the meeting. At a later date, a representative of the association will call at these cities and urge the men there to take an active part in the work as planned.

The constitution and by-laws were adopted as recommended by the committee. Several of the members made splendid talks that will be helpful to the organization in the future as it grows into something more concrete than at the present time. The association will be incorporated as soon as the necessary papers can be secured. There has not been an office found that will care for the needs of the association, but this will be attended to at a later date. Affiliation has been secured with R. G. Dun & Co., and with the State and National Retail Merchants Associations. Other affiliation may be secured as soon as the directorate may see fit.

Secretary Cothran states that the drive for members in the Association is progressing very nicely indeed. At the present time, there are approximately sixty members and before every one has been seen, it is expected that there will be approximately seventy-five merchants in the county who are affiliated with the organization. The budget will run almost \$3,000 per year. Merchants who join the association will be assessed by a committee who rates them in accordance with the size of the business or profession represented. Membership in the association will run from \$2.00 per month to \$5.00 per month in accord with the business represented.

The individuals in the city will not be rated in the office, but the man who wishes to know of the rating will be given all the information on hand in the office and will be expected to use his own judgment as to whether or not the man is worthy of credit. Three factors will be considered in the rating of a man: Willingness to pay, Ability to pay and whether or not the man can be made to pay.

The enthusiasm with which the men of the city are entering on the work would indicate that Clarendon is in the way of having a real association that will function properly within the next few weeks.

Mr. and Mrs. Lindsay Taylor and baby left last week for Lubbock where they will make their home. Mr. Taylor having bought a plumbing business at that place.

ECONOMICAL CHANGE IS PLANNED IN BOND ISSUE

At a joint meeting of County and City officials and a committee of citizens Wednesday night it was decided best to call off the Drainage Bond election in its present form in order to make a revision in plans for economical and other reasons. As we go to press we understand that the Commissioner Court is in call session in order to execute the order. The revised plan contemplates a saving of approximately forty or fifty thousand dollars it is understood, and full details will be made public in the next issue of the News after estimates have been made, at which time the court will order an election in a different amount.

NOTICE—Any erroneous reflection upon the character, standing or reputation of any person, firm or corporation which may appear in the columns of The News will be gladly corrected upon its being brought to the attention of the publisher.

The Panhandle Press Band will dispense music at the Amarillo convention in April. "More harmony" is what the boys demand.

The world is looking for young men of clean living and clean thinking. There is no limit to their achievements except their willingness to work.

Equinox comes the latter part of the week and we are all hoping for a general rain of generous proportions. Give us a good rain and the crop situation for 1925 is assured.

The Senate is very contrary—it has twice turned down President Coolidge's nomination of Warren for attorney general. It's Cal's next move.

The News' exchange desk is brightened by the addition of The Floyd County Hesperian, that excellent weekly at Floydada gotten out by our good friend, Homer Steen.

If all the accidents of Sunday in Donley County had happened Friday the Thirteenth, just past, even the most free from superstition would have been staggered in their views. As it is the most careful of us can well afford to consider the chances of accident and become even more careful.

Clarendon people will soon have opportunity to show their interest in the boys of the community by subscribing to the Boy Scouts annual maintenance fund. Our greatest asset is the boys and girls of our city. Develop them and the future is assured.

Clarendon should have a large delegation at the West Texas Chamber of Commerce Convention in Mineral Wells early in May. When the hustling and growing towns of West Texas "do their stuff" in the big parade Clarendon's flaunting banner should be numbered "among those present." Get ready to go.

Just a little over sixty days until school is out and parents will be confronted with the problems of what to do with the children during vacation. A little vacation trip is fine, but let us not forget that WORK is the best solution to that problem of character development and keeps the youngster's education going on even in vacation.

Money Orders will cost more after April 15th, according to the provisions of the new postal regulations. There are those who think this will stop the mail order evil to some extent, but we doubt it. The mail order evil will be stopped when local merchants go after the business as strongly as do the mail order houses and when they themselves quit buying printing and other necessities away from home. There are merchants in Clarendon who are getting their share of the local business—and there are those who don't. The first class advertise consistently—the others don't.

The legislature at Austin has made a great record in handling the appropriations for the state this session which closes today, and we feel that whatever else they have done not to our liking, they deserve much praise for their record. Just by way of explanation, The News believes much credit for this record should go to Hon. Lee Satterwhite, Speaker of the House and to Hon. Eugene Blount, chairman of the appropriations committee.

The membership committee of the Chamber of Commerce is making the annual drive this week for renewals and new members. The organization should have a large financial budget for its work and a number of firms and individuals are increasing their monthly contributions so that more and better work can be done. With the good work of the past year as a pattern, the achievements of 1925 should be much greater. Clarendon is due for a great growth in 1925-26.

Twice in the past week the News editor had the pleasure of going over the scenic highway between Clarendon and Silverton and to say that what we had heard of its natural beauties paled into insignificance by the seeing is putting it mildly. There are few more inspiring views in America than the rugged Cap-rock section of this route, and those who have not seen it should take the time to do so at their early convenience. "See America First", is a great slogan, but "See Texas First", and "See the Panhandle First" are of more local importance.

Dairy products from the farms of America grew from \$675,000,000 in 1910 to \$1,510,000,000 in 1923. Students of economic conditions in this country are now convinced that dairying is the farmer's standby and is destined to show even a greater growth in the next few years. It's a cash proposition, bringing a regular weekly or monthly income and is the surest method of keeping free from debt and crop mortgages for living expenses between harvest periods. Donley County has made some progress along this line in the past few years and in every individual case there has been such satisfaction that the farmer has planned to increase his cream production and income each succeeding year. It means more prosperity for Donley.

Sunday's papers carried the announcement of Curtis Keen having been appointed publicity and public relations manager for the Baker Hotel interests in Texas, with headquarters at Fort Worth in the Texas hotel. Curtis Keen was secretary of the Clarendon Chamber of Commerce immediately after the war and made such a record here that he gained quite a promotion by going to Lubbock where he has made a great success since that period. Today he is regarded as one of the best publicity men in Texas and this new job that has been created for him by "big business" is another tribute to his ability. It is said that he is the only man in the United States holding such a position, but we are confident that the Baker interests will be more than satisfied with their venture with Keen before a year has passed. His many Clarendon friends wish him still greater success as the years come and go.

LET'S HAVE A COUNTY FAIR

After a lapse of several years, there are many in Donley County who feel that we should have a county fair and The News heartily concurs. There is much good to be gotten from an annual getting together and display of the products of such a wonderfully rich county as Donley, and we should see to it that we do not miss the benefits another year.

True, it takes money, but it takes money to do anything worth while. There is little doubt but what the business and professional interests of Clarendon would put up the necessary finance and we know that the county is full of progressive and aggressive farmers who are always willing to go their limit in making such an event a success. But if we are to have a county fair we must get busy, for it is a matter of many weeks' hard work and careful organization to stage a fair commensurate with the possibilities of a county like Donley.

Let's have a county fair.

WHAT SHOULD BE SPENT FOR ADVERTISING!

- The ten best retail advertising men in the country give the following figures as the proper amount of gross business to be set aside for Advertising:
- Department stores 31-2 per cent.
- Women's specialty Shops 51-2 per cent.
- Millinery stores, 4 per cent.
- Shoe stores, 4 per cent.
- Music stores, 51-2 per cent.
- Furniture stores 51-2 per cent.
- Electrical stores, 6 per cent.

In View of Our Deep Interest of Our Customers,

the community and public in general, we desire to make the following suggestions as a protection to our customers and business people of this community.

Do not, in so far as you can avoid it, write checks for small amounts.

Do not write checks with a lead pencil, they are easily changed and you are assuming all of the liability of a loss.

Do not give checks to strangers.

Do not under any circumstances cash checks for strangers.

Never leave your check book where any one else has access to it.

Our appreciation of our customers' business and interest in their welfare prompts us to ask that they co-operate in better and safer methods.

A Suggestion About Building

When you build a home, or a barn, or a garage you want it to last as many years as possible. You want it to be an investment and not a liability. The only way to accomplish this end is to build with the very best lumber obtainable. Cameron lumber is that kind of lumber—let us figure with you on the lumber that is the cheapest in the long run—Cameron Quality Lumber.

COUNTY OF DONLEY
BEFORE ME, the undersigned authority, on this day personally appeared Lottie E. Lane, County Clerk in and for Donley County, Texas, who, being by me duly sworn, on her oath deposes and says that the foregoing account is true and correct.

LOTTE E. LANE,
County Clerk, Donley County, Texas.

SUBSCRIBED AND SWORN TO, before me, by Lottie E. Lane, this 7th day of March, A. D., 1925.

J. R. PORTER,
County Judge, Donley County, Texas.

APPROVED, in open Commissioners' Court, this the 12th day of March, 1925.

J. R. PORTER,
Presiding Officer Commissioners' Court, Donley County, Texas.

Monuments Are Memorials

In the sense that it records facts or recalls them to memory, a monument is a memorial, however ugly, or tasteless, or mechanical it may be. But who wants an inartistic memorial?

The man in whose mind or heart a monument is born is the measure of that monument when it is done. A work of taste meets with endorsement only so far as its creator makes it worthy to be endorsed. And the best workman is worthy of the best material to work on.

Firm in the belief that the best is the cheapest after all, we handle only the best of material, and employ only the best of workmen, so that a monument or memorial erected by us will be as enduring as the love for the one it commemorates. Estimates cheerfully given on any size work delivered anywhere.

Clarendon Monument Works

Manufacturers of, and dealers in monuments of the better kind.

SANTA FE INAUGURATES NEW CALIFORNIA TRAINS

Important changes in the transcontinental passenger train service on the northwest Texas lines of the Santa Fe Railway become effective March 16th. Additional through trains will be operated by way of Amarillo between Chicago and California.

Passengers for California from northwest Texas will have the choice of two through trains. Number 1 leaves Amarillo at 7:10 p. m. and arrives in Los Angeles 11:00 o'clock the second morning. Number 21 leaves Amarillo 5:30 a. m., and arrives in Los Angeles at 6:15 p. m.

the next day. Passengers for California on number 1 will travel through the highland of Arizona with its varied scenery of deep canyons, painted desert, and petrified forests in day light. Next morning the train passes through the San Bernardino and San Gabriel mountains and the noted Cajon Pass. The last lap of the journey is through gardens and orange groves.

Train number 21 will be operated ranged between Amarillo and Los Angeles. The schedule calls for 36 on the quickest schedule ever arranged and 45 minutes between these points.

Both trains carry through Pullman and tourist cars, as well as

modern chair cars and coaches. Number 21 will also carry a standard sleeper for Los Angeles via the Grand Canyon, stopping over one day at that point. This will enable Chasms without change of sleepers, passengers to visit the Titan of

The Denton County Federation of Women's Clubs recently took up again the project for securing a Denton County Library, a committee being appointed for carrying on the work. A recent letter to the State Library states that prizes are being offered to school children through out the county for essays on a county library for Denton County.

NOTICE OF CITY ELECTION

And also at said meeting, the said John T. Sims, Commissioner, offered the following resolution:

BE IT RESOLVED that this Commission, pursuant to Article 785 of the Revised Statutes of Texas, order an election for Mayor of the City of Clarendon to be holden at the City Hall on the 7th day of April, being the first Tuesday in said month, and that W. T. Clifford, W. B. Sims and

be appointed judges of such election and that the thirty days notice of such election be published as the law in such cases provides, which notice shall as follows:

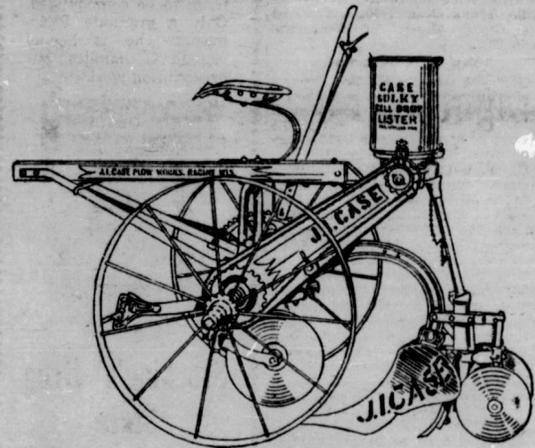

"TO THE QUALIFIED ELECTORS OF THE CITY OF CLARENDON—KNOW YE:

That, pursuant to Article 785 of the Revised Statutes of the State of Texas and a resolution this day adopted by the City Commission ordering an election for Mayor, there will be holden at the City Hall, on Tuesday the 7th day of April, 1925 an election for the purpose of electing a Mayor, for the term of two years beginning immediately following said date, by the qualified voters of the City of Clarendon."

It is further ordered by the Commission that this notice be published once each week for four successive weeks in THE CLARENDON NEWS, a newspaper published in the City of Clarendon, said publication to begin on Thursday, the 5th day of March, 1925.

Tuesday, March 3, 1925.
H. W. TAYLOR,
Commissioner and acting Mayor.
JNO. T. SIMS,
Commissioner.

"Get In the Well Dressed Circle"

Men, We Have the Clothes You've Been Looking For.

We know that our clothing business can grow only by service to the men of this community. Our range of Spring Suits includes the choicest styles, materials and colorings in the CURLEE lines. Each offering is an unequalled value. We know that if the men and young men of this community will come to our store and let us show them these attractive, perfect-fitting garments, and permit us to give them a "try-on" they would appreciate the fact that we are rendering a real clothes service and that we are entitled to their trade. Let us show you.

\$25 to \$35

Greene Dry Goods Company

ADVERTISING BY UTILITIES WAS ABOUT \$11,000,000 IN '24

It has been estimated that the total amount of newspaper advertising by public utility companies of the United States in 1924 was \$11,000,000. This is an increase of \$3,000,000 over the preceding year. Plans for the current year are companies will expend a much larger

sum for newspaper advertising in 1925.

The increase in percentage over 1923 that the 1924 figures show is about as follows: Electric power and light, 50 per cent; electric railways, 2 per cent; gas, 20 per cent; telephone, 50 per cent. Read the Advertisements.

BOOK ISSUED BY THE DALLAS NEWS

INDUSTRIAL GUIDE FOR 1925 IS COMPENDIUM OF DATA ABOUT STATE.

The 1925 edition of The Texas Almanac and State Industrial Guide has recently been issued by The Dallas Morning News.

The new volume is a complete compendium of facts about Texas, covering industrial, commercial, educational, political, governmental, agricultural and other phases of the State's development. The book carries a description of each county of Texas, a complete postoffice guide of Texas, with populations of all cities and towns, figures on State governmental expenses, statistics upon insurance and banking, manufacturing, production of mineral, agricultural and live stock products, Texas railroads, ports and harbors, highways, motor vehicles registration, utilities and power and fuel resources.

Complete figures for the recent elections for State officers are given as totals and a vote by counties for each of the primaries, and county vote is given also upon the face for Governor and President in the general election. General political and governmental information, such as poll tax payments by counties, party executive committees, State officials, members of House and Senate and counties represented by each, terms of State officers, salaries of each, when created and method of selection, also counties in various governmental districts, classification of valuation of property by counties, State official positions, assessed bonded indebtedness of cities and counties and Texas property classes by values. There is also a chapter covering the United States Government and giving names of chief officials.

The chapter on agriculture is particularly complete, covering statistics on farm values, population, tenure, mortgages and similar statistics, and showing land values, tenure and farm population by classes for each county. Figures upon the acreages, volume of production and values of all crops are given for the past year and preceding years, covering not only the principal crops, but also the minor crops, such as spinach, cabbage, tomatoes, rye, broom corn, pecans, cantaloupes and onions. Forty Texas crops are covered in the same manner. Statistics and facts are given on Texas cattle, sheep, swine, horses, mules, goats, wool, mohair, poultry and poultry products and bees and honey production together with best available estimates of the actual volume of the Texas live stock slaughter.

A complete statistical recapitulation of Texas mineral production is offered, covering production and values by years since production of each mineral was begun. Tables showing annual production of Texas as oil by fields are presented, covering the period from 1896, when Corsicana began to produce in volume, until the present. Petroleum production for the States and for Nations are given by years, covering the entire history of petroleum production. Figures upon annual production and value of gold, lead, silver, quicksilver, mineral waters, salt, lithium, granite, gypsum, clay products, lime, cement and other minerals are given.

Other Texas natural resources are dealt with, including figures upon Texas timber resources and produc-

BEING A TRUE GENTLEMAN

At a social affair in New Haven, says William Lyon Phelps, Yale professor in Scribner's Magazine, a college lad handed a plate containing food to a New York multimillionaire. The boy thought the rich guest was the butler.

The multimillionaire did not throw the plate in the lad's face. He did not even make a cutting remark. He simply took the plate and carried it away.

That saved the boy from humiliation and bridged the situation perfectly. The rich man thereby proved that he was a gentleman indeed.

Another sort of well-to-do man was one morning leaning over a news stand. A customer, mistaking him for the vendor, asked if these were New York papers.

The well-to-do man, who was not a gentleman, was instantly angry. "I don't know any more about it than you do," he exclaimed.

He then proceeded to say more in the same tone. Dean Swift was right. The true gentleman is he who gives the least offense to any member of the company.

There are many opinions about this being a gentleman. Dean Swift's definition is simple enough. Being a gentleman certainly has nothing to do with fashion. Beyond a decent cleanliness it has nothing to do with apparel and appearance.

Being a gentleman means being kind and thoughtful and no matter if kindness and thoughtfulness mean sacrifice.

It is a great temptation to shine in a company. It is a great temptation to say the smart thing and make an impression although the smart thing may not be quite kind.

The real gentleman resists that temptation. The real gentleman ignores, "passes up," a temptation to shine, for the sake of keeping somebody else comfortable.

The other night I gave my theatre checks to a nice looking girl in the aisle. I thought she was the usher.

She wasn't. She was the society girl in my own town. She did not laugh or did not grow angry. She slipped unobtrusively by and made the situation very easy for me.

She was a gentlewoman. The gentleman and the gentleman—they take pains to be kind.—Bonham News.

tion and the State's wild game and fish and oyster resources. A brief review can only touch upon a few phases of The Texas Almanac. Among its features not mentioned above are a map of Texas as pipe lines, figures upon interurban and street car mileages, map of transmission power lines and cities with electric service, list of Class B radio stations, statistics on Texas occupations, units of weights and measures for all commodities in Texas, flow of Texas rivers, rainfall at all Texas weather stations, reclamation and irrigation projects, list of State, denominational and private universities and colleges, list of amendments to present State Constitution and figures upon Texas payment of State and Federal taxes. The book has 448 pages, of which nearly 400 are devoted to facts and figures upon Texas. It is bound in both paper and cloth and each volume carries folded under the cover a large map of Texas in colors, showing counties, railroads, interurbans, highways, designated by numbers and names, towns, rivers and other information.

MARCH MASONIC ANNIVERSARIES

Washington, D. C.—In the month of March many countries offer famous names for Masonic anniversaries.

In the United States Freemasons will honor the work of DeWitt Clinton who was Grand Master of Masons of New York from 1806 to 1819, and whose name is associated with the establishment of the public school system of that state. At the present time many schools bear his name. He was born March 2, 1769, and was one time governor of New York. He held Masonic membership in Holland Lodge, New York City, in which he held various offices, including that of Master.

Texas Masonic lodges will celebrate the exploits of Sam Houston, first president of the Republic of Texas in 1836 and later governor of Texas under American rule in 1861. He was made a Mason in Cumberland Lodge No. 8, Nashville, Tenn., in 1817, becoming affiliated with Holland Lodge No. 1, Houston, Texas in 1837. He presided over the Masonic convention held to create the first Grand Lodge of Texas. He was born on March 2 and this will be the 132nd anniversary of his birth.

The Master Singer

Germany will offer the name of John Wolfgang von Goethe, acclaimed among the greatest poets and philosophers of history, who died March 22, 1832. He was made a member of Amalia Masonic Lodge, Weimar, Germany, on June 23, 1780. His poems contain many Masonic allusions.

The present unhappy plight of the Craft in Hungary will be remembered in the name of Louis Kossuth the Hungarian patriot, who died at Turin, March 20, 1894. He was made a member of Cincinnati Lodge No. 233, Cincinnati, Ohio, February 20, 1852.

England has several Masonic names claiming attention this month. On March 12, 1683, Dr. John T. Desaguliers was born. He was made a Mason in the Lodge of Antiquity, London, and became Deputy Grand Master of England in 1723. It is believed that he had much to do with the formulating of the rituals of the lodges after the establishment of the first Grand Lodge of England in 1717.

England also offers Edward Gibbon, the famous author of The Decline and Fall of the Roman Empire, whose philosophical interpretation of history profoundly affected the thought of his time. He was made a Mason in Friendship Lodge No. 6, London, in March, 1775.

King of England

William IV, King of England, was raised a Mason in Lodge 86, Plymouth, England, on March 9, 1786. Scotland will be represented in the galaxy of great names in the person of Sir Walter Scott, who assumed the obligations of Masonry in St. David's Lodge No. 36, Edinburgh, on March 2, 1801.

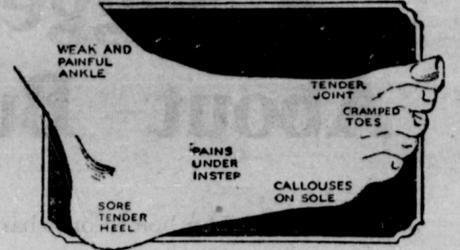

Returning to the United States in our survey, it is recorded that George Washington received the Fellowship degree in Alexandria Lodge No. 22, at Fredericksburg, Va., March 3, 1753. Washington's association with the Craft is one of the glories of the Fraternity.

Many Revolutionary worthies stand high among the honored ones of Masonry. We may mention John Otis, American statesman and patriot, who was made a Mason in St. John's Lodge, Boston, on March 11, 1752.

Revolutionary Heroes

Colonel Joseph Montfort, American patriot, statesman and soldier, was a member of Royal White Hart Lodge, Halifax, N. C., in which city he died on March 25, 1776. He was appointed, under the Grand Lodge of England, to be Provincial Grand Master of and for America, in 1771. He was the first and only Grand Master of Masons having all America under his jurisdiction and in this capacity he served from 1771 to

Foot Troubles?

FREE DEMONSTRATION SATURDAY, MARCH 28TH

Seven persons out of every ten have some form of foot trouble. It may be weak or broken-down arches, weak ankles, corns, callouses or bunions or probably a case of tired, aching, painful feet. Regardless of what may be the nature of your suffering, you will find quick and permanent relief, this week, at our Foot Comfort Department.

Foot Comfort Expert to Serve You

For the benefit of all foot sufferers, this store has arranged with The Scholl Mfg. Co., for the service of one of Dr. Scholl's most skilled demonstrators, who will be at our store to give free foot comfort demonstrations on the above date. Every foot sufferer should take advantage of this exceptional opportunity.

Free Pedo-graph Picture Made of Your Feet In a few seconds' time, without removing the shoe, he can make a photographic print of your foot that positively shows if you do have foot troubles and to what stage the trouble has progressed. This service is absolutely free and places you under no obligation whatever.

FREE SAMPLES

Do you want to know how to stop corns hurting instantly? Come in and get a sample of Dr. Scholl's Zino-pads. They remove the cause of corns—friction and pressure. Thin, antiseptic, healing.

Bring your foot troubles to this store during this demonstration and learn the true meaning of foot comfort.

RATHJEN'S SHOE STORE

1776, when the Grand Lodge expired. William Pinckney, who was attorney general under President Madison and later United States Senator from Maryland, was born on March 17, 1764. He is presumed to have been made a Mason in Lodge No. 16, Baltimore, and was one of the petitioners and the first Senior Warden of Amanda Lodge No. 12, at Annapolis.

General Andrew Jackson was born at Waxhaw, Settlement, N. C., on March 15, 1767, and on March 4, 1829, was inaugurated seventh President of the United States, serving two terms. He was made a Mason in Greeneville Lodge No. 3, Greeneville, Tenn., about 1800, and served as Grand Master of Tennessee, 1822-23.

Men of Achievement

In more recent Masonic history there are several prominent Masons whose work will be remembered: Rear Admiral Robert E. Peary, the discoverer of the North Pole, who was raised in Kane Lodge No. 454, New York City, on March 3, 1896; Joseph Jefferson, the famous American actor, who was raised in Concordia Lodge No. 13, Baltimore, Md., March 9, 1857; John Wanamaker, who was made a Mason "at sight" in Grand Lodge of Pennsylvania, on March 30, 1838, later receiving the 35th degree; Luther Burbank, the wizard worker in fruits and flowers, who was born March 7, 1849, and is at present a member of Santa Rosa Lodge No. 57, in California; and William Jennings Bryan, born March 19, 1860, and who is a member of Lincoln Lodge No. 19, Lincoln, Nebr.

The Mission Public Library is commended upon as having a large number of "standard classics" for so small a library. The Library is kept open two hours a day for two days in the week.

The Carnegie Library, Franklin, has recently been obliged to fill its basement on account of trouble with drainage.

The Goree High School Library, it is reported, contains about 1,000 volumes, some of them recently acquired.

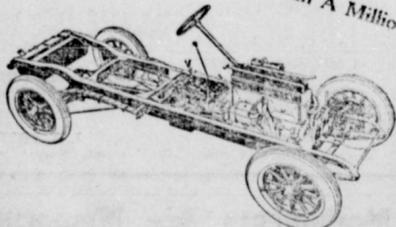

Prescriptions filled here are prepared exactly as the Physician intended them to be compounded. Only a graduate Pharmacist who is legally registered handles our prescription work.

May Peterson, Famous Opera Star poses for Photograph with Governor Ferguson

Lending an ear to the call of her own, May Peterson, Texas opera singer, and member of the Metropolitan Grand Opera Company, is planning a tour of West Texas cities in the near future.

She is here shown as she appeared in Austin at Mrs. Ferguson's inauguration. With her, besides Mrs. Ferguson, are little Richard Nalle, grandson of the Governor, and Wright Armstrong, leader of the

Brownwood band. With that band and on the famous "Old Gray Mare", also shown, she officially introduced the State's adopted song, "Texas Our Texas."

May Peterson is the wife of Col. E. O. Thompson of Amarillo. Her next appearance in Texas will be at Amarillo, April 15, 1925, following which she will take up her concert tour. Further announcements of her coming will be made later.

STRENGTH

Strength was probably the first attribute of man to be universally admired. Back in the dawn of history this strength took a mere physical form. Since the evolution of this quality has lifted it above the level of the beast; it has been refined with the restraint of self-imposed laws; it has sought expression in all the more civilized avenues of their virile manhood through the attainment of moral courage. Some, as the artist, through the expression of a strong conception of beauty; others, through their unswerving regard for sacred duty—moral, social or industrial. But strength it is that which makes the man in the eyes of the world. It is one standard of judgment that was born when man was born, and it will not die until the last man is gone.—W. D. Trotter in Southwestern Machinery.

AL'S LETTER JOLTED A MAIL-ORDER HOUSE

Colonel Al Fairbrother of Greensboro, North Carolina, believes in spending his money with the local merchants rather than with the fly-by-nights, the mail-order houses and the what-nots.

A certain concern has been sending neckties out in considerable quantities, addressed to individuals on approval, with return postage. This concern asked the recipient to either accept the merchandise and pay for it or to return it according to instructions.

He Wrote Them Instead
Colonel Fairbrother received the usual four ties, but instead of returning them, he wrote the following letter to the firm.

Dear Sirs:
This morning's mail brings me your package of four neckties which I never ordered.

Waiving the question as to whether or not it was presumptuous on your part to send a man four neckties and ask him to remit \$1.50 for them, will say that they are here in good shape—held subject to your disposition.

The 8c stamp is also here and you can have it if you come personally after it or send an accredited representative to receive it.

I shall charge you storage at the rate of 10c a day on these articles, and if not called for within a reasonable time, will give them to some charity bazaar or something of the sort.

I am engaged in other work, thinking being my main occupation, so if you want the neckties sent back you will have to send someone to wrap them in the envelop you sent and lick the sweet mucilage on the 8c stamp.

There are many first class stores in this city selling neckties at reasonable prices, and I do not see why you should so heroically undertake the self-appointed task of selecting and sending to me on approval, without any suggestion from me whatever, four neckties which I do not want and which I will not use. If you will look at my birth certificate again you will find that I am not one of the "born every minute" kind.

A Cordial Invitation
If you conclude to come down to personally conduct the shipment of these ties, which are held subject to your disposition, I will call attention to the fact that we have good hotels, and the entertainment committee of the chamber of commerce will no doubt try to make your visit enjoyable. If you send a representative to get the ties and stamp, be sure to give him proper credentials and have him call on me only during business hours.

I am registering this letter so I will know that you receive it.

How would you like to trade some neckties for a vinegar recipe?

Do they have any moving picture shows in your town?

Do you think that the cafeteria has come to stay?

Hoping these few lines will find you well, and wishing you the compliments of the season, I am,
At Fairbrother.

THREE RULES IN ADVERTISING

Irving Fletcher, the advertising expert, gave advice to advertising men at a banquet in New York. Among Mr. Fletcher's epigrams were these three:

"Bite off more than you can chew—then chew it."

"Advertise honestly and fairly. It's the Golden Rule that brings in the gold."

"The success of the automobile business is due to the automobile advertisements, which sold cars for ten years before the manufacturers knew how to make them."—Pittsburgh Chronicle and Telegraph.

Bermuda Onion Plants 10c per hundred in any quantity. T. Jones & Co. (12c)

THE ROMANCE OF LIFE

After all, the true romance of life is service. There are two groups of people that deal especially with the sweets of life; the ones that use the sweets and the ones that dish them out. It is debatable which class gets the biggest kick out of them. We wonder if the lady wearing an exquisite hat got more pleasure out of wearing it than the salaried young milliner got out of creating it.

Would the captain of a ship swap his job of piloting the tourists of the world through the privilege of being a construction artist stop building fine homes for the privilege of living in one? All of these people might like to try it for a change, but we think they would return to the old job of serving the sweets when they got to longing for real romance.

And yet there is a strange irony in the vocations that fate has given some people. Consider the little girl who sits behind the brass rail in the travel bureau. All day long she sits over her maps and speaks with a familiar air of all the wonderful places of the earth. She carries her patrons through the sunny climes of the Mediterranean in winter—thrills them with descriptions of the Alhambra, Cairo, and the Holy Land; and then, with a hocus-pecus twist of the wrist, she flips them into another season and throws an effluence of ecstasy over the Fjords of Norway or the Alpine moonlight.

At 8 o'clock she folds her maps, powders her nose and walks out into the gray of a drizzly street, and trudges meekly toward the colorless home of her babyhood, where, over the evening fire, she will entertain a lover of an equally prodigal nature with a few jazz records and a game of casino.

Don't you see? Directing romance is her job. She makes her living that way. She thinks her job is just about "it"—and we are inclined to agree with her. To travel herself never occurred to her probably, and if she could she would find that the true romance of the world rested most securely back in her eloquent and dreamy descriptions that were meant for the inspiration of others.

We cast our vote for the "hashers" that trot around life's banquet board of sweets.—W. D. Trotter in Southwestern Machinery.

FLEAS, DOGS, AND HOT-DOGS

Somebody comes forth with the information that each flea firmly believes that he lives on the most wonderful dog in the world.

Now that's loyalty! It's more than loyalty—it's ninety per cent of reality. Suppose a flea spent one fourth of his time hopping from one dog's back to another. We expect his ability to sustain himself would be highly impaired.

Of course he would probably be more cultured. He could discourse on the aesthetic effect of a breakfast nook on the flank of a toothless white bulldog, and he could thrill little fleas with tales of his melancholy abode on the doleful but pensive eyelid of a pot-liquor hound. But could he get the "business"? We are afraid he would look more like a sucked lemon than a blood-sucker.

It's too bad that we can't draw a practical application from this to everyday life! We might mention here, however, to save having to do it elsewhere, that we heard of a proprietor of a hot-dog stand dying after slicing onions for thirty-seven years. His estate figured \$40,000—even a hot-dog deserves loyalty!—W. D. Trotter in Southwestern Machinery.

The South Park Parent-Teachers Association, Beaumont, has taken as their main work for the current session the enlargement of the elementary library of the South Park school, according to a report received at the State Library.

A PLEDGE ALL AUTOMOBILE DRIVERS SHOULD SIGN

Our recent discussion of automobile accidents has aroused much interest among Progressive Farmer readers.

In this connection we wish to commend the movement for having all automobile owners sign a pledge to observe those definite rules which, if followed, would prevent most of the trouble and sorrow now resulting from automobile accidents. Following is the pledge which it is suggested every automobile owner should sign:

I will not cut corners.

I will not pass another car on a curve where there is not a clear road ahead.

I will not speed up to pass another car where there is not a clear road ahead for at least 100 yards.

I will slow up at corners and on thoroughfares where children are playing in the street's.

I will stop eight feet or more to the right of a street car leaving passengers, and never attempt to pass on the left.

I will not be a "road hog" and will drive on the right side of the street.

I will not pass another car at high speed at street crossings nor race another car while attempting to pass legitimately.

I will observe traffic rules and will not abuse the parking privileges nor park my car on highways except where there is a clear view behind and ahead for at least 100 yards.

I will keep my brakes in good condition, realizing that a driver is only as good as his brakes.

I will not drive a car while under the influence of liquor. One drink is too many for a driver.—The Progressive Farmer.

"General practice in kindergartens in the United States" is under investigation by the Department of Kindergarten Education of the National Education Association. The two means used to determine what constitutes general practice in kindergartens are stenographic reports of full kindergarten sessions and returns from a questionnaire sent through superintendents to a large number of kindergartens throughout the country.

The Public Library of Brady was recently the beneficiary of a Forty-two Party sponsored by persons interested in the Library.

Eyes That See Clearly

MANY of us do not realize that our eyesight is not as good as it should be until an examination has taken place.

We shall be pleased to have you undergo this examination and will be glad to advise you on the necessity of wearing glasses.

Eminent British Visitors Praise American Relief In Bible Lands

Three recent British visitors to New York have taken occasion, during their visit, to praise the work of American philanthropy in the Near East.

Sir Esme Howard, the new British Ambassador, in a recent address, said: "Public opinion is rallying to the belief that any country's prosperity depends to a great extent on the prosperity of others. By helping Near East Relief, Americans are laying a foundation for America's future in foreign lands. You may think it strange that I, as an Englishman, should rejoice to see American competition growing in these countries of the Near East. I do

so not only because as a sincere friend and admirer I am glad to see prosperity in this country, but because I believe it will bring prosperity to those countries also.

"Near East Relief is now supporting in its own orphanages upward of 33,000 children, besides giving partial maintenance to some 21,000 more, making 54,000 in all. In addition to these orphanages and all they entail, there are hospitals and clinics giving treatment to Christian and Moslem alike. All this work is non-sectarian. In supporting this charity, we are furthering the cause of world peace, which we all have so much at heart. Nothing can

help so much to promote peace in those stricken lands."

Sir Thomas Lipton, of yachting fame, added his word of praise during his visit to New York. Like Sir Esme Howard, Sir Thomas has frequently visited the Eastern Mediterranean and knows whereof he speaks.

Another visitor to these shores, Sir Henry Lunn, came as the representative of the World Alliance for Peace. He was one of the chief speakers at a dinner of the Near East national committee in New York, and gave the work of the American relief organization his heartfelt praise and commendations.

TWO LEARNED INFIDELS FIRED

Doctors Fosdick and Percy Stickney Grant who sought to modernize Christianity by taking Christ out of it, are both out of a job.

A minister has a perfect right to believe anything he pleases, but when he ceases to believe in the doctrines of his church he will resign his pastorate, if he is honest and sincere in his belief.

These two men have been preaching the rankest kind of infidelity, according to statements of leading churchmen in the denominations in which they held pastorate, but they held on until they had to be kicked out.

Festus said to Paul that much learning had made him mad, but all Christendom regards Saint Paul as the greatest preacher that Christendom has ever produced, Jesus Christ alone excepted.

Compare these two men, both highly educated, as was Saint Paul, and it can well be said of them that worldly knowledge made fools of both, insofar as their knowledge of Christianity goes.—Baird Star.

The veteran editor of the Baird Star has the nail square on the head in the above editorial. Protestant churches are awakening to the fact that such teachings as Fosdick and Grant have been putting out, will undermine the whole structure of Christianity if tolerated. Let us have less of it.

Writing of education in Esthonia, Hans Leoke, acting consul for that country, says there are practically no illiterate adults in the Republic. Primary education is free and compulsory. Opportunity for advanced education is provided at 122 secondary and vocational schools and 2 higher institutions, the Technicum and the University of Esthonia. At the university more than 3,200 students were matriculated in 1922.

HE THAT LOVETH SILVER shall not be satisfied with silver; nor he that loveth abundance with increase: this is also vanity. When goods increase, they are increased that eat them; and what good is there to the owners thereof, saving the beholding of them with their eyes?—Ecclesiastes 5:10-11.

The pupils of Central and Hardin Schools, Burkburnett, lately collected \$1,000 for the school library.

The control of the Tyrrell Public Library, Beaumont, has been dedicated to belong to the City Manager acting as Director of Public Welfare, according to a report received at the State Library.

ITEMS OF INTEREST IN DONLEY

LELIA LAKE
Mr. Koon, we are glad to report is able to be back in school.
Carroll Lewis and Earl Meyers have returned from the fat stock show at Ft. Worth. It must have been good as quite a number went from Lelia Lake this year.
Mrs. Baggett is on the sick list this week.
Mr. and Mrs. C. C. Carter visited in the Howard King home Sunday.
Mr. and Mrs. Earl Meyers and Mr. and Mrs. Kenny took dinner in the Albert Tomlinson home Sunday.
Mr. and Mrs. Kinch Leathers made a flying trip to see the lady's parents at Goodnight Sunday.
Little James Weldon Reynolds underwent an operation Monday at Memphis, having his tonsils and adenoids removed. He is reported doing nicely.
The school inspector was here Friday and was overheard to say the Lelia children were the best behaved children she had met so far. "We parents will feel puffed up and vain," while the children may have been wearing their best manner that day.
The Methodist meeting closed Sunday night after a weeks revival.
Mr. and Mrs. Leldon Chunn took dinner in the D. W. Tomlinson home Sunday.
J. P. Reynolds took his sister, Mrs. Jim Rogers as far as Amarillo Sunday to take the train for Lubbock.
Mrs. Bob McGowan of Clarendon spent several days in the Charley Reynolds home last week.

BRICE
Rev. Evans filled his regular appointment Sunday morning and evening.
Singing at Brice Sunday afternoon was enjoyed by all present. Several visitors from Liberty and other places were there.
The small son of Mr. and Mrs. Ben Hill is ill with pneumonia.
Mr. and Mrs. Zack Aduddell have returned from a weeks visit with relatives at Wellington and points in Oklahoma.
Mr. and Mrs. John Watson spent the week end at the home of S. A. Hatley.
Miss Bertie Guinn is visiting in Ft. Worth.
Two basketball games were played on the home court Friday afternoon. The Brice junior boys were defeated by the Heckman boys with a score of 6 to 4. The Brice senior girls defeated the Bethel senior girls with a score of 18 to 5.
J. H. Gillespie and N. L. Muir were visitors in Memphis this week.
Mr. and Mrs. C. J. Holland were in Clarendon Monday.
Mrs. Rhan Wingrove visited at the home of W. E. Shepherd Monday.

CHAMBERLAIN
The health of our community is improving. No serious sickness.
R. L. Bain and three sons, Joe, Regan and James, visited friends and relatives in Oklahoma the last week end.
Estella Elliott and Julia Gammons spent Sunday with Vera Blackman.
Mr. and Mrs. Dever visited at the home of Mr. and Mrs. A. O. Yates Sunday.
We are glad to report Mr. Miniard and little daughter able to be up.
Edna and Zellah Yates called on Zula Bain Sunday evening.
Edd Aduddell and Perlie Barbee surprised their many friends here by driving to town and getting married Saturday night. All join in wishing them many years of happy wedded bliss.
Grandama Edwards has recovered sufficiently to be able to return to her home with Mrs. B. L. Blackman.
Bro. Taylor is continuing his meeting here. He is preaching some very interesting sermons. Everybody invited to come.
Mrs. Rumpy has been sick, but is better at this writing.
Mrs. Stella Hill took dinner with Mrs. H. M. Reid Sunday.
Some few have begun to farm, cutting stalks and listing.
We are wondering when the weather prophet will prophecy a good rain.
Miss Ethel Gammons visited with home folks Sunday and attended B. Y. P. U. Sunday night.
Mrs. Elliott and children visited her parents in the Brice flat Sunday.
The young folk gathered at the home of Mr. Barbee last night and gave the newly weds a shower. They were treated to fruit cake and hot chocolate.

NAYLOR
Mr. and Mrs. Carnes of Childress visited in the Tidrow home. Mrs. Tidrow being their daughter. They also visited their son, J. W. Carnes.
Mr. and Mrs. A. E. Tidrow and children made a business trip to Memphis Saturday.
Mr. and Mrs. T. N. Naylor returned Wednesday from Amarillo. Mr. Naylor has been in the hospital there for some time. We are glad to state he is very much improved.
A. E. Tidrow had the misfortune to lose a work mule the past week and Rich Bowlin lost a good milk cow.
Bro. Waldron filled his appointment Sunday afternoon, also Sunday

night, giving us two good sermons. We were pleased to see his wife and babies with him.
My! My; we did not quite freeze, but our fruit did.
Mr. and Mrs. Luther McFarland visited with the Tidrow family Sunday.
L. R. Bowlin was a Memphis visitor Monday making the trip with his truck.
Mr. Anderson and family are now doing some farm work on Judge Bain's farm, will be there until the Judge turns farmer.
Mr. and Mrs. Richmond Bowlin and Miss Elizabeth attended the funeral of Mrs. Jones at Clarendon Tuesday.
Mr. and Mrs. Arthur Carnes of Memphis were among us last Thursday.
Mr. and Mrs. Frank Brown went to Memphis Tuesday on business.
Miss Cleo Brown and Hazel Hefner were the guests of Miss Rachel Tidrow Sunday.
Mr. and Mrs. L. R. Bowlin visited Wynne Bowlin and family of Kellie Sunday afternoon.

ASHTOLA ITEMS
Sunday school at the regular hour a good attendance. Bro. Lewis filled his regular appointment Sunday.
S. G. Evans returned home Monday from Hillsboro. He reports everything dry down there.
W. F. Barker and son attended the funeral of his aunt, Mrs. Dawson of McLean Saturday.
J. F. Parker and family spent Sunday in the Jim Christal home.
Miss Jessie Cook of Lelia Lake spent part of last week with her sister, Mrs. W. P. Holley.
Miss Hazel Holley spent the week end with her grand parents, Mr. and Mrs. D. M. Cook.
J. A. Johnson has recently shipped part of his stock to his farm near Mulbach.
Little Ila K. Rhodes is reported better at this writing.
Mr. McCalley and family of Lelia Lake visited in the N. R. Simmons home Sunday.
Miss Vera Eddings and Reta Povey spent Sunday with Mr. and Mrs. Goble Barker.
Mr. and Mrs. A. M. Walker and little daughter, Bana visited his sister, Mrs. Ollie Smith of Pampa Saturday and Sunday.
Miss Allie McDowell spent Sunday with Selma Barker.
Mrs. S. G. Evans spent Friday afternoon in the C. B. Harp home.
Austin Rhodes and son, Hubert visited in Amarillo Sunday.

JERICHO
Miss Mabel Brown returned to her home in Amarillo last week.
Mr. and Mrs. Eimer Ashmead were week-end guests at Windy Valley in the Henry Wilson home.
The play presented by the Ash-tola actors in the Jericho school building last Friday night was enjoyed by all who attended.
Mr. and Mrs. Dick Thomas and children visited in Alanreed Monday.
Mrs. Luther Davis was called to Morton, Texas, to the bedside of her father who was seriously injured in a car accident last week.
Mrs. V. J. Glazener visited with Mrs. Dick Thomas Sunday evening.
A large crowd attended the singing at the school building Sunday night.
Mrs. J. E. Hunt is on the sick list this week. Her friends hope she recovers soon.
Mr. and Mrs. T. O. Kirby visited Mr. and Mrs. Clark of Groom Sunday.
Mr. and Mrs. Gay Andis, Miss Virgie Franklin and Mrs. Dora Franklin motored to Clarendon Monday.
Mr. and Mrs. Carl Schaffer and Miss Clarice Schaffer made a trip to Childress Saturday.
Mrs. G. W. Bural and children visited with Mr. and Mrs. Bert Bural in Groom Sunday afternoon.
Mrs. Lydia Robbins of Galveston is visiting her sister, Mrs. C. C. Shoop.
G. W. Bural is at Brownfield attending to business affairs.
Guy Brown spent Saturday night in the Clayton home.
Miss Clara Hermesmeyer visited with Mrs. Clayton Monday evening.
Mrs. Deses Helm visited her mother Sunday evening.
Mr. Ralph Latham and children visited in the W. F. Ashmead home Sunday afternoon.
W. F. Ashmead writes from Hot Springs that he is improving.
W. N. Clayton is visiting his mother at Tulia, Texas.
Mr. and Mrs. Carl Schaffer left for Pampa yesterday where they will make their home.
Messrs Enoch and Leonard Darnell and Tom Murphy from Clarendon visited Phil Reeves Sunday.

GILES NEWS
The hard freeze of last Friday night did lots of damage to fruit and flowers and early gardens.
Messdames McCants and Huffmaster were shopping in Memphis Monday.
Editor T. E. Johnson and family of Amarillo visited Mr. Johnson's parents of this place Saturday and Sunday.
Miss Ruth Johnson who is attending business college at Amarillo spent the week end here with her

parents, Mr. and Mrs. C. Y. Johnson.
Mr. and Mrs. Vivian Hawkins of Memphis were guests in the E. H. Watt home Friday night.
R. E. Harvey was down from Clarendon Sunday afternoon shaking hands with old friends.
Mr. and Mrs. F. G. Watt, Mr. and Mrs. B. M. Davis and Miss Jessie Davis of Hedley visited in the Watt home Friday night.
The Home Economics Club met March 12th with Mrs. L. E. Beck with only two members absent. A short program was rendered, after which the work of the Club was begun. This work was quilting and by the time the afternoon was ended the quilt was completed. Delicious refreshments were then served. We are proud to report three new members at this meeting also were glad to have as visitor, Miss Rhea Lemmon. Messdames Lemmon, Ranson, Beckwith, Stots and McCants met with the commissioners court last Tuesday in an effort to secure a Home Demonstration agent for our club, but we are sorry to say failed in their effort. Our next meeting will be with Mrs. T. C. Johnson and all members are urged to be present.

DISTINCTION LIST FOR FIFTH MONTH
Total enrollment of 841 and distinction of 199.
The fifth month of the present session of Clarendon Public Schools closed January 30, 1925, with a total enrollment of 841 for the year and a distinction list for the month of 199. This list was distributed as follows: 51 from the high school, 61 from South Ward, and 87 from Central Ward. There were 68 tardies for the month, 23 from the high school, 18 from South Ward, and 27 from Central Ward. The number of visitors to the different schools for the month were eighty, 56 to the high school, 3 to South Ward, and 21 to Central Ward. The teachers with the four highest per cent of attendance were as follows:
Mrs. Boykin's room.....98.24
Mr. Spradling's room.....95.93
Miss McGee's room.....95.80
Mrs. Hardy's room.....95.67

The distinction list is made up of those who averaged above 85 for the month. Those who averaged 90 or more were recorded with highest honors (Summa Cum Laude) and those who averaged 85 or more and less than 90 were recorded with high honors (Magna Cum Laude). The number after the names of those in the High School department indicate the number of courses carried by each one respectively. Those in the Summa Cum Laude list who made 90 or more in conduct were on the honor roll, this being indicated by h r after their respective names. The list follows:
(Summa Cum Laude (90-100))
Kenneth Fink (5) h r 93 2-5, Ruby Hall (4) h r 92 3-4, Alfred Estlack (4) h r 91 2-5, Whit Carhart (4) 90-2, Lola Maye Miller (4) 90, Willie Mae Stewart (4) 90.
Magna Cum Laude (85-89)
Mary Crawford (5) 89 3-5, Florence Fink (4) 89 1-2, Sam Caution (4) 89 1-4, Rufus Carhart (4) 89 1-4, Philip Couch (5) 89 1-3, Maude Bledsoe (4) 89, Stanley Miller (4) 89, Felix Mullino (4) 88 3-4, Andrew Reavis (4) 88 3-4, Milton Landers (4) 88 3-4, Marion Gatlin (4) 88 3-4, Mamie Price (5) 88 2-5, Edna Crane (4) 88 1-4, Lucie Tinsworth (4) 88 1-4, Katherine Hendrick (5) 88 1-5, Orene Riley (4) 88, Glen Allison (4) 88, Monette Chase (4) 88, Bill Taylor (4) 87 3-4, Eula Allen (5) 87 3-4, Jewel Davis (5) 87 3-5, Rholin Chase (4) 87 1-2, Tom Murphy (4) 87 1-2, Agatha Taylor (4) 87, Lloyd Johnson (4) 87, Lela Barrett (4) 86 3-4, C. L. Banson (4) 86 3-4, Ruth Irwin (5) 86 2-5, Jack Bourland (5) 86 2-5, Walker Lane (4) 86 1-4, Nellie K. Barnes (5) 86, J. L. Bain (4) 86, Hoyt Jones 86, Nettie Mullino (5) 85 4-5, Wade Youngblood (5) 85 4-5, Lebert Miller (4) 85 1-2, Carl Stobbs (4) 85 1-4, Mary Jo Chamberlain (4) 85 1-4, Gladys Wright (4) 85 1-4, Gilbert Johnson (4) 85 1-4, Lucille Park (4) 85, Billy Graner (4) 85, J. P. Rhode (4) 85, Myrtle Hall (5) 85, Jesse Lowe (4) 85.

SOUTH WARD
Summa Cum Laude (90 to 100)
Pauline Shelton, 96 5-7 h r, Gene Bourland 96 2-7 h r, Pauline Sanford 96 2-7 h r, Betty Walker 93 1-2 h r, Mildred Sparks 93 1-4 h r, Lodie Green 93 h r, Phifer Estlack 92 3-4 h r, Eugene Moss 92 4-7 h r, Eugene Estlack 92 3-8 h r, Doro by Taylor 92 3-8 h r, Jeanette Parks 91 3-7 h r, Barbara Smith 90 5-7 h r, James Mullino 90 1-4 h r, Fred Bourland 90 2-7, Dorothy Schulte 90 2-7, Helen Smith 90 1-8 h r.

Magna Cum Laude (85-90)
Mary Willie Newman 89 6-7, Lucille Andis 89 2-3, Odessa Robertson 89 1-4, Rose Lane 89 1-6, C. A. Wright 89, Eunice Johnson 88 5-8, Benny Haney 88 5-8, Helen Garner 88 1-2, Ruby Aduddell 88 3-7, Pauline Lane 88 3-8, Ance! Barton 88 2-7, Elmer Peltzel 88 1-7, Nell Butler 87 5-7, Viola Jones 87 5-7, Bill Rutherford 87 4-7, Dorothy Hendrick 87 3-7, Johnnie D. Latsen 87 3-7, Marjorie Meek 87 3-7, Jessie Harp 87, Ada Mae Owens 87, Joyce Link 87, Mable Curlee 86 7-8, Harold Osborne 86 3-4, Margaret Derrick 86 3-4, Katherine Speed 86 5-7, Marie Cauthen 86 2-3, Bob Jackson 86 2-3, Joe Cunningham 86 1-2, Joe Noble 86 1-4, Wylfa Lee Alexander 86 1-4, Julia Barnard 86 1-4, Ray Elliott 86 1-8, D. Iphina Boone 86 6-7, Reeford 86, Lloyd Benson 85 6-7, Virginia Blackburn 85 5-6, Julia Slough 85 3-4, Perry Allen Beville 85 2-3, Virginia Anthony 85 4-7, Bernice Webb 85 1-2, Carroll Holder 85 3-7, Woodrow Bain 85 1-8, Mansur Brewer 85 1-8, Lorene Hayes 85, Robert Strickland 85, Dorothy Forbes 85.

CENTRAL WARD
Summa Cum Laude (90 to 100)
Seldon Simpson 94 5-6, Isla Smith a r 94 2-3, Ardis Patman h r 94 2-5, Dovie Parker h r 93 3-6, Geraldine Pratt h r 93 1-2, Ernest Tipton h r 92 1-2, Lenora Thomas h r 92 1-3, George Bourland 92 1-3, George Chamberlain 92 1-5, Arthur Davis 92 1-6, Bynum Halle h r 92, Charles Walker h r 91 5-6, Lucy Percival h r 91 4-5, Marjorie White h r 91 2-3, Mildred Barrett h r 91 3-3, Laverne Lott 91 1-5, Melba Bandy 91, Wilma D. Smith 91, Maude Mayfield 91, Margaret Blackwell h r 90 4-5, Evelyn Warren 90 3-5, Emmett Simpson h r 90 3-5, Alexander Cooke 90 3-5, Jack Hayes 90 1-2, Wilfred Hott 90 2-5, Martin Kelly 90 2-5, O. L. Smith 90 1-3, Willard Hudson h r 90 1-5, Robert Green 90 1-6, William SoRelle h r 90 1-6, Celia D. Reynolds 90, Gale Harper Nelson 90, James Headrick 90, Mary Smith 90.

Magna Cum Laude (85-90)
Billy Greene 89 2-3, Alfred McMurry 89 1-2, Berkeley Ryan 89 2-6, Margaret Bandy 89 1-2, Carroll Curlee 88 4-5, Louise Smith 88 3-5, Bula McClenny 88 3-5, Frances Parker 88 1-2, Drew Wilkerson 88 2-5, Doyal Langford 88 1-3, Stella Miller 88 1-3, James Warren 88 1-6, Exie Miller 88, Virginia Gardenhire 88, Bobbie Head 87 5-6, Billy Walker 87 4-5, Lillian Miles 87 1-2, Fred Johnson 87 1-2, Winifred Henderson 87 1-3, Normal McCrary 87 1-5, John Henry Hamblen 87 1-5, Fay Middlebrooks 87 1-6, May Dever 87 1-6, Homer Estlack 87 1-6, Glenn Riley 87, Elton Miller 87, Laura Black 87, Lois Hahn 87, Lola Barnes 86 5-6, Ruby Fronsbarger 86 4-5, Odell Barnard 86 2-3, Catherine Crawford 86 4-6, Dunley Darnell 86 4-6, Lois Clark 86 3-5, Iva Moore 86 2-5, Floyd Derrick 86 2-5, Nina Crawford 86 1-6, Edwin Cox 86, George Wayne Estlack 86, John Russell Beville 86, Marlow Dees 86, Thelma Price 85 5-6, Dick Bosworth 85 4-6, Thelma Oiler 85 3-6, Alma Henderson 85 2-5, Warren O'Neal 85 2-5, Pauline Atteberry 85 1-3, Ernest Harp 85 1-6, Eldon Godfrey 85, George Oiler 85, Clara Bell Faust 85.

MATTIE L. JONES
The funeral rites over the remains of Mrs. Mattie L. Jones, wife of L. C. Jones of this city were held in the Methodist Church Tuesday afternoon, March 17 at 2:30 p. m. Services were conducted by Rev. J. H. Hamblen, pastor of the church.
Deceased has been, with her husband, a resident of the city for many years and has made numerous friends here that mourn her passing. Mrs. Jones was sixty-nine years, eleven months and seventeen days old at the time of her death, having been born April 2, 1855. Death came Sunday evening March 15, 1925. Further details on the life of Mrs. Jones will appear in the next issue of the News.

The death of Mrs. Jones was due to an accident, the particulars of which as nearly as we were able to determine are as follows: Mr. and Mrs. Jones were enroute to the evening services at the Methodist church as was their custom. Mrs. Jones as they approached the bridge at the head of Kearney Street was a few steps in the rear of Mr. Jones. One car going north on the street passed them and they stepped aside and back into the street expecting to cross. The car which caused the fatal injuries was going south on the same street and due possibly to the fact that the lights of the car they met had blinded the driver, Mr. Jones was narrowly missed by the car and Mrs. Jones was struck down with the result that she died in a few hours following the accident. The wind was blowing rather strongly at the time of the accident and Mrs. Jones had her coat collar turned up as protection to her face. Neither she nor Mr. Jones saw the approaching car. Mrs. Jones never regained consciousness after she had been injured. She was first carried to the office of the Drs. Jenkins and a little later was taken to the Adair Hospital but nothing could be done to save her life.
Interment was had in the Citizens Cemetery.

MRS. ALLEN BRYAN PRESENTS STUDENTS TUESDAY
Tuesday evening of this week, the students of Mrs. Allen Bryan, instructor in music in the Clarendon High School were presented in recital in the First Baptist Church of the city. A splendid program was rendered, made up of twenty-four individual numbers. Thirty of the students of Mrs. Allen appeared on the program. The number would indicate that the program was bulky and that it would have been too long to have been appreciated. This was not the case. The numbers were so arranged and mixed with such a thorough variety that the entire program seemed shorter than would ordinarily be the case. Some of those on the program had been studying from other teachers at the school, but the greater part of them had been students of Mrs. Bryan.

CARD OF THANKS
We wish to extend our most heartfelt thanks to our friends for the very considerate manner in which they have responded in our late bereavement. Especially do we extend our thanks for the many beautiful floral offerings.
L. C. Jones,
Dr. W. A. Kendall,
Frank and Roy Kendall and family

LADIES—Have your hair marcelled Friday and Saturday for only 50c. Make your appointment early. Phone 93. (12pd)

LOCAL HAPPENINGS

Walter Cochran is attending to business matters in Wichita Falls. Homer Mulkey made a business trip to Hedley Wednesday of this week.

Mr. and Mrs. Geo. Taylor of Panhandle spent Sunday in the L. L. Taylor home.

Messrs George Bagby and John Sims Jr. made a business trip to Amarillo Tuesday of this week.

J. F. Waldron of the Naylor Route community was a visitor in the city of Clarendon Tuesday of this week.

T. M. Little of this city is in Marlin for a few days rest and recuperation.

E. T. Pope returned Wednesday of this week from a business trip to Commerce and Hugo, Oklahoma.

F. A. Cooper made a business trip to Portales the fore part of this week.

Hon. W. T. Link attended District Court at Wheeler Monday of this week.

Mr. and Mrs. O. T. Smith and son made a business trip to Pampa the latter part of last week.

Commissioner T. N. Messer of McKnight was in Clarendon on county business this week.

F. B. Thomas of Alanreed was in Clarendon for Commissioners' Court the past week.

Rev. J. H. Hamblen went over to Wellington Sunday to help Rev. J. T. Hicks in a two weeks' meeting.

Mr. and Mrs. D. L. Kerrick of Claude were Clarendon visitors last Saturday.

Mr. and Mrs. Clay Thompson of McLean were Clarendon visitors last Friday.

C. E. Griggs spent the week with home folks helping them get settled and nursing a slight case of grippe.

The Ernest Gordon family of Miami visited in the J. W. and Fred Gordon homes the past week.

Miss Nora Cousins of McLean spent the past week visiting her sister, Mrs. Chas. Lowry.

Mr. Devin of the Devin Engineering Co., from Wichita, Kansas, has been in Clarendon the past week.

Mr. and Mrs. Seitz and family of Moelette visited over the week-end with the Fred Johnson family.

Several car loads of Methodist laymen went out to Hickman school house on the Lott Ranch Sunday afternoon to hold services.

Mr. and Mrs. Shaw came from Amarillo the first of the week to visit their daughter, Mrs. W. L. Blaylock.

Mrs. Boyett, who will be remembered as Miss Willetta Thompson of McLean visited Clarendon friends Sunday.

Frank White Jr., is home for a few days visit with his parents from the State University at Austin, where he is attending school.

Rex Reeves, former Clarendon College student was in the city over the last week-end from his school near Hereford.

Mrs. Carl Boston returned the fore part of this week from a visit of some few days in Mineral Wells with friends and relatives.

Editor and Mrs. Ed Boliver and family of Hedley were in Clarendon Tuesday of this week looking after business interests here.

W. H. Patrick returned last week from a visit to Dallas on call of the Regional Board of Directors of the Federal Reserve Bank of that city.

Dr. W. A. Kendall of Crescent, Oklahoma was in the city Tuesday of this week to attend the funeral of his sister, Mrs. L. C. Jones.

Frank and Roy Kendall and families of Amarillo were in the city Tuesday to attend the funeral of Mrs. L. C. Jones.

J. A. White and family of Amarillo were in the city Tuesday in attendance on the funeral of Mrs. L. C. Jones.

Mrs. Mollie G. Southern, sister of Mrs. L. C. Jones was in Clarendon the fore part of this week to attend her funeral.

M. W. Mosely of the Hedley country was in Clarendon Wednesday and gladdened the hearts of The News management by pushing his figures ahead for another year.

Friends of Miss Cotelet Moreman of Hedley will regret to know that she is quite sick at her home at Hedley. She is the daughter of and was formerly a C. C. student.

Miss Cora Avery of Amarillo spent the week-end with Miss Mary Howren. Miss Avery will be remembered as having once been matron of the girls' dormitory at the College.

Mrs. C. A. Burton left the fore part of this week for Altus, Oklahoma, where she will attend the session of the Woman's Missionary Council for the coming two weeks.

E. K. Wood, enterprising farmer of the Route 2 community paid the News office a visit the fore part of this week and added his name to the growing list of News subscribers.

Rev. and Mrs. J. H. Braswell have gone to a daughter's home near Canyon for a visit after a three weeks' visit here with the editor's family.

Rev. J. H. Hamblen left Sunday afternoon for Wellington, where he will assist the pastor of the Methodist church in that city in the revival services that were started there Sunday morning.

Rumors to the effect that the R. O. Ranch was to be cut up into farms have proven to be unfounded. A small tract has been sold, but there will not be a general sale of the ranch until at some future date.

The sale of a small tract like the one that was recently sold will not amount to much in a ranch of some 76,000 acres.

Rev. and Mrs. Roscoe Stapp made a business trip to Amarillo Monday afternoon of this week to work in the matter of the Annual Assembly that will be held by the Baptists in Ceta Canyon.

A party consisting of Dr. and Mrs. G. C. Stricklin and Park Chamberlain and Miss Jewell Bennett made the scenic drive to Silverton, returning by way of Amarillo last Sunday afternoon.

Mr. and Mrs. W. L. Blaylock went to Wellington Thursday where Mrs. Blaylock underwent an operation Friday. She went to Wellington in order to be under the care of the family physician.

Mr. and Mrs. John Harvey and their daughter, Beverly, of Shamrock visited in the M. V. Harvey home last week, and made arrangements for Miss Beverly to enter College here next fall.

Hooper Shelton, former Clarendon College student has recently taken over the Roby Star-Review as owner and editor. Hooper has grown up in a newspaper office and we predict that he will make a success of the business he has just entered.

Homer Mulkey and George Perdue left early this morning for Groom, where they will attend a Certificate course meeting today. There are others in Clarendon who belong to this association, but business matters kept them away from the meeting.

J. M. Stephens and family left the latter part of last week for Abilene and Stamford and other intermediate points for a visit with relatives. Just before leaving, they bought themselves a new Ford Car in which to make the trip.

W. B. Wells, engineer in charge of the proposed drainage proposition for the city of Clarendon left the latter part of last week for Portales, where he will be engaged in a work of similar nature for a short time.

Charles Baldwin was in the city the fore part of this week from Lamesa, where he has bought a store. He was here for the purpose of getting his business affairs lined up to move there as soon as school has been finished here.

Announcements were received this week by friends of Mr. and Mrs. R. E. Jaquier of Des Moines, Iowa, telling of the arrival of a small daughter, Alma Louise, in their home. Mrs. Jaquier was formerly Miss Zoe Glenn, who was at one time a teacher in Clarendon College.

Jerome Price is threatened with the return of the illness that bothered him about a year ago. As we go to press his condition is somewhat improved, but his friends fear that another trip to the hospital will result unless a decided improvement is had in the very near future.

O. L. Fink, Superintendent and owner of the Clarendon Telephone Company and Miss Ruby Douthett, operator left Monday evening of this week for Fort Worth, where they will attend the annual meeting of the Texas Independent Telephone Operators Association. They expect to return the latter part of this week.

Monty R. Garrison returned the latter part of last week from the annual meeting of the managers of the Morrison & McCall Properties. This year the meeting was held in the famous lower Rio Grande valley and the entertainment furnished was of the very best that could be afforded.

Monty returned with enthusiasm that will carry him through the entire coming year without the least bit of trouble.

Enroute home from Amarillo Sunday afternoon, The News' editor's car burned out a bearing near Claude and he was forced to phone here for a car to bring the family on in home.

While waiting in Claude Editor Hargenson and along in his sedan and very kindly picked the stranded Clarendonites up and drove them over the Armstrong county capital viewing the splendid residences of that city. It was an act of kindness not soon to be forgotten.

Household goods and many other things. 169 acres of land to farm. (12pd)

LEON O. LEWIS IS RECIPIENT OF NICE GIFT

Leon O. Lewis of this city has for the past twelve months been going to Ashola for the purpose of preaching to the folk in that city. He has been making the trip about one Sunday in each month and has been doing a good work in the little city. Last Sunday was his regular time to make the trip and he was on hand as is his custom. Before the sermon, he was asked to stand and was presented with a fine Bible engraved with his name and the name of the Ashola School on the cover. The presentation speech was made by one of the youngest members of the congregation and was in words that expressed the appreciation of the church to the fullest possible extent. Mr. Lewis is very proud of the gift and proudly exhibited it to several of his friends Monday.

MANAGER GARRISON ENTHUSIASTIC OVER WORK

Manager Monty Garrison of the local Light and Power Company returned Sunday from a trip to the lower Rio Grande Valley with the managers of the Morrison & McCall properties in the state of Texas. Mr. Garrison returned with enthusiasm sufficient to last him through another year and make him feel that he is working with the very best company in the world. Entertained in the most royal style in this magic garden spot of the state of Texas, they enjoyed every minute of the work as well as the play time. Co-operation was the keyword of the entire meeting and all of them worked together and turned out work in time that would be something new to the folk of the city of Clarendon. Manager Garrison stated that the High Line from Clarendon to Childress was absolutely assured and that construction would start as soon as there could be secured a number of minor changes in the route that would involve some of the homes along the proposed line of the wires. The right of way will of necessity be secured before anything of importance can be done. As soon as this matter can be attended the construction will be started. It will be approximately sixty days before the actual work on the line can be started.

SUMMER SCHOOL TO BE COMPLETE IN EVERY PART

The job department of the News is rapidly completing the College Bulletin for the session of the summer school. This is to be a larger booklet than they have ever published before and will include all the work that will be done by the school in the summer work. In many instances the third year's work will be found listed in the booklet that will lead toward the entrance of students to the college department proper at the beginning of the term that will start in September. The summer school will run for the full term of twelve weeks and will carry courses that will be recognized at all the schools and Universities of the state.

REMINIS OF LIST OF DONORS TO COLLEGE FUND

- In the last issue of the News, there appeared a partial list of the donors to the College fund. We stated that if there were any persons whose names did not appear in the list that we would publish them in a subsequent issue of the News. The list appended hereto is as nearly correct as we have been able to get. The list follows:
- Edwin Baley.....\$ 50.00
 - C. C. Cope.....25.00
 - Wint Barefield.....125.00
 - Watson & Antrobus.....100.00
 - Flora G. White.....100.00
 - Dr. B. L. Jenkins.....100.00
 - J. W. L. Schull and wife.....60.00
 - Dr. F. N. Reynolds.....50.00
 - L. A. Reavis.....30.00
 - T. D. Hobart.....25.00
 - E. H. Noland.....50.00
 - Speed Bros.....50.00
 - Charles D. an.....25.00
 - Pastime Confectionery.....50.00
 - J. L. Bain.....400.00
 - T. F. Mace.....5.00
 - Ladies Aid of First Christian Church.....12.50
 - A. O. Bauer, labor.....31.00
 - L. C. Jones, labor.....100.00
 - O. W. Latson, labor.....86.00

LOW RATES TO MINERAL WELLS CONVENTION

We are glad to advise that the Texas Passenger Agents Association has authorized low round trip rates for account the Seventh Annual Convention of the West Texas Chamber of Commerce, Mineral Wells, May 4-5-6. These tickets will go on sale on May 2nd, with return limit, May 8th. This will give all communities ample time to attend the convention. The basis of the rate is a fare and a half for the round trip. Certificates will not be necessary.

ELECTION NOTICE

WHEREAS, on the 14th day of January, A. D. 1925, the petition of W. H. Patrick and 32 others, filed in this court, praying for the establishment of a drainage district in said petition described and designated as "Donley County Drainage District No. 1", in the county of Donley, within the metes and bounds hereinafter described, and for the issuance of bonds and the levy of a tax in payment therefor, was heard and found in favor of the said petitioners for the establishment of a drainage district according to the boundaries as set out in said petition, by order entered upon the minutes of this court; and

WHEREAS, the report of the engineers, The Devin Engineering Company, a copartnership composed of F. E. Devin of Wichita, Kansas, and Joe Rady, of Clarendon, Texas, appointed by this court to go upon the land proposed to be drained and protected by levees, and make a careful survey thereof, and from such survey make preliminary plans, locating approximately the necessary canals, drains and ditches, laterals and levees, and make an estimate of the costs of making and completing each of them in detail and also designate the stream or streams, bayous and lake necessary to be cleaned, deepened, straightened or drained, and estimate the cost of each, and also estimate the probable cost of maintaining same per year, accompanied by a map showing the initial or beginning point as well as the outlets, of all canals, drains, ditches and laterals, and the length, width, depth and slopes of the banks of the cut or excavation, and the estimated number of cubic yards of earth to be removed from each, and the location and size of all levees and the estimated number of cubic yards of earth necessary to construct the same, filed with the clerk of the County Commissioners' Court of this county, on the 11th day of February, A. D. 1925, in compliance with said order, estimating the cost of said work in the total sum of One Hundred Twenty Thousand, Eight Hundred and Thirty-Three Dollars (\$120,833.00) was, on the 9th day of March, A. D. 1925 heard and approved by this court and order entered upon the minutes of this court.

Now, therefore, it is hereby ordered by the County Commissioners' Court of Donley County, Texas, that an election shall be held in the county of Donley, within the territory of such proposed drainage district, described and designated as "Donley County Drainage District No. 1", within the following metes and bounds:

"Beginning at a point in the North line of Section Number (32) thirty-two, in Block C-6 and one-quarter (1/4) of a mile West of its North East corner;

Thence East one and three-fourths (1 3/4) miles along the North base line of Section Thirty-two (32), Thirty-three (33) and Thirty-four (34) in said Block C-6, to a point in the center of the North base line of said Section Thirty-four (34);

Thence South one and one-half (1 1/2) miles to a point in the center of Section Forty-three (43), Block C-6;

Thence West one and three-fourths (1 3/4) miles to a point in Section Forty-five (45), Block C-6, being one-fourth (1/4) mile East of the center of same;

Thence North one and one-half (1 1/2) miles to the place of beginning.

ALSO: Beginning at a point, the Southwest corner of the corporate limits extending thence in a Westerly direction for a quarter of a mile, 475.2 varas, the same being a prolongation and continuation of a straight line forming the South corporate boundary line of Block 18 and division to the city of Clarendon, the East one-half of Block 19 in the McLean Addition and Wasson's sub-

Donley County, Texas.

Thence North to point intersecting the North boundary line of the right-of-way of the Fort Worth & Denver City Railway Company, the said line being at all points parallel with and a quarter of a mile West of the what has heretofore been the West boundary line of the corporate limits of the City of Clarendon; thence in a Southeasterly direction following the North boundary line of the above mentioned railroad company's right-of-way to the point of intersection with the Northwest corner of the present corporate limits; thence south along the boundary line of what has heretofore been the West line of the corporate limits of the City of Clarendon, to the place of beginning.

And in addition thereto that tract of land beginning at the North East corner of Section 33, thence extending North for 1000 feet along the East line of Section 30; thence East in Section 29, parallel and 1,000 feet North of the North line of Section 34 for a distance of 4780 feet;

Thence South along a line parallel and 500 feet West of the East line of Section 29 and 34 to the North line of Section 43;

Thence West along the North line of Section 43 to a point of intersection with the present East boundary line of the corporate limits of the City of Clarendon;

Thence North along said East line of the corporate limits till said East corporate limits intersects the North corporate limits;

Thence West along the present North line of the corporate limits to the point of beginning;

And for the issuance of bonds and the levy of tax in payment therefor, at which said election the electors shall be submitted the following propositions, and none other: "For the Drainage District and the issuance of bonds and levy of tax in payment therefor" "Against the Drainage District and the issuance of bonds and levy of tax in payment therefor", the amount of bonds being for the sum of One Hundred Twenty Thousand, Eight Hundred and Thirty-Three Dollars (\$120,833.00) to pay the estimated cost of improvements of said proposed Drainage District. That said election shall be held at the following named place within said territory, and the following named persons are hereby appointed as managers and officers at said election:

At City Hall (Municipal Building) in the city of Clarendon, W. T. Clifford, presiding judge; John Watts, assistant judge; Paul Shelton, clerk; Sam Lowe, clerk.

Notice of said election shall be given by the county clerk of Donley County, Texas, by posting notices thereof in four public places within said proposed drainage district and one at the courthouse door of said county of Donley, for twenty days previous to the date of said election, and the election shall be held in the manner prescribed by law for holding elections as in other cases, except as herein otherwise provided. None but resident property taxpayers who are qualified voters of said proposed Donley County Drainage District No. 1 shall be entitled to vote at said election, and every person who offers to vote in said election shall first take the following oath before the presiding judge of the polling place wherein he offers to vote, and the presiding judge is hereby authorized to administer same: "I do solemnly swear (or affirm) that I am a qualified voter of Donley County, Texas, and that I am a resident property taxpayer of the proposed drainage district voted on at this election, and I have not voted before at this election."

On each ballot at said election shall be printed thereon the words, and no others: "For the drainage district and issuance of bonds and levy of tax in payment therefor", "Against the drainage district and issuance of bonds and levy of tax in payment therefor". Therefore, in obedience to said order, notice is hereby given that an election will be held in the county of Donley, State of Texas, within the territory of such proposed drainage district on Tuesday, the 7th day of April, A. D. 1925, for the purpose of establishing a drainage district described and designated as "Donley County Drainage District No. 1" being described by metes and bounds as hereinabove set out, and for the issuance of bonds and the levy of tax in payment therefor, at which said election there shall be submitted the following propositions, and none other: "For the Drainage District and the issuance of bonds and levy of tax in payment therefor" "Against the Drainage District and the issuance of bonds and levy of tax in payment therefor", the amount of bonds being for the sum of One Hundred Twenty Thousand, Eight Hundred and Thirty-Three Dollars (\$120,833.00) to pay the estimated cost of improvements of said proposed drainage district.

Said election shall be held at the following named place within the territory of said proposed drainage district and the following named persons have been appointed as managers and officers at said election:

At City Hall (Municipal Building) in the city of Clarendon, W. T. Clifford, presiding judge; John Watts, assistant judge; Paul Shelton, clerk; Sam Lowe, clerk.

None but resident property taxpayers who are qualified voters of said proposed Donley County Drainage District No. 1 shall be entitled to vote at said election, shall first take the following oath before the presiding judge of the polling place wherein he offers to vote, and the presiding judge is hereby authorized to administer same: "I do solemnly

swear (or affirm) that I am a qualified voter of Donley County, and that I am a resident property taxpayer of the proposed drainage district voted on at this election, and I have not voted before at this election."

On each ballot voted at said election shall be printed thereon the words, and no others: "For the drainage district and issuance of bonds and levy of tax in payment therefor" "Against the drainage district and issuance of bonds and levy of tax in payment therefor."

The manner of conducting said election shall be governed by the election laws of this State, except as herein otherwise provided.

WITNESS MY HAND and seal of the Commissioners' Court of Donley County, Texas, this 11th day of March, A. D. 1925.

LOTTIE E. LANE, County Clerk, Donley County, Texas.

THE STATE OF TEXAS COUNTY OF DONLEY

To those indebted to, or holding claims against the Estate of B. F. Naylor, deceased.

The undersigned having been duly appointed administrator of the estate of B. F. Naylor, deceased, late of the county of Donley, state of Texas, by J. R. Porter, judge of the county court of said county on the 21st day of February, 1925, during a regular term thereof, hereby notifies all persons indebted to said estate to come forward and make settlement, and those having claims against said estate to present them to her within the time prescribed by law at her residence in Clarendon, Donley County, Texas, where she receives her mail, this 6th day of March, 1925.

EULA NAYLOR, Administrator of Estate of B. F. Naylor, Deceased. (14c)

THE STATE OF TEXAS:

To the Sheriff or any Constable of Donley County—Greeting:

You are hereby commanded to cause the following notice to be published in a newspaper of general circulation which has been continuously and regularly published for a period of not less than one year, preceding the date of the notice in the county of Donley, state of Texas, and you shall cause said notice to be printed at least once a week for the period of ten days exclusive of the first day of publication before the return day hereof.

Notice of application to probate will and for Letters Testamentary: The State of Texas:

To all persons interested in the estate of W. A. SoRelle, deceased, Mrs. Carrie E. SoRelle has filed in the County Court of Donley county an application for the probate of the last will and testament of said W. A. SoRelle, deceased and for Letters Testamentary of the estate of said W. A. SoRelle, deceased which will be heard at the next term of said court commencing on the third Monday in April A. D. 1925, the same being the 20th day of April, A. D. 1925 at the court house thereof in Clarendon, at which time all persons interested in said estate may appear and contest said application should they desire to do so.

Herein said not, but have you before said court on the said first day of the next term thereof this writ, with your return thereon showing how you have executed the same.

Given under my hand and the seal of said court at my office in Clarendon, Texas, this 10th day of March A. D. 1925.

LOTTIE E. LANE, Clerk County Court, Donley County, Texas.

DOES ADVERTISING PAY?

—Advertising has made the Victoria Dog famous.
—It has put Castoria down your throat left bristles in your gums, and then came along a Rubberbet and took them out.
—It has put Sododont, Pebecco, and Pepsodent on your teeth.
—It has put a Gillette against your haystack.
—It has put Murine in your eye, sold you Cuticura for pimples, Pears for the bath, and Ivory for the tub.
—It has put Arrow collars around your neck and Ingersolls around your wrist.
—It was jammed your feet in Hole-proof sox, put Paris garters

on your legs and Tiffany rings on your fingers.
—It has worn out your jaws on Wrigley's and posted you on what to buy to cure corns, warts and bunions and ingrowing toenails.
Go anywhere you want to, do anything you wish, and advertising has had a hand in it—absolutely.
And then some people ask—"Does advertising pay?"—Kansas City Club News.

The Twentieth Century Club, Cisco, has inaugurated a movement to secure a building for the library which the club has sponsored for some years, and to induce the City Commission to undertake the maintenance of the library.

NOTICE—WBAP has been shifted back to 476 meters.

FERTILIZERS INCREASE YIELDS AND PROFITS

Texas farmers seem to be awakening to the fact that they are fast "dissipating" the most important part of their property in "riotous" farming. Many years of "taking out" and "not putting back" has produced a condition of soil poverty that is alarming. Thoughtful men see in this condition of affairs one of the most important reasons why farmers make so little headway. They realize that cooperative marketing cannot make profits out of low per acre yields. They feel that it is just as important to grow a crop right as it is to sell it right, and that no crop can be grown right unless the soil is sufficiently fertile to produce a good yield.

As a splendid agency for increasing yields, fertilizers are fast proving their case. Last year, 126,000 tons of fertilizer were used in Texas, more than 50,000 tons more than has ever before been used in one year. Farmers are losing their old prejudices against the use of fertilizer. They are recognizing the fact that any man who can take 3 cents worth of fertilizer and turn it into 8 cents worth of cotton does good farming. Many Texas farmers are doing this already, and many more of them will be doing it in a few years hence.—The Progressive Farmer.

COLLEGE INSTALLS MANY NEW SIDEWALKS AT ONCE

The campus of the college is receiving a number of concrete walks that will add much to the attractive beauties of the place. A wide walk is to be placed around the entire block now occupied by the main building and an eleven foot walk is to be run from the entrance of the building to the front of the block. The concrete men have been busily engaged for the past few days in getting this work in hand and getting the walks placed in the correct manner. One string has been run from the cross walk to the front of the campus and the wide walk is in the process of being prepared for pouring. This is one of the improvements that has been needed by the college for a number of years and is one that will be appreciated by the students more than any other improvement that could have been perfected. The beauty of the campus will be enhanced by the walks and with the coming of summer, the campus will be further beautified by the addition of flower beds and a carefully tended lawn. The raising of the school to senior rank has made it almost necessary that the campus should receive more attention than has been the custom in years that have passed.

PIG SURVEY FORECASTS LOW HOG PRODUCTION

A hog production in 1925 probably as small as in any year in the last 10 and an acute shortage of hog products in 1926 are indicated in the December 1 pig survey made by the department in cooperation with the Post Office Department through the rural carriers.

The survey shows a decrease of 28.2 per cent in the number of sows farrowed in the fall of 1924 in the country as a whole, from the number farrowed in the fall of 1923. Because of a somewhat higher average number of pigs saved per litter, the decrease in pigs is only 22.2 per cent. For the Corn Belt, the decrease in sows farrowed was 30.6 per cent, and in pigs saved was 23.4 per cent. Decreases in the other regions, while large, were somewhat less than in the Corn Belt.

The number of sows bred or to be bred to farrow in the spring of 1925 is shown as 94.3 per cent of the number of sows that actually farrowed in the spring of 1924, for the United States, and 89.6 per cent for the Corn Belt. Based on the results of previous surveys, which have shown about how much the number of sows farrowed has fallen short of breeding intentions, the present survey indicates a reduction of from 15 to 25 per cent in sows that will farrow in the Corn Belt in the spring of 1925, from the spring of 1924. For the country, as a whole, a somewhat similar reduction is indicated.

The reduction of 23.4 per cent in the fall crop in the Corn Belt follows the reduction of over 17 per cent in the spring crop shown by the survey of last June. The total number of pigs raised in the Corn Belt in 1924 was probably fully 19 per cent less than in 1923. Quantitatively, this represents a reduction from 1923 of between 11,000,000 and 12,000,000 head, or around 7,000,000 in the spring crop and 4,500,000 in the fall crop. But in spite of the large reduction in numbers born, the market movement to January 1 of the 1924 spring crop of Corn Belt hogs has been almost as large as the movement to the same date of the 1923 spring crop. December marketings and slaughter in 1924 were the largest ever recorded.

The reduction in sows bred this fall for spring farrowing compared with a year ago is indicated at around 2,000,000 head in the corn belt. These will go to increase the winter market supply and to decrease the marketings next summer and fall, thus making the decreased supplies of the marketing year the more marked in the second half of the year.

PROTEIN CONTROLS PRICE OF HARD WHEAT

"Until recent years, the price of wheat has been controlled almost entirely by its test weight and grade, but at present the percentage of protein has more to do with its value than anything else," says H. M. Bainer, Director, The Southwestern Wheat Improvement Association. Continuing he says, "The present value of high protein in hard wheat is clearly shown in the prices that have been paid on the Kansas City market during the past few weeks. During this time, the average premiums paid for high protein, based on sales of No. 2 Hard winter wheat, show that for 12 per cent protein the market paid 7 cents a bushel above the price for ordinary No. 2 wheat; for 12-1/2 percent protein it paid 10 1/2 cents above; for 13 percent protein it paid 14 cents above and for 14 percent protein it paid 18 cents above. This wide margin paid for the same grade of wheat on the same day and on the same market is, therefore, accounted for almost entirely by the difference in protein.

"The protein content of hard wheat may run as low as 8 to 9 per cent and as high as 16 to 18 percent, but 12 percent is a high average. Wheat containing less than 12 percent seldom commands any premium.

"To considerable extent, the farmer can control the percentage of protein in his wheat. It is generally known that climate and soil have almost everything to do with protein. Low protein is caused by wet seasons, sandy soil, lack of nitrogen in the soil and late preparation of the seedbed. On the other hand, high protein is caused by dry seasons,

Spring Attire

The magic word of Spring calls forth youthful fantasies in apparel and accessories.

We offer you the smartest in dresses of unusual individuality—the correct in millinery, hosiery in the new shades and what is new in Novelty Bags, Combs and Kerchiefs.

HOBBIES

Every man, even the busy American, should have a hobby. And when we say hobby, we do not mean a hobby-like vocation, we mean something set apart from, something in direct contrast with your vocation or business. A hobby is on the border-line between positive recreation and interest, and must be utterly devoid of money-making intentions to be a good one. Pure joy of intellect or pure joy of accomplishment, or pure love of beauty, must be the controlling motive behind all your application.

A hobby should be acquired as early as you are able to conceive something worth while, and should be given affectionate nursing until death.

A hobby should be narrow in scope so that the final result of your attention to it will be a product of near-perfection.

Hobbies promote good health if well chosen. There is the garden (a single variety of plant life is a single variety of brain work indoors. There

is poetry, art, music, or butterflies, for the man that is roused by the hurry and sweat of commercial life. There is radio for the lonesome or inventive nature. There are thousands of hobbies, and most of them are good. But they should be a balm to your nature, a rest from your work, and a blessing to your intellect.

Many a man's hobby has given the world a great truth. Gregor Mendel was a monk and chose sweet peas as his hobby. After many years of experimentation, he gave the world "Mendel's Law" of dominant and recessive traits in heredity. —W. D. Trotter in Southwestern Machinery.

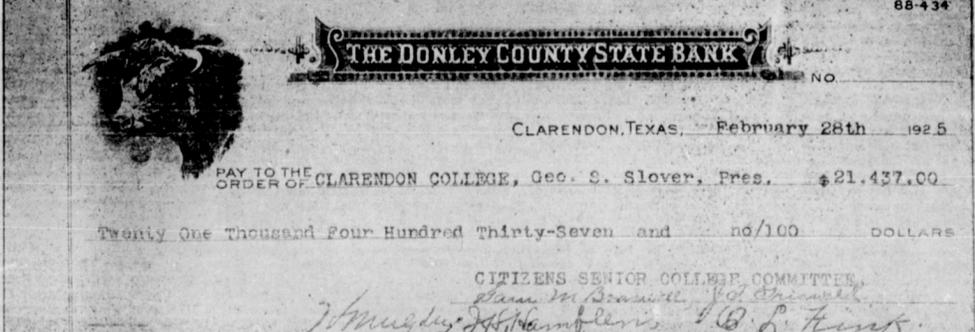

GOLF GROUNDS SECURED; CONVENIENT

The Panhandle Golf Club closed a deal this week whereby they have leased for a long period of time, eighty acres of land from Mrs. J. N. Garretson. The tract lies just west of the city limits and adjoins the Garrison Addition and the Silk Stocking Addition, and is a very appropriate tract of land for the course.

Work of surveying the course and preparatory work of fencing the land out was begun this week. "We will have the course ready soon after the first," said Mr. Threat, chairman of the Club. A big opening day is planned when the course is finished and ready for work, on which occasion a tournament is planned and a general gala day staged.—Panhandle Herald.

Miss Marie Howse of Childress visited Mrs. Cecil Reavis last week.

THE CHECK THAT FREED THE COLLEGE FROM ALL DEBT AND WILL MAKE IT RANK GRADE A

THE DONLEY COUNTY STATE BANK

CLARENDON, TEXAS, February 28th 1925

PAY TO THE CLARENDON COLLEGE, Geo. S. Slover, Pres. \$21,437.00

Twenty One Thousand Four Hundred Thirty-Seven and no/100 DOLLARS

CITIZENS SENIOR COLLEGE COMMITTEE

Sam M. Beaswell, Ed. Beaswell, J. M. Muddy, J. H. Hambley, O. S. Hunt

The above is a reproduction of the check that was given Dr. Geo. S. Slover in payment of all the standing indebtedness against the college. The total shown above represents the whole of the amount that was raised by the Citizens Committee whose names appear on the space for the signature. The cut is used by courtesy of the Texas Christian Advocate, of which Dr. Slover is publisher.

IN QUALITY LIES TRUE ECONOMY

GREAT STOREWIDE SALE

New Silks at a Big Saving, Printed Crepes, New Spring Woolens, New Spring Flannels and New Draperies. A VALUE UNEQUALED

DON'T MISS THE OPPORTUNITY TO SEE OUR MANY MONEY SAVING OFFERINGS. A COMPARISON OF PRICES WILL BE FULL OF SURPRISES AND SAVINGS FOR THRIFTY SHOPPERS AND A COMPARISON OF QUALITY WILL PROVE A MUCH GREATER SURPRISE AND OUR PRICES WILL OPEN YOUR EYES.

A Great Special Purchase Sale of 100 Dresses

Our aim has always been to secure for our patrons the greatest values that the market affords. We mark every garment very close, depending on volume of business to make up for the reduction. We do a large annual business. We get many concessions from manufacturers with whom we do business. We pass the saving on to you.

BACK TO A BIT OF LACE

By Peggy Paige

When modern maid first clipped her pretty curls, affected boyish collars and cuffs and mannish tailcoats, and invaded man's world—she discarded lace and laces. But she never surrendered her pet prerogative—a woman's right to change her mind. And this Spring we find her—fickler maid—again favoring a bit of lace.

As if dreading to call attention to her seeming change of heart, in some of her costumes she but shyly suggests this touch of lace. She slips it into her frocks in the form of lace godets, ruffled flounces of lace, lace yokes, lace sleeves, "lacey" suggestions of pockets and collars, and inserted panels and medallions of lace.

But in others of her costumes she grows more bold about this feminine turn she's taken, and we find her proudly tripping forth in gowns fashioned entirely from this daintiest, and finest, and most feminine of all fabrics—lace.

She is wearing frocks of soft shadow lace, of "cobwebby" Chantilly lace, gleaming metal lace, ombre lace, lace tinted in the most delicate of rainbow hues, and laces combined with soft chiffons and georgettes. So, if you will be chic—sneak into your attic, dig down into your old trunks, and get out that bit of lavender and old lace!

THE STORE THAT VALUES BUILT

A WORLD'S FAIR FOR TEXAS

What Texan in the past year hasn't felt a thrill upon contemplating the proposed Centennial Exposition.

A "world's fair" of such scope as to observe fittingly the passage of this state's first century, grand enough to do justice to the achievements of that 100 years, big enough to put Texas in the eyes of the world for several months—don't the possibility of such a thing appeal to you?

Somewhere in Texas—the location isn't of primary importance—a veritable city must be erected. Millions of dollars on fine exposition buildings must be spent. The grandeur of the San Francisco Exposition held ten years ago, and still the greatest fair in history, must be excelled.

The committees and individuals that have been at work on preliminary plans for the exposition have, of course, done no actual planning for the exposition itself. There must first be years of educational work, of "propaganda" if you will, getting the citizens of the state itself united in their demand for and support of a great celebration. Already interest in the proposal has become widespread. Organizations in every corner of the state have promised their support. The press has begun to line

up behind the movement. It is not, therefore, too soon to predict success of the enterprise.

There are many hundreds of problems to be faced before anything of a concrete nature can be done. The Houston Chronicle, speaking editorially has this to say about the exposition:

"These public spirited and patriotic citizens of Texas who are giving their time and necessarily, more or less of their money to promote the success of the movement to bring about the holding of an exposition in 1936 to celebrate the centennial of Texas Independence deserve the thanks of the people.

For so long has the custom prevailed of celebrating the anniversaries of great events, by exhibitions illustrating the progress of the world since the time when the event occurred, that it has become crystallized into unwritten law.

The Centennial of 1876 at Philadelphia, the Exposition at St. Louis in 1904 and the San Francisco Exposition will be remembered as concrete instances of celebrations held for patriotic purposes.

The significance and value of any such celebration is, of course, dependent upon the importance of the achievement intended to be perpetuated, and judged by that test and standard, the Texas Centennial will

be a celebration of unsurpassed significance.

The birth of a new republic among the nations of the earth on the battlefield of San Jacinto on April 21, 1836, was one of the outstanding events in the history of the world.

It is conceded by all historians that it had the effect to bring on the war with Mexico ten years later, and as a consequence of the result of that war the jurisdiction of the United States was extended to the shores of the Pacific.

The battle of San Jacinto was one of the most decisive battles of all history, and no method of the celebration of its centennial, however elaborate and splendid it might be, would be unduly proportioned to the importance of the event.

The thought to be kept in mind is not where it shall be held, or what town or city or locality shall be the beneficiary of it in a financial sense, but how the holding of the Centennial Exposition can best be brought about.

It would be most unfortunate if the spirit or purpose of commercializing the movement should be permitted to enter into the planning and preparing.

It would be well for those who are interested themselves in the Centennial Exposition, and the legislators also, to study Section 39, Article

16, of the Constitution, which reads as follows:

"The legislature may, from time to time, make appropriations for preserving the perpetuating memorials of the history of Texas by means of monuments, statues, painting and documents of historical value."

It does not seem that it would require any very elastic or any unwarranted interpretation of the language quoted to authorize the legislature to give financial aid to the Centennial Exposition.—Texas Commercial News.

Dr. Geo. S. Slover filled the pulpit of the Methodist Church Sunday evening in the absence of Rev. J. H. Hamblen. He will also hold this place next Sunday morning and evening.

The Court of Civil Appeals Library, which occupies an entire floor of the Jefferson County Courthouse, serves as a county law library, it is stated, the county having combined with the State in starting and adding to the library. It is valued at \$25,000.

FINE ARTS STUDENTS STAGE GOOD RECITAL

Three Fine Arts students of the department of Clarendon College were presented to the public Monday evening of this week. Misses Viola Joss and Angeline Dubs, pianists were presented in joint recital with Miss Leta Verne Martin, violinist. The following program was rendered:

- Thistle Down Fancies, Rayma—Viola Joss.
- Vanity Fair, Walter Rolfe—Angeline Dubs.
- Minuet, Paderewski—Viola Joss.
- La Grance, C. Bohm—Angeline Dubs.
- Souvenir de Wieniawski, Haensch—Leta Verne Martin.
- Shower of Stars, P. Wachs—Viola Joss.
- The Feetles Dance—Edw. Holst—Angeline Dubs.
- Concert Polka (piano duo), A. W. Lansing—Angeline Dubs and Viola Joss.

Announcement was made at this time of the recital to be given Monday evening, March 23.

Southern Methodist University, Dallas, has opened a library room for freshmen only, to relieve the crowded conditions of the main library.
