NOVA COOK IS A. & M. WINNER

DONLEY COUNTY GIRL WINS FIRST IN INDIVIDUAL DRESS IN STATE

Donley County has again come to the front in competition against the whole state of Texas in that Miss Nova Cook of Lelia Lake won first prize in individual dress at College Station during the Short Course recently held there. Mrs. Henry Dozier was also listed among the prize winners of the state, taking fourth place in the field of the state in the living room contest. Mrs. Dozier was easily the winner in the District and gave the state winners some hard competition before the judges could make their awards. Mrs. Dozier was entered in the class which allowed the expenditure of less than \$25.00 on her living room and had made radical changes in her home during the time allowed. Individual reports will be made to the various clubs where representation was had in the attendance on the Short Course. The following clubs were represented: Ashtola, Martin and Lelia Lake, Misses Ola Mae Watts, Oneta Poovey, Ima Poovey, Flora Durrett, Ruby Wood, Jewel Smith, Nova Cook and Harvey Thompson and Mrs. Henry Dozier were the Donley County representatives at College Station for the session. The party left Clarendon Saturday evening, July 28th, and returned one week later, on Saturday, August 4th. All sessions of the meeting were attended, with a lecture course and a movie in the evening. Governor Dan Moody spoke to the gathering Friday evening, giving his hearers some of the advantages offered by Texas in an educational way. He also stated that Texas offered greater opportunities to the youth of America than any other state in many ways aside from the educational.

The women were housed in Miner Hall and the girls of the party were given places in Bizell Hall. All of them were fed in the regular dining hall of the school, as many as 5,000 being given their noon meals at one time. In the work of the kitchens and other parts of the College during the stay of the visitors, more than 500 loaves of bread were used in addition to the buns and other bread fed the hungry visitors. Good meals are reported to have been served at all times. Consumption of ice during the stay of the Short Course visitors reached the staggering total of 30,000 pounds daily, with ice water available at every point where it might be needed. It is possible that the plant of the school was of as vital interest to the visitors as were the lectures and other meetings. Each part of the school was given a thorough examination by the visitors, they being welcome in any part at any time they might ask to enter. The night programs were interesting in that each evening some speaker of note addressed the gatherings. This was in addition to the picture, which was ordinarily of an educational nature, followed by a comedy to lighten the occasion. Various subjects were discussed that might prove of some interest to the visiting club members.

Rev. A. B. Crocker, former pastor of the Clarendon First Christian Church, but now of Panhandle, was here Wednesday afternoon.

Mrs. D. W. Jordan of Kansas City, Kansas, arrived Tuesday night to be the guest of Mrs. J. D. Jefferies.

SCHOOL BOARD MET HERE LAST FRIDAY

STATE SCHOOL REPRESENTATIVE SPEAKS TO ASSEMBLED MEN

John T. Conn, of the Rural division of the State Department of Education, spoke to the Donley County School Board and other interested persons in the District Court Room in the courthouse Friday afternoon of last week. The various problems confronting the operators of a rural school were discussed freely and fully and the listeners gained much information that will prove of value to them in their work with the schools. The attendance on the meeting was cut to some extent by the rainfall of Thursday night and Friday morning, but this did not detract from the interest of those who were able to be present for the meeting. Mr. Conn was no stranger to the gathering since he had been here earlier in the year in conjunction with the Rural Aid propositions for the county, and had become acquainted with the school men of the county in that manner.

ANDY BOURLAND HERE AUGUST 28

CLARENDON IS FIRST TOWN ON DENVER TO ENTER- TAIN W. T. C. C. HEAD

Clarendon is to be honored above all towns on the Fort Worth & Denver road in the West Texas Chamber of Commerce in that the town is to be the first to be allowed the privilege of entertaining President Andy Bourland since his elevation to that coveted position. The event will take on the form of a joint celebration, with the Lions Club and the Chamber of Commerce as the official hosts of the day. The meeting will be held at noon on Tuesday, August 28th, in the Antro Hotel and the entire hour, barring the few minutes preliminary work of the Lions Club, will be given to Mr. Bourland to use as he may see fit. Attendance on the meeting is to be unrestricted and there will be plenty of room for everyone who may care to attend. Tickets will be placed on sale in the near future and their location will be announced in plenty of time to allow for the purchase and reservation of a place in the meeting room. There will be no extra charge above that ordinarily paid for the luncheon, the admission price being fixed at 75c. Mr. Bourland is a vigorous speaker who will be certain to please all who hear him. He is a farmer, operating extensive holdings near Vernon, and has served as County Commissioner of Wilbarger County for the past twenty years. He led the fight for paved roads in his home county and has seen them installed and in operation. His address will be of vital interest to Donley County and Clarendon, and everyone is invited to attend and take part in the welcome of President Andy Bourland of the West Texas Chamber of Commerce.

LEGION TO SEND TO DISTRICT MEET

FAIR ATTENDANCE ON REG- ULAR MEETING INDI- CATES MORE INTEREST

Though the attendance might not have been all that it should have been, the officials of the Aubyn E. Clark Post of the American Legion are not downhearted in the least. They feel that if interest can be maintained through the vacation periods of the summer that more than interest will be manifest with the opening of the Fall and Winter and that some great things will be done when the post gets well under way.

The meeting Tuesday evening of this week took on a business-like attitude in that some matters of vital importance were attended during the session, to be followed with refreshments of a major character, leaving all interested parties satisfied and well pleased that they had been in attendance on the meetings. Some fun was planned at the meetings to be held in the near future and the members will miss something real if they fail to keep in touch with happenings in the Legion Hall.

The District Meeting of the Legion to be held in Pampa Saturday of this week was discussed at length and delegation promised to do all possible to attend from here and take a part in the celebration. The State meeting at Texarkana was also discussed, it being learned that reservations had been made for two delegates from the local post and that they had already been assigned rooms. The National meet is to be held at San Antonio in October and the railroads are all set to give a rate of one way fare for the round trip and it is expected that the local post will have a large gathering at the convention. The program of entertainment is such that it will be interesting to everyone and a promise has been made that there will not be a dull moment during the entire seven days of the convention.

A short financial statement of the condition of the Legion was made by Adjutant Boykin, who stated that the Legion was absolutely out of debt after finishing and furnishing the hall as it now stands. Plans are being made to add to the financial status of the organization shortly after the opening of the Fall months. Adjournment came after the members had been urged to talk up the coming meetings and see that a larger attendance is present at the next regular meeting of the body.

Mr. and Mrs. J. L. McMurtry and family left Monday morning for a motor trip through New Mexico. They will visit the Carlsbad Caverns and other interesting points in that state before returning here.

PRECINCT CONVENTION NAMES DELEGATES

Precinct 2 Convention, Democratic, met in the courthouse on Saturday, August 4th as had been advertised. Chairman Harwood Beville stated the purpose of the meeting, that being the selection of delegates for the State and District conventions. The following were named as delegates to the State convention at Dallas on September 11th: R. H. Beville, A. M. Beville, Sr., Sam M. Braswell, W. K. Davis, O. L. Jacobs, J. R. Porter, Tom Connally, Edwin Baley, J. H. Hurn, Jess Stiles, J. R. Ba'n and J. J. Alexander. Delegates to all District Conventions were named as follows: A. T. Cole, W. T. Link, R. H. Beville, T. H. Peckles, O. H. Brewer, R. Y. King, Chas. H. Dean and J. R. Porter. The meeting adjourned after there was no other business to be attended.

PIONEER CITIZEN BURIED MONDAY

JOHN WILLIAMS PASSES TO REWARD AFTER MONTHS OF ILLNESS

John M. Williams, well known citizen of Clarendon for the past several years and resident of the Panhandle for more than the past quarter century, passed to his final reward at his home in East Clarendon early Sunday morning, August 5th. Mr. Williams has been in failing health for the past year and more and had not worked at his job of pumping on the Denver line for some time, having been placed on the retired list. His last days were spent at peace with the world, and he was ready when the summons came to take him away. John M. Williams was born in the southern part of Wales on December 25, 1848. He came to America when he was nineteen years of age, locating in Kansas where he worked for the Santa Fe Railroad. In 1891 he came to Texas, working for the Denver road near Dalhart for a number of years before coming to Clarendon in 1906. He has made his home here since that date. In 1902 he was married to Mrs. Williams, who survives him. Besides Mrs. Williams, he is survived by a son, Arthur J. Williams of Sherman, Texas, three daughters: Mrs. J. E. Richie and Mrs. W. B. Ponder of Amarillo and Mrs. Homer Mulkey of Clarendon. During the past three weeks his son has been in constant attendance with his father and was here for the last rites, as were the three daughters and a son of Mrs. Williams by a former marriage, C. M. Duke of Wichita Falls. Funeral services were held Monday morning, August 6th from the Presbyterian Church, Revs. S. E. Allison and F. T. Charlton officiating in the last rites. Interment was had in the Citizen's cemetery. Mr. Williams had been a member of the Presbyterian Church for the past several years, having been converted and united with that body during the ministry of Rev. W. H. Foster. He had been connected with fraternal orders up to a few years past, and was not a member of any body aside from the church at the time of his death.

CITY GOLF CHAMPIONSHIP TOURNAMENT BEING ARRANGED

The 1928 golf champion of Clarendon will be named in a local tournament to be played at the Hillcroft Golf Club within the next few weeks, according to plans being worked out by the tournament committee, with J. T. Patman as chairman. A handsome silver loving cup will be selected by the committee and will be held by the 1928 champion until the 1929 tournament. The winner must win the cup three years in succession to hold it permanently.

HARRIS-BALEY TO STAGE RUN-OFF IN AUGUST RACE

Contrary to the vote as carried in the last issue of the News, there is to be a run-off race in the Commissioner's race in Precinct 1. As carried in the News, the statement was made that Mr. Harris had polled 142 votes against Mr. Baley's 65. We were in error in this connection, some mistake being made in transferring the amount of votes from one list to another making this erroneous statement possible. The correct vote in this instance should be: Harris, 121; Baley, 88; Poovey, 64. The names of Messrs Harris and Baley were left out of the announcement column last week, but will be found in their regular places from this issue forward.

Misses Joyce and Alice Claire Teague, who have been spending the summer with their grand- mother, Mrs. E. A. Teague, are returning to their home in Lub- bock in a few days. Miss Joyce, who completed her course in the Lubbock High School this spring, will enter Tech for the winter term.

WALTER WICKS TO BE HERE 15-16TH

PROMINENT INSTRUCTOR TO DEMONSTRATE METHODS AND GIVE TESTS

Walter Wicks, Red Cross Life Saving expert, was at the Clarendon Country Club Tuesday and Wednesday in compliance with the plans made with the local Red Cross Chapter to carry out their program of Life Saving Campaigns over a number of years. The school this year is calculated to be one of the most interesting that has ever been held since there are a number of applicants for the Life Saving badges here who will be in the work. Mr. Wicks will demonstrate many things that should be in the work of every swimmer and will be glad to talk to anyone who cares to discuss any angle of swimming.

"Carelessness, lack of information on resuscitation methods, and fear on the part of the inexperienced swimmer are the three great contributing factors to the annual death toll by drowning." Walter Wicks, American Red Cross Life Saving Field Representative declared on his arrival here to give instruction to local swimmers. "Never swim alone" is one slogan of the American Red Cross Life Saving campaign. Mr. Wicks said, "This has led to adoption of the 'buddy' system, in many swimming pools and boys' and girls' camps in the country, in which the youngsters take a pledge that they will never swim alone, but always with a buddy, and that each will always check up on his buddy at stated periods of time. This practical idea has prevented hundreds of deaths. "A regulation which would prevent many accidents would be that boat and canoe-renting concessions be compelled to inquire of their clients as to their ability to handle the craft, and whether or not they could swim. Inexperienced persons should not be permitted to rent them. "Only constant supervision, educational campaigns, and life saving instruction courses can cut the list of drownings especially among boys and men between the ages of 15 and 20 years. They are most guilty of the crime of carelessness, and death takes a heavy toll among them. Forty-four per cent of the victims of drowning are between these ages. "Fear attacks the inexperienced swimmer, frequently causing him to lose his life withing sight and hearing of companions. This accounts for the fact that a large percentage of the drownings occur within 20 feet of shore. Diving into water without accurate knowledge of its depth, or whether the bottom is clear of debris also accounts for many accidents."

LOCAL GOLFERS WALLOP SHAMROCK PLAYERS SUN.

Taking thirteen players for an out-of-town match proved highly effective for the Hillcroft Golf Club last Sunday when the trip was made to Shamrock in return for the tourney played here a short time past. Nine of the thirteen matches were won by the Clarendon men, and one other hung in the balance until the eighteenth hole when Walter Wilson was beaten by Nicholson's approach shot which was sunk on the final hole for a win. The Clarendon men were well pleased with the treatment received from the hands of the Shamrock players, reporting a fine course and the most royal of treatment. Other matches will probably be played in the near future between the teams of the two towns. Clarendon players winning their matches are: J. T. Patman, Philip Gentry, Kenny Lane, Carl Parsons, Homer Parsons, A. N. Wood, Forrest Taylor, Holman Kennedy and Robert Weatherly, Jr. The losing four are: Bennett Kerbow, W. A. Wilson, Meredith Gentry and Ira Merchant.

PLANS WORKING FOR AIR PORT

At a meeting of the directors of the Hillcroft Golf Club Wednesday afternoon of this week an inquiry from the Lions Club was made through a committee to see if the Golf Club would look with favor on the matter of loaning the use of certain grounds at the local course to be used for a temporary landing field for airplanes. G. L. Boykin, secretary of the Chamber of Commerce, submitted a schedule and specifications for landing fields of various classifications and after discussion a committee was authorized to work with the committee from the Lions Club to see if suitable location and yardage could be obtained on the golf grounds without interference with the fairways of the course. Meredith Gentry, H. B. Kerbow, and Walter Wilson was named as the committee to work with the Lions Club committee, J. T. Patman, G. G. Kemp and G. L. Boykin.

Mr. and Mrs. Glynn Shults of Crowell, Mr. and Mrs. O. B. Stanley of Fort Worth, house guests of Mr. and Mrs. Moreman of Hedley together with Mr. and Mrs. Buford Bell and Mr. and Mrs. Moreman of Hedley visited in the homes of Mrs. Eula Cox and Mr. and Mrs. Houston Miller, Sunday evening and attended the Starnes Revival service.

Bert Rasor and sister, Miss Arlyne Rasor of Miami were visitors in the J. H. Hurn home over the last Sunday.

Miss Gwendolyn Couch is filling the vacancy in the offices of Powell and Patman while Miss Frances Cauthen is taking her vacation in Colorado.

WALTER WICKS

Mr. and Mrs. James Kimbell have returned to Clarendon after an absence of some time, and will make their home here. Mr. Kimbell is to be the manager of the Moreman Gin this season.

W. G. WORD THANKS VOTERS AND RETIRES FROM RACE

W. G. (Bill) Word, who won his way into the second primary as a candidate for the office of County Clerk, authorizes the News to announce his withdrawal from the race. Mr. Word has the following to say in this connection: "I want to express my sincere thanks for the vote given me by friends and supporters all over Donley County in the first primary. No man ever had more loyal friends and I appreciate every man and woman who aided my campaign. For personal reasons I have decided not to continue my race for county clerk in the run-off of August 25th, and I withdraw my candidacy with the best of good feeling toward every one and wish for the citizenship of Donley County the best of prosperity and happiness. If I can serve any of you at any time I shall be happy to do so." Signed: W. G. WORD

BAND CONCERT TO PLAY HERE TONITE

COURTHOUSE LAWN TO BE SCENE OF HOUR'S CON- CERT BY MUSICIANS

Starting at 8:00 o'clock sharp, the Clarendon Municipal Band will play a concert of an hour's duration on the courthouse lawn this evening. Director Lindsey states that he had planned an event of this nature for each week this summer but that the lack of players and the absence of members of the band on their vacations has meant that no concerts should be held. Sufficient number of players have been gathered and a concert worth while has been planned and will be presented at the time and place mentioned above. A joint concert will be played on Thursday evening, August 16th by the Clarendon band and the Memphis Gold Medal Band. The Memphis organization is well known to Clarendon people, having played here before this date. Their appearance will be welcomed here and there is certain to be a goodly crowd awaiting their appearance when they play in the city. They will play on the Courthouse lawn at the same hour next Thursday evening.

NEW MANAGER FOR LIGHT CO.

Effective August first, Monty R. Garrison, manager of the West Texas Utilities Company of Clarendon, became District Commercial Agent for the Childress District with headquarters at that city. His place here is to be taken by T. D. Nored, formerly of Wellington, and Power Salesman for the district for the past few months.

Monty Garrison has been with the electric Power and Light companies of Clarendon for the past nearly nine years, and has been manager of the local plant through many changes in name and ownership. When he first became manager the plant bore the name of the Texas Gas & Electric Company, later changing to the Clarendon Light & Power Company. The next change brought the name of Texas Central Power which in turn became Central Power & Light Company. The last change converted the company to the West Texas Utilities Company, which it will probably remain for a time.

The plant equipment here has seen many changes under the management of Mr. Garrison. Not a single piece of machinery remaining in the plant that was there when he took the proprietorship under his management. Other changes of a like nature have been effected to give the city of Clarendon as complete service in this line as any other town in the state of like size. Mr. Garrison plans to leave Clarendon in the very near future, and states that he will be a frequent visitor to Clarendon as long as he is in touch with this section of the state.

CLARENDON GRAIN COMPANY TO BRING POULTRY EXPERT

Thomas Cox, culling expert of the Purina Mills, is scheduled to be in Clarendon on Monday and Tuesday, August 13th and 14th for the purpose of culling what ever poultry flocks that may be presented to him for this work. People who are interested in having their flocks culled for production purposes during the winter will do well to get in touch with the Clarendon Grain Company and list their flocks for this work at the earliest possible moment. Mr. Cox stated that he hoped to be able to keep busy during the entire two days he spent here and that he hoped to assist the production of Donley County in a great manner by the work he was planning to do.

Miss Gwendolyn Couch is filling the vacancy in the offices of Powell and Patman while Miss Frances Cauthen is taking her vacation in Colorado.

CHECKER FANS TO BE HERE AUG. 14TH

PANHANDLE PLAYERS REG- ISTERING GREAT PLANS TO BE IN TOURNNEY

J. H. Morris and E. M. Lindsey, acting in the capacity of local guides for the Panhandle wide Checker tournament to be held here on next Tuesday, state that a good attendance is expected from many of the towns in this section of the state. A reorganization meeting is to be held in the rooms of the Clarendon Chess and Checker Club at 10:00 o'clock Tuesday morning and the play will start shortly after noon of the same day, ending when the champion has been chosen and the prizes have been awarded. The panhandle's only checker trophy is being held by E. M. Lindsey, who won it from J. H. Morris in the second Amarillo tournament. This will be held at the major prize of the tourney, others being given in the two lower classes. Three divisions will play after the first round robin, the division being established by the percentage of wins scored by the players in the original play.

The two move restriction style will be used as was stated last week. Other restrictions will be announced before the play is started in the club rooms of the local organization. A good attendance on the tourney will insure the future of the Panhandle organization and will give the players a permanent home for the tournaments in the future.

M. M. Noble was carried to an Amarillo sanitarium Monday of this week in a rather serious condition and an operation was feared at first. Late reports indicate that he is progressing nicely and that great improvements are noted in his condition. The entire family was summoned to be at his bedside when his condition was considered worst.

PIGGY WIGGLY OPENS SEC- OND STORE IN PAMPA SAT.

The Boston Brothers opened their second Piggy Wiggly store at Pampa Saturday of last week with the biggest attendance on an opening for a business of this nature that has ever been registered in the Panhandle part of the state. More than five thousand people passed through the turnstiles of the second store Saturday. The two stores in Pampa will be managed by C. S. Boston, formerly of Clarendon, the store at Shamrock has P. T. Boston as manager, while the store in Clarendon is operated by U. J. Boston.

CLARENDON YOUNG LADY ON EXTENDED VISIT IN NORTH

Miss Mayme Wood left the latter part of last week on a six weeks vacation trip in the Northeastern part of the United States and the adjacent part of Canada. Her first port of call will be Portland, Maine, where she will spend some time making up her headquarters while she goes into the adjoining territory for the other trips. Miss Wood recently returned from a vacation trip in the southern part of Texas, visiting Mexico at points near Brownsville, and spending some time on other towns of South Texas. Miss Wood plans to return to her home here during September.

Mr. and Mrs. Fred Patching returned to their home here the latter part of last week after spending eight weeks on their ranch near Tulia.

Miss Katie Butler spent the past week-end with friends in Whitedeer.

MASONIC EXAMIN- ATIONS AUG. 10-11

MASONS MAY TAKE CERTIFICATE EXAMINATION HERE FRI. AND SAT.

Many local Master Masons and others from over the Panhandle will gather in Clarendon Friday and Saturday of this week for a Masonic school and examination conducted by Bro. W. S. Tate, member of the committee on work for the Grand Lodge of Texas. According to Doss Palmer, worshipful master of the Clarendon lodge, it is the hope of the officers that all Masons interested in the preservation of the pure and correct Masonic word, will attend and give close attention, even if they do not intend to stand the examination for certificate. Bro. Tate has been in Clarendon before and is recognized as one of the best qualified teachers of Masonry in the state. The work Friday and Saturday will begin promptly at ten o'clock each morning and announcements will be made during the day as to other hours. All Master Masons, here and elsewhere, are invited to attend.

Tammany's record of fighting real Democrats is being upheld in nineteen twenty-eight. They are fighting Herbert Hoover.

Crops in Donley County never looked finer than at the present time. Prosperity is coming on us this fall in an avalanche of good business.

Donley County shouldn't wait any longer to vote on the road bonds. We should pave the highways and improve the lateral roads. We should do it quickly.

One satisfaction the defeated candidates get—they don't have to take another hitch in their belts and make another thirty day campaign for the run-off on August 25th. Compensation—if any.

Dairy cows and poultry have pulled Donley County through a mighty tight place in the past ten or dozen months. Let's not forget them when the bountiful harvest comes on here this fall. Here's to the bridge that carried us over!

The United States is entitled to a president who is in sympathy with the eighteenth amendment. Herbert Hoover is the only man who can qualify in the coming election. Fact is, Hoover is the best fitted man for the presidency since the days of Washington and Jefferson, and is far ahead of them insofar as international information is concerned.

Several days ago this writer was asked why so many Southern Democrats were making prohibition the issue in the presidential campaign. We replied that prohibition or the eighteenth amendment is the only amendment to the constitution of the United States under fire. It is the only amendment men have banded themselves against and for the purpose of its destruction. Prohibition and the eighteenth amendment will be an issue just so long as they are subjected to attacks. When the war on them is over, then they will cease to be an issue.

Committees have been named or are authorized by the leading churches of Clarendon, for the purpose of arranging for a series of union revivals beginning next year, and for other mean of Christian co-operation. To us that is one of the finest signs of the splendid spirit that exists among the churches of our city and their memberships. We have developed a great spirit of co-operation in business in education, in community affairs, and we believe God has been wondering why we were so slow to co-operate in our religion for many years. Better days are yet to come in Clarendon, even if we have enjoyed good days and neighborliness all these years.

The Clarendon News grants to all men the right of their choice in voting for men and measures, while it reserves the same right, with the will and backbone to enforce that right, if you get what we mean.

Concrete curb and guttering and gravel on our secondary streets will do much for Clarendon. Plans are under way to put in a few blocks of such work as a demonstration in the next few months. Let the good work go on.

Most anything can happen in a run-off primary. In some counties where there are no local run-offs there may be no election held at all. In other counties where there is only one or two local races very few votes are likely to be polled, so there is little chance for forecasts of any real worth. Very likely there will be two hundred thousand votes less polled on August 25th than on July 28th.

Three of the best minds in West Texas are to study the organization and plans of the West Texas Chamber of Commerce and bring in such recommendations as they deem will improve the efficiency of the body. This is in accordance with a resolution passed at the recent meeting of the executive board at Coleman looking to greater service to this section. Walter Cline of Wichita Falls, Col. R. L. Penick of Stamford and O. P. Thrane of Snyder make up the committee and their appointment guarantees the worth of their report.

We have never quibbled over any man's church affiliation when considering his candidacy for any office. Nineteen twenty-eight is too late a day for voters in this country to align themselves for or against a man because of his church membership, but nineteen twenty-eight is a year when more voters are voting for candidates on moral grounds than at any other period of the nation's history. Some of the best friends this writer has ever had have been Jews, Catholics and what-not and we allow no man to question our motives or right to oppose any man on the grounds of principle or moral fitness.

Sometime ago The Clarendon News changed its listing in the newspaper directories from "Democratic" to "Independent Democratic". In the United States today there are thousands of papers formerly very partisan in both Democratic and Republican ranks that are now listed as "Independent Democratic" or "Independent Republican" as the case may be. This general liberalizing of position is not confined to the newspapers. There are millions of voters in the United States that have made a similar declaration of independence from party narrowness and party yoke and the nation is on a better basis and is much safer thereby.

Editor and Mrs. Sam P. Harben of Richardson were guests of the Clarendon News editorial household for a day and night last week. They were enroute to Colorado for a vacation and rains strung their visit out longer than they really intended, but we got a real kick out of that for only last week Editor Harben had made some facetious remarks about rains in West Texas. Mr. Harben is secretary of the Texas Press Association and publisher of the Richardson Echo, the Texas Christian Advocate, the Texas Oddfellow, and a number of other publications, along with Sherwood Spotts, who bought the interest of the Clarendon News editor in the Harben-Braswell concern several years ago. Sam and Mrs. Harben expect to do some expert fly-fishing out on the Gunnison river and its tributaries in Western Colorado.

The News is just a little surprised at finding Jim Ferguson supporting our man Mayfield in the senate run-off. Of course, it feels better to have Jim to come over to our position than it would for us to go over to his, and we haven't figured yet just how much his support will help or hinder Mayfield. The only good we can see is the fact that it will help in clearing away the Ku Klux issue that some have tried to punish Mayfield with. Certainly Jim's announcement shows that there is not much Klan issue in the run-off between Mayfield and Connally, and there are thousands of Texas Democrats who believe a man is entitled to a second term and would be for Mayfield but for the blanket of suspicion that has been built up against him. The Ku Klux issue in Texas is dead, as it ought to be.

We shall support Herbert Hoover for President of the United States in the present campaign. We say it painfully and we will not be swayed by the hot air and windjamming that is going on these days about "party loyalty" and "supporting the ticket" and all that buncomb. We reserve the inalienable right to decide when the Democratic party strays from the paths of old. We have not left the Democratic party permanently, provided it wakes up and rectifies the mistake made at Houston, which the overwhelming defeat of November should bring about. The Democratic party is now controlled by a highly organized minority financed by those who hope to bring liquor back to America as a legalized business. As we vote for Hoover electors we shall vote for every nominee of the Democratic primaries in Texas. The Texas party is all right. The National Party is "all wet" in present control.

JUST "THINK" ABOUT IT

Editor of the San Antonio Express "Think" column, George Armstead, frequently has something to say that's worth reading and then reading again.

Monday he made a few observations anent paved roads and small town merchants that ought to be read by every dealer in South Texas. One of the assertions made by "Think" is:

"Paved road do not take business away from the town—unless nonprogressive merchants force prospective customers to go somewhere else. Nobody is going to drive 20 miles to get what could be had in his home town. If the merchant looks upon the improved roads as an opportunity to go after new business, and to increase the trade he already has, paved roads are a benefit to that merchant.

"That town which expects a paved highway on its main street to bring happiness, is doomed to disappointment unless the main street's appearance also is improved to match the new road—unless merchants throw business out of dirt-road gear into paved-street gear, and take advantage of opportunities."

"Paved roads will not pay taxes, but they will bring chances for wideawake folks to get money with which to pay taxes. Find a man with a farm or a place of business on a paved highway, who argues that it has been of no value to him, and you will find one who, if it were raining dollar bills, would fail to profit because he would be unwilling to spend the price of a new bucket to catch any."

Just, "Think about this a little folks."

LETTER OF APPRECIATION

Clarendon, Texas, August 6th, 1928

To The Clarendon News: The Community Revival just closed in Clarendon by the Starnes Evangelistic Party has closed and in leaving the beautiful city of Clarendon, I wish, in behalf of each member of the party, to express our heartfelt thanks for the many courtesies extended to us during our brief stay in your midst. Especially do we wish to express to The Clarendon News our sincere appreciation for the generous, cheerful way in which this publication has advertised the meeting, and for the kindly and sympathetic notices of same appearing in the columns of your paper.

We also most especially tender to the management of the Antro Hotel, where we have been so pleasantly domiciled during our stay, our most sincere thanks for the countless acts of kindness bestowed upon us.

To all the people of the city and surrounding country, who have by their assistance exalted the name of Christ we serve, we say in bidding you adieu, that we will carry with us the fondest recollections of our stay and work among and with you, and our prayers will ever ascend in your behalf.

Starnes Evangelistic Party, By Charles Miller

The News has been informed that Jesse Lowe, former Clarendon boy, has completed a full course in bookkeeping, Typing, salesmanship and Commercial Law in less than the three months required. The communication further stated that Mr. Lowe was a very promising young man and that the school was indeed proud of the record set.

THIRTY CENT AD BRINGS PROFIT OF LARGE AMOUNT
A thirty cent want ad placed in the Clarendon News of August 2 netted the advertiser the sum of sixty-two dollars and fifty cents early Friday morning of last week.

The ad asked for a used Burroughs Adding machine and was answered by the time the advertisement reached the store Friday morning. The machine, a practically new one, was sold for half the retail price and saved the purchaser the above named sum.

Plan Your Fall Replacements NOW

While you have a little leisure time to spend after your crops have laid by, there are items that need replacing on every farm and in every home. There is more time to be given to these things during the late summer than at any other time of the year.

We have plans and can give you much assistance along these lines as to the possible cost of the repairs and new work you will want to do. We will be glad to figure with you on anything you want to do.

DO IT NOW!

Wm. CAMERON & CO., Inc.

May We Serve YOU?

It has been the policy of this store to serve the people of Clarendon as well as possible, delivering your groceries at the earliest possible moment, selling you your meals at prices commensurate with their cost and giving service that is second to none in the city.

WE GREATLY DESIRE

That the good relations of the people of Clarendon and trade territory may be as pleasant in the future as they have in the past and we will pledge ourselves to a better measure of co-operation with our patrons that each of us may be benefitted thereby.

Mrs. Grace McCauley Morrison died at a local sanitarium near 8 o'clock Saturday evening after ten days of intense suffering. Her death resulting intestinal flu and complications. She was moved to a Clarendon sanitarium Wednesday afternoon and placed under care of local and Amarillo physicians. The news of her passing caused great grief to our entire community. The funeral service, which was held at the McCauley home at 4 o'clock Sunday afternoon, was attended by a great number of friends and relatives. The floral offering was very large and beautiful. Mrs. Morrison was born at Center, Shelby county, Texas, April 4, 1906 and was 22 years, 3 months and 24 days of age. She has lived near Lelia for the past 13 years and was married to C. M. Morrison of Clarendon December 24, 1927. She graduated from Lelia Lake High School May 13, 1927. Through all those years Grace numbered her friends by her acquaintances. She was possessed of a lovable disposition and great talent for music which made her popular with both young and old. She was converted in 1922 and was loved and cherished by all who knew her. She is survived by her husband, her parents, Mr. and Mrs. W. V. McCauley and one brother, John W. The funeral service was conducted by Reverend Allison, pastor of the Methodist Church at Clarendon. Interment was made in the Citizens cemetery. The pall bearers and honorary pall bearers were the graduates of 1927. They were: Misses Myrtle Cook, Lena Simmons, Oma Kimble and Messrs Heron Mace, Addis Holland and Willis Grooms of Amarillo; honorary: Misses Dora Kelly, Opal Howard, Wilma King and Ettie Kimbriel. 5 reasons why STEEL ECLIPSE WINDMILLS run in lightest breeze

Why does the Steel Eclipse run when other mills are motionless? The answer is, scientific design and fine workmanship. Note these five reasons—
(1) Wheel is tilted to take advantage of lightest breeze. (2) All working parts run in oil. (3) All wearing parts are made of the lightest materials and surfaces are machined. (4) Mill starts on two-thirds load—not full load; quick downstroke and slow upstroke means less effort required on the lift or pumping stroke. (5) All bearing surfaces are in line, reducing internal strain and power loss.

Holtzclaw-Haile

Miss Betty Bee Haile, daughter of Mr. and Mrs. W. B. Haile was married to Mr. Clyde H. Holtzclaw, son of Mr. and Mrs. W. B. Holtzclaw, at the home of the bride's parents Sunday afternoon at 5 o'clock, with Rev. S. R. McClung officiating the ring ceremony.

The bride wore a blush pink dress with orchid accessories and shoes and hose of French Tan. She carried an arm bouquet of pink rose buds and bridal wreath. Her going-away dress was a gray coat suit with orchid hat.

Miss Novella Ayers of Amarillo was the bride's only attendant while Mr. William Billingsly also of Amarillo was best man. Miss Ayers was lovely in a dress of Crepe Roumaine shading from pink to a rose color.

The bride is a graduate of Clarendon High School and has made Clarendon her home for the past ten years.

The rooms were artistically decorated in cut flowers which carried out the color scheme of orchid and pink.

Immediately after the ceremony the wedding cake was served with fruit punch from a table made lovely with cut flowers and orchid and pink tapers from the light to the corners of the table cover where they were tied in bows.

The couple left for Amarillo where they will make their future home. Mr. Holtzclaw is a druggist and is employed at the Maxor Drug Company.

Only relatives and a few close friends of the couple witnessed the ceremony.

Miss Bess Alexander Honored

Miss Bess Alexander, charming daughter of Mr. and Mrs. R. H. Alexander, was the inspiration for a lovely bridge-announcement party Wednesday afternoon when Mrs. Earl Alexander opened the doors of her pretty home.

The decorations of yellow and lavender, the bride-to-be's chosen colors, were lavish and lovely and was carried out in all the appointments of the occasion.

At the close of the games of bridge Miss Lotta Bourland was presented with high score and Mrs. Charles Trent with consolation, who presented the favors to the honoree. Miss Alexander was also given a lovely gift by the hostess.

A lovely two course luncheon followed with the announcement being cleverly made by the hostess

who placed a bowl of golden glow in the center of each table with lavender streamers extending out to the plate with the inscription: Miss Bess Alexander, Mr. Carl Gatlin, August 18th." Concealed in small yellow satin bags filled with rice, among the flowers, but brought to view by the drawing of the ribbon streamers.

Paying courtesy to Miss Alexander were: Misses Catherine and Lorraine Patrick, Mary Cooke, Mary Stocking, Catherine Cole, Lotta Bourland, Lois and Wylfa Lee Alexander, Ineva Headrick, Mesdames W. C. McDonald, Clyde Price, Charles Trent and Allen Bryan.

Home Economics Club Meets

Mrs. O. D. Leisburg was hostess to the members of the Home Economics Club at her home Friday afternoon where they enjoyed an interesting Bible lesson presented by the president, Mrs. C. E. Lindsey.

Due to the unsettled weather and the fact that Miss Thompson, County Demonstrator, was out of town the attendance was very small.

Win One Class Enjoys Outing

The members of the Win-One Class of the Methodist Sunday School enjoyed one of the most delightful outings of the year Monday when they were invited to be the guests of Mrs. J. R. Porter and Mrs. W. W. Taylor at the Country Club.

Leaving at 4:00 o'clock the crowd was soon enjoying the cool breezes as well as the waters of the club lake.

A lovely picnic supper was spread and thoroughly enjoyed by the membership.

Leta Verne Martin is Hostess

A delightful breakfast at the Country Club preceded by a refreshing dip in the waters of the club lake was enjoyed by: Misses Elizabeth and Frances Blincoe of Blossom, Dorothy Hayes of Clarksville, Shirley Green of Memphis, Agnes Caraway, Athlyn Taylor, Lorraine Patrick, Lucy Antrobus, Julia Taylor and the hostess, Leta Verne Martin.

Bridge followed the serving of breakfast and late in the morning the guests returned to their homes complimenting Miss Martin for such a delightful morning.

1922 Bridge Club Entertained

The members of the 1922 Bridge Club were guests of Mrs. Odos Caraway Tuesday afternoon at her home where many lovely summer flowers adorned the rooms in honor of their coming.

At the close of the games score favors were awarded to Mrs. L. S. Bagby for high and Mrs. A. L. Chase consolation. Later the

cards were removed for covers for a tempting plate luncheon.

Those present included: Mesdames L. S. Bagby, Charles Bugbee, W. H. Cooke, R. A. Chamberlain, James Trent, J. T. Sims, J. B. McClelland, W. H. Martin, T. H. Ellis, A. R. Letts, Kate Carroll and A. L. Chase.

Mr. and Mrs. Dorr Ellis Hosts

The Sayre Ranch was the scene of a merry party Tuesday evening when Mr. and Mrs. Dorr Ellis were hosts to the members of the Kongenial Kard Klub and a few invited guests with a picnic.

After gathering at the ranch house the guests were served a bountiful picnic lunch outside amid all the beauties of the outdoors.

The Sayre ranch home has beautiful surroundings and it is always a pleasure to visit there.

Those enjoying this delightful affair were: Mr. and Mrs. Jimmy Miller, Mr. and Mrs. Clarence Miller, Mr. and Mrs. Lenode Goldston, Mr. and Mrs. Charlie Bell, Mr. and Mrs. Chas. Trent, Mr. and Mrs. Richard Bell, Mr. and Mrs. John Blocker, Mr. and Mrs. Wesley Wood, Mr. and Mrs. Dorr Ellis and Mrs. Homer Ellis.

Circle Number One Entertained by Mrs. Darnell

A nice affair of Wednesday was the meeting of Circle Number one of the Woman's Missionary Society of the Methodist Church, at the lovely new country home of Mrs. R. T. Darnell near Jericho. The ladies left in a body at 10 o'clock and the ride out was delightful.

At noon an elaborate chicken dinner was served. An interesting program was rendered later followed by a short business session.

The personnel of this enjoyable affair were: Mesdames Eula Cox, R. H. Beville, W. M. Murrell, R. M. Morris, M. L. Parsons, L. Taylor, W. A. Wilson, Paul Shelton, Clayton, Joe Shields of Amarillo, E. W. Claywater of Tyler, Eva O'Rourke and Miss Evelyn O'Rourke of Wichita Falls.

Mrs. Kerbow Gives Bridge Party

An affair which added much to the week's social activities, was given Wednesday when Mrs. H. B. Kerbow delightfully entertained a group of her friends with a bridge-luncheon at her home.

The entertaining room was decorated with sweet peas, roses and garden flowers. The individual tables which were arranged for the luncheon were very attrac-

DISPLAY ADVERTISEMENT GETS TWENTY-EIGHT REPLIES

A small display advertisement placed in the News a short time past, advertising one of the hardest problems tackled by any salesman, insurance, brought twenty-eight replies in less than five days after the paper was out of the office. The ad carried a small coupon and asked for the name of the person or persons interested in the form of insurance advertised. Intensive work had been put in on the ground preparatory of the advertising, and the ad had the good results mentioned.

Tires at prices that give you more for your money than has ever before been possible.

We have a tire for every purse—at the price you want to pay for it. You will be amazed at our new low prices on the famous Oldfield Tire, which Firestone has taken over from the Oldfield Tire Company. For more than four years these tires were sold by Oldfield distributors and dealers as the foremost quality tire, securing higher prices than for any other high grade standard tire. Now, because Firestone DISTRIBUTES the Oldfield MANUFACTURES the Oldfield Tire you can buy it for less than

than any other tire of such quality on the market.

Courier Tires and Tubes are other great Firestone-built values that are reduced in price. These over-size tires, with tough non-skid tread and rib-protected sidewalls are the outstanding price field, quality in the medium price field.

Airway Tires are our special Firestone-built bargain offer to owners of small cars. Our new low prices cannot be duplicated.

Remember, too, that reduced prices also apply to the de luxe Firestone Gum-Dipped Balloon—the tire that holds all world records for speed, safety, endurance and mileage.

With these new low prices—with all the superior features of Firestone construction—goes our complete money-saving service.

FORMER CLARENDON PASTOR WILL ATTEND SCHOOL SOON

The News has been informed through the columns of the Panhandle Herald that Rev. A. B. Crocker has resigned his place with the First Christian Church of that city and that he plans to leave immediately for Lexington, Kentucky, where he will complete his college course in Transylvania College. Rev. Crocker has been pastor of the Church in Panhandle for the past eleven months, having resigned his place here when the call was made him from that newly organized body in Panhandle. Rev. Crocker was one of the best liked preachers that has ever been in the church here and his many friends in the First Christian and other churches will be pleased to learn that he has undertaken to complete his school work. He will be accompanied by his wife and baby on the trip.

KERBOW'S STORE WINS IN BIG CONGOLEUM CONTEST

A further indication of the powers of Clarendon's merchants was brought to light the latter part of last week when the announcement was made that Kerbow's store had won fifteenth prize in this district for their window on Congoleum products. It will be remembered that a spanish type counter-home was erected in the window of this store a short time past and that this was entered in the national contest staged by the Congoleum. The prize won amounted to \$50 in cash and carried with it congratulations in no uncertain terms on the ability and artistic effort put forth in the manufacture of the display. The prize money will be given the firm when the District manager next makes his trip into this part of the state.

CLARENDON LIONS ATTEND WHEELER CHARTER EVENT

Four Clarendon Lions attended the Charter night presentation at the Wheeler Lions Club Tuesday evening of this week. The program for the evening was presented by the Shamrock Lions who presented Miss Scott, a student of Schumann-Heink, as their main part of the program. Lion President Chase gave the newly organized Wheeler club some advice on getting a local objective started as soon as possible that the entire club might function as a whole. The Charter presentation was made by Lion Sam M. Braswell, who was authorized to do this work by Lion District Governor John Erhard of Dallas. Lions O. C. Watson, Odos Garaway, A. L. Chase and Sam M. Braswell made up the party to Wheeler.

Mr. and Mrs. V. J. Drew and son, Jack, arrived early Monday morning to visit with relatives.

EMPLOYMENT CERTIFICATES ISSUED IN NEW YORK

Nearly 54,000 boys and girls under 16 years of age were released from full-time school attendance in New York State and were granted employment certificates during the year ending Aug. 1926, according to figures recently compiled by the New York child-labor committee in cooperation with the State education department. About 90 per cent of the total number of children were from city schools. Nearly four-fifths of the 53,644 children, 42,530 remained in school until their fifteenth birthday, and three-fifths of the pupils who left school to enter industry had completed at least the eighth grade. Under the law no child under 15 may receive an employment certificate unless he graduated from an elementary school. Only 9.69 per cent of those applying were refused permits, due in most cases to lack of physical fitness.—School Life.

Open-air schools for anemic and tubercular children and a camp for undernourished children are maintained by the board of public education for Philadelphia. In a recent report by the division of physical and health education of the board it is recommended that provision be made to establish camps for all pupils in public schools in order that children who are normal may keep their health.

SYSTEMATIC STUDY OF MONEY BY ELEMENTARY PUPILS

A course of instruction in money management will be given experimentally to elementary pupils in two grades of Driscoll and Devotion schools. Brookline, Mass. The course was planned by a member of the faculty of the high school who is chairman of the economics committee of the Massachusetts Teachers Federation. It is a systematic study of the implications of money as they confront the self-supporting adult. The necessity for work; capacity to earn; usefulness of work to others; payment in return for service; and use of money in saving, spending, and giving.—School Life

"Wanderlust walks" on Saturday afternoons are promoted by the division of physical and health education of the board of public education of Philadelphia. Originally organized for the benefit of teachers in public schools of the city, they are now conducted by voluntary committee of 34 leaders as extension health work of the board, and anybody is welcome to take a part. A printed program of walks is provided which gives detailed information concerning the weekly trips. During the past year 47 walks were conducted in which 1,467 members participated.

FROM INDEBTEDNESS TO INDEPENDENCE

When C. E. Swindell came to Texas 30 years ago he lacked \$750.00 of having a dollar. In other words he was that much in debt. Now Mr. Swindell owns more than 4,000 acres of land on which there is not one penny of indebtedness.

Mr. Swindell has some very interesting stories to tell of the hardships and privations of the early day. When they first moved on the farm where they now reside, nearly thirty years ago, there was not a house between them and Quannah and the road was only a prairie trail.

Mr. Swindell had come to Quannah from Tennessee and lived four years in town. A man by the name of Tom Parker, who lived in Foard county, loaned the Swindells the use of a cow, with a heifer at her side. Mrs. Swindell sold milk and butter and made enough money to buy 24 Leghorn chickens and a rooster. With the sale of eggs and butter she made enough more money to buy the cow and heifer at a cost of \$35. That's where the Swindells got their start in cattle.

After four years of life in Quannah, Mr. Swindell had accumulated \$1,750. They decided they were getting too much stock to live in town. They had kept the offspring of the cow and the chicken flock had increased. So they decided to move on a farm. Mr. Swindell purchased 71 acres with his capital and was broke. He happened to own one horse and he borrowed another one from a man in Quannah and borrowed a cultivator, a turning plow and a Georgia stock from some neighbors. He set two gate posts on the farm and came to town and took his wife out to the place in a wagon. When he drove through between the gateposts, he told his wife that that was home.

The first few months they lived in the wagon, having no house to move into. Then the Cameron Lumber Company financed the building of a house on the Swindell farm. Mr. Swindell got the lumber on credit. It was a little three-room house and that was their first home. The first year Mr. Swindell

planted a half acre in watermelons and made considerable money from their sale. He purchased another horse from Jim Radford, now deceased, for \$175. Mr. Swindell states that he also made seven bales of cotton on his farm the first year and lots of feed. He added: "I haven't been hard up since."

Mr. Swindell now resides in one of the best and most modern farm homes in the county. He has electric lights, natural gas, refrigerator and all the conveniences found in the home in the city. In addition of owning more than 4,000 acres of land, he also owns the two-story brick Hayden house in Quannah, known far and wide as the best house in the city.

Of the 4,000 acres, 500 are in cultivation and in the hands of five tenant families, mostly negroes. About 350 acres are planted to cotton each year, from which is realized around 250 bales of cotton. He plants the rest of the tillable soil to feed crops. He has a fine tract of alfalfa in the creek bottom that will make annually 100 bales per acre.

Therefore, the greater part of his land-holdings is in pasture and he runs a range herd of 150 Angus cattle. His brand is the 2-Bar-Z and all of his cattle are branded, even though the pasture is fenced. He sells his increase from the range herd each year for around \$40 per head to North-ern men who come in here to buy feeders.

During the entire 30 years that Mr. Swindell has lived in this country, he has always tried to have some dairy products to sell, acting on the theory that every time he went to town he should have something to sell to get the wherewithal to buy the necessities for the home. He sold butter until three or four years ago, when he began selling cream. He says there is more profit in selling butter than in cream but adds that it is so much bother that he prefers to sell the cream. He doesn't have to go to the trouble of making butter.

Mr. Swindell now has a dairy herd of more than 20 cows, many of which have been loaned to the tenants to provide for family use. He is milking seven head and selling about a can of cream per

-another Sensational Chevrolet Value

4 Speeds Forward • 4 Wheel Brakes

Typical of the progressive design embodied in the new Chevrolet Utility Truck is a four-speed transmission with an extra-low gear, providing tremendous pulling power for heavy roads, deep sand and steep hills—and reducing to the very minimum the starting strain on motor, clutch and rear axle—

—powerful, non-locking 4-wheel brakes, with a rugged emergency brake that operates entirely independent of the foot brake system—

—and a new ball bearing worm-and-

gear steering mechanism, which even includes ball bearings at the front axle knuckles!

And in addition, there are all those basic features which have been so largely instrumental in Chevrolet's success as the world's largest builder of trucks!

Come in and get a demonstration of this remarkable new truck. You'll find that it offers every feature needed for dependable low-cost transportation—and we can provide a body type to meet your individual requirements.

week, receiving from \$8 to \$9 per can for it. The test runs were rather high on his cream.

Mr. Swindell finds his greatest trouble in operating a farm dairy lies in the fact that he must depend on hired help as he and his wife are too well along in years to take the active part they once did. The hired help do not take enough pains and let the cows go dry, let the calves in to them, and otherwise take profits from the work.

The biggest profit the Swindells make is from the sale of pork and eggs after feeding the skim milk to hogs and chickens. Mrs. Swindell states that she has about 150 hens and this year raised about 300 young chickens. In the spring Mrs. Swindell gathered about 13 dozen eggs per day. She is getting four or five dozen per day now. She sells around 36 dozen per week and is getting 25 cents per dozen.

They now have about 20 head of hogs and recently sold off a lot. He sells about \$600 to \$700 worth of hogs per year.

Mr. Swindell feeds his dairy cattle on alfalfa and cottonseed meal and hulls. He raises his own alfalfa and each year trades his cottonseed with the Quannah Cotton Oil Co. for enough meal and hulls to run him the year around. He also has a silo but it is hard put to it to raise enough feed to fill the silo. Mr. Swindell is an ardent booster for the Quannah Cotton Oil Co., for the institution he thinks is a great friend of the farmer.

Mr. Swindell is one of the outstanding farm successes of Hardeman county. But, Mr. Swindell

has not grown so large that he can overlook the profits to be made from the small farm dairy. If other farmers would fall in line and make their living at home off their dairy herd, they could raise net profit cotton crops and soon accumulate considerable cash or be able to buy farms of their own.

A. B. GILLIAM IS SMALL DAIRY FARMER

Mr. and Mrs. A. B. Gilliam who live five miles northeast of town, are late entrants in the field of farm dairying. They began last May to sell cream. At that time they were feeding meal and hulls and getting about half a can cream per week off of just two or three cows. They are now milking five cows but get no more cream than before as the cows were taken off the feed and put on pasture. Feed prices had gone so high that it was that that feeding the cattle would not pay dividends. Mr. Gilliam had not been so fortunate to trade his cotton seed last fall for cheap meal and hulls, like so many other farmers did.

The sale of cream makes the family all the way from \$2 to \$5 per week, which helps to buy the groceries. They have had to buy a great deal of feed this year but Mr. Gilliam is putting a great deal of land in feed this year so there will be no shortage another year.

CITY-WIDE REVIVAL CLOSED SUN. EVE

STARNES PARTY LEFT FOR
RICHMOND, TEXAS AFTER
FINE SERIES HERE

After closing out one of the finest series of services that have ever been held in Clarendon, the Starnes Evangelistic Party left Monday for Richmond, Texas, where they will next be in a like series of meetings.

Rev. Starnes proved to be one of the most interesting and likable speakers who has ever appeared on a platform here. His speeches grew in power as the revival progressed to an end and his crowds grew daily under the spell of the message he was bringing to Clarendon people. The service Sunday morning was one of the most spectacular of the entire series, and made a deep impression on all who were in attendance. The little act of presenting a flower to another who meant a great deal to the giver gave a spirit to the service that could not have been secured in any other manner. No sermon was preached at this hour, but the congregation was loath to break up after the dismissal had been made.

The afternoon service of Sunday appealed most to the voters of this section who filled the tent to capacity all during the afternoon. His discussion of the work and worth of the candidate for president, Alfred Smith, opened the eyes of many people of Clarendon who heard the message and will probably have a great deal to do with the vote for president in the election in November.

The work of Lee Baum with the younger people of the community will linger long in their memories and will prove a sweet spot for many days. This young man proved that he was well adapted for the sort of work he is doing and will go a great way to becoming a leader in the young people of all churches wherever he may be sent. His leading of the songs was such that nothing could be said against them and his solo work was well heard and very much appreciated.

Charley Miller was the ray of sunshine that penetrated the gloom on many occasions and made the party glad they were living. His jovial and sunny disposition pulled the party through many bad places and he will be long remembered in Clarendon as the man who financed a revival without creating a ripple on the calm surface. Through his efforts, a little more than \$1,500 was raised to defray the expenses of the meeting and care for a gift to Rev. Starnes.

All churches of the city were greatly benefitted through the services, the Baptist Church, of course, receiving the larger number: 119 united with the Baptist Church through all means; 45 united with the Methodist Church. The Christian Church received 9, while the Presbyterian Church received 4. Twelve were converted but did not unite with any church. Twenty-two volunteers for Life Service were consecrated and forty were reconsecrated for all the churches of the city. The work of Rev. Starnes on those who were

Clarendon Chamber of Commerce
G. L. BOYKIN, Secretary

Clarendon is to have the honor of first entertaining Pres. Bourland of the West Texas Chamber of Commerce. We have coveted this honor in as much as Mr. Bourland is from our section and from one of the leading towns of the Red-Fease river country. Let's give him a good crowd to hear him. Plans for his entertainment are explained in another part of this paper.

We have plenty of Fair catalogues. Anyone wanting one should notify this office. If you do not have time to come after them we will mail them to you if you will let us have your address.

This organization has been accused of taking part in local politics in a mild way. That has never been the case since your honor has been connected with the organization, nor will it ever be. This organization is for Clarendon and Donley county and is taking no part in politics local or otherwise. Thanks.

A booster trip for the Donley county fair to cover the county is to be made this fall before the fair. We hope to get every one in the county interested in the fair and to have every community and school represented. The fair is free to every one and Clarendon merchants and business men are paying the premiums. They deserve your support.

The Yard Contest closes on the 17th. A good entry list is on hand after all and competition appears to be very keen.

Donley county women and girls to the A. & M. short course were among the winners. Donley is always in the running. The State Extension service has Donley county listed as among the best agricultural counties in the state. Did you realize that Donley county and its neighbor Armstrong are the only two counties on the Fort Worth and Denver between Fort Worth and Amarillo who do not have a county agent. We have nothing against Armstrong but believe we are worthy of a higher rating.

members of the church but with their membership in other towns will bear fruit after he has left the city. The best wishes of all the Church people of Clarendon will go with the party wherever they may go.

REVIVAL TO BE HELD IN BAPTIST CHURCH IN LELIA

A series of Revival services are scheduled to be started in the Second Baptist Church at Lelia Lake on Friday, August 17th. Rev. R. L. Smallwood of Stephenville will conduct the services. Two sessions will be held daily, one at 11:00 o'clock in the morning and the other at 8:15 in the evening. An special invitation is extended everyone to attend and take part in these services.

Mrs. Jewell Sevel who has been attending school at Fort Worth for the past six months, has returned to the home of her sister, Mrs. Nichols.

CARD OF THANKS

I desire to most heartily thank the many voters of Donley County who supported me in the recent Primary. This being the second time I have asked for this office, I desire very much that you keep this in mind when you go to the polls in the second Primary on August 25th.

CARD OF THANKS

I wish to thank the voters of Precinct Four who gave me their support in the primary.

I have really enjoyed this work and appreciate the hearty co-operation of the people.

If I am permitted to continue this work another two years, I hope to do so, as to win the good will of those who did not see fit to support me. I feel like I have done my duty toward building up Precinct Four.

I have opened up eleven miles of new road and have only spent eighty or ninety dollars for right-of-way, which called for eleven miles of new fence. This fence

was supposed to be paid for with the county money, which would have been something over eleven hundred dollars. But as a result of my co-operation with outsiders. It has only cost the County \$150 dollars. The rest of the sum was donated by the Chamber of Commerce at McLean.

We wish to extend our heartfelt thanks to McLean for their great help in building up our county roads.

If I continue to receive the help of the people, we'll make Precinct Four a live wire. Thanks to one and all.

Sincerely yours
J. R. Bain.

MAKING "SIXES" out of "FOURS"

THE extra power of Conoco Ethyl Gasoline makes a four-cylinder motor behave like a "six." It pours out its even flow of power on the hills, in traffic, or wherever you are running. It insures high compression performance from practically any engine.

Conoco Ethyl costs a few cents more per week than ordinary gasoline, but it more than saves its extra cost by reducing repair bills. You'll soon discover it's a real economy.

Get it at the Conoco Ethyl Sign.
