Donley's Day At Dairy Show Wednesday

BIG CREDITS DROP ON SATURDAY AS FIRST LAP OF BIG RACE ENDS

9 P. M. ON SATURDAY IS FINAL HOUR FOR TRIPLE EXTRA CREDITS. ALL CLUB MEMBERS ON THEIR TOES FOR BIG EXTRA BONUS AND IT'LL BE NECK AND NECK FOR GOLD PRIZE.

9 o'clock Saturday night! That's the final fatal hour of the first period of the big race and the very last minute that Opportunity Club members have to turn in subscription sales to count on the big Triple Extra Credit Offer and on the Extra Gold Prize of \$25.00 which will be awarded to the club member who turns in the greatest number of NEW yearly subscriptions.

Towards that day and hour, the club members are bending every energy and are piling up under this offer the extra credits by the hundreds of thousands for the Extra Credits are the real keys to that beautiful Ford Tudor Sedan and the many other valuable prizes which will be awarded at the end of the campaign which is now only two short weeks away.

How to Win
Between now and that fatal hour of 9 on Saturday night it is more than likely that some club member will pile up the Ford Tudor Sedan winning credits, why not you? Don't make the mistake of holding back subscriptions in the hope of a bigger and better bonus offer at the end of the campaign, for there won't be any, positively, as this present offer of bonus credits is the very biggest and best of the entire campaign.

Never again will credits be as high, never again will subscriptions be so easy to get and if you are really in this race to win—RIGHT NOW—is the best time to get 'em in. You can hold back subscriptions only at your own risk now, at the risk of losing the Grand Capital Award, and just the difference in credits on a new subscription turned in now and one turned in next week may determine whether you win First or Second place in the final count.

Don't Be Late
All club members MUST make sales reports in person on Saturday night and promptly on the stroke of 9 on Saturday. The News office door will be locked and no one allowed to enter after that hour. However, all club members who are in the office at that hour will be waited on and allowed to turn in their sales reports, regardless of how long it takes to receive them.

It's easy to pile up several MILLION credits between now and 9 p. m. Saturday, just turn right now to the Opportunity Club advertisement in this issue and see for yourself how credits pile up.
There is no magic road to success in this race or any other save hard work and plenty of that between now and 9 p. m. Saturday will do more towards placing the keys of that new Ford Tudor Sedan in your hand than anything else. And millions of Extra Credits will be piled up quickest that way—just how may million cred-

HOW THEY STAND

Nearing the close of the first lap.

9 P. M. SATURDAY, APRIL 6TH

Ends the first lap of the race and with it ends the biggest and best offer of extra credits. Subscriptions count more now and up to 9 p. m. Saturday than they ever will again. Don't hold them back now, for you'll lose that new Ford Tudor if you do.

\$25.00 IN GOLD

Will be awarded to the club member turning in the greatest number of new yearly subscription up to 9 p. m. Saturday.

WILL IT BE YOU?

Listed below, in ALPHABETICAL order are those entered to date with the number of credits cast and counted for publication for each:

Club Member	Credits
Mrs. Earl Alexander	77,800
Mrs. Josephine Crabtree Ball	78,400
Mrs. Joe Cannon	79,900
Miss Ruby Duckett	77,500
Mrs. R. H. Roberts	77,250

More entries are invited, especially from the country, for this is your opportunity and

Your Name

Belongs in this list. Don't hesitate any longer. Get in stay in—and win. If you start now under the big triple extra credit offer no doubt next week's totals will tell an entirely different story. Watch and see.

BACK YOUR FAVORITE NOW, WHILE THE CREDITS ARE BIG. GET FIVE-YEAR SUBSCRIPTIONS NOW! TODAY!

Final Report Is Given on Cream

Shipments of cream from Clarendon alone during the month of March reached the total of 354 ten gallon cans. This information was brought to light the fore part of this week when G. L. Green made his final computations on the number of cans shipped for last week. A steady increase was shown in the first three weeks of the month, with a small loss was shown in the final week due to the steady rainfall of the fore part of the week.

In any event, this gives a fine income for the month, with almost an equal to the two preceding months of the year being set by the month of March. January saw a shipment of 210 ten gallon cans, February shipped 214 and March showed the above named total of 354 ten gallon cans. March 1st to 7th, 75 cans; March 8th to 15th, 87 cans; March 16th to 23rd, 124 cans and March 24th to 30th 68 cans. This amount figured according to a raise in the price of cream brought approximately \$4,602.00 to the producers of the county, which may account in part for the excellent showing made by the deposits in the banks of the county on recent call.

Van Allen Kent, now making headquarters at Amarillo, was here the first of the week.

MASS MEETING VOTES REVIVAL

FOUR CHURCHES REPRESENTED IN MEETING MONDAY NIGHT.

Representatives of four Clarendon churches voted Monday evening of this week that it was the sense of the mass meeting, that they join in a co-operative revival meeting and ask Dr. James Rayburn, evangelist, to come here in September to lead in the effort. The four churches represented will be asked to adopt or reject the proposal within the next two weeks. If the churches, or a majority of them, adopt the co-operative meeting idea, the pastors will complete the details with Dr. Rayburn, at the conclusion of that time.

The mass meeting was held in the Baptist Church, and was attended by members and pastors of the Baptist, Presbyterian, Methodist and Christian churches. Dr. James Rayburn, a noted Presbyterian evangelist, was present by invitation to present his plan of co-operative revivals. Dr. Rayburn, it will be remembered, is now engaged in a meeting at Elk City, Okla.
Dr. Rayburn could give no definite date, but felt that sometime in the month of September could be arranged should the churches here vote to unite in the effort. Rev. S. R. McClung, pastor of the Baptist Church, was chairman of the meeting, and some twenty-five or thirty from the four churches mentioned above were in attendance.

Leon O. Lewis, Jr., of San Angelo, arrived on the noon train today for a visit with his parents, Rev. and Mrs. Leon O. Lewis.

BIRD HOUSE CONTESTANTS MANY

BOYS SHOW MUCH INTEREST AS END OF WORK DRAWS NEARER.

Bird houses of every description have been built by the boys of Clarendon and Donley County for entrance in the contest being held by Les Beaux Arts Club of this city. The date of Tuesday, April 9th, was set finally for the close of the event and the houses are to be left at the home of Mrs. Homer Glasco on West Fourth Street for the judging. That a limit be set on the time of day, the boys have been asked to have their houses on the location of the judging by 2:30 in the afternoon that the work of the judges may be completed by the time the day is ended.

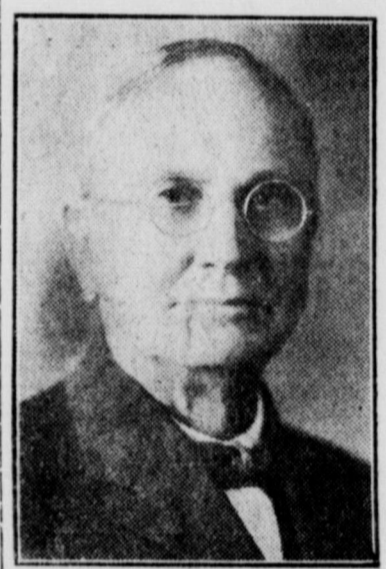

The club has offered to assist the boys in finding a buyer for their houses or feeders if the makers should care to sell, and have asked that the boys have their work "iced" when they leave them to be judged.

MAYOR TAYLOR IS RE-ELECTED

NO OPPOSING VOTES REGISTERED IN CITY ELECTION HERE.

H. W. Taylor was returned to the office of Mayor of the City of Clarendon in the balloting Tuesday of this week by a vote of 185 to none. During the past week there had been some discussion of a possible dark horse to oppose the candidacy of Mayor Taylor, but such failed to be the

RE-ELECTED

H. W. TAYLOR

case. A larger vote was turned out for this reason and the majority proved to be the largest that has ever been given a candidate for this office in the city's history.

Mayor Taylor was receiving the congratulations of his friends here Wednesday morning as he started his third elective term in the office of Mayor for the city. There are a number of projects to hand at this time that the mayor was greatly interested in seeing put over before his term of office expired.

Demonstrator Is Traveled Person

If Miss Thompson had straightened her roads out for the month of March she would have been more than a thousand miles from Clarendon when the end of the month rolled round. As it was, the distance traveled was over the roads of Donley County and the first of April found her at her work in Donley County. 1,015 miles were traveled by Miss Thompson in her month's work. She made 32 visits to homes of the county and held 29 meetings at which there were 456 members of the various clubs present. Twenty and one-half days were spent in the field and five and one-half days were spent in the office. Seventy-nine office callers were entertained and 90 telephone calls were answered or made. In addition to all this, 307 letters were mailed for the various club purposes that were to hand.

Matters coming to the attention of the Clubs of the county for the past month will include a Dairy program with an introduction to the butter score card and judging. Garden work with special emphasis being placed on pure seeds and the correct methods of cultivation was another item that took the center of attraction. Clothing work with the sheer wash dress for the women and the required sewing for the girls was also given its due share of attention. The Living Room improvements also came in for their due share of attention with eight homes visited during the month for this specific purpose. Two council meetings were held and three new clubs were organized to complete the work of the month.

BUNTIN & SON LEASE BUILDING IN SHAMROCK

The News is informed that P. A. Buntin & Son have leased a home in Shamrock and will install a funeral home in that city as an addition to their string in Clarendon, Borger and Hedley. They also plan to operate a floral shop in connection with this funeral parlor. Fred Buntin was in Dallas last week attending to the purchases necessary to the establishing of the Shamrock branch.

Mmes. U. J. Boston, C. E. Griggs and C. A. Burton went to Plainview Tuesday to attend the annual conference of the Woman's Missionary Society.

Building Program Continues Growth

With the addition of a twenty-five foot brick building to the business houses of the city to be erected by P. A. Buntin & Son, the building program of Clarendon is taking another forward step. This building will be used to house the candy factory that has been established here in the past few months.

The foundations have been poured for the Chase home on East First Street and the home of Mr. and Mrs. John Bass on West Fourth is nearing the stage where the brick veneer will be started in a few days. The home of J. J. Goldston is also nearing a stage where it resembles a home and will be ready for occupancy shortly.

Plans are being considered by the Presbyterians for their new building and as soon as a suitable set of plans can be secured, construction is to be started. The building is to be erected on the old Carhart property just south of the Episcopal Church and is to be one of the most modern of all churches in this section of the state. It is hoped to get the work started within the next three weeks.

Other building is being considered and a number are nearing the completed stage, to give Clarendon people a higher rank of which they may be justly proud.

GOLFERS PLAN FOR CLUB FEED

BANQUET FRIDAY, APRIL 12TH, WILL FEATURE CLOSING OF DRIVE.

Members of the Hillcroft Golf Club are planning a banquet for Friday evening, April 12th, for the entire membership and prospective members and a committee composed of Walter Wilson, J. T. Patman and Selden Bagby are in charge of all arrangements.

At a meeting Monday evening of this week at the Queen Theatre, a report of the committee in charge of the signing of new members under the proposed plan of buying the present golf grounds and building a new and modern club house, was heard and only nineteen additional names must be secured to assure the success of the expansion program. With an extensive effort this week with a number of prospects who have been waiting to see if the re-organization plan was going over, and the banquet Friday evening of next week it appears most likely that Clarendon will be able to boast of a commodious recreational and social facilities through the golf courses and club house, before the end of the summer, as any city of twice the size in this section.

Under the plan presented to the prospective members, seventy-five shares at two hundred and fifty dollars each are necessary to provide funds for the purchase of the grounds and the construction of the club house and additional facilities. The club favors advancing the price of member shares to \$300 when the seventy-five are secured. This will probably be voted at the next business session of the club.

MCDOWELL CLUB IN BENEFIT CONCERT

PROGRAM AT COLLEGE AUDITORIUM APRIL 9 BENEFIT CLUB ROOMS.

Next in a series of benefit programs to provide funds for the furnishing of the Ladies' Club Rooms at the city building, is a concert next Tuesday evening at the College Auditorium by the McDowell Club of Clarendon.

The McDowell Club, under the direction of Miss Helen Martin, will present a varied program of choral numbers and a costume feature, which will be among the high level musical events of Clarendon for the past several years. Tickets are on sale by the finance committee of the club room board of directors and the promoters are expecting to sell a full house for this program. Several hundred dollars has been expended in the furnishing of the club rooms for the use of the women of Donley County and all are urged to assist in the worthy work of financing these expenditures.

FOUR TRUSTEES TO BE NAMED

ELECTION TO BE HELD IN CITY HALL SATURDAY, APRIL 6TH.

The election for the Clarendon Independent School District is to be held in the City Hall on Saturday, April 6th, according to advices from W. W. Taylor, Secretary of the Board. R. W. Tally has been named Judge of the election and will have charge of the work on that date.

Four members are to be named for the board, and three members are held over from the last election. F. E. Chamberlain, J. R. Porter and W. W. Taylor are the three men who are held over from the past term. O. C. Watson, Odos Caraway, J. W. Martin and W. M. Montgomery are the four men who are to be re-elected.

The tickets are in process of being prepared and will bear the four above names, together with the names of Buel Sanford, M. M. Noble and A. N. Wood. Four are to be elected from the list. There has been some talk during the past few weeks of some women taking their places on the ticket, but nothing has materialized in this connection to this date.

Band to Play Concert Tonight

If the weather permits, the Clarendon Municipal Band will play the first of an irregular series of concerts at some well located place on the streets of the city this evening at 7:30. Director Lindsey stated to the News the fore part of this week that this would not be in the order of the regular concert, but that it would be the opener for a series to be held at irregular intervals before the opening of the regular concert season about May 1st. Mr. Lindsey is planning quite an extensive series of band concerts for the summer months and these first few concerts are being staged to prepare the band members for the longer and broader concerts that will be held at more regular times during the months of the summer.

COUNTY AGENT PETITIONS TO BE PRESENTED MONDAY

Petitions bearing the names of more than four hundred Donley County farmers and business men will be presented the Commissioners' Court Monday of next week when they meet for their regular April session. The petitions have been gathered from all parts of the county and were turned to Judge Alexander the latter part of last week for safe-keeping. They will be regularly presented to the Court for their action the fore part of next week and the producers of the county are watching the outcome with more than ordinary interest.

DISTRICT COURT IN LIGHT WEEK

JURY CALLED AND IS EXCUSED—GRAND JURY RETURNS 14 INDICTMENTS.

This week in the District Court of Donley County has been one of very little work with the exception of the Grand Jury, which has been working regularly since the opening of the court. To this date, they have returned fourteen indictments, a part of which will be brought to trial in this term of court.

The State of Texas vs. Duncwoody, Hall and Brown, in a felony charge, was set for trial on Monday 15th, this being the Hedley case in which the night watchman was slain some months past. A petit jury has been called for the week starting on that date and it is possible that a special venire will be needed to secure a jury for trial of these men.

The Grand Jury has recessed for a short time, and will be called back into session before the close of the week of court, making their report at that time. A petit jury has been called for the third week of court, and was published in these columns some time past. The work of the court has been adjourned for the remainder of this week and will start up with Monday, April 8th.

Friends of Miss Mary Robinson will be glad to learn of her recovery from a recent operation in a local hospital. She returned to her home Monday.

DONLEY FARMERS MAKE DAIRY TRIP

A DELEGATION OF 45 FROM HERE VISITS SHOW ON JERSEY DAY.

Donley County was well represented at the Panhandle-Plains Dairy Show at Plainview Wednesday of this week when forty-five of the interested farmers and a goodly number of business men of the city attended the meeting. The trip was sponsored by the Chamber of Commerce Dairy Committee and credit should be given J. D. Swift of the committee for the large number in attendance. Wednesday was the date set for the trip inasmuch as the majority of the farmers of this county are interested in Jersey dairy stock.

One interesting outgrowth of the trip is to be the formation of a Bull circle in the Chamberlain community and the shipment of additional high bred cows to Donley County to assist in bringing production to a still higher level than it has been for the past few months.

Those visitors from this county will include the following:

M. L. Pittman, F. L. Behrens, C. L. Cook, E. Bryson, A. A. Smith, Roy Beverly, R. A. Summers, H. R. Skinner, A. Combest, W. H. Gray, E. M. Ozier, H. M. Stewart, Sid Harris, Harold Harris, Dick Eichelberger, M. Brock, H. M. Reid, A. L. Millsap, S. B. Kutch, W. R. Hardin, George Brogdon, J. D. Wood, Roy Pittman, H. L. Harrison, M. C. Rampey, T. R. Rampey, R. W. Fowlkes, O. B. Rampey, A. Pittman, J. F. Choate, Fred Combest, L. R. Dean, W. A. Hughes, Lee Martin, W. E. Davis, A. C. Hartzog, J. F. Jones and two sons, A. P. Brown. Cars furnished by: W. C. Byrd, J. D. Swift, G. L. Boykin, T. D. Nored, G. A. Kemp, Carl Almond, B. C. Antrobus, A. A. Mays and Paul Shelton.

KNIGHT DAIRY BARN IS BURNED LAST NIGHT

Fire started evidently from gasoline being spilled on a lantern when an engine was being filled was the cause for a fire which destroyed the dairy barn and equipment of the Knight Dairy, after midnight of Wednesday. Feed to the amount of seventy-five sacks was damaged to such an extent that it cannot be used and the entire milking equipment of the plant was put out of commission. The Clarendon fire department was called to the scene and succeeded in putting the fire out on the bottling house although they were unable to save the roof of the boiler house. The delivery of milk was a little late this morning and plans are being made to care for customers of the place just as soon as new equipment can be secured. Mr. Knight stated that he was just a little late in getting his electrical equipment installed. The loss was not covered by insurance.

LOCAL FIRM BUYS MEMPHIS STORE

LITTLE MERCANTILE COMPANY ADDS MEMPHIS TO CHAIN OF STORES.

The News has been informed that the Little Mercantile Company of this city has completed the purchase of the Memphis Mercantile Company and that the new owners have complete charge of the place of business. This purchase adds a store in a desirable town to the string of businesses now operated by the company. The main store will continue to be located in Clarendon with Memphis and Wellington as the other two in the line of business operated by the establishment.

The active management of the Memphis store is to be in the hands of Carlos Grissom, former resident of this city. The store will be supervised by both Mr. T. M. Little and Mrs. Carl Saye. They are planning a great opening for the Memphis place of business in a very short time, with a line of merchandise that has been secured especially for that purpose.

WESLEY KNORPP RETURNS FROM WINTER VACATION

Wesley Knorpp, president of the Donley County State Bank, returned Wednesday evening from Los Angeles, Cal., where he has been spending a winter vacation with his family. He is pleased over the crop prospects in Donley County and reports a very mild winter in California.

PANHANDLE PRESS ASSOCIATION

Socrates said: "He is not only idle who does nothing, but he is idle who might be better employed."

Clarendon's building program grows steadily with the advance of the Spring season. Soon we must have more paved streets and sidewalks. Progress begets progress.

Amarillo voters gave Col. Ernest Thompson the great majority for mayor last Tuesday that has ever been accorded in that city. Col. Thompson's friends here wish for him a most successful and constructive administration of the affairs of that growing metropolis.

Powerful forces are at work to make going into debt not only a universal habit but something akin to a patriotic duty. Compelling arguments are advanced to make the consumer eat more, wear out more clothes, take more pills and blow out more tires. The effects of this artificial plan are temporarily exhilarating to profits. But eventually the same forces of science and invention that were so successful in perfecting production must disclose ways to save the billions of dollars wasted in crude methods of marketing.—Floyd W. Parsons.

Our friend and contemporary, J. Claude Wells, has sold the Memphis Democrat to a combination of Memphis and Amarillo capital with Lyman Robbins and Russell Clarke assuming the business and editorial management. We wish the young men the success their proven ability will attain, but we don't know about Claude. We fear his moral plane will do a nose-dive with him in some other line of work. Anyway, we will reserve space in these columns to notice of his return to the ranks of the Panhandle newspaper makers at some later date.

Mayor H. W. Taylor was returned to office without opposition Tuesday of this week and Clarendon voters are to be congratulated on the fact that with no opposition in sight, one hundred and eighty-five voters went to the polls to register their approval of Mayor Taylor and his constructive administration for the past two terms. Clarendon's municipal affairs are in the best condition the city has ever known, and Mayor Taylor and his co-workers, Commissioners Chase and Sims, deserve the unstinted support and approval of the citizenship of Clarendon.

BILLBOARDS VS. NEWSPAPERS

Of course a billboard is advertising of a kind—it's a sign post by the road side giving directions, pointing the way somewhere, calling attention to some article of merchandise, biled beans, Lucky Strike or Camels—But the trouble with it, it don't go anywhere, not adorned with a story, neither tragedy nor drama, the speed maniacs fly by it a mile a minute, it's the air port for birds, buzzards and crows—The mollie cotton tails and jack rabbits play hide and seek in its shadow, the range cows lick the paste off the board in quest of salt, but shuckins folks, they ain't got no buying power—it ain't got no soul, just inert wood and black paint, void of personality, never goes anywhere, never speaks, wears the same old dress until it's all frazzled out with age, hence, becomes an eye sore by the road side—Just the same old stale picture—never enters a home to be discussed or dissected—Except maybe for kindling wood. But the newspaper has a soul, it's a great big traveling show house, has a stage, wears sure enough to goodness stage clothes, and its back ground is adorned with stage scenery—And my, my, watch the folks flocking to the Albany News show house. O yes, the style show is on, and some seven or eight hundred families sit in front of the foot lights each week—O yes, the style revue is on, fashions parade is in vogue, and the whole family is vieing with each other as to who will get the first look into the show—But doggone o' nite time all over Shackelford County the Albany News puts on a show—Build a fire Bud, light the lamp Sis, it's show time, then the curtains go down and Lordy look at the pretty dresses, silk hosiery, striped garters, slippers, ladies hats and all the finery that goes in the making up of a swell costume, all on exhibition, not only a show house, but a sales forum as well. O yes, in hundreds of homes every Friday and Saturday night the Albany News puts on a show around the fireside, and say Mr. Merchant while you sleep, the Albany News is selling your merchandise for you—You ought to rent space in its pages, buy tickets to the big show, as most everybody in Shackelford County are show fans—And now your billboard, when old Sol goes down behind the big hill over in the west, draws about himself the black mantle, the billboard stands there a lone sentinel, keeping vigil for the wild varmints—It has no soul, don't talk, nobody's fashion bazaar, and only the jack rabbits, birds and buzzards and range cows haunt its environs—Hence—Billboards vs. Newspapers—WHICH?—Col. Dick McCarty in Albany News.

The Town Doctor

(The Doctor of Towns)

on

NO TOWN EVER LOST A CUSTOMER FROM BEING TOO CLEAN

Calvin Coolidge, addressing The American Federation of Arts and The American Association of Music, said: "If clothes make the man, and certainly good dress gives one a sense of self-respect and poise, how much more is it true that clean, beautiful surroundings lend a moral tone to a community?" and added, "We are gradually getting rid of the oppressive ugliness of our communities."

Oppressive ugliness: a good house next to a shack; a beautiful lawn with a vacant lot overgrown with weeds adjacent; unsightly outbuildings; highway entrances cluttered up with nondescript, clap-trap, unpainted and otherwise obnoxious billboards; store signs of every sort, shape and description protruding at all sorts of angles from store buildings—some high, some low—all derogatory to any sense of attractiveness; poorly kept streets, open dumps, unpainted buildings, a dilapidated square, tin can alleys, visible pollution of streams, and ugliest and most oppressive of all—a citizenship with an inferiority complex, one devoid of civic pride.

Oppressive ugliness is that which makes residents of a community say, "Oh, you wont mind that after you've lived here awhile;" and the absence of which makes a stranger say, "I like this place."

Oppressive ugliness is that which creates atmosphere. How often have you gone into communities or mercantile establishments and given as a reason for not being sold on the place that there is no "atmosphere?"

Atmosphere is that which invites or repels; atmosphere is the making or losing of sales, prestige and good will.

Oppressive ugliness relates materially to appearance. How does your town look to a customer? Eighty per cent of those things purchased today are sold through, or influenced by the eye. Therefore, how your town or community looks is important.

This is the season of the year when everything oppressive should be annihilated. Nature is ready to help make things attractive. Start now to help take your town or community to a good old-fashioned house-cleaning: clean it up—scrub it up—dress it up—and keep it up!

Include yourself in the cleaning; get rid of the mental cobwebs that make everything about your place of abode so commonplace. Rid yourself of the superstition and prejudice that your town cannot be as modern, as attractive and interesting as any city anywhere.

Like life, your town or community is what you and the rest of the people like you work to make it. It is just as big or just as little as the people in it.

Governor Moody denies the report that he was to be a candidate for the legislature. The governor will probably become counsel for some large corporation and will engage in private practice. He will not do as some former governors—become a land grabber, taking advantage of all the forfeitures worth while as they show up in the state land office.

Governor Moody has vetoed the Wirtz bill, as was expected, and The News is of the opinion that none are under so great obligation to the governor for his wisdom as Senator Wirtz and those who engineered the bill through the senate and house. The governor says he vetoed the bill in order to minimize the bitterness and rift among Texas Democrats. Had he signed the bill or allowed it to become a law without his signature, the rift would have been permanent and the bitterness would have been redoubled. Texas needs no factions—and the best way to avoid factionalism is to refuse to do those things which seek to force people to do something against their will and conscience. Governor Moody has done Texas and the Democratic party a real service, worthy of the applause of well-balanced citizens of all shades of beliefs.

ALANREED GOLD TAKEN SERIOUSLY

By CHARLES P. MILLER
W. T. C. C. Staff Writer

Alanreed, March 16.—The Texas Panhandle, long noted for its agricultural possibilities and mineral deposits, may yet yield gold, according to local citizens and mining experts from the Rocky Mountain region.

A discovery of gold in sands, two miles south of Alanreed several months ago, may lead to the development of a placer mining project, according to R. Burton Haviland and James J. Cully of Denver, who were in Alanreed Thursday to get samples of the earth said to contain the precious metal. The sand will be studied in Colorado laboratories to determine whether or not the gold will justify mining operations. J. H. McCracken of Amarillo, also interested in the project, came to Alanreed with the Colorado men.

Sand containing gold in small quantities is thought to cover from 640 to 1,000 acres in the southern part of Gray County, taking in a part of ranches owned by W. J. Ball, Alanreed merchant, and F. R. McCracken, local banker. The gold content of sands assayed recently showed to be worth \$2.64 to \$3.20 per ton of the earth. Should the sand yield as much as \$1.25 worth of ore per ton, the area may be mined profitably, Haviland said.

"Of course the mine will be purely a steam shovel affair," the Denver man said. "The gold has been found on the surface and it is not expected that a lode will develop. Shafts will be sunk to determine the depth of the sand."

W. J. Ball tells the story of how the mineral was discovered.

"I did not know that there was gold on my place until one of my former tenants came to me and asked about buying sand for concrete work," the Alanreed merchant said. "I told him that I did not know that I had any sand suited for building purposes. 'Mr. Ball you have lots of things that you don't know about,' he said, after which he told me about finding gold there. It seems that he and an old miner had spent a great deal of time prospecting over the ranch. 'A lot of people laughed at the idea of finding the yellow metal in the Panhandle when the story leaked out, so I went to the ranch and panned some of the sand myself just to show them that the metal was present."

Acresage in the gold producing area has been leased to the Bluebonnet Oil company of California for oil and gas production and it has been indicated that a well will be drilled in the block which is approximately 15 miles from the LeFors field.

Fuller's earth, used in the refining of crude oils, also has been discovered in the Alanreed section in commercial quantities, Ball said. Iron and coal have been found in small quantities in the area, he added.

Mrs. Ida Couch returned home Saturday from Altus, Oklahoma, where she has spent the past three months with her daughter, Mrs. Lewis Southall. She reports a nice trip.

Misses Mary Jane and Betty Younger of Amarillo spent last week-end with their grandparents, Mr. and Mrs. W. H. Martin.

LUMBER SAYINGS—

A COLUMN OF NEWS AND VIEWS FOR CLARENDON PEOPLE AND OUR FARMER FRIENDS.

A good deal is said about June brides but you never hear anything about June grooms. If the grooms want a date they might adopt April the first.

Don't fool yourself with cheap paint. It is better to pay a reasonable price and get the best.

Americanism
Thinking hardship made you the wonder you are. Trying to make things easier for your children.

Make things easier and pleasanter for your wife by installing her one of our IDEAL KITCHEN DRESSERS in her kitchen.

Familiarity doesn't always breed contempt, but you no longer see men stop to watch a woman get in an automobile.

If you have never seen the line of IDEAL BUILT-IN FURNITURE we would be glad to show you the line. We have Living Room Combinations, Bookcase, Mantle Shelves, Corner China Cabinets, Telephone Cabinets, Vanity Dressers, Linen Closets, Medicine Cabinets, Kitchen Dressers and a number of other beautiful as well as useful items.

Traffic Cop—Hey, what's the matter there?
Woman Driver—Well, you see officer, I've just washed my car and I can't do a thing with it.

We aim to please and our customers tell us our aim is good.

The world gives you back your own reflection. The right kind of people don't have rotten neighbors.

But we notice that a lot of the right kind of people do have roofs.

ITEMS OF INTEREST IN DONLEY

SUNNY VIEW

Everyone is rejoicing over the fine rains that fell for two or three days this last week.

J. N. Riley has been suffering with tonsillitis the past week, and his little son, Jack, is sick at this writing.

Ray Roberts and Andy Anderson of Amarillo spent Sunday here with his parents, Mr. and Mrs. S. S. Roberts.

Mr. and Mrs. Clarence Lyons of Amarillo spent Sunday with Mr. and Mrs. Emmett Hutton.

Mr. and Mrs. F. L. Behrens called on Mr. and Mrs. A. M. Lanham Wednesday afternoon.

Mrs. Archie McNeely and Mrs. Smith called to see Mrs. Lanham Monday afternoon.

Mr. and Mrs. Neal Bogard visited Mr. and Mrs. F. C. Bogard in Clarendon Sunday.

Mr. and Mrs. Luther Butler of Lelia Lake visited with Mr. and Mrs. Sam Roberts Sunday.

Mr. and Mrs. Reed of Clarendon called on Mr. and Mrs. A. M. Lanham Saturday afternoon.

J. A. Batson and family, also his father and mother and brother, Rice Batson, and sister, Miss Ruby, all of Memphis, spent Monday with Mr. and Mrs. Sam Roberts.

Rev. Ingram preached here last Sunday. We, the people of Jericho, are rejoicing over a big rain that spread over this section of the Panhandle.

The school kids enjoyed a little Easter Egg Hunt Friday afternoon.

Mr. and Mrs. J. B. Henry made a business trip to Alameda Saturday afternoon.

Mr. and Mrs. U. J. Glazener went to Clarendon Saturday. A gang of golfers from Groom enjoyed a nice game down here on the Jericho golf ground Sunday.

The Rock Island service gang from Amarillo is working on the Jericho pump as a result from a blow-up.

The new restaurant owned by J. J. Brown was opened this week.

Mr. and Mrs. Frank Ferguson have opened up a new business here this week, running a cafe.

Mr. and Mrs. Carl Schaffer are

the proud parents of a baby girl, born March 21st.

Mr. and Mrs. Collet of Floydada are up here with their daughter, Mrs. Carl Schaffer, during her confinement.

Jack Brown is on the sick list this week.

Mr. and Mrs. Fontaine Elmore and Misses Lela Shannon and Nina Grant were in Jericho Sunday.

Mrs. Rex Brown and Mrs. Francis Ashmead motored to Clarendon Friday.

Mr. and Mrs. Herbert Hunn entertained with a dance last Tuesday night.

Mr. and Mrs. V. J. Glazener visited with relatives at Alameda Sunday.

Mr. I. E. Osborn, who has been in a serious condition, having diphtheria and erysipelas at Temple, Texas, is back in Amarillo with his family again and is getting along fine, according to last report.

Mrs. J. F. Henry and Mrs. Gus Pool of Groom visited with their mother, Mrs. Slay, at Alameda.

Mrs. Jimmie Helm visited with her mother, Mrs. Ashmead Sunday.

Mr. and Mrs. Alton Meredith of Alameda visited in the Carroll home Sunday.

Prof. Rex Reeves and Miss Lee Lewis were visitors with Mrs. Reeves last Sunday.

Miss Florence Arnold spent last week-end with her mother at Naylor.

Mrs. Paul Reeves returned home from a visit with her mother in Amarillo last Saturday.

The school kids enjoyed a marshmallow toast Monday afternoon.

Mrs. Pat Vance of Lela, Texas, visited with Mrs. J. F. Henry Friday.

The Ladies Club met at the school house Monday, March 25th. A nice lesson on Gardening was rendered by Miss Thompson.

Miss Lucille Johnson, who is attending a business school at Memphis, spent the week-end with Miss Louise Tidrow.

Miss Lou Naylor and niece, Dorothy Lois Naylor, were week-end guests in the home of Miss Naylor's mother, Mrs. Fanny Naylor.

Mr. and Mrs. Rich Bowlin and daughter, Mrs. Sidney K. Beach, and baby, visited relatives in Amarillo Sunday.

Misses Lucille Johnson and Louise Tidrow and Jim Smith of Memphis spent Sunday at Canyon as guests of Miss Rachel Tidrow, who is in school at that place.

Will Pickering's friends fail to know him as they meet him on the road as he drives a different car each time. He is waiting for his new Six to come in.

Many of our Naylor folks attended Mr. Waldron's funeral at Clarendon.

Mr. and Mrs. Frank Proctor of Memphis were Sunday guests of Mr. and Mrs. Tidrow.

J. W. Carnes has bought a farm near Shamrock and is moving to it. We regret to have him go, but wish the best for him.

Mrs. M. L. Hood's new house is

going up nicely and will soon be finished.

Mrs. Carl Bain and little son, Lewis, left for Marlin a few days since to be with Carl, who is there for treatment. Glad Carl is doing nicely and hopes to be at home soon.

Good rains. Farmers are happy and busy. Watch Naylor roll up a good 1929 crop.

WINDY VALLEY

The farmers are rejoicing over the nice rain that fell Tuesday night and Wednesday. They are looking forward to a good crop this year.

The Literary Society was well attended Friday night. The school children rendered a good program. We hope the next meeting will be better.

Miss Oneta Thompson spent Tuesday with Mrs. Bernice Christie.

Miss Iva Hinkle and her pupils went down in Mr. Hal Christie's pasture Friday afternoon for their Easter egg hunt.

Mr. and Mrs. Emory Morris and Miss Winnie Ayers attended the Literary Society Friday night and Mr. Morris was elected vice president.

Mr. Thompson visited with his nephew, John Perdue, Wednesday night.

Mr. Lloyd Rice, the principal of the Windy Valley school, attended church at Quail Friday night of last week.

Miss Oneta Thompson visited her cousin, Mrs. V. D. Ray, Wednesday night.

Mrs. B. F. Fletcher and daughter, Mattie, Mrs. Clyde Fletcher and Miss Beulah Hicks called on Mrs. Lloyd Rice Friday afternoon.

Mr. and Mrs. I. M. Noble visited with Mr. and Mrs. J. D. Pope and family of Goldston Sunday.

Mr. and Mrs. Simmons and Mrs. Prescott visited the school Friday afternoon.

Miss Nettie Lyon visited with Miss Veta Mae Morgan Friday evening.

Mr. and Mrs. B. F. Fletcher and daughter, Mattie, Mr. and Mrs. Clyde Fletcher and Mr. A. Foley visited relatives at Claude Sunday.

Mr. and Mrs. Rice were in Quail Sunday.

Mr. and Mrs. Prescott were Chamberlain visitors Friday night.

Mrs. Emmett Christie called on Mr. B. F. Fletcher Tuesday night till bedtime.

Mr. Buck Noble called in the J.

R. Hilman home Wednesday morning.

Rev. Evans was a caller in the I. M. Noble home Tuesday.

Mrs. Holly Wood and children visited with Mr. and Mrs. Lloyd Rice Saturday night.

Miss Gladys Noble spent Saturday night with Mrs. Joe Dilli of Goldston.

Mr. and Mrs. Lemons and family were callers in the Thompson home Sunday.

Mr. and Mrs. Kay Smith and small daughter visited with Mrs. Smith's parents, Mr. and Mrs. E. W. Christie, Saturday night and Sunday.

Mr. and Mrs. Homer Bowling visited with Mrs. Bowling's brother, Homer.

Mr. I. M. Noble Monday morning. The Rev. Mrs. Shaw from Clarendon was not able to fill her appointment at the school house the fourth Sunday on account of sickness, but Rev. Evans preached in her stead to a goodly number.

We wish for Mrs. Shaw a speedy recovery and hope she will be able to fill her regular appointment.

Mr. and Mrs. Carl Dotson entertained the young people with a party Saturday night. All present reported a fine time.

Mr. and Mrs. Tom Morgan and small daughter called on the latter's parents, Mr. and Mrs. Dotson, of Lelia Lake, Sunday night.

Mr. H. T. Foley is spending this week with his niece, Mrs. W. T. Durrett, and family, of Claude.

Mr. John Fletcher, Miss Aara and Orville Davis attended church at Hedley Sunday night.

The young people enjoyed an Easter egg hunt at Mr. Josey's Saturday afternoon.

Miss Pearl Christie entertained her Sunday school class with an Easter party Saturday night at the home of little Miss Oesia Black.

Mr. and Mrs. Clyde Fletcher spent Saturday night with the former's parents, Mr. and Mrs. B. F. Fletcher and family.

Mr. and Mrs. W. B. Morgan visited with relatives near Leland Saturday and Sunday.

Mr. John Perdue and son, J. C., called on Mr. Thompson and family Saturday morning.

Everyone is rejoicing over the fine rain and are busy getting ready for another crop.

There was a small crowd present at Sunday school Sunday as

most everyone went somewhere else.

Mrs. Kay Smith of Ashtola spent the week-end with her parents, Mr. and Mrs. W. E. Christie.

Mr. O. L. Jacobs and family attended church at Lelia Lake Sunday.

We are sorry to report Mrs. D. H. Kimbriel on the sick list. She is staying at Clarendon taking treatment.

Mr. and Mrs. D. B. Perdue and Miss Connie, Mr. Van Roy and family, Mr. J. C. Perdue and family, Mr. D. H. Perdue and family and L. C. Tims and family spent Sunday in the home of Wm. Pierce at Goldston.

Miss Mattie O'Neal of Clarendon attended Sunday school at Hudgins Sunday evening.

Mr. Bernice Christie happened a very painful accident one day last week by falling off his horse but we are glad he wasn't seriously hurt.

There is still some sickness around, mostly chicken pox.

Miss Irene Anderson and Miss Coye Latson took their school at Hudgins and some of the parents and went to the river north of Clarendon for a picnic Monday, and also went to see the oil well. They all reported a nice time.

Mr. Jim Gollugh and family visited his brother at Goldston Sunday.

O. L. Jacobs and family attended the Parent-Teacher meeting at Chamberlain Friday night.

Miss Lillie Mae Gollugh spent Monday with Miss Beatrice Fowler.

Mr. John Fletcher, Miss Aara and Orville Davis attended church at Hedley Sunday night.

The young people enjoyed an Easter egg hunt at Mr. Josey's Saturday afternoon.

Miss Pearl Christie entertained her Sunday school class with an Easter party Saturday night at the home of little Miss Oesia Black.

Mr. and Mrs. Clyde Fletcher spent Saturday night with the former's parents, Mr. and Mrs. B. F. Fletcher and family.

Mr. and Mrs. W. B. Morgan visited with relatives near Leland Saturday and Sunday.

Mr. John Perdue and son, J. C., called on Mr. Thompson and family Saturday morning.

Everyone is rejoicing over the fine rain and are busy getting ready for another crop.

There was a small crowd present at Sunday school Sunday as

Industrial Recognition

Lower Living Costs

The bid of the small cities and towns for industrial recognition is being accepted.

No Fatiguing Congestion

Lower Labor Costs

Far-sighted manufacturers are quitting the congested cities and removing their plants and factories to the unhurried, uncongested atmosphere of the small cities and towns.

Cheaper Land

Lower Taxes

Widespread distribution of electric power and the development of fast freight have given West Texas cities and towns an industrial status comparable with metropolitan cities.

Close to Raw Materials

Better Shipping Facilities

Lower living costs and therefore lower labor costs, lower taxes, cheaper land, ample room for expansion and closer proximity to raw materials and markets, all have paved the way for industry's realization of the distinct advantages of small town factory sites.

Close to Markets

Permanent Conservative Labor

As its contribution to the advantages offered, this company has 70,000 horsepower of electric power available, three great generating stations and 15 auxiliary plants, insuring uninterrupted service 24 hours a day, 365 days a year.

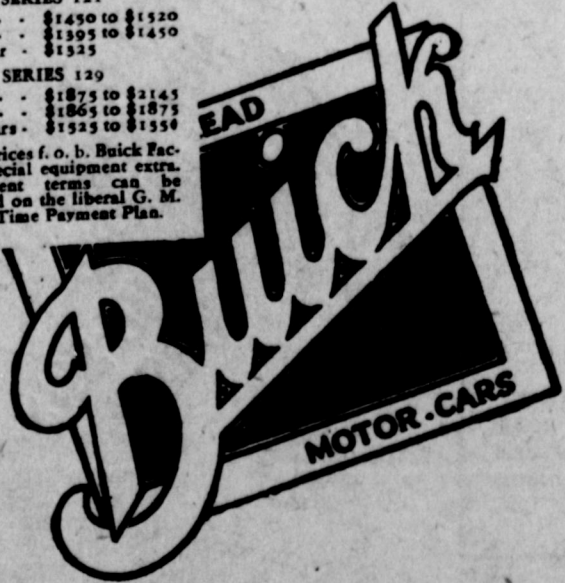

Room for Growth

West Texas Utilities Company

ODOS CARAWAY, Local Agent

WHEN BETTER AUTOMOBILES ARE BUILT... BUICK WILL BUILD THEM

UNDER THE DOME

Capitol
By United Press

General Moody has announced himself that he intends to submit civil service legislation again. Renewed effort will be made to pass prison concentration legislation and Gov. Moody has promised physicians to submit again the medical practice act that failed to get up for final action in the House in the closing hours of the regular session.

Statement from Governor Moody that he will not sign text book contracts until after the special session, lends color to the belief that there will be some text book legislation submitted.

Possibility was held out in the closing days of the regular session that the state prison board might have a prison concentration plan worked out to submit to the special session. If a plan for concentration on land already owned by the state is presented it is almost sure to pass.

Former Governor James E. Ferguson is out urging concentration about the Ramsey farm on the lower Brazos river. He ridicules the state prison factory plan as visionary, pointing out that the Texas prison population, especially among the negroes and Mexicans, come from industrial centers, as the case in states that have found prison factories satisfactory, the attempts to run a wagon factory, an iron factory, a box factory and a shoe factory in Texas prisons heretofore are cited by Former Governor Ferguson to show that the plan is not practical.

Repeat of the Search and Seizure Act is put forward by Senator Tom Love of Dallas as a measure that he thinks can be passed at the special session if Governor Moody will submit it. It is not likely that the Governor is going to submit issues that he feels will not pass and delay other action of the legislature.

Reduced automobile registration fees, another subject of hot contest at the regular session, can come up without any special submission by the governor. Raising of revenue will have to be submitted if there are to be funds to take care of the appropriations and the registration fee is depended upon to provide a considerable share of the highway appropriation. Gasoline tax will also have to be fought out. The rate will depend on the registration fees and their divisions.

Rep. Ray H. Holder, of Dallas, has a combination bill in preparation, fixing auto registration fees and gasoline tax in one measure. The constitution says a bill can deal with but one topic but Holders plan is to make that topic the provision for state highways. This may raise the other objection that the registration fee is really a tax and that automobiles cannot be subjected to double taxation. The Attorney General's department, however, is said to have approved the combination feature of the bill.

Holder plans a 50 per cent reduction in registration fees and a gasoline tax of three or four cents a gallon.

The House committee already is at work on appropriations at Austin and the Senate Finance Committee is to meet at Lubbock on April 6th to begin a tour of institutions.

Members of the House committee have entered a pact not to make appropriations that will call for more than a 30 cent ad valorem tax rate.

MRS. OAK IS WELL AFTER 20 YEARS

"I suffered from inactive liver for twenty years and about three years ago I became so terribly rundown I could not attend to my household duties without stopping to rest.

"I would have such severe pains in my stomach after meals that I would have to run for the soda box. Dieting did not help me, and even the best medicines I could buy did not reach my case.

"But Sargon went right to the root of my trouble without losing a minute's time. I never saw anything like it. I felt better from the very first dose, and now

FIRST CHRISTIAN CHURCH ANNOUNCE REVIVAL DATES

Rev. Tyndall, evangelist secured by the First Christian Church of this city for a series of meetings has set the dates for his appearance in this city as announced the fore part of this week. The dates will begin with July 22nd, and will continue for three weeks from that date. Further announcements of plans will be made as the time nears for the start of the series of meetings.

GRAHAM-PAIGE PRODUCTION BREAKS RECORDS

Detroit, April 1.—This year's production of Graham-Paige motor cars reached a total of 21,880 cars on March 20, equalling the entire year's production of the factory in 1927, before the Graham-Paige was presented by the three Graham brothers.

Last year, when the factory attained, on May 2, the total of the previous year, it was regarded as a remarkable achievement of the new management. This year, the same total has been reached just 40 days earlier.

CLARENDON MEN BUY CANYON PIGGLY-WIGGLY

The News is informed that Messrs. W. A. Pierce and J. R. Bain, both well known in this city, have purchased the Piggly-Wiggly store at Canyon and will have active operation of this place of business after the first of April. The store was closed the first three days of this week for invoicing, but will be open for business after these three days. Both men will remain in Clarendon for the present.

I eat anything I want without any ill effects. I am not the least bit nervous and I feel so well and strong that even after I get through with my household work I want to be up and on the job.

"Sargon Soft Mass Pills completely overcame my liver trouble and constipation. They act so gently that they did not upset my system or make me the least bit sick.

"I know from experience that the Sargon treatment will end stomach and liver complaints. I

MRS. JULIA OAK

feel just like I have been made all over like new, and I want all my friends to know what this grand medicine will do."

The above statement was made recently by Mrs. Julia Oak, well known and highly esteemed resident of R. F. D. 1, Box 157, San Antonio, whose motherly kindness has endeared her to hundreds of friends throughout her community.

Sargon may be obtained in Clarendon from Douglas-Goldston Drug Co.; and in Hedley from Hedley Drug Co.

WHAT DR. CALDWELL LEARNED IN 47 YEARS PRACTICE

A physician watched the results of constipation for 47 years, and believed that no matter how careful people are of their health, diet and exercise, constipation will occur from time to time. Of next importance then, is how to treat it when it comes. Dr. Caldwell always was in favor of getting as close to nature as possible, hence his remedy for constipation, known as Dr. Caldwell's Syrup Pepsin, is a mild vegetable compound. It can not harm the system and it not habit forming. Syrup Pepsin is pleasant-tasting, and youngsters love it.

Dr. Caldwell did not approve of drastic physics and purges. He did not believe they were good for anybody's system. In a practice of 47 years he never saw any reason for their use when Syrup Pepsin will empty the bowels just as promptly.

Do not let a day go by without a bowel movement. Do not sit and hope, but go to the nearest druggist and get one of the generous bottles of Dr. Caldwell's Syrup Pepsin, or write "Syrup Pepsin," Dept. BB, Monticello, Illinois, for free trial bottle.

How to Raise Poultry

By Dr. L. D. LeGear, V. S., St. Louis, Mo.

Dr. LeGear is a graduate of the Ontario Veterinary College, 1892. Thirty-six years of veterinary practice on diseases of live stock and poultry. Licensed authority on poultry and stock raising. Nationally known poultry breeder. Noted author and lecturer.

ROBBER IN FLOCK

Roup may wipe out a whole season's profit if allowed to gain headway, says Dr. L. D. LeGear, V. S., of St. Louis, Mo.

"The best way to cure roup," sagely remarked an old timer in the poultry game, "is never to have it." That may sound like a very weak attempt to be funny, but it is gospel truth. Contagious diseases such as roup do not fall willy nilly from the heavens on some whimsical freak of fate. The way is usually paved for them by the lack of adequate sanitation, improper housing facilities, incorrect feeding, failure to cull out weaklings, the weakening effect of parasites, or by some other form of neglect. Healthy, robust fowls, properly fed and housed in sanitary surroundings, will almost always throw off the germs of disease. Even when they do not, however, their rugged constitutions make the success of treatment practically certain.

Acting on the idea of prevention as the best cure for "up," I never add new fowls to my flock until they have been kept in quarantine from two to three weeks. Even if it is practically sure that the birds come from an uninfected flock, this is a wise precaution. They might be carrying the germs of infection which would mature later with disastrous results. If this should happen before they are added to the flock they can be destroyed or treated as the case may demand without danger of spreading the disease.

Watch young and delicate birds very closely as they are most susceptible to the deadly roup germs. The same is true of fowls suffering from common colds or catarrh. The throat and nasal passages, being already sore and inflamed, are easily infected. Sick birds, no matter what the ailment, should always be isolated. They can be much more effectively treated when away from the flock and they cannot contaminate the healthier ones if the disease should prove to be contagious.

Should any of your flock begin to show symptoms of roup, no time should be lost in starting measures to prevent further spread. All houses, pens, coops and runs should be thoroughly cleaned and sprayed with a strong solution of a good coal tar dip and disinfectant. Droppings, litter and trash of every description should be removed and burned. All unnecessary equipment of every kind should be removed from houses and yards. Every piece of equipment for supplying food and water should be scrubbed and disinfected. All this sounds like work and it is, but the saving is decidedly worth the work required.

As the inroads of this deadly disease have been known to wipe out as high as 95 per cent of a flock, every owner of a poultry flock should learn to recognize the symptoms. At first they are much like those of a simple cold, or catarrh, but more fever, dullness, prostration and loss of appetite. First symptoms are a watery nasal discharge, difficult breathing with wheeze sound and constant shaking of the head to dislodge accumulated matter. After two or three days the discharge from the nose becomes thicker and gives off a characteristic offensive odor. The nasal passages then become so clogged that the bird must breathe through its mouth. A discharge will also run from the eyes. This discharge gradually becomes thicker, causing painful swellings below or in the eye which often destroy it. As it hardens, this discharge may cause the eye to be completely pasted shut, and may gather in such quantities that the head is swollen to twice its normal size. Quite frequently these deposits will press down the roof of the mouth so that the fowl cannot swallow. In some cases there is a canker deposit of yellowish mat-

ter on the tissues of the mouth and throat. It is easily removed, however, and should not be confused with a deposit of similar appearance which is a symptom of diphtheria. As soon as any fowl is known to be sick, put it at once to itself as far from the flock as possible and give it one full teaspoonful of epsom salts to remove cold and fever from the system. If the bowels have not moved by the following day, repeat the dose. Give one roup pill night and morning. Wash the affected eyes, nose and mouth once a day with a solution made by mixing one teaspoonful of dip and disinfectant in one quart of warm water. Souse head, eyes and all in this solution each time. Roup will often yield to treatment if caught in time, but each case must be handled individually and more detailed instructions are required than the space allowed for this article will permit.

As a measure of protection for the balance of the flock, after infected birds are removed give epsom salts in a wet mash. Give one pound of epsom salts for each 100 fowls of lighter breeds or for each 75 of the heavier kinds, and repeat in one week. A saline purgative such as epsom salts is invaluable at such a time. By causing the prompt elimination of germ-laden matter, this simple remedy may keep many a good layer on the job without interruption.

But, after all, there's no remedy like the one quoted at the beginning of this article. I do not claim that roup and kindred diseases cannot invade the premises where sanitation and other precautionary measures are always observed. I do not hesitate to say, however, that the flock where such measures do not obtain is infinitely more liable to suffer infection. Furthermore, if the properly managed flock does become infected, the damage will be much less than among fowls not so well cared for. The old maxim, "An ounce of prevention is worth a pound of cure" may be well worn from usage, but it is still as true as it ever was.

(Copyright, 1929 by Dr. L. D. LeGear, V. S.)

NEWS ADDS SERVICE TO ADVERTISING HELPS

Effective with the April issue, out March first, the News will have two advertising services, both of them standard and nationally known. Both these services are produced in the East and have a reputation that appeals to all users of advertising space. Some newspapers have one of these services and some have the other, but there are few papers in towns the size of Clarendon that are able to furnish such service for their respective areas. The News has these two distinct services. The News has these for the use of the advertisers and is glad to furnish them on request. In addition to the regular monthly service, the News has a great morgue that may be drawn upon when sufficient time is given. We also have in excess of 50,000 mats that are available on a moment's notice.

WINDOW KEEPING

Window trimming is an art. A grocer's windows are advertisements. They must stop the passer-by, interest her, convince her and compel her to buy. The window trim must be balanced, properly focused, have unity, make tasteful use of color and have a logical and pleasing arrangement of all its parts. The character of the store is revealed through its windows as well as in them. A grocery window containing a hodge-podge of food articles until it looks like chop suey is not the kind of a window to open to the public. The store with unkept windows is likely to be unkept inside. The public has become accustomed to demand cleanliness and order in stores—grocery stores most of all. The grocery with well-kept windows is sure to attract customers.—Canadian News.

3 DENOMINATIONS URGED TO UNITE

MINISTERIAL STUDENTS OF THREE CHURCHES CONFERENCE AND RECOMMEND UNION.

Fort Worth.—"Therefore, it is the finding of this committee that there is no need for a continued separate existence."

The above statement relates to the Presbyterian, M. E., South and Christian churches, and was framed by a committee of six ministerial students, two each from Trinity University, Southern Methodist University and Texas Christian University.

The committee's finding followed an inter-seminary conference held at T. C. U., at which papers were presented by a student representative from each of these religious, bearing on the origin and religious contribution of the particular brotherhood represented.

"All three denominations came out of different centuries—the Presbyterian from the 16th, the Methodist from the 18th, and the Disciples from the 19th," the committee pointed out. "In their organization they have had the same motives and purposes. They came to meet definite needs and consequently had different emphases."

"Each denomination had the same motive, that of serving its age. Some of the principles on which the movements started are permanent and exist today. They are shared by other churches in a large measure, and therefore cannot stand as a definite reason for being maintained as separate."

"No church of this group is a possessor of a monopoly of truth or principle underlying its existence. In as much as the three religious bodies represented have so many divisions among themselves, we conclude that the psychological reason for the continued existence of these denominations is due to the difficulty of co-operation, rather than in the difference in truths or principles."

"The definite historical situations responsible for their origin do not still exist, but similar needs which they endeavor to serve are still in existence. However, no one of these churches is trying to fill these needs alone."

"Therefore, it is the finding of this committee that there is no need for a continued separate existence."

Members of the committee signing the report are: Dr. A. W. Wason and E. Ray Fort for S. M. U.; Miss Elizabeth Becknell and Payton Waddell for Trinity; and Miss Dora Macy and E. M. Wheatly for T. C. U. Eighty-two persons attended the conference at T. C. U., 25 from S. M. U., eight from Trinity, and 38 from T. C. U., Texas Woman's College sent two visitors and the Southwestern Baptist Seminary, one. Eight other visitors also attended the session.

THE SHORT COURSE BY LU McCLELLAND.

The Agricultural Short Course opened Monday morning with six selections, played by the Clarendon Junior Band. Community singing was led by G. L. Boykin, with Miss Geneva Merrell accompanist. A prayer was led by Rev. Allison.

The next number on the program was a very interesting talk on "The Educational Use of Knowledge," by H. S. Mobley. He also illustrated in moving pictures "Farm Inconvenience" and "Cherryland. A boy was compelled to learn more about cherries than any one else in the world. Last year he made two hundred and fifty thousand on his cherry crop. The heart of cherryland is in Wisconsin."

Monday evening the program opened with selections played by a saxophone duet. Mr. G. L. Smith made an interesting talk on "Beautifying Home Grounds." It was also illustrated with moving pictures and chart. The principle of beautifying home grounds are the altering the skyline, graduated in height, concentration in blooming effect, harmonious effect in color designing, recess in borders. An interesting moving picture was very amusing. Miss Grace Smith made an interesting talk on "Keeping Vigorously Alive." She illustrated on chart. Sickness costs one billion dollars a year. Time and money can't measure the cost of sickness. Do not give a disease you have to others if it can be prevented. An interesting moving picture was shown on "Home Canning." Eunice Johnson gave a very good reading on "Courting Under Difficulties."

Tuesday night's program opened with community singing. Singing was led by G. L. Boykin with Miss Geneva Merrell accompanist. The second number was a quartet, "Silent Moon." H. S. Mobley made an interesting talk on "Communities Are Made of Folks." Communities cannot be made by houses and stores. It has to be made of good folks. A farmer is as much a business man as a merchant, lawyer or shoemaker. He said Clarendon was not a town but a business district.

A very amusing picture was shown on "The Power Behind the Orange." It showed oranges could be raised in the middle of the desert. Tuesday morning the program opened with selections played by the Clarendon Junior Band. Community singing was led by G. L. Boykin with Miss Geneva Merrell accompanist. A prayer was led by Rev. Merrell.

Mr. G. L. Smith made a very interesting talk on "Home Orchards." You should have your orchard planted with two-year-old trees at the age between six and twelve years. A moving picture was also shown on home orchards.

A talk was enjoyed by women by Miss Grace M. Smith on "Bringing the Kitchen Up-to-Date." She explained how to put water in the house for thirty-five dollars. Moving pictures were also shown on "Bringing the Kitchen Up to Date." Tuesday evening the program

opened with selections played by the Clarendon Junior Band. A very beautiful piano duo was played by Pauline Shelton and Pauline Sanford.

The most interesting talk was made by H. S. Mobley on "The Dairyman's Problem." This talk embraced the hen, sow and cow. He discussed first the cow and the care of chickens and pigs. He also illustrated with moving picture.

The butter and cream from one cow paid a doctor bill of twenty-five dollars. The money from some hogs built a brick home.

Tuesday night the program opened with community singing led by G. L. Boykin with Miss Merrell accompanist. A reading was given by Miss Rita Foster, "The Man and His Shadow." A very interesting talk was made by Miss Grace M. Smith on "Woman's Work in the Community."

Several selections were sung by the Clarendon Glee Club. This short course has helped the people of Donley County in every way of farming. We express our thanks to the people who have helped us so much.

AMARILLO FIRE-MAN MAKES A WISE DECISION

ANOTHER RAILROAD MAN HAS GAINED WONDERFULLY ON ONLY TWO BOTTLES OF ORGATONE.

"I am just finishing my second bottle of Orgatone and I have gained wonderfully in health," said W. N. Worford, at his home. Mr. Worford is a stationery fireman at the general office Santa Fe Railroad and lives at 3802 Tyler St., Amarillo, Texas.

"For twenty years," continued Mr. Worford, "I have suffered from indigestion, and my stomach was in such a bad condition everything disagreed with me and I couldn't digest the food which my system really demanded. A short time after eating my food would sour, gas would form and I could scarcely breathe. Many a night I would have to get up out of bed and take a dose of soda so I could get momentary relief. I would get up in the morning feeling as tired and worn out as if I hadn't gone to bed."

"I decided after reading the high endorsements to try Orgatone, and it certainly was a wise decision. My stomach is now in better shape than it has been in years and my food digests properly. I am relieved of constipation and that tired and aching feeling has left me as if by magic. Orgatone has certainly proven to be a great medicine for my case and I highly endorse it to anyone suffering as I have done." Genuine Orgatone may be obtained in Clarendon at the Stocking's Drug Store.

NEW RAILROAD SIGNALS VISIBLE DAY OR NIGHT

Electric lights of an intensity and color that make them clearly visible even in bright sunshine have recently been developed for use as railway signals, according to an article in Scientific American.

Signalling is done by changes in color and formation of the lamps, which are set up in groups. Thus, a vertical line of bright green lights means "track clear," slanting lines of amber mean "caution" and red cross bars mean "stop."

Another type of electric light railroad signal has been designed to take the place of the moving semaphore. Powerful amber lamps are set in a black circle and are flashed on by groups to show the same position used with the semaphore. In this form, three lamps lighted in a horizontal row would mean "danger," that having been the danger signal with the semaphore, and three lamps in a vertical line would mean "clear." The new day and night signals, it is said, make it almost impos-

sible for an engineer to mistake a signal or to pass it without seeing it.

OAKLAND

Announces the Appointment of
Sims-Motor Company

As Associate Dealer of
Harman Motor Co.

We are pleased to announce the appointment of a new local dealer whose standing and experience fully qualify him to meet the exacting standards required of those who sell and service Oakland and Pontiac Sixes.

We hope you will meet this new dealer. Visit him at your first opportunity. Permit him to show you the New All-American Six whose superb power, stirring performance and vivid style have established an entirely new conception of the modern motor car. Let him point out the many features of advanced design embodied in the New Pontiac Big Six—the big car luxury, beauty and comfort of its bodies by Fisher—the big car power of its new, larger L-head engine—its big car speed, big car safety and smooth, alert performance.

In addition to new cars of matchless value, this dealer also is authorized to sell Good Will Used Cars—reliable, inexpensive transportation backed by a fixed policy of honest value for the customer's dollar.

Our new dealer will welcome you whenever you find time to stop in. Call on him soon!

Shelton-Leathers

Saturday night, March 30th, Miss Veru Leathers and Mr. Loyd Shelton were united in marriage at the home of the bride's parents, Mr. and Mrs. G. F. Leathers at Ashtola, Rev. C. H. Kennedy officiating.

The bride is well known here, having attended the college here one year. She was a student of W. T. S. T. C. of Canyon at the time of her marriage.

Mr. Shelton has Mrs. E. O. McCann's ranch at Ashtola leased and the young couple will make this their home.

1922 Bridge Club

The 1922 Bridge Club enjoyed their first meeting since Lent, Tuesday afternoon at the home of Mrs. W. H. Cooke.

The rooms were profusely decorated in spring blossoms.

At the conclusion of a number of games an elegant turkey dinner was served.

Mrs. J. L. McMurtry received first prize at the conclusion of the games and Mrs. Lollie Bagby drew consolation.

Those present were: Mmes. T. H. Ellis, L. L. Swan, A. R. Letts, A. L. Chase, W. H. Martin, C. H. Bugbee, J. L. McMurtry, Lollie Bagby.

Win One Sunday School Class

The Win One Sunday school class of the Methodist Church held their regular monthly meeting at the home of Mrs. F. W. Taylor Monday afternoon with Mrs. L. O. Lewis as associate hostess.

Mrs. Sam Braswell presided at the business session in the absence of the president, Mrs. R. Wilkerson.

At the conclusion of the business session a delightful social hour was enjoyed during which a dainty plate luncheon was served.

1926 Book Club

Mrs. G. L. Boykin was hostess to the 1926 Book Club at the Club Room Tuesday afternoon. Miss Beck led the study program on "Selected Shakespeare."

Mrs. Cousins gave a very interesting story.

Miss Lotta Bourland gave some of Shakespeare's writings and Miss Fray Stallings gave Shakespeare's life.

Guests of the afternoon were Mmes. J. T. Patman, A. A. Mayes, J. W. Watts, D. O. Stallings, Miss Orene Hudgins.

An ice course was served at the conclusion of the program.

T. E. L. Sunday School Class

The T. E. L. Sunday School Class of the Baptist Church met at the home of Mrs. M. C. Reed Tuesday, March 25, in a business and social meeting. The devotional was led by Mrs. Lindsey, who read the 100th Psalm. Mrs. Fred Ballew led in prayer, while Mrs. W. B. Simms led the Bible lesson which was on the book of Genesis.

During the social hour games were enjoyed and refreshments were served to Mmes. M. W. Mosely, B. B. Dawkins, Loyd Ledbetter, J. E. Johnson, W. B. Sims, Eva Draffen, Frank Whitlock, E. M. Lindsey, L. L. Woods, Fred Ballew, Cap Lane, Major Hudson, and J. W. Ticer.

Misses Martin Entertain

Misses Mildred and Helen Martin entertained with a bridge party Saturday afternoon, honoring their sister, Miss Leta Verne Martin, who is at home from Oklahoma University for the Easter vacation, and her guest, Miss Mary Lee Styron of Oklahoma.

The rooms were a bower of fruit blossoms.

In the games of bridge Mrs. Park Chamberlain received high score prize while Mrs. Maher of Amarillo cut consolation.

Misses Leta Verne Martin and

Styron were presented with guest prizes.

Delightful refreshments were served to Mmes. Ira Merchant, Park Chamberlain, Dick Bell, Dorris Ellis, Sam Darden, Barcus Antrobus, Carl Bennett, Maher of Amarillo, and Miss Lotta Bourland.

Egg Hunts

Easter egg hunts were the order of the day Saturday and Sunday when the Sunday schools of the city enjoyed egg-hunts in various ways and places.

The primary department of the Baptist Sunday school had a unique egg hunt at Sunday school Sunday morning when each one was given a number and asked to find the eggs and rabbit concealed about the room with number matching his number.

The members of the Christian Sunday school were carried out to the home of Mr. and Mrs. C. L. Knight Sunday afternoon where they spent several hours hunting the bright hued eggs.

The children of the Presbyterian Sunday school had a most enjoyable afternoon Saturday when they hunted Easter eggs over the hills back of the home of Mr. and Mrs. J. T. Sims. The ice cream which was served them after the hunt was enjoyed no less than the hunt.

The Episcopal Sunday school and a few invited friends had a most pleasant time at the egg hunt on the lawn of Dr. and Mrs. T. H. Ellis Monday afternoon.

At the awarding of the prizes to those finding the most and the least number of eggs, Eskimo pies and cookies were served.

The primary department of the Methodist Sunday school held its hunt in the park near the school house. Each member carried a light lunch with him which they all enjoyed together after the hunt.

The beginners' department of the Methodist Sunday school were invited to the home of Mrs. Rayburn Smith where the tots had a joyous time hunting eggs, after which they were served sandwiches and lemonade.

Surprise Party

Mrs. B. L. Jenkins, Jr., entertained with a forty-two party, honoring her mother, Mrs. L. O. Lewis, at the home of the latter. The party was a complete surprise to Mrs. Lewis as she had no hint of such an occasion until the day of the event.

The house was made very spring like with violets in every available place.

Score cards carried out the Easter suggestion as did the ice cream, molded in the form of Easter lilies.

Each table cut for favors and Mmes. O. L. Jenkins, Richard Wilkerson, F. W. Taylor and Ralph Kerbow were the lucky ones.

Those present were Mmes. J. T. Patman, F. W. Taylor, M. M. Noble, Sam Braswell, E. B. Kerbow, Ralph Kerbow, Jack Killough, Rutledge, O. L. Jenkins, B. L. Jenkins, Sr., A. A. Mayes, D. O. Stallings, J. L. McMurtry, H. C. Kerbow, Ralph Porter, Misses Harris and Beck.

One of the prettiest parties of the Easter season was that given by Mrs. Bascom White Thursday afternoon when she entertained her bridge club at the home of Mrs. Jim Haile.

A color scheme of orchid and white was carried out by the extensive use of peach and pear blossoms; and the colors were repeated in the tallies.

The one-course luncheon which was served at the conclusion of the games was also in the lovely shades of Easter, orchid and white.

Mrs. Barcus Antrobus received high score prize.

Those present were Mmes. Carl Bennett, Barcus Antrobus, Jim Haile, Latham Ball, Lillian Brady, Fred Maher, Miss Lotta Bourland.

Legion Party Tuesday Is April Fool Affair

Originally planned for a large affair, the American Legion party Tuesday evening of this week was one of the slimmest imaginable events of the season. A very small percentage of the members of the organization and their ladies were present, making it seem that the program committee had rather fallen down on their tasks. This body of folk enjoyed the evening in playing games of various natures, the one in the forefront being horseshoes with none of the members being able to prove the best player of the evening. Late in the night, refreshments of soda water and cracker jacks were served the fifteen present.

Busy Women's S. S. Class

The Busy Women's Sunday School Class of the Methodist Church enjoyed their monthly meeting at the home of Mrs. W. H. Strawn Friday afternoon with a good attendance.

Two readings, one by La Rue Trostle and the other by Miss Griswold added much to the occasion.

During the pleasant social hour, refreshments were served.

Episcopal Junior Auxiliary

The Junior Auxiliary of the Episcopal Church met at the home of Mrs. Clyde Price Wednesday afternoon.

At the conclusion of the business session the study lesson held the attention of the members for some time, after which the social hour was enjoyed, during which refreshments were served.

M. E. Missionary Society

The Woman's Missionary Society of the Methodist Church met in the church parlors Wednesday afternoon for their Bible lesson, which was the 4th chapter of "The Worker and His Bible."

Mrs. J. G. Sherman led the lesson with Mmes. Frank Smith, D. P. Ross, O. L. Fink and R. H. Beville assisting her.

Christian Missionary Society

The Missionary Society of the Christian Church met at the church Wednesday afternoon with twelve members present. A most interesting and inspiring Easter program was given with special music as one of the features.

After the program business matters of importance were discussed.

Presbyterian Auxiliary

The Presbyterian Auxiliary held their weekly meeting at the home of Mrs. Holman Kennedy Wednesday afternoon with fourteen members present.

During the business session the work for the new year was planned. Refreshments were served during the social hour.

Pathfinder Club

The Pathfinder Club will meet Friday, April 12th in the home of Mrs. J. L. McMurtry.

Mr. and Mrs. John M. Bass and family were in Memphis Sunday for a reunion of the Bass families. An interesting photograph was made including four generations of the Bass family. John Bass and his son John Junior, represented two of the generations.

Claude Pyle, well known young business man of this city, has purchased the Bain interest in the Crane & Bain filling Station. Until recently this station was operated by Messrs. Johnson-Mahaffey Motor Company.

A large size tube of Dr. West's Tooth paste free with the purchase of a West Tooth Brush at Stocking's Drug Store.

CLUB NOTES

The Lelia Lake Club Girls met at school with 24 taking part in the club meeting. The girls' work was along the line of budgeting clothing and listing mending needs so that the girls can get their wardrobes fitted out for summer first by mending, dyeing and laundering nicely things on hand and then add a few necessary new garments.

Seven of the Lelia Lake boys and their teacher came in to find out why the boys could not have an Agricultural Club and get the benefit of a Demonstrator. Miss Thompson had to tell them that there was no Farm Agent in Donley County, but she offered to give the boys an hour of her time on the mornings when she meets the Lelia Lake Club girls if they wished to get calves, pigs, chickens or an acre of corn, cotton or other field crops and do real work on farm problems, according to the information given out in Farmers' Bulletins from the U. S. Department of Agriculture and those from Texas A. & M. The boys said they would have their project selected and be thinking about suitable persons for president, vice president and secretary so that they could organize April 16th when Miss Thompson goes to Lelia Lake.

The Martin School went on a picnic Monday so they will have their Home Demonstration Club meeting April 11 at 10:30 a. m. to make up the demonstration which was to have been given April 1st.

Twenty Hedley Home Demonstration Club Girls met at 3 p. m. Monday, April 1st, and beside having their regular demonstration on sewing and reports of home work gardens and poultry, they decided to sponsor the picture show "Street Angel," which is the program at the Hedley Theater for April 12th and 13th. They get 10 per cent of the proceeds from this show, so the girls are selling tickets as hard as ever they can to get some money for their club to sponsor contests and buy club equipment with.

The Giles Women's Home Demonstration Club met at the Home of Mrs. J. D. McCants Thursday March 28, with nine present. The demonstration on strawberry culture was given and Mrs. J. A. Lemmon was chosen Garden Demonstrator. She is to plant the pure seed furnished by Miss Thompson through the Clarendon Chamber of Commerce and keep records on cultivation, fertilization, insect control, yield and use of vegetables. She is to be hostess to the club for a garden demonstration in the spring and again in the fall. She is also to save seed from her pure seed stock to distribute among club members next year. Other club members are to keep these same records on the garden they plant and compare them with the Demonstrator's record to see what was gained by having pure seed. The vegetables produced will also be compared as to quality. All the club women in the county are doing this garden work.

The best garden demonstrator in the county will send her records in for the State Garden Contest. The Giles women are planning a program for April 19th to show what Demonstration work has done for them. The program will be given in Giles School Auditorium.

The new Hedley Women's Home Demonstration Club met at the Methodist Church March 29th with nine members present and had a demonstration on strawberry culture and gardening similar

JUNIOR HIGH BASKETBALL LOSSES MANY TILTS

The Junior High Basketball team has set an enviable record in playing many teams of this part of the Panhandle and have carried off their part of the honors available. It will be noticed that the teams played have almost all of them been older and more experienced teams than those from the Clarendon school and for that reason the loss of a game to them has not been so hard to take. A heavy schedule has been maintained through the season and the boys will be awarded sweaters from the school in recognition of the work they have done.

A schedule of the games played will include the following: Groom, at Clarendon, 42 to 26, won by Groom; Lelia Lake at Clarendon, 32 to 24, won by Clarendon; Memphis at Clarendon, 13 to 32, won by Memphis; Amarillo Junior High at Clarendon, 37 to 14, won by Amarillo; Lelia Lake at Lelia Lake, 12 to 16, won by Lelia Lake; Memphis at Memphis, 22 to 10, won by Clarendon; Groom at Groom, 48 to 6, won by Groom; Smith at Clarendon, 16 to 14, won by Clarendon; Alareed at Clarendon, 16 to 24, won by Clarendon.

The team was composed of Lloyd Martin, center; Wolford Andis and Fred Miller, forwards and Ceberet McCrary and O. C. Watson. Substitute players are: A. G. Lane, James Cornelius, John Ziegler and J. D. Holtzelaw. Kenny Lane has been coach of the team. Lloyd Martin at center was high point man for the team and Fred Miller was captain.

CLARENDON YOUNG PEOPLE ARE MARRIED IN AMARILLO

The marriage of Lester Schull and Miss Virginia Speed was solemnized in Amarillo on Saturday, March 16th, the Rev. L. N. Stuckey, pastor of the Polk Street Methodist Church, officiating.

The young couple returned to Clarendon, where they will make their home, a short distance west of the city, near the J. W. L. Schull home.

The groom is the oldest son of Mr. and Mrs. J. W. L. Schull, prominent farmer who lives a short distance west of the city. He is a graduate of Clarendon College and has for the past few years been assisting his father in the handling of the farm. He is one of the most respected young men of the city and is recognized as one of the leading farmers in his section of the county.

The bride, Miss Virginia Speed, is the daughter of Mr. and Mrs. Homer Speed, also of this city, and is one of the most talented and popular ladies of her set. She is a graduate of the Clarendon High School and has studied in Clarendon College. She is one of the most influential members of the Epworth League and is also quite interested in the work of the Sunday school.

The News joins with the many friends of this contracting couple in wishing them a long and happy married life.

to the one described for Giles H. D. Women's Club.

Naylor Women's Home Demonstration Club postponed their meeting March 27th on account of the rain and they intend to make the last meeting up by having a called meeting at Mrs. Tidrow's April 8th at 2:30 p. m.

A large size tube of Dr. West's Tooth paste free with the purchase of a West Tooth Brush at Stocking's Drug Store.

COMMERCIAL DEPARTMENT OF COLLEGE IS WORKING

The Commercial department of Clarendon College is turning out some of the best work that has ever been done by a body of this nature. Under the direction of J. R. Wells, head of this portion of the school, the students are securing some very nice folders, bulletins and programs for the churches and other matters of like nature for the churches of the city. These are being made by cutting stencils on the typewriter and then running these off on the mimeograph machine. Some of the work is as good as may be secured in the specialty shops in the larger cities. There is being no charge made for the work as the students are doing this as a portion of their regular school work.

Mr. and Mrs. Rowden Jeffries of Childress spent the night here Wednesday at the home of Mr. and Mrs. A. T. Jeffries. Mrs. Pampa to attend the District Convention of the P. T. A.

Original One-Cent Sale at the Rexall Store, Thursday, Friday and Saturday. (14c)

DONLEY COUNTY FAMILIES EAT SEA FOOD REGULARLY

A late issue of the Texas Extension Service Farm News carries an item to the effect that twenty-one families of Donley County now eat sea food regularly. This program was brought forth by the work of Miss Harvey Thompson, County Home Demonstrator, and is due in part to the fact that there is a lack of iodine in the natural water of this immediate section. The sea foods supply this missing mineral and will have something to do with the preventing of goitre. This affliction is quite prevalent among the people of this section and it is hoped that the measures taken by the club women of the county can assist in preventing this malady.

Mr. and Mrs. Homer Mulkey and Mrs. Williams left Monday morning for Wichita Falls, where Mmes. Mulkey and Williams will visit for a few days while Homer attends to business matters in Dallas. They expect to return here the latter part of this week.

SMITH SAYS ORCHARDS ARE GREAT POSSIBILITIES

Mr. G. L. Smith, member of the Short Course faculty, stated Tuesday morning, Feb. 11th, that the home orchard is one of the most valuable spots on the average farm and told of many instances where this assertion had been proved in actual practice. A part of his address is given here: "Why is orcharding a specialized business?" asked Mr. G. L. Smith in opening his talk on "The Care of the Orchard," and then answered his own question by saying: "Because the orchardist has to know chemistry, botany, soil analysis and many other sciences. But there is one good characteristic of the average fruit grower," he continued, "If he learns something new in his business, he is always glad to tell the rest about it."

Mr. Smith related part of his experiences in leasing an old, run down and practically abandoned orchard and bringing it back into a good bearing condition. "If you have an old orchard," he said, "see how much it grew last year. If it grew two or three inches and is 20 or 25 years old, it contains no nitrogen. The top of the tree is full of carbohydrates. It is in an unbalanced condition."

He explained that young trees have much nitrogen and little carbohydrates, but that they get more carbohydrates than they can use and store it up. But as they grow they use up the nitrogen. An accumulation of carbohydrates makes blossoms buds and the trees begin to grow fruit. It grows fruit for eight, ten or twelve years without much attention, because it is in a balanced condition. "The first thing to do in an old orchard," said Mr. Smith, "is to prune to get rid of some of the accumulated carbohydrates. Get rid of all the dead wood and some of the live wood. Put nitrogen on the ground before the tree begins to grow in the spring. Use one-fourth of a pound for each year in the age of the tree. Nitrate in manure is too slow for trees which draw heavily early in the spring."

When old orchards are in a balanced condition, he said, the trees produce every year instead of every other year. Mr. Smith urged farmers not to butcher their trees in pruning. "Never leave a stub to decay and harbor insects and disease germs," he said. "Saw off the limb flush with the trunk. He told about the wonder possibilities in growing small fruits and mentioned some new varieties that are largely immune to disease. He particularly mentioned the Latham, a red cap variety of raspberry.

DISTRICT MEET AT CHILDRESS

TEN COUNTIES TO TAKE PART IN MEET APRIL 12 AND 13.

Finals for District 3 of the Interscholastic League of the University of Texas will be held at Childress on April 12 and 13, according to the program received in the office of the News the latter part of last week. Childress, Collingsworth, Cottle, Donley, Hardeman, Foard, Hall, Motley, Wheeler and King are the counties that will have part in the meet. The following program has been arranged for the meet:

C. E. Davis, director of Debate, Quanah; R. D. Thompson, director of Declamation, Chillicothe; H. A. Jackson, director Extemporaneous Speech, Memphis; C. E. Jackson, director Essay, Paducah; John R. Naylor, director of Athletics, Childress; F. V. Covey, director Penmanship; H. L. Rose, director 3 R. Contest. Superintendent P. P. Brewster, Childress, Director General.

Friday, 9:30 sharp—All contestants in debate, tennis, declamations, extemporaneous speech, and 3 R. contest assemble in the High School Auditorium for instructions.

Friday, 10:00 and 1:30—1. Tennis throughout Friday and Saturday Morning. Preliminaries.

2. Declamations—High School Division at High School Auditorium.

3. Declamations—Rural Division; District Court Room. Preliminaries.

4. Extemporaneous Speech—Room 11, High School. Preliminaries and finals in room 11 at 1:30 p. m.

5. Boy's Debate—Room 18, High School. Preliminaries.

6. Girls Debate—Room 19, High School. Preliminaries.

7. 3 R Contest—Room 7, High School.

Friday, 7:30—Finals—1. Declamations—High School Auditorium—High School Division.

2. Declamations—Rural Division—District Court Room.

3. Boy's Debate—Room 11—High School.

4. Girls' Debate—Room 19—High School.

Essay—Mail direct to Supt. C. E. Jackson, Paducah, before April 12th.

Saturday, 10:00—Fair Park Stadium—Preliminaries in Track and Field.

Saturday, 1:00—Fair Park Stadium—Finals in Track and Field events.

Medals will be awarded to winners of first, second and third places in all events. Expenses of these medals and all expenses of this meet are being paid by the Children's Chamber of Commerce.

Rooms will be furnished free to contestants and visiting teachers Friday night. These should report to the "Home Committee," Mrs. W. H. Lee, Chairman, in school library room 5. Do this as soon as you arrive.

E. F. Bryan returned the latter part of last week from Tenaha, where he had been called by a brother who had been innocently drawn into an affray in that city. At last account everything was working out smoothly and the affair had been smoothed over very nicely. Mr. Bryan reports that the county is improving a great deal with modern practices of farming coming to the front and the use of commercial fertilizers bringing the soil back to its one time fertile condition.

Mr. and Mrs. O. D. Meador attended to business matters in Clarendon Monday of this week.

Original One-Cent Sale at the Rexall Store, Thursday, Friday and Saturday. (14c)

CO-OPERATIVES USING IMPROVED PRACTICES

One of the most significant changes in co-operative cotton marketing in recent years is the change of emphasis from monopoly control to that of rendering the growers-members marketing services through a system of efficient merchandising, declared J. S. Hathcock, of the Division of Co-operative Marketing, United States Department of Agriculture, addressing the Co-operative Marketing School at Humboldt, Tennessee, February 8. During the present cotton marketing season, 1928-29, he stated, the cotton co-operatives are handling approximately 1,100,000 bales of cotton, or about 8 per cent of the total United States production.

"Co-operative cotton marketing associations," Mr. Hathcock said, "have made remarkable progress in recent years in the reduction of operating costs, including costs of storage, insurance, interest, and other items. They have made definite progress in the initial problems of developing efficient managerial services and working out operating and sales details and technique of pool payments; the establishment of satisfactory credit relations with banks and the building up of substantial reserves."

Last September, the Division of Co-operative Marketing of the United States Department of Agriculture called a conference of cotton co-operatives at Memphis, Tennessee, to discuss past experiences, the current situation, and so far as possible, future developments in the co-operative marketing of cotton.

At this conference the following economic services that cotton co-operatives can advantageously perform for the growers were subscribed to:

1. Grade and staple cotton accurately.
- (a) Classes licensed and supervised by the Government.
2. Make return to growers on basis of grade and staple.
3. Sell direct to mills.
4. Provide an efficient selling agency for members using short time pools.
5. Obtain highest possible average seasonal pool prices through: (a) Use of trained sales force. (b) Sales based on scientific analysis of market conditions.
6. Reduce market risks of individual growers by pooling.
7. Store and insure at minimum rates.
8. Obtain funds for commodity financing at low rates of interest.
9. Stimulate interest in better ginning.
10. Encourage the production of better staple.

Mr. Hathcock reported that a comprehensive survey of the cotton co-operatives by the Division of Co-operative Marketing is now in progress as a result of the conference that was held at Memphis. It is anticipated that this survey, which involves a searching analysis of various cotton co-operatives, he said, will throw new light on the whole co-operative cotton marketing situation and provide information that will assist in more accurately charting the course of the cotton co-operatives in the future.

Mr. and Mrs. M. C. Reed motored to Pampa Sunday to visit with Mr. and Mrs. J. W. Fierce, the daughter of Mrs. Reed. Mr. Fierce makes his home in Bartlesville, Oklahoma, and is at present engaged in drilling a well near Pampa.

Friends of the Patching family will be relieved to learn of the serious illness of Bill Patching who underwent an operation in Clavton the latter part of last week. Little hope is held out for his recovery at this time.

Mrs. C. L. Craig of McLean is here for an undetermined time in the home of her parents, Mr. and Mrs. Fred Patching.

Mr. and Mrs. Frank Heath and Miss Cecil Hukel were Amarillo visitors Sunday.

PERSONALS

Prof. Stewart Condon and family of Canyon were here Sunday visiting his mother.

John Harris of McLean was a business visitor to Clarendon Wednesday of this week.

Mr. Will Johnson took his little son, Billie, to Fort Worth Tuesday for an appendicitis operation.

Mr. and Mrs. Leon Foster and family spent last Sunday in the home of her parents, Mr. and Mrs. O. D. Meador.

Rev. D. L. Hukel, pastor of the Church of Christ here, is in Moran for the present, conducting a series of services.

Mr. and Mrs. C. B. Chunn of Wellington spent the past week-end here in the home of his mother, Mrs. R. M. Chunn.

A. L. Chase was called to Amarillo Tuesday afternoon by a district meeting of the Continental dealers of this section.

Harry Guberson, popular architect of Amarillo, was in Clarendon Monday of this week attending to business matters.

Chas. M. Lowry, manager of the West Texas Utilities plant at Hedley, was in Clarendon attending to business matters Tuesday.

Mr. and Mrs. Archie Hallmark of Shamrock spent the past week-end here in the home of her parents, Mr. and Mrs. S. B. Kutch.

Frank Letts of Florida was here last week to visit his mother, Mrs. Albina Letts, his sister Mrs. Frank McCrary, and his brother, A. R. Letts.

Rev. and Mrs. Emanuel Dubbs, Mr. and Mrs. J. Whitten of Borger spent Monday evening in the home of Mr. Dubbs' parents, Mr. and Mrs. Will Dubbs.

Mrs. Henry Williams' mother, Mrs. Phoebe Tellexson, of Liberal, Kansas, is visiting her. She is returning from Terre Haute, Ind., where she spent the winter with two daughters.

Mrs. W. J. Deane of Oklahoma City is here for a visit of some length in the home of her parents, Mr. and Mrs. J. T. Patman. Mr. and Mrs. Price are moving their place of residence to Pleasanton, Oklahoma.

Durant Motors opens executive offices in the Maccabee Building, Detroit, Mich.

Slaton Mahaffey, late of the firm of Johnson-Mahaffey, has purchased the interest of J. B. Haile in the truck line operating out of here and will henceforth follow that occupation. Mr. Mahaffey will be in partnership with F. O. Naylor.

POSTED NOTICE

The public is hereby warned that hunting and wood hauling is forbidden in the R. O. Pasture. All trespassers will be vigorously prosecuted. (1c) W. J. LEWIS.

Clarendon, Texas Phone 1

College—High School Activities

Conducted by the students of Clarendon Junior College and Clarendon High School.

Day Big Victory For Seniors

Starting at Twelve-one Monday morning, the Seniors started to take their day off and did they take a day off? Oh boy! and a night, too. Mr. Burton kindly consented to let them do what they thought was right as long as they did not damage any school property. The boys held a slumber-party at different points of the town and the girls held a slumber-party at Miss Dorothy McCann's and Miss Hazel Gilbert's. The big fight began when the Seniors took some lime away from the Juniors who did not think any more of their school fellows than to try to feed them some lime. Flags were raised on every available flagpole in town. The small Juniors "got enough" in the early hours and did not attempt to take down the flags. Some of the Juniors sure like to take rides with the Seniors for they did not offer much resistance when they were escorted to the edge of town. When the flags were raised Miss Dorothy McCann served sandwiches and hot chocolate which revived the spirits of the crowd for more action. The girls painted the sidewalks until some of the more heroic Juniors took advantage of them and tried to take their chalk away from them, but to keep the chalk out of the hands of the enemy they heroically trotted it out. When all of the work was done a bonfire was built near the flags and both the boys and the loyal Senior girls kept watch for the absent Juniors who never showed their "mash" in sight. It is to be noted that this is the first time in the history of the annual Senior day program that the Juniors did not raise their own flag and keep the Senior's flag down as was the case last year and the report is out that that is the way it is going to be done next year according to some present Sonhom...

Big Senior Picnic

Monday morning at eight o'clock the Seniors of 1929 took flight for the great open spaces of the Palo Duro Canyon. Brit Melton was raring to with his truck and so were the Seniors. The day was spent enjoying the many beautiful sights of the canyon and other picnic pleasures. The ride was rather chilly, but it was not noticed due to the fun and laughter. A delightful party was enjoyed at the home of Miss Lois Strawn that evening.

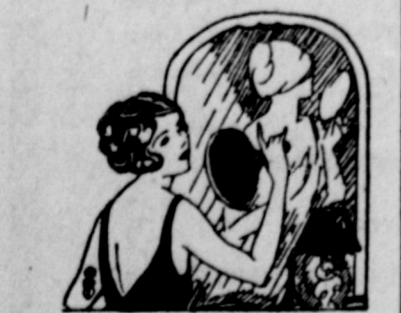

Girls' Choral Club

In last week's paper we had the names of the different contestants and the various contests that they would enter to represent Clarendon in the County meet. We neglected one of our main events and also one from the Junior College. The Clarendon Choral Club, under the direction of Miss Merrell, will contest Friday night at Hedley. This will be one of the most interesting contests of the meet. Miss Merrell has some wonderful talent to work with and she is capable of producing great singers in our school. The girls will sing "Mexico For Me" and "The Merry Ghost" in the contest. These two songs were sung at the operetta "Pepita" which was presented by the Clarendon Choral Clubs last month. The Junior High will have a team in the Music Memory contest. Miss Merrell states that she has not selected the team yet, but the five who will represent the local Junior High will be selected from the following: Ardis Patman, Glyma Kelly, Arthur Chase, Jo Ela Stewart, Vera Noland, and Laura Black. Miss Merrell reports that each of the above mentioned make 100 on all of their examination and the winners will be had to select.

Alpha Delta Psi

Alpha Delta Psi met at the usual hour Wednesday, March 27. The reporter, Miss Susie Spier, was absent. "Sic," our president, said it was too early for her to take her spring bath. Quite a few members were absent on account of the rain, although the ones that were there put on a good program. Betty Griswold gave a report on "Pride and Prej-

HEDLEY IS SCENE OF COUNTY MEET

INTERSCHOLASTIC MEET TO BE HELD FRIDAY AND SATURDAY.

The News has been handed a copy of the program as outlined for the Interscholastic Meet for Donley County. The affair is to be one of the most complete ever held in this county, including as one of its features a School Fair. Miss Lorena Steagall of the Clarendon schools is to have charge of this feature, having worked on it for the past few months to bring it up to a full prize list. A considerable sum in prizes will be given in the meet, this matter being cared for through the admission charged for both the literary and field events.

The meet will be handled under the direction of the following: W. C. Maxwell, Director General; Mr. Drennan, Director of Debate; Miss Rita Foster, Director of Declamations; Roy Wells, Director of Typewriting; Mrs. Eva Davenport, Director of Essay; Miss Coye Lattson, Director of Wild Flower; Mrs. Lee Nowlin, Director of Spelling; Miss Merrell, Director of Music Memory; Miss Lorena Steagall, Director of Art; Miss Irene Beaty, Director of Dramatics; Mr. Rex Reeves, Director of Athletics; Mr. Lee Nowlin, Director of Arithmetic.

The program of events is as follows:

Junior Boys' Basket Ball, Fri-

Doss Palmer and W. A. Riddle were business visitors to Amarillo Wednesday of this week.

STALLINGS ASSAULTED LAST SATURDAY EVENING

While returning home last Saturday evening shortly after night-fall, D. O. Stallings was struck over the head twice with a piece of pipe, inflicting two painful scalp wounds and almost knocking him unconscious. It is presumed that robbery was the motive for the assault, but that the would-be robber was frightened from his job when the stricken man yelled. An inadequate description was obtained of the assailant as he ran away from the scene. Mr. Stallings' head was bandaged and he has been the center of attraction all the week.

The first Spanish mission was founded at San Antonio in 1718.

Makes Life Sweeter

Too much to eat—too rich a diet—or too much smoking. Lots of things cause sour stomach, but one thing can correct it quickly. Phillips Milk of Magnesia will alkalize the acid. Take a spoonful of this pleasant preparation, and the system is soon sweetened. Phillips is always ready to relieve distress from over-eating; to check all acidity; or neutralize nicotine. Remember this for your own comfort; for the sake of those around you. Endorsed by physicians, but be sure to get the genuine—

PHILLIPS Milk of Magnesia

Read the Want Ads regularly.

DON'T suffer headaches, or any of those pains that Bayer Aspirin can end in a hurry! Physicians prescribe it, and approve its free use, for it does not affect the heart. Every druggist has it, but don't fail to ask the druggist for Bayer. And don't take any but the box that says Bayer, with the word genuine printed in red:

Aspirin is the trade mark of Bayer Manufacture of Monocettedester of Salicylicacid

What Will you do

When your Children Cry for It

There is hardly a household that hasn't heard of Castoria! At least five million homes are never without it. If there are children in your family, there's almost daily need of its comfort. And any night may find you very thankful there's a bottle in the house. Just a few drops, and that colic or constipation is relieved; or diarrhea checked. A vegetable product; a baby remedy meant for young folks. Castoria is about the only thing you have ever heard doctors advise giving to infants. Stronger medicines are dangerous to a tiny baby, however harmless they may be to grown-ups. Good old Castoria! Remember the name, and remember to buy it. It may spare you a sleepless, anxious night. It is always ready, always safe to use; in emergencies, or for everyday ailments. Any hour of the day or night that Baby becomes fretful, or restless, Castoria was never more popular with mothers than it is today. Every druggist has it.

FOR ECONOMICAL TRANSPORTATION

Why over 300,000 have already chosen the New Chevrolet Six

Smooth Six-Cylinder Performance

The Chevrolet Six delivers its power easily, freely and without annoying vibration or body rumble, assuring at every speed the quiet, luxurious comfort that everyone expects of a fine automobile.

Better Than 20 Miles to the Gallon

Due to finer carburetion and improved manifold-ing, this marvelous six-cylinder performance is delivered with fuel-economy of better than 20 miles to the gallon of gasoline—with extremely low oil consumption.

Distinctive Bodies by Fisher

Longer, lower and roomier . . . and offering such fine car features as Fisher VV windshield, adjustable driver's seat, and Ternstedt hardware—the new Fisher enclosed bodies give the Chevrolet Six an outstanding measure of distinction.

Every Modern Driving Convenience

The new Chevrolet Six is equipped with full ball bearing steering mechanism . . . quiet, non-locking 4-wheel brakes . . . theft-proof Electrolock . . . automatic stop and tail light . . . rear vision mirror . . . and foot-controlled adjustable beam headlights.

A Six in the Price Range of the Four

Many people do not realize that this marvelous new six-cylinder Chevrolet is actually offered in the price range of the four. Compare total delivered prices as well as factory prices when determining automobile values. You will find Chevrolet delivered prices include the lowest handling and financing charges available.

Table listing prices for different Chevrolet models: The ROADSTER \$525, The COACH \$725, The FLEETON \$525, The Light Delivery Chassis \$400, The COUPE \$595, The 1 1/2 Ton Chassis \$545, The SEDAN \$675, The 1 1/4 Ton Chassis with Cab \$650, The Sports CABRIOLET \$695.

ITEMS OF INTEREST IN DONLEY

MARTIN

Mrs. LaFon and children spent Saturday night and Sunday with Mrs. Haley. Mr. and Mrs. Will Peabody and daughter, Mary, visited in the Dave Patterson home Sunday. Miss Lucille Watson of Clarendon spent the week-end with Mr. and Mrs. J. L. Hood. Mr. and Mrs. Theo Wood and babies of Clarendon visited Mrs. Patterson Sunday. Mrs. J. E. Baker has been ill the past week. Rev. Taylor of the First Christian Church of Clarendon preached at Martin Sunday afternoon at 3 o'clock. His theme was in keeping with the Easter spirit and you that were not there missed a good message. Herman Patterson has been real sick the past week. The Harvey store, with Mr. Crabtree as manager, has been moved to its new location near the school house. The Physiography class made their first field trip Wednesday afternoon. They found several things of interest, including a rabbit and small frog. The L. B. L. Literary Society will render another program Friday afternoon. The school honor roll for March is as follows: Loran Bunn, Roy Bunn, Imogene Endsley, Dot Cash, Winston Wood, Floy Dell Dewey, Johnnie LaFon and Thayer Acord. The school enjoyed a picnic Monday. There was an egg hunt in the morning and some where near the noon hour came a delicious and bountiful spread. In the afternoon baseball and other games were played. Then only too soon came the time for going home. Miss Lucille Polk was unable to attend the picnic on account of illness.

GOLDSTON

Sunday school was held at the usual hour Sunday afternoon with 49 pupils present and a number of visitors. Mrs. Fontayne Elmore visited with her father, Dick Eichelberger, Monday of this week. W. L. Goldston was sick with a severe cold last Sunday and was unable to attend Sunday school. Mr. and Mrs. Ruel Smith visited relatives at McLean last Sunday. Neely Veazy of Happy was here last week to get his household goods. We have been enjoying some spring-like weather for the last few days, but Monday was somewhat cooler. The ladies of the community have just finished making spring clothing for Ruth West, the orphan girl which the community is supporting. They have been forwarded to her at the orphans home at Waco. Clarence and Leta Merrick of Boydston attended singing here Sunday night. Mr. Spear's mother, of Tyler, who has visited here for some time, went to Hedley last week and will go from there to her home. Ostabel Jaret of Lefors is visiting her grandmother, Mrs. J. H. Nanny. Mrs. Monty Garrison and children of Childress visited with her parents, Mr. and Mrs. J. F. Elmore Saturday and Sunday. Geo. Dilli and family of Alanreed visited in the Dilli home last Thursday and Friday. Dorothy Dilli and Virginia Harris accompanied them home, returning Sunday afternoon. Ruel Smith motored to Lelia Lake last Friday. Mr. and Mrs. Jolly visited with Mr. and Mrs. Stinnett Sunday afternoon. Mr. and Mrs. Herbert Hunt of Jericho visited with Mr. and Mrs. Morgan last Sunday and attended Sunday school in the afternoon. Rev. Lawson of Hedley preached after Sunday school last Sunday. Mr. and Mrs. W. C. Hughes went to the plains last Monday. A good-sized crowd attended singing at the schoolhouse Sunday night. Mr. Casher and family have moved to the McAdams farm. Mrs. Nanny and the teachers, Prof. Ford, Misses Lane, Manis and Rodgers, spent the evening in Mrs. Dilli's home Wednesday. Refreshments were served and all report a very pleasant time. Mr. Elmore and son, Fontayne, took a couple of loads of hogs to Clarendon last week. Mrs. Dilli and her son, Joseph and wife took a hundred broilers to Amarillo last Thursday. They also visited relatives there, returning home Friday. There were 112 scholars attending Sunday school last Sunday, also a number of visitors. All teachers and officers were present. Miss Cleo Gray of Amarillo visited with her father, W. H. Gray, Saturday and Sunday. Mr. and Mrs. Dee Blanks of Amarillo visited with Mrs. Blanks' parents, Mr. and Mrs. W. L. Goldston Tuesday of last week. Mr. and Mrs. Leonard Goldston and children visited in the Higgins home at Clarendon last Sunday. The young folks were enter-

tained with a party at Mr. and Mrs. Clemmons' home Monday night. Mrs. Dyer went to McLean Saturday night to see her mother, Mrs. Smith, who was quite ill. The teachers with their pupils went on a picnic Monday. A number of patrons of the school also attended. There was lots of dinner on the ground. In the afternoon the outside boys and schoolboys played a game of baseball. Mr. and Mrs. Hughes went to Mobeetie last Sunday. J. J. Goldston is having a nice residence built in Clarendon and will move into it when completed. Mr. and Mrs. John Stewart visited Mrs. S. Dilli Sunday afternoon. J. M. Shannon and daughter, Miss Lela, are driving a new Ford Coupe. Mr. Gollighugh made a trip to Memphis last week. Mrs. J. F. Elmore gave Mr. Elmore a surprise birthday turkey dinner last Sunday. The center of the table was adorned with the birthday cake with sixty-six candles. Those who partook of the feast were Mr. and Mrs. J. F. Elmore, Mr. and Mrs. Fontayne Elmore, Mr. and Mrs. Monty Garrison and two children of Childress, Leonidas Yankee, Dick Eichelberger and Mr. and Mrs. G. R. Grant. Howard Stewart of Clarendon visited with homefolks last Sunday. The Messrs. Cosper went to Lelia Lake Friday night of last week. Mrs. Dyer gave her Sunday school class an Easter egg hunt at her home Sunday afternoon. Mr. and Mrs. Knowles have moved from Chamberlain to the Andy Campbell farm. Mr. and Mrs. Dunn and daughters of Clarendon attended Sunday school here last Sunday and visited in the W. L. Goldston and G. R. Grant homes. Mrs. Joseph Dilli gave her Sunday school class an Easter egg hunt at the Dilli home Sunday after Sunday school. The Misses Rhodes visited with their sister in Clarendon Saturday and Sunday. There was singing at the school house Sunday night. Everyone is rejoicing over the fine rains of last week. The ground is thoroughly soaked and in fine condition for planting crops. J. H. Nanny is attending court in Clarendon this week. Mr. and Mrs. Otis Spear of Alanreed visited Mr. and Mrs. Spear the latter part of last week. Some of the young people went from here to Wellington last Sunday to attend a big dinner and Easter egg hunt.

Pleasant Valley

Mr. and Mrs. Nelse Robinson and family spent Sunday with Mr. and Mrs. Edgar Beach at Hedley. Mrs. Otto Elliot visited Mrs. John Potter Sunday afternoon. Mr. and Mrs. Lee Singleberry spent Saturday night with Mr. and Mrs. Zeb Morris. Mrs. Higgins, who had her ton-

sils removed Wednesday, is doing nicely. We all hope for her a speedy recovery. Mrs. Zeb Morris and Miss Oma called on Mrs. Baker one afternoon this week. Mr. and Mrs. Zeb Morris and family and Mr. and Mrs. Lee Singleberry were dinner guests in the Longan home Sunday. Mr. and Mrs. Bob McGowan spent Sunday with Mr. and Mrs. John Potter. Clarence Cook of Memphis spent Sunday with Mallie Dorsett. Mr. and Mrs. John Herndon spent Thursday night with relatives at Lelia Lake. Mr. and Mrs. Longan and family and Charley Herndon all enjoyed the radio program in the Robinson home Thursday night. Jack Beach, Charley and Beryl Longan all spent Saturday night with Jack Robinson. Mrs. Zeb Morris visited Mrs. Higgins Saturday afternoon. Claude Tune, Mallie Dorsett, Buster and Hal Riley and J. C. Longan all went fishing Saturday at Lelia Lake but didn't catch any fish. Mr. and Mrs. Ben Andis and children and Tom Corder were supper guests in the Longan home Sunday night. Nelse Robinson and Otto Beach were callers in the Longan home Friday night. Several from out here attended the Easter Cantata at the Methodist Church Sunday night. We are sorry to lose Mr. and Mrs. Nicholson. They moved to Clarendon this week. Miss Eula Allen spent the week-end with home folks. Mr. and Mrs. Bill Meaders and children visited Mr. and Mrs. Loyd Moreland Sunday afternoon. Mr. and Mrs. Carl Peabody called on Mr. and Mrs. Richard Cannon late Sunday evening. Mrs. Elmer Palmer and baby visited in the Hugh Riley home Saturday. Mr. and Mrs. Russell and Mr. and Mrs. Warren were callers in the Dorsett home Sunday afternoon. Mrs. E. O. Hutton visited Mrs. Joe Jones Monday afternoon. Mr. and Mrs. Stock Lamberson visited Mr. and Mrs. Marshall Sunday afternoon. There was a mistake in last week's paper, for which we are very sorry, for it was LaVerne Goldston instead of LaVerne Lamberson that visited in the Ray home. ASHTOLA Sunday school was at the usual hour with the attendance of 213. Immediately after Sunday school the little folks rendered a real interesting Easter program, followed by a talk by Rev. Patten. At 12 o'clock dinner was served on the ground. Sunday afternoon several of the smaller children's Sunday school classes enjoyed Easter egg hunts. Epworth League met at 7:00, and everyone enjoyed the program. Church services followed by preaching service by the Missionary Baptist preacher. This service closed the Baptist meeting. Miss Josie Thomas visited with Gladys Jones Sunday afternoon. Mrs. S. A. Eddings returned home Tuesday morning from a month's visit. Miss Helen Parker visited with Ima Poovey Sunday afternoon. Mr. Tendal Grege spent Sunday afternoon with Ed Lovell. Mr. and Mrs. Dixie Scarborough

and family and S. Scarborough from Petersburg visited here over the week-end with friends and relatives. Mr. Joe Lewis left Thursday night for Fort Worth, where he will be in the hospital for several days. Mr. and Mrs. Whit Calcote and daughter of Claude, Mr. and Mrs. Atkins Mace and son of Lelia Lake and Miss Willie Grege of Clarendon were the guests in the home of A. L. Wallace Sunday. Mr. and Mrs. John Dial of Tascosa were on their way home from Fort Worth and stopped for a few days' visit with her parents, Mr. and Mrs. W. A. Poovey. Misses Athylene Drennan and Winona Ford visited Mary Clyne Parker Sunday afternoon. Miss Vera Johnson called on Jessie Swinburne Sunday evening. Several members of the Baptist Church attended the Fifth Sunday Meeting at Lelia Lake Sunday. Among those who went were: Mr. and Mrs. W. P. Holley, Mr. and Mrs. Henry Tims and family and Rev. Patten. Miss Margaret Swinburne visited with Merle Harp Sunday. Misses Myrtle and Nellie Gray from Hedley spent Saturday night and Sunday with Othella and Willa Poovey. Messrs. Welch Nix of Farwell and Howard Grege of Amarillo are visiting in the home of Elsie Grege. Mr. and Mrs. W. A. Thomas took dinner with Mrs. Dollie White Sunday. Mary Lois Hayter and Twila June Snodgrass visited with Dola Fay Grege Sunday afternoon. Mrs. Alvis Vaughn of Clarendon called on her brother, Goble Barker, Sunday. Mrs. Clarence Cobb has been very ill for the past few days. Also Mrs. James L. Smith and Little James Reed Lovell. Mr. and Mrs. A. D. Shores and family visited in the home of Chess Tyler of Lelia Lake Sunday. Mr. Snodgrass is the owner of

a new Chevrolet Six Coach, also Mr. Harry Evans possesses a new Chrysler Plymouth sport model roadster. Mrs. C. H. Dean and Miss Onata Hayter spent Saturday night in the Swinburne home. Mr. and Mrs. Oscar Kempson called on Mr. and Mrs. James L. Smith Sunday afternoon. LaVerne Ford spent Sunday night with Lodema Mason. Mr. and Mrs. Alderson of Clarendon took dinner with Mr. and Mrs. D. F. Randel Sunday. Mr. and Mrs. Lee Nowlin and daughter, Ruth Elizabeth, spent the week-end with his parents of Rocky, Oklahoma. Mr. Glen Harvey of Turkey, Texas, spent Sunday night with Horace McClelland. Mr. and Mrs. J. W. Watts, Mr. and Mrs. G. L. Patterson and family and Mrs. Alvis Vaughn of Clarendon were out for the Easter service Sunday. Mr. and Mrs. Kay Smith and daughter, Martha Vera, spent Saturday night and Sunday with her parents, Mr. and Mrs. Christie of Windy Valley. Everyone is very busy since the fine rain that fell last week. J. H. Gillespie, prominent grower of the Brice country, was in Clarendon Saturday and expressed himself as pleased over the wonderful rain and the prospects for the year. Mr. Gillespie is a great believer in the poultry and dairying program for this country, and says on a recent trip to Clarendon he marketed within a few cents of forty dollars in poultry and dairy products. He was interested in the announcement in 'The News' extra of Saturday of the doubling of the capacity of the Clarendon Hatchery and says that since it is more economical for the poultry raiser to patronize the hatchery than to operate his own incubator, the enlarged hatchery facilities here will help the chicken business all over this section.

BROWNWOOD STARTS PARK AND PLAYGROUND PROGRAM Brownwood, Texas, April 3—(UP)—Former Governor Pat M. Neff, of Waco, has been invited to address a city-wide barbecue and get-together here April 26, H. M. Hughes, member of the entertainment committee, announced at a meeting for the event held at the City Hall here. The purpose of the April 26 meeting, according to Mayor P. C. McInnis, is to create a feeling of interest on the part of the citizens of Brownwood in a municipal airport, park, golf course, zoo and a boulevard along Willis creek, by giving them a free barbecue on the property. Since Governor Neff is especially interested in parks and playgrounds, the invitation to him to speak to the people of the city is thought to be a good one in that he is expected to give suggestions along that line in his address. Members of the committee, in making preparations for the event, estimate an attendance of some 2,500 in view of the fact that all business houses will close at 5:00 p. m. on the day of the program. All details for the entertainment are being worked out by the steering committee and sub-committees and a report of progress made is expected at another meeting scheduled for April 12. The location of the property wanted by this committee is two

CAR STOLEN IN PAMPA RECOVERED IN CITY A Chevrolet coach, stolen last week in Pampa from in front of the Rex Theater of that city, was recovered here last Thursday. The car was left across the driveway of the court house with a flat tire. Information was found in an issue of the Amarillo Daily News that led to the recovery of the car by the Sheriff's force here. The car belonged to the Vernon-Williams Company of Amarillo. Messrs. Jack B. Jones and Eddie Frantz spent the past week-end in Medicine Park, Apache and Lawton, Oklahoma, returning here late Sunday evening. L. H. Johnson made a trip to Amarillo Monday. miles south of the city on the Brady highway, at Willis Creek on a beautiful acreage of land. Not only is it the purpose of the committee to purchase the property for the above uses, but it is the first step in making Brownwood "The City Beautiful." Boy Scout leaders have reported that everything in connection with martialing the grounds will be attended to by that organization, arrangements have been made for routing traffic, and financial matters are being taken care of by the Kiwanis Club.

DATES SET FOR C. M. T. C.

In the near future, orders will be issued from Headquarters Eighth Corps Area, Fort Sam Houston, Texas, prescribing the dates and quotas for the Citizens' Military Training Camps to be held in this Corps Area during the summer of 1929. The places will be the same and the dates approximately the same as they were in 1928, i. e., Fort Sam Houston, Texas, June 15 to July 13; Fort Sill, Oklahoma, July 5 to August 3; Fort Logan, Colorado, June 20 to July 19; Fort Bliss, Texas, July 25 to August 23; Camp Stephen D. Little, Arizona, August 1 to August 31; Fort D. A. Russell, Wyoming, June 20 to July 19. The latest information from the War Department indicates instead of 35,000 young men being trained in Citizens' Military Training Camps throughout the United States as was the case in 1928, the number will be increased to 35,700 in 1929. It is expected that the Eighth Corps Area, consisting of the states of Texas, Oklahoma; Colorado, New Mexico and Arizona, will be allotted, as their share of this increase, two hundred additional places, making the quota for the Corps Area in 1929 two thousand and nine hundred.

The year 1929 is the ninth since the inception of the Citizens' Military Training Camp movement. Since the first camps in 1921, this activity of the Government has constantly grown in numbers and popularity. The number of applications for attendance at these camps indicates that were Congress to provide necessary funds, there would be no difficulty in doubling their present size, as thousands of young men are each summer turned away from the camps through the lack of places for them.

A new departure in connection with the camps of the coming summer will be the combined training at certain camps, of the C. M. T. C. and Organized Reserve regiments. The latter consists entirely of Reserve Officers. At the two larger camps of the Corps Area, Fort Sam Houston, Texas, and Fort Sill, Oklahoma, certain regiments of the Organized Reserves will be ordered to active duty training for a period of two weeks at the same time that the Citizens' Military Training Camp is being held. These Reserve officers will assist in the administration and training of the C. M. T. C., under the supervision of the parent organization, which will be, as heretofore, from the Regular Army. This is not entirely a new departure, as it was practically in effect at the camp at Fort Sill, Oklahoma, in 1928, where it proved to be very successful, and a considerable number of individual Reserve Officers have been ordered to duty at C. M. T. Camps each summer in the past. The impression appears to have gone abroad, largely due to items and editorials in certain papers that the conduct of the Citizens' Military Training Camps in the future was to be entirely turned over to the Organized Reserves. This is not the case. In the future, as in the past, the Camps will be organized and conducted by the Regular Army. One of the greatest benefits of the summer camps has been the bringing together of different components of the Army of the United States, to the mutual advantage of all. The new plan, just referred to, will bring the Regular Army, the Organized Reserve and the Citizens'

Always ready for you. Come and get yours. STALLINGS COAL OFFICE

CITY WELL WORK IS GOING NICELY

SLIGHT DELAY IN OPERATIONS DOES NOT HALT DEVELOPMENT WORK.

Work on developing the new water well for the city of Clarendon is progressing as nicely as could be expected. The drilling work has been completed to the required depth of more than 300 feet and the inside casing is being set preparatory to the actual development of the well with air and gravel.

A temporary air line is being laid from the compressor in the water plant west of the Light plant and will be later replaced by a larger line when the development of the stage has been completed and the pumping is started. A line was already in position from the old railroad well north of the depot and this is being extended to the site of the well.

The engineers in charge of the work are well pleased with their findings, stating the well should be good for 200 gallons of water per minute when the development is completed. This amount of water, together with the amount available in the present well, will give 350 gallons per minute, all handled by one compressor and started and controlled completely by one man. The new compressor has been installed and will be used in developing the new well. The old one that has been in use will be retained as an emergency unit and will be capable of pumping either well should the need arise.

LOCKNEY HOTEL MAY BE EXTENDED BEFORE DONE

Work is drawing to a close on the new two-story Lockney Hotel. It will have fifteen guest rooms, a dining room, coffee shop, lobby, barber shop and some store on the ground floor. It may be decided to put another wing of fifteen rooms on the building.

Texas has about 4.5 per cent of the total population of the country, but does only about 1.5 per cent of the country's manufacturing.

George Moffit of Chillicothe and partner in the Clarendon Motor Co., visited here today.

W. R. Blackwell of Hedley was in Clarendon Wednesday for a visit with his wife and baby in the home of Mrs. Jessie Dye.

Mr. and Mrs. Richard Bell and Miss Nancy Ann are now living at home in their new residence on the Bell Ranch.

W. A. Riddle and Harwood Beville made an extensive trip through Gray, Wheeler and Collingsworth Counties Wednesday of this week.

The News is informed that J. F. Downey, one of the contractors on the Marine test well, is removing his family to Clarendon in the very immediate future and that he will be here from that time forward personally supervising the drilling of the well.

CLARENDON RESIDENT IS BURIED LAST FRIDAY

A. F. Waldron, resident of Donley County since 1906, and one of the most respected men of the city, died in his home in Southwest Clarendon last Thursday morning and was buried here Friday morning from the family home. Interment was had in the Citizens Cemetery. The last rites were held by Rev. S. R. McClung of this city, and Rev. V. A. Hansard of the city of Hedley. The final rites in the cemetery were had by the Masonic bodies of this city.

Mr. Waldron was born January 10th, 1856, in Rusk County, Texas. At the time of his death he was 73 years, 2 months and 17 days old. He was married on July 6th, 1882 to Sarah Van Buren, who survives him in death. There were twelve children born to this union, eleven of whom are left here to mourn his passing. All of the living children, together with his wife, were here at the last.

Mr. Waldron early became converted and united with the Missionary Baptist Church, which affiliation he held until his death. He took great interest in the work of the Masonic Lodge, being a member of the organization since he was quite a young man. In addition to his church and fraternal work, Mr. Waldron was keenly interested in the political side of the life of the state and took great pride in his work in this connection.

The News joins with his many friends and the host of relatives in mourning his passing.

PREBYTERIAN CHURCH

Robert S. McKee, pastor. Services for Sunday, April 7: Sunday school, 9:45 a. m. Please come on time.

Morning Worship, 11 o'clock. Communion of the Lord's Supper, and Reception of new members.

Woman's Auxiliary Circle Meetings, Wednesday, 3 p. m.

ST. JOHN BAPTIST CHURCH (Episcopal)

Rev. L. Swan, Rector.

Sunday, April 7th, the first Sunday after Easter, there will be services at 11:00 o'clock.

Church school and Bible class at 9:45.

Everyone is cordially invited to come and join us in worship.

The News is informed that Mrs. G. W. Kemp and Lon Rundell were married in Amarillo on Thursday, March 28th. Both are well known here and have a host of friends who wish them well in their married life.

Mmes. Reavis, R. Y. King, C. A. Burton, Fred Buntin and T. E. Frostle were among those who attended the conference of the Missionary Society at Plainview this week.

Mrs. J. T. Sims went to Pampa Tuesday of this week to be present at the District meeting of the Parent-Teachers Association of the 8th district. The convention closes Friday of this week.

Will Dubbs was confined to his bed last week with a severe attack of bronchitis.

LIONS ASSIST IN DAIRY SHOW TRIP

MEMBERS ASKED TO FURNISH TRANSPORTATION FOR DELEGATION.

The Clarendon Lions were asked to co-operate in carrying a great delegation to the Dairy Show at Plainview Wednesday of this week when they met in their regular luncheon in the Antro Hotel. The matter was attended directly following the luncheon and sufficient cars were secured to carry the interested Donley County producers to the show.

A matter of considerable importance to one of the residents of the city was taken up and consumed a great lot of the time of the luncheon, action on the part of the club still pending. The matter will be handled at the same time M. J. Bonham is carried to Amarillo for attention from Dr. Strite.

The change of the District Convention from Austin to San Angelo was announced to the great enjoyment of a goodly number of the Lions present.

A meeting of the Board of Directors was called for Monday evening at the usual place. The meeting was called off Monday of this week due to the absence from the city of two of the members of the board.

J. L. Murrell, son of W. M. Murrell, was one of the guests of the club, stating his pleasure at being allowed to visit the organization and passing a compliment on the work of the organization as a whole in the work they are doing.

V. Y. Schofield was the other guest of the day, complimenting the club highly, calling it the best club in the state not excepting clubs in towns many times the size of Clarendon.

Adjournment as usual.

SUPERINTENDENT BURTON ATTENDS P. T. A. MEET

Superintendent H. T. Burton of the Clarendon Public Schools is one of the speakers on the Parent-Teachers program in Pampa today. He left early this morning with Mrs. Burton and Nelda Sue and will return this evening. Mr. Burton will address the gathering on the subject, "Sound Health." S. H. Condon of West Texas State Teachers College will also appear on the program today.

CLAUDE J. DAVIS EXPANDS HIS BUSINESS

Claude J. Davis, the popular young man who has kept bicycling alive in Clarendon, has added a new department to his business according to an ad in this issue of The News. Claude has expanded his business to include washing automobiles and has a guarantee that's gilt edge. We'll hear more from Claude as he grows up.

Solid trainload of Durant Cars for St. Louis, 43 freight cars made up the train which carried 172 New Durant cars from Lansing, Mich. to Durant dealers in St. Louis and vicinity.

DORR ELLIS RESIGNS TO ENTER CATTLE BUSINESS

Dorr Ellis, employee in the Clarendon postoffice for the past six years, has resigned his place, effective April 1st. Mr. Ellis has many friends in the city who regret to see him leave the office, but who are congratulating him on his forming a partnership with John Blocker in the cattle and farming business. The place vacated by Mr. Ellis has been filled by Ernest Hunt, a substitute who has been helping in the office for some months past.

C. J. Douglas attended to business matters in Amarillo Tuesday afternoon.

D. B. Pope and A. Y. Scofield motored to Memphis Wednesday afternoon.

Freeze With Heat

Not A Whisper Of Sound

NOT A SINGLE MOVING PART

COSTS LESS TO OPERATE

Gas and water are not only relatively cheap, but the gas refrigerator uses just a tiny gas flame, a mere trickle of water. That is why the operating cost is ridiculously low. You can operate a sensitive radio set near the gas refrigerator without getting the slightest hum of interference. You can stand a dime on edge atop its solid, immovable surface.

Until you have seen the gas refrigerator you have not seen perfect refrigeration. This revolutionary idea has been tested and proven by over six years actual use.

A small deposit puts this refrigerator in your home to stay, with many months to pay the balance a little at a time.

Pay us a visit and see this wonderful machine in actual use.
